GENERAL DESCRIPTION

The following overview is qualified in its entirety by the remainder of this Prospectus.

The Issuer

Crédit Agricole S.A. is the lead bank of the Crédit Agricole Group, which is France's largest banking group, and one of the largest in the world based on shareholders' equity. As of 30 September 2005, Crédit Agricole S.A. had total assets of €1082.8 billion, €416 billion in funds under management and €29.4 billion in shareholders' equity.

Crédit Agricole S.A., formerly known as the Caisse Nationale de Crédit Agricole ("CNCA"), was created by public decree in 1920 to distribute advances to and monitor a group of regional banks known as the "Caisses Régionales" on behalf of the French State. In 1988, the French State privatised CNCA in a mutualisation process, transferring most of its interest in CNCA to the Caisses Régionales. Today, the Caisses Régionales include 41 regional banks that operate the French retail network of the Crédit Agricole Group.

Crédit Agricole S.A. acts as the central bank of the Crédit Agricole Group, coordinates its sales and marketing strategy, ensures the liquidity and solvency of each of the entities in the Crédit Agricole Group and, through its subsidiaries, designs and manages specialised financial products that are distributed primarily by the Caisses Régionales. The Group operates two French retail banking segments. The first consists of the Caisses Régionales, which are 25% owned by Crédit Agricole S.A.. The second consists of the LCL (Crédit Lyonnais) retail banking network. The two networks offer consumer credit, leasing, payment and factoring services. The Group's specialised financial services segment combines all businesses providing banking products and services to individual and professional customers, to business customers and local authorities in France and elsewhere in the world, and includes consumer credit and specialised financing to businesses in the form of factoring and lease finance. The Group's corporate and investment banking segment conducts both financing activities and capital markets and investment banking activities. Through its asset management, insurance and private banking segment, the Group is a leading mutual fund manager and insurance provider in France and offers private banking services in France, Switzerland, Luxembourg and Monaco. The Group's international retail banking segment reflects its international expansion through alliances and participations in major retail banks located in Italy, Portugal, Greece, Poland and Chile.

Solvency Ratios

Crédit Agricole S.A.'s international solvency ratio as of 30 September 2005 was 8.2%, including a Tier 1 ratio of 7.8%.

The CRBF Regulation should be read in conjunction with the press release of the Bank for International Settlements dated 27 October 1998 concerning instruments eligible for inclusion in Tier 1 Capital (the “**BIS Press Release**”). The French language version of the BIS Press Release is attached to the report published annually by the SGCB entitled “*Modalités de calcul du ratio international de solvabilité*”.

Interest:

Interest will be payable on the following dates (each, an “**Interest Payment Date**”):

- (a) in respect of the period from and including 24 February 2006 (the “**Issue Date**”) up to but excluding 24 February 2016, at a rate per annum of 5.136 per cent payable annually in arrear commencing on 24 February 2007; and
- (b) in respect of the period from and including 24 February 2016, quarterly in arrear on 24 February, 24 May, 24 August and 24 November of each year, commencing on 24 May 2016, at a rate per annum equal to three-month LIBOR GBP plus 1.575 per cent per annum.

Payments of Interest:

The payment of interest will be mandatory on a Compulsory Interest Payment Date (as defined below). Interest in respect of the Notes on any other Interest Payment Date (an “Optional Interest Payment Date”) may be forfeited under the circumstances described herein.

“**Compulsory Interest Payment Date**” means each Interest Payment Date as to which at any time during a period of one-year prior to such Interest Payment Date:

- (a) the Issuer has declared or paid a dividend (whether in cash, shares or any other form but excluding a dividend paid in newly issued shares), or more generally made a payment of any nature, on any class of share capital or on other equity securities issued by the Issuer, or on the T3CJ, or on Deeply Subordinated Obligations or under any Support Agreement, in each case to the extent categorised as Tier 1 Capital, unless such payment on Deeply Subordinated Obligations or under Support Agreements was required to be made as a result of a dividend or other payment having been made on any class of share capital or on other equity or parity securities issued by the Issuer; or
- (b) the Issuer has redeemed, repurchased or otherwise acquired any class of its share capital or the T3CJ, by any means, with the exception of repurchases of share capital for purposes of making shares available to cover employee stock option, stock attribution or stock purchase programmes, regularisation of the Issuer’s share price, investment activities or holding shares with a view to their resale or exchange, particularly in connection with external growth transactions or the issuance of securities convertible into or exchangeable for the Issuer’s

share capital; or

- (c) any subsidiary of the Issuer has declared or paid a dividend on any Parity Securities, unless such dividend was required to be paid as a result of a dividend or other payment having been made on any class of share capital or on other equity securities issued by the Issuer or on any other Parity Securities qualifying as consolidated Tier 1 Capital of the Issuer.

provided, however, that if a Supervisory Event occurred prior to such Interest Payment Date and is continuing, such Interest Payment Date shall only be a Compulsory Interest Payment Date if such Supervisory Event had occurred prior to the relevant event described in subparagraph (a), (b) or (c) above.

On any Optional Interest Payment Date, the Issuer may, at its option, elect not to pay interest in respect of the Notes accrued to that date with a view to restoring its regulatory capital to allow the Issuer to ensure continuity of its activities without weakening its financial structure. Any interest not paid on such date shall be forfeited and no longer be due and payable by the Issuer.

In the event that a Supervisory Event has occurred during the Interest Period immediately preceding an Optional Interest Payment Date, the amount of Accrued Interest (i.e. interest accruing since the beginning of such Interest Period), if any, in respect of each Note shall automatically be suspended, and no interest on the Notes shall accrue or be payable by the Issuer with respect to the remaining period in such Interest Period or any other Interest Period during the period starting on the date of the Supervisory Event and ending on the date of the End of Supervisory Event, unless an event triggering a Compulsory Interest Payment Date subsequently occurs.

Such Accrued Interest may be paid on the next succeeding Optional Interest Payment Date occurring as from the date of the End of Supervisory Event.

Loss Absorption Upon Supervisory Event:

The amount of Accrued Interest, if any, and thereafter, if necessary, the Current Principal Amount of the Notes may be reduced following a Supervisory Event (unless the Issuer first completes a capital increase or certain other transactions). The amount by which Accrued Interest and, as the case may be, the then Current Principal Amount are reduced, will be equal to the amount of the insufficiency of the share capital increase or any other proposed measures aiming at an increase of the Tier 1 Capital to remedy the Supervisory Event. For the avoidance of doubt, the first remedy to the capital deficiency event will be a share capital increase. See “Terms and Conditions of the Notes – Loss Absorption and Return to Financial Health”.

Supervisory Event:

Supervisory Event means the first date on which either of the following events occurs:

- (a) the total risk-based consolidated capital ratio of the Issuer, calculated in accordance with the Applicable Banking Regulations, falls below the minimum percentage required in accordance with Applicable Banking Regulations; or
- (b) the notification by the SGCB to the Issuer that the SGCB has determined, in its sole discretion, in view of the

deteriorating financial condition of the Issuer, that the foregoing paragraph (a) of this definition would apply in the near term.

