**PRIIPS REGULATION - PROHIBITION OF SALES TO EEA AND UK RETAIL INVESTORS** - The *Obligations Foncières* are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the "EEA") or in the United Kingdom (the "UK"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU of the European Parliament and of the Council dated 15 May 2014 on markets in financial instruments (as amended, "MiFID II"); or (ii) a customer within the meaning of Directive 2016/97/EU of the European Parliament and of the Council dated 20 January 2016 on insurance distribution, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 of the European Parliament and of the Council dated 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, as amended (the "Prospectus Regulation"). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPs Regulation") for offering or selling the *Obligations Foncières* or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the *Obligations Foncières* or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.

**MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET** – Solely for the purposes of the manufacturers' product approval process, the target market assessment in respect of the *Obligations Foncières*, taking into account the five (5) categories referred to in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the *Obligations Foncières* is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the *Obligations Foncières* to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the *Obligations Foncières* (a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the *Obligations Foncières* (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.
