COMPAGNIE DE FINANCEMENT FONCIER

Euro 125,000,000,000

Euro Medium Term Note Programme

for the issue of *Obligations Foncières* due from one month from the date of original issue

Under the Euro Medium Term Note Programme (the “**Programme**”) described in this base prospectus (the “**Base Prospectus**”), Compagnie de Financement Foncier (the “**Issuer**”), subject to compliance with all relevant laws, regulations and directives, may from time to time issue *obligations foncières* (the “*Obligations Foncières*”) or the “**Notes**”, benefiting from the statutory *privilège* created by Article L. 513-11 of the French *Code monétaire et financier*, as more fully described herein. No credit linked Notes will be issued under the Programme.

The aggregate nominal amount of Notes outstanding will not at any time exceed Euro 125,000,000,000 (or the equivalent in other currencies).

This Base Prospectus replaces and supersedes the base prospectus dated 27 June 2014 and the supplements thereto and shall be in force for a period of one year as of the date of its approval by the *Autorité des marchés financiers* (the “**AMF**”).

Application has been made to the AMF in France for approval of this Base Prospectus, in its capacity as competent authority pursuant to Article 212-2 of its *Règlement Général* and, at the same time for the notification of a certificate of approval released to the *Commission de surveillance du secteur financier* in Luxembourg for Notes issued under the Programme to be listed and admitted to trading on the Regulated Market (as defined below) of the Luxembourg Stock Exchange, both of approval and notification being made in its capacity as competent authority under Article 212-2 of the *Règlement Général* of the AMF which implements the Directive 2003/71/EC of 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading, as amended (the “**Prospectus Directive**”).

Application may be made to Euronext Paris for Notes issued under the Programme for the period of 12 months from the date of this Base Prospectus to be listed and admitted to trading on Euronext Paris. Euronext Paris is a regulated market for the purposes of the Markets in Financial Instruments Directive 2004/39/EEC, as amended, appearing on the list of regulated markets issued by the European Commission (a “**Regulated Market**”). Application may also be made for Notes to be listed and admitted to trading on a Regulated Market of any other Member State of the European Economic Area (the “**EEA**”) (subject to the notification of a certificate of approval released to the competent authority of such other Member State). Notes which are not listed or admitted to trading on a Regulated Market, or which are not offered to the public, in a Member State of the EEA may be issued under the Programme and may also be listed on an alternative stock exchange or may not be listed at all. The relevant final terms (the “**Final Terms**”) (as defined in “**Summary of the Programme**”) in respect of the issue of any Notes will specify whether or not such Notes will be listed and admitted to trading and/or offered to the public and, if so, the relevant Regulated Market in the EEA where the Notes will be listed and admitted to trading and/or the Member State(s) in the EEA where the Notes will be offered to the public and will be published, if relevant, on the website of the Regulated Market where the admission to trading is sought, if the rules applicable to such regulated market so require.

Each time the Notes will be admitted to trading on Euronext Paris, the Notes will also be admitted to trading on the Regulated Market of the Luxembourg Stock Exchange.

Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”) as more fully described herein.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L. 211-3 and R. 211-1 of the French *Code monétaire et financier*. No physical documents of title will be issued in respect of the Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be in bearer dematerialised form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (“**Euroclear France**”) (acting as central depository) which shall credit the accounts of Account Holders (as defined in “**Terms and Conditions of the Notes - Form, Denomination, Title and Redenomination**”) including, Euroclear Bank S.A./N.V. (“**Euroclear**”) and the depository bank for Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”), or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant holder, in either fully registered dematerialised form (*nominatif pur*), in which case they will be inscribed with a registration agent (appointed in the relevant Final Terms) for the Issuer, or in administered registered dematerialised form (*nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders (as defined in “**Terms and Conditions of the Notes - Form, Denomination, Title and Redenomination**”) designated by the relevant holder of Notes.

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a “**Temporary Global Certificate**”) will initially be issued in relation to Materialised Notes. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Notes in bearer form (the “**Definitive Materialised Notes**”) on or after a date expected to be on or about the 40th day after the issue date of the Notes (subject to postponement as described in “**Temporary Global Certificates issued in respect of Materialised Notes**”) upon certification as to non-US beneficial ownership with, where applicable, coupons for interest attached.

The Programme has been rated Aaa by Moody’s Investors Service (“**Moody’s**”) and AAA by Standard & Poor’s Ratings Services (“**S&P**”). It is expected that the Notes issued under the Programme will be rated AAA by S&P, AA by Fitch Ratings (“**Fitch**”) and Aaa by Moody’s. Each of S&P, Fitch and Moody’s is established in the European Union, registered under Regulation (EC) No.1060/2009 on credit ratings agencies, as amended (the “**CRA Regulation**”) and included in the list of registered credit rating agencies published on the website of the European Securities and Markets Authority (www.esma.europa.eu/page/List-registered-and-certified-CRAs). The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

The final terms of the Notes will be determined at the time of the offering of each Tranche and will be set out in the relevant Final Terms.

Copies of the documents incorporated by reference can be obtained without charge from the registered office of the Issuer and are also published on the Issuer’s website (www.foncier.fr).

The prospectus as defined in Article 5.4 of the Prospectus Directive consists in (a) this base prospectus containing the base terms and conditions of the Notes to be issued under the Programme, together with any supplements thereto published from time to time (each a “Supplement” and together the “Supplements”) and (b) the Final Terms of the Notes.

This Base Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see “Documents Incorporated by Reference”).

No person has been authorised to give any information or to make any representation other than those contained in this Base Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arranger (as defined in “Summary”). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The Issuer has undertaken with the Dealers to amend or supplement this Base Prospectus or publish a new Base Prospectus if and when the information herein should become materially inaccurate or incomplete.

The distribution of this Base Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus comes are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restriction.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”) or with any security regulation authority of any state or other jurisdiction of the United States and include Materialised Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered or sold to U.S. persons (as defined in Regulation S under the Securities Act (“Regulation S”)) or, in the case of Materialised Notes in bearer form, delivered within the United States or to United States persons (as defined under the U.S. Internal Revenue Code of 1986, as amended).

THE NOTES ARE BEING OFFERED OUTSIDE THE UNITED STATES TO NON-U.S. PERSONS IN RELIANCE ON REGULATION S.

For a description of certain restrictions on offers and sales of Notes and on distribution of this Base Prospectus, see “Subscription and Sale”.

This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer, the Arranger or the Dealers to subscribe for, or purchase, any Notes.

The Arranger and the Dealers have not separately verified the information contained in this Base Prospectus. None of the Dealers or the Arranger makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Base Prospectus. Neither this Base Prospectus nor any other financial statements nor any other information incorporated by reference are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Base Prospectus or any other financial statements or any information incorporated by reference should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Base Prospectus and its purchase of Notes should be based upon such

investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

In connection with the issue of any Tranche (as defined in “Summary”), the Dealer or Dealers (if any) named as the stabilising manager(s) (the “Stabilising Manager(s)”) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment shall be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with applicable laws and rules.

In this Base Prospectus, unless otherwise specified or the context otherwise requires, references to “€”, “Euro”, “EUR” are to the currency which was introduced as of 1 January 1999 with the start of the third stage of the European Economic and Monetary Union by which date the Euro became the legal currency in eleven Member States of the European Union, references to “£”, “pounds sterling”, “GBP” and “Sterling” are to the lawful currency of the United Kingdom, references to “\$”, “USD” and “US Dollars” are to the lawful currency of the United States of America, references to “HKD”, “Hong Kong Dollars” are to the lawful currency of Hong Kong, “¥”, “JPY” and “Yen” are to the lawful currency of Japan, references to “CHF” and “Swiss Francs” are to the lawful currency of the Helvetic Confederation, references to “NOK” are to the lawful currency of Norway and references to “CAD” and “Canadian Dollars” are to the lawful currency of Canada.

SUMMARY

Summaries are made up of disclosure requirements known as “Elements” the communication of which is required by Annex XXII of Regulation (EC) No 809/2004 of 29 April 2004, as amended. These Elements are numbered in Sections A – E (A.1 – E.7). This summary contains all the Elements required to be included in a summary for this type of securities and for *Compagnie de Financement Foncier* (the “**Issuer**”). Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in the summary because of the type of securities and Issuer, it is possible that no relevant information can be given regarding such Element. In this case a short description of the Element is included in the summary and marked as “Not applicable”.

This summary is provided for purposes of the issue by the Issuer of the Notes of a denomination of less than Euro 100,000 which are offered to the public or admitted to trading on a Regulated Market of the European Economic Area (the “**EEA**”). The issue specific summary relating to this type of Notes will be annexed to the relevant Final Terms and will comprise (i) the information below with respect to the summary of the Base Prospectus and (ii) the information below included in the items “issue specific summary” and which will be completed at the time of each issue.

Section A - Introduction and warnings		
A.1	General disclaimer regarding the summary	This summary must be read as an introduction to the Base Prospectus. Any decision to invest in the Notes should be based on a consideration by any investor of the Base Prospectus as a whole, including any documents incorporated by reference and any supplement from time to time. Where a claim relating to information contained in the Base Prospectus is brought before a court, the plaintiff may, under the national legislation of the Member State of the EEA where the claim is brought, be required to bear the costs of translating the Base Prospectus before the legal proceedings are initiated. Civil liability attaches only to those persons who have tabled the summary, including any translation thereof, but only if the summary is misleading, inaccurate or inconsistent when read together with the other parts of the Base Prospectus or it does not provide, when read together with the other parts of the Base Prospectus, key information in order to aid investors when considering whether to invest in the Notes.
A.2	Information regarding consent by the Issuer to the use of the Prospectus	In the context of any offer of Notes in France, in the Grand Duchy of Luxembourg and/or any other Member State of the EEA specified in the applicable Final Terms (the “ Public Offer Jurisdictions ”) that is not within an exemption from the requirement to publish a prospectus under the Prospectus Directive, as amended, (a “ Public Offer ”), the Issuer consents to the use of the Base Prospectus and the relevant Final Terms (together with the Base Prospectus, the “ Prospectus ”) in connection with a Public Offer of any Notes during the offer period specified in the relevant Final Terms (the “ Offer Period ”) and in the Public Offer Jurisdiction(s) specified in the relevant Final Terms by any financial intermediary duly authorised designated in such Final Terms (each an “ Authorised Offeror ”). The consent referred to above relates to Offer Periods (if any) ending no later than the date falling 12 months from the date of the approval of the Base Prospectus by the <i>Autorité des marchés financiers</i> .

		<p>The Terms and Conditions of the Public Offer shall be provided to investors by that Authorised Offeror at the time of the Public Offer. Neither the Issuer nor any of the Dealers (as defined below) or other Authorised Offerors has any responsibility or liability for such information.</p> <p>References in the Base Prospectus to “Permanent Dealers” are to the persons listed as Dealers (as defined below) and to such additional persons that are appointed as dealers in respect of the whole Programme (and whose appointment has not been terminated) and to “Dealers” are to all Permanent Dealers and all persons appointed as a dealer in respect of one or more Tranches.</p> <p>Issue specific Summary:</p> <p>[In the context of the offer of the Notes in [.] (“Public Offer Jurisdiction[s]”) which is not made within an exemption from the requirement to publish a prospectus under the Prospectus Directive, as amended (the “Public Offer”), the Issuer consents to the use of the Prospectus in connection with such Public Offer of any Notes during the period from [.] until [.] (the “Offer Period”) and in the Public Offer Jurisdiction[s] by [.] / [any financial intermediary] (the “Authorised Offeror[s]”). [The Authorised Offeror[s] must satisfy the following conditions: [.]]]</p> <p>The Terms and Conditions of the Public Offer shall be provided to Investors by that Authorised Offeror at the time of the Public Offer. B.15	Principal activities of the Issuer	<p>Compagnie de Financement Foncier's sole activity is to acquire and refinance eligible assets.</p> <p>The eligibility criteria for <i>sociétés de crédit foncier's</i> assets are defined in Articles L. 513-3 to L. 513-7 of the French <i>Code monétaire et financier</i>. The following assets are eligible:</p> <ul style="list-style-type: none"> - loans secured by a first-rank mortgage or equivalent guarantee, when the underlying assets are located in the EEA or in a country with the highest credit rating; - exposures on public entities such as loans or off-balance sheet commitments, when they concern public entities or entities that are totally guaranteed by them (central administrations, central banks, public institutions, local authorities or their associations, etc.), and having the highest credit quality step established by an <i>organisme externe d'évaluation de crédit</i> recognised by the French <i>Autorité de contrôle prudentiel et de résolution</i> in accordance with Article L. 511-44 of the French <i>Code monétaire et financier</i>. Exposures to public entities particularly include debt securities issued or totally guaranteed by one or more public entities. Shares and debt securities issued by securitisation vehicles as well as those issued by similar entities are considered as loans and exposures; - replacement values (limited to 15% of the face value of the privileged resources): securities and deposits that are adequately safe and liquid. <p>All eligible assets are held by the <i>société de crédit foncier</i> in a dedicated balance sheet separated from the parent company's.</p> <p>In order to refinance these assets, the Compagnie de Financement Foncier issues <i>obligations foncières</i> and raises other resources which may or may not benefit from the <i>privilège</i> as defined by Article L. 513-11 of the French <i>Code monétaire et financier</i>.</p>
B.16	Extent to which the Issuer is directly or indirectly owned or controlled	<p>Nearly all of the share capital of the Company is held by Crédit Foncier de France. As required by the by-laws of the Company, each member of the Board of Directors must own at least one share during his or her term of office.</p>
B.17	Credit ratings assigned to the Issuer or its debt securities	<p>The Programme has been rated Aaa by Moody's Investors Services ("Moody's") and AAA by Standard & Poor's Ratings Services ("S&P"). It is expected that the Notes issued under the Programme will be rated AAA by S&P, AA by Fitch Ratings ("Fitch") and Aaa by Moody's.</p> <p>S&P, Moody's and Fitch, which are established in the European Union and registered under Regulation (EC) No. 1060/2009 on credit ratings agencies (the "CRA Regulation"), as amended, and included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the European Securities and Markets Authority's website</p>

		<p>The rating (if any) of the Notes will be specified in the Final Terms.</p> <p>A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.</p> <p>Issue specific summary:</p> <p>Credit ratings: [Not applicable/The Notes to be issued [have been/are expected to be] rated:</p> <p>[S&P: [●]]</p> <p>[Fitch: [●]]</p> <p>[Moody's: [●]]</p>

<p>D.3</p>	<p>Key information on the key risks that are specific to the Notes</p>	<p>There are certain factors that may affect the Issuer’s ability to fulfil its obligations under the Notes issued under the Programme, including:</p> <p><u>General risks relating to the Notes such as:</u></p> <ul style="list-style-type: none"> - Investors must independently review and obtain professional advice with respect to the acquisition of the Notes. - Potential conflicts of interest may arise. - Neither the Issuer, the Dealer(s) nor any of their affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor. - Modification, waivers and substitution of conditions affecting the Notes that are not desired by all holders can be effected by a majority. - Taxation: potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions.

		<ul style="list-style-type: none"> - EU Savings Directive: pursuant to the Terms and Conditions of the Notes, if a payment were to be made or collected through a Member State which has opted for a withholding system under the Savings Directive and an amount of, or in respect of tax is withheld from that payment, neither the Issuer nor any paying agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. - The draft directive on the proposed common financial transaction tax has a very broad scope and could, if introduced in its current form, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances. - Risks related to withholding taxes: if French law should require that any payments in respect of any Note be subject to deduction or withholding in respect of any taxes or duties whatsoever, the Issuer will not pay any additional amounts. - Risks related to US foreign account tax compliant withholding FATCA may affect payments made to custodians or intermediaries in the subsequent payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. - Risks related to a change of law or regulation: no assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of the Base Prospectus. - Currency risk: prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. Credit ratings may not reflect all risks. - No active secondary/trading market for the Notes may develop. - The market value of the Notes will be affected by the creditworthiness of the Issuer and a number of additional factors such as market interest and yield rates, or time to maturity and more generally all economic, financial, and political events in any country, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded (if any). - Implementation of Basel II and Basel III Risk-Weighted Asset Framework - the implementation of Basel II and Basel III has and will continue to bring about a number of substantial changes to the current capital requirements, prudential oversight and risk-management systems, including those of the Issuer.
--	--	---

		<p><u>Risks related to the structure of a particular issue of Notes:</u></p> <ul style="list-style-type: none"> - If the Notes are redeemable at the Issuer's option in certain circumstances, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. - The value of Fixed Rate Notes may change. - The market value of Floating Rate Notes may be volatile. - The conversion of the interest rate for Fixed/Floating Rate Notes will affect the secondary market and the market value of the Notes since the conversion may lead to a lower overall cost of borrowing. - The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. - Zero Coupon Notes are subject to higher price fluctuations than non-discounted bonds, because the discounted issue prices are substantially below par. - Holders may be exposed to risk on Inflation Linked Notes which are dependent upon the performance of an index. - Variable rate Notes with a multiplier or other leverage factor: a leverage factor will magnify any negative performance of the underlying. Notes with variable interest rates can be volatile investments. - An investment in Notes, the premium and/or the interest on or principal of which is determined by reference to one or more values, interest rates or other indices or formulae, either directly or inversely, may entail significant risks not associated with similar investments in a conventional debt security. - The market values of Notes subject to inverse exposure are typically more volatile than market values of other conventional debt securities based on the same underlying rate. - The investor will not fully participate in the positive performance of the underlying rate where the cap applies and the interest rate and/or redemption amount may be lower than it would have been without a cap. - Investors will have no control over whether or not the Issuer Rate Switch Option is exercised where it is applicable, and if it is exercised, it may negatively affect the relevant interest rate. - Investors have no control over whether or not a Rate Lock-In will occur where it is applicable, and if it does occur, it may or may not be beneficial for investors.

		<p>An investment in the Notes involves certain risks which are material for the purpose of assessing the market risks associated with Notes issued under the Programme. While all of these risk factors are contingencies which may or may not occur, potential investors should be aware that the risks involved with investing in the Notes may lead to volatility and/or a decrease in the market value of the relevant Tranche of Notes whereby the market value falls short of the expectations (financial or otherwise) of an investor who has made an investment in such Notes.</p> <p>However, each prospective investor in Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and conditions, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.</p>
D.6	Risk warning	<p>Potential investors in Inflation Linked Notes should be aware that such Notes are debt securities which do not provide for predetermined interest and/or principal payments, principal and/or interest amounts will be dependent upon the performance of the CPI or the HICP, as described in C.9 above. The amount of principal and/or interest payable by the Issuer may vary and Noteholders may receive no interest.</p>

**RÉSUMÉ EN FRANÇAIS
(FRENCH SUMMARY)**

Les résumés contiennent des exigences de publicité appelées « Éléments » dont la communication est requise par l'Annexe XXII du Règlement (CE) N° 809/2004 du 29 avril 2004 telle que modifiée. Ces Éléments sont numérotés dans les sections A à E (A.1 - E.7). Ce résumé contient tous les Éléments devant être inclus dans un résumé pour ce type de valeurs mobilières et pour Compagnie de Financement Foncier (l'« Émetteur »). La numérotation des Éléments peut ne pas se suivre en raison du fait que certains Éléments n'ont pas à être inclus. Bien qu'un Éléments doive être inclus dans le résumé du fait du type de valeur mobilière et d'émetteur concerné, il se peut qu'aucune information pertinente ne puisse être donnée sur cet Éléments. Dans ce cas, une brève description de l'Éléments est incluse dans le résumé suivie de la mention « Sans objet ».

Ce résumé est fourni dans le cadre de l'émission par l'Émetteur de Titres ayant une valeur nominale unitaire inférieure à 100.000 euros qui sont offerts au public ou admis à la négociation sur un marché réglementé de l'Espace Economique Européen (l'« EEE »). Le résumé spécifique à ce type d'émission de Titres figurera en annexe des Conditions Définitives applicables et comprendra (i) les informations relatives au résumé du Prospectus de Base et (ii) les informations contenues dans les rubriques « résumé spécifique à l'émission » figurant ci-dessous et qui seront complétées au moment de chaque émission.

Section A - Introduction et avertissements		
A.1	Avertissement général concernant le résumé	Ce résumé doit être lu comme une introduction au Prospectus de Base. Toute décision d'investir dans les Titres doit être fondée sur un examen exhaustif du Prospectus de Base par les investisseurs, y compris les documents qui y sont incorporés par référence et tout supplément qui pourrait être publié à l'avenir. Lorsqu'une action concernant l'information contenue dans le Prospectus de Base est intentée devant un tribunal, le plaignant peut, selon la législation nationale de l'État Membre de l'EEE, avoir à supporter les frais de traduction du Prospectus de Base avant le début de la procédure judiciaire. Seule peut être engagée la responsabilité civile des personnes qui ont présenté le résumé ou la traduction de ce dernier, mais seulement si le contenu du résumé est trompeur, inexact ou contradictoire par rapport aux autres parties du Prospectus de Base ou s'il ne fournit pas, lu en combinaison avec les autres parties du Prospectus de Base, les informations clés permettant d'aider les investisseurs lorsqu'ils envisagent d'investir dans les Titres.
A.2	Information relative au consentement de l'Émetteur concernant l'utilisation du Prospectus	Dans le cadre de toute offre de Titres en France, au Grand-Duché de Luxembourg et/ou dans tout autre État Membre de l'EEE indiqué dans les Conditions Définitives applicables (les « Pays de l'Offre Publique ») qui ne bénéficie pas de l'exemption à l'obligation de publication d'un prospectus en vertu de la Directive Prospectus, telle que modifiée, (une « Offre au Public »), l'Émetteur consent à l'utilisation du Prospectus de Base et des Conditions Définitives applicables (ensemble, le « Prospectus ») dans le cadre d'une Offre au Public des Titres durant la période d'offre indiquée dans les Conditions Définitives concernées (la « Période d'Offre ») et dans les Pays de l'Offre Publique indiqué(s) dans les Conditions Définitives concernées par tout intermédiaire financier désigné dans ces Conditions Définitives (chacun un « Établissement Autorisé »). Le consentement

		<p>mentionné ci-dessus s'applique à des Périodes d'Offre (le cas échéant) se terminant au plus tard à l'issue d'une période de 12 mois à compter de la date d'approbation du Prospectus de Base par l'Autorité des marchés financiers.</p> <p>Les Modalités de l'Offre au Public devront être communiquées aux investisseurs par l'Établissement Autorisé au moment de l'Offre au Public. Ni l'Émetteur ni aucun des Agents Placeurs (tels que définis ci-dessous) ou des Établissements Autorisés ne sont responsables de cette information.</p> <p>Les références dans le présent résumé aux « Agents Placeurs Permanents » sont aux personnes nommées ci-dessus en qualité d'Agents Placeurs (tels que définis ci-dessous), ainsi qu'aux personnes additionnelles qui seraient nommées comme agents placeurs pour les besoins du Programme en sa totalité (et il n'a pas été mis fin à une telle nomination) et les références aux « Agents Placeurs » couvrent tous les Agents Placeurs Permanents ainsi que toutes les personnes nommées en qualité d'agents placeurs pour les besoins d'une ou plusieurs Tranches.</p>
		<p>Résumé spécifique à l'émission :</p> <p>[Dans le cadre de toute offre de Titres en [●] (le[s] « Pays de l'Offre Public ») qui ne bénéficie pas de l'exemption à l'obligation de publication d'un prospectus en vertu de la Directive Prospectus, telle que modifiée, (une « Offre au Public »), l'Émetteur consent à l'utilisation du Prospectus dans le cadre d'une Offre au Public de tous Titres de [●] à [●] (la « Période d'Offre ») et dans le[s] Pays de l'Offre Publique par [●] / [tout intermédiaire financier] (l'[/les] « Établissement[s] Autorisé[s] »). [L'[/Les] Etablissement[s] autorisé[s] doit[/doivent] remplir les conditions suivantes : [●].]</p> <p>Les Modalités de l'Offre au Public devront être communiquées aux Investisseurs par l'Établissement Autorisé au moment de l'Offre au Public. C.17	Titres Indexés sur l'Inflation – Règlement-livraison	Les Titres Indexés sur l'Inflation feront l'objet d'un règlement en espèces.
C.18	Produit des Titres Indexés sur l'Inflation	<p>Les paiements d'intérêts se rapportant aux Titres Indexés sur l'Inflation dont l'intérêt est indexé sur l'inflation seront déterminés en multipliant le montant nominal en circulation de ces Titres par le produit du taux annuel indiqué dans les Conditions Définitives et du Ratio de l'Indice d'Inflation applicable.</p> <p>Le paiement du montant en principal dû au titre des Titres Indexés sur l'Inflation, si ce montant est indexé sur l'inflation, sera déterminé en multipliant le montant nominal de ces Titres en circulation par le Ratio de l'Indice d'Inflation applicable. Toutefois, si à la date de maturité le niveau du Ratio de l'Indice d'Inflation est inférieur à 1, les Titres seront remboursés au pair.</p>
C.19	Titres Indexés sur l'Inflation – Prix d'exercice / Prix de référence final	<p>Le montant de remboursement final pour les Titres Indexés sur l'Inflation sera calculé sur la base du ratio entre l'indice à la date d'échéance et la Référence de Base spécifiée dans les Conditions Définitives applicables.</p> <p>Merci de vous reporter également à la section C.9 ci-dessus.</p>
C.20	Titres Indexés sur l'Inflation – Description du sous-jacent	<p>Les Titres Indexés sur l'Inflation sont des Titres dont le montant d'intérêt et/ou le principal sont indexés. Dans le cas de Titres Indexés sur l'Inflation dont l'intérêt est indexé, l'intérêt est déterminé en appliquant la variation annuelle de l'inflation, exprimée en pourcentage, au montant nominal des Titres Indexés sur l'Inflation. Dans le cas de Titres Indexés sur l'Inflation dont le principal est indexé, le principal est indexé sur la variation de l'inflation entre la valeur de l'indice applicable (c'est-à-dire soit le CPI soit le HICP) à la date d'émission et à la date de remboursement.</p> <p>Résumé spécifique à l'émission : <i>(Insérer pour les Titres indexés sur CPI)</i></p> <p>Les Titres Indexés sur le CPI</p> <p>Les Titres Indexés sur le CPI sont liés à l'indice des prix à la consommation (hors tabac) des ménages en France calculé et publié mensuellement par l'INSEE : le CPI. Le CPI est l'instrument officiel pour mesurer l'inflation. Il permet de disposer d'une estimation entre deux périodes déterminées des moyennes de fluctuations des prix des biens et des services consommés par les ménages sur le territoire français. C'est un indicateur de mouvements des prix des produits sur une base de qualité constante. Section D –Facteurs de Risque		
D.2	Informations clés sur les principaux risques propres à l'Émetteur ou à son exploitation et son activité	<p>Les investisseurs potentiels doivent considérer, entre autres, les facteurs de risque relatifs à Compagnie de Financement Foncier et à son exploitation et qui peuvent altérer la capacité de Compagnie de Financement Foncier à remplir ses obligations relatives aux Titres émis dans le cadre du Programme.</p> <p>Ces facteurs de risque incluent les suivants :</p> <ul style="list-style-type: none"> - <u>Risque de crédit</u> Le risque de crédit se matérialise lorsqu'une contrepartie est dans l'incapacité de faire face à ses obligations et il peut se manifester par la migration de la qualité de crédit voire le défaut de la contrepartie. - <u>Risque de taux</u> Le risque de taux d'intérêt global est le risque encouru en cas de variation des taux d'intérêt du fait de l'ensemble des opérations de bilan et de hors bilan, à l'exception, le cas échéant, des opérations soumises aux risques de marché (portefeuille de négociation). - <u>Risque de change</u> Le risque de change est le risque encouru en cas de variation des cours des devises (contre euro) du fait de l'ensemble des opérations de bilan et hors bilan, à l'exception, le cas échéant, des opérations soumises aux risques de marché (portefeuille de négociation).

		<ul style="list-style-type: none"> - <u>Risque de liquidité</u> Le risque de liquidité est le risque de ne pas pouvoir faire face à ses engagements ou de ne pas pouvoir dénouer ou compenser une position en raison de la situation du marché, dans un délai déterminé et à un coût raisonnable. - <u>Risque de contrepartie</u> Le risque de contrepartie est le risque que la contrepartie d'une opération fasse défaut avant le règlement définitif de l'ensemble des flux de trésorerie, que cette opération soit classée en portefeuille bancaire ou en portefeuille de négociation. - <u>Risque opérationnel</u> Le risque opérationnel est défini au sein du Groupe BPCE comme le risque de perte liée à une inadaptation, une défaillance ou un dysfonctionnement des processus, des systèmes d'information, des hommes ou suite à des événements extérieurs. Il inclut la fraude interne et externe et le risque d'image. - <u>Risque de règlement</u> Le risque de règlement est le risque encouru en cas de non respect de la part d'une contrepartie de ses engagements de paiements alors que la seconde a respecté les siens. Les risques pour la Compagnie de Financement Foncier sont également les suivants : <ul style="list-style-type: none"> - le risque de non-conformité ; - le risque d'assurance ; - le risque lié aux activités externalisées ; - le risque informatique ; - le risque lié à l'organisation de la continuité d'activité ; - le risque juridique.

CONDITIONS ATTACHED TO THE CONSENT OF THE ISSUER TO USE THE BASE PROSPECTUS

In the context of any offer of Notes in France, in the Grand Duchy of Luxembourg and/or any Member State of the EEA specified in the applicable Final Terms (the “**Public Offer Jurisdictions**”) that is not within an exemption from the requirement to publish a prospectus under the Prospectus Directive (a “**Public Offer**”), the Issuer consents to the use of the Base Prospectus and the relevant Final Terms (together, the “**Prospectus**”) in connection with a Public Offer of any Notes during the offer period specified in the relevant Final Terms (the “**Offer Period**”) and in the Public Offer Jurisdiction(s) specified in the relevant Final Terms by:

- (1) subject to conditions set out in the relevant Final Terms, any financial intermediary designated in such Final Terms; or
- (2) if so specified in the relevant Final Terms, any financial intermediary which satisfies the following conditions: (a) acts in accordance with all applicable laws, rules, regulations and guidance of any applicable regulatory bodies (the “**Rules**”), from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the Notes by any person and disclosure to any potential investor; (b) complies with the restrictions set out under “*Subscription and Sale*” in this Base Prospectus which would apply as if it were a Dealer; (c) ensures that any fee (and any commissions or benefits of any kind) received or paid by that financial intermediary in relation to the offer or sale of the Notes is fully and clearly disclosed to investors or potential investors; (d) holds all licences, consents, approvals and permissions required in connection with solicitation of interest in, or offers or sales of, the Notes under the Rules; (e) retains investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the relevant Dealer(s) and the Issuer or directly to the appropriate authorities with jurisdiction over the Issuer and/or the relevant Dealer(s) in order to enable the Issuer and/or the relevant Dealer(s) to comply with anti-money laundering, anti-bribery and “know your client” rules applying to the Issuer and/or the relevant Dealer(s); (f) does not, directly or indirectly, cause the Issuer or the relevant Dealer(s) to breach any Rule or any requirement to obtain or make any filing, authorisation or consent in any jurisdiction; and (g) satisfies any further conditions specified in the relevant Final Terms (in each case an “**Authorised Offeror**”). For the avoidance of doubt, none of the Dealers or the Issuer shall have any obligation to ensure that an Authorised Offeror complies with applicable laws and regulations and shall therefore have no liability in this respect.

The Issuer accepts responsibility, in the Public Offer Jurisdiction(s) specified in the Final Terms, for the content of the Base Prospectus in relation to any person (an “**Investor**”) in such Public Offer Jurisdiction(s) to whom an offer of any Notes is made by any Authorised Offeror and where the offer is made during the period for which that consent is given. However, neither the Issuer nor any Dealer has any responsibility for any of the actions of any Authorised Offeror, including compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to such offer.

The consent referred to above relates to Offer Periods (if any) ending no later than the date falling 12 months from the date of the approval of the Base Prospectus by the AMF.

In the event the Final Terms designate financial intermediary(ies) to whom the Issuer has given its consent to use the Base Prospectus during an Offer Period, the Issuer may also give consent to additional Authorised Offerors after the date of the relevant Final Terms and, if it does so, it will publish any new information in relation to such Authorised Offerors who are unknown at the time of the approval of this Base Prospectus or the filing of the relevant Final Terms at <http://www.foncier.fr>.

If the Final Terms specify that any financial intermediary may use the Base Prospectus during the Offer Period, any such Authorised Offeror is required, for the duration of the Offer Period, to publish on its website that it is using the Base Prospectus for the relevant Public Offer with the consent of the Issuer and in accordance with the conditions attached thereto.

Other than as set out above, neither the Issuer nor any of the Dealers has authorised the making of any Public Offer by any person in any circumstances and such person is not permitted to use the Base Prospectus in connection with its offer of any Notes. Any such offers are not made on behalf of the Issuer or by any of the Dealers or Authorised Offerors and none of the Issuer or any of the Dealers or Authorised Offerors has any responsibility or liability for the actions of any person making such offers.

An Investor intending to acquire or acquiring any Notes from an Authorised Offeror will do so, and offers and sales of the Notes to an Investor by an Authorised Offeror will be made, in accordance with any terms and other arrangements in place between such Authorised Offeror and such Investor including as to price allocations and settlement arrangements (the “Terms and Conditions of the Public Offer”). The Issuer will not be a party to any such arrangements with Investors (other than Dealers) in connection with the offer or sale of the Notes and, accordingly, the Base Prospectus and any Final Terms will not contain such information. The Terms and Conditions of the Public Offer shall be provided to Investors by that Authorised Offeror at the time of the Public Offer. Neither the Issuer nor any of the Dealers or other Authorised Offerors has any responsibility or liability for such information.

