**ADDITIONAL INFORMATION REGARDING THE NOTES**

*Form, Denomination and Title*

The Notes will be issued in registered form, represented by a registered global note certificate registered in the name of CDS & CO., as nominee of CDS Clearing & Depository Services Inc. ("**CDS**") and held by CDS (the "**Global Note**") substantially in the form set out in Exhibit G to the Amended and Restated Agency Agreement dated as of May 28, 2008 made between the Issuer and Citibank, N.A., London Branch as global agent (the "**Global Agent**") for the holders of the Notes, as supplemented (the "**Agency Agreement**"). Beneficial interests in the Notes will be represented through book-entry accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in CDS. Investors may elect to hold interests in the Notes directly through any of CDS (in Canada) or Clearstream Banking S.A. ("**Clearstream**"), or Euroclear SA/NV ("**Euroclear**") (in Europe) if they are participants of such systems, or indirectly through organisations which are participants in such systems. Clearstream, and Euroclear will hold interests in the Notes on behalf of their participants through customers' securities accounts in their respective names on the books of their respective Canadian subcustodians, each of which is a Canadian schedule I chartered bank ("**Canadian Subcustodians**"), which in turn will hold such interests in customers' securities accounts in the names of the Canadian Subcustodians on the books of CDS.

None of the Issuer or the Dealers will assume any liability for: (a) any aspect of the records relating to the beneficial ownership of the Notes held by CDS or the payments relating thereto; (b) maintaining, supervising or reviewing any records relating to the Notes; or (c) any advice or representation made by or with respect to CDS and contained in these Final Terms and relating to the rules governing CDS or any action to be taken by CDS or at the direction of its participants. The rules governing CDS provide that it acts as the agent and depository for the CDS participants. As a result, CDS participants must look solely to CDS and beneficial owners must look solely to CDS participants for the interest payments payable by or on behalf of the Issuer to CDS with respect to the Notes.

Except in the limited circumstances described below under "Definitive Notes", owners of beneficial interests in the Notes will not be entitled to have Notes registered in their names, will not receive or be entitled to receive physical delivery of Notes in definitive form and will not be considered owners or holders thereof under the Agency Agreement.

All Notes will be recorded in a register maintained by the Registrar and will be registered in the name of CDS & CO. (or such other nominee of CDS as an authorised representative of CDS may advise) for the benefit of owners of beneficial interests in the Notes, including participants of Clearstream and Euroclear.

For so long as any of the Notes are represented by the registered global note certificate, the Issuer, the Global Agent, the Registrar, and the Paying Agent shall treat CDS & CO., or any other nominee appointed by CDS, as the sole owner or holder of such Notes for all purposes under the Agency Agreement. Principal and interest payments on the Notes registered in the name of CDS & CO., or any other nominee appointed by CDS, will be made on behalf of the Issuer to CDS & CO., or any other nominee appointed by CDS and CDS or such nominee will distribute the payment received.

Secondary market trading between CDS participants will be in accordance with market conventions applicable to transactions in book-based Canadian domestic bonds. Secondary market trading between Euroclear participants and Clearstream participants will occur in the ordinary way in accordance with the applicable rules and operating procedures of Euroclear and Clearstream and will be settled using the procedures applicable to conventional Eurobonds, in immediately available funds.

Links have been established among CDS, Clearstream and Euroclear to facilitate the initial issuance of the Notes and cross-market transfers of the Notes associated with secondary market trading. CDS will be linked to Euroclear and Clearstream through the CDS accounts of the respective Canadian Subcustodians of Clearstream and Euroclear.

Cross-market transfers between persons holding directly or indirectly through CDS participants, on the one hand, and directly or indirectly through Clearstream and Euroclear participants, on the other, will be effected in CDS in accordance with CDS rules; however, such cross-market transactions will require delivery of instructions to the relevant clearing system by the counterparty in such system in accordance with its rules and procedures and within its established deadlines. The relevant clearing system will, if the transaction meets its settlement requirements, deliver instructions to CDS through its Canadian Subcustodian to take action to effect final settlement on its behalf by delivering or receiving Notes in CDS, and making or receiving payment in accordance with normal procedures for

settlement in CDS. Clearstream and Euroclear participants may not deliver instructions directly to CDS or the Canadian Subcustodians.

Because of time-zone differences, credits of notes received in Clearstream or Euroclear as a result of a transaction with a CDS participant will be made during subsequent securities settlement processing and dated the business day following the CDS settlement date. Such credits or any transactions in such notes settled during such processing will be reported to the relevant Euroclear participants or Clearstream participants on such business day. Cash received in Clearstream or Euroclear as a result of sales of Notes by or through a Euroclear participant or a Clearstream participant to a CDS participant will be received with value on the CDS settlement date but will be available in the relevant Euroclear or Clearstream cash account only as of the business day following settlement in CDS.

#### *Definitive Notes*

No beneficial owner of the Notes will be entitled to receive physical delivery of the Notes (represented by an unrestricted individual note certificate) except in the limited circumstances set out in the Global Note, and in the following circumstances:

- (i) CDS (A) has notified the Bank that it is unwilling or unable to continue to act as a depository for the Notes and a successor depository is not appointed by the Bank within 90 business days after receiving such notice; or (B) ceases to be a recognized clearing agency under applicable Canadian or provincial securities legislation and no successor clearing system satisfactory to the Bank, acting reasonably, is available within 90 business days after the Bank becoming aware that CDS is no longer so recognized; or
- (ii) the Bank, upon the request of a holder, elects to issue such Certificates representing Registered Notes to the beneficial owners; or
- (iii) a holder has instituted any judicial proceeding in a court to enforce its rights under the Notes and such holder has been advised by counsel that in connection with such proceeding it is necessary or appropriate for such holder to obtain possession of its Notes; or
- (iv) as provided in the Final Terms

The information in this section concerning CDS, Euroclear and Clearstream has been obtained from sources the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof. CDS, Euroclear and/or Clearstream may change or discontinue any of the foregoing procedures at any time.