A Supervisory Event shall be deemed to occur pursuant to paragraph (a) above on the date on which the Issuer determines that the total risk-based consolidated capital ratio has fallen below the relevant level.

End of Supervisory Event:

End of Supervisory Event means, following a Supervisory Event, the first date on which either of the following events occurs:

- (a) if the Supervisory Event occurred pursuant to paragraph (a) of the definition of Supervisory Event, the total risk-based consolidated capital ratio of the Issuer, calculated in accordance with the Applicable Banking Regulations, complies with the minimum percentage required in accordance with Applicable Banking Regulations; or
- (b) if the Supervisory Event occurred pursuant to paragraph (b) of the definition of Supervisory Event, the notification by the SGCB to the Issuer that it has determined, in its sole discretion, in view of the financial condition of the Issuer, that the circumstances which resulted in the Supervisory Event have ended.

An End of Supervisory Event shall be deemed to occur pursuant to paragraph (a) above on the date on which the Issuer determines that the total risk-based consolidated capital ratio has been restored to the relevant level.

Return to Financial Health:

Return to Financial Health means a positive Consolidated Net Income recorded for at least two consecutive financial years reported following the End of Supervisory Event. The Current Principal Amount of the Notes may be reinstated following a Return to Financial Health, to the extent any such reinstatement does not trigger the occurrence of a Supervisory Event.

Whether or not a Return to Financial Health has occurred, the Issuer shall increase the Current Principal Amount of the Notes up to the Original Principal Amount in certain circumstances, including payment of dividends on share capital, redemption of the Notes or liquidation of the Issuer.

Early Redemption:

The Notes may be redeemed (in whole but not in part) on 24 February 2016 and on any Interest Payment Date thereafter, at the option of the Issuer. Any such redemption will be at the Original Principal Amount.

The Issuer will also have the right, and in certain circumstances the obligation, to redeem the Notes at par at any time (in whole but not in part) in case of imposition of withholding tax, in case of loss of deductibility for corporate income tax purposes and in case of loss of Tier 1 Capital status (except as a result of the application of the limits on the portion of Issuer's Tier 1 Capital that may consist of hybrid securities in accordance with Applicable Banking Regulations). Any such redemption will be at a price equal to the greater of (i) the Base Redemption Price, or (ii) the Make-Whole Amount.

Any early redemption is subject to the prior approval of the SGCB.

Taxation:	The Notes will, upon issue, benefit from an exemption from deduction for withholding tax as provided in “Terms and Conditions of the Notes”. If French law shall require any such deduction, the Issuer shall, to the extent permitted by law and subject to certain exceptions, pay additional amounts.
Negative Pledge:	There is no negative pledge in respect of the Notes.
Event of Default:	There will be an event of default in the event of the judicial liquidation (<i>liquidation judiciaire</i>) or liquidation for any other reason of the Issuer, in which case the rights of the Noteholders will be to the Original Principal Amount of the Notes plus Accrued Interest.
Representation of Noteholders:	The Noteholders will be grouped automatically for the defence of their respective common interests in a <i>masse</i> governed by the provisions of the French <i>Code de commerce</i> and by French <i>décret</i> no. 67-236 of 23 March 1967 subject to certain exceptions and provisions.
Form of Notes:	<p>The Notes will, upon issue on 24 February 2006 be entered in the books of Euroclear France, which shall credit the accounts of the Account Holders, including the depositary bank for Clearstream Luxembourg and Euroclear.</p> <p>The Notes will be issued in bearer dematerialised form (<i>au porteur</i>) and will at all times be represented in book entry form in compliance with article L.211-4 of the <i>Code monétaire et financier</i>.</p>
Listing and admission to trading:	Application has been made for the Notes to be admitted to trading on the EU regulated market of the Luxembourg Stock Exchange and to listing on the official list of the Luxembourg Stock Exchange. Such listing is expected to occur on the Issue Date.
Selling Restrictions:	There are restrictions on the sale of the Notes and the distribution of offering material in various jurisdictions.
Rating:	The Notes are expected to be assigned upon issue a rating of "A1" by Moody's Investors Service, Inc., "A" by Standard & Poor's Ratings Group and "AA-" by Fitch Ratings.
Governing Law:	French law.

RISK FACTORS

Prior to making an investment decision, prospective investors should consider carefully all of the information set out and incorporated by reference in this Prospectus, including in particular the following risk factors. This section is not intended to be exhaustive and prospective investors should make their own independent evaluations of all risk factors and should also read the detailed information set out elsewhere in this Prospectus. Terms defined in "Terms and Conditions of the Notes" below shall have the same meaning where used below. Certain risk factors relating to the Issuer, its operations and its structure are incorporated by reference in this Prospectus. See " Documents Incorporated by Reference".

Risks Related to the Notes

The Notes are Deeply Subordinated Obligations

The Issuer's obligations under the Notes are deeply subordinated obligations of the Issuer which are the most junior debt instruments of the Issuer, ranking *pari passu* among themselves and with all other present and future claims against the Issuer pursuant to Support Agreements and with Deeply Subordinated Obligations of the Issuer, senior to the principal in respect of the T3CJ of the Issuer, and subordinated to and ranking behind the claims of all other unsubordinated and ordinarily subordinated creditors of the Issuer, lenders in relation to *prêts participatifs* granted to the Issuer and holders of *titres participatifs* issued by the Issuer. The Issuer's obligations under the Notes rank in priority only to any classes of shares of the Issuer and the principal in respect of the T3CJ.

Write-down mechanism following Supervisory Event

The Notes are being issued for capital adequacy regulatory purposes with the intention and purpose of being eligible as Tier 1 Capital for the Issuer, subject to the limits on the portion of the Issuer's Tier 1 capital that may consist of hybrid securities in accordance with Applicable Banking Regulations and the interpretations of the SGCB. Such eligibility depends upon a number of conditions being satisfied and which are reflected in the terms and conditions of the Notes. One of these relates to the ability of the Notes and the proceeds of their issue to be available to absorb any losses of the Issuer. Accordingly, in certain circumstances and/or upon the occurrence of certain events, payments of interest under the Notes may be restricted and, in certain cases, forfeited and the amount of Accrued Interest and the Current Principal Amount of the Notes may be reduced.

Restrictions on Payment

For so long as the compulsory interest provisions do not apply, the Issuer may elect, and in certain circumstances shall be required, not to pay interest falling due on the Notes on any Interest Payment Date. Any interest not so paid on any such Interest Payment Date shall be forfeited and shall therefore no longer be due and payable by the Issuer, save as otherwise provided. See "Terms and Conditions of the Notes – Interest and Interest Suspension".

In addition, in certain circumstances, payment of interest will be suspended automatically upon the occurrence of a Supervisory Event. See "Terms and Conditions of the Notes – Interest and Interest Suspension".

The Accrued Interest and the Current Principal Amount of the Notes may be reduced, as required, on one or more occasions following a Supervisory Event, on a semi-annual basis. See "Terms and Conditions of the Notes – Loss Absorption and Return to Financial Health".

