In the case of Dematerialised Obligations Foncières the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed, amended or varied by the relevant Final Terms. In the case of Materialised Obligations Foncières, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on definitive Bearer Materialised Obligations Foncières. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to “**Obligations Foncières**” are to the Obligations Foncières of one Series only, not to all Obligations Foncières that may be issued under the Programme.*

*The Obligations Foncières are issued by Dexia Municipal Agency (the “**Issuer**”) with the benefit of an amended and restated agency agreement dated 19 August 2005 between the Issuer, Dexia Banque Internationale à Luxembourg Société Anonyme as fiscal agent and the other agents named in it (the “**Amended and Restated Agency Agreement**”). The fiscal agent, the paying agents, the redenomination agent, the consolidation agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Redenomination Agent**”, the “**Consolidation Agent**” and the “**Calculation Agent(s)**”.*

 - (iv) In these Conditions, “**holder of *Obligations Foncières***”, means (i) in the case of Dematerialised *Obligations Foncières*, the person whose name appears in the account of the relevant Account Holder or the Issuer or the Registration Agent (as the case may be) as being entitled to such *Obligations Foncières* and (ii) in the case of Materialised *Obligations Foncières*, the bearer of any definitive Bearer Materialised *Obligation Foncière* and the Receipts, Coupons or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the *Obligations Foncières*.
- (d) **Redenomination:**
- (i) The Issuer may (if so specified in the relevant Final Terms), on any Interest Payment Date, without the consent of the holder of any *Obligation Foncière*, Receipt, Coupon or Talon, by giving at least 30 days’ notice in accordance with Condition 14 and on or after the date on which the European Member State in whose national currency the *Obligations Foncières* are denominated has become a participating Member State in the third stage (or any further stage) of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the “**EC**”, as amended from time to time (the “**Treaty**”)) or events have occurred which have substantially the same effects (in either case, “**EMU**”), redenominate all, but not some only, of the *Obligations Foncières* of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the “**Redenomination Date**”.
 - (ii) Unless otherwise specified in the relevant Final Terms, the redenomination of the *Obligations Foncières* pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each *Obligation Foncière* from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each *Obligation Foncière* using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the *Obligations Foncières* so determined shall be notified to holders of *Obligations Foncières* in accordance with Condition 14. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euros on the Redenomination Date in the manner notified to holders of *Obligations Foncières* by the Issuer.

- (iv) Upon redenomination of the *Obligations Foncières*, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
- (v) Unless otherwise specified in the relevant Final Terms, the Issuer may, with the prior approval of the Redenomination Agent and the Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 13, without the consent of the holder of any *Obligation Foncière*, Receipt, Coupon or Talon, make any changes or additions to these Conditions or Condition 13 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holders of *Obligations Foncières*, Receipts, Coupons and Talons and shall be notified to holders of *Obligations Foncières* in accordance with Condition 14 as soon as practicable thereafter.
- (vi) Neither the Issuer nor any Paying Agent shall be liable to the holder of any *Obligation Foncière*, Receipt, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euros or any currency conversion or rounding effected in connection therewith.

(A)ISDA Determination for Floating Rate *Obligations Foncières*

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

(B)Screen Rate Determination for Floating Rate *Obligations Foncières*

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (a) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (i) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity) or
 - (ii) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,in each case appearing on such Page at the Relevant Time on the Interest Determination Date, as disclosed in the Final Terms.
- (b) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (a)(i) applies and no Relevant Rate appears on the Page at

the Relevant Time on the Interest Determination Date or if sub-paragraph (a)(ii) applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent and

- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is euro, in the euro-zone as selected by the Calculation Agent (the “Principal Financial Centre”) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

Rate of Interest for Index Linked Interest *Obligations Foncières*: The Rate of Interest in respect of Index Linked Interest *Obligations Foncières* for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.

- (d) **Zero Coupon *Obligations Foncières***: Where an *Obligation Foncière* the interest basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date pursuant to an Issuer’s option or, if so specified in the relevant Final Terms, pursuant to Condition 6(d)(i) or otherwise and is not paid when due, the amount due and payable prior to the Maturity Date shall, unless otherwise provided in the relevant Final Terms, be the Early Redemption Amount of such *Obligation Foncière*. As from the Maturity Date, the Rate of Interest for any overdue principal of such an *Obligation Foncière* shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(d)(i)) or to a rate specified in the Final Terms.
- (e) **Dual Currency *Obligations Foncières***: In the case of Dual Currency *Obligations Foncières*, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating, a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.
- (f) **Partly Paid *Obligations Foncières***: In the case of Partly Paid *Obligations Foncières* (other than Partly Paid *Obligations Foncières* which are Zero Coupon *Obligations*

Foncières), interest will accrue as aforesaid on the paid-up nominal amount of such *Obligations Foncières* and otherwise as specified in the relevant Final Terms.

