

Information Memorandum

European Investment Bank

Australian Dollar Medium Term Note Programme

European Investment Bank is not a bank or authorised deposit-taking institution which is authorised under the Banking Act 1959 of Australia ("**Banking Act**") and nor is it supervised by the Australian Prudential Regulation Authority ("**APRA**"). The Notes are not the obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia. The depositor protection provisions in Division 2 of Part II of the Banking Act do not apply to European Investment Bank. No Notes shall be "protected accounts" or "deposit liabilities" within the meaning of the Banking Act and an investment in any Notes will not be covered by the depositor protection provisions in section 13A of the Banking Act and will not be covered by the Australian Government's bank deposit guarantee (also commonly referred to as the Financial Claims Scheme).

Each offer to purchase or invitation to buy Notes in Australia will constitute an offer or invitation which does not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act 2001 of Australia and will comply with Banking exemption No. 1 of 2018 dated 21 March 2018 promulgated by APRA as if it applied to European Investment Bank *mutatis mutandis* (and which, as at the date of this Information Memorandum, requires all offer and transfers of any parcels of Notes to be for an aggregate principal amount of at least A\$500,000). Other restrictions on offering and transfers of Notes are set out under "Subscription and Sale".

Application has been made for the Notes to be listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Bourse de Luxembourg, which is the regulated market of the Luxembourg Stock Exchange. However, unlisted Notes may be issued pursuant to the Programme. The relevant Pricing Supplement (as defined herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed on the Luxembourg Stock Exchange.

This Information Memorandum replaces the Information Memorandum dated 30 July 2014 for Notes issued after the date hereof.

Except as expressly stated otherwise, this Information Memorandum has been prepared by, and issued with the authority of, the Issuer.

The Issuer confirms that the information contained in this Information Memorandum as of the date hereof is, in all material respects, true, complete, accurate and not misleading in the context in which it appears and, subject to the reservations set out herein, assumes responsibility for such information. The Issuer has made all reasonable inquiries to ensure that the above declaration is correct.

The only role of the Arranger and the Registrar (each as defined below) in the preparation of this Information Memorandum has been to confirm to the Issuer that the information as to their identity and their respective descriptions in the sections entitled “*Definitions and Programme Summary - Programme Summary*” and “*Directory*” are accurate as at the Preparation Date. Apart from the foregoing, none of the Arranger, the Lead Managers (as defined below), the Dealers and the Registrar has independently verified the information contained in this Information Memorandum. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted, by any of them as to the authenticity, origin, validity, accuracy or completeness of, or any errors or omissions in, any information, statement, opinion or forecast contained in this Information Memorandum or in any accompanying, previous or subsequent material or presentation in connection with the Programme or any Notes.

Each of the Arranger, the Dealers and the Registrar expressly do not undertake to review the financial condition or affairs of the Issuer or any of its affiliates at any time or to advise any Noteholder, any potential investor in Notes or any other person of any information coming to their attention with respect to the Issuer, the Programme or the Notes and make no representations as to the ability of the Issuer to comply with its obligations under the Notes. None of the Arranger, the Dealers or the Registrar make any representation as to the performance of the Issuer, the maintenance of capital or any particular rate of return, nor does any of the Arranger, the Dealer or the Registrar guarantee the payment of capital or any particular rate of capital or income return, in each case, on the Notes.

No other material authorised

The Issuer has not authorised any person to give any information or make any representations in connection with the offering of the Notes other than those contained in this Information Memorandum. The Issuer makes no representation or warranty as to and assumes no responsibility for the authenticity, origin, validity, accuracy or completion of, or any errors or omissions in, any accompanying, previous or subsequent material or presentation, except as expressly set out or stated in such material or presentation. Any information or representation not contained in this Information Memorandum, or as

otherwise authorised in writing by the Issuer, must not be relied upon as having been authorised by or on behalf of the Issuer, the Arranger, any Lead Manager, any Dealer or the Registrar.

Intending purchasers to make independent investment decision and obtain professional advice

This Information Memorandum contains only summary information concerning the Issuer, the Programme and the Notes. Neither the information contained in this Information Memorandum nor any other information supplied in connection with the Programme or the issue of any Notes (1) is intended to provide the basis of any credit or other evaluation and should not be considered or relied upon as a recommendation or a statement of opinion (or a report of either of those things) by any of the Issuer, the Arranger, any Lead Manager, any Dealer or the Registrar that any recipient of this Information Memorandum (or any other information supplied in connection with the Programme or the issue of any Notes) should subscribe for, purchase or otherwise deal in any Notes or any rights in respect of any Notes, or (2) describes the risks of an investment in any Notes.

Intending purchasers should:

- make and rely upon (and shall be taken to have made and relied upon) their own independent investigation of the financial condition and affairs of, and their own appraisal of the creditworthiness of, the Issuer and the risks of an investment in any Notes;
- determine for themselves the relevance of the information contained in this Information Memorandum (including all information incorporated by reference and forming part of this Information Memorandum) and any other information supplied in connection with the Programme or the issue of any Notes, and must base their investment decision solely upon such independent assessment and such investigations as they consider necessary; and
- consult their own financial, legal, tax and professional advisers about the risks associated with an investment in any Notes and the suitability of investing in the Notes in light of their particular circumstances.

No accounting, regulatory, investment, legal, tax or other professional advice is given in respect of an investment in any Notes or rights in respect of them.

In particular, if any financial product advice is, in fact, held to have been given by the Issuer in relation to Notes issued in connection with this Information Memorandum, it is general advice only. The Issuer is not licensed to provide financial product advice in relation to Notes. No cooling-off regime applies to investors of Notes.

