CREDIT SUISSE

$283,000
Absolute Return Barrier Securities due March 29, 2022
Linked to the Performance of the Russell 2000® Index

- Investors will not receive any interest or dividend payments. The securities do not guarantee any return of principal at maturity.
- If the Final Level is greater than or equal to the Initial Level, investors will receive $1,000 for each $1,000 principal amount of securities plus a return based on the leveraged upside performance of the Underlying, subject to the Underlying Return Cap. If the Final Level is less than the Initial Level and a Knock-In Event has not occurred, investors will receive the principal amount of their securities multiplied by the sum of one plus the absolute value of the Underlying Performance. If the Final Level is less than the Initial Level and a Knock-In Event occurs, investors will lose 1% of their principal for each 1% decline in the level Underlying from the Initial Level to the Final Level. You could lose your entire investment.
- Senior unsecured obligations of Credit Suisse, maturing March 29, 2022. Any payment on the securities is subject to our ability to pay our obligations as they become due.
- Minimum purchase of $1,000. Minimum denominations of $1,000 and integral multiples of $1,000 in excess thereof.
- The offering price for the securities was determined on March 22, 2019 (the "Trade Date"), and the securities are expected to settle on March 29, 2019 (the "Settlement Date"). Delivery of the securities in book-entry form only will be made through The Depository Trust Company.
- The securities will not be listed on any exchange.

Investing in the securities involves a number of risks. See "Selected Risk Considerations" beginning on page 5 of this pricing supplement and "Risk Factors" beginning on page PS-3 of any accompanying product supplement.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of the securities or passed upon the accuracy or the adequacy of this pricing supplement or the accompanying underlying supplement, any product supplement, the prospectus supplement and the prospectus. Any representation to the contrary is a criminal offense.

	Price to Public(1)	Underwriting Discounts and Commissions(2)	Proceeds to Issuer
Per security	**$1,000**	**$25**	**$975**
Total	**$283,000**	**$7,075**	**$275,925**

(1) Certain fiduciary accounts may pay a purchase price of at least $975 per $1,000 principal amount of securities.

(2) We or one of our affiliates will pay discounts and commissions of up to $25 per $1,000 principal amount of securities, of which $4 may be paid to certain institutions or service providers on securities not sold to certain fiduciary accounts in consideration for providing education, structuring or other services with respect to the distribution of the securities. CSSU, the Agent for this offering, or another broker or dealer will forgo some or all discounts and commissions with respect to the sales of securities into certain fiduciary accounts. The Agent through whom we distribute securities may enter into arrangements with other institutions with respect to the distribution of the securities, and those institutions may share in the commissions, discounts or other compensation received by the Agent, may be compensated separately and may also receive commissions from purchasers for whom they may act as agents.

In addition, an affiliate of ours will pay referral fees of $4.50 per $1,000 principal amount of securities. For more detailed information, please see "Supplemental Plan of Distribution (Conflicts of Interest)" in this pricing supplement.

The agent for this offering, Credit Suisse Securities (USA) LLC ("CSSU" or the "Agent"), is our affiliate. For more information, see "Supplemental Plan of Distribution (Conflicts of Interest)" in this pricing supplement.

Credit Suisse currently estimates the value of each $1,000 principal amount of the securities on the Trade Date is $961.40 (as determined by reference to our pricing models and the rate we are currently paying to borrow funds through issuance of the securities (our "internal funding rate")). See "Selected Risk Considerations" in this pricing supplement.

The securities are not deposit liabilities and are not insured or guaranteed by the Federal Deposit Insurance Corporation or any other governmental agency of the United States, Switzerland or any other jurisdiction.

Key Terms

Issuer:	Credit Suisse AG ("Credit Suisse"), acting through its London branch
Underlying:	The securities are linked to the performance of the Underlying set forth in the table below. For more information on the Underlying, see "The Reference Indices—The FTSE Russell Indices—The Russell 2000® Index" in the accompanying underlying supplement. The Underlying is identified in the table below, together with its Bloomberg ticker symbol, Initial Level and Knock-In Level:

Underlying	Ticker	Initial Level	Knock-In Level
Russell 2000® Index	**RTY <Index>**	**1505.923**	**1204.7384 (80% of Initial Level)**

Redemption Amount:	At maturity, for each $1,000 principal amount of securities, you will receive a Redemption Amount in cash that will equal $1,000 multiplied by the sum of one plus the Underlying Return calculated as set forth below. Any payment on the securities is subject to our ability to pay our obligations as they become due.
Underlying Return:	The Underlying Return is expressed as a percentage and is calculated as follows: • If the Final Level is greater than or equal to the Initial Level, the lesser of (i) the Underlying Return Cap and (ii) the product of (a) the Upside Participation Rate and (b) the Underlying Performance. **If the Final Level is equal to or greater than the Initial Level, the maximum Redemption Amount is $1,300 per $1,000 principal amount.** • If the Final Level is less than the Initial Level, and: • if a Knock-In Event has not occurred, the **absolute value** of the Underlying Performance. **If the Final Level is less than the Initial Level but a Knock-In Event has not occurred, the maximum Redemption Amount is $1,200 for every $1,000 principal amount of the securities.** • if a Knock-In Event has occurred, the Underlying Performance. **In this case, the Redemption Amount will be less than $800, and may be zero. You could lose your entire investment.** Any payment on the securities is subject to our ability to pay our obligations as they become due.
Underlying Return Cap:	30%
Underlying Performance:	The Underlying Performance is expressed as a percentage and is calculated as follows: $\frac{\text{Final Level} - \text{Initial Level}}{\text{Initial Level}}$
Upside Participation Rate:	125%
Knock-In Event:	A Knock-In Event will occur if the Final Level is less than the Knock-In Level.
Initial Level:	The closing level of the Underlying on the Trade Date, as set forth in the table above.
Final Level:	The closing level of the Underlying on the Valuation Date.
Valuation Date:	March 22, 2022, subject to postponement as set forth in any accompanying product supplement under "Description of the Securities—Postponement of calculation dates."
Maturity Date:	March 29, 2022, subject to postponement as set forth in any accompanying product supplement under "Description of the Securities—Postponement of calculation dates." If the Maturity Date is not a business day, the Redemption Amount will be payable on the first following business day, unless that business day falls in the next calendar month, in which case payment will be made on the first preceding business day.

You should consult your investment, legal, tax, accounting and other advisors before deciding to invest in the securities.

Prohibition of Sales to EEA Retail Investors

The securities may not be offered, sold or otherwise made available to any retail investor in the European Economic Area. For the purposes of this provision:

(a) the expression “retail investor” means a person who is one (or more) of the following:

(i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “MiFID II”); or

(ii) a customer within the meaning of Directive 2002/92/EC, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or

(iii) not a qualified investor as defined in Directive 2003/71/EC; and

(b) the expression “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the securities offered so as to enable an investor to decide to purchase or subscribe the securities.