RISK FACTORS

Prospective purchasers of the Notes offered hereby should consider carefully, in light of their financial circumstances and investment objectives, all of the information in this Base Prospectus and, in particular, the risk factors set forth below in making an investment decision.

RISK FACTORS RELATING TO THE ISSUER

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. The risks described below are not the only risks the Issuer faces. Additional risks and uncertainties not currently known to the Issuer or that it currently believes to be immaterial could also have a material impact on its business operations. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision. In particular, investors should make their own assessment as to the risks associated with the Notes prior to investing in Notes issued under the Programme.

1. CREDIT RISK

Credit risk arises when a counterparty is unable to meet its obligations and it may result in a change in credit quality or default by the counterparty.

The balance sheet consists of three main categories: the assets financed by the privileged debts in the form of loans or securities and replacement values corresponding to a portion of the cash. These assets meet differentiated approaches as to the measuring and monitoring of their credit risk:

- loans granted to individuals and loans to professional customers that are mainly related to the Public Sector:

These loans are acquired either directly by Compagnie de Financement Foncier or mobilised through Crédit Foncier or any other entity of Groupe BPCE, in the form of mortgage notes or loans guaranteed under Article L.211-38 for Public Sector loans.

Subsidised loans which benefit from the guarantee of the French State were transferred to Compagnie de Financement Foncier when it was created in 1999; with no new loans of this type being granted, their value at the end of 2014 was very low at €0.3 billion.

The unsubsidised loans category amounted to €67 billion, equivalent to 76% of the balance sheet at end-2014. With the exception of an outstanding amount of €1.8 billion, all of these assets are located in France.

The assessment of credit risk is performed through Basel ratings, with the main indicators being the amount of doubtful loans and provisions;

- public sector securities, which mainly comprise Compagnie de Financement Foncier’s international exposure:

These securities amounted to €9.5 bn, equivalent to 11% of the balance sheet at end-2014, following a large volume of disposals in the last two financial years, notably including the transfer of the securitisation portfolio comprising RMBS and public ABS at the end of 2013.

These securities, are notably qualified by their external ratings obtained from the authorised credit rating agencies Standard & Poor’s, Moody’s and Fitch Ratings;

- replacement values composed of investments with credit institutions that have the highest external rating:

For Compagnie de Financement Foncier, this category is composed of loans with maturities of less than two months granted to Groupe BPCE, 80% of which are secured by a portfolio of assets provided as collateral. At 31 December 2014, this item amounted to €7 bn, equivalent to 8% of the balance sheet, including loans to BPCE amounting to €6.6 billion and fully secured by real estate loans or Public Sector loans in France.

1.1 Loans and similar items

The full amount of loans represents a significant portion of the balance sheet of Compagnie de Financement Foncier, and the sharp increase as a proportion of global assets reflects the refocusing of the Group’s activities on exposure in France.

Restated for very short-term investments with the Banque de France, which are recognised under “loans to public entities”, the portfolio outstanding amounted to €66 billion at 31 December 2014, equivalent to 75% of the balance sheet, a year-on-year increase of more than €9 billion.

In the tables below, the observations made on the entire “core business” portfolio are detailed, and subsidised sector loans are added to the analysis.

The sectors that may appear of highest risk because they have a high level of doubtful loans, e.g. the subsidised sector and that of commercial property, in fact have a negligible impact. First, these are run-off sectors, which has the mechanical effect of increasing their proportion of non-performing debts over time. Second, the outstandings in these sectors have become marginal and the risk of final loss in the subsidised sector is taken over by the State. In reality, the most sensitive portfolio comprises mortgage loans to private individuals that are not covered by an additional guarantee from the government (i.e. excluding subsidised loans and loans guaranteed by FGAS), which represented outstandings of €16.4 bn at 31 December 2014, and for which there was a relative increase in risk, with 3.3% of doubtful loans, compared with 3.1% a year earlier.

The amount of provisions was adjusted accordingly and accounted for 13.6% of doubtful loan outstandings in this category at end-2014, compared with 10.4% at 31 December 2013.

- Loans to social housing	1,725.0	0.01	0.1	1,916.1	-0.07	-0.4
- Loans to commercial property	20.9	-0.21	-102.5	7.7	0.11	137.1
TOTAL	67,437.5	25.44	3.8	68,245.3	15.99	2.3

NB: by convention, the risk expense is positive when it represents a cost and negative when it constitutes income.

In view of the volume of loans, the risk charge remains low: €25 million at 31 December 2014, equivalent to 3.8 basis points of total outstandings, it still shows a relative increase of €16 million (2.3 basis points) in comparison with the previous financial year. This charge only concerns loans to individuals.

The risk charge for the financial year mainly comprised net allocations to provisions and impairments of €24.5 million; non-hedged losses of €6.0 million were largely offset by recovery of loans written off amounting to €5.0 million.

1.2 International Public Sector Outstandings

There was little change over the financial year; its outstandings of €11 bn remained broadly flat, with few contractual payments and few disposals. At 31 December 2014, this consisted of:

- securities issued or guaranteed by foreign public entities, with outstandings of €9.2 billion;
- loans granted to foreign public entities for €1.8 billion.

There was little change in the distribution of this portfolio during the half-year period, in terms of volume or geographical breakdown, with the main disposals on the markets and transfer to Crédit Foncier taking place before 2014.

The international portfolio can be broken down as follows on 31 December 2014:

- €3.6 billion benefiting from a step one rating as granted by the rating agencies (rating superior to AA-) of which €1.2 billion rated AAA. Assets are mainly located in North America (USA and Canada) for an amount of €1.7 billion, Switzerland for €1 billion, and Germany for €0.5 billion;
- €3.1 billion benefiting from a step two rating (ratings between A+ and A-) including exposures to Japan for €1.3 billion, to the United States for €0.6 Billion and to various European countries;
- €3.3 billion benefiting from a step three rating (ratings between BBB+ and BBB-), mainly covering positions in Italy for €2.5 billion and in Spain for €0.6 billion;
- €0.8 billion benefiting from a step four rating (ratings between BB+ and BB-) also corresponding to positions in Italy and Spain;
- less than €0.1 billion of lower ratings comprising two lines in Portugal and Cyprus;
- €0.2 billion unrated, mainly in Switzerland.

At 31 December 2014, outstandings on HETA still had a A2 rating from Moody's due to the guarantee granted by the state of Carinthia. On 6 March 2015 this rating has been downgraded to Baa3.

In 2014, the main changes in rating steps impacted a €1.1 bn exposure to loans granted to Japanese public entities that were downgraded from step one to step two following their downgrading of one notch by a rating agency. On the contrary, some exposures to Portugal, Ireland and Cyprus, amounting to €0.3 bn, were upgraded.

A portion of this portfolio (€1.6 bn) is counter-guaranteed by monoline insurers. However, the strong deterioration of these companies means that their guarantee is less effective as the transaction's intrinsic credit rating is higher than the one of the credit enhancer. However, Assured Guaranty Municipal Corp. (ex-FSA) rated AA by S&P and A2 by Moody's continues to provide effective protection against credit risk for a total guaranteed outstanding amount of €1.1 bn; as well as National Public Finance Guarantee Corp (ex MBIA), rated AA- by S&P and A3 by Moody's, which provides a protection on a €0.2 bn outstanding.

1.3 Overall Analysis

In summary, the main credit risk indicators for Compagnie de Financement Foncier's core business portfolio, comprising loans to the unsubsidised sector (excluding the subsidised sector) and the securities portfolio, showed some deterioration over the financial year, mainly because of the impact of the provisions recognised on HETA exposures.

Analysis of the unsubsidised sector

	31 December 2014				31 December 2013			
	Outstanding loans (€ million)	Doubtful loans (€ million)	Doubtful loans (%)	Cost of risk (basis points)	Outstanding loans (€ million)	Doubtful loans (€ million)	Doubtful loans (%)	Cost of risk (basis points)

NB: by convention, the risk expense is positive when it represents cost and negative when it constitutes an income.

* Outstandings before €104 million impairment on HETA securities.

Excluding HETA outstandings, the doubtful loans rates increased from 1.2% to 1.4% over the year, outstandings remain at a low level and are concentrated in the loans to individuals category, as the risks on other categories are negligible.

Of the commercial property loans totalling a non-material €21 million at end-December 2014, almost half represents commercial property loans acquired upon transfer at the outset in 1999 and which are in run-off mode. The remaining half consists of home loans to professionals which were previously accounted for in loans to social housing category.

The risk charge which includes interest payments and capital represented 18.3 basis points at end-2014. Excluding the provisions on HETA securities, the risk charge represented 3.3 basis points compared with 2.1 basis points the previous financial year. The unfavourable trend was largely due to the provisions recorded following the introduction of a stricter treatment of loans in litigation, which was applied to all loans in this category in order to bring previous entries into line.

However, this risk charge is still very low considering the volume of loans outstanding.

These results are broken down in each of the major business sectors according to their nature: portfolio of loans and similar items mainly situated in France, outstanding international loans.

2. ANALYSIS OF INTEREST RATE AND FOREIGN EXCHANGE RISKS

Interest rate risk is the risk incurred in the event of interest rate fluctuations stemming from all balance sheet and off-balance sheet transactions, with the exception, where applicable, of transactions subject to market risks (trading portfolio).

Foreign exchange risk is the risk incurred in the event of exchange rate fluctuations (against the euro) stemming from all balance sheet and off-balance sheet transactions, with the exception, where applicable, of transactions subject to market risks (trading portfolio).

Compagnie de Financement Foncier has no open currency positions except for the very small ones inherent in any hedging transaction. Transactions initiated in foreign currencies are converted into euro at the very moment of their execution.

Compagnie de Financement Foncier is only very marginally exposed to interest rate risks thanks to the hedging mechanisms implemented.

2.1 Hedging transactions

As soon as an asset is recorded on the balance sheet, it is transformed, if necessary, into a variable-rate asset in euro.

Macro-hedging swaps are entered into when acquiring loan portfolios, micro-hedging swaps are made for single transactions. Similarly, the debt issued by Compagnie de Financement Foncier is micro swapped at the outset to transform it into variable rate liabilities in euro.

Interest rate positions are also reviewed each quarter and macro-hedging transactions are entered into if the position deteriorates to a point that might result in non-compliance with the strict limits to which Compagnie de Financement Foncier has committed. The basic risks, resulting from different reference rates on positions already transformed into variable rates by swaps, are also managed through macro hedges.

All of the counterparties to these currency or interest rate swaps have concluded collateralisation agreements with Compagnie de Financement Foncier that require them to provide a security deposit to the benefit of the Compagnie de Financement Foncier depending on their debt position and rating. These requests for funds are made on a daily basis if the rating of the counterparty falls below F1+ or AA- at Fitch Ratings, P1 or Aa3 at Moody's, A1+ or AA- at Standard & Poor's. If the opposite situation occurs, these agreements stipulate that Compagnie de Financement Foncier shall not deposit any collateral. As of 31 December 2014, the amount of deposits received was €3.5 billion.

Because of these ALM principles, Compagnie de Financement Foncier holds significant outstanding financial instruments for micro- and macro-hedging in interest rates and currencies.

In 2014, Compagnie de Financement Foncier continued to enter into such financial instruments along with its acquisition, issuance and ALM activities. In parallel, the Company continued to restructure its derivatives portfolio with in particular the compression of €4 billion in outstanding swaps with Crédit Foncier, following two years (2012 and 2013) of significant reductions in this portfolio.

Lastly, at 31 December 2014, outstandings in micro and macro hedging instruments consisted of €57 billion in interest rate swaps and €27 billion in currency swaps; they were respectively €56 billion and €32 billion at end-2013.

2.2 Residual interest-rate position

Taking into account management rules followed by Compagnie de Financement Foncier, changes in the interest rate position are a result of events not known when the transaction was entered into and which occurred during the term of the contract (mainly early redemptions) on loans not covered by guarantees equivalent to the risk. The assets subject to these hazards consist of fixed-rate loans to Individuals in the competitive sector, due to the regulatory ceiling set on the indemnity due in the event of early repayment, which is limited to six months' interest with a maximum of 3% of the outstanding principal.

These loans amounted to €24 billion at 31 December 2014, up during the year, as Crédit Foncier's recent home loan production is mainly at fixed rate. Moreover, the nominal rate of these loans constitutes an additional protection against the risk of early repayment and renegotiation. 14% of the loans are interest-free loans and over half of the total outstanding have an interest rate of less than 4%.

In 2014, the total amount of loans to individuals at fixed or variable rate saw an early repayment rate of 6.5% compared with 8.3% in 2013.

3. LIQUIDITY RISK

Liquidity risk is the risk of not being able to honour one's commitments or not being able to unwind or offset a position, within a given period and at a reasonable cost, due to the market situation.

The very prudent liquidity management policy continued in 2014, with Compagnie de Financement Foncier still committed to maintaining sufficient available cash flow to meet the contractual maturities on all of its privileged debt, for one year, without recourse to new resources.

At 31 December 2014, Compagnie de Financement Foncier had available cash of €8 billion, including €1.5 billion on demand mainly deposited with Banque de France and €6.6 billion granted to BPCE with a term of less than two months, fully guaranteed by a loans portfolio originated by Crédit Foncier.

Furthermore, Compagnie de Financement Foncier has a very large volume of assets that are eligible for the ECB's refinancing operations. As at 31 December 2014, the outstandings amounted to €41 billion in nominal value, divided into:

- €7 billion in Public Sector loans;
- €4 billion in securities; and
- €30 billion in mortgage loans to individuals, meeting the criteria set out by the *Banque de France* after the ECB's decision of 9 February 2012 to expand, on a temporary and national basis, the conditions under which a receivable may be accepted as a guarantee for refinancing operations by the Eurosystem.

€1.7 billion of these securities have currently been sold under repurchase agreements. Taking into account the available eligible outstandings of €39 billion, and after applying a cautious haircut calculation, the additional financing that could be provided by the ECB can be estimated at €15 billion, while keeping the overcollateralisation ratio above its regulatory limit of 105%.

The liquidity situation can also be measured by the maturity gap between assets and liabilities.

Since the Order of 26 May 2014, the average maturity for assets used to calculate the overcollateralisation ratio must not exceed those of privileged liabilities by more than 18 months, in order to ensure a minimum overcollateralisation ratio of 105% of outstanding privileged liabilities. At 31 December 2014, all assets of Compagnie de Financement Foncier, without limiting them to the regulatory threshold, had an average duration of 7.5 years, exceeding that of the outstanding privileged liabilities by 0.5 year.

Similarly, the maturity of balance sheet items closely matched each other: 7.3 years for all assets versus 7.5 years for all liabilities, whether or not privileged.

4. POTENTIAL DEFAULT OF INTERNATIONAL PUBLIC COUNTERPARTIES

Compagnie de Financement Foncier is exposed to public international counterparties meeting the eligibility requirements of the French *Code monétaire et financier* and of the European Parliament regulation as well as the Council (CRR) as of 26 June 2013: sovereigns, local authorities (cities, regions, provinces, cantons, etc.) and public sector entities. These exposures are located in European Union countries, Switzerland, the United States, Canada and Japan.

Despite an improvement in the economic and budget situation in the world's leading economies, the international environment is still fragile and uncertain in the short and medium term. Significant risks continue to weigh on the health of certain European banks, and in the event of default and in the absence of adequate management, these risks could impact the entire banking sector's funding conditions and undermine sovereign issuer's creditworthiness. Creditors could potentially also be affected by the terms of any bailout support provided to the banking industry, in an environment of growing supervision from the ECB.

The European Bank Recovery and Resolution Directive (BRRD) on banking crisis management and resolution is applicable as from 01 January 2015 and must be transposed into the legislation of the different Member States by 2016 (introduced by anticipation as from 01 January 2015 in Austria). This Directive provides the creditor contribution under the bank resolution regime.

The creditworthiness of local authorities as a whole remains contingent on the success of structural reforms (recovery of current account balance, privatisations, improved governance, etc.) and a return to economic growth in order to ensure a sustainable improvement in public finances; these factors could impact local authorities' funding conditions. Regarding Compagnie de Financement Foncier's exposures, these challenges are particularly

acute for countries that have received international aid or bailed out their banking sector, such as Cyprus (sovereign), Spain (local authorities), Portugal (sovereign and local authorities), Ireland (sovereign) and Slovenia (sovereign).

Regarding Italy, Compagnie de Financement Foncier seems particularly exposed to changes in the public deficit and the government's funding capacities. Creditors could also be affected by political instability and a slowdown in the reform process, which could once again significantly raise the funding costs of Italian local authorities (as in 2011 and 2012).

Cash and term deposits by Compagnie de Financement Foncier at Banque de France are recorded in this portfolio.

Outstanding loans to foreign sovereigns have been in run-off management since late 2011 (positions are sold on the market as opportunities arise).

5. OPERATING RISK

Within Groupe BPCE, operating risks are defined as the risk of loss resulting from inadequate or faulty procedures, personnel, information systems or external events. Operational risks include in-house and external fraud and reputational risk.

Compagnie de Financement Foncier's operational risk management is entrusted to Crédit Foncier de France under service agreements signed between the two institutions. The greater part of operational risk is linked to the services outsourced to the parent company. Any consequence of operational incidents detected in the framework of a Crédit Foncier de France process relating to a Compagnie de Financement Foncier balance sheet item is borne by Crédit Foncier de France.

These risks include in particular accounting, legal, regulatory and tax risks, as well as risks relating to staff, property and information system's security.

Compagnie de Financement Foncier's operational risk management relies on Crédit Foncier de France's system. Operational risks associated with the activity of Compagnie de Financement Foncier's General Secretariat are specifically mapped and presented to the Operating risks committee every quarter. No incident related to Compagnie de Financement Foncier's specific risk mapping was detected in 2014. At 31 December 2014, the total operational supervision and management of Crédit Foncier's operational risk system included 172 people.

5.1 General Management

All of groupe Crédit Foncier's Operational Risk processes are managed by its Risk Division, which relies on the risk charters, on the operational risk standards and methods employed by Groupe BPCE's Risk Division and on the Group's operational risk policy.

5.2 Governance

Operational risk management is part of the Crédit Foncier's Risk Division. It is managed by a specialised unit that is separate from operating activities and attached to the Risk Division. This unit reports to Compagnie de Financement Foncier's executive bodies and those responsible for controlling Compagnie de Financement Foncier.

5.3 Management environment

Management network

Operational risk oversight and management is delegated to the managers of various divisions. Each manager relies on a network of representatives coordinated by a risk manager, with a functional link to the Risk Division.

Methods and tools

The risk approach is based on three key elements that are part of an iterative, interactive method: identification and assessment by each business line of its vulnerability to the main operational risks, frequency and evaluation, determination of existing or necessary preventive and corrective measures to manage or reduce the impact of risks. The mapping is updated whenever processes or the organisational structure changes, and in any case at least once a year.

In parallel with this, the following have been put in place:

- a system for recording incidents in a dedicated Group database (PARO): management and analysis of operational results: the management network inputs the incident database as and when such incidents occur and evolve; monitoring of corrective action plans; analysis of changes in risks exposures and resulting losses;
- indicators for the main risk areas warning when incidents are likely to enter a critical phase.

Groupe Crédit Foncier also receives reports through the PARO system.

Lastly, for calculating capital adequacy requirements, groupe Crédit Foncier currently applies the Basel II standard approach.

6. SETTLEMENT RISK

Settlement risk is the risk for non compliance by a counterparty of its payment commitments, while the second has met his.

Compagnie de Financement Foncier's treasury transactions are essentially carried out in connection with ALM activities. Processing is centralised in Crédit Foncier de France's treasury back office.

This unit provides:

- cash flow management (inflows and outflows);
- cash forecasting 24 hours ahead.

The handling and the accounting control of treasury accounts is the responsibility of a manager in charge of an independent unit, in keeping with the principle of segregation of duties. Compagnie de Financement Foncier has direct access to the market settlement systems of the Paris Stock Exchange for large transactions denominated in euros; it is a member of the European Target system. For transactions in foreign currencies and small transactions in euros, it has accounts with BPCE.

Daily procedures for monitoring settlement risk include:

- preparation of projected flow profiles;
- daily reconciliation of individual flows with forecasting;
- creation of a payment incidents database.

In the event of the definitive default of a settlement counterparty leading to Compagnie de Financement Foncier potentially being overdrawn with Banque de France, there are provisions for hedging mechanisms to be put in place (interbank borrowing or end-of-day borrowing facility provided by the European Central Bank).

Compagnie de Financement Foncier has a contingency and business continuity plan for settlement under an agreement with BPCE. Accordingly, as regards its financial activities, Compagnie de Financement Foncier is covered by BPCE's Contingency and Business Continuity Plan.

7. NON-COMPLIANCE RISK

Compliance responsibilities for Compagnie de Financement Foncier are performed by Crédit Foncier de France in accordance with the terms of the relevant agreements (framework agreement and internal control and compliance service agreement) between the two entities. The Head of Compliance at Crédit Foncier is notably registered with the AMF as Head of investment services compliance for Compagnie de Financement Foncier.

Risk monitoring and measurement systems

Non-compliance risk monitoring and control is based on the methods used by BPCE and covers all of Crédit Foncier de France's business lines including, in particular, activities carried out on behalf of Compagnie de Financement Foncier. It is supplemented by a risk management system that covers all business lines and the major risks to which they are exposed, factoring in specific elements of Compagnie de Financement Foncier's range of activities.

The work undertaken in 2013 on the application of the US FATCA tax law to Crédit Foncier's transactions and securities continued in 2014. The particular issues arising from the European EMIR regulation relating to transactions with derivative instruments were also dealt with. Work in this regard also continued in 2014, in particular by the implementation of the trade reporting required under the regulation.

Risk identification and monitoring

Non-compliance risks are identified using a dual approach:

- detection and factoring the specific aspects of Compagnie de Financement Foncier into the implementation of statutory instruments to avoid potential implementation difficulties and to guarantee accurate translation into operating procedures;
- analysis of the results of Level I controls carried out by the Crédit Foncier de France operating teams within the scope of Compagnie de Financement Foncier. These controls target the thematic non-compliance areas identified in the Group's compliance standards or the results of thematic approaches.

Operational risk reports entered into the PARO applications rely on risk mapping that integrates non-compliance. Risks are identified in this application based on their type and are subject to an assessment of any risk event.

Risk management

The control of non-compliance risks is divided between:

- the controls carried out by Crédit Foncier de France on its business activity (real estate financing, financial management, etc.) which directly benefit Compagnie de Financement Foncier;
- the compliance controls specifically set up for Compagnie de Financement Foncier notably relate to compliance with the regulations that apply to the acquisition of receivables and the updating of the value of collateral.

Monitoring of dysfunctions

Specific action plans are drawn up by the operational units to address dysfunctions identified during audits or revealed by recurrent operational risk incidents. These action plans are monitored by the permanent control and compliance officers of the departments concerned. These dysfunctions and the progress of the corresponding action plans are monitored by the Internal Control Coordination Department, which reports on them to Crédit Foncier de France's Internal Control Committee and Compagnie de Financement Foncier's Audit and Risks Committee.

Approval of new products or services

Consideration of non-compliance risk is integrated into Crédit Foncier de France's approval process for new products and services. As part of the review and approval process for new products, services or activities, matters specifically related to Compagnie de Financement Foncier, in particular the eligibility of future outstandings for its balance sheet, are systematically examined.

Ethics – Market abuse - Conflicts of interest

Financial ethics standards specifically incorporate regulatory measures arising out of the Market Abuse directive. Corporate officers, Directors and other personnel acting on behalf of Compagnie de Financement Foncier are governed by this procedure to the extent they are concerned.

Combating money laundering and the financing of terrorism

The Crédit Foncier Group combats money laundering and the financing of terrorism by means of a due diligence and monitoring system involving all Group stakeholders across the banking and credit transactions processes. This system includes adequate procedures as well as training and awareness programmes for staff.

The system, incorporating the risk approach deriving from the anti-money-laundering regulations, provides for systematic scrutiny prior to forming any new customer relationship. Outstandings are regularly checked against international lists of persons with links to terrorism and for the enforcement of embargoes. Unusual events during the life of loans, in particular prepayments, are scrutinised by the Financial Security Unit of the Compliance Department.

8. INSURANCE

As Compagnie de Financement Foncier's servicer, Crédit Foncier de France insures the risks relating to its activity. Under service agreements with Compagnie de Financement Foncier, it provides insurance-related services on behalf of Compagnie de Financement Foncier.

As a result, Compagnie de Financement Foncier benefits from insurance policies provided by Crédit Foncier de France covering the following risks:

- losses arising out of banking operations;
- IT fraud and malicious acts;
- professional civil liability;
- civil liability of senior executives and corporate officers.

9. OUTSOURCED SERVICES

Essential Outsourced Services within the meaning of Articles 231 to 240 of the ministerial order of 3 November 2014 concerning the internal control of credit institutions, companies providing payment and investment services that are subject to supervision by the French *Autorité de contrôle prudentiel et de résolution* previously under the Article 37 of CRBF Regulation 97-02, as amended, are those covered by agreements between Crédit Foncier de France and Compagnie de Financement Foncier. Crédit Foncier de France monitors compliance with this regulation for services it outsources to third parties. This outsourced services monitoring has been incorporated into Groupe BPCE's PILCOP application allowing thus the monitoring of ongoing services and an adequate implementation of new services.

The General Secretariat of Compagnie de Financement Foncier has specific responsibility for monitoring services outsourced to Crédit Foncier de France.

10. INFORMATION TECHNOLOGY RISK

Under the agreements governing its activity, Compagnie de Financement Foncier makes use of human and technical resources provided by Crédit Foncier de France. Accordingly, Compagnie de Financement Foncier fully benefits from upgrades to Crédit Foncier de France's IT systems and from all the mechanisms which guarantee its smooth operation.

Since 1 January 2014 Crédit Foncier de France's information system has been placed under IT-CE, a subsidiary of Groupe BPCE responsible for the information technology of Caisses d'Epargne and other Groupe BPCE entities. As per the original plan, IT-CE took responsibility for day-to-day continuity of service and changes in Crédit Foncier's current applications platform.

11. ORGANISATION OF THE CONTINGENCY AND BUSINESS CONTINUITY PLAN (CBCP)

In accordance with the service agreements between groupe Crédit Foncier and Compagnie de Financement Foncier, business continuity of Compagnie de Financement Foncier is covered by Crédit Foncier de France's Contingency and Business Continuity Plan (CBCP). All aspects of this plan are maintained in working condition as required by the regulations.

Compagnie de Financement Foncier has its own CBCP manager, who acts on its behalf in matters of compliance and maintaining the plan in deployment-ready condition in cooperation with Crédit Foncier de France.

12. LEGAL RISKS

According to the service agreements that link Crédit Foncier de France to Compagnie de Financement Foncier, legal risks incurred by the latter are monitored by the General Secretariat of the Group.

The difficulties faced by a major operator in the French overseas departments led him to consider a withdrawal scheme through the sale of assets; it should be noted that the underlying receivable is guaranteed by both real estate collateral and a State guarantee provided in Article L. 312-1 of the French Construction and Housing Code.

Regarding French local authorities, given the fact that some interest rates, being at first subsidised became then the subject to a structured calculation based on the exchange rates' evolution, they were affected by an actual trend of exchange rates' evolution. Five of them took Crédit Foncier de France to court. Compagnie de Financement Foncier was only named directly in one case. The proceedings are ongoing, it being noted that the

lender's case is underpinned by the provisions of Act No. 2014-844 of 29 July 2014 on the securing of structured loan agreements entered into by public sector entities.

Following a media campaign, notably on the internet, all market participants received a number of complaints from borrowers, claiming that the effective annual interest rate (TEG rate) on their loan was wrong, and was subject to a number of legal proceedings on this matter. An appropriate defence was made in response to these claims both in and out of court. Progressively, a combination of favourable decisions support the position of the creditor in pending lawsuits.

A media campaign brought to the public's attention the rights that subscribers to a collective insurance contract could have to receive a share of the profits from mortgage protection insurance. This campaign aims at all market participants.

Crédit Foncier de France, as part of its activities of management and recovery of receivables transferred to Compagnie de Financement Foncier, has now put in place the necessary organisational measures to handle any claims that could arise, and has drafted a response based on technical grounds demonstrating that borrowers have no entitlement in respect of either Crédit Foncier de France or Compagnie de Financement Foncier. Moreover, a ruling by the Paris Court of First Instance on 23 September 2014 accepted in full the argument put forward by Crédit Foncier and Compagnie de Financement Foncier.

RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe some risk factors that are material to the Notes to be offered and/or listed and admitted to trading in order to assess the market risk associated with these Notes. The risks described below are not the only risks the investors face when investing in the Notes. Additional risks and uncertainties not currently known to the Issuer or that it currently believes to be immaterial could also have a material impact on its business operations. Prospective investors should consult their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances.

1. GENERAL RISKS RELATING TO THE NOTES

1.1 Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuer or the Dealer(s) or any of their affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

1.2 Potential Conflicts of Interest

Certain of the Dealers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and their affiliates in the ordinary course of business. In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the

Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes. Any such short positions could adversely affect future trading prices of Notes. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

1.3 Legality of Purchase

Neither the Issuer, the Dealer(s) nor any of their affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

1.4 Modification, waivers and substitution

The conditions of the Notes contain provisions for calling general meetings of holders of Notes to consider matters affecting their interests generally. These provisions permit defined majorities to bind all including holders of Notes who did not attend and vote at the relevant general meeting and holders of Notes who voted in a manner contrary to the majority.

1.5 Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for innovative financial notes such as the Notes. Potential investors are advised not to rely upon the tax summary contained in this Base Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus.

1.6 EU Savings Directive

On 3 June 2003, the European Council of Economics and Finance Ministers adopted a Directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "**Savings Directive**"). The Savings Directive requires Member States, subject to a number of conditions being met, to provide to the tax authorities of other Member States details of payments of interest and other similar income made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State, or to certain limited types of entities established in that other Member State. However, for a transitional period, Austria will instead withhold an amount on interest payments unless the relevant beneficial owner of such payment elects otherwise (see "Taxation - EU Directive on the Taxation of Savings Income") (the ending of such transitional period being dependant upon the conclusion of certain other agreements relating to information exchange with certain other countries). Luxembourg operated such a withholding system until 31 December 2014, but the Luxembourg government has elected out of the withholding system in favor of automatic exchange of information with effect from 1 January 2015. A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The rate of this withholding tax is currently 35 per cent.

Pursuant to the Terms and Conditions of the Notes, if a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax is withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional

amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payments made by a Paying Agent following the implementation of the Savings Directive, the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

On 24 March 2014, the Council of the European Union adopted a directive amending the Savings Directive (the “**Amending Directive**”), which when implemented, will amend and broaden the scope of the requirement described above. In particular, the amending directive aims at extending the scope of the Savings Directive to new types of savings incomes and products that generate interest or equivalent income. In addition, tax Authorities will be required in certain circumstances to take steps to identify the beneficial owner of interest payments (through a look through approach). The EU Member States will have until 1 January 2016 to adopt the national legislation necessary to comply with this amending directive and are required to apply such legislation as from 1 January 2017.

However, the European Commission has proposed the repeal of the Savings Directive from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other Member States (subject to on-going requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates). This is to prevent overlap between the Savings Directive and a new automatic exchange of information regime to be implemented under Council Directive 2011/16/EU on Administrative Cooperation in the field of Taxation (as amended by Council Directive 2014/107/EU). The proposal also provides that, if it proceeds, Member States will not be required to apply the new requirements of the Amending Directive.

Investors should inform themselves of, and where appropriate take advice on, the impact of the Savings Directive and the amending directive on their investment.

1.7 The proposed financial transaction tax (“FTT”)

The European Commission has published a proposal for a directive for a common FTT in Austria, Belgium, Germany, Estonia, France, Greece, Italy, Portugal, Slovakia, Slovenia and Spain (the “**Participating Member States**”).

The proposed FTT has very broad scope and could, if introduced in its current form, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances. The FTT would impose a charge at generally not less than 0.1% of the sale price on such transactions. Primary market transactions referred to in Article 5(c) of Regulation (EC) No 1287/2006 are exempt.

Under the latest proposals dated 14 February 2013 the FTT could apply in certain circumstances to persons both within and outside of the Participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a Participating Member State. A financial institution may be, or be deemed to be, “established” in a Participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a Participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a Participating Member State.

The FTT proposal remains subject to negotiation between the Participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate. If the proposed directive or any similar tax were adopted, transactions in the Notes would be subject to higher costs, and the liquidity of the market for the Notes may be diminished.

Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

1.8 Withholding taxes - No gross-up obligation

If French law should require that any payments in respect of any Note be subject to deduction or withholding in respect of any taxes or duties whatsoever, the Issuer will not pay any additional amounts. Therefore, the corresponding risk shall be borne by the Noteholders or, if applicable, the Receiptholders and the Couponholders.

1.9 FATCA Withholding

With respect to Notes issued after the date that is six months after the date on which final U.S. Treasury regulations defining the term “foreign passthru payment” are filed with the U.S. Federal Register (such applicable date the “**Grandfathering Date**”) and any Notes which are treated as equity for U.S. federal tax purposes, the Issuer may, under certain circumstances, be required pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder (“**FATCA**”) to withhold U.S. tax at a rate of 30% on all or a portion of payments of principal and interest which are treated as “foreign pass thru payments” made on or after 1 January 2017 to an investor or any other non U.S. financial institution through which payment on the Notes is made that is not in compliance with FATCA. As of the date of this Base Prospectus, final U.S. Treasury regulations defining the term “foreign passthru payments” have not been filed with the U.S. Federal Register. If the Issuer issues further Notes after the Grandfathering Date of a Series of Notes that was originally issued on or before the Grandfathering Date, payments on such further Notes may be subject to withholding under FATCA and, should the originally issued Notes of that Series and the further Notes be indistinguishable (as would likely be the case in such a “tap” issue), such payments on the originally issued Notes may also become subject to withholding under FATCA, unless such further Notes are issued pursuant to a “qualified reopening” for U.S. federal income tax purposes.