No Limitation on Issuing Debt

There is no restriction on the amount of debt which the Issuer may issue or guarantee. The Issuer and its subsidiaries and affiliates may incur additional indebtedness or grant guarantees in respect of indebtedness of third parties, including indebtedness or guarantees that rank senior in priority of payment to the Notes. If the Issuer's financial condition were to deteriorate, the Noteholders could suffer direct and materially adverse consequences, including suspension of interest and reduction of interest and principal and, if the Issuer were liquidated (whether voluntarily or involuntarily), loss by Noteholders of their entire investment.

Undated Securities

The Notes are undated securities, with no specified maturity date. The Issuer is under no obligation to redeem the Notes at any time (except as provided in "Terms and Conditions of the Notes – Redemption and Purchase").

The Noteholders have no right to require redemption of the Notes, except if a judgment is issued for the insolvent judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason. See "Terms and Conditions of the Notes - Event of Default" below.

Redemption Risk

The Notes are undated obligations in respect of which there is no fixed redemption date. Nevertheless, the Notes may be redeemed at the option of the Issuer, in whole but not in part, (i) on the First Call Date and on any Interest Payment Date thereafter and (ii) at any time for certain tax or regulatory reasons. See "Terms and Conditions of the Notes – Redemption and Purchase".

In certain circumstances for tax reasons (see "Terms and Conditions of the Notes – Redemption and Purchase"), the Issuer will be required to redeem the Notes in whole (but not in part).

In each case, early redemption of the Notes is subject to the prior approval of the *Secrétariat général de la Commission bancaire*.

There can be no assurance that, at the relevant time, Noteholders will be able to reinvest the amounts received upon redemption at a rate that will provide the same return as their investment in the Notes.

No Prior Market for the Notes

There is currently no existing market for the Notes, and there can be no assurance that any market will develop for the Notes or that Noteholders will be able to sell their Notes in the secondary market. There is no obligation to make a market in the Notes. Application has been made for the Notes to be listed on the Luxembourg Stock Exchange.

Interest will cease to accrue on the Notes on the due date for redemption thereof unless, upon such due date, payment of principal is improperly withheld or refused or if default is otherwise made in respect of payment thereof. In such event, interest will continue to accrue at the relevant rate as specified in the preceding paragraph (as well after as before judgment) on the Original Principal Amount of the Notes until the day on which all sums due in respect of the Notes up to that day are received by or on behalf of the relevant Noteholder.

4.2 Fixed Interest Rate

4.2.1 The amount of interest (the "Fixed Rate Interest Amount") payable on the Notes on the Fixed Rate Interest Payment Date will be the product of the Current Principal Amount of the Notes and the Fixed Interest Rate, multiplied by the Actual/Actual day count fraction and rounding the resulting figure, if necessary, to the nearest cent (half a cent being rounded upwards).

4.2.2 If interest is required to be calculated in respect of the Fixed Rate Interest Period where the Current Principal Amount of the Notes is less than their Original Principal Amount for a portion thereof, it shall be calculated by the Calculation Agent by applying the Fixed Interest Rate to the Current Principal Amount of the Notes as determined from time to time within the Regular Period, multiplying such product by the Actual/Actual day count fraction for each relevant portion of a Regular Period, adding the results for all such portions and rounding the resulting figure, if necessary, to the nearest cent (half a cent being rounded upwards). The Calculation Agent will cause such Fixed Rate Interest Amount to be notified to the Issuer, the Fiscal Agent and the Luxembourg Stock Exchange and will cause the publication thereof in accordance with Condition 11 as soon as possible after its determination but in no event later than the fourth London Business Day thereafter.

For the purposes of this Condition 4:

"Actual/Actual" means, in respect of any period, the actual number of days in such period divided by 365 (or, if any portion of that period falls in a leap year, the sum of (A) the actual number of days in that portion of the period falling in a leap year divided by 366, and (B) the actual number of days in that portion of the period falling in a non-leap year divided by 365);

"London Business Day" means a day (other than a Saturday or Sunday) on which banks are open for general business in London; and

"Regular Period" means each period from (and including) the Issue Date or any Interest Payment Date to (but excluding) the next Interest Payment Date.

4.3 Floating Rate

4.3.1 The Notes bear interest at the Floating Interest Rate from and including 24 February 2016, payable on each Floating Rate Interest Payment Date. The "Floating Interest Rate" for each Floating Rate Interest Period shall be equal to three-month LIBOR GBP for such Floating Rate Interest Period plus 1.575 per cent per annum.

As used herein:

"LIBOR GBP," means, for each Floating Rate Interest Period, the rate (expressed as a percentage per annum) determined as of the Reset Date on which such Floating Rate Interest Period starts, as follows:

(a) the rate for deposits in Sterling, which appears on Telerate Page 3750 as of 11:00 a.m., London time, on that Reset Date; or

(b) if such rate does not appear on Telerate Page 3750, the rate will be determined by the Calculation Agent on the basis of the rates at which deposits in Sterling are offered by the Reference Banks at approximately 11:00 a.m., London time, on that Reset Date to Reference Banks for a three-month period commencing on that Reset Date. The Calculation Agent will request the principal London office of each of the Reference Banks to provide a quotation of its rate. If at least two quotations are provided, the rate for that Reset Date will be the arithmetic mean of the quotations. If fewer than two quotations are provided as requested, the rate for the Reset Date will be the arithmetic mean of the rates quoted by major banks in London, selected by the Calculation Agent, at approximately 11:00 a.m., London time, on that Reset Date for loans in Sterling to leading European banks commencing on that Reset Date and in a Representative Amount. If the Calculation Agent is unable to obtain at least two such quotations, then LIBOR GBP shall be the rate determined as of the immediately preceding Reset Date.

"Reference Banks," means four major banks in the London interbank market selected by the Calculation Agent.

"Representative Amount," means a principal amount equal to an amount that is representative for a single transaction in the London interbank market by four major banks in the London interbank market selected by the Calculation Agent at approximately 11:00 a.m., London time.

"Reset Date," for a Floating Interest Period, means the first day of that Floating Interest Period.

"Telerate Page 3750," means the display designated as "Page 3750" on the Bridge/Telerate Service (or such other page as may replace Page 3750 on that service or such other service or services as may be nominated as the information vendor for the purpose of displaying London interbank offered rates for Sterling deposits).

All percentages resulting from any calculations on the Notes will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 9.876545% (or .09876545) being rounded to 9.87655% (or .0987655)), and all GBP amounts used in or resulting from such calculation will be rounded to the nearest 0.001 GBP (with 0.0005 being rounded upward).

