(Frankfurt am Main, Germany)

Euro 80,000,000,000

Debt Issuance Programme

Under the Euro 80,000,000,000 Debt Issuance Programme (the "**Programme**") Deutsche Bank Aktiengesellschaft (the "**Issuer**") may from time to time issue notes ("**Notes**") and Pfandbriefe ("**Pfandbriefe**") and together with Notes, "**Securities**", which may be issued on a subordinated or unsubordinated basis. The Securities will be denominated in any currency agreed between the Issuer and the relevant Dealer (as defined below).

Application has been made to the Luxembourg Stock Exchange for Securities issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Official List of the Luxembourg Stock Exchange. Securities issued under the Programme may also be admitted to trading or listed on the regulated markets of the Frankfurt Stock Exchange or the regulated market of any other stock exchange which is, like the regulated market of the Luxembourg Stock Exchange, a regulated market for the purposes of the Markets in Financial Instruments Directive (Directive 2004/39/EC). Securities issued under the Programme may also be admitted to trading or listed on the SIX Swiss Exchange or an unregulated market such as the "Euro MTF" market of the Luxembourg Stock Exchange or the Open Market (*Freiverkehr*) of the Frankfurt Stock Exchange or may not be admitted to trading or listed.

This document has been approved as a base prospectus by the *Commission de Surveillance du Secteur Financier* (the "**CSSF**") in its capacity as competent authority under the Luxembourg Act dated 10 July 2005 (the "**Law**") on prospectuses for securities which implements the Prospectus Directive (as defined below) into Luxembourg law. By approving this a prospectus the CSSF assumes no responsibility for the economic and financial soundness of the transactions contemplated by this prospectus or the quality or solvency of the Issuer in accordance with Article 7(7) of the Law. The Issuer has also requested the CSSF to provide the competent authorities in Austria, Belgium, Denmark, France, Germany, Ireland, Italy, the Netherlands, Portugal, Spain, Sweden and the United Kingdom of Great Britain and Northern Ireland, with a certificate of approval (a "**Notification**") attesting that this base prospectus has been drawn up in accordance with the Law. The Issuer may request the CSSF to provide competent authorities in additional Member States within the European Economic Area (the "**EEA**") with a Notification.

The requirement to publish a prospectus under the Prospectus Directive only applies to Securities which are to be admitted to trading on a regulated market in the EEA and/or offered to the public in the EEA other than in circumstances where an exemption is available under Article 3.2 of the Prospectus Directive. When used in this Prospectus, "**Prospectus Directive**" means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in a relevant Member State of the EEA. References in this Prospectus to "**Exempt Securities**" are to Securities for which no prospectus is required to be published under the Prospectus Directive. The CSSF has neither approved nor reviewed information contained in this Prospectus in connection with Exempt Securities.

This Base Prospectus (the "**Prospectus**") will be published in electronic form on the website of the Luxembourg Stock Exchange (www.bourse.lu) and on the website (www.db.com/ir) of the Issuer. IMPORTANT NOTICES

Notice of the aggregate principal amount of Securities, interest (if any) payable in respect of Securities, the issue price of Securities and certain other information which is applicable to each Tranche of Securities will (other than in the case of Exempt Securities, as defined above) be set out in a final terms document (the "**Final Terms**") which will be filed with the CSSF. The applicable Final Terms will (if applicable) contain information relating to any underlying equity security, index, inflation index, credit risk to which the relevant Securities relate and which is contained in such Final Terms. In the case of Exempt Securities, notice of the aggregate principal amount of Securities, interest (if any) payable in respect of Securities, the issue price of Securities and certain other information which is applicable to each Tranche will be set out in a pricing supplement document (the "**Pricing Supplement**"). The applicable Pricing Supplement will (if applicable) contain information relating to any underlying equity security, index, inflation index, currency, commodity, fund unit or share, credit risk or other item(s) (each a "**Reference Item**") to which the relevant Securities relate and which is contained in such Pricing Supplement. However, unless otherwise expressly stated in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), any information contained therein relating to a Reference Item will only consist of extracts from, or summaries of, information contained in financial and other information released publicly in respect of such Reference Item. The Issuer will, unless otherwise expressly stated in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), confirm that such extracts or summaries have been accurately reproduced and that, so far as it is aware, and is able to ascertain from information published in respect of such Reference Item, no facts have been omitted that would render the reproduced inaccurate or misleading.

Copies of Final Terms (or Pricing Supplement, in the case of Exempt Securities) will be available from the registered office of the Issuer and the specified office set out below of each of the Paying Agents (save that a Pricing Supplement will only be available for inspection by a holder of the relevant Security and such holder must produce evidence satisfactory to the Issuer and the Paying Agent as to its holding of Securities and identity). In the case of Securities that are to be admitted to trading on, and listed on the Official List of, the Luxembourg Stock Exchange or offered to the public in any EEA member state, the applicable Final Terms will be published on the Luxembourg Stock Exchange's website at www.bourse.lu, but only for so long as such listing or admission to trading is maintained and the rules of the relevant exchange or the laws or regulations so require.

This Prospectus should be read and understood in conjunction with any supplement hereto and with any other documents incorporated herein by reference (see the section entitled "*Documents Incorporated by Reference*"). Full information on the Issuer and any Securities issued under the Programme is only available on the basis of the combination of this Prospectus (including any supplement and any document incorporated by reference herein) and the relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities).

No person is or has been authorised to give any information or to make any representations, other than those contained in this Prospectus, in connection with the Programme or the issue and sale of the Securities and, if given or made, such information or representations must not be relied upon as having been authorised by Deutsche Bank. Neither the delivery of this Prospectus nor any sale made hereunder shall, under any circumstances, create any implication that the information herein is correct as of any time subsequent to the date hereof.

Neither this Prospectus nor any other information supplied in connection with the Programme or any Securities (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuer or any of the Dealers that any recipient of this Prospectus or any recipient of any other information supplied in connection with the Programme or any Securities should purchase any Securities. Each investor contemplating purchasing any Securities should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Prospectus nor any other information supplied in connection with the Programme or the issue of any Securities constitutes an offer or invitation by or on behalf of the Issuer or any of the Dealers to subscribe for or to purchase any Securities.

This Prospectus is valid for twelve months upon its date of approval and it and any supplement thereto as well as any Final Terms (or Pricing Supplement, in the case of Exempt Securities) reflect the status as of their respective dates of issue. Neither the delivery of this Prospectus nor the offering, sale or delivery of any Securities shall in any circumstances imply that the information contained in the related documents is accurate and complete subsequent to the date hereof or that there has been no adverse change in the financial condition of the Issuer since such date or that any other information supplied in connection with the Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The Issuer has undertaken for the benefit of any Dealer to amend or supplement this Prospectus or publish a new Prospectus if and when the information herein should become materially inaccurate or incomplete and has further agreed with the Dealers to furnish a supplement to this Prospectus in the event of any significant new factor, material mistake or inaccuracy relating to the information included in this Prospectus which is capable of affecting the assessment of the Securities and which arises or is noted between the time when this Prospectus has been approved and the final closing of any tranche of Securities offered to the public or, as the case may be, when trading of any tranche of Securities on a regulated market begins.

This Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Securities in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Prospectus and the offer or sale of Securities may be restricted by law in certain jurisdictions. The Issuer and the Dealers do not represent that this Prospectus may be lawfully distributed, or that any Securities may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealers which would permit a public offering of any Securities in any jurisdiction other than each Member State of the EEA which has implemented the Prospectus Directive as at the date of this Prospectus or distribution of this document in any jurisdiction where action for that purpose is required. Accordingly, no Securities may be offered or sold, directly or indirectly, and neither this Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Prospectus or any Securities may come must inform themselves about, and observe, any such restrictions on the distribution of this Prospectus and the offering and sale of Securities. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Securities in the United States, the EEA (in particular the United Kingdom, France, Italy, Portugal, Spain, Sweden and the Netherlands), Australia, Hong Kong, Japan and Switzerland (see the section entitled "*Transfer and Selling Restrictions*"). In making an investment decision, investors must rely on their own examination of the Issuer and the terms of the Securities being offered, including the merits and risks involved. The Securities have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Prospectus or confirmed the accuracy or the adequacy of the information contained in this Prospectus. Any representation to the contrary is unlawful.

In particular, the Securities have not been and will not be registered under the United States Securities Act of 1933 (as amended) (the "**Securities Act**") and may not be offered or sold in the United States or to, or for the account or benefit of, (a) a "U.S. person" as defined in Regulation S under the Securities Act, (b) a person other than a "Non-United States person" as defined in Rule 4.7 under the United States Commodity Exchange Act of 1936, as amended (the "**Commodity Exchange Act**"), or (c) a "U.S. person" as defined in the Interpretive Guidance and Policy Statement Regarding Compliance with Certain Swap Regulations promulgated by the Commodity Futures Trading Commission (the "**CFTC**") pursuant to the Commodity Exchange Act, or in regulations or guidance adopted under the Commodity Exchange Act (each such person, a "**U.S. person**"), unless the Securities are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available. See the section entitled "*Description of the Securities – Form of the Securities*" for a description of the manner in which Securities will be issued. Registered Securities are subject to certain restrictions on transfer (see the section entitled "*Transfer and Selling Restrictions*"). Registered Securities may be offered or sold within the United States only to QIBs (as defined under "*Description of the Securities – Form of the Securities*") in transactions exempt from registration under the Securities Act (see the section entitled "*U.S. Information*" below).

The Securities do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the Commodity Exchange Act, and trading in the Securities has not been approved by the CFTC pursuant to the Commodity Exchange Act.

The language of this Prospectus is English. In respect of the issue of any tranche of Securities under the Programme, the German text of the Terms and Conditions may be controlling and binding if specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Neither this Prospectus nor any Final Terms (or Pricing Supplement, in the case of Exempt Securities) may be used for the purpose of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such an offer or solicitation.

Neither this Prospectus nor any Final Terms (or Pricing Supplement, in the case of Exempt Securities) constitutes an offer or an invitation to subscribe for or purchase any Securities and should not be considered as a recommendation or a statement of an opinion (or a report of either of those things) by Deutsche Bank, the Dealers or any of them that any recipient of this Prospectus or any Final Terms (or Pricing Supplement, in the case of Exempt Securities) should subscribe for or purchase any Securities. Each recipient of this Prospectus or any Final Terms (or Pricing Supplement, in the case of Exempt Securities) shall be taken to have made its own appraisal of the condition (financial or otherwise) of the Issuer.

None of the Dealers or the Issuer makes any representation to any purchaser of the Securities regarding the legality of its investment under any applicable laws. Any purchaser of the Securities should be able to bear the economic risk of an investment in the Securities for an indefinite period of time.

U.S. INFORMATION

This Prospectus is being submitted on a confidential basis in the United States to a limited number of QIBs (as defined under "*Description of the Securities – Form of the Securities*") for informational use solely in connection with the consideration of the purchase of the Securities being offered hereby. Its use for any other purpose in the United States is not authorised. It may not be copied or reproduced in whole or in part nor may it be distributed or any of its contents disclosed to anyone other than the prospective investors to whom it is originally submitted.

Registered Securities may be offered or sold within the United States only to QIBs in transactions exempt from registration under the Securities Act. Each U.S. purchaser of Registered Securities is hereby notified that the offer and sale of any Registered Securities to it may be being made pursuant to the exemption from the registration requirements of the Securities Act provided by Rule 144A under the Securities Act ("**Rule 144A**").

Each purchaser or holder of Securities represented by a Rule 144A Global Security (as defined under "*Registered Securities*" below) or any Securities issued in registered form in exchange or substitution therefor (together "**Legended Securities**") will be deemed, by its acceptance or purchase of any such Legended Securities, to have made certain representations and agreements intended to restrict the resale or other transfer of such Securities as set out in "*Transfer and Selling Restrictions*". Unless otherwise stated, terms used in this paragraph have the meanings given to them in "*Description of the Securities – Form of the Securities*".

The Securities in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States of America (the "**United States**") or its possessions or to United States persons, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and the Treasury regulations promulgated thereunder.

AVAILABLE INFORMATION

To permit compliance with Rule 144A in connection with any resales or other transfers of Securities that are "restricted securities" within the meaning of the Securities Act, the Issuer has undertaken in a deed poll dated 24 June 2016 (the "**Deed Poll**") to furnish, upon the request of a holder of such Securities or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be

delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, the Issuer is neither a reporting company under section 13 or section 15(d) of the U.S. Securities Exchange Act of 1934, as amended (the "**Exchange Act**") nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

SERVICE OF PROCESS AND ENFORCEMENT OF CIVIL LIABILITIES

The Issuer is incorporated as a German stock corporation with limited liability (*Aktiengesellschaft*). All the members of the Management Board (*Vorstand*) and most of the members of the Supervisory Board (*Aufsichtsrat*) of the Issuer are non-residents of the United States, and all or a portion of the assets of the Issuer and such persons are located outside the United States. As a result, it may not be possible for holders or beneficial owners of the Securities to effect service of process within the United States upon the Issuer or such persons, or to enforce against any of them in U.S. courts judgments obtained in such courts predicted upon the civil liability provisions of the federal securities or other laws of the United States or any state or other jurisdiction thereof.

STABILISATION MANAGER

In connection with the issue of any Tranche of Securities under the Programme, the Dealer or Dealers (if any) named as the Stabilisation Manager(s) (or persons acting on behalf of any Stabilisation Manager(s)) in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) may, outside Australia (and on a market operated outside Australia) and in accordance with applicable law, over-allot Securities or effect transactions with a view to supporting the market price of the Securities at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilisation Manager(s) (or persons acting on behalf of a Stabilisation Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which the adequate public disclosure of the final terms of the offer of the relevant Tranche of Securities is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Securities and 60 days after the date of the allotment of the relevant Tranche of Securities. Any stabilisation action or over-allotment must be conducted by the relevant Stabilisation Manager(s) (or person(s) acting on behalf of any Stabilisation Manager(s)) in accordance with all applicable laws and rules.

ISDA DOCUMENTATION

Investors should consult the Issuer should they require a copy of the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc., the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement to the 2003 ISDA Credit Derivatives Definitions (14 July 2009), the 2014 ISDA Credit Derivatives Definitions or the relevant Credit Derivatives Physical Settlement Matrix as published by the International Swaps and Derivatives Association, Inc., as applicable.

CERTAIN DEFINED TERMS AND CONVENTIONS

Capitalised terms which are used but not defined in any particular section of this Prospectus will have the meaning attributed to them in the section entitled "*Terms and Conditions*" and the section entitled "*Annexes to the Terms and Conditions*", as applicable, or any other section of this Prospectus.

Section D — Risks

Element	Disclosure requirement	
D.2	Key information on the key risks that are specific to the Issuer	<p>Investors will be exposed to the risk of the Issuer becoming insolvent as result of being overindebted or unable to pay debts, i.e. to the risk of a temporary or permanent inability to meet interest and/or principal payments on time. The Issuer's credit ratings reflect the assessment of these risks.</p> <p>Factors that may have a negative impact on Deutsche Bank's profitability are described in the following:</p> <ul style="list-style-type: none"> - Recent tepid economic growth, and uncertainties about prospects for growth going forward, have affected and continue to negatively affect Deutsche Bank's results of operations and financial condition in some of its businesses, while a continuing low interest environment and competition in the financial services industry have compressed margins in many of its businesses. If these conditions persist or worsen, Deutsche Bank's business, results of operations or strategic plans could be adversely affected. - An elevated level of political uncertainty and the increasing attractiveness to voters of populist parties in a number of countries in the European Union could lead to a partial unwinding of European integration. Furthermore, anti-austerity movements in some member countries of the eurozone could undermine confidence in the continued viability of those countries' participation in the euro. An escalation of political risks could have unpredictable political consequences as well as consequences for the financial system and the greater economy, potentially leading to declines in business levels, write-downs of assets and losses across Deutsche Bank's businesses. Deutsche Bank's ability to protect itself against these risks is limited. - Deutsche Bank may be required to take impairments on its exposures to the sovereign debt of European or other countries if the European sovereign debt crisis reignites. The credit default swaps into which Deutsche Bank has

Element	Disclosure requirement	
		<p>entered to manage sovereign credit risk may not be available to offset these losses.</p> <ul style="list-style-type: none"> - Deutsche Bank has a continuous demand for liquidity to fund its business activities. It may suffer during periods of market-wide or firm-specific liquidity constraints, and liquidity may not be available to it even if its underlying business remains strong. - Regulatory reforms enacted and proposed in response to weaknesses in the financial sector, together with increased regulatory scrutiny more generally, have created significant uncertainty for Deutsche Bank and may adversely affect its business and ability to execute its strategic plans. - Legislation regarding the recovery and resolution of banks and investment firms could, if competent authorities impose resolution measures upon Deutsche Bank, significantly affect Deutsche Bank's business operations, and lead to losses for its shareholders and creditors. - Regulatory and legislative changes require Deutsche Bank to maintain increased capital and may significantly affect its business model, financial condition and results of operations as well as the competitive environment generally. Any perceptions in the market that Deutsche Bank may be unable to meet its capital requirements with an adequate buffer, or that Deutsche Bank should maintain capital in excess of these requirements, could intensify the effect of these factors on its business and results. - Legislation in the United States and in Germany as well as proposals in the European Union regarding the prohibition of proprietary trading or its separation from the deposit-taking business may materially affect Deutsche Bank's business model. - Other regulatory reforms adopted or proposed in the wake of the financial crisis – for example, extensive new regulations governing Deutsche Bank's derivatives activities, bank levies, deposit protection or a possible financial transaction tax – may materially increase its operating costs and negatively impact its business model. - Adverse market conditions, historically low prices, volatility and cautious investor sentiment have affected and may in the future materially and adversely affect Deutsche Bank's revenues and profits, particularly in its investment banking, brokerage and other commission- and fee-based businesses. As a result, Deutsche Bank has in the past incurred and may in the future incur significant losses from its trading and investment activities. - Deutsche Bank announced the next phase of its strategy, Strategy 2020, in April 2015 and gave further details on it in October 2015. If Deutsche Bank is unable to implement its strategic plans successfully, it may be unable to achieve its financial objectives, or it may incur losses or low profitability or erosions of its capital base, and its financial condition, results of operations and share price may be materially and adversely affected. - As part of Strategy 2020, Deutsche Bank announced its intention to dispose of Deutsche Postbank AG (together with its subsidiaries, "Postbank"). Deutsche Bank may have difficulties disposing of Postbank at a favourable price or on favourable terms, or at all, and may experience material losses from its holding or disposition of Postbank. Deutsche Bank may remain subject to the risks of or other obligations associated with Postbank following a disposal. - Deutsche Bank may have difficulties selling non-core assets at favourable

		<p>prices or at all and may experience material losses from these assets and other investments irrespective of market developments.</p> <ul style="list-style-type: none"> - Deutsche Bank operates in a highly and increasingly regulated and litigious environment, potentially exposing it to liability and other costs, the amounts of which may be substantial and difficult to estimate, as well as to legal and regulatory sanctions and reputational harm. - Deutsche Bank is currently subject to a number of investigations by regulatory and law enforcement agencies globally as well as associated civil actions relating to potential misconduct. The eventual outcomes of these matters are unpredictable, and may materially and adversely affect Deutsche Bank's results of operations, financial condition and reputation. - Deutsche Bank's non-traditional credit businesses materially add to its traditional banking credit risks. - Deutsche Bank has incurred losses, and may incur further losses, as a result of changes in the fair value of its financial instruments. - Deutsche Bank's risk management policies, procedures and methods leave it exposed to unidentified or unanticipated risks, which could lead to material losses. - Operational risks may disrupt Deutsche Bank's businesses. - Deutsche Bank's operational systems are subject to an increasing risk of cyber attacks and other internet crime, which could result in material losses of client or customer information, damage Deutsche Bank's reputation and lead to regulatory penalties and financial losses. - The size of Deutsche Bank's clearing operations exposes it to a heightened risk of material losses should these operations fail to function properly. - Deutsche Bank may have difficulty in identifying and executing acquisitions, and both making acquisitions and avoiding them could materially harm Deutsche Bank's results of operations and its share price. - Intense competition, in Deutsche Bank's home market of Germany as well as in international markets, could materially adversely impact Deutsche Bank's revenues and profitability. - Transactions with counterparties in countries designated by the U.S. State Department as state sponsors of terrorism or persons targeted by U.S. economic sanctions may lead potential customers and investors to avoid doing business with Deutsche Bank or investing in its securities, harm its reputation or result in regulatory action which could materially and adversely affect its business.

[D.3] ¹ [D.6] ²	Key information on the key risks that are specific to the Securities	<p>The Securities may not be a suitable investment for all investors. Each potential investor in the Securities must determine the suitability of that investment in light of its own circumstances.</p> <p>Interest Rate Risk:</p> <p>[In case of fixed rate Securities insert: The Securities will pay a fixed amount of interest on specified interest payment dates. Investors who purchase securities with a fixed rate of interest are exposed to the risk that market interest rates rise and the fixed amount of interest they receive is less than the amount they would have received had they invested in a security with a floating rate of interest. The market value of securities with a fixed rate of interest will decrease if potential investors perceive that they can achieve a greater return on an investment by investing in alternative products.]</p> <p>[In case of floating or other variable rate Securities insert: The Securities will pay a variable amount of interest on specified interest payment dates. Securities which bear floating interest rates can be volatile investments. Investors who purchase Securities with a floating rate of interest will be exposed to the risk of a fluctuating rate of interest and consequently variable interest amounts. Fluctuating interest rate levels make it impossible to determine the profitability of Floating Rate Securities.]</p> <p>[In case of zero coupon Securities insert: The Securities do not bear interest. The Securities are issued at a discount to their principal amount and redeemed at their principal amount. The difference between the redemption amount and the purchase price of such Securities constitutes the return on the Securities. The price of such Securities will fall if the market interest rate is greater than the return at any point in time. The market prices of Zero Coupon Securities may be more volatile than the market price of Securities with a fixed rate of interest and are likely to respond to a greater degree to market interest rate movements than interest bearing Securities with a similar maturity.]</p> <p>[In case of inverse variable rate Securities insert: The market value of inverse variable rate Securities is typically more volatile than the market value of other more conventional floating or other variable rate securities based on the same reference rate. These Securities are more volatile because an increase in the relevant reference rate not only decreases the interest rate payable on the Securities, but may also reflect an increase in prevailing interest rates, which may further adversely affect the market value of these Securities.]</p> <p>[In case of capped variable rate Securities insert: Investors in these Securities which bear or pay interest with a capped variable rate will not benefit from any increase in the relevant reference rate if, when added to the specified margin, such resulting rate is equal to or greater than the maximum specified rate.]</p> <p>[In case of Inflation Index Linked Interest Securities insert: Inflation index linked interest Securities bear or pay interest at a variable rate determined by reference to the value of one or more inflation indices.]</p> <p>[In case of Securities with early termination rights of the Issuer insert: Early</p>

		<p>Termination Right Of The Issuer: The Securities provide the Issuer with an early termination right. The early redemption of a Security may lead to negative deviations from the expected yield and the repaid redemption amount of the Securities may be lower than the purchase price paid by the Securityholder and thus, the invested capital may be partially or completely lost. Furthermore, there is the possibility that Securityholders may invest the amounts received upon early redemption only at a rate of return which is lower than that of the Securities redeemed.]</p> <p>[In case of Reference Item Linked Notes insert:</p> <p>Securities Are Linked To Reference Items: The [amount of interest payable] [and the] [or the] [amount payable] [on redemption] [is] [are] linked to [a] Reference Item[s]. The Securities are not conventional debt securities and carry various unique investment risks which prospective investors should understand clearly before investing in the Securities.</p> <p>No Claim Against Any Reference Item: A Security will not represent a claim against any Reference Item to which the amount of principal and/or interest payable in respect of the Securities is dependent and, in the event that the amount paid by the Issuer on redemption of the Securities is less than the principal amount of the Securities, a Securityholder will not have recourse under a Security to the Issuer or any Reference Item.</p> <p>Participation In Performance: Where the amount of interest payable and/or amounts payable on redemption of Securities may be determined by reference to a ratio greater than one, prospective investors should note that the effect of changes in the price or level of the Reference Item(s) payable will be magnified. Conversely, where the ratio is less than one, the effect will be reduced and investors will not benefit (as applicable) from the full performance of the Reference Item(s).]</p> <p>[In case of Securities issued at a substantial discount or premium insert:</p> <p>Securities issued at a substantial discount or premium: The market value of Securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing Securities without such discount or premium.]</p> <p>[In case of Subordinated Notes insert: Subordinated Notes: The Issuer's obligations under the Securities are subordinated. In the event of insolvency or liquidation of the Issuer the Subordinated Notes will rank junior in priority of payment to unsubordinated obligations and no amounts will be payable in respect of such obligations until the claims of all unsubordinated creditors of the Issuer have been satisfied in full. Accordingly, there is a higher risk that an investor in Subordinated Notes will lose all or some of its investment should the Issuer become insolvent. In addition, no holder may set off its claims arising under the Securities against any claims of the Issuer. There will be no security in respect of the Securities.</p> <p>If the Securities are repurchased by the Issuer or redeemed before the maturity date otherwise than in compliance with certain regulatory requirements described in the Terms and Conditions, then, subject to limited exemptions, the amounts redeemed or paid must be returned to the Issuer irrespective of any agreement to the contrary.</p> <p>In the context of a regulatory bail-in the Securities will be written down or converted to common equity tier 1 capital instruments (such as ordinary shares) of the Issuer before any non-subordinated liabilities of the Issuer are affected by such measures.]</p>

In such a case a holder who, as a result of trading such amounts, holds an amount which is less than such minimum Specified Denomination in its account with the relevant clearing system would not be able to sell the remainder of such holding without first purchasing a principal amount of Securities at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination. Further, a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in its account with the relevant clearing system at the relevant time may not receive a definitive Security in respect of such holding (should definitive Securities be printed) and would need to purchase a principal amount of Securities at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination. If definitive Securities are issued, holders should be aware that definitive Securities which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.]</p> <p>[In case the Notes provide for Resolutions of Securityholders insert: Resolutions Of Securityholders: The Terms and Conditions of the Notes provide that the Securityholders may agree to amendments to the Terms and Conditions by majority vote. RISK FACTORS

The Issuer believes that the factors described below represent the principal risks inherent in investing in Securities issued under the Programme, but the inability of the Issuer to pay principal, interest or other amounts or perform its delivery obligations on or in connection with any Securities may occur or arise for other reasons and there may be other factors which are material to the market risks associated with Securities. In the case of Exempt Securities, the Pricing Supplement in respect of a Series of Securities may contain additional issue specific Risk Factors in respect of such Series. Prospective Investors should determine whether an investment in the Securities is appropriate in their particular circumstances.

Risk factors in respect of the Securities have been grouped as set out below:

- (a) Risk Factors in respect of the Issuer; and
- (b) Risk Factors in respect of Securities including (i) Risk Factors relating to certain features of the Securities, (ii) Risk Factors relating to Securities generally and (iii) Risk Factors relating to the market generally and where applicable specifying factors which may occur in relation to certain types of Exempt Securities only.

During the life of each Series of Securities risks specified in each of the above sections may impact such Securities at different points in time and for different lengths of time. Each Series of Securities may have a risk profile that changes over time. Prospective investors should seek advice from a professional financial adviser in order to further discuss and understand how the risk profile of a particular Series of Securities will affect their overall investment portfolio.

More than one risk factor may have simultaneous effect with regard to the Securities such that the effect of a particular risk factor may not be predictable. In addition, more than one risk factor may have a compounding effect which may not be predictable. No assurance can be given as to the effect that any combination of risk factors may have on the value of the Securities.

If one or more of the risks described below occurs, this may result in material decreases in the price of the Securities or, in the worst-case scenario, in total loss of interest and capital invested by the investor.

Where Securities are linked to one or more Reference Items an investment in such Securities should only be made after assessing the direction, timing and magnitude of potential future changes in the value of such Reference Item(s), and/or the in the composition or method of calculation of such Reference Item(s), as the return of any such investment will be dependent, *inter alia*, upon such changes.

Terms used in this section and not otherwise defined shall have the meanings given to them in section entitled "*Terms and Conditions of the Securities*".

RISK FACTORS IN RESPECT OF THE ISSUER

An investment in debt securities issued by Deutsche Bank bears the risk that Deutsche Bank is not able to fulfil its obligations created by the issuance of the Securities on the relevant due date. Thus investors may lose all or part of their investment.

In order to assess the risk, prospective investors should consider all information provided in this Prospectus and consult with their own professional advisers if they consider it necessary.

The risk related to an issuer's ability to fulfil its obligations created by the issuance of debt securities is described by reference to the credit ratings assigned by independent rating agencies. A credit rating is an assessment of the solvency or credit-worthiness of borrowers and/or bond-issuers according to established credit review procedures. These ratings and associated research help investors to analyse the credit risks associated with fixed-income securities by providing detailed information on the ability of issuers to meet their obligations. The lower the assigned rating is on the respective scale, the higher the respective rating agency assesses the risk that obligations will not, not fully and/or not timely be met. A rating is not a recommendation to

buy, sell or hold any notes issued and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. A suspension, reduction or withdrawal of any rating assigned may adversely affect the market price of the notes issued.

Deutsche Bank is rated by Moody's Investors Service, Inc. ("**Moody's**"), Standard & Poor's Credit Market Services Europe Limited ("**S&P**"), Fitch Ratings Limited ("**Fitch**"), and DBRS, Inc. ("**DBRS**", together with Fitch, S&P and Moody's, the "**Rating Agencies**").

S&P and Fitch are established in the European Union and have been registered in accordance with Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009, as amended, on credit rating agencies (the "**CRA Regulation**"). With respect to Moody's, the credit ratings are endorsed by Moody's office in the UK (Moody's Investors Service Ltd.) in accordance with Article 4(3) of the CRA Regulation. With respect to DBRS, the credit ratings are endorsed by DBRS Ratings Ltd. in the UK in accordance with Article 4(3) of the CRA Regulation.

As of the Publication Date of this Prospectus, the following long-term and short-term senior debt ratings were assigned to Deutsche Bank:

by Moody's:	long-term rating:	Baa2 (outlook: stable)
	short-term rating:	P-2 (outlook :stable)

Moody's defines:

Baa2: Obligations rated "Baa" are judged to be medium grade and are subject to moderate credit risk and as such may possess certain speculative characteristics.

Moody's long-term obligation ratings are divided into several categories ranging from "Aaa", reflecting the highest quality, subject to the lowest level of credit risk, over categories "Aa", "A", "Baa", "Ba", "B", "Caa", "Ca" to category "C", reflecting the lowest rated obligations which are typically in default, with little prospect for recovery of principal or interest. Moody's appends numerical modifiers 1, 2 and 3 to each generic rating classification from "Aa" through "Caa". The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category.

P-2: Issuers (or supporting institutions) rated Prime-2 have a strong ability to repay short-term debt obligations.

Moody's short-term ratings are divided into several categories ranging from "P-1", reflecting a superior ability of an issuer to repay short-term debt obligations, over categories "P-2" and "P-3" to category "NP", reflecting that an issuer does not fall within any of the Prime rating categories.

stable: A rating outlook is an opinion regarding the likely rating direction over the medium term. Rating outlooks fall into four categories: Positive (POS), Negative (NEG), Stable (STA), and Developing (DEV). A designation of RUR (Rating(s) Under Review) indicates that an issuer has one or more ratings under review, which overrides the outlook designation.

A review indicates that a rating is under consideration for a change in the near term. A rating can be placed on review for upgrade (UPG), downgrade (DNG), or more rarely with direction uncertain (UNC). A review may end with a rating being upgraded, downgraded, or confirmed without a change to the rating. Ratings on review are said to be on Moody's "Watchlist" or "On Watch".

by S&P:	long-term rating:	BBB+ (outlook: stable)
	short-term rating:	A-2 (outlook: stable)

S&P defines:

BBB+: An obligor rated 'BBB' has adequate capacity to meet its financial commitments. However, adverse economic conditions or changing circumstances are more likely to lead to a weakened capacity of the obligor to meet its financial commitments.

Long-term issuer credit ratings by S&P are divided into several categories ranging from "AAA", reflecting the strongest creditworthiness, over categories "AA", "A", "BBB", "BB", "B", "CCC", "CC", "R" to category "SD" and "D", reflecting that an obligor is in (selective) default. The ratings from "AA" to "CCC" may be modified by the addition of a plus ("+") or minus ("-") sign to show relative standing within the major rating categories.

A-2: An obligor rated 'A-2' has satisfactory capacity to meet its financial commitments. However, it is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligors in the highest rating category.

Short-term ratings by S&P are divided into several categories ranging from "A-1", reflecting the strongest creditworthiness, over categories "A-2", "A-3", "B", "C", "R" to category "SD" and "D", reflecting that an obligor is in (selective) payment default.

stable: An S&P rating outlook assesses the potential direction of a long-term credit rating over the intermediate term (typically six months to two years). In determining a rating outlook, consideration is given to any changes in the economic and/or fundamental business conditions. An outlook is not necessarily a precursor of a rating change or future CreditWatch action. Rating outlooks fall into five categories: positive, negative, stable, developing and n.m. (not meaningful).

CreditWatch highlights S&P's opinion regarding the potential direction of a short-term or long-term rating. It focuses on identifiable events and short-term trends that cause ratings to be placed under special surveillance by S&P's analytical staff. A CreditWatch listing, however, does not mean a rating change is inevitable, and when appropriate, a range of potential alternative ratings will be shown. CreditWatch is not intended to include all ratings under review, and rating changes may occur without the ratings having first appeared on CreditWatch. The "positive" designation means that a rating may be raised; "negative" means a rating may be lowered; and "developing" means that a rating may be raised, lowered, or affirmed.

by Fitch:	long-term rating:	A- (outlook: stable)
	short-term rating:	F1 (outlook: stable)

Fitch defines:

A: A rating of "A" denotes expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings.

Fitch's long-term ratings are divided into several major categories ranging from "AAA", reflecting the highest credit quality, over categories "AA", "A", "BBB", "BB", "B", "CCC", "CC", "C" to categories "RD", "D", reflecting that an obligor has defaulted on some or all of its obligations and has entered into bankruptcy filings, administration, receivership, liquidation

or other formal winding-up procedure or has otherwise ceased business, respectively. A plus ("+") or minus ("-") sign may be appended to a rating to denote the relative status within major rating categories. Such suffixes are not added to the "AAA" category or to categories below "B".

F1: A rating of "F1" indicates the strongest intrinsic capacity for timely payment of financial commitments. It may have an added plus ("+") sign to denote any exceptionally strong credit feature.

Fitch's short-term ratings are divided into several categories ranging from "F1", reflecting the highest credit quality, over categories "F2", "F3", "B", "C", "RD" to category "D" which indicates a broad-based default event for an entity, or the default of a short-term obligation.

stable: Rating Outlooks indicate the direction a rating is likely to move over a one- to two-year period. They reflect financial or other trends that have not yet reached the level that would trigger a rating action, but which may do so if such trends continue. Positive or Negative rating Outlooks do not imply that a rating change is inevitable and, similarly, ratings with Stable Outlooks can be raised or lowered without a prior revision to the Outlook, if circumstances warrant such an action. Occasionally, where the fundamental trend has strong, conflicting elements of both positive and negative, the Rating Outlook may be described as Evolving.

Rating Watches indicate that there is a heightened probability of a rating change and the likely direction of such a change. These are designated as "Positive", indicating a potential upgrade, "Negative", for a potential downgrade, or "Evolving", if ratings may be raised, lowered or affirmed. However, ratings that are not on Rating Watch can be raised or lowered without being placed on Rating Watch first, if circumstances warrant such an action.

by DBRS:

long-term rating:	A (under review with negative implications)
short-term rating:	R-1 (low) (outlook: stable)

DBRS defines:

A: Good credit quality. The capacity for the payment of financial obligations is substantial, but of lesser quality than "AA". May be vulnerable to future events, but qualifying negative factors are considered manageable.

Long-term ratings by DBRS are divided into several categories ranging from "AAA", reflecting the highest credit quality, over categories "AA", "A", "BBB", "BB", "B", "CCC", "CC", "C" to category "D", reflecting when the issuer has filed under any applicable bankruptcy, insolvency or winding up statute or there is a failure to satisfy an obligation after the exhaustion of grace periods. All rating categories other than "AAA" and "D" also contain subcategories "(high)" and "(low)". The absence of either a "(high)" or "(low)" designation indicates the rating is in the middle of the category.

R-1 (low): Good credit quality. The capacity for the payment of short-term financial obligations as they fall due is substantial. Overall strength is not as favorable as higher rating categories. May be vulnerable to future events, but qualifying negative factors are considered manageable.

DBRS' short-term ratings are divided into several categories ranging from "R-1", reflecting the highest credit quality, over categories "R-2", "R-3", "R-4", "R-5", to category "D" reflecting when the issuer has filed under any applicable bankruptcy, insolvency or winding up statute or there is a failure to satisfy an obligation after the exhaustion of grace periods. The "R-1" and "R-2" rating categories are further denoted by the subcategories "(high)", "(middle)", and "(low)".

Under Review -

under review
with negative
implications/
stable:

Rating trends provide guidance in respect of DBRS' opinion regarding the outlook for the rating in question, with rating trends falling into one of three categories – "positive", "stable" or "negative". The rating trend indicates the direction in which DBRS considers the rating is headed should present tendencies continue, or in some cases, unless challenges are addressed.

DBRS assigns a rating trend for each security of an issuing entity as opposed to specifying one rating trend for the issuing entity and all rated security lines. Given that the duration and ranking of securities can influence the weighting of the strengths, weaknesses and challenges that affect the entity, it is not unusual for securities of the same entity to have different trends.

DBRS places ratings "Under Review" in situations where a significant event occurs that directly impacts the credit quality of the issuer or where, in the opinion of DBRS, the current rating may no longer be appropriate and additional time is required for further analysis. Furthermore, DBRS may also place a rating "Under Review" if DBRS has announced that one or more of its methodologies that apply to such a rating is being revised and the announcement indicates that the outcome of the ratings affected by the revision is uncertain. Using "Under Review Positive" or "Under Review Negative" is a more significant action than changing a rating trend to positive or negative as rating changes are considered more likely with the former than the latter.

Rating of Subordinated Obligations

If Deutsche Bank enters into subordinated obligations, these obligations may be rated lower because, in the case of an insolvency or liquidation of the Bank, the claims and interest claims resulting from these obligations are subordinate to those claims of creditors of the Bank that are not also subordinated. Deutsche Bank will disclose the ratings of subordinated obligations (if any).

Factors that may adversely affect Deutsche Bank's financial strength

Deutsche Bank's financial strength, which is also reflected in its ratings described above, depends in particular on its profitability. The following describes factors which may adversely affect Deutsche Bank's profitability:

- Even as the U.S. economy has gradually improved, Europe continues to experience tepid economic growth, high levels of structural debt, persistent long-term unemployment and very low inflation. These persistently challenging market conditions have contributed to political uncertainty in many member countries of the eurozone and continue to negatively affect Deutsche Bank's results of operations and financial condition in some of Deutsche Bank's businesses, while a continuing low interest environment and competition in the financial services industry have compressed margins in many Deutsche Bank's businesses. If these conditions persist or worsen, Deutsche Bank could determine that it needs to make changes to its business model.
- Regulatory and political actions by European governments in response to the European sovereign debt crisis may not be sufficient to prevent the crisis from spreading or to prevent departure of one or more member countries from the common currency. In particular, anti-austerity populism in Greece and other member countries of the eurozone could undermine confidence in the continued viability of those countries' participation in the euro. The default or departure from the euro of any one or more countries could have unpredictable political consequences as well as consequences for the financial system and the greater economy, potentially leading to declines in business levels, write-downs of assets and losses across Deutsche Bank's businesses. Deutsche Bank's ability to protect itself against these risks is limited.
- Deutsche Bank may be required to take impairments on its exposures to the sovereign debt of European or other countries as the European sovereign debt crisis continues. The credit default swaps

into which Deutsche Bank has entered to manage sovereign credit risk may not be available to offset these losses.

- Deutsche Bank has a continuous demand for liquidity to fund its business activities. It may suffer during periods of market-wide or firm-specific liquidity constraints, and liquidity may not be available to it even if its underlying business remains strong.
- Regulatory reforms enacted and proposed in response to weaknesses in the financial sector, together with increased regulatory scrutiny more generally, have created significant uncertainty for Deutsche Bank and may adversely affect its business and ability to execute its strategic plans.
- Regulatory and legislative changes require Deutsche Bank to maintain increased capital and may significantly affect its business model and the competitive environment. Any perceptions in the market that Deutsche Bank may be unable to meet its capital requirements with an adequate buffer, or that it should maintain capital in excess of the requirements, could intensify the effect of these factors on Deutsche Bank's business and results.
- The increasingly stringent regulatory environment to which Deutsche Bank is subject, coupled with substantial outflows in connection with litigation and enforcement matters, may make it difficult for Deutsche Bank to maintain its capital ratios at levels above those required by regulators or expected in the market.
- Rules in the United States, legislation in Germany and proposals in the European Union regarding the prohibition of proprietary trading or its separation from the deposit-taking business may materially affect Deutsche Bank's business model.
- European and German legislation regarding the recovery and resolution of banks and investment firms as well as proposals published by the Financial Stability Board proposing a new minimum capital requirement for "total loss absorbing capacity" (TLAC) could result in higher refinancing costs and, if resolution measures were imposed on Deutsche Bank, significantly affect its business operations and lead to losses for its creditors.
- Other regulatory reforms adopted or proposed in the wake of the financial crisis – for example, extensive new regulations governing Deutsche Bank's derivatives activities, bank levies or a possible financial transaction tax – may materially increase Deutsche Bank's operating costs and negatively impact its business model.
- Adverse market conditions, historically low prices, volatility and cautious investor sentiment have affected and may in the future materially and adversely affect Deutsche Bank's revenues and profits, particularly in its investment banking, brokerage and other commission- and fee-based businesses. As a result, Deutsche Bank has in the past incurred and may in the future incur significant losses from its trading and investment activities.
- Since Deutsche Bank published its Strategy 2015+ targets in 2012, macroeconomic and market conditions as well as the regulatory environment have been much more challenging than originally anticipated, and as a result, Deutsche Bank has updated its aspirations to reflect these challenging conditions and developed the next phase of its strategy in the form of its Strategy 2020, which was announced in April 2015. If Deutsche Bank is unable to implement its updated strategy successfully, it may be unable to achieve its financial objectives, or incur losses or low profitability or erosions of its capital base, and its share price may be materially and adversely affected.
- Deutsche Bank operates in a highly and increasingly regulated and litigious environment, potentially exposing it to liability and other costs, the amounts of which may be substantial and difficult to estimate, as well as to legal and regulatory sanctions and reputational harm.
- Deutsche Bank is currently the subject of regulatory and criminal industry-wide investigations relating to interbank offered rates, as well as civil actions. Even though Deutsche Bank reached settlements with the U.S. Department of Justice (DOJ), the U.S. Commodity Futures Trading Commission (CFTC), the

U.K. Financial Conduct Authority (FCA), and the New York State Department of Financial Services (NYSDFS) to resolve investigations into misconduct concerning the setting of London Interbank Offered Rate (LIBOR), the Euro Interbank Offered Rate (EURIBOR), and the Tokyo Interbank Offered Rate (TIBOR), other regulatory investigations of Deutsche Bank concerning the setting of various interbank offered rates remain ongoing, and Deutsche Bank remains exposed to further regulatory action and to civil litigation. Due to a number of uncertainties, including those related to the high profile of the matters, the eventual outcome of these matters is unpredictable, and may materially and adversely affect Deutsche Bank's results of operations, financial condition and reputation.

- A number of regulatory and law enforcement agencies globally are currently investigating Deutsche Bank in connection with misconduct relating to manipulation of foreign exchange rates. The extent of Deutsche Bank's financial exposure to these matters could be material, and Deutsche Bank's reputation may suffer material harm as a result.
- A number of regulatory authorities are currently investigating or seeking information from Deutsche Bank in connection with transactions with Monte dei Paschi di Siena. The extent of Deutsche Bank's financial exposure to these matters could be material, and Deutsche Bank's reputation may be harmed.
- Regulatory and law enforcement agencies in the United States are investigating whether Deutsche Bank's historical processing of certain U.S. Dollar payment orders for parties from countries subject to U.S. embargo laws complied with U.S. federal and state laws. The eventual outcomes of these matters are unpredictable, and may materially and adversely affect Deutsche Bank's results of operations, financial condition and reputation.
- Deutsche Bank has been subject to contractual claims, litigation and governmental investigations in respect of its U.S. residential mortgage loan business that may materially and adversely affect its results of operations, financial condition or reputation.
- Deutsche Bank's non-traditional credit businesses materially add to its traditional banking credit risks.
- Deutsche Bank has incurred losses, and may incur further losses, as a result of changes in the fair value of its financial instruments.
- Deutsche Bank's risk management policies, procedures and methods leave it exposed to unidentified or unanticipated risks, which could lead to material losses.
- Operational risks may disrupt Deutsche Bank's businesses.
- Deutsche Bank's operational systems are subject to an increasing risk of cyber attacks and other internet crime, which could result in material losses of client or customer information, damage Deutsche Bank's reputation and lead to regulatory penalties and financial losses.
- The size of Deutsche Bank's clearing operations exposes it to a heightened risk of material losses should these operations fail to function properly.
- Deutsche Bank may have difficulty in identifying and executing acquisitions, and both making acquisitions and avoiding them could materially harm Deutsche Bank's results of operations and its share price.
- The effects of the takeover of Deutsche Postbank AG may differ materially from Deutsche Bank's expectations.
- Deutsche Bank may have difficulties selling non-core assets at favorable prices or at all and may experience material losses from these assets and other investments irrespective of market developments.
- Intense competition, in Deutsche Bank's home market of Germany as well as in international markets, could materially adversely impact Deutsche Bank's revenues and profitability.

- Transactions with counterparties in countries designated by the U.S. State Department as state sponsors of terrorism or persons targeted by U.S. economic sanctions may lead potential customers and investors to avoid doing business with Deutsche Bank or investing in its securities, harm its reputation or result in regulatory action which could materially and adversely affect its business.

RISK FACTORS IN RESPECT OF THE SECURITIES

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Securities issued under the Programme and/or are material for the purpose of assessing the market risks associated with Securities issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

GENERAL

Securities may not be a suitable investment for all investors

The Securities may not be a suitable investment for all investors. Each potential investor in the Securities must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Securities, the merits and risks of investing in the Securities and the information contained or incorporated by reference in this Prospectus or any applicable supplement and all the information contained in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities);
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Securities and the impact the Securities will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Securities;
- (d) understand thoroughly the terms of the Securities and be familiar with the behaviour of any relevant indices and financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

The Programme contemplates the issue of a wide variety of Securities with different interest and redemption provisions. The risk factors below represent the principal risks associated with the interest and redemption provisions detailed in "*Description of the Securities – Description of the Interest Rate and Redemption Provisions*".

Interest

The Securities to be issued under the Programme may pay either (a) a fixed amount of interest, (b) a variable amount of interest or (c) no interest at all.

Fixed Rate Interest

Securities bearing or paying a fixed rate of interest either will pay or, depending on the fulfilment of certain conditions, may pay a fixed amount of interest on specified interest payment dates. Investors who purchase Securities with a fixed rate of interest are exposed to the risk that market interest rates rise and the fixed amount of interest they receive is less than the amount they would have received had they invested in a Security with a floating rate of interest. The market value of Securities with a fixed rate of interest will decrease if potential investors perceive that they can achieve a greater return on an investment by investing in alternative products. If an investor holds a Security bearing a fixed rate of interest through to maturity, changes in the market interest rate may become less relevant to the value as the maturity date approaches.

Floating and Other Variable Rate Interest

Securities bearing or paying a floating or other variable rate of interest either will pay or, depending on the fulfillment of certain conditions, may pay a variable amount of interest on specified interest payment dates. Securities which bear or pay floating or other variable interest rates can be volatile investments. Investors who purchase Securities with a floating or other variable rate of interest will be exposed to the risk of a fluctuating rate of interest and consequently variable interest amounts. If floating or other variable rate securities are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, the market value of those securities may be more volatile than that for securities that do not include these features.

Floating Rate Securities or other variable rate Securities may be subject to a maximum amount of interest, which may limit the total amount of interest that an investor may receive.

So-called benchmarks such as the London Interbank Offered Rate ("**LIBOR**") and the Euro Interbank Offered Rate ("**EURIBOR**") and other indices which are deemed "benchmarks" (each a "**Benchmark**" and together, the "**Benchmarks**"), to which the interest of Securities bearing or paying a floating or other variable rate of interest may be linked to, have become the subject of regulatory scrutiny and recent national and international regulatory guidance and proposals for reform. Some of these reforms are already effective while others are still to be implemented. These reforms may cause the relevant benchmarks to perform differently than in the past, or have other consequences which may have a material adverse effect on the value of and the amount payable under Securities bearing or paying a floating or other variable rate of interest.

International proposals for reform of Benchmarks include the European Council's *proposal for a regulation on indices used as benchmarks in financial instruments and financial contracts* (December 2015) (the "**Proposed Benchmark Regulation**") which has been politically agreed and is subject only to final legal and translation review. In addition to the aforementioned proposal, there are numerous other proposals, initiatives and investigations which may impact Benchmarks.

Any changes to a Benchmark as a result of the Proposed Benchmark Regulation or other initiatives, could have a material adverse effect on the costs of refinancing a Benchmark or the costs and risks of administering or otherwise participating in the setting of a Benchmark and complying with any such regulations or requirements. Such factors may have the effect of discouraging market participants from continuing to administer or participate in certain Benchmarks, trigger changes in the rules or methodologies used in certain Benchmarks or lead to the disappearance of certain Benchmarks. Although it is uncertain whether or to what extent any of the above-mentioned changes and/or any further changes in the administration or method of determining a Benchmark could have an effect on the value of any Securities whose interest or principal return is linked to the relevant Benchmark, investors should be aware that they face the risk that any changes to the relevant Benchmark may have a material adverse effect on the value of and the amount payable under Securities whose rate of interest or principal return is linked to a Benchmark (including, but not limited to, Floating Rate Securities (including Securities linked to CMS rates or to variable interest rates which switch from fixed to floating interest rates), Inverse Floating Rate Securities, Variable Rate Securities and Index Linked Interest Securities).

Zero Coupon Securities

In the absence of periodical interest payments, Zero Coupon Securities are issued at a discount to their principal amount and redeem at their principal amount. The difference between the redemption amount and the purchase price of such Securities constitutes the return on the Securities. The price of such Securities will fall if the market interest rate is greater than the return at any point in time. The market prices of Zero Coupon Securities may be more volatile than the market price of Securities with a fixed rate of interest and are likely to respond to a greater degree to market interest rate movements than interest bearing Securities with a similar maturity.

Variable Interest Securities

Variable Interest Securities bear or pay interest at a rate that may at the election of the Issuer convert from one interest basis to another, for example from a fixed rate to a floating or other variable rate, or from a floating or other variable rate to a fixed rate. The Issuer's right to convert the interest rate will affect the secondary market

in and the market value of, the Securities because the Issuer may be expected to elect to convert the rate when it is likely to produce a lower overall cost of borrowing. For example if the Issuer elects to convert the interest rate from a fixed rate to a floating or other variable rate, the spread on the Securities may be less favourable than the then prevailing spreads on comparable floating or other variable rate securities relating to the same reference rate. In addition, the new floating or other variable rate at any time may be lower than the interest rates payable on other securities. If the Issuer elects to convert the interest rate from a floating or other variable rate to a fixed rate, the fixed rate may be lower than the then prevailing interest rates payable on its securities. Variable Interest Securities (which bear or pay interest on a variable basis (whether fixed to floating/variable, floating/variable to fixed or one floating/variable to another)) are distinguishable from variable rate interest securities which pay interest at a variable rate but not (unless otherwise stated) on a variable basis.

Redemption

The Securities to be issued under the Programme may either be redeemed at maturity or prior to maturity. The redemption amount or early redemption amount, as the case may be, received by an investor may be either (i) par, (ii) below par or (iii) above par. The redemption amount may be in the form of either cash or physical settlement.

Reference Items

This section relates to Securities issued in the form of Notes only.

As described in the section entitled "*Description of the Securities – Description of Interest Rate and Redemption Provisions*", Securities may be issued where the amount of interest payable or the amount payable, or, if physical settlement or Physical Delivery is specified as an applicable settlement method for the Securities in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), assets deliverable, on redemption are linked to one or more Reference Items. These Securities will derive some or all of their value by reference to one or more underlying assets or other bases of reference.

The purchase of, or investment in, Securities linked to Reference Item(s) involves substantial risks. These Securities are not conventional debt securities and carry various unique investment risks which prospective investors should understand clearly before investing in the Securities. Each prospective investor in these Securities should be familiar with securities having characteristics similar to such Securities and should fully review all documentation for and understand the Terms and Conditions of the Securities and the nature and extent of its exposure to risk of loss.

By investing in such Securities each investor represents that:

- (a) *Non-Reliance. It is acting for its own account, and it has made its own independent decisions to invest in the Securities and as to whether the investment in the Securities is appropriate or proper for it based upon its own judgement and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the Issuer or any Dealer as investment advice or as a recommendation to invest in the Securities, it being understood that information and explanations related to the terms and conditions of the Securities shall not be considered to be investment advice or a recommendation to invest in the Securities. No communication (written or oral) received from the Issuer or any Dealer shall be deemed to be an assurance or guarantee as to the expected results of the investment in the Securities.*
- (b) *Assessment and Understanding. It is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts the terms and conditions and the risks of the investment in the Securities. It is also capable of assuming, and assumes, the risks of the investment in the Securities.*
- (c) *Status of Parties. Neither the Issuer nor any Dealer is acting as a fiduciary for or adviser to it in respect of the investment in the Securities.*

The Issuer may issue Securities where the amount of interest or principal payable or the amount of assets deliverable is dependent upon:

- (a) the price or changes in the price of, one or more equity securities;
- (b) the level or changes in the level of one or more indices;
- (c) movements in currency exchange rates and/or the circumstance that capital or interest payments are payable in one or more currencies different from the currency in which the Securities are denominated;
- (d) whether certain events have occurred in respect of one or more specified entities (each a "**Reference Entity**") and, for certain types of Securities, whether amounts would be received by a holder of specified assets of such Reference Entity; or

In relation to Exempt Securities the Issuer may issue, in addition to (a) to (iv) above, Securities where the amount of interest or principal payable or the amount of assets deliverable is dependent upon:

- (a) in the case of Exempt Securities, the price or changes in the price of one or more commodities;
- (b) in the case of Exempt Securities, the price or changes in the price of units or shares in one or more funds;
- (c) in the case of Exempt Securities, other underlying assets or bases of reference.

The Issuer may also issue Securities where the amount of interest or principal payable or the amount of assets deliverable is dependent upon more than one Reference Item.

Prospective investors in any such Securities should be aware that depending on the terms of such Securities (i) they may receive no or a limited amount of interest or principal and/or deliverable assets, (ii) payment of interest or principal and/or assets delivered may occur at different times than expected or in a different currency than expected and (iii) they may lose all or a substantial portion of their investment upon redemption.

In addition, the movements in:

- (a) the price of the equity securities in respect of Equity Linked Notes;
- (b) the level of the index or indices in respect of Index Linked Notes;
- (c) the level of the inflation index or inflation indices in respect of Inflation Index Linked Notes;
- (d) currency exchange rates in respect of Currency Linked Notes (Exempt Securities only) or other Securities whose terms include a currency exchange rate and/or payments of capital or interest payments being due in one or more currencies different from the currency in which the Securities are denominated;
- (e) the price of the commodity or commodities in respect of Commodity Linked Notes (Exempt Securities only);
- (f) the price of the units or shares in one or more funds in respect of Fund Linked Notes (Exempt Securities only);
- (g) the creditworthiness of each Reference Entity in respect of Credit Linked Notes; or
- (h) the movement in the level of any underlying asset or basis of reference (Exempt Securities only),

may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other economic factors or indices and the timing of changes in the relevant price or level of the Reference Item may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the price or level of the Reference Item, the greater the effect on yield.

If the amount of interest or principal payable and/or assets deliverable is determined by reference to a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the price or level of the Reference Item will be magnified.

The market price of such Securities may be volatile and may be affected by:

- (a) the time remaining to the redemption date;
- (b) the volatility of the Reference Item or other underlying asset or basis of reference;
- (c) the dividend rate (if any) and the financial results and prospects of the issuer(s) of the equity securities in respect of Equity Linked Notes or the issuers of the equity securities comprised in an Index in respect of Index Linked Notes;
- (d) movements in exchange rates and the volatility of currency exchange rates in respect of Currency Linked Notes or other Securities whose terms include a currency exchange rate and/or payments of capital or interest payments being due in one or more currencies different from the currency in which the Securities are denominated; or
- (e) the volatility of the price of units or shares in the fund or funds in respect of Fund Linked Notes,

as well as economic, financial and political events in one or more jurisdictions, including factors affecting the exchange(s) or quotation system(s) on which any such commodities, fund units or shares or equities may be traded.

Equity Linked Notes

Equity linked redemption Notes may be redeemed by the Issuer by payment of the par value amount and/or, in the case of Exempt Securities, by the physical delivery of a given number of specified assets and/or by payment of an amount determined by reference to the value of one or more equity securities. Accordingly, an investment in equity linked redemption Notes may bear similar market risks to a direct equity investment and prospective investors should take advice accordingly. Equity linked interest Securities will bear or pay interest by reference to the value of one or more equity securities.

Equity Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Corporate Actions and Events

Equity Linked Notes may be subject to early redemption in the event of certain corporate actions or events occurring in respect of the issuer(s) of the equity security(ies). On such early redemption Securityholders will receive an early redemption amount equal to the fair market value of the Securities less Early Redemption Unwind Costs (see page 58 below). Unless the rules of the market or trading facility upon which the Securities are listed and admitted to trading require otherwise, the early redemption amount may be less than an investors' original investment and may in certain circumstances be zero.

Disruption Provisions for Equity Linked Notes

Where Disrupted Day is specified as applying in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the Calculation Agent may determine that an event giving rise to a Disrupted Day has occurred at any relevant time. Any such determination may have an effect on the timing of valuation and consequently the value of the Securities and/or may delay payment, or in the case of equity linked redemption Notes, settlement in respect of the Securities.

Where equity linked redemption Exempt Securities provide for physical delivery, the Calculation Agent may determine that a Settlement Disruption Event is subsisting. A Settlement Disruption Event is an event beyond the control of the Issuer as a result of which, in the opinion of the Calculation Agent, delivery of the specified

assets to be delivered by or on behalf of the Issuer is not practicable. Any such determination may affect the value of the Securities and/or may delay settlement in respect of the Securities.

Index Linked Notes

Index linked redemption Notes may be redeemed by the Issuer by payment of the par value amount and/or by payment of an amount determined by reference to the value of one or more indices. Accordingly, an investment in index linked redemption Notes may bear similar market risks to a direct investment in the components of the Index comprising such index or indices and prospective investors should take advice accordingly. Index linked interest Securities will bear or pay interest calculated by reference to the value of one or more indices.

Index Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Index Adjustment Events

Index Linked Notes may be subject to early redemption following an Index Adjustment Event. An Index Adjustment Event can be either:

- (a) a failure to calculate and announce the relevant index by the index sponsor;
- (b) a material modification in the way that the relevant index is calculated from that originally intended; or
- (c) a permanent cancellation of the relevant index with no successor index.

On such early redemption, Securityholders will receive an early redemption amount equal to the fair market value of the Securities less Early Redemption Unwind Costs (see page 58 below). Unless the rules of the market or trading facility upon which the Securities are listed and admitted to trading require otherwise the early redemption amount may be less than an investors' original investment amount and may in certain circumstances be zero.

Disruption Provisions for Index Linked Redemption Notes

Where Disrupted Day is specified as applying in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the Calculation Agent may determine that an event giving rise to a Disrupted Day has occurred at any relevant time. Any such determination may have an effect on the timing of valuation and consequently the value of the Securities and may delay settlement in respect of the Securities.

Inflation Linked Notes

Inflation index linked redemption Notes may be redeemed by the Issuer by payment of the par value amount and/or by payment of an amount determined by reference to the value of one or, in the case of Exempt Securities, more indices.

Index Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Currency Linked Notes (Exempt Securities only)

Currency linked redemption Notes may be redeemed by the Issuer by payment of the par value amount and/or by payment of an amount determined by reference to the rate of exchange between one or more currencies. Accordingly, an investment in currency linked redemption Notes may bear similar market risks to a direct currency investment and investors should take advice accordingly. Currency linked interest Securities will bear or pay interest calculated by reference to the rate of exchange between one or more currencies.

Currency Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Commodity Linked Notes (Exempt Securities only)

Commodity linked redemption Notes may be redeemed by the Issuer by payment of the par value amount or by payment of an amount determined by reference to the value of one or more commodities. Accordingly, an investment in commodity linked redemption Notes whose redemption is commodity linked may bear similar market risks to a direct commodity investment and investors should take advice accordingly. Commodity linked interest Securities will bear or pay interest calculated by reference to the value of one or more commodities.

Commodity Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Fund Linked Notes (Exempt Securities only)

Fund linked redemption Notes may be redeemed by the Issuer by payment of the par value amount or by payment of an amount determined by reference to the value of one or more shares or units in a fund. Accordingly, an investment in fund linked redemption Notes may bear similar market risks to a direct fund investment and investors should take advice accordingly. Fund linked interest Securities will bear or pay interest calculated by reference to the value of one or more shares or units in a fund.

Fund Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Market Disruption and termination/adjustment provisions for Fund Linked Notes

The market disruption and termination/adjustment provisions will vary on a case-by-case basis depending on the nature of the relevant fund. Prospective investors should review the relevant fund documentation and the applicable Pricing Supplement in respect of an issue of Fund Linked Notes.

Credit Linked Notes

General

Credit Linked Notes may only be governed by English law and may be redeemed by the Issuer by payment of the par value amount and/or by the physical delivery of a given number of specified assets and/or by payment of an amount depending on whether certain events ("**Credit Events**") have occurred in respect of one or more Reference Entities and, if so, on the value of certain specified assets of the Reference Entity(ies) or where, if such events have occurred, on redemption the Issuer's obligation is to deliver certain specified assets. Since the relevant assets will be issued, guaranteed or insured by the Reference Entity affected by the Credit Event, the value of such assets at the relevant time may be considerably less than would be the case if the Credit Event had not occurred.

In certain circumstances Credit Events may occur with respect to an entity other than the Reference Entity or an obligation which has not been directly issued or incurred by the Reference Entity (for example if the provisions taken from the ISDA Sukuk Transaction Types supplement apply to the Securities, a Credit Event may occur in respect of a Sukuk Issuer or an obligation issued by a Sukuk Issuer, being an entity which has recourse to the Reference Entity for the purposes of funding amounts due under certain of its instruments. Similarly, if the provisions taken from the ISDA LPN Reference Entities supplement applies to the Securities, a Credit Event may occur in respect of a LPN Issuer or an obligation of a LPN Issuer, being an entity which issues loan participation notes solely to provide funds to finance the Reference Entity). In addition, the relevant assets determined for settlement purposes may be obligations of an entity other than the Reference Entity (for example the Sukuk Issuer or LPN Issuer) and these risk factors will be construed accordingly.

Investors should note that each of the Credit Event Redemption Amount, any Asset Amount and any Cash Settlement Amount (if Unwind Costs is specified as applicable in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities)) and any Early Redemption Amount will have deducted from it an amount equal to either (a) the amount specified in the relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities) to be the unwind costs or (b) an amount determined by the Calculation Agent equal to the sum of (without duplication) all costs, fees, charges, expenses (including loss of funding), tax and duties incurred by the Issuer and/or any of its Affiliates in connection with the redemption of the Credit Linked Notes and the related termination, settlement or re-establishment of any hedge or related trading position, such amount to be apportioned *pro rata* amongst the Credit Linked Notes. Investors may therefore receive back less than their initial investment or, in the case of redemption following the occurrence of a Credit Event, losses may be greater than if the investor were to hold obligations of the Reference Entity directly.

The market price of the Securities may be volatile and may be affected by, among other things, the creditworthiness of the Reference Entity (which in turn may be affected by the economic, financial and political events in one or more jurisdictions) and the time remaining until maturity.

Credit Events

Events that will constitute a "Credit Event" for these purposes are as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) and, depending on which is specified as applicable in the applicable Final Terms (or Pricing Supplement in the case of Exempt Securities), as further described in Credit Linked Notes Annex A or Credit Linked Notes Annex B (each a "**Credit Linked Notes Annex**" and together the "**Credit Linked Notes Annexes**"). The Credit Events that apply to the Securities will be specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) and may include, without limitation, the occurrence of one or more of the following:

- (a) Bankruptcy - the Reference Entity goes bankrupt;
- (b) Failure to Pay - subject to a minimum threshold amount, the Reference Entity fails to pay any amounts due on any of its borrowings (including its bonds or loans) or, where applicable, guarantees (which, for the purposes of these risk factors, includes guarantees and insurance pursuant to a guarantee);
- (c) Obligation Acceleration - the Reference Entity defaults on a minimum amount of its borrowings (including its bonds or loans) or, where applicable, guarantees and as a result such obligations are accelerated;
- (d) Obligation Default - the Reference Entity defaults on a minimum amount of its borrowings (including its bonds or loans) or, where applicable, guarantees and as a result such obligations are capable of being accelerated;
- (e) Restructuring - following a deterioration of the Reference Entity's creditworthiness, any of its borrowings or, where applicable, guarantees, subject to a minimum threshold amount of such borrowings or, where applicable, guarantees, are restructured in such a way as to adversely affect a creditor (such as a reduction or postponement of the interest or principal payable on a bond or loan); and
- (f) Repudiation/Moratorium - (i) the Reference Entity repudiates or rejects, in whole or in part, its obligations in relation to its borrowings or, where applicable, its guarantees, or it declares or imposes a moratorium with respect to its borrowings or, where applicable, guarantees and (ii) thereafter within a certain period it fails to pay any amounts due on any of its borrowings (including its bonds or loans) or, where applicable, its guarantees, or it restructures any of its borrowings or, where applicable, guarantees in such a way as to adversely affect a creditor; and
- (g) if Credit Linked Notes Annex B applies to the Credit Linked Notes, Governmental Intervention – any of the Reference Entity's borrowings or, where applicable, guarantees are restructured in such a way as to adversely affect a creditor (such as a reduction or postponement of the interest or principal payable on a bond or loan), are expropriated or amended in such a way that the beneficial holder is changed or are mandatorily cancelled, converted or exchanged or any similar event occurs with respect thereto, in

each case as a result of Governmental Authority action or announcement pursuant to or by means of a restructuring and resolution law or regulation (or similar).

Prospective investors should note that not all of the possible Credit Events require an actual default with respect to the obligations of a relevant Reference Entity. Securityholders could bear losses based on deterioration in the credit of any relevant Reference Entity(ies) short of a default, subject to the provisions set out in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Early Redemption upon Merger Event

If applicable, in the event that in the determination of the Calculation Agent a Merger Event has occurred the Issuer may redeem the Credit Linked Notes early at the Early Redemption Amount.

Early Redemption on redemption in whole of Reference Obligation for Reference Obligation Only Securities relating to a single Reference Entity

If Credit Linked Notes Annex B applies and the Credit Linked Notes are Reference Obligation Only Securities relating to a single Reference Entity and the Reference Obligation is redeemed in whole, the Issuer will redeem the Credit Linked Notes early at the Early Redemption Amount.

ISDA Credit Derivatives Definitions

This Base Prospectus contains Terms and Conditions for Credit Linked Notes some of which terms are based on the 2003 ISDA Credit Derivatives Definitions (as supplemented) (the "**2003 ISDA Definitions**") (see the section entitled "*Annexes to the Terms and Conditions - Credit Linked Notes Annex A*") and further Terms and Conditions for Credit Linked Notes some of which terms are based on the 2014 Credit Derivatives Definitions (the "**2014 ISDA Definitions**") (see the section entitled "*Annexes to the Terms and Conditions - Credit Linked Notes Annex B*"). While there are similarities between the terms used in such Annexes and the terms used in the 2003 ISDA Definitions or 2014 ISDA Definitions, as applicable, there are a number of differences (including, without limitation, whether or not Credit Derivatives Determinations Committee determinations are applicable (see further below), the operation of the credit protection period and, if auction settlement applies, the auction(s) which may be applicable on a M(M)R Restructuring Credit Event). In particular, the Issuer has determined that certain provisions of the Credit Derivatives Definitions, which are intended for use by market participants in "over the counter" transactions, require amendment when incorporated in the terms of an offering of securities such as the Credit Linked Notes. Therefore, a prospective investor should understand that the complete terms and conditions of the Credit Linked Notes are as set out in this Base Prospectus and the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) and that neither the 2003 ISDA Definitions nor the 2014 ISDA Definitions are incorporated by reference herein. Consequently, investing in Credit Linked Notes is not necessarily equivalent to investing a credit default swap that incorporates either set of ISDA Definitions.

While ISDA has published and, where applicable, supplemented the 2003 ISDA Definitions and 2014 ISDA Definitions in order to facilitate transactions and promote uniformity in the credit derivatives market, the credit derivatives market has evolved over time and is expected to continue to change. Consequently, the 2003 ISDA Definitions and 2014 ISDA Definitions and the terms applied to credit derivatives, including Credit Linked Notes are subject to further evolution. Past events have shown that the view of market participants may differ as to how the Credit Derivatives Definitions operate or should operate. As a result of the continued evolution of the market, the Credit Linked Notes may not conform to future market standards. Such a result may have a negative impact on the Credit Linked Notes. Furthermore, there can be no assurances that changes to the terms applicable to credit derivatives generally will be predicable or favourable to the Issuer or the Securityholders.

Differences between the 2003 ISDA Definitions and the 2014 ISDA Definitions

There are a number of important differences between the 2003 ISDA Definitions and the 2014 ISDA Definitions. In particular the 2014 ISDA Definitions have:

- (a) introduced a new Credit Event of "Governmental Intervention", which is intended to capture "bail-in" procedures to which financial institutions may be subject;

- (b) made certain amendments to the Restructuring Credit Event to provide for the possibility of a Euro exit;
- (c) reduced the number of buckets applicable in circumstances where Mod Mod R is applicable and deleted the concept of the "Enabling Obligation" which was previously applicable to both Mod R and Mod Mod R;
- (d) introduced the concept of Asset Package Delivery in respect of certain Financial Reference Entities and Sovereigns. This provides that if Deliverable Obligations are exchanged into non-Deliverable assets or written-down in part or in full, in certain circumstances, the credit protection buyer will be able to deliver the resultant package of Assets or the written-down Deliverable Obligation to realise its protection;
- (e) split credit protection between senior and subordinated coverage in respect of a Governmental Intervention and Restructuring Credit Event for Financial Reference Entities, i.e. a Senior Transaction will only be triggered by a Restructuring or Governmental Intervention of Senior Obligations and a Subordinated Transaction will not be capable of being triggered by a Restructuring or Governmental Intervention of an obligation which is Subordinated to the Subordinated Reference Obligation;
- (f) made a number of changes to the provisions for determining a Successor to a Reference Entity, particularly with respect to Financial and Sovereign Reference Entities;
- (g) provided for a new election of "Standard Reference Obligation" which, if chosen, will mean that the Reference Obligation will be the obligation of the relevant seniority level published in respect of the relevant Reference Entity on a List maintained by ISDA. A transaction on the terms of the 2014 ISDA Definitions may elect not to apply that election such that the Reference Obligation would remain as chosen by the parties, although, if this is the case, the procedure for selecting a Substitute Reference Obligation has also changed significantly in the 2014 ISDA Definitions;
- (h) replaced the Not Contingent Deliverable Obligation Characteristic with the concept of Outstanding Principal Balance. In order for an obligation (including the Reference Obligation) to constitute a Deliverable Obligation, it must have an Outstanding Principal Balance greater than zero;
- (i) amended the definition of "Qualifying Guarantee" to expand the universe of guarantees that can constitute Qualifying Guarantees (with a particular emphasis on including, to some extent, guarantees with caps or transfer provisions); and
- (j) introduced a large number of technical and other changes.

These changes in the 2014 ISDA Definitions as compared to the 2003 ISDA Definitions have been reflected in Credit Linked Notes Annex B, but in each case subject to important differences, including to reflect the nature of the Credit Linked Notes as compared to "over-the-counter" transactions and to reflect hedging arrangement of the Issuer. Some changes, such as the inclusion of a new Credit Event, may have significant economic effect on the Credit Linked Notes and may mean the value of the Credit Linked Notes and the return (if any) to investors is significantly different from Credit Linked Notes using Credit Linked Notes Annex A. Some changes may be disadvantageous to Securityholders and prospective investors should review carefully the terms of any issue of Credit Linked Notes and, where in any doubt, take advice from suitably qualified professional advisers.

Credit Derivatives Determinations Committees and ISDA Auctions

As further provided in the Credit Linked Notes Annexes, the determination as to whether or not a Credit Event has occurred may, if DC Determinations is specified as applicable in the applicable Final Terms (or Pricing Supplement in the case of Exempt Securities) be made on the basis of a determination of a committee established by ISDA pursuant to the 2009 ISDA Credit Derivatives Determinations Committees and Auction Settlement Supplement to the 2003 ISDA Definitions (published on 12 March 2009) (the "**2009 Supplement**") for the purposes of making certain determinations in connection with credit derivative transactions (a "**Credit Derivatives Determinations Committee**").

In such circumstances the relevant determination pursuant to the terms and conditions of the Credit Linked Notes is subject to the announcements, publications, determinations and resolutions made by ISDA and/or the

Credit Derivatives Determinations Committees, unless the Calculation Agent determines that it is inappropriate to follow such announcements, publications, determinations and resolutions as provided therein (see the section entitled "Disapplication of DC Resolution" below).

Credit Derivatives Determinations Committees also apply under the 2014 ISDA Definitions and if Credit Linked Notes Annex B applies to the Credit Linked Notes and DC Determinations is specified as applicable in the Final Terms (or Pricing Supplement, in the case of Exempt Securities), the determination as to whether or not a Credit Event has occurred may also be subject to the announcements, publications, determinations and resolutions made by those Credit Derivatives Determinations Committees (unless the Calculation Agent determines inappropriate).

Certain other determinations under the Credit Linked Notes, including without limitation determinations with respect to Successors and Substitute Reference Obligations, may also follow determinations and/or approvals of the relevant Credit Derivatives Determinations Committee (unless the Calculation Agent determines inappropriate).

In any such cases any such announcements, publications, determinations and resolutions could therefore affect the amount and timing of payments of interest on and principal of the Credit Linked Notes or deliveries pursuant to the terms of the Credit Linked Notes. The Issuer, the Dealer and no other related person will have any liability to any person for any determination or calculation and/or any delay or suspension of payments and/or redemption of the Credit Linked Notes resulting from or relating to any announcements, publications, determinations and resolutions made by ISDA and/or any of the Credit Derivatives Determinations Committees. Further information regarding the ISDA Credit Derivatives Determinations Committees can be found at www.isda.org/credit.