The United States has concluded several intergovernmental agreements (“**IGAs**”) with other jurisdictions in respect of FATCA. The governments of France and the United States signed an intergovernmental agreement based on a Model 1 IGA (the “**French IGA**”). Under the French IGA, an entity classified as an “Financial Institution” that is treated as resident in France is expected to provide the French tax authorities with certain information on U.S. holders of its securities. Information on U.S. holders will be automatically exchanged with the IRS. The Issuer expects to be a “Financial Institution” for purposes of the French IGA and, provided it complies with the requirements of the French IGA and the French legislation implementing the French IGA, it should not be subject to FATCA withholding on any payments it receives and it does not expect to be required to withhold under FATCA on payments it makes on securities such as the Notes.

The application of FATCA to interest, principal or other amounts paid on or with respect to the Notes is not currently clear. Additionally, FATCA withholding could apply in respect of any payments made with respect to the Notes by any paying agent or other custodian or intermediary. If an amount in respect of U.S. withholding tax were to be deducted or withheld from interest, principal or other payments on the Notes as a result of a holder of Notes’s failure to comply with FATCA, none of the Issuer, any paying agent or any other person would pursuant to the Terms and Conditions of the Notes be required to pay additional amounts as a result of the deduction or withholding of such tax.

1.10 Change of Law or regulation

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of this Base Prospectus.

Any Note issued or to be issued may be affected by any European or French supervisory. No assurance can be given as to the impact of any possible decision or change in European or French Regulation or interpretation of such regulation.

1.11 Currency risk

Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The Notes may be denominated in a currency other than the currency of the purchaser's home jurisdiction; and/or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Notes.

1.12 Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

1.13 No active secondary/trading market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. Although in relation to Notes to be admitted to trading on Euronext Paris and/or any other Regulated Market in the EEA and/or offered to the public in the EEA, the Final Terms of the Notes will be filed with the AMF in France and with the competent authority of the Regulated Market of the EEA where the Notes will be listed and admitted to trading, there is no assurance that such admission to trading or offer to the public will occur, that any particular Tranche of Notes will be so listed and admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

1.14 Market Value of the Notes

The market value of the Notes will be affected by the creditworthiness of the Issuer and a number of additional factors, including the value of an index, including, but not limited to, the volatility of an index, or the dividend on the securities taken up in the index, market interest and yield rates and the time remaining to the maturity date.

The value of the Notes, the index depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes, the securities taken up in the index, or the index are traded. The price at which a holder of Notes will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. The historical market prices of an index should not be taken as an indication of an index's future performance during the term of any Note.

1.15 Implementation of Basel II and Basel III Risk-Weighted Asset Framework

In June 1999, the Basel Committee on Banking Supervision (the "**Basel Committee**") issued proposals for the reform of the 1988 Basel Capital Accord and proposed a new capital adequacy framework which would place enhanced emphasis on risk sensitivity and market discipline. On 26 June 2004, the Basel Committee published a new Capital Accord under the title "Basel II International Convergence of Capital Measurement and Capital Standards: a Revised Framework" ("**Basel II**"), an updated version of which was published in November 2005. Basel II was implemented under EU legislation by virtue of the directives no. 2006/48 of the European

Parliament and of the Council relating to the taking up and pursuit of the business of credit institutions and no. 2006/49 on the capital adequacy of investment firms and credit institutions both dated 14 June 2006 as recently amended by the Directives 2009/27/EC, 2009/83/EC and 2009/111/EC (the "**Capital Requirements Directives**" as amended from time to time). In France, the provisions of the Capital Requirements Directives providing for a new solvency ratio were implemented in particular under the *arrêté* dated 20 February 2007 relating to the capital requirements applicable to the credit institutions and the investment firms (as amended) and the *ordonnance* no. 2007-571 dated 19 April 2007 relating to the credit institutions, the investment firms and *sociétés de crédit foncier*. Please note also that the *arrêté* dated 25 August 2010 transposing the Capital Requirements Directives, which has entered into effect on 31 December 2010, has amended the French prudential control requirements applicable to credit institutions and investment firms.

It also should be noted that on 17 December 2009, the Basel Committee has published for consultation a package of proposals for new capital and liquidity requirements intended to reinforce capital standards and to establish minimum liquidity standards for credit institutions. On 16 December 2010 and 13 January 2011, the Basel Committee has approved significant changes to Basel II ("**Basel III**"), including new capital and liquidity standards for credit institutions. Those measures are expected to be implemented by relevant authorities starting from 1 January 2013 with full implementation on 1 January 2019, although certain supervisory authorities have already announced their intention to require an earlier application.

In particular, the changes introduced by Basel III refer to, amongst other things:

- a complete review of the capital standards;
- the introduction of a leverage ratio; and
- the introduction of short-term and longer-term standards for funding liquidity (referred to as the "*Liquidity Coverage Ratio*" and the "*Net Stable Funding Ratio*").

The European authorities have indicated that they support the work of the Basel Committee on the approved changes in general. The European Commission implemented those changes in the amendment to the Capital Requirements Directive adopted on 16 April 2013 ("**CRD IV**"), in the regulation (the "**Capital Requirement Regulation**" or "**CRR**") which were published in the Official Journal of the European Union on 27 June 2013 and in the relevant subsequent delegated regulations and must be applied from 1 January 2014 with full implementation on 1 January 2019. A number of new requirements arising from the CRD IV was implemented under French law through Law no. 2013-672 dated 26 July 2013 relating to the separation and regulation of banking activities. The implementation of the CRD IV at the legislative level was finalized under French law by Ordinance n°2014-158 dated 20 February 2014 and its implementing "*arrêts*".

The implementation of Basel II and Basel III has and will continue to bring about a number of substantial changes to the current capital requirements, prudential oversight and risk-management systems, including those of the Issuer. The direction and the magnitude of the impact of Basel II and Basel III will depend on the particular asset structure of each credit institution and its precise impact on the Issuer cannot be quantified with certainty at this time. The Issuer may operate its business in ways that are less profitable than its present operation in complying with the new guidelines resulting from the transposition of the CRD IV.

The implementation of Basel II and Basel III could affect the risk weighting of the Notes in respect of certain investors to the extent that those investors are subject to the new guidelines resulting from the implementation of the Capital Requirements Directives. Accordingly, recipients of this Base Prospectus should consult their own advisers as to the consequences and effects the implementation of the CRD IV could have on them.

2. RISKS RELATED TO THE STRUCTURE OF A PARTICULAR ISSUE OF NOTES

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, *inter alia*, the provisions for computation of periodic interest payments, if any, redemption and issue price.

2.1 Fixed Rate Notes

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

2.2 Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

2.3 Fixed/Floating Rate Notes

Fixed/floating Rate Notes initially bear interest at a rate, which may be a Fixed Rate or a Floating Rate or which is linked to a Product of Spread Formula, as specified in the relevant Final Terms; conversion to another rate, which may be a Fixed Rate or a Floating Rate or which is linked to a Product of Spread Formula, as specified in the relevant Final Terms then takes place either automatically or at the option of the Issuer on a date set out in the relevant Final Terms. The conversion (whether it be automatic or optional) of the interest rate will affect the secondary market and the market value of the Notes since the conversion may lead to a lower overall cost of borrowing. If a fixed rate is converted to a floating rate or a rate linked to a formula, the spread on the fixed/floating rate Notes may be less favourable than then prevailing spreads on comparable floating rate Notes or formula linked Notes tied or linked, as applicable, to the same reference rate. In addition, the new floating rate or rate linked to a formula at any time may be lower than the rates on other Notes. Where conversion is at the option of the Issuer there is no guarantee that the Issuer will exercise such option.

2.4 Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

2.5 Zero Coupon Notes are subject to higher price fluctuations than non-discounted bonds

Changes in market interest rates have a substantially stronger impact on the prices of Zero Coupon Notes than on the prices of ordinary Notes because the discounted issue prices are substantially below par. If market interest rates increase, Zero Coupon Notes can suffer higher price losses than other Notes having the same maturity and credit rating. Due to their leverage effect, Zero Coupon Notes are a type of investment associated with a particularly high price risk.

2.6 Inflation Linked Notes

The Issuer may issue Notes with principal or interest determined by reference to the rate of inflation in a country or in the European Monetary Union (“**Inflation Linked Notes**”), where interest amounts and/or principal are

dependent upon the performance of an inflation index, which will be one of (i) the consumer price index (excluding tobacco) for all households in France or the relevant substitute index (the “CPI”), as calculated and published monthly by the *Institut National de la Statistique et des Etudes Economiques* (“INSEE”), or (ii) the harmonised index of consumer prices (excluding tobacco), or the relevant substitute index, measuring the rate of inflation in the European Monetary Union as calculated and published monthly by Eurostat (the “HICP”). If the value of the relevant index calculated at any time prior to the maturity is lower than the value of the relevant index at the time of the issue of the Notes or at the time of purchase by the Noteholders, then the amount of interest payable by the Issuer and/or the principal of Inflation Linked Notes may vary. Noteholders may receive no interest. However, if the nominal amount to be repaid at maturity is below par, the Inflation Linked Notes will be redeemed at par.

Neither the current nor the historical levels of any of the Inflation Indices should be taken as an indication of future performance of such index during the term of any Inflation Linked Notes.

Inflation Linked Notes are not in any way sponsored, endorsed, sold or promoted by the INSEE or Eurostat, as the case may be, and the INSEE or Eurostat makes no warranty or representation whatsoever, express or implied, either as to the results to be obtained from the use of the Inflation Indices and/or the figure at which such indices stand at any particular time. The Inflation Indices are determined, composed and calculated by the INSEE or Eurostat, as the case may be, without regard to the Issuer or the Notes. The INSEE or Eurostat, as the case may be, is not responsible for or has not participated in the determination of the timing of, prices of, or quantities of the Inflation Linked Notes to be issued or in determination or calculation of the interest payable under such Notes.

None of the Issuer, the Dealer(s) or any of their respective affiliates makes any representation as to the Inflation Indices (as defined herein). Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to any of the Inflation Indices that is or may be material in the context of Inflation Linked Notes. The issue of Inflation Linked Notes will not create any obligation on the part of any such persons to disclose to the holders of Notes or any other party such information (whether or not confidential).

2.7 Variable rate Notes with a multiplier or other leverage factor

A leverage or other factor may be applied to certain Notes in order to determine the Rate of Interest and/or redemption amount. Such leverage factor will magnify any negative performance of the underlying.

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

2.8 Structured Notes

An investment in Notes, the premium and/or the interest on or principal of which is determined by reference to one or more values, interest rates or other indices or formulae, either directly or inversely, may entail significant risks not associated with similar investments in a conventional debt security, including the risks that the resulting interest rate will be less than that payable on a conventional debt security at the same time and/or that an investor may lose the value of its entire investment or part of it, as the case may be. Neither the current nor the historical value of the relevant interest rates or other indices or formulae should be taken as an indication of future performance of such currencies, commodities, interest rates or other indices or formulae during the term of any Note.

2.9 Notes subject to inverse exposure

One factor in the determination of the Final Redemption Amount or Optional Redemption Amount of Variable Zero Coupon Redemption Notes and the Rate of Interest of Reverse Floater Formula Notes is fixed rate minus the

underlying rate. The market value of those Notes typically are more volatile than market values of other conventional debt securities based on the same underlying rate (and with otherwise comparable terms). Those types of Notes are more volatile because an increase in the value of the underlying rate not only decreases the Final Redemption Amount or Optional Redemption Amount of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of such Notes.

2.10 Caps and floors (including Minimum and Maximum Rate of Interest)

Notes may be subject to a cap and a floor. The investor, therefore, will not fully participate in the positive performance of the underlying rate where the cap applies and the interest rate and/or redemption amount may be lower than it would have been without a cap. Conversely, the investor will be protected, to the extent of any applicable floor, from the negative performance of the underlying rate. Any cap or floor may be specified as ‘not applicable’ in the applicable Final Terms. In such circumstances, the cap will be infinity and the floor will be zero (0) and the investor will be more exposed to the positive and negative performance of the underlying.

2.11 Notes subject to optional redemption by the Issuer

If the relevant Final Terms specifies that the Notes are redeemable at the Issuer’s option in certain circumstances, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. During a period when the Issuer may elect, or has elected, to redeem Notes, such Notes may feature a market value not substantially above the price at which they can be redeemed. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the Notes.

2.12 Maximum-Minimum VolBond Formula

One factor in the determination of the interest rate for Notes for which the Maximum-Minimum VolBond Formula is applicable is the lowest level of the underlying rate observed during the relevant reference period subtracted from the highest level of the underlying rate observed during the relevant reference period. An investor will not therefore fully benefit from the highest level of the underlying rate during the relevant reference period.

Please also see risk factors 2.7 (*Variable rate Notes with a multiplier or other leverage factor*), 2.8 (*Structured Notes*) and 2.10 (*Caps and floors (including Minimum and Maximum Rate of Interest)*), which may also be applicable to such Notes.

2.13 Pre/Post VolBond Formula

One factor in the determination of the interest rate for Notes for which the Pre/Post VolBond Formula is applicable is the difference between the level of the underlying rate on two specified days within the relevant reference period. An investor may not therefore benefit from the highest level of the underlying rate during the relevant reference period.

Please also see risk factors 2.7 (*Variable rate Notes with a multiplier or other leverage factor*), 2.8 (*Structured Notes*) and 2.10 (*Caps and floors (including Minimum and Maximum Rate of Interest)*), which may also be applicable to such Notes.

2.14 Digital Formula

The interest rate for Notes for which the Digital Formula is applicable is linked to the value of an underlying rate, and in particular, whether the value of the underlying rate on a relevant observation date falls within a specified range. If the value of the underlying rate falls within the range, a different interest rate will apply (the “**Formula Rate**”) than the rate that would have applied if the value of the underlying rate had not fallen within the range

(the “**Fixed Percentage**”). When the Fixed Percentage applies, (1) the Fixed Percentage may be lower than the Formula Rate (with the result that the return on the Notes, and the value of the Notes, falls) and (2) any increases in market interest rates may adversely affect the value of the Notes. When the Formula Rate applies, (1) the Formula Rate may be lower than the Fixed Percentage (with the result that the return on the Notes, and the value of the Notes, falls) and (2) the spread on the Notes may be less favourable than the spread on other floating rate securities issued by the Issuer which are linked to the same underlying rate.

Please also see the risk factor 2.16 (*Product of Spread Formula*) (as the interest rate for Notes for which the Formula Rate is applicable is determined in a similar way to the interest rate for Notes for which the Product of Spread Formula is applicable).

Small changes in the value of the underlying rate may have disproportionate consequences on the interest amounts paid in respect of the Notes and investors may not receive any interest amounts reflecting any positive performance of the underlying rate.

Please also see risk factors 2.7 (*Variable rate Notes with a multiplier or other leverage factor*), 2.8 (*Structured Notes*) and 2.10 (*Caps and floors (including Minimum and Maximum Rate of Interest)*), which may also be applicable to such Notes.

2.15 Range Accrual Formula

One factor in the determination of the interest rate for Notes for which the Range Accrual Formula is applicable is the number of Range Accrual Days in the relevant observation period in respect of which the value of the underlying rate falls within a specified range. Such number of Range Accrual Days is divided by the total number of Range Accrual Days in the relevant observation period to give the relevant accrual factor. In the event that the value of the underlying rate is not within the range on any Range Accrual Day during the relevant observation period, the accrual factor will be zero (0). If the accrual factor is zero (0), the interest rate relevant to the Notes could also be zero (0).

Please also see risk factors 2.7 (*Variable rate Notes with a multiplier or other leverage factor*), 2.8 (*Structured Notes*) and 2.10 (*Caps and floors (including Minimum and Maximum Rate of Interest)*) which may also be applicable to such Notes.

2.16 Product of Spread Formula

One factor in the determination of the interest rate for Notes for which the Product of Spread Formula is applicable is the difference between the level of two different underlying rates on a specified day. An investor will not therefore benefit from the highest level of either underlying rate during the relevant reference period.

Please also see risk factors 2.7 (*Variable rate Notes with a multiplier or other leverage factor*), 2.8 (*Structured Notes*) and 2.10 (*Caps and floors (including Minimum and Maximum Rate of Interest)*), which may also be applicable to such Notes.

2.17 Issuer Rate Switch Option

Where Issuer Rate Switch Option is applicable, the Issuer may elect that the interest rate for the relevant Notes will be changed such that the relevant interest rate is determined as though such Notes were Fixed Rate Notes or Floating Rate Notes, as specified in the Final Terms (such changed method of determining the relevant interest rate being the **Post Switch Rate**).

Investors will have no control over whether or not this option is exercised by the Issuer. If the Issuer elects to exercise such option this may negatively affect the interest rate and therefore the value of the Notes.

2.18 Rate Lock-In

Where Rate Lock-In is applicable, if the interest rate of the relevant Notes is equal to or greater than a specified percentage on an interest observation date, the interest rate for the relevant interest accrual period and for each subsequent interest accrual period shall be equal to the rate of interest on such date plus or minus a margin, as specified in the relevant Final Terms.

Investors will have no control over whether or not such lock-in will occur which is dependent on the value of an underlying rate. The lock-in may or may not be beneficial for investors and this feature may negatively impact the value of the Notes.

SUPPLEMENT TO THE BASE PROSPECTUS

If at any time the Issuer shall be required to prepare a supplement to the Base Prospectus pursuant to Article 212-25 of the *Règlement Général* of the AMF implementing Article 16 of the Prospectus Directive, the Issuer will prepare and make available an appropriate supplement to this Base Prospectus or a restated Base Prospectus, which in respect of any subsequent issue of Notes to be listed and admitted to trading on Euronext Paris or on a Regulated Market of a Member State of the EEA, shall constitute a supplement to the Base Prospectus for the purpose of the relevant provisions of the Prospectus Directive.

In accordance with and pursuant to Article 16.2 of the Prospectus Directive, where the Notes are offered to the public, investors who have already agreed to purchase or subscribe for Notes before any supplement is published have the right, exercisable within two working days after the publication of such supplement, to withdraw their acceptance provided that the new factor, mistake or inaccuracy referred to in Article 16.1 of the Prospectus Directive arose before the final closing of the offer to the public and the delivery of the Notes. The period may be extended by the Issuer or, if any, the relevant offeror(s). The final date of the right of withdrawal shall be stated in the supplement.

DOCUMENTS INCORPORATED BY REFERENCE

This Base Prospectus should be read and construed in conjunction with the sections set out in the cross reference tables below from the following documents:

- (a) the reference document of the Issuer in French and English language for the financial year ended 31 December 2014, excluding the section entitled “*attestation du responsable du document de référence*” (statement by the person responsible for the reference document referring to the *lettre de fin de travaux* of the statutory auditors of the Issuer) respectively on page 206 of the French and the English version of such reference document; which was filed with the AMF under registration number n.°D.15-0329 on 13 April 2015 (the “**Reference Document 2014**”).
- (b) the reference document of the Issuer in French and English language for the financial year ended 31 December 2013, excluding the section entitled “*attestation du responsable du document de référence*” (statement by the person responsible for the reference document referring to the *lettre de fin de travaux* of the statutory auditors of the Issuer) respectively on page 185 of the French and the English version of such reference document; which was filed with the AMF under registration number n.°D.14-0223 on 27 March 2014 (the “**Reference Document 2013**”).
- (c) the terms and conditions of the notes contained in the base prospectus of the Issuer dated, respectively 25 August 2005 (the “**2005 EMTN Conditions**”), 1 August 2006 (the “**2006 EMTN Conditions**”), 16 July 2007 (the “**2007 EMTN Conditions**”), 4 July 2008 (the “**2008 EMTN Conditions**”), 3 July 2009 (the “**2009 EMTN Conditions**”), 1 July 2010 (the “**2010 EMTN Conditions**”), 30 June 2011 (the “**2011 EMTN Conditions**”), 26 June 2012 (the “**2012 EMTN Conditions**”), 26 June 2013 (the “**2013 EMTN Conditions**”), 27 June 2014 (the “**2014 EMTN Conditions**”) and in the second supplement dated 25 February 2010 to the base prospectus dated 3 July 2009 (the “**Additional February 2010 EMTN Conditions**”) and together with the 2005 EMTN Conditions, the 2006 EMTN Conditions, the 2007 EMTN Conditions, the 2008 EMTN Conditions, the 2009 EMTN Conditions, the 2010 EMTN Conditions, the 2011 EMTN Conditions, the 2012 EMTN Conditions, the 2013 EMTN Conditions, the 2014 EMTN Conditions and the Additional February 2010 EMTN Conditions, the “**EMTN Previous Conditions**”.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Notes. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed by Part A of the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the provisions of Part A of the Final Terms or (ii) these terms and conditions as so completed (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on Definitive Materialised Notes. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

An amended and restated agency agreement dated 26 June 2015 has been agreed between Compagnie de Financement Foncier (the “**Issuer**”), Deutsche Bank AG, London Branch as fiscal agent and the other agents named in it (the “**Amended and Restated Agency Agreement**”). The fiscal agent, the paying agents, the redenomination agent, the consolidation agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Redenomination Agent**”, the “**Consolidation Agent**” and the “**Calculation Agent(s)**”.

For the purpose of these Terms and Conditions, “**Regulated Market**” means any regulated market situated in a Member State of the European Economic Area (“**EEA**”) as defined in the Markets in Financial Instruments Directive 2004/39/EEC, as amended.

References below to “**Conditions**” are, unless the context requires otherwise, to the numbered paragraphs below.

All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the relevant Final Terms.

Certain defined terms contained in the 2001 FBF Master Agreement relating to transactions on forward financial instruments as supplemented by the Technical Schedules published by the AFB or the FBF (together, the “**FBF Master Agreement**”) and in the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc., have either been used or reproduced in Condition 5 (*Interest and other Calculations*) below.

Copies of the FBF Master Agreement are available for inspection at the specified offices of each of the Paying Agents.

1 Form, Denomination, Title and Redenomination

- (a) **Form:** Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”).
 - (i) Title to Dematerialised Notes will be evidenced in accordance with Articles L. 211-3 and R.211-1 of the French *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R. 211-7 of the French *Code monétaire et financier*) will be issued in respect of the Dematerialised Notes.
 - (a) Dematerialised Notes are issued, at the option of the Issuer and as specified in the final terms (the “**Final Terms**”), in either bearer dematerialised form (*au porteur*), which will be inscribed in the books of Euroclear France (“**Euroclear France**”) (acting as central depository) which shall credit the accounts of Account Holders, or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant holder in either administered registered dematerialised form (*au nominatif administré*) inscribed in the books of an Account Holder designated by the relevant holder of Notes or in fully registered dematerialised form (*au nominatif pur*) inscribed in an account in the books of a registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the “**Registration Agent**”).

(b) For the purpose of these Conditions, “**Account Holder**” means any intermediary institution entitled to hold directly or indirectly accounts on behalf of its customers with Euroclear France, Euroclear Bank S.A./N.V. (“**Euroclear**”) and the depositary bank for Clearstream Banking, *société anonyme* (“**Clearstream, Luxembourg**”).

The Issuer may request from the central depository the identification of the holders of Dematerialised Notes in bearer form (*au porteur*) unless such right is expressly excluded in the relevant Final Terms.

- (ii) Materialised Notes are issued in bearer form. Definitive Materialised Notes are printed on security paper, are serially numbered and are issued with coupons (the “**Coupons**”) (and, where appropriate, a talon (the “**Talons**”) attached), save in the case of (A) Zero Coupon Notes, (B) Resettable Zero Coupon Notes (other than in relation to interest payable on the designation of a Reset Date) and (C) Zero Coupon/ Fixed Rate Notes (other than in relation to any interest payable on or after the designation of a Switch Date) in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

In accordance with Articles L. 211-3 and R.211-1 of the French *Code monétaire et financier*, securities (including the Notes) in materialised form and governed by French law must be issued outside the French territory.

- (b) **Denomination:** Notes shall be issued in the Specified Denomination(s) as set out in the relevant Final Terms provided that such denomination shall be equal to such minimum amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency. Dematerialised Notes shall be issued in one Specified Denomination only.

(c) **Title:**

- (i) Title to Dematerialised Notes in bearer dematerialised form (*au porteur*) and in administered registered dematerialised form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of Account Holders. Title to Dematerialised Notes in fully registered dematerialised form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Registration Agent.
- (ii) Title to Definitive Materialised Notes and Coupons and Talons shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, “**holder of Notes**”, “**holder of any Note**” or “**Noteholder**” means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Account Holder or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any definitive Materialised Note and the Coupon or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) **Redenomination:**

- (i) The Issuer may (if so specified in the relevant Final Terms), on any Interest Payment Date, without the consent of the holder of any Note, Coupon or Talon, by giving at least 30 days’ notice in accordance with Condition 13 (*Notices*) and on or after the date on which the

European Member State in whose national currency the Notes are denominated has become a participating Member State in the third stage (or any further stage) of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the “EC”, as amended from time to time (the “Treaty”)) or events have occurred which have substantially the same effects (in either case, “EMU”), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the “Redenomination Date”.

- (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) (*Redenomination*) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resulting figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to holders of Notes in accordance with Condition 13 (*Notices*). Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euros on the Redenomination Date in the manner notified to holders of Notes by the Issuer.
- (iii) Upon redenomination of the Notes, any reference hereon to the relevant national currency shall be construed as a reference to Euro.
- (iv) The Issuer may, with the prior approval of the Redenomination Agent and the Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 12 (*Further Issues and Consolidation*), without the consent of the holder of any Note, Coupon or Talon, make any changes or additions to these Conditions or Condition 12 (*Further Issues and Consolidation*) (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated Euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holders of Notes, Coupons and Talons and shall be notified to holders of Notes in accordance with Condition 13 (*Notices*) as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euros or any currency conversion or rounding effected in connection therewith.

2 Conversions and Exchanges of Notes

(a) Dematerialised Notes

- (i) Dematerialised Notes issued in bearer dematerialised form (*au porteur*) may not be converted for Dematerialised Notes in registered dematerialised form, whether in fully registered dematerialised form (*au nominatif pur*) or in administered registered dematerialised form (*au nominatif administré*).
- (ii) Dematerialised Notes issued in registered dematerialised form (*au nominatif*) may not be converted for Dematerialised Notes in bearer dematerialised form (*au porteur*).

- (iii) Dematerialised Notes issued in fully registered dematerialised form (*au nominatif pur*) may, at the option of the holder of such Notes, be converted into Notes in administered registered dematerialised form (*au nominatif administré*), and *vice versa*. The exercise of any such option by such holder shall be made in accordance with Article R. 211-4 of the French *Code monétaire et financier*. Any such conversion shall be effected at the cost of such holder.

(b) **Materialised Notes**

Materialised Notes of one Specified Denomination may not be exchanged for Materialised Notes of another Specified Denomination.

3 Status

The Notes and, where applicable, any Coupons relating to them constitute direct, unconditional and, pursuant to the provisions of Condition 4 (*Privilège*), privileged obligations of the Issuer and rank and will rank *pari passu* and without any preference among themselves and equally and rateably with all other present or future notes (including the Notes of all other Series) and other resources raised by the Issuer benefiting from the *privilège* (the “*Privilège*”) created by Article L. 513-11 of the French *Code monétaire et financier* as described in Condition 4 (*Privilège*).

4 Privilège

- (a) The Notes benefit from the *Privilège* (priority right of payment) created by Article L. 513-11 of the French *Code monétaire et financier*.
- (b) Pursuant to Article L. 513-11 of the French *Code monétaire et financier*, all amounts payable to the Issuer in respect of loans, assimilated receivables, exposure and securities referred to in Article L. 513-3 to L. 513-7 of the French *Code monétaire et financier* and the forward financial instruments referred to in Article L. 513-10 of the French *Code monétaire et financier* (in each case after any applicable netting), together with the claims in respect of deposits made by the Issuer with credit institutions, are allocated in priority to the payment of any sums due in respect of the *obligations foncières* issued by the Issuer and any other resources raised by the Issuer pursuant to the *Privilège*.

It should be noted that not only Notes benefit from the *Privilège*; other resources (such as loans) and derivative transactions for hedging Notes and such other resources may also benefit from the *Privilège*.

- (c) Article L. 513-11 of the French *Code monétaire et financier* provides that, notwithstanding any legislative provisions to the contrary and in particular those contained in the French *Code de Commerce* (relating to conciliation (*conciliation*), preservation (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) and judicial liquidation (*liquidation judiciaire*)), the amounts due regularly under *obligations foncières* and any other resources benefiting from the *Privilège*, are paid on their contractual due date, and in priority to all other debts, whether or not preferred, including interest resulting from agreements whatever their duration. Accordingly, until all creditors benefiting from the *Privilège* have been fully paid, no other creditor of the Issuer may exercise any right over the assets and rights of the Issuer.

5 Interest and other Calculations

- (a) **Definitions:** In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

“**Business Day**” means:

- (i) in the case of Euro, a day on which the TARGET system is operating (a “**TARGET Business Day**”) and/or
- (ii) in the case of a Specified Currency other than Euro, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for that currency and/or

- (iii) in the case of a Specified Currency and/or one or more business centres specified in the relevant Final Terms (the “**Business Centres**”), a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in such currency in the Business Centre(s) or, if no currency is indicated, generally in each of the Business Centres

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest on any Note for any period of time (from and including the first day of such period to but excluding the last) (whether or not constituting an Interest Period or Interest Accrual Period, the “**Calculation Period**”):

- (i) if “**Actual/Actual**” or “**Actual/Actual - ISDA**” or “**Act/Act**” or “**Act/Act (ISDA)**” is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365)
- (ii) if “**Actual/365 - FBF**” is specified in the relevant Final Terms, the fraction whose numerator is the actual number of days elapsed during the Calculation Period and whose denominator is 365. If part of that Calculation Period falls in a leap year, Actual/365 - FBF shall mean the sum of (i) the fraction whose numerator is the actual number of days elapsed during the non-leap year and whose denominator is 365 and (ii) the fraction whose numerator is the number of actual days elapsed during the leap year and whose denominator is 366
- (iii) if “**Actual/Actual - FBF**” is specified in the relevant Final Terms in respect of each calculation, the fraction whose numerator is the actual number of days elapsed during such period and whose denominator is 365 (or 366 if 29 February falls within the Calculation Period)
- (iv) if “**Actual/Actual-ICMA**” is specified in the relevant Final Terms
 - if the Calculation Period is equal to or shorter than the Determination Period during which it falls, the number of days in the Calculation Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in any year; and
 - if the Calculation Period is longer than one Determination Period, the sum of:
 - the number of days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - the number of days in such Calculation Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year
 - where
 - “**Determination Period**” means the period from and including a Determination Date in any year to but excluding the next Determination Date; and
 - “**Determination Date**” means the date specified in the applicable Final Terms or, if none is specified, the Interest Payment Date.
- (v) if “**Actual/365 (Fixed)**” is specified in the relevant Final Terms, the fraction whose numerator is the actual number of days elapsed during the Calculation Period and whose denominator is 365
- (vi) if “**Actual/360**” is specified in the relevant Final Terms, the fraction whose numerator is the actual number of days elapsed during the Calculation Period and whose denominator is 360

- (vii) if “**30/360**” or “**360/360 (Bond Basis)**” is specified in the relevant Final Terms, the number of days in the Calculation Period by 360 calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**M₂**” is the calendar month, expressed as number, in which the day immediately following the last day included in the Calculation Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case **D₁** will be 30; and

“**D₂**” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and **D₁** is greater than 29, in which case **D₂** will be 30

- (viii) if “**30E/360**” or “**Eurobond Basis**” is specified in the relevant Final Terms, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**M₂**” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case **D₁** will be 30; and

“**D₂**” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case **D₂** will be 30

- (ix) if “**30E/360 (ISDA)**” is specified hereon, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**M₂**” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“**D₂**” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30

“**Euro-zone**” means the region comprised of member states of the European Union that adopt the single currency in accordance with the Treaty

“**FBF Definitions**” means the definitions set out in the 2001 FBF Master Agreement relating to Transactions on Forward Financial Instruments as supplemented by the Technical Schedules published by the *Fédération Bancaire Française*, as the case may be (“**FBF**”) (together the “**FBF Master Agreement**”)

“**Interest Accrual Period**” means the period beginning on (and including) the Interest Commencement Date and ending on (but excluding) the first Interest Period Date and each successive period beginning on (and including) an Interest Period Date and ending on (but excluding) the next succeeding Interest Period Date

“**Interest Amount**” means the amount of interest payable, and in the case of Fixed Rate Notes, means the Fixed Coupon Amount or Broken Amount, as the case may be

“**Interest Commencement Date**” means the Issue Date or such other date as may be specified in the relevant Final Terms

“**Interest Determination Date**” means, with respect to a Rate of Interest and Interest Accrual Period, the date specified as such in the relevant Final Terms or, if none is so specified, (i) the day falling two TARGET Business Days prior to the first day of such Interest Accrual Period if the Specified Currency is Euro or (ii) the first day of such Interest Accrual Period if the Specified Currency is Sterling or (iii) the day falling two Business Days in Paris for the Specified Currency prior to the first day of such Interest Accrual Period if the Specified Currency is neither Sterling nor Euro, each such date shall be deemed to be an “**Observation Date**” for the purposes of Condition 6(l) (*Benchmark Rate*)

“**Interest Payment Date**” means the date(s) specified in the relevant Final Terms

“**Interest Period**” means the period beginning on (and including) the Interest Commencement Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date, or such other Interest Period specified in the relevant Final Terms

“**Interest Period Date**” means each Interest Payment Date or such other date(s) specified in the relevant Final Terms

“**ISDA Definitions**” means the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc.