4.3.2 Determination of Floating Interest Rate and Calculation of Floating Rate Interest Amount by the Calculation Agent

The Calculation Agent will, as soon as practicable after 11.00 a.m., London time, on each Reset Date in relation to each Floating Rate Interest Period, calculate the amount of interest (the "Floating Rate Interest Amount") payable in respect of each Note for such Floating Rate Interest Period. The Floating Rate Interest Amount will be calculated by applying the Floating Interest Rate for such Floating Rate Interest Period to the Current Principal Amount of such Note as determined, if the Current Principal Amount of the Notes is less than the Original Principal Amount for a portion of such Floating Rate Interest Period, from time to time within such Floating Rate Interest Period, multiplying the product by the Actual/Actual day count fraction for each relevant portion of such Floating Rate Interest Period, adding the results for all such portions and rounding the resulting figure to the nearest cent (half a cent being rounded upwards).

4.3.3 Publication of Floating Interest Rate and Floating Rate Interest Amount

The Calculation Agent will cause the Floating Interest Rate and the Floating Rate Interest Amount for each Floating Rate Interest Period and the relevant Floating Rate Interest Payment Date to be notified to the Issuer, the Fiscal Agent and the Luxembourg Stock Exchange and any other stock exchange on which the Notes are for the time being listed and the Calculation Agent will cause publication thereof in accordance with Condition 11 on or as soon as practicable after the first day of the relevant Floating Rate Interest Period. If the Notes become due and payable under Condition 6.2(b) or 6.3 or under Condition 9 after the First Call Date other than on a Floating Rate Interest Payment Date, the Floating Rate Interest Amount and the Floating Interest Rate payable in respect of the Notes shall nevertheless continue to be calculated as previously described by the Calculation Agent in accordance with this Condition 4 until the Notes are actually repaid but no publication of the Floating Interest Rate or the Floating Rate Interest Amount so calculated need be made.

4.4 Compulsory Interest and Optional Interest

4.4.1 On any Compulsory Interest Payment Date

The Issuer shall, on each Compulsory Interest Payment Date, for so long as the compulsory interest provisions apply (as set out in the definition of "Compulsory Interest Payment Date"), pay interest in respect of the Notes accrued to that date in respect of the Interest Period ending immediately prior to such Compulsory Interest Payment Date.

Interest accrued and payable on any Compulsory Interest Payment Date is not subject to reduction in accordance with Condition 5.1.

4.4.2 On any Optional Interest Payment Date

For so long as the compulsory interest provisions do not apply, the Issuer may elect not to pay interest on any Optional Interest Payment Date.

On any Optional Interest Payment Date, the Issuer may, at its option, pay interest in respect of the Notes accrued to that date in respect of the Interest Period ending immediately prior to such Optional Interest Payment Date, but the Issuer shall have, subject to such election and decision having been made as described above, no obligation to make such payment and any such failure to pay shall not constitute a default by the Issuer under the Notes or for any other purpose.

Notice of non-payment of all or any interest under the Notes on any Optional Interest Payment Date shall be given to the Noteholders in accordance with Condition 11 and (for so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require) to the Luxembourg Stock Exchange. Such notice shall be given at least seven days prior to the relevant Optional Interest Payment Date.

Save as otherwise provided, any interest not paid on an Optional Interest Payment Date will be forfeited and accordingly will no longer be due and payable by the Issuer.

The amount of Accrued Interest in respect of the Interest Period ending immediately prior to any Optional Interest Payment Date may be reduced following a Supervisory Event, as provided in Condition 5.1.

Payment of interest will automatically be suspended upon the occurrence of a Supervisory Event (and until the occurrence of an End of Supervisory Event), unless the relevant Interest Payment Date is a Compulsory Interest Payment Date.

4.5 Optional Interest and Supervisory Event

4.5.1 Interest Payable on Optional Interest Payment Dates Following the Occurrence of a Supervisory Event

In the event that a Supervisory Event has occurred during the Interest Period immediately preceding an Optional Interest Payment Date:

- (x) the accrual of interest, if any, in respect of the Notes shall automatically be suspended. In addition, the amount of Accrued Interest may be reduced to absorb losses in accordance with Condition 5.1; and
- (y) no interest on the Notes shall accrue nor be payable by the Issuer with respect to the remaining period in such Interest Period or any other Interest Period during the period starting on the date of the Supervisory Event and ending on the date of the End of Supervisory Event, unless an event triggering a Compulsory Interest Payment Date subsequently occurs.

Such interest may be paid on the next succeeding Optional Interest Payment Date occurring as from the date of the End of Supervisory Event.

4.5.2 Interest Payable on Optional Interest Payment Dates after End of Supervisory Event

At the option of the Issuer, any Accrued Interest, to the extent not reduced to absorb losses in accordance with Condition 5.1, may be paid on the first Optional Interest Payment Date falling on or after the date of the End of Supervisory Event. Any Accrued Interest not paid by the Issuer on such first Optional Interest Payment Date will be forfeited.

In respect of any Optional Interest Payment Date which occurs on or after the End of Supervisory Event, interest on the Notes will recommence accruing on its Current Principal Amount, on the basis of the number of days elapsed during the period from (and including) the date of End of Supervisory Event to (but excluding) the next succeeding Interest Payment Date as calculated by the Calculation Agent in accordance with Condition 4.2 or, as the case may be, 4.3. At the option of the Issuer, such interest may be paid on the next succeeding Optional Interest Payment Date occurring as from the date of the End of Supervisory Event (inclusive). Any such interest not paid by the Issuer on such first Optional Interest Payment Date will be forfeited.

5. LOSS ABSORPTION AND RETURN TO FINANCIAL HEALTH

5.1 Loss Absorption

In the event of the occurrence of a Supervisory Event, the board of directors of the Issuer will convene an extraordinary shareholders' meeting within the 3 months following the occurrence of the Supervisory Event in order to propose a share capital increase or any measure regarded as necessary or useful to remedy the Supervisory Event. If the share capital increase or any proposed measures are not accepted by the extraordinary shareholders' meeting or if the share capital increase is not sufficiently subscribed to remedy the Supervisory Event, or if the Supervisory Event remains on the last day of the financial half year during which the Supervisory Event has occurred, the Issuer will implement, within 10 Business Days (as defined in Condition 7.2) following the last day of this financial half year, a reduction of the amount of Accrued Interest, if any, and thereafter, if necessary, of the Current Principal Amount of the Notes ("Loss Absorption"). A Loss Absorption will firstly be implemented by partially or fully reducing the amount of the Accrued Interest, if any. If the total reduction of Accrued Interest is not sufficient for the purpose of the Loss Absorption, a further Loss Absorption will be implemented by partially or fully reducing the Current Principal Amount of the Notes. Such reductions will be recorded as a profit in the Issuer's consolidated accounts (whether audited annual or unaudited semi-annual).

The amounts by which Accrued Interest and, as the case may be, the then Current Principal Amount of the Notes are reduced (the "Reduction Amounts") will be equal to the amount of the insufficiency of the share

capital increase or any other proposed measures aiming at an increase of the Tier 1 Capital to remedy the Supervisory Event.

Notwithstanding any other provision, the Current Principal Amount of each Note shall never be reduced to an amount lower than one cent of one euro.

