8. Other Address at which Bank
Information Available: None

GENERAL INFORMATION

The Bank's most recent Information Statement was issued on September 15, 2000.

Supplemental Prospectus Information

The Prospectus is hereby supplemented with the following information, which shall be deemed to be incorporated in, and to form part of, the Prospectus.

Recent Developments

Effective March 1, 2001, the Bank has placed all of its loans to, or guaranteed by, the Republic of Côte d'Ivoire in non-accrual status. As of this date, the principal amount outstanding on Bank loans to the Republic of Côte d'Ivoire was approximately US\$592 million, or 0.5 percent of the Bank's total outstanding loans, and overdue payments totaled US\$74.9 million. As a result of the Republic of Côte d'Ivoire's loans entering non-accrual status, the Bank increased its loan loss provisions with respect to these loans by US\$146.5 million. That action, together with a charge of approximately US\$45 million for interest payments and charges not received, will reduce the Bank's net income for FY2001 by approximately US\$191.5 million. The Bank's net income for the fiscal year ended June 30, 2000 was US\$2 billion.