“**Rate of Interest**” means, with respect to an Interest Accrual Period, the rate of interest for the relevant Interest Accrual Period (as specified in the relevant Final Terms) which is determined in accordance with these Conditions and payable in relation to the such Interest Accrual Period in respect of the Notes

“**Reference Banks**” means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, or, if otherwise, the principal offices of five major banks in the Relevant Inter-Bank Market, in each case selected by the Calculation Agent or as specified in the relevant Final Terms

“**Relevant Date**” means, in respect of any Note or Coupon, the date on which payment in respect of it first became due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (in the case of Materialised Notes if earlier) the date seven days after that on which notice is duly given to the holders of such Materialised Notes that, upon further presentation of the Materialised Note or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation

“**Relevant Inter-Bank Market**” means such inter-bank market as may be specified in the relevant Final Terms

“**Reference Rate**” means the rate specified as such in the relevant Final Terms which shall be LIBOR, EURIBOR, EONIA, CMS Rate or TEC10

“**Relevant Screen Page**” means such page, section, caption, column or other part of a particular information service as may be specified in the relevant Final Terms

“**Relevant Screen Page Time**” means such relevant Screen Page Time as may be specified in the relevant Final Terms

“**Specified Currency**” means the currency specified as such in the relevant Final Terms or, if none is specified, the currency in which the Notes are denominated

“**TARGET System**” means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) System which was launched on 19 November 2007 or any successor thereto.

- (b) **Interest on Fixed Rate Notes:** Subject to Condition 5(m) (*Rate Switch and Rate Lock-In Options*), each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(j) (*Calculations*).

If a Fixed Coupon Amount or a Broken Amount is specified in the relevant Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the relevant Final Terms.

- (c) **Interest on Floating Rate Notes, Inflation Linked Notes and Formula Linked Notes:**

- (i) *Interest Payment Dates:* Subject to Condition 5(m) (*Rate Switch and Rate Lock-In Options*), each Floating Rate Note, Inflation Linked Note and Formula Linked Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest (subject to adjustment in accordance with Condition 5(i) (*Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding*)), such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(j) (*Calculations*). Such Interest Payment Date(s) is/are either shown in the relevant Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the relevant Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the relevant

Final Terms as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

- (ii) *Business Day Convention*: If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Following Business Day Convention, such date shall be carried forward to the following Business Day, (B) the Following Business Day except the Following Month Convention, such date shall be carried forward to the following day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be carried back to the previous Business Day or (C) the Preceding Business Day Convention, such date shall be carried back to the previous Business Day.
- (iii) *Rate of Interest for Floating Rate Notes*: The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined according to the relevant Final Terms and the provisions below relating to either FBF Determination, ISDA Determination or Screen Rate Determination, depending upon which is specified in the relevant Final Terms.

(A) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant FBF Rate. For the purposes of this sub-paragraph (A), “**FBF Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Transaction under the terms of an agreement incorporating the FBF Definitions and under which:

- (a) the Floating Rate is as specified in the relevant Final Terms and
- (b) the relevant Floating Rate Determination Date (*Date de Détermination du Taux Variable*) is the first day of that Interest Accrual Period or such other date as specified in the relevant Final Terms

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Determination Date** (*Date de Détermination du Taux Variable*)” and “**Transaction**” have the meanings given to those terms in the FBF Definitions, provided that “**Euribor**” means the rate calculated for deposits in Euro which appears on Reuters page EURIBOR01, as more fully described in the relevant Final Terms.

(B) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (B), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the relevant Final Terms
- (b) the Designated Maturity is a period specified in the relevant Final Terms and
- (c) the relevant Reset Date is the first day of that Interest Accrual Period or such other date as specified in the relevant Final Terms.

For the purposes of this sub-paragraph (B), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(C) Screen Rate Determination for Floating Rate Notes

(a) Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either (i) 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) or, (ii) if otherwise, the Relevant Screen Page Time, on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the relevant Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided hereon.

- (b) if the Relevant Screen Page is not available or, if sub-paragraph (a)(i) applies and no such offered quotation appears on the Relevant Screen Page or, if sub-paragraph (a)(ii) applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, (i) if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks, (ii) if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks or, (iii) if otherwise, each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if otherwise, at the Relevant Screen Page Time, on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if otherwise, at the Relevant Screen Page Time, on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is

LIBOR, the London inter-bank market, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market or, if otherwise, the Relevant Inter-Bank Market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if otherwise, at the Relevant Screen Page Time, on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market, if the Reference Rate is EURIBOR, the Euro zone inter-bank market or, if otherwise, the Relevant Inter-Bank Market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (d) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being EONIA, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be the rate of return of a daily compound interest investment (with the arithmetic mean of the daily rates of the day-to-day Euro-zone interbank euro money market as reference rate for the calculation of interest) plus or minus (as indicated in the applicable Final Terms) the Margin (if any) and will be calculated by the Calculation Agent on the Interest Determination Date as follows, and the resulting will be rounded, if necessary, to the nearest one ten-thousandth of a percentage point, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{EONIA_i \times n_i}{360} \right) - 1 \right] \times \frac{360}{d}$$

Where:

“i” is a series of whole numbers from one to d_o , each representing the relevant TARGET Business Day in chronological order from, and including, the first TARGET Business Day in the relevant Interest Accrual Period;

“ d_o ” for any Interest Accrual Period, is the number of TARGET Business Days in the relevant Interest Accrual Period;

“ $EONIA_i$ ”, for any day “i” in the relevant Interest Accrual Period, is a reference rate equal to the overnight rate as calculated by the European Central Bank and appearing on the Reuters Screen EONIA Page or such other page or service as may replace such page for the purposes of displaying Euro overnight index average rate of leading reference banks for deposits in Euro (the “**EONIA Page**”) in respect of that day provided that, if, for any reason, by 11.00 a.m. (Brussels time) on any such day “i”, no rate is published on the EONIA Page, the Calculation Agent will request any four

major banks selected by it (but which shall not include the Calculation Agent) in the Euro-zone inter-bank market to provide it with their respective quotations of the rates offered by such banks at approximately 11.00 a.m. (Brussels time) on such day “ i ” to prime banks in the Euro-zone inter-bank market for Euro overnight index average rate for deposits in Euro in an amount that is, in the reasonable opinion of the Calculation Agent, representative for a single transaction in the relevant market at the relevant time. The applicable reference rate for such day “ i ” shall be the arithmetic mean (rounded if necessary, to the nearest hundredth of a percentage point, with 0.005 being rounded upwards) of at least two of the rates so quoted, it being provided that if less than two rates are provided to the Calculation Agent, the applicable reference rate shall be determined by the Calculation Agent after consultation of an independent expert;

“ n_i ” is the number of calendar days in the relevant Interest Accrual Period on which the rate is EONIA _{i} ; and

“ d ” is the number of calendar days in the relevant Interest Accrual Period.

- (e) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being CMS Rate, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be determined by the Calculation Agent by reference to the following formula:

$$\text{CMS Rate} + \text{Margin}$$

If the Relevant Screen Page is not available at the Specified Time on the relevant Interest Determination Date: (i) the Calculation Agent shall request each of the CMS Reference Banks to provide the Calculation Agent with its quotation for the Relevant Swap Rate at approximately the Specified Time on the relevant Interest Determination Date; (ii) if at least three of the CMS Reference Banks provide the Calculation Agent with such quotations, the CMS Rate for such Interest Accrual Period shall be the arithmetic mean of such quotations, eliminating the highest quotation (or, in the event of equality, one of the highest quotations and the lowest quotation (or, in the event of equality, one of the lowest quotations) and (iii) if on any Interest Determination Date less than three or none of the CMS Reference Banks provides the Calculation Agent with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Calculation Agent on such commercial basis as considered appropriate by the Calculation Agent in its absolute discretion, in accordance with the then prevailing standard market practice.

For the purposes of this sub-paragraph (e):

“**CMS Rate**” shall mean the applicable swap rate for swap transactions in the Reference Currency with a maturity of the Designated Maturity, expressed as a percentage, which appears on the Relevant Screen Page as at the Specified Time on the relevant Interest Determination Date in question, all as determined by the Calculation Agent.

“**CMS Reference Banks**” means (i) where the Reference Currency is Euro, the principal office of five leading swap dealers in the inter-bank market, (ii) where the Reference Currency is Sterling, the principal London office of five leading swap dealers in the London inter-bank market, (iii) where the Reference Currency is United States dollars, the principal New York City office of five leading swap dealers in the New York City inter-bank market, or (iv) in the case of any other Reference Currency, the principal Relevant Financial Centre office of five leading swap dealers

in the Relevant Financial Centre inter-bank market, in each case selected by the Calculation Agent.

“**Reference Currency**” means the currency specified as such in the applicable Final Terms.

“**Reference Financial Centre**” means, with respect to a Reference Currency, the financial centre specified as such in the applicable Final Terms.

“**Designated Maturity**”, “**Specified Time**” and “**Relevant Screen Page**” shall have the meaning given to those terms in the applicable Final Terms.

“**Margin**” has the meaning set out in Condition 5(i) (*Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding*).

“**Relevant Swap Rate**” means:

- (i) where the Reference Currency is Euro, the mid-market annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating euro interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Accrual Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is equivalent to EUR-EURIBOR-Reuters (as defined in the ISDA Definitions, as amended and updated as at the Issue Date of the first Tranche of the Notes) with a designated maturity determined by the Calculation Agent by reference to the then prevailing standard market practice or the ISDA Definitions;
- (ii) where the Reference Currency is Sterling, the mid-market semi-annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the semi-annual fixed leg, calculated on an Actual/365 (Fixed) day count basis, of a fixed-for-floating Sterling interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Accrual Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/365 (Fixed) day count basis, is equivalent (A) if the Designated Maturity is greater than one year, to GBP-LIBOR-BBA (as defined in the ISDA Definitions) with a designated maturity of six months or (B) if the Designated Maturity is one year or less, to GBP-LIBOR-BBA with a designated maturity of three months;
- (iii) where the Reference Currency is United States dollars, the mid-market semi-annual swap rate determined on the basis of the mean of the bid and offered rates for the semi-annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating United States dollar interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Accrual Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, calculated on an Actual/360 day count basis, is equivalent to USD-LIBOR-BBA (as defined in the ISDA Definitions) with a designated maturity of three months; and
- (iv) where the Reference Currency is any other currency of if the Final Terms specify otherwise, the mid-market swap rate as determined in accordance with the applicable Final Terms.

“**Representative Amount**” means an amount that is representative for a single transaction in the relevant market at the relevant time, as determined by the Calculation Agent.

- (f) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being the TEC10, the Rate of Interest for each Interest Accrual Period will be, subject as provided below, determined by the Calculation Agent by reference to the following formula: TEC10 + Margin.

“**TEC10**” means the offered quotation (expressed as a percentage rate per annum) for the EUR-TEC10-CNO¹, calculated by the *Comité de Normalisation Obligataire* (“**CNO**”), which appears on the Relevant Screen Page, being the caption “TEC10” on the Reuters Screen CNOTEC10 Page or any successor page, as at 10.00 a.m. Paris time on the Interest Determination Date in question.

If, on any Interest Determination Date, TEC10 does not appear on Reuters Screen CNOTEC Page or any successor page, (i) it shall be determined by the Calculation Agent on the basis of the mid-market prices for each of the two reference OAT (*Obligation Assimilable du Trésor*) which would have been used by the *Comité de Normalisation Obligataire* for the calculation of the relevant rate, quoted in each case by five *Spécialistes en Valeurs du Trésor* at approximately 10:00 a.m. Paris time on the Interest Determination Date in question; (ii) the Calculation Agent will request each *Spécialiste en Valeurs du Trésor* to provide a quotation of its price; and (iii) TEC10 will be the redemption yield of the arithmetic mean of such prices as determined by the Calculation Agent after discarding the highest and lowest of such quotations. The above mentioned redemption yield shall be determined by the Calculation Agent in accordance with the formula that would have been used by the *Comité de Normalisation Obligataire* for the determination of the relevant rate.

For information purposes only, the EUR-TEC10-CNO, established in April 1996, is the percentage yield (rounded to the nearest second decimal point, 0.005 per cent. being rounded upwards) of a notional 10 year French Treasury Bond (Obligation Assimilable du Trésor, “OAT”) corresponding to the linear interpolation between the yield to maturity of the two actual OATs (the “Reference OATs”) whose periods to maturity are closest in duration to the notional 10 year OAT, one Reference OAT's duration being of less than 10 years and the other Reference OAT's duration being greater than 10 years.

- (iv) *Rate of Interest for Inflation Linked Notes:*

Where the applicable Final Terms specify Inflation Linked Notes as applicable (“**Inflation Linked Notes**”) the Rate of Interest shall (i) if Inflation Linked Notes – Fixed Interest is applicable, be calculated in accordance with Condition 5(b) (*Interest on Fixed Rate Notes*), or (ii) if Inflation Linked Notes – Inflation Interest is applicable, be calculated in accordance with this Condition 5(c)(iv)

(A) Consumer Price Index (CPI)

Where the consumer price index (excluding tobacco) for all households in France, as calculated and published by the *Institut National de la Statistique et des Etudes Economiques* (the “**INSEE**”) (“**CPI**”) is specified as the Index in the relevant

¹ All potential users of the EUR-TEC10-CNO must first enter into a trademark licence agreement available from the CNO.

Final Terms, this Condition 5(c)(iv)(A) shall apply. Terms defined herein shall have the meanings set out below only when this Condition 5(c)(iv)(A) shall apply.

The Rate of Interest in respect of Inflation Linked Notes indexed to the CPI (the “**CPI Linked Interest**”) will be determined by the Calculation Agent on the following basis:

- (a) On the fifth Business Day before each Interest Payment Date (an “**Interest Determination Date**”) the Calculation Agent will calculate the Inflation Index Ratio.

For the purpose of this Condition 5(c)(iv)(A), the “**Inflation Index Ratio**” or “**IIR**” is the ratio between (i) the CPI Daily Inflation Reference Index (as defined below) applicable on any Interest Payment Date, as the case may be and (ii) the base reference defined as the CPI Daily Inflation Reference Index (as defined below) applicable on the date specified in the applicable Final Terms (the “**Base Reference**”). Notwithstanding Condition 5(i)(iii) (*Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding*), the IIR will be rounded if necessary to five significant figures (with halves being rounded up).

“**CPI Daily Inflation Reference Index**” means (i) in relation to the first day of any given calendar month, the CPI Monthly Reference Index of the third month preceding such month, and (ii) in relation to a day D (other than the first day) in any given calendar month (“M”), the linear interpolation of the CPI Monthly Reference Index pertaining respectively to the third calendar month preceding such month (“M – 3”) and the second calendar month preceding such month (“M – 2”) calculated in accordance with the following formula:

$$\text{CPI Daily Inflation Reference Index} = \text{CPI Monthly Reference Index}_{M-3} + \frac{D-1}{ND_M} \times (\text{CPI Monthly Reference Index}_{M-2} - \text{CPI Monthly Reference Index}_{M-3})$$

With:

“**ND_M**”: number of days in the relevant month M and, in the case of payment of principal or interest, shall be equal to 31;

“**D**”: actual day of payment in the relevant month M and, in the case of payment of principal or interest, shall be equal to 25;

“**CPI Monthly Reference Index_{M-2}**”: the level of the CPI Monthly Reference Index published in relation to month M - 2;

“**CPI Monthly Reference Index_{M-3}**”: the level of the CPI Monthly Reference Index published in relation to month M - 3.

Notwithstanding Condition 5(i)(iii) (*Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding*), the CPI Daily Inflation Reference Index will be rounded if necessary to five significant figures (with halves being rounded up).

For information purposes, such CPI Daily Inflation Reference Index appears on the Agence France Trésor Reuters page OATINFLATION01 or on Bloomberg TRESOR <GO> pages and on the website www.aft.gouv.fr. In the case of doubt in the interpretation of the methods used to calculate the Inflation Index Ratio, such methods shall be interpreted by reference to the procedures selected by the French Treasury (*Trésor*) for its *obligations assimilables du Trésor indexées sur l'inflation*.

“CPI Monthly Reference Index” means the definitive consumer price index excluding tobacco for all households in France, as calculated and published monthly by the INSEE as such index may be adjusted or replaced from time to time as provided herein.

- (b) The calculation method described below is based on the recommendation issued by the French Bond Association (*Comité de Normalisation Obligataire* – www.cnofrance.org) in its July 2011 Paper entitled “Inflation – linked bonds). In the case of any conflict between the calculation method provided below and the calculation method provided by the French Bond Association (*Comité de Normalisation Obligataire*), the calculation method provided by the French Bond Association (*Comité de Normalisation Obligataire*) shall prevail.

The CPI Linked Interest applicable from time to time for each Interest Accrual Period (as specified in the relevant Final Terms) will be equal to the fixed rate *per annum* specified in the relevant Final Terms multiplied by the Inflation Index Ratio (as defined above).

- (c)
- (1) If the CPI Monthly Reference Index is not published in a timely manner, a substitute CPI Monthly Reference Index (the “**Substitute CPI Monthly Reference Index**”) shall be determined by the Calculation Agent in accordance with the following provisions:
- (x) If a provisional CPI Monthly Reference Index (*indice provisoire*) has already been published, such index shall automatically be used as the Substitute CPI Monthly Reference Index. Such provisional CPI Monthly Reference Index would be published under the heading “*indice de substitution*”. Once the definitive CPI Monthly Reference Index is released, it would automatically apply from the day following its release to all calculations taking place from this date.
- (y) If no provisional CPI Monthly Reference Index is available, a substitute index shall be calculated on the basis of the most recently published figure adjusted as set out in the following formula:

Substitute CPI Monthly Reference Index_M=

$$\text{CPI Monthly} \times \frac{\text{CPI Monthly}}{12} \frac{1}{12}$$

Reference Index _{M-1}

Reference Index _{M-1}

CPI Monthly

Reference Index _{M-13}

- (2) In the event INSEE decides to proceed with one or more base changes for the purpose of calculating the CPI Monthly Reference Index, the two CPI Monthly Reference Indexes which have been calculated on a different basis will be chained on the basis of the December CPI Monthly Reference Index of the last year of joint publications, which corresponds to the CPI Daily Inflation Reference Index for 1st March of the following year. Such chaining will be carried out in accordance with the following equation:

$$\text{Key} = \frac{\text{CPI Monthly Reference Index}^{\text{pertaining to December}}_{\text{calculated on the new basis}}}{\text{CPI Monthly Reference Index}^{\text{pertaining to December}}_{\text{calculated on the previous basis}}}$$

Such that:

$$\text{CPI Monthly Reference Index}^{\text{Date D New Basis}} = \text{CPI Monthly Reference Index}^{\text{Date D Previous Basis}} \times \text{Key}$$

(B) Harmonised Index of Consumer Prices (HICP)

Where the harmonised index of consumer prices (excluding tobacco) measuring the rate of inflation in the European Monetary Union as calculated and published monthly by Eurostat (the “**HICP**”) is specified as the Index in the relevant Final Terms, this Condition 5(c)(iv)(B) shall apply. Terms defined herein shall have the meanings set out below only when this Condition 5(c)(iv)(B) shall apply.

The Rate of Interest in respect of Inflation Linked Notes indexed to the HICP (the “**HICP Linked Interest**”) will be determined by the Calculation Agent on the following basis:

- (a) On the fifth Business Day before each Interest Payment Date (an “**Interest Determination Date**”) the Calculation Agent will calculate the Inflation Index Ratio.

For the purpose of this Condition 5(c)(iv)(B), the “**Inflation Index Ratio**” or “**IIR**” is the ratio between (i) the HICP Daily Inflation Reference Index (as defined below) applicable on any Interest Payment Date or the redemption date, as the case may be and (ii) the base reference defined as the HICP Daily Inflation Reference Index (as defined below) applicable on the date specified in the applicable Final Terms (the “**Base Reference**”). Notwithstanding Condition 5(i)(iii) (*Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding*), the IIR will be rounded if necessary to five significant figures (with halves being rounded up).

“**HICP Daily Inflation Reference Index**” means (i) in relation to the first day of any given calendar month, the HICP Monthly Reference Index of the third calendar month preceding such month,

and (ii) in relation to a day D (other than the first day) in any given month (“M”), the linear interpolation of the HICP Monthly Reference Index pertaining respectively to the third calendar month preceding such month (“M – 3”) and the second calendar month preceding such month (“M – 2”) calculated in accordance with the following formula:

HICP Daily Inflation Reference Index =

$$\text{HICP Monthly Reference Index}_{M-3} + \frac{D-1}{ND_M} \times (\text{HICP Monthly Reference Index}_{M-2} - \text{HICP Monthly Reference Index}_{M-3})$$

With:

“**ND_M**”: number of days in the relevant month M and, in the case of payment of principal or interest, shall be equal to 31;

“**D**”: actual day of payment in the relevant month M and, in the case of payment of principal or interest, shall be equal to 25;

“**HICP Monthly Reference Index_{M-2}**”: the level of the HICP Monthly Reference Index published in relation to month M - 2;

“**HICP Monthly Reference Index_{M-3}**”: the level of the HICP Monthly Reference Index published in relation to month M - 3.

Notwithstanding Condition 5(i)(iii) (*Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding*), the HICP Daily Inflation Reference Index will be rounded if necessary to five significant figures (with halves being rounded up).

For information purposes, such HICP Daily Inflation Reference Index appears on the Agence France Trésor Reuters page OATEI01, on the website www.aft.gouv.fr and on Bloomberg page TRESOR.

“**HICP Monthly Reference Index**” means to the harmonised index of consumer prices excluding tobacco measuring the rate of inflation in the European Monetary Union excluding tobacco as calculated and published by Eurostat as such index may be adjusted or replaced from time to time as provided herein. The first publication or announcement of a level of such index for a given month shall be final and conclusive and later revisions to the level for such month will not be used in any calculations.

- (b) The HICP Linked Interest applicable from time to time for each Interest Accrual Period (as specified in the relevant Final Terms) will be equal to the fixed rate *per annum* specified in the relevant Final Terms multiplied by the Inflation Index Ratio (as defined above).
- (c)
 - (1) If the HICP Monthly Reference Index is not published in a timely manner, a substitute HICP Monthly Reference Index (the “**Substitute HICP Monthly Reference Index**”) shall be determined by the Calculation Agent in accordance with the following provisions:

- (x) If a provisional HICP Monthly Reference Index has already been published by Eurostat, such index shall automatically be used as the Substitute HICP Monthly Reference Index. Once the definitive HICP Monthly Reference Index is released, it would automatically apply from the day following its release to all calculations taking place from this date.
- (y) If no provisional HICP Monthly Reference Index is available, a substitute index shall be calculated on the basis of the most recently published figure adjusted as set out in the following formula:

Substitute HICP Monthly Reference Index_M =

$$\text{HICP Monthly Reference Index}_{M-1} \times \frac{\text{HICP Monthly Reference Index}_{M-1}}{\text{HICP Monthly Reference Index}_{M-1}} \times \frac{1}{12}$$

13

- (2) In the event Eurostat decides to proceed with one or more base changes for the purpose of calculating the HICP Monthly Reference Index, the two HICP Monthly Reference Indexes which have been calculated on a different basis will be chained on the basis of the December HICP Monthly Reference Index of the last year of joint publications, which corresponds to the HICP Daily Inflation Reference Index for 1st March of the following year. Such chaining will be carried out in accordance with the following equation:

$$\text{Key} = \frac{\text{HICP Monthly Reference Index}_{\text{pertaining to December calculated on the new basis}}}{\text{HICP Monthly Reference Index}_{\text{pertaining to December calculated on the previous basis}}}$$

Such that:

$$\text{HICP Monthly Reference Index}_{\text{Date D New Basis}} = \text{HICP Monthly Reference Index}_{\text{Date D Previous Basis}} \times \text{Key}$$

- (v) *Rate of Interest for Formula Linked Notes:*

(Formula Linked Notes can only be issued with a denomination of at least €100,000)

- (A) **Index Formula:** When the Index Formula is specified in the relevant Final Terms for the issue of Notes having a denomination of at least €100,000 as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date in accordance with the following formula:

$$\text{Rate of Interest} = \text{Participation} \times (\text{Leverage1} \times \text{Index1} - \text{Leverage2} \times \text{Index2}) + \text{Spread}$$

Where:

"**Designated Maturity**" means a period specified in the relevant Final Terms;

"**Index1**" means the Index Reference Rate or the CPI Reference Rate or the HICP Reference Rate as specified in the relevant Final Terms;

"**Index2**" means the Index Reference Rate or the CPI Reference Rate or the HICP Reference Rate or 0 (zero) as specified in the relevant Final Terms.

"**Index Reference Rate**" means the rate designated as such in the Final Terms with the Designated Maturity specified in the relevant Final Terms determined in accordance with the Screen Rate Determination or the ISDA Determination (as specified in the relevant Final Terms);

"**Leverage1**" means, with respect to an Interest Accrual Period, the percentage or number specified in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to one (1).

"**Leverage2**" means, with respect to an Interest Accrual Period, the percentage or number specified in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to one (1).

"**Participation**" means the coefficient specified in the relevant Final Terms;

"**Spread**" means the positive or negative rate expressed as a percentage specified in the relevant Final Terms.

"**CPI Reference Rate**" for each Interest Accrual Period will be determined by the Calculation Agent in accordance with the following formula:

$$\frac{\text{CPI Monthly Reference Index}_{x_M}}{\text{CPI Monthly Reference Index}_{x_{M'}}} - 1$$

Where:

"**CPI Monthly Reference Index_M**": the level of the CPI Monthly Reference Index (as defined in Condition 5(c)(iv)(A) (*Consumer Price Index (CPI)*)) published in relation to month M;

"**CPI Monthly Reference Index_{M'}**": the level of the CPI Monthly Reference Index (as defined in Condition 5(c)(iv)(A) (*Consumer Price Index (CPI)*)) published in relation to month M';

"**M**" is the calendar month, falling such number of calendar months (as specified in the applicable Final Terms) preceding the calendar month in which the Interest Determination Date falls;

"**M'**" is the calendar month, falling such number of calendar months (as specified in the applicable Final Terms) preceding the calendar month in which the Interest Determination Date falls.

If the CPI Monthly Reference Index_M or the CPI Monthly Reference Index_{M'} is or are not published in a timely manner, Condition 5(c)(iv)(A)(c) (*Consumer Price Index (CPI)*) shall apply.

"**HICP Reference Rate**" for each Interest Accrual Period will be determined by the Calculation Agent in accordance with the following formula:

$$\frac{\text{HICP Monthly Reference Index}_{x_M}}{\text{HICP Monthly Reference Index}_{x_{M'}}} - 1$$

Where:

“**HICP Monthly Reference Index M** ”: the level of the HICP Monthly Reference Index (as defined in Condition 5(c)(iv)(B) (*Harmonised Index of Consumer Prices (HICP)*)) published in relation to month M ;

“**HICP Monthly Reference Index M'** ”: the level of the HICP Monthly Reference Index (as defined in Condition 5(c)(iv)(B) (*Harmonised Index of Consumer Prices (HICP)*)) published in relation to month M' ;

" M " is the calendar month, falling such number of calendar months (as specified in the applicable Final Terms) preceding the calendar month in which the Interest Determination Date falls;

" M' " is the calendar month, falling such number of calendar months (as specified in the applicable Final Terms) preceding the calendar month in which the Interest Determination Date falls.

If the HICP Monthly Reference Index M or the HICP Monthly Reference Index M' is or are not published in a timely manner, Condition 5(c)(iv)(B)(c) (*Harmonised Index of Consumer Prices (HICP)*) shall apply.

- (B) **Underlying Formula:** When the Underlying Formula is specified in the relevant Final Terms for the issue of Notes having a denomination of at least €100,000 as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date in accordance with the following formula:

$$\text{Rate of Interest} = \text{Participation} \times (1 + \text{Underlying} + \text{Spread})^k - 1$$

Where:

"**CMS Rate**" means the applicable swap rate for swap transactions in the Reference Currency with a maturity of the Designated Maturity, expressed as a percentage, which appears on the Relevant Screen Page as at the Specified Time.

"**Designated Maturity**" means the maturity specified as such in the relevant Final Terms.

"**Participation**" means the coefficient specified in the relevant Final Terms;

"**Reference Currency**" means the currency specified as such in the relevant Final Terms.

"**Relevant Screen Page**" means the screen page specified as such in the relevant Final Terms or any successor page.

"**Specified Time**" means the time specified as such in the relevant Final Terms.

"**Spread**" means the positive or negative rate expressed as a percentage specified in the relevant Final Terms.

"**TEC**" means the offered quotation (expressed as a percentage rate per annum) with a maturity of the Designated Maturity, calculated by the *Comité de Normalisation Obligatoire*, which appears on the Relevant Screen Page, as at the Specified Time.

"**Underlying**" means either TEC² or CMS Rate, as specified in the relevant Final Terms, with the applicable Designated Maturity, Relevant Screen Page and Specified Time on the Interest Determination Date as determined by the Calculation Agent.

² All potential users of the TEC must first enter into a trademark licence agreement available from the CNO.

"k" means the coefficient specified in the relevant Final Terms.

If, on the relevant Interest Determination Date, CMS Rate does not appear on the Relevant Screen Page at the Specified Time, the adjustment provisions with respect to the Relevant Screen Page for CMS Rate set out in Condition 5(c)(iii)(C) (*Screen Rate Determination for Floating Rate Notes*) shall apply.

If, on the relevant Interest Determination Date, TEC does not appear on the Relevant Screen Page at the Specified Time, (i) TEC shall be determined by the Calculation Agent on the basis of the mid-market prices for each of the two reference OAT (*Obligation Assimilable du Trésor*) which would have been used by the *Comité de Normalisation Obligataire* for the calculation of TEC, quoted in each case by five *Spécialistes en Valeurs du Trésor* at approximately 10:00 a.m. Paris time on the Interest Determination Date in question; (ii) the Calculation Agent will request each *Spécialiste en Valeurs du Trésor* to provide a quotation of its price; and (iii) TEC will be the redemption yield of the arithmetic mean of such prices as determined by the Calculation Agent after discarding the highest and lowest of such quotations. The above mentioned redemption yield shall be determined by the Calculation Agent in accordance with the formula that would have been used by the *Comité de Normalisation Obligataire* for the determination of the relevant rate.

- (C) **CPI Formula:** When the CPI Formula is specified in the relevant Final Terms for the issue of Notes having a denomination of at least €100,000 as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date in accordance with the following formula:

$$\text{Rate of Interest} = \frac{\text{CPI Monthly Reference Index}_M}{\text{CPI Monthly Reference Index}_{M'}} - 1 + \text{Spread}$$

Where:

“**CPI Monthly Reference Index_M**”: the level of the CPI Monthly Reference Index (as defined in Condition 5(c)(iv)(A) (*Consumer Price Index (CPI)*)) published in relation to month M ;

“**CPI Monthly Reference Index_{M'}**”: the level of the CPI Monthly Reference Index (as defined in Condition 5(c)(iv)(A) (*Consumer Price Index (CPI)*)) published in relation to month M' ;

"M" is the calendar month, falling such number of calendar months (as specified in the applicable Final Terms) preceding the calendar month in which the Interest Determination Date falls;

"M'" is the calendar month, falling such number of calendar months (as specified in the applicable Final Terms) preceding the calendar month in which the Interest Determination Date falls.

“**Spread**” means the positive or negative rate expressed as a percentage specified in the relevant Final Terms.

If the CPI Monthly Reference Index_M or the CPI Monthly Reference Index_{M'} is or are not published in a timely manner, Condition 5(c)(iv)(A)(c) (*Consumer Price Index (CPI)*) shall apply.

- (D) **HICP Formula:** When the HICP Formula is specified in the relevant Final Terms for the issue of Notes having a denomination of at least €100,000 as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date in accordance with the following formula:

$$\text{Rate of Interest} = \frac{\text{HICP Monthly Reference Index}_M}{\text{HICP Monthly Reference Index}_{M'}} - 1 + \text{Spread}$$

Where:

“**HICP Monthly Reference Index_M**”: the level of the HICP Monthly Reference Index (as defined in Condition 5(c)(iv)(B) (*Harmonised Index of Consumer Prices (HICP)*)) published in relation to month M;

“**HICP Monthly Reference Index_{M'}**”: the level of the HICP Monthly Reference Index (as defined in Condition 5(c)(iv)(B) (*Harmonised Index of Consumer Prices (HICP)*)) published in relation to month M’;

"M" is the calendar month, falling such number of calendar months (as specified in the applicable Final Terms) preceding the calendar month in which the Interest Determination Date falls;

"M'" is the calendar month, falling such number of calendar months (as specified in the applicable Final Terms) preceding the calendar month in which the Interest Determination Date falls.

“**Spread**” means the positive or negative rate expressed as a percentage specified in the relevant Final Terms.

If the HICP Monthly Reference Index_M or the HICP Monthly Reference Index_{M'} is or are not published in a timely manner, Condition 5(c)(iv)(B)(c) (*Harmonised Index of Consumer Prices (HICP)*) shall apply.

- (E) **Leveraged Floating Rate Formula:** When the Leveraged Floating Rate Formula is specified in the relevant Final Terms, for an issue of Notes having a denomination of at least €100,000, as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date in accordance with the following formula:

$$\text{Rate of Interest} = (\text{Benchmark Rate Level} + \text{Margin}) \times \text{Leverage}$$

Where:

“**Benchmark Rate Level**” means the rate determined in accordance with Condition 6(1) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Leverage**” means, with respect to an Interest Accrual Period, the percentage or number specified in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to one (1).