For the avoidance of doubt, the first remedy to the Supervisory Event will be the share capital increase. To the extent such increase of share capital or other measures are not sufficient, the Loss Absorption will be applied first against the amount of Accrued Interest, if any, and thereafter, if necessary, against the Current Principal Amount of the Notes as herein described.

Accrued Interest and the Current Principal Amount of the Notes pursuant to the above provision may be reduced on one or more occasions, as required.

In the event that other Deeply Subordinated Obligations which would be subject to such reductions are outstanding, such reductions will be applied on a pro-rata basis among the Notes and such other Deeply Subordinated Obligations.

Interest accrued and payable on any Compulsory Interest Payment Date is not subject to reduction.

Notice of any Supervisory Event and of any End of Supervisory Event shall be given to the Noteholders in accordance with Condition 11 and (for so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require) the Luxembourg Stock Exchange. Such notice shall be given as soon as practicable following the occurrence of a Supervisory Event and of any End of Supervisory Event. Notice of any reduction of the Current Principal Amount of the Notes shall be given to the Noteholders in accordance with Condition 11 and (for so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require) the Luxembourg Stock Exchange. Such notice shall be given at least seven Business Days prior to the relevant reduction of the Current Principal Amount.

5.2 Return to Financial Health

If a positive Consolidated Net Income is recorded for at least two consecutive financial years reported following the End of Supervisory Event (a "Return to Financial Health"), the Issuer shall increase the Current Principal Amount of the Notes (a "Reinstatement") in a maximum amount that will ensure that any such Reinstatement (either up to the Original Principal Amount or up to any other amount lower than the Original Principal Amount) does not trigger the occurrence of a Supervisory Event.

Whether or not a Return to Financial Health has occurred, the Issuer shall increase the Current Principal Amount of the Notes up to the Original Principal Amount (which shall also constitute a "Reinstatement") prior to:

- (i) any declaration or payment of a dividend (whether in cash, shares or any other form but excluding a dividend paid in additional shares), or more generally any payment of any nature, by the Issuer on any class of share capital or on other equity securities issued by the Issuer, in each case to the extent categorised as Tier 1 Capital, on the T3CJ, or on Deeply Subordinated Obligations or under any Support Agreement, unless such payment on Deeply Subordinated Obligations or under Support Agreements was required to be made as a result of a dividend or other payment having been made on any class of such share capital or on other such equity securities issued by the Issuer; or
- (ii) any declaration or payment by any subsidiary of the Issuer of a dividend on any Parity Securities, unless such dividend was required to be paid as a result of a dividend or other payment having been made on any class of such share capital or on other such equity securities issued by the Issuer or on any other Parity Securities; or
- (iii) any optional redemption by the Issuer of the Notes in accordance with their terms.

No payments will be made to holders of the T3CJ, of shares of any class whatsoever of the share capital of the Issuer or of any other equity securities issued by the Issuer, in each case to the extent categorised as Tier 1 Capital, before all amounts due, but unpaid, to all Noteholders under the Notes have been paid by the Issuer.

No such Reinstatement shall be made in the event of a redemption or repurchase by the Issuer or any subsidiary of the Issuer of any Parity Securities, other Deeply Subordinated Obligations or any other securities issued by the Issuer or any loans granted to the Issuer which rank *pari passu* with the Notes or in the event of a redemption, repurchase or other acquisition by the Issuer of the T3CJ or of any class of its share capital.

Any Reinstatement shall be recorded by the Issuer in its consolidated accounts as a loss of an amount corresponding to such Reinstatement.

The amount of any Reinstatement will not exceed the amount of the latest positive Consolidated Net Income of the Issuer.

For the avoidance of doubt, any Reinstatement shall be made in a maximum amount that will ensure that such Reinstatement does not trigger the occurrence of a Supervisory Event or, except with respect to Condition 5.2 (iii) above, a worsening of a Supervisory Event.

In the event that other Deeply Subordinated Obligations are outstanding and may also benefit from a reinstatement or an increase of their Current Principal Amount in accordance with their terms, any Reinstatement will be applied on a pro-rata basis with other reinstatements or increases of the principal amount made on such other Deeply Subordinated Obligations.

Such Reinstatement or increase of the Current Principal Amount of the Notes shall be made on one or more occasions in the conditions described above until the Current Principal Amount of the Notes has been reinstated to the Original Principal Amount (save in the event of occurrence of another Supervisory Event).

Any Accrued Interest that has been reduced pursuant to Condition 5.1 shall not be reinstated pursuant to this Condition 5.2.

Notice of any Return to Financial Health shall be given to the Noteholders in accordance with Condition 11 and (for so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require) the Luxembourg Stock Exchange. Notice of any Reinstatement and any increase of the Current Principal Amount of the Notes shall be given to the Noteholders in accordance with Condition 11 and (for so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require) to the Luxembourg Stock Exchange.

6. REDEMPTION AND PURCHASE

The Notes may not be redeemed otherwise than in accordance with this Condition 6.

6.1 No Final Redemption

The Notes are undated obligations in respect of which there is no fixed redemption date.

6.2 Issuer's Call Options Subject to the Approval of the SGCB

(a) General Call Option

On the First Call Date and on any Interest Payment Date thereafter, the Issuer, subject to having given not less than 30, and not more than 60, days' prior notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 11, and subject to prior approval of the SGCB, may, at its option, redeem all but not some of the Notes at their Original Principal Amount, together with any amounts outstanding thereon, including Accrued Interest.

(b) Redemption for Regulatory Reasons or Taxation Reasons

(i) If by reason of any change in French law, any change in Applicable Banking Regulations, or any change in the official application or interpretation of such laws or regulations, becoming effective on or after the Issue Date, securities in the nature of the Notes cease to be eligible as Tier 1 Capital for the Issuer (except as a result of the application of the limits on the portion of the Issuer's Tier 1 Capital that may consist of hybrid securities), the Issuer may, at its option, at any time, subject to having given not more than 60 nor less than 30 day's notice to Noteholders (which notice shall be irrevocable) in accordance with Condition 11, and subject to the prior approval of the SGCB, redeem all, but not some only, of the Notes then outstanding at any time up to and including the First Call Date at a price equal to the greater of (A) the Base Redemption Price, and (B) the Make-Whole Amount, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest date on which the proceeds of the Notes could qualify as Tier 1 Capital.

(ii) If by reason of any change in the laws or regulations of the Republic of France, or any political subdivision therein or any authority thereof or therein having power to tax, any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), or any other change in the tax treatment of the Notes, becoming effective on or after the Issue Date, interest payment under the Notes is no longer tax-deductible by the Issuer for French corporate income tax (*impôts sur les bénéfices des sociétés*) purposes, the Issuer may, at its option, at any time, subject to having given not more than 60 nor less than 30 day's notice to Noteholders (which notice shall be irrevocable) in

accordance with Condition 11, and subject to the prior approval of the SGCB, redeem all, but not some only, of the Notes then outstanding at any time up to and including the First Call Date at a price equal to the greater of (A) the Base Redemption Price, and (B) the Make-Whole Amount, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make such payment with interest payable being tax deductible for French corporate income tax (*impôts sur les bénéfices des sociétés*) purposes.