Use of Information Memorandum

This Information Memorandum may not be reproduced or used in whole or in part for any purpose other than in conjunction with the issue of the Notes and admission to the official list of and to trading on the Bourse de Luxembourg, which is the regulated market of the Luxembourg Stock Exchange, nor furnished to any other person without the express written permission of the Issuer. The Luxembourg Stock Exchange's regulated market is a regulated market for the purposes of Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014, as amended ("MiFID II") on markets in financial instruments.

Distribution and selling restrictions

The distribution and use of this Information Memorandum, and the offer or invitation for applications to issue, sell or purchase, and the issue, sale or purchase of Notes, may be restricted by law in certain jurisdictions intending purchasers and other investors should inform themselves about them and observe any such restrictions.

In particular:

- this Information Memorandum is not a prospectus or other disclosure document for the purposes of the Corporation Act. Neither this Information Memorandum nor any other disclosure document in connection with the Programme or the Notes has been, or will be, lodged with the Australian Securities and Investments Commission ("ASIC"); and

- no action has been taken which would permit a public offering of the Notes or distribution of this Information Memorandum or offering material relating to any Notes in any jurisdiction where action for that purpose is required (including circumstances that would require disclosure under Parts 6D.2 or 7.9 of the Corporations Act).

For a description of certain restrictions on offers, sales and deliveries of the Notes, and on distribution of this Information Memorandum and any other offering material relating to any Notes, see the selling restrictions set out in the section entitled “*Subscription and Sale*”.

The Issuer, the Arranger, any Lead Manager, any Dealer and the Registrar do not represent that this document may be lawfully distributed, or that any Notes may be lawfully offered for issue, sale or purchase, or issued, sold or purchased, or applications invited for the issue, sale or purchase of Notes, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. No Notes may be offered for issue, sale or purchase, or issued, sold or purchased or applications invited for the issue, sale or purchase, directly or indirectly, and neither this Information Memorandum nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and directives and the Dealers have represented that the Dealers will comply with the laws of all applicable jurisdictions.

Persons into whose possession this Information Memorandum or any Notes come must inform themselves about, and observe, any such restrictions. In particular, a person may not (directly or indirectly) offer for issue, sale or purchase or invite applications for the issue, sale or purchase of Notes, nor distribute this Information Memorandum except if the issue, sale or purchase complies with all applicable laws and directives.

No offer

This Information Memorandum does not, and is not intended to, constitute an offer or an invitation by or on behalf of the Issuer, the Arranger, any Lead Manager, any Dealer or the Registrar (or, without limitation, their respective subsidiaries, related bodies corporate, officers or employees) to subscribe for, purchase, or otherwise deal in, any Notes.

References to ratings

There are references in this Information Memorandum to credit ratings. A credit rating is not a recommendation to buy, sell or hold Notes and may be subject to revision, suspension or withdrawal at any time by the relevant rating agency. Each credit rating should be evaluated independently of any other credit rating.

Credit ratings are for distribution only to a person (a) who is not a “retail client” within the meaning of section 761G of the Corporations Act and is also a sophisticated investor, professional investor or other investor in respect of whom disclosure is not required under Parts 6D.2 or 7.9 of the Corporations Act, and (b) who is otherwise permitted to receive credit ratings in accordance with applicable law in any jurisdiction in which the person may be located. Anyone who is not such a person is not entitled to receive this Information Memorandum and anyone who receives this Information Memorandum must not distribute it to any person who is not entitled to receive it.

Agency and distribution arrangements

Each of the Arranger, any Lead Manager, any Dealer and the Registrar is acting solely as an arm’s length contractual counterparty and not as an advisor or fiduciary to the Issuer. Further, neither the receipt of this Information Memorandum or any other material relating to the Programme or the issue of any Notes by any person nor any other matter shall be deemed to create or give rise to an advisory or fiduciary duty or relationship between the Arranger, a Lead Manager, a Dealer or the Registrar and that person.

The Arranger, any Lead Manager, any Dealer, and the Registrar and each of their respective affiliates, related entities, partners, directors, officers and employees or the funds which they manage or advise or the funds within which they may have a direct or indirect interest, may from time to time have long or short positions in, or buy and sell (on a principal basis or otherwise), or have pecuniary or other interests in, or act as a market maker, in the Notes or securities, derivatives, commodities, futures or options

identical or related to the Notes and may also receive fees, brokerage and commissions and may act as principal in any dealings in the Notes.

The Issuer may pay fees to the Registrar for undertaking its role and reimburse it for certain of its expenses incurred in connection with the Programme and the offer and sale of Notes. The Issuer may also pay a Lead Manager, a Dealer or any other person a fee in respect of the Notes subscribed by it and may reimburse the Lead Managers or Dealers for certain expenses incurred in connection with the Programme and indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes.

Documents incorporated by reference

Where the context so permits, the following documents are incorporated in and deemed to form part of this Information Memorandum:

- the most recently published annual audited financial statements of the Issuer;
- the most recently published semi-annual unaudited condensed financial statements of the Issuer (if any);
- all amendments and supplements to this Information Memorandum prepared by the Issuer from time to time; and
- all documents issued by the Issuer and stated to be incorporated in this Information Memorandum by reference including, in the case of any series of Notes, a Pricing Supplement.

This Information Memorandum shall, unless otherwise expressly stated, be read and construed on the basis that such documents are so incorporated and form part of this Information Memorandum. Any statement contained in this Information Memorandum or in any of the documents incorporated by reference in, and forming part of this Information Memorandum, shall be modified, replaced or superseded for the purpose of this Information Memorandum to the extent that a statement contained in any document subsequently incorporated by reference modifies, replaces or supersedes such statement (including whether expressly or by implication or in whole or in part). Any statement so modified, replaced or superseded shall not be deemed, except as so modified, replaced or superseded, to constitute a part of this Information Memorandum.

