PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (EEA). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (MiFID II) or (ii) a customer within the meaning of Directive 2002/92/EC, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II.

MiFID II product governance/ eligible counterparties and professional clients only target market: Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the Conditions) set forth in the Offering Circular dated 28 June 2018. This Pricing Supplement contains the final terms of the Notes and must be read in conjunction with the Offering Circular dated 28 June 2019, save in respect of the Conditions which are extracted from the Offering Circular dated 28 June 2018 and are attached hereto.

This Pricing Supplement does not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation, and no action is being taken to permit an offering of the Notes or the distribution of this Pricing Supplement in any jurisdiction where such action is required. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of the Pricing Supplement and the Offering Circulars dated 28 June 2019 and 28 June 2018.

Nothing has happened as of the date hereof or is expected to happen in relation to the Issuer or the Notes which would require the Offering Circular dated 28 June 2019 to be supplemented or updated, *except* for the addition of the following risk factor to the risk factors listed on page 4 and following of the Offering Circular dated 28 June 2019 :

“The Issuer is exposed to the impact of the global pandemic resulting from the outbreak of a strain of novel coronavirus disease, COVID-19, as declared by the World Health Organization on 11 March 2020. Governments in affected areas have imposed a number of measures designed to contain the outbreak, including business closures, travel restrictions, quarantines and cancellations of gatherings and events. The spread of COVID-19 may result in a global economic downturn, including in the Eurozone, Belgium and the Walloon region, and is causing and may continue to cause in the future

increased volatility and declines in financial markets. In particular, the spread of COVID-19 is likely to lead to a decrease in tax and other revenues of the Issuer and to an increase of its expenses. Such consequences cannot be precisely determined at this date. If the pandemic is prolonged, or further diseases emerge that give rise to similar effects, the adverse impact on the global economy could be deepened and result in further declines in financial markets and impact on the Issuer.”.