(iii) If by reason of a change in the laws or regulations of the Republic of France, or any political subdivision therein or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), becoming effective on or after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Condition 8, the Issuer may, at any time, subject to having given not more than 60 nor less than 30 days' prior notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 11, and subject to the prior approval of the SGCB, redeem all, but not some only, of the Notes then outstanding at any time up to and including the First Call Date and on any Interest Payment Date thereafter at their Original Principal Amount plus accrued interest, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes or, if such date has passed, as soon as practicable thereafter.

(iv) If the Issuer would on the next payment of principal or interest in respect of the Notes be prevented by French law from making payment to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven days' prior notice to the Noteholders in accordance with Condition 11, and subject to the prior approval of the SGCB, redeem all, but not some only, of the Notes then outstanding at any time up to and including the First Call Date and on any Interest Payment Date thereafter at their Original Principal Amount plus accrued interest, provided that the due date for redemption of which notice hereunder shall be given shall be no earlier than the latest practicable date on which the Issuer could make payment of the full amount of principal and interest payable without withholding for French taxes or, if such date has passed, as soon as practicable thereafter.

(v) The following definitions shall apply in connection with the calculation of the redemption price for any redemption of Notes effected pursuant to this paragraph (b).

"Adjusted Yield" means (a) the Bond Yield plus (b) 0.50%.

"Base Redemption Price" means, for any Note, 100% of the Original Principal Amount of such Note plus accrued and unpaid interest thereon through (but excluding) the Special Event Redemption Date.

"Bond Yield" means the rate per annum equal to the annual yield to maturity of the Comparable Bond Issue, assuming a price equal to the Comparable Bond Price for the Calculation Date.

"Calculation Date" means the third Business Day prior to the Special Event Redemption Date.

"Comparable Bond Issue" means, with respect to any Special Event Redemption Date, the bond selected by the Quotation Agent that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes from the Special Event Redemption Date to the First Call Date.

"Comparable Bond Price" means (a) the average of five Reference Bond Dealer Quotations, after excluding the highest and lowest such Reference Bond Dealer Quotations, or (b) if the Quotation Agent obtains fewer than five such Reference Bond Dealer Quotations, the average of all such Reference Bond Dealer Quotations.

"Make-Whole Amount" means an amount, as determined by a Quotation Agent, equal to (i) the present value of the Original Principal Amount of a Note (that is £50,000 per Note) discounted from the First Call Date, plus (ii) the present values of scheduled annual interest payments from the Special Event Redemption Date to and including the First Call Date (assuming in each case that no such interest payments are deferred or cancelled), plus, (iii) all interest accrued and unpaid in respect of a Note through (but excluding) the Special Event Redemption Date. The present values calculated in (i) and (ii) above shall be calculated by discounting the relevant amounts to the Special Event Redemption Date on an annual basis at the Adjusted Yield.

"Primary Bond Dealer" means any credit institution or financial services institution that regularly deals in bonds and other debt securities.

"Quotation Agent" means a Primary Bond Dealer in London, that is selected by the Issuer but is not affiliated with the Issuer, *provided, however*, that if such Quotation Agent shall cease to be a Primary Bond Dealer in London, the Issuer will be entitled to appoint another Quotation Agent that is a Primary Bond Dealer in London.

"Reference Bond Dealer" means either the Quotation Agent, or any other Primary Bond Dealer selected by the Quotation Agent after consultation with the Bank.

"Reference Bond Dealer Quotations" means the average, as determined by the Quotation Agent, of the bid and ask prices for the Comparable Bond Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Bond Dealer at 11:00 a.m., London time, on the Calculation Date.

"Special Event Redemption Date" means a redemption date for the Notes that occurs pursuant to this paragraph (b).

6.3 Purchases

The Issuer may at any time purchase Notes in the open market or otherwise at any price provided that the prior approval of the SGCB shall have to be obtained.

6.4 Cancellation

All Notes which are purchased or redeemed by the Issuer pursuant to paragraphs 6.2 to 6.3 of this Condition 6 will be cancelled and accordingly may not be reissued or sold.

7. PAYMENTS AND CALCULATIONS

7.1 Method of Payment

Payments in respect of principal and interest on the Notes will be made in GBP by credit or transfer to a GBP denominated account (or any other account to which GBP may be credited or transferred) specified by the payee with a bank in a country within the European Union. Such payments shall be made for the benefit of the Noteholders to the Account Holders (including the depositary banks for Euroclear and Clearstream, Luxembourg) and all payments validly made to such Euroclear France Account Holders in favour of Noteholders will be an effective discharge of the Issuer and the Fiscal Agent, as the case may be, in respect of such payment.

Payments in respect of principal and interest on the Notes will, in all cases, be made subject to any fiscal or other laws and regulations or orders of courts of competent jurisdiction applicable in respect of such payments but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged by the Issuer, the Fiscal Agent or any Paying Agent to the Noteholders in respect of such payments.

7.2 Payments on Business Days

If the due date for payment of any amount of principal or interest in respect of any Note is not a Business Day (as defined below), payment shall not be made of the amount due and credit or transfer instructions shall not be given in respect thereof until the next following Business Day and the Noteholder shall not be entitled to any interest or other sums in respect of such postponed payment.

For the purposes of this Condition, "Business Day" means any day, not being a Saturday or a Sunday, (i) on which exchange markets and commercial banks are open for business in Paris, (ii) on which Euroclear France, Euroclear and Clearstream, Luxembourg are operating and (iii) which is a London Business Day.

7.3 Fiscal Agent, Paying Agents and Calculation Agent

The name and specified office of the initial Fiscal Agent, the name and specified office of the other initial Paying Agent and the name and specified office of the initial Calculation Agent are as follows:

FISCAL AGENT, PRINCIPAL PAYING AGENT AND CALCULATION AGENT

CACEIS Corporate Trust S.A.

LUXEMBOURG PAYING AGENT

CACEIS Bank Luxembourg

The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, Paying Agent(s), Calculation Agent and/or appoint a substitute Fiscal Agent, Paying Agent, Calculation Agent and additional or other Paying Agents or approve any change in the office through which the Fiscal Agent, the Calculation Agent or any Paying Agent acts, provided that there will at all times be (i) a Fiscal Agent having a specified office in a European city, (ii) so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that Exchange so require, a Paying Agent having a specified office in Luxembourg (which may be the Fiscal Agent), and (iii) so long as any Note is outstanding, a Calculation Agent having a specified office in a European city. If the Calculation Agent is unable or unwilling to continue to act as such or if the Calculation Agent fails to make any calculations in relation to the Notes, the Issuer shall appoint some other leading European bank engaged in the Euro inter-bank market (acting through its principal European office) to act in its place, subject to having given notice to the Noteholders in accordance with Condition 11 not more than 45 nor less than 30 days prior to such appointment. The Calculation Agent may not resign its duties without a successor having been so appointed. Any notice of a change in Fiscal Agent, Paying Agent, Calculation Agent or their specified office shall be given to Noteholders as specified in Condition 11.