In certain circumstances, following the occurrence of a Credit Event if the relevant Credit Derivatives Determinations Committee determines that one or more auctions will be held in accordance with any Credit Derivatives Auction Settlement Terms published by ISDA in relation to obligations of appropriate seniority of the Reference Entity (in the case of Credit Linked Notes to which Credit Linked Notes Annex A applies, applicable to credit derivatives transactions incorporating the 2009 Supplement or the case of Credit Linked Notes to which Credit Linked Notes Annex B applies, applicable to credit derivatives transactions incorporating the 2014 ISDA Definitions), Credit Linked Notes may be redeemed by the Issuer by payment of an amount linked to the value determined pursuant to the relevant auction. Investors should note that the value determined pursuant to such ISDA auction (if applicable) will be determined by reference to obligations of the Reference Entity which may not include the Reference Obligation and such value may be lower than the market value that would otherwise have been determined in respect of the Reference Obligation. In addition, if the Credit Event is a Restructuring Credit Event, in certain circumstances the ISDA auction determined to be applicable may be for obligations of the Reference Entity of considerably longer tenor than the Reference Obligation, and as a result it is very likely that the value determined pursuant to such ISDA auction will be lower than the market value that would otherwise have been determined in respect of the Reference Obligation.

Prospective investors should note that Deutsche Bank or an affiliate of Deutsche Bank may be a member of the Credit Derivatives Determinations Committee responsible for determining the occurrence of Credit Events for the purposes of certain credit derivatives transactions. This may cause conflicts of interest which could affect its voting behaviour, and thus the determinations made by a Credit Derivatives Determinations Committee, which may be detrimental to investors.

If a Reference Obligation is a subordinated debt obligation, investors in the Securities should be aware that, on the occurrence of a Credit Event, the value of that Reference Obligation or the value determined pursuant to the ISDA auction in respect of obligations of appropriate seniority (being subordinated obligations) and (if the Credit Event is a restructuring) tenor of the relevant Reference Entity, as applicable, will be less than that of senior unsecured obligations of the Reference Entity and therefore the amount (if any) payable to investors in the Securities on redemption following a Credit Event will be lower (and is more likely to be zero) than if that Reference Obligation were a senior unsecured obligation.

Disapplication of DC Resolution

The Calculation Agent may in certain circumstances taking into account the differences between the 2003 ISDA Definitions or 2014 ISDA Definitions, as applicable, and the terms of the Credit Linked Notes and such other factor(s) as it deems appropriate, determine that a DC Resolution is inappropriate to follow for the purposes of the Credit Linked Notes including in relation to the determination of whether a Credit Event has occurred and the determination of a Successor.

Physically Settled Credit Linked Notes

Where the Securities provide for physical delivery, the Issuer may determine that the specified assets to be delivered are either (a) assets which for any reason (including, without limitation, failure of the relevant clearance system or due to any law, regulation, court order or market conditions or the non-receipt of any requisite consents with respect to the delivery of assets which are loans) it is impossible or illegal to deliver on the Settlement Date or (b) assets which the Issuer and/or any Affiliate has not received under the terms of any transaction entered into by the Issuer and/or such Affiliate to hedge the Issuer's obligations in respect of the Securities. Any such determination may delay settlement in respect of the Securities and/or cause the obligation to deliver such specified assets to be replaced by an obligation to pay a cash amount which, in either case, may affect the value of the Securities and, in the case of payment of a cash amount, will affect the timing of the valuation of such Securities and as a result, the amount of principal payable on redemption. Prospective purchasers should carefully review the Terms and Conditions of the Securities and the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) to ascertain whether and how such provisions should apply to the Securities.

No Investigation or Due Diligence of Reference Entities

No investigation, due diligence or other enquiries have been made by the Issuer, any Dealer or any other related person in respect of any Reference Entity (including its existing or future creditworthiness) or any Reference Obligation, Obligation, Deliverable Obligation or other obligations of the Reference Entity (as applicable). No representations, warranties or undertakings whatsoever have been or will be made by the Issuer, any Dealer or any other related person in respect of the Reference Entity (including its existing or future creditworthiness) or any Reference Obligation, Obligation, Deliverable Obligation or other obligations of the Reference Entity (as applicable). Prospective investors in Credit Linked Notes should make their own evaluation as to the creditworthiness of each Reference Entity and the likelihood of the occurrence of a Credit Event.

Sovereign Reference Entities

Credit Linked Notes may be linked to the credit of one or more sovereign or governmental entity or quasi-governmental entity, and therefore payment of amounts due or delivery of any assets pursuant to the terms and conditions of the Credit Linked Notes, including any applicable interest payments, may be subject to sovereign risks. These include the potential default by such sovereign, government/quasi government issuer or the occurrence of political or economic events resulting in or from governmental action such as the declaration of a moratorium on debt repayment or negating repayment obligations of the sovereign issuer. If any such event were to occur, holders of such Credit Linked Notes may lose up to all of their initial investment in such Credit Linked Notes.

No Claim against any Reference Entity

A Credit Linked Note will not represent a claim against any Reference Entity in respect of which any amount of principal and/or interest payable or, if Physical Delivery is specified as an applicable settlement method for the Credit Linked Notes in the applicable Final Terms (or Pricing Supplement, in the case of exempt Securities), the amount of assets deliverable in respect of the Credit Linked Notes, is dependent and, in the event that the amount paid by the Issuer or value of the specified assets delivered on settlement of the Credit Linked Notes is less than the principal amount of the Credit Linked Notes, a Securityholder will not have recourse under a Credit Linked Note to the Issuer or any Reference Entity.

An investment in Credit Linked Notes linked to one or more Reference Entities may entail significant risks which are not associated with investments associated with conventional debt securities, including but not limited to the

risks set out in this section. The amount paid or value of the specified assets delivered by the Issuer on redemption or settlement of such Credit Linked Notes may be less than the principal amount of the Credit Linked Notes, together with any accrued interest, and may in certain circumstances be zero.

No Exposure to Reference Entities

The Issuer's obligations in respect of Credit Linked Notes are irrespective of the existence or amount of the Issuer's and/or any affiliates' credit exposure to a Reference Entity and the Issuer and/or any affiliate need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event.

Postponed Maturity Date

Where Conditions to Settlement have not been satisfied (in the case of Credit Linked Notes to which Credit Linked Notes Annex A applies) or a Credit Event Determination Date has not occurred (in the case of Credit Linked Notes to which Credit Linked Notes Annex B applies) in each case on or prior to the Scheduled Maturity Date but (a) the Repudiation/Moratorium Extension Condition has been satisfied, (b) a Potential Failure to Pay has occurred or (c) if on the Scheduled Maturity Date, the Repudiation/Moratorium Evaluation Date or the Grace Period Extension Date (as applicable) the Calculation Agent determines that a Credit Event may have occurred or a Potential Repudiation/Moratorium may have occurred, the relevant Maturity Date of the Credit Linked Notes may be extended pursuant to the terms and conditions of the Credit Linked Notes such that investors may experience delays in receipt of payments or deliveries that would otherwise have occurred in accordance with the terms of the Credit Linked Notes.

Other Types of Credit Linked Notes

Credit Linked Notes may also be "**first to default credit linked securities**" which refers to the exposure to the credit risk of a basket of Reference Entities. Where a Credit Event occurs in relation to a Reference Entity and Conditions to Settlement are satisfied, the Securities may be redeemed by the Issuer as set out above but Conditions to Settlement may only be satisfied on one occasion. If Conditions to Settlement are satisfied in respect of more than one Reference Entity on the same date, the Calculation Agent will determine which Reference Entity is the Reference Entity in respect of which Conditions to Settlement are satisfied. The basket of Reference Entities increases the likelihood that a Credit Event may occur prior to the maturity date of the Securities.

The Issuer may issue "**Portfolio Credit Linked Securities**" which are Credit Linked Notes linked to the performance of a portfolio of Reference Entities. Under Portfolio Credit Linked Notes the amount of principal and interest (if any) payable by the Issuer is dependent on whether a Credit Event in respect of one or more of Reference Entities has occurred. Where such Securities are "zero recovery" Portfolio Credit Linked Notes, the loss suffered by investors on a Credit Event occurring in respect of a Reference Entity will be equal to the entire weighting of that Reference Entity in the portfolio.

The Issuer may issue "**Single Name Zero Recovery Credit Linked Securities**" which are Credit Linked Notes linked to the performance of a single Reference Entity under which if a Credit Event occurs in respect of the Reference Entity, the Credit Linked Notes will cease to pay interest and will be cancelled at zero and investors will lose their entire investment.

The Issuer may issue "**Fixed Recovery Securities**" which are Credit Linked Notes where the amount payable on redemption of the Securities following the occurrence of a Credit Event is fixed.

The amount of interest payable on Credit linked interest Notes will depend on whether or not a Credit Event has occurred in respect of one or more Reference Entities.

The Issuer may also issue "**pass-through Securities**" which are Credit Linked Notes under which the amount of interest and/or principal (in each case if any) payable is dependent on amount(s) paid under a "holding" of specified obligations of the Reference Entity. Further risk factors in relation to EM Pass-Through Securities, a type of pass-through Securities, are set out below. Other types of pass-through Securities will be Exempt Securities.

EM Pass-Through Securities

EM Pass-Through Securities are credit-linked to the performance of the Reference Entity and Obligations of the Reference Entity (including the Reference Obligation comprising the Holding) and currency linked to the convertibility of the currency in which the Securities are denominated from or into the Specified Currency of the Securities and early redemption of the Securities may be triggered through certain events which are linked to the performance and creditworthiness of the Reference Entity. Investors should note that the amounts payable by the Issuer in respect of the Securities are linked to the value of and amounts that would be received by a Holding Party in respect of the Holding (and therefore such amounts as they would be reduced by deductions for withholding taxes as applicable) and that in certain circumstances the Securities will not pay interest and the amount paid to Securityholders on redemption may be less than the amounts paid by it in respect of the Securities and may in certain circumstances be zero.

Investors should also note that (a) if an Inconvertibility Event has occurred and is subsisting, in lieu of paying amounts in respect of the Securities in the Specified Currency, the Issuer may pay such amounts in the currency in which the Securities are denominated and (b) if it is unlawful, impossible, or otherwise impracticable for the Issuer to make payment of any such denomination currency amount, the Issuer may postpone payment of such amount.

No Claim against any Reference Item

A Security will not represent a claim against any Reference Item to which the amount of principal and/or interest payable, or, if physical settlement or Physical Delivery is specified as an applicable settlement method for the Securities in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the amount of assets deliverable in respect of the Securities, is dependent and, in the event that the amount paid by the Issuer or value of the specified assets delivered on redemption of the Securities is less than the principal amount of the Securities, a Securityholder will not have recourse under a Security to the Issuer or any Reference Item.

An investment in Securities linked to one or more Reference Items may entail significant risks not associated with investments in conventional debt securities, including but not limited to the risks set out in this section "*Reference Items*". The amount paid or value of the specified assets delivered by the Issuer on redemption of such Securities may be less than the principal amount of the Securities, together with any accrued interest, and may in certain circumstances be zero.

Reference Rates

As described in the section entitled "*Description of the Securities – Description of Interest Rate and Redemption Provisions*", Securities may be issued where the amount of interest payable or the amount payable on redemption are linked to a Reference Rate.

Securities where the amount of interest payable or the amount payable on redemption are linked to a Reference Rate can be volatile investments. Investors who purchase such Securities will be exposed to the risk of a fluctuating Reference Rate and consequently variable interest amounts or redemption amounts which cannot be pre-estimated. If such Securities are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, the market value of those securities may be more volatile than that for securities that do not include these features.

RISK FACTORS RELATING TO CERTAIN FEATURES OF SECURITIES

A wide range of Securities may be issued under the Programme. The Issuer may issue Securities which may have one or more of the features described below which contain particular risks for potential investors. The amount of interest and/or principal payable and/or the amount of assets deliverable may depend on these features alone and/or in combination with other features and Reference Items. Prospective investors should be aware that they may lose all or a substantial portion of their investment. A combination of more than one of the features outlined below may increase the volatility of the price of the Securities in the secondary market.

Inverse variable rate Securities

The market value of Securities which bear or pay interest at a variable rate inversely linked to a specified reference rate typically is more volatile than the market value of other more conventional floating or other variable rate securities based on the same reference rate. These Securities are more volatile because an increase in the relevant reference rate not only decreases the interest rate payable on the Securities, but may also reflect an increase in prevailing interest rates, which may further adversely affect the market value of these Securities.

Capped variable rate Securities

The maximum amount of interest payable in respect of Securities that bear or pay interest with a capped variable rate will equal the sum of the reference rate and any specified margin subject to a specified maximum rate. Consequently investors in these Securities will not benefit from any increase in the relevant reference rate if, when added to the specified margin, such resulting rate is equal to or greater than the maximum specified rate. The market value of these Securities would typically fall the closer the sum of the relevant reference rate and any margin is to the maximum specified rate. The yield of Securities with a capped variable rate may be considerably lower than that of similar Securities without a cap.

Securities whose interest and/or redemption amount is calculated by reference to a formula

Where an issue of Securities references a formula in the applicable Terms and Conditions (which may be replicated in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities) or, in the case of Exempt Securities, the Pricing Supplement as the basis upon which the interest payable and/or the amount payable and/or assets deliverable on redemption is calculated potential investors should ensure that they understand the relevant formula and if necessary seek advice from their own financial adviser.

In addition the effects of the formula may be complex with respect to expected amounts of interest and/or amounts payable and/or assets deliverable on redemption and in certain circumstances may result in increases or decreases in these amounts.

Participation in Performance

Where the amount of interest payable and/or amounts payable and/or assets deliverable on redemption of Securities may be determined by reference to a ratio greater than one, prospective investors should note that the effect of changes in the price or level of the floating rate or Reference Item(s) payable will be magnified. Conversely, where the ratio is less than one, the effect will be reduced and investors will not benefit (as applicable) from the full performance of the floating rate or Reference Item(s).

Securities issued at a substantial discount or premium

The market value of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Partly-paid Securities (Exempt Securities only)

The Issuer may issue Securities (except within the United States or to U.S. persons) where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

Securities subject to Optional Redemption by the Issuer

Securities which include a redemption option by the Issuer are likely to have a lower market value than similar securities which do not contain an Issuer redemption option. An optional redemption feature is likely to limit the market value of Securities. During any period when the Issuer may elect to redeem the Securities, the market

value of those Securities generally will not rise substantially above the price at which they may be redeemed. This may also be the case prior to any redemption period.

The Issuer may be expected to redeem Securities when its cost of borrowing is lower than the interest rate on the Securities. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Securities being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

The applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) will indicate whether the Issuer has the right to redeem the Securities prior to maturity. The Issuer may exercise its right to redeem the Securities if the yield on comparable Securities in the market falls which may result in the investor only being able to invest the redemption proceeds in Securities with a lower yield. If specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the Issuer will have the right to redeem the Securities, if the Issuer is required to gross-up payments as a result of the imposition of certain taxes. If the Issuer redeems the Securities prior to maturity, a holder of such Securities is exposed to the risk that as a result of such early redemption its investment will have a lower than expected yield.

Subordinated Notes

The Issuer may issue Subordinated Notes. The obligations of the Issuer under Subordinated Notes constitute unsecured and subordinated obligations and will rank junior in priority of payment to unsubordinated obligations. In the event of insolvency or liquidation of the Issuer, such obligations will be subordinated to the claims of all unsubordinated creditors of the Issuer so that in any such event no amounts will be payable in respect of such obligations until the claims of all unsubordinated creditors of the Issuer have been satisfied in full. The Issuer expects from time to time to incur additional indebtedness or other obligations that will constitute senior indebtedness, and the Subordinated Notes do not contain any provisions restricting the Issuer's ability to incur senior indebtedness. Although the Subordinated Notes may pay a higher rate of interest than comparable Securities which are not so subordinated, there is a real risk that an investor will lose all or some of its investment should the Issuer become insolvent since its assets would be available to pay such amounts only after all of its senior creditors have been paid in full.

Subordinated Notes are intended to qualify as Tier 2 instruments within the meaning of Art. 63 of the Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No 648/2012 (including any provisions of regulatory law supplementing this Regulation) ("**CRR**"); to the extent that any provisions of the CRR are amended or replaced, the term "CRR" shall refer to such amended provisions or successor provisions.

In the context of a Regulatory Bail-in the Subordinated Notes will be written down or converted to common equity tier 1 capital instruments of the Issuer before any non-subordinated liabilities of the Issuer are affected by such measures. Accordingly, trading behaviour in respect of the Subordinated Notes may not follow the trading behaviour associated with other types of securities.

The Issuer may redeem all, but not some, of the Subordinated Notes at its option at any time prior to maturity upon the occurrence of certain regulatory events. If the Issuer redeems the Subordinated Notes, holders of such Securities may not be able to reinvest the amounts they receive upon redemption at a rate that will provide the same rate of return as did the investment in the Subordinated Notes.

In the event of the dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of insolvency of, or against, the Issuer, the obligations under the Subordinated Notes will be fully subordinated to the claims of other unsubordinated creditors of the Issuer. Accordingly, in any such event no amounts shall be payable in respect of the Subordinated Notes until in any such event no amounts shall be payable in respect of the Subordinated Notes until the claims of such other unsubordinated creditors of the Issuer have been satisfied in full. Accordingly, the Securityholder's rights under the Securities will rank behind all unsubordinated creditors of the Issuer in the event of the insolvency or liquidation of the Issuer. The Issuer's payment obligations under the Securities will rank *pari passu* amongst themselves and with all claims in respect of existing and future instruments classified as Tier 2 capital of the Issuer and the payment of interest payments thereunder.

The only remedy against the Issuer available to Securityholders for recovery of amounts which have become due in respect of the Subordinated Notes will be the institution of legal proceedings to enforce payment of the amounts. In an insolvency or liquidation of the Issuer, any Securityholder may only claim amounts due under the Subordinated Notes after the Issuer has discharged or secured in full (i.e. not only with a quota) all claims that rank senior to the Subordinated Notes.

Integral multiples of the Specified Denomination

If Securities are issued in one or more integral multiples of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Securities may be traded in amounts in excess of the minimum Specified Denomination that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than such minimum Specified Denomination in its account with the relevant clearing system would not be able to sell the remainder of such holding without first purchasing a principal amount of Securities at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination. Further, a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in its account with the relevant clearing system at the relevant time may not receive a definitive Security in respect of such holding (should definitive Securities be printed) and would need to purchase a principal amount of Securities at or in excess of the minimum Specified Denomination such that its holding amounts to Specified Denomination.

If definitive Securities are issued, holders should be aware that definitive Securities which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

RISK FACTORS RELATED TO SECURITIES GENERALLY

Set out below is a brief description of certain risks relating to the Securities generally:

Modification and waivers

Meetings of Securityholders may be called to consider their interests generally either (a) in the case of English law governed Securities, pursuant to the Terms and Conditions of the Securities; and (b) in the case of German law governed Securities, in accordance with and subject to the German Bond Act (*Schuldverschreibungsgesetz*). At such meetings a defined majority of Securityholders may bind all Securityholders, including Securityholders who did not attend and vote at the relevant meeting and Securityholders who voted in a manner contrary to the majority.

In respect of English law governed Securities, the Terms and Conditions of the Securities also provide that the Fiscal Agent and the Issuer may, without the consent of Securityholders, agree to (a) any modification (subject to certain specific exceptions) of the Securities, the Coupons or the Receipts or the Agency Agreement which is not prejudicial to the interests of the Securityholders or (b) any modification of the Securities, the Coupons, the Receipts or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or proven error or to comply with mandatory provisions of law.

Taxation

Potential purchasers and sellers of Securities should be aware that they may be required to pay stamp taxes or other documentary charges in accordance with the laws and practices of the country where the Securities are transferred and/or any asset(s) are delivered.

Potential purchasers who are in any doubt as to their tax position should consult their own independent tax advisers. In addition, potential purchasers should be aware that tax regulations and their application by the relevant taxation authorities change from time to time. Accordingly, it is not possible to predict the precise tax treatment which will apply at any given time.

No Tax Gross-Up in respect of Certain Series of Securities

If the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) specify that no withholding tax gross-up is applicable, the Issuer is not obliged to gross up any payments in respect of the Securities and all amounts payable in respect of the Securities shall be made with such deduction or withholding of taxes duties or governmental charges of any nature whatsoever imposed, levied or collected by way of deduction or withholding, if such deduction or withholding is required by law (including pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise pursuant to Sections 1471 through 1474 of the Code and any regulations or agreements thereunder or official interpretations thereof or pursuant to any law implementing an intergovernmental approach thereto ("**FATCA**")).

U.S. Foreign Account Tax Compliance Act Withholding

Whilst the Securities are in global form and held within Euroclear Bank SA/NV or Clearstream Banking SA, Luxembourg (together, the "**ICSDs**"), Clearstream Banking AG, Frankfurt ("**CBF**") or SIX SIS AG, Olten, Switzerland ("**SIS**"), in all but the most remote circumstances, it is not expected that the new reporting regime and potential withholding tax imposed by FATCA will affect the amount of any payment received by the ICSDs, CBF or SIS, as applicable (see the section entitled "*Taxation – United States – Foreign Account Tax Compliance Act*"). However, FATCA may affect payments made to custodians or intermediaries in the subsequent payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA) and provide each custodian or intermediary with any information, forms, other documentation or consents that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. Investors should consult their own tax adviser to obtain a more detailed explanation of FATCA and how FATCA may affect them. The Issuer's obligations under the Securities are discharged once it has made payment to, or to the order of, the common depositary or common safekeeper for the ICSDs (as bearer or registered holder of the Securities) or CBF or SIS and the Issuer has therefore no responsibility for any amount thereafter transmitted through the ICSDs, CBF or SIS and custodians or intermediaries.

Hiring Incentives to Restore Employment Act Withholding

The U.S. Hiring Incentives to Restore Employment Act imposes a 30 per cent. withholding tax on amounts attributable to U.S. source dividends that are paid or "deemed paid" under certain financial instruments if certain conditions are met. If the Issuer or any withholding agent determines that withholding is required, neither the Issuer nor any withholding agent will be required to pay any additional amounts with respect to amounts so withheld. Prospective investors should refer to the section "*Taxation – United States – Hiring Incentives to Restore Employment Act*".

Early Redemption Unwind Costs

Prospective investors should note that, if so specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the Early Redemption Amount in respect of certain Series of Securities will include a deduction in respect of Early Redemption Unwind Costs. If the Early Redemption Unwind Costs are stated to be Standard Early Redemption Costs, then such amount will comprise an amount determined by the Calculation Agent equal to the sum of (without duplication) of all costs, expenses (including loss of funding), tax and duties incurred by the Issuer in connection with the redemption of the Securities and the related termination, settlement or re-establishment of any hedge or related trading position.

Hedging

In the ordinary course of its business, including without limitation in connection with its market making activities, the Issuer and/or any of its affiliates may effect transactions for its own account or for the account of its customers and hold long or short positions in Reference Item(s) or related derivatives. In addition, in connection

with the offering of the Securities, the Issuer and/or any of its affiliates may enter into one or more hedging transactions with respect to the Reference Item(s) or related derivatives. In connection with such hedging or market-making activities or other trading activities by the Issuer and/or any of its affiliates, the Issuer and/or any of its affiliates may enter into transactions in the Reference Item(s) or related derivatives which may affect the market price, liquidity or value of the Securities and which could be adverse to the interests of the relevant Securityholders.

Conflicts of Interest

Where the Issuer acts as Calculation Agent or the Calculation Agent is an affiliate of the Issuer, potential conflicts of interest may exist between the Calculation Agent and Securityholders, including with respect to certain determinations and judgements that the Calculation Agent may make pursuant to the Securities that may influence the amount receivable or specified assets deliverable on redemption of the Securities.

The Issuer and any Dealer may at the date hereof or at any time hereafter, be in possession of information in relation to a Reference Item that is or may be material in the context of the Securities and may or may not be publicly available to Securityholders. There is no obligation on the Issuer or any Dealer to disclose to Securityholders any such information.

The Issuer and/or any of its affiliates may have existing or future business relationships with any Reference Item(s) (including, but not limited to, lending, depositary, risk management, advisory and banking relationships), and will pursue actions and take steps that they or it deems necessary or appropriate to protect their and/or its interests arising therefrom without regard to the consequences for a Securityholder.

Substitution of the Issuer

Subject to certain requirements, the Terms and Conditions contain provisions allowing for substitution of the Issuer or a change of the office (*Niederlassung*) through which the Issuer acts. Without prejudice to the requirements of any jurisdiction where any Securities are admitted to trading, for so long as any substitution of the Issuer or the office through which the Issuer acts may be subject to certain further conditions or requirements of such Stock Exchange or regulated market. Where any further conditions or requirements apply and the Issuer wishes to substitute itself or change the branch through which the Issuer acts, the Issuer may delist the relevant Securities from the relevant Stock Exchange or regulated market and is not obliged to list the Securities on any other Stock Exchange or regulated market.

Regulatory bail-in and other resolution measures

On 15 May 2014, the European Parliament and the Council of the European Union adopted Directive 2014/59/EU establishing a framework for the recovery and resolution of credit institutions and investment firms (commonly referred to as the "Bank Recovery and Resolution Directive" or the "**BRRD**") which was transposed into German law by the Recovery and Resolution Act (*Sanierungs- und Abwicklungsgesetz*, or the "**SAG**") with effect from 1 January 2015. For banks established in the eurozone, such as the Issuer, which are supervised within the framework of the Single Supervisory Mechanism (the "**SSM**"), Regulation (EU) No 806/2014 of the European Parliament and of the Council (the "**SRM Regulation**") provides for a coherent application of the resolution rules across the SSM under responsibility of the European Single Resolution Board, with effect since 1 January 2016 (referred to as the "Single Resolution Mechanism" or "**SRM**"). Under the SRM, the Single Resolution Board is responsible for adopting resolution decisions in close cooperation with the European Central Bank, the European Commission, and national resolution authorities in the event that a significant bank directly supervised by the European Central Bank, such as the Issuer, is failing or likely to fail and certain other conditions are met. National resolution authorities in the European Union member states concerned would implement such resolution decisions adopted by the Single Resolution Board in accordance with the powers conferred on them under national law transposing the BRRD.

If the competent authority determines that the Issuer is failing or likely to fail and certain other conditions are met (as set forth in the SRM Regulation, the SAG and other applicable rules and regulations), the competent resolution authority has the power to write down, including to write down to zero, claims for payment of the principal, interest or any other amount in respect of the Notes, to convert the Notes into ordinary shares or other instruments qualifying as common equity tier 1 capital (the write-down and conversion powers are hereinafter

referred to as the **"Bail-in tool"**), or to apply any other resolution measure including (but not limited to) a transfer of the Notes to another entity, a variation of the terms and conditions of the Notes (including, but not limited to, the variation of maturity of the Notes) or a cancellation of the Notes. The Bail-in tool and each of these other resolution measures are hereinafter referred to as a **"Resolution Measure"**. The competent resolution authority may apply Resolution Measures individually or in any combination.

The competent resolution authority will have to exercise the Bail-in tool in a way that results in (i) common equity tier 1 capital instruments (such as ordinary shares of the Issuer) being written down first in proportion to the relevant losses, (ii) subsequently, the principal amount of other capital instruments (additional tier 1 capital instruments and tier 2 capital instruments) being written down on a permanent basis or converted into common equity tier 1 capital instruments in accordance with their order of priority and (iii) finally, eligible liabilities – such as those under the unsubordinated Notes – being written down on a permanent basis or converted into common equity tier 1 capital instruments in accordance with a set order of priority.

Pursuant to the act on the mechanism for the resolution of banks of 2 November 2015 (**"Resolution Mechanism Act"** – *Abwicklungsmechanismusgesetz*), obligations of the Issuer under senior unsecured debt instruments issued by it would, in the event of initiation of insolvency proceedings or the implementation of Resolution Measures affecting the Issuer, rank (i) junior to all other outstanding unsecured unsubordinated obligations of the Issuer unless the terms of such instruments provide that the repayment or interest amount depends on the occurrence or non-occurrence of a future event or will be settled in kind or the instruments are typically traded on money markets and (ii) in priority of contractually subordinated instruments. This order of priority would apply to insolvency proceedings or in the event of Resolution Measures commenced on or after 1 January 2017 and would also affect any senior unsecured debt instruments outstanding at this time. Notes under the Programme could fall within any of the two categories of senior unsecured debt instruments. Therefore, the Resolution Mechanism Act could lead to increased losses for creditors of senior unsecured debt instruments, which rank junior to other senior unsecured debt instruments, if insolvency proceedings were initiated or Resolution Measures imposed upon the Issuer.

The holders of Notes are bound by any Resolution Measure. They would have no claim or any other right against the Issuer arising out of any Resolution Measure or increased losses incurred on the basis of the new order of priority introduced by the Resolution Mechanism Act. Depending on the Resolution Measure, there would be no obligation of the Issuer to make payments under the Notes. The extent to which payment obligations under the Notes may be affected by Resolution Measures would depend on a number of factors that are outside the Issuer's control, and it will be difficult to predict when, if at all, Resolution Measures will occur. The exercise of any Resolution Measure would not constitute any right to terminate the Notes. Potential investors should consider the risk that they may lose all of their investment, including the principal amount plus any accrued interest, if Resolution Measures are initiated, and should be aware that extraordinary public financial support for troubled banks, if any, would only potentially be used as a last resort after having assessed and exploited, to the maximum extent practicable, the Resolution Measures, including the Bail-in tool.

RISKS FACTORS RELATED TO THE MARKET GENERALLY

Set out below is a brief description of certain market risks.

The secondary market generally

Securities may have no established trading market when issued, and one may never develop. If a market for the Securities does develop, it may not be very liquid. Therefore, investors may not be able to sell their Securities easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Securities that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Securities generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Securities.

Market Price Risk

The market prices of the Securities depends on various factors, such as changes of interest rate levels, the policy of central banks, overall economic developments, inflation rates or the supply and demand for the relevant type of Security. The market price of the Securities may also be negatively affected by an increase in the Issuer's credit spreads, i.e. the difference between yields on the Issuer's debt and the yield of government bonds or swap rates of similar maturity. The Issuer's credit spreads are mainly based on its perceived creditworthiness but also influenced by other factors such as general market trends as well as supply and demand for such Securities.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Securities in the Specified Currency. This presents certain risks relating to currency conversion if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (a) the Investor's Currency-equivalent yield on the Securities, (b) the Investor's Currency equivalent value of the principal payable on the Securities and (c) the Investor's Currency equivalent market value of the Securities.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

In addition, there is the risk that the Specified Currency is or becomes illiquid and/or subject to currency restrictions including conversion restrictions and exchange controls imposed by authorities with jurisdiction over the Specified Currency. The applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) may determine that payments under the Securities may be made in another currency as the Specified Currency due to certain currency restrictions or the illiquidity of the Specified Currency. In such cases the Securityholders could be exposed to specific risks connected to the currency in which payments are actually made. Investors may also suffer disadvantages and losses due to the circumstance that they do not receive payment in the Specified Currency, e.g. if amounts in the Specified Currency are needed to fulfil own payment obligations in the Specified Currency.

Such currency risks generally depend on factors over which the Issuer and the Securityholder have no control, such as economic and political events and the supply of and demand for the relevant currencies. In recent years, rates of exchange for certain currencies have been highly volatile, and such volatility may be expected to continue in the future. Fluctuations in any particular exchange rate that have occurred in the past are not necessarily indicative, however, of fluctuations in the rate that may occur during the term of any Security.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Securities. Where a Series of Securities is rated, such rating will not necessarily be the same as the rating assigned to the Securities to be issued under the Programme. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Securities. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. Any ratings assigned to Securities as at the date of this Prospectus are not indicative of future performance of the Issuer's business or its future creditworthiness.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating

agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). The list of registered and certified rating agencies published by the European Securities and Markets Authority ("**ESMA**") on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list. Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (a) Securities are legal investments for it, (b) Securities can be used as collateral for various types of borrowing and (c) other restrictions apply to its purchase or pledge of any Securities. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Securities under any applicable risk-based capital or similar rules.

Certain considerations relating to public offers of Securities in Italy

As described in the applicable Final Terms, Securities may be distributed by means of a public offer made during an offer period specified in the applicable Final Terms. During such offer period, the Issuer and/or any other person specified in the applicable Final Terms may reserve the right to cancel such offer and/or to scale back applications for such offer in the event of over-subscription. In such circumstances, an applicant investor may not be issued any Securities or may be issued a number of Securities which is less than the amount for which such applicant investor applied. Any payments made by an applicant investor for Securities that are not issued to such applicant investor for any such reason will be refunded. However, there will be a time lag in making any reimbursement, no interest will be payable in respect of any such amounts. The applicant investor may be subject to reinvestment risk.

Further, investors should note that, in certain circumstances, Securities may not be issued on the originally designated issue date, for example because either the Issuer and/or any other person specified in the applicable Final Terms has reserved the right to postpone such issue date or, following the publication of a supplement to this Prospectus the Issuer has decided to postpone such issue date to allow investors who had made applications to subscribe for Securities before the date of publication of such supplement to exercise their right to withdraw their acceptances. In the event that the issue date is so delayed, no interest shall accrue (if applicable) until the issue date of the Securities and no compensation shall be payable.

CONSENT TO USE THE PROSPECTUS

Each Dealer and/or each further financial intermediary subsequently reselling or finally placing the Securities is – if and to the extent stated in the applicable Final Terms of a particular issue of Securities (the Issuer may give a general consent or consent to one or more specified Dealers and/or financial intermediaries) – entitled to use this Prospectus for the subsequent resale or final placement of the Securities in the offer jurisdictions which may be Luxembourg, Austria, Belgium, Denmark, France, Germany, Ireland, Italy, the Netherlands, Portugal, Spain, Sweden, the United Kingdom of Great Britain and Northern Ireland for the offer period, provided however, that the Prospectus is still valid in accordance with Article 11(2) of the Luxembourg Law relating to prospectuses for securities (*Loi relative aux prospectus pour valeurs mobilières*) which implements Directive 2003/71/EC of the European Parliament and of the Council of 4 November 2003 (as amended). The relevant offer period and offer jurisdictions are specified in the Final Terms. The Issuer accepts responsibility for the information given in this Prospectus and the Final Terms for each tranche of Securities also with respect to such subsequent resale or final placement of the relevant Securities.

The Prospectus may only be delivered to potential investors together with all supplements published before such delivery. Any supplement to the Prospectus is available for viewing in electronic form on the website of the Luxembourg Stock Exchange (www.bourse.lu) and on the website of the Issuer (www.db.com/ir).

When using the Prospectus, each Dealer and/or relevant further financial intermediary must make certain that it complies with all applicable laws and regulations in force in the respective jurisdictions.

In the event of an offer being made by a Dealer and/or a further financial intermediary the Dealer and/or the further financial intermediary shall provide information to investors on the terms and conditions of the Securities at the time of that offer.

Any Dealer and/or further financial intermediary using the Prospectus shall state on its website that it uses the Prospectus in accordance with this consent and the conditions attached to this consent.

The Issuer may at its sole discretion revoke any such consent. Any new information in connection with the consent to use this Prospectus (including the revocation of any such consent) will be published on the website of the Issuer (www.db.com/ir).

GENERAL DESCRIPTION OF THE PROGRAMME

GENERAL

Securities to be issued under the programme

The Programme allows for the issue of Notes and Pfandbriefe (together "**Securities**"). Securities may be issued as Non-Exempt Securities or Exempt Securities. "**Non-Exempt Securities**" means Securities which are to be admitted to trading on a regulated market for the purposes of the Markets in Financial Instruments Directive (Directive 2004/39/EC) and/or offered in the European Economic Area (the "**EEA**") in circumstances where no exemption is available under Article 3.2 of Directive 2003/71/EC (the "**Prospectus Directive**") (as implemented in the relevant Member State(s)) and therefore where a prospectus is required to be published thereunder. "**Exempt Securities**" means Securities which are neither to be admitted to trading on a regulated market in the EEA nor offered in the EEA in circumstances where a prospectus is required to be published under the Prospectus Directive.

Non-Exempt Securities

The following types of Securities may be issued under the Programme as Non-Exempt Securities:

1. **Fixed Rate Securities and Zero Coupon Securities**

If Fixed Rate or Zero Coupon Securities are issued as Notes, the terms and conditions of such Securities are set out in the set of Terms and Conditions for fixed rate Notes and zero coupon Notes ("**Option I**"), as described in more detail under the section "Issue Procedures" on page 69 and "Terms and Conditions" on page 116 and 309. If Fixed Rate or Zero Coupon Notes are issued in registered form and not in bearer form (as described under "Form" below) the terms and conditions of such Securities are formed by both Option I and the Registered Securities Annex set out on page 698. Pfandbriefe cannot be issued in registered form. The other sets of Terms and Conditions available under the Programme, i.e. Options II to V in the case of Fixed Rate or Zero Coupon Notes, and Options I, II, IV and V in the case of Fixed Rate or Zero Coupon Pfandbriefe, respectively, are not relevant for Fixed Rate or Zero Coupon Securities.

2. **Floating Rate Securities**

If Floating Rate Securities are issued as Notes, the terms and conditions of such Securities are set out in the set of Terms and Conditions for floating rate Notes ("**Option II**"), as described in more detail under the section "Issue Procedures" on page 69 and "Terms and Conditions" on page 155 and 354. If Floating Rate Notes are issued in registered form and not in bearer form (as described under "Form" below) the terms and conditions of such Securities are formed by both Option II and the Registered Securities Annex set out on page 698. If Floating Rate Securities are issued as Pfandbriefe, the terms and conditions of such Securities are set out in the set of Terms and Conditions for floating rate Pfandbriefe ("**Option IV**"), as described in more detail under the section "Issue Procedures" on page 69 and "Terms and Conditions" on page 211 and 418. TREND INFORMATION

Statement of No Material Adverse Change

There has been no material adverse change in the prospects of Deutsche Bank since 31 December 2015.

Recent Developments

On 18 October 2015, Deutsche Bank announced that it would fundamentally change its group and leadership structure. At an extraordinary meeting on the same day in Frankfurt, the Supervisory Board of Deutsche Bank resolved to restructure the Bank's business divisions. This was supplemented by a reorganization of executive committees and senior management changes. The Supervisory Board's guiding principle, in light of the Bank's Strategy 2020, was to reduce complexity of the Bank's management structure enabling it to better meet client demands and requirements of supervisory authorities.

The Corporate Banking & Securities (CB&S) business division was a main focus of the organizational restructuring and was split into two business divisions. Effective January 1, 2016, a business division called Corporate & Investment Banking was created by combining the Corporate Finance business in CB&S and Global Transaction Banking (GTB).

CB&S's sales and trading activities were combined in a newly created business division called Global Markets. The name "CB&S" ceased to exist.

Additional changes affected Deutsche Asset & Wealth Management. High net worth clients are served by Private Wealth Management which is run as an independent business unit within the Private & Business Clients business division. Deutsche Asset Management became a stand-alone business division and focuses exclusively on institutional clients and the funds business.

Together with the organizational restructuring there is a broad-based change of key management roles. The Group Executive Committee (GEC) has been abolished, as are ten of the current 16 Management Board committees. Since January 1, 2016, all four core business divisions are represented directly on the Management Board. A ten-person Management Board is supplemented by four General Managers (*Generalbevollmächtigte*).

As of January 1, 2016, Jeff Urwin, former Co-Head of CB&S together with Colin Fan, joined the Management Board. Urwin is responsible for Corporate & Investment Banking. As a result of this reorganization, Stefan Krause, a long-term Management Board member with responsibility for GTB and the Non-Core Operations Unit (NCOU), resigned with effect of October 31, 2015.

Werner Steinmueller remains Head of GTB, and will report to Urwin. He succeeded Krause as Chairman of the Supervisory Board of Postbank AG.

Colin Fan, former Co-Head of CB&S, resigned with effect of October 19, 2015. He was succeeded by Garth Ritchie who is responsible for Global Markets on the Management Board as of January 1, 2016. Ritchie was formerly Head of Equities.

Quintin Price, most recently Global Executive Committee member and Head of Alpha Strategies at BlackRock, took on Management Board responsibility for Deutsche Asset Management as of January 1, 2016. Michele Faissola, Head of Deutsche Asset & Wealth Management, will leave the Bank after a transition period.

Christian Sewing, Head of Private & Business Clients, also assumed responsibility for high net worth clients on the Management Board. Fabrizio Campelli, former Head of Group Strategy, runs this business and reports to Sewing.

With effect of October 31, 2015, Stephan Leithner had requested to resign as a member of the Management Board in order to assume a new role in the private equity industry. The Supervisory Board accepted his request.

Leithner was CEO Europe and was responsible for Human Resources, Government & Regulatory Affairs (GRAD), and Anti-Financial Crime on the Management Board.

Krause's and Leithner's Management Board responsibilities have been divided as follows:

Sylvie Matherat, former Head of Government & Regulatory Affairs at Deutsche Bank and a former Member of the Board of Directors of Banque de France, became Chief Regulatory Officer and assumed Management Board responsibility for Regulation, Compliance and Anti-Financial Crime. The General Manager (*Generalbevollmächtigte*) Nadine Faruque, who is Global Head of Compliance, reports to Matherat.

Karl von Rohr, former Chief Operating Officer for global Regional Management, became Chief Administrative Officer and assumed Management Board responsibility for Corporate Governance, Human Resources, and Legal. In his new position, he also became Labour Relations Director (*Arbeitsdirektor*) of Deutsche Bank. Legal was formerly represented on the Management Board by Co-Chief Executive Officer John Cryan.

Cryan assumed Management Board responsibility for the NCOU.

Separately, Kim Hammonds, Global Chief Information Officer and Co-Head of Group Technology & Operations at Deutsche Bank and formerly Chief Information Officer (CIO) of Boeing, became Chief Operating Officer. She oversees the re-engineering of the Bank's information technology (IT) systems and operations. To acquire the relevant experience in credit assessment in accordance with the German Banking Act (KWG), Hammonds started her role as General Manager (*Generalbevollmächtigte*) at the beginning of 2016. She is expected to join the Management Board in no later than one year.

Henry Ritchotte, former Chief Operating Officer, left the Management Board at the end of 2015 and will set up a new digital bank for Deutsche Bank. The Management Board will communicate further details about this project at a later point in time.

In addition to Faruque and Hammonds, Jacques Brand became a General Manager (*Generalbevollmächtigte*) reporting to the Co-CEOs John Cryan and Juergen Fitschen, with effect of November 1, 2015. Brand was formerly Chief Executive Officer for North America and will become Chairman of the newly created Intermediate Holding Company for the US business. Fitschen will remain responsible for global Regional Management.

On 28 December 2015, Deutsche Bank announced that it has agreed to sell its entire 19.99% stake in Hua Xia Bank to PICC Property and Casualty Company Limited for a consideration of RMB 23.0 to 25.7bn subject to final price adjustment at closing (approximately EUR 3.2 to 3.7 billion, based on current exchange rates). The completion of the transaction is subject to customary closing conditions and regulatory approvals including that of the China Banking Regulatory Commission. The sale will have a positive financial impact and, on a pro-forma basis, would have improved Deutsche Bank's Common Equity Tier 1 capital ratio (CRR/CRD 4 fully loaded) as of 30 September 2015 by approximately 30-40 basis points.

On 8 February 2016, based on preliminary and unaudited figures, Deutsche Bank published updated information relating to its capacity to pay in 2016 and 2017 coupons on its Additional Tier 1 (AT1) notes. The 2016 payment capacity is estimated to be approximately EUR 1 billion, sufficient to pay AT1 coupons of approximately EUR 0.35 billion on 30 April 2016. The estimated pro-forma 2017 payment capacity is approximately EUR 4.3 billion before impact from 2016 operating results. This is driven in part by an expected positive impact of approximately EUR 1.6 billion from the completion of the sale of 19.99% stake in Hua Xia Bank and further HGB 340e/g reserves of approximately EUR 1.9 billion available to offset future losses. The final AT1 payment capacity will depend on 2016 operating results under German GAAP (HGB) and movements in other reserves.

On 23 February 2016, Deutsche Bank announced the successful completion of the tender offer to repurchase up to EUR 3 billion of five Euro-denominated issues of senior unsecured debt securities. Against the spread / price targets communicated on 12 February 2016, Deutsche Bank decided to further increase the purchase price by 1.50-2.60 percentage points or respectively lower the spreads by 20-25 bps at which it accepts bonds within this tender offer. The resulting accepted total volume amounts to EUR 1.27 billion of the total tendered amount of EUR 1.75 billion. Securities with a notional value of EUR 0.48 billion were tendered at levels tighter than the final purchase spreads / higher than the final purchase prices and were not accepted. The tender offer had been announced on 12 February 2016. With this transaction, Deutsche Bank managed its overall wholesale funding

levels and simultaneously provided liquidity to holders of the debt securities listed in the tender offer. Deutsche Bank expects to record a positive income in the first quarter of 2016 related to this transaction of approximately EUR 40 million.

On 25 February 2016, Deutsche Bank announced that it had been informed by the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht or "**BaFin**") that it has closed several major special audits of the Bank. The special audits include those on interbank offered rates (IBOR), Monte dei Paschi di Siena and precious metals. Accordingly, BaFin does not see the need to take further action against the Bank or former and current members of the Management Board with respect to the closed special audits. The regulator cited the changes already implemented and further measures already taken or planned by the Bank as reasons for this decision.

On 14 March 2016, Deutsche Bank announced the successful completion of the tender offers to repurchase up to EUR 3 billion of five euro-denominated and up to USD 2 billion of eight US dollar-denominated senior unsecured debt securities. Deutsche Bank had launched the tender offers on 12 February 2016. The two tender offers resulted in a repurchase of euro-denominated bonds with a notional value of EUR 1.27 billion and of US dollar-denominated bonds with a notional value of USD 0.74 billion, equating to a total volume of EUR 1.94 billion. During the last ten working days of the offer period for US dollar-denominated bonds investors tendered securities with a notional value of less than USD 1 million US dollars. Deutsche Bank expects to record a gain in the first-quarter 2016 of approximately EUR 55 million from the repurchase of the securities.

On 15 April 2016, Deutsche Bank announced that it has reached an agreement with Macquarie Infrastructure Partners III ("**MIP III**"), a fund managed by Macquarie Infrastructure and Real Assets ("**MIRA**"), to sell Maher Terminals USA, LLC, a 454-acre multi-user container terminal in Port Elizabeth, New Jersey. Under the transaction, MIP III has agreed to acquire 100% of Maher Terminals USA, LLC. This is subject to Port Authority and other regulatory approvals. Terms of the transaction were not disclosed, but are not expected to have a material impact on Deutsche Bank's financials. Maher Terminals in New Jersey currently moves more than 2 million twenty-foot-equivalent containers per year and provides a vital transport link between land and water for the global marketplace. Since acquiring the asset in 2007, Deutsche Bank has managed this vital transport link through the financial crisis and recovery. This is a legacy asset held within the Bank's Non-Core Operations Unit (NCOU). In 2015, Deutsche Bank sold Maher Terminals' Canadian operations Fairview Container Terminal in Prince Rupert, British Columbia, to DP World.

In order to highlight the financial objectives of Strategy 2020, financial targets were announced by the Deutsche Bank Group. The most important financial Key Performance Indicators (KPIs) of the Group are detailed in the table below.

Note: Comparison of the KPIs with prior year plan/forecast not meaningful, as in 2015 a new strategy was formulated.

¹ The CRR/CRD 4 fully loaded Common Equity Tier 1 ratio represents Deutsche Bank's calculation of its Common Equity Tier 1 ratio without taking into account the transitional provisions of CRR/CRD 4.

² Based on Net Income attributable to Deutsche Bank shareholders. Calculation is based on an effective tax rate of 59 % for three months ended March 31, 2016.

³ Total noninterest expense excluding restructuring & severance, litigation, impairment of goodwill and other intangibles and policyholder benefits and claims.

⁴ Total noninterest expenses as a percentage of total net interest income before provision for credit losses plus noninterest income.

⁵ Excluding expected regulatory inflation.

⁶ In line with the Management Board's decision not to propose any dividend on common stock for the fiscal year 2016; subject to no-objection by the ECB Governing Council.

Within its strategic plan, Deutsche Bank used underlying foreign exchange rates of EUR/USD at 1.07 and EUR/GBP at 0.72 in setting the financial targets for 2018 and 2020.

For 2016, Deutsche Bank expects revenues to be impacted by the low interest rate environment and challenging trading conditions. In addition, the impact of restructuring activities across country, client and product portfolio reductions are likely to impact the Bank's revenue generation capacity. However, at the same time the Bank will be investing into growth areas of Transaction Banking, Asset Management, Wealth Management and Equities. The Bank expects the majority of its restructuring costs to be incurred by the end of 2016 with restructuring activities to be mostly completed in 2017. The Bank's total costs will continue to be burdened by litigation and restructuring charges in 2016.

Capital management remains focused on keeping the CRR/CRD 4 fully loaded Common Equity Tier 1 capital ratio (CET 1 ratio) on track to reach the Strategy 2020 target level of minimum 12.5 % by 2018. In 2016, Deutsche Bank expects the fully loaded CET 1 ratio to remain broadly flat so that the Bank would remain capitalized above regulatory minimum and SREP requirements. The Bank expects CET 1 capital to be impacted by restructuring cost, litigation, and NCOU de-risking.

Over 2016, risk-weighted assets are expected to decrease driven by the planned acceleration of the Bank's NCOU de-risking program, offset by the increase of Operational Risk related risk-weighted assets.

In order to support the Bank's overall capitalization, the Management Board proposed to the Supervisory Board to recommend no common share dividend for the fiscal years 2015 and 2016. In its Strategy 2020 announcement, Deutsche Bank articulated that it aspires to pay a competitive common share dividend payout ratio in the medium term.

The Bank stays committed to reaching a fully loaded CRR/CRD 4 Leverage Ratio of at least 4.5 % in 2018 and at least 5 % in 2020 per Strategy 2020. In 2016, the Bank will continue its active CRD 4 exposure management. The CRR/CRD 4 Leverage Ratio is expected to remain broadly flat in 2016.

2016 will be a year of focused Strategy 2020 implementation. Deutsche Bank expects restructuring and severance expenses of approximately EUR 1 billion, a continued burden from litigation, continued pressure from regulatory induced costs, bank levy charges and challenging market conditions. The Bank is committed to work towards its target of 10 % Post-tax Return on Average Tangible Equity, when Strategy 2020 is to be fully implemented. The measures planned for implementation in 2016, whilst a burden in this year, are key elements to progress towards that target. Overall the Bank expects a partial improvement of its Post-tax Return on Average Tangible Equity in 2016.

Achieving a structurally affordable cost base is one of Deutsche Bank's top priorities. The Bank remains committed to its "Strategy 2020" target of an adjusted cost base of less than EUR 22 billion and a cost-income ratio of approximately 70 % by 2018. However, 2016 will remain a difficult year for the Bank as it will take some time for its restructuring program to become visible in the cost base. The Bank intends to continue to further

identify cost savings and efficiencies, but at the same time it will invest in technology and regulatory compliance programs, and it will face higher costs from software amortization. The Bank therefore expects its adjusted costs to be broadly flat in 2016 compared to 2015 on a constant FX basis. In addition, the Bank's total costs will continue to be burdened by litigation and restructuring charges in 2016. As a result the Bank expects its cost-income ratio to improve, but remain at an elevated level in 2016 as the Bank also expects challenges on the revenue side driven by the low interest rate environment, market driven uncertainties and strategic decisions like KYC enhancements and high risk country exits.

By the nature of its business, Deutsche Bank is involved in litigation, arbitration and regulatory proceedings and investigations in Germany and in a number of jurisdictions outside Germany, especially in the U.S. Such matters are subject to many uncertainties. While the Bank has resolved a number of important legal matters and made progress on others, it expects the litigation and enforcement environment to continue to be challenging, and could impact the achievement of the above described expectations regarding its performance.

The Business Segments

The following paragraphs contain the outlook of Deutsche Bank's business segments in the new organizational set-up.

For Global Markets (GM), the Bank expects the business environment to remain challenging, albeit with some improvement in the second half of the year 2016. In Debt Sales & Trading, it expects industry revenues to decline in 2016 versus 2015 levels, driven by an uncertain market environment leading to lower client activity. Equity Sales & Trading revenues for the industry are also expected to be lower for the year versus a very strong 2015. Ongoing risks and uncertainties include exposure of global macroeconomic growth to event risks, evolution of central bank policies, the impact of low oil prices on the energy sector and ongoing regulatory developments. Additionally, financial market turbulence, lower client activity, ongoing regulatory pressure, continued pressure on resources, Strategy 2020 execution, e.g. EM Debt hubbing and exiting high risk weight securitized trading, KYC enhancements and litigation charges continue to pose headwinds. However, despite challenging market conditions, Deutsche Bank believes that continued implementation of Strategy 2020 will position it favorably to face potential challenges and capitalize on future opportunities.

For Corporate & Investment Banking (CIB), the business environment is expected to remain challenging with negative rates in key markets, volatile market conditions, the impact of low oil prices on the energy sector, ongoing regulatory pressures and the potential impact of geopolitical events putting downward pressure on the Bank's business. The Bank expects continued global economic growth in 2016 albeit at the lowest rates since the financial crisis in 2008. Differences in regional growth rates are expected to result in increasing divergence in monetary policy.

In 2016, CIB is focused on continuing to enhance and refine Deutsche Bank's client franchise while improving the soundness and stability of its business model. The Bank's client relationships remain a key priority, with the target of being a top three bank for its key corporate clients. This comprises shifting resources to higher returning products and relationships while rationalizing lower return and higher risk clients. The Bank will continue to strengthen its processes and IT platforms, while maintaining strict risk, cost and capital discipline to further enhance the resilience and soundness of its business model. Finally for 2016, CIB will continue to focus on regulatory compliance, KYC and Client on-boarding process enhancements, control and conduct along with system stability in order to provide a strong foundation for future growth of CIB.

Private, Wealth & Commercial Clients (PW&CC) pursues a strategy of creating a leading, digitally enabled advisory bank with a strong focus on growth in Private Banking, Commercial Banking and Wealth Management. The Bank's objectives include the provision of seamless client coverage with a distinct Private Banking and Wealth Management approach in Germany, a strengthened European presence, expansion of services to Ultra High Net Worth clients in Asia, the Americas and the Middle East, and a focus on entrepreneurs in Germany and across Europe. Furthermore, the Bank expects to realize synergies to improve efficiency in product offering, digital investment, operations, overhead and support functions. Additionally, the Bank seeks to improve capital efficiency by further strengthening advisory capabilities and putting less emphasis on capital intensive products. In line with the changing behavior of its clients, Deutsche Bank aims to sharpen its distribution model by strengthening its omni-channel capabilities with additional investments into its digital offerings and by closing around 200 branches in Germany. The completion of the Hua Xia sales transaction, which is anticipated in the

mid-year, is subject to customary closing conditions and regulatory approvals, including that of the China Banking Regulatory Commission.

For the remainder of 2016, Deutsche Bank expects revenues from deposit products to continue to suffer from the low interest rate environment while revenues from credit products are expected to slightly grow, reflecting continued customer demand as well as the Bank's strategy to selectively expand its loan book. The Bank will also continue its focus on investment and insurance products but revenue dynamics in this business continue to be highly dependent on the impact of the current challenging macroeconomic environment on customer confidence. Loan loss provisions were on very low levels and benefited in the first quarter 2016 from portfolio sales, so that the Bank expects an increased level in the remaining quarters of 2016. Both the revenues and noninterest expenses of the Bank could be impacted by further regulatory requirements. In addition, noninterest expenses in 2016 will continue to include charges and investment spend related to the execution of the above-mentioned transformation measures.

In Deutsche Asset Management (Deutsche AM), Deutsche Bank anticipates continuing volatility in markets following the turbulent investment environment of the first quarter of 2016. A broad return in asset prices to year end levels combined with more accommodative signals from central banks have brought some reassurance to investors, but confidence in global market stability remains fragile. These challenging conditions underline the importance of the Bank's role as a trusted partner and solutions provider to its clients.

First quarter of 2016 market impact on asset prices, combined with net outflows, will negatively impact full year 2016 revenues as a result of lower recurring management fees. The Bank expects a continued shift in investor preference for beta (passive) product and alternative investments and is well positioned as one of the largest providers of investment capability in these areas. The Bank also intends to grow its investment capability in the traditional investment space to focus on multi-asset and a solutions oriented approach, another growing trend in the industry. However, market conditions have further heightened existing pressure on industry economics, already challenged by margin compression and competition and could present challenges for further growth in revenue and profitability. The Bank will seek to reduce its cost base from existing efficiency measures, as well as taking additional steps to simplify its geographic and operational footprint. Throughout this period, the Bank continues working to enhance its platform and control environment.

For Postbank (PB), Deutsche Bank expects total net revenues generated by its business to increase in 2016 compared to 2015 figures, primarily driven by an improvement in Postbank's NCOU. Due to the continued low interest rate environment Deutsche Bank expects a decrease in net revenues in Savings and Current Accounts, while its strong growth in new lending business should lead to an increase in Loans net revenues. Deutsche Bank expects a marked improvement in Postbank's NCOU net revenues, driven by the reduction in negative net revenues from maturing high-interest liabilities and lack of negative one-off effects compared to the previous year quarter. Investment & Insurance Products as well as Other should show smaller increases in net revenues while Deutsche Bank expects a flat development for Postal.

Deutsche Bank's main efforts include improving its efficiency, strengthening and broadening its lending profile and investing in digitalization. The Bank will in addition initiate strategic measures to further foster a positive operational performance. Despite these efforts the low interest rate levels as well as increasing regulatory requirements may continue to adversely impact the Bank's profitability.

In terms of investments Deutsche Bank plans to modify the focus in 2016. The Bank expects the majority of investments related to the preparation of the separation of Postbank from Deutsche Bank in 2016. While Deutsche Bank will continue to invest in measures to adapt to and comply with regulatory requirements, it also plans to shift its overall investment focus to heighten its competitiveness.

The Non-Core Operations Unit (NCOU) will focus on reducing leverage and risk-weighted assets with an ambition to materially unwind the remaining positions by the end of 2016, such that residual risk-weighted assets are less than EUR 10 billion in aggregate. Challenges in the overall market environment may impact the execution of NCOU's strategy, specifically in terms of the associated timeline and financial impact. This uncertainty covers a number of factors that can impact the de-risking activity, however the Bank expects this accelerated wind down to be accretive to the Group's capital ratios. In addition, the Bank expects the litigation and enforcement environment to remain challenging for the foreseeable future.

Legal and Arbitration Proceedings

As a result, Deutsche Bank Group is involved in litigation, arbitration and regulatory proceedings and investigations in Germany and in a number of jurisdictions outside Germany, including the United States, arising in the ordinary course of business.

Charter/BMY Matter

On 8 December 2014, the United States Department of Justice ("**DOJ**") filed a civil complaint against, among others, Deutsche Bank, alleging that the bank owes more than U.S.\$ 190 million in taxes, penalties, and interest relating to two transactions that occurred between March and May 2000. The DOJ's complaint arises out of Deutsche Bank's March 2000 acquisition of Charter Corp. ("**Charter**") and its subsequent sale in May 2000 of Charter to an unrelated entity, BMY Statutory Trust (the "**Trust**"). Charter's primary asset, both at the time of purchase by Deutsche Bank and sale to the Trust, was appreciated Bristol-Myers Squibb Company ("**BMY**") stock. When the BMY stock was sold by the Trust, the Trust offset its gain with a loss from an unrelated transaction. The Internal Revenue Service subsequently disallowed the loss on audit exposing the BMY gain to taxation. The IRS assessed additional tax, penalties and interest against the Trust, which have not been paid. Relying on certain theories, including fraudulent conveyance, the DOJ is now seeking to recoup from Deutsche Bank the taxes, plus penalties and interest, owed by the Trust. On 24 September 2015, the court denied Deutsche Bank's motion to dismiss.

Corporate Securities Matters

Deutsche Bank and Deutsche Bank Securities Inc. ("**DBSI**") regularly act in the capacity of underwriter and sales agent for debt and equity securities of corporate issuers and are from time to time named as defendants in litigation commenced by investors relating to those securities.

Deutsche Bank and DBSI, along with numerous other financial institutions, was sued in the United States District Court for the Southern District of New York in various actions in their capacity as underwriters and sales agents for debt and equity securities issued by American International Group, Inc. ("**AIG**") between 2006 and 2008. The complaint alleged, among other things, that the offering documents failed to reveal that AIG had substantial exposure to losses due to credit default swaps, that AIG's real estate assets were overvalued, and that AIG's financial statements did not conform to GAAP. On 20 March 2015, the court approved a settlement, funded by AIG, and releasing Deutsche Bank and DBSI from all claims.

DBSI, along with numerous other financial institutions, was named as a defendant in a putative class action lawsuit pending in the United States District Court for the Southern District of New York relating to alleged misstatements and omissions in the registration statement of General Motors Company ("**GM**") in connection

with GM's 18 November 2010 initial public offering ("**IPO**"). DBSI acted as an underwriter for the offering. On 4 September 2014, the court dismissed all of the plaintiffs' claims with prejudice. The court also denied plaintiffs' request for leave to further amend the complaint. On 28 May 2015, the Second Circuit affirmed the dismissal, and on 9 July 2015 the Second Circuit denied en banc review of plaintiffs' appeal. The time allowed for plaintiffs to further appeal has expired. The underwriters, including DBSI, received a customary indemnification agreement from GM as issuer in connection with the offering.

CO2 Emission Rights

The Frankfurt am Main Office of Public Prosecution (the "**OPP**") is investigating alleged value-added tax (VAT) fraud in connection with the trading of CO2 emission rights by certain trading firms, some of which also engaged in trading activity with Deutsche Bank. The OPP alleges that certain employees of Deutsche Bank knew that their counterparties were part of a fraudulent scheme to avoid VAT on transactions in CO2 emission rights, and it searched Deutsche Bank's head office and London branch in April 2010 and issued various requests for documents. In December 2012, the OPP widened the scope of its investigation and again searched Deutsche Bank's head office. It alleges that certain employees deleted e-mails of suspects shortly before the 2010 search and failed to issue a suspicious activity report under the Anti-Money Laundering Act which, according to the OPP, was required. It also alleges that Deutsche Bank filed an incorrect VAT return for 2009, which was signed by two members of the Management Board, and incorrect monthly returns for September 2009 to February 2010. Deutsche Bank is cooperating with the OPP. On 15 February 2016, a criminal trial began in the Frankfurt regional court of seven current and former Deutsche Bank employees who are accused of VAT evasion or of aiding and abetting VAT evasion due to their involvement in CO2 emissions trading. The trial is ongoing and hearing dates are currently scheduled until the end of May 2016.

Credit Correlation

On 26 May 2015, the U.S. Securities and Exchange Commission (SEC) issued a cease and desist order in a settled administrative proceeding against Deutsche Bank AG. The matter related to the manner in which Deutsche Bank valued "gap risk" associated with certain Leveraged Super Senior (LSS) synthetic CDO positions during the fourth quarter of 2008 and the first quarter of 2009, which was the height of the financial crisis. Gap risk is the risk that the present value of a trade could exceed the value of posted collateral. During the two quarters at issue, Deutsche Bank did not adjust its value of the LSS trades to account for gap risk, essentially assigning a zero value for gap risk. The SEC found that although there was no standard industry model to value gap risk and the valuation of these instruments was complex, Deutsche Bank did not reasonably adjust the value of the LSS trades for gap risk during these periods, resulting in misstatements of its financial statements for the two quarters at issue. The SEC also found that Deutsche Bank failed to maintain adequate systems and controls over the valuation process. The SEC found violations of Sections 13(a) (requirement to file accurate periodic reports with the SEC), 13(b)(2)(A) (requirement to maintain accurate books and records), and 13(b)(2)(B) (requirement to maintain reasonable internal accounting controls) of the U.S. Securities Exchange Act of 1934. Deutsche Bank paid a U.S.\$ 55 million penalty, for which it had previously recorded a provision, and neither admitted nor denied the findings.

Credit Default Swap Antitrust Investigations and Litigation

As previously disclosed, on 1 July 2013, the European Commission (EC) issued a Statement of Objections (the "**SO**") against Deutsche Bank, Markit Group Limited (Markit), the International Swaps and Derivatives Association, Inc. (ISDA), and twelve other banks alleging anti-competitive conduct under Article 101 of the Treaty on the Functioning of the European Union (TFEU) and Article 53 of the European Economic Area Agreement (the "**EEA Agreement**"). The SO alleged that attempts by certain entities to engage in exchange trading of unfunded credit derivatives were foreclosed by improper collective action in the period from 2006 through 2009, which constituted a single and continuous infringement of Article 101 of the TFEU and Article 53 of the EEA Agreement. Deutsche Bank contested the EC's preliminary conclusions during 2014 and on 4 December 2015, the EC announced the closure without action of its investigation of Deutsche Bank and the twelve other banks (but not Markit or ISDA).

A multi-district civil class action was filed in the U.S. District Court for the Southern District of New York against Deutsche Bank and numerous other credit default swap (CDS) dealer banks, as well as Markit and ISDA. Plaintiffs filed a second consolidated amended class action complaint on 11 April 2014 alleging that the banks

conspired with Markit and ISDA to prevent the establishment of exchange-traded CDS, with the effect of raising prices for over-the-counter CDS transactions. Plaintiffs represent a class of individuals and entities located in the United States or abroad who, during a period from 1 January 2008 through 31 December 2013, directly purchased CDS from or directly sold CDS to the dealer defendants in the United States. The second amended class action complaint did not specify the damages sought. Defendants moved to dismiss the second consolidated amended class action complaint on 23 May 2014. On 4 September 2014, the court granted in part and denied in part the motion to dismiss. On 30 September 2015, Deutsche Bank executed a settlement agreement to resolve the matter for U.S.\$ 120 million, which the court approved on 15 April 2016.

Dole Food Company

DBSI and Deutsche Bank AG New York Branch ("**DBNY**") were named as co-defendants in a class action pending in Delaware Court of Chancery that was brought by former stockholders of Dole Food Company, Inc. ("**Dole**"). Plaintiffs alleged that defendant David H. Murdock and certain members of Dole's board and management (who are also named as defendants) breached their fiduciary duties, and that DBSI and DBNY aided and abetted in those breaches, in connection with Mr. Murdock's privatization of Dole, which closed on 1 November 2013 (the "**Transaction**"). Trial in this matter concluded on 9 March 2015. On 27 August 2015, the court issued its post-trial decision, which found that (i) DBSI and DBNY were not liable for aiding and abetting breaches of fiduciary duties, and (ii) Mr. Murdock and Dole's former President, Michael Carter, breached their fiduciary duties to Dole's stockholders, holding them responsible for damages of approximately U.S.\$ 148 million, prior to the application of interest.

On 7 December 2015, Mr. Murdock and the plaintiffs filed with the court a stipulation of settlement, pursuant to which, among other things, (i) Mr. Murdock agreed to make a payment of damages to Dole's stockholders consistent with the court's decision and (ii) the defendants in the litigation will receive a release from liability with respect to the Transaction, including DBSI and DBNY. In filings dated 25 and 27 January 2016, three purported Dole stockholders objected to the settlement, although two of the three subsequently withdrew their objections. The remaining objector asserted that stockholders who sold their Dole shares after the announcement of the Transaction on 10 June 2013 but prior to the closing of the Transaction on 1 November 2013 should be considered part of the class for purposes of distributing the settlement proceeds. A fairness hearing took place on 10 February 2016 to determine whether the court would approve the stipulation of settlement. At the hearing on 10 February 2016, the court approved the settlement and entered a final order terminating the litigation.

Esch Funds Litigation

Sal. Oppenheim jr. & Cie. AG & Co. KGaA ("**Sal. Oppenheim**") was prior to its acquisition by Deutsche Bank in 2010 involved in the marketing and financing of participations in closed end real estate funds. These funds were structured as Civil Law Partnerships under German law. Usually, Josef Esch Fonds-Projekt GmbH performed the planning and project development. Sal. Oppenheim held an indirect interest in this company via a joint-venture. In relation to this business a number of civil claims have been filed against Sal. Oppenheim. Some but not all of these claims are also directed against former managing partners of Sal. Oppenheim and other individuals. The claims brought against Sal. Oppenheim relate to investments of originally approximately € 1.1 billion. After certain claims have either been dismissed in court or were settled to the effect that no further action will be taken, claims relating to investments of originally approximately € 500 million are still pending. Currently, the aggregate amounts claimed in the pending proceedings are approximately € 640 million. The investors are seeking to unwind their fund participation and to be indemnified against potential losses and debt related to the investment. The claims are based in part on an alleged failure of Sal. Oppenheim to provide adequate information on related risks and other material aspects important for the investors' decision. Based on the facts of the individual cases, some courts have decided in favor and some against Sal. Oppenheim. Appeals are pending. The Group has recorded provisions and contingent liabilities with respect to these cases but has not disclosed the amounts thereof because it has concluded that such disclosure can be expected to prejudice seriously their outcome.

EVAF Matter

RREEF European Value Added Fund I, L.P. (the "**Fund**") is a fund managed by Deutsche Bank's subsidiary, Deutsche Alternative Asset Management (UK) Limited (the "**Manager**"). On 4 September 2015, the Fund (acting through a committee of independent advisers of the General Partner of the Fund, which is also a

Deutsche Bank subsidiary) filed (in the English High Court) a claim against the Manager claiming that the Manager's decision to make a German real estate investment had been grossly negligent and had caused the Fund losses of at least € 158.9 million (plus interest), for which the Manager was liable in damages. A trial in relation to this matter has been scheduled to commence in June 2017.

FX Investigations and Litigations

Deutsche Bank has received requests for information from certain regulatory and law enforcement agencies globally who are investigating trading in, and various other aspects of, the foreign exchange market. Deutsche Bank is cooperating with these investigations. Relatedly, Deutsche Bank is conducting its own internal global review of foreign exchange trading and other aspects of its foreign exchange business.

Deutsche Bank also has been named as a defendant in multiple putative class actions brought in the U.S. District Court for the Southern District of New York alleging antitrust and U.S. Commodity Exchange Act claims relating to the alleged manipulation of foreign exchange rates. The complaints in the class actions do not specify the damages sought. On 28 January 2015, the federal court overseeing the class actions granted the motion to dismiss with prejudice in two actions involving non-U.S. plaintiffs while denying the motion to dismiss in one action involving U.S. plaintiffs then pending. Additional actions have been filed since the court's 28 January 2015 order. There are now three actions pending. The pending consolidated action is brought on behalf of a putative class of over-the-counter traders and a putative class of central-exchange traders, who are domiciled in or traded in the United States or its territories, and alleges illegal agreements to restrain competition with respect to and to manipulate both benchmark rates and spot rates, particularly the spreads quoted on those spot rates; the complaint further alleges that those supposed conspiracies, in turn, resulted in artificial prices on centralized exchanges for foreign exchange futures and options. A second action tracks the allegations in the consolidated action and asserts that such purported conduct gave rise to, and resulted in a breach of, defendants' fiduciary duties under the U.S. Employment Retirement Income Security Act of 1974 (ERISA). The third putative class action was filed in the same court on 21 December 2015, by Axiom Investment Advisors, LLC alleging that Deutsche Bank rejected FX orders placed over electronic trading platforms through the application of a function referred to as "**Last Look**" and that these orders were later filled at prices less favorable to putative class members. Plaintiff has asserted claims for breach of contract, quasi-contractual claims, and claims under New York statutory law. Deutsche Bank has moved to dismiss the consolidated and Last Look actions and intends to move to dismiss the ERISA action in its entirety. The motion to dismiss in the ERISA action is due 19 May 2016. Discovery has commenced in all three actions.

Deutsche Bank also has been named as a defendant in two Canadian class proceedings brought in the provinces of Ontario and Quebec. Filed on 10 September 2015, these class actions assert factual allegations similar to those made in the consolidated action in the United States and seek damages pursuant to the Canadian Competition Act as well as other causes of action.

The Group has not disclosed whether it has established a provision or contingent liability with respect to these matters because it has concluded that such disclosure can be expected to prejudice seriously their outcome.

High Frequency Trading/Dark Pool Trading

Deutsche Bank has received requests for information from certain regulatory authorities related to high frequency trading and the operation of Deutsche Bank's alternative trading system ("**ATS**" or "**Dark Pool**"), SuperX. The Bank is cooperating with these requests. The Group has recorded a provision with respect to this matter. The Group has not disclosed the amount of this provision because it has concluded that such disclosure can be expected to prejudice seriously the outcome of this matter.

Deutsche Bank was initially named as a defendant in putative class action complaints alleging violations of U.S. securities laws related to high frequency trading, but in their consolidated amended complaint filed 2 September 2014, the plaintiffs did not include Deutsche Bank as a defendant.

Interbank Offered Rates Matters

Regulatory Enforcement Matters. Deutsche Bank has received subpoenas and requests for information from various regulatory and law enforcement agencies in Europe, North America and Asia/Pacific, including various

U.S. state attorneys general, in connection with industry-wide investigations concerning the setting of the London Interbank Offered Rate (LIBOR), Euro Interbank Offered Rate (EURIBOR), Tokyo Interbank Offered Rate (TIBOR) and other interbank offered rates. Deutsche Bank is cooperating with these investigations.

As previously reported, Deutsche Bank reached a settlement with the European Commission on 4 December 2013 as part of a collective settlement to resolve the European Commission's investigations in relation to anticompetitive conduct in the trading of Euro interest rate derivatives and Yen interest rate derivatives. Under the terms of the settlement agreement, Deutsche Bank agreed to pay € 725 million in total. This fine has been paid in full and does not form part of the Bank's provisions.

Also as previously reported, on 23 April 2015, Deutsche Bank entered into separate settlements with the U.S. Department of Justice (DOJ), the U.S. Commodity Futures Trading Commission (CFTC), the U.K. Financial Conduct Authority (FCA), and the New York State Department of Financial Services (NYSDFS) to resolve investigations into misconduct concerning the setting of LIBOR, EURIBOR, and TIBOR. Under the terms of these agreements, Deutsche Bank agreed to pay penalties of U.S.\$ 2.175 billion to the DOJ, CFTC and NYSDFS and GBP 226.8 million to the FCA. These fines have been paid in full and do not form part of the Bank's provisions, save for U.S. \$150 million that is payable to the DOJ following the sentencing of DB Group Services (UK) Ltd. as described below. The agreements also contained provisions requiring various undertakings with respect to Deutsche Bank's benchmark rate submissions in the future, as well as provisions requiring the appointment of independent corporate monitors. Deutsche Bank was also required to take further disciplinary action against certain employees who were working at the Bank at the time of the agreements.

