BNG BANK N.V. – MTN PROGRAMME

MiFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the MTNs has led to the conclusion that: (i) the target market for the MTNs is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the MTNs to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the MTNs (a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the MTNs (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

We hereby confirm the following agreement for the issue to Nomura International plc and Royal Bank of Canada of MTNs, each having the terms and conditions set out below, and otherwise in accordance with the terms and conditions of the Deed of Terms and Conditions dated 14 September 1999 (as amended and restated on 28 August 2018) made by the Issuer, the Manager and the Registrar. Terms not defined herein have the meanings given to them in the Deed of Terms and Conditions.