- (g) **Accrual of Interest:** Interest shall cease to accrue on each *Obligation Foncière* on the due date for redemption unless (i) in the case of Dematerialised *Obligations Foncières*, on such due date or (ii) in the case of Materialised *Obligations Foncières*, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date.
- (h) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding:**
- (i) If any Margin or Rate Multiplier is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.
- (i) **Calculations:** The amount of interest payable in respect of any *Obligation Foncière* for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such *Obligation Foncière* by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such *Obligation Foncière* for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.
- (j) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts and Instalment Amounts:** As soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the *Obligations Foncières* for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the

Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the holders of *Obligations Foncières*, any other Calculation Agent appointed in respect of the *Obligations Foncières* that is to make a further calculation upon receipt of such information and, if the *Obligations Foncières* are listed on a Regulated Market or stock exchange, and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (k) **Calculation Agent and Reference Banks:** The Issuer shall procure that there shall at all times be four Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any *Obligation Foncière* is outstanding (as defined below). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the *Obligations Foncières*, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

For the purpose of these Conditions, “**outstanding**” means, in relation to the *Obligations Foncières* of any Series, all the *Obligations Foncières* issued other than (a) those that have been redeemed in accordance with these Conditions, (b) those in respect of which the date for redemption has occurred and the redemption moneys (including all interest accrued on such *Obligations Foncières* to the date for such redemption and any interest payable after such date) have been duly paid (i) in the case of Dematerialised *Obligations Foncières* in bearer dematerialised form and in administered registered form, to the relevant Account Holder on behalf of the holder of *Obligations Foncières*, (ii) in the case of Dematerialised *Obligations Foncières* in fully registered form, to the account of the holder of *Obligations Foncières* and (iii) in the case of Materialised *Obligations Foncières*, to the Fiscal Agent and remain available for payment against presentation and surrender of Bearer

(d)Early Redemption:

(i)Zero Coupon Obligations Foncières:

(A) The Early Redemption Amount payable in respect of any Zero Coupon *Obligation Foncière*, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such *Obligation Foncière* pursuant to Condition 6(e) if so specified in the relevant Final Terms shall be the Amortised Nominal Amount (calculated as provided below) of such *Obligation Foncière* unless otherwise specified in the relevant Final Terms.

(B)Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such *Obligation Foncière* shall be the scheduled Final Redemption Amount of such *Obligation Foncière* on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the *Obligations Foncières* if they were discounted back to their issue price on the Issue Date (the “**Amortisation Yield**”) compounded annually.

©If the Early Redemption Amount payable in respect of any such *Obligation Foncière* upon its redemption pursuant to Condition 6(e) is not paid when due, the Early Redemption Amount due and payable in respect of such *Obligation Foncière* shall be the Amortised Nominal Amount of such *Obligation Foncière* as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such *Obligation Foncière* on the Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(ii)Other *Obligations Foncières*: The Early Redemption Amount payable in respect of any *Obligation Foncière* (other than *Obligations Foncières* described in (i) above), upon redemption of such *Obligations Foncières* pursuant to Condition 6(e), if so provided in the relevant Final Terms), shall be the Final Redemption Amount unless otherwise specified in the relevant Final Terms.

(e)No Redemption for Taxation Reasons: If French law should require that payments of principal or interest in respect of any *Obligation Foncière* be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, such *Obligation Foncière* will not, unless otherwise specified in the relevant Final Terms, be redeemed early. If such early redemption is provided in the relevant Final Terms, notice of such early redemption shall be given in accordance with Condition 14.

(f)Partly Paid *Obligations Foncières*: Partly Paid *Obligations Foncières* will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified in the relevant Final Terms.

(g)Purchases: The Issuer shall have the right at all times to purchase *Obligations Foncières* (provided that, in the case of Materialised *Obligations Foncières*, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

(h)Cancellation: All *Obligations Foncières* purchased by or on behalf of the Issuer must be cancelled, in the case of Dematerialised *Obligations Foncières*, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Bearer Materialised *Obligations Foncières*, by surrendering Temporary Global Certificate or the definitive Bearer Materialised *Obligations Foncières* in question together with all unmatured Receipts and Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all *Obligations Foncières* redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised *Obligations Foncières*, all rights relating to payment of interest and other amounts relating to such Dematerialised *Obligations Foncières* and, in the case of Materialised *Obligations Foncières*, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any *Obligations Foncières* so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such *Obligations Foncières* shall be discharged.