The annual audited financial statements of the Issuer may be obtained from the Issuer's website (www.eib.org). Copies of other documents incorporated by reference are available for inspection from the Issuer and, on request (following reasonable written notice of such) from the Arranger, in each case, at their respective offices.

Any internet site addresses provided in this Information Memorandum (including the website address referred to above) are provided for investor reference only and, unless expressly stated otherwise, the content of any such internet site is not incorporated by reference into, and does not form part of, this Information Memorandum.

A Pricing Supplement or a supplement to this Information Memorandum may supplement, amend, modify or replace any statement or information set out in a Pricing Supplement or incorporated by reference in this Information Memorandum or a supplement to this Information Memorandum.

Currency references

In this Information Memorandum a reference to "**Australian Dollars**", "**A\$**" or "**dollars**" is a reference to the lawful currency of the Commonwealth of Australia and to "**EUR**", "**euro**" and "**€**" are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

MiFID II Product Governance / Target Market

The Pricing Supplement in respect of any Notes may include a legend which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue as to whether, for the purpose of the Market in Financial Instruments Directive Product Governance rules under EU Delegated Directive 2017/593 (the “**MiFID II Product Governance Rules**”), any Lead Manager or Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise none of the Arranger, any Lead Managers or any Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID II Product Governance Rules. The Issuer does not fall under the scope of application of the MiFID II package. Consequently, the Issuer does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of MiFID II.

UK MiFIR Product Governance / Target Market

The Pricing Supplement in respect of any Notes may include a legend which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the target market assessment; however, a distributor subject to the FCA Handbook – Product Intervention and Product Governance Sourcebook, as amended from time to time (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue as to whether, for the purpose of the UK MiFIR Product Governance Rules, any Lead Manager or Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise none of the Arranger, any Lead Managers or any Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules. The Issuer does not fall under the scope of application of Regulation (EU) No 600/2014 of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Regulation (EU) No 648/2012, as amended from time to time, as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended from time to time (“**UK MiFIR**”) package. Consequently, the Issuer does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of UK MiFIR.

Product classification pursuant to section 309B of the Securities and Futures Act (Chapter 289) of Singapore

The relevant Pricing Supplement in respect of any Notes will include a legend entitled “Notification under Section 309B of the Securities and Futures Act, Chapter 289 of Singapore” (or a like expression) which will state the product classification of the Notes pursuant to section 309B of the Securities and Futures Act, Chapter 289 of Singapore (as modified or amended from time to time) (the “**SFA**”). The Issuer will make a determination in relation to each issue about the classification of the Notes being offered for purposes of section 309B of the SFA. Any such legend included on the relevant Pricing Supplement will constitute notice to “relevant persons” for purposes of 309B of the SFA.

Information relating to the European Investment Bank

Introduction

The Issuer is an autonomous public institution established by the Treaty on the Functioning of the European Union, as amended and supplemented from time to time (the “TFEU”). The Issuer’s capital is subscribed by the member states (the “Member States” and each a “Member State”) of the European Union (the “EU”). The Issuer has never defaulted on the payment of principal of or interest on any security issued by it. The Issuer grants finance, in particular in the form of loans and guarantees, for investments, utilising its own capital resources and borrowings on capital markets. The Issuer is situated at 98-100, boulevard Konrad Adenauer, L-2950 Luxembourg, Grand Duchy of Luxembourg.

Mission

Under the TFEU, the purpose of the Issuer is to contribute, mainly by having recourse to the capital markets and utilising its own resources, to the balanced and steady development of the internal market in the interest of the EU. For this purpose, operating on a non-profit-making basis, the Issuer is required by the TFEU to grant loans and give guarantees in all sectors of the economy for projects which develop the less-developed regions of the EU and, where the projects are of such size or nature that they cannot be entirely financed from resources available in the individual Member States, for projects which modernise or convert undertakings or develop new activities called for by the establishment or functioning of the internal market, or which are of common interest to several Member States. In addition, the Issuer grants loans and gives guarantees for projects outside the EU, generally within the framework of agreements between the EU and non-member states.

Constitution and Membership

The Issuer is separate from the EU institutions and it has its own governing bodies, sources of revenues and financial operations and is solely responsible for its indebtedness. The Issuer is principally governed by certain provisions of the TFEU and the Treaty on European Union, as amended and supplemented from time to time (the “TEU”), the Statute of the Issuer, as amended and supplemented from time to time (the “Statute”), which is annexed to the TEU and TFEU as Protocol (No 5) on the Statute of the European Investment Bank, and Protocol (No 7) on the Privileges and Immunities of the European Union, as amended and supplemented from time to time, which is annexed to the TEU and TFEU (the “Protocol”).

The TFEU establishes the Issuer and defines the mission of the Issuer. The Statute sets forth the objectives, structure, capital, membership, financial resources, means of intervention and auditing arrangements of the Issuer. The Protocol gives the Issuer a range of privileges and immunities considered necessary for the performance by the Issuer of its tasks and other functions.

The TFEU provides that the members of the Issuer shall be the Member States. As a result, as of the date of this Information Memorandum, the shareholders of the Issuer are the 27 Member States of the EU. The following table sets out the share of each Member State in the subscribed capital of the Issuer as of the date of this Information Memorandum.

As of 1 February 2020, in accordance with Article 50 of the TEU and the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community (the “**Withdrawal Agreement**”), the United Kingdom ceased to be a Member State. The withdrawal of the United Kingdom from the EU automatically resulted in the termination of its membership of the Issuer and its share of the Issuer’s subscribed capital. Effective 1 February 2020, the share of the United Kingdom in respect of the Issuer’s subscribed capital was fully replaced by a *pro rata* capital increase of the remaining Member States.