“**Margin**” means, with respect to an Interest Accrual Period, the percentage or number for the relevant Interest Accrual Period, as specified in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to zero (0).

- (F) **Reverse Floater Formula:** When the Reverse Floater Formula is specified in the relevant Final Terms, for an issue of Notes having a denomination of at least €100,000, as the manner in which the Rate of Interest is to be determined, the

Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date in accordance with:

- (a) in respect of the Initial Interest Periods, the Fixed Interest or the Floating Interest, as specified in the relevant Final Terms; and
- (b) in respect of the Subsequent Interest Periods, the following formula:

$$\text{Rate of Interest} = \text{Fixed Percentage} - \text{Benchmark Rate Level}$$

Where:

“**Benchmark Rate Level**” means the rate determined in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Fixed Interest**” means the Rate of Interest determined in accordance with Condition 5(b) (*Interest on Fixed Rate Notes*);

“**Fixed Percentage**” means, with respect to an Interest Accrual Period, the percentage for the relevant Interest Accrual Period, as specified in the relevant Final Terms;

“**Floating Interest**” means the Rate of Interest determined in accordance with Condition 5(c)(iii) (*Rate of Interest for Floating Rate Notes*);

“**Initial Interest Periods**” means the Interest Accrual Periods specified as the Initial Interest Periods in the relevant Final Terms;

“**Subsequent Interest Periods**” means the Interest Accrual Periods specified as the Subsequent Interest Periods in the relevant Final Terms.

- (G) **Maximum-Minimum VolBond Formula:** When the Maximum-Minimum VolBond Formula is specified in the relevant Final Terms, for an issue of Notes having a denomination of at least €100,000, as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date in accordance with the following formula:

$$\text{Rate of Interest} = \text{Leverage} \times (\text{Maximum Floating Rate} - \text{Minimum Floating Rate})$$

Where:

“**Benchmark Rate Level**” means the rate determined in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Interest Observation Period**” means, in respect of an Interest Accrual Period, the period from and including the date falling such number of Business Days specified in the relevant Final Terms immediately preceding the first day of the relevant Interest Accrual Period to and including the date falling such number of Business Days specified in the relevant Final Terms immediately preceding the last day of that Interest Accrual Period;

“**Leverage**” means, with respect to an Interest Accrual Period, the percentage or number specified as such in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to one (1);

“**Maximum Floating Rate**” means, with respect to an Interest Accrual Period, the highest Benchmark Rate Level observed on any Performance Observation Date falling during the relevant Interest Observation Period;

“**Minimum Floating Rate**” means, with respect to an Interest Accrual Period, the lowest Benchmark Rate Level observed on any Performance Observation Date falling during the relevant Interest Observation Period;

“**Performance Observation Date**” means, with respect to an Interest Observation Period, each date specified as a Performance Observation Date in the relevant Final Terms, which may be each date falling every one (1), seven (7), 30, 60, 90, 180 or 365 days after the first date specified in the relevant Final Terms or such other date(s) (as specified in the relevant Final Terms) falling within such Interest Observation Period. Each Performance Observation Date shall be deemed to be an Observation Date.

(H) Pre/Post VolBond Formula: When the Pre/Post VolBond Formula is specified in the relevant Final Terms, for an issue of Notes having a denomination of at least €100,000, as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date in accordance with the following formula:

$$\text{Rate of Interest} = \text{Leverage} \times \text{AbsoluteValue} (\text{PostFloatingRate} - \text{PreFloatingRate})$$

Where:

“**Absolute Value**” means, in respect of a number, its non-negative value without regard to its sign. For example, the Absolute Value of -10 is 10;

“**Benchmark Rate Level**” means the rate determined in accordance with Condition 6(1) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Interest Observation Date**” means, a Pre Rate Observation Date or a Post Rate Observation Date;

“**Leverage**” means, with respect to an Interest Accrual Period, the percentage or number specified as such in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to one (1);

“**Post Floating Rate**” means, with respect to an Interest Accrual Period, the Benchmark Rate Level on the Post Rate Observation Date;

“**Pre Floating Rate**” means, with respect to an Interest Accrual Period, the Benchmark Rate Level on the Pre Rate Observation Date;

“**Post Rate Observation Date**” means, with respect to an Interest Accrual Period, the date falling such number of Business Days immediately preceding the last day of such Interest Accrual Period as specified in the relevant Final Terms and each such date shall be deemed to be an Observation Date;

“**Pre Rate Observation Date**” means, with respect to an Interest Accrual Period, the date falling such number of Business Days immediately preceding the first day of such Interest Accrual Period as specified in the relevant Final Terms, and each such date shall be deemed to be an Observation Date.

(I) **Digital Formula:** When the Digital Formula is specified in the relevant Final Terms, for an issue of Notes having a denomination of at least €100,000, as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date as follows:

- (a) if the Underlying Rate is within the Range on the relevant Interest Observation Date, then the following formula will apply:

$$\text{Rate of Interest} = (\text{Leverage}_A \times \text{Rate}_1 - \text{Leverage}_B \times \text{Rate}_2) \pm W$$

or;

- (b) if the Underlying Rate is not within the Range on the relevant Interest Observation Date, the Rate of Interest will be equal to the Fixed Percentage.

Where:

“**Benchmark Rate Level₁**” means the rate determined on the Interest Observation Date in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level₂**” means the rate determined on the Interest Observation Date in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level_A**” means the rate determined on the Interest Observation Date in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level_B**” means the rate determined on the Interest Observation Date in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Fixed Percentage**” means, the percentage specified as such in the relevant Final Terms;

“**Interest Observation Date**” means each date falling such number of Business Days specified in the relevant Final Terms immediately preceding the first day of the relevant Interest Accrual Period. Where the Underlying Rate is an Underlying Benchmark Rate Level or an Underlying Spread Rate, each such date shall be deemed to be an Observation Date;

“**Leverage_A**” means, with respect to an Interest Accrual Period, the percentage or number specified as such in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to one (1);

“**Leverage_B**” means, with respect to an Interest Accrual Period, the percentage or number specified as such in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to one (1);

“**Lower Limit**” means the percentage or number specified as such in the relevant Final Terms;

“**Range**” means, any one (only) of Range₁, Range₂, Range₃, Range₄, Range₅ as specified in the relevant Final Terms;

“**Range₁**” means that on the relevant Interest Observation Date the Underlying Rate is greater than or equal to the Lower Limit and lower than or equal to the Upper Limit;

“**Range₂**” means that on the relevant Interest Observation Date the Underlying Rate is greater than the Lower Limit and lower than the Upper Limit;

“**Range₃**” means that on the relevant Interest Observation Date the Underlying Rate is greater than or equal to the Lower Limit and lower than the Upper Limit;

“**Range₄**” means that on the relevant Interest Observation Date the Underlying Rate is greater than the Lower Limit and lower than or equal to the Upper Limit;

“**Range₅**” means that on the relevant Interest Observation Date the Underlying Rate is less than the Lower Limit or greater than the Upper Limit;

“**Rate₁**” means the Benchmark Rate Level₁;

“**Rate₂**” means the Benchmark Rate Level₂;

“**Underlying Benchmark Rate Level**” means the rate determined in accordance with Condition 6(1) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Underlying Fixed Percentage**” means, the percentage specified as such in the relevant Final Terms;

“**Underlying Rate**” means the Underlying Fixed Percentage, the Underlying Benchmark Rate Level or the Underlying Spread Rate as specified in the relevant Final Terms;

“**Underlying Spread Rate**” means a percentage equal to Benchmark Rate Level_A minus Benchmark Rate Level_B;

“**Upper Limit**” means the percentage or number specified as such in the relevant Final Terms;

“**W**” means the percentage specified as such in the relevant Final Terms.

- (J) **Product of Spread Formula:** When the Product of Spread Formula is specified in the relevant Final Terms, for an issue of Notes having a denomination of at least €100,000, as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date as follows:

$$\text{Rate of Interest} = \text{FixedPercentage} + (\text{Leverage}_A \times \text{BenchmarkRate}_1 - \text{Leverage}_B \times \text{BenchmarkRate}_2) \pm W$$

Where:

“**Benchmark Rate₁**” means the Benchmark Rate Level₁;

“**Benchmark Rate₂**” means the Benchmark Rate Level₂;

“**Benchmark Rate Level₁**” means the rate determined on the Interest Observation Date in accordance with Condition 6(1) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level₂**” means the rate determined on the Interest Observation Date in accordance with Condition 6(1) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Fixed Percentage**” means the percentage specified as such in the relevant Final Terms;

“**Interest Observation Date**” means each date falling such number of Business Days specified in the relevant Final Terms immediately preceding the first day of the relevant Interest Accrual Period and each such date shall be deemed to be an Observation Date;

“**Leverage_A**” means, with respect to an Interest Accrual Period, the percentage or number specified as such in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to one (1);

“**Leverage_B**” means, with respect to an Interest Accrual Period, the percentage or number specified as such in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to one (1);

“**W**” means the percentage specified as such in the relevant Final Terms.

(K) Range Accrual Formula: When the Range Accrual Formula is specified in the relevant Final Terms, for an issue of Notes having a denomination of at least €100,000, as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be determined by the Calculation Agent on the Interest Determination Date as follows:

$$\text{Rate of Interest} = X \times \frac{ni}{N} \text{ Where:}$$

“**Benchmark Rate Level₁**” means the rate determined on the Interest Observation Date in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level_A**” means the rate determined on a Range Accrual Day in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level_B**” means the rate determined on a Range Accrual Day in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level_C**” means the rate determined on a Range Accrual Day in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Fixed Percentage**” means the percentage specified as such in the relevant Final Terms;

“**Interest Observation Date**” means the date falling such number of Business Days specified in the relevant Final Terms immediately preceding the first day of the relevant Interest Accrual Period and each such date shall be an Observation Date;

“**Interest Observation Period**” means, in respect of an Interest Accrual Period, the period from and including the date falling such number of Business Days specified in the relevant Final Terms immediately preceding the first day of the relevant Interest Accrual Period to and including the date falling such number of Business Days specified in the relevant Final Terms immediately preceding the last day of that Interest Accrual Period;

“**Lower Limit**” means, with respect to an Interest Accrual Period, the percentage or number specified as such in the relevant Final Terms;

“**Margin**” means the percentage or number specified as such in the relevant Final Terms;

“**N**” means the Interest Observation Period;

“**ni**” means the number of Range Accrual Days where the Underlying Rate is within the Range during the relevant Interest Observation Period;

“**Range**” means, with respect to an Interest Accrual Period, any one (only) of Range₁, Range₂, Range₃, Range₄, Range₅ as specified in the relevant Final Terms;

“**Range Accrual Day**” means, with respect to an Interest Observation Period, each date specified as a Range Accrual Day in the relevant Final Terms, which may be each date falling every one (1), seven (7), 30, 60, 90, 180 or 365 days after the first date specified in the relevant Final Terms or such other date(s) (as specified in the relevant Final Terms) falling within such Interest Observation Period, and each such date shall be deemed to be an Observation Date;

“**Range₁**” means that on the relevant Range Accrual Day, the Underlying Rate is greater than or equal to the Lower Limit and lower than or equal to the Upper Limit;

“**Range₂**” means that on the relevant Range Accrual Day, the Underlying Rate is greater than the Lower Limit and lower than the Upper Limit;

“**Range₃**” means that on the relevant Range Accrual Day, the Underlying Rate is greater than or equal to the Lower Limit and lower than the Upper Limit;

“**Range₄**” means that on the relevant Range Accrual Day, the Underlying Rate is greater than the Lower Limit and lower than or equal to the Upper Limit;

“**Range₅**” means that on the relevant Range Accrual Day, the Underlying Rate is less than the Lower Limit or greater than the Upper Limit;

“**Spread Rate**” means a percentage equal to Benchmark Rate Level_B minus Benchmark Rate Level_C;

“**Underlying Rate**” means, with respect to an Interest Accrual Period, the Benchmark Rate Level_A or the Spread Rate specified in the relevant Final Terms;

“**Upper Limit**” means, with respect to an Interest Accrual Period, the percentage or number specified as such in the relevant Final Terms;

“**X**” means (a) a Fixed Percentage or (b) a Benchmark Rate Level₁ plus a Margin or (c) a Benchmark Rate Level₁ minus a Margin, as specified in the relevant Final Terms.

- (d) **Fixed/Floating Rate Notes:** Notes for which Change of Interest Basis is specified to be Applicable – Fixed/Floating Rate (“**Fixed/Floating Rate Notes**”) will bear interest at a rate:
- (i) if Issuer Change of Interest Basis is specified to be Applicable in the relevant Final Terms, equal to (A) if the Issuer sends a notice such number of Business Days as specified in the relevant Final Terms prior the Switch Date in accordance with Condition 13 (*Notices*), the Pre Switch Rate on each Interest Determination Date falling prior to the Switch Date and equal to the Post Switch Rate on each Interest Determination Date falling on or after the Switch Date, or (B) if the Issuer does not send a valid notice in accordance with this Condition 5(d) (*Fixed/Floating Rate Notes*), equal to the Pre Switch Rate; or

- (ii) if Automatic Change of Interest Basis is specified to be Applicable in the relevant Final Terms, (A) equal to the Pre Switch Rate on each Interest Determination Date falling prior to (and excluding) the Switch Date and (B) equal to the Post Switch Rate on each Interest Determination Date falling on or after the Switch Date.

Where:

“**Pre Switch Rate**” means the Rate of Interest determined (i) in accordance with Condition 5(b) (*Interest on Fixed Rate Notes*), as though the Note was a Fixed Rate Note, or (ii) in accordance with Condition 5(c) (*Interest on Floating Rate Notes, Inflation Linked Notes and Formula Linked Notes*), as though the Note was a Floating Rate Note or (iii) only in the case of Notes having a denomination of at least €100,000, in accordance with Condition 5(c)(v)(J) (*Product of Spread Formula*) as though the Note was a Formula Linked Note linked to a Product of Spread Formula, as specified as such in the relevant Final Terms.

“**Post Switch Rate**” means the Rate of Interest determined (i) in accordance with Condition 5(b) (*Interest on Fixed Rate Notes*), as though the Note was a Fixed Rate Note, or (ii) in accordance with Condition 5(c) (*Interest on Floating Rate Notes, Inflation Linked Notes and Formula Linked Notes*), as though the Note was a Floating Rate Note or (iii) only in the case of Notes having a denomination of at least €100,000, in accordance with Condition 5(c)(v)(J) (*Product of Spread Formula*) as though the Note was a Formula Linked Note linked to a Product of Spread Formula, as specified as such in the relevant Final Terms.

“**Switch Date**” means the date specified as such in the relevant Final Terms.

- (e) **Zero Coupon Notes:** No amount of interest will accrue or become payable on a Note where the Interest Basis of which is specified to be Zero Coupon (a “**Zero Coupon Note**”), provided that: (i) as from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(g)(i) (*Zero Coupon Notes*)); and (ii) in relation to a Resettable Zero Coupon Note (A) interest will accrue and become payable subject to Condition 5(f) (*Resettable Zero Coupon Notes*) and (B) the Rate of Interest for any overdue principal of such Note shall bear a rate per annum (expressed as a percentage) equal to the Default Rate (as specified in the relevant Final Terms).
- (f) **Resettable Zero Coupon Notes:** When “Resettable” is specified as applicable in the relevant Final Terms for an issue of Zero Coupon Notes having a denomination of at least €100,000 (“**Resettable Zero Coupon Notes**”), if the Issuer delivers a valid Reset Notice prior to the Reset Expiry Date, with effect from the relevant Reset Date, each Zero Coupon Note will be reset on such Reset Date as follows:
 - (i) the Issuer shall pay on such Reset Date to the holder of each such Note an amount of interest equal to the relevant Reset Interest Amount;
 - (ii) the Final Redemption Amount will be modified as set out in Condition 6(c) (*Final Redemption of Resettable Zero Coupon Notes*).

Where:

“**Maximum Number of Reset Dates**” means, with respect to a Note, the maximum number of dates that may be validly designated by the Issuer as Reset Dates pursuant to Reset Notices, as specified as such in the relevant Final Terms;

“**Reset Date**” means each date falling such number of years after the Issue Date, as specified as such in the relevant Final Terms, subject to a Maximum Number of Reset Dates;

“**Reset Expiry Date**” means, with respect to a Reset Date, the date falling such number of Business Days falling immediately preceding such Reset Date, as specified in the relevant Final Terms;

“**Reset Interest Amount**” means, with respect to each Note, an amount equal to:

$$Nominal \times [(1 + X\%)^{(N-n)} - 1]$$

Where:

“**N**” means the year in which the Reset Date is validly designated by the Issuer pursuant to a Reset Notice. For instance, if the relevant Reset Date falls three years after the Issue Date, N=3;

“**n**” means the year in which a Reset Date has been last validly designated by the Issuer pursuant to a Reset Notice. For instance, (i) if the Reset Date has never been validly designated by the Issuer, n=0 and (ii) if the Reset Date has been validly designated twice by the Issuer, on the dates falling one and two years after the Issue Date, n=2;

“**Nominal**” means the outstanding nominal amount of the Note;

“**X%**” means the fixed rate specified as such in the relevant Final Terms.

“**Reset Notice**” means an irrevocable written notice given by the Issuer to the holders of the Notes in accordance with Condition 13 (*Notices*) designating the next following Reset Date as the date on which the Notes will be reset in accordance with this Condition 5(f) (*Resettable Zero Coupon Notes*).

(g) **Zero Coupon/ Fixed Rate Notes:** Notes for which Change of Interest Basis is specified to be Applicable – Zero Coupon/Fixed Rate in the relevant Final Terms for an issue of Notes having a denomination of at least €100,000 (“**Zero Coupon/ Fixed Rate Notes**”), such Notes will be Zero Coupon Notes, subject to the delivery of a valid Switch Notice by the Issuer. If the Issuer delivers a valid Switch Notice on or prior to the Switch Expiry Date:

(i) on the relevant Switch Date, the Issuer shall pay to the holder of each Note an amount of interest equal to the Switch Interest Amount; and

(ii) from and including the relevant Switch Date, each Note will cease to be a Zero Coupon Note and will bear interest at the Post Switch Rate.

Where:

“**Post Switch Rate**” means the Rate of Interest determined in accordance with Condition 5(b) (*Interest on Fixed Rate Notes*), as though it were a Fixed Rate Note and as specified as such in the relevant Final Terms;

“**Switch Date**” means each date falling such number of years after the Issue Date as is specified in the relevant Final Terms;

“**Switch Expiry Date**” means, with respect to a Switch Date, the date falling such number of Business Days falling immediately preceding such Switch Date, as specified in the relevant Final Terms;

“**Switch Interest Amount**” means, with respect to each Note, an amount equal to:

$$Nominal \times [(1 + X\%)^N - 1]$$

Where:

“**N**” means the year in which the Switch Date is validly designated by the Issuer pursuant to a Switch Notice. For instance, if the relevant Switch Date falls three years after the Issue Date, N=3;

“**Nominal**” means the outstanding nominal amount of the Note;

“**X%**” means the fixed rate specified as such in the relevant Final Terms.

“**Switch Notice**” means an irrevocable written notice given by the Issuer to the holders of the Notes in accordance with Condition 13 (*Notices*) designating the next following Switch Date as the date on which the Notes, *inter alia*, will, in accordance with this Condition 5(g) (*Zero Coupon/ Fixed Rate Notes*), start to bear interest as though they were Fixed Rate Notes.

(h) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue or in the case of Zero Coupon Notes (other than a Resettable Zero Coupon Note), shall accrue (in each case, before as well as after judgment) at the Rate of Interest or as the Default Rate (as the case may be) in the manner provided in this Condition 5 (*Interest and other Calculations*) to the Relevant Date.

(i) **Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding:**

(i) In relation to Floating Rate Notes only, if any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin subject always to the next paragraph.

(ii) If any Maximum or Minimum Rate of Interest, Final Redemption Amount or Optional Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Final Redemption Amount or Optional Redemption Amount shall be subject to such maximum or minimum, as the case may be. For the avoidance of doubt, the Maximum or Minimum Rate of Interest specified in the relevant Final Terms may be:

(x) a Fixed Percentage; or

(y) a Variable Rate, as specified in the relevant Final Terms,

where:

“**Benchmark Rate Level**” means the rate determined in accordance with Condition 6(1) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Fixed Percentage**” means, with respect to an Interest Accrual Period, the percentage for the relevant Interest Accrual Period, as specified in the relevant Final Terms;

“**Margin**” means, with respect to an Interest Accrual Period, the percentage or number for the relevant Interest Accrual Period as specified in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to zero (0).

“**Variable Rate**” means a rate determined in accordance with the following formula:

$$\text{Variable Rate} = \text{Benchmark Rate Level} + \text{Margin}$$

The Maximum or Minimum Final Redemption Amount or Optional Redemption Amount will be the amount(s) specified as such in the relevant Final Terms.

(iii) For the purposes of any calculations required pursuant to these Conditions, (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up). For these purposes “**unit**” means the lowest amount of such currency that is available as legal tender in the country of such currency.

(j) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount is specified in respect of such period in the relevant Final Terms, in which case the amount of interest payable in respect of such Note for such period shall

equal such Interest Amount). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

- (k) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts and Optional Redemption Amounts:** The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount or Optional Redemption Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the holders of Notes, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and admitted on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii) (*Business Day Convention*), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.
- (l) **Calculation Agent:** The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Final Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. So long as the Notes are listed and admitted to trading on any Regulated Market and the rules of, or applicable to, that Regulated Market so require, notice of any change of Calculation Agent shall be given in accordance with Condition 13 (*Notices*).

For the purpose of these Conditions, “**outstanding**” means, in relation to the Notes of any Series, all the Notes issued other than (a) those that have been redeemed in accordance with these Conditions, (b) those in respect of which the date for redemption has occurred and the redemption moneys (including all interest accrued on such Notes to the date for such redemption and any interest payable after such date) have been duly paid (i) in the case of Dematerialised Notes in bearer dematerialised form and in administered registered dematerialised form, to the relevant Account Holder on behalf of the holder of Notes, (ii) in the case of Dematerialised Notes in fully registered dematerialised form, to the account of the holder of Notes and (iii) in the case of Materialised Notes, to the Fiscal Agent and remain available for payment against presentation and surrender of Bearer Materialised Notes, and/or Coupons, as the

case may be, (c) those which have become void or in respect of which claims have become prescribed, (d) those which have been purchased and cancelled as provided in these Conditions, (e) in the case of Materialised Notes (i) those mutilated or defaced Bearer Materialised Notes that have been surrendered in exchange for replacement Bearer Materialised Notes, (ii) (for the purpose only of determining how many such Bearer Materialised Notes are outstanding and without prejudice to their status for any other purpose) those Bearer Materialised Notes alleged to have been lost, stolen or destroyed and in respect of which replacement Bearer Materialised Notes have been issued and (iii) any Temporary Global Certificate to the extent that it shall have been exchanged for one or more definitive Bearer Materialised Notes, pursuant to its provisions.

(m) **Rate Switch and Rate Lock-In Options :**

- (i) If Issuer Rate Switch Option is specified as applicable in the relevant Final Terms, the Issuer shall have the right to deliver a Rate Switch Notice such number of Business Days as is specified in the relevant Final Terms prior to the Switch Date. If the Rate Switch Notice is validly delivered, on each Interest Determination Date falling on or after the Switch Date, the Rate of Interest in respect of all Notes (and not some only) for the relevant Interest Accrual Period will be the Post Switch Rate as determined by the Calculation Agent (the “**Issuer Rate Switch**”).

A Rate Switch Notice (a) may only be validly delivered once during the life of the Notes and (b) may be validly delivered after the occurrence of a Rate Lock-In.

Where:

“**Post Switch Rate**” means (i) the Rate of Interest determined in accordance with Condition 5(b) (*Interest on Fixed Rate Notes*), as though the Note was a Fixed Rate Note or (ii) the Rate of Interest determined in accordance with Condition 5(c) (*Interest on Floating Rate Notes, Inflation Linked Notes and Formula Linked Notes*), as though the Note was a Floating Rate Note, in each case as specified as such in the relevant Final Terms;

“**Rate Lock-In**” has the meaning set out in Condition 5(m)(ii);

“**Rate Switch Notice**” means an irrevocable written notice given by the Issuer to the holders of the Notes in accordance with Condition 13 (*Notices*) informing such holders of the Issuer Rate Switch; and

“**Switch Date**” means the date specified as such in the relevant Final Terms.

- (ii) If Rate Lock-In is specified as applicable in the relevant Final Terms and, on any Interest Observation Date, a Rate Lock-In occurs, from and including the relevant Interest Determination Date, the Rate of Interest for the relevant Interest Accrual Period and every Interest Accrual Period falling thereafter will be determined by the Calculation Agent as (a) Benchmark Rate Level_A plus a Margin or (b) Benchmark Rate Level_A minus a Margin, as specified in the relevant Final Terms.

A Rate Lock-In (I) may only occur once during the life of the Notes and (II) may not occur once an Issuer Rate Switch has occurred.

The Issuer shall, as soon as reasonably practical following the occurrence of a Rate Lock-In, deliver a Rate Lock-In Notice.

Where:

“**Barrier**” means the percentage specified as such in the relevant Final Terms;

“**Benchmark Rate Level_A**” means the rate determined on the Interest Observation Date in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the relevant Final Terms;

“**Interest Observation Date**” means each date falling such number of Business Days specified in the relevant Final Terms immediately preceding the first day of the relevant Interest Accrual Period and each such date shall be deemed to be an Observation Date;

“**Margin**” means the percentage or number specified in the relevant Final Terms;

“**Rate Lock-In**” means the first Interest Observation Date on which the Rate of Interest is equal to or greater than the Barrier; and

“**Rate Lock-In Notice**” means a written notice given by the Issuer to the holders of the Notes in accordance with Condition 13 (*Notices*) informing such holders of the occurrence of a Rate Lock-In.

6 Redemption, Purchase and Options

- (a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below, each Note (other than an Inflation Linked Note for which Inflation Linked Note – Inflation Redemption is applicable) shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount.

For the purposes of this Condition 6(a) (*Final Redemption*), “**Final Redemption Amount**” means:

- (i) if ‘Redemption at par’ is specified in the relevant Final Terms, 100 per cent. of the nominal amount of the Note;
- (ii) if ‘Variable Zero Coupon Redemption’ is specified in the relevant Final Terms, the Final Redemption Amount determined in accordance with Condition 6(b) (*Variable Zero Coupon Redemption*);
- (iii) in relation to Resetable Zero Coupon Notes, the Final Redemption Amount determined in accordance with Condition 6(c) (*Final Redemption of Resetable Zero Coupon Notes*),

subject in any case, to any maximum or minimum specified in the relevant Final Terms as provided in Condition 5(i) (*Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding*).

- (b) **Variable Zero Coupon Redemption:** When Variable Zero Coupon Redemption is specified in the relevant Final Terms, for an issue of Notes having a denomination of at least €100,000, as the manner in which the Final Redemption Amount or the Optional Redemption Amount is to be determined, the Final Redemption Amount or the Optional Redemption Amount, as the case may be, will be determined by the Calculation Agent in accordance with the following formula:

$$\text{Final Redemption Amount or Optional Redemption Amount} = \text{Reference Price} \times \{\prod_{n=1}^N (1 + \text{Rate}_n)\} \times \text{nominal amount of the Notes}$$

where:

“**II**” means the multiplication of each of the values which follow in brackets;

“**Benchmark Rate Level₁**” means the rate determined in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level₂**” means the rate determined in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level₃**” means the rate determined in accordance with Condition 6(l) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Benchmark Rate Level₄**” means the rate determined in accordance with Condition 6(1) (*Benchmark Rate*) with variables set out in the Final Terms;

“**Cap**” means the Fixed Cap or Floating Cap, as specified in the relevant Final Terms, which designates the maximum rate which can apply to the relevant calculation;

“**Fixed Cap**” means, with respect to a Redemption Calculation Period, the percentage for the relevant Redemption Calculation Period as specified in the relevant Final Terms;

“**Fixed Floor**” means, with respect to a Redemption Calculation Period, the percentage for the relevant Redemption Calculation Period as specified in the relevant Final Terms;

“**Fixed Percentage₁**” means, with respect to a Redemption Calculation Period, the percentage for the relevant Redemption Calculation Period as specified in the relevant Final Terms;

“**Fixed Percentage₂**” means, with respect to a Redemption Calculation Period, the percentage for the relevant Redemption Calculation Period as specified in the relevant Final Terms;

“**Floating Cap**” means the rate determined in accordance with the following formula:

$$\text{Floating Cap} = \text{Benchmark Rate Level}_3 + \text{Margin}_2$$

“**Floating Floor**” means the rate determined in accordance with the following formula:

$$\text{Floating Floor} = \text{Benchmark Rate Level}_4 + \text{Margin}_3$$

“**Floating Redemption Percentage**” means, subject to any Cap or Floor, the rate determined in accordance with the following formula:

$$\text{Floating Redemption Percentage} = \text{Benchmark Rate Level}_1 + \text{Margin}_1$$

“**Floor**” means the Fixed Floor or Floating Floor, as specified in the relevant Final Terms, which designates the minimum rate which can apply to the relevant calculation;

“**Margin₁**” means, with respect to a Redemption Calculation Period, the percentage or number for the relevant Redemption Calculation Period as specified in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to zero (0).

“**Margin₂**” means, with respect to a Redemption Calculation Period, the percentage or number for the relevant Redemption Calculation Period as specified in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to zero (0).

“**Margin₃**” means, with respect to a Redemption Calculation Period, the percentage or number for the relevant Redemption Calculation Period as specified in the relevant Final Terms. For the avoidance of doubt, this may have a positive or a negative value or may be equal to zero (0).

“**N**” means the number of Redemption Calculation Periods from the Reference Date to the Maturity Date or the Optional Redemption Date, as the case may be;

“**Optional Redemption Date**” means each date (if any) specified as such in the relevant Final Terms;

“**Rate_n**” means, with respect to a Redemption Calculation Period, the Fixed Percentage₁, Floating Redemption Percentage or Reverse Floater Redemption Percentage for the relevant Redemption Calculation Period, as specified in the relevant Final Terms;

“**Redemption Calculation Date**” means each date specified as such in the relevant Final Terms, and each such date shall be deemed to be an ‘Observation Date’ for the purposes of Condition 6(1) (*Benchmark Rate*);

“**Redemption Calculation Period**” means the period beginning on (and including) the Reference Date and ending on (but excluding) the first Redemption Calculation Date and each successive period beginning on (and including) a Redemption Calculation Date and ending on (but excluding) the next

succeeding Redemption Calculation Date, provided that for the purposes of determining the Optional Redemption Amount, the last Redemption Calculation Date shall be the date falling such number of Business Days (as specified in the relevant Final Terms) prior to the Optional Redemption Date;

“**Reference Date**” means the Issue Date or such other date falling prior to the Issue Date and specified as such in the relevant Final Terms;

“**Reference Price**” means the percentage specified as such in the relevant Final Terms;

“**Reverse Floater Redemption Percentage**” means, subject to any Cap or Floor, the rate determined in accordance with the following formula:

$$\text{Reverse Floater Redemption Percentage} = \text{Fixed Percentage}_2 - \text{Benchmark Rate Level}_2$$

(c) **Final Redemption of Resettable Zero Coupon Notes:** In respect of each Resettable Zero Coupon Note, the Final Redemption Amount will be calculated as follows:

(i) if no Reset Date has been validly designated by the Issuer pursuant to Condition 5(f) (*Resettable Zero Coupon Notes*),

$$\text{Final Redemption Amount} = \text{Nominal} \times [(1 + X\%)^M - 1]$$

Where:

“**M**” means the number specified as such in the relevant Final Terms and corresponding to the number of years from the Issue Date to the Maturity Date. For instance, if the Maturity Date falls 10 years after the Issue Date, M=10;

“**Nominal**” means the outstanding nominal amount of the Note;

“**X%**” means the fixed rate specified as such in the relevant Final Terms.

(ii) if one or more Reset Dates have been validly designated by the Issuer pursuant to Condition 5(f) (*Resettable Zero Coupon Notes*),

$$\text{Final Redemption Amount} = \{ \text{Nominal} \times [(1 + X\%)^M - 1] \} - \text{RIA}$$

Where:

“**M**” means the number of years from the Issue Date to the Maturity Date. For instance, if the Maturity Date falls 10 years after the Issue Date, M=10;

“**Nominal**” means the outstanding nominal amount of the Note;

“**RIA**” means the aggregate Reset Interest Amounts paid by the Issuer prior to the Maturity Date;

“**X%**” means the fixed rate specified as such in the relevant Final Terms.

For the purposes of this Condition 6(c), Reset Date has the meaning set out in Condition 5(f) (*Resettable Zero Coupon Notes*).

(d) **Final Redemption of Inflation Linked Notes:** If Inflation Linked Notes is specified in the relevant Final Terms, the Final Redemption Amount in respect of Inflation Linked Notes will (i) if Inflation Linked Notes – Redemption at par is applicable, be calculated in accordance with Condition 6(a)(i) (*Final Redemption*), or (ii) if Inflation Linked Notes – Inflation Redemption is applicable, be determined by the Calculation Agent in accordance with the following formula:

$$\text{Final Redemption Amount} = \text{IIR} \times \text{nominal amount of the Notes}$$

If the Final Redemption Amount calculated as set out above is below par, the Notes will be redeemed at par.

