The net proceeds from the sale of the Notes will be included in the ordinary capital resources of the Bank and, will not be committed or earmarked for lending to, or financing of, any specific loans, projects or programs. The Bank, in partnership with its member countries, works to reduce poverty and inequalities in Latin America and the Caribbean by promoting economic and social development in a sustainable, climate friendly way.

The Bank’s strategic priorities include social inclusion and equality, productivity and innovation and economic integration along with three cross-cutting issues: gender equality and diversity, climate change and environmental sustainability, and institutional capacity and the rule of law.