The Withdrawal Agreement contains, among other things, several provisions governing the financial settlement in respect of the Issuer as a result of the termination of UK membership of the Issuer. In accordance with the provisions of Article 150 of the Withdrawal Agreement, the United Kingdom remains liable, up to its former share of the subscribed capital in the Issuer, for the Issuer’s pre-withdrawal exposure. The United Kingdom also remains liable for other Issuer risks provided that such risks are not related to post-withdrawal lending.

In addition, in accordance with the provisions of Article 150 of the Withdrawal Agreement, the Issuer shall pay to the United Kingdom an amount equal to the former UK share of the paid-in capital of the Issuer (which stood at EUR 3,495,903,950 immediately prior to the date of withdrawal of the United Kingdom) in twelve annual instalments. The first two instalments in the amount of EUR 300,000,000 each were instructed by the Issuer and paid on or about 15 October of 2020 and 2021 respectively. The following nine instalments, each equal to EUR 300,000,000, shall be due on or about 15 October of each year starting in 2022. The balance of EUR 195,903,950 shall be due on or about 15 October 2031. Except for such repayment of the UK paid-in capital, the Issuer shall not be obliged to make any other payment, return or remuneration to the United Kingdom in connection with the termination of its

membership of the Issuer or on account of the retention by the United Kingdom of certain liabilities as described in the relevant provisions of the Withdrawal Agreement.

The Statute provides that the Member States shall be liable only up to the amount of their share of the capital subscribed and not paid up. The board of directors of the Issuer may require payment of the balance of the subscribed capital, to such extent as may be required by the Issuer to meet its obligations. Each Member State shall make this payment in proportion to its share of the subscribed capital.

Administration

The Issuer is directed and managed by a board of governors, a board of directors and a management committee. The board of governors consists of government ministers, usually ministers of finance, appointed by the Member States. The board of governors lays down general directives on the credit policy of the Issuer and ensures that such directives are implemented. In addition, the board of governors decides on increases in the subscribed capital and the Issuer's participation in financing operations outside the EU. Decisions of the board of governors are based on a voting regime ranging from simple majority (representing at least 50% of the subscribed capital) and qualified majority (requiring 18 votes in favour and 68% of the subscribed capital) to unanimity.

The board of directors is composed of 28 directors and 31 alternate directors, each appointed for a period of five years by the board of governors on nomination by the Member States and the Commission of the EU. There are also six non-voting experts co-opted to the board of directors. Functions of the board of directors include, but are not limited to, the following: (a) taking decisions in respect of granting finance, in particular, in the form of loans and guarantees, and raising loans; (b) fixing the interest rates on loans granted and the commission and other charges; and (c) ensuring that the Issuer is managed in accordance with the provisions of the TFEU and the Statute and the general directives laid down by the board of governors. Decisions of the board of directors are based on a voting regime ranging from one third of its members (representing at least 50% of the subscribed capital) and qualified majority (requiring 18 votes in favour and 68% of the subscribed capital) to unanimity. The board of directors may also delegate some of its functions to the management committee.

The management committee consists of the president and vice-presidents appointed for a period of six years by the board of governors on a proposal from the board of directors. The management committee as the executive body of the Issuer is responsible for the day-to-day business of the Issuer. The management committee prepares the decisions of the board of directors, in particular, the decisions on the raising of loans and the granting of finance, in particular, in the form of loans and guarantees, and it ensures that such decisions are implemented. The management committee acts by a majority when delivering opinions on proposals for raising loans or granting finance, in particular in the form of loans and guarantees.

Legal Status

The Issuer has a legal personality and possesses in each Member State the most extensive legal capacity accorded to legal persons under the laws of each such Member State. It may acquire and transfer property and sue and be sued in its own name.

The property of the Issuer is exempt from all forms of requisition or expropriation. The archives of the Issuer are inviolable. The Issuer and its assets, revenue and other property are exempt from all direct taxes of the Member States. In addition, the Issuer is exempt from any fiscal charges in respect of increases in its subscribed capital or paid-in capital and from any related formalities in the Member State in which the Issuer has its seat. Similarly, its dissolution or liquidation will not give rise to any imposition of fiscal charges in the Member States. The activities of the Issuer carried out in accordance with the Statute may not be the subject of any turnover tax in the Member States. Furthermore, the members of the Issuer's organs and its staff are immune from legal proceedings in the territory of each Member State in respect of acts performed by them in their official capacity and continue to enjoy such immunity after they have ceased to hold office. The Issuer is, however, required to waive such immunity wherever it considers that such waiver is not contrary to its interests.

The TFEU provides that the Court of Justice of the European Union having its seat in Luxembourg (the "**European Court of Justice**") has exclusive jurisdiction in certain cases involving, among other matters, the fulfilment by Member States of their obligations under the Statute and the lawfulness of measures adopted by the Issuer's board of governors and the Issuer's board of directors. Subject to the foregoing exclusive jurisdiction of the European Court of Justice, any litigation between the Issuer and its creditors

or debtors, including claims based on guarantees made by Member States, may be determined by competent national courts of the Member States. The property and assets of the Issuer within the Member States are not, except by judicial decision and with the authorisation of the European Court of Justice, subject to attachment or to seizure by way of execution.

Lending Activities

In support of the objectives of the EU, the Issuer finances investments carried out by public or private undertakings, in particular, in the areas of transport, energy, information technology, telecommunications, urban, health and education infrastructure, environmental sustainability and human capital. Furthermore, the Issuer provides intermediated loans to small and medium-sized entities. The Issuer finances investments in both Member States and outside the territories of the Member States.

To be eligible to receive financing from the Issuer, each investment operation has to contribute to EU economic policy objectives. The Issuer carries out a detailed appraisal, which includes a review of the technical, environmental, economic, financial and legal aspects of each investment operation. Following the detailed appraisal, the Issuer forms an opinion on the basis of available data and documents as to whether or not the Issuer will provide any financing for the reviewed investment operation.