For the purposes of this Condition 6(d) (*Final Redemption of Inflation Linked Notes*) only, “**IIR**” means the ratio determined on the date falling such number of Business Days (as specified in the

relevant Final Terms) before the Maturity Date between (i) if the CPI is specified as the Index applicable in the Final Terms, the CPI Daily Inflation Reference Index (as defined in Condition 5(c)(iv)(A) (*Consumer Price Index (CPI)*)) on the Maturity Date and the Base Reference on the date specified in the relevant Final Terms or (ii) if the HICP is specified as the Index applicable in the Final Terms, the HICP Daily Inflation Reference Index (as defined in Condition 5(c)(iv)(B) (*Harmonised Index of Consumer Prices (HICP)*)) on the Maturity Date and the Base Reference on the date specified in the relevant Final Terms.

- (e) **Redemption at the Option of the Issuer and Partial Redemption:** If a Call Option is specified in the relevant Final Terms (a “**Call Option**”), the Issuer may, on giving not less than five (5) nor more than 30 days’ irrevocable notice in accordance with Condition 13 (*Notices*) to the holders of Notes (or such other notice period as may be specified in the relevant Final Terms) redeem, all or, if so provided, some, of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption, if any.

For the purposes of Condition 6 (*Redemption, Purchase and Options*), “**Optional Redemption Amount**” means:

- (i) if ‘Redemption at par’ is specified in the relevant Final Terms, 100 per cent. of the nominal amount of the Note;
- (ii) if ‘Zero Coupon Redemption’ is specified in the relevant Final Terms, the Optional Redemption Amount determined in accordance with Condition 6(g)(i) (*Zero Coupon Notes*),
- (iii) if ‘Variable Zero Coupon Redemption’ is specified in the relevant Final Terms, the Optional Redemption Amount determined in accordance with Condition 6(b) (*Variable Zero Coupon Redemption*),
- (iv) if ‘Inflation Linked Notes – Inflation Redemption’ is specified in the relevant Final Terms, the Optional Redemption Amount determined in accordance with Condition 6(g)(ii) (*Inflation Linked Notes*),

subject in any case, to any maximum or minimum specified in the relevant Final Terms as provided in Condition 5(i) (*Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding*).

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the numbers of the Definitive Materialised Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements of the Regulated Market on which the Notes are listed and admitted to trading.

In the case of a partial redemption of Dematerialised Notes, the redemption may be effected, at the option of the Issuer, by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed, subject to compliance with any other applicable laws and stock exchange requirements of the Regulated Market on which the Notes are listed and admitted to trading.

So long as the Notes are listed and admitted to trading on Euronext Paris and the rules applicable to that Stock Exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation in the city where the Regulated Market on which such Notes are listed and admitted to trading is located, which in the case of Euronext Paris is expected to be *Les Echos*, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes a list of any Materialised Notes, drawn for redemption but not surrendered.

For the avoidance of doubt, a Call Option shall not apply in relation to Resettable Zero Coupon Notes.

- (f) **Redemption at the Option of Noteholders and Exercise of Noteholders' Options:** If Put Option is specified in the relevant Final Terms (a "**Put Option**"), the Issuer shall, at the option of any Noteholder, upon the Noteholder giving not less than 10 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) (the "**Notice Period**") redeem all or, if so provided in the Put Option Notice, some of the Notes on any Optional Redemption Date(s) at their Optional Redemption Amounts (as defined in Condition 6(e) (*Redemption at the Option of the Issuer and Partial Redemption*)) together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit with the Paris Paying Agent at its specified office, and whichever of Euroclear, Clearstream, Luxembourg, or, in the case of Notes held through Euroclear France, the relevant Account Holder who holds the Notes in respect of which the Put Option is being exercised, with a copy to the Fiscal Agent, a duly completed option exercise notice ("**Put Option Notice**") in the form obtainable from any Paying Agent within the Notice Period. In the case of Materialised Notes, the Put Option Notice shall have attached to it the relevant Notes (together with all unmatured Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Fiscal Agent or the Paying Agent with a specified office in Paris as specified in the Put Option Notice. No option so exercised and, where applicable, no Note so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

For the avoidance of doubt, a Put Option shall not apply in relation to Resettable Zero Coupon Notes.

- (g) **Optional Redemption:**

(i) **Zero Coupon Notes:**

- (A) The Optional Redemption Amount payable in respect of any Zero Coupon Note (other than a Resettable Zero Coupon Note and a Zero Coupon Note in respect of which Variable Zero Coupon Redemption is specified to apply in the relevant Final Terms) shall be the Amortised Nominal Amount (calculated as provided below) of such Note.
- (B) Subject to the provisions of sub-paragraph (C) below, the "**Amortised Nominal Amount**" of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted back to the due date for payment at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Optional Redemption Amount payable in respect of any such Note is not paid when due, the Optional Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the reference therein to the "due date for payment" was replaced by a reference to the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(e) (*Zero Coupon Notes*).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(ii) **Inflation Linked Notes:**

- (A) If the relevant Final Terms provides that Condition 6(g)(ii) (*Inflation Linked Notes*) shall apply in respect of Inflation Linked Notes, the Optional Redemption Amount of such Notes in respect of such Notes, as the case may be, will be determined by the Calculation Agent on the following basis:

“**Optional Redemption Amount**” = IIR x nominal amount of the Notes

For the purpose of this Condition only, “**IIR**” means the ratio determined on the fifth Business Day before the date set for redemption between (i) if the CPI is specified as the Index applicable in the Final Terms, the CPI Daily Inflation Reference Index (as defined in Condition 5(c)(iv)(A) (*Consumer Price Index (CPI)*)) on the date set for redemption and the Base Reference specified in the relevant Final Terms or (ii) if the HICP is specified as the Index applicable in the Final Terms, the HICP Daily Inflation Reference Index (as defined in Condition 5(c)(iv)(B) (*Harmonised Index of Consumer Prices (HICP)*)) on the date set for redemption and the Base Reference specified in the relevant Final Terms.

If the Optional Redemption Amount calculated as set out above is below par, the Notes will be redeemed at par.

- (B) If the Inflation Linked Notes (whether or not Condition 6(g)(ii) (*Inflation Linked Notes*) applies) fail to be redeemed for whatever reason before the Maturity Date, the Issuer will pay the Optional Redemption Amount together with interest accrued to the date set for redemption. Such accrued interest will be calculated by the Calculation Agent in respect of the period from, and including the immediately preceding Interest Payment Date or, as the case may be, the Interest Commencement Date to, but excluding, the date set for redemption of such Notes at a rate per annum on the basis of the provisions of Condition 5(c)(iv) (*Rate of Interest for Inflation Linked Notes*) above except that, for such purposes the relevant Interest Determination Date shall be the fifth Business Day prior to the relevant Optional Redemption Date.
- (h) **No Redemption for Taxation Reasons:** If French law should require that payments of principal or interest in respect of any Note be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, such Notes may not be redeemed early.
- (i) **Purchases:** The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price, in accordance with applicable laws and regulations. Unless the possibility of holding and reselling is expressly excluded in the Final Terms, all Notes so purchased by the Issuer may be held and resold for the purpose of enhancing the liquidity of the Notes in accordance with Articles L.213-1 A and D.213-1 A of the French *Code monétaire et financier*.
- (j) **Cancellation:** All Notes purchased for cancellation by or on behalf of the Issuer will forthwith be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Notes, by surrendering the Definitive Materialised Notes in question together with all unmatured Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

- (k) **Subscription and use as collateral:** Notwithstanding this Condition 6 (*Redemption, Purchase and Options*), the Issuer may, pursuant to Article L. 513-26 of the French *Code monétaire et financier*, subscribe its own Notes for the sole purpose of pledging them as collateral for the credit operations of the *Banque de France* in accordance with the procedures and conditions laid out by it for its monetary policy and intraday credit operations, in instances where the Issuer is unable to meet its cash-flow needs with other means available to it.
- (l) **Benchmark Rate:** Each Benchmark Rate Level shall be determined in the manner specified in the relevant Final Terms and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified to apply in the relevant Final Terms.

(A) ISDA Determination

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Benchmark Rate Level is to be determined in respect of a Benchmark Rate on any Observation Date, such Benchmark Rate shall be the rate determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this Condition 6(l)(A) (*ISDA Determination*), “**ISDA Rate**” means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the relevant Final Terms
- (b) the Designated Maturity is a period specified in the relevant Final Terms and
- (c) the relevant Reset Date is the first day of that Interest Accrual Period or such other date as specified in the relevant Final Terms.

For the purposes of this Condition 6(l)(A) (*ISDA Determination*), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination

- (a) where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Benchmark Rate Level is to be determined in respect of a Benchmark Rate on any date of determination, such Benchmark Rate shall, subject as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean (rounded if necessary in accordance with Condition 5(i) (*Margin, Maximum/Minimum Rates of Interest/Final Redemption Amount/Optional Redemption Amounts and Rounding*)) of the offered quotations,

(expressed as a percentage rate per annum) for the Benchmark Rate which appears or appear, as the case may be, on the Relevant Screen Page at the Relevant Screen Page Time on the relevant date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations;

- (b) if the Relevant Screen Page is not available or, if sub-paragraph (a)(i) applies and no such offered quotation appears on the Relevant Screen Page or, if sub-paragraph (a)(ii) applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, subject as provided below, the

Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Benchmark Rate at the Relevant Screen Page Time on the relevant date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Benchmark Rate Level for the relevant date shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

- (c) if on any Observation Date one only or none of the Reference Banks are providing offered quotations, subject as provided below, the Benchmark Rate Level shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at the Relevant Screen Page Time, deposits in the Specified Currency for a period equal to that which would have been used for the Benchmark Rate by leading banks in the Relevant Inter-Bank Market, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Benchmark Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Benchmark Rate, at which, at the Relevant Screen Page Time, on the relevant relevant date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in the Relevant Inter-Bank Market, provided that, if the Benchmark Rate Level cannot be determined in accordance with the foregoing provisions of this paragraph, the Benchmark Rate Level shall be determined as at the last preceding date of determination.

Where:

“**Benchmark Rates**” and “**Benchmark Rate**” means each of the rates or the rate specified as such in the relevant Final Terms;

“**Benchmark Rate Level**” means, in respect of a Benchmark Rate and any date of determination, the rate determined for such Benchmark Rate in accordance with this Condition in respect of such date of determination;

“**ISDA Definitions**” means the 2006 ISDA Definitions, as amended and supplemented and published by the International Swaps and Derivatives Association, Inc. (or as otherwise specified in the relevant Final Terms);

“**Observation Date**” means each date specified as an Observation Date in the relevant Final Terms or otherwise deemed to be an Observation Date in accordance with the Terms and Conditions;

“**Reference Banks**” means, (i) in the case of a determination of LIBOR, the principal London office of four (4) major banks in the London inter-bank market; (ii) in the case of a determination of EURIBOR, the principal Euro-zone office of four (4) major banks in the Euro-zone inter-bank market; and (iii) in the case of a determination of any other Benchmark Rate, the principal office of four (4) major banks in the manner specified in the relevant Final Terms, in each case selected by the Principal Paying Agent or as specified in the relevant Final Terms;

“**Relevant Inter-Bank Market**” means the London inter-bank market in the case of LIBOR, or EURO-zone inter-bank market in the case of EURIBOR or such other inter-bank market specified as such in the relevant Final Terms;

“**Relevant Screen Page**” means the screen page specified as such in the relevant Final Terms;

“**Relevant Screen Page Time**” means 11:00 a.m. (London time, in the case of LIBOR, or Brussels time in the case of EURIBOR) or such other time specified as such in the relevant Final Terms; and

“Specified Currency” means the currency specified as such in the relevant Final Terms.

7 Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal and interest in respect of Dematerialised Notes shall (in the case of Dematerialised Notes in bearer dematerialised form or administered registered dematerialised form) be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the holders of Notes and, (in the case of Dematerialised Notes in fully registered dematerialised form), to an account denominated in the relevant currency with a Bank designated by the relevant holder of Notes. All payments validly made to such Account Holders will be an effective discharge of the Issuer in respect of such payments.
- (b) **Materialised Notes:** Payments of principal and interest in respect of Materialised Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Materialised Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(v) (*Unmatured Coupons and unexchanged Talons*) or Coupons (in the case of interest, save as specified in Condition 7(f)(v) (*Unmatured Coupons and unexchanged Talons*), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with a Bank.
- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.
- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to (i) any applicable fiscal or other laws, regulations and directives in any jurisdiction, but without prejudice to the provisions of Condition 8 (*Taxation*) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code, any regulations or agreements thereunder, official interpretations thereof, or law implementing an intergovernmental approach thereto. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent initially appointed by the Issuer and their respective specified offices are listed at the end of the Base Prospectus relating to the Programme of the Notes of the Issuer. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Consolidation Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any holder of Note or Coupon. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying Agents having specified offices in at least two major European cities (including Paris so long as the Notes are listed and admitted to trading on Euronext Paris) (v), in the case of Dematerialised Notes in fully registered form, a Registration Agent, (vi) a Paying Agent with a specified office in a European Union

member state that will not be obliged to withhold or deduct tax pursuant to any law implementing the European Council Directive 2003/48/EC or any other Savings Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any subsequent meeting of the Council of European Union on the taxation of savings income or any law implementing or complying with, or introduced to conform to, such Savings Directive, and (vii) such other agents as may be required by the rules applicable to any other stock exchange on which the Notes may be listed.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) (*Redenomination*) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 12 (*Further Issues and Consolidation*), the Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the holders of Notes in accordance with Condition 13 (*Notices*).

(f) **Unmatured Coupons and unexchanged Talons:**

- (i) Upon the due date for redemption of Materialised Notes which comprise Fixed Rate Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9 (*Prescription*)).
- (ii) Upon the due date for redemption of any Materialised Note comprising a Floating Rate Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Materialised Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Materialised Note that provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons, and where any Materialised Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Materialised Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant definitive Materialised Note. Interest accrued on a Materialised Note that only bears interest after its Maturity Date shall be payable on redemption of such Materialised Note against presentation (and surrender if appropriate) of the relevant definitive Materialised Note.

- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Note, the Talon forming part of such Coupon sheet may be

surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9 (*Prescription*)).

- (h) **Business Days for payment:** If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day, nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) in such jurisdictions as shall be specified as “**Financial Centres**” in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.
- (i) **Bank:** For the purpose of this Condition 7 (*Payments and Talons*), “**Bank**” means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

8 Taxation

- (a) **Tax exemption:** All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.
- (b) **No Additional Amounts:** If French law should require that payments of principal or interest in respect of any Note, or any Receipt or Coupon relating thereto, be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will not be required to pay any additional amounts.

For the avoidance of doubt, the Issuer or any other person making payments on behalf of the Issuer shall be entitled to deduct and withhold as required, and shall not be required to pay any additional amounts with respect to any such withholding or deduction imposed on or in respect of any Note, pursuant to Sections 1471 through 1474 of the Code (“**FATCA**”), any treaty, intergovernmental agreement, law, regulation, implementing legislation or other official guidance enacted by any jurisdiction implementing FATCA, or any agreement between the Issuer or any other person and the United States or any jurisdiction implementing FATCA.

- (c) **Supply of Information:** Each Noteholder shall be responsible for supplying to the Paying Agent, in a timely manner, any information as may be required in a timely manner in order to comply with the identification and reporting obligations imposed on it by the European Council Directive 2003/48/EC or any other European Directive implementing the conclusions of the ECOFIN Council Meeting dated 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to such Directive.

9 Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or 5 years (in the case of interest) from the appropriate Relevant Date in respect of them.

10 Representation of holders of Notes

- (a) **In respect of the representation of the holders of Notes, the following shall apply:**

- (i) If the Notes are issued in France, relevant Final Terms will specify that “Full *Masse*” is applicable and the holders of Notes will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *Masse* and the provisions of the French *Code de Commerce* relating to the *Masse* shall apply subject to the below provisions of this Condition 10(a)(i) (*In respect of the representation of the holders of Notes, the following shall apply*).

The names and addresses of the initial Representative of the *Masse* and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the representative of the single *Masse* of all Tranches in such Series.

The Representative will be entitled, as the case may be, to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by another Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the general meeting of the holders of Notes (the “**General Meeting**”).

In accordance with Article R.228-71 of the French *Code de Commerce*, the right of each holder of Notes to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such holder of Notes as of 0:00, Paris time, on the second business day in Paris preceding the date set for the meeting of the relevant General Meeting.

The place where of a General Meeting shall be held will be set out in the notice convening such General Meeting; or

- (ii) If the Notes are issued outside France for the purpose of Article L.228-90 of the French *Code de Commerce*, the relevant Final Terms will specify that “Contractual *Masse*” is applicable and the holders of Notes will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the “*Masse*”) which will be subject to the below provisions of this Condition 10(a)(ii) (*In respect of the representation of the holders of Notes, the following shall apply*).

The *Masse* will be governed by the provisions of the French *Code de commerce* with the exception of Articles L. 228-48, L. 228-59, R. 228-63, R. 228-67, R. 228-69 and R. 228-76 subject to the following provisions:

(A) Legal Personality

The *Masse* will be a separate legal entity and will act in part through one or two representatives (each a “**Representative**”) and in part through a general meeting of the holders of Notes (the “**General Meeting**”).

The *Masse* alone, to the exclusion of all individual holders of Notes, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(B) Representatives

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- the Issuer, the members of its Board of Directors (*conseil d’administration*), its statutory auditors, its employees and their ascendants, descendants and spouses; or
- companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their Board of Directors, Executive Board or Supervisory Board, their statutory auditors, employees and their ascendants, descendants and spouses; or

- persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The names and addresses of the initial Representatives and their alternates will be set out in the Final Terms.

The remuneration of each Representative, and date(s) of payment thereof, will be set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of one or both Representatives, such Representative(s) will be replaced by one or both Representatives, as the case may be. In the event of the death, retirement or revocation of appointment of one or both alternate Representatives, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the initial Representative and the alternate Representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(C) Powers of Representative

The Representatives, acting jointly or separately, shall, in the absence of any decision to the contrary of the General Meeting and except as provided by paragraph 1 of Article L. 513-24 of the French *Code monétaire et financier*, have the power to take all acts of management necessary in order to defend the common interests of the holders of Notes.

All legal proceedings against the holders of Notes or initiated by them, must be brought by or against the Representatives; except that, should preservation, judicial reorganisation or liquidation (*sauvegarde, redressement judiciaire* or *liquidation judiciaire*) proceedings be commenced against the Issuer, the specific controller would file the proof of debt of all creditors (including the holders of Notes) of the Issuer benefiting from the *Privilège*.

The Representatives may not be involved in the management of the affairs of the Issuer.

(D) General Meeting

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representatives. One or more holders of Notes, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the Issuer and the Representatives a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the holders of Notes may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 13 (*Notices*).

Each holder of a Note has the right to participate in a General Meeting in person, by proxy, correspondence or, if the *statuts* of the Issuer so specify³, videoconference or any other means of telecommunication allowing the identification of the participating Noteholders. Each Note carries the right to one vote or, in the case of Notes issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Note.

In accordance with Article R. 228-71 of the French *Code de commerce*, the rights of each holder of a Note to participate in a General Meeting must be evidenced by entries in the books of the

³ At the date of this Base Prospectus, the *statuts* of the Issuer do not contemplate the right for a holder of a Note to participate in a General Meeting by videoconference or any other means of telecommunication allowing the identification of the participating Noteholders.

relevant Account Holder of the name of such holder of a Note on the second business day in Paris preceding the date set for the relevant General Meeting at 0.00, Paris time.

(E) Powers of the General Meetings

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representatives and the alternate Representatives and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representatives to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase the liabilities (*charges*) by holders of Notes, nor establish any unequal treatment between the holders of Notes nor decide to convert Notes into shares.

General Meetings may deliberate validly on first convocation only if holders of Notes present or represented hold at least a quarter of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by holders of Notes attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 13 (*Notices*).

(b) Information to holders of Notes

Each holder of a Note or representative thereof will have the right, as from the date specified in the notice of the General Meeting, during the 15-day period preceding the holding of each General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant holders of Notes at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting.

(c) Expenses

The Issuer will pay all expenses relating to the operation of the *Masse* (including those incurred by the Representatives in the proper performance of their functions and duties), and those relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable on the Notes.

(d) Single Masse

The holders of Notes of the same Series, and the holders of Notes of any other Series which have been assimilated with the Notes of such first mentioned Series in accordance with Condition 12 (*Further Issues and Consolidation*), shall, for the defence of their respective common interests, be grouped in a single *Masse*. The Representatives appointed in respect of the first Tranche of any Series of Notes will be the Representatives of the single *Masse* of all Tranches in such Series.

For the avoidance of doubt, in this Condition 10 (*Representation of holders of Notes*), the term “**outstanding**” shall not include those Notes subscribed or purchased by the Issuer pursuant to, respectively, Articles L. 513-26 and L. 213-1 A of the French *Code monétaire et financier* that are held by it and not cancelled.

11 Replacement of Definitive Materialised Notes, Coupons and Talons

If, in the case of any Materialised Notes, a definitive Materialised Note, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and regulations of

the Regulated Market on which the Notes are listed and admitted to trading, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to holders of Notes, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed definitive Materialised Note, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Notes, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Notes, Coupons or Talons must be surrendered before replacements will be issued.

12 Further Issues and Consolidation

- (a) **Further Issues:** The Issuer may from time to time without the consent of the holders of Notes or Coupons create and issue further Notes to be assimilated (*assimilées*) with the Notes provided such Notes and the further Notes carry rights identical in all respects (or in all respects save for the principal amount thereof and the first payment of interest specified in the relevant Final Terms) and that the terms of such Notes provide for such assimilation and references in these Conditions to “Notes” shall be construed accordingly.
- (b) **Consolidation:** The Issuer may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than 30 days’ prior notice to the holders of Notes in accordance with Condition 13 (*Notices*), without the consent of the holders of Notes or Coupons, consolidate the Notes of one Series denominated in Euro with the Notes of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other Notes have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

13 Notices

- (a) Notices to the holders of Dematerialised Notes in registered form (*au nominatif*) shall be valid if either,
 - (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the mailing, or
 - (ii) at the option of the Issuer, they are published (a) so long as such Notes are listed and admitted to trading on Euronext Paris, in a leading daily newspaper of general circulation in France (which is expected to be *Les Echos*) or (b) they are published in a leading daily newspaper of general circulation in Europe (which is expected to be the *Financial Times*) or (c) they are published following Articles 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the French *Autorité des marchés financiers* (the “AMF”) or so long as such Notes are listed and admitted to trading on any Regulated Market in a leading daily newspaper with general circulation in the city where the Regulated Market on which such Notes are listed and admitted to trading is located, if the rules of such Regulated Market so require or (d) so long as the Notes are listed and admitted to trading on the Luxembourg Stock Exchange's Regulated Market, notices may also be published on the website of the Luxembourg Stock Exchange (www.bourse.lu).
- (b) Notices to the holders of Materialised Notes and Dematerialised Notes in bearer form (*au porteur*) shall be valid if published (i) so long as such Notes are listed and admitted to trading on Euronext Paris, in a leading daily newspaper of general circulation in France (which is expected to be *Les Echos*) or (ii) at the option of the Issuer, in a leading daily newspaper of general circulation in Europe (which is expected to be the *Financial Times*) or (iii) they are published following Articles 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the AMF or so long as such Notes are listed and admitted to trading on any Regulated Market in a leading daily newspaper with general circulation in the city where the Regulated Market on which such Notes are listed and admitted to trading is located, if the rules of such Regulated Market so require or (iv) so long as the Notes are listed and admitted to

trading on the Luxembourg Stock Exchange's Regulated Market, notices may also be published on the website of the Luxembourg Stock Exchange (www.bourse.lu).

- (c) If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Holders of coupons shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Materialised Notes in accordance with this Condition.
- (d) Notices required to be given to the holders of Dematerialised Notes (whether in registered or in bearer form) pursuant to these Conditions may be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream, Luxembourg and any other clearing system through which the Notes are for the time being cleared in substitution for the mailing and publication as required by Conditions 13(a), (b) and (c) above; except that (i) (a) so long as such Notes are listed and admitted to trading on Euronext Paris in a leading daily newspaper of general circulation in France (which is expected to be *Les Echos*) or (b) following Articles 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the AMF or (c) so long as such Notes are listed and admitted to trading on any Regulated Market and the rules applicable to that Regulated Market so require, notices shall be published in a leading daily newspaper with general circulation in the city Regulated Market on which such Notes are listed and admitted to trading is located, or (d) so long as the Notes are listed and admitted to trading on the Luxembourg Stock Exchange's Regulated Market, notices may also be published on the website of the Luxembourg Stock Exchange (www.bourse.lu) and (ii) notices relating to the convocation and decision(s) of the General Meetings pursuant to Condition 10 (*Representation of holders of Notes*) shall also be published (a) so long as such Notes are listed and admitted to trading on the Euronext Paris and the rules of such Stock Exchange so permit, on the website of the AMF in France or (b) in a leading daily newspaper of general circulation in Europe.

14 Method of Publication of the Final Terms

The Base Prospectus (including any document incorporated by reference), the supplement(s) to the Base Prospectus, as the case may be, and the Final Terms related to Notes listed and admitted to trading and/or offered to the public will be published on the website of the AMF (www.amf-france.org). Copies of these documents may be obtained from Compagnie de Financement Foncier 4, Quai de Bercy, 94224 Charenton, France, and, in respect of the Base Prospectus (including any document incorporated by reference) and the supplement(s) to the Base Prospectus, such documents will be available on the website of the Issuer (www.foncier.fr).

In relation to the Notes admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and/or offered to the public in Luxembourg, the Final Terms will be published, without prejudice of any provisions of the Prospectus Directive, upon each relevant issue, in a manner complying with Article 14 of the Prospectus Directive in an electronic form on the website of the Luxembourg Stock Exchange (www.bourse.lu).

Each time the Notes are admitted to trading on Euronext Paris, the Notes are also admitted to trading on the Regulated Market of the Luxembourg Stock Exchange. As a consequence, the Final Terms will be available in electronic form on the website of the Luxembourg Stock Exchange (www.bourse.lu).

In addition, should the Notes be listed and admitted to trading on a Regulated Market other than Euronext Paris and the Regulated Market of the Luxembourg Stock Exchange, the Final Terms relating to those Notes will provide whether this Base Prospectus (including any document incorporated by reference), the supplement(s) to the Base Prospectus, as the case may be, and the relevant Final Terms will be published on the website of (x) such Regulated Market or/and (y) the competent authority of the Member State in the EEA where such Regulated Market is situated.

15 Governing Law and Jurisdiction

- (a) **Governing Law:** The Notes, the Coupons and the Talons and all non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, French law.
- (b) **Jurisdiction:** Any claim against the Issuer in connection with any Notes, Coupons or Talons may be brought before any competent court in Paris.

TEMPORARY GLOBAL CERTIFICATES ISSUED IN RESPECT OF MATERIALIZED NOTES

Temporary Global Certificates

A Temporary Global Certificate without interest coupons, will initially be issued in connection with Materialised Notes. Upon the initial deposit of such Temporary Global Certificate with a common depository for Euroclear and Clearstream, Luxembourg (the “**Common Depository**”), Euroclear or Clearstream, Luxembourg will credit the accounts of each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depository may also credit with a nominal amount of Notes the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, a nominal amount of Notes that is initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Exchange

Each Temporary Global Certificate issued in respect of Materialised Notes will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- if the relevant Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable, in whole, but not in part, for the Definitive Materialised Notes and
- otherwise, in whole but not in part, upon certification as to non-U.S. beneficial ownership (a form of which shall be available at the specified offices of any of the Paying Agents) for Definitive Materialised Notes.

Delivery of Definitive Materialised Notes

On or after its Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to or to the order of the Fiscal Agent. In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Materialised Notes. In this Base Prospectus, “**Definitive Materialised Notes**” means, in relation to any Temporary Global Certificate, the Definitive Materialised Notes for which such Temporary Global Certificate may be exchanged (if appropriate, having attached to them all Coupons that have not already been paid on the Temporary Global Certificate and a Talon). Definitive Materialised Notes will be security printed in accordance with any applicable legal and requirements of the Regulated Market. Forms of such Definitive Materialised Notes shall be available at the specified offices of any of the Paying Agents set out in the Schedules to the Amended and Restated Agency Agreement.

Exchange Date

“**Exchange Date**” means, in relation to a Temporary Global Certificate in respect of any Materialised Notes, the day falling after the expiry of 40 days after its issue date, provided that in the event any further Materialised Notes which are to be assimilated with such first mentioned Materialised Notes are issued prior to such day pursuant to Condition 12(a), the Exchange Date may, at the option of the Issuer, be postponed to the day falling after the expiry of 40 days after the issue date of such further Materialised Notes.

USE OF PROCEEDS

The net proceeds of the issue of the Notes will be used for the Issuer's general corporate purposes.

SUMMARY OF THE LEGISLATION AND REGULATIONS RELATING TO *SOCIÉTÉS DE CRÉDIT FONCIER*

Entités entitled to issue Obligations Foncières

Prior to the introduction of French law no. 99-532 of 25 June 1999 governing savings and financial security (the “**Law**”), now integrated into the French *Code monétaire et financier* (the “**Code**”), only Crédit Foncier de France and Crédit Communal d’Alsace-Lorraine were entitled to issue *obligations foncières*. The Law created a whole new category of credit institutions (*sociétés de crédit foncier*) the exclusive purpose of which is to grant or acquire secured loans from the proceeds of the issue of *obligations foncières* as well as other forms of notes or borrowings.

Article L. 513-2 of the Code provides that the sole purpose of *sociétés de crédit foncier* is to grant or acquire guaranteed loans, exposures to public bodies and the securities referred to in Articles L. 513-3 to L. 513-7 of the Code.

In order to finance such categories of loans, securities or exposures, *sociétés de crédit foncier* issue *obligations foncières* which benefit from a *privilège* as described in Article L. 513-11, and to acquire other resources having an issuing contract or subscription which refers to that *privilège*.

Sociétés de crédit foncier may also provide financing for the activities referred to above through the issue of bonds or resources which do not benefit from the *privilège*.

Holders of *obligations foncières* or of these other borrowings benefit from a *privilège* (priority right of payment) on all the assets and revenues of the *sociétés de crédit foncier* and are allowed to operate in a bankruptcy remote environment.

Sociétés de crédit foncier may grant or acquire either mortgage-backed loans or loans to states or state-owned entities (regional and local authorities) and issue *obligations foncières* (or incur other forms of borrowings) in order to finance these loans.

The Code allows *sociétés de crédit foncier* to issue ordinary bonds or raise funds which do not benefit from the *privilège*.

Pursuant to Article L. 513-2 of the Code, *sociétés de crédit foncier* may not hold shares in other companies.

Eligible receivables

The mortgage-backed loans include loans which are secured by a first-ranking mortgage. Other types of charges and security interest also qualify under certain conditions provided in particular they are at least equivalent to a first-ranking mortgage such as a guarantee given by a credit institution or an insurance company that does not belong to the same group as the relevant *société de crédit foncier*. The property must be located in France, in the European Economic Area (the “**EEA**”), in a Member State of the European Community (“**EC**”) or in a State benefiting from the best credit rating given by a rating agency recognised by the French *Autorité de contrôle prudentiel et de résolution* (formerly known as *Commission Bancaire*) as provided in Article L. 511-44 of the Code. Article R. 513-1 of the Code provides, *inter alia*, that the mortgage-backed loans cannot exceed a threshold of 60 per cent. of the property’s value, except under certain conditions.

The other eligible receivables comprise, *inter alia*, loans granted to, or bonds issued by, state or state-owned entities located within the EEA, in a Member State of the EC or in a State benefiting from the best credit rating given by a rating agency recognised by the French *Autorité de contrôle prudentiel et de résolution* (formerly known as *Commission Bancaire*) as provided in Article L. 511-44 of the Code, or wholly guaranteed by such entities, and specific investments (namely units and bonds (*titres de créance*) issued by *organismes de titrisation*, which are French securitisation vehicles, or other similar vehicles, the assets of which comprise at least 90 per cent. of secured loans or loans to state or state-owned entities).

As provided in Article L. 513-7 of the Code, *sociétés de crédit foncier* may not make any other investments, except investments in securities which are sufficiently secure and liquid to be held as so-called replacement values, as defined in Article R. 513-6 of the Code.

Over-Collateralisation

Article L. 513-12 of the Code provides for the principle of over-collateralisation (*surdimensionnement*), which entails that the total amount of the assets of a *société de crédit foncier* must be at all times greater than the global amount of liabilities benefiting from the *privilège*.

Sociétés de crédit foncier must appoint a specific controller (*contrôleur spécifique*) with the approval of the French *Autorité de contrôle prudentiel et de résolution* whose mission is to ensure that the principle of over-collateralisation is at all times complied with. In particular, the specific controller must certify that the principle of over-collateralisation is satisfied in connection with (i) the *société de crédit foncier*'s quarterly programme of issues benefiting from the *privilège* and (ii) any specific issue also benefiting from the *privilège* whose amount is greater than Euro 500 million. The specific controller must verify the quality of the assets, the process of yearly revaluation and the quality of the asset liability management (ALM).

Privilège

For bonds to qualify as *obligations foncières* and for other resources to benefit from the *privilège*, the documentation relating thereto must explicitly refer to such *privilège*. *Sociétés de crédit foncier* may enter into derivative transactions for hedging *obligations foncières* and other resources benefiting from the *privilège*; the amounts due under these derivative transactions also benefit from the *privilège*.

The sums resulting from the eligible receivables and from derivative transactions, together with deposits made by *sociétés de crédit foncier* with other credit institutions, are allocated in priority to the payment of any sums due in relation to the *obligations foncières* or other financial resources benefiting from the *privilège*.

Insolvency remoteness

Finally, Article L. 513-20 of the Code precludes the extension of insolvency proceedings in respect of the *société de crédit foncier*'s parent company to the *société de crédit foncier*.