7 Payments and Talons

(a) Dematerialised *Obligations Foncières*: Payments of principal and interest in respect of Dematerialised *Obligations Foncières* shall (in the case of Dematerialised *Obligations Foncières* in bearer dematerialised form or administered registered form) be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the holders of *Obligations Foncières* and, (in the case of Dematerialised *Obligations Foncières* in fully registered form), to an account denominated in the relevant currency with a Bank designated by the holders of *Obligations Foncières*. All payments validly made to such Account Holders will be an effective discharge of the Issuer in respect of such payments.

(b) Bearer Materialised *Obligations Foncières*: Payments of principal and interest in respect of Bearer Materialised *Obligations Foncières* shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative *Obligation Foncière*), Bearer Materialised *Obligations Foncières* (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank.

©Payments in the United States: Notwithstanding the foregoing, if any Bearer Materialised *Obligations Foncières* are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the *Obligations Foncières* in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments Subject to Fiscal Laws: All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the holders of *Obligations Foncières* or Coupons in respect of such payments.

(e) Appointment of Agents: The Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent initially appointed by the Issuer and their respective specified offices are listed at the end of the Base Prospectus relating to the Programme of *Obligations Foncières* of the Issuer. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Consolidation Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any holder of *Obligation Foncière* or Coupon. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying

Agents having specified offices in at least two major European cities provided that (A) so long as the *Obligations Foncières* are admitted to trading on the Luxembourg Stock Exchange and the rules applicable to that Regulated Market so require, the Issuer will maintain a Paying Agent in Luxembourg, and (B) so long as the *Obligations Foncières* are admitted to trading on the Eurolist by Euronext Paris and the rules applicable to that Regulated Market so require, the Issuer will maintain a Paying Agent in Paris (v) a Registration Agent, and (vi) such other agents as may be required by any other Regulated Market or stock exchange on which the *Obligations Foncières* may be listed and admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Materialised *Obligations Foncières* denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the *Obligations Foncières* of any Series pursuant to Condition 1(d) with a view to consolidating such *Obligations Foncières* with one or more other Series of *Obligations Foncières*, in accordance with Condition 13, the Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such *Obligations Foncières* and such other Series of *Obligations Foncières* to be so consolidated with such *Obligations Foncières*.

Notice of any such change or any change of any specified office shall promptly be given to the holders of *Obligations Foncières* in accordance with Condition 14.

(f) Unmatured Coupons and Receipts and unexchanged Talons:

- (i) Unless Bearer Materialised *Obligations Foncières* provide that the relative Coupons are to become void upon the due date for redemption of those *Obligations Foncières*, Bearer Materialised *Obligations Foncières* should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) If Bearer Materialised *Obligations Foncières* so provide, upon the due date for redemption of any such Bearer Materialised *Obligation Foncière*, unmaturing Coupons relating to such *Obligation Foncière* (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Materialised *Obligation Foncière*, any unexchanged Talon relating to such *Obligation Foncière* (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Materialised *Obligation Foncière* that is redeemable in instalments, all Receipts relating to such Bearer Materialised *Obligation Foncière* having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.

(v) Where any Bearer Materialised *Obligation Foncière* that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those *Obligations Foncières* is presented for redemption without all unmatured Coupons, and where any Bearer *Obligation Foncière* is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.

(vi) If the due date for redemption of any Bearer Materialised *Obligation Foncière* is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant definitive Bearer Materialised *Obligation Foncière* Bearer Materialised. Interest accrued on a Bearer Materialised *Obligation Foncière* that only bears interest after its Maturity Date shall be payable on redemption of such *Obligation Foncière* against presentation of the relevant Bearer Materialised *Obligation Foncière*.

(g) Talons: On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Materialised *Obligation Foncière*, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) Business Days for Payment: If any date for payment in respect of any *Obligation Foncière*, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day, unless otherwise specified in the relevant Final Terms (the "Adjusted Payment Date"), nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**business day**" means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised *Obligations Foncières*, on which Euroclear France is open for business or (ii) in the case of Materialised *Obligations Foncières*, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) in such jurisdictions as shall be specified as "**Financial Center**" in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in euro, which is a TARGET Business Day.