As part of the resolution with the DOJ, Deutsche Bank entered into a Deferred Prosecution Agreement with a three-year term pursuant to which it agreed (among other things) to the filing of a two-count criminal Information in the U.S. District Court for the District of Connecticut charging Deutsche Bank with one count of wire fraud and one count of price-fixing, in violation of the Sherman Act. As part of the agreement, DB Group Services (UK) Ltd. (an indirectly held, wholly-owned subsidiary of Deutsche Bank) entered into a Plea Agreement with the DOJ, pursuant to which the company pled guilty to a one-count criminal Information filed in the same court and charging the company with wire fraud. Deutsche Bank has made provision for a U.S.\$ 150 million fine, which (subject to court approval) is expected to be paid by Deutsche Bank pursuant to the Plea Agreement within ten business days of when DB Group Services (UK) Ltd. is sentenced. (The U.S.\$ 150 million fine is included in the U.S.\$ 2.175 billion in total penalties referenced in the immediately preceding paragraph.) DB Group Services (UK) Ltd. currently has a sentencing date of 7 October 2016.

As reported above, Deutsche Bank is subject to an inquiry by a working group of U.S. state attorneys general in relation to the setting of LIBOR, EURIBOR, and TIBOR. The Bank continues to cooperate with the U.S. state attorneys generals' inquiry.

Other regulatory investigations of Deutsche Bank concerning the setting of various interbank offered rates remain ongoing, and Deutsche Bank remains exposed to further regulatory action. The Group has recorded provisions with respect to certain of the regulatory investigations. The Group has not disclosed the amount of such provisions because it has concluded that such disclosure can be expected to prejudice seriously the outcome of these regulatory investigations.

Overview of Civil Litigations. Deutsche Bank is party to 46 civil actions concerning alleged manipulation relating to the setting of various Interbank Offered Rates which are described in the following paragraphs. Most of the civil actions, including putative class actions, are pending in the U.S. District Court for the Southern District of New York (SDNY), against Deutsche Bank and numerous other defendants. All but five of the civil actions were filed on behalf of parties who allege losses as a result of manipulation relating to the setting of U.S. dollar LIBOR. The five civil actions pending against Deutsche Bank that do not relate to U.S. dollar LIBOR are also pending in the SDNY, and include two actions concerning Yen LIBOR and Euroyen TIBOR, one action concerning EURIBOR, one consolidated action concerning Pound Sterling (GBP) LIBOR and one action concerning Swiss franc (CHF) LIBOR.

With one exception, all of the civil actions pending in the SDNY concerning U.S. dollar LIBOR are being coordinated as part of a multidistrict litigation (the "**U.S. dollar LIBOR MDL**"). There is one non-MDL class action concerning U.S. dollar LIBOR that was dismissed and for which an appeal is pending in the U.S. Court of Appeals for the Ninth Circuit.

Claims for damages for all 46 of the civil actions discussed have been asserted under various legal theories, including violations of the U.S. Commodity Exchange Act (CEA), federal and state antitrust laws, the U.S. Racketeer Influenced and Corrupt Organizations Act (RICO), and other federal and state laws. In all but five cases, the amount of damages has not been formally articulated by the plaintiffs. The five cases that allege a specific amount of damages are individual actions consolidated in the U.S. dollar LIBOR MDL and seek a minimum of more than U.S.\$ 1.25 billion in damages in the aggregate from all defendants including Deutsche Bank. The Group has not disclosed whether it has established a provision or contingent liability with respect to these matters because it has concluded that such disclosure can be expected to prejudice seriously their outcome.

U.S. dollar LIBOR. In a series of decisions between March 2013 and November 2015, the court in the U.S. dollar LIBOR MDL granted in part and denied in part motions to dismiss addressed to various groups of putative class actions and direct actions. Generally, the court has permitted certain CEA claims and state law fraud, contract, unjust enrichment, and other tort claims to proceed, while dismissing certain CEA claims as time-barred and dismissing all of plaintiffs' federal and state law antitrust claims, securities claims, and claims asserted under RICO. The court also has issued decisions dismissing certain plaintiffs' claims for lack of personal jurisdiction and on statute of limitations grounds. Owing to the complexity of the MDL, the court has requested, and the parties have provided, various additional submissions to assist the court in determining precisely which claims have been dismissed in accordance with the general principles articulated in the court's August and November 2015 opinions. A further decision is pending.

Certain plaintiffs whose antitrust claims have been dismissed (or who were granted partial final judgment dismissing their antitrust claims) have pursued an appeal of the court's antitrust rulings to the U.S. Court of Appeals for the Second Circuit. That appeal is fully briefed and argued, and a decision is pending. Certain actions in the U.S. dollar LIBOR MDL have been stayed pending the outcome of the appeal (and other actions have separately been stayed as well). In addition, plaintiffs in a direct action entirely dismissed pursuant to the court's August 2015 opinion have filed a notice of appeal to the Second Circuit.

Discovery is currently proceeding with respect to three putative class actions in the U.S. dollar LIBOR MDL, brought respectively by plaintiffs who allegedly (1) transacted in exchange-traded Eurodollar futures and options, (2) traded over-the-counter U.S. dollar LIBOR-referencing financial instruments, and (3) originated or purchased loans with interest rates tied to U.S. dollar LIBOR. (The plaintiffs in the third action are currently disputing whether their claims against Deutsche Bank have been dismissed under the court's prior rulings.) A schedule for briefing motions for class certification in these actions has been set, with briefing presently scheduled to conclude in August 2017.

The court in an additional action concerning U.S. dollar LIBOR that was independently pending in the SDNY, outside of the U.S. dollar LIBOR MDL, has granted defendants' motions to dismiss. The plaintiff has filed a motion to amend its complaint, which is pending.

Deutsche Bank also was named as a defendant in a civil action in the Central District of California concerning U.S. dollar LIBOR. The court granted Deutsche Bank's motion to dismiss. The plaintiff is currently pursuing an appeal to the U.S. Court of Appeals for the Ninth Circuit.

Yen LIBOR and Euroyen TIBOR. There are two separate actions pending in the SDNY concerning the alleged manipulation of Yen LIBOR and Euroyen TIBOR. In the first (Laydon), the court denied in part and granted in part a motion by the plaintiff to amend his complaint on 31 March 2015. The court denied plaintiff's requests to assert RICO claims against Deutsche Bank and to add two new named plaintiffs. On 29 February 2016, plaintiff filed a third amended complaint, including additional factual allegations and expanding the alleged class period. Discovery is ongoing. The second putative class action (Sonterra) was filed in the SDNY on 24 July 2015, and names Deutsche Bank and DB Group Services (UK) Ltd. as defendants, along with other banks and interdealer brokers. On 18 December 2015, plaintiffs served an amended complaint. Defendants filed a motion to dismiss, which is pending.

EURIBOR. Deutsche Bank and DB Group Services (UK) Ltd. are also named as defendants in a putative class action concerning the alleged manipulation of EURIBOR, pending in the SDNY. A motion to dismiss plaintiffs' further amended complaint is pending.

Pound Sterling (GBP) LIBOR. Deutsche Bank was named as a defendant in two separate class actions concerning alleged manipulation of Pound Sterling (GBP) LIBOR. On 11 February 2016, the court consolidated these two actions into a single action, and an amended consolidated complaint was filed by plaintiffs on 24 February 2016. Motions to dismiss the amended consolidated complaint were filed and are in the process of being briefed.

Swiss Franc (CHF) LIBOR. On 19 June 2015, Deutsche Bank and DB Group Services (UK) Ltd. were named as defendants in a putative class action in the SDNY concerning the alleged manipulation of Swiss Franc (CHF) LIBOR. Motions to dismiss were filed and are pending.

ISDAFIX

Deutsche Bank has received requests for information from certain regulatory authorities concerning the setting of ISDAFIX benchmarks, which provide average mid-market rates for fixed interest rate swaps. The Bank is cooperating with these requests. In addition, the Bank has been named as a defendant in five putative class actions that were consolidated in the United States District Court for the Southern District of New York asserting antitrust, fraud, and other claims relating to an alleged conspiracy to manipulate the U.S. dollar ISDAFIX benchmark. Plaintiffs filed an amended complaint on 12 February 2015. Defendants filed a motion to dismiss the amended complaint, which is pending.

Kaupthing CLN Claims

In June 2012, Kaupthing hf, an Icelandic stock corporation, acting through its winding-up committee, issued Icelandic law clawback claims for approximately € 509 million (plus costs, as well as interest calculated on a damages rate basis and a late payment rate basis) against Deutsche Bank in both Iceland and England. The claims relate to leveraged credit linked notes ("CLNs"), referencing Kaupthing, issued by Deutsche Bank to two British Virgin Island special purpose vehicles ("SPVs") in 2008. The SPVs were ultimately owned by high net worth individuals. Kaupthing claims to have funded the SPVs and alleges that Deutsche Bank was or should have been aware that Kaupthing itself was economically exposed in the transactions. Kaupthing claims that the transactions are voidable by Kaupthing on a number of alternative grounds, including the ground that the transactions were improper because one of the alleged purposes of the transactions was to allow Kaupthing to influence the market in its own CDS (credit default swap) spreads and thereby its listed bonds. Additionally, in November 2012, an English law claim (with allegations similar to those featured in the Icelandic law claims) was commenced by Kaupthing against Deutsche Bank in London. Deutsche Bank filed a defense in the Icelandic proceedings in late February 2013 and continues to defend the claims. In February 2014, proceedings in England were stayed pending final determination of the Icelandic proceedings. Additionally, in December 2014, the SPVs and their joint liquidators served Deutsche Bank with substantively similar claims arising out of the CLN transactions against Deutsche Bank and other defendants in England. The SPVs are also claiming approximately € 509 million (plus costs, as well as interest), although the amount of that interest claim is less than in Iceland. Deutsche Bank has filed a defense in these proceedings and continues to defend them. The SPVs' claims are not expected to increase Deutsche Bank's overall potential liability in respect of the CLN transactions beyond the amount already claimed by Kaupthing. The Group has not disclosed whether it has established a provision or contingent liability with respect to these matters because it has concluded that such disclosure can be expected to prejudice seriously their outcome.

Kirch

The public prosecutor's office in Munich (Staatsanwaltschaft München I) has conducted and is currently conducting criminal investigations in connection with the Kirch case with regard to former Management Board members as well as the current Management Board member Jürgen Fitschen. The Kirch case involved several civil proceedings between Deutsche Bank AG and Dr. Leo Kirch as well as media companies controlled by him. The key issue was whether an interview given by Dr. Rolf Breuer, then Spokesman of Deutsche Bank's Management Board, in 2002 with Bloomberg television, during which Dr. Breuer commented on Dr. Kirch's (and his companies') inability to obtain financing, caused the insolvency of the Kirch companies. In February 2014, Deutsche Bank and the Kirch heirs reached a comprehensive settlement, which has ended all legal disputes between them.

As far as Mr. Fitschen and former Management Board member Dr. Stephan Leithner are concerned, the allegations of the public prosecutor are that Mr. Fitschen and Mr. Leithner failed to correct in a timely manner factual statements made by Deutsche Bank's litigation counsel in submissions filed in one of the civil cases between Kirch and Deutsche Bank AG before the Munich Higher Regional Court and the Federal Court of Justice, after allegedly having become aware that such statements were not correct.

The main investigation involving Mr. Fitschen and four former Management Board members has been concluded and an indictment against all accused was filed on 6 August 2014. The court ordered the secondary participation of Deutsche Bank AG, which could have resulted in the imposition of a monetary fine on the Bank. On 25 April 2016 the Munich District Court acquitted Mr. Fitschen and the four former Management Board members. Further, the court acquitted the Bank. The public prosecutor filed an appeal on 25 April 2016. An appeal is limited to a review of legal errors rather than facts.

The investigation involving former Management Board member Dr. Stephan Leithner is ongoing. Deutsche Bank is fully cooperating with the Munich public prosecutor's office.

The Group does not expect these proceedings to have significant economic consequences for it and has not recorded a provision or contingent liability with respect thereto.

KOSPI Index Unwind Matters

Following the decline of the Korea Composite Stock Price Index 200 (the "KOSPI 200") in the closing auction on 11 November 2010 by approximately 2.7 %, the Korean Financial Supervisory Service ("FSS") commenced an investigation and expressed concerns that the fall in the KOSPI 200 was attributable to a sale by Deutsche Bank of a basket of stocks, worth approximately € 1.6 billion, that was held as part of an index arbitrage position on the KOSPI 200. On 23 February 2011, the Korean Financial Services Commission, which oversees the work of the FSS, reviewed the FSS' findings and recommendations and resolved to take the following actions: (i) to file a criminal complaint to the Korean Prosecutor's Office for alleged market manipulation against five employees of the Deutsche Bank group and Deutsche Bank's subsidiary Deutsche Securities Korea Co. (DSK) for vicarious corporate criminal liability; and (ii) to impose a suspension of six months, commencing 1 April 2011 and ending 30 September 2011, of DSK's business for proprietary trading of cash equities and listed derivatives and DMA (direct market access) cash equities trading, and the requirement that DSK suspend the employment of one named employee for six months. There was an exemption to the business suspension which permitted DSK to continue acting as liquidity provider for existing derivatives linked securities. On 19 August 2011, the Korean Prosecutor's Office announced its decision to indict DSK and four employees of the Deutsche Bank group on charges of spot/futures linked market manipulation. The criminal trial commenced in January 2012. On 25 January 2016, the Seoul Central District Court rendered a guilty verdict against a DSK trader and a guilty verdict against DSK. A criminal fine of KRW 1.5 billion (less than € 2.0 million) was imposed on DSK. The Court also ordered forfeiture of the profits generated on the underlying trading activity. The Group disgorged the profits on the underlying trading activity in 2011. The criminal trial verdict has been appealed by both the prosecutor and the defendants.

In addition, a number of civil actions have been filed in Korean courts against Deutsche Bank and DSK by certain parties who allege they incurred losses as a consequence of the fall in the KOSPI 200 on 11 November 2010. First instance court decisions were rendered against the Bank and DSK in some of these cases starting in the fourth quarter of 2015. The outstanding known claims have an aggregate claim amount of less than € 80 million (at present exchange rates). The Group has recorded a provision with respect to these outstanding civil matters. The Group has not disclosed the amount of this provision because it has concluded that such disclosure can be expected to prejudice seriously the outcome of these matters.

Monte Dei Paschi

In February 2013 Banca Monte Dei Paschi Di Siena ("MPS") issued civil proceedings in Italy against Deutsche Bank alleging that Deutsche Bank assisted former MPS senior management in an accounting fraud on MPS, by undertaking repo transactions with MPS and "Santorini", a wholly owned SPV of MPS, which helped MPS defer losses on a previous transaction undertaken with Deutsche Bank. Subsequently, in July 2013, the Fondazione Monte Dei Paschi, MPS' largest shareholder, also issued civil proceedings in Italy for damages based on substantially the same facts. In December 2013, Deutsche Bank reached an agreement with MPS on the

grounds of which the civil proceedings were settled and the transactions were unwound at a discount for MPS. The civil proceedings by the Fondazione Monte Dei Paschi, in which damages of between € 120 million and € 307 million are claimed, remain pending.

A criminal investigation was launched by the Siena Public Prosecutor into the transactions and certain unrelated transactions entered into by a number of other international banks with MPS. Such investigation was moved in September 2014 from Siena to the Milan Public Prosecutors as a result of a change in the alleged charges being investigated. On 16 February 2016, the Milan Public Prosecutors issued a request of committal to trial against Deutsche Bank AG and six current and former employees. The committal process is ongoing and a further hearing is scheduled to take place in April 2016. Separately, Deutsche Bank has also received requests for information from certain regulators relating to the transactions, including with respect to Deutsche Bank's accounting for the transactions and alleged failures by Deutsche Bank's management adequately to supervise the individuals involved in the matter. Deutsche Bank is cooperating with these regulators.

Mortgage-Related and Asset-Backed Securities Matters and Investigation

Regulatory and Governmental Matters. Deutsche Bank, along with certain affiliates (collectively referred in these paragraphs to as "Deutsche Bank"), have received subpoenas and requests for information from certain regulators and government entities, including members of the Residential Mortgage-Backed Securities Working Group of the U.S. Financial Fraud Enforcement Task Force, concerning its activities regarding the origination, purchase, securitization, sale and/or trading of mortgage loans, residential mortgage-backed securities (RMBS), commercial mortgage-backed securities (CMBS), collateralized debt obligations, other asset-backed securities and credit derivatives. Deutsche Bank is cooperating fully in response to those subpoenas and requests for information. The Group has recorded provisions with respect to some of the regulatory investigations but not others. The Group has not disclosed the amount of these provisions because it has concluded that such disclosure can be expected to prejudice seriously the outcome of these regulatory investigations.

Issuer and Underwriter Civil Litigation. Deutsche Bank has been named as defendant in numerous civil litigations brought by private parties in connection with its various roles, including issuer or underwriter, in offerings of RMBS and other asset-backed securities. These cases, described below, include putative class action suits, actions by individual purchasers of securities and actions by trustees on behalf of RMBS trusts. Although the allegations vary by lawsuit, these cases generally allege that the RMBS offering documents contained material misrepresentations and omissions, including with regard to the underwriting standards pursuant to which the underlying mortgage loans were issued, or assert that various representations or warranties relating to the loans were breached at the time of origination. The Group has recorded provisions with respect to several of these civil cases, but has not recorded provisions with respect to all of these matters. The Group has not disclosed the amount of these provisions because it has concluded that such disclosure can be expected to prejudice seriously the outcome of these matters.

Deutsche Bank was a defendant in putative class action relating to its role, along with other financial institutions, as underwriter of RMBS issued by IndyMac MBS, Inc. On 8 September 2014, Deutsche Bank, certain other financial institution defendants and lead plaintiffs executed a stipulation to settle the action. On 30 September 2014, the court issued an order certifying the class for settlement and approving notice to the class. On 23 February 2015, the court issued an order approving the settlement and dismissing the action. Under the settlement, all settling defendants paid a total of U.S.\$ 340 million. Deutsche Bank's portion of the settlement is not material to it. On 25 March 2015, Pacific Investment Management Company, LLC (PIMCO) filed a notice of appeal of the court's 23 February 2015 order, but withdrew the appeal on 11 June 2015.

Deutsche Bank is a defendant in a putative class action relating to its role, along with other financial institutions, as underwriter of RMBS issued by Novastar Mortgage Corporation. No specific damages are alleged in the complaint. On 5 February 2015, the court issued an order vacating its prior decision that had dismissed five of six RMBS offerings from the case. The court ordered the plaintiffs to amend the operative complaint to include the previously dismissed offerings. On 9 March 2015, the lead plaintiff filed its third amended complaint pursuant to the court's 5 February 2015 order. Discovery in the action is ongoing.

Deutsche Bank currently is a defendant in various non-class action lawsuits by alleged purchasers of, and counterparties involved in transactions relating to, RMBS, and their affiliates, including: (1) Aozora Bank, Ltd. (alleging U.S.\$ 61 million in damages attributable to Deutsche Bank); (2) the Federal Deposit Insurance

Corporation (FDIC) as receiver for: (a) Colonial Bank (in one of two separate actions, alleging no less than U.S.\$ 189 million in damages in the aggregate against all defendants), (b) Franklin Bank S.S.B., (c) Guaranty Bank (alleging no less than U.S.\$ 901 million in damages in the aggregate against all defendants), and (d) Citizens National Bank and Strategic Capital Bank (in one of two separate actions, alleging no less than U.S.\$ 66 million in damages in the aggregate against all defendants); (3) the Federal Home Loan Bank of San Francisco; (4) Phoenix Light SF Limited (as purported assignee of claims of special purpose vehicles created and/or managed by former WestLB AG); and (5) Royal Park Investments (as purported assignee of claims of a special-purpose vehicle created to acquire certain assets of Fortis Bank). Unless otherwise indicated, the complaints in these matters did not specify the damages sought.

On 14 January 2015, the court granted Deutsche Bank's motion to dismiss the action brought against it by Aozora Bank, Ltd., relating to a collateralized debt obligation identified as Blue Edge ABS CDO, Ltd. On 30 March 2016, the Appellate Division affirmed the lower court's dismissal. Deutsche Bank also is a defendant, along with UBS AG and affiliates, in an action brought by Aozora Bank, Ltd. Defendants have appealed the court's order and have moved to stay the action pending the appeal.

In 2012, the FDIC, as receiver for Colonial Bank, Franklin Bank S.S.B., Guaranty Bank, Citizens National Bank and Strategic Capital Bank, commenced several actions in different federal courts asserting claims under Sections 11 and 12(a)(2) of the Securities Act of 1933, as well as Article 581-33 of the Texas Securities Act, against several underwriters, including Deutsche Bank. Each of these actions has been dismissed as time-barred. The FDIC has appealed these rulings to the Second, Fifth and Ninth Circuits Courts of Appeal. The appeals in the Second and Ninth Circuits Courts of Appeal are pending. On 10 August 2015, the Court of Appeals for the Fifth Circuit reversed the district court's dismissal of the FDIC's claims as time-barred. On 24 August 2015, Deutsche Bank and the other defendants filed a petition for rehearing en banc in that action. On 11 September 2015, the Court of Appeals for the Fifth Circuit denied that petition. On 10 December 2015, Deutsche Bank and other defendants filed a petition for a writ of certiorari to the United States Supreme Court challenging the Court of Appeals for the Fifth Circuit's reversal of the district court's dismissal of the case. On 28 March 2016, the United States Supreme Court denied the petition. Discovery is ongoing.

On 22 January 2015, pursuant to a confidential settlement agreement with Deutsche Bank, the Federal Home Loan Bank of San Francisco dismissed with prejudice claims that it had filed against Deutsche Bank relating to seven RMBS offerings. On 26 January 2015, pursuant to a confidential agreement between the Federal Home Loan Bank of San Francisco and Countrywide, the Federal Home Loan Bank of San Francisco entered an order dismissing with prejudice claims brought against Deutsche Bank by the Federal Home Loan Bank of San Francisco relating to 15 offerings issued by entities affiliated with Countrywide. Deutsche Bank's understanding is that the dismissal with respect to these 15 offerings was pursuant to a confidential settlement agreement to which Deutsche Bank was not a party. Deutsche Bank remains a defendant in the case with respect to one RMBS offering and two offerings described as resecuritizations of RMBS certificates. No specific damages are alleged in the complaint. The case is in expert discovery. Deutsche Bank's trial is scheduled for 6 December 2016.

Residential Funding Company has brought a repurchase action against Deutsche Bank for breaches of representations and warranties on loans sold to Residential Funding Company and for indemnification for losses incurred as a result of RMBS-related claims and actions asserted against Residential Funding Company. The complaint did not specify the amount of damages sought. On 8 June 2015, the court denied Deutsche Bank's motion to dismiss certain of the claims. Also on June 8, 2015, Deutsche Bank moved to dismiss other claims. On 29 September 2015, the court denied Deutsche Bank's second motion to dismiss. Discovery is ongoing.

Deutsche Bank and Monarch Alternative Capital LP and certain of its advisory clients and managed investments vehicles (Monarch) reached an agreement on 18 December 2014 to propose a settlement agreement to HSBC Bank USA, National Association (HSBC) to resolve litigation relating to three RMBS trusts. After receiving approval from a majority of certificate holders, on 13 July 2015, HSBC executed the settlement agreements, and on 27 July 2015, the actions were dismissed. A substantial portion of the settlement funds were paid by a non-party to the litigation. The net economic impact of the settlements was not material to Deutsche Bank. On 17 June 2015, the court granted defendants' motion to dismiss the RMBS-related claims brought by Commerzbank AG against Deutsche Bank and several other financial institutions. Commerzbank AG filed a notice to appeal on 24 July 2015, but withdrew that appeal on 17 August 2015.

In March 2012, RMBS Recovery Holdings 4, LLC and VP Structured Products, LLC brought an action in New York state court against Deutsche Bank alleging breaches of representations and warranties made by Deutsche Bank concerning the mortgage loans in the ACE Securities Corp. 2006-SL2 RMBS offering. The complaint did not specify the amount of damages sought. On 13 May 2013, the court denied Deutsche Bank's motion to dismiss the action as time-barred. On 19 December 2013, the appellate court reversed the lower court's decision and dismissed the case. On 11 June 2015, the New York Court of Appeals affirmed the appellate court's dismissal of the case. The court found that plaintiff's cause of action accrued more than six years before the filing of the complaint and was therefore barred by the statute of limitations. On 29 March 2016, the court dismissed a substantially similar action commenced by HSBC as trustee, which may be appealed.

Deutsche Bank was named as a defendant in a lawsuit filed by Sealink Funding Ltd., an entity established as part of the bailout of Sachsen Landesbank to function as purported assignee of claims of special purpose vehicles created and/or managed by Sachsen Landesbank and its subsidiaries. In the third and fourth quarters of 2015, Sealink Funding Ltd. unsuccessfully appealed an order dismissing its claims against Morgan Stanley in another similar action for lack of standing. In denying Sealink Funding Ltd.'s appeal, the appellate court found that the sales and purchase agreements through which Sealink Funding Ltd. acquired the at-issue securities did not validly transfer tort claims. The appellate court's decision was dispositive of Sealink Funding Ltd.'s claims against Deutsche Bank, as Sealink Funding Ltd. acquired the at-issue securities in the Deutsche Bank action through the same sales and purchase agreements involved in the Morgan Stanley case. On 21 December 2015, Sealink Funding Ltd. voluntarily dismissed its claims with prejudice.

Deutsche Bank was named as a defendant in a civil action brought by the Charles Schwab Corporation seeking rescission of its purchase of a single Countrywide-issued RMBS certificate. In the fourth quarter of 2015, Bank of America, which indemnified Deutsche Bank in the case, reached an agreement to settle the action with respect to the single certificate at issue for Deutsche Bank. On 25 January 2016, the Charles Schwab Corporation filed a request for dismissal with prejudice as to Deutsche Bank Securities Inc. On 16 March 2016, the court finalized the dismissal of Deutsche Bank Securities Inc. as a defendant.

Deutsche Bank was named as a defendant in a FINRA arbitration brought by the Knights of Columbus ("Knights") alleging fraud, negligence, violation of state securities law, and violations of industry rules and practice in connection with six third-party offerings underwritten by Deutsche Bank. On 22 February 2016, Deutsche Bank and Knights executed an agreement to settle the matter, and on 26 March 2016, the arbitration was dismissed with prejudice. The financial terms of the settlement are not material to Deutsche Bank.

Deutsche Bank and Amherst Advisory & Management LLC (Amherst) reached an agreement on 12 February 2016 to propose settlement agreements to HSBC Bank USA, National Association (HSBC) to resolve breach of contract actions relating to five RMBS trusts. Pursuant to the agreements with Amherst, on 17 February 2016 Amherst requested that HSBC conduct a vote of certificate holders for each of the trusts concerning the approval or rejection of the proposed settlements. On 18 February 2016, Deutsche Bank and Amherst executed a settlement agreement. During the week of 22 February 2016, HSBC published a notice to certificate holders of its receipt of the settlement agreement and advised the certificate holders that the settlement expires on 12 May 2016, however this deadline may be extended. A substantial portion of the settlement funds that would be paid by Deutsche Bank with respect to one of the five trusts, if the proposed settlement is consummated as to that trust, would be reimbursed by a non-party to that litigation. The net economic impact of the settlements was already reflected in prior periods.

On 3 February 2016, Lehman Brothers Holding, Inc. instituted an adversary proceeding in United States Bankruptcy Court for the Southern District of New York against, among others, MortgageIT, Inc. (MIT) and Deutsche Bank AG, as alleged successor to MIT, asserting breaches of representations and warranties set forth in certain 2003 and 2004 loan purchase agreements concerning 63 mortgage loans that MIT sold to Lehman, which Lehman in turn sold to the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac). The complaint seeks indemnification for losses incurred by Lehman in connection with settlements entered into with Fannie Mae and Freddie Mac as part of the Lehman bankruptcy proceedings to resolve claims concerning those loans. No specific damages are alleged in the complaint. The time to respond to the complaint has not yet expired.

In the actions against Deutsche Bank solely as an underwriter of other issuers' RMBS offerings, Deutsche Bank has contractual rights to indemnification from the issuers, but those indemnity rights may in whole or in part

prove effectively unenforceable where the issuers are now or may in the future be in bankruptcy or otherwise defunct.

Deutsche Bank has entered into agreements with certain entities that have threatened to assert claims against Deutsche Bank in connection with various RMBS offerings and other related products to toll the relevant statutes of limitations. It is possible that these potential claims may have a material impact on Deutsche Bank. In addition, Deutsche Bank has entered into settlement agreements with some of these entities, the financial terms of which are not material to Deutsche Bank.

Trustee Civil Litigation. Deutsche Bank National Trust Company ("DBNTC") and Deutsche Bank Trust Company Americas ("DBTCA") have been sued by investors in civil litigation concerning their role as trustees of certain RMBS trusts.

On 18 June 2014, a group of investors, including funds managed by BlackRock Advisors, LLC, PIMCO-Advisors, L.P., and others, filed a derivative action against DBNTC and DBTCA in New York State Supreme Court purportedly on behalf of and for the benefit of 544 private-label RMBS trusts asserting claims for alleged violations of the U.S. Trust Indenture Act of 1939 (TIA), breach of contract, breach of fiduciary duty and negligence based on DBNTC and DBTCA's alleged failure to perform their duties as trustees for the trusts. Plaintiffs subsequently dismissed their state court complaint and filed a derivative and class action complaint in the U.S. District Court for the Southern District of New York on behalf of and for the benefit of 564 private-label RMBS trusts, which substantially overlapped with the trusts at issue in the state court action. The complaint alleges that the trusts at issue have suffered total realized collateral losses of U.S.\$ 89.4 billion, but the complaint does not include a demand for money damages in a sum certain. DBNTC and DBTCA filed a motion to dismiss, and on 19 January 2016, the court partially granted the motion on procedural grounds: as to the 500 trusts that are governed by Pooling and Servicing Agreements, the court declined to exercise jurisdiction. The court did not rule on substantive defenses asserted in the motion to dismiss. On 22 March 2016, plaintiffs filed an amended complaint in federal court. In the amended complaint, plaintiffs assert claims in connection with 62 trusts governed by Indenture Agreements. The amended complaint alleges that the trusts at issue have suffered total realized collateral losses of U.S. \$9.8 billion, but the complaint does not include a demand for money damages in a sum certain. DBNTC and DBTCA will have an opportunity to file new defensive motions with respect to the amended complaint. Discovery is ongoing.

On 25 March 2016, the BlackRock plaintiffs filed a state court action in the Superior Court of California, Orange County that involves 513 trusts governed by Pooling and Servicing Agreements, alleging three causes of action: breach of contract; breach of fiduciary duty; and breach of the duty to avoid conflicts of interest. Plaintiffs purport to bring the action on behalf of themselves and all other current owners of certificates in the 513 trusts. The complaint currently names only DBTCA as a defendant, even though DBNTC is the trustee for 512 of the 513 trusts. The complaint alleges that the trusts at issue have suffered total realized collateral losses of U.S.\$ 85.1 billion, but the complaint does not include a demand for money damages in a sum certain. DBTCA has not yet been served with the complaint. Discovery has not yet commenced.

On 18 June 2014, Royal Park Investments SA/NV filed a class and derivative action complaint on behalf of investors in ten RMBS trusts against DBNTC in the U.S. District Court for the Southern District of New York asserting claims for alleged violations of the TIA, breach of contract and breach of trust based on DBNTC's alleged failure to perform its duties as trustee for the trusts. Royal Park's complaint alleges that the total realized losses of the ten trusts amount to over U.S.\$ 3.1 billion, but does not allege damages in a sum certain. On 3 February 2016, the court granted in part and dismissed in part plaintiffs' claims: the court dismissed plaintiff's TIA claim and its derivative theory and denied DBNTC's motion to dismiss the breach of contract and breach of trust claims. Discovery is ongoing.

On 7 November 2014, the National Credit Union Administration Board ("NCUA"), as an investor in 121 RMBS trusts, filed a complaint in the U.S. District Court for the Southern District of New York against DBNTC as trustee of those trusts, alleging violations of the TIA and the New York Streit Act for DBNTC's alleged failure to perform certain purported statutory and contractual duties. On 5 March 2015, NCUA amended its complaint to assert claims as an investor in 97 of the 121 RMBS trusts that were the subject of its first complaint. The amended complaint alleges violations of the TIA and Streit Act, as well as breach of contract, breach of fiduciary duty, negligence, gross negligence, negligent misrepresentation, and breach of the covenant of good faith. NCUA's complaint alleges that the trusts at issue have suffered total realized collateral losses of

U.S.\$ 17.2 billion, but the complaint does not include a demand for money damages in a sum certain. DBNTC filed a motion to dismiss that is fully briefed but not yet decided. Discovery is stayed.

On 23 December 2014, certain CDOs (collectively, "Phoenix Light SF Limited") that hold RMBS certificates issued by 21 RMBS trusts filed a complaint in the U.S. District Court for the Southern District of New York against DBNTC as trustee of the trusts, asserting claims for violation of the TIA and the Streit Act, breach of contract, breach of fiduciary duty, negligence, gross negligence, and negligent misrepresentation, based on DBNTC's alleged failure to perform its duties as trustee for the trusts. On 10 April 2015, the CDOs filed an amended complaint relating to an additional 34 trusts (for a total of 55 trusts), and they amended their complaint for a second time on 15 July 2015 to include additional allegations. The CDOs allege that DBNTC is liable for over U.S. \$ 527 million of damages. Discovery is stayed. On 2 February 2016, the court entered a stipulation signed by the parties to dismiss with prejudice claims relating to four of the 55 trusts. DBNTC filed a motion to dismiss. On 29 March 2016, the court granted in part and denied in part DBNTC's motion to dismiss. The court allowed the majority of plaintiffs' breach of contract claims to proceed. The court denied DBNTC's motion to dismiss breach of fiduciary duty claims. The court granted the motion to dismiss to the extent that negligence claims were duplicative of breach of contract claims but denied the motion to dismiss to the extent plaintiffs alleged DBNTC violated extra-contractual duties. In addition, the court dismissed breach of the implied covenant of good faith and fair dealing claims. The court also denied the motion to dismiss claims for alleged violations of Sections 315(b) and 315(c) of the TIA, but dismissed claims under Section 316(b). Finally, the court dismissed the plaintiffs' Streit Act claim. DBNTC's answer to the amended complaint is currently due on 13 May 2016. Discovery is ongoing.

On 24 March 2015, the Western and Southern Life Insurance Company and five related entities (collectively "Western & Southern"), as investors in 18 RMBS trusts, filed a complaint in the Court of Common Pleas, Hamilton County, Ohio, against DBNTC as trustee for 12 of those trusts, asserting claims for violation of the TIA and the Streit Act, breach of contract, breach of fiduciary duty, negligence, gross negligence, negligent misrepresentation, and breach of the covenant of good faith and fair dealing, based on DBNTC's alleged failure to perform its duties as trustee for the trusts. Western & Southern alleges that it purchased certificates of the trusts with a face value of more than U.S.\$ 220 million and that the trusts at issue have suffered total realized collateral losses of U.S.\$ 1 billion, but the complaint does not include a demand for money damages in a sum certain. DBNTC filed a motion to dismiss based upon lack of personal jurisdiction and forum non conveniens; a motion to stay the case pending the resolution of similar actions in New York against DBNTC; and a motion to sever the claims against DBNTC from those against its co-defendant. On 5 November 2015, the court denied DBNTC's motion to dismiss and motion to stay the case but granted DBNTC's motion to sever. After DBNTC's first motion to dismiss was decided, DBNTC filed another motion to dismiss, this time for failure to state a claim. That motion to dismiss is fully briefed but not yet decided. Discovery is ongoing.

On 23 December 2015, Commerzbank AG ("Commerzbank"), as an investor in 50 RMBS trusts, filed a complaint in the U.S. District Court for the Southern District of New York against DBNTC as trustee of the trusts, asserting claims for violations of the TIA and New York's Streit Act, breach of contract, breach of fiduciary duty, negligence, and breach of the covenant of good faith, based on DBNTC's alleged failure to perform its duties as trustee for the trusts. Commerzbank alleges that DBNTC caused it to suffer "hundreds of millions of dollars in losses," but the complaint does not include a demand for money damages in a sum certain. This case and the Phoenix Light case were assigned to the same judge. The judge stayed this case until after he adjudicates DBNTC's motion to dismiss in the Phoenix Light action, at which time Commerzbank will be given an opportunity to amend its complaint. On 29 March 2016, the judge issued a decision on DBNTC's motion to dismiss in the Phoenix Light action, but the judge has not lifted the stay in the Commerzbank case. Discovery has not yet commenced.

On 30 December 2015, IKB International, S.A. in Liquidation and IKB Deutsche Industriebank A.G. (collectively, "IKB"), as an investor in 37 RMBS trusts, filed a summons with notice in the Supreme Court of the State of New York, New York County, against DBNTC and DBTCA as trustees of the trusts. It appears that IKB may assert claims for violation of the TIA, violation of New York's Streit Act, breach of contract, fraud, fraudulent and negligent misrepresentation, breach of fiduciary duty, negligence, and unjust enrichment. IKB appears to allege that DBNTC and DBTCA are liable for over U.S.\$ 274 million of damages. DBNTC and DBTCA have not yet been served with the summons with notice. Discovery has not yet commenced.

The Group believes a contingent liability exists with respect to these eight cases, but at present the amount of the contingent liability is not reliably estimable.

Parmalat Litigation

Following the bankruptcy of the Italian company Parmalat, prosecutors in Parma conducted a criminal investigation against various bank employees, including employees of Deutsche Bank, and brought charges of fraudulent bankruptcy against a number of Deutsche Bank employees and others. The trial commenced in September 2009 and is ongoing, although it is in its final stages and is anticipated will conclude in the course of 2016, possibly in the next few months.

Certain retail bondholders and shareholders have alleged civil liability against Deutsche Bank in connection with the above-mentioned criminal proceedings. Deutsche Bank has made a formal settlement offer to those retail investors who have asserted claims against Deutsche Bank. This offer has been accepted by some of the retail investors. The outstanding claims will be heard during the criminal trial process.

Pas-de-Calais Habitat

On 31 May 2012, Pas-de-Calais Habitat ("PDCH"), a public housing office, initiated proceedings before the Paris Commercial Court against Deutsche Bank in relation to four swap contracts entered into in 2006, restructured on 19 March 2007 and 18 January 2008 and subsequently restructured in 2009 and on 15 June 2010. PDCH asks the Court to declare the 19 March 2007 and 18 January 2008 swap contracts null and void, or terminated, or to grant damages to PDCH in an amount of approximately € 170 million on the grounds, inter alia, that Deutsche Bank committed fraudulent and deceitful acts, manipulated the LIBOR and EURIBOR rates which are used as a basis for calculating the sums due by PDCH under the swap contracts and has breached its obligations to warn, advise and inform PDCH. A decision on the merits is not expected until the fourth quarter of 2016 at the earliest.

Postbank Voluntary Public Takeover Offer

On 12 September 2010, Deutsche Bank announced the decision to make a takeover offer for the acquisition of all shares in Deutsche Postbank AG. On 7 October 2010, the Bank published the official offer document. In its takeover offer, Deutsche Bank offered to Postbank shareholders a consideration of € 25 for each Postbank share.

In November 2010, a former shareholder of Postbank, Effecten-Spiegel AG, which had accepted the takeover offer, brought a claim against Deutsche Bank alleging that the offer price was too low and was not determined in accordance with the applicable law of the Federal Republic of Germany. The plaintiff alleges that Deutsche Bank had been obliged to make a mandatory takeover offer for all shares in Deutsche Postbank AG in 2009 already. The plaintiff avers that, in 2009, the voting rights of Deutsche Post AG in Deutsche Postbank AG had to be attributed to Deutsche Bank AG pursuant to Section 30 of the German Takeover Act.

The Cologne regional court dismissed the claim in 2011 and the Cologne appellate court dismissed the appeal in 2012. The Federal Court set aside the Cologne appellate court's judgment and referred the case back to the appellate court. In its judgment, the Federal Court stated that the appellate court had not sufficiently considered the plaintiff's allegation of an "acting in concert" between Deutsche Bank AG and Deutsche Post AG in 2009. The Cologne appellate court heard the chairman of Deutsche Post's management board as a witness on February 24, 2016. The appellate court will grant the parties the opportunity to comment on the testimony in writing. Thereafter, there will be an additional hearing.

Starting in 2014, additional former shareholders of Deutsche Postbank AG, who accepted the 2010 tender offer, brought similar claims as Effecten-Spiegel AG against Deutsche Bank. The Bank is of the opinion that all these actions, including the action by Effecten-Spiegel AG, are without merit and is defending itself against the claims.

Precious Metals Investigations and Litigations

Deutsche Bank has received inquiries from certain regulatory and law enforcement authorities, including requests for information and documents, pertaining to investigations of precious metals trading and related

conduct. Deutsche Bank is cooperating with these investigations, and engaging with relevant authorities, as appropriate. Relatedly, Deutsche Bank has been conducting its own internal review of Deutsche Bank's historic participation in the precious metals benchmarks and other aspects of its precious metals trading and precious metals business.

Deutsche Bank is also named as a defendant in several putative class action complaints, which have been consolidated in two lawsuits pending in the U.S. District Court for the Southern District of New York. The U.S. suits allege violations of U.S. antitrust law, the U.S. Commodity Exchange Act, and related state law arising out of the alleged manipulation of gold and silver prices through participation in the Gold and Silver Fixes, but do not specify the damages sought. Oral arguments on motions to dismiss the U.S. complaints were heard on 18 April 2016 in the silver case, and 20 April 2016 in the gold case. Deutsche Bank has reached agreements in principle to settle both actions, the financial terms of which are not material to Deutsche Bank. The terms of the agreements are confidential, and the agreements remain subject to court approval.

In addition, Deutsche Bank has been named as a defendant in a Canadian class action proceeding in the Ontario Superior Court of Justice concerning gold. The Ontario statement of claim was issued on 15 January 2016, and plaintiffs seek damages for alleged violations of the Canadian Competition Act as well as other causes of action. Deutsche Bank has also been named as a defendant in Canadian class action proceedings commenced in the provinces of Ontario and Quebec concerning silver. Each of the Ontario and Quebec silver proceedings seeks damages for alleged violations of the Canadian Competition Act and other causes of action.

The Group has recorded provisions with respect to certain of these matters, including provisions sufficient to satisfy Deutsche Bank's obligations under the agreements in principle to settle both of the U.S. class actions. The Group has not disclosed the amount of these provisions, nor has it disclosed whether it has established provisions with respect to other matters referred above or any contingent liability with respect to any of those matters, because it has concluded that such disclosure can be expected to prejudice seriously their outcome.

Referral Hiring Practices Investigations

Certain regulators are investigating, among other things, Deutsche Bank's compliance with the U.S. Foreign Corrupt Practices Act and other laws with respect to the Bank's hiring practices related to candidates referred by clients, potential clients and government officials, and its engagement of consultants in the Asia/Pacific region. Deutsche Bank is responding to and continuing to cooperate with these investigations. The Group has recorded a provision with respect to certain of these regulatory investigations. The Group has not disclosed the amount of this provision because it has concluded that such disclosure can be expected to prejudice seriously the outcome of these regulatory investigations.

Russia/UK Equities Trading Investigation

Deutsche Bank is investigating the circumstances around equity trades entered into by certain clients with Deutsche Bank in Moscow and London that offset one another. The total volume of the transactions under review is significant. Deutsche Bank's internal investigation of potential violations of law, regulation and policy and into the related internal control environment remains ongoing; to date it has identified certain violations of Deutsche Bank's policies and deficiencies in Deutsche Bank's control environment. Deutsche Bank has advised regulators and law enforcement authorities in several jurisdictions (including Germany, Russia, the U.K. and U.S.) of this investigation. Deutsche Bank has taken disciplinary measures with regards to certain individuals in this matter and will continue to do so with respect to others as warranted. The Group has recorded a provision with respect to this matter. The Group has not disclosed the amount of this provision because it has concluded that such disclosure can be expected to prejudice seriously the outcome of this matter.

Sebastian Holdings Litigation.

Litigation with Sebastian Holdings Inc. ("SHI") in respect of claims arising from FX trading activities concluded in the UK Commercial Court in November 2013 when the court awarded Deutsche Bank approximately U.S.\$ 236 million plus interest and dismissed all of SHI's claims. On 27 January 2016, the New York court dismissed substantially similar claims by SHI against Deutsche Bank when it granted Deutsche Bank's motion for summary judgment based on the UK Commercial Court's judgment. The New York court also denied SHI's motion for leave to file an amended complaint.

In June 2014, Mr. Alexander Vik (SHI's sole shareholder and director) was ordered by the UK Commercial Court personally to pay GBP 34 million by way of an interim award in respect of Deutsche Bank's costs in the UK litigation, plus a further GBP 2 million in accrued interest. Such sums were paid by Mr. Vik who has since sought to appeal this decision in the UK Court of Appeal, which dismissed his application and refused him permission to appeal. Mr. Vik has now sought permission from the UK Supreme Court.

Sovereign, Supranational and Agency Bonds (SSA) Investigation

Deutsche Bank has received inquiries from certain regulatory and law enforcement authorities, including requests for information and documents, pertaining to SSA bond trading. Deutsche Bank is cooperating with these investigations. The Group has not disclosed whether it has established a provision or contingent liability with respect to these matters because it has concluded that such disclosure can be expected to prejudice seriously their outcome.

Trust Preferred Securities Litigation

Deutsche Bank and certain of its affiliates and officers are the subject of a consolidated putative class action, filed in the United States District Court for the Southern District of New York, asserting claims under the federal securities laws on behalf of persons who purchased certain trust preferred securities issued by Deutsche Bank and its affiliates between October 2006 and May 2008. The district court dismissed the plaintiffs' second amended complaint with prejudice, which dismissal was affirmed by the United States Court of Appeals for the Second Circuit. On 30 July 2014, the plaintiffs filed a petition for rehearing and rehearing en banc with the Second Circuit. On 16 October 2014, the Second Circuit denied the petition. In February 2015, the plaintiffs filed a petition for a writ of certiorari seeking review by the United States Supreme Court. On 8 June 2015, the Supreme Court granted plaintiffs' petition, vacated judgment, and remanded the case to the Second Circuit for further consideration in light of its recent decision in *Omnicare, Inc. v. Laborers District Council Construction Industry Pension Fund*. On 16 June 2015, Deutsche Bank filed a motion with the Second Circuit requesting leave to submit briefing on the question of whether the Second Circuit's prior decision in this case is consistent with the Supreme Court's *Omnicare* decision. On 21 July 2015, the Court of Appeals remanded the action to the district court for further consideration in light of the *Omnicare* decision, and denied Deutsche Bank's motion as moot. Deutsche Bank renewed its motion in the district court. The district court denied Deutsche Bank's motion as premature and granted plaintiffs leave to file a third consolidated amended complaint by 15 October 2015, with no further extensions. On 15 October 2015, plaintiffs filed their third consolidated amended complaint, wherein plaintiffs allege unquantified but substantial losses in connection with alleged class-member purchases of trust preferred securities. On 14 December 2015, defendants moved to dismiss the third consolidated amended complaint. The motion remains pending.

U.S. Embargoes-Related Matters

Deutsche Bank has received requests for information from certain U.S. regulatory and law enforcement agencies concerning its historical processing of U.S. dollar payment orders through U.S. financial institutions for parties from countries subject to U.S. embargo laws. These agencies are investigating whether such processing complied with U.S. federal and state laws. In 2006, Deutsche Bank voluntarily decided that it would not engage in new U.S. dollar business with counterparties in Iran, Sudan, North Korea and Cuba and with certain Syrian banks, and to exit existing U.S. dollar business with such counterparties to the extent legally possible. In 2007, Deutsche Bank decided that it would not engage in any new business, in any currency, with counterparties in Iran, Syria, Sudan and North Korea and to exit existing business, in any currency, with such counterparties to the extent legally possible; it also decided to limit its non-U.S. dollar business with counterparties in Cuba. On 3 November 2015, Deutsche Bank entered into agreements with the New York State Department of Financial Services and the Federal Reserve Bank of New York to resolve their investigations of Deutsche Bank. Deutsche Bank paid the two agencies U.S.\$ 200 million and U.S.\$ 58 million, respectively, and agreed to terminate certain employees, not rehire certain former employees and install an independent monitor for one year. In addition, the Federal Reserve Bank of New York ordered certain remedial measures, specifically, the requirement to ensure an effective OFAC compliance program and an annual review of such program by an independent party until the Federal Reserve Bank of New York is satisfied as to its effectiveness. The investigations of the U.S. law enforcement agencies remain ongoing.

The Group has not disclosed whether it has established a provision or contingent liability with respect to this matter because it has concluded that such disclosure can be expected to prejudice seriously its outcome.

U.S. Treasury Securities Investigations and Litigations

DESCRIPTION OF THE SECURITIES

DESCRIPTION OF INTEREST RATE AND REDEMPTION PROVISIONS

The Programme contemplates the issue of a wide variety of Securities with different interest and redemption provisions.

Interest

The Securities to be issued under the Programme may pay either (a) fixed amounts of interest, (b) variable amounts of interest or (c) no interest at all. An overview of the different interest rate provisions is set out below, where applicable specifying provisions which may occur in relation to certain types of Exempt Securities only.

Fixed Rate Interest

Securities bearing or paying a fixed rate of interest may either pay a specified fixed amount of interest on specified interest payment dates or, depending on the fulfilment of certain conditions, pay a fixed amount of interest on specified interest payment dates.

The fixed rate of interest may apply to the Securities for the duration of the Securities or for a limited period of time during the life of the Securities. Where the specified interest payment dates provide for irregular interest accrual periods, a day count fraction agreed between the Issuer and the relevant Dealer will be applied and the amount of interest will be calculated on the basis of that day count fraction.

Floating and other Variable Rate Interest

Securities bearing or paying a floating or other variable rate of interest may either pay a variable amount of interest on specified interest payment dates or, depending on the fulfilment of certain conditions, pay a variable amount of interest on specified interest payment dates.

The floating or other variable rate of interest may apply to the Securities for the duration of the Securities or for a limited period of time during the life of the Securities. Interest in respect of each interest period will be calculated on the basis of the day count fraction agreed between the Issuer and the relevant Dealer and will be payable on specified interest payment dates.

Floating or other variable rates of interest may be determined by reference to a rate determined:

- (a) on the basis of a reference rate appearing on the agreed screen page of a commercial quotation service; or
- (b) on the same basis as the floating rate under a notional interest rate swap incorporating the 2006 ISDA Definitions; or
- (c) by reference to the value or performance of an underlying reference item which is an inflation index, underlying reference items comprising one or more indices or equities or, in the case of Exempt Securities, one or more other underlying reference items ("**Reference Items**", and each a "**Reference Item**") (described below); or
- (d) in the case of Exempt Securities, on such other basis as may be agreed between the Issuer and the relevant Dealer.

In addition, a margin agreed between the Issuer and the relevant Dealer may be applied to the floating or other variable rate of interest.

Securities bearing or paying Reference Item linked interest may only be Notes.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate.

Reference Rates

A reference rate may be any one or more of EURIBOR (the European Interbank Offered Rate), LIBOR (the London Interbank Offered Rate), the STIBOR (the Stockholm Interbank Offered Rate), the NIBOR (the Norwegian Interbank Offered Rate), a CMS (constant maturity swap) rate or any other interest or other rate that appears on a reference page.

If the reference rate for the Securities is EURIBOR, LIBOR, STIBOR or NIBOR, the floating rate will be determined by reference to the relevant reference page.

EURIBOR is the rate of interest quoted by banks operating in the European interbank market for the Euro sponsored by the European Banking Federation.

LIBOR is the rate of interest quoted by banks operating in the London interbank market for certain specified currencies.

STIBOR is the rate of interest based on the interest rates at which banks offer to lend unsecured funds to other banks in the Stockholm interbank market.

NIBOR is the rate of interest lenders require for unsecured money market lending in Norwegian Kroner (NOK).

If the reference rate for interest payments is a CMS rate, the floating rate will be determined by reference to the relevant reference page. The rate is reset periodically. Details of the relevant CMS rate will be specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

If the floating or other variable rate of interest is calculated by reference to a reference rate that is different to those contemplated above, then the reference page for such reference rate will be set out in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) or, in the case of Exempt Securities, if the reference rate is not available on a recognised reference page published by an information provider, details on how the reference rate is calculated will be set out in the applicable Pricing Supplement. For the avoidance of doubt, potential investors should note that the rates specified above can be used in the calculation of the redemption amount in respect of a series of Securities.

Other

Interest bearing Securities may be issued which bear or pay interest based on any combination of the above, for example bearing or paying interest based on a combination of fixed and variable rates.

Non-Interest Bearing Securities and Zero Coupon Securities

Securities may be issued under the Programme that do not bear or pay any interest including Zero Coupon Securities which amortise over the life of the Securities. Zero Coupon Securities may be issued at a discount to par.

Redemption

The Securities issued under the Programme may be redeemed at maturity or in certain circumstances prior to maturity.

If Securities are redeemed at maturity the redemption amount may be equal to the principal amount (redemption at par) or determined by reference to:

- (a) the value or performance of one or more underlying Reference Items (as explained below in "*Reference Items*"); or
- (b) a reference rate appearing on the agreed screen page of a commercial quotation service; or
- (c) in the case of Exempt Securities, the floating rate under a notional interest rate swap incorporating the 2006 ISDA Definitions; or
- (d) in the case of Exempt Securities, on such other basis as may be agreed between the Issuer and the relevant Dealer.

If the Securities are redeemed prior to maturity and if specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), early redemption unwind costs may be deducted from the early redemption amount. The early redemption unwind costs may include, but are not limited to, the Issuer's costs associated with unwinding any related hedging arrangements related to the Securities it may have in place.

The Securities may be redeemed prior to maturity in the following circumstances:

- (a) at the option of the Issuer (in the case of Securities where the Issuer Call option is specified as applicable in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities);
- (b) at the option of the Securityholder (in the case of Securities where the Investor Put option is specified as applicable in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities);
- (c) for taxation reasons (if specified in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities);
- (d) following an illegality;
- (e) following a regulatory event (if specified in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities);
- (f) following an index adjustment event (in the case of Securities linked to an index or a basket of indices);
- (g) following certain corporate actions or events (in the case of Securities linked to an equity or a basket of equities);
- (h) following the cessation and publication of the index where there is no replacement or successor index (in the case of Securities linked to an inflation index);
- (i) following a merger event (in the case of Securities linked to the credit of one or more reference entities);
- (j) following an event of default; and
- (k) in the case of Exempt Securities, any other event specified in the applicable Pricing Supplement.

In each case the amount received by an investor may be (i) par, (ii) below par or (iii) above par, as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Depending on the nature of the Securities, redemption at maturity or prior to maturity may be by way of (A) cash settlement, (B) physical settlement or (C) cash and/or physical settlement.

Securities for which redemption is Reference Item linked may only be Notes.

An overview of certain redemption provisions is set out below.

Early Redemption at the option of the Issuer

Securities may include a call option. A call option gives the Issuer the right (but not the obligation) to redeem the Securities on specified date(s) or during a specified period prior to maturity. The redemption amount payable on exercise of the call option will be agreed between the Issuer and the relevant Dealer and set out in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Early Redemption at the option of the Securityholder

Securities may include a put option. A put option gives the investor the right to require the Issuer to redeem its Securities on specified date(s) or during a specified period prior to maturity. The redemption amount payable on redemption following exercise of a put option will be agreed between the Issuer and the relevant Dealer and set out in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Redemption following taxation reasons

Securities may be subject to early redemption in the event that as a result of any change in, or amendment to, the laws or regulations prevailing in Germany, certain withholding taxes are levied on payments of principal or interest in respect of the Securities and the Issuer is obliged to pay Additional Amounts as more fully set out under "*Terms and Conditions of the Securities*".

Redemption following an Illegality

Securities may be subject to early redemption in the event that the Issuer's obligations under the Securities or any arrangements made to hedge the Issuer's obligations under the Securities has or will become unlawful as more fully set out under "*Terms and Conditions of the Securities*".

Redemption following a Regulatory Event

Subordinated Notes may be subject to early redemption following any change in, or amendment to, Capital Regulations which are in effect at the Issue Date as more fully set out under "*Terms and Conditions of the Securities*".

Redemption following an Index Adjustment Event

Securities linked to an index or basket of indices may be subject to early redemption following an Index Adjustment Event as more fully set out under "*Terms and Conditions of the Securities*".

Redemption following certain corporate actions or events

Securities linked to an equity or basket of equities may be subject to early redemption in the event of certain corporate actions or events occurring in respect of the relevant equity issuer(s) as more fully set out under "*Terms and Conditions of the Securities*".

Redemption following cessation of publication of Inflation Index

Securities may be subject to early redemption in the event that the relevant Inflation Index is not published or announced and no replacement Inflation Index can be determined as more fully set out under "*Terms and Conditions of the Securities*".

Redemption following a Merger Event

Securities linked to the credit of one or more reference entities may be subject to early redemption in the event of a Merger Event in respect of the Issuer or any reference entity as more fully set out under "*Terms and Conditions of the Securities*".

REGULATORY BAIL-IN AND OTHER RESOLUTION MEASURES

On 15 May 2014, the European Parliament and the Council of the European Union adopted Directive 2014/59/EU establishing a framework for the recovery and resolution of credit institutions and investment firms (commonly referred to as the "Bank Recovery and Resolution Directive" or the "**BRRD**") which was transposed into German law by the Recovery and Resolution Act (*Sanierungs- und Abwicklungsgesetz*, or the "**SAG**") with effect from 1 January 2015. For banks established in the eurozone, such as the Issuer, which are supervised within the framework of the Single Supervisory Mechanism (the "**SSM**"), Regulation (EU) No 806/2014 of the European Parliament and of the Council (the "**SRM Regulation**") provides for a coherent application of the resolution rules across the SSM under responsibility of the European Single Resolution Board, with effect since 1 January 2016 (referred to as the "Single Resolution Mechanism" or "**SRM**"). Under the SRM, the Single Resolution Board is responsible for adopting resolution decisions in close cooperation with the European Central Bank, the European Commission, and national resolution authorities in the event that a significant bank directly supervised by the European Central Bank, such as the Issuer, is failing or likely to fail and certain other conditions are met. National resolution authorities in the European Union member states concerned would implement such resolution decisions adopted by the Single Resolution Board in accordance with the powers conferred on them under national law transposing the BRRD.

If the competent authority determines that the Issuer is failing or likely to fail and certain other conditions are met (as set forth in the SRM Regulation, the SAG and other applicable rules and regulations), the competent resolution authority has the power to write down, including to write down to zero, claims for payment of the principal, interest or any other amount in respect of the Notes, to convert the Notes into ordinary shares or other instruments qualifying as common equity tier 1 capital (the write-down and conversion powers are hereinafter referred to as the "**Bail-in tool**"), or to apply any other resolution measure including (but not limited to) a transfer of the Notes to another entity, a variation of the terms and conditions of the Notes (including, but not limited to, the variation of maturity of the Notes) or a cancellation of the Notes. The Bail-in tool and each of these other resolution measures are hereinafter referred to as a "**Resolution Measure**". The competent resolution authority may apply Resolution Measures individually or in any combination.

The competent resolution authority will have to exercise the Bail-in tool in a way that results in (i) common equity tier 1 capital instruments (such as ordinary shares of the Issuer) being written down first in proportion to the relevant losses, (ii) subsequently, the principal amount of other capital instruments (additional tier 1 capital instruments and tier 2 capital instruments) being written down on a permanent basis or converted into common equity tier 1 capital instruments in accordance with their order of priority and (iii) finally, eligible liabilities – such as those under the unsubordinated Notes – being written down on a permanent basis or converted into common equity tier 1 capital instruments in accordance with a set order of priority.

RANKING OF UNSUBORDINATED NOTES

The German Resolution Mechanism Act of 2 November 2015 introduced a new § 46f (5) - (7) of the German Banking Act (*Kreditwesengesetz*, "**KWG**"), pursuant to which certain unsecured and unsubordinated debt instruments of the Issuer (hereinafter referred to as "**Non-Preferred Senior Obligations**") will rank below the Issuer's other senior liabilities (hereinafter referred to as "**Preferred Senior Obligations**") in insolvency or in the event of the imposition of resolution measures, such as a bail-in, affecting the Issuer. Non-Preferred Senior Obligations will continue to rank above the Issuer's contractually subordinated liabilities, including Subordinated Notes issued under the Programme. This new order of priority would apply in a German insolvency proceeding or in the event of the imposition of resolution measures with respect to the Issuer commenced on or after 1 January 2017, with effect for any senior unsecured debt instruments outstanding at this time. Among the Preferred Senior Obligations are, as defined in § 46f(7) KWG, senior unsecured debt instruments whose terms provide that (i) the repayment or the amount of the repayment depends on the occurrence or non-occurrence of an event which is uncertain at the point in time when the senior unsecured debt instruments are issued, or settlement is effected in a way other than by monetary payment, or (ii) the payment of interest or the amount of the interest payments depends on the occurrence or non-occurrence of an event which is uncertain at the point in time when the senior unsecured debt instruments are issued unless the payment of interest or the amount of the interest payments solely depends on a fixed or floating reference interest rate, and settlement is effected by monetary payment. Unsecured and unsubordinated Notes issued under this Programme that do not meet the terms described in (i) or (ii) above, including Fixed Rate Notes, Zero Coupon Notes, and Floating Rate Notes linked to LIBOR or EURIBOR, are, therefore, expected to constitute Non-Preferred Senior Obligations that

would bear losses in a German insolvency proceeding or in the event of the imposition of resolution measures before Preferred Senior Obligations. In a German insolvency proceeding or in the event of the imposition of resolution measures with respect to the Issuer, the competent resolution authority or court would determine whether unsecured and unsubordinated Notes issued under the Programme qualify as Preferred Senior Obligations or as Non-Preferred Senior Obligations.

REFERENCE ITEMS

This section relates to Securities issued in the form of Notes only.

A Reference Item is the asset or other basis of reference from which the amount payable in interest and/or redemption on the Securities may be calculated.

A Reference Item can be any of the following items:

- (a) an equity or a basket of equities ("**Equity Linked Notes**"); or
- (b) an index or a basket of indices ("**Index Linked Notes**"); or
- (c) an inflation index or, in the case of Exempt Securities, a basket of inflation indices ("**Inflation Index Linked Notes**"); or
- (d) in the case of Exempt Securities, a currency or a basket of currencies ("**Currency Linked Notes**"); or
- (e) in the case of Exempt Securities, a commodity or basket of commodities ("**Commodity Linked Notes**"); or
- (f) in the case of Exempt Securities, a fund share or unit or a basket of fund shares or units ("**Fund Linked Notes**"); or
- (g) the credit risk of one or more reference entities ("**Credit Linked Notes**"); or
- (h) in the case of Exempt Securities, some other asset or basis of reference.

Equity Linked Notes – The amount payable in interest and/or on redemption, whether at maturity or otherwise, in respect of Equity Linked Notes will be calculated by reference to a single equity security or basket of equity securities. **Equity Linked Notes providing for physical delivery do not qualify as "equity securities" in the sense of Article 2 of the Luxembourg Prospectus Law (i.e. the underlying shares which may be delivered are neither shares of the Issuer nor of an entity belonging to the group of the Issuer).**

Index Linked Notes – The amount payable in interest and/or on redemption in respect of Index Linked Notes will be calculated by reference to a single index or a basket of indices. Such index or constituent of a basket of indices may be a well known and widely published index or an index of Deutsche Bank Aktiengesellschaft (in the case of Exempt Securities only) or other entity which may not be widely published or available.

Inflation Index Linked Notes – The amount payable in interest and/or on redemption in respect of Inflation Index Linked Notes will be calculated by reference to a single inflation index or a basket of inflation indices.

Currency Linked Notes (Exempt Securities only) – The amount payable in interest and/or on redemption in respect of Currency Linked Notes will be calculated by reference to such rates of exchange as may be agreed between the Issuer and the relevant Dealer and specified in the applicable Pricing Supplement.

Commodity Linked Notes (Exempt Securities only) – The amount payable in interest and/or on redemption in respect of Commodity Linked Notes will be calculated by reference to a single commodity or basket of commodities on such terms as may be agreed between the Issuer and the relevant Dealer and specified in the applicable Pricing Supplement.

Fund Linked Notes (Exempt Securities only) – The amount payable in interest and/or on redemption in respect of Fund Linked Notes will be calculated by reference to units or shares in a fund or basket of funds on such terms as may be agreed between the Issuer and the relevant Dealer and specified in the applicable Pricing Supplement.

Credit Linked Notes – Securities with respect to which the amount payable in interest and/or on redemption is linked to the credit of a specified entity or entities will be issued on such terms as may be agreed between the Issuer and the relevant Dealer and specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities). If a Credit Event has occurred and the Conditions to Settlement are satisfied, the Issuer will redeem the Securities at an amount which depends on the value of certain specified assets of the Reference Entity, if Cash Settlement is specified as applicable in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), or by Delivery of the Deliverable Obligations comprising the Asset Amount, if Physical Delivery is specified as applicable in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities). **Credit Linked Notes providing for physical delivery do not qualify as "equity securities" in the sense of Article 2 of the Luxembourg Prospectus Law.**

Other (Exempt Securities only) – The amount payable in interest and/or on redemption of Securities linked to other assets or bases of reference may be issued on such terms as may be agreed between the Issuer and the relevant Dealer and specified in the applicable Pricing Supplement.

FEATURES OF CERTAIN SECURITIES

A wide range of Securities may be issued under the Programme. The Issuer may issue Securities which have one or more of the features described below. The amount of interest and/or principal payable and/or the amount of assets deliverable may depend on these features alone and/or in combination with other features and Reference Items.

Inverse Variable Rate Securities – The amount of interest payable in respect of the Securities is inversely linked to a specified reference rate.

Capped Variable Rate Securities – The maximum amount of interest payable in respect of Securities with a capped variable rate will equal the sum of the reference rate and any specified margin subject to a specified maximum rate.

Securities whose interest and or redemption amount is calculated by reference to a formula – The formula on the basis of which the interest payable and/or the amount of payable and/or assets deliverable on redemption is calculated will be stated in the Terms and Conditions of the Securities and may be replicated in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) or, in the case of Exempt Securities, will be stated in the applicable Pricing Supplement.

Participation Securities – The amount of interest payable and/or amounts payable and/or assets deliverable on redemption of Securities may be determined by reference to a ratio greater or less than one.

Securities issued at a substantial discount or premium – The issue price of the Securities is substantially lower or greater than the principal amount of the Securities.

Partly-paid Securities (Exempt Securities only) – The issue price for the Securities is payable in more than one instalment.

Securities subject to optional redemption by the Issuer – The Issuer may redeem the Securities prior to maturity.

Subordinated Notes (German law governed Securities only) – In the event of the insolvency or liquidation of the Issuer the Subordinated Notes will rank junior in priority of payment to all unsubordinated obligations and no amounts will be payable in respect of the Subordinated Notes until the claims of all unsubordinated creditors of the Issuer have been satisfied in full. Accordingly, there is a higher risk that an investor in Subordinated Notes will lose all or some of its investment should the Issuer become insolvent. In addition, no holder may set off its claims arising under the Securities against any claims of the Issuer. There will be no security in respect of the Securities.

Subordinated Notes are intended to qualify as Tier 2 instruments within the meaning of Art. 63 CRR means Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No 648/2012 (including any provisions of regulatory law supplementing this Regulation) ("**CRR**"); to the extent that any provisions of the CRR are amended or replaced, the term "CRR" shall refer to such amended provisions or successor provisions.

In the context of a Regulatory Bail-in the Subordinated Notes will be written down or converted to common equity tier 1 capital instruments of the Issuer before any non-subordinated liabilities of the Issuer are affected by such measures.

Minimum Redemption Securities (Exempt Securities only) – The redemption amount payable at maturity of the Securities will be no less than the stated minimum amount.

Form of the Securities

Any reference in this section to "Final Terms" shall be deemed to include, in respect of Exempt Securities only, a reference to "Pricing Supplement".

SECURITIES

The Securities of each Series will be in either bearer form ("**Bearer Securities**") without interest coupons attached or, in the case of definitive Securities and if applicable, with interest coupons attached, registered form ("**Registered Securities**") without interest coupons attached. Bearer Securities will be issued outside the United States in reliance on Regulation S under the Securities Act ("**Regulation S**") and Registered Securities will be issued both outside the United States in reliance on the exemption from registration provided by Regulation S and within the United States pursuant to the exemption from registration under Rule 144A.

Any reference herein to CBF, Euroclear, CBL, SIS, and/or DTC shall, whenever the context so permits, be deemed to include a reference to any permitted additional or alternative clearing system specified in the applicable Final Terms.

Bearer Securities

Each Tranche of Bearer Securities will be initially issued in the form of either a Temporary Global Bearer Security (a "**Temporary Global Bearer Security**") without interest coupons or, if so specified in the applicable Final Terms, a permanent bearer global security (a "**Permanent Bearer Global Security**" and, together with the Temporary Global Bearer Security, the "**Global Bearer Securities**") without interest coupons which, in either case, will:

- (i) if the Global Bearer Securities are intended to be issued in new global note ("**NGN**") form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the "**Common Safekeeper**") for Euroclear Bank SA/NV ("**Euroclear**"), Clearstream Banking SA ("**CBL**"); and
- (ii) if the Global Bearer Securities are not intended to be issued in NGN form, be delivered on or prior to the original issue date of the Tranche to Clearstream Banking AG, Frankfurt ("**CBF**") or SIX SIS AG ("**SIS**") or a common depositary (the "**Common Depositary**") for Euroclear and CBL.

Where the Global Securities issued in respect of any Tranche are in NGN form, the Final Terms or, as the case may be, Pricing Supplement will also indicate whether such Global Securities are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Securities are to be so held does not necessarily mean that the Securities of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The common safekeeper for NGNs will either be Euroclear or CBL or another entity approved by Euroclear and CBL.

Whilst any Bearer Security is represented by a Temporary Global Bearer Security, payments of principal, interest (if any) and any other amount payable in respect of the Bearer Securities due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Bearer Security if the Temporary Global Bearer Security is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Security are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or CBL and/or CBF and/or SIS and Euroclear and/or CBL and/or CBF and/or SIS, as applicable, has given a like certification (based on the certifications it has received) to the Fiscal Agent.

If the applicable Final Terms state that the Temporary Global Bearer Security is exchangeable for a Permanent Bearer Global Security, on and after the date (the "**Exchange Date**") which is forty days after a Temporary Global Bearer Security is issued, interests in such Temporary Global Bearer Security will be exchangeable (free of charge) as described in the Temporary Global Bearer Security either for (i) interests in a Permanent Bearer Global Security of the same Series or (ii) for definitive Bearer Securities of the same Series with, where applicable, interest coupons, receipts and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Bearer Securities, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given, provided that purchasers in the United States and certain U.S. persons will not be able to receive definitive Bearer Securities. The holder of a Temporary Global Bearer Security will not be entitled to collect any payment of principal, interest or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Bearer Security for an interest in a Permanent Bearer Global Security or for definitive Bearer Securities is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Bearer Global Security will be made through Euroclear and/or CBL or CBF or SIS (as the case may be, against presentation or surrender of the Permanent Bearer Global Security except in cases where the Permanent Bearer Global Security is intended to be issued in NGN form or other cases where the Permanent Bearer Global Security is directly held by the Clearing System) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Bearer Global Security will be exchangeable (free of charge), in whole or in part, for definitive Bearer Securities with, where applicable, interest coupons, receipts and talons attached upon either (A) not less than 60 days' written notice from Euroclear and/or CBL and/or CBF (acting on the instructions of any holder of an interest in such Permanent Bearer Global Security) to the Fiscal Agent as described therein or (B) only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (i) an Event of Default has occurred and is continuing, (ii) the Issuer has been notified that both Euroclear, CBL (in respect of Securities settled through Euroclear or CBL) or CBF (in respect of Securities settled through CBF) have been closed for business for a continuous period of fourteen days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Securities represented by the Permanent Bearer Global Security in definitive form. The Issuer will promptly give notice to Securityholders in accordance with § [15] of the Terms and Conditions if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or CBL or CBF (acting on the instructions of any holder of an interest in such Permanent Bearer Global Security) may give notice to the Fiscal Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Fiscal Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Fiscal Agent.

The following legend will appear on all Bearer Securities (other than Temporary Global Bearer Securities), interest coupons and receipts relating to such Securities where TEFRA D is specified in the applicable Final Terms or Pricing Supplement, as the case may be:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Securities, interest coupons or receipts and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Securities, interest coupons or receipts.

Securities which are represented by a Bearer Global Security will only be transferable in accordance with the rules and procedures for the time being of CBF, Euroclear, CBL or SIS, as the case may be.

Swiss Global Securities

The applicable Final Terms may specify that the Securities are represented by a Swiss Global Security. The Swiss Global Security will be deposited with the Swiss clearing system SIX SIS AG. The Swiss Global Security will be exchangeable for Definitive Securities only if the Swiss Paying Agent (as specified in the applicable Final Terms) should, after consultation with the Issuer, deem the printing of Definitive Securities to be necessary or useful, or if the presentation of Definitive Securities is required by Swiss or other applicable laws and regulations in connection with the enforcement of rights of Securityholders. In such cases, the printing of Definitive Securities will be free of charge for the Securityholders. Holders of Swiss Global Securities will not have the right to request delivery of Definitive Securities.

Payments of principal, interest (if any) or any other amounts on a Swiss Global Security will be made through SIS, as long as no Definitive Securities have been issued, without any requirement for certification.

Registered Securities

The Registered Securities of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a global security in registered form (a "**Regulation S Global Security**"). Prior to expiry of the distribution compliance period (as defined in Regulation S) applicable to each Tranche of Securities, beneficial interests in a Regulation S Global Security may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in the Annex for Registered Securities and may not be held otherwise than through Euroclear or CBL and such Regulation S Global Security will bear a legend regarding such restrictions on transfer.

The Registered Securities of each Tranche may only be offered and sold in the United States or to U.S. persons in private transactions to "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act ("**QIBs**"). The Registered Securities of each Tranche sold to QIBs will be represented by a global security in registered form (a "**Rule 144A Global Security**") and, together with a Regulation S Global Security, the "**Registered Global Securities**").

Registered Global Securities will either (i) be deposited with a custodian for, and registered in the name of a nominee of, the Depository Trust Company ("**DTC**") or (ii) be deposited with a common depository for Euroclear and CBL, and registered in the name of the common nominee for the Common Depository of, Euroclear and CBL, as specified in the applicable Final Terms. Persons holding beneficial interests in Registered Global Securities will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of definitive Securities in fully registered form.

The Rule 144A Global Security will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Payments of principal, interest and any other amount in respect of the Registered Global Securities will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in the Terms and Conditions) as the registered holder of the Registered Global Securities. None of the Issuer, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Securities in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant

Record Date (as defined in § 4 (*Payments*) of the Terms and Conditions) immediately preceding the due date for payment in the manner provided in that paragraph.