The Issuer also grants finance, in particular, in the form of loans and guarantees, for investment operations outside the EU, generally within the framework of agreements between the EU and non-Member States either in bilateral or multilateral form.

Funding

The Issuer is financially independent. It operates on a broadly self-financing basis, raising resources through bond issues and other debt instruments in international and domestic debt markets. In addition to large benchmark/reference bonds, the Issuer offers public bonds and private placements of smaller size, which seek to meet specific investor requirements as to maturities, currencies, interest rate and other similar terms. These issues cover a variety of debt products from fixed rate bonds with redemption at final maturity to highly structured securities adapted to the very specific needs of particular investors.

Use of proceeds

Unless specified otherwise in the Pricing Supplement, the net proceeds to the Issuer from the sale of the Notes to be offered hereby will be used in the general operations of the Issuer, including disbursements of loans granted by the Issuer prior to or after the date of this Information Memorandum. Neither the particular projects for which, or borrowers to which, loans will be made nor the countries in which such projects will be located have been identified.

1.3 *Headings*

Headings are inserted for convenience and do not affect the interpretation of these terms and conditions.

2 Form, denomination and title

2.1 *Constitution under MTN Deed Poll*

The Notes are debt obligations of the Issuer owing under the MTN Deed Poll and take the form of entries in the Register. Each entry in the Register constitutes a separate and individual acknowledgment to the relevant Noteholder of the indebtedness of the Issuer to the relevant Noteholder.

2.2 *Independent obligations*

The obligations of the Issuer in respect of each Note constitute separate and independent obligations which the Noteholder to whom those obligations are owed is entitled to enforce

without having to join any other Noteholder or any predecessor in title of a Noteholder.

2.3 *Denomination*

Unless otherwise specified in the Pricing Supplement, Notes are issued in the denomination of A\$1,000 (or its equivalent in an alternative currency). Notes may only be issued:

- (a) in or into Australia if:
 - (i) the aggregate consideration payable to the Issuer by the relevant subscriber is at least A\$500,000 (or its equivalent in an alternative currency, in either case, disregarding moneys lent by the Issuer or its associates) or the Notes are otherwise issued in a manner which constitutes an offer or invitation which does not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
 - (ii) the offer or invitation does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
 - (iii) the issue complies with Banking exemption No. 1 of 2018 dated 21 March 2018 promulgated by the APRA as if it applied to the Issuer *mutatis mutandis*; and
- (b) at all times, the offer or invitation (including any resulting issue) complies with all applicable laws and directives in the jurisdiction in which the offer, invitation or issue takes place.

2.4 *Register conclusive*

Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the registered owner of the Note subject to rectification for fraud or error. No Note will be registered in the name of more than four persons. A Note registered in the name of more than one person is held by those persons as joint tenants. Notes will be registered by name only without reference to any trusteeship. The person registered in the Register as a Noteholder of a Note will be treated by the Issuer and the Registrar as absolute owner of that Note and neither the Issuer nor the Registrar is, except as ordered by a court or as required by statute, obliged to take notice of any other claim to a Note.

2.5 *Holder absolutely entitled*

Upon a person acquiring title to any Note by virtue of becoming registered as the owner of that Note, all rights and entitlements arising by virtue of the MTN Deed Poll in respect of that Note vest absolutely in the registered owner of the Note, such that no person who has previously been registered as the owner of the Note has or is entitled to assert against the Issuer or the Registrar or the registered owner of the Note for the time being and from time to time any rights, benefits or entitlements in respect of the Note.

2.6 *Location of Register*

The Register will be established and maintained in Sydney unless otherwise agreed with the Registrar.

2.7 *Certificates*

No certificate or other evidence of title will be issued by or on behalf of the Issuer to evidence title to a Note unless the Issuer determines by agreement with the Registrar that certificates should be made available or it is required to do so pursuant to any applicable law or regulation.

3 Transfers

3.1 Limit on transfer

Notes, or interests in them, may only be transferred if:

- (a) in the case of Notes to be transferred in, or into, Australia, the offer or invitation giving rise to the transfer:
 - (i) is for an aggregate consideration payable to the transferor by the relevant subscriber is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the transferor or its associates) or the transfer does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
 - (ii) does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
 - (iii) complies with the Banking exemption No. 1 of 2018 dated 21 March 2018 promulgated by the APRA as if it applied to the Issuer *mutatis mutandis*; and
- (b) at all times, the transfer complies with all applicable laws and directives in the jurisdiction in which the transfer takes place.

Interests in Notes which have been entered in the Austraclear System will be transferable in accordance with the Austraclear Regulations.

3.2 Transfer forms

Unless the Notes are lodged in the Austraclear System, application for the transfer of Notes must be made by the lodgement of a transfer form with the Registrar or, following the Withdrawal of any of the Notes as contemplated by Condition 14.2, the Transfer Agent. Transfer forms are available from the Registrar or, if applicable, the Transfer Agent. Each form must be accompanied by such evidence (if any) as the Registrar or, if applicable, the Transfer Agent may require to prove the title of the transferor or the transferor’s right to transfer the Note and be signed by both the transferor and the transferee.

3.3 Registration of transfer

The transferor of a Note is deemed to remain the holder of that Note until the name of the transferee is entered in the Register in respect of that Note. Transfers will not be registered later than eight days prior to the Maturity Date of the Notes.

3.4 No charge on transfer

Transfers will be registered without charge provided that taxes, duties or other governmental charges (if any) imposed in relation to the transfer have been paid.

3.5 Estates

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar or, if applicable, the Transfer Agent considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

3.6 Unincorporated associations

A transfer to an unincorporated association is not permitted.