7.4 Certificates to be final

All certificates, communications, opinion, determinations, calculation, quotations and decisions given, expressed, made or obtained for the purpose of the provisions of these Conditions whether by the Calculation Agent or the relevant banks in the Euro-zone interbank market (or any of them) shall (in the absence of wilful default or manifest error) be binding on the Issuer, the Calculation Agent, the Paying Agents, the Fiscal Agent, the relevant banks in the Euro-zone interbank market, and all the Noteholders. No Noteholder shall (in the absence as aforesaid) be entitled to proceed against the Calculation Agent or any of them in connection with the exercise or non-exercise by them of their powers, duties and discretions.

8. TAXATION

8.1 Withholding Tax Exemption

Because the Notes constitute *obligations* under French law and are issued outside of France through an international syndicate, payments of interest and other revenues made by the Issuer in respect of the Notes to Noteholders who are not concurrently shareholders of the Issuer benefit under present law (as interpreted in the Instruction of the *Direction Générale des Impôts* 5 I-11-98 dated September 30, 1998) from the exemption provided for in Article 131 quater of the French *Code Général des Impôts* (General Tax Code) from deduction of tax at source. Accordingly, such payments do not give the right to any tax credit from any French source.

8.2 Additional Amounts

If French law should require that payments of principal or interest in respect of any Note be subject to deduction or withholding in respect of any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed or levied by or on behalf of the Republic of France or any authority therein or thereof having power to tax, the Issuer shall, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the holder of each Note, after such deduction or withholding, will receive the full amount then due and payable thereon in the absence of such deduction or withholding; provided, however, that the Issuer shall not be liable to pay any such additional amounts in respect of any Note to a Noteholder (or beneficial owner (*ayant droit*)):

- (a) who is subject to such taxes, duties, assessments or other governmental charges in respect of such Note by reason of his having some present or former connection with the Republic of France other than the mere holding of such Note; or
- (b) who could avoid such deduction or withholding by making a declaration of non-residence or similar claim for exemption or reduction of the applicable deduction or withholding but fails to do so; or
- (c) more than 30 days after the Relevant Date (as defined below), except to the extent that the holder thereof would have been entitled to such additional amounts on the last day of such period of 30 days; or
- (d) where such deduction or withholding is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusion of the ECOFIN Council meeting of 26-27 November

2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or

- (e) who would be able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a Member State of the European Union.

For this purpose, the "Relevant Date" in relation to any Note means whichever is the later of (A) the date on which the payment in respect of such Note first becomes due and payable, and (B) if the full amount of the moneys payable on such date in respect of such Note has not been received by the Fiscal Agent on or prior to such date, the date on which notice is given in accordance with Condition 11 to Noteholders that such moneys have been so received.

References in these Conditions to principal and interest shall be deemed also to refer to any additional amounts which may be payable under the provisions of this Condition 8.

8.3. Supply of Information

Each Noteholder shall be responsible for supplying to the Paying Agent, in a timely manner, any information as may be required by the latter in order for it to comply with the identification and reporting obligations imposed on it by the European Council Directive 2003/48/EC or any European Directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to such Directive.

9. EVENT OF DEFAULT

If any judgement is issued for the insolvent judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer has been liquidated for any other reason, then the Notes shall become immediately due and payable as described below.

The rights of the Noteholders in the event of a liquidation of the Issuer will be calculated on the basis of the Original Principal Amount of the Notes together with interest accrued and due in accordance with the Conditions and any other outstanding payments under the Notes. No payments will be made to the Noteholders before all amounts due, but unpaid, to all other creditors of the Issuer (including creditors of Unsubordinated Obligations of the Issuer, creditors of Ordinarily Subordinated Obligations of the Issuer, lenders in relation to *prêts participatifs* granted to the Issuer and holders of *titres participatifs* issued by the Issuer, but excluding Deeply Subordinated Obligations and Support Agreement Claims, which will be paid pro rata with the Notes) have been paid by the Issuer, as ascertained by the judicial liquidator.

No payments will be made to holders of shares of any class whatsoever of the share capital of the Issuer and no reimbursement of the T3CJ will be made before all amounts due, but unpaid, to all Noteholders under the Notes have been paid by the Issuer, as ascertained by the judicial liquidator.

10. REPRESENTATION OF THE NOTEHOLDERS

The Noteholders will be grouped automatically for the defence of their respective common interests in a masse (hereinafter referred to as the *Masse*).

The Masse will be governed by the provisions of the French *Code de Commerce* (with the exception of the provisions of articles L. 228-48, L. 228-59, and L.228-65-II thereof) and by French *décret* no. 67-236 dated 23 March 1967, as amended (with the exception of the provisions of Articles 218, 222, 224 and 226 thereof) subject to the following provisions.

10.1 Legal Personality

The Masse will be a separate legal entity and will be acting in part through one representative (hereinafter called "Representative") and in part through a general assembly of the Noteholders.

The Masse alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

10.2 Representative

The office of Representative may be conferred on a Person of any nationality. However, the following Persons may not be chosen as Representative:

- (a) the Issuer, the members of its board of directors (*conseil d'administration*), its general managers (*directeurs généraux*), its statutory auditors, or its employees as well as their ascendants, descendants and spouse; or

- (b) companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their board of directors, executive board, or supervisory board, their statutory auditors, or employees as well as their ascendants, descendants and spouse; or
- (c) companies holding 10 per cent. or more of the share capital of the Issuer or companies having 10 per cent. or more of their share capital held by the Issuer; or
- (d) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The following person is designated as Representative:

Mehdi Laidouni

CALYON, 9 Quai du Président Paul Doumer, 92920 Paris La Défense Cedex

The alternative representative (the "Alternative Representative") shall be:

Bernard du Boislouveau

CALYON, 9 Quai du Président Paul Doumer, 92920 Paris La Défense Cedex

In the event of death, incompatibility, resignation or revocation of the Representative, such Representative will be replaced by the Alternative Representative and all references to the "Representative" will be deemed to be references to the "Alternative Representative". The Alternative Representative shall have the same powers as the Representative.

In the event of death, incompatibility, resignation or revocation of the Alternative Representative, a replacement will be elected by a meeting of the general assembly of the Noteholders.

The Issuer shall pay to the Representative an amount of €200 per year payable on the anniversary of the Issue Date in each year, commencing on the first such anniversary in 2007. The Alternative Representative will only become entitled to the annual remuneration of €200 if it exercises the duties of Representative on a permanent basis; such remuneration will accrue from the day on which it assumes such duties.

All interested parties will at all times have the right to obtain the name and address of the Representative and the Alternative Representative at the head office of the Issuer and at the offices of any of the Paying Agents.

10.3 Powers of the Representative

The Representative shall, in the absence of any decision to the contrary of the general assembly of Noteholders, have the power to take all acts of management to defend the common interests of the Noteholders. All legal proceedings against the Noteholders or initiated by them, must be brought against the Representative or by it.

The Representative may not interfere in the management of the affairs of the Issuer.