Interests in a Registered Global Security will be exchangeable (free of charge), in whole but not in part, for definitive Registered Securities without interest coupons, receipts or talons attached only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (i) an Event of Default has occurred and is continuing, (ii) in the case of Securities registered in the name of a nominee for DTC, either DTC has notified the Issuer that it is unwilling or unable to continue to act as depository for the Securities and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act, (iii) in the case of Securities registered in the name of a nominee for a common depository for Euroclear and CBL, the Issuer has been notified that both Euroclear and CBL have been closed for business for a continuous period of fourteen days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (iv) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Securities represented by the Registered Global Security in definitive form.

The Issuer will promptly give notice to Securityholders in accordance with § [15] of the Terms and Conditions if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, DTC, Euroclear and/or CBL (acting on the instructions of any holder of an interest in such Registered Global Security) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iv) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than ten days after the date of receipt of the first relevant notice by the Registrar. Where Registered Securities are only to be issued to non-U.S. persons outside the United States (pursuant to Regulation S or otherwise) an alternative Registrar should be appointed and amendments may be required to the Registered Security Annex and the Agency Agreement.

SECURITYHOLDERS AND TRANSFER OF INTERESTS

Interests in Global Securities

Interests in a Registered Global Security may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Security. No beneficial owner of an interest in a Registered Global Security will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and CBL, in each case to the extent applicable. **Registered Securities are also subject to the restrictions on transfer set forth therein and will bear a legend regarding such restrictions, see the section entitled "*Transfer and Selling Restrictions*".**

For so long as any of the English law governed Securities is represented by one or more Global Securities held by CBF or on behalf of Euroclear and/or CBL each person (other than Euroclear or CBL) who is for the time being shown in the records of CBF, Euroclear or of CBL as the holder of a particular principal amount of such Securities (in which regard any certificate or other document issued by CBF or Euroclear or CBL as to the principal amount of such Securities standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and its agents as the holder of such principal amount of such Securities for all purposes other than with respect to the payment of principal or interest on such principal amount of such Securities, for which purpose the bearer of the relevant Bearer Global Securities or the registered holder of the relevant Registered Global Security shall be treated by the Issuer and its agents as the holder of such principal amount of such Securities or Securities in accordance with and subject to the terms of the relevant Global Security or Security, as the case may be, and the expressions "**Noteholder**", "**Securityholder**", "**holder of Notes**", and "**holder of Securities**" and related expressions shall be construed accordingly.

So long as DTC or its nominee is the registered owner or holder of a Registered Global Security, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Securities represented by such Registered Global Security for all purposes under the Agency Agreement and such Securities except to the extent that in accordance with DTC's published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

ACCELERATION OF SECURITIES

A Security may be accelerated by the holder thereof in certain circumstances described in the "Events of Default" Condition of the Terms and Conditions. In such circumstances, where any Security is still represented by a Global Security and the Global Security (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Securities and redemption has not occurred in accordance with the provisions of the Global Security then holders of interests in such Global Security credited to accounts with Euroclear and/or CBL and/or CBF and/or SIS and/or DTC, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by CBF, Euroclear, CBL and DTC on and subject to, in respect of Securities governed by English law, the terms of a deed of covenant executed by the Issuer and dated 24 June 2016 (the "**Deed of Covenant**"). In addition, holders of interests in such Global Security credited to their accounts with DTC may require DTC to deliver definitive Securities in registered form in exchange for their interest in such Global Security in accordance with DTC's standard operating procedures.

FUNGIBLE ISSUES OF SECURITIES

Pursuant to the Agency Agreement (as defined under "*Terms and Conditions of the Securities*"), the Fiscal Agent shall arrange that, where a further tranche of Securities is issued which is intended to form a single Series with an existing tranche of Securities, the Securities of such further tranche shall be assigned a common code and International Securities Identification Number ("**ISIN**") and, where applicable, a Committee on Uniform Securities Identification Procedures ("**CUSIP**") and CUSIP International Number ("**CINS**"), Wertpapierkennnummer ("**WKN**") or Valorennummer, which are different from the common code, ISIN, WKN, CUSIP, CINS or Valorennummer assigned to Securities of any other Tranche of the same Series until the expiry of any applicable period that by law or regulation would require such Securities not to be fungible.

PFANDBRIEFE

The following is a description of some of the more fundamental principles governing the laws regarding Pfandbriefe and Pfandbrief Banks in summary form. It does not address all the laws' complexities and details. Accordingly, it is qualified in its entirety by reference to the applicable laws.

The Pfandbrief Act was published on 27 May 2005 and came into force on 19 July 2005. As from such date, the legislation accompanying the Pfandbrief Act, i. e., the Act on the Reorganisation of the Law on Pfandbriefe (*Gesetz zur Neuordnung des Pfandbriefrechts*), rescinded all existing special legislation regarding the Pfandbrief business in Germany, including, inter alia, (i) the Mortgage Bank Act applicable to the existing mortgage banks being specialist institutions authorised to issue Mortgage Pfandbriefe (*Hypothekendarlehen*) covered by mortgage loans as well as Public Sector Pfandbriefe (*Öffentliche Pfandbriefe*) covered by obligations of public sector debtors (and, in either case, by certain other qualifying assets), (ii) the Act on Pfandbriefe and Related Bonds of Public-Law Credit Institutions (*Gesetz über die Pfandbriefe und verwandten Schuldverschreibungen öffentlich-rechtlicher Kreditanstalten*) in the version as published on 9 September 1998, as amended, applicable to various types of public sector banks, including in particular the Landesbanken, in respect of Mortgage Pfandbriefe and Public Sector Pfandbriefe issued by them, and (iii) finally, the Ship Bank Act (*Schiffsbankengesetz*), as last amended on 5 April 2004, governing the operations of ship mortgage banks issuing Ship Mortgage Pfandbriefe (*Schiffspfandbriefe*). Also, since 19 July 2005, the Pfandbrief operations of the Issuer are subject to the Pfandbrief Act (*Pfandbriefgesetz*) dated 22 May 2005.

The Pfandbrief Act abolished the concept of specialist Pfandbrief institutions hitherto prevailing in respect of the existing mortgage banks and ship mortgage banks. It established a new and uniform regulatory regime for all German credit institutions. Since 19 July 2005, all German credit institutions are permitted, subject to authorisation and fulfilment of certain requirements of the Pfandbrief Act, to engage in the Pfandbrief business and to issue Mortgage Pfandbriefe, Public Sector Pfandbriefe as well as Ship Mortgage Pfandbriefe, and, since that date, existing mortgage banks and ship mortgage banks are authorised to engage in other types of banking transactions, eliminating the limitations in respect of the scope of their permitted business which existed in the past. The Pfandbrief Act thus created a level playing field for all German credit institutions, including the Landesbanken, operating as universal banks and engaged in the issuance of Pfandbriefe.

German credit institutions wishing to take up the Pfandbrief business must obtain special authorisation under the Banking Act (*Kreditwesengesetz*) from the German Federal Financial Supervisory Authority (*Bundesanstalt*

für Finanzdienstleistungsaufsicht, the **BaFin**) and, for that purpose, must meet some additional requirements as specified in the Pfandbrief Act.

Mortgage banks and ship mortgage banks, which were operating as such up to 19 July 2005 as well as public sector banks (including the *Landesbanken*) carrying on the Pfandbrief business up to such date, have all been grandfathered in respect of authorisation for the particular type of Pfandbrief business in which they were engaged at such time. They were required, though, to give a comprehensive notice to the BaFin by 18 October 2005, failing which the BaFin would have had the right to withdraw the authorisation. Mortgage banks and ship mortgage banks are since 19 July 2005 also authorised to engage in other banking transactions, including, inter alia, deposit taking, the extension of credits, the guarantee business, underwriting as well as others, up to then not permitted to be carried out by them, contrary to the *Landesbanken*, to which all types of banking transactions have always been open (subject to authorisation).

The operations of all banks engaged in the issuance of Pfandbriefe are since 19 July 2005 regulated by the Pfandbrief Act and the Banking Act, and are subject to the prudential supervision of the BaFin. In particular, the BaFin will carry out audits of the assets forming part of any Cover Pool, regularly in bi-annual intervals.

In 2009, the Pfandbrief Act was amended. Among other changes, the new Pfandbrief category of Airplane Mortgage Pfandbriefe was introduced, rules requiring a certain liquidity cushion of the Cover Pool from 1 November 2009 onwards were established, and the list of assets qualifying as Cover Pool for Public Sector Pfandbriefe was extended to include payment claims against certain qualifying public bodies in Switzerland, the United States of America, Canada or Japan.

The Pfandbrief Act was further amended in 2010 (in particular with respect to clarifications regarding the quality of Pfandbriefe in the case of insolvency of the Pfandbrief Bank), in 2013 and in 2015.

In this description, banks authorised to issue Pfandbriefe will generally be referred to as "Pfandbrief Banks" which is the term applied by the Pfandbrief Act.

Pfandbriefe are standardised debt instruments issued by a Pfandbrief Bank. The quality and standards of Pfandbriefe are strictly governed by provisions of the Pfandbrief Act and subject to the prudential supervision of the BaFin. Pfandbriefe generally are medium- to long-term bonds, typically with an original maturity of two to ten years, which are secured or "covered" at all times by a pool of specified qualifying assets (*Deckung*), as described below. Pfandbriefe are recourse obligations of the issuing bank, and no separate vehicle is created for their issuance or for the issuance of any specific series of Pfandbriefe. Pfandbriefe may not be redeemed at the option of the Holders prior to maturity.

Pfandbriefe may either be Mortgage Pfandbriefe, Public Sector Pfandbriefe, Ship Mortgage Pfandbriefe or Airplane Mortgage Pfandbriefe. The outstanding Pfandbriefe of any one of these types must be covered by a separate pool of specified qualifying assets: a pool for Mortgage Pfandbriefe only, a pool for Public Sector Pfandbriefe only, a pool covering all outstanding Ship Mortgage Pfandbriefe only and a pool covering all outstanding Airplane Mortgage Pfandbriefe only (each a **Cover Pool**). An independent cover pool monitor appointed by the BaFin has wide responsibilities in monitoring the compliance by the Pfandbrief Bank with the provisions of the Pfandbrief Act. In particular, the cover pool monitor shall ensure that the prescribed cover for the Pfandbriefe exists at all times and that the cover assets are recorded in the respective register. Prior to issue this will be certified by the cover pool monitor on the Pfandbrief certificate.

The aggregate principal amount of assets in any Cover Pool must at all times at least be equal to or greater than the aggregate principal amount of the outstanding Pfandbriefe issued against any such Cover Pool and the aggregate interest yield on any such Cover Pool must at all times be at least equal to or greater than the aggregate interest payable on all outstanding Pfandbriefe issued against such Cover Pool. In addition, the coverage of all outstanding Pfandbriefe with respect to principal and interest must at all times be ensured on the basis of the net present value (*Barwert*). Finally, the net present value of the assets contained in any Cover Pool must exceed the net present value of liabilities from the corresponding Pfandbriefe and derivatives by at least 2 per cent. (*sichernde Überdeckung*).

Such 2 per cent. excess cover must consist of highly liquid assets. Qualifying assets for the excess cover are, inter alia, (i) debt securities of Germany, a special fund of Germany, a German state, the European

Communities, another member state of the European Union, another contracting state on the agreement on the European Economic Area, the European Investment Bank, the International Bank for Reconstruction and Development, the Council of Europe Development Bank or the European Bank for Reconstruction and Development; (ii) debt securities of Switzerland, the United States of America, Canada or Japan, provided that the risk weighting such countries have received pursuant to a rating by an approved international rating agency is credit quality step 1 (according to table 1 of Article 114 (2) of Commission Regulation (EU) No. 575/2013); (iii) debt securities guaranteed by any of the foregoing institutions; and (iv) credit balances maintained with the European Central Bank, any central bank of a member state of the European Union or any other suitable credit institution having its registered office in one of the countries listed under (i) and (ii) above, provided that those have received a risk weighting in accordance with Article 119 (1) of Commission Regulation (EU) No. 575/2013 which is comparable with credit quality step 1 or, in case of initial maturities of up to 100 days, credit quality step 1 or 2 (each according to table 3 of Article 120 (1) or table 5 of Article 121 (1) of Commission Regulation (EU) No. 575/2013). In addition, to safeguard liquidity, a certain liquidity cushion must be established.

The Pfandbrief Bank must record in the register of cover assets for any Cover Pool of a given Pfandbrief type each asset and the liabilities arising from derivatives. Derivatives may be entered in such register only with the consent of the cover pool monitor and the counterparty.

In case that any cover asset recorded in the register of cover assets for any Cover Pool is intended for partial cover only, the register of cover assets must clearly state the amount of the intended cover and its status in relation to the part of the asset which is not intended for the Cover Pool.

The Pfandbrief Bank must command over an appropriate risk management system meeting the requirements specified in detail in the Pfandbrief Act and must comply with comprehensive disclosure requirements on a quarterly and annual basis set out in detail in the Pfandbrief Act.

Cover Pool for Mortgage Pfandbriefe

The cover pool for Mortgage Pfandbriefe mainly consists of mortgage loans with a ratio between the loan and the value of the underlying assets of not more than 60 per cent. This lending value is established by an expert of the Pfandbrief issuer who is not involved in the loan decision-making process in accordance with comprehensive value assessment rules on the basis of which the market value of a property is to be determined. Qualifying mortgages must encumber properties, rights equivalent to real property or such rights under a foreign legal system which are comparable with the equivalent rights under German law. The encumbered properties and the properties in respect of which the encumbered rights exist must be situated in a EU or EEA member state, in Switzerland, the United States of America, Canada, Japan, Australia, New Zealand or Singapore. Land charges and such foreign security interests which offer comparable security and entitle the relevant holder of Pfandbriefe to satisfy its claim also by realising the encumbered property or equivalent right rank equal with mortgages.

The cover pool covering Mortgage Pfandbriefe may also, to a limited extent, contain the following assets: (i) compensation claims converted into notes in bearer form, (ii) subject to certain restrictions the assets that may also be included in the 2 per cent. Excess Cover described above, up to a total of 10 per cent. of the aggregate amount of the outstanding Mortgage Pfandbriefe, (iii) notes that may also be included in the cover pool for Public Sector Pfandbriefe (e.g. notes of specified public sector debtors such as (without limitation) (a) the German Federal Government, the Federal States, political subdivisions and other suitable public law corporations within Germany, (b) EU or EEA member states and their central banks and political subdivisions, (c) the United States of America, Japan, Switzerland or Canada if they fulfil certain rating criteria, (d) political subdivisions of the countries listed under (c) above if such political subdivisions are equated by the competent authorities to the central state or if they fulfil certain rating criteria, (e) the European Central Bank and certain multilateral development banks and international organisations, (f) public authorities of EU or EEA member states, (g) public authorities of the countries listed under (c) above if such authorities are equated by the competent authorities to the central state or if they fulfil certain rating criteria, (h) entities for the liabilities of which any one of the public law entities referred to under (a) to (e) above or certain qualifying export credit insurance companies have assumed a full guarantee), up to a total of 20 per cent. of the aggregate amount of the outstanding Mortgage Pfandbriefe, with the cover assets set out under (ii) above being taken into account, and (iv) claims under derivative transactions concluded with specified suitable counterparties on the basis of standardised master agreements, provided that it is ensured that the claims under these derivative transactions

cannot be impaired in the event of insolvency of the Pfandbrief issuer or of the other cover pools held by it. The share of the Pfandbrief issuer's claims under the derivative transactions included in the cover pool in the total amount of the cover assets as well as the Pfandbrief issuer's share in the liabilities under these derivatives in the total amount of Mortgage Pfandbriefe outstanding plus the liabilities under these derivatives must not exceed 12 per cent., in each case, the calculation being made on the basis of their net present values.

Insolvency Proceedings

In the event of the institution of insolvency proceedings over the assets of the Pfandbrief Bank, any assets of a Cover Pool maintained by it and registered in the respective register of cover assets would not be part of the insolvency estate, and, therefore, such insolvency would not result in an insolvency of any Cover Pool. Only if at the same time or thereafter the relevant Cover Pool were to become insolvent, separate insolvency proceedings would be initiated against such Cover Pool by the BaFin. In this case, Holders of Pfandbriefe would have the first claim on the respective Cover Pool. Their preferential right would also extend to interest on the Pfandbriefe accrued after the commencement of insolvency proceedings. Furthermore, but only to the extent that Holders of Pfandbriefe suffer a loss, Holders would also have recourse to any assets of the Pfandbrief Bank not included in the Cover Pools. As regards those assets, Holders of the Pfandbriefe would rank equal with other unsecured and unsubordinated creditors of the Pfandbrief Bank.

Up to three administrators (*Sachwalter*, the **Administrator**) will be appointed in the case of the insolvency of the Pfandbrief Bank to administer each Cover Pool for the sole benefit of the Holders of Pfandbriefe. The Administrator will be appointed by the court having jurisdiction at the location of the head office of the Pfandbrief Bank at the request of the BaFin before or after the institution of insolvency proceedings. The Administrator will be subject to the supervision of the court and also of the BaFin with respect to the duties of the Pfandbrief Bank arising in connection with the administration of the assets included in the relevant Cover Pool. The Administrator will be entitled to dispose of the Cover Pool's assets and receive all payments on the relevant assets to ensure full satisfaction of the claims of the Holders of Pfandbriefe. To the extent, however, that those assets are obviously not necessary to satisfy such claims and in case that assets are not subject to the trustee's administration, the insolvency receiver of the Pfandbrief Bank is entitled to demand the transfer of such assets to the insolvency estate.

Subject to the consent of the BaFin, the Administrator may transfer all or part of the cover assets and the liabilities arising from the Pfandbriefe issued against such assets to another Pfandbrief Bank.

Jumbo Pfandbriefe

Jumbo Pfandbriefe are governed by the same laws as Pfandbriefe and therefore cannot be classified as a type of assets apart from Pfandbriefe. However, in order to improve the liquidity of the Pfandbrief market certain Pfandbrief issuers have agreed upon certain minimum requirements for Jumbo Pfandbriefe (*Mindeststandards von Jumbo-Pfandbriefen*) applicable to such Pfandbriefe which are issued as Jumbo Pfandbriefe. These minimum requirements are not statutory provisions. Instead, they should be regarded as voluntary self-restrictions which limit the options issuers have when structuring Pfandbriefe. The minimum requirements include the following provisions:

- (i) *Minimum issue size.* The minimum issue size of a Jumbo Pfandbrief is EUR 1 billion. If the minimum size is not reached within the initial issue, a Pfandbrief may be increased by way of a tap to give it Jumbo Pfandbrief status, provided all the requirements stated under Nos. ii to vii are fulfilled.
- (ii) *Format.* Only Pfandbriefe of straight bond format (i.e. fixed coupon payable annually in arrears, bullet redemption) may be offered as Jumbo Pfandbriefe.
- (iii) *Stock market listing.* Jumbo Pfandbriefe must be listed on a regulated market in an EU or EEA member state immediately after issue, or not later than 30 calendar days after the settlement date.
- (iv) *Syndicate banks.* Jumbo Pfandbriefe must be placed by a syndicate consisting of at least five banks (syndicate banks).

- (v) *Quoting.* The syndicate banks act as market makers; in addition to their own system, they pledge to quote prices upon application and bid/ask (two-way) prices at the request of investors on an electronic trading platform and in telephone trading.
- (vi) *Publishing of average spreads.* The syndicate banks pledge to report daily for each Jumbo Pfandbrief outstanding (life to maturity from 24 months upwards) the spread vs. asset swap. The average spreads, which are calculated for each Jumbo Pfandbrief by following a defined procedure, are published on the website of the Association of German Pfandbrief Banks (*Verband Deutscher Pfandbriefbanken*, vdp).
- (vii) *Transfer and buyback.* A subsequent transfer to the name of an investor is not permitted (restriction on transferability). It is permitted to buy back securities for redemption purposes or for cover pool monitor administration if the outstanding volume of the issue does not fall below EUR 1 billion at any time. The issuer must publicly announce any buyback, the planned volume thereof and the issue envisaged for repurchase at least 3 banking days in advance, and make sure that extensive transparency is given in the market. After a buyback transaction it is not permitted to tap the issue in question for a period of one year.
- (viii) *Loss of status.* If one of the aforementioned requirements is not met, the issue will lose its Jumbo Pfandbrief status. Jumbo Pfandbriefe that were issued before 28 April 2004, and have a volume of less than EUR 1 billion retain the status of a Jumbo Pfandbrief notwithstanding the requirements set out under **Error! Reference source not found.** if the other aforementioned provisions are met.

The minimum requirements are supplemented by additional recommendations (*Empfehlungen*) and a code of conduct applicable to issuers of Jumbo Pfandbriefe (*Wohlverhaltensregeln für Emittenten und Syndikatsbanken*). Neither the recommendations nor the code of conduct are statutory provisions.

With the consent of the BaFin, the administrator may transfer all or part of the Pfandbrief liabilities and the corresponding cover assets to another Pfandbrief issuer.

IN CASE OF ENGLISH LAW SECURITIES LINKED TO AN UNDERLYING EQUITY OR A BASKET OF UNDERLYING EQUITIES WHICH ARE (I) PHYSICALLY SETTLED, OR (II) CASH SETTLED AND/OR PHYSICALLY SETTLED THE FOLLOWING APPLIES:

[(2)] *Settlement.*

- (a) In order to obtain delivery of the Asset Amount(s) in respect of a Security (i) if such Security is represented by a Global Security, the Securityholder must deliver to the relevant Clearing System, with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date (as defined below), a duly completed Asset Transfer Notice or (ii) if such Security is a Definitive Security, the Securityholder must deliver to any Paying Agent with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice.

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Paying Agent.

An Asset Transfer Notice may only be delivered if such Security is represented by a Global Security in such manner as is acceptable to the relevant Clearing System or, if such Security is a Definitive Security, in writing or by tested telex together with the Securities to which the relevant Asset Transfer Notice relates.

An Asset Transfer Notice must:

- (i) specify the name and address of the Securityholder, the person from whom the Issuer may obtain details for the delivery of the Asset Amount and any details required for delivery of the Asset Amount;

⁷⁶ Only applicable in case of Exempt Securities.

⁷⁷ Only applicable in case of Exempt Securities.

- (ii) if such Security is represented by a Global Security, specify the principal amount of Securities which are the subject of such notice and the number of the Securityholder's account at the relevant Clearing System to be debited with such Securities and irrevocably instruct and authorise the relevant Clearing System to debit the Securityholder's account with such Securities on or before the Delivery Date;
- (iii) include an undertaking to pay all Delivery Expenses and if the Security is represented by a Global Security, an authority to debit a specified account of the Securityholder at the relevant Clearing System in respect thereof and to pay such Delivery Expenses;
- (iv) specify an account to which dividends (if any) payable pursuant to this subsection or any other cash amounts are to be paid; and
- (v) authorise the production of such notice in any applicable administrative or legal proceedings.

[(vi)] [additional requirements]

No Asset Transfer Notice may be withdrawn after receipt thereof by the relevant Clearing System or a Paying Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the Securityholder may not transfer the Securities which are the subject of such notice.

In case of Securities represented by a Global Security, upon receipt of such notice, the relevant Clearing System shall verify that the person specified therein as the Securityholder is the holder of the specified principal amount of Securities according to its books.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made in case of Securities represented by a Global Security by the relevant Clearing System after consultation with the Issuer and shall be conclusive and binding on the Issuer and the Securityholder and, if such Security is a Definitive Security, by the relevant Paying Agent after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the Securityholder.

- (b) Delivery of the Asset Amount in respect of each Security shall be [made at the risk of the Securityholder in such commercially reasonable manner as the Calculation Agent shall in its [sole discretion] determine and notify to the person designated by the Securityholder in the relevant Asset Transfer Notice] **[alternative manner of delivery]**.

In relation to each Security which is to be redeemed by delivery of the Asset Amount, the Asset Amount will be delivered at the risk of the Securityholder, in the manner provided above on the Maturity Date (such date, subject to adjustment in accordance with this § [6] the "**Delivery Date**"), provided that the Asset Transfer Notice is duly

delivered to the Clearing System or any Paying Agent, as the case may be, with a copy to the Issuer, as provided above, not later than the close of business in each place of receipt on **[Cut-Off Date]** (the "**Cut-Off Date**").

If the Securityholder fails to give an Asset Transfer Notice as provided herein with a copy to the Issuer, not later than the close of business in each place of receipt on the Cut-Off Date, then the Asset Amount will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Delivery Date) at the risk of the relevant Securityholder in the manner provided above. For the avoidance of doubt, in such circumstances the relevant Securityholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the originally designated Delivery Date and no liability in respect thereof shall attach to the Issuer.

- (c) All Delivery Expenses arising from the delivery of the Asset Amount in respect of the Securities shall be for the account of the Securityholder and no delivery of the Asset Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by the Securityholder.

After delivery of the Asset Amount and for such period of time as any person other than the relevant Securityholder shall continue to be registered as the legal owner of any such securities or other obligations comprising the Asset Amount ("**Intervening Period**"), none of the Issuer, the Calculation Agent nor any other person shall at any time (i) be under any obligation to deliver or procure delivery to the Securityholder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities or obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities or obligations or (iii) be under any liability to the Securityholder in respect of any loss or damage which the Securityholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations.

If, prior to the delivery of the Asset Amount in accordance with this § [6], a Settlement Disruption Event is subsisting, then the Delivery Date in respect of such Security shall be postponed until the date on which no Settlement Disruption Event is subsisting and notice thereof shall be given to the Securityholder, in accordance with § [15]. The Securityholder shall not be entitled to any payment, whether of interest or otherwise, on such Security as a result of any delay in the delivery of the Asset Amount pursuant to this paragraph. Where delivery of the Asset Amount has been postponed as provided in this paragraph the Issuer shall not be in breach of these Conditions and no liability in respect thereof shall attach to the Issuer.

For so long as delivery of the Asset Amount in respect of any Security is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment to the Securityholder of the Disruption Cash Settlement Price (as defined below) not later than on the third Business Day following the date that

the notice of such election (the "**Election Notice**") is given to the Securityholders in accordance with § [15]. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Securityholders in accordance with § [15].

Where the Asset Amount is, in the determination of the Issuer, an amount other than an amount of the Relevant Assets capable of being delivered, the Securityholders will receive an Asset Amount comprising of the nearest number (rounded down) of the Relevant Assets capable of being delivered by the Issuer (taking into account that a Securityholder's entire holding may be aggregated at the Issuer's discretion for the purpose of delivering the Asset Amounts), and an amount in the Specified Currency which shall be the value of the amount of the Relevant Assets so rounded down, as calculated by the Calculation Agent in a fair and commercially reasonable manner from such source(s) as it may select (converted if necessary into the Specified Currency by reference to such exchange rate as the Calculation Agent deems appropriate). Payment will be made in such manner as shall be notified to the Securityholders in accordance with § [15].

For the purposes of the Securities (i) the Issuer shall be under no obligation to register or procure the registration of the Securityholder or any other person as the registered shareholder in the register of members of the Equity Issuer, (ii) the Issuer shall not be obliged to account to any Securityholder or any other person for any entitlement received or that is receivable in respect of Underlying Equities comprising the Asset Amount in respect of any Security if the date on which the Underlying Equities are first traded on the Relevant Exchange ex such entitlement is on or prior to the Maturity Date and (iii) any interest, dividend or other distribution in respect of any Asset Amount will be payable to the party that would receive such interest, dividend or other distribution according to market practice for a sale of the Underlying Equities executed on the Delivery Date and to be delivered in the same manner as the Asset Amount. Any such interest, dividend or other distribution to be paid to the Securityholder shall be paid to the account specified in the Asset Transfer Notice.

The following definitions shall apply:

"Asset Transfer Notice" means an asset transfer notice substantially in the form set out in the Agency Agreement.

§ 7 MARKET DISRUPTION

IF THE SECURITIES ARE LINKED TO A SINGLE INDEX OR A BASKET OF INDICES THE FOLLOWING APPLIES:

If, in the opinion of the Calculation Agent, [the Valuation Date] [or] [the] [an] [Underlying Determination Date] is a Disrupted Day,

[If the Securities relate to a single Index the following applies: the [Valuation Date] [or] [relevant] [Underlying Determination Date] [, as the case may be] shall be postponed to the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the eight Scheduled Trading Days immediately following the [Scheduled Valuation Date] [or] [Scheduled Underlying Determination Date] [, as the case may be] is a Disrupted Day. In that case (i) the eighth Scheduled Trading Day shall be deemed to be the [Valuation Date] [or] [relevant] [Underlying Determination Date] [, as the case may be], notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the [Reference Price] [relevant] [Determination Price] by determining the level of the Index as of the [Valuation Time] [Determination Time] on that eighth Scheduled Trading Day in accordance with the formula for and method of calculating the Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted price as of the [Valuation Time] [Determination Time] on that eighth Scheduled Trading Day of each security comprised in the Index (or, if an event giving rise to a Disrupted Day has occurred in respect of the relevant security on that eighth Scheduled Trading Day, its good faith estimate of the value for the relevant security as of the [Valuation Time] [Determination Time] on that eighth Scheduled Trading Day).]

[in case of Index Linked Interest Securities: "Determination Time" means [●] [the Scheduled Closing Time on the relevant Exchange on the Underlying Determination Date in relation to [each Index to be valued] [the Index]. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Determination Time is after the actual closing time for its regular trading session, then the Determination Time shall be such actual closing time.]

- (b) in relation to an Index which is a Multi-Exchange Index, the closure on any Exchange Business Day of the Exchange in respect of any Component Security or the Related Exchange prior to its Scheduled Closing Time unless such earlier closing is announced by such Exchange or Related Exchange (as the case may be) at least one hour prior to the earlier of: (i) the actual closing time for the regular trading session on such Exchange or Related Exchange (as the case may be) on such Exchange Business Day; and (ii) the submission deadline for orders to be entered into the relevant Exchange or Related Exchange system for execution at the relevant [Valuation Time] [Determination Time] on such Exchange Business Day.

For the purposes of determining whether a Market Disruption Event in respect of an Index exists at any time, if a Market Disruption Event occurs in respect of a security included in the Index or such Component Security at any time, then the relevant percentage contribution of that security or Component Security, as the case may be, to the level of the Index shall be based on a comparison of (i) the portion of the level of the Index attributable to that security or Component Security, as the case may be, and (ii) the overall level of the Index, in each case either (x) except where the Index is not a Multi-Exchange Index, immediately before the occurrence of such Market Disruption Event or (y) where that Index is a Multi-Exchange Index, using the official opening weightings as published by the Index Sponsor as part of the market "opening data".

IF THE
SECURITIES ARE
LINKED TO AN
INDEX OR A
BASKET OF
INDICES THE
FOLLOWING
APPLIES:

- (1) *Successor Index.* If [the] [an] Index is (a) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (b) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the "**Successor Index**" and in respect of each Successor Index, the relevant "**Successor Index Sponsor**") will be deemed to be the Index.
- (2) Modification and Cessation of Calculation of an Index.

If:

(a) [the] [an] Index Sponsor makes or announces on or prior to [the Valuation Date] [the] [an] [Underlying Determination Date] that it will make a material change in the formula for or the method of calculating

the [relevant] Index or in any other way materially modifies the [relevant] Index (other than a modification prescribed in that formula or method to maintain the [relevant] Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an "**Index Modification**"); or

- (b) [the] [an] Index Sponsor permanently cancels the [relevant] Index and no Successor Index exists (an "**Index Cancellation**"); or
- (c) [the] [an] Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce on [the Valuation Date] [the] [an] [Underlying Determination Date] [a] [the] [relevant] Index (an "**Index Disruption**" and, together with an Index Modification and an Index Cancellation, each an "**Index Adjustment Event**"),

then:

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Securities and, if so, shall calculate the [Reference Price] [relevant] [Determination Price] [and/or] [the Initial Price] [and/or] [the Rate of Interest] using, in lieu of a published level for that Index, the level for that Index as at the [Valuation Time on the Valuation Date] [Determination Time on the Underlying Determination Date] as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities that comprised that Index immediately prior to that Index Adjustment Event; or
- (ii) the Issuer shall, on giving notice to the Securityholders in accordance with § [15], redeem all, but not some only, of the Securities, each principal amount of Securities equal to [**in case of German law Securities the following applies:** the Specified Denomination] [**in case of English law Securities the following applies:** the Calculation Amount] being redeemed at the Early Redemption Amount.

Upon the occurrence of an Index Adjustment Event, the Calculation Agent shall give notice as soon as practicable to Securityholders in accordance with § [15], giving details of the action proposed to be taken in relation thereto.]

IF THE SECURITIES ARE LINKED TO AN UNDERLYING EQUITY OR A BASKET OF UNDERLYING EQUITIES THE FOLLOWING APPLIES:

- [(1)] **[if Potential Adjustment Events applies: *Potential Adjustment Event*.** Following the declaration by [the] [an] Equity Issuer of the terms of any Potential Adjustment Event, the Calculation Agent will, in a fair and commercially reasonable manner, determine whether such Potential Adjustment Event has a diluting, concentrative or other effect on the theoretical value of the Underlying Equity and, if so, will (a) make the corresponding adjustment, if any, to any one or more of [the Reference Price] [the [relevant] Determination Price] [and/or the Initial Price] [and/or] [the Rate of Interest] [and/or] [the Redemption Amount] [and/or] [the Strike Price] [and/or the Multiplier] and/or any of the other terms of these Conditions as the Calculation Agent in a fair and commercially reasonable manner determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Underlying Equity) and (b) determine the effective date of that adjustment. The Calculation Agent may (but

need not) determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Underlying Equity traded on that options exchange.

Upon making any such adjustment, the Calculation Agent shall give notice as soon as practicable to the Securityholders in accordance with § [15], stating the adjustment to [the Reference Price] [the [relevant] Determination Price] [and/or the Initial Price] [and/or] [the Rate of Interest] [and/or] [the Redemption Amount] [and/or] [the Strike Price] [and/or the Multiplier] and/or any of the other terms of these Conditions and giving brief details of the Potential Adjustment Event.]

[(2)] **[If the Securities relate to Underlying Equities quoted, listed and/or dealt as of the Trade Date in a currency of a member state of the European Union other than Euro: Euro conversion.** If any Underlying Equity is at any time after the Trade Date quoted, listed and/or dealt exclusively in Euro on the [relevant Exchange] **[the following applies if no Exchange is specified:** principal market on which such Underlying Equity is traded], then the Calculation Agent will adjust any one or more of [the Reference Price] [the [relevant] Determination Price] [and/or the Initial Price] [and/or] [the Rate of Interest] [and/or] [the Redemption Amount] [and/or] [the Strike Price] [and/or the Multiplier] and/or any of the other terms of these Conditions as the Calculation Agent determines in a fair and commercially reasonable manner to be appropriate to preserve the economic terms of the Securities. The Calculation Agent will make any conversion necessary for purposes of any such adjustment as of the [Valuation Time] [Determination Time] at an appropriate mid-market spot rate of exchange determined by the Calculation Agent prevailing as of the [Valuation Time] [Determination Time]. No adjustments under this provision will affect the currency denomination of any payment obligation arising out of the Securities.]

[(3)] **[De-listing, Merger Event, Nationalisation [,] [and] Insolvency] [and] [Tender Offer].** If [a De-listing, Merger Event, Nationalisation [,] [or] Insolvency] [or [Tender Offer] occurs[, in each case,] in relation to an Underlying Equity, the Issuer in its sole and absolute discretion may either:

- (a) require the Calculation Agent to determine in a fair and commercially reasonable manner the appropriate adjustment, if any, to be made to any one or more of [the Reference Price] [the [relevant] Determination Price] [and/or] [the Initial Price] [and/or] [the Rate of Interest] [and/or] [the Redemption Amount] [and/or] [the Strike Price] [and/or the Multiplier] and/or any of the other terms of these Conditions to account for the [De-listing, Merger Event, Nationalisation [,] [or] Insolvency] [or [Tender Offer], as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the [De-listing, Merger Event, Nationalisation [,] [or] Insolvency] [or [Tender Offer], as the case may be, made by an options exchange to options on the Underlying Equity traded on that options exchange; or
- (b) on giving notice to the Securityholders in accordance with § [15], redeem all but not some only of the Securities, each principal amount of Securities equal to **[in case of German law Securities the following applies:** the Specified Denomination] **[in case of English law Securities the following applies:** the Calculation Amount] being redeemed at the Early Redemption Amount.

Upon the occurrence of a [De-listing, Merger Event, Nationalisation [or]

[.] Insolvency] [or] [Tender Offer], the Calculation Agent shall give notice as soon as practicable to the Securityholders in accordance with § [15] stating the occurrence of the [De-listing, Merger Event, Nationalisation [.] [or] Insolvency [or] [Tender Offer], as the case may be, giving details thereof and the action proposed to be taken in relation thereto.]

INFLATION INDEX
OR A BASKET OF
INFLATION**

- (1) *Delay in Publication.* If the Calculation Agent determines that a Delayed Index Level Event in respect of an Index has occurred with respect to any Determination Date, then the Relevant Level for such Index the subject of such Delayed Index Event (the "**Substitute Index Level**") shall be determined by the Calculation Agent [the following applies if Related Bond is not applicable: by reference to the following formula:] [the following applies if Related Bond

**INDICES THE
FOLLOWING

is applicable: as follows:

- (a) the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond; or
- (b) if the Calculation Agent is not able to determine a Substitute Index Level under (a) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:]

Substitute Index Level = Base Level x (Latest Level/Reference Level)

where:

"Base Level" means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined.

"Latest Level" means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined.

"Reference Level" means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall give notice to the Securityholders in accordance with § [15] of any Substitute Index Level calculated pursuant to this § [8](1).

- (2) *Cessation of Publication.* If a level for the Inflation Index has not been published or announced for two consecutive months or the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index then the Calculation Agent shall determine a successor index (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Securities by using the following methodology:

- (i) **[the following applies if Related Bond is applicable:** if at any time, a successor index has been designated by the Calculation Agent pursuant to the terms and conditions of the Related Bond, such successor index shall be designated a "Successor Index" notwithstanding that any other Successor Index may previously have been determined under sub-paragraphs (ii), (iii) or (iv) below; or]
- (ii) if **[the following applies if Related Bond is applicable:** a Successor Index has not been determined pursuant to § [8]((2)(i)] and] a notice has been given or an announcement has been made by the Inflation Index Sponsor, specifying that the Inflation Index will be superseded by a replacement Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Securities from the date that such replacement Inflation Index comes into effect; or

- (iii) if a Successor Index has not been determined pursuant to § [8](2)(i) **[the following applies if Related Bond is applicable: or § [8](2)(ii)]**, the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If three responses are received, and two or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If fewer than three responses are received, the Calculation Agent will proceed to § [8](2)(iv); or
 - (iv) if no replacement index or Successor Inflation Index has been deemed under § [8](2)(i), § [8](2)(ii) **[the following applies if Related Bond is applicable: or § [8](2)(iii)]**, by the next occurring Cut-Off Date the Calculation Agent will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed a "Successor Inflation Index"; or
 - (v) if the Calculation Agent determines that there is no appropriate alternative index, in relation to Securities, the Issuer shall give notice to the Securityholders in accordance with § [15] and redeem all but not some only of the Securities, each principal amount of Securities equal to **[in case of German law Securities the following applies: the Specified Denomination] [in case of English law Securities the following applies: the Calculation Amount]** being redeemed at the Early Redemption Amount.
- (3) *Rebasing of the Inflation Index.* If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "**Rebased Index**") will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall make adjustments **[the following applies if Related Bond is applicable: as are made by the calculation agent pursuant to the terms and conditions of the Related Bond]** to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Index before it was rebased.
- (4) *Material Modification Prior to Last Occurring Cut-Off.* If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make **[the following applies if Related Bond is applicable: any such adjustments consistent with adjustments made to the Related Bond] [the following applies if Related Bond is not applicable: only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation Index]**.
- (5) *Definitions.* For the purposes of this § [8] the following definitions shall apply:
- "**Cut-Off Date**" means, in respect of a Determination Date, **[●]** [five Business Days prior to such Determination Date].
- "**Delayed Index Level Event**" means, in respect of any Determination Date and an Inflation Index, that the relevant Index Sponsor fails to publish or announce the level of such Index (the "**Relevant Level**") in respect of any Reference Month which is to be utilised in any calculation or determination to be made by the Issuer in respect of such Determination Date, at any time on or prior to the

Cut-Off Date.

"Determination Date" means [●].

[the following applies if Related Bond is applicable: "End Date" means: [●].

"Fallback Bond" means, in respect of an Inflation Index, a bond selected by the Calculation Agent and issued by the government of the country to whose level of inflation the relevant Inflation Index relates and which pays a coupon or redemption amount which is calculated by reference to such Inflation Index, with a maturity date which falls on (a) the same day as the End Date, (b) the next longest maturity after the End Date if there is no such bond maturing on the End Date, or (c) the next shortest maturity before the End Date if no bond defined in (a) or (b) is selected by the Calculation Agent. **[If the relevant Inflation Index relates to the level of inflation across the European Monetary Union:** the Calculation Agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Italy, Germany or Spain and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union.] In each case, the Calculation Agent will select the Fallback Bond from those inflation linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Fallback Bond redeems, the Calculation Agent will select a new Fallback Bond on the same basis, but selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged).]

"Reference Month" means the calendar month for which the level of the Inflation Index was reported, regardless of when this information is published or announced. If the period for which the Relevant Level was reported is a period other than a month, the Reference Month shall be the period for which the Relevant Level was reported.

Der Satz von Emissionsbedingungen für jede dieser Optionen enthält bestimmte weitere Optionen, die entsprechend gekennzeichnet sind, indem die jeweilige optionale Bestimmung durch Instruktionen und Erklärungen entweder in der linken Spalte der Emissionsbedingungen oder in eckigen Klammern innerhalb der Emissionsbedingungen bezeichnet wird.

In den Endgültigen Bedingungen (bzw. im Konditionenblatt im Fall von Befreiten Schuldverschreibungen) wird die Emittentin festlegen, welche der Option I, Option II, Option III, Option IV oder Option V (einschließlich der jeweils darin enthaltenen bestimmten weiteren Optionen) für die einzelne Emission von Schuldverschreibungen Anwendung findet, indem entweder die betreffenden Angaben wiederholt werden oder auf die betreffenden Optionen verwiesen wird.

Soweit die Emittentin zum Zeitpunkt der Billigung des Debt Issuance Programme Prospekts keine Kenntnis von bestimmten Angaben hatte, die auf eine einzelne Emission von Schuldverschreibungen anwendbar sind und bei denen es sich um Kategorie B oder C Informationen gemäß der EU Prospektverordnung (EG 809/2004) handelt, enthält dieser Prospekt Leerstellen in eckigen Klammern, die die maßgeblichen durch die Endgültigen Bedingungen (bzw. das Konditionenblatt im Fall von Befreiten Schuldverschreibungen) zu vervollständigenden Angaben enthalten.

Emissionsbedingungen für Festverzinsliche Anleihen und Nullkupon-Anleihen (Option I)

Diese Serie von Anleihen (die "**Schuldverschreibungen**") wird gemäß einem Zahlstellenvertrag vom 24. Juni 2016 (einschließlich einer etwaigen geänderten, ergänzten und/oder neu gefassten Fassung dieses Vertrags, das "**Agency Agreement**") begeben, der unter anderem zwischen Deutsche Bank Aktiengesellschaft als Emittentin und Deutsche Bank Aktiengesellschaft als Fiscal Agent und den anderen darin genannten Parteien geschlossen wurde. Kopien des Agency Agreement können kostenfrei bei der bezeichneten Geschäftsstelle des Fiscal Agent, der bezeichneten Geschäftsstelle jeder Zahlstelle sowie der Hauptgeschäftsstelle der Emittentin bezogen werden.

Die Gläubiger der Schuldverschreibungen [und] [,] [die Inhaber von Zinsscheinen] [und] [die Inhaber von Rückzahlungsscheinen] sind berechtigt, Rechte aus der von der Emittentin ausgefertigten Deed of Covenant (die "**Deed of Covenant**") vom 24. Juni 2016 auszuüben. Das Original der Deed of Covenant wird von **[im Fall von Globalurkunden im CGN-Format gilt Folgendes:** der gemeinsamen Verwahrstelle (*common depository*)] **[im Fall von Globalurkunden im NGN-Format gilt Folgendes:** dem gemeinsamen Verwahrer (*common safekeeper*)] für die Clearing Systeme verwahrt.

FALLS DIE SCHULDVER- SCHREIBUNGEN DURCH DEUTSCHE BANK AG, FILIALE NEW YORK GARANTIERT WERDEN, GILT FOLGENDES:

Die Zahlung aller in Bezug auf die Schuldverschreibungen zahlbaren Beträge wird von Deutsche Bank AG, Filiale New York, als Garantin (die "**Garantin**") gemäß einer von der Garantin am oder vor dem Emissionstag unterzeichneten Garantieerklärung (*deed of guarantee*) (die "**Garantie**"), die englischem Recht unterliegt und dem im Agency Agreement enthaltenen Muster entspricht, garantiert. Das Original der Garantie wird vom Fiscal Agent für die Gläubiger der Schuldverschreibungen [,] [und] [die Inhaber von Zinsscheinen] [und] [die Inhaber von Rückzahlungsscheinen] in seiner bezeichneten Geschäftsstelle verwahrt werden.

FALLS DIE IN DIESER OPTION I AUFGEFÜHRTEN EMISSIONS- BEDINGUNGEN NICHT IN DEN ENDGÜLTIGEN BEDINGUNGEN WIEDERHOLT UND VERVOLL- STÄNDIGT WERDEN, GILT FOLGENDES:

Für jede Tranche von Schuldverschreibungen, bei denen es sich nicht um Befreite Schuldverschreibungen (wie nachstehend definiert) handelt, gelten endgültige Bedingungen (jeweils die "**Endgültigen Bedingungen**"), und für jede Tranche von Befreiten Schuldverschreibungen gilt ein Konditionenblatt (jeweils ein "**Konditionenblatt**"), sofern nichts anderes bestimmt ist. Jede Bezugnahme in diesen Bedingungen auf die "Endgültigen Bedingungen" ist auch als Bezugnahme auf das "Konditionenblatt" zu verstehen (soweit anwendbar). Die Bestimmungen der nachstehenden Bedingungen gelten für die Schuldverschreibungen in der jeweils durch die Bestimmungen von Teil I der anwendbaren Endgültigen Bedingungen vervollständigten Form oder, sofern die Schuldverschreibungen weder zum Handel an einem geregelten Markt innerhalb des Europäischen Wirtschaftsraums zugelassen sind noch im Europäischen Wirtschaftsraum in Fällen angeboten werden, in denen nach Maßgabe der Prospektrichtlinie die Veröffentlichung eines Prospekts vorgeschrieben ist ("**Befreite Schuldverschreibungen**"), wie jeweils durch das anwendbare Konditionenblatt für die Zwecke der Schuldverschreibungen ergänzt, ersetzt oder geändert. "**Prospektrichtlinie**" bezeichnet die Richtlinie 2003/71/EG (in der jeweils geltenden Fassung, einschließlich der Änderungen durch die Richtlinie 2010/73/EU) und umfasst alle maßgeblichen Umsetzungsmaßnahmen in einem maßgeblichen Mitgliedstaat des Europäischen Wirtschaftsraums. Die Leerstellen in den auf die Schuldverschreibungen anwendbaren Bestimmungen dieser Bedingungen gelten als durch die in den Endgültigen Bedingungen enthaltenen Angaben ausgefüllt, als ob diese Angaben in die betreffenden Bestimmungen eingefügt wären; alternative oder wählbare

Bestimmungen dieser Bedingungen, deren Entsprechungen in den Endgültigen Bedingungen nicht ausdrücklich ausgefüllt oder die gestrichen sind, gelten als aus diesen Bedingungen gestrichen; sämtliche auf die Schuldverschreibungen nicht anwendbaren Bestimmungen dieser Bedingungen (einschließlich der Anweisungen, Anmerkungen und der Texte in eckigen Klammern) gelten als aus diesen Bedingungen gestrichen, so dass die Bestimmungen der Endgültigen Bedingungen Geltung erhalten.

Zweck der Schuldverschreibungen ist es, der Emittentin als Ergänzungskapital zu dienen.

Die Schuldverschreibungen begründen nicht besicherte, nachrangige Verbindlichkeiten der Emittentin, die untereinander und mit allen anderen nachrangigen Verbindlichkeiten der Emittentin gleichrangig sind, soweit nicht gesetzliche Vorschriften oder die Bedingungen anderer Verbindlichkeiten eine andere Regelung vorsehen. Im Fall von Abwicklungsmaßnahmen in Bezug auf die Emittentin und im Fall der Auflösung, der Liquidation oder der Insolvenz der Emittentin oder eines Vergleichs oder eines anderen der Abwendung der Insolvenz dienenden Verfahrens gegen die Emittentin gehen die Verbindlichkeiten aus den Schuldverschreibungen den Ansprüchen dritter Gläubiger der Emittentin aus nicht nachrangigen Verbindlichkeiten im Range vollständig nach, so dass Zahlungen auf die Schuldverschreibungen solange nicht erfolgen, wie die Ansprüche dieser dritten Gläubiger der Emittentin aus nicht nachrangigen Verbindlichkeiten nicht vollständig befriedigt sind. Kein Gläubiger der Schuldverschreibungen ist berechtigt, mit Ansprüchen aus den Schuldverschreibungen gegen Ansprüche der Emittentin aufzurechnen. Den Gläubigern der Schuldverschreibungen wird für ihre Rechte aus den Schuldverschreibungen weder durch die Emittentin noch durch Dritte irgendeine Sicherheit oder Garantie gestellt; eine solche Sicherheit oder Garantie wird auch zu keinem späteren Zeitpunkt gestellt werden.

- (c) *Einreichung von Zinsscheinen.* Jede Schuldverschreibung, die mit beigelegten Zinsscheinen ausgegeben wurde, ist zur endgültigen Rückzahlung vorzulegen und, außer im Fall einer Teilzahlung des Rückzahlungsbetrags, zusammen mit allen zugehörigen, noch nicht fälligen Zinsscheinen einzureichen; erfolgt dies nicht, wird der Betrag der fehlenden, noch nicht fälligen Zinsscheine (oder, falls die Zahlung nicht in voller Höhe erfolgt, der Anteil des Gesamtbetrags solcher fehlenden Zinsscheine, der dem Verhältnis zwischen dem tatsächlich gezahlten Rückzahlungsbetrag und dem insgesamt fälligen Rückzahlungsbetrag entspricht) von dem ansonsten bei der Rückzahlung fälligen Betrag abgezogen. Werden Schuldverschreibungen mit einer Fälligkeit und einem [Zinssatz] [Zinssätzen] begeben, die dazu führen würden, dass der wie vorstehend beschrieben in Abzug zu bringende Betrag den ansonsten zu zahlenden Rückzahlungsbetrag übersteigt, wenn bei Vorlage der betreffenden Einzelurkunde zur Zahlung die noch nicht fälligen Zinsscheine nicht beigelegt sind und nicht mit eingereicht werden, so werden diese noch nicht fälligen Zinsscheine (unabhängig davon, ob sie beigelegt sind oder nicht) zum Zeitpunkt der Fälligkeit solcher Einzelurkunden zur Rückzahlung insoweit ungültig (und es werden diesbezüglich keine Zahlungen geleistet), insoweit dies erforderlich ist, damit der gemäß der vorstehenden Regelung in Abzug zu bringende Betrag den ansonsten zur Zahlung fälligen Rückzahlungsbetrag nicht übersteigt. Sofern die Anwendung des vorstehenden Satzes die Entwertung einiger, aber nicht sämtlicher noch nicht fälliger zu einer Einzelurkunde gehörenden Zinsscheine erfordert, bestimmt die betreffende Zahlstelle, welche nicht fälligen Zinsscheine ungültig werden sollen, wobei zu diesem Zweck später fällige Zinsscheine vor früher fälligen Zinsscheinen für ungültig zu erklären sind.

[Falls kein Gemeinsamer Vertreter in den Bedingungen bestellt wird und die Gläubiger einen Gemeinsamen Vertreter durch Mehrheitsbeschluss bestellen können, gilt Folgendes:

- (5) *Gemeinsamer Vertreter.* Die Gläubiger der Schuldverschreibungen können durch Mehrheitsbeschluss zur Wahrnehmung ihrer Rechte einen gemeinsamen Vertreter (der "**Gemeinsame Vertreter**") für alle Gläubiger bestellen oder diesen abberufen, die Aufgaben und Befugnisse des Gemeinsamen Vertreters festlegen, Rechte der Gläubiger der Schuldverschreibungen auf den Gemeinsamen Vertreter übertragen und die Beschränkung der Haftung des Gemeinsamen Vertreters bestimmen. [Falls ein Gemeinsamer Vertreter in den Bedingungen bestimmt wird, gilt Folgendes:

- (5) *Gemeinsamer Vertreter.* Gemeinsamer Vertreter (der "**Gemeinsame Vertreter**") für alle Gläubiger der Schuldverschreibungen zur Wahrnehmung ihrer Rechte ist: [●]. Der Gemeinsame Vertreter kann von den Gläubigern jederzeit ohne Angabe von Gründen abberufen werden.

Der Gemeinsame Vertreter ist befugt, nach seinem Ermessen zu dem von ihm bestimmten Maßnahmen [eine Gläubigerversammlung einzuberufen] [zu einer Abstimmung der Gläubiger ohne Versammlung aufzufordern] und die [Versammlung] [Abstimmung] zu leiten. **[Gegebenenfalls weitere Aufgaben des Gemeinsamen Vertreters: [●]]**

Der Gemeinsame Vertreter hat die Weisungen der Gläubiger der Schuldverschreibungen zu befolgen. Über seine Tätigkeit hat der Gemeinsame Vertreter den Gläubigern zu berichten.

Der Gemeinsame Vertreter haftet den Gläubigern als Gesamtgläubiger für die ordnungsgemäße Erfüllung seiner Aufgaben; bei seiner Tätigkeit hat er die Sorgfalt eines ordentlichen und gewissenhaften Geschäftsleiters anzuwenden. Die Haftung des Gemeinsamen Vertreters ist auf das Zehnfache seiner jährlichen Vergütung beschränkt, es sei denn, dem Gemeinsamen Vertreter fällt Vorsatz oder grobe Fahrlässigkeit zur Last. Die Vorläufige Globalurkunde wird (kostenfrei) gegen einzelne Schuldverschreibungen in [der] [den] Festgelegten Stückelung[en] in effektiver Form (die "**Einzelurkunden**") [mit beigefügten Zinsscheinen (die "**Zinsscheine**") [und Rückzahlungsscheinen (die "**Rückzahlungsscheine**")]] ausgetauscht. FOLGENDES:

IM FALL VON NACHRANGIGEN SCHULDVER- SCHREIBUNGEN GILT FOLGENDES:

Zweck der Schuldverschreibungen ist es, der Emittentin als Ergänzungskapital zu dienen.

Die Schuldverschreibungen begründen nicht besicherte, nachrangige Verbindlichkeiten der Emittentin, die untereinander und mit allen anderen nachrangigen Verbindlichkeiten der Emittentin gleichrangig sind, soweit nicht gesetzliche Vorschriften oder die Bedingungen anderer Verbindlichkeiten eine andere Regelung vorsehen. Im Fall von Abwicklungsmaßnahmen in Bezug auf die Emittentin und im Fall der Auflösung, der Liquidation oder der Insolvenz der Emittentin oder eines Vergleichs oder eines anderen der Abwendung der Insolvenz dienenden Verfahrens gegen die Emittentin gehen die Verbindlichkeiten aus den Schuldverschreibungen den Ansprüchen dritter Gläubiger der Emittentin aus nicht nachrangigen Verbindlichkeiten im Range vollständig nach, so dass Zahlungen auf die Schuldverschreibungen solange nicht erfolgen, wie die Ansprüche dieser dritten Gläubiger der Emittentin aus nicht nachrangigen Verbindlichkeiten nicht vollständig befriedigt sind. Kein Gläubiger der Schuldverschreibungen ist berechtigt, mit Ansprüchen aus den Schuldverschreibungen gegen Ansprüche der Emittentin aufzurechnen. Den Gläubigern der Schuldverschreibungen wird für ihre Rechte aus den Schuldverschreibungen weder durch die Emittentin noch durch Dritte irgendeine Sicherheit oder Garantie gestellt; eine solche Sicherheit oder Garantie wird auch zu keinem späteren Zeitpunkt gestellt werden.

Nachträglich können der Nachrang gemäß diesem § 2 nicht beschränkt sowie die Laufzeit der Schuldverschreibungen und jede anwendbare Kündigungsfrist nicht verkürzt werden. Eine Rückzahlung oder ein Rückkauf der Schuldverschreibungen vor Endfälligkeit ist nur mit vorheriger Zustimmung der für die Emittentin zuständigen Aufsichtsbehörde zulässig. Werden die Schuldverschreibungen unter anderen als den in diesem § 2 beschriebenen Umständen oder infolge einer vorzeitigen Kündigung nach Maßgabe von § 5(2) [.] [oder] § 5[(4)] [.] [oder] § 5[(5)] [.] [oder] § 5[(6)] [oder § 7(3)] zurückgezahlt oder von der Emittentin zurückerworben, so ist der zurückgezahlte oder gezahlte Betrag der Emittentin ohne Rücksicht auf entgegenstehende Vereinbarungen zurückzugewähren, sofern nicht die für die Emittentin zuständige Aufsichtsbehörde der vorzeitigen Rückzahlung oder dem Rückkauf zugestimmt hat.

§ 3 ZINSEN

Die gemäß ihrer hierin enthaltenen Beschreibung als Zinsen zahlbaren Beträge sind als Entgelt zu verstehen, und zwar nicht nur für die Nutzung des für die Schuldverschreibungen gezahlten Zeichnungsbetrags, sondern auch als Ausgleich dafür, dass der Wert, zu dem die Schuldverschreibungen zurückgezahlt werden können, möglicherweise unter dem Zeichnungsbetrag liegt.]

Alle in Bezug auf die Schuldverschreibungen zu zahlenden Beträge werden unter Abzug oder Einbehalt von oder aufgrund von gegenwärtigen oder zukünftigen Steuern, Abgaben oder staatlichen Gebühren gleich welcher Art, die im Wege des Abzugs oder Einbehalts erhoben oder eingezogen werden, gezahlt, falls ein solcher Abzug oder Einbehalt gesetzlich vorgeschrieben ist (unter anderem gemäß einer in Sections 1471 bis 1474 des US-Bundessteuergesetzes (*United States Internal Revenue Code*) von 1986 (the "IRC"), sämtlicher darunter erlassenen Vorschriften oder Vereinbarungen, einschließlich einer Vereinbarung gemäß Section 1471(b) IRC, oder offiziellen Auslegungen dieser Bestimmungen ("FATCA") oder nach Maßgabe eines Gesetzes zur Umsetzung einer zwischenstaatlichen Vereinbarung in Bezug auf FATCA).

IM FALL VON SCHULDVER- SCHREIBUNGEN, DIE QUELLEN- STEUER- AUSGLEICH VORSEHEN, GILT FOLGENDES:

- (1) *Quellensteuern und Zusätzliche Beträge.* Alle in Bezug auf die Schuldverschreibungen zahlbaren Beträge werden ohne Abzug oder Einbehalt von oder aufgrund von gegenwärtigen oder zukünftigen Steuern, Abgaben oder staatlichen Gebühren gleich welcher Art, die im Wege des Abzugs oder des Einbehalts von oder für Rechnung von **[falls die Schuldverschreibungen durch die deutsche Hauptniederlassung der Emittentin begeben werden, gilt Folgendes: Deutschland]** **[falls die Schuldverschreibungen durch eine Zweigniederlassung begeben werden, gilt der jeweilige Ort der emittierenden Zweigniederlassung: [dem Vereinigten Königreich] [Australien] [Singapur] [Hongkong] [Italien] [Portugal] [Spanien] [Staat, in dem sich eine andere emittierende Zweigniederlassung befindet]]** oder von oder für Rechnung einer dort zur Steuererhebung ermächtigten Gebietskörperschaft oder Behörde erhoben oder eingezogen werden ("**Quellensteuern**"), gezahlt, es sei denn, dieser Abzug oder Einbehalt ist gesetzlich vorgeschrieben.

Eine solche Kündigung darf jedoch nicht früher als 90 Tage vor dem Zeitpunkt erfolgen, an dem die Emittentin erstmals Quellensteuern einbehalten oder zahlen müsste, falls eine Zahlung in Bezug auf die Schuldverschreibungen dann geleistet würde.

- (4) *Mitteilung.* Die Kündigung erfolgt durch Veröffentlichung gemäß § [12]. Sie ist unwiderruflich und muss den für die Rückzahlungstag festgesetzten Tag sowie in zusammenfassender Form die Tatsachen angeben, die das Kündigungsrecht begründen.

(1) *Beschlussgegenstände.* Die Gläubiger der Schuldverschreibungen können **[Im Fall von Nachrangigen Schuldverschreibungen gilt Folgendes:** , sofern dies nach anwendbarem Recht mit der Anerkennung der Schuldverschreibungen als Ergänzungskapital im Einklang steht,] gemäß dem Schuldverschreibungsgesetz durch Mehrheitsbeschluss die Emissionsbedingungen ändern, einen Gemeinsamen Vertreter aller Gläubiger der Schuldverschreibungen bestellen und über alle anderen gesetzlich zugelassenen Beschlussgegenstände beschließen **[falls über bestimmte Maßnahmen nicht durch Mehrheitsbeschluss entschieden werden soll, gilt Folgendes:** , wobei folgende Maßnahmen von einer Beschlussfassung ausgenommen sind: [●].]

[Falls kein Gemeinsamer Vertreter in den Bedingungen bestellt wird und die Gläubiger einen Gemeinsamen Vertreter durch Mehrheitsbeschluss bestellen können, gilt Folgendes:

- (5) *Gemeinsamer Vertreter.* Die Gläubiger der Schuldverschreibungen können durch Mehrheitsbeschluss zur Wahrnehmung ihrer Rechte einen gemeinsamen Vertreter (der "**Gemeinsame Vertreter**") für alle Gläubiger bestellen oder diesen abberufen, die Aufgaben und Befugnisse des Gemeinsamen Vertreters festlegen, Rechte der Gläubiger der Schuldverschreibungen auf den Gemeinsamen Vertreter übertragen und die Beschränkung der Haftung des Gemeinsamen Vertreters bestimmen. [Falls ein Gemeinsamer Vertreter in den Bedingungen bestimmt wird, gilt Folgendes:

- (5) *Gemeinsamer Vertreter.* Gemeinsamer Vertreter (der "**Gemeinsame Vertreter**") für alle Gläubiger der Schuldverschreibungen zur Wahrnehmung ihrer Rechte ist: [●]. Der Gemeinsame Vertreter kann von den Gläubigern jederzeit ohne Angabe von Gründen abberufen werden.

Die Emittentin unterrichtet die Gläubiger der Schuldverschreibungen unverzüglich durch Mitteilung

gemäß § [15] über den Eintritt eines Austauschereignisses. Im Fall des Eintritts eines Austauschereignisses kann das betreffende Clearing System (auf Anweisung eines Inhabers eines Anteils an dieser Dauerglobalurkunde) dem Fiscal Agent ein Austauschverlangen übermitteln; im Fall des Eintritts eines Austauschereignisses gemäß vorstehendem Unterabsatz (iii) kann ein solches Austauschverlangen dem Fiscal Agent auch von der Emittentin übermittelt werden. Ein solcher Austausch darf nicht später als 45 Tage nach dem Tag erfolgen, an dem der Fiscal Agent das erste Austauschverlangen erhalten hat.

FALLS DIE SCHULDVER-SCHREIBUNGEN (I) ANFÄNGLICH DURCH EINE VORLÄUFIGE GLOBAL-URKUNDE VERBRIEFT SIND, DIE GANZ ODER TEILWEISE GEGEN EINZEL-URKUNDEN AUSGETAUSCHT WIRD, (II) DIE SCHULDVER-SCHREIBUNGEN ENGLISCH-RECHTLICHE SCHULDVER-SCHREIBUNGEN SIND UND (III) TEFRA D ANWENDUNG FINDET, GILT FOLGENDES:

- (3) *Vorläufige Globalurkunde – Austausch.* Die Schuldverschreibungen sind anfänglich durch eine vorläufige Globalurkunde (die "**Vorläufige Globalurkunde**" oder die "**Globalurkunde**") ohne Zinsscheine oder Rückzahlungsscheine verbrieft. Die Vorläufige Globalurkunde wird (kostenfrei) gegen einzelne Schuldverschreibungen in [der] [den] Festgelegten Stückelung[en] in effektiver Form (die "**Einzelurkunden**") [mit beigefügten Zinsscheinen (die "**Zinsscheine**") [und Rückzahlungsscheinen (die "**Rückzahlungsscheine**")]] ausgetauscht. Die Vorläufige Globalurkunde wird von oder im Namen der Emittentin unterschrieben und vom oder im Namen des Fiscal Agent mit einer Kontrollunterschrift versehen. Einzelurkunden [[und] [,] Zinsscheine] [und] [Rückzahlungsscheine] tragen die vervielfältigten Unterschriften zweier Zeichnungsberechtigter der Emittentin und die Einzelurkunden sind mit einer Kontrollunterschrift versehen.

Solange Schuldverschreibungen durch eine Vorläufige Globalurkunde verbrieft sind, erfolgen Zahlungen von Kapital- und etwaigen Zinsbeträgen sowie allen sonstigen gegebenenfalls in Bezug auf die Schuldverschreibungen zahlbaren Beträgen, die vor dem Austausch tag (wie nachstehend definiert) fällig werden, gegen Vorlage der Vorläufigen Globalurkunde nur insoweit, als dem betreffenden Clearing System eine Bescheinigung (gemäß einem vorzugebenden Muster) vorgelegt wird, wonach es sich gemäß den US-Steuervorschriften (*U.S. Treasury regulations*) bei den wirtschaftlichen Eigentümern (*beneficial owners*) der Anteile an den Schuldverschreibungen nicht um US-Personen oder um Personen, die diese Anteile zum Weiterverkauf an US-Personen erworben haben, handelt, und das betreffende Clearing System eine entsprechende Bescheinigung (basierend auf den bei ihm eingegangenen Bescheinigungen) gegenüber dem Fiscal Agent abgegeben hat.

- (4) *Clearing System.* [Falls die Schuldverschreibungen bei ihrer Begebung durch eine Dauerglobalurkunde verbrieft sind, gilt Folgendes: Die] [Falls die Schuldverschreibungen anfänglich durch eine vorläufige Globalurkunde verbrieft sind, gilt Folgendes: Jede] Globalurkunde wird [im Fall von Globalurkunden im CGN-Format gilt Folgendes: von einer gemeinsamen Verwahrstelle] [im Fall von Globalurkunden, die keine CGN sind, gilt Folgendes: von oder] für ein Clearing System verwahrt, bis [falls die Schuldverschreibungen anfänglich durch eine Vorläufige Globalurkunde verbrieft sind, gilt Folgendes: , im Fall der Dauerglobalurkunde,] sämtliche Verbindlichkeiten der Emittentin aus den Schuldverschreibungen erfüllt sind. [Im Fall von englischrechtlichen Schuldverschreibungen gilt Folgendes: Solange eine der Schuldverschreibungen durch eine Globalurkunde verbrieft ist, die von einem Clearing System oder [einem (gemeinsamen) Verwahrer] [einer (gemeinsamen) Verwahrstelle] für das bzw. die Clearing System(e) verwahrt wird, wird jede Person (mit Ausnahme des Clearing Systems bzw. der Clearing Systeme), die in den Unterlagen des Clearing Systems bzw. der Clearing Systeme jeweils als Gläubiger eines bestimmten Nennbetrags dieser Schuldverschreibungen aufgeführt ist (wobei in diesem Zusammenhang sämtliche von dem bzw. den Clearing System(en) hinsichtlich des einer Person zustehenden Nennbetrags dieser Schuldverschreibungen ausgestellten Bescheinigungen oder sonstigen Dokumenten in jeder Hinsicht endgültig und bindend sind, sofern nicht ein offensichtlicher Irrtum vorliegt) von der Emittentin, dem Fiscal Agent, der bzw. den Zahlstelle(n) und der Berechnungsstelle in jeder Hinsicht als Gläubiger des betreffenden Nennbetrags dieser Schuldverschreibungen behandelt. Dies gilt jedoch nicht in Bezug auf Kapital- und Zinszahlungen auf den Nennbetrag dieser Schuldverschreibungen; in dieser Hinsicht wird der Inhaber der betreffenden Globalurkunde von der Emittentin, dem Fiscal Agent, der bzw. den Zahlstelle(n) und der Berechnungsstelle als Gläubiger des Nennbetrags dieser Schuldverschreibungen nach Maßgabe und vorbehaltlich der Bestimmungen der betreffenden Globalurkunde behandelt (wobei "Schuldverschreibungsgläubiger" und "Gläubiger der Schuldverschreibungen" und ähnliche Bezeichnungen entsprechend auszulegen sind).] **[im Fall von Befreiten Schuldverschreibungen gegebenenfalls alternative Bestimmung einfügen]**

IM FALL VON SCHULDVER-SCHREIBUNGEN, DIE FÜR DIE ICSDS VERWAHRT WERDEN, GILT FOLGENDES:

[Im Fall von Globalurkunden im NGN-Format gilt Folgendes: Die Schuldverschreibungen werden in Form einer neuen Globalurkunde ("NGN") begeben und werden von einem Gemeinsamen Verwahrer für Euroclear und CBL (jeweils ein "ICSD" und zusammen die "ICSDs") verwahrt.]

[Im Fall von Globalurkunden im CGN-Format gilt Folgendes: Die Schuldverschreibungen werden in Form einer klassischen Globalurkunde ("CGN") begeben und werden von einer gemeinsamen Verwahrstelle für Euroclear und CBL verwahrt.]

(5) *Gläubiger der Schuldverschreibungen.* **"Gläubiger der Schuldverschreibungen"** **[im Fall von deutschrechtlichen Schuldverschreibungen gilt Folgendes:** bezeichnet in Bezug auf die bei einem Clearing System oder einer sonstigen zentralen Wertpapierverwahrstelle hinterlegten Schuldverschreibungen jeden Inhaber eines Miteigentumsanteils oder eines anderen vergleichbaren Rechts an den hinterlegten Schuldverschreibungen] **[im Fall von englischrechtlichen Schuldverschreibungen gilt Folgendes:** bezeichnet in Bezug auf alle Schuldverschreibungen die Inhaber der Schuldverschreibungen und ist in Bezug auf Schuldverschreibungen, die durch eine Globalurkunde verbrieft sind, gemäß vorstehendem Absatz (4) zu verstehen].

IM FALL VON GLOBAL-URKUNDEN IM NGN-FORMAT GILT FOLGENDES:

(6) *Unterlagen der ICSDs.* Als Nennbetrag der durch die Globalurkunde verbrieften Schuldverschreibungen gilt der jeweils in den Unterlagen der beiden ICSDs verzeichnete Gesamtbetrag. Die Unterlagen der ICSDs (wobei dieser Ausdruck die Unterlagen bezeichnet, die jeder der ICSDs für seine Kunden führt und in welchen der Betrag des auf jeden Kunden entfallenden Anteils an den

Schuldverschreibungen erfasst ist) gelten als schlüssiger Nachweis in Bezug auf den Nennbetrag der durch die Globalurkunde verbrieften Schuldverschreibungen; zu diesem Zweck gilt eine von einem ICSD erstellte Bescheinigung über den Nennbetrag der verbrieften Schuldverschreibungen (die dem Gläubiger auf Verlangen zur Verfügung zu stellen ist) als schlüssiger Nachweis in Bezug auf die Unterlagen des betreffenden ICSD zu dem jeweiligen Zeitpunkt.

Bei der Rückzahlung oder Zahlung von Raten oder Zinsen auf die Schuldverschreibungen beziehungsweise beim Rückkauf und bei der Entwertung von Schuldverschreibungen, die durch diese Globalurkunde verbrieft sind, hat die Emittentin sicherzustellen, dass nähere Angaben zu der Rückzahlung oder Zahlung bzw. dem Rückkauf und der Entwertung in Bezug auf die Globalurkunde unter Angabe des betroffenen Anteils in den Unterlagen der ICSDs vermerkt wird; mit der Vornahme jedes solchen Vermerks verringert sich der Nennbetrag der in den Unterlagen der ICSDs eingetragenen und durch die Globalurkunde verbrieften Schuldverschreibungen um den Gesamtnennbetrag der zurückgezahlten oder zurückgekauften und entwerteten Schuldverschreibungen oder um den Gesamtbetrag der gezahlten Raten.

- [(7)] *Bezugnahmen.* Bezugnahmen in diesen Bedingungen auf die **"Schuldverschreibungen"** schließen Bezugnahmen auf jede die Schuldverschreibungen verbriefende Globalurkunde [und jede Einzelurkunde] **[falls die Schuldverschreibungen mit Zinsscheinen begeben werden, gilt Folgendes:** sowie die zugehörigen Zinsscheine] **[falls die Schuldverschreibungen mit Rückzahlungsscheinen begeben werden, gilt Folgendes:** und Rückzahlungsscheine] ein, es sei denn, aus dem Zusammenhang ergibt sich etwas anderes. Bezugnahmen in diesen Emissionsbedingungen auf die "Emissionsbedingungen" oder die "Bedingungen" verstehen sich als Bezugnahmen auf diese Emissionsbedingungen der Schuldverschreibungen. **[Falls die Schuldverschreibungen mit Zinsscheinen begeben werden, gilt Folgendes:** Bezugnahmen in diesen Bedingungen auf "Zinsscheine" schließen Bezugnahmen auf Talons ein, es sei denn, aus dem Zusammenhang ergibt sich etwas anderes.]

Zweck der Schuldverschreibungen ist es, der Emittentin als Ergänzungskapital zu dienen.

Die Schuldverschreibungen begründen nicht besicherte, nachrangige Verbindlichkeiten der Emittentin, die untereinander und mit allen anderen nachrangigen Verbindlichkeiten der Emittentin gleichrangig sind, soweit nicht gesetzliche Vorschriften oder die Bedingungen anderer Verbindlichkeiten eine andere Regelung vorsehen. Im Fall von Abwicklungsmaßnahmen in Bezug auf die Emittentin und im Fall der Auflösung, der Liquidation oder der Insolvenz der Emittentin oder eines Vergleichs oder eines anderen der Abwendung der Insolvenz dienenden Verfahrens gegen die Emittentin gehen die Verbindlichkeiten aus den Schuldverschreibungen den Ansprüchen dritter Gläubiger der Emittentin aus nicht nachrangigen Verbindlichkeiten im Range vollständig nach, so dass Zahlungen auf die Schuldverschreibungen solange nicht erfolgen, wie die Ansprüche dieser dritten Gläubiger der Emittentin aus nicht nachrangigen Verbindlichkeiten nicht vollständig befriedigt sind. Kein Gläubiger der Schuldverschreibungen ist berechtigt, mit Ansprüchen aus den Schuldverschreibungen gegen Ansprüche der Emittentin aufzurechnen. Den Gläubigern der Schuldverschreibungen wird für ihre Rechte aus den Schuldverschreibungen weder durch die Emittentin noch durch Dritte irgendeine Sicherheit oder Garantie gestellt; eine solche Sicherheit oder Garantie wird auch zu keinem späteren Zeitpunkt gestellt werden.

