

PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MiFID II product governance / Retail investors (Switzerland only), professional investors and ECPs—Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five categories referred to in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients (for retail clients, in Switzerland only— for the avoidance of doubt, no retail clients in the European Economic Area shall be targeted), each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate and (iii) the following channels for distribution of the Notes to retail clients in Switzerland are appropriate - investment advice, portfolio management, non-advised sales and pure execution services, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.

(iii) Temporary Global Certificate:

Temporary Global Certificate exchangeable for Definitive Materialised Bearer Notes on 21 August 2023 (the "**Exchange Date**"), being the first day following the expiry of 40 days after the Issue Date subject to postponement as provided in the Temporary Global Certificate.

For the purpose of this Series of Notes only, the following provisions shall be inserted immediately following Condition 1 (*Form, Denomination(s), Title and Redenomination*) of the Conditions:

The Notes and all rights in connection therewith are documented in the form of a Temporary Global Certificate which shall be deposited by the Swiss Principal Paying Agent (as defined below) with SIX SIS Ltd. or any other intermediary in Switzerland recognised for such purposes by SIX Swiss Exchange Ltd (SIX SIS Ltd. or any such other intermediary, the "**Intermediary**") until printing of Definitive Materialised Bearer Notes. Once the Temporary Global Certificate is deposited with the Intermediary and entered into the accounts of one or more participants of the Intermediary, the Notes will, for Swiss law purposes, constitute intermediated securities (*Bucheffekten* for Swiss law purposes) ("**Intermediated Securities**") in accordance with the provisions of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz* for Swiss law purposes).

Each holder of Notes (each a "**Noteholder**" and together, the "**Noteholders**") shall, for Swiss law purposes, have a quota co-ownership interest (*Miteigentumsanteil*) in the Temporary Global Certificate and following its exchange, in the Definitive Materialised Bearer Notes and the related Coupons to the extent of such holder's claim against the Issuer, however, for so long as the Temporary Global Certificate and, following its exchange, the Definitive Materialised Bearer Notes and the related Coupons remain deposited with the Intermediary, the co-ownership interest shall be suspended.

The records of the Intermediary will determine the number of Notes held through each participant in that Intermediary. In respect of the Notes held in the form of Intermediated Securities, the Noteholders will be the persons holding the Notes in a securities account in their own name and for their own

account and related expressions shall be construed accordingly.

The Definitive Materialised Bearer Notes for which the Temporary Global Certificate will be exchanged shall (i) be duly executed and authenticated, (ii) where applicable, have attached to them all Coupons in respect of interest, that have not already been paid on the Temporary Global Certificate and (iii) be security printed in accordance with applicable legal and stock exchange requirements.

On exchange in full and surrender of the Temporary Global Certificate for Definitive Materialised Bearer Notes, the Swiss Principal Paying Agent shall procure that it is cancelled and (unless otherwise instructed by the Issuer) returned to the Issuer.

Neither the Issuer nor the Noteholders shall at any time have the right to effect or demand the conversion of the Definitive Materialised Bearer Notes into, or the delivery of, a permanent global certificate (*Globalurkunde* for Swiss law purposes) or Dematerialised Notes (*Wertrechte* for Swiss law purposes) or Definitive Materialised Bearer Notes (*Wertpapiere* for Swiss law purposes).

The Definitive Materialised Bearer Notes (*Wertpapiere* for Swiss law purposes) shall only be individually delivered to the Noteholders, if the Swiss Principal Paying Agent determines, in its sole discretion, that the delivery of the Definitive Materialised Bearer Notes (*Wertpapiere* for Swiss law purposes) is necessary or useful, against cancellation of the Notes in the Noteholders' securities accounts. For the avoidance of doubt, in circumstances where the Swiss Principal Paying Agent decides not to deliver the Definitive Materialised Bearer Notes (*Wertpapiere* for Swiss law purposes), the Noteholders shall not have any recourse to the Issuer.

For the purpose of this Series of Notes only, Condition 7(e) (*Appointment of Agents*) shall be supplemented as follows:

"In respect of the Notes, the Issuer will at all times maintain a Paying Agent having a specified office in Switzerland and (in respect of this Series of Notes only) will at no time maintain a Paying Agent having a specified office outside of Switzerland, unless permitted by applicable law.

The Supplemental Agency Agreement (as defined above) will also contain certain other modifications to the Agency Agreement, necessary as a consequence of the issue of Notes denominated in CHF and listed on the SIX Swiss Exchange.

Payments of principal and interest in respect of Notes will be made in freely disposable CHF without collection costs in Switzerland and without any restrictions and irrespective of nationality, domicile or residence of a Noteholder or Couponholder and without requiring any certification, affidavit or the fulfilment of any other formality.

The receipt by the Swiss Principal Paying Agent of the due and punctual payment of the funds in CHF in Zurich, in the manner provided by the Conditions and these Final Terms, releases the Issuer from its obligation under the Notes and Coupons for the payment of interest and principal due on the respective Interest Payment Dates and on the Maturity Date to the extent of such payment."

For the purpose of this Series of Notes only, the following provisions shall be inserted immediately following Condition 14 (*Notices*) of the Conditions:

2 RATINGS AND EURO EQUIVALENT

Ratings:

The Notes to be issued have been rated A+ by S&P Global Ratings Europe Limited ("**S&P**"), A2 by Moody's France SAS ("**Moody's**") and A+ by Fitch Ratings Ireland Limited ("**Fitch**").

Each of S&P, Fitch and Moody's is established in the European Union and is registered under Regulation (EC) No 1060/2009 (as amended) (the "**CRA Regulation**"). Each of S&P, Fitch and Moody's is included in the list of registered credit rating agencies published by the European Securities and Markets Authority on its website (<https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>) in accordance with the CRA Regulation.

S&P, Fitch and Moody's are not established in the United Kingdom and are not registered under Regulation (EU) N° 1060/2009 as it forms part of domestic law by virtue of the EUWA (the "**UK CRA Regulation**"). The ratings of the Notes issued by S&P, Fitch and Moody's are endorsed respectively by S&P Global Ratings UK Limited, Fitch Ratings Limited and Moody's Investors Service Limited, in accordance with the UK CRA Regulation and have not been withdrawn. As such, the ratings issued by S&P, Fitch and Moody's may be used for regulatory purposes in the United Kingdom in accordance with the UK CRA Regulation.

According to S&P's definitions, an obligation rated 'A' is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitments on the obligation is still strong. The plus sign shows the relative standing within the rating category.

According to Moody's definitions, obligations rated 'A' are considered upper medium-grade and are subject to low credit risk. The modifier '2' indicates a mid-range ranking in the generic rating category 'A'.

According to Fitch's definitions, 'A' ratings denote expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The modifier "+" is appended to denote relative status within the rating category.