(i) Bank: For the purpose of this Condition 7, "**Bank**" means a bank in the principal financial centre of the relevant currency or, in the case of euro, in a city in which banks have access to the TARGET System.

8 Taxation

(a) Tax exemption for *Obligations Foncières* issued or deemed to be issued outside France: Interest and other revenues with respect to *Obligations Foncières* which, as may be specified in the relevant Final Terms, are being issued or deemed to be issued outside the Republic of France benefit from the exemption provided for in Article 131 *quater* of the *Code Général des Impôts* (general tax code) from deduction of tax at source. Accordingly such payments do not give the right to any tax credit from any French source.

Obligations Foncières will be issued (or deemed to be issued) outside France (i) in the case of syndicated or non-syndicated issues of *Obligations Foncières*, if such *Obligations Foncières* are denominated in euro, (ii) in the case of syndicated issues of *Obligations Foncières* denominated in currencies other than euro, if, *inter alia*, the Issuer and the

relevant Dealers agree not to offer the *Obligations Foncières* to the public in the Republic of France and such *Obligations Foncières* are offered in the Republic of France only through an international syndicate to “qualified investors” as described in Article L. 411-2 of the French Monetary and Financial Code or (iii) in the case of non-syndicated issues of *Obligations Foncières* denominated in currencies other than euro, if each of the subscribers of the *Obligations Foncières* is domiciled or resident for tax purposes outside the Republic of France, in each case as more fully set out in the Circular 5 I-11-98 of the *Direction Générale des Impôts* dated 30 September 1998.

(b) No Additional Amounts: If French law should require that payments of principal or interest in respect of any *Obligation Foncière*, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will not, unless otherwise provided in the relevant Final Terms, be required to pay any additional amounts in respect of such deduction or withholding.

©Tax exemption for *Obligations Foncières* not issued or deemed to be issued outside France: Interest and other revenues with respect to *Obligations Foncières* which, if so specified in the relevant Final Terms, are not being issued or deemed to be issued outside the Republic of France only benefit from the exemption from deduction of tax at source provided by, and subject to the provisions of, Article 125 A III of the *Code Général des Impôts*, which requires *inter alia*, Certification of non-French residency.

(d) Certification of Non-Residency: The holder of any *Obligation Foncière* shall be responsible for supplying certification of non-residency (a form of which shall be available at the specified offices of any of the Paying Agents or in such other form as may be required by the French tax authorities from time to time) to the Issuer or any Paying Agent in accordance with the provisions of Article 125 A III of the *Code Général des Impôts* and the Issuer shall not be responsible for any deduction or withholding in respect of any payment made under any *Obligation Foncière*, Receipt or Coupon resulting from the failure of such holder to submit such certification.

9 Prescription

Claims against the Issuer for payment in respect of the *Obligations Foncières*, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or 5 years (in the case of interest) from the appropriate Relevant Date in respect of them.

10 Representation of holders of *Obligations Foncières*

Except as otherwise provided by the relevant Final Terms, holders of *Obligations Foncières* will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a masse (in each case, the “**Masse**”).

Except as otherwise provided by the relevant Final Terms, the Masse will be governed by the provisions of the French Code of commerce with the exception of Articles L. 228-47, L. 228-48 and L. 228-59 and by the decree no. 67-236 of 23 March 1967, with the exception of Articles 218, 222 and 224 subject to the following provisions:

(a) Legal Personality

The Masse will be a separate legal entity and will act in part through a representative (the “**Representative**”) and in part through a general meeting of the holders of *Obligations Foncières* (the “**General Meeting**”).

The Masse alone, to the exclusion of all individual holders of *Obligations Foncières*, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the *Obligations Foncières*.

(b) Representative

The office of the Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- (i) the Issuer;
- (ii) any entity holding at least 10 per cent. of the share capital of the Issuer or any entities at least 10 per cent. of the share capital of which is held by the Issuer;
- (iii) any entity guaranteeing all or part of the obligations of the Issuer;
- (iv) any member of the management board (*Directoire*) and supervisory board (*Conseil de Surveillance*), any Statutory Auditors, any employee, managers (*gérants*), general managers (*directeurs généraux*), members of the board of directors (*Conseil d'Administration*) (or their respective ascendants, descendants and spouses) of any entities referred to in (i), (ii) and (iii) above; and
- (v) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The names and addresses of the initial Representative of the Masse and its alternate will be set out in the Final Terms. The Representative appointed in respect of the first Tranche of any Series of *Obligations Foncières* will be the Representative of the single Masse of all Tranches in such Series.