Nachträglich können der Nachrang gemäß diesem § 2 nicht beschränkt sowie die Laufzeit der Schuldverschreibungen und jede anwendbare Kündigungsfrist nicht verkürzt werden. Eine Rückzahlung oder ein Rückkauf der Schuldverschreibungen vor Endfälligkeit ist nur mit vorheriger Zustimmung der für die Emittentin zuständigen Aufsichtsbehörde zulässig. Werden die Schuldverschreibungen unter anderen als den in diesem § 2 beschriebenen Umständen oder infolge einer vorzeitigen Kündigung nach Maßgabe von § 5(2) [.] [oder] § 5[(4)] [.] [oder] § 5[(5)] [.] [oder] § 5[(6)] [oder] § [10](3) zurückgezahlt oder von der Emittentin zurückerworben, so ist der zurückgezahlte oder gezahlte Betrag der Emittentin ohne Rücksicht auf entgegenstehende Vereinbarungen zurückzugewähren, sofern nicht die für die Emittentin zuständige Aufsichtsbehörde der vorzeitigen Rückzahlung oder dem Rückkauf zugestimmt hat.

- (a) Um die Lieferung des Vermögenswertbetrags (bzw. der Vermögenswertbeträge) in Bezug auf eine Schuldverschreibung zu erhalten, hat der Gläubiger der Schuldverschreibungen (i) falls die betreffende Schuldverschreibung durch eine Globalurkunde verbrieft ist, dem betreffenden Clearing System spätestens bis Geschäftsschluss an jedem Empfangsort am Stichtag (wie nachstehend definiert) eine ordnungsgemäß ausgefüllte Vermögenswertübertragungs-Mitteilung (mit Kopie an die Emittentin) zu übergeben oder (ii) falls die betreffende Schuldverschreibung durch eine Einzelurkunde verbrieft ist, einer beliebigen Zahlstelle spätestens bis Geschäftsschluss an jedem Empfangsort am Stichtag eine ordnungsgemäß ausgefüllte Vermögenswertübertragungs-Mitteilung (mit Kopie an die Emittentin) zu übergeben.

Muster der Vermögenswertübertragungs-Mitteilung sind während der üblichen Geschäftszeiten bei einer jeden Zahlstelle erhältlich.

Eine Vermögenswertübertragungs-Mitteilung darf nur in einer für das betreffende Clearing System annehmbaren Art und Weise übergeben werden (wenn die betreffende Schuldverschreibung durch eine Globalurkunde verbrieft ist) bzw. muss schriftlich oder durch Telefax zusammen mit den Schuldverschreibungen, auf die sich die jeweilige Vermögenswertübertragungs-Mitteilung bezieht, erfolgen (falls die betreffende Schuldverschreibung durch eine Einzelurkunde verbrieft ist).

Eine Vermögenswertübertragungs-Mitteilung hat folgendes zu enthalten:

- (i) die Angabe des Namens und der Anschrift des Gläubigers der Schuldverschreibungen, der Person, von der die Emittentin Einzelheiten bezüglich der Lieferung des Vermögenswertbetrags erhalten kann, sowie die zur Lieferung des Vermögenswertbetrags erforderlichen Einzelheiten,
- (ii) falls die Schuldverschreibung durch eine Globalurkunde verbrieft ist, Angabe des Nennbetrags der Schuldverschreibungen, auf welche sich die Mitteilung bezieht, sowie der Nummer des Kontos des Gläubigers der Schuldverschreibungen bei dem betreffenden Clearing System, aus dem die Schuldverschreibungen auszubuchen sind, sowie eine unwiderrufliche Anweisung und Ermächtigung des betreffenden Clearing Systems, die Schuldverschreibungen am oder vor dem Tag der Lieferung aus dem Konto des Gläubigers der Schuldverschreibungen auszubuchen,
- (iii) ein Zahlungsverprechen in Bezug auf sämtliche Lieferauslagen und, falls die Schuldverschreibung durch eine Globalurkunde verbrieft ist, eine Ermächtigung zur diesbezüglichen Belastung eines benannten Kontos des Gläubigers der Schuldverschreibungen bei dem betreffenden Clearing System und zur Zahlung dieser Lieferauslagen,

- (iv) Angabe eines Kontos, auf das gemäß diesem Unterabsatz zahlbare Dividenden (falls anwendbar) oder sonstige Barbeträge zu zahlen sind, und
- (v) eine Ermächtigung zur Verwendung der betreffenden Mitteilung in etwaigen Verwaltungs- oder Gerichtsverfahren.

[(vi)] [zusätzliche Bestimmungen]

Eine Vermögenswertübertragungs-Mitteilung kann nach Eingang bei dem betreffenden Clearing System bzw. einer Zahlstelle, wie vorstehend angegeben, nicht mehr widerrufen werden. Nach Übermittlung einer Vermögenswertübertragungs-Mitteilung kann der Gläubiger der Schuldverschreibungen die Schuldverschreibungen, auf die sich die Mitteilung bezieht, nicht mehr übertragen.

Falls die Schuldverschreibungen durch eine Globalurkunde verbrieft sind, wird sich das betreffende Clearing System nach Erhalt einer solchen Mitteilung vergewissern, dass es sich bei der darin als Gläubiger der Schuldverschreibungen bezeichneten Person um den Gläubiger [des] [der] darin genannten Nennbetrags der Schuldverschreibungen gemäß den Aufzeichnungen des Clearing Systems handelt.

Wird eine Vermögenswertübertragungs-Mitteilung nicht ordnungsgemäß ausgefüllt und eingereicht, so kann dies zur Ungültigkeit dieser Vermögenswertübertragungs-Mitteilung führen. Jegliche Feststellung dahingehend, ob eine solche Mitteilung nach Maßgabe dieser Bedingungen ordnungsgemäß ausgefüllt und eingereicht wurde, erfolgt bei Schuldverschreibungen, die durch eine Globalurkunde verbrieft sind, durch das jeweilige Clearing System nach Rücksprache mit der Emittentin und ist für die Emittentin und den Gläubiger der Schuldverschreibungen endgültig und bindend; im Fall einer durch eine Einzelurkunde verbrieften Schuldverschreibung erfolgt die Feststellung durch die jeweilige Zahlstelle nach Rücksprache mit der Emittentin und ist für die Emittentin und den Gläubiger der Schuldverschreibungen endgültig und bindend.

- (b) Die Lieferung des Vermögenswertbetrags in Bezug auf jede Schuldverschreibung erfolgt [auf Gefahr des Gläubigers der Schuldverschreibungen auf solche wirtschaftlich vernünftige Weise, die die Berechnungsstelle nach [ihrem alleinigen Ermessen] festlegt und der in der entsprechenden Vermögenswertübertragungs-Mitteilung von dem Gläubiger der Schuldverschreibungen benannten Person mitteilt] **[alternative Lieferart]**.

Der Vermögenswertbetrag in Bezug auf jede durch Lieferung des Vermögenswertbetrags zurückzuzahlende Schuldverschreibung wird auf Gefahr des Gläubigers der Schuldverschreibungen in der vorstehend angegebenen Weise am Fälligkeitstag geliefert (vorbehaltlich einer Anpassung gemäß diesem § 6 als **"Tag der Lieferung"** bezeichnet), sofern die Vermögenswertübertragungs-Mitteilung, wie vorstehend angegeben, spätestens bis Geschäftsschluss an jedem Empfangsort am **[Stichtag]** (der **"Stichtag"**) (mit Kopie an die Emittentin) ordnungsgemäß bei dem Clearing System bzw. einer Zahlstelle eingereicht wurde.

Erfolgt keine Vermögenswertübertragungs-Mitteilung durch den Gläubiger der Schuldverschreibungen wie vorstehend angegeben (mit Kopie an die Emittentin) spätestens bis Geschäftsschluss an jedem Empfangsort am Stichtag, wird der Vermögenswertbetrag so bald wie möglich nach dem Fälligkeitstag auf Gefahr des jeweiligen Gläubigers der Schuldverschreibungen in der vorstehend angegebenen Art und Weise geliefert (wobei es sich in diesem Fall bei diesem Liefertag um den Tag der Lieferung handelt). Zur Klarstellung wird festgestellt, dass der betreffende Gläubiger der Schuldverschreibungen im Fall, dass der Tag der Lieferung nach dem ursprünglich bestimmten Tag der Lieferung liegt, keinen Anspruch auf jegliche Zahlungen von Zinsen oder sonstigen Beträgen in Bezug auf den betreffenden Zeitraum hat, und es wird keinerlei diesbezügliche Haftung seitens der Emittentin begründet.

- (c) Sämtliche aufgrund der Lieferung des Vermögenswertbetrags in Bezug auf die Schuldverschreibungen entstehenden Lieferauslagen erfolgen für Rechnung des Gläubigers der Schuldverschreibungen und es erfolgt keine Lieferung des Vermögenswertbetrags, bevor nicht sämtliche Lieferauslagen zur Zufriedenheit der Emittentin durch den Gläubiger der Schuldverschreibungen gezahlt wurden.

Nach Lieferung des Vermögenswertbetrags und solange eine andere Person als der betreffende Gläubiger der Schuldverschreibungen als rechtmäßiger Eigentümer jedweder den Vermögenswertbetrag bildender Wertpapiere oder sonstiger Verbindlichkeiten eingetragen ist (die "**Zwischenzeit**"), (i) ist weder die Emittentin noch die Berechnungsstelle noch eine andere Person zu irgendeinem Zeitpunkt verpflichtet, dem Gläubiger der Schuldverschreibungen etwaige Anschreiben, Bestätigungen, Mitteilungen, Rundschreiben oder sonstige Dokumente bzw. (außer soweit in diesen Bedingungen vorgesehen) Zahlungen jeglicher Art weiterzuleiten bzw. deren Weiterleitung zu veranlassen, die von dieser Person in Bezug auf diese Wertpapiere oder Verbindlichkeiten entgegengenommen bzw. vereinnahmt wurden, (ii) ist weder die Emittentin noch die Berechnungsstelle noch eine andere Person zu irgendeinem Zeitpunkt verpflichtet, bestimmte oder alle Rechte hinsichtlich dieser Wertpapiere oder Verbindlichkeiten auszuüben bzw. ausüben zu lassen und (iii) unterliegt weder die Emittentin noch die Berechnungsstelle noch eine andere Person zu irgendeinem Zeitpunkt irgendeiner Haftung gegenüber dem betreffenden Gläubiger der Schuldverschreibungen im Zusammenhang mit jeglichen unmittelbaren oder mittelbaren Verlusten oder Schäden, welche dem betreffenden Gläubiger der Schuldverschreibungen möglicherweise aufgrund des Umstands entstehen, dass die betreffende Person während der Zwischenzeit als rechtlicher Eigentümer der betreffenden Wertpapiere oder Verbindlichkeiten eingetragen ist.

Liegt vor Lieferung des Vermögenswertbetrags gemäß diesem § [6] ein Abwicklungsunterbrechungsereignis vor, so wird der Tag der Lieferung hinsichtlich dieser Schuldverschreibung auf den Tag verlegt, an dem kein solches Abwicklungsunterbrechungsereignis vorliegt, wobei dies dem Gläubiger der Schuldverschreibungen gemäß § [15] mitzuteilen ist. Dem Gläubiger der Schuldverschreibungen steht im Fall einer Verzögerung bei der Lieferung des Vermögenswertbetrags gemäß diesem Absatz kein Anspruch auf Zahlungen von Zinsen oder sonstigen Beträgen auf die jeweilige Schuldverschreibung zu. Wurde

die Lieferung des Vermögenswertbetrags gemäß diesem Absatz verschoben, begründet dies keine Verletzung dieser Bedingungen durch die Emittentin und keine Haftung seitens der Emittentin.

Solange die Lieferung des Vermögenswertbetrags hinsichtlich einer Schuldverschreibung aufgrund eines Abwicklungsunterbrechungsereignisses nicht möglich ist, kann die Emittentin unbeschadet der sonstigen in diesen Bedingungen enthaltenen Bestimmungen nach ihrem alleinigen Ermessen entscheiden, anstelle einer physischen Lieferung ihre Verpflichtungen hinsichtlich der betreffenden Schuldverschreibung durch Zahlung des Unterbrechungs-Barabwicklungsbetrags (wie nachfolgend definiert) an den Gläubiger der Schuldverschreibungen spätestens am dritten Geschäftstag nach dem Tag der Mitteilung dieser Entscheidung (die "**Entscheidungsmitteilung**") an die Gläubiger der Schuldverschreibungen gemäß § [15] erfüllen. Die Zahlung des Unterbrechungs-Barabwicklungsbetrags erfolgt in der dem Gläubiger der Schuldverschreibungen gemäß § [15] mitgeteilten Art und Weise.

Soweit es sich bei dem Vermögenswertbetrag nach Feststellung der Emittentin um einen anderen als den lieferbaren Betrag der Maßgeblichen Vermögenswerte handelt, erhalten die Gläubiger der Schuldverschreibungen einen Vermögenswertbetrag in Höhe der nächsten Zahl (abgerundet) der von der Emittentin lieferbaren Maßgeblichen Vermögenswerte (wobei der gesamte Bestand eines Gläubigers der Schuldverschreibungen nach dem Ermessen der Emittentin für die Zwecke der Lieferung des Vermögenswertbetrags zusammengefasst werden kann) sowie einen Betrag in der Festgelegten Währung im Wert der abgerundeten Maßgeblichen Vermögenswerte, den die Berechnungsstelle auf angemessene und wirtschaftlich vernünftige Weise auf Grundlage der (bzw. den) von ihr ausgewählten Quelle (bzw. Quellen) ermittelt (und erforderlichenfalls unter Zugrundelegung des von ihr als angemessen erachteten Wechselkurses in die Festgelegte Währung umrechnet). Die Zahlung erfolgt auf die den Gläubigern der Schuldverschreibungen gemäß § [15] mitgeteilten Art und Weise.

Für die Zwecke der Schuldverschreibungen (i) ist die Emittentin nicht verpflichtet, eine Eintragung des Gläubigers der Schuldverschreibungen oder einer sonstigen Person als eingetragener Aktionär im Aktionärsverzeichnis des Aktienemittenten vorzunehmen bzw. zu veranlassen, (ii) ist die Emittentin nicht verpflichtet, gegenüber jeglichen Gläubigern der Schuldverschreibungen oder sonstigen Personen hinsichtlich jeglicher befriedigter oder ausstehender Ansprüche im Zusammenhang mit jeglichen Zugrundeliegenden Aktien, die den Vermögenswertbetrag hinsichtlich einer Schuldverschreibung bilden, Rechenschaft abzulegen, soweit der Termin, an dem die Zugrundeliegenden Aktien erstmals ohne diesen Anspruch an der Maßgeblichen Börse gehandelt werden, auf den Fälligkeitstag fällt oder vor diesem liegt, und (iii) sind jedwede Zinsen, Dividenden oder sonstigen Auskehrungen hinsichtlich des Vermögenswertbetrags an die Person zahlbar, die diese Zinsen, Dividenden oder sonstigen Auskehrungen nach marktüblicher Praxis im Fall eines am Tag der Lieferung abgeschlossenen Verkaufs der Zugrundeliegenden Aktien erhalten würde, und sind auf die gleiche Art und Weise wie der Vermögenswertbetrag zu liefern. Die Zahlung solcher an den Gläubiger der Schuldverschreibungen zu zahlenden Zinsen, Dividenden oder sonstigen Auskehrungen erfolgt auf das in der

Vermögenswertübertragungs-Mitteilung angegebene Konto.]

Es gelten die nachstehenden Begriffsbestimmungen:

"Vermögenswertübertragungs-Mitteilung" bezeichnet eine Vermögenswertübertragungs-Mitteilung, die im Wesentlichen dem im Agency Agreement enthaltenen Muster entspricht.

"Lieferauslagen" sind sämtliche Kosten, Steuern, Abgaben und/oder Auslagen, einschließlich Stempelsteuern für Urkunden (*stamp duty*), Stempelsteuern für den Erwerb von Wertpapieren und Grundstücken (*stamp duty reserve tax*) und/oder sonstiger Kosten, Abgaben oder Steuern, die aufgrund der Lieferung des Vermögenswertbetrags entstehen.

"Unterbrechungs-Barabwicklungsbetrag" bezeichnet in Bezug auf eine Schuldverschreibung einen Betrag in Höhe des angemessenen Marktpreises dieser Schuldverschreibung (jedoch ohne Berücksichtigung von auf diese Schuldverschreibung aufgelaufenen Zinsen) zu einem von der Emittentin [nach ihrem alleinigen und freien Ermessen] ausgewählten Tag, der nicht mehr als fünfzehn Tage vor dem Tag liegen darf, an dem die Entscheidungsmitteilung wie vorstehend angegeben erfolgt, wobei dieser Betrag in voller Höhe um jedwede Verluste, Auslagen und Kosten der Emittentin und/oder eines Verbundenen Unternehmens angepasst wird, die im Zusammenhang mit der Rückabwicklung oder Anpassung zugrundeliegender oder damit verbundener Hedging-Vereinbarungen entstehen (einschließlich (ohne hierauf beschränkt zu sein) jedweder Optionen oder Verkäufe oder sonstigen Verwertung eines Relevanten Vermögenswerts oder sonstigen Instruments jedweder Art, den bzw. das die Emittentin bzw. eines ihrer Verbundenen Unternehmen im Rahmen einer solchen Hedging-Vereinbarung unter Umständen hält), wie jeweils von der Berechnungsstelle auf angemessene und wirtschaftlich vernünftige Weise berechnet.]

"Abwicklungsunterbrechungseignis" bezeichnet ein Ereignis außerhalb der Kontrolle der Emittentin, das dazu führt, dass nach Auffassung der Berechnungsstelle die Lieferung des Vermögenswertbetrags durch oder für die Emittentin gemäß diesen Emissionsbedingungen und/oder den jeweiligen Endgültigen Bedingungen nicht durchführbar ist.]

In diesem Fall (i) gilt der [achte] [●] Planmäßige Handelstag als der [Bewertungstag] [oder] [gegebenenfalls] [jeweilige] [BasiswertFestlegungstag] für den Betroffenen Index, ungeachtet dessen, dass dieser Tag ein Unterbrechungstag ist, und (ii) ermittelt die Berechnungsstelle den [Referenzkurs] [jeweiligen] [Feststellungskurs], indem sie (in Bezug auf den Betroffenen Index) den Stand des Betroffenen Index zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] an diesem [achten] [●] Planmäßigen Handelstag gemäß der vor dem ersten Unterbrechungstag zur Berechnung des Index angewandten Formel und Methode feststellt, wobei sie für jedes in dem Index enthaltene Wertpapier den an der Börse gehandelten oder quotierten Kurs zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] an diesem [achten] [●] Planmäßigen Handelstag (oder, falls ein einen Unterbrechungstag auslösendes Ereignis in Bezug auf das betreffende Wertpapier an diesem [achten] [●] Planmäßigen Handelstag eingetreten ist, den von ihr nach Treu und Glauben geschätzten Wert des betreffenden Wertpapiers zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] an diesem [achten] [●] Planmäßigen Handelstag) zugrunde legt.)

[Im Fall von indexbezogenen Schuldverschreibungen gilt Folgendes: "Feststellungszeitpunkt" bezeichnet [●] [den Planmäßigen Handelsschluss an der

maßgeblichen Börse am Basiswertfestlegungstag in Bezug auf [jeden zu bewertenden Index] [den Index]. Falls die maßgebliche Börse vor ihrem Planmäßigen Handelsschluss schließt und der festgelegte Feststellungszeitpunkt nach dem tatsächlichen Ende des regulären Handels liegt, ist der tatsächliche Zeitpunkt des Handelsschlusses der Feststellungszeitpunkt.

"Unterbrechungstag" bezeichnet (a) wenn ein Index kein Börsenübergreifender Index ist, jeden Planmäßigen Handelstag, an dem [die] [eine maßgebliche] Börse oder eine Verbundene Börse während ihrer üblichen Handelszeit nicht für den Handel geöffnet ist oder ein Marktstörungsereignis eingetreten ist, oder (b) jeden Planmäßigen Handelstag (sofern es sich bei einem Index um einen Börsenübergreifenden Index handelt), an dem (i) der Index-Sponsor den Stand des Index nicht veröffentlicht, (ii) eine Verbundene Börse während ihrer üblichen Handelszeiten nicht für den Handel geöffnet ist, oder (iii) ein Marktstörungsereignis eingetreten ist.

"Vorzeitiger Börsenschluss" bezeichnet:

- (a) in Bezug auf einen Index, bei dem es sich nicht um einen Börsenübergreifenden Index handelt, die an einem Börsengeschäftstag erfolgende Schließung einer maßgeblichen Börse in Bezug auf Wertpapiere, die mindestens 20 % des Stands des maßgeblichen Index ausmachen, oder einer Verbundenen Börse bzw. mehrerer Verbundener Börsen vor ihrem Planmäßigen Handelsschluss. Dies gilt nicht, wenn die betreffende(n) Börse(n) bzw. Verbundene(n) Börse(n) den vorzeitigen Handelsschluss mindestens eine Stunde vor dem jeweils früheren der beiden folgenden Termine ankündigt (bzw. ankündigen): (A) dem tatsächlichen regulären Handelsschluss der betreffenden Börse(n) bzw. Verbundenen Börse(n) an dem jeweiligen Börsengeschäftstag oder (B) dem letztmöglichen Zeitpunkt für die Ordereingabe in das System der Börse bzw. der Verbundenen Börse zur Ausführung zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] an dem betreffenden Börsengeschäftstag, oder
- (b) in Bezug auf einen Index, bei dem es sich um einen Börsenübergreifenden Index handelt, die an einem Börsengeschäftstag erfolgende Schließung der Börse in Bezug auf ein Bestandteilswertpapier oder der Verbundenen Börse vor ihrem Planmäßigen Handelsschluss. Dies gilt nicht, wenn die betreffende Börse bzw. Verbundene Börse den vorzeitigen Handelsschluss mindestens eine Stunde vor dem jeweils früheren der beiden folgenden Termine ankündigt: (i) dem tatsächlichen regulären Handelsschluss der betreffenden Börse bzw. Verbundenen Börse an dem jeweiligen Börsengeschäftstag oder (ii) dem letztmöglichen Zeitpunkt für die Ordereingabe in das System der betreffenden Börse bzw. Verbundenen Börse zur Ausführung zum jeweiligen [Bewertungszeitpunkt] [Feststellungszeitpunkt] an dem betreffenden Börsengeschäftstag.

"Börsengeschäftstag" bezeichnet (a) wenn ein Index kein Börsenübergreifender Index ist, jeden Planmäßigen Handelstag, an dem [die] [jede] Börse und jede Verbundene Börse zum Handel zu ihren üblichen Handelszeiten geöffnet ist, ungeachtet dessen, dass eine solche Börse oder Verbundene Börse vor dem Planmäßigen Handelsschluss geschlossen wird, oder (b) jeden Planmäßigen Handelstag (sofern es sich bei einem Index um einen Börsenübergreifenden Index handelt), an dem (i) der Index-Sponsor den Stand des Index veröffentlicht und (ii) die Verbundene Börse während ihrer üblichen Handelszeiten für den Handel geöffnet ist, ungeachtet dessen, dass eine Börse oder die Verbundene Börse vor ihrem Planmäßigen Handelsschluss schließt.

"Börsenstörung" bezeichnet:

- (a) in Bezug auf einen Index, bei dem es sich nicht um einen Börsenübergreifenden Index handelt, ein Ereignis (mit Ausnahme eines

Vorzeitigen Börsenschlusses), das es Marktteilnehmern (nach Feststellung der Berechnungsstelle) allgemein unmöglich macht oder erschwert, (i) an einer oder mehreren maßgeblichen Börsen Geschäfte in Wertpapieren zu tätigen, die mindestens 20 % des Stands des betreffenden Index ausmachen, oder Marktkurse für diese Wertpapiere zu erhalten, oder (ii) Geschäfte in auf den betreffenden Index bezogenen Termin- oder Optionskontrakten an der maßgeblichen Verbundenen Börse zu tätigen oder Marktkurse für diese Termin- oder Optionskontrakte zu erhalten, oder

- (b) in Bezug auf einen Index, bei dem es sich um einen Börsenübergreifenden Index handelt, ein Ereignis (mit Ausnahme eines Vorzeitigen Börsenschlusses), das es Marktteilnehmern (nach Feststellung der Berechnungsstelle) allgemein unmöglich macht oder erschwert, Geschäfte (i) in einem Bestandteilswertpapier an der Börse für das betreffende Bestandteilswertpapier oder (ii) in auf den Index bezogenen Termin- oder Optionskontrakten an der maßgeblichen Verbundenen Börse zu tätigen oder Marktkurse (i) für ein Bestandteilswertpapier an der Börse für das betreffende Bestandteilswertpapier oder (ii) für auf den Index bezogene Termin- oder Optionskontrakte an der maßgeblichen Verbundenen Börse zu erhalten.

"Marktstörungseignis" bezeichnet:

- (a) in Bezug auf einen Index, bei dem es sich nicht um einen Börsenübergreifenden Index handelt, den Eintritt oder das Bestehen (i) einer Handelsstörung, (ii) einer Börsenstörung, die jeweils nach Auffassung der Berechnungsstelle wesentlich ist, zu einem Zeitpunkt innerhalb des einstündigen Zeitraums, der mit dem maßgeblichen [Bewertungszeitpunkt] [Feststellungszeitpunkt] endet, oder (iii) eines Vorzeitigen Börsenschlusses, oder
- (b) in Bezug auf einen Index, bei dem es sich um einen Börsenübergreifenden Index handelt, entweder:
- (i) (x) den Eintritt oder das Bestehen (jeweils in Bezug auf ein Bestandteilswertpapier):
- (1) einer Handelsstörung, die nach Auffassung der Berechnungsstelle wesentlich ist, zu einem Zeitpunkt innerhalb des einstündigen Zeitraums, der mit dem maßgeblichen [Bewertungszeitpunkt] [Feststellungszeitpunkt] für diejenige Börse endet, an der das betreffende Bestandteilswertpapier hauptsächlich gehandelt wird,
- (2) einer Börsenstörung, die nach Auffassung der Berechnungsstelle wesentlich ist, zu einem Zeitpunkt innerhalb des einstündigen Zeitraums, der mit dem maßgeblichen [Bewertungszeitpunkt] [Feststellungszeitpunkt] für diejenige Börse endet, an der das betreffende Bestandteilswertpapier hauptsächlich gehandelt wird, oder
- (3) eines Vorzeitigen Börsenschlusses, und
- (y) den Fall, dass sämtliche Bestandteilswertpapiere, in Bezug auf die eine Handelsstörung, eine Börsenstörung oder ein Vorzeitiger Börsenschluss eingetreten ist oder besteht, insgesamt mindestens 20 % des Stands des Index

ausmachen, oder

- (ii) den Eintritt oder das Bestehen (jeweils in Bezug auf Termin- oder Optionskontrakte, die auf den Index bezogen sind), (A) einer Handelsstörung, (B) einer Börsenstörung, die jeweils nach Auffassung der Berechnungsstelle wesentlich ist, zu einem Zeitpunkt innerhalb des einstündigen Zeitraums, der mit dem Bewertungszeitpunkt für die Verbundene Börse endet, oder (C) eines Vorzeitigen Börsenschlusses, und zwar jeweils in Bezug auf die betreffenden Termin- oder Optionskontrakte.

Für die Zwecke der Feststellung, ob zu irgendeinem Zeitpunkt ein Marktstörungsereignis in Bezug auf einen Index besteht, gilt Folgendes: Tritt zu irgendeinem Zeitpunkt in Bezug auf ein in dem Index enthaltenes Wertpapier oder das betreffende Bestandteilswertpapier ein Marktstörungsereignis ein, so ergibt sich der jeweilige prozentuale Anteil des betreffenden Wertpapiers bzw. Bestandteilswertpapiers am Stand des Index aus einem Vergleich zwischen (i) dem auf das betreffende Wertpapier bzw. Bestandteilswertpapier entfallenden Anteil am Stand des Index und (ii) dem Gesamtstand des Index, und zwar jeweils entweder: (x) sofern es sich bei dem Index nicht um einen Börsenübergreifenden Index handelt, unmittelbar vor dem Eintritt des jeweiligen Marktstörungsereignisses oder (y) sofern es sich bei dem Index um einen Börsenübergreifenden Index handelt, unter Zugrundelegung der amtlichen Eröffnungsgewichtungen, die jeweils von dem Index-Sponsor als Teil der "Markteröffnungsdaten" veröffentlicht werden.

"Planmäßiger Handelsschluss" ist in Bezug auf [die] [eine] Börse oder Verbundene Börse und einen Planmäßigen Handelstag der Zeitpunkt des planmäßigen werktäglichen Handelsschlusses an [der] [dieser] Börse oder Verbundenen Börse an dem betreffenden Planmäßigen Handelstag, wobei ein nachbörslicher Handel oder ein sonstiger Handel außerhalb der üblichen Börsenzeiten nicht berücksichtigt wird.

"Handelsstörung" bezeichnet:

- (a) in Bezug auf einen Index, bei dem es sich nicht um einen Börsenübergreifenden Index handelt, jede Aussetzung oder Einschränkung des Handels (i) an einer oder mehreren maßgeblichen Börsen mit Wertpapieren, die mindestens 20 % des Stands des betreffenden Index ausmachen, oder (ii) an einer maßgeblichen Verbundenen Börse mit auf den betreffenden Index bezogenen Termin- oder Optionskontrakten, die jeweils von der maßgeblichen Börse oder Verbundenen Börse oder von anderer Seite auferlegt wird (ob aufgrund von Kursschwankungen, die über die von der maßgeblichen Börse bzw. Verbundenen Börse zugelassenen Obergrenzen hinausgehen, oder aus sonstigen Gründen),

[Im Fall von Schuldverschreibungen mit aktienbezogener Verzinsung gilt Folgendes: "Feststellungszeitpunkt" bezeichnet [●] [den Planmäßigen Handelsschluss an der maßgeblichen Börse am BasiswertFestlegungstag in Bezug auf [jede zu bewertende Zugrundeliegende Aktie] [die Zugrundeliegende Aktie].] [Falls die maßgebliche Börse vor ihrem Planmäßigen Handelsschluss schließt und der festgelegte Feststellungszeitpunkt nach dem tatsächlichen Ende des regulären Handels liegt, ist der tatsächliche Zeitpunkt des Handelsschlusses der Feststellungszeitpunkt.]

 - (B) in auf die Zugrundeliegende Aktie bezogenen Termin- oder Optionskontrakten an einer maßgeblichen Verbundenen Börse, oder
 - (ii) eines Ereignisses (ausgenommen eines der nachstehend unter (b) beschriebenen Ereignisse), das es (nach Feststellung der Berechnungsstelle) Marktteilnehmern allgemein unmöglich macht oder erschwert, (A) an der Börse Geschäfte in der Zugrundeliegenden Aktie zu tätigen oder Marktpreise für die Zugrundeliegende Aktie zu erhalten, oder (B) Geschäfte in auf die Zugrundeliegende Aktie bezogenen Termin- oder Optionskontrakten an einer maßgeblichen Verbundenen Börse zu tätigen oder Marktpreise für diese Termin- oder Optionskontrakte zu erhalten und das nach Auffassung der Emittentin wesentlich ist, oder
- (b) die Schließung der maßgeblichen Börse oder einer oder mehrerer Verbundenen Börse(n) an einem Börsengeschäftstag vor ihrem regulären Handelsschluss. Dies gilt nicht, wenn die maßgebliche(n) Börsen bzw.

Nicht-Veröffentlichung oder Einstellung zuletzt angewandt wurde, jedoch unter Berücksichtigung nur derjenigen Wertpapiere, die unmittelbar vor dem Index-Anpassungsereignis in dem Index enthalten waren, oder
- (ii) wird die Emittentin die Schuldverschreibungen durch Mitteilung an die Gläubiger der Schuldverschreibungen gemäß § [15] insgesamt, jedoch nicht teilweise zurückzahlen, wobei jeder Nennbetrag von Schuldverschreibungen in Höhe **[im Fall von deutschrechtlichen Schuldverschreibungen gilt Folgendes: der Festgelegten Stückelung] [im Fall von englischrechtlichen Schuldverschreibungen gilt Folgendes: des Berechnungsbetrags]** zum Vorzeitigen Rückzahlungsbetrag zurückgezahlt wird.

IM FALL VON SCHULDVER-SCHREIBUNGEN, DIE AUF EINE ZUGRUNDE-LIEGENDE AKTIE ODER EINEN KORB ZUGRUNDE-LIEGENDER AKTIEN BEZOGEN SIND, GILT FOLGENDES:

- [(1)] [Im Fall eines Möglichen Anpassungsereignisses gilt Folgendes:** *Mögliches Anpassungsereignis.* Die Berechnungsstelle wird nach Meldung der Umstände eines Möglichen Anpassungsereignisses durch [den] [einen] Aktienemittenten auf angemessene und wirtschaftlich vernünftige Weise feststellen, ob dieses Mögliche Anpassungsereignis eine verwässernde, werterhöhende oder sonstige Wirkung auf den theoretischen Wert der Zugrundeliegenden Aktie hat; stellt sie eine solche Wirkung fest, wird sie (a) gegebenenfalls eine entsprechende Anpassung [des Referenzkurses] [des] [jeweiligen] [Feststellungskurses] [und/oder des Anfangskurses] [und/oder] [des Zinssatzes] [und/oder] [des Rückzahlungsbetrags] [und/oder] [des Basiskurses] [und/oder des Multiplikators] (oder mehrerer dieser Faktoren) und/oder gegebenenfalls weiterer Bestimmungen dieser Bedingungen vornehmen, die nach Feststellung der Berechnungsstelle (die diese auf angemessene und wirtschaftlich vernünftige Weise getroffen hat) geeignet ist, dieser verwässernden oder werterhöhenden Wirkung Rechnung zu tragen (wobei keine Anpassungen vorgenommen werden, die lediglich Veränderungen der Volatilität, der erwarteten Dividenden, des Wertpapierleihesatzes oder der Liquidität hinsichtlich der jeweiligen Zugrundeliegenden Aktie Rechnung tragen sollen) und (b) den Tag des Wirksamwerdens dieser Anpassung festlegen. Die Berechnungsstelle kann (muss jedoch nicht) die entsprechende Anpassung unter Verweisung auf diejenige Anpassung bezüglich eines Möglichen Anpassungsereignisses festlegen, die durch eine Optionsbörse in Bezug auf an dieser Optionsbörse gehandelten Optionen auf die Zugrundeliegende Aktie vorgenommen wurde.

Nach Vornahme einer solchen Anpassung wird die Berechnungsstelle die Gläubiger der Schuldverschreibungen hiervon sobald wie möglich gemäß § [15] unter Angabe der vorgenommenen Anpassung [des Referenzkurses] [des] [jeweiligen] [Feststellungskurses] [und/oder des Anfangskurses] [und/oder] [des Zinssatzes] [und/oder] [des Rückzahlungsbetrags] [und/oder] [des Basiskurses] [und/oder des Multiplikators] und/oder gegebenenfalls weiterer Bestimmungen dieser Bedingungen sowie einer kurzen Beschreibung des Möglichen Anpassungsereignisses unterrichten.]

[(2)] **[Falls sich Schuldverschreibungen auf Zugrundeliegende Aktien beziehen, die ab dem Handelstag in einer anderen Währung eines Mitgliedstaats der Europäischen Union als Euro notiert oder gehandelt werden, gilt Folgendes: Umrechnung in Euro.** Falls eine Zugrundeliegende Aktie zu irgendeinem Zeitpunkt nach dem Handelstag an der [betreffenden Börse] **[falls keine Börse angegeben ist, gilt Folgendes:** an dem Hauptmarkt, an dem diese Zugrundeliegende Aktie gehandelt wird,] ausschließlich in Euro notiert oder gehandelt wird, wird die Berechnungsstelle eine Anpassung [des Referenzkurses] [des [jeweiligen] Feststellungskurses] [und/oder des Anfangskurses] [und/oder] [des Zinssatzes] [und/oder] [des Rückzahlungsbetrags] [und/oder] [des Basiskurses] [und/oder des Multiplikators] (oder mehrerer dieser Faktoren) und/oder gegebenenfalls weiterer Bestimmung dieser Bedingungen, die nach Feststellung durch die Berechnungsstelle (die diese auf angemessene und wirtschaftlich vernünftige Weise getroffen hat) geeignet ist, den wirtschaftlichen Bedingungen der Schuldverschreibungen zu erhalten. Die Berechnungsstelle wird jedwede für die Zwecke einer solchen Anpassung notwendige Umrechnung ab dem [Bewertungszeitpunkt] [Feststellungszeitpunkt] zu einem angemessenen von der Berechnungsstelle festgestellten und zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] geltenden Devisenkassamittelkurs vornehmen. Anpassungen gemäß dieser Bestimmung wirken sich nicht auf die Währung aus, in der eine Zahlungsverpflichtung aus den Schuldverschreibungen zu erfüllen ist.

[(3)] **[De-listing, Fusionsereignis, Verstaatlichung [,] [und] Insolvenz] [und] [Übernahmeangebot].** Im Fall [eines De-listing, eines Fusionsereignisses, einer Verstaatlichung[,]] [oder] einer Insolvenz] [oder eines Übernahmeangebots] [jeweils] in Bezug auf eine Zugrundeliegende Aktie kann die Emittentin nach ihrem alleinigen und freien Ermessen entweder:

(a) die Berechnungsstelle auffordern, auf angemessene und wirtschaftlich vernünftige Weise eine gegebenenfalls hinsichtlich [des Referenzkurses] [des [jeweiligen] Feststellungskurses] [und/oder] [des Anfangskurses] [und/oder] [des Zinssatzes] [und/oder] [des Rückzahlungsbetrags] [und/oder] [des Basiskurses] [und/oder des Multiplikators] (oder mehrerer dieser Faktoren) und/oder gegebenenfalls weiterer Bestimmungen dieser Bedingungen vorzunehmende entsprechende Anpassung festzulegen, die [dem De-listing, dem Fusionsereignis, der Verstaatlichung[,]] [oder] der Insolvenz] [oder] [dem Übernahmeangebot] Rechnung trägt, und den Tag des Wirksamwerdens dieser Anpassung festzulegen. Die Berechnungsstelle kann (muss jedoch nicht) die entsprechende Anpassung unter Verweisung auf diejenige Anpassung bezüglich [des De-listing, des Fusionsereignisses, der Verstaatlichung[,]] [oder] der Insolvenz] [oder] [des Übernahmeangebots] festlegen, die durch eine Optionsbörse in Bezug auf an dieser Optionsbörse gehandelten Optionen auf die Zugrundeliegende Aktie vorgenommen wurde, oder

- (b) die Schuldverschreibungen durch Mitteilung an die Gläubiger der Schuldverschreibungen gemäß § [15] insgesamt, jedoch nicht teilweise zurückzahlen, wobei jeder Nennbetrag von Schuldverschreibungen in Höhe **[im Fall von deutschrechtlichen Schuldverschreibungen gilt Folgendes:** der Festgelegten Stückelung] **[im Fall von englischrechtlichen Schuldverschreibungen gilt Folgendes:** des Berechnungsbetrags] zum Vorzeitigen Rückzahlungsbetrag zurückgezahlt wird.

Die Berechnungsstelle wird die Gläubiger der Schuldverschreibungen sobald wie möglich gemäß § [15] nach Eintritt [eines De-listing, eines Fusionsereignisses, einer Verstaatlichung[,] [oder] einer Insolvenz] [oder] [eines Übernahmeangebots] unter Angabe näherer Einzelheiten sowie der diesbezüglich vorgesehenen Maßnahmen über den Eintritt [des De-listing, des Fusionsereignisses, der Verstaatlichung[,] [oder] der Insolvenz] [oder] [des Übernahmeangebots] unterrichten.

- [(4)] *Begriffsbestimmungen.* Für die Zwecke dieser Bedingungen gelten folgende Begriffsbestimmungen:

"De-listing" bezeichnet in Bezug auf eine betreffende Zugrundeliegende Aktie eine Bekanntmachung der Börse, dass gemäß den Regeln dieser Börse die (öffentliche) Notierung oder der Handel dieser Zugrundeliegenden Aktie gleich aus welchem Grund (mit Ausnahme eines Fusionsereignisses [oder eines Übernahmeangebots]) widerrufen bzw. eingestellt (werden) wird und die Notierung oder der Handel der Zugrundeliegenden Aktie an einer Börse oder einem Notierungssystem, die bzw. das sich in demselben Land wie die Börse (bzw. wenn sich die Börse in der Europäischen Union befindet, in einem ihrer Mitgliedstaaten) befindet, nicht unmittelbar wieder aufgenommen wird.

"Insolvenz" bezeichnet den Umstand, dass aufgrund eines freiwilligen oder unfreiwilligen Liquidations-, Konkurs-, Insolvenz-, Auflösungs- oder Abwicklungsverfahrens oder eines vergleichbaren Verfahrens, das den Aktienemittenten betrifft, (A) sämtliche Zugrundeliegenden Aktien dieses Aktienemittenten auf einen Insolvenzverwalter, Treuhänder, Liquidator oder einen vergleichbaren Amtsträger zu übertragen sind, oder (B) den Inhabern der Zugrundeliegenden Aktien des betreffenden Aktienemittenten eine Übertragung der Zugrundeliegenden Aktien von Gesetzes wegen verboten ist.

"Fusionsereignis" bezeichnet in Bezug auf eine betreffende Zugrundeliegende Aktie (a) eine Gattungsänderung oder sonstige Änderung dieser Zugrundeliegenden Aktie, die zu einer Übertragung oder einer unwiderruflichen Verpflichtung zur Übertragung aller betreffenden ausstehenden Zugrundeliegenden Aktien auf ein anderes Unternehmen oder eine andere Person führt, (b) die Konsolidierung, Verschmelzung, Fusion oder einen verbindlichen Aktientausch des Aktienemittenten mit einem anderen Unternehmen oder einer anderen Person oder auf ein anderes Unternehmen oder eine andere Person (mit Ausnahme einer Konsolidierung, Verschmelzung, Fusion oder eines verbindlichen Aktientauschs, bei der bzw. dem der Aktienemittent das fortbestehende Unternehmen ist und die bzw. der nicht zu einer Gattungsänderung oder sonstigen Änderung aller betreffenden ausstehenden Zugrundeliegenden Aktien führt), (c) ein Übernahmeangebot,

Tauschangebot, eine Aufforderung, ein Angebot oder eine sonstige Maßnahme, das bzw. die zu einer Übertragung oder einer unwiderruflichen Verpflichtung zur Übertragung aller solcher Zugrundeliegenden Aktien (außer Zugrundeliegenden Aktien im Eigentum oder unter der Kontrolle des betreffenden anderen Unternehmens oder der betreffenden anderen Person) führt und durch ein Unternehmen oder eine Person mit dem Ziel erfolgt, 100 % der ausstehenden Zugrundeliegenden Aktien des Aktienemittenten zu erwerben, oder (d) die Konsolidierung, Verschmelzung, Fusion oder einen verbindlichen Aktientausch des Aktienemittenten oder seiner Tochtergesellschaften mit einem anderen Unternehmen oder auf ein anderes Unternehmen, bei der bzw. dem der Aktienemittent das fortbestehende Unternehmen ist und die bzw. der nicht zu einer Gattungsänderung oder sonstigen Änderung aller betreffenden ausstehenden Zugrundeliegenden Aktien, sondern dazu führt, dass die unmittelbar vor diesem Ereignis ausstehenden Zugrundeliegenden Aktien (außer Zugrundeliegenden Aktien im Eigentum oder unter der Kontrolle des betreffenden anderen Unternehmens) insgesamt weniger als 50 % der unmittelbar nach diesem Ereignis ausstehenden Zugrundeliegenden Aktien darstellen, sofern der Fusionstag jeweils an oder vor dem letzten [Bewertungstag] [betreffenden] Basiswertfestlegungstag] oder, falls die Schuldverschreibungen durch Lieferung der Zugrundeliegenden Aktien zurückzuzahlen sind, dem Fälligkeitstag liegt.

"Verstaatlichung" bezeichnet den Umstand, dass sämtliche Zugrundeliegenden Aktien oder sämtliche bzw. im Wesentlichen sämtliche Vermögensgegenstände des Aktienemittenten verstaatlicht oder enteignet werden oder auf sonstige Art und Weise an eine Regierungsstelle, Behörde oder sonstige staatliche Stelle oder ein Organ dieser Stellen zu übertragen sind.

"Mögliches Anpassungsereignis" bezeichnet eines der folgenden Ereignisse:

- (a) eine Unterteilung, Zusammenlegung oder Gattungsänderung von betreffenden Zugrundeliegenden Aktien (sofern dies nicht zu einem Fusionsereignis führt) sowie die unentgeltliche Ausschüttung oder Zuteilung von Zugrundeliegenden Aktien an bestehende Aktionäre in Form von Bonusaktien, Gratisaktien oder mittels ähnlicher Maßnahmen,
- (b) eine Ausschüttung, Ausgabe oder Dividende an bestehende Aktionäre der betreffenden Zugrundeliegenden Aktien in Form von (i) solchen Zugrundeliegenden Aktien oder (ii) sonstigen Beteiligungsrechten oder Wertpapieren, die zur Ausschüttung einer Dividende und/oder anteiligen Auskehrung des Liquidationserlöses im Hinblick auf den betreffenden Aktienemittenten entsprechend oder anteilmäßig zu den entsprechenden Zahlungen an Aktionäre dieser Zugrundeliegenden Aktien berechtigen, oder (iii) Beteiligungsrechten oder sonstigen Wertpapieren eines anderen Emittenten, den der Aktienemittent (direkt oder indirekt) infolge einer Spaltung oder einer ähnlichen Transaktion erworben hat oder die sich infolge dessen in seinem Besitz befinden, oder (iv) sonstigen Wertpapieren, Options- oder anderen Rechten oder Vermögenswerten, die jeweils für eine unter dem vorherrschenden von der Berechnungsstelle festgestellten Marktpreis liegende, in Barmitteln oder Sachwerten bestehende Gegenleistung gewährt oder geleistet werden,

- (d) eine Einzahlungsaufforderung seitens des Aktienemittenten in Bezug auf nicht voll eingezahlte Zugrundeliegende Aktien,
- (e) ein Rückkauf der jeweiligen Zugrundeliegenden Aktien durch den Aktienemittenten oder eine seiner Tochtergesellschaften, unabhängig davon, ob der Rückkauf aus Gewinn- oder Kapitalrücklagen erfolgt oder ob der Kaufpreis in Form von Barmitteln, Wertpapieren oder auf sonstige Weise entrichtet wird, oder
- (f) ein Ereignis in Bezug auf den Aktienemittenten, das dazu führt, dass Aktionärsrechte begeben werden oder von Stammaktien oder anderen Aktien des Aktienemittenten abgetrennt werden und dies gemäß einem Aktionärsrechteplan oder einer ähnlichen Maßnahme zur Abwehr von feindlichen Übernahmen geschieht, der bzw. die beim Eintritt bestimmter Ereignisse die Ausgabe von Vorzugsaktien, Optionsrechten, Wertpapieren oder Bezugsrechten zu einem unter dem von der Berechnungsstelle festgestellten Marktpreis liegenden Preis vorsieht, wobei eine infolge eines solchen Ereignisses getroffene Anpassung bei einer Einlösung solcher Rechte erneut anzupassen ist, und
- (g) sonstige Umstände, die nach Auffassung der Berechnungsstelle eine verwässernde, werterhöhende oder sonstige Wirkung auf den theoretischen Wert der betreffenden Zugrundeliegenden Aktien haben.

["**Übernahmeangebot**"] bezeichnet ein Übernahmeangebot, Tauschangebot, eine Aufforderung, ein Angebot oder eine sonstige Maßnahme seitens eines Unternehmens oder einer Person, das bzw. die dazu führt, dass dieses Unternehmen oder diese Person durch Umwandlung oder sonst in irgendeiner Weise mehr als 10 %, aber weniger als 100 % der ausstehenden stimmberechtigten Aktien des Aktienemittenten erwirbt oder anderweitig erhält oder zu deren Erhalt berechtigt ist, soweit dies von der Berechnungsstelle auf der Grundlage von Mitteilungen an staatliche Stellen oder Selbstregulierungsorgane oder anhand anderer nach Auffassung der Berechnungsstelle maßgeblicher Informationen festgestellt wird.]

IM FALL VON SCHULDVER-SCHREIBUNGEN, DIE AUF EINEN INFLATIONSINDEX ODER EINEN INFLATIONSINDEX-KORB BEZOGEN SIND, GILT FOLGENDES:

- (1) *Verspätete Veröffentlichung.* Stellt die Berechnungsstelle fest, dass in Bezug auf einen Index ein Auslöser der Zeitverzögerten Indexstandfeststellung in Bezug auf einen Festlegungstag eingetreten ist, so wird der Maßgebliche Stand des betreffenden Index, der Gegenstand des jeweiligen Auslösers der Zeitverzögerten Indexfeststellung ist (der "**Ersatzindexstand**") von der Berechnungsstelle **[falls "Bezugsanleihe" nicht anwendbar ist, gilt Folgendes:** unter Anwendung der folgenden Formel] **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes:** wie folgt] festgestellt:
 - (a) die Berechnungsstelle stellt den Ersatzindexstand unter Zugrundelegung des entsprechenden Indexstands fest, der gemäß den Emissionsbedingungen der maßgeblichen Bezugsanleihe festgestellt wurde, oder
 - (b) sollte die Berechnungsstelle nicht in der Lage sein, einen Ersatzindexstand gemäß vorstehendem Unterabsatz (a) zu ermitteln, so stellt die Berechnungsstelle den Ersatzindexstand unter Anwendung der folgenden Formel fest:]

$$\text{Ersatzindexstand} = \text{Basisstand} \times (\text{Letzer Stand/Referenzstand})$$

wobei:

"Basisstand" in Bezug auf einen Inflationsindex den Stand dieses Inflationsindex (unter Ausschluss etwaiger vorab veröffentlichter Schätzungen) bezeichnet, der von dem jeweiligen Inflationsindex-Sponsor in Bezug auf den Monat veröffentlicht bzw. bekannt gegeben wird, der dem Monat, für den der Ersatzindexstand festgestellt wird, 12 Kalendermonate vorausgeht.

"Letzter Stand" in Bezug auf einen Inflationsindex den letzten Stand dieses Inflationsindex (unter Ausschluss etwaiger vorab veröffentlichter Schätzungen) bezeichnet, der von dem jeweiligen Inflationsindex-Sponsor vor dem Monat veröffentlicht bzw. bekannt gegeben wird, in Bezug auf den der Ersatzindexstand festgestellt wird.

"Referenzstand" in Bezug auf einen Inflationsindex den Stand dieses Inflationsindex (unter Ausschluss etwaiger vorab veröffentlichter Schätzungen) bezeichnet, der von dem jeweiligen Inflationsindex-Sponsor in Bezug auf den Monat veröffentlicht bzw. bekannt gegeben wird, der dem Monat, auf den sich der Letzte Stand bezieht, 12 Kalendermonate vorausgeht.

Die Emittentin unterrichtet die Gläubiger der Schuldverschreibungen durch Mitteilung gemäß § [15] von jedem gemäß diesem § [8](1) festgestellten Ersatzindexstand

(2) *Einstellung der Veröffentlichung.* Wenn der Stand des Inflationsindex zwei aufeinander folgende Monate lang nicht veröffentlicht bzw. nicht bekannt gegeben wurde oder wenn der Inflationsindex-Sponsor bekannt gibt, dass er den Inflationsindex nicht länger veröffentlichen bzw. bekannt geben wird, hat die Berechnungsstelle für die Zwecke der inflationsgebundenen Schuldverschreibungen einen Nachfolgeindex (anstelle eines zuvor geltenden Inflationsindex) unter Anwendung der folgenden Methodik zu bestimmen:

- (i) **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes:** wenn von der Berechnungsstelle zu irgendeinem Zeitpunkt gemäß den Emissionsbedingungen der Bezugsanleihe ein Nachfolgeindex bestimmt wurde, so wird dieser Nachfolgeindex als "Nachfolgeindex" bestimmt, ungeachtet dessen, dass zuvor möglicherweise bereits ein anderer Nachfolgeindex gemäß den nachstehenden Absätzen (ii), (iii) oder (iv) bestimmt worden ist, oder]
- (ii) wenn **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes:** ein Nachfolgeindex nicht gemäß § [8](2)(i)] bestimmt wurde und] durch den Inflationsindex-Sponsor eine Mitteilung bzw. eine Bekanntgabe dahingehend erfolgt ist, dass ein von dem Inflationsindex-Sponsor bestimmter als Ersatz dienender Inflationsindex an die Stelle des Inflationsindex treten wird, und wenn die Berechnungsstelle feststellt, dass der betreffende als Ersatz dienende Inflationsindex unter Anwendung derselben oder einer im Wesentlichen gleichen Berechnungsformel oder -methode berechnet wird, die auch bei der Berechnung des zuvor geltenden Inflationsindex angewandt wurde, gilt dieser als Ersatz dienende Index vom Tag des Inkrafttretens dieses als Ersatz dienenden Inflationsindex für die Zwecke der inflationsgebundenen Schuldverschreibungen als "Inflationsindex", oder

- (iii) wurde ein Nachfolgeindex nicht gemäß § [8](2)(i) **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes: oder § [8](2)(ii)]** bestimmt, so bittet die Berechnungsstelle fünf führende unabhängige Händler um Angabe, welches der als Ersatz für den Inflationsindex dienende Index sein sollte. Wenn vier oder fünf dieser führenden unabhängigen Händler antworten und davon mindestens drei denselben Index angeben, gilt dieser Index als "Nachfolgeinflationsindex". Wenn drei dieser führenden unabhängigen Händler antworten und davon mindestens zwei denselben Index angeben, gilt dieser Index als "Nachfolgeinflationsindex". Wenn weniger als drei dieser führenden unabhängigen Händler antworten, richtet sich das weitere Vorgehen der Berechnungsstelle nach § [8](2)(iv), oder
 - (iv) wurde bis zum darauffolgenden Stichtag kein als Ersatz dienender Index bzw. Nachfolgeinflationsindex gemäß § [8](2)(i), § [8](2)(ii) **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes: oder § [8](2)(iii)]** bestimmt, so wird die Berechnungsstelle ab dem jeweiligen Stichtag einen geeigneten Alternativindex bestimmen, und dieser Index gilt als "Nachfolgeinflationsindex", oder
 - (v) wenn die Berechnungsstelle feststellt, dass es keinen geeigneten Alternativindex gibt, unterrichtet die Emittentin im Fall von Anleihen die Gläubiger der Schuldverschreibungen durch Mitteilung gemäß § [15] und zahlt die Schuldverschreibungen insgesamt, jedoch nicht teilweise, zurück, wobei jeder Nennbetrag von Schuldverschreibungen in Höhe **[im Fall von deutschrechtlichen Schuldverschreibungen gilt Folgendes: der Festgelegten Stückelung] [im Fall von englischrechtlichen Schuldverschreibungen gilt Folgendes: des Berechnungsbetrags]]** zum Vorzeitigen Rückzahlungsbetrag zurückgezahlt wird.
- (3) *Rücksetzung des Inflationsindex.* Wenn die Berechnungsstelle feststellt, dass eine Rücksetzung des Inflationsindex zu einem bestimmten Zeitpunkt erfolgt ist bzw. erfolgen wird, wird der zurückgesetzte Inflationsindex (der "**Zurückgesetzte Index**") ab dem Rücksetzungstag für die Zwecke der Feststellung des Stands des Inflationsindex herangezogen; dies gilt jedoch mit der Maßgabe, dass die Berechnungsstelle Anpassungen **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes: , die jeweils von der für Berechnungen zuständigen Stelle gemäß den Emissionsbedingungen der Bezugsanleihe vorgenommen werden,]** an den Ständen des Zurückgesetzten Index vornimmt, so dass diese Stände des Zurückgesetzten Index dieselbe Inflationsrate widerspiegeln wie der Index vor seiner Rücksetzung.
- (4) *Wesentliche Änderung vor dem letzten Stichtag.* Wenn der Inflationsindex-Sponsor an oder vor dem letzten Stichtag bekannt gibt, dass er eine wesentliche Änderung bei dem Inflationsindex vornehmen wird, wird die Berechnungsstelle daraufhin **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes: sämtliche Anpassungen entsprechend den Anpassungen vornehmen, die bei der Bezugsanleihe vorgenommen wurden] [falls "Bezugsanleihe" nicht anwendbar ist, gilt Folgendes: nur diejenigen Anpassungen bei dem Inflationsindex vornehmen, die erforderlich sind, um den geänderten Inflationsindex als Inflationsindex beizubehalten].**
- (5) *Begriffsbestimmungen:* Für die Zwecke dieses § [8] kommt den nachstehend aufgeführten Begriffen jeweils die folgende Bedeutung zu:

"Stichtag" bezeichnet in Bezug auf einen Festlegungstag den [●] [fünften Geschäftstag vor dem jeweiligen Festlegungstag].

"Auslöser der Zeitverzögerten Indexstandfeststellung" bezeichnet in Bezug auf einen Festlegungstag und einen Inflationsindex den Fall, dass der betreffende Index-Sponsor zu irgendeinem Zeitpunkt an oder vor dem Stichtag den Stand des betreffenden Index (der **"Maßgebliche Stand"**) in Bezug auf einen Referenzmonat nicht veröffentlicht bzw. bekannt gibt, der bei einer von der Emittentin in Bezug auf den jeweiligen Festlegungstag vorzunehmenden Berechnung oder Feststellung heranzuziehen ist.

"Festlegungstag" bezeichnet [●].

[Falls "Bezugsanleihe" anwendbar ist, gilt Folgendes: "Endtag" bezeichnet: [●].

"Ausweichenanleihe" bezeichnet in Bezug auf einen Inflationsindex eine von der Berechnungsstelle ausgewählte und von der Regierung des Landes, auf dessen Inflationsrate sich der betreffende Inflationsindex bezieht, begebene Anleihe, auf die ein Kupon bzw. ein Rückzahlungsbetrag gezahlt wird, dessen Berechnung unter Zugrundelegung des betreffenden Inflationsindex erfolgt, und deren Fälligkeitstag entweder (a) mit dem Endtag zusammenfällt, (b) auf den unmittelbar auf den Endtag folgenden Fälligkeitstermin fällt, sofern am Endtag keine solche Anleihe fällig wird, oder (c) auf den letztmöglichen Fälligkeitstermin vor dem Endtag fällt, sofern von der Berechnungsstelle keine Anleihe im Sinne von Unterabsatz (a) bzw. (b) ausgewählt wurde. **[falls sich der maßgebliche Inflationsindex auf die Inflationsrate in der Europäischen Währungsunion bezieht, gilt Folgendes:** Die Berechnungsstelle wird eine inflationsgebundene Anleihe auswählen, bei der es sich um einen Schuldtitel der Regierung (nicht jedoch einer Regierungsstelle) von Frankreich, Italien, Deutschland oder Spanien handelt und auf die ein Kupon bzw. ein Rückzahlungsbetrag gezahlt wird, dessen Berechnung unter Zugrundelegung der Inflationsrate in der Europäischen Währungsunion erfolgt.] In jedem Fall wird die Berechnungsstelle die Ausweichenanleihe aus denjenigen inflationsgebundenen Anleihen auswählen, die an oder vor dem Begebungstag begeben wurden, wobei die Berechnungsstelle für den Fall, dass mehr als eine inflationsgebundene Anleihe an demselben Tag fällig wird, die Ausweichenanleihe aus den letztgenannten Anleihen auswählen muss. Kommt die Ausweichenanleihe zur Rückzahlung, so kann die Berechnungsstelle auf derselben Grundlage eine neue Ausweichenanleihe auswählen, wobei die Auswahl jedoch unter allen zulässigen Anleihen getroffen wird, die im Zeitpunkt der Rückzahlung der ursprünglichen Ausweichenanleihe in Umlauf sind (einschließlich jeder Anleihe, gegen die die zurückgezahlte Anleihe ausgetauscht wird).]

"Referenzmonat" bezeichnet den Kalendermonat, für den der Stand des Inflationsindex mitgeteilt wurde, und zwar unabhängig von dem Zeitpunkt der Veröffentlichung bzw. Bekanntgabe dieser Information. Handelt es sich bei dem Zeitraum, für den der Maßgebliche Stand mitgeteilt wurde, nicht um einen Monat, so gilt derjenige Zeitraum als Referenzmonat, für den der Maßgebliche Stand mitgeteilt wurde.

[Falls "Bezugsanleihe" anwendbar ist, gilt Folgendes: "Bezugsanleihe" bezeichnet in Bezug auf einen Inflationsindex [●] **[falls "Ausweichenanleihe" anwendbar ist, gilt Folgendes:** Wenn die Bezugsanleihe vor dem Endtag zur Rückzahlung gelangt bzw. fällig wird, legt die Berechnungsstelle jeder Feststellung, die in Bezug auf die Bezugsanleihe zu erfolgen hat, die

Ausweichanleihe zugrunde.]

§ [10] STEUERN

IM FALL VON SCHULDVER- SCHREIBUNGEN, DIE KEINEN QUELLEN- STEUER- AUSGLEICH VORSEHEN, GILT FOLGENDES:

Alle in Bezug auf die Schuldverschreibungen zu zahlenden Beträge werden unter Abzug oder Einbehalt von oder aufgrund von gegenwärtigen oder zukünftigen Steuern, Abgaben oder staatlichen Gebühren gleich welcher Art, die im Wege des Abzugs oder Einhalts erhoben oder eingezogen werden, gezahlt, falls ein solcher Abzug oder Einbehalt gesetzlich vorgeschrieben ist (unter anderem gemäß einer in Sections 1471 bis 1474 des US-Bundessteuergesetzes (*United States Internal Revenue Code*) von 1986 (the "IRC"), sämtlicher darunter erlassenen Vorschriften oder Vereinbarungen, einschließlich einer Vereinbarung gemäß Section 1471(b) IRC, oder offiziellen Auslegungen dieser Bestimmungen ("FATCA") oder nach Maßgabe eines Gesetzes zur Umsetzung einer zwischenstaatlichen Vereinbarung in Bezug auf FATCA).

IM FALL VON SCHULDVER- SCHREIBUNGEN, DIE QUELLEN- STEUER- AUSGLEICH VORSEHEN, GILT FOLGENDES:

- (1) *Quellensteuern und Zusätzliche Beträge.* Alle in Bezug auf die Schuldverschreibungen zahlbaren Beträge werden ohne Abzug oder Einbehalt von oder aufgrund von gegenwärtigen oder zukünftigen Steuern, Abgaben oder staatlichen Gebühren gleich welcher Art, die im Wege des Abzugs oder des Einhalts von oder für Rechnung von **[falls die Schuldverschreibungen durch die deutsche Hauptniederlassung der Emittentin begeben werden, gilt Folgendes:** Deutschland] **[falls die Schuldverschreibungen durch eine Zweigniederlassung begeben werden, gilt der jeweilige Ort der emittierenden Zweigniederlassung:** [dem Vereinigten Königreich] [Australien] [Singapur] [Hongkong] [Italien] [Portugal] [Spanien] **[Staat, in dem sich eine**

Falls ein Abzug oder Einbehalt gesetzlich vorgeschrieben ist, wird die Emittentin im weitesten nach geltendem Recht zulässigen Umfang diejenigen zusätzlichen Beträge an Kapital und Zinsen zahlen, die erforderlich sind, damit die den Gläubigern der Schuldverschreibungen zufließenden Nettobeträge nach diesem Einbehalt oder Abzug jeweils den Beträgen entsprechen, die ohne einen solchen Einbehalt oder Abzug von den Gläubigern der Schuldverschreibungen empfangen worden wären (die "**Zusätzlichen Beträge**"). Solche Zusätzlichen Beträge sind jedoch nicht zahlbar in Bezug auf Steuern, Abgaben oder staatliche Gebühren, die:

- (a) von einer als Depotbank oder Inkassobeauftragter des Gläubigers der Schuldverschreibungen handelnden Person zu entrichten sind oder sonst auf andere Weise zu entrichten sind als dadurch, dass die Emittentin von den von ihr zu leistenden Zahlungen von Kapital oder Zinsen einen Abzug oder einen Einbehalt auf solche Zahlungen vornimmt, oder

- (2) **FATCA.** Darüber hinaus werden alle in Bezug auf die Schuldverschreibungen zu zahlenden Beträge unter dem Vorbehalt der Einhaltung der Sections 1471 bis 1474 des US-Bundessteuergesetzes (*United States Internal Revenue Code*)

von 1986 ("IRC"), sämtlicher darunter erlassenen Vorschriften oder Vereinbarungen, einschließlich einer Vereinbarung gemäß Section 1471(b) IRC, und offizieller Auslegungen dieser Bestimmungen ("FATCA") sowie jedes Gesetzes zur Umsetzung einer zwischenstaatlichen Vereinbarung in Bezug auf FATCA gezahlt. Die Emittentin ist nicht verpflichtet, im Zusammenhang mit der Einhaltung der vorgenannten Vorschriften Zusätzliche Beträge zu zahlen oder einen Gläubiger der Schuldverschreibungen anderweitig freizustellen.

Eine solche Kündigung darf jedoch nicht früher als 90 Tage vor dem Zeitpunkt erfolgen, an dem die Emittentin erstmals Quellensteuern einbehalten oder zahlen müsste, falls eine Zahlung in Bezug auf die Schuldverschreibungen dann geleistet würde.
- (4) *Mitteilung.* Die Kündigung erfolgt durch Veröffentlichung gemäß § [15]. Sie ist unwiderruflich und muss den für die Rückzahlungstag festgesetzten Tag sowie in zusammenfassender Form die Tatsachen angeben, die das Kündigungsrecht begründen.
- (5) *Sitzverlegung der Emittentin.* Für den Fall einer Sitzverlegung der Emittentin in ein anderes Land oder Territorium oder eine andere Rechtsordnung gelten die vorstehenden Bestimmungen mit der Maßgabe, dass sich jede Nennung des Sitzlandes der Emittentin vom Zeitpunkt der Sitzverlegung an als Bezugnahme auf dieses andere Land oder Territorium oder diese andere Rechtsordnung versteht.
- (6) *Auslegung.* In diesem § [10] bezeichnet:
- (a) **"Maßgeblicher Tag"** den Tag, an dem die betreffende Zahlung erstmals fällig wird, wobei dieser Begriff jedoch in dem Fall, dass der Fiscal Agent den gesamten zu zahlenden Betrag nicht an oder vor dem jeweiligen Fälligkeitstag erhalten hat, den Tag bezeichnet, an dem nach Eingang des gesamten zu zahlenden Betrags beim Fiscal Agent eine entsprechende Mitteilung ordnungsgemäß an die Gläubiger der Schuldverschreibungen gemäß § [15] erfolgt ist, und

In diesem Fall wird die Emittentin vorbehaltlich der nachstehenden Ausnahmen und Beschränkungen die Zusätzlichen Beträge zahlen, die erforderlich sind, damit die an die Gläubiger der Schuldverschreibungen gezahlten Nettobeträge nach einem solchen Abzug oder Einbehalt denjenigen Beträgen entsprechen, den die Gläubiger der Schuldverschreibungen ohne einen solchen Einbehalt oder Abzug in Bezug auf die Garantie erhalten hätten. Die Verpflichtung der Emittentin zur Zahlung solcher Zusätzlichen Beträge besteht jedoch nicht in Bezug auf:

6. **[In case of Option I and Option II the following applies: The following will be inserted as a new § 6 and the subsequent Conditions (including the original § 6) will be re-numbered accordingly] [In case of Option V the following applies: § 6 will be deleted and replaced by the following new § 6]:**

"PROVISIONS FOR CREDIT LINKED SECURITIES

The "**Redemption Amount**" in respect of each principal amount of Securities equal to the Calculation Amount for the purposes of § 5(1) shall be specified in the applicable Final Terms.

(1) *Auction Settlement*

If Conditions to Settlement are satisfied during the Notice Delivery Period (such date of satisfaction, the "**Credit Event Determination Date**") and Auction Settlement is specified in the applicable Final Terms, the Issuer shall give notice to the Securityholders in accordance with § [12][15] and redeem all but not

some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by the Issuer at the Credit Event Redemption Amount on the Credit Event Redemption Date, provided that if the relevant Conditions to Settlement are subsequently deemed not to have been satisfied in accordance with the definition thereof in § 6(10), the Credit Event Determination Date previously determined shall be deemed not to have occurred and the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Conditions to Settlement had not been satisfied, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Conditions to Settlement are deemed not to have been satisfied as soon as practicable thereafter.

If:

(x) unless settlement has occurred in accordance with the paragraph above, Conditions to Settlement are satisfied pursuant to sub-paragraph (a) of the definition thereof and on or prior to the Auction Cut-Off Date:

- (i) ISDA publicly announces that no Auction will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity (the date on which ISDA first makes such announcement, the "**No Auction Announcement Date**");
- (ii) no No Auction Announcement Date has occurred but the relevant Credit Derivatives Determinations Committee has not determined that one or more Auctions will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity; or
- (iii) the Calculation Agent determines that it is not reasonably likely that an Auction will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity and gives notice of such to the Issuer (the date on which the Calculation Agent gives such notice, the "**Calculation Agent No Auction Determination Date**"); or

(y) Conditions to Settlement are satisfied pursuant to sub-paragraph (b) of the definition thereof,

then:

- (A) if Cash Settlement is specified as the applicable Fallback Settlement Method in the applicable Final Terms, the Issuer shall redeem the Securities in accordance with § 6(2) below; or
- (B) if Physical Settlement is specified as the applicable Fallback Settlement Method in the applicable Final Terms, the Issuer shall redeem the Securities in accordance with § 6(3) below.

If Conditions to Settlement are satisfied and the Securities become redeemable in accordance with this § 6(1), upon payment of the Credit Event Redemption Amount in respect of the Securities the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(2) *Cash Settlement*

If Conditions to Settlement are satisfied during the Notice Delivery Period (such date of satisfaction, the "**Credit Event Determination Date**") and Cash Settlement is specified in the applicable Final Terms or if § 6(1)(A) above applies, the Issuer shall give notice to the Securityholders in accordance with §

[12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by the Issuer at the Credit Event Redemption Amount on the Credit Event Redemption Date, provided that if the relevant Conditions to Settlement are subsequently deemed not to have been satisfied in accordance with the definition thereof in § 6(10), the Credit Event Determination Date previously determined shall be deemed not to have occurred and the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Conditions to Settlement had not been satisfied, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Conditions to Settlement are deemed not to have been satisfied as soon as practicable thereafter.

If Conditions to Settlement are satisfied and the Securities become redeemable in accordance with this § 6(2), upon payment of the Credit Event Redemption Amount in respect of the Securities the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(3) *Physical Settlement*

If Conditions to Settlement are satisfied during the Notice Delivery Period (such date of satisfaction, the "**Credit Event Determination Date**") and Physical Delivery is specified in the applicable Final Terms or if § 6(1)(B) above applies, the Issuer shall give notice (such notice a "**Notice of Physical Settlement**") to the Securityholders in accordance with § [12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by Delivery of the Deliverable Obligations comprising the Asset Amount, subject to and in accordance with § 6(7) and (8), provided that if the relevant Conditions to Settlement are subsequently deemed not to have been satisfied in accordance with the definition thereof in § 6(10), the Credit Event Determination Date previously determined shall be deemed not to have occurred and the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Conditions to Settlement had not been satisfied, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Conditions to Settlement are deemed not to have been satisfied as soon as practicable thereafter. In the Notice of Physical Settlement the Issuer shall specify the Deliverable Obligations comprising the Asset Amount that it reasonably expects to Deliver. **For the avoidance of doubt, the Calculation Agent shall be entitled to select any of the Deliverable Obligations to constitute the Asset Amount, irrespective of their market value.**

If "Restructuring Maturity Limitation and Fully Transferable Obligation" is specified as applicable in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice or the subject of the DC Resolution resulting in the satisfaction of Conditions to Settlement, as applicable, then a Deliverable Obligation may be included in the Asset Amount only if it (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the Restructuring Maturity Limitation Date.

If "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified as applying in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice or the subject of the DC Resolution resulting in the satisfaction of Conditions to Settlement, as applicable, then a Deliverable Obligation may be included in the Asset Amount only if it (i) is a Conditionally Transferable Obligation and (ii) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date.

If Conditions to Settlement are satisfied and the Securities become redeemable in accordance with this § 6(3), upon Delivery of the Deliverable Obligations Deliverable and/or payment of the Cash Settlement Amount, as the case may be, the Issuer shall have discharged its obligations

in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The value of such Deliverable Obligations and/or the Cash Settlement Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(4) *Repudiation/Moratorium Extension.*

Where Repudiation/Moratorium is specified as a Credit Event in the applicable Final Terms, the provisions of this § 6(4) shall apply

 - (A) if such Security is represented by a Global Security, the relevant Securityholder must deliver to the relevant Clearing System, with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice; and
 - (B) if such Security is in definitive form, the relevant Securityholder must deliver to any Paying Agent with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice (as defined below).

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Paying Agent.

An Asset Transfer Notice may only be delivered (i) if such Security is represented by a Global Security, in such manner as is acceptable to the relevant Clearing System, or (ii) if such Security is in definitive form, in writing or by tested telex.

If the Security is in definitive form, the Security must be delivered together with the duly completed Asset Transfer Notice. An Asset Transfer Notice must:

- (1) specify the name and address of the relevant Securityholder, the person from whom the Issuer may obtain details for the Delivery of the Deliverable Obligations comprising the Asset Amount and any details required for Delivery of the Deliverable Obligations comprising the Asset Amount set out in the applicable Final Terms;

In the case of Securities represented by a Global Security, upon receipt of such notice, the relevant Clearing System shall verify that the person specified therein as the Securityholder is the holder of the specified principal amount of Securities according to its books.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made, in the case of Securities represented by a Global Security, by the relevant Clearing System after consultation with the Issuer and shall be conclusive and binding on the Issuer and the relevant Securityholder and, in the case of Securities in definitive form, by the relevant Paying Agent after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the relevant Securityholder.