The Code provides for a regime which derogates in many ways from the French legal provisions relating to insolvency proceedings. In particular, in the event of conciliation proceeding (*procédure de conciliation*) preservation proceeding (*procédure de sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) of a *société de crédit foncier*, all claims benefiting from the *privilège*, including interest thereon, must be paid on their due dates and in preference to all other claims, whether or not secured or statutorily preferred and, until payment in full of all such preferred claims, no other creditors may take any action against the assets of the *société de crédit foncier*.

In addition, the provision of French insolvency law which provides that certain transactions entered into in the months preceding the commencement of insolvency proceedings (*période suspecte*) are voidable has been set aside by the Code in respect of *sociétés de crédit foncier* (Article L. 513-18 of the Code).

The judicial liquidation (*liquidation judiciaire*) of a *société de crédit foncier* will not result in the acceleration of payment of *obligations foncières* and other debts benefiting from the *privilège*.

DESCRIPTION OF COMPAGNIE DE FINANCEMENT FONCIER

I) INFORMATION ABOUT THE ISSUER

History and development of the Issuer

Compagnie de Financement Foncier is a credit institution authorised as an *établissement de crédit spécialisé* and *société de crédit foncier* by a decision of the French Credit Institutions and Investment Companies Committee (*CECEI - Comité des Etablissements de Crédit et des Entreprises d'Investissements*, now known as *Autorité de contrôle prudentiel et de résolution*) on 23 July 1999. Consequently, it is governed by the general body of legislative and regulatory provisions applicable to credit institutions and, as a *société de crédit foncier* (“SCF”), by the specific provisions of Section IV of the second part of French law no. 99-532 of 25 June 1999 governing savings and financial security, which has been incorporated into Articles L.515-13 to L.515-33 (which, with the entry into force of ordinance 2013-544 dated 27 June 2013, were replaced by Articles L. 513-2 to L. 513-27) of the French *Code monétaire et financier* (the “Code”).

It is a wholly-owned subsidiary of Crédit Foncier de France (A-/A2/A)⁴ and affiliate of BPCE (A (*negative outlook*)/A2/A)¹ (the “central body” of Groupe BPCE, which, with 19 Banques Populaires and 17 Caisses d'Épargne, constitutes the 2nd largest banking group in France⁵). Its sole business is to finance the mortgage and public-sector lending activities of both its parent company and Groupe BPCE as a whole, through the issuance of *obligations foncières*.

The registered office of the Issuer is located at 19, rue des Capucines, 75001 Paris, France and is registered with the Trade and Companies Registry of Paris under reference number 421 263 047 RCS Paris.

The Issuer was incorporated on 22 December 1998 for a period of 99 years.

The Issuer’s legal and commercial name is Compagnie de Financement Foncier.

Investments

Pursuant to Article L. 513-2 of the Code, the Issuer is prohibited from owning shares in other companies.

II) BUSINESS OVERVIEW

Principal activities

As a SCF, the objects of Compagnie de Financement Foncier are to grant or acquire guaranteed loans which are financed by the issue of *obligations foncières*, or by raising funds benefiting or not from the privilege created by Article L. 513-11 of the Code (the “*Privilège*”).

More specifically, the purpose of the Compagnie de Financement Foncier (Article 2 of the by-laws), in the context of the laws and regulations applicable to SCF, is to:

1. to conduct all transactions mentioned in Articles L. 513-2 *et seq.* of the Code without other restrictions in terms of the countries in which it operates than those resulting from said articles.

These transactions include, in particular:

- granting or acquiring guaranteed loans, exposures to public authorities and investments and securities as defined in Articles L. 513-3 to L. 513-5 and L. 513-7 of the Code;
- financing these types of loans, exposures, investments and securities by issuing *obligations foncières* benefiting from the *Privilège* defined in Article L. 513-11 of the Code and by raising other resources whose issuance or subscription agreement mentions this *Privilège*.

⁵ 2nd in number of bank branches (source: database, bank Internet website 2014), 2nd in terms of deposit and lending market share for individuals (source: Banque de France Q3-2014), 2nd in terms of professionals and individual entrepreneurs market penetration rate (source: Pépites survey - CSA 2013-2014).

The Compagnie de Financement Foncier may also finance the activities mentioned above by issuing bonds or resources that do not benefit from the *Privilège*. It may issue the promissory notes referred to in Articles L. 313-42 to L. 313-49-1 of the Code.

Notwithstanding any other provisions or stipulations to the contrary, the Company may carry out temporary transfers of its securities in accordance with Articles L. 211-22 to L. 211-34 of the Code, pledge securities accounts pursuant to Article L. 211-20 of said Code and assign all or some of the receivables that it holds in accordance with Articles L. 211-36 to L. 211-40 or in accordance with Articles L. 313-23 to L. 313-35, whether or not these receivables are professional. The receivables or securities thus assigned or transferred do not fall within the scope of the “*privilège*” defined in Article L. 513-11 of the Code and are not booked pursuant to Article L. 513-12 of said Code.

As an exception to Articles 1300 of the French *Code civil* and L. 228-44 and L. 228-74 of the French *Code de commerce*, the Company may subscribe for its own *obligations foncières* solely for the purpose of using them as collateral for refinancing facilities of the *Banque de France* under the conditions set forth in Article L. 513-26 of the Code.

The Company cannot hold equity investments.

In addition, pursuant to Article R. 513-7 of the Code, the Company, as a SCF, shall ensure at all times that it has sufficient funds to cover its liquidity requirements, for a period of 180 days.

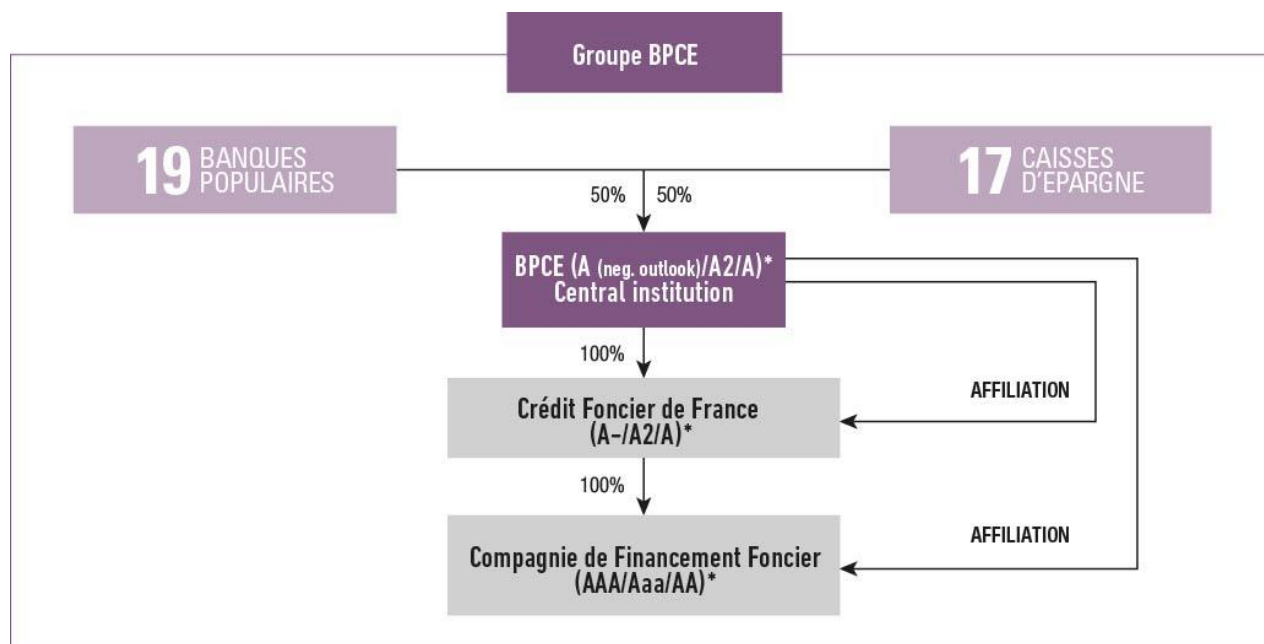

2. contracting with any credit institution or financial company, all agreements necessary for:
 - servicing and recovering loans, exposures and securities;
 - managing bonds and other resources;
 - more generally, providing all services necessary to manage the assets, liabilities and the financial balances of the Company;
 - as well as all agreements concerning the distribution and refinancing of loans.
3. acquiring and holding all property and equipment necessary to fulfil its purpose or arising from the recovery of its loans:
 - contracting with any authorised third party any agreement related to the acquisition, ownership, management, maintenance and disposal of such assets;
4. contracting, with any insurance company, any agreement that serves the corporate purpose, notably to hedge risks related to borrowers, risks in respect of both assets securing the loans and assets held by the Company, and the liability risks of the Company or its company Directors;
5. in connection with its own activity or on behalf of other companies, providing customers with and managing payment processes, in particular:
 - for the payment of funds or the receipt of all cash flows arising from loan activities;
 - for managing any financial relationship or account with any other credit institution, financial company or public entity;
 - for the management of technical accounts in respect of expenses and receipts.
6. participating in any system for interbank settlements, settlement-delivery of securities and all clearing system, as well as in any transaction within the framework of the monetary policy of the European Central Bank, that contributes to the development of the Company’s activities;
7. more generally:
 - carrying out all operations contributing to the fulfilment of its corporate purpose, as long as such transactions comply with the purpose of SCF as defined in the legislation and regulations that regulate their activity;
 - contracting any agreement that allows the Company to use essential outsourcing services and related controls.

III) ORGANISATIONAL STRUCTURE

Since the merger of holding companies previously owned by the Banques Populaires (BP Participations) and Caisses d'Épargne (CE Participations) on 5 August 2010 within the Central body (BPCE), Crédit Foncier de France's is wholly owned by Groupe BPCE, the second banking group in France (by number of branches (source: database, 2014 bank websites). No. 2 by market share of customer savings and customer loans (source: Banque de France Q3-2014). No. 2 in terms of penetration rate among professional customers and individual entrepreneurs (source: Pepites survey CSA 2013-2014)).

I. SPECIFIC CONTROLLER'S CERTIFICATION ON THE VALUATION AND REVALUATION METHODS APPLICABLE TO REAL ESTATE PROPERTIES AS OF 31 DECEMBER 2014 AND THEIR RESULTS

To the Board of Directors of Compagnie de Financement Foncier,

In our capacity as the Specific Controller of Compagnie de Financement Foncier, and pursuant to the Article 5 of regulation No. 99-10 of the CRBF, we proceeded to the assessment of the validity, in accordance with regulations in force, of the methods used to value the real estate assets underlying the loans and their results, and of the methods for periodically reviewing their value, as published together with the financial statements for the year ended 31 December 2014 and appended hereto.

The valuation methods and their results for real estate assets and the methods for periodically reviewing their value have been defined and implemented under the responsibility of your company's management.

Our responsibility is to assess the validity of this procedure in terms of its compliance with regulations in force as of 31 December 2014.

We implemented the diligences that we considered necessary in view of the professional standards of the *Compagnie nationale des Commissaires aux comptes* applicable to this assignment. Our work consisted in checking the compliance of:

- the procedures, the valuation and periodic review methods and their results, in their design and application, with regulations in force as of 31 December 2014;
- the information published together with the annual financial statements with, on one hand, the system for the valuation and periodic review implemented, and on the other hand, with the results arising from the implementation of the valuation system.

Based on our work, we have no observations to make as regards compliance with the provisions set out in Articles 2 to 4 of the regulation No. 99-10 of the CRBF, the valuation methods for the real estate assets and their results or the methods for periodically reviewing their value as published together with the financial statements for the year ended 31 December 2014.

II. PROCEDURE FOR THE VALUATION AND PERIODIC REVIEW OF THE VALUE OF THE ASSETS UNDERLYING THE LOANS AS OF 31 DECEMBER 2014

I - Valuation method applied to the assets underlying loans

General asset valuation principles

The procedure described below has been determined pursuant to Articles 1 and 2 of CRBF regulation No. 99-10, as amended by regulation No. 2002-02 and the decrees of 7 May 2007 and 23 February 2011 transposing European directive 2006/48/EC into French law.

Real estate financed by eligible loans or posted as collateral for these loans is subject to cautions appraisal.

The valuation is performed taking into account the long-term sustainable aspects of the property, the normal and local market conditions, the current use and alternative appropriate uses of the property.

Derogation rule used by Compagnie de Financement Foncier

For loans originated between 1 January 2003 and 31 December 2006, in accordance with the provisions of CRBF regulation No. 99-10 and a decision by the Chairman of Crédit Foncier de France's Executive Board dated 28 July 2003, a cost of the transaction without discount is understood to be estimated value of the asset for all transactions with individuals involving residential property where a transaction cost is less than €350,000. Following a series of amendments to CRBF regulation No. 99-10, this principle was broadened:

- for the period of 7 May 2007 to 23 February 2011, all residential property transactions with individuals where a transaction cost is less than €450,000 or where an outstanding principal amount on the acquired loan or a total amount authorised is less than €360,000;
- beginning on 24 February 2011, all residential property transactions with individuals where a transaction cost is less than €600,000 or where an outstanding principal amount on the acquired loan or a total amount authorised is less than €480,000.

Above these thresholds, the appraised value is considered as the value of the property.

Summary

The above-mentioned rules, applied since 24 February 2011, are summarised in the following table:

Property Types	Cost of transaction is less than €600,000 or acquired loan less than €480,000	Cost of transaction is €600,000 or more, or acquired loan €480,000 or more
Residential Property for private individuals	Transaction cost	Appraisal
Residential Property for Professionals	Appraisal	Appraisal
Commercial property (1)	Appraisal	Appraisal

(1) Property for professional use means all properties other than residential and multiple-use properties where the value allocated to the residential part is less than 75% of the total value of the property.

An appraisal is made of all collateral underlying authorised loans (*i.e* signed by the parties) during the year, regardless of whether or not they are implemented.

Other collateral (underlying loans authorised before 2014 and already valued or re-valued) is mandatorily subject to a periodic review of its value as presented hereafter (see Sections II, III and IV).

II - Periodic review methods for collateral securing housing loans to individuals and professionals

The rules detailed below apply to collateral securing loans implemented before 2014.

Two periodic review methods are used to determine the value of collateral as differentiated below:

- Statistical method S1 :
 - for collateral securing housing loans to private individuals,
 - for collateral securing housing loans to professionals where the amount is less than €600,000 or where the outstanding principal amount of the loan secured by the property is less than €480,000;
- Statistical method S2 for collateral securing housing loans to professional customers where an amount is €600,000 or more and where an outstanding principal amount on the loan secured by the property is €480,000 or more.

A - S1 periodic revaluation method

i) Principles

This method, which aims to approximate market value as closely as possible, is based on establishing indices. The indices obtained are the changes observed from one year to the next in market values, clarifying that, in accordance with the relevant legislation, an appraisal is carried out on the basis of a prudent assessment (which is then revalued by applying the indices).

The indices reflect four distinct geographical categories:

- (i) the 110 urban areas with more than 50,000 inhabitants as per the postal code groups established by the INSEE (French National Institute for Statistics and Economic Studies). The list of these metropolitan areas and their composition change as the urban fabric evolve;
- (ii) outside these metropolitan areas, the “non-urban” real estate market is divided into administrative regions (20, excluding Corsica and Île-de-France);
- (iii) Île-de-France, excluding the city of Paris is valued separately using specific indices for each of its seven departments;
- (iv) Paris is also valued separately using a specific index.

Indices for each of these four categories (urban, non-urban, Île-de-France and Paris), are grouped according to postal codes, and broken down as follows:

- metropolitan areas: 110 Apartment indices / 110 House indices;
- non metropolitan area: 20 House indices;
- Île-de-France (excluding Paris): 7 Apartment indices / 7 House indices;
- Paris: 1 Apartment index.

When the apartment/house distinction is not available for a particular item of collateral, the lower of the two indices for the corresponding postal code is used.

When the collateral is located in Corsica or in the French overseas departments or territories, or if its location is unclear, the annual trend indices used for the corresponding type of housing are:

- for apartments: the average of the apartment indices for metropolitan areas;
- for homes: the lower of the averages for houses in metropolitan areas and for regions.

Revaluation cycle management

Real estate value indices are updated annually. New indices are established each November based on the period ending on 30 September.

The revaluation cycle is thus managed on a one year rolling period from 30 September of year “n-1” to 30 September of year “n”.

Sources

These indices are based on an *ad hoc* survey and on expert estimates carried out each year by the Real Estate Research Department of the network of regional real estate appraisers, quarterly gross statistical real estate information available in its database and regional indicators from www.marche-immo.com.

B - S2 periodic review method

For 2014, the S2 revaluation method consisted in applying the annual change in the rental index for residential property to 2013 values, i.e. +0.9% (source: INSEE).

III - Methods for periodic review of real estate for professional use (non-residential)

In accordance with the provisions of CRBF regulation No. 99-10, the following three valuation methods are applied to real estate for professional use based on its aspects:

A – The “E1” method

This category covers real estate for professional use, the value of which is less than or equal to €600,000 or for which an outstanding principal amount on a loan secured by property is more than €480,000.

Assets in this category are individually revalued by means of appraisal every three years, and statistically in the interim years using the S1 method.

B – The “E2” method

This category covers real estate for professional use, the value of which is more than €600,000 and for which an outstanding principal amount on a loan secured by property is more than €480,000.

Each property in this category is individually revalued every year by means of appraisal. The appraiser determines a prudential mortgage value based on a thorough analysis of the type of asset and its specific aspects and on a prudent, forward-looking view of the market.

C – The “S1” statistical method

This category covers real estate for professional use where an outstanding principal amount on a loan secured by property has fallen below 30% of the initial principal amount of the loan.

For real estate in this category, the S1 statistical revaluation method (see section II.A above) is applied to the most recent appraisal value.

IV - Summary table of methods

Type of asset	Transaction cost > € 600K and total authorised amount ≤ € 480K or Transaction cost ≤ € 600K and total authorised amount > € 480K	Transaction cost ≥ €600 K And total authorised amount ≥ €480 K		Disputes cases
Residential	If private individual customer : S1 method			Specific individual appraisal
	If professional customer : S1 method	If professional customer : S2 method		
Non residential	Outstanding principal/initial principal < 30% and total authorised amount ≤ €480K	Outstanding principal/initial principal > 30%		
		Transaction cost ≤ € 600 K and total authorised amount > € 480 K	Transaction cost > €600 K and total authorised amount > €480 K	
	S1 method	E1 method	E2 method	

V. The special features of Dutch guarantees

Revaluation was made of a total of 797 guarantees associated with 812 loans for a total outstanding value of €67 million. Revaluation was conducted based on the PBK index (*Prijnsindex Bestaande Koopwoningen*) developed by the Netherlands land registry. In 2014, the index average fell by 1.08%.

VI. The special features of Belgian guarantees

Crédit Foncier de France proceeded to a revaluation of the guarantees of its Belgian branch for 2014, through its servicer, Stater: 8,173 guarantees representing a global valuation amount of €1,708 million i.e. an average decrease in value of 0.71% (after excluding guarantees that increased / decreased for more than 20%) are associated with 7,863 loans in the amount of €994 million.

This valuation was based on the indices provided by Stadim for the purposes of an annual valuation as of 30 June 2014.

STRINGENT RISK MANAGEMENT RULES AND COMMITMENTS TO THE MARKET

A. Overcollateralisation

Overcollateralisation, defined by law (Article L. 513-12 of the Code), requires that the total weighted asset amount of *société de crédit foncier* (in accordance with the regulations set by CRBF⁶) is always at least 105% of the total amount of liabilities benefiting from the legal privilege. One of the Specific Controller's duties is to monitor compliance with this regulatory overcollateralisation rule.

With €1.9 billion in capital, €3.7 billion in subordinated debt and €10.8 billion in unsecured debt, Compagnie de Financement Foncier's overcollateralisation is well above the legal minimum ratio of 105%, and is 120% at 31 December 2014.

Since the creation of Compagnie de Financement Foncier in 1999, this regulatory ratio has always been above 108%.

Overcollateralisation ratio since 1999

Maintaining a high overcollateralisation ratio specific to Compagnie de Financement Foncier

In addition to the safety provided by the institutional framework and to ensure the best ratings from the major rating agencies, Compagnie de Financement Foncier has initiated additional management measures since 1999.

These measures result in compliance with a specific collateralisation ratio for each rating agency based on its methodology.

In particular, since 2009, it set up measures to maintain at all times a volume of non-privileged liabilities at least equal to 5% of the liabilities that benefit from the legal privilege. At 31 December 2014, this ratio was at 20.4%.

As part of its internal rules, two minimum overcollateralisation levels, based on asset quality and interest rate risk, are regularly calculated in relation with the quality of its assets and with the interest rate risk estimated on Compagnie de Financement Foncier. The first ratio covers the credit risk on its assets, while the second ensures that the overall interest rate risk on its balance sheet is covered.

The sum of these two ratios must meet Compagnie de Financement Foncier's minimum overcollateralisation commitment. Overcollateralisation – which in Compagnie de Financement Foncier's case consists of equity and long-term subordinated and unsecured liabilities – must enable a *société de crédit foncier* to withstand stress test scenarios on credit, interest rate and liquidity risk.

⁶ Regulation No. 99-10 of 9 July 1999 concerning *sociétés de crédit foncier* and *sociétés de financement de l'habitat*, as amended by regulations No. 2001-02 of 26 June 2001 and 2002-02 of 15 July 2002, and by orders of 7 May 2007 and 23 February 2011

If some or all of these risk scenarios occur, this high level of overcollateralisation will enable Compagnie de Financement Foncier to maintain payments on its *obligations foncières*.

Overcollateralisation of credit risk

Regarding overcollateralisation associated with credit risk, Compagnie de Financement Foncier's loan portfolio is divided into six sub-categories, by type of borrower, type of property being financed and type of collateral provided. Each sub category has its own minimum overcollateralisation ratio for outstanding loans and an overcollateralisation for the estimated loans anticipating a two years-production (see table below).

The following minimum overcollateralisation ratios are currently applied:

Asset class	Outstanding	Origination
Subsidised sector (in run-off)	3.0%	n.a.
Low-income home loans + Interest-free loans	2.5%	3.0%
Individuals / First-time home buying loans	3.0%	3.5%
Individuals / Buy-to-let	25.0%	30%
Public Sector	3.0%	3.0%
Social housing	4.5%	4.5%

Overcollateralisation of interest rate risk

The overcollateralisation required to cover Compagnie de Financement Foncier's overall interest rate risk depends on the size of its balance sheet and on its estimated future earnings. It equals 0.5% of Compagnie de Financement Foncier's assets, minus the net present value of estimated earnings over the next 10 years.

To ensure a high security level, several net present values are calculated in a run-off scenario without new lending and by combining the following assumptions:

- three early repayment assumptions: no early repayment, probable early repayment rate and a stressed early repayment rate that is three times greater than the probable rate;
- three market interest rate assumptions: benchmark yield curve, stressed cash flow assuming unfavourable borrowing and lending conditions at EONIA +1% and EONIA -0.5% respectively, and a 200 bp upward shift in the yield curve.

The lowest net present value among the nine results calculated is used to calculate the overcollateralisation ratio for the interest rate risk.

As from 31 December 2014, the indicator of the net present value of the results over the next 10 years is removed and no longer serve as a reference for the calculation of the overcollateralisation necessary to cover the global interest rate risk. These is equal to 0.5% of Compagnie de Financement Foncier's balance sheet.

The overcollateralisation required is equal to the most important of the two credit overcollateralisations (on the outstanding and the two-year projection), to which the overcollateralisation related to the interest rate risk is added. The level chosen is thus globally more conservative.

Continuous monitoring of overcollateralisation levels

To ensure that compliance with the overcollateralisation requirements is maintained at all times, it is monitored on an on-going basis.

In addition to the compliance of the regulatory ratio, if Compagnie de Financement Foncier observes on a quarterly basis, one of the above thresholds, all asset purchases are immediately suspended and non-privileged resources are used to increase overcollateralisation above the minimum required amount.

B. Financed LTV for residential mortgage loans

Principle of financed LTV for residential mortgage loans

The LTV ratio on residential mortgage loans (€33 billion owned directly and €7 billion in mortgage notes at end 2014) is the ratio of the outstanding principal over the value of the underlying real estate asset. The present value of the asset is revalued annually to monitor compliance with this ratio.

The regulatory annual valuation of assets, as required by the regulation, is based on a prudent assessment of the property's long-term characteristics, local market conditions, the current use of the property and other possible uses. All of this information is provided by Foncier Expertise, Crédit Foncier de France's wholly-owned subsidiary, Veritas-certified, of which experts are either certified by a court and/or qualified as Chartered Surveyors (MRICS⁷). The Specific Controller monitors these appraisals each year to verify compliance with the real-estate market parameters used in the valuation process, as described in the risk report section of the registration document.

On the basis of these rules, at 31 December 2014 the Compagnie de Financement Foncier's average LTV ratio on its mortgage portfolio was relatively stable at 73.6% vs. 72.6% at 31 December 2013.

C. Credit risk

Asset purchasing criteria by category

Although regulations require that a *société de crédit foncier* invest only in high quality assets, Compagnie de Financement Foncier sets up additional asset purchasing criteria for each asset category, so as to limit its exposure to credit risk. Compagnie de Financement Foncier will not, for example, buy commercial real estate assets. Compagnie de Financement Foncier selects the assets that it wishes to acquire based on their rating, probability of default, score at origination, expected loss and any hedging of assets, as well as yield curves. The assets that meet the Compagnie de Financement Foncier's criteria are then purchased at a price determined by the previous study.

Furthermore, Compagnie de Financement Foncier replacement values have very good external credit ratings. The minimum acceptable credit rating for each asset (except for intragroup assets and assets guaranteed by collateral) depends on the investment horizon and must meet the minimum rating criteria of each of the three major rating agencies, as shown below:

⁷ MRICS: Member accredited by the Royal Institution of Chartered Surveyors (RICS). The RICS is a professional organisation whose mission is to regulate and promote the real estate profession

	Standard & Poor's	Moody's	Fitch
From 0 to 59 days	ST: A1	ST: P1	ST: F1
From 60 days to 6 months	ST: A1+	ST: P1; LT: Aa3	ST: F1; LT: AA-
More than 6 months	LT: AAA	LT: Aaa	LT: AAA

Limiting market counterparty risk

Crédit Foncier group's risk policy specifies per market counterparty risk limits and Compagnie de Financement Foncier observes these limits in its decision process.

For its hedging transactions and the Company executes a framework agreement with each of its counterparties, with asymmetrical collateralisation and other specific terms set forth in an appendix to this agreement.

Each counterparty agrees to pay Compagnie de Financement Foncier on a daily basis (or on a weekly basis for some of them) depending on the counterparty's rating a security deposit equal to its net debt position, without reciprocity from Compagnie de Financement Foncier.

D. Managing balance sheet risks

Managing interest rate risk

Compagnie de Financement Foncier is committed to keeping its interest rate gaps within the specific limits set for each period and to correct any excess observed by the following quarter:

Interest rate gap observation period	Maximum interest rate gap as a % of projected balance sheet
Less than 2 years	2%
2 - 5 years	3%
5 - 10 years	5%
More than 10 years	10%

Liquidity risk hedging

Beyond the legislative constraints requiring that sociétés de crédit foncier ensure that, at all times, all of their cash flows are hedged for a period of 180 days, Compagnie de Financement Foncier has its own additional strict rules. These rules guarantee that it always maintains enough liquidity to honour its privileged liability commitments with no need for new resources for one year in a run-off scenario (i.e. with no new activity).

The high quality of its eligible securities and receivables enables Compagnie de Financement Foncier to have an immediate access to significant amounts of funding from central banks, such as the ECB.

Thus, the Company's cash position is sufficient at any given time to meet the contractual payments on its privileged debt over the coming twelve months.

In accordance with regulatory provisions, Compagnie de Financement Foncier limits the difference between the duration of its total assets and its total liabilities. At 31 December 2014, the asset duration was 7.3 years and the liability duration was 7.5 years.

As from 2015, this limit will no longer be calculated with duration but with the average maturity of assets and liabilities. The maximum difference will still be limited to 2 years.

No foreign exchange risk

Compagnie de Financement Foncier prohibits any open foreign exchange positions. As such, all asset purchases or refinancing transactions that are not denominated in euros are systematically hedged against foreign exchange risk.

In practice, Compagnie de Financement Foncier limits its residual foreign exchange positions to €3 million by currency with a €5 million cap for all currencies.

RELATIONSHIP BETWEEN COMPAGNIE DE FINANCEMENT FONCIER AND CRÉDIT FONCIER DE FRANCE

As stipulated by law, Compagnie de Financement Foncier draws on the technical and human resources of its parent company under agreements binding the two companies; these agreements, which are regulated as defined by Article L. 225-38 of the French *Code de commerce*, cover all of the Company's activities.

The general principles applied in preparing these agreements are described below.

The texts as drafted taking into account the special nature of the relationship between Crédit Foncier de France and its subsidiary Compagnie de Financement Foncier.

Seventeen agreements have been signed by Crédit Foncier de France and Compagnie de Financement Foncier, namely:

- a framework agreement, setting forth the general principles;
 - an agreement for loan assignments;
 - an agreement for loan servicing and recovery;
 - an agreement governing financial services;
 - an asset/liability management (ALM) agreement;
 - an administrative and accounting management agreement;
 - a service agreement on internal control and compliance;
 - an agreement related to the implementation of information technology services;
 - an agreement concerning human resources;
 - an agreement concerning compensation for services;
 - an agreement related to settlement bank services;
 - a guarantee agreement for adjustable-rate loans;
 - a guarantee and compensation agreement;
 - a paying agent agreement;
 - an agreement regarding deeply subordinated notes (transformation of participation loans);
 - an agreement related to redeemable subordinated notes;
 - an agreement relating to the assignment of mortgage ranking/priority;
- and two agreements between Crédit Foncier de France, Compagnie de Financement Foncier and a third-party:
- an agreement relating to management and recovery of loans subsidised by the French State;
 - the renewal of the broker agreement (with BPCE, Caisses d'Épargne and Crédit Foncier de France);

Apart from its company Directors, Compagnie de Financement Foncier does not have any direct employees.

Information on groupe Crédit Foncier, to which Compagnie de Financement Foncier belongs

The principal business of Crédit Foncier de France is to grant mortgage loans to individuals and real estate professionals, grant loans to local authorities, provide structured financing and to issue bonds to finance these loans.

From its creation in 1852 and until 1999, Crédit Foncier de France held the special status as a *société de crédit foncier* and as such, issuing *obligations foncières*.

Acting as a key player in the specialised real estate financing market and responsible for distributing French state subsidised loans, following the real estate crisis in the 1990's and the abolition of subsidised loans, in 1999 Crédit Foncier de France joined the private sector after its 90% acquisition by the Groupe Caisse d'Épargne.

In the legal context governing this acquisition, the Parliament created a specific new status for *sociétés de crédit foncier*. Compagnie de Financement Foncier was then founded and authorised as a *société de crédit foncier* by the *Comité des Etablissements de Crédit et des Entreprises d'Investissements* ("CECEI"). Crédit Foncier de France transferred all its property commitments and pledged assets to Compagnie de Financement Foncier pursuant to Article 110 of law 99-532 from 25 June 1999.

After having been affiliated with the Groupe Caisse d'Épargne between 1999 and 2009, Crédit Foncier de France became affiliated in 2009 to Groupe BPCE, which resulted from the merger of Caisses d'Épargne and Banques Populaire networks. Since 5 August 2010, Crédit Foncier de France has been fully owned by the Central body of BPCE.

The increase of its activities led Crédit Foncier de France to become a major player in financing real estate and French local authorities.

Key events of Crédit Foncier group

Key features of the year 2013:

Compagnie de Financement Foncier experienced important balance sheet movements during the financial year in order to comply with the medium term plan of Credit Foncier de France, the implementation of the prudential and regulatory framework specific to credit companies and the compliance with rating agencies methodologies. Its activity mainly consist of:

- the acquisition of loans granted by Crédit Foncier de France and to a lesser extent by the Groupe BPCE;
- the reduction of international exposure;
- the disposal of all securitisation parts;
- the restructuring of its derivatives portfolio.

Acquisitions

Over the year, Compagnie de Financement Foncier has acquired from its parent company mortgage loans granted to individuals and loans to French local authorities, for an aggregate amount of €7 billion.

Investments in mortgage-backed securities, for a net amount of €5 billion, divided between:

- €6 billion of direct purchases, split as follows: €4.2 billion with a French State guarantee *via* the FGAS, €1.2 billion of other loans facilitating access to home ownership and €0.5 billion in rental loans;
- €1 billion *via* the buyback of mortgage notes issued by Crédit Foncier de France and guaranteed by securities with the same characteristics as those held directly.

Facilities to territorial authorities granted by Crédit Foncier de France have been mobilised *via* Compagnie de Financement Foncier in application of Article L. 211-38 of the French *Code monétaire et financier* for an amount of €2 billion.

At the end of the year, Compagnie de Financement Foncier proceeded to the first refinancing operations of a part of Groupe BPCE's outstanding loans to local authorities for which a growing business volume is expected in 2014; three Caisses d'Épargne and one Banque Populaire assigned or mobilized receivables to it for €0.2 billion.

Disposals

In accordance with the decisions of Crédit Foncier group to reduce its balance sheet so in order to comply with forthcoming Basel III requirements and to limit international exposure, Compagnie de Financement Foncier has continued and accelerated its assets disposal operations started in 2011.