3.7 Transfer of unidentified Notes

Where the transferor executes a transfer of less than all Notes of the relevant Tranche or Series

registered in its name, and the specific Notes to be transferred are not identified, the Registrar may register the transfer in respect of such of the Notes of the relevant Tranche or Series registered in the name of the transferor as the Registrar thinks fit, provided the aggregate principal amount of the Notes registered as having been transferred equals the aggregate principal amount of the Notes expressed to be transferred in the transfer.

4 Status

The Notes will be unconditional, direct and general obligations of the Issuer in accordance with their terms for their payment and performance.

The Notes will rank *pari passu* with any present or future indebtedness of the Issuer represented by any unsubordinated and unsecured notes, bonds or other securities.

5 Interest

Notes may be interest bearing or non-interest bearing, as specified in the relevant Pricing Supplement.

5.1 Interest bearing Notes

Notes which are specified in the relevant Pricing Supplement as being interest bearing shall bear interest from and including their Interest Commencement Date at the Interest Rate and such interest is payable in arrear on each Interest Payment Date.

Interest accrues from the Interest Commencement Date on the Outstanding Principal Amount. Interest will cease to accrue on the Maturity Date of a Note unless payment of any principal amount is improperly withheld or refused or if default is otherwise made in respect of payment thereof, in which case interest continues to accrue on such principal amount (as well after as before any demand or judgment) at the Interest Rate then applicable or such other rate as may be specified for this purpose in the relevant Pricing Supplement up to but excluding the date on which the relevant payment is made.

5.2 Non-interest bearing Notes

If any Maturity Redemption Amount in respect of any Note which is non-interest bearing is not paid when due, interest shall accrue on the overdue amount at a rate per annum (expressed as a percentage per annum) equal to the Amortisation Yield as defined in, or determined in accordance with the provisions of, the relevant Pricing Supplement or at such other rate as may be specified for this purpose in the relevant Pricing Supplement.

5.3 Calculations and adjustments

The amount of interest payable in respect of any Note for any period of less than one year is calculated by multiplying the product of the Interest Rate and the Outstanding Principal Amount by the Day Count Fraction, save that if the relevant Pricing Supplement specifies an amount in respect of such period, the amount of interest payable in respect of such Note for such period is equal to such specified amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period is the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

If any Maximum Interest Rate or Minimum Interest Rate is specified in the relevant Pricing Supplement, then the Interest Rate will not in any event exceed the maximum or be less than the minimum so specified.

For the purposes of any calculations referred to in these Terms and Conditions and unless otherwise specified in these Terms and Conditions or the relevant Pricing Supplement:

- (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest three decimal places (with 0.0005% being rounded to 0.001%); and
- (b) all Australian Dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up).

5.4 *Calculation Agent*

- (a) As soon as practicable after the relevant time on such date as these Terms and Conditions or the relevant Pricing Supplement may require:
- (i) any Amortised Face Amount, Early Termination Amount, Maturity Redemption Amount or any other amount to be calculated; or
 - (ii) any quote to be obtained or any determination or calculation to be made by the Calculation Agent,

the Calculation Agent will:

- (A) determine the Interest Rate in respect of each Series of the Notes for the relevant Interest Accrual Period, Interest Period or Interest Payment Date;
- (B) calculate the Amortised Face Amount, Early Termination Amount, Maturity Redemption Amount or other amount; or
- (C) obtain such quote or make such determination or calculation,

and cause the Interest Rate for each Interest Accrual Period, Interest Period or Interest Payment Date and, if required to be calculated, any Amortised Face Amount, Early Termination Amount, Maturity Redemption Amount or other amount, to be notified to the Registrar, the Issuer, the Noteholders (upon request by such Noteholders to the Calculation Agent only) and (if the Notes are listed on any stock exchange) any relevant stock exchange as soon as possible after their determination but in no event later than 5.00pm on the Business Day on which such calculation is made.

- (b) The Calculation Agent must obtain relevant quotes from appropriate banks or reference agents or obtain information from such other sources as are specified in these Terms and Conditions or the Pricing Supplement.
- (c) The calculations, determinations and notifications made by the Calculation Agent shall, in the absence of manifest error, be final and binding on the parties.

6 Redemption and purchase

6.1 Redemption on maturity

Unless previously redeemed, or purchased and cancelled, each Note shall be redeemed on maturity at its Maturity Redemption Amount.

6.2 Purchase of Notes

The Issuer may at any time purchase Notes in the open market or otherwise and at any price. All unmatured Notes purchased in accordance with this Condition 6.2 may be held, resold, re-issued or cancelled at the discretion of the Issuer, subject to compliance with any applicable laws or directives. Any Notes which have been cancelled in accordance with this Condition 6.2 may not be reissued or resold.

7 Events of Default

7.1 Events of Default

An Event of Default occurs in relation to the Notes of any Series if:

- (a) the Issuer shall default in any payment in respect of any of the Notes and such default shall not have been remedied by payment thereof within 30 days after written notice of such default shall have been given by a Noteholder to the Issuer at its office at 98-100, boulevard Konrad Adenauer, L-2950 Luxembourg, Grand Duchy of Luxembourg or at such other address as shall be notified to the Noteholders under Condition 11;

- (b) the Issuer shall default in the due performance of any of its other obligations in respect of the Notes and such default shall continue for a period of 30 days after written notice thereof shall have been given by a Noteholder to the Issuer at its said office or at such other address as shall be notified to the Noteholders in accordance with Condition 11; or
- (c) any other indebtedness of the Issuer for borrowed money now or hereafter outstanding and maturing more than one year from the date of its creation shall become due and payable prior to the stated maturity thereof as a result of a default thereunder or any such indebtedness shall not be paid at the maturity thereof as extended by an applicable grace period therefor or any guarantee given by the Issuer for borrowed money shall not be honoured within 30 days when due and called upon in accordance with its terms.