If a Securityholder fails to give an Asset Transfer Notice as provided herein on or prior to the Cut-Off Date specified in the applicable Final Terms, the Issuer will, subject as provided above, Deliver the Deliverable Obligations comprising the Asset Amount in respect of the relevant Securities as soon as practicable after the receipt of the duly completed Asset Transfer Notice, provided that if, in respect of a Security, a Securityholder fails to give an Asset Transfer Notice prior to the day falling 180 calendar days after the Cut-Off Date, the Issuer's obligations in respect of such Securities shall be discharged and the Issuer shall have no liability in respect thereof.

After Delivery of the Deliverable Obligations comprising an Asset Amount and for the Intervening Period, none of the Issuer, the Calculation Agent nor any other person shall at any time (x) be under any obligation to deliver or procure delivery to any Securityholder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of the securities or obligations included in such Asset Amount, (y) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities or obligations included in such Asset Amount or (z) be under any liability to a Securityholder in respect of any loss or damage which such Securityholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations included in such Asset Amount.

- (iii) In relation to each Deliverable Obligation constituting an Asset Amount the Issuer will Deliver or procure the Delivery of the relevant Deliverable Obligation as provided below on the Settlement Date or, as applicable, as soon as practicable after receipt of a duly completed Asset Transfer Notice as provided above, provided that if all or some of the Deliverable Obligations included in such Asset Amount are then Undeliverable Obligations and/or Hedge Disruption Obligations, then the Issuer shall continue to attempt to Deliver all or a portion of

such Undeliverable Obligations or Hedge Disruption Obligations, as the case may be, on or before the 30th Business Day following the Settlement Date (the "**Final Delivery Date**"),

Provided Further That if all or a portion of such Undeliverable Obligations or Hedge Disruption Obligations, as the case may be, are not Delivered by the Final Delivery Date the provisions of § 6(8) shall apply.

(8) *Partial Cash Settlement*

If all or a portion of the Undeliverable Obligations or Hedge Disruption Obligations comprising the Asset Amount are not Delivered by the Final Delivery Date, the Issuer shall give notice (a "**Cash Settlement Notice**") to the Securityholders in accordance with § [12][15] and the Issuer shall pay in respect of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, the Cash Settlement Amount on the Cash Settlement Date.

In the Cash Settlement Notice the Issuer must give details of why it is unable to deliver the relevant Undeliverable Obligations or Hedge Disruption Obligation, as the case may be.

Unless otherwise specified in the applicable Final Terms, for the purposes of this § 6(8) the following terms are deemed to have the following meanings:

"Cash Settlement Amount" is deemed to be, for each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, an amount calculated by the Calculation Agent equal to the greater of (i) (A) the Outstanding Principal Balance, the Due and Payable Amount or the Currency Amount, as applicable, of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, multiplied by (B) the Final Price with respect to such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, less (C) Unwind Costs, if any (but excluding any Unwind Costs already taken into account in calculating the relevant Asset Amount), and (ii) zero.

"Cash Settlement Date" is deemed to be the date falling three Business Days after the calculation of the Final Price.

"Indicative Quotation" means, in accordance with the Quotation Method, each quotation obtained from a Quotation Dealer at the Valuation Time for (to the extent reasonably practicable) an amount of the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, equal to the Quotation Amount, which reflects such Quotation Dealer's reasonable assessment of the price of such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, based on such factors as such Quotation Dealer may consider relevant, which may include historical prices and recovery rates.

"Market Value" means, with respect to an Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, on a Valuation Date:

- (i) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the same highest and lowest values (and, if more than one such Full Quotations have the same highest or lowest value, then one of such highest or lowest Full Quotations shall be disregarded);
- (ii) if exactly three Full Quotations are obtained, the Full Quotations remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded);
- (iii) if exactly two Full Quotations are obtained, the arithmetic mean of such Full Quotations;
- (iv) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation;

- (v) if Indicative Quotations are specified as applying in the applicable Final Terms and exactly three Indicative Quotations are obtained, the Indicative Quotation remaining after disregarding the highest and lowest Indicative Quotations (and, if more than one such Indicative Quotations have the same highest or lowest value, then one of such highest or lowest Indicative Quotations shall be disregarded);
- (vi) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) then, subject to sub-paragraph (b) of the definition of "Quotation" below, an amount as determined by the Calculation Agent on the next Business Day on which two or more Full Quotations or a Weighted Average Quotation or, if applicable, three Indicative Quotations are obtained; and
- (vii) if fewer than two Full Quotations are obtained, no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) on the same Business Day on or prior to the fifteenth Business Day following the Valuation Date, the Market Value shall be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such fifteenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such fifteenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.

"Quotation" means each Full Quotation, the Weighted Average Quotation and, if Indicative Quotations are specified as applying in the applicable Final Terms, each Indicative Quotation obtained and expressed as a percentage with respect to a Valuation Date in the manner that follows:

- (a) The Calculation Agent shall attempt to obtain Full Quotations with respect to each Valuation Date from five or more Quotation Dealers. If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the fifteenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Quotation Dealers, and, if two or more Full Quotations are not available, a Weighted Average Quotation. Such Accreted Amount shall include any accrued and unpaid periodic cash interest payments (as determined by the Calculation Agent in its sole and absolute discretion) only if "Include Accrued Interest" is specified as applicable in the applicable Final Terms. In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information and shall, as soon as practicable after such calculation, make such calculation available for inspection by Securityholder(s) at the specified office of the Fiscal Agent.

In the case of (b) above, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the date of occurrence of the relevant Succession Event), and with effect from the date of occurrence of the Succession Event, each Sovereign and/or entity, if any, that qualifies under (b) above; provided that the Calculation Agent will not make such determination if, at such time, either (A) ISDA has publicly announced that the conditions to convening a Credit Derivatives Determinations Committee to Resolve the matters described in the definition of Successor in relation to

the relevant Reference Entity, and in sub-paragraphs (a) and (b)(ii) of the definition of Succession Event Resolution Request Date are satisfied in accordance with the Rules (until such time, if any, as ISDA subsequently publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine a Successor or the request the subject of the Succession Event Resolution Request Date is withdrawn in accordance with the Rules prior to the first meeting at which deliberations are held with respect to such request) or (B) ISDA has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that no event that constitutes a Succession Event with respect to the relevant Reference Entity has occurred, unless in either case the Calculation Agent, acting in good faith and in a commercially reasonable manner and taking into account the differences between the definition of Successor under the 2003 ISDA Credit Derivatives Definitions and the definition of Successor hereunder and such other factor(s) as it deems appropriate, determines that it is inappropriate to follow such DC Resolutions for the purposes of the Securities.

Where pursuant to sub-paragraphs (a)(iii) or (a)(iv) above, more than one Successor has been identified, the Calculation Agent shall adjust such of the Terms and Conditions and/or the applicable Final Terms as it in its sole and absolute discretion acting in a commercially reasonable manner shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of the Terms and Conditions and/or the applicable Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Securities under the provisions of the 2003 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as practicable to Securityholders in accordance with § [12][15], stating the adjustment to the Terms and Conditions and/or the applicable Final Terms and giving brief details of the relevant Succession Event.

The determinations required pursuant to sub-paragraph (a) of this definition of "Successor" shall be made, in the case of an exchange offer, on the basis of the Outstanding Principal Balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the Outstanding Principal Balance of Bonds for which Relevant Obligations have been exchanged.

- (13) (i) *Provisions taken from the ISDA supplement titled "Additional Provisions-Monoline Insurer as Reference Entity" (May 2003)*

If § 6(13)(i) is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) *Obligation and Deliverable Obligation.* Sub-paragraph (a) of the definition of "Obligation" in § 6(10) and sub-paragraph (a) of the definition of "Deliverable Obligation" in § 6(10) are hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee".
- (b) *Interpretation of Provisions.* In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in § 6(10) will apply, with references to the Qualifying Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:
 - (A) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in this § 6 in respect of such an Insured Instrument shall be construed accordingly;
 - (B) references in the definitions of Assignable Loan and Consent Required Loan to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
 - (C) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;

Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this § 6(13)(i) is applicable, no inference should be made as to the interpretation of the "Not Contingent" Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.

- (d) *Deliver.* For the purposes of the definition of "Deliver" in § 6(10), "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.

- (f) *Substitute Reference Obligation.* The first paragraph of the definition of "Substitute Reference Obligation" and sub-paragraph (b) thereof in § 6(10) is hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee". For purposes of sub-paragraph (a)(ii)(B) the definition of "Substitute Reference Obligation" references to "the Qualifying Guarantee" and the "Underlying Obligation" shall be deemed to include "the Qualifying Policy" and "the Insured Instrument", respectively.
- (g) *Other Provisions.* For purposes of sub-paragraph (a)(ii) of the definition of "Deliverable Obligation" and the definitions of "Credit Event" and "Deliver" in § 6(10) references to "the Underlying Obligation" and "the Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor", respectively.
- (h) *Additional Definitions.*

Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments).

"Instrument Payments" means (A) in the case of any Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate distribution of the Certificate Balance on or prior to a specified date and (B) in the case of any other Insured Instrument, the scheduled payments of principal and interest, in the case of both (A) and (B) (1) determined without regard to limited recourse or reduction provisions of the type described in § 6(13)(i)(c) above and (2) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

- (ii) *Provisions taken from the ISDA supplement titled "Additional Provisions for Physically Settled Default Swaps – Monoline Insurer as Reference Entity" (published on 21 January 2005)*

If § 6(13)(ii) is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) *Obligation and Deliverable Obligation.* Sub-paragraph (a) of the definition of "Obligation" in § 6(10) and sub-paragraph (a) of the definition of "Deliverable Obligation" in § 6(10) are hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee".
- (b) *Interpretation of Provisions.* In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in § 6(10) will apply, with references to the Qualifying Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:
 - (A) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in this § 6 in respect of such an Insured Instrument shall be construed accordingly;
 - (B) references in the definitions of Assignable Loan and Consent Required Loan to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
 - (C) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
 - (D) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
 - (E) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "Outstanding Principal Balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

For the avoidance of doubt, if § 6(14) is specified as applying in the applicable Final Terms the amendments to paragraph (B) of the definition of "Deliverable Obligation" in § 6(10) provided in § 6(13) shall not be construed to apply to Qualifying Policies and Insured Instruments.

- (c) *Not Contingent.* An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this § 6(13)(ii) is applicable, no inference should be made as to the interpretation of the "Not Contingent" Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.
- (d) *Deliver.* For the purposes of the definition of "Deliver" in § 6(10), "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.
- (e) *Provisions for Determining a Successor.* The paragraph commencing "For the purposes of this definition of "Successor" in the definition of "Successor" in § 6(10) is hereby amended by adding "or insurer" after "or guarantor".
- (f) *Substitute Reference Obligation.* The first paragraph of the definition of "Substitute Reference Obligation" and sub-paragraph (b) thereof in § 6(10) is hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee". For purposes of sub-paragraph (a)(ii)(B) the definition of "Substitute Reference Obligation" references to "the Qualifying Guarantee" and the "Underlying Obligation" shall be deemed to include "the Qualifying Policy" and "the Insured Instrument", respectively.
- (g) *Restructuring.*
 - (i) With respect to an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest or a Qualifying Policy with respect thereto, sub-paragraphs (i) to (v) inclusive of the definition of "Restructuring" in § 6(10) are hereby amended to read as follows:
 - (i) a reduction in the rate or amount of the Instrument Payments in clause (A)(x) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (ii) a reduction in the amount of the Instrument Payments described in clause (A)(y) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (iii) a postponement or other deferral of a date or dates for either (A) the payment or accrual of the Instrument Payments described in clause (A)(x) of the definition thereof or (B) the payment of the Instrument Payments described in clause (A)(y) of the definition thereof, in each case that are guaranteed or insured by the Qualifying Policy;
 - (iv) a change in the ranking in priority of payment of (I) any Obligation under a Qualifying Policy in respect of Instrument Payments, causing the Subordination of such Obligation to any other Obligation or (II) any Instrument Payments, causing the Subordination of such Insured Instrument to any other instrument in the form of a pass-through

certificate or similar funded beneficial interest issued by the Insured Obligor, it being understood that, for this purpose, Subordination will be deemed to include any such change that results in a lower ranking under a priority of payments provision applicable to the relevant Instrument Payments; or

- (v) any change in the currency or composition of any payment of Instrument Payments that are guaranteed or insured by the Qualifying Policy to any currency which is not a Permitted Currency.
- (ii) Sub-paragraph (c) of the definition of "Restructuring" in § 6(10) is hereby amended by adding "or, in the case of a Qualifying Policy and an Insured Instrument, where (I) the Qualifying Policy continues to guarantee or insure, as applicable, that the same Instrument Payments will be made on the same dates on which the Qualifying Policy guaranteed or insured that such Instrument Payments would be made prior to such event and (II) such event is not a change in the ranking in the priority of payment of the Qualifying Policy" after "Reference Entity".
- (iii) The definition of "Restructuring" in § 6(10) is hereby amended by the insertion of the following paragraph after the final paragraph thereof:

"For purposes of the definition of "Restructuring" in § 6(10) and if § 6(12) is specified as applying in the applicable Final Terms for the purposes of § 6(12), the term Obligation shall be deemed to include Insured Instruments for which the Reference Entity is acting as provider of a Qualifying Policy. In the case of a Qualifying Policy and an Insured Instrument, references to the Reference Entity in the definition of "Restructuring" shall be deemed to refer to the Insured Obligor and the reference to the Reference Entity in sub-paragraphs (a) to (c) inclusive in the definition of "Restructuring" shall continue to refer to the Reference Entity."
- (h) *Fully Transferable Obligation and Conditionally Transferable Obligation.* In the event that "Restructuring Maturity Limitation and Fully Transferable Obligation" and/or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation" is specified as applying in the applicable Final Terms and a Fully Transferable Obligation or Conditionally Transferable Obligation is a Qualifying Policy, the Insured Instrument must meet the requirements of the relevant definition. References in the definition of Conditionally Transferable Obligation to the guarantor and guaranteeing shall be deemed to include the insurer and insuring, respectively. - (i) *Other Provisions.* For purposes of sub-paragraph (a)(ii) of the definition of "Deliverable Obligation" and the definitions of "Credit Event" and "Deliver" in § 6(10), references to the "Underlying Obligation" and the "Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor", respectively.
- (j) *Additional Definitions.*

Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments).

- (b) if immediately following the relevant Credit Event Determination Date the Outstanding Principal Amount is equal to zero, redeem each principal amount of Securities which as of the Issue Date had a principal amount equal to the Calculation Amount in whole, by payment of the Credit Event Redemption Amount(s) on the Credit Event Redemption Date,".

(d) *Cash Settlement*

If Cash Settlement is specified in the applicable Final Terms or if § 6(1)(A) applies, § 6(2) (*Cash Settlement*) shall be amended by the deletion of the words "redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by the Issuer at the Credit Event Redemption Amount on the Credit Event Redemption Date" therein and the substitution of the following therefor:

":

- (a) if immediately following the relevant Credit Event Determination Date the Outstanding Principal Amount is greater than zero, redeem each principal amount of Securities which as of the Issue Date had a principal amount equal to the Calculation Amount in part, by payment of the Credit Event Redemption Amount(s) on the Credit Event Redemption Date; or

- (b) if immediately following the relevant Credit Event Determination Date the Outstanding Principal Amount is equal to zero, redeem each principal amount of Securities which as of the Issue Date had a principal amount equal to the Calculation Amount in whole, by payment of the Credit Event Redemption Amount(s) on the Credit Event Redemption Date,".

(e) *Credit Event Redemption Amount*

Each Credit Event Redemption Amount (if any) and the related Final Price or Auction Final Price, as applicable, shall be calculated in accordance with § 6(10) (*Applicable Definitions*) or that published, as applicable, in respect of the relevant Reference Entity in respect of which Conditions to Settlement have been satisfied.

(f) *Outstanding Principal Amount Reduction*

If a Credit Event Determination Date occurs the Calculation Agent shall on the relevant Credit Event Determination Date reduce the Outstanding Principal Amount by an amount equal to the sum of the Credit Event Reduction Amounts in respect of each Reference Entity with respect to which Conditions to Settlement are satisfied on such date.

(g) *Multiple Conditions to Settlement*

Conditions to Settlement may be satisfied more than once except that, subject as provided in § 6(11) and the definitions of Credit Event Notice and Conditions to Settlement in § 6(10), a Credit Event Notice (if applicable) may only be delivered on one occasion and Conditions to Settlement may be satisfied once only, with respect to any Reference Entity (unless subsequent to the satisfaction of Conditions to Settlement with respect to any Reference Entity, that Reference Entity becomes the Successor to one or more other Reference Entities in respect of which a Credit Event Determination Date has not occurred, in which case Conditions to Settlement may be satisfied again).

(h) *Accrual of Interest*

In the case of interest-bearing Securities:

- (i) § 5[(5)][(6)] shall be amended by the deletion of the words "together (if applicable) with interest accrued to (but excluding) the date of redemption" therein.
- (ii) § 9[12] shall be amended by the deletion of the words "together with interest accrued to the date of repayment" therein.
- (iii) In the event that the Securities are redeemed pursuant to § 5[(5)][(6)], § 6(9) or § 9[12], no interest will be payable in respect of the Securities in respect of which the relevant Interest Payment Date has not occurred on or prior to the date fixed for such redemption, provided that if the date fixed for such redemption falls prior to the first Interest Payment Date, no interest shall be payable in respect of the Securities.

For the avoidance of doubt, in the event that the Securities are redeemed at a time when the Outstanding Principal Amount is equal to zero, no interest will be payable in respect of the Securities.

(i) *Interpretation*

Each reference in the Conditions to "each principal amount of Securities equal to the Calculation Amount" shall be deemed to be to "each principal amount of Securities which as of the Issue Date had a principal amount equal to the Calculation Amount".

In the event of any inconsistency between this §6(26) and any other provision of §6, the provisions of this §6(26) will prevail.

"PROVISIONS FOR CREDIT LINKED SECURITIES

Interpretation

Any references herein to an Auction, Convened DC Voting Members, Credit Derivatives Auction Settlement Terms, Credit Derivatives Determinations Committee, DC Resolution, DC Rules, DC Secretary Announcement or Resolution (in each case howsoever described) shall be deemed to be only to that which would be relevant or applicable under or in relation to credit derivatives transactions incorporating the 2014 Definitions.

In the case of Securities for which more than one Reference Entity is specified in the applicable Final Terms, all references to "the Reference Entity" herein shall be construed to refer to the Reference

Entity in respect of which of the relevant determination falls to be made at any relevant time and all related provisions and determinations will be construed accordingly.

For the avoidance of doubt no Securities will be considered frustrated, or otherwise void or voidable (whether for mistake or otherwise) solely because:

- (a) any relevant Reference Entity does not exist on, or ceases to exist on or following, the Trade Date; and/or
- (b) Obligations, Deliverable Obligations or the Reference Obligation do not exist on, or cease to exist on or following, the Trade Date.

(1) *Auction Settlement*

If a Credit Event Determination Date occurs and Auction Settlement is specified in the applicable Final Terms, the Issuer shall give notice to the Securityholders in accordance with § [12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by the Issuer at the Credit Event Redemption Amount on the Credit Event Redemption Date, provided that if the relevant Credit Event Determination Date is subsequently deemed not to have occurred in accordance with the definition thereof in § 6(10), the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Credit Event Determination Date had not occurred, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Credit Event Determination Date is deemed not to have occurred as soon as practicable thereafter.

If:

- (x) unless settlement has occurred in accordance with the paragraph above, a Credit Event Determination Date occurs pursuant to sub-paragraph (a) of the definition thereof and on or prior to the Auction Cut-Off Date:
 - (i) the DC Secretary publicly announces, with respect to a Credit Event, that (a) no Credit Derivatives Auction Settlement Terms will be published in relation to obligations of appropriate seniority of the Reference Entity (b) the relevant Credit Derivatives Determinations Committee has Resolved that no Credit Derivatives Auction Settlement Terms will be published following a prior public announcement by the DC Secretary to the contrary (the date on which the DC Secretary first makes either such announcement, the "**No Auction Announcement Date**");
 - (ii) no No Auction Announcement Date has occurred but the relevant Credit Derivatives Determinations Committee has not determined that one or more Auctions will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity;
 - (iii) an Auction Cancellation Date occurs; or
 - (iv) the Calculation Agent determines that it is not reasonably likely that an Auction will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity and gives notice of such to the Issuer (the date on which the Calculation Agent gives such notice, the "**Calculation Agent No Auction Determination Date**"); or
- (y) a Credit Event Determination Date occurs pursuant to sub-paragraph (b) of the definition thereof,

then:

- (A) if Cash Settlement is specified as the applicable Fallback Settlement Method in the applicable Final Terms, the Issuer shall redeem the Securities in accordance with § 6(2) below; or
- (B) if Physical Settlement is specified as the applicable Fallback Settlement Method in the applicable Final Terms, the Issuer shall redeem the Securities in accordance with § 6(3) below.

If a Credit Event Determination Date occurs and the Securities become redeemable in accordance with this § 6(1), upon payment of the Credit Event Redemption Amount in respect of the Securities the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(2) *Cash Settlement*

If a Credit Event Determination Date occurs and Cash Settlement is specified in the applicable Final Terms or if § 6(1)(A) above applies, the Issuer shall give notice to the Securityholders in accordance with § [12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by the Issuer at the Credit Event Redemption Amount on the Credit Event Redemption Date, provided that if the relevant Credit Event Determination Date is subsequently deemed not to have occurred in accordance with the definition thereof in § 6(10), the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Credit Event Determination Date had not occurred, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Credit Event Determination Date is deemed not to have occurred as soon as practicable thereafter.

If a Credit Event Determination Date occurs and the Securities become redeemable in accordance with this § 6(2), upon payment of the Credit Event Redemption Amount in respect of the Securities the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(3) *Physical Settlement*

- (a) If a Credit Event Determination Date occurs and Physical Delivery is specified in the applicable Final Terms or if § 6(1)(B) above applies, the Issuer shall give notice (such notice a "**Notice of Physical Settlement**") to the Securityholders in accordance with § [12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by Delivery of the Deliverable Obligations comprising the Asset Amount, subject to and in accordance with § 6(7) and (8), provided that if the relevant Credit Event Determination Date is subsequently deemed not to have occurred in accordance with the definition thereof in § 6(10), the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Credit Event Determination Date had not occurred, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Credit Event Determination Date is deemed not to have occurred as soon as practicable thereafter.

In the Notice of Physical Settlement the Issuer shall specify the Deliverable Obligations comprising the Asset Amount that it reasonably expects to Deliver and the Outstanding Principal Balance or Due and Payable Amount, as applicable, or the equivalent amount in the Settlement Currency (in each case, the "**Outstanding Amount**") and, if different, the face amount, of each such Deliverable Obligation and the aggregate Outstanding Amount of such Deliverable Obligations (the "**Aggregate Outstanding Amount**"). **For the avoidance of doubt, the Calculation Agent shall be entitled to select any of the Deliverable Obligations to constitute the Asset Amount, irrespective of their market value.**

The Issuer may, from time to time, amend a Notice of Physical Settlement by delivering a notice to Securityholders in accordance §[12][15] (each such notification, a "**Physical Settlement Amendment Notice**") that the Issuer is replacing, in whole or in part, one or more Deliverable Obligations specified in the Notice of Physical Settlement or a prior Physical Settlement Amendment Notice, as applicable (to the extent the relevant Deliverable Obligation has not been Delivered as of the date such Physical Settlement Amendment Notice is effective). A Physical Settlement Amendment Notice shall specify each replacement Deliverable Obligation that the Issuer will Deliver (each, a "**Replacement Deliverable Obligation**") and shall also specify the Outstanding Amount of each Deliverable Obligation identified in the Notice of Physical Settlement or a prior Physical Settlement Amendment Notice, as applicable, that is being replaced (with respect to each such Deliverable Obligation, the "**Replaced Deliverable Obligation Outstanding Amount**"). The Outstanding Amount of each Replacement Deliverable Obligation identified in a Physical Settlement Amendment Notice shall be determined by applying the Revised Currency Rate to the relevant Replaced Deliverable Obligation Outstanding Amount. The Outstanding Amount of the Replacement Deliverable Obligation(s) specified in any Physical Settlement Amendment Notice in aggregate with the Outstanding Amount of the Deliverable Obligation(s) specified in the Notice of Physical Settlement or any earlier Physical Settlement Amendment Notice which, in each case, are not being replaced must not be greater than the Aggregate Outstanding Amount. Each such Physical Settlement Amendment Notice must be effective on or prior to the Settlement Date (determined without reference to any change resulting from such Physical Settlement Amendment Notice).

Notwithstanding the foregoing, (i) the Issuer may correct any errors or inconsistencies contained in the Physical Settlement Notice or any Physical Settlement Amendment Notice, as applicable, by notice to Securityholders in accordance with §[12][15], prior to the relevant Delivery Date and (ii) if Asset Package Delivery is applicable, the Issuer shall on the NOPS Effective Date, or as soon as reasonably practicable thereafter (but in any case, prior to the Delivery Date), notify the Securityholders in accordance with §[12][15] of the detailed description of the Asset Package, if any, that the Issuer intends to Deliver in lieu of the Prior Deliverable Obligation or Package Observable Bond, if any, specified in the Notice of Physical Settlement or Physical Settlement Amendment Notice, as applicable, it being understood in each case that any such notice shall not constitute a Physical Settlement Amendment Notice.

- (b) If "Mod R" is specified as applicable in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice or the subject of the DC Resolution resulting in the occurrence of a Credit Event Determination Date, as applicable, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to a Governmental Intervention a Deliverable Obligation may only be included in the Asset Amount if it (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the Restructuring Maturity Limitation Date, in each case, as of both the NOPS Effective Date and the Delivery Date.
- (c) If "Mod Mod R" is specified as applicable in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice or the subject of the DC Resolution resulting in the occurrence of a Credit Event Determination Date, as applicable, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to a Governmental Intervention a Deliverable Obligation may be included in the Asset Amount only if it (i) is a Conditionally Transferable Obligation and (ii) has a final maturity

date not later than the applicable Modified Restructuring Maturity Limitation Date, in each case, as of both the NOPS Effective Date and the Delivery Date. Notwithstanding the foregoing, for purposes of this paragraph (c), in the case of a Restructured Bond or Loan with a final maturity date on or prior to the 10-year Limitation Date, the final maturity date of such Bond or Loan shall be deemed to be the earlier of such final maturity date or the final maturity date of such Bond or Loan immediately prior to the relevant Restructuring.

- (d) For the purposes of making a determination pursuant to paragraphs (b) or (c) above or the definition of Restructuring Maturity Limitation Date, the final maturity date shall, subject to paragraph (c), be determined on the basis of the terms of the Deliverable Obligation in effect at the time of making such determination and, in the case of a Deliverable Obligation that is due and payable, the final maturity date shall be deemed to be the date on which such determination is made.
- (e) Asset Package Delivery will apply if an Asset Package Credit Event occurs, unless (i) such Asset Package Credit Event occurs prior to the Credit Event Backstop Date determined in respect of the Credit Event specified in the Credit Event Notice or DC Credit Event Announcement applicable to the Credit Event Determination Date, as applicable, or if later and the relevant Credit Event Backstop Date was determined pursuant to paragraph (b) thereof, the date that is 60 calendar days prior to the Notice Delivery Date, or (ii) if the Reference Entity is a Sovereign, no Package Observable Bond exists immediately prior to such Asset Package Credit Event.

If a Credit Event Determination Date occurs and the Securities become redeemable in accordance with this § 6(3), upon Delivery of the Deliverable Obligations Deliverable and/or payment of the Cash Settlement Amount, as the case may be, the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The value of such Deliverable Obligations and/or the Cash Settlement Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(4) *Repudiation/Moratorium Extension.*

Where Repudiation/Moratorium is specified as a Credit Event in the applicable Final Terms, the provisions of this § 6(4) shall apply

Where a Credit Event Determination Date has not occurred on or prior to the Scheduled Maturity Date but the Repudiation/Moratorium Extension Condition has been satisfied on or prior to the Scheduled Maturity Date or, if § 6(6)(y) applies, the Maturity Cut-Off Date and the Repudiation/Moratorium Evaluation Date in respect of the Potential Repudiation Moratorium will in the sole determination of the Calculation Agent, fall after the Scheduled Maturity Date, then the Calculation Agent shall notify the Securityholders in accordance with § [12][15] that a Potential Repudiation/Moratorium has occurred and:

- (i) where (I) a Repudiation/Moratorium has not occurred on or prior to the Repudiation/Moratorium Evaluation Date or (II) a Repudiation/Moratorium has occurred on or prior to the Repudiation/Moratorium Evaluation Date but a Credit Event Determination Date has not occurred:

- (b) *Interpretation of Provisions.* In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in § 6(10) will apply, with references to the Relevant Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:
 - (A) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in this § 6 in respect of such an Insured Instrument shall be construed accordingly;

 - (C) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
 - (D) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument;

- (iii) The definition of "Restructuring" in § 6(10) is hereby amended by the insertion of the following paragraph after the final paragraph thereof:

holder, at its option may select by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Security forthwith due and payable pursuant to § **[where Option I or II applies:[9]] [where Option V applies:[12]].]**"

13. If Option V applies and (i) Physical Delivery or (ii) Cash Settlement and/or Physical Delivery applies to the Securities and the Securities are English law Securities other than Credit Linked Securities, the following new § 6[(2)] shall be included:

"[(2)] *Physical Delivery*.

- (a) In order to obtain delivery of the Asset Amount(s) in respect of a Security (i) if such Security is represented by a Global Security, the Securityholder must deliver to the relevant Clearing System, with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice or (ii) if such Security is a Definitive Note, the Securityholder must deliver to the Registrar or any Paying Agent with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice (as defined below).

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of the Registrar or any Paying Agent.

An Asset Transfer Notice may only be delivered if such Security is represented by a Global Security in such manner as is acceptable to the relevant Clearing System or, if such Security is a Definitive Security, in writing or by tested telex together with the Security Certificates to which the relevant Asset Transfer Notice relates.

An Asset Transfer Notice must:

- (1) specify the name and address of the Securityholder, the person from whom the Issuer may obtain details for the delivery of the Asset Amount and any details required for delivery of the Asset Amount;
- (2) if such Security is represented by a Global Security, specify the principal amount of Securities which are the subject of such notice and the number of the Securityholder's account at the relevant Clearing System to be debited with such Securities and irrevocably instruct and authorise the relevant Clearing System to debit the Securityholder's account with such Securities on or before the Delivery Date;
- (3) include an undertaking to pay all Delivery Expenses and if the Security is represented by a Global Security, an authority to debit a specified account of the Securityholder at the relevant Clearing System in respect thereof and to pay such Delivery Expenses; and
- (4) specify an account to which dividends (if any) payable pursuant to this subsection or any other cash amounts are to be paid; and authorise the production of such notice in any applicable administrative or legal proceedings.

No Asset Transfer Notice may be withdrawn after receipt thereof by the relevant Clearing System, the Registrar or a Paying Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the Securityholder may not transfer the Securities which are the subject of such notice.

In the case of Securities represented by a Global Security, upon receipt of such notice, the relevant Clearing System shall verify that the person specified therein as the Securityholder is the holder of the specified principal amount of Securities according to its books.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made in the case of Securities represented by a Global Security by the relevant Clearing System after consultation with the Issuer and shall be

conclusive and binding on the Issuer and the Securityholder and, if such Security is in a definitive form, by the relevant Paying Agent or the Registrar after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the Securityholder.

- (b) Delivery of the Asset Amount in respect of each Security shall be made at the risk of the Securityholder in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and notify to the person designated by the Securityholder in the relevant Asset Transfer Notice **[or insert alternative manner of delivery]**.

In relation to each Security which is to be redeemed by delivery of the Asset Amount, the Asset Amount will be delivered at the risk of the Securityholder, in the manner provided above on the Maturity Date (such date, subject to adjustment in accordance with this § 6 the "**Delivery Date**"), provided that the Asset Transfer Notice is duly delivered to the Clearing System or any Paying Agent, as the case may be, with a copy to the Issuer, as provided above, not later than the close of business in each place of receipt on **[insert the Cut-Off Date]** (the "**Cut-Off Date**").

If the Securityholder fails to give an Asset Transfer Notice as provided herein with a copy to the Issuer, not later than the close of business in each place of receipt on the Cut-Off Date, then the Asset Amount will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Delivery Date) at the risk of the relevant Securityholder in the manner provided above. For the avoidance of doubt, in such circumstances the relevant Securityholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the originally designated Delivery Date and no liability in respect thereof shall attach to the Issuer."

14. If the Securities are Credit Linked Securities and (i) Physical Delivery or (ii) Cash Settlement and/or Physical Delivery applies to the Securities, the following amendments will be made to § 6(7)(i):
- (a) the words "or the Registrar" will be inserted after each reference to "Paying Agent" therein;
 - (b) the words "and the Registrar" will be inserted after the references to "relevant Clearing System" in the first, third and seventh paragraphs thereof;

¹⁸³ The Specified Denomination of the Securities will be at least €1,000 or, in case of Credit Linked Notes, €100,000, (or, in each case, an equivalent amount in another currency). German law Securities will always have only one Specified denomination.
Die festgelegte Stückelung der Schuldverschreibungen entspricht mindestens €1.000 oder €100.000 im Fall von kreditbezogenen Schuldverschreibungen (oder jeweils einem entsprechenden Betrag in einer anderen Währung). Deutschrechtliche Schuldverschreibungen haben immer nur eine Festgelegte Stückelung.

¹⁸⁴ In the case of English law governed Securities, where multiple denominations above €100,000 or equivalent are being used language substantially to the following effect should be used: "[€100,000] and integral multiples of [€1,000] in excess thereof up to and including [€199,000]. No Securities in definitive form will be issued with a denomination above [€199,000]". For Registered Securities, only include the first sentence omitting the words "up to and including [€199,000]".
Im Fall von Schuldverschreibungen, die englischem Recht unterliegen und bei denen mehrfache Stückelungen über €100.000 oder einem entsprechenden Betrag in einer anderen Währungen anwendbar sind, sollte ein Wortlaut verwendet werden, der im Wesentlichen dem Folgendem entspricht: "[€100.000] und ganzzahlige darüber hinausgehende Vielfache von [€1.000] bis zu [€199.000] (einschließlich). Es werden keine Einzelurkunden für Schuldverschreibungen mit einer Stückelung von mehr als [€199.000] begeben." Im Fall von Namensschuldverschreibungen (registered securities) ist nur der erste Satz ohne die Wörter "bis zu [€199.000]" aufzunehmen.

Anwendbar auf englischrechtliche Schuldverschreibungen. (Falls es nur eine Festgelegte Stückelung gibt, ist diese Festgelegte Stückelung einzufügen. Falls es mehr als eine Festgelegte Stückelung gibt, ist der größte gemeinsame Faktor einzufügen.

¹⁸⁶ Applicable in the case of Bearer Securities. Ensure that this is consistent with the wording in the "Description of the Securities - Form of the Securities" section in the Prospectus and the Securities themselves. N.B.: The exchangeable upon request option should not be expressed to be applicable if the Specified Denomination includes language substantially to the following effect: "[€100,000] and integral multiples of [€1,000] in excess thereof up to and including [€199,000]." Furthermore, it is not permitted to include the aforementioned language in relation to any issue of Securities which is to be represented on issue by a Temporary Global Security exchangeable for Definitive Securities.

Es ist sicherzustellen, dass das Folgende im Einklang mit der im Prospekt enthaltenen Beschreibung im Abschnitt "Beschreibung der Schuldverschreibungen - Form der Schuldverschreibungen" steht. ⁴²⁸ If the Securities are governed by German law ISDA Determination should only be applied in the case of Securities permanently represented by a Permanent Global Note because the ISDA Agreement and the ISDA Definitions have to be attached to the relevant Securities.

Falls die Schuldverschreibungen deutschem Recht unterliegen, sollte ISDA-Feststellung nur dann gewählt werden, wenn die betreffenden Schuldverschreibungen durch eine Dauerglobalurkunde verbrieft werden, weil das ISDA-Agreement und die ISDA Definitions den Schuldverschreibungen beizufügen sind.

TAXATION

PROSPECTIVE PURCHASERS OF SECURITIES ARE ADVISED TO CONSULT THEIR OWN TAX ADVISERS AS TO THE TAX CONSEQUENCES OF THE PURCHASE, OWNERSHIP AND DISPOSITION OF SECURITIES.

GENERAL TAXATION INFORMATION

The information provided below does not purport to be a complete summary of the tax law and practice currently available. Potential purchasers of Securities are therefore advised to consult their own tax advisers as to the tax consequences of transactions involving Securities.

Purchasers and/or sellers of Securities may be required to pay stamp taxes and other charges in accordance with the laws and administrative practices of the country in which they are domiciled or deemed to be domiciled for tax purposes in addition to the issue price or (if different) purchase price of the Securities.

Transactions involving Securities (including purchases, transfer or redemption), the accrual or receipt of any interest payable under the Securities and the death of a holder of any Security may have tax consequences which may depend, amongst other things, upon the tax status of the potential purchaser and may relate to stamp duty, stamp duty reserve tax, income tax, corporation tax, capital gains tax and inheritance tax.

RESPONSIBILITY OF THE ISSUER FOR THE WITHHOLDING OF TAXES AT SOURCE

The Issuer does not assume any responsibility for the withholding of taxes at source.

GERMANY

The following is a general discussion of certain German tax consequences of the acquisition, holding and disposal of Securities. It does not purport to be a comprehensive description of all German tax considerations that may be relevant to a decision to purchase Securities, and, in particular, does not consider any specific facts or circumstances that may apply to a particular purchaser. This summary is based on the laws of Germany currently in force and as applied on the date of this Base Prospectus, which are subject to change, possibly with retroactive or retrospective effect.

As each Series or Tranche, respectively, of Securities may be subject to a different tax treatment due to the specific terms of such Series or Tranche, respectively, as set out in the respective Final Terms (or Pricing Supplement, in case of Exempt Securities), the following section only provides some general information on the possible tax treatment. Tax consequences that may arise if an investor combines certain series of Securities so that he or she derives a certain return are not discussed herein.

Prospective purchasers of Securities are advised to consult their own tax advisors as to the tax consequences of the purchase, ownership and disposition of Securities, including the effect of any state, local or church taxes, under the tax laws of Germany and each country of which they are residents or whose tax laws apply to them for other reasons.

German Tax Residents

The section "German Tax Residents" refers to persons who are tax residents of Germany (*i.e.* persons whose residence, habitual abode, statutory seat, or place of effective management and control is located in Germany).

Withholding tax on ongoing payments and capital gains

Ongoing payments received by a private Securityholder will be subject to German withholding tax (*Abgeltungsteuer*) if the Securities are kept or administered in a custodial account with a German branch of a German or non-German bank or financial services institution, a German securities trading company or a German securities trading bank (each, a **Disbursing Agent**, *auszahlende Stelle*). The tax rate is 25 per cent. (plus solidarity surcharge at a rate of 5.5 per cent. thereon, the total withholding being 26.375 per cent.). For

individual Securityholders who are subject to church tax an electronic information system for church withholding tax purposes applies in relation to investment income, with the effect that church tax will be collected by the Disbursing Agent by way of withholding unless the investor has filed a blocking notice (*Sperrvermerk*) with the German Federal Central Tax Office (*Bundeszentralamt für Steuern*) in which case the investor will be assessed to church tax.

The same treatment applies to capital gains (*i.e.* the difference between the proceeds from the disposal, redemption, repayment or assignment after deduction of expenses directly related to the disposal, redemption, repayment or assignment and the cost of acquisition) derived by a private Securityholder provided the Securities have been kept or administered in a custodial account with the same Disbursing Agent since the time of their acquisition. If similar Securities kept or administered in the same custodial account were acquired at different points in time, the Securities first acquired will be deemed to have been sold first for the purposes of determining the capital gains. Where Securities are acquired and/or sold or redeemed in a currency other than Euro, the sales/redemption price and the acquisition costs have to be converted into Euro on the basis of the foreign exchange rates prevailing on the sale or redemption date and the acquisition date respectively with the result that any currency gains or losses are part of the capital gains. If interest coupons or interest claims are disposed of separately (*i.e.* without the Securities), the proceeds from the disposition are subject to withholding tax. The same applies to proceeds from the payment of interest coupons or interest claims if the Securities have been disposed of separately.

In case of a physical settlement of certain Securities which grant the Issuer or the Securityholder the right to opt for a physical delivery of underlying securities instead of a money payment, generally no withholding tax has to be withheld by the Disbursing Agent as such exchange of the Securities into the underlying securities does not result in a taxable gain for the private Securityholder. The acquisition costs of the Securities may be regarded as proceeds from the disposal of the Securities and hence as acquisition costs of the underlying securities received by the private Securityholder upon physical settlement; any consideration received by the Securityholder in addition to the underlying securities may be subject to withholding tax. Costs for the physical settlement may not be tax deductible. However, withholding tax may then apply to any gain from the disposal, redemption, repayment or assignment of the securities received in exchange for the Securities. This gain will be deemed to be the difference between the proceeds from the disposal, redemption, repayment or assignment of the securities received in exchange for the Securities (net of any expenses directly related to the disposal) over the acquisition costs of the Securities. Any loss realised upon the disposal of shares received in exchange for the Securities can only be offset against capital gains deriving from the disposal of shares.

To the extent the Securities have not been kept or administered in a custodial account with the same Disbursing Agent since the time of their acquisition, upon the disposal, redemption, repayment or assignment withholding tax applies at a rate of 26.375 per cent. (including solidarity surcharge, plus church tax, if applicable) to 30 per cent. of the disposal proceeds, (plus interest accrued on the Securities (**Accrued Interest**, *Stückzinsen*), if any), unless the current Disbursing Agent has been notified of the actual acquisition costs of the Securities by the previous Disbursing Agent or by a statement of a bank or financial services institution from another Member State of the European Union or the European Economic Area or from certain other countries in accordance with art. 17 para. 2 of the Council Directive 2003/48/EC on the taxation of savings income (e.g. Switzerland or Andorra).

Pursuant to a tax decree issued by the German Federal Ministry of Finance dated 18 January 2016 a bad debt-loss (*Forderungsausfall*) and a waiver of a receivable (*Forderungsverzicht*), to the extent the waiver does not qualify as a hidden capital contribution, shall not be treated like a disposal. Accordingly, losses suffered upon such bad debt-loss or waiver shall not be tax-deductible. The same rules should be applicable according to the said tax decree, if the Securities expire worthless so that losses may not be tax-deductible at all. A disposal of the Securities will only be recognised according to the view of the tax authorities, if the received proceeds exceed the respective transaction costs. Where the Securities provide for instalment payments, such instalment payments shall always qualify as taxable savings income, unless the terms and conditions of the Securities provide explicit information regarding redemption or partial redemption during the term of the Securities and the contractual parties comply with these terms and conditions. It is further stated in the tax decree that, if, in the case of Securities providing for instalment payments, there is no final payment at maturity, the expiry of such Securities shall not be deemed as a sale, with the consequence that any remaining acquisition costs could not be deducted for tax purposes.

In computing any German tax to be withheld, the Disbursing Agent will deduct from the basis of the withholding tax negative investment income realised by a private Securityholder via the Disbursing Agent (e.g. losses from the sale of other securities with the exception of shares). The Disbursing Agent also deducts Accrued Interest on the Securities or other securities paid separately upon the acquisition of the respective security by a private Securityholder via the Disbursing Agent. In addition, subject to certain requirements and restrictions the Disbursing Agent credits foreign withholding taxes levied on investment income (*Einkünfte aus Kapitalvermögen*) in a given year regarding securities held by a private Securityholder in the custodial account with the Disbursing Agent to the extent such foreign withholding taxes cannot be reclaimed in the respective foreign country.

A private Securityholder is entitled to an annual allowance (*Sparer-Pauschbetrag*) of Euro 801 (Euro 1,602 for married couples and for partners in accordance with the registered partnership law (Gesetz über die Eingetragene Lebenspartnerschaft) filing jointly) for all investment income received in a given year. Upon the private Securityholder filing an exemption certificate (*Freistellungsauftrag*) with the Disbursing Agent, the Disbursing Agent will take the allowance into account when computing the amount of tax to be withheld. No withholding tax will be deducted if the Securityholder has submitted to the Disbursing Agent a certificate of non-assessment (*Nichtveranlagungs-Bescheinigung*) issued by the competent local tax office.

German withholding tax will not apply to gains from the disposal, redemption, repayment or assignment of Securities held by a corporation while ongoing payments, such as interest payments under a coupon, are subject to withholding tax. The same exemption for capital gains may be applied for where the Securities form part of a trade or business subject to further requirements being met. In these cases the Disbursing Agent may not take into account losses or foreign taxes withheld when determining the amount of tax to be withheld.

Taxation of current income and capital gains

The income tax liability of a private Securityholder deriving income from capital investments under the Securities is, in principle, settled by the tax withheld. To the extent withholding tax has not been levied, such as in case of Securities kept and administered in custody abroad or if no Disbursing Agent is involved in the payment process, the private Securityholder must report his or her income and capital gains derived from the Securities on his or her tax return and then will also be taxed at a rate of 25 per cent. (plus solidarity surcharge and church tax thereon, where applicable). If the withholding tax on a disposal, redemption, repayment or assignment has been calculated from 30 per cent. of the disposal proceeds (rather than from the actual gain), a private Securityholder may and in case the actual gain is higher than 30 per cent. of the disposal proceeds must also apply for an assessment on the basis of his or her actual acquisition costs. Further, a private Securityholder may request that all investment income of a given year is taxed at his or her individual tax rate if this results in a lower tax burden. As a result, any withholding tax withheld in excess of the tax assessed will be refunded. In each case, the deduction of expenses (other than transaction costs) on an itemized basis is disallowed.

Any loss resulting from the Securities can only be off-set against investment income of a private Securityholder realised in the same or following years. Any losses realised upon the disposal of shares in stock corporations received in exchange for the Securities can only be off-set against capital gains deriving from the disposal of shares.

Where Securities form part of a trade or business or the income from the Securities qualifies as income from the letting and leasing of property the withholding tax, if any, will not settle the personal or corporate income tax liability. Where Securities form part of the property of a trade or business, interest (accrued) must be taken into account as income. Where Securities qualify as zero bonds and form part of a trade or business, each year the part of the difference between the issue or purchase price and the redemption amount (if such amount is fixed at the time of the acquisition) attributable to such year must be taken into account as interest income. The respective Securityholder will have to report income and related (business) expenses on the tax return and the balance will be taxed at the Securityholder's applicable tax rate. Withholding tax levied, if any, will be credited against the personal or corporate income tax liability of the Securityholder. Where Securities form part of the property of a German trade or business the current income and gains from the disposal, redemption, repayment or assignment of the Securities may also be subject to German trade tax. Generally, the deductibility of capital losses from the Securities that qualify for tax purposes as contracts for difference is limited. These losses may only be applied against profits from other contracts for difference derived in the same or, subject to certain restrictions, the previous year. Otherwise these losses can be carried forward indefinitely and applied against profits from contracts for difference in subsequent years. This generally does not apply to contracts for difference hedging risks from the Securitiesholder's ordinary business. Further special rules apply to credit institutions, financial services institutions and finance companies within the meaning of the German Banking Act.

In the case of physically settled Securities, special limitations may apply to losses from the disposal of an underlying that is a share in a corporation or a unit of an equity investment fund.

German investment taxation

German tax consequences different from those discussed above would arise if the underlying securities delivered upon physical delivery were to be regarded as investment fund units within the meaning of the German Investment Tax Act (*Investmentsteuergesetz*). In such case, the withholding tax requirements for the Disbursing Agent as well as the taxation of the Securityholder would depend on whether the disclosure and reporting requirements of the German Investment Tax Act were fulfilled. The Securityholder may be subject to tax on unrealised income or, in case the reporting and disclosure requirements are not fulfilled, on income deemed received on a lump-sum basis (so-called penalty-taxation). Such income may be offset against any capital gains realised upon disposal of the Securities or the underlying securities received, respectively, subject to certain requirements.

Non-Residents

Interest and capital gains are not subject to German taxation, unless (i) the Securities form part of the business property of a permanent establishment, including a permanent representative, or a fixed base maintained in Germany by the Securityholder; or (ii) the income otherwise constitutes German-source income. In cases (i) and (ii) a tax regime similar to that explained above under "*German Tax Residents*" applies.

Non-residents of Germany are, in general, exempt from German withholding tax on interest and capital gains. However, where the income is subject to German taxation as set forth in the preceding paragraph and the Securities are kept or administered in a custodial account with a Disbursing Agent, withholding tax may be levied under certain circumstances. Where Securities are not kept in a custodial account with a Disbursing Agent and interest or proceeds from the disposal, assignment or redemption of a Security or an interest coupon are paid by a Disbursing Agent to a non-resident upon delivery of the Securities or interest coupons, withholding tax generally will also apply. The withholding tax may be refunded based on an assessment to tax or under an applicable tax treaty.

Inheritance and Gift Tax

No inheritance or gift taxes with respect to any Securities will arise under the laws of Germany, if, in the case of inheritance tax, neither the deceased nor the beneficiary, or, in the case of gift tax, neither the donor nor the donee, is a resident of Germany and such Security is not attributable to a German trade or business for which a permanent establishment is maintained, or a permanent representative has been appointed, in Germany. Exceptions from this rule apply to certain German expatriates.

Other Taxes

No stamp, issue or registration taxes or such duties will be payable in Germany in connection with the issuance, delivery or execution of the Securities. Currently, net assets tax is not levied in Germany.

The European Commission and certain EU Member States (including Germany) are currently intending to introduce a financial transactions tax ("**FTT**") (presumably on secondary market transactions involving at least one financial intermediary). It is currently uncertain when the proposed FTT will be enacted by the participating EU Member States and when the FTT will enter into force with regard to dealings with the Securities.

Grossed-up Securities and Special Exception in Germany

According to the Terms and Conditions of the Securities, the Issuer may undertake in case of withholding of taxes at source or deduction of taxes at source for or on account of any present or future taxes, fees, duties, assessments or governmental charges of whatever nature which are imposed or levied by or on behalf of the country of domicile (or residence for tax purposes) of the Issuer or Germany or any political subdivision thereof or any authority or agency therein or thereof having power to tax (the "**Withholding Tax**" in this paragraph), unless withholding of tax by the Issuer is required by law, to pay additional amounts as may be necessary, subject to certain exceptions as set forth in the Terms and the Conditions of the Securities, in order that the net amounts receivable by the Securityholder after the withholding or deduction of such Withholding Tax shall equal the respective amounts which would have been receivable by such Securityholder had no such Withholding Tax been required. In accordance with these exceptions the withholding tax to be withheld by a Disbursing Agent on investment income (e.g. interest payments and capital gains) under the flat-tax regime (*Abgeltungsteuer*), the solidarity surcharge (*Solidaritätszuschlag*) thereon and, if applicable, church tax (*Kirchensteuer*) do not constitute such a Withholding Tax. The Issuer may also choose not to undertake to gross up payments as described above. The Final Terms (or Pricing Supplement, in the case of Exempt Securities) of the relevant Securities will specify whether the Terms and Conditions of the respective Securities provide for the obligation to gross up.

LUXEMBOURG

The following information is of a general nature only and is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. The information contained within this section is limited to Luxembourg withholding tax issues and

prospective investors in the Securities should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Please be aware that the residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy, impost or other charge or withholding of a similar nature, or to any other concepts, refers to Luxembourg tax law and/or concepts only. Also, please note that a reference to Luxembourg income tax encompasses corporate income tax (*impôt sur le revenu des collectivités*), municipal business tax (*impôt commercial communal*), a solidarity surcharge (*contribution au fonds pour l'emploi*) as well as personal income tax (*impôt sur le revenu*) generally. Investors may further be subject to net wealth tax (*impôt sur la fortune*) as well as other duties, levies or taxes. Corporate income tax, municipal business tax as well as the solidarity surcharge invariably apply to most corporate taxpayers resident in Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may apply as well.

Taxations of the Holders of Securities

Withholding Tax

Non-resident holders of Securities

Under Luxembourg general tax laws currently in force, there is no withholding tax on payments of principal, premium or interest made to non-resident holders of Securities, nor on accrued but unpaid interest in respect of the Securities, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Securities held by non-resident holders of Securities.

Luxembourg has abolished the withholding system with effect from 1 January 2015, in favour of automatic information exchange under Council Directive 2003/48/EC of 3 June 2003 on the taxation of savings income.

Resident holders of Securities

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005, as amended (the "**Relibi Law**") mentioned below, there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of Securities, nor on accrued but unpaid interest in respect of Securities, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Securities held by Luxembourg resident holders of Securities.

Under the Relibi Law, payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to an individual beneficial owner who is a resident of Luxembourg or to a residual entity (within the meaning of the laws of 21 June 2005 implementing Council Directive 2003/48/EC of 3 June 2003 on the taxation of savings income and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of EU Member States (the **Territories**)) established in an EU Member State (other than Luxembourg) or one of the Territories and securing such payments for the benefit of such individual beneficial owner will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Securities coming within the scope of the Relibi Law will be subject to a withholding tax at a rate of 10 per cent.

Income Taxation

Non-resident holders of Securities

A non-resident holder of Securities, not having a permanent establishment or permanent representative in Luxembourg to which/whom such Securities are attributable, is not subject to Luxembourg income tax on interest accrued or received, redemption premiums or issue discounts, under the Notes. A gain realised by such

non-resident holder of Securities on the sale or disposal, in any form whatsoever, of the Securities is further not subject to Luxembourg income tax.

A non-resident corporate holder of Securities or an individual holder of Securities acting in the course of the management of a professional or business undertaking, who has a permanent establishment or permanent representative in Luxembourg to which or to whom such Securities are attributable, is subject to Luxembourg income tax on interest accrued or received, redemption premiums or issue discounts, under the Securities and on any gains realised upon the sale or disposal, in any form whatsoever, of the Securities.

Resident holders of Securities

A corporate holder of Securities must include any interest accrued or received, any redemption premium or issue discount, as well as any gain realised on the sale or disposal, in any form whatsoever, of the Securities, in its taxable income for Luxembourg income tax assessment purposes. The same inclusion applies to an individual holder of Securities, acting in the course of the management of a professional or business undertaking.

A holder of Securities that is governed by the law of 11 May 2007 on family estate management companies, as amended, or by the law of 17 December 2010 on undertakings for collective investment, or by the law of 13 February 2007 on specialised investment funds, as amended, is neither subject to Luxembourg income tax in respect of interest accrued or received, any redemption premium or issue discount, nor on gains realised on the sale or disposal, in any form whatsoever, of the Securities.

An individual holder of Securities, acting in the course of the management of his/her private wealth, is subject to Luxembourg income tax at progressive rates in respect of interest received, redemption premiums or issue discounts, under the Securities, except if (i) withholding tax has been levied on such payments in accordance with the Law, or (ii) the individual holder of the Securities has opted for the application of a 10 per cent. tax in full discharge of income tax in accordance with the Law, which applies if a payment of interest has been made or ascribed by a paying agent established in a EU Member State (other than Luxembourg), or in a Member State of the European Economic Area (other than a EU Member State), or in a state that has entered into a treaty with Luxembourg relating to the EU Savings Directive. A gain realised by an individual holder of Securities, acting in the course of the management of his/her private wealth, upon the sale or disposal, in any form whatsoever, of Securities is not subject to Luxembourg income tax, provided this sale or disposal took place more than six months after the Securities were acquired. However, any portion of such gain corresponding to accrued but unpaid interest income is subject to Luxembourg income tax, except if withholding tax has been levied on such interest in accordance with the Law.

An individual holder of Securities acting in the course of the management of a professional or business undertaking must include this interest in its taxable basis. If applicable, the tax levied in accordance with the Law will be credited against his/her final tax liability.

Net Wealth Taxation

A corporate holder of Securities, whether it is resident of Luxembourg for tax purposes or, if not, it maintains a permanent establishment or a permanent representative in Luxembourg to which such Securities are attributable, is subject to Luxembourg wealth tax on such Securities, except if the holder of Securities is governed by the law of 11 May 2007 on family estate management companies, or by the law of 17 December 2010 on undertakings for collective investment, or by the law of 13 February 2007 on specialised investment funds, as amended, or is a securitisation company governed by the law of 22 March 2004 on securitisation, or is a capital company governed by the law of 15 June 2004 on venture capital vehicles, as amended.

An individual holder of Securities, whether he/she is resident of Luxembourg or not, is not subject to Luxembourg wealth tax on such Securities.

Other Taxes

Neither the issuance nor the transfer, repurchase or redemption of Securities will give rise to any Luxembourg registration tax or similar taxes.

However, a fixed or ad valorem registration duty may be due upon the registration of the Securities in Luxembourg in the case of legal proceedings before Luxembourg courts or in case the Securities must be produced before an official Luxembourg authority, or in the case of a registration of the Securities on a voluntary basis.

Where a holder of Securities is a resident of Luxembourg for tax purposes at the time of his/her death, the Securities are included in his/her taxable estate for inheritance tax assessment purposes.

Gift tax may be due on a gift or donation of Securities if embodied in a Luxembourg deed passed in front of a Luxembourg notary or recorded in Luxembourg.

AUSTRALIA

The following is a general summary of certain Australian tax consequences under the Income Tax Assessment Acts of 1936 and 1997 of Australia (together, "Australian Tax Act") and any relevant regulations, rulings or judicial or administrative pronouncements, at the date of this Prospectus, of payments of interest and certain other amounts on the Securities issued by Deutsche Bank AG, Sydney Branch and certain other matters.

This summary is not exhaustive (in particular, it does not deal with any Australian income tax aspects on acquiring or holding Securities) and should be treated with appropriate caution. In particular, this summary does not deal with the position of certain classes of holders of Securities (including, without limitation, dealers in securities, custodians or other third parties who hold Securities on behalf of other persons). Prospective holders of Securities should also be aware that particular terms of issue of any Series of Securities may affect the tax treatment of that and other Series of Securities. Information regarding taxes in respect of Securities may also be set out in a supplement to this Prospectus or, in case of Exempt Securities, an applicable Pricing Supplement.

This summary is not intended to be, nor should it be construed as legal or tax advice to any particular investor. Prospective holders of Securities should consult their professional advisers on the tax implications of an investment in the Securities for their particular circumstances.

Introduction

The Australian Tax Act characterises securities as either "debt interests" (for all entities) or "equity interests" (for companies) including for the purposes of interest withholding tax ("IWT") and dividend withholding tax. IWT is currently payable at a rate of 10 per cent. of the gross amount of interest paid by Deutsche Bank AG, Sydney Branch to a non-resident of Australia (other than a non-resident acting at or through a permanent establishment in Australia) or a resident acting at or through a permanent establishment outside Australia, unless an exemption is available. For these purposes, interest is defined in section 128A(1AB) of the Australian Tax Act to include amounts in the nature of, or in substitution for, interest and certain other amounts.

Interest withholding tax

An exemption from IWT is available in respect of Securities issued by Deutsche Bank AG, Sydney Branch if those Securities are characterised as "debentures" and are not characterised as "equity interests" for the purposes of the Australian Tax Act and the requirements of section 128F of the Australian Tax Act are satisfied.

Deutsche Bank AG, Sydney Branch intends to issue Securities which will be characterised as "debentures" and are not characterised as "equity interests" for these purposes. If Securities are issued which are not so characterised or which do not satisfy the requirements of section 128F of the Australian Tax Act, further information on the material Australian tax consequences of payments of interest and certain other amounts on those Securities will be specified in a supplement to this Prospectus or, in the case of Exempt Securities, the relevant Pricing Supplement).

The requirements in section 128F for an exemption from IWT in respect of the Securities issued by Deutsche Bank AG, Sydney Branch are as follows:

- Deutsche Bank Aktiengesellschaft is a non-resident carrying on business at or through a permanent establishment in Australia when it issues those Securities and when interest is paid;
- those Securities are issued in a manner which satisfies the public offer test. There are five principal methods of satisfying the public offer test, the purpose of which is to ensure that lenders in capital markets are aware that Deutsche Bank AG, Sydney Branch is offering those Securities for issue. In summary, the five methods are:
 - (i) offers to 10 or more unrelated financiers, securities dealers or entities that carry on the business of investing in securities;
 - (ii) offers to 100 or more investors of a certain type;
 - (iii) offers of listed Securities;
 - (iv) offers via publicly available information sources; and
 - (v) offers to a dealer, manager or underwriter who offers to sell those Securities within 30 days by one of the preceding methods;
- Deutsche Bank Aktiengesellschaft does not know, or have reasonable grounds to suspect, at the time of issue, that any of those Securities or interests in any of those Securities were being, or would later be, acquired, directly or indirectly, by an associate of Deutsche Bank Aktiengesellschaft, except as permitted by section 128F(5) of the Australian Tax Act; and
- at the time of the payment of interest, Deutsche Bank Aktiengesellschaft does not know, or have reasonable grounds to suspect, that the payee is an associate of Deutsche Bank Aktiengesellschaft, except as permitted by section 128F(6) of the Australian Tax Act.

Compliance with section 128F of the Australian Tax Act

Unless otherwise specified in any supplement to this Prospectus or, in the case of Exempt Securities, an applicable Pricing Supplement, Deutsche Bank AG, Sydney Branch intends to issue Securities in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

Interest withholding tax exemptions under tax treaties

The Australian Government has signed or announced new or amended double tax conventions with a number of countries (each a "**Specified Country**"), some of which provide for a full exemption from IWT.

In broad terms, once implemented, these double tax conventions effectively prevent IWT applying to interest derived by:

- the government of the relevant Specified Country and certain governmental authorities and agencies in the Specified Country; and
- a "financial institution" which is a resident of a "Specified Country" and which is unrelated to and dealing wholly independently with Deutsche Bank AG, Sydney Branch. The term "financial institution" refers to either a bank or any other form of enterprise which substantially derives its profits by carrying on a business of raising and providing finance. (However, interest under a back-to-back loan or an economically equivalent arrangement will not qualify for this exemption.)

The Australian Federal Treasury maintains a listing of Australia's double tax conventions which provides details of country, status, withholding tax rate limits and Australian domestic implementation which is available to the public at the Federal Treasury's Department's website.

Section 126 of the Australian Tax Act

Section 126 of the Australian Tax Act imposes a type of withholding tax at the current rate of 47 per cent. (scheduled to be reduced to 45 per cent. from 1 July 2017) on the payment of interest on Securities in bearer form if Deutsche Bank AG, Sydney Branch fails to disclose the names and addresses of the holders to the Australian Taxation Office, but is limited in its application to persons in possession of Securities in bearer form who are residents of Australia or non-residents who are engaged in carrying on business in Australia at or through a permanent establishment in Australia. Where interests in Securities in bearer form are held through Euroclear or Clearstream, Luxembourg, Deutsche Bank AG, Sydney Branch intends to treat the operators of those clearing systems as the holders of those Securities for the purposes of section 126 of the Australian Tax Act.

Other Australian tax matters

Under Australian laws as presently in effect:

- *death duties* – no Securities issued by Deutsche Bank AG, Sydney Branch will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- *stamp duty and other taxes* – no ad valorem stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any Securities issued by Deutsche Bank AG, Sydney Branch;
- *withholding taxes* – withholding tax is imposed at the current rate of 49 per cent. (scheduled to be reduced to 47 per cent. from 1 July 2017) on the payment of interest on Securities in registered form unless the relevant holder of Securities has quoted a tax file number ("**TFN**"), in certain circumstances an Australian Business Number ("**ABN**") or proof of some other exception (as appropriate).

Assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Securities, these rules should not apply to payments to a holder of Securities who is not a resident of Australia for tax purposes and does not hold those Securities in carrying on business at or through a permanent establishment in Australia. Such withholding may be made from payments to holders of Securities in registered form who are residents of Australia or non-residents who carry on business at or through a permanent establishment in Australia but who do not quote a TFN, ABN or an appropriate exemption.

- *gains on sale or redemption* – a Securityholder who is a non-resident of Australia and who has never held the Securities in the course of carrying on a business through a permanent establishment in Australia will not be subject to Australian income tax on gains realised on the disposal or redemption of the Securities, provided such gains do not have an Australian source. A gain arising on the sale of the Securities by a non-Australian resident holder to another non-Australian resident where the Securities are sold outside Australia and all negotiations are conducted, and documentation executed, outside Australia, should generally not be regarded as having an Australian source;
- *supply withholding tax* – payments in respect of the Securities can be made free and clear of the "supply withholding tax" imposed under Australia's tax legislation;
- *goods and services tax (GST)* – none of the issue or receipt of the Securities, the payment of principal or interest by Deutsche Bank AG, Sydney Branch nor the disposal of the Securities will give rise to any GST liability in Australia;
- *additional withholdings from certain payments to non-Australian residents* – the Governor-General may make regulations requiring withholding from certain payments to non-Australian residents, (however these rules do not apply to payments of interest or other amounts which are already subject to the current IWT rules or specifically exempt from those rules); and
- *garnishee directions by the Commissioner of Taxation (Commissioner)* – the Commissioner may give a direction under section 255 of the Australian Tax Act or section 260-5 of Schedule 1 of the Taxation

Administration Act 1953 of Australia (or any other analogous provision under another statute) requiring Deutsche Bank AG, Sydney Branch to deduct from any payment to any other entity (including any holder of Securities) any amount in respect of tax payable by that other entity. If Deutsche Bank AG, Sydney Branch is served with such a direction in respect of a holder of Securities, then Deutsche Bank AG, Sydney Branch will comply with that direction and, accordingly, will make any deduction or withholding in connection with that direction.

AUSTRIA

This section on taxation contains a brief summary of the Issuer's understanding with regard to certain important principles which are of significance in connection with the purchase, holding or sale of the Securities in Austria. This summary does not purport to exhaustively describe all possible tax aspects and does not deal with specific situations which may be of relevance for certain potential investors. The following comments are rather of a general nature and included herein solely for information purposes. They are not intended to be, nor should they be construed to be, legal or tax advice. This summary is based on the currently applicable tax legislation, case law and regulations of the tax authorities, as well as their respective interpretation, all of which may be amended from time to time. Such amendments may possibly also be effected with retroactive effect and may negatively impact on the tax consequences described. It is recommended that potential investors in the Securities consult with their legal and tax advisors as to the tax consequences of the purchase, holding or sale of the Securities. Tax risks resulting from the Securities (in particular from a potential qualification as a foreign investment fund within the meaning of sec. 188 of the Austrian Investment Funds Act 2011 (Investmentfondsgesetz 2011)) shall in any case be borne by the investor. For the purposes of the following it is assumed that the Securities are legally and factually offered to an indefinite number of persons.

General remarks

Individuals having a domicile (Wohnsitz) and/or their habitual abode (gewöhnlicher Aufenthalt), both as defined in sec. 26 of the Austrian Federal Fiscal Procedures Act (Bundesabgabenordnung), in Austria are subject to income tax (Einkommensteuer) in Austria on their worldwide income (unlimited income tax liability; unbeschränkte Einkommensteuerpflicht). Individuals having neither a domicile nor their habitual abode in Austria are subject to income tax only on income from certain Austrian sources (limited income tax liability; beschränkte Einkommensteuerpflicht).

Corporations having their place of management (Ort der Geschäftsleitung) and/or their legal seat (Sitz), both as defined in sec. 27 of the Austrian Federal Fiscal Procedures Act, in Austria are subject to corporate income tax (Körperschaftsteuer) in Austria on their worldwide income (unlimited corporate income tax liability; unbeschränkte Körperschaftsteuerpflicht). Corporations having neither their place of management nor their legal seat in Austria are subject to corporate income tax only on income from certain Austrian sources (limited corporate income tax liability; beschränkte Körperschaftsteuerpflicht).

Both in case of unlimited and limited (corporate) income tax liability Austria's right to tax may be restricted by double taxation treaties.

Income taxation of the Securities

Pursuant to sec. 27(1) of the Austrian Income Tax Act (Einkommensteuergesetz), the term investment income (Einkünfte aus Kapitalvermögen) comprises:

- income from the letting of capital (Einkünfte aus der Überlassung von Kapital) pursuant to sec. 27(2) of the Austrian Income Tax Act, including dividends and interest; the tax basis is the amount of the earnings received (sec. 27a(3)(1) of the Austrian Income Tax Act);
- income from realised increases in value (Einkünfte aus realisierten Wertsteigerungen) pursuant to sec. 27(3) of the Austrian Income Tax Act, including gains from the alienation, redemption and other realisation of assets that lead to income from the letting of capital (including zero coupon bonds); the tax basis amounts to the sales proceeds or the redemption amount minus the acquisition costs, in each case including accrued interest (sec. 27a(3)(2)(a) of the Austrian Income Tax Act); and

- income from derivatives (Einkünfte aus Derivaten) pursuant to sec. 27(4) of the Austrian Income Tax Act, including cash settlements, option premiums received and income from the sale or other realisation of forward contracts like options, futures and swaps and other derivatives such as index certificates (the mere exercise of an option does not trigger tax liability); e.g., in the case of index certificates, the tax basis amounts to the sales proceeds or the redemption amount minus the acquisition costs (sec. 27a(3)(3)(c) of the Austrian Income Tax Act).

Also the withdrawal of the Securities from a securities account (Depotentnahme) and circumstances leading to a restriction of Austria's taxation right regarding the Securities vis-à-vis other countries, e.g., a relocation from Austria (Wegzug), are in general deemed to constitute a sale (cf. sec. 27(6) of the Austrian Income Tax Act). The tax basis amounts to the fair market value minus the acquisition costs (sec. 27a(3)(2)(b) of the Austrian Income Tax Act).

Individuals subject to unlimited income tax liability in Austria holding the Securities as non-business assets are subject to income tax on all resulting investment income pursuant to sec. 27(1) of the Austrian Income Tax Act. In case of investment income from the Securities with an Austrian nexus (inländische Einkünfte aus Kapitalvermögen), basically meaning income paid by an Austrian paying agent (auszahlende Stelle) or an Austrian custodian agent (depotführende Stelle), the income is subject to withholding tax (Kapitalertragsteuer) at a flat rate of 27.5 per cent.; no additional income tax is levied over and above the amount of tax withheld (final taxation pursuant to sec. 97(1) of the Austrian Income Tax Act). In case of investment income from the Securities without an Austrian nexus, the income must be included in the investor's income tax return and is subject to income tax at the flat rate of 27.5 per cent. In both cases upon application the option exists to tax all income subject to income tax at a flat rate pursuant to sec. 27a(1) of the Austrian Income Tax Act at the lower progressive income tax rate (option to regular taxation pursuant to sec. 27a(5) of the Austrian Income Tax Act). The acquisition costs must not include ancillary acquisition costs (*Anschaffungsnebenkosten*; sec. 27a(4)(2) of the Austrian Income Tax Act). Expenses such as bank charges and custody fees must not be deducted (sec. 20(2) of the Austrian Income Tax Act); this also applies if the option to regular taxation is exercised. Sec. 27(8) of the Austrian Income Tax Act, *inter alia*, provides for the following restrictions on the offsetting of losses: negative income from realised increases in value and from derivatives may be neither offset against interest from bank accounts and other non-securitized claims vis-à-vis credit institutions (except for cash settlements and lending fees) nor against income from private foundations, foreign private law foundations and other comparable legal estates (Privatstiftungen, ausländische Stiftungen oder sonstige Vermögensmassen, die mit einer Privatstiftung vergleichbar sind); income subject to income tax at a flat rate pursuant to sec. 27a(1) of the Austrian Income Tax Act may not be offset against income subject to the progressive income tax rate (this equally applies in case of an exercise of the option to regular taxation); negative investment income not already offset against positive investment income may not be offset against other types of income. The Austrian custodian agent has to effect the offsetting of losses by taking into account all of a taxpayer's securities accounts with the custodian agent, in line with sec. 93(6) of the Austrian Income Tax Act, and to issue a written confirmation to the taxpayer to this effect.

Individuals subject to unlimited income tax liability in Austria holding the Securities as business assets are subject to income tax on all resulting investment income pursuant to sec. 27(1) of the Austrian Income Tax Act. In case of investment income from the Securities with an Austrian nexus the income is subject to withholding tax at a flat rate of 27.5 per cent. While withholding tax has the effect of final taxation for income from the letting of capital, income from realised increases in value and income from derivatives must be included in the investor's income tax return (nevertheless income tax at the flat rate of 27.5 per cent.). In case of investment income from the Securities without an Austrian nexus, the income must always be included in the investor's income tax return and is subject to income tax at the flat rate of 27.5 per cent. In both cases, upon application, the option exists to tax all income subject to income tax at a flat rate pursuant to sec. 27a(1) of the Austrian Income Tax Act at the lower progressive income tax rate (option to regular taxation pursuant to sec. 27a(5) of the Austrian Income Tax Act). Expenses such as bank charges and custody fees must not be deducted (sec. 20(2) of the Austrian Income Tax Act); this also applies if the option to regular taxation is exercised. Pursuant to sec. 6(2)(c) of the Austrian Income Tax Act, depreciations to the lower fair market value and losses from the alienation, redemption and other realisation of financial assets and derivatives in the sense of sec. 27(3) and (4) of the Austrian Income Tax Act, which are subject to income tax at the flat rate of 27.5 per cent., are primarily to be offset against income from realised increases in value of such financial assets and derivatives and with appreciations in value of such assets within the same business unit (Wirtschaftsgüter desselben Betriebes); only 55 per cent. of the remaining negative difference may be offset against other types of income.

Pursuant to sec. 7(2) of the Austrian Corporate Income Tax Act (Körperschaftsteuergesetz), corporations subject to unlimited corporate income tax liability in Austria are subject to corporate income tax on income in the sense of sec. 27(1) of the Austrian Income Tax Act from the Securities at a rate of 25 per cent. In the case of income in the sense of sec. 27(1) of the Austrian Income Tax Act from the Securities with an Austrian nexus, the income is subject to withholding tax at a flat rate of 27.5 per cent. However, a 25 per cent. rate may pursuant to sec. 93(1a) of the Austrian Income Tax Act be applied by the withholding agent, if the debtor of the withholding tax is a corporation. Such withholding tax can be credited against the corporate income tax liability. Under the conditions set forth in sec. 94(5) of the Austrian Income Tax Act withholding tax is not levied in the first place. Losses from the alienation of the Securities can be offset against other income.

Pursuant to sec. 13(3)(1) in connection with sec. 22(2) of the Austrian Corporate Income Tax Act, private foundations (Privatstiftungen) pursuant to the Austrian Private Foundations Act (Privatstiftungsgesetz) fulfilling the prerequisites contained in sec. 13(3) and (6) of the Austrian Corporate Income Tax Act and holding the Securities as non-business assets are subject to interim taxation at a rate of 25 per cent. on interest income, income from realised increases in value and income from derivatives (*inter alia*, if the latter are in the form of securities). Pursuant to the Austrian tax authorities' view, the acquisition costs must not include ancillary acquisition costs. Expenses such as bank charges and custody fees must not be deducted (sec. 12(2) of the Austrian Corporate Income Tax Act). Interim tax does generally not fall due insofar as distributions subject to withholding tax are made to beneficiaries in the same tax period. In case of investment income from the Securities with an Austrian nexus, the income is in general subject to withholding tax at a flat rate of 27.5 per cent. However, a 25 per cent. rate may pursuant to sec. 93(1a) of the Austrian Income Tax Act be applied by the withholding agent, if the debtor of the withholding tax is a corporation. Such withholding tax can be credited against the tax falling due. Under the conditions set forth in sec. 94(12) of the Austrian Income Tax Act withholding tax is not levied.