On the one hand, Compagnie de Financement Foncier has sold its entire securitisation portfolio which represented approximately €12 billion at the start of the financial year that enabled it to maintain the eligibility of its *obligations foncières* issuances to the Eurosystem refinancing operations. On 28 November 2012, the ECB has changed the covered bonds eligibility rules, by excluding issuers holding any kind of external securitisation (RMBS or Public sector ABS) in their balance sheet, within a grandfathering until 28 November 2014.

The liquidation of the portfolio was carried out via market sales throughout the year for an amount of €3.6 billion and transfers to Crédit Foncier de France amounting to €7.7 billion through a guarantee agreement entered between both companies. At the beginning in 2008, the buyback commitment taken on by Crédit Foncier de France only related to RMBS with a strong risk of rating downgrade; it was then extended to all securitisations targeted by the ECB decision. Accordingly, on 20 December 2013, all remaining securitisations for an outstanding amount of €7.3 billion were transferred at carrying amount to Crédit Foncier de France.

On the other hand, Compagnie de Financement Foncier continued and intensified the sale of international securities started in 2011, by €0.9 billion:

- essentially securities issued by American territorial authorities (€0.7 billion) and,
- Slovak and Czech sovereign debts (€0.2 billion).

Crédit Foncier group achieved in 2013 the goals outlined in its strategic plan 2012-2016 on international assets disposals; regarding the residual portfolio structure of international assets, the run-off is mainly effected by amortisation.

Compagnie de Financement Foncier also sold a number of assets which did not comply with the criteria set out in EU regulation No. 575/2013 of 26 June 2013 which, in Article 129, defines the feature of authorized investments for covered bonds issuers in order to enable its issuances to receive favorable prudential treatment provided in this article. After an exhaustive review of Compagnie de Financement Foncier's assets regarding this new text, only few outstandings were non-compliant and have been sold on the market or to Crédit Foncier de France; for a total of €0.2 billion.

In line with these assets disposals and in order to, on the one hand, preserve the balance between assets and liabilities and, on the other hand, limit the impact on the income statement, Compagnie de Financement Foncier bought back €1.3 billion of *obligations foncières* it had previously issued and cancelled them.

Restructuring of the derivatives portfolio

Since 2011, in the context of the implementation of the EMIR directive and tighter rating agencies methodologies, Compagnie de Financement Foncier is engaged in a major restructuring programme in order to reduce its swaps portfolio, without changing the interest rate and foreign exchange terms on its balance sheet.

During the year, four transactions for a notional amount of €30.4 billion were realised, i.e. 639 swaps cancelled with 11 counterparties, leading to a net balance of €340 million. These transactions are neutral with respect to Compagnie de Financement Foncier's net income; the termination balances are spread in accounting terms over the remaining life of the balance sheet items that were covered by these derivatives.

Funding of acquisitions and cash management

Taking into account the importance of the disposals, the market funding needs were lower in 2013 than during previous financial years.

Compagnie de Financement Foncier issued €3.5 billion of obligations foncières in 2013:

- €1.25 billion of public issuances with an average maturity of 9 years, by increasing existing lines. During January, Compagnie de Financement Foncier tapped for €0.75 billion its bond issue maturing in 2022, a transaction authorized by the Specific Controller, who controls the compliance with prudential regulations for all transactions exceeding €0.5 billion;
- €2.25 billion of private placements with an average maturity of 17 years (or 15 years if all call/put options are exercised from their next contractual exercise date).

Except of a small issuance in Norwegian Krone, all 2013 issuances were denominated in euros; the geographical issuance breakdown shows a strong demand from French (41%) and German (36%) investors, with the remainder distributed over other European countries, including Scandinavia (7%) and Asia (2%).

Compagnie de Financement Foncier's cash resources are either invested in replacement values, essentially in two-month loans to the Groupe BPCE guaranteed by an asset cover pool in application of Article L. 211-38, or placed or deposited with the *Banque de France*.

At the end of 2013, cash and cash equivalents amounted to €18.4 billion, of which €11.4 billion with the *Banque de France* and €6.6 billion with BPCE guaranteed by a portfolio of €7.3 billion, basically mortgages loans and loans to French authorities which amounted to €17.0 billion at the end of 2012. This significant cash position was established to anticipate important repayments of *obligations foncières* at the beginning of 2014 amounting to €5.7 billion for the 1st quarter, of which €4.4 billion in January.

Key features of the year 2014:

Acquisitions and disposals

In 2014, Compagnie de Financement Foncier's activity was very intense, purchasing €15 billion in mortgage loans and receivables as well as Public Sector loans originated by Groupe BPCE, the deleveraging targets (reduction of balance sheet through disposal of international assets) having been mainly realised over the two previous financial years.

In accordance with the strategic guidelines of Crédit Foncier de France and of Groupe BPCE's plan "Growing differently", Compagnie de Financement Foncier refinanced:

- €6 billion in mortgage loans granted by Crédit Foncier de France to its private individual customers, half of which were also guaranteed by the French State *via* the FGAS;
- €5 billion in facilities granted by Crédit Foncier de France to local authorities through mobilisation under Article L.211-38 of the French *Code monétaire et financier*;
- €4 billion in Public Sector loans previously granted by different entities of Groupe BPCE. Twelve Banques Populaires or Caisses d'Epargne have refinanced part of their portfolio through direct disposals or mobilisation under Article L.211-38 directly to Compagnie de Financement Foncier.

All these investments are located in France, excluding mortgage loans granted in Belgium by Crédit Foncier de France and mobilised with Compagnie de Financement Foncier for €0.4 billion.

To facilitate the Group's funding while managing the size of its balance sheet, Compagnie de Financement Foncier transferred €0.7 billion in mortgage loans to the CFHL-1 2014 securitisation fund. The other disposals concerned a small number of International Public Sector assets limited to €0.1 billion.

Funding and cash management

In parallel, Compagnie de Financement Foncier issued €6.1 billion in *obligations foncières*, broken down as follows:

- €4.6 billion through public issuances, essentially with four new benchmark issuances: two of €1 billion at 10-years, one of €1 billion at 5-years and one of €1.5 billion at 7 years; These four transactions were authorised by the Specific Controller responsible for verifying compliance with prudential regulations for any issuance

above €0.5 billion or its equivalent in foreign currencies;

- €1.5 billion through private placements with longer maturity (23 years average maturity or 19 years if all call/put options are exercised at their next contractual exercise date).

With the exception of small-sized issuances in Swiss francs, 2014 issuances were all denominated in euros. In 2014, as it was the case in 2013, German investors were the most active investors in Compagnie de Financement Foncier's issuances, as well as a strengthened presence of central banks, especially from Asia.

In order to create momentum for its securities on the secondary market, Compagnie de Financement Foncier also bought back and then cancelled its own *obligations foncières* for a total amount of €348 million.

In terms of cash, the main change affected the deposits placed with the Banque de France, which decreased from €11.4 billion at the end of 2013 to €1.2 billion at end-2014. Substantial amounts of cash resources had in fact been built up in 2013 relating to the disposal of the ABS portfolio in order to comply with new eligibility rules of covered bonds for ECB refinancing operations of 28 November 2012. Cash was primarily used to meet the repayments of *obligations foncières* maturing in the first quarter for close to €6 billion.

In addition, Compagnie de Financement Foncier transferred a portion of its international securities portfolio to its parent company under repurchase agreements, representing €2 billion in additional cash resources.

This cash plus the proceeds of issuances allowed the realisation of a significant investment programme during the year.

Restructuring of the derivatives portfolio

Since 2011, in the context of the implementation of the EMIR directive and tighter rating agencies methodologies, Compagnie de Financement Foncier has been engaged in a major restructuring programme in order to reduce its derivatives portfolio, without changing the nature of the interest rate and foreign exchange terms of its balance sheet.

In July, an intragroup derivatives compression operation was realised with Crédit Foncier; which involved 34 lines for a notional amount of €4.3 billion resulting in the payment of a net termination balance of €7.2 million. These transactions are neutral with respect to Compagnie de Financement Foncier's net income; the termination balances are spread for accounting purposes over the remaining life of the balance sheet items that were hedged by these derivatives.

The legal documentation was brought into compliance with the criteria established by the rating agencies, followed by the restructuring of contracts entered into with a number of active external counterparties. This review of major contracts led to a reduction of non-compliant swaps with S&P methodology below 5% of the privileged liabilities as defined in the commitments set out on 9 January 2013

Specialised subsidiary within a large group

Compagnie de Financement Foncier is a credit institution licensed as an *établissement de crédit spécialisé* and *société de crédit foncier*. As a wholly-owned subsidiary of Crédit Foncier de France (A-/A2/A), and as an affiliate of BPCE (A negative outlook/A2/A), the company's sole purpose is to finance the mortgage and public-sector lending activities of both its parent company and Groupe BPCE as a whole, through the issuance of *obligations foncières*.

New draft:

“The Company is administered by a Board of Directors comprised of at least three and at most eighteen members, selected among the shareholders and appointed by the Ordinary General Meeting.

.../...”

The following is a press release of Compagnie de Financement Foncier dated 17 June 2015:

“Compagnie de Financement Foncier sold its exposure to Heta Asset Resolution AG.

Compagnie de Financement Foncier sold all its exposure to Heta Asset Resolution AG. This exposure represented a €260 million nominal amount and was covered by a provision recorded in the company’s annual financial statements as at December 31, 2014. This provision will be partially written back in the 2015 half-year financial statements. Compagnie de Financement Foncier no longer holds any exposure to Austria.”

TAXATION

EU DIRECTIVE ON THE TAXATION OF SAVINGS INCOME

The following is a summary limited to certain tax considerations applicable under the laws of the European Union relating to the Notes that may be issued under the Programme. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

On 3 June 2003, the European Council of Economic and Finance Ministers adopted the Directive 2003/48/EC on the taxation of savings income (the “Savings **Directive**”). Pursuant to the Savings Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, *inter alia*, details of payments of interest within the meaning of the Savings Directive (interests, premiums or other debt income) made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State or to so-called residual entities established in that other Member State (the “**Disclosure of Information Method**”).

For these purposes, the term “paying agent” is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Savings Directive, for the immediate benefit of the beneficial owner.

However, throughout a transitional period, Austria, instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner of such payment elects for the Disclosure of Information Method, withholds an amount on interest payments. Luxembourg operated such a withholding system until 31 December 2014, but the Luxembourg government has elected out of the withholding system with effect from 1 January 2015, in favour of the Disclosure of Information Method under the Savings Directive. The current withholding tax rate is 35 per cent.

A number of non-EU countries and dependent or associated territories have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005.

On 24 March 2014, the Council of the European Union adopted a directive amending the Savings Directive (the “**Amending Directive**”), which when implemented, will amend and broaden the scope of the requirements described above. In particular, the amending directive aims at extending the scope of the Savings Directive to new types of savings income and products that generate interest or equivalent income. In addition, tax authorities will be required in certain circumstances to take steps to identify the beneficial owner of interest payments (through a look through approach). The EU Member States will have until 1 January 2016 to adopt the national legislation necessary to comply with this amending directive and are required to apply such legislation as from 1 January 2017.

However, the European Commission has proposed the repeal of the Savings Directive from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other Member States (subject to on-going requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates). This is to prevent overlap between the Savings Directive and a new automatic exchange of information regime to be implemented under Council Directive 2011/16/EU on Administrative Cooperation in the field of Taxation (as amended by Council Directive 2014/107/EU). The proposal also provides that, if it proceeds, Member States will not be required to apply the new requirements of the Amending Directive.

Investors should inform themselves of, and where appropriate take advice on, the impact of the Savings Directive and the amending directive on their investment.

LUXEMBOURG - TAXATION

The following is a summary limited to certain tax considerations in Luxembourg relating to the Notes that may be issued under the Programme and specifically contains information on taxes on the income from the securities withheld at source. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

Withholding tax

Under Luxembourg tax law currently in effect and subject to certain exceptions (as described below) there is no Luxembourg withholding tax on payments of interest, including accrued but unpaid interest.

In accordance with the law of 25 November 2014, Luxembourg elected out of the withholding tax system in favour of an automatic exchange of information under the Council Directive 2033/48/EC on the taxation of savings income as from 1 January 2015. Payments of interest by Luxembourg paying agents to non resident individual holders of the Notes and to certain residual entities are thus no longer subject to any Luxembourg withholding tax.

In accordance with the law of 23 December 2005, as amended, interest payments made by Luxembourg paying agents to Luxembourg individual residents and to certain residual entities are subject to a 10 per cent. withholding tax. Responsibility for withholding such tax will be assumed by the Luxembourg paying agent.

FRANCE – TAXATION

The following is a summary limited to certain withholding tax considerations in France that may be relevant to holders or beneficial owners of Notes issued under the Programme who do not currently hold shares of the Issuer. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

The Savings Directive was implemented into French law under Article 242 *ter* of the French *Code général des impôts* and Articles 49 I *ter* to 49 I *sexies* of the Schedule III to the French *Code général des impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Notes issued as from 1 March 2010

Payments of interest and other revenues made by the Issuer with respect to Notes issued on or after 1 March 2010 (other than Notes (described below) which are assimilated (*assimilables* for the purpose of French Law) with Notes issued prior to 1 March 2010 benefitting from the exemption from the withholding tax of Article 131 *quater* of the French *Code général des impôts*) will not be subject to the withholding tax set out under Article 125 A III of the French *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code général des impôts* (a “**Non-Cooperative State**”). If such payments under the Notes are made in a Non-Cooperative State, a 75 % withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French *Code général des impôts*. Furthermore, according to Article 238 A of the French *Code général des impôts*, interest and other revenues on such Notes will not be deductible from the Issuer's taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State (subject to certain exceptions). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French *Code général des impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under

Article 119 *bis* of the French *Code général des impôts*, at a rate of 30% or 75% (subject to the more favourable provisions of any applicable double tax treaty).

Notwithstanding the foregoing, neither the 75 per cent. withholding tax set out under Article 125 A III of the French *Code général des impôts* nor, to the extent the relevant interest or other revenues relate to genuine transactions and are not in an abnormal or exaggerated amount, the non-deductibility set out under Article 238 A of the French *Code général des impôts* will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes were not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the French administrative guidelines (BOI-INT-DG-20-50-20140211, n°550 and 990, BOI-RPPM-RCM-30-10-20-40-20140211, n°70, BOI-IR-DOMIC-10-20-20-60-20150320, n°10 and BOI – ANNX – 000364 – 20120912–n°20), an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

(i) offered by means of a public offer within the meaning of Article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer other than in a Non-cooperative State. For this purpose, an “equivalent offer” means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or

(ii) admitted to trading on a French or foreign regulated market or multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or

(iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Notes issued before 1 March 2010 and Notes which are assimilated (*assimilables* for the purpose of French law) to Notes issued before 1 March 2010

Payments of interest and other revenues made by the Issuer with respect to (i) Notes issued (or deemed issued) outside France as provided under Article 131 *quater* of the French *Code général des impôts*, before 1 March 2010 and (ii) Notes issued on or after 1 March 2010 and which are assimilated to (*assimilables* for the purpose of French law) and form a single series with such Notes, will continue to be exempt from the withholding tax set out under Article 125 A III of the French *Code général des impôts*. Pursuant to the French tax administrative guidelines (BOI-RPPM-RCM-30-10-30-30-20140211), the exemption will also apply if the payments are made outside France in a Non Cooperative State within the meaning of Article 238-0 A of the French *Code général des impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of the French tax administrative guidelines (BOI-RPPM-RCM-30-10-30-30-20140211) , or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French *Code général des impôts*, in accordance with the aforementioned administrative guidelines.

In addition, interest and other revenues paid by the Issuer on Notes issued before 1 March 2010 (or Notes issued after 1 March 2010 and which are to be assimilated (*assimilables* for the purpose of French law) with such Notes) will be subject neither to the non-deductibility set out under Article 238 A of the French *Code général des impôts* nor to the withholding tax set out in Article 119 *bis* 2 of the French *Code général des impôts* solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Payments made to French tax resident individuals

Pursuant to Article 125 A of the French *Code général des impôts* subject to certain limited exceptions, interest and assimilated revenues received by individuals who are fiscally domiciled (domiciliés fiscalement) in France are subject to a 24 per cent. withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5 per cent. on interest and assimilated revenues paid to individuals who are fiscally domiciled (domiciliés fiscalement) in France.

FATCA WITHHOLDING

FATCA generally imposes a reporting regime and a 30% U.S. withholding tax regime with respect to (a) certain U.S. source income (including interest and dividends) and gross proceeds from the sale or other disposition of property that can produce U.S. source interest or dividends (“**Withholdable Payments**”) and (b) “**Passthru Payments**” (generally Withholdable Payments and payments that are attributable to Withholdable Payments made by certain non-U.S. financial institutions). Under FATCA, if a non-U.S. financial institution enters into an agreement (a “**FATCA Agreement**”) with the IRS in order to avoid being subject to FATCA withholding pursuant to which it agrees to report to the IRS information regarding its U.S. holders (as defined under FATCA) and to comply with other reporting, verification, due diligence and other procedures established by the IRS, such non-U.S. financial institution may be required, unless an applicable exception applies, to withhold 30% U.S. tax on (a) payments of certain U.S. source income, including interest and dividends, whenever made, (b) gross proceeds from the sale or other disposition of property that can produce U.S. source interest or dividends made after 1 January 2017, and (c) a portion of payments which are treated as foreign Passthru Payments made on or after 1 January 2017, to holders of Notes that fail to provide certain information to such non-U.S. financial institution and to non-US financial institutions that have not entered into a FATCA Agreement with the IRS (and are not otherwise exempt).

Notes (other than Notes that are classified as equity for U.S. federal income tax purposes) issued on or before the date that is six months after the date on which final U.S. Treasury regulations defining the term “foreign passthru payment” are filed with the U.S. Federal Register (the “**Grandfathering Date**”) are not subject to the above mentioned withholding in respect of Passthru Payments, absent any modification that causes the Notes to be treated as having been reissued after the Grandfathering Date. As of the date of this Base Prospectus, final U.S. Treasury regulations defining the term “foreign passthru payment” have not been filed with the U.S. Federal Register. If the Issuer issues further Notes after the Grandfathering Date of a series that was originally issued on or before the Grandfathering Date, payments on such further Notes may be subject to withholding under FATCA and, should the originally issued Notes of that Series and the further Notes be indistinguishable (as would likely be the case in such a “tap” issue), such payments on the originally issued Notes may also become subject to withholding under FATCA, unless such further Notes are issued pursuant to a “qualified reopening” for U.S. federal income tax purposes.

The United States has concluded several intergovernmental agreements (“**IGAs**”) with other jurisdictions in respect of FATCA. The governments of France and the United States signed an IGA based on a Model 1 IGA (the “**French IGA**”). Under the French IGA, an entity classified as a “Financial Institution” that is treated as resident in France is expected to provide the French tax authorities with certain information on U.S. holders of its securities. Information on U.S. holders will be automatically exchanged with the IRS. The Issuer expects to be treated as a “Financial Institution” for purposes of the French IGA and provided it complies with the requirements of the French IGA and the French legislation implementing the French IGA, it should not be subject to FATCA withholding on any payments it receives and it does not expect to be required to withhold under FATCA on payments it makes on securities such as the Notes. The application of FATCA to interest, principal or other amounts paid on or with respect to the Notes is not currently clear. Additionally, FATCA

withholding could apply in respect of any payments made with respect to the Notes by any paying agent or other custodian or intermediary.

If an amount in respect of U.S. withholding tax were to be deducted or withheld from interest, principal or other payments on the Notes as a result of FATCA, none of the Issuer, any paying agent or any other person would, pursuant to the Terms and Conditions of the Notes be required to pay additional amounts as a result of the deduction or withholding. As a result, investors may receive less interest or principal than expected.

FATCA IS PARTICULARLY COMPLEX AND ITS APPLICATION TO THE ISSUER, THE NOTES AND THE HOLDERS IS SUBJECT TO CHANGE. EACH HOLDER OF NOTES SHOULD CONSULT ITS OWN TAX ADVISER TO OBTAIN A MORE DETAILED EXPLANATION OF FATCA AND TO LEARN HOW FATCA MIGHT AFFECT EACH HOLDER IN ITS PARTICULAR CIRCUMSTANCE.

SUBSCRIPTION AND SALE

Subject to the terms and the conditions contained in an amended and restated dealer agreement dated 26 June 2015 (the “**Amended and Restated Dealer Agreement**”) between the Issuer, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Amended and Restated Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuer has agreed to reimburse the Arranger for its expenses incurred in connection with the update of the Programme and the Dealers for certain of their activities in connection with the Programme. The commissions in respect of an issue of Notes having a Specified Denomination of less than Euro 100,000 will be stated in the relevant Final Terms.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Amended and Restated Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented and agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the final terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “**Public Offer**”), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Public Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such final terms and the Issuer has consented in writing to its use for the purpose of that Public Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive ;
- (c) at any time to fewer than 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive, or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information

on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression “**Prospectus Directive**” means Directive 2003/71/EC, as amended, and includes any relevant implementing measure in the Relevant Member State.

France

Each Dealer has represented and agreed that:

(a) Offer to the public in France

it has only made and will only make an offer of Notes to the public in France on or after the date of publication of the prospectus relating to those Notes approved by the *Autorité des marchés financiers* (the “**AMF**”), all in accordance with Articles L.412-1 and L.621-8 of the French *Code monétaire et financier* and the *Règlement général* of the AMF, and ending at the latest on the date which is 12 months after the date of the approval of the Base Prospectus; or

(b) Private Placement in France

it has not offered or sold and will not offer or sell, directly or indirectly, any Notes to the public in France and it has not distributed or caused to be distributed and will not distribute or cause to be distributed to the public in France, the Base Prospectus, the relevant Final Terms or any other offering material relating to the Notes and such offers, sales and distributions have been and will be made in France only to (a) persons providing investment services relating to portfolio management for the account of third parties (*personnes fournissant le service d’investissement de gestion de portefeuille pour compte de tiers*), and/or (b) qualified investors (*investisseurs qualifiés*) acting for their own account, as defined in, and in accordance with, Articles L.411-1, L.411-2 and D.411-1 of the French *Code monétaire et financier*.

United States

The Notes have not been and will not be registered under the U.S. Securities Act and include Materialised Notes having a maturity of more than one year that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or, in the case of Materialised Notes, delivered within the United States or to U.S. persons. Each Dealer has agreed that it will not offer, sell or deliver the Notes except as permitted by the Amended and Restated Dealer Agreement.

In addition, until 40 days after the commencement of the offering, an offer or sale of any identifiable Tranche of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

The relevant Final Terms or Supplement to the Prospectus will specify whether U.S. Treasury Regulations §1.163-(c)(2)(i)(C) (or any successor rules in substantially the same form that are applicable for purposes of Section 4701 of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”)) (the “**C Rules**”) or U.S. Treasury Regulations §1.163-5(c)(2)(i)(D) (or any successor rules in substantially the same form that are applicable for purposes of Section 4701 of the Code) (the “**D Rules**”) are applicable in relation to the issuance of a Tranche of the Notes unless such Tranche of the Notes is issued in circumstances in which the Notes will not constitute registration required obligations under the United States Tax Equity and Fiscal Responsibility Act of 1982 (“**TEFRA**”), which circumstances will be referred to in the applicable terms of such Notes as a transaction to which TEFRA is not applicable.

United Kingdom

Each Dealer has represented, warranted and agreed that:

- (i) in relation to any Notes which have a maturity of less than one year from the date of their issue, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding,

managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act 2000 (the “**FSMA**”) by the Issuer;

- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to such Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended) (the “**Financial Instruments and Exchange Act**”). Accordingly, each of the Dealers has represented, warranted and agreed that it has not, directly or indirectly, offered or sold and shall not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering or re-sale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and other relevant laws, ministerial guidelines and regulations of Japan.

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers following a change in a relevant law, regulation or directive. Any such modification will be set out in a Supplement to the Prospectus.

No action has been taken in any jurisdiction that would permit an offer to the public of any of the Notes, or possession or distribution of the Base Prospectus or any other offering material or any Final Terms, in any country or jurisdiction where action for that purpose is required.

Each Dealer has agreed that it will, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.

Each of the Dealers and the Issuer has represented and agreed that Materialised Notes may only be issued outside France.

4. RATINGS

Ratings: The Programme has been rated Aaa by Moody’s Investors Service (“**Moody’s**”) and AAA by Standard & Poor’s Ratings Services (“**S&P**”).

For Moody’s, Notes issued under the Programme are deemed to have the same rating as the Programme, investors are invited to check on a regular basis the rating assigned to the Programme which is publicly disclosed via Moody’s rating desk or moodys.com.

The Notes issued under the Programme will be rated

AAA by S&P¹² and AA by Fitch Ratings (“**Fitch**”)**.

[[Each of [S&P] [Moody’s] [and Fitch] is established in the European Union and registered under Regulation (EU) No 1060/2009 (as amended) (the “**CRA Regulation**”). As such, each of [S&P] [Moody’s] [and Fitch] is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with the CRA Regulation (www.esma.europa.eu/page/List-registered-and-certified-CRAs).]

(The above disclosure should reflect the rating allocated to Notes of the type being issued under the Programme generally or, where the issue has been specifically rated, that rating.)

5. [NOTIFICATION]

6. [INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE [ISSUE/OFFER]

Need to include a description of any interest, including conflicting ones, that is material to the issue/offer, detailing the persons involved and the nature of the interest. May be satisfied by the inclusion of the following statement:

["Save as discussed in ["Subscription and Sale"] so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer."]

[(When adding any other description, consideration should be given as to whether such matters described constitute “significant new factors” and consequently trigger the need for a supplement to the Prospectus under Article 16 of the Prospectus Directive.)]

7. REASONS FOR THE OFFER, ESTIMATED NET PROCEEDS AND TOTAL EXPENSES

[(i) Reasons for the offer:

[•]

(See "Use of Proceeds" wording in Base Prospectus – if reasons for offer different from making profit and/or hedging certain risks will need to include those reasons here.)]

[(ii)] Estimated net proceeds:

[•]

(If proceeds are intended for more than one use will need to split out and present in order of priority. If proceeds insufficient to fund all proposed uses state amount and sources of other funding.)

¹² An obligation rated “AAA” has the highest rating assigned by Standard & Poor’s Rating Services. The obligor capacity to meet its financial commitment on the obligation is extremely strong (source: Standard & Poor’s Ratings Services). A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency without notice.

** “AAA” ratings denote the lowest expectation of credit risk. They are assigned only in case of exceptionally strong capacity for timely payment of financial commitments. This capacity is highly unlikely to be adversely affected by foreseeable events (source: Fitch Ratings).

[(iii)] Estimated total expenses: **[•]** *[Include breakdown of expenses.]*
(If the Notes are derivative securities to which Annex 12 of the Prospectus Directive Regulation applies it is only necessary to include disclosure of net proceeds and total expenses at (ii) and (iii) above where disclosure is included at (i) above.)

GENERAL INFORMATION

1 AMF visa and admission to trading of the Notes issued under the Programme

This Base Prospectus has received visa n°15-311 from the AMF on 26 June 2015. Application has been made to list and admit the Notes to trading on Euronext Paris and/or on any other regulated market in a Member State of the EEA. At the same time, application has been made for the notification of a certificate of approval released to the *Commission de surveillance du secteur financier* in Luxembourg, both of approval and notification being made by the AMF in its capacity as competent authority under the Article 212-2 of its *Règlement Général* which implements the Prospectus Directive. In compliance with Article 18 of the Prospectus Directive, such notification may also be made at the Issuer's request to any other competent authority of any other Member State of the EEA.

2 Consents, approvals and authorisations in connection with the Programme

The Issuer has obtained all necessary consents, approvals and authorisations in the Republic of France in connection with the establishment of the Programme.

The establishment of the Programme was authorised by a decision of the Board of Directors (*Conseil d'administration*) of the Issuer passed on 21 March 2000.

On 14 December 2007, the Board of Directors (*Conseil d'administration*) of the Issuer has authorised the increase of the Programme Limit from Euro 75 billion to Euro 125 billion.

Any drawdown of Notes under the Programme, to the extent that such Notes constitute *obligations*, requires the prior authorisation of (i) the Board of Directors (*Conseil d'administration*) of the Issuer or (ii) the Ordinary General Meeting of the Issuer's shareholders if (a) the *statuts* of the Issuer so require or (b) such Ordinary General Meeting decides itself to exercise such authority.

Any drawdown of Notes, to the extent that such Notes do not constitute *obligations*, fall within the general powers of the *directeur général* or a *directeur général délégué* of the Issuer.

3 Rating of the Issuer

The Issuer's long-term credit rating is A-, A2 and A by Standard & Poor's, Moody's and Fitch, respectively.

4 Quarterly certification of the specific controller

It should be noted that the Programme Limit (Euro 125,000,000,000) defined in section "Summary of the Programme" is subject to quarterly certification of the specific controller.

5 No significant changes in the financial and trading position of the Issuer

Except as disclosed in this Base Prospectus, there has been no significant change in the financial or trading position of the Issuer since 31 December 2014.

6 No material adverse change

Except as disclosed in this Base Prospectus, there has been no material adverse change in the financial position or prospects of the Issuer since 31 December 2014.

7 Limitations under United States income tax laws

Each definitive Materialised Note, Coupon and Talon will bear the following legend: “Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code”.

8 Clearance and Trading of the Notes issued under the Programme

Dematerialised Notes will be inscribed in the books of Euroclear France (acting as central depository). Dematerialised Notes which are in registered form (*au nominatif*) are also inscribed either with the Issuer or with the registration agent.

The address of Euroclear France is 66, rue de la Victoire, 75009 Paris, France.

Notes have been accepted for clearance through Euroclear and Clearstream, Luxembourg which are entities in charge of keeping the records. The Common Code, the International Securities Identification Number (ISIN) and the identification number for any other relevant clearing system for each Series of Notes will be set out in the relevant Final Terms.

The address of Euroclear is 1 boulevard du Roi Albert II, 1210 Bruxelles, Belgium and the address of Clearstream, Luxembourg is 42 avenue John Fitzgerald Kennedy, L-1855 Luxembourg, Grand-Duchy of Luxembourg.

9 No governmental, legal or arbitration proceedings involving the Issuer

The Issuer is not involved in any governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Issuer is aware) during the 12 months preceding the date of this Base Prospectus which may have or have had in the recent past, significant effects on the financial position or profitability of the Issuer.

10 Availability of documents

For so long as Notes may be admitted to trading on Euronext Paris, the following documents will be available, during usual business hours on any weekday (Saturdays and public holidays excepted), at the office of the Fiscal Agent and the Paying Agents:

- (i) the Amended and Restated Agency Agreement;
- (ii) the *statuts* of the Issuer in both French and English;
- (iii) the annual accounts of the Issuer for the financial year ended 31 December 2013 and for the financial year ended 31 December 2014; and
- (iv) the latest quarterly borrowing programme of the Issuer and the specific controller’s certificate relating thereto which are usually delivered at the beginning of each quarter.

For so long as Notes may be admitted to trading on Euronext Paris, the following documents will be available, on the website of the AMF (www.amf-france.org):

- (i) the Final Terms for Notes that are listed and admitted to trading on Euronext Paris, and any other Regulated Market;
- (ii) this Base Prospectus together with any supplement to this Base Prospectus or further Base Prospectus; and
- (iii) the documents incorporated by reference in this Base Prospectus (excluding the 2005 EMTN Conditions).

The documents listed in paragraphs (ii) and (iii) above and the 2005 EMTN Conditions will be available on the website of the Issuer (www.foncier.fr).

Each time the Notes will be admitted to trading on Euronext Paris, the Notes will also be admitted to trading on the Regulated Market of the Luxembourg Stock Exchange. As a consequence, the Final Terms will be available in electronic form on the website of the Luxembourg Stock Exchange (www.bourse.lu).

11 Audited and unaudited financial information

The non-consolidated accounts of the Issuer are audited and are published on an annual basis. The Issuer also produces unaudited interim financial information.

12 Compliance with the legal over-collateralisation ratio

Pursuant to Article R. 513-16 IV of the French *Code monétaire et financier*, the specific controller certifies that the rule providing that the amount of eligible assets of the Issuer is greater than the amount of liabilities benefiting from the *Privilège* is satisfied on the basis of a quarterly borrowing programme and for any issue of *Obligations Foncières* in a principal amount equal to or above Euro 500 million or its equivalent in the currency of issue.

13 Auditors

PricewaterhouseCoopers Audit, 63, rue de Villiers, 92200 Neuilly sur Seine, France and KPMG Audit, Department of KPMG S.A., 1, Cours Valmy, 92923 La Défense Cedex, France (both entities regulated by the *Haut Conseil du Commissariat aux Comptes* and members of the *Compagnie régionale des Commissaires aux comptes de Versailles* and duly authorised as *Commissaires aux comptes*) have audited and rendered audit reports on the financial statements of the Issuer for the years ended 31 December 2013 and 31 December 2014.

14 Yield (Fixed Rate Notes only)

In relation to any Tranche of Fixed Notes, an indication of the yield in respect of such Notes will be specified in the applicable Final Terms. The yield is calculated at the Issue Date of the Notes on the basis of the relevant Issue Price. The yield indicated will be calculated as the yield to maturity as at the Issue Date of the Notes and will not be an indication of future yield.

15 Third Party Information

The Issuer confirms that the information sourced from a third party set out in this Base Prospectus has been accurately reproduced and that as far as the Issuer is aware and is able to ascertain from information published by that third party, no facts have been omitted which would render the reproduced information inaccurate or misleading.

PERSON RESPONSIBLE FOR THE INFORMATION GIVEN IN THE BASE PROSPECTUS

In the name of the Issuer

We declare, having taken all care to ensure that such is the case and to the best of our knowledge, that the information contained in this Base Prospectus is in accordance with the facts and that it contains no omission likely to affect its import.