10.4 General Assemblies of Noteholders

General assemblies of the Noteholders may be held at any time, on convocation either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of outstanding Notes may address to the Issuer and the Representative a demand for convocation of the general assembly. If such general assembly has not been convened within two months from such demand, such Noteholders may commission one of themselves to petition a Court sitting in the jurisdiction of the Court of Appeal of Paris to appoint an agent (*mandataire*) who will call the meeting.

Notice of the date, hour, place, agenda of any general assembly will be published as provided under Condition 11.

Each Noteholder has the right to participate in general assemblies in person or by proxy. Each Note carries the right to one vote.

10.5 Powers of General Assemblies

A general assembly is empowered to deliberate on the fixing of the remuneration of the Representative and the Alternative Representative and their dismissal and replacement, and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representative to act as plaintiff or defendant.

A general assembly may further deliberate on any proposal relating to the modification of the Terms and Conditions of the Notes including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that a general assembly may not increase amounts payable by Noteholders, nor establish any unequal treatment between the Noteholders, nor decide to convert the Notes into shares, and that no amendment to the status of the Notes may be approved until the consent of the SGCB has been obtained in relation to such amendment.

Meetings of a general assembly may deliberate validly on first convocation only if Noteholders present or represented hold at least a quarter of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a simple majority of votes cast by the Noteholders attending such meeting or represented thereat.

Decisions of the general assemblies must be published in accordance with the provisions set forth in Condition 11.

10.6 Information to the Noteholders

Each Noteholder or representative thereof will have the right, during the 15 day period preceding the holding of each general assembly, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the general assembly, which will be available for inspection at the principal office of the Issuer, at the specified offices of the Paying Agents and at any other place specified in the notice of the general assembly given in accordance with Condition 11.

10.7 Expenses

The Issuer will pay all expenses incurred in the operation of the Masse, including expenses relating to the calling and holding of general assemblies and the expenses which arise by virtue of the remuneration of the Representative, and more generally all administrative expenses resolved upon by a general assembly of the Noteholders, it being expressly stipulated that no expenses may be imputed against interest payable on the Notes.

11. NOTICES

Notices to the Noteholders shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*) and so long as the Notes are listed on the regulated market of the Luxembourg Stock Exchange, on the website of the Luxembourg Stock Exchange ("www.bourse.lu"). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above.

12. PRESCRIPTION

Claims against the Issuer for the payment of principal and interest in respect of the Notes shall become prescribed 10 years (in the case of principal) and 5 years (in the case of interest) from the due date for payment thereof.

13. FURTHER ISSUES

The Issuer may from time to time, subject to the prior written approval of the SGCB but without the consent of the Noteholders, issue further notes to be assimilated (*assimilables*) with the Notes as regards their financial service, provided that such further notes and the Notes shall carry rights identical in all respects (or in all respects except for the first payment of interest thereon) and that the terms of such further notes shall provide for such assimilation. In the event of such assimilation, the Noteholders and the holders of any assimilated (*assimilables*) notes will for the defence of their common interests be grouped in a single Masse having legal personality.

14. GOVERNING LAW AND JURISDICTION

The Notes are governed by, and shall be construed in accordance with, the laws of the Republic of France.

In relation to any legal action or proceeding arising out of or in connection with the Notes, the Issuer irrevocably submits to the jurisdiction of the competent courts in Paris.

USE OF PROCEEDS

The Issuer intends to use the net proceeds of the issuance of the Notes, estimated to be £498,000,000 (after deducting estimated commissions and expenses of £2,000,000), for general corporate purposes.

TAXATION

EU TAXATION

On 3 June 2003, the European Council of Economic and Finance Ministers adopted the Directive 2003/48/EC on the taxation of savings income (the “**Directive**”). Pursuant to the Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, *inter alia*, details of payments of interest within the meaning of the Directive (interests, products, premiums or other debt income) made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State (the “**Disclosure of Information Method**”).

For these purposes, the term “paying agent” is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Directive, for the immediate benefit of individuals.

However, throughout a transitional period, certain Member States (the Grand-Duchy of Luxembourg, Belgium and Austria), instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner of such payment elects for the Disclosure of Information Method, withhold an amount on interest payments. The rate of such withholding tax equals 15% during the first three years, 20% during the subsequent three years and 35% until the end of the transitional period.

Such transitional period will end at the end of the first full fiscal year following the later of (i) the date of entry into force of an agreement between the European Community, following a unanimous decision of the European Council, and the last of Switzerland, Liechtenstein, San Marino, Monaco and Andorra, providing for the exchange of information upon request as defined in the OECD Model Agreement on Exchange of Information on Tax Matters released on 18 April 2002 (the “**OECD Model Agreement**”) with respect to interest payments within the meaning of the Directive, in addition to the simultaneous application by those same countries of a withholding tax on such payments at the rate applicable for the corresponding periods mentioned above and (ii) the date on which the European Council unanimously agrees that the United States of America is committed to exchange of information upon request as defined in the OECD Model Agreement with respect to interest payments within the meaning of the Directive.

A number of non-EU countries and dependent or associated territories have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005.

The Directive has been implemented in French law under *Article 242 ter* of the French Code *Général des Impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

LUXEMBOURG – TAXATION

Under Luxembourg tax law currently in effect and with the possible exception of interest paid to individual Noteholders or Noteholders that are Residual Entities (as defined below), there is no withholding tax on payments of interest (including accrued but unpaid interest). There is also no Luxembourg withholding tax, with the possible exception of interest paid to individual Noteholders or Noteholders that are Residual Entities (as defined below), upon repayment of the principal in case of reimbursement, redemption, repurchase or exchange of the Notes.

Luxembourg non-resident individuals

Under the Directive and the Luxembourg laws dated 21 June 2005 implementing the Directive, as defined above, and several agreements concluded between Luxembourg and certain dependent territories of the European Union, a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual resident in another Member State or a residual entity in the sense of article 4.2. of the Directive (“**Residual Entities**”), established in another Member State of the European Union unless the beneficiary of the interest payments elects for an exchange of information. The same regime applies to

payments to individuals or Residual Entities resident in any of the following territories: Netherlands Antilles, Aruba, Guernsey, Jersey, the Isle of Man, Montserrat, the British Virgin Islands, the Turks and Caicos Islands and Anguilla.

Where withholding tax is applied, it will be levied at a rate of 15% during the first three-year period starting 1 July 2005, at a rate of 20% for the subsequent three-year period and at a rate of 35% thereafter. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries.

Luxembourg resident individuals

As from 1 January 2006, a 10% withholding tax has been introduced by the Luxembourg law dated 23 December 2005. Under such law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner who is resident of Luxembourg will be subject to a withholding tax of 10%. Only interest accrued after 1 July 2005 falls within the scope of this withholding tax. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his or her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent.

In addition, the Issuer has agreed to reimburse the Managers in respect of certain of their legal and other expenses incurred in connection with the issue of the Notes. The Subscription Agreement entitles the Managers to terminate it in certain circumstances prior to payment being made to the Issuer.