7.2 Consequences of an Event of Default

Subject to Conditions 7.3 and 7.4, if any Event of Default occurs in relation to the Notes of any Series or any of them, then a Noteholder in that Series may by written notice to the Issuer (with a copy to the Registrar) declare the Early Termination Amount (together with all accrued interest (if any)) applicable to each Note held by the Noteholder to be due and payable immediately or on such other date specified in the notice.

7.3 Rectification

A Noteholder's right to declare Notes due terminates if the situation giving rise to it has been cured before such right is exercised.

7.4 Notice requirements

Any notice declaring Notes due must be given in accordance with the requirements of Condition 11 and be accompanied by proof that such Noteholder at that time is a holder of the relevant Notes.

8 Payments

8.1 Record Date

Payments to Noteholders will be made according to the particulars recorded in the Register at 5.00pm on the relevant Record Date.

8.2 Joint holders

When a Note is held jointly, payment will be made to the holders in their joint names unless requested otherwise in accordance with the Registrar's requirements.

8.3 Payments to accounts

Payments in respect of each Note will be made in Australian Dollars and:

- (a) if the Notes are in the Austraclear System, by crediting on the relevant Payment Date, the amount then due to the account (held with a bank in Australia) of the Noteholder in accordance with the Austraclear Regulations; and
- (b) if the Notes are not in the Austraclear System, by crediting on the Payment Date, the amount then due to an account in Australia previously notified by the registered owner of the Note to the Registrar or, if applicable, the Transfer Agent.

If the registered owner of the Note has not notified the Registrar or, if applicable, the Transfer Agent of such an account by close of business on the relevant Record Date, payments in respect of the relevant Note will be made by cheque (drawn on a bank in Australia), mailed on the relevant Payment Date, at the Noteholder's risk to the registered owner (or to the first named of joint registered owners) of such Note at the address appearing in the Register as at the Record Date. Cheques to be despatched to the nominated address of a Noteholder will in such

cases be deemed to have been received by the Noteholder on the relevant Payment Date and no further amount will be payable by the Issuer in respect of the relevant Note as a result of payment not being received by the Noteholder on the due date.

8.4 *Payments to the Registrar*

Unless otherwise agreed between the Issuer and the Registrar, the Issuer must pay amounts due under each Note to a bank account in Sydney in the name of the Issuer operated by the Registrar.

8.5 *Payment constitutes release*

Any payment made by or on behalf of the Issuer to the Registrar or such other paying agent for the account of a person whose name is, at the time such payment is made, inscribed in the Register as the Noteholder constitutes for all purposes an absolute and unconditional release and discharge of the Issuer, to the extent of such payment, of all obligations and indebtedness in respect of the Note in relation to which the payment was made.

8.6 *Business Days*

All payments must be made in accordance with the Applicable Business Day Convention. If payment is to be made to an account on a day on which banks are not open for general banking business in the city in which the account is located, the Noteholder is not entitled to payment of such amount until the next day on which banks in such place are open for general banking business and is not entitled to any interest or other payment in respect of any such delay.

8.7 *Payments subject to fiscal laws*

Payments will be subject in all cases to any fiscal or other laws and directives applicable thereto. Consequently, none of the Issuer, the Registrar or, if applicable, the Transfer Agent will make any additional payments in the event of a withholding being required in respect of any payment under or in connection with the Notes. None of the Issuer, the Registrar or, if applicable, the Transfer Agent shall be liable to any Noteholder or other person for any commissions, costs, losses or expenses in relation to or resulting from such payments.

9 Further issues

The Issuer may from time to time, without the consent of any Noteholder, issue further Notes having the same Conditions as the Notes of any Series in all respects (or in all respects except for the Issue Date, the Issue Price and the first Interest Payment Date (if any)) so as to form a single Series with the Notes of that Series.

10 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless such claim is made within five years of the due date or, if later, the date on which the payment is fully provided for by the Issuer making payment to the Registrar in accordance with Condition 8.4.

11 Notices

11.1 *To the Issuer and the Registrar*

A notice or other communication in connection with a Note to the Issuer or the Registrar must be in writing and may be given by delivery to the address of the addressee or by fax or email to the fax number or email address of the addressee as agreed between those parties from time to time or as specified in the Information Memorandum.

11.3 *To Noteholders through Austraclear*

Notwithstanding Condition 11.2, if a Note is held in or through the Austraclear System, notices to the relevant Noteholder may be given by way of delivery to Austraclear (or the Registrar for delivery to Austraclear) for communication by it through the Austraclear System to each Noteholder in accordance with the Austraclear Regulations.

11.4 *Effective on receipt*

Unless a later time is specified in it, a notice, approval, consent or other communication takes effect from the time it is received, except that if it is received after 5.00pm in the place of receipt or on a non-business day in that place, it is to be taken to be received at 9.00am on the next succeeding business day in that place.

12 **Meetings of Noteholders**

Meetings of Noteholders may be convened in accordance with the Meeting Provisions and with notice to Noteholders pursuant to Condition 11. Any such meeting may consider any matters affecting the interests of Noteholders, including, without limitation, the variation of the terms of the Notes by the Issuer and the granting of approvals, consents and waivers.

13 **Amendments**

The Terms and Conditions may be supplemented, amended, modified or replaced by the Issuer without the consent of any Noteholder:

- (a) for the purposes of curing any ambiguity, or correcting or supplementing any defective

or inconsistent provisions therein; or

(b) in any manner which the Issuer deems necessary or desirable,

and which, in either case, does not adversely affect the interests of the Noteholders.

The Issuer shall give notice to the Noteholders of any material changes.