Individuals and corporations subject to limited (corporate) income tax liability in Austria are taxable on investment income from the Securities if they have a permanent establishment (Betriebsstätte) in Austria and the Securities are attributable to such permanent establishment (cf. sec. 98(1)(3) of the Austrian Income Tax Act, sec. 21(1)(1) of the Austrian Corporate Income Tax Act). Individuals subject to limited income tax liability in Austria are also taxable on interest in the sense of the Austrian EU Withholding Tax Act (EU-Quellensteuergesetz, see below) from the Securities if withholding tax is levied on such interest (this does not apply, *inter alia*, if the Issuer has neither its place of management nor its legal seat in Austria and is not acting through an Austrian branch; cf. sec. 98(1)(5)(b) of the Austrian Income Tax Act). Under applicable double taxation treaties, relief from Austrian income tax might be available. However, Austrian credit institutions must not provide for such relief at source; instead, the investor may file an application for repayment of tax with the competent Austrian tax office.

Pursuant to sec. 188 of the Austrian Investment Funds Act 2011 as amended in the course of the implementation of Directive 2011/61/EU, the term "foreign investment fund" comprises (i) undertakings for collective investment in transferable securities the member state of origin of which is not Austria; (ii) alternative investment funds pursuant to the Austrian Act on Alternative Investment Fund Managers (Alternative Investmentfonds Manager-Gesetz) the state of origin of which is not Austria; and (iii) undertakings not falling within paragraphs (i) and (ii) above which are undertakings subject to a foreign jurisdiction, irrespective of the legal form they are organised in, the assets of which are invested according to the principle of risk-spreading on the basis either of a statute, of the undertaking's articles or of customary exercise, if one of the following conditions is fulfilled: (a) the undertaking is factually, directly or indirectly, not subject to a corporate income tax in its state of residence that is comparable to Austrian corporate income tax; (b) the profits of the undertaking are in its state of residence subject to corporate income tax that is comparable to Austrian corporate income tax, at a rate of less than 15 per cent.; or (c) the undertaking is subject to a comprehensive personal or material tax exemption in its state of residence. Certain collective investment vehicles investing in real estate are exempted. Up to now the tax authorities have not yet adapted the Austrian Investment Fund Guidelines (Investmentfondsrichtlinien) to the legislation as currently in force. In case of a qualification as a foreign investment fund, the tax consequences would substantially differ from those described above: A special type of transparency principle would be applied, pursuant to which generally both distributed income as well as deemed income would be subject to Austrian (corporate) income tax.

EU withholding tax

Sec. 1 of the Austrian EU Withholding Tax Act – implementing Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments – provides that interest payments paid or credited by an Austrian paying agent (Zahlstelle) to a beneficial owner who is an individual resident in another EU Member State (or in certain dependent or associated territories, which currently include Anguilla, Aruba, the British Virgin Islands, Curaçao, Guernsey, the Isle of Man, Jersey, Montserrat, Sint Maarten and the Turks and Caicos Islands) are subject to EU withholding tax (EU-Quellensteuer) of 35 per cent. Sec. 10 of the Austrian EU Withholding Tax Act provides for an exemption from EU withholding tax if the beneficial owner presents to the paying agent a certificate drawn up in his/her name by the competent authority of his/her EU Member State of residence for tax purposes, indicating the name, address and tax or other identification number or, failing such, the date and place of birth of the beneficial owner, the name and address of the paying agent, and the account number of the beneficial owner or, where there is none, the identification of the security; such certificate shall be valid for a period not exceeding three years.

Regarding the issue of whether also index certificates are subject to EU withholding tax, the Austrian tax authorities distinguish between index certificates with and without a capital guarantee, a capital guarantee being the promise of repayment of a minimum amount of the capital invested or the promise of the payment of interest. The exact tax treatment of index certificates furthermore depends on their underlying.

Pursuant to Council Directive (EU) 2015/2060 of 10 November 2015 repealing Council Directive 2003/48/EC, the latter was in general repealed with effect from 1 January 2016. However, pursuant to detailed grandfathering provisions, Austria shall in general continue to apply Council Directive 2003/48/EC until 31 December 2016.

Tax treaties Austria/Switzerland and Austria/Liechtenstein

The Treaty between the Republic of Austria and the Swiss Confederation on Cooperation in the Areas of Taxation and Capital Markets and the Treaty between the Republic of Austria and the Principality of Liechtenstein on Cooperation in the Area of Taxation provide that a Swiss and respectively, Liechtenstein paying agent has to withhold a tax amounting to 25 per cent. or 27.5 per cent., as the case may be, on, *inter alia*, interest income, dividends and capital gains from assets booked with an account or deposit of such Swiss or respectively, Liechtenstein paying agent if the relevant holder of such assets (i.e. in general individuals on their own behalf and as beneficial owners of assets held by a domiciliary company (Sitzgesellschaft)) is tax resident in Austria. The same applies to such income from assets managed by a Liechtenstein paying agent if the relevant holder of the assets (i.e. in general individuals as beneficial owners of a transparent structure) is tax resident in Austria. For Austrian income tax purposes this withholding tax has the effect of final taxation regarding the underlying income if the Austrian Income Tax Act provides for the effect of final taxation for such income. The treaties, however, do not apply to interest covered by the agreements between the European Community and the Swiss Confederation and respectively, the Principality of Liechtenstein, regarding Council Directive 2003/48/EC on taxation of savings income in the form of interest payments. The taxpayer can opt for voluntary disclosure instead of the withholding tax by expressly authorising the Swiss and, respectively, Liechtenstein paying agent to disclose to the competent Austrian authority the income, which subsequently has to be included in the income tax return.

Austrian inheritance and gift tax

Austria does not levy inheritance or gift tax.

Certain gratuitous transfers of assets to private law foundations and comparable legal estates (privatrechtliche Stiftungen und damit vergleichbare Vermögensmassen) are subject to foundation transfer tax (Stiftungseingangssteuer) pursuant to the Austrian Foundation Transfer Tax Act (Stiftungseingangssteuergesetz). if the transferor and/or the transferee at the time of transfer have a domicile, their habitual abode, their legal seat or their place of management in Austria. Certain exemptions apply in cases of transfers mortis causa of financial assets within the meaning of sec. 27(3) and (4) of the Austrian Income Tax Act (except for participations in corporations) if income from such financial assets is subject to income tax at a flat rate pursuant to sec. 27a(1) of the Austrian Income Tax Act. The tax basis is the fair market value of the assets transferred minus any debts, calculated at the time of transfer. The tax rate generally is 2.5 per cent.,

with a higher rate of 25 per cent. applying in special cases. Special provisions apply to transfers of assets to entities falling within the scope of the tax treaty between Austria and Liechtenstein.

In addition, there is a special notification obligation for gifts of money, receivables, shares in corporations, participations in partnerships, businesses, movable tangible assets and intangibles if the donor and/or the donee have a domicile, their habitual abode, their legal seat or their place of management in Austria. Not all gifts are covered by the notification obligation: In case of gifts to certain related parties, a threshold of EUR 50,000 per year applies; in all other cases, a notification is obligatory if the value of gifts made exceeds an amount of EUR 15,000 during a period of five years. Furthermore, gratuitous transfers to foundations falling under the Austrian Foundation Transfer Tax Act described above are also exempt from the notification obligation. Intentional violation of the notification obligation may trigger fines of up to 10 per cent. of the fair market value of the assets transferred.

Further, gratuitous transfers of the Securities may trigger income tax at the level of the transferor pursuant to sec. 27(6) of the Austrian Income Tax Act (see above).

BELGIUM

The following is a general discussion of certain Belgian tax consequences of the acquisition, holding and disposal of Securities. It does not purport to be a comprehensive description of all tax considerations that may be relevant to a decision to purchase Securities and, in particular, does not consider any specific facts or circumstances that may apply to a particular purchaser. In particular, it does not cover the situation of non-residents nor the tax treatment of securities which may be received upon repurchase or redemption of the Securities. This summary is based on the laws of Belgium currently in force and as applied on the date of this Prospectus, which are subject to change, possibly with retroactive effect. This summary is not intended to constitute, nor should it be construed as, legal or tax advice. Prospective purchasers of Securities are advised to consult their own tax advisers as to the tax consequences of the purchase, ownership and disposal of Securities, including the effect of any taxes under the tax laws of Belgium and each country of which they are residents or whose tax laws apply to them for other reasons.

Any payment of interest (as defined by Belgian tax law) on the Securities made through a paying agent in Belgium will in principle be subject to Belgian withholding tax on the gross amount of the interest, currently at the rate of 27 per cent.

If the repurchase or redemption of Securities by the Issuer is in full or in part settled by means of a delivery of securities or other assets, interest includes any positive difference between the market value of those assets on the date of their payment or attribution and the initial issue price of the Securities. In the event interest is paid in the form of delivery of securities, the market value of those securities will be deemed at least equal to their value (prior to the date of the payment or attribution) as determined in the most recent publication by the Belgian Government of the value of securities listed on a Belgian stock exchange (such publication is issued monthly, on the 20th of each month) or on a similar foreign stock exchange.

For Belgian tax purposes, if interest is in a foreign currency, it is converted into euro on the date of payment or attribution.

Income tax

Structured Securities

On 25 January 2013, the Belgian tax authorities issued a circular letter on the Belgian tax treatment of income from structured securities characterised by an uncertain return on investment due to the variation of the coupons or the repayment terms at maturity, such as securities whose return is linked to the performance of underlying products. According to the circular letter, the transfer of structured securities to a third party (other than the issuer) results in taxation as interest income of the "pro rata interest", calculated on the basis of an unclear formulae. In addition, any amount paid in excess of the initial issue price upon redemption or repayment of the structured securities is considered as interest for Belgian tax purposes. It is highly debatable whether the circular letter is in line with Belgian tax legislation. Furthermore, it is unclear whether the Belgian tax authorities

will seek to apply the principles set out in the circular letter to structured Securities (the "Structured Securities" for the purposes of the following paragraphs).

It is assumed that any gains realised upon redemption or repayment by the Issuer will indeed be viewed as interest by the Belgian tax authorities (and any such gains are therefore referred to as "interest" for the purposes of the following paragraphs), but that the effective taxation of the "*pro rata* interest" in case of sale to a third party (i.e. other than the Issuer) would not be possible, on the basis that it is currently impossible to determine the amount of the "*pro rata* interest".

Repayment or redemption by the Issuer

Belgian resident individuals

Belgian resident individuals, i.e. individuals who are subject to Belgian personal income tax ("**Personenbelasting/Impôt des personnes physiques**"), who are holding the Structured Securities as a private investment are subject to the following tax treatment with respect to the Structured Securities in Belgium. Other rules may be applicable in special situations, in particular when Belgian resident individuals acquire the Structured Securities for professional purposes or when their transactions with respect to the Structured Securities fall outside the scope of the normal management of their own private estate.

Payments of interest on the Structured Securities made through a paying agent in Belgium will in principle be subject to a 27 per cent. withholding tax in Belgium (calculated on the interest received after deduction of any non-Belgian withholding taxes). The Belgian withholding tax constitutes the final income tax for Belgian resident individuals. This means that they do not have to declare the interest obtained on the Structured Securities in their personal income tax return, provided Belgian withholding tax was levied on these interest payments.

Nevertheless, Belgian resident individuals may elect to declare interest on the Structured Securities in their personal income tax return. Also, if the interest is paid outside Belgium without the intervention of a Belgian paying agent, the interest received (after deduction of any non-Belgian withholding tax) must be declared in the personal income tax return. Interest income which is declared this way will in principle be taxed at a flat rate of 27 per cent. (or at the relevant progressive personal income tax rate(s), taking into account the taxpayer's other declared income, whichever is more beneficial) and no local surcharges will be due. The Belgian withholding tax levied may be credited against the Belgian resident individual's income tax liability.

Belgian resident companies

Belgian resident companies, i.e. companies that are subject to Belgian Corporate Income Tax ("**Vennootschapsbelasting/Impôt des sociétés**"), are subject to the following tax treatment with respect to the Structured Securities in Belgium.

Interest received by Belgian resident companies on the Structured Securities will be subject to Belgian corporate income tax at the applicable corporate income tax rates (the ordinary corporate income tax rate is 33.99 per cent., but lower rates apply to small income companies under certain conditions). If the income has been subject to a foreign withholding tax, a foreign tax credit will be applied on the Belgian tax due. For interest income, the foreign tax credit is generally equal to a fraction where the numerator is equal to the foreign tax and the denominator is equal to 100 minus the rate of the foreign tax, up to a maximum of 15/85 of the net amount received (subject to some further limitations). Capital losses are in principle tax deductible.

Interest payments on the Structured Securities made through a paying agent in Belgium are in principle subject to a 27 per cent. withholding tax, but can under certain circumstances be exempt from Belgian withholding tax, provided that certain formalities are complied with. For zero or capitalisation bonds, an exemption will only apply if the Belgian company and the Issuer are associated companies within the meaning of article 105, 6° of the Royal Decree of 27 August 1993 implementing the Belgian Income Tax Code of 1992. The withholding tax that has been levied is creditable in accordance with the applicable legal provisions.

Belgian non-profit legal entities

Belgian non-profit legal entities, i.e. legal entities that are subject to Belgian tax on legal entities ("**Rechtspersonenbelasting/impôt des personnes morales**"), are subject to the following tax treatment with respect to the Structured Securities in Belgium.

Payments of interest on the Structured Securities made through a paying agent in Belgium will in principle be subject to a 27 per cent. withholding tax in Belgium and no further tax on legal entities will be due on the interest.

However, if the interest is paid outside Belgium without the intervention of a Belgian paying agent and without the deduction of Belgian withholding tax, the Belgian non-profit legal entity itself is responsible for the deduction and payment of the 27 per cent. withholding tax.

Sale to a third party

No Belgian withholding tax should apply to the sale of Structured Securities to a third party.

Belgian resident individuals

Belgian resident individuals, i.e. individuals who are subject to Belgian personal income tax ("**Personenbelasting/Impôt des personnes physiques**"), are currently not liable to Belgian income tax on the capital gains (if any) realised upon disposal of the Structured Securities to a third party, provided that the Structured Securities have not been used for their professional activity and that the capital gain is realised within the scope of the normal management of their private estate. Capital losses realised upon disposal of the Structured Securities held as a non-professional investment are in principle not tax deductible.

However, Belgian resident individuals may be subject to a 33 per cent. Belgian income tax (plus local surcharges) if the capital gains on the Structured Securities are deemed to be speculative or outside the scope of the normal management of the individuals' private estate. Capital losses arising from such transactions are not tax deductible.

In addition, Belgium resident individuals acquiring and holding listed Structured Securities as a private investment, will be subject to a speculation tax ("**speculatiebelasting/taxe de spéculation**") at a rate of 33 per cent. on capital gains (in any (other than the pro rata interest)) realised upon disposal of the Structured Securities to a third party, but only if (i) the underlying consists exclusively of listed shares, and (ii) the capital gains are realised within six months following the acquisition of the Structured Securities (taking into account the fact that the last acquired Structured Securities will be deemed to be sold first under the *last in first out* method). Capital losses are in principle not tax deductible, but if a single transfer of the Structured Securities results in both capital gains and capital losses (in the event that the shares were acquired at different prices), only the positive balance will be subject to the speculation tax. Belgian resident individuals are required to declare these capital gains in their personal income tax return, unless the speculation tax has been levied by way of withholding by the intervening Belgian financial intermediary.

Capital gains realised upon transfer of Structured Securities held for professional purposes are taxable at the ordinary progressive income tax rates (plus local surcharges), except for Structured Securities held for more than five years, which are taxable at a separate rate of 16.5 per cent. (plus local surcharges). Capital losses on the Structured Securities incurred by Belgian resident individuals holding the Structured Securities for professional purposes are in principle tax deductible.

Belgian resident companies

Belgian resident companies, i.e. companies that are subject to Belgian Corporate Income Tax ("**Vennootschapsbelasting/Impôt des sociétés**"), are liable to Belgian corporate income tax on the capital gains (if any) realised upon disposal of the Structured Securities to a third party, irrespective of whether such Structured Securities relate to shares or other assets or indices. The current standard corporate income tax rate in Belgium is 33.99 per cent.

Capital losses realised upon disposal of the Structured Securities are in principle tax deductible.

Belgian non-profit legal entities

Belgian non-profit legal entities, i.e. legal entities that are subject to Belgian tax on legal entities ("**Rechtspersonenbelasting/impôt des personnes morales**"), are currently not liable to Belgian income tax on capital gains (if any) realised upon disposal of the Structured Securities to a third party.

Capital losses realised upon disposal of the Structured Securities are in principle not tax deductible.

Other Securities

The following summary describes the principal Belgian withholding tax considerations with respect to Securities other than Structured Securities.

For Belgian tax purposes, periodic interest income and amounts paid by the Issuer in excess of the issue price (whether or not on the maturity date) are qualified and taxable as "interest". In addition, if the Securities qualify as fixed income securities within the meaning of article 2, §1, 8° of the Belgian Income Tax Code of 1992, in case of a realisation of the Securities between two interest payment dates, an income equal to the accrued interest corresponding to the period during which the investor held the Securities in the period between the two interest payment dates.

For the purposes of the following paragraphs, any such gains and accrued interest are therefore referred to as "interest".

Belgian resident individuals

Belgian resident individuals, i.e. individuals who are subject to Belgian personal income tax ("**Personenbelasting/Impôt des personnes physiques**"), and who hold the Securities as a private investment, are in Belgium subject to the following tax treatment with respect to the Securities.

Other tax rules apply to Belgian resident individuals who do not hold the Securities as a private investment.

Payments of interest on the Securities made through a paying agent in Belgium will in principle be subject to a 27 per cent. withholding tax in Belgium (calculated on the interest received after deduction of any non-Belgian withholding taxes). The Belgian withholding tax constitutes the final income tax for Belgian resident individuals. This means that they do not have to declare the interest obtained on the Securities in their personal income tax return, provided Belgian withholding tax was levied on these interest payments.

Nevertheless, Belgian resident individuals may elect to declare interest on the Securities in their personal income tax return. Also, if the interest is paid outside Belgium without the intervention of a Belgian paying agent, the interest received (after deduction of any non-Belgian withholding tax) must be declared in the personal income tax return. Interest income which is declared this way will in principle be taxed at a flat rate of 27 per cent. (or at the relevant progressive personal income tax rate(s), taking into account the taxpayer's other declared income, whichever is more beneficial) and no local surcharges will be due. The Belgian withholding tax levied may be credited against the Belgian resident individual's income tax liability.

Capital gains realised on the sale of the Securities are in principle tax exempt, unless the capital gains are realised outside the scope of the normal management of one's private estate or unless the capital gains qualify as interest (as defined above). Capital losses are in principle not tax deductible.

In addition, Belgium resident individuals acquiring and holding listed Structured Securities as a private investment, will be subject to a speculation tax ("**Speculatibelasting/Taxe de spéculation**") at a rate of 33 per cent. on capital gains (in any (other than the pro rata interest)) realised upon disposal of the Structured Securities to a third party, but only if (i) the underlying consists exclusively of listed shares, and (ii) the capital gains are realised within six months following the acquisition of the Structured Securities (taking into account the fact that the last acquired Structured Securities will be deemed to be sold first under the *last in first out* method). Capital losses are in principle not tax deductible, but if a single transfer of the Structured Securities

results in both capital gains and capital losses (in the event that the shares were acquired at different prices), only the positive balance will be subject to the speculation tax. Belgian resident individuals are required to declare these capital gains in their personal income tax return, unless the speculation tax has been levied by way of withholding by the intervening Belgian financial intermediary.

Belgian resident companies

Belgian resident companies, i.e. companies that are subject to Belgian Corporate Income Tax ("**Vennootschapsbelasting/impôt des sociétés**"), are in Belgium subject to the following tax treatment with respect to the Securities.

Interest derived by Belgian resident companies on the Securities and capital gains realised on the Securities will be subject to Belgian Corporate Income Tax at the applicable corporate income tax rates (the ordinary corporate income tax rate is 33.99 per cent., but lower rates apply to small income companies under certain conditions). If the income has been subject to a foreign withholding tax, a foreign tax credit will be applied on the Belgian tax due. For interest income, the foreign tax credit is generally equal to a fraction where the numerator is equal to the foreign tax and the denominator is equal to 100 minus the rate of the foreign tax, up to a maximum of 15/85 of the net amount received (subject to some further limitations). Capital losses are in principle tax deductible.

Interest payments on the Securities made through a paying agent in Belgium are in principle subject to a 27 per cent. withholding tax, but can under certain circumstances be exempt from Belgian withholding tax, provided that certain formalities are complied with. For zero or capitalisation bonds, an exemption will only apply if the Belgian company and the Issuer are associated companies within the meaning of article 105, 6° of the Royal Decree of 27 August 1993 implementing the Belgian Income Tax Code of 1992. The withholding tax that has been levied is creditable in accordance with the applicable legal provisions.

Belgian non-profit legal entities

Belgian non-profit legal entities, i.e. legal entities that are subject to Belgian tax on legal entities ("**Rechtspersonenbelasting/impôt des personnes morales**"), are subject to the following tax treatment with respect to the Securities in Belgium.

Payments of interest on the Securities made through a paying agent in Belgium will in principle be subject to a 27 per cent. withholding tax in Belgium and no further tax on legal entities will be due on the interest.

However, if the interest is paid outside Belgium without the intervention of a Belgian paying agent and without the deduction of Belgian withholding tax, the Belgian non-profit legal entity itself is responsible for the declaration and payment of the 27 per cent. withholding tax.

Capital gains realised on the sale of the Securities are in principle tax exempt, unless the capital gain qualifies as interest (as defined). Capital losses are in principle not tax deductible.

Tax on stock exchange transactions

The sale and acquisition of the Structured Securities and other Securities is subject to a tax on stock exchange transaction ("**Taks op de beursverrichtingen/Taxe sur les opérations de bourse**") if executed in Belgium through a professional intermediary. The tax is generally due at a rate of currently 0.09 per cent. on each sale and acquisition separately, with a maximum of EUR 650 per taxable transaction. Exemptions apply for certain categories of institutional investors and non-residents. Transactions on the primary market are not subject to this tax.

As stated below, the European Commission has published a proposal for a Directive for a common financial transactions tax ("**FTT**"). The proposal currently stipulates that once the FTT enters into force, the participating Member States shall not maintain or introduce taxes on financial transactions other than the FTT (or VAT as provided in the Council Directive 2006/112/EC of 28 November 2006 on the common system of value added tax). For Belgium, the tax on stock exchange transactions should thus be abolished once the FTT enters into

force. The proposal is still subject to negotiation between the participating Member States and therefore may be changed at any time.

DENMARK

The following is a summary description of the taxation in Denmark of the Securities. The following summary does not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to acquire, hold or dispose of the Securities, and does not purport to deal with the tax consequences applicable to all categories of investors, some of which may be subject to special rules. The tax considerations for Danish resident investors of acquiring, holding or disposing the Securities depend on the investor's tax status and the specific terms applicable to the relevant Securities. Potential investors are in all circumstances strongly recommended to contact their own tax advisers to clarify the individual consequences of the investment, holding and disposal of the Securities. No representations with respect to the tax consequences of any particular holder are made hereby.

Withholding tax

Under existing Danish tax laws, no general withholding tax or coupon tax will apply to payments of interest or principal or other amounts due on the Securities, other than in certain cases on payments in respect of controlled debt in relation to the Issuer as referred to in The Danish Corporation Tax Act (in Danish "Selskabsskatteloven") of 20 May 2015 (as amended). This will not have any impact on holders of Securities who are not in a relationship whereby they control, or are controlled by, the Issuer, or where the holders of Securities and the Issuer are not controlled by the same group of shareholders.

Moreover, Danish withholding tax on payments of interest or principal or other amounts due on the Securities will not apply where the payment does not have a Danish source

Resident holders of Securities

Private individuals, including persons who are engaged in financial trade, companies and similar enterprises resident in Denmark for tax purposes or receiving interest on the Securities through their permanent establishment in Denmark are liable to pay tax on such interest.

Capital gains are taxable to individuals and corporate entities in accordance with the Danish Capital and Exchange Gains Act (in Danish "Kursgevinstloven") of 18 September 2013 (as amended) (the "Act"). Gains and losses on Securities held by corporate entities are generally taxed in accordance with a mark-to-market principle (in Danish "lagerprincippet"), i.e. on an unrealised basis. Gains and losses on Securities held by individuals are generally taxed on a realised basis and if the annual gains or losses do not exceed DKK 2,000, the gains or losses will be exempt from taxation.

A variety of features regarding interest and principal may apply to the Securities. The applicable taxation of capital gains to corporate entities or individuals will depend on the features applicable to the Securities in question.

Structured securities or notes can be designed in many ways and with many different underlying assets or in a way that the yield will depend on various index or currency flows. When structured securities or notes are issued the following tax rules generally apply to the Securities.

Gains and losses on structured securities or notes are generally treated as gains and losses on financial instruments in accordance with section 29(3) of the Act. However, there are exceptions – for example, securities or notes which are adjusted in relation to developments in the consumer prices index (as computed by Statistics Denmark (in Danish "Danmarks Statistik")), the net consumer-price index or a similar index within the European Union or any of its member states.

The gains and losses on structured securities or notes are calculated irrespective of the rules applying to the underlying asset.

Gains and losses on structured securities or notes issued to both corporate entities and individuals are predominantly treated as taxable income in accordance with a mark-to-market principle (in Danish "lagerprincippet"), i.e. on an unrealised basis.

Corporate entities are generally able to deduct losses on structured securities or notes, but individuals may only deduct losses on structured securities or notes against gains on other financial instruments. However, in both cases, certain restrictions or exceptions apply.

Pension funds and other entities governed by the Danish Act on Taxation of Pension Yield (in Danish "Pensionsafkastbeskatningsloven") of 10 October 2014 (as amended) would, irrespective of realisation, be taxed on annual value increase or decrease of the Securities according to a mark-to-market principle (in Danish "lagerprincippet") as specifically laid down in the act.

Non-resident holders of Securities

Under existing Danish tax laws, payments of interest or principal amounts to any non-resident holders of Securities are not subject to taxation in Denmark, other than in certain cases on payments in respect of controlled debt in relation to the Issuer as referred to above. Thus, no Danish withholding tax will be payable with respect to such payments and any capital gain realised upon the sale, exchange or retirement of Securities, other than in certain cases on payments in respect of controlled debt in relation to the Issuer as referred to under "Taxation at source" above.

This tax treatment applies solely to holders of Securities who are not subject to full tax liability in Denmark, nor are included in a Danish joint taxation scheme and do not carry on business in Denmark through a permanent establishment.

EU Savings Directive

Under the EU Savings Directive, Member States are required to provide to the tax authorities of other Member States details of payments of interest (and other similar income) paid by a person to an individual resident, or to certain other types of entities established in that other Member State except that, for a transitional period, Luxembourg and Austria may instead (unless during that period they elect otherwise) impose a withholding system in relation to such payments (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld). The European Commission has proposed certain amendments to the Directive, which may, if implemented, amend or broaden the scope of the requirements described above. The EU Savings Directive has been implemented in Denmark pursuant to section 8 X of the Danish Tax Control Act.

FRANCE

The following is a summary addressing only the French compulsory withholding tax treatment of income arising from the Securities and certain transfer tax implications in case of physical delivery of French listed shares in connection with the Securities. This summary is based on the laws and practice in force as of the date of this Prospectus and subject to any changes in law and the interpretation and application thereof, which changes could be made with retroactive effect. Investors should be aware that the statements below are of a general nature and do not constitute legal or tax advice and should not be understood as such. Prospective investors should consult their professional advisers so as to determine, in the light of their individual situation, the tax consequences of the subscription, purchase, holding, redemption or disposal of the Securities.

Withholding tax

This summary is prepared on the assumption that the Issuer is not or is not deemed to be (and will not be or deemed to be) a French resident for French tax purposes and the Securities (and any transaction in relation to the Securities) are not (and will not be) attributed or attributable to a French branch or permanent establishment or fixed place of business of the Issuer in France.

Please note that the treatment regarding withholding tax on payments in relation to the Securities will depend on the nature and characterisation of the relevant Securities.

Securities constituting debt instruments for French tax purposes

Payments with respect to Securities which constitute debt instruments for French tax purposes will be made free of any compulsory withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by France or any political subdivision or taxing authority thereof or therein.

However, if the paying agent (*établissement payeur*) is established in France, pursuant to Article 125 A of the French Code *général des impôts*, subject to certain limited exceptions, interest and similar income received by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France are subject to a 24 per cent. withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5 per cent. on such interest and similar income received by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France.

Securities not constituting debt instruments for French tax purposes

Payments with respect to Securities which do not constitute debt instruments for French tax purposes would not be subject to any mandatory withholding tax in France.

Transfer tax and other taxes

Please note that the following may be relevant in connection with Securities which may be settled or redeemed by way of physical delivery of certain listed shares (or certain assimilated securities) issued by a company whose registered office is situated in France or securities representing such shares (or assimilated securities). The treatment regarding transfer taxes and other taxes in relation to the relevant Securities will depend on their features and characterisation and should be analysed on a case by case basis.

Pursuant to Article 235 *ter* ZD of the French Code *général des impôts*, a financial transaction tax (the **Financial Transaction Tax**) is applicable to any acquisition for consideration, resulting in a transfer of ownership, of (i) an equity security (*titre de capital*) within the meaning of Article L 212-1 A of the French Code *monétaire et financier*, or of an assimilated equity security, within the meaning of Article L 211-41 of the French Code *monétaire et financier*, admitted to trading on a recognised stock exchange when such security is issued by a company whose registered office is situated in France with a market capitalisation of more than 1 billion Euros on 1 December of the year preceding the relevant transaction (the **French Shares**) or (ii) a security representing French Shares (irrespective of the location of the registered office of the issuer of such security). The rate of the Financial Transaction Tax is 0.2 per cent. of the acquisition value of the French Shares (or securities representing French Shares). There are a number of exemptions from the Financial Transaction Tax and investors should consult their counsel to identify whether they can benefit from them.

If the Financial Transaction Tax applies to an acquisition of French Shares, this transaction is exempt from transfer taxes (*droits de mutation à titre onéreux*) which generally apply at a rate of 0.1 per cent. to the sale of shares issued by a company whose registered office is situated in France, provided that in case of shares listed on a recognised stock exchange, transfer taxes are due only if the transfer is evidenced by a written deed or agreement.

HONG KONG

The following is a general description of certain Hong Kong tax considerations relating to the Securities and is based on law and relevant interpretations thereof in effect as at the date of this Prospectus, all of which are subject to change, and does not constitute legal or taxation advice. It does not purport to be a complete analysis of all tax considerations relating to the Securities. Prospective holders of Securities who are in any doubt as to their tax position or who may be subject to tax in any jurisdiction are advised to consult their own professional advisers.

Withholding Tax

No withholding tax is payable in Hong Kong in respect of payments of principal or interest on the Securities or in respect of any capital gains arising from the sale of the Securities.

Profits Tax

Hong Kong profits tax is chargeable on every person carrying on a trade, profession or business in Hong Kong in respect of profits arising in or derived from Hong Kong from such trade, profession or business (excluding profits arising from the sale of capital assets).

Under the Inland Revenue Ordinance (Cap. 112) of Hong Kong, as it is currently applied in the Inland Revenue Department, interest on the Securities may be deemed to be profits arising in or derived from Hong Kong from a trade, profession or business carried on in Hong Kong in the following circumstances:

- (i) interest on the Securities is derived from Hong Kong and is received by or accrues to a company, other than a financial institution, carrying on a trade, profession or business in Hong Kong; or
- (ii) interest on the Securities is derived from Hong Kong and is received by or accrues to a person, other than a company, carrying on a trade, profession or business in Hong Kong and is in respect of the funds of that trade, profession or business; or
- (iii) interest on the Securities is received by or accrues to a financial institution (as defined in the Inland Revenue Ordinance) and arises through or from the carrying on by the financial institution of its business in Hong Kong.

Pursuant to the Exemption from Profits Tax (Interest Income) Order, interest income accruing on or after 22 June 1998 to a person other than a financial institution on deposits (denominated in any currency) placed with, *inter alia*, a financial institution in Hong Kong is exempt from the payment of Hong Kong profits tax. This exemption does not apply, however, to deposits that are used to guarantee money borrowed in certain circumstances.

Sums received by or accrued to a financial institution by way of gains or profits arising through or from the carrying on by the financial institution of its business in Hong Kong from the sale, disposal and redemption of Securities will be subject to profits tax.

Sums derived from the sale, disposal or redemption of Securities in bearer form will be subject to Hong Kong profits tax where received by or accrued to a person, other than a financial institution, who carries on a trade, profession or business in Hong Kong and the sum has a Hong Kong source.

Similarly, such sums in respect of Securities in registered form received by or accrued to either the aforementioned person and/or a financial institution will be subject to Hong Kong profits tax if such sums have a Hong Kong source. The source of such sums will generally be determined by having regard to the manner in which the Securities are acquired and disposed.

Stamp Duty

Stamp duty will not be payable on the issue of Securities in bearer form provided either:

- (i) such Securities are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (ii) such Securities constitute loan capital (as defined in the Stamp Duty Ordinance (Cap. 117) of Hong Kong).

If stamp duty is payable, it is payable by the Issuer on issue of Securities in bearer form at a rate of 3 per cent. of the market value of the Securities at the time of issue.

No stamp duty will be payable on any subsequent transfer of Securities in bearer form.

No stamp duty is payable on the issue of Securities in registered form. Stamp duty may be payable on any transfer of Securities in registered form if the relevant transfer is required to be registered in Hong Kong.

Stamp duty will, however, not be payable on any transfers of Securities in registered form provided that either:

- (i) the Securities in registered form are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (ii) the Securities in registered form constitute loan capital (as defined in the Stamp Duty Ordinance (Cap. 117) of Hong Kong).

If stamp duty is payable in respect of the transfer of Securities in registered form it will be payable at the rate of 0.2 per cent. (of which 0.1 per cent. is payable by the seller and 0.1 per cent. is payable by the purchaser) normally by reference to the value of the consideration. If, in the case of either the sale or purchase of such Securities in registered form, stamp duty is not paid, both the seller and the purchaser may be liable jointly and severally to pay any unpaid stamp duty and also any penalties for late payment. If stamp duty is not paid on or before the due date (two days after the sale or purchase if effected in Hong Kong or 30 days if effected elsewhere) a penalty of up to 10 times the duty payable may be imposed. In addition, stamp duty is payable at the fixed rate of HK\$5 on each instrument of transfer executed in relation to any transfer of the Securities in registered form if the relevant transfer is required to be registered in Hong Kong.

Estate Duty

No estate duty will be payable in respect of Securities in bearer form and Securities in registered form in Hong Kong.

IRELAND

The following is a summary of the Irish withholding tax treatment of the Securities. It is based on the laws and practice of the Revenue Commissioners currently in force in Ireland as at the date of this Prospectus and may be subject to change. The summary does not purport to be a comprehensive description of all of the Irish tax considerations that may be relevant to a decision to purchase, own or dispose of the Securities. The summary does not constitute tax or legal advice and the comments below are of a general nature only and it does not discuss all aspects of Irish taxation that may be relevant to any particular holder of Securities. Prospective investors in the Securities should consult their professional advisers on the tax implications of the purchase, holding, redemption or sale of the Securities and the receipt of payments thereon under any laws applicable to them.

Irish Withholding Tax

Irish withholding tax applies to certain payments including payments of:

- Irish source yearly interest (yearly interest is interest that is capable of arising for a period in excess of one year);
- Irish source annual payments (annual payments are payments that are capable of being made for a period in excess of one year and are pure income-profit in the hands of the recipient); and
- Distributions (including interest that is treated as a distribution under Irish law) made by companies that are resident in Ireland for the purposes of Irish tax,

at the standard rate of income tax (currently 20 per cent.).

On the basis that the Issuer is not resident in Ireland for the purposes of Irish tax, nor does the Issuer operate in Ireland through a branch or agency with which the issue of the Securities is connected, nor are the Securities held in Ireland through a depository or otherwise located in Ireland, then to the extent that payments of interest

or annual payments arise on the Securities, such payments should not be regarded as payments having an Irish source for the purposes of Irish taxation.

Accordingly, the Issuer or any paying agent acting on behalf of the Issuer should not be obliged to deduct any amount on account of these Irish withholding taxes from payments made in connection with the Securities.

Separately, for as long as the Securities are quoted on a stock exchange, a purchaser of the Securities should not be obliged to deduct any amount on account of Irish tax from a payment made by it in connection with the purchase of the Securities.

Irish Encashment Tax

Payments on any Securities paid by a paying agent in Ireland or collected or realised by an agent in Ireland acting on behalf of the beneficial owner of Securities will be subject to Irish encashment tax at the standard rate of Irish tax (currently 20 per cent.), unless it is proved, on a claim made in the required manner to the Revenue Commissioners of Ireland, that the beneficial owner of the Securities entitled to the interest or distribution is not resident in Ireland for the purposes of Irish tax and such interest or distribution is not deemed, under the provisions of Irish tax legislation, to be income of another person that is resident in Ireland.

ITALY

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Prospectus and are subject to any changes in law occurring after such date, which could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the securities and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules.

Prospective purchasers of Securities should consult their tax advisers as to the overall tax consequences of acquiring, holding and disposing of the Securities.

As clarified by the Italian tax authorities in resolution No. 72/E of 12 July 2010, the Italian tax consequences of the purchase, ownership and disposal of the Securities may be different depending on whether:

- (a) they represent a securitized debt claim, implying a static "use of capital" (*impiego di capitale*), through which the subscriber of the Securities transfers to the Issuer a certain amount of capital for the purpose of obtaining a remuneration on the same capital and subject to the right to obtain its (partial or entire) reimbursement at maturity; or
- (b) they represent a securitized derivative financial instrument or bundle of derivative financial instruments not entailing a "use of capital", through which the subscriber of the Securities invests indirectly in underlying financial instruments for the purpose of obtaining a profit deriving from the negotiation of such underlying financial instruments.

Tax treatment of Securities issued by an Italian resident Issuer

Legislative Decree No. 239 of 1 April 1996 ("**Decree 239**"), as subsequently amended, provides for the applicable regime with respect to the tax treatment of interest, premium and other income (including the difference between the redemption amount and the issue price) from securities issued, *inter alia*, by Italian banks (which definition should also include Italian branches of foreign banks when the issuance is made through the branch, is attributable to the latter and the relevant liability is accounted by the branch, according to the prevailing interpretation of Italian tax law), falling within the category of bonds (*obbligazioni*) or debentures similar to bonds (*titoli similari alle obbligazioni*). For this purpose, debentures similar to bonds are debt securities that incorporate an unconditional obligation to pay, at maturity, an amount not lower than their nominal value and that do not allow any direct or indirect participation either in the management of the issuer or in the business in connection with which they have been issued, nor any control on such management. For this purpose, debentures similar to bonds are debt instruments implying a "use of capital" issued in mass that

incorporate an unconditional obligation to pay, at maturity, an amount not lower than their nominal value and that do not allow a direct or indirect participation in the management of the issuer.

Italian resident Securityholders

Where an Italian resident holder is (i) an individual not engaged in an entrepreneurial activity to which the Securities are connected (unless the individual has opted for the application of the "*risparmio gestito*" regimes – see the section entitled "*Capital Gains Tax*" below), (ii) a non-commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, interest, premium and other income relating to the Securities are subject to a tax withheld at source, referred to as *imposta sostitutiva*, levied at the rate of 26 per cent. If the Securityholders described under (i) or (iii) above are engaged in an entrepreneurial activity to which the Securities are connected, the *imposta sostitutiva* applies as a provisional tax.

Where an Italian resident Securityholder is a company or similar commercial entity or a permanent establishment in Italy of a foreign company to which the Securities are effectively connected and the Securities are deposited with an authorised intermediary, interest, premium and other income from the Securities will not be subject to *imposta sostitutiva*, but must be included in the relevant Securityholder's annual income tax return and are therefore subject to general Italian corporate taxation ("**IRES**") (and in certain circumstances, depending on the "*status*" of the holder, also to the regional tax on productive activities ("**IRAP**").

Under the current regime provided by Law Decree No. 351 of 25 September 2001 converted into law with amendments by Law No. 410 of 23 November 2001 ("**Decree 351**"), Law Decree No. 78 of 31 May 2010, converted into Law No. 122 of 30 July 2010 and Legislative Decree No. 44 of 4 March 2014, all as amended, payments of interest, premiums or other proceeds in respect of the Securities made to Italian resident real estate investment funds established pursuant to Article 37 of Legislative Decree No. 58 of 24 February 1998, as amended and supplemented, or pursuant to Article 14-bis of Law No. 86 of 25 January 1994 and Italian real estate SICAFs ("**Real Estate SICAFs**") are subject neither to *imposta sostitutiva* nor to any other income tax in the hands of a real estate investment fund and a Real Estate SICAFs.

If the investor is resident in Italy and is an open-ended or closed-ended investment fund, a SICAF (an investment company with fixed share capital) or a SICAV (an investment company with variable capital) established in Italy (the "**Fund**") and either (i) the Fund or (ii) its manager is subject to the supervision of a regulatory authority, and the relevant Securities are held by an authorised intermediary, interest, premium and other income accrued during the holding period on such Securities will not be subject to *imposta sostitutiva*, but must be included in the management results of the Fund. The Fund will not be subject to taxation on such results but a substitute tax of 26 per cent. will apply, in certain circumstances, to distributions made in favour of unitholders or shareholders (the "**Collective Investment Fund Tax**").

Where an Italian resident holder is a pension fund (subject to the regime provided for by Article 17 of the Legislative Decree No. 252 of 5 December 2005) and the Securities are deposited with an authorised intermediary, interest, premium and other income relating to the Securities and accrued during the holding period will not be subject to *imposta sostitutiva*, but must be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to a 20 per cent. substitute tax.

Pursuant to Decree 239, *imposta sostitutiva* is applied by banks, SIMs, fiduciary companies, SGRs, stockbrokers and other entities identified by a Decree of the Ministry of Economy and Finance (each an "**Intermediary**").

An Intermediary must (i) be resident in Italy or be a permanent establishment in Italy of a non-Italian resident financial intermediary and (ii) intervene, in any way, in the collection of interest or in the transfer of the Securities. For the purpose of the application of the *imposta sostitutiva*, a transfer of Securities includes any assignment or other act, either with or without consideration, which results in a change of the ownership of the relevant Securities or in a change of the Intermediary with which the Securities are deposited.

Where the Securities are not deposited with an Intermediary, the *imposta sostitutiva* is applied and withheld by any entity paying interest to a holder.

Non-Italian resident Securityholders

Where the Securities are issued by an Italian resident Issuer and the Securityholder is a non-Italian resident without a permanent establishment in Italy to which the Securities are connected, an exemption from the *imposta sostitutiva* applies provided that the non-Italian resident beneficial owner is either (i) resident, for tax purposes, in a country allows a satisfactory exchange of information with Italy as listed in the Italian Ministerial Decree of 4 September 1996, as amended from time to time (the "**White List**"), or in a decree to be issued pursuant to Article 11(4)(c) of Decree 239 (as amended by Legislative Decree No. 147 of 14 September 2015), or in any other decree or regulation that will be issued in the future to provide the list of such countries (the "**New White List**"); or (ii) an international body or entity set up in accordance with international agreements which have entered into force in Italy; or (iii) a Central Bank or an entity which manages, *inter alia*, the official reserves of a foreign State; or (iv) an institutional investor which is incorporated in a country included in the White List (or in the New White List, once effective), even if it does not possess the status of a taxpayer in its own country of residence.

The *imposta sostitutiva* will be applicable at the rate of 26 per cent. (or in any case at the reduced rate provided for by the applicable double tax treaty, if any) to interest, premium and other income paid to holders which are resident, for tax purposes, in countries which do not allow a satisfactory exchange of information with Italy.

In order to ensure gross payment, non-Italian resident holders must be the beneficial owners of the payments of interest, premium or other income and (i) deposit, directly or indirectly, the Securities with a resident bank or SIM or a permanent establishment in Italy of a non-Italian resident bank or SIM or with a non-Italian resident entity or company participating in a centralised securities management system which is in contact, via computer, with the Ministry of Economy and Finance; and (ii) file with the relevant depository, prior to or concurrently with the deposit of the Securities, a statement of the relevant holder, which remains valid until withdrawn or revoked, in which the holder declares to be eligible to benefit from the applicable exemption from *imposta sostitutiva*. Such statement, which is not requested for international bodies or entities set up in accordance with international agreements which have entered into force in Italy or in the case of foreign Central Banks or entities which manage, *inter alia*, the official reserves of a foreign State, must comply with the requirements set forth by Ministerial Decree 12 December 2001.

Tax treatment of Securities issued by a non-Italian resident issuer

Decree 239 provides for the applicable regime with respect to the tax treatment of interest, premium and other income, including the difference between repayment amount and the issue price, from securities falling within the category of bonds (*obbligazioni*) or debentures similar to bonds (*titoli similari alle obbligazioni*) issued, *inter alia*, by non-Italian issuers. For this purpose, bonds and debentures similar to bonds are securities that incorporate an unconditional obligation to pay, at redemption, an amount not lower than their nominal value and which do not grant the holder any direct or indirect right of participation to (or of control of) to management of the Issuer.

Italian resident Securityholders

Where the Italian resident Securityholder is (a) an individual not engaged in an entrepreneurial activity to which the relevant Securities are connected (unless he has opted for the application of the "*risparmio gestito*" regime - see under "Capital gains tax", below); (b) a non-commercial partnership; (c) a non-commercial private or public institution; or (d) an investor exempt from Italian corporate income taxation, interest, premium and other income relating to the Securities, accrued during the relevant holding period, are subject to a substitute tax, referred to as *imposta sostitutiva*, levied at the rate of 26 per cent. In the event that Securityholders described under (a) and (c) above are engaged in an entrepreneurial activity to which the Securities are connected, the *imposta sostitutiva* applies as a provisional tax.

Where an Italian resident Securityholder is a company or similar commercial entity or a permanent establishment in Italy of a foreign company to which the Securities are effectively connected and the Securities are deposited with an authorised intermediary, interest, premium and other income from the Securities will not be subject to *imposta sostitutiva*, but must be included in the relevant Securityholder's income tax return and are therefore subject to IRES (and, in certain circumstances, depending on the "status" of the Securityholder, also to IRAP).

Under the current regime provided by Decree 351, Law Decree No. 78 of 31 May 2010, converted into Law No. 122 of 30 July 2010 and Legislative Decree No. 44 of 4 March 2014, all as amended, payments of interest, premiums or other proceeds in respect of the Securities made to Italian resident real estate investment funds established pursuant to Article 37 of Legislative Decree No. 58 of 24 February 1998, as amended and supplemented, and Article 14-bis of Law No. 86 of 25 January 1994 and Real Estate SICAF are subject neither to *imposta sostitutiva* nor to any other income tax in the hands of a real estate investment fund or a Real Estate SICAF.

If the investor is a Fund, and the relevant Securities are held by an authorised intermediary, interest, premium and other income accrued during the holding period on the Securities will not be subject to *imposta sostitutiva*, but must be included in the management results of the Fund. The Fund will not be subject to taxation on such results but a the Collective Investment Fund Tax will apply, in certain circumstances, to distributions made in favour of unitholders and shareholders.

Where an Italian resident Securityholder is a pension fund (subject to the regime provided for by Article 17 of the Legislative Decree No. 252 of 5 December 2005) and the Securities are deposited with an authorised intermediary, interest, premium and other income relating to the Securities and accrued during the holding period will not be subject to *imposta sostitutiva*, but must be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to a 20 per cent. substitute tax.

Pursuant to Decree 239, *imposta sostitutiva* is applied by an Intermediary.

Where the Securities are not deposited with an Intermediary, the *imposta sostitutiva* is applied and withheld by any entity paying interest to a Securityholder.

Non-Italian resident Securityholders

For Securities issued by a non-Italian resident issuer, no Italian *imposta sostitutiva* is applied on payments to a non-Italian resident Securityholder of interest or premium relating to the Securities provided that, if the Securities are held in Italy, the non-Italian resident Securityholder declares itself to be a non-Italian resident according to Italian tax regulations.

Atypical securities

Interest payments relating to Securities that are not deemed to fall within the category of bonds (*obbligazioni*) or debentures similar to bonds (*titoli similari alle obbligazioni*) may be subject to a withholding tax, levied at the rate of 26 per cent. For this purpose, debentures similar to bonds are securities that incorporate an unconditional obligation to pay, at maturity, an amount not lower than their nominal value.

In the case of Securities issued by an Italian resident issuer, where the Securityholder is (a) an Italian individual engaged in an entrepreneurial activity to which the Securities are connected; (b) an Italian company or a similar Italian commercial entity; (c) a permanent establishment in Italy of a foreign entity; (d) an Italian commercial partnership; or (e) an Italian commercial private or public institution, such withholding tax is a provisional withholding tax. In all other cases, including when the Securityholder is a non-Italian resident, the withholding tax is a final withholding tax. For non-Italian resident Securityholders, the withholding tax rate may be reduced by any applicable tax treaty.

If the Securities are issued by a non-Italian resident issuer, the withholding tax mentioned above does not apply to interest payments made to a non-Italian resident Securityholder and to an Italian resident Securityholder which is (a) a company or similar commercial entity (including the Italian permanent establishment of foreign entities); (b) a commercial partnership; or (c) a commercial private or public institution.

Capital gains tax

Any gain obtained from the sale or redemption of the Securities would be treated as part of the taxable income (and, in certain circumstances, depending on the "status" of the Securityholder, also as part of the net value of the production for IRAP purposes) if realised by an Italian company or a similar commercial entity (including the

Italian permanent establishment of foreign entities to which the Securities are connected) or Italian resident individuals engaged in an entrepreneurial activity to which the Securities are connected.

Where an Italian resident Securityholder is an (i) an individual holding the Securities not in connection with an entrepreneurial activity, (ii) a non-commercial partnership, (iii) a non-commercial private or public institution, any capital gain realised by such Securityholder from the sale or redemption of the Securities would be subject to an *imposta sostitutiva*, levied at the current rate of 26 per cent. Securityholders may set off losses with gains.

In respect of the application of *imposta sostitutiva*, taxpayers may opt for one of the three regimes described below.

Under the tax declaration regime (*regime della dichiarazione*), which is the default regime for Italian resident individuals not engaged in entrepreneurial activity to which the Securities are connected, the *imposta sostitutiva* on capital gains will be chargeable, on a cumulative basis, on all capital gains, net of any incurred capital loss, realised by the Italian resident individual Securityholder holding Securities not in connection with an entrepreneurial activity pursuant to all sales or redemptions of the Securities carried out during any given tax year. Italian resident individuals holding Securities not in connection with an entrepreneurial activity must indicate the overall capital gains realised in any tax year, net of any relevant incurred capital loss, in the annual tax return and pay *imposta sostitutiva* on such gains together with any balance of income tax due for such year. Capital losses in excess of capital gains may be carried forward against capital gains realised in any of the four succeeding tax years. Capital losses may be carried forward to be offset against capital gains of the same nature realised after 30 June 2014 for an overall amount of: (i) 48.08 per cent. of the relevant capital losses realised before 1 January 2012; (ii) 76.92 per cent. of the capital losses realised from 1 January 2012 to 30 June 2014.

As an alternative to the tax declaration regime, Italian resident individual Securityholders holding Securities not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the relevant Securities (the *risparmio amministrato regime*). Such separate taxation of capital gains is allowed subject to (a) Securities being deposited with Italian banks, SIMs or certain authorised financial intermediaries (including permanent establishments in Italy of foreign intermediaries); and (b) an express election for the *risparmio amministrato* regime being punctually made in writing by the relevant Securityholder. The depository is responsible for accounting for *imposta sostitutiva* in respect of capital gains realised on each sale or redemption of Securities (as well as in respect of capital gains realised upon the revocation of its mandate), net of any incurred capital loss, and is required to pay the relevant amount to the Italian tax authorities on behalf of the taxpayer, deducting a corresponding amount from the proceeds to be credited to the Securityholder or using funds provided by the Securityholder for this purpose. Under the *risparmio amministrato* regime, where a sale or redemption of Securities results in a capital loss, such loss may be deducted from capital gains subsequently realised, within the same securities management, in the same tax year or in the following tax years up to the fourth. Under the *risparmio amministrato* regime, the Securityholder is not required to declare the capital gains in its annual tax return. Capital losses may be carried forward to be offset against capital gains of the same nature realised after 30 June 2014 for an overall amount of: (i) 48.08 per cent. of the relevant capital losses realised before 1 January 2012; (ii) 76.92 per cent. of the capital losses realised from 1 January 2012 to 30 June 2014.

Any capital gains realised by Italian resident individuals holding Securities not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including Securities, to an authorised intermediary and have opted for the so-called "*risparmio gestito*" regime will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 26 per cent. substitute tax, to be paid by the managing authorised intermediary. Under the *risparmio gestito* regime, any depreciation of the managed assets accrued at year end may be carried forward against increase in value of the managed assets accrued in any of the four succeeding tax years. Under the *risparmio gestito* regime, the Securityholder is not required to declare the capital gains realised in its annual tax return. Capital losses may be carried forward to be offset against capital gains of the same nature realised after 30 June 2014 for an overall amount of: (i) 48.08 per cent. of the relevant decreases in value registered before 1 January 2012; (ii) 76.92 per cent. of the decreases in value registered from 1 January 2012 to 30 June 2014.

Any capital gains realised by a Securityholder who is an Italian real estate fund to which the provisions of Decree , Law Decree No. 78 of 31 May 2010, converted into Law No. 122 of 30 July 2010 and Legislative

Decree No. 44 of 4 March 2014, all as amended, apply and by a Real Estate SICAF will be subject neither to *imposta sostitutiva* nor to any other income tax at the level of the real estate investment fund or the Real Estate SICAF.

Any capital gains realised by a Securityholder which is a fund will not be subject to *imposta sostitutiva*, but will be included in the result of the relevant portfolio. Such result will not be taxed with the Fund, but subsequent distributions in favour of unitholders of shareholders may be subject to the Collective Investment Fund Tax.

Any capital gains realised by a Securityholder who is an Italian pension fund (subject to the regime provided for by article 17 of the Legislative Decree No. 252 of 5 December 2005) will be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to a 20 per cent. substitute tax.

Capital gains realised by non-Italian resident Securityholders, not having a permanent establishment in Italy to which the Securities are connected, from the sale or redemption of Securities issued by an Italian resident issuer and traded on regulated markets are neither subject to the *imposta sostitutiva* nor to any other Italian income tax.

Capital gains realised by non-Italian resident Securityholders from the sale or redemption of Securities issued by an Italian resident issuer not traded on regulated markets are not subject to the *imposta sostitutiva*, provided that the effective beneficiary: (a) is resident in a country included in the White List (or in the New White List, once effective); or (b) is an international entity or body set up in accordance with international agreements which have entered into force in Italy; or (c) is a Central Bank or an entity which manages, *inter alia*, the official reserves of a foreign State; or (d) is an institutional investor which is resident in a country included in the White List (or in the New White List, once effective), even if it does not possess the status of taxpayer in its own country of residence.

Any capital gains realised by a Securityholder who is a Fund will be included in the result of the relevant portfolio accrued at the end of the tax period. Under the current regime provided by Decree 351, Law Decree No. 78 of 31 May 2010, converted into Law No. 122 of 30 July 2010 and Legislative Decree No. 44 of 4 March 2014, all as amended, payments of interest in respect of the Securities made to Italian resident real estate investment funds established pursuant to Article 37 of Legislative Decree No. 58 of 24 February 1998, as amended and supplemented, and Article 14-bis of Law No. 86 of 25 January 1994 and Real Estate SICAFs are, if some conditions are met, subject neither to substitute tax nor to any other income tax in the hands of a real estate investment fund or a Real Estate SICAF.

Capital gains realised by non-Italian-resident Securityholders, not having a permanent establishment in Italy to which the Securities qualifying as securitised derivative financial instrument is connected, from the sale or redemption of Securities qualifying as securitised derivative financial instruments issued by an Italian resident issuer are not subject to the *imposta sostitutiva*, provided that the Securities (i) are transferred on regulated markets, or (ii) are held outside of Italy.

Capital gains realised by non-Italian resident Securityholders, not having a permanent establishment in Italy to which the Securities qualifying as securitised derivative financial instrument is connected, from the sale or redemption of Securities qualifying as securitised derivative financial instruments issued by an Italian issuer and not traded on regulated markets are not subject to the *imposta sostitutiva*, provided that the actual beneficiary: (i) is resident for income tax purposes in a country included in the White List (or in the New White List, once effective); or (ii) is an international entity or body set up in accordance with international agreements which have entered into force in Italy; or (iii) is a Central Bank or an entity which manages, *inter alia*, the official reserves of a foreign State; or (iv) is an institutional investor which is resident in a country included in the White List (or in the New White List, once effective), even if it does not possess the status of a taxpayer in its own country of residence.

If none of the conditions above are met, capital gains realised by non-Italian resident Securityholders from the sale or redemption of Securities qualifying as securitised derivative financial instruments issued by an Italian resident issuer not traded on regulated markets are subject to the *imposta sostitutiva* at the current rate of 26 per cent.

In any event, if the Securities qualifying as securitised derivative financial instruments are issued by an Italian resident issuer, non-Italian resident individuals or entities without a permanent establishment in Italy to which the Securities qualifying as securitised derivative financial instruments are connected, that may benefit from a double taxation treaty with Italy providing that capital gains realised upon the sale or redemption of Securities are to be taxed only in the country of tax residence of the recipient, will not be subject to *imposta sostitutiva* in Italy on any capital gains realised upon the sale or redemption of Securities.

- (a) transfers in favour of spouses and direct descendants or direct ancestors are subject to an inheritance and gift tax applied at a rate of 4 per cent. on the value of the inheritance or the gift exceeding, for each beneficiary, €1,000,000;
- (b) transfers in favour of relatives to the fourth degree or relatives-in-law to the third degree, are subject to an inheritance and gift tax applied at a rate of 6 per cent. on the entire value of the inheritance or the gift. Transfers in favour of brothers/sisters are subject to the 6 per cent. inheritance and gift tax on the value of the inheritance or the gift exceeding, for each beneficiary, €100,000; and
- (c) any other transfer is, in principle, subject to an inheritance and gift tax applied at a rate of 8 per cent. on the entire value of the inheritance or the gift.

If the transfer is made in favour of persons with severe disabilities, the tax is levied at the rate mentioned above in (a), (b) and (c) on the value exceeding, for each beneficiary, €1,500,000.

Transfer tax

Following the repeal of the Italian transfer tax, contracts relating to the transfer of Securities are subject to the following registration tax: (i) public deeds and notarised deeds are subject to fixed registration tax at a rate of €200.00; (ii) private deeds are subject to registration tax only in case of use or voluntary registration.

Stamp duty

Pursuant to Article 19(1) of Decree No. 201 of 6 December 2011 ("**Decree 201**"), a proportional stamp duty applies on an annual basis to any periodic reporting communications which may be sent by a financial intermediary to a Securityholder in respect of any Securities which may be deposited with such financial intermediary. The stamp duty applies at a rate of 0.2 per cent. and it cannot exceed €14,000, for taxpayers different from individuals. This stamp duty is determined on the basis of the market value or – if no market value figure is available – the nominal value or redemption amount of the Securities held.

Based on the wording of the law and the implementing decree issued by the Italian Ministry of Economy on 24 May 2012, the stamp duty applies to any investor who is a client (as defined in the regulations issued by the Bank of Italy on 20 June 2012) of an entity that exercises in any form a banking, financial or insurance activity within the Italian territory.

Wealth Tax on Securities deposited abroad

Pursuant to Article 19(18) of Decree 201, Italian resident individuals holding the Securities outside the Italian territory are required to pay an additional tax at a rate of 0.2 per cent.

This tax is calculated on the market value of the Securities at the end of the relevant year or – if no market value figure is available – the nominal value or the redemption value of such financial assets held outside the Italian territory. Taxpayers are entitled to an Italian tax credit equivalent to the amount of wealth taxes paid in the State where the financial assets are held (up to an amount equal to the Italian wealth tax due).

Implementation in Italy of the EU Savings Directive

Italy has implemented the Savings Directive through Legislative Decree No. 84 of 18 April, 2005 ("**Decree 84**"). Under Decree 84, subject to a number of important conditions being met, in the case of interest paid to individuals which qualify as beneficial owners of the interest payment and are resident for tax purposes in

another Member State, Italian qualified paying agents shall report to the Italian tax authorities details of the relevant payments and personal information on the individual beneficial owner and shall not apply the withholding tax. Such information is transmitted by the Italian tax authorities to the competent foreign tax authorities of the State of residence of the beneficial owner.

Council Directive (EU) 2015/2060 of 10 November 2015, repealed the Savings Directive with effect from 1 January 2016, to prevent overlap between the Savings Directive and a new automatic exchange of information regime implemented under Council Directive 2011/16/EU on Administrative Cooperation in the Field of Taxation as amended by Council Directive 2014/107/EU of 9 December 2014. With Law No. 114 of 9 July 2015, the Italian Parliament delegated the Government to implement Council Directive 2014/107/EU into domestic legislation (Council Directive 2011/16/EU has already been implemented in Italy through Legislative Decree No. 29 of 9 March 2014). The Minister of Economy and Finance issued the Decree of 28 December 2015 (published in the Official Gazette No. 303 of 31 December 2015) to implement Directive 2014/107/EU. However, the obligations of Member States, economic operators and paying agents under the Savings Directive shall continue to apply until 5 October 2016 (31 December 2016, with respect to the obligations under Article 13(2) of the Savings Directive) or until those obligations have been fulfilled.

Italian Financial Transaction Tax (IFTT)

Italian shares and other participating instruments, as well as depository receipts representing those shares and participating instruments irrespective of the relevant issuer, (cumulatively referred to as **"In-Scope Shares"**), received by an investor upon physical settlement of the Securities may be subject to a 0.2 per cent. IFTT calculated on the value of the Securities as determined according to Article 4 of Ministerial Decree of 21 February 2013, as amended (the **"IFTT Decree"**).

Investors on derivative transactions or derivative financial instruments and certain equity-linked securities mainly having as underlying or mainly linked to In-Scope Shares are subject to IFTT at a rate ranging between €0.01875 and €200 per counterparty, depending on the notional value of the relevant derivative transaction or derivative financial instruments calculated pursuant to Article 9 of the IFTT Decree. IFTT applies upon subscription, negotiation or modification of the derivative transactions or derivative financial instruments. The tax rate may be reduced to a fifth if the transaction is executed on certain qualifying regulated markets or multilateral trading facilities.

NETHERLANDS

General

The following summary outlines the principal Netherlands tax consequences of the acquisition, holding, settlement, redemption and disposal of the Securities, but does not purport to be a comprehensive description of all Netherlands tax considerations that may be relevant. For purposes of Netherlands tax law, a Securityholder may include an individual or entity who does not have the legal title of these Securities, but to whom nevertheless the Securities or the income thereof is attributed based on specific statutory provisions or on the basis of such individual or entity having an interest in the Securities or the income thereof. This summary is intended as general information only for Securityholders who are residents or deemed residents of the Netherlands for Netherlands tax purposes. Each prospective investor should consult a professional tax adviser with respect to the tax consequences of the acquisition, holding, settlement, redemption and disposal of the Securities.

This summary is based on tax legislation, published case law, treaties, regulations and published policy, in each case as in force as of the date of this Prospectus, and does not take into account any developments or amendments thereof after that date whether or not such developments or amendments have retroactive effect.

This summary does not address the Netherlands tax consequences for:

- investment institutions (fiscale beleggingsinstellingen);
- pension funds, exempt investment institutions (vrijgestelde beleggingsinstellingen) or other entities that are not subject to or exempt from Netherlands corporate income tax;

- Securityholders holding a substantial interest (*aanmerkelijk belang*) or deemed substantial interest (*fictief aanmerkelijk belang*) in the Issuer and Securityholders of whom a certain related person holds a substantial interest in the Issuer. Generally speaking, a substantial interest in the Issuer arises if a person, alone or, where such person is an individual, together with his or her partner (statutory defined term), directly or indirectly, holds or is deemed to hold (i) an interest of 5 per cent. or more of the total issued capital of the Issuer or of 5 per cent. or more of the issued capital of a certain class of shares of the Issuer, (ii) rights to acquire, directly or indirectly, such interest or (iii) certain profit sharing rights in the Issuer;
- persons to whom the Securities and the income from the Securities are attributed based on the separated private assets (*afgezonderd particulier vermogen*) provisions of the Netherlands Income Tax Act 2001 (*Wet inkomstenbelasting 2001*) and the Netherlands Gift and Inheritance Tax Act 1956 (*Successiewet 1956*);
- entities which are a resident of Aruba, Curacao or Sint Maarten that have an enterprise which is carried on through a permanent establishment or a permanent representative on Bonaire, Sint Eustatius or Saba; and
- individuals to whom Securities or the income therefrom are attributable to employment activities which are taxed as employment income in the Netherlands.

For the purpose of the Netherlands tax consequences described herein, it is assumed that the Issuer is neither a resident of the Netherlands nor deemed to be a resident of the Netherlands for Netherlands tax purposes.

Where this summary refers to the Netherlands, such reference is restricted to the part of the Kingdom of the Netherlands that is situated in Europe and the legislation applicable in that part of the Kingdom.

Netherlands Withholding Tax

All payments made by the Issuer under the Securities may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein.

Netherlands Corporate and Individual Income Tax

If a Securityholder is a resident of the Netherlands or deemed to be a resident of the Netherlands for Netherlands corporate income tax purposes and is fully subject to Netherlands corporate income tax or is only subject to Netherlands corporate income tax in respect of an enterprise to which the Securities are attributable, income derived from the Securities and gains realised upon the redemption, settlement or disposal of the Securities are generally taxable in the Netherlands (at up to a maximum rate of 25 per cent.).

If an individual is a resident of the Netherlands or deemed to be a resident of the Netherlands for Netherlands individual income tax purposes income derived from the Securities and gains realised upon the redemption, settlement or disposal of the Securities are taxable at the progressive rates (at up to a maximum rate of 52 per cent.) under the Netherlands Income Tax Act 2001, if:

- the individual is an entrepreneur (*ondernemer*) and has an enterprise to which the Securities are attributable or the individual has, other than as a shareholder, a co-entitlement to the net worth of an enterprise (*medegerechtigde*), to which enterprise the Securities are attributable; or
- such income or gains qualify as income from miscellaneous activities (*resultaat uit overige werkzaamheden*), which includes activities with respect to the Securities that exceed regular, active portfolio management (*normaal, actief vermogensbeheer*).

If neither condition (i) nor condition (ii) above applies, an individual that holds the Securities, must determine taxable income with regard to the Securities on the basis of a deemed return on income from savings and investments (*sparen en beleggen*), rather than on the basis of income actually received or gains actually realised. With regard to 2016 this deemed return on income from savings and investments is fixed at a rate of 4

per cent. of the individual's yield basis (*rendementsgrondslag*) at the beginning of the calendar year (1 January), insofar as the individual's yield basis exceeds a certain threshold (*heffingvrij vermogen*). The individual's yield basis is determined as the fair market value of certain qualifying assets held by the individual less the fair market value of certain qualifying liabilities on 1 January. The fair market value of the Securities will be included as an asset in the individual's yield basis. The 4 per cent. deemed return on income from savings and investments is taxed at a rate of 30 per cent.

As of 2017, the percentage to determine the deemed return will be variable and will increase progressively depending on the amount of the yield basis.

Netherlands Gift and Inheritance Tax

Netherlands gift or inheritance taxes will not be levied on the occasion of the transfer of a Security by way of gift by, or on the death of, a Securityholder, unless:

- the Securityholder is, or is deemed to be, resident in the Netherlands for the purpose of the relevant provisions of the Netherlands gift and inheritance tax; or
- the transfer is construed as an inheritance or gift made by, or on behalf of, a person who, at the time of the gift or death, is or is deemed to be resident in the Netherlands for the purpose of the relevant provisions of the Netherlands gift and inheritance tax.

Netherlands Value Added Tax

In general, no value added tax will arise in respect of payments in consideration for the issue of the Securities or in respect of a cash payment made under the Securities, or in respect of a transfer of Securities.

Other Netherlands Taxes and Duties

No registration tax, customs duty, transfer tax, stamp duty or any other similar documentary tax or duty will be payable in the Netherlands by a Securityholder in respect of or in connection with the subscription, issue, placement, allotment, delivery or transfer of the Securities.

PORTUGAL

The following is a summary of the current Portuguese tax treatment at the date hereof in relation to certain aspects of the Portuguese taxation of payments in respect of the Notes. The statements do not deal with other Portuguese tax aspects regarding such Notes and relate only to the position of persons who are absolute beneficial owners of such Notes. The following is a general guide, does not constitute tax or legal advice and should be treated with appropriate caution. The holders of such Notes who are in any doubt as to their tax position should consult their own professional advisers.

Portuguese tax treatment for Notes issued by Deutsche Bank AG acting through its Portuguese Branch

General tax regime applicable to debt securities

Economic benefits derived from interest, amortisation, reimbursement premiums and other instances of remuneration arising in respect of debt securities are designated as investment income for Portuguese tax purposes. Interest and other types of investment income obtained from debt securities held by a Portuguese resident individual are subject to individual income tax. If payment of interest or other investment income is made available to Portuguese resident individuals, withholding tax applies, as a rule, at a rate of 28 per cent., which is the final tax payable on that income unless the individual elects to include such income in his taxable income (income being subject to tax at progressive rates of up to 48 per cent). An additional income tax rate will be due on the part of the taxable income exceeding € 80,000 as follows: (i) 2.5 per cent. on the part of the taxable income exceeding € 80,000 up to € 250,000, and (ii) 5 per cent. on the remaining part (if any) of the taxable income exceeding € 250,000. Also, if the option of income aggregation is made, an additional surcharge will also be due over the taxable income in the part that exceeds the annual amount of the monthly minimum guaranteed compensation (€ 7,420.00) deducted of the contributions to the social security, as follows: (i) 0 per

cent. for taxable income up to € 7,070.00; (ii) 1 per cent. for taxable income exceeding € 7,070.00 up to € 20,000.00; (iii) 1.75 per cent. for taxable income exceeding € 20,000.00 up to € 40,000.00; (iv) 3 per cent. for taxable income exceeding € 40,000.00 up to € 80,000.00 and (v) 3.5 per cent. for taxable income above € 80,000.00. The law provides that this surcharge will cease to apply in respect of income received by the relevant taxpayer as from 1 January 2017.

Accrued interest qualifies as interest for tax purposes.

Investment income paid or made available to accounts opened in the name of one or more accountholders acting on behalf of one or more unidentified third parties is subject to a final withholding tax rate of 35 per cent., unless the relevant beneficial owner(s) of the income is/are identified, in which case, the withholding tax rates applicable to such beneficial owner(s) will apply.

Interest and other investment income derived from debt securities obtained on such debt securities by legal persons resident for tax purposes in Portugal and by non-resident legal persons with a permanent establishment in Portugal to which the income is attributable, are included in the taxable income of such legal persons and are subject to a Portuguese Corporate Income Tax at a rate of (i) 21 per cent. or (ii) if the taxpayer is a small or medium enterprise as established in Decree-Law no. 372/2007 of 6 November 2007, 17 per cent. for taxable profits up to EUR 15,000 and 21 per cent. on profits in excess thereof to which a municipal surcharge ("**derrama municipal**") of up to 1.5 per cent. of such taxable income may be added. Corporate taxpayers with a taxable income of more than EUR 1,500,000 are also subject to State surcharge (derrama estadual) of (i) 3 per cent. on the part of its taxable profits exceeding EUR 1,500,000 up to EUR 7,500,000, (ii) 5 per cent. on the part of the taxable profits that exceeds EUR 7,500,000 up to EUR 35,000,000, and (iii) 7 per cent. on the part of the taxable profits that exceeds EUR 35,000,000.

As a general rule, withholding tax at a rate of 25 per cent. applies on interest and other investment income, any amounts so withheld being deemed to be a payment on account of the final tax due. Financial institutions, pension funds, retirement and/or education savings funds, share savings funds, venture capital funds and collective investment undertakings incorporated under the laws in Portugal and some exempt entities are not subject to Portuguese withholding tax.

Without prejudice to the special debt securities tax regime as described below, the general tax regime on debt securities applicable to non-resident entities is as follows:

As a rule, interest and other types of investment income obtained by non-resident beneficial owners (legal persons) without a Portuguese permanent establishment to which the income is attributable are subject to withholding tax at a rate of 25 per cent., which is the final tax payable on that income.

Also, as a rule, interest payments on the debt securities are subject to a final withholding tax at the current rate of 28 per cent. whenever made to non-resident individual persons.

A withholding tax rate of 35 per cent. applies in case of investment income payments to individuals who are resident in the countries and territories included in the Portuguese "blacklist" (countries and territories listed in Ministerial Order (*Portaria*) no. 150/2004, of 13 February 2004, amended by Ministerial Order (*Portaria*) no. 292/2011. 8 November 2011). Investment income paid or made available to accounts opened in the name of one or more accountholders acting on behalf of one or more unidentified third parties is subject to a final withholding tax rate of 35 per cent., unless the relevant beneficial owner(s) of the income is/are identified, in which case, the withholding tax rates applicable to such beneficial owner(s) will apply. Under the tax treaties entered into by Portugal, which are in full force and effect on the date of this Prospectus, the withholding tax rate may be reduced to 15, 12, 10 or 5 per cent., depending on the applicable treaty and provided that the relevant formalities (including certification of residence by the tax authorities of the jurisdiction of residence of the beneficial owners of the interest and other investment income) are met. The reduction may apply at source or by way of a refund of the excess tax. The forms currently applicable for these purposes are (at the date of this Base Prospectus) available to download at www.portaldasfinancas.gov.pt.