The Representative will not be entitled to any remuneration in connection with its functions or duties.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by the alternate Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the initial Representative and the alternate Representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(c) Powers of Representative

The Representative shall (in the absence of any decision to the contrary of the General Meeting and except as provided by paragraph 1 of Article L. 515-31 of the French Monetary and Financial Code) have the power to take all acts of management necessary in order to defend the common interests of the holders of *Obligations Foncières*.

All legal proceedings against the holders of *Obligations Foncières* or initiated by them, must be brought by or against the Representative; except that, should judicial reorganisation or liquidation (*redressement ou liquidation judiciaire*) proceedings be commenced against the Issuer the Specific Controller shall file the proof of debt of all the creditors of the Issuer benefiting from the *Privilège* (including the holders of *Obligations Foncières*).

The Representative may not be involved in the management of the affairs of the Issuer.

(d) General Meeting

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more holders of *Obligations Foncières*, holding together at least one-thirtieth of the principal amount of the *Obligations Foncières* outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the holders of *Obligations Foncières* may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 14.

Each holder of an *Obligation Foncière* has the right to participate in a General Meeting in person, by proxy, correspondence, or, if the *statuts* of the Issuer so specify², videoconference or any other means of telecommunication allowing the identification of the participating holders of the *Obligations Foncières*. Each *Obligation Foncière* carries the right to one vote or, in the case of *Obligations Foncières* issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such *Obligation Foncière*.

(e) Powers of the General Meetings

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternate Representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the *Obligations Foncières*, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase amounts payable by holders of *Obligations Foncières*, nor authorise or accept a postponement of the date of payment of interest on or a modification of the terms of repayment of or the rate of interest on the *Obligations Foncières*, nor establish any unequal treatment between the holders of *Obligations Foncières*, nor decide to convert *Obligations Foncières* into shares.

General Meetings may deliberate validly on first convocation only if holders of *Obligations Foncières* present or represented hold at least a quarter of the principal amount of the *Obligations Foncières* then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by holders of *Obligations Foncières* attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 14.

² At the date of this Base Prospectus the *statuts* of the Issuer do not contemplate the right for a holder of an *Obligation Foncière* to participate in a General Meeting by videoconference or any other means of telecommunication allowing the identification of the participating holders of *Obligations Foncières*.

(f) Information to holders of *Obligations Foncières*

Each holder of an *Obligation Foncière* or representative thereof will have the right, during the 15-day period preceding the holding of each General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant holders of *Obligations Foncières* at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting.

(g) Expenses

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable on the *Obligations Foncières*.

(h) Single Masse

The holders of *Obligations Foncières* of the same Series, and the holders of *Obligations Foncières* of any other Series which have been assimilated with the *Obligations Foncières* of such first mentioned Series in accordance with Condition 13, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche of any Series of *Obligations Foncières* will be the Representative of the single Masse of all Tranches in such Series.

11 Modifications

These Conditions may be amended, modified or varied in relation to any Series of *Obligations Foncières* by the terms of the relevant Final Terms in relation to such Series.

12 Replacement of definitive *Obligations Foncières*, Receipts, Coupons and Talons

If, in the case of any Bearer Materialised *Obligations Foncières*, a definitive Bearer Materialised *Obligation Foncière*, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market or stock exchange regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to holders of *Obligations Foncières*, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed definitive Bearer Materialised *Obligation Foncière*, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such definitive Bearer Materialised *Obligations Foncières*, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced definitive Bearer Materialised *Obligations Foncières*, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

13 Further Issues and Consolidation

(a) Further Issues: The Issuer may from time to time without the consent of the holders of *Obligations Foncières*, Receipts or Coupons create and issue further *Obligations Foncières* to be assimilated (*assimilées*) with the *Obligations Foncières* provided such *Obligations Foncières* and the further *Obligations Foncières* carry rights identical in all respects (or in all respects save for the principal amount thereof and the first payment of interest in the relevant Final Terms) and that

the terms of such *Obligations Foncières* provide for such assimilation and references in these Conditions to “*Obligations Foncières*” shall be construed accordingly.

(b) Consolidation: The Issuer may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than 30 days’ prior notice to the holders of *Obligations Foncières* in accordance with Condition 14, without the consent of the holders of *Obligations Foncières*, Receipts or Coupons, consolidate the *Obligations Foncières* of one Series with the *Obligations Foncières* of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in euro, provided such other *Obligations Foncières* have been redenominated in euro (if not originally denominated in euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the *Obligations Foncières*.