The Terms and Conditions may otherwise be varied by the Issuer with the approval of the Noteholders by Extraordinary Resolution. No other variation to the Terms and Conditions has effect in relation to the Noteholders who hold Notes at the date of any amending deed, unless they otherwise agree in writing. A variation will take effect in relation to all subsequent Noteholders. A variation which affects only a particular Series or Tranche of Notes may be approved solely by the Noteholders of such Series or Tranche.

14 Registrar and Transfer Agent (if applicable)

14.1 Role of the Registrar

In acting under the Registry Services Agreement in connection with the Notes, the Registrar acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders save insofar as that any funds received by the Registrar shall, pending their application in accordance with the Registry Services Agreement, be held by it in a segregated account which shall be held on trust for the persons entitled thereto.

14.2 Appointment of Transfer Agent (if required)

If the Luxembourg Stock Exchange so requires on a Withdrawal of any of the Notes by a transferee that gives for the purpose of inscription on the Register an address or registered office which is outside Australia, the Issuer shall procure and maintain the appointment of a transfer agent with its specified office in Luxembourg (the “**Transfer Agent**”) if any of the Notes are listed on the regulated market of the Luxembourg Stock Exchange and a registrar with its specified office in Australia. Notice of any such appointment will be given to the Noteholders in accordance with Condition 11. If a Transfer Agent is appointed following any such Withdrawal of the Notes, the Transfer Agent shall act solely as agent of the Issuer and does not assume any obligations towards or relationship of agency on trust for or with any of the Noteholders.

14.3 Change of Registrar or Transfer Agent

The Issuer reserves the right at any time to terminate the appointment of either the Registrar or the Transfer Agent and to appoint successor or additional registrars and transfer agents. Notice of any such termination must be given to the Noteholders in accordance with Condition 11.

Subject as aforesaid the Issuer waives any objection to Proceedings in such courts whether on the grounds that the Proceedings have been brought in an inconvenient forum or otherwise.

The property and assets of the Issuer within the Member States of the European Union may not be the subject of any administrative or legal measure of constraint without the authorisation of the Court of Justice.

15.3 *Service of process*

Summary of the Dealer Agreement

Subject to the terms and on the conditions contained in the Dealer Agreement, the Issuer may from time to time agree with one or more Dealers to issue Notes by way of private and non-private placement. The Notes will be transacted through the Austraclear System. If accepted for admission to the respective systems, an interest in a Note may be held through Euroclear or Clearstream, Luxembourg (see the section entitled “*Definitions and Programme Summary - Programme Summary - Clearing Systems*” above).

Selling Restrictions

1 General

No action has been or will be taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Information Memorandum or any other offering material, in any country or jurisdiction where action for that purpose is required. Accordingly each Dealer will undertake that it will not, directly or indirectly, offer or sell any Notes or distribute or publish the Information Memorandum or any other offering material in any country or jurisdiction except in compliance with any applicable laws and regulations.

Without prejudice to the generality of the paragraph above, the Issuer shall not have any responsibility for, and each Dealer will agree to obtain, any consent, approval or permission for subscription, offer or sale of Notes required by it under, and each Dealer will agree to comply with, the laws and directives in force in any jurisdiction to which it is subject or in or from which it makes any such subscription, offer or sale.

Each Dealer will undertake that it has not made, and will not make, any representation or use any information in connection with the issue, offering or sale of any of the Notes other than as contained in, or which is consistent with, the documents permitted to be circulated in accordance with the provisions of the Dealer Agreement.

Persons in whose hands this Information Memorandum comes are required by the Issuer, the Arranger and each Dealer to comply with all applicable laws and directives in each country or jurisdiction in which they purchase, offer, sell, resell, reoffer or deliver Notes or have in their possession or distribute or publish the Information Memorandum or other offering material and to obtain any authorisation, consent, approval or permission required by them for the purchase, offer, sale, resale, reoffer or delivery by them of any Notes under any applicable law or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales, resales, reoffers or deliveries, in all cases at their own expense, and none of the Issuer, the Arranger or any Dealer shall have responsibility for such matters. In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.

In particular, there are restrictions on the distribution of this Information Memorandum and the offer or sale of Notes in Australia, the United Kingdom, New Zealand, Hong Kong, Singapore, Japan, South Korea and People’s Republic of China as set out below.

For the purposes of these selling restrictions, references to:

- a “**directive**” includes a treaty, official directive, request, regulation, guideline or policy (whether or not having the force of law) with which responsible participants in the relevant market generally comply; and

Australian Taxation

*The following is a summary of the Australian withholding tax treatment under the Income Tax Assessment Acts 1936 and 1997 of Australia (together, the “**Australian Tax Acts**”), at the date of this Information Memorandum, of payments of interest on the Notes and certain other Australian tax matters. It is a general guide and should be treated with appropriate caution. This summary is not intended to be, nor should it be construed as, legal or tax advice to any particular holder of Notes. Prospective holders of Notes who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.*

This summary does not consider the tax implications for persons who hold interests in the Notes through the Austraclear System, Euroclear, Clearstream, Luxembourg or another clearing system.

Under Australian laws as presently in effect:

- (a) *interest withholding tax* – so long as the Issuer continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under the Notes issued by it should not be subject to Australian interest withholding tax imposed under Division 11A of Part III of the Australian Tax Act;
- (b) *supply withholding tax* – payments in respect of the Notes can be made free and clear of the “supply withholding tax” imposed under section 12-190 of Schedule 1 to the Taxation Administration Act 1953 of Australia (“**TAA**”); and
- (c) *other withholding taxes on payments in respect of Notes* – so long as the relevant Issuer continues to be a non-resident of Australia and the Notes are not issued at or through a permanent establishment of the Issuer in Australia, the tax file number requirements of Part VA of the Australian Tax Act and section 12-140 of Schedule 1 to the TAA should not apply to the Issuer.