Special tax regime applicable to debt securities

Pursuant to Decree-Law 193/2005, of 7 of November ("**Decree-Law 193/2005**"), as amended from time to time, investment income paid on, as well as capital gains derived from a sale or other disposition of the Notes, to non-Portuguese resident Securityholders will be exempt from Portuguese income tax provided the debt securities are integrated in (i) a centralised system for securities managed by an entity resident for tax purposes in Portugal, or (ii) an international clearing system operated by a managing entity established in a member state of the EU other than Portugal (e.g. Euroclear or Clearstream, Luxembourg) or in a European Economic Area Member State provided, in this case, that such State is bound to cooperate with Portugal under an administrative cooperation arrangement in tax matters similar to the exchange of information schemes in relation to tax matters existing within the EU Member States or (iii) integrated in other centralised systems not covered above provided that, in this last case, the Portuguese Government authorises the application of the Decree-Law 193/2005, and the beneficiaries are:

- (i) central banks or governmental agencies; or
- (ii) international bodies recognised by the Portuguese State; or
- (iii) entities resident in countries or jurisdictions with whom Portugal has a double tax treaty in force or a tax information exchange agreement; or
- (iv) other entities without headquarters, effective management or a permanent establishment in the Portuguese territory to which the relevant income is attributable and which are not domiciled in a blacklisted jurisdiction as set out in the Portaria no. 150/2004, as amended.

For purposes of application at source of this tax exemption regime, Decree-Law 193/2005 requires completion of certain procedures and the provision of certain information. Under these procedures (which are aimed at verifying the non-resident status of the Securityholder), the Securityholder is required to hold the Notes through an account with one of the following entities:

- (i) a direct registered entity, which is the entity with which the debt securities accounts that are integrated in the centralised system are opened;
- (ii) an indirect registered entity, which, although not assuming the role of the "direct registered entities", is a client of the latter; or
- (iii) an international clearing system, which is an entity that proceeds, in the international market, to clear, settle or transfer securities which are integrated in centralised systems or in their own registration systems.

Internationally Cleared Notes - held through an entity managing an international clearing system

Pursuant to the requirements set forth in the tax regime, if the Notes are registered in an account held by an international clearing system operated by a managing entity, the latter shall transmit, on each interest payment date and each relevant redemption date, to the direct register entity or to its representative, and with respect to all accounts under its management, the identification and quantity of securities, as well as the amount of income, and, when applicable, the amount of tax withheld, segregated by the following categories of beneficiaries:

- (i) Entities with residence, headquarters, effective management or permanent establishment to which the income would be imputable and which are non-exempt and subject to withholding;
- (ii) Entities which have residence in country, territory or region with a more favourable tax regime, included in the Portuguese "blacklist" (countries and territories listed in Portaria no. 150/2004, of 13 February 2004, as amended from time to time, the Portaria no. 150/2004) and which are non-exempt and subject to withholding;

- (iii) Entities with residence, headquarters, effective management or permanent establishment to which the income would be imputable, and which are exempt or not subject to withholding;
- (iv) Other entities which do not have residence, headquarters, effective management or permanent establishment to which the income generated by the securities would be imputable.

On each interest payment date and each relevant redemption date, the following information with respect to the beneficiaries that fall within the categories mentioned in paragraphs (i), (ii) and (iii) above, should also be transmitted:

- (a) Name and address;
- (b) Tax identification number (if applicable);
- (c) Identification and quantity of the securities held; and
- (d) Amount of income generated by the securities.

If the conditions for the exemption to apply are met, but, due to inaccurate or insufficient information, tax was withheld, a special refund procedure is available under the special regime approved by Decree-law 193/2005, as amended from time to time. The refund claim is to be submitted to the direct register entity of the Notes within 6 months from the date the withholding took place. A special tax form for these purposes, and for issuances as from 1 of January 2014 onwards, was approved by Order ("**Despacho**") no. 2937/2014 (2nd series), published in the Portuguese official gazette, second series, n.º 37, of 21 February 2014 issued by the Secretary of State of Tax Affairs and may be available at www.portaldasfinancas.gov.pt. The refund of withholding tax after the above six-month period is to be claimed from the Portuguese tax authorities within two years, starting from the term of the year in which the withholding took place.

The absence of evidence of non-residency in respect to any non-resident entity which benefits from the above mentioned tax exemption regime shall result in the loss of the tax exemption and consequent submission to the above applicable.

Law 83-C/2013 of 31 December 2013 has introduced several relevant amendments on Decree-Law 193/2005, of 7 November 2005 ("Decree-Law 193/2005") including the possibility of applying the withholding tax exemption in case of issuances of Notes centralised directly with an international clearing system in the EU. It should be taken into consideration that at this stage the practical experience of implementation of the new procedures to comply with the amended Decree-Law 193/2005 for such issuances is not-existent or very scarce. The holders of any such issued Notes should consult their own professional advisers as to their tax position.

Portuguese tax treatment of Notes issued by the Issuers (other than Deutsche Bank AG, Portuguese Branch)

Under current Portuguese law, investment income payments in respect of Notes made to Portuguese tax resident companies are included in their taxable income and are subject to a Portuguese corporate income tax at a rate of (i) 21 per cent. or (ii) if the taxpayer is a small or medium enterprise as established in Decree-Law no. 372/2007, of 6 November 2007, 17 per cent. for taxable profits up to Euro 15,000 and 21 per cent. on profits in excess thereof to which may be added a municipal surcharge (*derrama municipal*) of up to 1.5 per cent. over the Portuguese corporate Securityholders' taxable profits, where applicable. Corporate taxpayers with a taxable income of more than Euro 1,500,000 are also subject to a state surcharge (*derrama estadual*) of (i) 3 per cent. on the part of the taxable profits exceeding Euro 1,500,000 up to Euro 7,500,000, (ii) 5 per cent. on the part of the taxable profits exceeding Euro 7,500,000 up to Euro 35,000,000, and (iii) 7 per cent. on the part of the taxable profits that exceeds Euro 35,000,000.

As regards to investment income on Notes made to Portuguese tax resident individuals, they are subject to personal income tax which shall be withheld at the current final withholding rate of 28 per cent. if there is a Portuguese resident paying agent, unless the individual elects to include it in his taxable income, subject to tax at the current progressive rates of up to 48 per cent. An additional income tax rate will be due on the part of the

taxable income exceeding Euro 80,000 as follows: (i) 2.5 per cent. on the part of the taxable income exceeding Euro 80,000 up to Euro 250,000, and (ii) 5 per cent. on the remaining part (if any) of the taxable income exceeding Euro 250,000. Also, if the option of income aggregation is made, an additional surcharge will also be due over the taxable income in the part that exceeds the annual amount of the monthly minimum guaranteed compensation (€ 7,420.00) deducted of the contributions to the social security, as follows: (i) 0 per cent. for taxable income up to € 7,070.00; (ii) 1 per cent. for taxable income exceeding € 7,070.00 up to € 20,000.00; (iii) 1.75 per cent. for taxable income exceeding € 20,000.00 up to € 40,000.00; (iv) 3 per cent. for taxable income exceeding € 40,000.00 up to € 80,000.00 and (v) 3.5 per cent. for taxable income above € 80,000.00. The law provides that this surcharge will cease to apply in respect of income received by the relevant taxpayer as from 1 January 2017.

Investment income payments due by non-resident entities to Portuguese tax resident individuals are subject to an autonomous taxation at a rate of 28 per cent. whenever those payments are not subject to Portuguese withholding tax unless the individual elects to include it in his taxable income, subject to tax at the current progressive rates of up to 48 per cent. An additional income tax rate will be due on the part of the taxable income exceeding Euro 80,000 as follows: (i) 2.5 per cent. on the part of the taxable income exceeding Euro 80,000 up to Euro 250,000, and (ii) 5 per cent. on the remaining part (if any) of the taxable income exceeding Euro 250,000. Also, if the option of income aggregation is made, an additional surcharge will also be due over the taxable income in the part that exceeds the annual amount of the monthly minimum guaranteed compensation (€ 7,420.00) deducted of the contributions to the social security, as follows: (i) 0 per cent. for taxable income up to € 7,070.00; (ii) 1 per cent. for taxable income exceeding € 7,070.00 up to € 20,000.00; (iii) 1.75 per cent. for taxable income exceeding € 20,000.00 up to € 40,000.00; (iv) 3 per cent. for taxable income exceeding € 40,000.00 up to € 80,000.00 and (v) 3.5 per cent. for taxable income above € 80,000.00. The law provides that this surcharge will cease to apply in respect of income received by the relevant taxpayer as from 1 January 2017.

Investment income paid or made available to accounts opened in the name of one or more accountholders acting on behalf of one or more unidentified third parties is subject to a final withholding tax rate of 35 per cent., unless the relevant beneficial owner(s) of the income is/are identified and as a consequence the tax rates applicable to such beneficial owner(s) will apply.

Payments of principal on Notes are not subject to Portuguese withholding tax. For these purposes, principal shall mean all payments carried out without any income component.

EU Savings Directive in Portugal

Portugal has implemented EU Savings Directive into Portuguese law through Decree-Law no. 62/2005, of 11 March 2005, as amended by Law no. 39-A/2005, of 29 July 2005.

Accordingly, as a consequence of repealing of the Savings Directive by the recent Council Directive (EU) 2015/2060 of 10 November 2015, it is expected that Decree-Law no. 62/2005, of 11 March 2005, as amended from time to time, as well as the forms approved by Governmental Order (Portaria) no. 563-A/2005, of 28 June 2005, will be revoked.

Notwithstanding the repeal of the Savings Directive as of 1 January 2016, certain provisions will continue to apply for a transitional period. As to the new regime, Portugal has implemented Directive 2011/16/EU through Decree-Law No. 61/2013, of 10 May. However, it still has to implement Council Directive 2014/107/EU. The Portuguese State Budget Law for 2016 has included a legislative authorisation which allows the Portuguese Government to transpose Council Directive 2014/107/EU, as well as to legislate on the OECD's Standard for Automatic Exchange of Financial Account Information.

In view of the abovementioned regimes, it is currently uncertain how reporting obligations shall be complied with.

FATCA

Portugal has very recently implemented, through Law 82-B/2014 of 31 December 2014, the legal framework based on reciprocal exchange of information on financial accounts subject to disclosure in order to comply with FATCA (Portugal has entered into an intergovernmental agreement with U.S. based largely on the Model 1 IGA on 6 August 2015). In such Law, is also foreseen that additional legislation regarding certain procedures and rules in connection with FATCA will be created in Portugal.

The deadline for the financial institutions to report to the Portuguese tax authorities the mentioned information has been postponed several times, the last time to the last day of June 2016 pursuant to Order no. 64/2016.XXI, of 31 March 2016 issued by the Portuguese Secretary of Tax Affairs.

SINGAPORE

The statements below are general in nature and are based on certain aspects of current tax laws in Singapore, announced budget measures and administrative guidelines issued by the Inland Revenue Authority of Singapore (**IRAS**) or the Monetary Authority of Singapore (**MAS**) in force as at the date of this Base Prospectus and are subject to enactment of such budget measures and to any changes in such laws or administrative guidelines, or the interpretation of those laws or guidelines, occurring after such date, which changes could be made on a retroactive basis.

Neither these statements nor any other statements in the Base Prospectus should be regarded as advice on the tax position of any holder of the Securities or of any person acquiring, selling or otherwise dealing with the Securities or on any tax implications arising from the acquisition, sale or other dealings in respect of the Securities.

The statements do not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to purchase, own or dispose of the Securities and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (including without limitation a person holding the Financial Sector Incentive tax status) may be subject to special rules or tax rates.

Furthermore, there may be additional taxation issues arising from Securities which are complex structured products which have not been addressed in this section.

Prospective holders of the Securities who are in doubt about their respective tax positions or any such tax implications of the purchase, ownership or transfer of any Securities or who may be subject to tax in a jurisdiction other than Singapore should consult their own professional tax advisers.

Interest and Other Payments

Subject to the following paragraphs, under Section 12(6) of the Income Tax Act, Chapter 134 of Singapore (**ITA**), the following payments are deemed to be derived from Singapore:

- (a) any interest, commission, fee or any other payment in connection with any loan or indebtedness or with any arrangement, management, guarantee, or service relating to any loan or indebtedness which is:
 - (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore or any immovable property situated outside Singapore); or
 - (ii) deductible against any income accruing in or derived from Singapore; or
- (b) any income derived from loans where the funds provided by such loans are brought into or used in Singapore.

Payments falling within paragraphs (a) and (b) above and made by Deutsche Bank AG, Singapore Branch, would fall within Section 12(6) of the ITA.

Unless exempted, such payments, where made to a person not known to the Issuer to be a tax resident in Singapore, are generally subject to withholding tax in Singapore. The rate at which tax is to be withheld for such payments (other than those subject to the 15.0 per cent. final withholding tax described below) to non tax resident persons other than non-tax-resident individuals is 17.0 per cent. with effect from year of assessment 2010. The applicable rate for non-tax-resident individuals is 20.0 per cent. However, if the payment is derived by a person who is a non tax resident in Singapore otherwise than from any trade, business, profession or vocation carried on or exercised by such person in Singapore and is not effectively connected with any permanent establishment in Singapore of that person, the payment is subject to a final withholding tax of 15.0 per cent. The rate of 15.0 per cent. may be reduced by applicable tax treaties.

Singapore-source interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost from debt securities and derived by individuals will be exempted from tax, except where such income is derived through a partnership in Singapore or is considered as gains or profits derived from the carrying on of a trade, business or profession.

Qualifying debt securities

Where:

- (i) more than half of a tranche of the Securities which are debt securities (i.e. bonds, notes, commercial papers and certificates of deposit) are distributed by persons which are Financial Sector Incentive (Capital Market) Companies or Financial Sector Incentive (Standard Tier) Companies or Financial Sector Incentive (Bond Market) Companies for the purposes of the ITA; and
- (ii) such tranche of Securities are debt securities issued on or after 1 January 2014 and on or before 31 December 2018,

(hereinafter called "**Relevant Securities**"), the Relevant Securities will be "qualifying debt securities" for the purposes of the ITA to which the following treatments apply:

- (a) (in the case of Relevant Securities the payments which fall within Section 12(6) of the ITA) subject to certain prescribed conditions having been fulfilled (including the furnishing of a return on debt securities in respect of the Relevant Securities within a prescribed period to the MAS, and **PROVIDED THAT** the Issuer includes in all offering documents (including the Base Prospectus and any relevant Final Terms or Pricing Supplement) relating to the Relevant Securities a statement to the effect that where interest, discount income, prepayment fee, redemption premium or break cost is derived by a person who is not tax resident in Singapore and who carries on any operation in Singapore through a permanent establishment in Singapore, the tax exemption shall not apply if the non-tax-resident person acquires Relevant Securities using funds from that person's operations through the Singapore permanent establishment), interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost (collectively, "**Qualifying Income**") paid by the Issuer and derived from the Relevant Securities by a holder who is not tax resident in Singapore and
 - (i) who does not have any permanent establishment in Singapore; or
 - (ii) carries on any operation in Singapore through a permanent establishment in Singapore but the funds used by that person to acquire the Relevant Securities are not obtained from the operation,are exempt from Singapore tax;
- (b) subject to certain conditions having been fulfilled (including the furnishing of a return on debt securities in respect of the Relevant Securities within a prescribed period to the MAS), Qualifying Income paid by the Issuer and derived from the Relevant Securities by any company or body of persons (as defined in

the ITA), and not being the holder of the Financial Sector Incentive or other special tax status, is subject to tax at a concessionary rate of 10 per cent;

- (c) (in the case of Relevant Securities the payments which fall within Section 12(6) of the ITA) subject to:
- (i) the Issuer including in all offering documents (including the Base Prospectus and any relevant Final Terms or Pricing Supplement) relating to Relevant Securities a statement to the effect that any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Relevant Securities is not exempt from tax shall include such income in a return of income made under the ITA; and
 - (ii) the furnishing of a return on debt securities in respect of the Relevant Securities within a prescribed period to the MAS;

Qualifying Income derived from the Relevant Securities is not subject to withholding of tax by the Issuer.

It should be noted that the withholding tax benefits under the Qualifying Debt Securities regime will not apply unless the statements referred to in paragraphs (a) and (c)(i) are included in all offering documents (including the Base Prospectus and any relevant Final Terms or Pricing Supplement). AT PRESENT, THE ISSUER DOES NOT INTEND TO INCLUDE THE STATEMENTS REFERRED TO IN PARAGRAPHS (A) AND (C)(I) IN FINAL TERMS, AND HENCE THE WITHHOLDING TAX BENEFITS UNDER THE QUALIFYING DEBT SECURITIES REGIME WILL NOT APPLY TO SECURITIES ISSUED UNDER FINAL TERMS. However, the withholding tax exemption for payments under Section 12(6) made by issuers who are banks described below may continue to apply.

However, notwithstanding the foregoing:

- (a) if during the primary launch of Relevant Securities, the Relevant Securities are issued to fewer than four persons and 50.0 per cent. or more of the principal amount of Relevant Securities is beneficially held or funded, directly or indirectly, by related parties of the Issuer, Relevant Securities would not qualify as "qualifying debt securities"; and
- (b) even though Relevant Securities are "qualifying debt securities", if at any time during the tenure of Relevant Securities, 50.0 per cent. or more of the principal amount of Relevant Securities is beneficially held or funded, directly or indirectly, by any related party(ies) of the Issuer, Qualifying Income paid by the Issuer and derived from Relevant Securities held by:
 - (i) any related party of the Issuer; or
 - (ii) any other person where the funds used by such person to acquire the Relevant Securities are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption or concessionary tax rate described above.

The term "**related party**", in relation to a person, means any other person who, directly or indirectly, controls that person, or is controlled, directly or indirectly, by that person, or where he and that other person, directly or indirectly, are under the control of a common person.

Notwithstanding that the Issuer may be permitted to make payment of Qualifying Income in respect of Relevant Securities without deduction or withholding for tax under Section 45 or Section 45A of the ITA, any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from Relevant Securities is not exempt from tax is required to include such income in a return of income made under the ITA.

The terms "break cost", "prepayment fee" and "redemption premium" are defined in the ITA as follows:

"Break Cost" means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by any loss or liability incurred by the holder of the securities in connection with such redemption;

"Prepayment Fee" means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by the terms of the issuance of the securities; and

"Redemption Premium" means any premium payable by the issuer of the securities on the redemption of the securities upon their maturity.

References to "break cost", "prepayment fee" and "redemption premium" in this Singapore tax section have the same meaning as defined in the ITA.

The Qualifying Debt Securities Plus Scheme ("**QDS Plus Scheme**") has also been introduced as an enhancement of the Qualifying Debt Securities Scheme ("**QDS Scheme**"). Under the QDS Plus Scheme, subject to certain conditions (the furnishing of a return on debt securities in respect of the Relevant Securities within a prescribed period to the Comptroller and the MAS), income tax exemption is granted on interest, discount income, prepayment fee, redemption premium or break cost derived by any investor from qualifying debt securities (excluding Singapore Government Securities) which:-

- (a) are issued during the period from 16 February 2008 to 31 December 2018;
- (b) have an original maturity date of not less than 10 years;
- (c) cannot be redeemed, converted, called or exchanged within 10 years from the date of their issue; and
- (d) cannot be re-opened with a resulting tenure of less than 10 years to the original maturity date.

In determining an investor's income that is to be exempted from tax under the QDS Plus Scheme, prescribed conditions apply in relation to how the investor's losses, expenses, capital allowances and donations which are attributable to exempt income are to be treated.

However, even if Relevant Securities are "qualifying debt securities" which qualify under the QDS Plus Scheme, if, at any time during the tenure of such Relevant Securities, 50.0 per cent. or more of the issue of such Relevant Securities is beneficially held or funded, directly or indirectly, by any related party(ies) of the Issuer, Specified Income derived by:

- (a) any related party of the Issuer; or
- (b) any other person where the funds used by such person to acquire such Relevant Securities are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption under the QDS Plus Scheme as described above.

On 28 June 2013, the MAS issued Circular No. FSD Cir 02/2013 (the "**Circular**") which sets out amendments to (amongst other things) the QDS Plus Scheme.

For the QDS Plus Scheme, it was announced that with effect from 28 June 2013, debt securities with "standard" redemption clauses would be allowed to qualify for the QDS Plus Scheme at the point of issuance. Examples of "standard" redemption clauses referred to in the Circular are: (a), taxation event, (b) default event, (c) change of control or change of shareholding event, (d) change in listing status of an issuer or trading disruption event, (e) change of qualification event due to regulatory capital requirements, (f) change in accounting classification, (g) change in ratings, (h) repurchase upon a non-compliance event, (i) purchase provision and (j) modification and amendment provision. Please refer to the Circular for further details on the "standard" redemption clauses.

Subsequently, should the debt securities be redeemed prematurely due to the "standard" early redemption clauses (i.e. before the 10th year), the tax benefits conferred by the QDS Plus Scheme on qualifying income accrued prior to the redemption will not be clawed back. Instead, qualifying debt securities status under the

QDS Plus Scheme will be revoked prospectively for outstanding debt securities (if any) and the issuer must inform the MAS and holders of the debt securities of such revocation. The outstanding debt securities may still enjoy tax benefits under the QDS Scheme if the other conditions under the scheme continue to be met.

Notwithstanding the foregoing, debt securities with embedded options with economic value (e.g. call, put, conversion or exchange options which can be triggered at specified prices or dates and are built into the bond's pricing at the onset) which can be exercised within ten years from the date of issuance will continue to be excluded from the QDS Plus Scheme from the onset.

Please refer to the Circular for further details.

There is no assurance that Securities to be issued from time to time under the Programme will enjoy the tax concessions under the amended QDS Scheme and QDS Plus Scheme. Holders of the Securities should consult their own professional tax advisers if they are in any doubt as to the treatment under the refined QDS Scheme and QDS Plus Scheme that would be applicable to them.

Withholding tax exemption for Section 12(6) payments by banks

Payments falling within Section 12(6) of the ITA and made by certain specified financial institutions (including a bank licensed under the Banking Act, Chapter 19 of Singapore) to persons who are non-tax-residents (excluding permanent establishments in Singapore) and which are:

- (a) liable to be made under a contract which takes effect between 1 April 2011 and 31 March 2012 (both dates inclusive); and
- (b) are liable to be made:
 - (i) under a contract which is extended or renewed, where the extension or renewal takes effect between 1 April 2011 and 31 March 2021 (both dates inclusive); and
 - (ii) on or after the date on which such extension or renewal takes effect; or
- (c) liable to be made under a debt security issued between 1 April 2011 and 31 March 2021 (both dates inclusive),

are exempt from income tax, provided that the payments are:

- (a) made for the purpose of the trade or business of the specified financial institutions; and
- (b) do not arise from transactions to which the general anti-avoidance provision in Section 33 of the ITA applies.

With effect from 17 February 2012, the specified financial institutions are no longer required to withhold tax on payments falling within Section 12(6) of the ITA which they are liable to make to permanent establishments in Singapore of a non-resident person:

- (a) between 17 February 2012 and 31 March 2021 on contracts that take effect before 17 February 2012; and
- (b) on or after 17 February 2012 on contracts that take effect between 17 February 2012 to 31 March 2021.

Notwithstanding the preceding paragraph, permanent establishments in Singapore of a non-resident person are required to declare such payments in their annual income tax returns and will be assessed to tax on such payments (unless specifically exempt from tax).

Capital Gains

Singapore imposes a tax on income but does not impose tax on gains that are considered capital in nature. There are no specific statutes or regulations which deal with the characterisation of whether a gain is income or capital and the question of whether a gain from the disposal of Securities is income or capital is a question of fact dependent on the holder's specific circumstances.

Any gains considered to be in the nature of capital made from the sale of the Securities will not be taxable in Singapore. However, any gains from the sale of the Securities which are gains from any trade, business, profession or vocation carried on by that person, if accruing in or derived from Singapore, may be taxable as such gains are considered revenue in nature.

Holders of the Securities who are adopting Singapore Financial Reporting Standard 39 (FRS 39) for Singapore income tax purposes may be required to recognise gains or losses on the Securities, irrespective of disposal, in accordance with Section 34A of the ITA. Please see the section below on "Adoption of FRS 39 treatment for Singapore income tax purposes".

Holders of the Securities should consult their own professional tax advisers if they are in any doubt as to the treatment that would be applicable to them.

Adoption of FRS 39 treatment for Singapore income tax purposes

On 30 Dec 2005, the Inland Revenue Authority of Singapore issued a circular entitled "Income Tax Implications arising from the adoption of FRS 39 – Financial Instruments: Recognition and Measurement" (FRS 39 Circular).

The FRS 39 Circular generally applies, subject to certain "opt-out" provisions, to taxpayers who are required to comply with FRS 39 for financial reporting purposes.

Holders of the Securities who may be subject to the tax treatment under the FRS 39 Circular should consult their own professional accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding, conversion or disposal of the Securities.

Special tax rules for Securities which constitute negotiable certificates of deposit

Notwithstanding the paragraphs above, under Section 10(12) of the ITA, where a person derives interest from a negotiable certificate of deposit or derives gains or profits from the sale thereof, his income shall be treated as follows:

- (a) in the case of a financial institution, the interest and the gains or profits shall be deemed to be income from a trade or business under Section 10(1)(a) of the ITA;
- (b) in any other case, the interest and the gains or profits shall be deemed to be income from interest under Section 10(1)(d) of the ITA subject to the following provisions:
 - (i) if the interest is received by a subsequent holder of a certificate of deposit the income derived from such interest shall exclude the amount by which the purchase price exceeds the issued price of the certificate, except where that amount has been excluded in the computation of any previous interest derived by him in respect of that certificate; and
 - (ii) where a subsequent holder sells a certificate after receiving interest therefrom the gains or profits shall be deemed to be the amount by which the sale price exceeds the issued price or the purchase price, whichever is the lower; and
- (c) for the purposes of paragraph (b) above, where a subsequent holder purchases a certificate at a price which is less than the issued price and holds the certificate until its maturity, the amount by which the issued price exceeds the purchase price shall be deemed to be interest derived by him.

Holders and prospective holders of Securities should consult their own professional tax advisers regarding the application of Section 10(12) of the ITA to the Singapore income tax consequences of their acquisition, holding or disposal of any negotiable certificates of deposit.

Goods and Services Tax

Under the Goods and Services Tax Act, Chapter 117A of Singapore ("**GST Act**"), the following are examples of exempt supplies not subject to Goods and Services Tax ("**GST**") under the Fourth Schedule to the GST Act:-

- (a) the issue, allotment, transfer of ownership, drawing, acceptance or endorsements of a debt security (i.e. any interest in or right to be paid money that is, or is to be, owing by any person or any option to acquire any such interest or right but excludes a contract of insurance and an estate or interest in land, other than an estate or interest as mortgagee or chargeholder); or
- (b) the renewal or variation of an equity security or debt security.

Holders of the Securities should consult their own professional tax advisers regarding the Singapore GST consequences of their acquisition, holding, conversion or disposal of the Securities.

Stamp Duty

Stamp duty is generally not imposed on the issue or redemption for cash of Securities. Stamp duty is also normally not applicable to short or medium-term debt securities. However, where an instrument of transfer of stocks or shares (including "**funded debt**", a term which includes certain types of permanent or quasi-permanent debt instruments) is executed in Singapore, or is executed outside Singapore but is brought into Singapore, the transfer instrument may be subject to stamp duty of up to 0.2 per cent. of the amount or value of the consideration, or the value of the stocks or shares transferred, whichever is higher. Transfers of securities on a scripless basis through the Central Depository (Pte) Limited are not subject to stamp duty. Transfers of stocks or shares by way of sale or gift of any stock issued by a company, corporation or body of persons incorporated, formed or established outside Singapore (other than stock registered in register kept in Singapore) are also exempt from stamp duty.

SPAIN

The following is a summary of current Spanish law and practice relating to the withholding tax treatment of the Securities. The statements herein regarding Spanish taxes and withholding taxes in Spain are based on the laws in force as well as administrative interpretations thereof in Spain as at the date of this Base Prospectus and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Securities and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective holders or beneficial owners of the Securities are advised to consult their own tax advisers concerning the overall tax consequences of their ownership and disposition of the Securities.

Tax Treatment of Securities Issued by Entities Other Than Deutsche Bank AG, Sucursal en España

Spanish Withholding Tax

Where Securities are issued by an Issuer which is not a Spanish tax resident entity and does not have a permanent establishment in Spain to which the issue of the Securities other than Spanish Securities ("**Spanish Securities**") means Securities issued through the Issuer's Spanish branch, i.e. Deutsche Bank AG, Sucursal en España) is connected, the Issuer should not be obliged to deduct withholdings on account of Spanish income taxes.

Where a financial institution (either resident in Spain or acting through a permanent establishment in Spain) acts as depositary of the Securities other than Spanish Securities or intervenes as manager on the collection of any

income under the Securities other than Spanish Securities (acting in such role, a **"Relevant Financial Institution"**), such Relevant Financial Institution will be responsible for making the relevant withholding on account of Spanish tax on any income deriving from the Securities other than Spanish Securities. In this respect, income deriving from Securities other than Spanish Securities will include not only interest payments but also income arising from the disposal, redemption or reimbursement of the Securities other than Spanish Securities.

The current withholding tax in Spain is 19 per cent. Amounts withheld in Spain, if any, can be credited against the final Spanish Personal Income Tax liability, in the case of Spanish resident individuals, or against Spanish final Corporate Income Tax liability, in the case of Spanish corporates, or against final Non-Resident Income Tax, in the case of Spanish permanent establishments of non-resident entities. However, holders of the Securities other than Spanish Securities who are Corporate Income Taxpayers or Non-Resident Income Taxpayers acting through a Spanish permanent establishment can benefit from a withholding tax exemption when the Securities other than Spanish Securities are admitted to trading on an organised stock exchange in an OECD state (the **"OECD Exemption"**).

Similarly, when the Securities other than Spanish Securities (i) are represented in book-entry form and (ii) are admitted to trading on a Spanish secondary stock exchange or on the Alternative Fixed-Income Securities Market, holders who are Corporate Income Taxpayers, or Non-Resident Income Taxpayers acting through a permanent establishment in Spain to which the Securities other than Spanish Securities are attributable, can benefit from a withholding tax exemption (the **"Domestic Exemption"**).

Additionally, when the Securities other than Spanish Securities (i) are represented in book-entry form, (ii) are admitted to trading on a Spanish secondary stock exchange and (iii) generate explicit yield, holders who are Personal Income Taxpayers can benefit from a withholding tax exemption in respect of the income arising from the transfer or repayment of the Securities other than Spanish Securities. However, under certain circumstances, when a transfer of the Notes has occurred within the 30-day period immediately preceding any relevant coupon payment date such holders may not be eligible for such withholding tax exemption.

Non-Spanish tax resident investors, acting without a permanent establishment in Spain, who hold the Securities other than Spanish Securities through a Relevant Financial Institution, will be required to evidence their non-Spanish tax resident status by delivering (and renewing on an annual basis) a certificate of tax residence issued by the competent authorities of their jurisdiction of residence prior to the date on which the relevant payment is made or becomes due.

Finally, tax credits for the avoidance of international double taxation may apply in respect of taxes paid outside Spain on income deriving from the Securities other than Spanish Securities by Spanish resident individuals, Spanish corporates or Spanish permanent establishments of non-resident entities investing in the Securities.

Tax Treatment of Securities Issued by Deutsche Bank AG, Sucursal en España

Indirect Taxes

Whatever the nature and residence of the investor, the acquisition and transfer of the Spanish Securities will be exempt from indirect taxes in Spain, i.e. exempt from Transfer Tax and Stamp Duty and exempt from Value Added Tax.

Direct Taxes

Personal Income Tax - Individuals with tax residence in Spain

Withholding tax will apply at the applicable rate (currently 19 per cent.) in respect of interest payments made under the Spanish Securities. In addition, income obtained upon transfer, redemption or repayment of the Spanish Securities may also be subject to Personal Income Tax withholdings. Notwithstanding this, when the Spanish Securities (i) are represented in book-entry form, (ii) are admitted to trading on a Spanish secondary stock exchange and (iii) generate explicit yield, holders can benefit from a withholding tax exemption in respect of the income arising from the transfer or repayment of the Spanish Securities. However, under certain circumstances, when a transfer of Spanish Securities has occurred within the 30-day period immediately

preceding any relevant coupon payment date such holders may not be eligible for such withholding tax exemption.

In any event, holders who are resident for tax purposes in Spain may credit any withholding tax suffered on income obtained under the Spanish Securities against their final Personal Income Tax liability for the relevant fiscal year.

Financial institutions (either resident in Spain or acting through a permanent establishment in Spain), acting as depositary of the Spanish Securities or intervening as manager in the collection of any income under the Spanish Securities, may become obliged to comply with the formalities set out in the regulations developing the Law on Spanish Personal Income Tax when intervening in the transfer or repayment of the Spanish Securities.

Corporate Income Tax - Legal Entities with tax residence in Spain

Any income arising from the Spanish Securities is, as a general rule, subject to withholding tax at the applicable rate (currently 19 per cent.). However, in accordance with Section 61(s) of regulations developing the Law on Corporate Income Tax, Spanish Corporate Income Taxpayers (which for the sake of clarity, include Spanish tax resident funds and Spanish tax resident pension funds) can also benefit from the OECD Exemption.

The Spanish Directorate General of Taxes (*Dirección General de Tributos*) issued a ruling dated 27 July 2004 in which it determined that securities, such as the Spanish Securities, issued in Spain may benefit from the OECD Exemption if the relevant securities are both admitted to trading on an organised stock exchange in an OECD state and placed in an OECD State other than Spain. Where this requirement is not met, the Issuer will be required to make the corresponding withholdings.

Additionally, in accordance with Section 61(q) of regulations developing the Law on Corporate Income Tax, Spanish Corporate Income Taxpayers (which for the sake of clarity, include Spanish tax resident funds and Spanish tax resident pension funds) can also benefit from the Domestic Exemption.

Notwithstanding the above, amounts withheld (if any) may be credited by the relevant holders of Spanish Securities against their final Corporate Income Tax liability.

Financial institutions (either resident in Spain or acting through a permanent establishment in Spain), acting as depositary of the Spanish Securities or intervening as manager in the collection of any income under the Spanish Securities, may become obliged to comply with the formalities set out in the regulations developing the Law on Corporate Income Tax when intervening in the transfer or reimbursement of the Spanish Securities.

Non-Resident Income Tax – Non-Spanish Tax Resident Investors acting through a Permanent Establishment in Spain - Individuals and Legal Entities with no tax residence in Spain

Ownership of the Spanish Securities by investors who are not resident for tax purposes in Spain will not in itself create the existence of a permanent establishment in Spain.

If the Spanish Securities form part of the assets of a permanent establishment in Spain of a person or legal entity who is not resident in Spain for tax purposes, the tax rules applicable to income deriving from such Spanish Securities are, generally, the same as those previously set out for Spanish Corporate Income Taxpayers. See the section entitled "Corporate Income Tax - Legal Entities with tax residence in Spain"

Non-Resident Income Tax — Non-Spanish Tax Resident Investors not acting through a Permanent Establishment in Spain – Individuals and Legal Entities with no tax residence in Spain

Interest and other income deriving from the Spanish Securities will be tax exempt in Spain and exempt from Spanish withholding tax when obtained by persons who are resident for tax purposes in a Member State of the European Union (other than Spain) or by a permanent establishment of such persons situated in another Member State of the European Union (other than Spain), provided that such income is not obtained through a country or territory regarded as a tax haven (pursuant to Royal Decree 1080/1991, of 5 July or any other Law amending or supplementing this) and provided further that any such person provides the Issuer with a certificate

of tax residence issued by the competent authorities of their jurisdiction of residence prior to the date on which any relevant payment is made or becomes due. Such certificate is valid for a one-year period.

Holders of Spanish Securities who are resident for tax purposes in a jurisdiction which has ratified a Treaty for the avoidance of Double Taxation with Spain ("**DTT**") will be subject to Non-Resident Income Tax and Spanish withholding tax on income obtained from the Spanish Securities at the reduced rates (or subject to any exemption) set out in the DTT, if any. Such holders will have to evidence their tax residence by delivering to the Issuer, prior to the date on which any relevant payment is made or becomes due, a tax residence certificate within the meaning of the applicable DTT issued by the competent authorities of their jurisdiction of residence or, as the case may be, the equivalent document set out in the order which further develops the applicable DTT. Such certificate of tax residence is valid for a one-year period.

The Issuer will withhold from any interest payment and any income arising from the repayment of the Spanish Securities at the general rate applicable from time to time, which is currently 19 per cent., or at the reduced rate set out in the applicable DTT, unless the application of a tax exemption is evidenced, as described above.

Notwithstanding the above, these holders will be tax exempt in Spain on any income arising from the transfer of the Spanish Securities on a Spanish official secondary stock exchange, provided that they are resident in a jurisdiction which has ratified a DTT with Spain containing an exchange of information clause.

Financial institutions (either resident in Spain or acting through a permanent establishment in Spain), acting as depositary of the Spanish Securities or intervening as managers in the collection of any income under the Spanish Securities may become obliged to comply with the formalities set out in the Non-Resident Income Tax Law and the regulations developing the Non-Resident Income Tax Law when intervening in the transfer or repayment of the Spanish Securities.

SWEDEN

The following summary outlines certain Swedish tax consequences relating to holders of Securities. The summary is based on the laws of Sweden as currently in effect and is intended to provide general information only. It does not purport to be a comprehensive description of all tax considerations that may be relevant to a prospective holder of Securities. The summary does not address, inter alia, situations where Securities are held in an investment savings account (Sw. investeringssparkonto), the tax consequences in connection with a competent resolution authority's exercise of the Bail-in tool and/or any other tools and/or powers under the BRRD or write down of Securities, the tax consequences following variation or substitution (instead of redemption) of Securities or the rules regarding reporting obligations for, among others, payers of interest. Further, the summary does not address credit of foreign taxes. Investors should consult their professional tax advisers regarding the Swedish tax and other tax consequences (including the applicability and effect of tax treaties for the avoidance of double taxation) of acquiring, owning and disposing of Securities in their particular circumstances.

Holders not resident in Sweden

Broadly speaking, provided that the value of or the return on the Securities relates to securities taxed as shares, private individuals who have been residents of Sweden for tax purposes due to a habitual abode in Sweden or a stay in Sweden for six consecutive months at any time during the calendar year of disposal or redemption or the ten calendar years preceding the year of disposal or redemption are liable for capital gains taxation in Sweden upon disposal or redemption of such Securities. In a number of cases though, the applicability of this rule is limited by the applicable tax treaty for the avoidance of double taxation.

Holders resident in Sweden

In general, for Swedish corporations and private individuals (and estates of deceased individuals) with residence in Sweden for Swedish tax purposes, all capital income (for example income that is considered to be interest for Swedish tax purposes and capital gains on Securities) will be taxable. Specific tax consequences may be applicable to certain categories of corporations, for example life insurance companies. Moreover,

specific tax consequences may be applicable if, and to the extent that, a holder of Securities realises a capital loss on the Securities and to any currency exchange gains or losses.

If amounts that are deemed as interest for Swedish tax purposes are paid by a legal entity domiciled in Sweden, including a Swedish branch, to a private individual (or an estate of a deceased individual) with residence in Sweden for Swedish tax purposes, Swedish preliminary taxes are normally withheld by the legal entity on such payments. Swedish preliminary taxes should normally also be withheld on other return on Securities (but not capital gains), if the return is paid out together with such a payment of interest referred to above.

SWITZERLAND

The following discussion is a summary of certain material Swiss tax considerations relating to (i) Securities issued the Issuer where the holder is tax resident in Switzerland or has a tax presence in Switzerland or (ii) Securities where the Paying Agent, custodian or securities dealer is located in Switzerland. The discussion is based on legislation as of the date of this Prospectus. It does not aim to be a comprehensive description of all the Swiss tax considerations that may be relevant for a decision to invest in Securities. The tax treatment for each investor depends on the particular situation. All investors are advised to consult with their professional tax advisers as to the respective Swiss tax consequences of the purchase, ownership, disposition, lapse, exercise or redemption of Securities (or options embedded therein) in light of their particular circumstances.

Swiss Withholding Tax

Payments on a Security are currently not subject to Swiss federal withholding tax provided that the respective Issuer is at all times resident and managed outside Switzerland for Swiss tax purposes.

On November 4, 2015 the Swiss Federal Council announced a mandate to the Swiss Federal Finance Department to institute a group of experts tasked with the preparation of a new proposal for a reform of the Swiss withholding tax system. The new proposal is expected to include in respect of interest payments the replacement of the existing debtor-based regime by a paying agent-based regime for Swiss withholding tax similar to the one published on December 17, 2014 by the Swiss Federal Council and repealed on June 24, 2015 following the negative outcome of the legislative consultation with Swiss official and private bodies. Under such a new paying agent-based regime, if enacted, a paying agent in Switzerland may be required to deduct Swiss withholding tax on any payments or any securing of payments of interest in respect of a Security for the benefit of the beneficial owner of the payment unless certain procedures are complied with to establish that the owner of the Security is not an individual resident in Switzerland.

Income Taxation

Securities held as Private Assets by a Swiss resident holder

Structured Notes

If a Security classifies as a structured note, its income taxation depends on whether the bond and the derivative financial instrument(s) embedded therein are recorded separately from each other and whether the Security is classified as a structured note with or without a predominant one-time interest payment (a structured note is classified as a note with a predominant one-time interest payment if the one-time interest payment exceeds the sum of the periodic interest payments):

Non-transparent derivative financial instruments: If the bond is not recorded separately from the embedded derivative financial instrument(s), the Security is classified as non-transparent structured note and any return over the initial investment is classified as a taxable interest payment. Non-transparent derivative financial instruments generally include a predominant one-time interest payment and are taxed in accordance with the principles set forth below under "—Transparent derivative financial instruments with a predominant one-time interest payment".

Transparent derivative financial instruments without a predominant one-time interest payment: If the bond is recorded separately from the embedded derivative financial instrument(s) and the yield-to-maturity

predominantly derives from periodic interest payments and not from a one-time-interest-payment (see below "—Transparent derivative financial instruments with a predominant one-time interest payment"), then any such periodic interest payment and the non-predominant one-time interest payment, if any, is taxed when paid to the holder of the Security. A gain, including interest accrued, a loss, respectively, realised on the sale of a Security is a tax-free private capital gain, a non-tax-deductible private capital loss, respectively (see below "—Capital Gains, Securities held as Private Assets by a Swiss resident holder"). The same applies if the Security is redeemed except that interest accrued is taxed when paid.

Transparent derivative financial instruments with a predominant one-time interest payment: If the bond is recorded separately from the embedded derivative financial instrument(s) and the yield-to-maturity predominantly derives from a one-time-interest-payment such as an original issue discount or a repayment premium and not from periodic interest payments, then any periodic interest payments and on the sale or redemption of the Security, the difference between the value of the bond at redemption or sale, as applicable, and its value at issuance or secondary market purchase, as applicable, converted, in each case, into Swiss Francs at the exchange rate prevailing at the time of redemption or sale, issuance or purchase, respectively (modified differential taxation method) constitutes taxable income. A value decrease on the bond respectively realised on the sale or redemption of the Security may be offset against any gains (including periodic interest payments) realised within the same taxation period from all instruments with a predominant one-time interest payment. Any residual return realised on the embedded derivative financial instrument(s) is a tax-free private capital gain, and any residual loss is a non-tax-deductible private capital loss, respectively (see below "—Capital Gains, Securities held as Private Assets by a Swiss resident holder").

Bonds

Bonds without a predominant one-time interest payment: If a Security is classified as a pure bond without a predominant one-time interest payment (the yield-to-maturity predominantly derives from periodic interest payments and not from a one-time-interest-payment), Swiss resident private investors will be taxed on the periodic and any one-time interest payments, if any, converted into Swiss Francs at the exchange rate prevailing at the time of payment. A gain, including interest accrued, a loss, respectively, realised on the sale of a Security is a tax-free private capital gain, a non-tax-deductible private capital loss, respectively (see below "—Capital Gains, Securities held as Private Assets by a Swiss resident holder").

Bonds with a predominant one-time interest payment: If a Security is classified as a pure bond with a predominant one-time interest payment (the yield-to-maturity predominantly derives from a one-time-interest-payment such as an original issue discount or a repayment premium and not from periodic interest payments), Swiss resident private investors will be taxed on any periodic interest payments and on any gains, including capital and foreign exchange gains, realised on the Securities (differential taxation method).

Pure Derivative Financial Securities

Periodic and one-time dividend equalisation payments realised on a Security which is classified as a pure derivative financial instrument (such as pure call and put options, including low exercise price options with a maturity not exceeding one year, pure futures, static certificates replicating an index or a basket of at least five shares and with a fixed maturity or an annual redemption right) and which is held as part of a holder's private assets constitute taxable investment income. Any other return will be classified as a tax-exempt capital gain or a non-tax deductible capital loss (see below "—Capital Gains, Securities held as Private Assets by a Swiss resident holder").

Low Exercise Price Options

According to the current practice of the Swiss Federal Tax Administration low exercise price options are given if the underlying of an option has been pre-financed by at least 50 per cent. at the time of issuance.

For low exercise price options with a maturity exceeding one year the interest component of the low exercise price option (i.e. issue discount) constitutes taxable investment income. Any other return will be classified as a tax-exempt capital gain or a non-tax deductible capital loss (see below "—Capital Gains, Securities held as Private Assets by a Swiss resident holder").

Fund-like Securities

A Security classified as a fund-like instrument will be considered a pass-through instrument for Swiss tax purposes if dividend and interest income (less attributable costs) from, and capital gains and losses (less costs attributable) realised on, the underlying investments, are reported and distributed separately. Under such conditions, an individual holding a fund-like Security as part of private assets only receives taxable income (which he or she must report annually) over such portion of the distributions (in case the fund is distributing the income realised on the underlying investments) or earnings credits (in case the fund is reinvesting the income realised on the underlying investment) as derive from dividends and interest (less attributable costs) on the underlying instruments. Any distributions or credits deriving from capital gains realised on the underlying investments constitute a tax-free private capital gain and any respective loss on the underlying investments is a non-tax-deductible private capital loss. Any gain realised within a taxation period on the sale of a fund-like instrument (including accrued dividends and interest) is exempt from income taxation as a private capital gain, and, conversely, any loss realised a non-tax-deductible capital loss (see below "—Capital Gains, Securities held as Private Assets by a Swiss resident holder").

Securities held as Assets of a Swiss Business

Corporate entities and individuals who hold Securities as part of a trade or business in Switzerland, in the case of residents abroad carried on through a permanent establishment or a fixed place of business in Switzerland, are required to recognise any payments on, and any capital gains or losses realised on the sale or redemption of, such Securities (irrespective of their classification) in their income statement for the respective taxation period and will be taxed on any net taxable earnings for such period.

The same taxation treatment also applies to Swiss-resident individuals who, for income tax purposes, are classified as "professional securities dealers" for reasons of, *inter alia*, frequent dealing and leveraged investments in securities.

Capital Gains Taxation

Securities held as Private Assets by a Swiss resident Holder

A gain, a loss, respectively, realised by an individual resident in Switzerland for tax purposes upon the sale or other disposal of a Security held as part of his or her private assets is a tax-free private capital gain, a non-tax deductible capital loss, respectively, unless such individual is classified, for income tax purposes, as a "professional securities dealer" for reasons of, *inter alia*, frequent dealing and leveraged investments in securities. If an individual is classified as a "professional securities dealer" he or she will be taxed in accordance with the principles set forth above under "—Securities held as Assets of a Swiss Business". In relation to the bifurcation of a tax-exempt capital gains component, non-tax deductible capital loss component, respectively, from taxable income components of a Security, see the bifurcation principles set forth above with regard to the different instruments under "—Income Taxation, Securities held as Private Assets by a Swiss resident holder").

Securities held as Assets of a Swiss Business

Capital gains realised on Securities held as Assets of a Swiss Business are taxed in accordance with the taxation principles set forth above under "—Income Taxation, Securities held as Swiss Business Assets").

Stamp Taxes

Swiss Federal Issue Stamp Tax

The Securities are not subject to Swiss federal stamp tax on the issuance of securities.

Swiss Federal Securities Turnover Tax

Dealings in Securities which are classified as pure derivative financial instruments (such as pure call and put options, including low exercise price options with a maturity not exceeding twelve months, pure futures with a maximal pre-financing of 25 per cent., static certificates replicating an index or a basket of at least five shares

and with a fixed maturity on an annual redemption right) are not subject to the Swiss federal securities turnover tax.

Dealings in Securities which have been issued by an issuer outside of Switzerland and which are classified as structured notes, share-like instruments (including low exercise price warrants on shares with a maturity exceeding twelve months) or fund-like instruments are subject to Swiss federal securities turnover tax of 0.3 per cent. on the consideration paid, however, only if a Swiss securities dealer (as defined in the Swiss federal stamp tax act) is a party or intermediary to the transaction and no exemption applies.

Dealing in bonds and structured notes with a maturity not exceeding one year are exempt from Swiss federal turnover tax.

The delivery of an underlying taxable security at exercise or redemption to the holder of the Security is subject to Swiss federal securities turnover tax of 0.3 per cent. if a Swiss domestic securities dealer (as defined in the Swiss federal stamp tax act) is a party or intermediary to the transaction and no exemption applies.

Gift, Inheritance and Estate Taxes

Subject to an applicable tax treaty in an international scenario, transfers of Securities may be subject to cantonal and/or communal inheritance tax, estate tax or gift tax if the deceased person has had his or her last domicile in Switzerland, the donor is resident in Switzerland, respectively, or in the case of a foreign deceased or resident person the transfer involves an unincorporated business in Switzerland and Securities are held as part of such business. No such taxes exist at the federal level. Rates depend upon the existing relationship (i.e. the relationship between the deceased and the heirs, or between the donor and the donee) and the size of the inheritance or gift. Interspousal gifts and gifts to descendants and inheritances collected by the surviving spouse and descendants are frequently exempt or taxed at very low rates (up to 6 per cent.). Gifts and inheritances received from unrelated persons attract rates ranging from 20 per cent. to 40 per cent. The taxable base is usually the market value of the property transferred.

Net Worth and Capital Taxes

A holder of Securities who is an individual resident in Switzerland for tax purposes or is a non-Swiss resident holding Securities as part of a Swiss business operation or a Swiss permanent establishment is required to report Securities as part of private wealth or as part of Swiss business assets, as the case may be, and is subject to annual cantonal and/or communal private wealth tax on any net taxable wealth (including the Securities), in the case of non-Swiss resident individual holding Securities as part of a Swiss business operation or a Swiss permanent establishment to the extent the aggregate taxable wealth is allocable to Switzerland. Incorporated holders of Securities are subject to cantonal and communal capital tax on net taxable equity, in the case of non-Swiss resident person holding Securities as part of a Swiss permanent establishment, to the extent the aggregate taxable equity is allocable to Switzerland. No net worth and capital taxes exist at the federal level.

Non-Swiss resident holders

A holder of a Security who is not resident in Switzerland for tax purposes and who during the taxation year has not engaged in trade or business carried on through a business operation or permanent establishment in Switzerland, will neither be subject to income tax and capital gains tax nor net wealth or capital tax in Switzerland.

EU Savings Tax

The agreement between the European Community and the Confederation of Switzerland dated as of 26 October 2004 provides for measures equivalent to those laid down in the EU Savings Tax Directive and requires a Swiss paying agent to deduct EU savings tax on an interest payment to an individual resident in an EU member state. The tax is withheld at a rate of 35 per cent., with the option of the individual to have the paying agent and Switzerland provide to the tax authorities of the EU member state the details of the interest payments in lieu of the withholding. The individual may be entitled to a tax credit or refund of the withholding, provided that he or she is the beneficial owner of the interest payments and certain other conditions are met.

Final Foreign Withholding Taxes

On 1 January 2013 treaties on final withholding taxes between Switzerland and the United Kingdom and between Switzerland and Austria entered into force. The treaties, *inter alia*, require a Swiss paying agent to levy final withholding tax at specified rates in respect of an individual resident in the United Kingdom or resident in Austria, as applicable, on interest or capital gains paid, or credited to an account, relating to the Securities. The final withholding tax substitutes the United Kingdom or Austrian income tax, as applicable, on such income of interest or capital gain. Such a person may, however, in lieu of the final withholding tax opt for voluntary disclosure of the interest or capital income to the tax authority of his or her country of residency.

UNITED KINGDOM

The following information does not purport to be a complete summary of the tax law and practice currently applicable in the United Kingdom. The following applies only to persons who are the beneficial owners of Securities and is a summary of the Issuer's understanding of current United Kingdom law and published HMRC practice relating to the United Kingdom withholding tax treatment of payments of principal and interest in respect of Securities. It does not deal with any of the United Kingdom taxation implications of acquiring, holding or disposing of Securities. Some aspects do not apply to certain classes of person (such as dealers and persons connected with the Issuer) to whom special rules may apply. The United Kingdom tax treatment of Prospective Securityholders depends on their individual circumstances and may be subject to change in the future. Prospective Securityholders who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom should seek their own professional advice.

Securities issued otherwise than through the Issuer's London branch

Payments of interest on the Securities which do not have a United Kingdom source may be made without withholding an account of United Kingdom income tax.

Payment of Interest on the Securities issued by the Issuer's London branch

- The Issuer, provided that it continues to be a bank within the meaning of section 991 of the Income and Corporation Taxes Act 2007 (the "**Act**"), and provided that the interest on the Securities is paid in the ordinary course of its business within the meaning of section 878 of the Act, will be entitled to make payments of interest without withholding or deduction for or on account of United Kingdom income tax.
- Payments of interest on the Securities may be made without deduction of or withholding on account of United Kingdom income tax provided that the Securities continue to be listed on a "recognised stock exchange", as defined in section 1005 of the Act. The Luxembourg Stock Exchange is a recognised stock exchange. Under a published HM Revenue & Customs guidance, the Securities will satisfy this requirement if they are listed by the competent authority in Luxembourg and are admitted to trading on the Main Market by the Luxembourg Stock Exchange. Provided, therefore, that the Securities remain so listed, interest on the Securities will be payable without withholding or deduction on account of United Kingdom tax whether or not the Issuer carries on a banking business in the United Kingdom and whether or not the interest is paid in the ordinary course of its business.
- Interest on the Securities may also be paid without withholding or deduction on account of United Kingdom tax where interest on the Securities is paid by a company and, at the time the payment is made, the Issuer reasonably believes (and any person by or through whom interest on the Securities is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest, provided that HM Revenue & Customs has not given a direction (in circumstances where it has reasonable grounds to believe that it is likely that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.
- Interest on the Securities may also be paid without withholding or deduction on account of United Kingdom tax where the maturity of the Securities is less than 365 days and the Securities do not form

part of a scheme or arrangement of borrowing intended to be capable of remaining outstanding for more than 364 days.

- Interest on the Securities may also be paid without withholding or deduction on account of United Kingdom income tax where the Securities qualify, or have qualified, as Tier 2 instruments under Article 63 of CRR and form, or have formed, a component of Tier 2 capital of the issuer for the purposes of CRR unless there are arrangements in place the main purpose, or one of the main purposes, of which is to obtain a tax advantage (as defined in section 1139 of Corporation Tax Act 2010) for any person as a result of the application of the Taxation of Regulatory Capital Securities Regulations 2013 in respect of the Securities.

In other cases, an amount must generally be withheld from payments of interest on the Securities on account of United Kingdom income tax at the basic rate (currently 20 per cent.). However, where an applicable double tax treaty provides for a lower rate of withholding tax (or for no tax to be withheld) in relation to a Securityholder, HM Revenue & Customs can issue a notice to the Issuer to pay interest to the Securityholder without deduction of tax (or for interest to be paid with tax deducted at the rate provided for in the relevant double tax treaty).

The references above to "interest" and "principal" mean "interest" and "principal" as understood in United Kingdom tax law. If any of the payments under the Securities are treated as manufactured payments or annual payments, the treatment of such payments may differ from the treatment described above. If Securityholders are in any doubt as to their tax position they should consult their professional advisers.

UK Information Gathering Powers

HMRC has powers, in certain circumstances, to obtain information about: payments derived from securities (whether income or capital); certain payments of interest (including the amount payable on the redemption of a deeply discounted security); and securities transactions.

The persons from whom HMRC can obtain information include: a person who receives (or is entitled to receive) a payment derived from securities; a person who makes such a payment (received from, or paid on behalf of another person); a person by or through whom interest is paid or credited; a person who effects or is a party to securities transactions (which includes an issue of securities) on behalf of others; registrars or administrators in respect of securities transactions; and each registered or inscribed holder of securities.

The information HMRC can obtain includes: details of the beneficial owner of securities; details of the person for whom the securities are held, or the person to whom the payment is to be made (and, if more than one, their respective interests); information and documents relating to securities transactions; and, in relation to interest paid or credited on money received or retained in the United Kingdom, the identity of the security under which interest is paid. HMRC is generally not able to obtain information (under its power relating solely to interest) about a payment of interest to (or a receipt for) a person that is not an individual. This limitation does not apply to HMRC's power to obtain information about payments derived from securities.

In certain circumstances the information which HMRC has obtained using these powers may be exchanged with tax authorities in other jurisdictions.

UNITED STATES

Foreign Account Tax Compliance Act

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 ("**FATCA**") impose a new reporting regime and potentially a 30 per cent. withholding tax with respect to certain payments to any non-U.S. financial institution (a "foreign financial institution", or "**FFI**" (as defined by FATCA)) that does not become a "**Participating FFI**" by entering into an agreement with the U.S. Internal Revenue Service (the "**IRS**") to provide the IRS with certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA. The Issuer is classified as an FFI.

The new withholding regime is now in effect for payments from sources within the United States and will apply to "**foreign passthru payments**" (a term not yet defined) no earlier than 1 January 2019. This withholding

would potentially apply to payments in respect of (i) any Securities characterised as debt (or which are not otherwise characterized as equity and have a fixed term) for U.S. federal tax purposes that are issued after the **"grandfathering date"**, which A) with respect to Securities that give rise solely to foreign passthru payments, is the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign passthru payment are filed with the Federal Register and (B) with respect to Securities that give rise to a dividend equivalent pursuant to Section 871(m) of the U.S. Internal Revenue Code of 1986, is 1 July 2017, or (in each case) which are materially modified after the grandfathering date and (ii) any Securities characterised as equity or which do not have a fixed term for U.S. federal tax purposes, whenever issued. If Securities are issued on or before the grandfathering date, and additional Securities of the same series are issued after that date, the additional Securities may not be treated as grandfathered, which may have negative consequences for the existing Securities, including a negative impact on market price.

The United States and a number of other jurisdictions have entered into intergovernmental agreements to facilitate the implementation of FATCA (each, an **"IGA"**). Pursuant to FATCA and the "Model 1" and "Model 2" IGAs released by the United States, an FFI in an IGA signatory country could be treated as a **"Reporting FI"** not subject to withholding under FATCA on any payments it receives. Further, an FFI in an IGA jurisdiction would not generally be required to withhold under FATCA or an IGA (or any law implementing an IGA) (any such withholding being **"FATCA Withholding"**) from payments it makes. Under each Model IGA, a Reporting FI would still be required to report certain information in respect of its account holders and investors to its home government or to the IRS. The United States and Germany have entered into an agreement (the **"US-Germany IGA"**) based largely on the Model 1 IGA.

If the Issuer is treated as a Reporting FI pursuant to the US-Germany IGA it does not anticipate that it will be obliged to deduct any FATCA Withholding on payments it makes. The Issuer also expects that any branch through which it issues Securities will be treated as a Reporting FI pursuant to an IGA. There can be no assurance, however, that the Issuer or any branch through which it issues Securities will be treated as a Reporting FI, or that it would in the future not be required to deduct FATCA Withholding from payments it makes. Accordingly, the Issuer and financial institutions through which payments on the Securities are made may be required to withhold FATCA Withholding if any FFI through or to which payment on such Securities is made is not a Participating FFI, a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA.

Whilst the Securities are in global form and held within Euroclear or Clearstream, Luxembourg (together, the **"ICSDs"**), Clearstream Banking AG, Frankfurt (**"CBF"**) or SIX SIS AG, Olten, Switzerland (**"SIS"**), it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Securities by the Issuer, the Guarantor, any paying agent and the Common Depositary or Common Safekeeper, given that each of the entities in the payment chain between the Issuer and the participants in the ICSDs, CBF or SIS, as applicable, is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an IGA will be unlikely to affect the Securities. The documentation expressly contemplates the possibility that the Securities may go into definitive form and therefore that they may be taken out of the ICSDs, CBF or SIS, as applicable. If this were to happen, then a non-FATCA compliant holder could be subject to FATCA Withholding. However, definitive Securities will only be printed in remote circumstances.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on regulations, official guidance and model IGAs, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their tax advisers on how these rules may apply to the Issuer and to payments they may receive in connection with the Securities.

Hiring Incentives to Restore Employment Act

The U.S. Hiring Incentives to Restore Employment Act introduced Section 871(m) of the U.S. Internal Revenue Code of 1986 which treats a "dividend equivalent" payment as a dividend from sources within the United States. Under Section 871(m), such payments generally would be subject to a 30 per cent. U.S. withholding tax that may be reduced by an applicable tax treaty, eligible for credit against other U.S. tax liabilities or refunded, provided that the beneficial owner timely claims a credit or refund from the IRS. A "dividend equivalent" payment is (i) a substitute dividend payment made pursuant to a securities lending or a sale-repurchase transaction that (directly or indirectly) is contingent upon, or determined by reference to, the payment of a

dividend from sources within the United States, (ii) a payment made pursuant to a "specified notional principal contract" that (directly or indirectly) is contingent upon, or determined by reference to, the payment of a dividend from sources within the United States, and (iii) any other payment determined by the IRS to be substantially similar to a payment described in (i) and (ii). Recently published final U.S. Treasury regulations issued under Section 871(m) (the "**Section 871(m) Regulations**") will, when effective, require withholding on certain non-U.S. holders of the Securities with respect to amounts treated as attributable to dividends from certain U.S. securities. Under the Section 871(m) Regulations, only a Security that has an expected economic return sufficiently similar to that of the underlying U.S. security, as determined on the Security's issue date based on tests set forth in the Section 871(m) Regulations, will be subject to the Section 871(m) withholding regime (making such security a "**Specified Security**"). The Section 871(m) Regulations provide certain exceptions to this withholding requirement, in particular for instruments linked to certain broad-based indices.

Withholding in respect of dividend equivalents will generally be required when cash payments are made on a Specified Security or upon the date of maturity, lapse or other disposition by the non-U.S. holder of the Specified Security. If the underlying U.S. security or securities are expected to pay dividends during the term of the Specified Security, withholding generally will still be required even if the Specified Security does not provide for payments explicitly linked to dividends. If the Issuer or any withholding agent determines that withholding is required, neither the Issuer nor any withholding agent will be required to pay any additional amounts with respect to amounts so withheld.

The Section 871(m) Regulations generally apply to Specified Securities issued beginning 1 January 2017. If the terms of a Security are subject to a "significant modification" such that the Security is treated as retired and reissued, it could lose its "grandfathered" status and might become a Specified Security based on economic conditions in effect at that time.

Upon the issuance of a series of Securities, the Issuer will state in the Final Terms (or Pricing Supplement, in the case of Exempt Securities) if it has determined that they are Specified Securities, in which case a non-U.S. holder of the Securities should expect to be subject to withholding in respect of any dividend-paying U.S. securities underlying those Securities. The Issuer's determination is binding on non-U.S. holders of the Securities, but it is not binding on the IRS. The Section 871(m) Regulations require complex calculations to be made with respect to Securities linked to U.S. securities and their application to a specific issue of Securities may be uncertain.

Prospective investors should consult their tax advisers regarding the potential application of Section 871(m) to the Securities.

THE PROPOSED FINANCIAL TRANSACTIONS TAX ("FTT")

On 14 February 2013, the European Commission published a proposal (the **Commission's Proposal**) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating Member States**"). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in Securities (including secondary market transactions) in certain circumstances. Primary market transactions referred to in Article 5(c) of Regulation (EC) No. 1287/2006 are expected to be exempt.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Securities where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of Securities are advised to seek their own professional advice in relation to the FTT.

BOOK ENTRY CLEARANCE SYSTEMS

The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of the following "**Clearing Systems**" currently in effect:

- The Depository Trust Company ("**DTC**"), 55 Water Street, New York, NY 10041, United States;
- Clearstream Banking AG, Frankfurt ("**CBF**"), Neue Börsenstraße 1, 60487 Frankfurt am Main, Germany;
- Clearstream Banking SA ("**CBL**"), 42 Avenue JF Kennedy, 1855 Luxembourg, Luxembourg;
- Euroclear Bank SA/NV, Brussels ("**Euroclear**"), 1 Boulevard du Roi Albert II, 1210 Brussels, Belgium; and
- SIX SIS AG ("**SIS**"), Baslerstrasse 100, 4600 Olten, Switzerland.

The information in this section concerning the Clearing Systems has been obtained from sources that the Issuer believes to be reliable, but neither the Issuer nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuer nor any other party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Securities held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

BOOK-ENTRY SYSTEMS

DTC

DTC has advised the Issuer that it is a limited purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to section 17A of the Exchange Act. DTC holds securities that its participants ("**Participants**") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations ("**Direct Participants**"). DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc. Access to the DTC System is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**").

Under the rules, regulations and procedures creating and affecting DTC and its operations (the "**Rules**"), DTC makes book-entry transfers of Registered Securities among Direct Participants on whose behalf it acts with respect to Securities accepted into DTC's book-entry settlement system ("**DTC Securities**") as described below and receives and transmits distributions of principal and interest on DTC Securities. The Rules are on file with the Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Securities ("**Owners**") have accounts with respect to the DTC Securities similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Owners. Accordingly, although Owners who hold DTC Securities through Direct Participants or Indirect Participants will not possess Registered Securities, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interest in respect of the DTC Securities.

Purchases of DTC Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Securities on DTC's records. The ownership interest of each actual purchaser of each DTC Security ("**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Securities, except in the event that use of the book-entry system for the DTC Securities is discontinued.

To facilitate subsequent transfers, all DTC Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of DTC Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the DTC Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to DTC Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the DTC Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the due date for payment in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the due date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

Under certain circumstances, including if there is an Event of Default under the Securities, DTC will exchange the DTC Securities for definitive Registered Securities, which it will distribute to its Participants in accordance with their proportionate entitlements and which, if representing interests in a Rule 144A Global Security, will be legended as set forth under "*Transfer and Selling Restrictions*".

Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Owner desiring to pledge DTC Securities to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Securities, will be required to withdraw its Registered Securities from DTC as described below.

Euroclear, CBL and CBF

Euroclear, CBL and CBF each holds securities for its customers and facilitates the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear, CBL and CBF provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear, CBL and CBF also deal with

domestic securities markets in several countries through established depository and custodial relationships. Euroclear, CBL and CBF have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear, CBL and CBF customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear, CBL and CBF is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

BOOK-ENTRY OWNERSHIP OF AND PAYMENTS IN RESPECT OF DTC SECURITIES

The Issuer may apply to DTC in order to have any Tranche of Securities represented by a Registered Global Security accepted in its book-entry settlement system. Upon the issue of any such Registered Global Security, DTC or its custodian will credit, on its internal book-entry system, the respective principal amounts of the individual beneficial interests represented by such Registered Global Security to the accounts of persons who have accounts with DTC. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in such a Registered Global Security will be limited to Direct Participants or Indirect Participants, including, in the case of any Regulation S Global Security, the respective depositories of Euroclear and CBL. Ownership of beneficial interests in a Registered Global Security accepted by DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Registered Global Security accepted by DTC will be made to the order of DTC or its nominee as the registered holder of such Security. In the case of any payment in a currency other than U.S. dollars, payment will be made to the Exchange Agent on behalf of DTC or its nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Registered Global Security in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

The Issuer expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. The Issuer also expects that payments by Participants to beneficial owners of Securities will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Participant and not the responsibility of DTC, the Principal Paying Agent, the Registrar or the Issuer. Payment of principal, premium, if any, and interest, if any, on Securities to DTC is the responsibility of the Issuer.

TRANSFERS OF SECURITIES REPRESENTED BY REGISTERED GLOBAL SECURITIES

Transfers of any interests in Securities represented by a Registered Global Security within DTC, Euroclear and CBL will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Securities represented by a Registered Global Security to such persons may depend upon the ability to exchange such Securities for Securities in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Securities represented by a Registered Global Security accepted by DTC to pledge such Securities to persons or entities that do not participate in the DTC system or otherwise to take action in respect of such Securities may depend upon the ability to exchange such Securities for Securities in definitive form. The ability of any holder of Securities represented by a Registered Global Security accepted by DTC to resell, pledge or otherwise transfer such Securities may be impaired if the proposed transferee of such Securities is not eligible to hold such Securities through a direct or indirect participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Securities described under "*Transfer and Selling Restrictions*", cross-market transfers between DTC, on the one hand, and directly or indirectly through CBL or Euroclear accountholders, on the other, will be effected by the relevant clearing

system in accordance with its rules and through action taken by the Registrar, the Principal Paying Agent and any custodian ("**Custodian**") with whom the relevant Registered Global Securities have been deposited.

On or after the Issue Date for any Series, transfers of Securities of such Series between accountholders in CBL and Euroclear and transfers of Securities of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in CBL or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and CBL and Euroclear, on the other, transfers of interests in the relevant Registered Global Securities will be effected through the Registrar, the Principal Paying Agent and the Custodian receiving instructions (and, where appropriate, certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or CBL accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, CBL and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Securities among participants and accountholders of DTC, CBL and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuer, the Agents nor any Dealer will be responsible for any performance by DTC, CBL or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Securities represented by Registered Global Securities or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TRANSFER AND SELLING RESTRICTIONS

The Dealers have, in the "**Dealer Agreement**" dated 24 June 2016 agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Securities. Any such agreement will extend to those matters stated under "*Form of the Securities*" and "*Terms and Conditions of the Securities*". In the Dealer Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and any future update of the Programme and the issue of Securities under the Programme and to indemnify the Dealers certain liabilities incurred by them in connection therewith.

TRANSFER RESTRICTIONS

As a result of the following restrictions, purchasers of Securities in the United States are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Securities. Each purchaser of Registered Securities or person wishing to transfer an interest from one Registered Global Security to another or from global to definitive form or vice versa, will be required to acknowledge, represent and agree as follows (terms used in this paragraph that are defined in Rule 144A or in Regulation S are used herein as defined therein):

- that the Securities are being offered and sold in a transaction not involving a public offering in the United States within the meaning of the Securities Act, and that the Securities have not been and will not be registered under the Securities Act or any other applicable U.S. State securities laws and may not be offered, sold, pledged or otherwise transferred within the United States or to, or for the account or benefit of, U.S. persons except as set forth below;
- that, unless it holds an interest in a Regulation S Global Security and either is a person located outside the United States or is not a U.S. person, if in the future it decides to resell, pledge or otherwise transfer the Securities or any beneficial interests in the Securities, it will do so only (i) to the Issuer or any affiliate thereof, (ii) inside the United States to a person whom the seller reasonably believes is a QIB purchasing for its own account or for the account of a QIB in a transaction meeting the requirements of Rule 144A and which takes delivery in the form of an interest in the Rule 144A Global Security, (iii) outside the United States in compliance with Rule 903 or Rule 904 under the Securities Act, (iv) pursuant to the exemption from registration provided by Rule 144 under the Securities Act (if available) or (v) pursuant to an effective registration statement under the Securities Act, in each case in accordance with all applicable U.S. federal and state securities laws;
- it will, and will require each subsequent holder to, notify any purchaser of the Securities from it of the resale restrictions referred to in paragraph (c) above, if then applicable;
- that Securities initially offered in the United States to QIBs will be represented by one or more Rule 144A Global Securities, and that Securities offered outside the United States in reliance on Regulation S will be represented by one or more Regulation S Global Securities;
- that the Securities, other than the Regulation S Global Securities, will bear a legend to the following effect unless otherwise agreed to by the Issuer:

THIS LEGEND SHALL CEASE TO APPLY UPON THE EXPIRY OF THE PERIOD OF FORTY DAYS AFTER THE COMPLETION OF THE DISTRIBUTION OF ALL THE SECURITIES OF THE TRANCHE OF WHICH THIS SECURITY FORMS PART."; and

- that the Issuer and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that if any of such acknowledgements, representations or agreements made by it are no longer accurate, it shall promptly notify the Issuer; and if it is acquiring any Securities as a fiduciary or agent for one or more accounts it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of each such account.

No sale of Legended Securities in the United States to any one purchaser will be for less than U.S.\$ 100,000 (or its foreign currency equivalent) principal amount and no Legended Security will be issued in connection with such a sale in a smaller principal amount. If the purchaser is a non-bank fiduciary acting on behalf of others, each person for whom it is acting must purchase at least U.S.\$ 100,000 (or its foreign currency equivalent) of Registered Securities.

UNITED STATES

The Securities have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from, or not subject to, the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S.

The Securities in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and U.S. Treasury regulations promulgated thereunder.

In connection with any Securities which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S ("**Regulation S Securities**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver such Regulation S Securities (a) as part of their distribution at any time or (b) otherwise until forty days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Securities on a syndicated basis, the relevant lead manager, of all Securities of the Tranche of which such Regulation S Securities are a part (the "**Distribution Compliance Period**"), within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Regulation S Securities (other than a sale pursuant to Rule 144A) during the Distribution Compliance Period a confirmation or other

notice setting forth the restrictions on offers and sales of the Regulation S Securities within the United States or to, or for the account or benefit of, U.S. persons.

Until forty days after the commencement of the offering of any Series of Securities, an offer or sale of such Securities within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Dealers, directly or through their respective U.S. broker dealer affiliates, may arrange for the resale of Securities to QIBs pursuant to Rule 144A and each such purchaser of Securities is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Securities which may be purchased by a QIB pursuant to Rule 144A is U.S.\$ 100,000 (or the approximate equivalent thereof in any other Specified Currency). To the extent that the Issuer is not subject to or does not comply with the reporting requirements of section 13 or section 15(d) of the Exchange Act or the information furnishing requirements of Rule 12g3-2(b) thereunder, the Issuer has agreed to furnish to holders of Securities and to prospective purchasers designated by such holders, upon request, such information as may be required by Rule 144A(d)(4) so long as the Securities are considered "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act.

In the case of Exempt Securities, each issuance of Currency Linked Notes, Commodity Linked Notes, Fund Linked Notes, Index Linked Notes, Equity Linked Notes or Credit Linked Notes shall be subject to such additional U.S. selling restrictions as the Issuer and the relevant Dealer may agree as a term of the issuance and purchase of such Securities, which additional selling restrictions shall be set out in the applicable Pricing Supplement.

EUROPEAN ECONOMIC AREA

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Securities which are the subject of the offering contemplated by this Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Securities to the public in that Relevant Member State:

- if the final terms in relation to the Securities specify that an offer of those Securities may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a "**Non-exempt Offer**"), following the publication of a prospectus in relation to those Securities which has been approved by the competent authority in the Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

AUSTRALIA

No prospectus or other disclosure document (as defined in the Corporations Act 2001 of Australia (the "**Corporations Act**")) in relation to the Programme or any Securities has been, or will be, lodged with the Australian Securities and Investments Commission ("**ASIC**") or the Australian Stock Exchange or any other regulatory body or agency in Australia.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that unless a supplement to this Prospectus or, in the case of Exempt Securities, the applicable Pricing Supplement otherwise provides, it:
