In connection with any such transfer to the DTC for deposit or for deposit in such other institutional trading system, no further documents, certifications or other evidence need be supplied to the Fiscal Agent in respect thereof. In connection with any such transfer out of Euroclear, Clearstream, Luxembourg or such other institutional trading system, the Fiscal Agent shall receive such documents, certifications or other evidence from the transferor or transferee as are specified in such written notice.
- (iv) If so directed by the Issuer, the Fiscal Agent shall register the transfer of the Registered Notes, from or through any dealer, placement agent or other person specified by the Issuer which has agreed in writing to offer, sell and effect transfers of Registered Notes only (i) to a prospective purchaser who is such dealer, placement agent or other person has reasonable grounds to believe and does believe is a QIB; or (ii) in an offshore transaction in accordance with Rule 903 or 904 of Regulation S. No further documents, certifications or other evidence need be supplied in respect of any such transfer.
- (v) With respect to any requested transfer of a Registered Note not provided for in clauses (i) through (iv) above, the Fiscal Agent shall not register such transfer except upon the order of the Issuer signed by or on behalf of the Issuer by an authorised officer or a duly appointed attorney-in-fact of the Issuer and then only pursuant to any additional procedures as the Issuer may establish and against surrender of such Registered Note. Such additional procedures may include, without limitation, (x) delivery by the transferor or the proposed transferee of an opinion of counsel reasonably satisfactory to the Issuer to the effect that such transfer may be effected without registration under the Securities Act and (y) the delivery by the proposed transferee of representation letters in form and substance reasonably satisfactory to the Issuer to ensure compliance with the provisions of the Securities Act. It is understood that the issuance of such order by the Issuer shall be in the sole and absolute discretion of the Issuer.
- (vi) Upon receipt of the duly completed Registered Note and any required instruments of transfer, transfer notices or other written statements or documents as described above, the Fiscal Agent shall cancel such Registered Note and register the transfer and complete, authenticate and deliver in the name of the designated transferee or transferees, one or more new Registered Notes of authorised denominations in the principal amount specified on such Registered Note.
- (vii) The Fiscal Agent shall have no liability whatsoever to any party so long as it registers the transfer in accordance with the instructions described herein.

All Registered Notes issued upon any transfer or exchange of Registered Notes shall be valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under the Agency Agreement as the Registered Notes surrendered upon such transfer or exchange. Each Registered Note authenticated and delivered upon any transfer or exchange for or in lieu of the whole or any part of any Registered Note shall carry all the rights to interest (if any) and additional amounts (if any) in each case accrued and unpaid and to accrue, which were carried by the whole or such part, as the case may be, of such Registered Note.

The Issuer or Fiscal Agent may decline to exchange or register the transfer of any Registered Note during the period of 15 days preceding (i) the due date for any payment of principal of or interest on or additional

amounts with respect to the Registered Notes; (ii) the date on which Registered Notes are scheduled for redemption pursuant to Condition 6 (*Redemption and Purchase*) or (iii) if required by the Fiscal Agent, the relevant date on which Registered Notes are scheduled for interest cancellation under Condition 5(7) or for Automatic Conversion under Condition 7 (*Loss Absorption Mechanism*).

Transfer, registration and exchange shall be permitted and executed as provided in this Condition 3(c) (*Transfer of Registered Notes*) without any charge to the Holder other than any taxes or governmental charges payable on transfers or any expenses of delivery by other than regular mail, but subject to such reasonable regulations as the Issuer and the Fiscal Agent may prescribe. Registration of the transfer of a Registered Note by the Fiscal Agent shall be deemed to be the acknowledgment of such transfer on behalf of the Issuer.

Upon the transfer, exchange or replacement of Registered Notes not bearing the Rule 144A Legend (as defined herein), the Fiscal Agent shall deliver Registered Notes that do not bear the Rule 144A Legend. Upon the transfer, exchange or replacement of Registered Notes bearing the Rule 144A Legend, the Fiscal Agent shall deliver only Registered Notes that bear the Rule 144A Legend unless the circumstances contemplated by Condition 3(c)(i)(y) (*Transfer of Registered Notes*) above exist.

(d) **Rule 144A Legend**

Upon the transfer, exchange or replacement of the Registered Notes bearing the private placement legend (the “**Rule 144A Legend**”) for the purpose of Rule 144A under the Securities Act set forth in the form of the Registered Note scheduled to the Agency Agreement, the Fiscal Agent shall deliver only Additional Tier 1 Conversion Notes that also bear such legend unless there is delivered to the Issuer and to the Fiscal Agent such satisfactory evidence, which may include an opinion, reasonably satisfactory to the Issuer, of counsel experienced in giving opinions with respect to questions arising under the securities laws of the United States, that neither the Rule 144A Legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A, Rule 144 or Regulation S under the Securities Act or that such Additional Tier 1 Conversion Notes are not “restricted securities” within the meaning of Rule 144 under the Securities Act. The Issuer covenants and agrees that it will not acquire any beneficial interest, and will cause its Banking Affiliates not to acquire any beneficial interest, in any Registered Note bearing the Rule 144A Legend unless it notifies the Fiscal Agent in writing of such acquisition. The Fiscal Agent and all Noteholders will be entitled to rely without further investigation on any such notification (or lack thereof). “**Banking Affiliate**” means for the purpose of this Condition 3(d) any entity controlled, directly or indirectly, by the Issuer, any entity that controls the Issuer, directly or indirectly, or any entity under common control with the Issuer, and which is in each case, a credit institution whose business is to receive deposits or other repayable funds from the public and to grant credits for its own account. For this purpose “control” of the Issuer or any entity means ownership of a majority of the voting power of the Issuer or such entity

4. Status

The Additional Tier 1 Conversion Notes are not, and will not be, secured and are the obligations of the Issuer and not guaranteed by any other entity.

Ranking

Unless previously converted into Conversion Shares pursuant to Condition 7 (*Loss Absorption Mechanism*), and subject as provided below, the Additional Tier 1 Conversion Notes issued pursuant to these Conditions (the “**Additional Tier 1 Conversion Notes**”) constitute and will constitute unsecured, subordinated obligations of the Issuer.

In the event of the voluntary or involuntary liquidation or bankruptcy of the Issuer, the rights and claims (if any) of the Holders of any Additional Tier 1 Conversion Notes to payments in respect of the Additional Tier 1 Conversion Notes (including any principal, any accrued and uncanceled interest or damages awarded for breach of any obligations under these Conditions, if any are payable), will rank:

- (i) *pari passu* without any preference among the Additional Tier 1 Conversion Notes;
- (ii) at least *pari passu* with payments to holders of present or future outstanding Parity Securities of the Issuer;
- (iii) in priority to payments to holders of present or future outstanding Junior Securities of the Issuer; and

- (iv) junior in right of payment to the payment of any present or future claims of (a) depositors of the Issuer, (b) other unsubordinated creditors of the Issuer, and (c) subordinated creditors of the Issuer in respect of Subordinated Indebtedness (other than Parity Securities and Junior Securities) including, for the avoidance of doubt, Tier 2 Capital instruments.

In the event of the liquidation or bankruptcy of the Issuer that occurs after the date on which a Trigger Event occurs but before the Registration Date, the rights and claims (if any) of the Noteholders in respect of their Additional Tier 1 Conversion Notes shall be limited to such amount, if any, as would have been payable to Noteholders on a return of assets in such liquidation or bankruptcy of the Issuer if the Registration Date had occurred immediately before the occurrence of such liquidation or bankruptcy of the Issuer.

General

No Holder of Additional Tier 1 Conversion Notes shall be entitled to exercise any right of set-off or counterclaim against amounts owed by the Issuer in respect of the Additional Tier 1 Conversion Notes held by it.

5. Interest

The Additional Tier 1 Conversion Notes shall be interest bearing and the Pricing Supplement in relation to each Series of Additional Tier 1 Conversion Notes shall specify which of Conditions 5(1) (*Interest—Fixed Rate*) 5(2) (*Interest—Floating Rate*), 5(2), 5(4) (*Interest—Other Rates*) and/or 5(5) (*Interest – Reset Note Provisions*) shall be applicable provided that Condition 5(6) (*Interest—Supplemental Provision*) will be applicable to each Series of Additional Tier 1 Conversion Notes as specified therein, save, in each case, to the extent inconsistent with the relevant Pricing Supplement. The application of any of Conditions 5(1) (*Interest—Fixed Rate*) to 5(6) (*Interest—Supplemental Provision*) shall be subject to Condition 5(7) (*Interest Cancellation in respect of Additional Tier 1 Conversion Notes*).

(1) *Interest—Fixed Rate*

This Condition 5(1) is applicable to the Additional Tier 1 Conversion Notes only if the Fixed Rate Note Provisions are specified in the relevant Pricing Supplement as being applicable. The Additional Tier 1 Conversion Notes in relation to which this Condition 5(1) is applicable shall bear interest on its principal amount from and including their Issue Date (as specified in the relevant Pricing Supplement) to, but excluding, the date of any final redemption at the rate or rates per annum specified in the relevant Pricing Supplement. Such interest will be payable in arrear on each Interest Payment Date as is specified in the relevant Pricing Supplement and on the date of any final redemption. The amount of interest payable in respect of each Additional Tier 1 Conversion Note for any period for which a Fixed Interest Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product (i) in respect of an Additional Tier 1 Conversion Note denominated in U.S. dollars, on the basis of a 360 day year consisting of twelve months of 30 days each and, in the case of an incomplete month, the actual number of days elapsed and (ii) in the case of an Additional Tier 1 Conversion Note denominated in a currency other than U.S. dollars, on the basis of the number of days in the relevant period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date divided by (x) in the case of Additional Tier 1 Conversion Notes where interest is scheduled to be paid only by means of regular annual payments, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the next scheduled Interest Payment Date or (y) in the case of Additional Tier 1 Conversion Notes where interest is scheduled to be paid other than only by means of regular annual payments, the product of the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the next scheduled Interest Payment Date and the number of Interest Payment Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; rounding the resulting figure to the nearest sub-unit of the Specified Currency, (half a sub-unit being rounded upwards) and multiplying such rounded figures by a fraction equal to the Specified Denomination (as specified in the relevant Pricing Supplement) of such Additional Tier 1 Conversion Note divided by the Calculation Amount. For the purposes of this Condition 5, a “sub-unit” means, in the case of any currency other than U.S. dollar, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of U.S. dollar, means one cent. Interest may also be calculated on such other basis as may be specified in the relevant Pricing Supplement.

(2) *Interest—Floating Rate (other than Floating Rate Notes referencing SONIA or SOFR)*

- (a) This Condition 5(2) is applicable to the Additional Tier 1 Conversion Notes only if the Floating Rate Note Provisions are specified in the relevant Pricing Supplement as being applicable and

the Reference Rate is not SONIA or SOFR. The Additional Tier 1 Conversion Notes in relation to which this Condition 5(2) is applicable (the “**Floating Rate Option**”) shall bear interest on its principal amount at the rates per annum determined in accordance with this Condition 5(2).

- (b) Such Additional Tier 1 Conversion Notes shall bear interest from and including their Issue Date (as specified in the relevant Pricing Supplement) to, but excluding, the date of any final redemption. Such interest will be payable on each date (an “**Interest Payment Date**”) which falls such period of months as may be specified in the relevant Pricing Supplement after such Issue Date or, as the case may be, after the preceding Interest Payment Date. If any Interest Payment Date would otherwise fall on a date which is not a Business Day, it shall be postponed to the next Business Day unless it would thereby fall into the next calendar month, in which event it shall be brought forward to the preceding Business Day unless it is specified in the relevant Pricing Supplement that if any Interest Payment Date would otherwise fall on the date which is not a Business Day, it shall be postponed to the next Business Day. If such Issue Date or any succeeding Interest Payment Date falls on the last Business Day of the month, each subsequent Interest Payment Date shall be the last Business Day of the relevant month. Each period beginning on (and including) such Issue Date and ending on (but excluding) the First Interest Payment Date and each period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an “**Interest Period**”.
- (c) The Pricing Supplement in relation to each Series of Additional Tier 1 Conversion Notes in relation to which the Floating Rate Note Provisions or Reset Note Provisions are specified as being applicable shall specify which Relevant Screen Page on the Reuters Screen or any other information vending service shall be applicable. For these purposes, “**Reuters Screen**” means the Reuters Money 3000 Service (or such other service as may be nominated as the information vendor for the purpose of displaying comparable rates in succession thereto).
- (d) The Rate of Interest applicable to such Additional Tier 1 Conversion Notes for each Interest Period shall be determined by the Calculation Agent on the following basis:
 - (A) If the Reference Rate is a composite quotation or customarily supplied by one entity, then:
 - (i) where the Floating Rate Option is based on the London interbank offered rate (as defined below, “**LIBOR**”) the Calculation Agent will determine the rate for deposits (or, as the case may require, the arithmetic mean of the rates for deposits) in the relevant currency for a period of the duration of the relevant Interest Period on the Relevant Screen Page as of 11.00 a.m. (London time) on the second London Banking Day before (or, in the case of Additional Tier 1 Conversion Notes denominated in Pounds Sterling, on) the first day of the relevant Interest Period or, in the case of euro-LIBOR, on the second TARGET Settlement Day of the relevant Interest Period (the “**LIBOR Interest Determination Date**”);
 - (ii) where the Floating Rate Option is based on the Euro-zone interbank offered rate (“**EURIBOR**”) the Calculation Agent will determine the rate for deposits (or, as the case may require, the arithmetic mean of the rates for deposits) in euro for a period of the duration of the relevant Interest Period on the Relevant Screen Page as of 11.00 a.m. (Brussels time) of the second TARGET Settlement Day before the first day of the relevant Interest Period (the “**EURIBOR Interest Determination Date**”);
 - (iii) where the Floating Rate Option is based on an interbank offered rate in a Relevant Financial Centre specified in the relevant Pricing Supplement other than as set in paragraphs (vi) and (vii) below, the Calculation Agent will determine the rate for deposits (or, as the case may require, the arithmetic mean of the rates for deposits) in the relevant currency for a period of the duration of the relevant Interest Period on the Relevant Screen Page as of the Relevant Time on the Interest Determination Date;
 - (iv) if no such rate for deposits so appears (or, as the case may require, if fewer than two such rates for deposits so appear), the Calculation Agent will request appropriate quotations and will determine the arithmetic mean of the rates at

which deposits in the relevant currency are offered by four major banks (selected by the Issuer) in the Relevant Financial Centre at approximately the Relevant Time on the first day of the relevant Interest Period to prime banks in the interbank market of the Relevant Financial Centre in each such case for a period of the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the Relevant Time;

- (v) if fewer than two rates are so quoted, the Calculation Agent will determine the arithmetic mean of the rates quoted by major banks in the Relevant Financial Centre, selected by the Calculation Agent (in consultation with the Issuer) at approximately the Relevant Time on the first day of the relevant Interest Period for loans in the relevant currency to leading European banks for a period of the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the Relevant Time;
- (vi) where the Floating Rate Option is based on the Federal Funds rate (the “**Federal Funds Rate**”) the Calculation Agent will determine the rate for deposits (or, as the case may require, the arithmetic mean of the rates for deposits) in the relevant currency for a period of the duration of the relevant Interest Period on the Interest Determination Date for U.S. dollar federal funds as such rate is published in H.15(519) opposite the heading “*Federal Funds (Effective)*”, as such rate is displayed on Reuters (or any successor service) on page FEDFUNDS 1 (or any other page as may replace such page) (“**Reuters Page FEDFUNDS 1**”), or, if such rate does not appear on Reuters Page FEDFUNDS 1 or is not so published by 5:00 p.m., New York City time on the date the Federal Funds Rate is calculated, the rate on such Interest Determination Date for U.S. dollar federal funds as published in H.15 Daily Update, or such other recognised electronic source used for the purpose of displaying such rate, under the caption “*Federal Funds (Effective)*”. If such rate does not appear on Reuters Page FEDFUNDS 1 or is not yet published in H.15(519), H.15 Daily Update or another recognised electronic source by 5:00 p.m. New York City time on the date the Federal Funds Rate is calculated, then the Federal Funds Rate on such Interest Determination Date will be calculated by the Calculation Agent and will be the arithmetic mean of the rates for the last transaction in overnight U.S. dollar federal funds arranged by three leading brokers of U.S. dollar federal funds transactions in New York City (which may include the Dealers or their affiliates) selected by the Calculation Agent (after consultation with Nordea) prior to 9:00 a.m., New York City time, on such Interest Determination Date; provided, however, that if the brokers so selected by the Calculation Agent (in consultation with the Issuer) are not quoting as mentioned in this sentence, the Federal Funds Rate determined as of such Interest Determination Date will be the Federal Funds Rate in effect on such Interest Determination Date, or, if no Federal Funds Rate was in effect on such Interest Determination Date, the rate for the following Interest Period shall be the initial Rate of Interest. Save as set out in the applicable Pricing Supplement, the “Interest Determination Date” with respect to the Federal Funds Rate will be the Federal Funds Rate Business Day immediately preceding the applicable Interest Period and “Federal Funds Rate Business Day” means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorised or required by law, regulation or executive order to close in New York City; provided, however, that, with respect to Additional Tier 1 Conversion Notes denominated in a Specified Currency other than U.S. dollars, it is also not a day on which commercial banks are authorised or required by law, regulation or executive order to close in the Principal Financial Centre of the country issuing the Specified Currency. The “Principal Financial Centre” means the capital city of the country issuing the Specified Currency except, that with respect to U.S. dollars, Canadian dollars, and Swiss francs, the “**Principal Financial Centre**” shall be New York City, Toronto, and Zurich, respectively. “**H.15(519)**” means the weekly statistical release designated as such, or any successor publication, published by the

Board of Governors of the Federal Reserve System (the “**Board of Governors**”), or its successor, available through the website of the Board of Governors at <http://www.federalreserve.gov/releases/h15/update/h15upd.htm> and “**H.15 Daily Update**” means the daily update of H.15(519) available at the Board of Governors of the Federal Reserve System’s Internet web site located at <http://www.federalreserve.gov/releases/h15/update/h15upd.htm>, or any successor site or publication; and

- (vii) where the Floating Rate Option is based on the Prime Rate (the “**Prime Rate**”) the Calculation Agent will determine the rate for deposits (or, as the case may require, the arithmetic mean of the rates for deposits) in the relevant currency for a period of the duration of the relevant Interest Period on the Interest Determination Date as such rate is published in H.15(519) opposite the caption “*Bank Prime Loan*” or, if not published by 5:00 p.m., New York City time, on the day that is one New York City Banking Day following such Interest Determination Date, the rate on such Interest Determination Date as published in H.15 Daily Update, or such other recognised electronic source used for the purpose of displaying such rate, opposite the caption “*Bank Prime Loan*”. If such rate is not yet published in H.15(519), H.15 Daily Update or another recognised electronic source by 5:00 p.m. New York City time on the day that is one New York City Banking Day following such Interest Determination Date, then the Prime Rate shall be the arithmetic mean, as determined by the Calculation Agent, of the rates of interest publicly announced by three major banks (which may include affiliates of the Dealers) in New York City selected by the Calculation Agent (after consultation with Nordea) as the U.S. dollar prime rate or base lending rate in effect for such Interest Determination Date. (Each change in the prime rate or base lending rate of any bank so announced by such bank will be effective as of the effective date of the announcement or, if no effective date is specified, as of the date of the announcement.) If fewer than three major banks (which may include affiliates of the Dealers) so selected in New York City have publicly announced a U.S. dollar prime rate or base lending rate for such Interest Determination Date, the Prime Rate with respect to such Interest Determination Date shall be the rate in effect on such Interest Determination Date, or, if no Prime Rate was in effect on such Interest Determination Date, the rate for the following Interest Period shall be the initial Rate of Interest. Save as set out in the applicable Pricing Supplement, the “**Interest Determination Date**” with respect to the Prime Rate will be the first day of the relevant Interest Period and “**New York City Banking Day**” shall mean any day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the city of New York. As used above, “**H.15(519)**” means the weekly statistical release designated as such, or any successor publication, published by the Board of Governors of the Federal Reserve System (the “**Board of Governors**”), or its successor, available through the website of the Board of Governors at <http://www.federalreserve.gov/releases/h15/update/h15upd.htm> and “**H.15 Daily Update**” means the daily update of H.15(519) available at the Board of Governors of the Federal Reserve System’s Internet web site located at <http://www.federalreserve.gov/releases/h15/update/h15upd.htm>, or any successor site or publication,

- (B) if Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Pricing Supplement, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date, where:
- (1) one rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and

- (2) the other rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next longer than the length of the relevant Interest Period; provided, however, that if no rate is available for a period of time next shorter or, as the case may be, next longer than the length of the relevant Interest Period, then the Determination Agent shall determine such rate at such time and by reference to such sources as it determines appropriate,

and the Rate of Interest applicable to such Additional Tier 1 Conversion Notes during each Interest Period will be the sum of the relevant margin (the “**Relevant Margin**”) specified in the relevant Pricing Supplement and the rate (or, as the case may be, the arithmetic mean) so determined provided that, if the Calculation Agent is unable to determine a rate (or, as the case may be, an arithmetic mean) in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to such Additional Tier 1 Conversion Notes during such Interest Period will be the sum of the Relevant Margin and the rate (or, as the case may be, the arithmetic mean) last determined in relation to such Additional Tier 1 Conversion Notes in respect of a preceding Interest Period. For the purpose of these Conditions, “**Euro-zone**” means the region comprised of member states of the European Union that adopt the single currency in accordance with the Treaty on European Union as amended, and as used in this Condition 5 and “**Interest Determination Date**” means (other than in respect of paragraphs A(vi) and (vii) above) the date specified as such in the applicable Pricing Supplement.

- (e) The Calculation Agent will, as soon as practicable after determining the Rate of Interest in relation to each Interest Period, calculate the Interest Amount payable in respect of the Calculation Amount specified in the relevant Pricing Supplement for the relevant Interest Period. The amount of interest shall be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the actual number of days in the Interest Period concerned divided by 360 (or, in the case of the Additional Tier 1 Conversion Notes denominated in Pounds Sterling, 365 (or, if any portion of such Interest Period falls in a leap year, the sum of (i) the actual number of days in that portion divided by 366 and (ii) the actual number of days in the remainder of such Interest Period divided by 365)) or by such other number as may be specified in the relevant Pricing Supplement, rounding the resulting figure to the nearest sub-unit of the currency in which such Additional Tier 1 Conversion Notes are denominated or, as the case may be, in which such interest is payable (one half of any such sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Additional Tier 1 Conversion Note divided by the Calculation Amount. Where the Specified Denomination of such an Additional Tier 1 Conversion Note comprises more than one Calculation Amount, the Interest Amount payable in respect of such Additional Tier 1 Conversion Note shall be the aggregate of the amounts (determined in the manner above) for each Calculation Amount comprising the Specified Denomination, without any further rounding. For this purpose, a “**sub-unit**” means, in the case of any currency other than U.S. dollar, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of U.S. dollar, means one cent.

(3) ***Interest – Floating Rate Notes referencing SONIA or SOFR***

- (a) This Condition 5(3) is applicable to the Additional Tier 1 Conversion Notes only if the Floating Rate Note Provisions are specified in the relevant Pricing Supplement as being applicable and the Reference Rate is SONIA or SOFR. The Additional Tier 1 Conversion Notes in relation to which this Condition 5(3) is applicable shall bear interest on its principal amount at the rates per annum determined in accordance with this Condition 5(3).
- (b) Such Additional Tier 1 Conversion Notes shall bear interest from and including their Issue Date (as specified in the relevant Pricing Supplement) to, but excluding, the date of any final redemption. Such interest will be payable on each date (an “**Interest Payment Date**”) which falls such period of months as may be specified in the relevant Pricing Supplement after such Issue Date or, as the case may be, after the preceding Interest Payment Date. If any Interest Payment Date would otherwise fall on a date which is not a Business Day, it shall be postponed to the next Business Day unless it would thereby fall into the next calendar month, in which event it shall be brought forward to the preceding Business Day unless it is specified in the relevant Pricing Supplement that if any Interest Payment Date would otherwise fall on the date which is not a Business Day, it shall be postponed to the next Business Day. If such Issue Date

or any succeeding Interest Payment Date falls on the last Business Day of the month, each subsequent Interest Payment Date shall be the last Business Day of the relevant month. Each period beginning on (and including) such Issue Date and ending on (but excluding) the First Interest Payment Date and each period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an **“Interest Period”**.

- (c) Subject to Conditions 5(8) and 5(6)(d) (if applicable), where the Reference Rate specified in the applicable Pricing Supplement is SONIA, the Rate of Interest for each Interest Period will, subject as provided below, be Compounded Daily SONIA plus or minus (as specified in the applicable Pricing Supplement) the Relevant Margin, all as determined by the Calculation Agent.

For the purposes of this Condition 5(3):

“Compounded Daily SONIA” means, with respect to an Interest Period, the rate of return of a daily compound interest investment (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent on the Interest Determination Date in question, as follows, and the resulting percentage will be rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{SONIA_{i-pLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

“d” means, for any Interest Period, the number of calendar days in such Interest Period;

“d₀” means, for any Interest Period, the number of London Banking Days in such Interest Period;

“i” means, for any Interest Period, a series of whole numbers from one to do, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in such Interest Period to, but excluding, the last London Banking Day in such Interest Period;

“Interest Determination Date” means the date specified as such in the relevant Pricing Supplement;

“London Banking Day” or **“LBD”** means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“n_i” means, for any London Banking Day “i”, the number of calendar days from, and including, such London Banking Day “i” up to, but excluding, the following London Banking Day;

“Observation Period” means, in respect of an Interest Period, the period from, and including, the date falling “p” London Banking Days prior to the first day of such Interest Period (and the first Interest Period shall begin on and include the Interest Commencement Date) and ending on, but excluding, the date which is “p” London Banking Days prior to the end of such Interest Period (or the date falling “p” London Banking Days prior to such earlier date, if any, on which the Notes become due and payable);

“p” means, for any Interest Period, the number of London Banking Days included in the Observation Look-back Period specified in the applicable Pricing Supplement;

“SONIA_i” means, in respect of any London Banking Day, “i”, a reference rate equal to the daily Sterling Overnight Index Average (**“SONIA”**) rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or if the Relevant Screen Page is unavailable, as otherwise is published by such authorised distributors) on the London Banking Day immediately following such London Banking Day; and

“SONIA_{i-pLBD}” means, in respect of any London Banking Day falling in the relevant Observation Period, the SONIA rate for the London Banking Day falling “p” London Banking Days prior to the relevant London Banking Day “i”.

If, subject to Condition 5(8) (*Benchmark Replacement*), in respect of any London Banking Day in the relevant Observation Period, the SONIA rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA rate shall be: (i) the Bank of England's Bank Rate (the "**Bank Rate**") prevailing at close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA rate to the Bank Rate over the previous five days on which a SONIA rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, subject to Condition 5(8) (*Benchmark Replacement*), the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period) or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin applicable to the first Interest Period).

If the relevant Series of Notes become due and payable in accordance with Condition 8, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Pricing Supplement, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date.

- (d) Where the Reference Rate specified in the applicable Pricing Supplement is SOFR, the Rate of Interest for each Interest Period will, subject as provided below, be Weighted Average SOFR plus or minus (as specified in the applicable Pricing Supplement) the Relevant Margin, all as determined by the Calculation Agent.

"**Weighted Average SOFR**" means the arithmetic mean of the SOFR in effect for each SOFR Reset Date during the relevant Interest Period, calculated by multiplying the relevant SOFR by the number of days such SOFR is in effect, determining the sum of such products and dividing such sum by the number of days in the relevant Interest Period, *provided however* that the last four U.S. Government Securities Business Days of such Interest Period shall be a "**Suspension Period**". During a Suspension Period, the SOFR for each day during that Suspension Period will be the value for the SOFR Reset Date immediately prior to the first day of such Suspension Period.

"**SOFR**" means, with respect to any SOFR Reset Date:

- (1) the Secured Overnight Financing Rate published at 5:00 p.m. (New York time) on the Federal Reserve's Website on the SOFR Reset Date for trades made on the related SOFR Determination Date.
- (2) if the rate specified in (1) above does not so appear, and a SOFR Index Cessation Event and SOFR Index Cessation Date have not occurred, the Secured Overnight Financing Rate published on the Federal Reserve's Website for the first preceding U.S. Government Securities Business Day on which the Secured Overnight Financing Rate was published on the Federal Reserve's Website.
- (3) if a SOFR Index Cessation Event and SOFR Index Cessation Date have occurred, the rate that was recommended as the replacement for the Secured Overnight Financing Rate by the Federal Reserve Board and/or the Federal Reserve Bank of New York or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York for the purpose of recommending a replacement for the Secured Overnight Financing Rate (which rate may be produced by a Federal Reserve Bank or other designated administrator, and which rate may include any adjustments or spreads), or if no such rate has been recommended within one U.S. Government Securities Business Day of the SOFR Index Cessation Event, the Overnight Bank Funding Rate published on the Federal Reserve's Website for any SOFR Reset Date after the SOFR Index Cessation Date (it being understood that the

Overnight Bank Funding Rate for any such SOFR Reset Date will be for trades made on the related Determination Date).

- (4) If the Calculation Agent is required to use the Overnight Bank Funding Rate in paragraph (3) above and an OBFR Index Cessation Event has occurred, then for any SOFR Reset Date after the OBFR Index Cessation Date, the short-term interest rate target set by the Federal Open Market Committee and published on the Federal Reserve's Website, or if the Federal Open Market Committee has not set a single rate, the mid-point of the short-term interest rate target range set by the Federal Open Market Committee and published on the Federal Reserve's Website (calculated as the arithmetic average of the upper bound of the target range and the lower bound of the target range).

"Federal Reserve's Website" means the website of the Federal Reserve Bank of New York, currently at <http://www.newyorkfed.org>, or any successor website of the Federal Reserve Bank of New York.

"OBFR Index Cessation Event" means the occurrence of one or more of the following events:

- (a) a public statement by the Federal Reserve Bank of New York (or a successor administrator of the Overnight Bank Funding Rate) announcing that it has ceased to publish or provide the Overnight Bank Funding Rate permanently or indefinitely, provided that, at that time, there is no successor administrator that will continue to publish or provide an Overnight Bank Funding Rate; or
- (b) the publication of information which reasonably confirms that the Federal Reserve Bank of New York (or a successor administrator of the Overnight Bank Funding Rate) has ceased to provide the Overnight Bank Funding Rate permanently or indefinitely, provided that, at that time, there is no successor administrator that will continue to publish or provide the Overnight Bank Funding Rate.

"OBFR Index Cessation Date" means, in respect of an OBFR Index Cessation Event, the date on which the Federal Reserve Bank of New York (or any successor administrator of the Overnight Bank Funding Rate), ceases to publish the Overnight Bank Funding Rate, or the date as of which the Overnight Bank Funding Rate may no longer be used.

"SIFMA" means the Securities Industry and Financial Markets Association.

"SOFR Determination Date" means, with respect to any SOFR Reset Date, the first U.S. Government Securities Business Day immediately preceding such SOFR Reset Date.

"SOFR Index Cessation Date" means, in respect of a SOFR Index Cessation Event, the date on which the Federal Reserve Bank of New York (or any successor administrator of the Secured Overnight Financing Rate), ceases to publish the Secured Overnight Financing Rate, or the date as of which the Secured Overnight Financing Rate may no longer be used.

"SOFR Index Cessation Event" means the occurrence of one or more of the following events:

- (a) a public statement by the Federal Reserve Bank of New York (or a successor administrator of the Secured Overnight Financing Rate) announcing that it has ceased to publish or provide the Secured Overnight Financing Rate permanently or indefinitely, provided that, at that time, there is no successor administrator that will continue to publish or provide a Secured Overnight Financing Rate; or
- (b) the publication of information which reasonably confirms that the Federal Reserve Bank of New York (or a successor administrator of the Secured Overnight Financing Rate) has ceased to provide the Secured Overnight Financing Rate permanently or indefinitely, provided that, at that time, there is no successor administrator that will continue to publish or provide the Secured Overnight Financing Rate.

"SOFR Reset Date" means each U.S. Government Securities Business Day during the relevant Interest Period.

“U.S. Government Securities Business Day” means any day except for a Saturday, Sunday or a day on which SIFMA recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities.

- (e) The Calculation Agent will, as soon as practicable after determining the Rate of Interest in relation to each Interest Period, calculate the Interest Amount payable in respect of the Calculation Amount specified in the relevant Pricing Supplement for the relevant Interest Period. The amount of interest shall be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the actual number of days in the Interest Period concerned divided by 360 (or, in the case of the Notes denominated in Pounds Sterling, 365 (or, if any portion of such Interest Period falls in a leap year, the sum of (i) the actual number of days in that portion divided by 366 and (ii) the actual number of days in the remainder of such Interest Period divided by 365)) or by such other number as may be specified in the relevant Pricing Supplement, rounding the resulting figure to the nearest sub-unit of the currency in which such Notes are denominated or, as the case may be, in which such interest is payable (one half of any such sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Note divided by the Calculation Amount. Where the Specified Denomination of such a Note comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner above) for each Calculation Amount comprising the Specified Denomination, without any further rounding. For this purpose, a **“sub-unit”** means, in the case of any currency other than U.S. dollar, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of U.S. dollar, means one cent.

(4) ***Interest—Other Rates***

- (a) In the case of Dual Currency Notes as specified in the relevant Pricing Supplement, the rate or amount of interest payable shall be determined in accordance with the provisions contained in the relevant Pricing Supplement.
- (b) For Additional Tier 1 Conversion Notes other than Dual Currency Notes, in relation to which this Condition 5(4) is specified in the relevant Pricing Supplement as being applicable, shall bear interest at the rates per annum, or payable in the amounts and in the manner determined in accordance with, the relevant Pricing Supplement.

(5) ***Interest—Reset Note Provisions***

- (a) This Condition 5(5) is applicable to the Additional Tier 1 Conversion Notes only if the Interest – Reset Note Provisions are specified in the relevant Pricing Supplement as being applicable.
- (b) Such Additional Tier 1 Conversion Notes shall bear interest on its principal amount:
 - (i) from (and including) the Interest Commencement Date specified in the relevant Pricing Supplement until (but excluding) the First Reset Date at the rate per annum equal to the Initial Rate of Interest;
 - (ii) from (and including) the First Reset Date until (but excluding) the Second Reset Date or, if no such Second Reset Date is specified in the relevant Pricing Supplement, the date of any final redemption at the rate per annum equal to the First Reset Rate of Interest; and
 - (iii) for each Subsequent Reset Period thereafter (if any), at the rate per annum equal to the relevant Subsequent Reset Rate of Interest,

payable, in each case, in arrear on the date(s) so specified in the relevant Pricing Supplement on an Interest Payment Date (subject to adjustment as described in Condition 5(1) (*Interest—Fixed Rate*)) and on the date of any final redemption if that does not fall on an Interest Payment Date. The Rate of Interest and the Interest Amount payable shall be determined by the Calculation Agent, (A) in the case of the Rate of Interest, at or as soon as practicable after each time at which the Rate of Interest is to be determined, and (B) in the case of the Interest Amount in accordance with the provisions for calculating amounts of interest in Condition 5(1) (*Interest—Fixed Rate*).

- (c) If on any Reset Determination Date the Relevant Screen Page is not available or the Mid-Swap Rate does not appear on the Relevant Screen Page, the Calculation Agent shall request each of

the Reference Banks to provide the Calculation Agent with its Mid-Market Swap Rate Quotation as at approximately 11.00 a.m. in the Relevant Financial Centre of the Specified Currency on the Reset Determination Date in question.

If two or more of the Reference Banks provide the Calculation Agent with Mid-Market Swap Rate Quotations, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period shall be the sum of the arithmetic mean (rounded, if necessary, to the nearest 0.001 per cent (0.0005 per cent being rounded upwards)) of the relevant Mid-Market Swap Rate Quotations and the First Margin or Subsequent Margin (as applicable), all as determined by the Calculation Agent.

If on any Reset Determination Date only one or none of the Reference Banks provides the Calculation Agent with a Mid-Market Swap Rate Quotation as provided in the foregoing provisions of this paragraph, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) shall be determined to be the Rate of Interest as at the last preceding Reset Date or, in the case of the first Reset Determination Date, the First Reset Rate of Interest shall be the Initial Rate of Interest.

(6) ***Interest—Supplemental Provision***

(a) Condition 5(6)(b) shall be applicable in relation to the Additional Tier 1 Conversion Notes in relation to which Floating Rate Note Provisions or Reset Note Provisions are specified in the relevant Pricing Supplement as being applicable, Condition 5(6)(c) shall be applicable in relation to all Additional Tier 1 Conversion Notes and Conditions 5(6)(d) and 5(6)(e) shall be applicable in relation to Additional Tier 1 Conversion Notes in relation to which Floating Rate Note Provisions are specified in the relevant Pricing Supplement as being applicable.

(b) ***Notification***

Subject to Condition 5(8) below, the Calculation Agent will cause each Rate of Interest, floating rate, Interest Payment Date, final day of a calculation period, Interest Amount or floating amount or any other rate of interest, interest or reset period to be determined or calculated by it to be notified to the Issuer and the Fiscal Agent. The Fiscal Agent will cause all such determinations or calculations to be notified to the other Paying Agents as soon as practicable after such determination or calculated but in any event not later than the fourth London Banking Day thereafter and, in the case of Additional Tier 1 Conversion Notes admitted to the Official List of Euronext Dublin, cause each such Rate of Interest, floating rate, Interest Amount or floating amount to be notified to Euronext Dublin. The Calculation Agent will be entitled to amend any Interest Amount, floating amount, Interest Payment Date or last day of a calculation period (or to make appropriate alternative arrangements by way of adjustment) without notice in the event of the extension or abbreviation of the relevant Interest Period or calculation period. For the purposes of these Conditions “**London Banking Day**” means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London.

(c) The determination by the Calculation Agent of all rates of interest and amounts of interest for the purposes of this Condition 5 shall, in the absence of manifest error, be final and binding on all parties.

(d) If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Pricing Supplement, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.

(e) Unless otherwise specified in the relevant Pricing Supplement or if the Minimum Rate of Interest is specified as being “Not Applicable” in the relevant Pricing Supplement, the Minimum Rate of Interest shall be deemed to be zero.

(7) ***Interest Cancellation in respect of Additional Tier 1 Conversion Notes***

The application of any of Conditions 5(1) (*Interest—Fixed Rate*) to 5(6) (*Interest—Supplemental Provision*) shall be subject to this Condition 5(7).

(a) ***Interest Payments Discretionary***

Interest on the Additional Tier 1 Conversion Notes will be due and payable only at the sole discretion of the Issuer, and the Issuer shall have sole and absolute discretion at all times and

for any reason to cancel (in whole or in part) any interest payment that would otherwise be payable on any Interest Payment Date. If the Issuer does not make an interest payment on the relevant Interest Payment Date (or if the Issuer elects to make a payment of a portion, but not all, of such interest payment), such non-payment shall evidence the Issuer's exercise of its discretion to cancel such interest payment (or the portion of such interest payment not paid), and accordingly such interest payment (or the portion thereof not paid) shall not be due and payable.

If the Issuer provides notice to cancel a portion, but not all, of an interest payment and the Issuer subsequently does not make a payment of the remaining portion of such interest payment on the relevant Interest Payment Date, such non-payment shall evidence the Issuer's exercise of its discretion to cancel such remaining portion of the interest payment, and accordingly such remaining portion of the interest payment shall also not be due and payable.

(b) *Restriction on Interest Payments*

- (i) Subject to the extent permitted in paragraph (b)(ii) below, the Issuer shall not make an interest payment on the Additional Tier 1 Conversion Notes on any Interest Payment Date (and such interest payment shall therefore be deemed to have been cancelled and thus shall not be due and payable on such Interest Payment Date):
 - (x) if the Issuer has an amount of Distributable Items on such Interest Payment Date that is less than the sum of all distributions or interest payments on all other own funds instruments paid and/or required to be paid in the then financial year; or
 - (y) if and to the extent that such payment would cause a breach of any regulatory restriction or prohibition on payments on Additional Tier 1 Instruments pursuant to Applicable Banking Regulations (including, without limitation, any such restriction or prohibition relating to any Maximum Distributable Amount applicable to the Issuer and/or the Nordea Group).
- (ii) The Issuer may, in its sole discretion, elect to make a partial interest payment on the Additional Tier 1 Conversion Notes on any Interest Payment Date, only to the extent that such partial interest payment may be made without breaching the restriction set out in paragraph (b)(i) above.

(c) *Effect of Interest Cancellation*

Interest will only be due and payable on an Interest Payment Date to the extent it is not cancelled in accordance with Condition 5(7)(a) and Condition 5(7)(b). Any interest cancelled (in each case, in whole or in part) in such circumstances shall not be due and shall not accumulate or be payable at any time thereafter nor constitute an event of default listed under Condition 8 (*Events of Default*), and Holders shall have no rights thereto or to receive any additional interest or compensation as a result of such cancellation or deemed cancellation.

The Issuer may use such cancelled payments without restriction to meet its obligations as they fall due.

(d) *Notice of Interest Cancellation*

If practicable, the Issuer shall provide notice of any cancellation of interest (in whole or in part) to the Holders on or prior to the relevant Interest Payment Date. If practicable, the Issuer shall endeavour to provide such notice at least five (5) Business Days prior to the relevant Interest Payment Date. Failure to provide such notice will not have any impact on the effectiveness of, or otherwise invalidate, any such cancellation or deemed cancellation of interest, or give Holders any rights as a result of such failure.

(8) ***Benchmark Replacement***

Notwithstanding the foregoing provisions of this Condition 5, if the Issuer (in consultation with the Calculation Agent (or the person specified in the applicable Pricing Supplement as the party responsible for calculating the Rate of Interest and the Interest Amount(s))) determines that a Benchmark Event has occurred when any Rate of Interest (or the relevant component part thereof) remains to be determined by

reference to a Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable), then the following provisions shall apply:

- (i) the Issuer shall use reasonable endeavours to appoint an Independent Adviser for the determination (with the Issuer's agreement) of a Successor Rate or, alternatively, if the Independent Adviser and the Issuer agree that there is no Successor Rate, an alternative rate (the "**Alternative Benchmark Rate**") and, in either case, an alternative screen page or source (the "**Alternative Relevant Screen Page**") and an Adjustment Spread (if applicable) no later than three (3) Business Days prior to the relevant Reset Determination Date, LIBOR Interest Determination Date, EURIBOR Interest Determination Date, Interest Determination Date or last SOFR Determination Date (as applicable) relating to the next succeeding Reset Period or Interest Period (as applicable) (the "**IA Determination Cut-off Date**") for purposes of determining the Rate of Interest applicable to the Notes for all future Reset Periods or Interest Periods (as applicable) (subject to the subsequent operation of this Condition 5(8));
- (ii) the Alternative Benchmark Rate shall be such rate as the Independent Adviser and the Issuer acting in good faith agree has replaced the relevant Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable) in customary market usage for the purposes of determining floating rates of interest or reset rates of interest in respect of eurobonds denominated in the Specified Currency, or, if the Independent Adviser and the Issuer agree that there is no such rate, such other rate as the Independent Adviser and the Issuer acting in good faith agree is most comparable to the relevant Mid-Swap Floating Leg Benchmark Rate or Reference Rate, and the Alternative Relevant Screen Page shall be such page of an information service as displays the Alternative Benchmark Rate;
- (iii) if the Issuer is unable to appoint an Independent Adviser, or if the Independent Adviser and the Issuer cannot agree upon, or cannot select a Successor Rate or an Alternative Benchmark Rate and Alternative Relevant Screen Page prior to the IA Determination Cut-off Date in accordance with sub-paragraph (ii) above, then the Issuer (acting in good faith and in a commercially reasonable manner) may determine which (if any) rate has replaced the relevant Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable) in customary market usage for purposes of determining floating rates of interest or reset rates of interest in respect of eurobonds denominated in the Specified Currency, or, if it determines that there is no such rate, which (if any) rate is most comparable to the relevant Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable), and the Alternative Benchmark Rate shall be the rate so determined by the Issuer and the Alternative Relevant Screen Page shall be such page of an information service as displays the Alternative Benchmark Rate; provided, however, that if this sub-paragraph (iii) applies and the Issuer is unable or unwilling to determine an Alternative Benchmark Rate and Alternative Relevant Screen Page prior to the Reset Determination Date or Interest Determination Date (as applicable) relating to the next succeeding Reset Period or Interest Period (as applicable) in accordance with this sub-paragraph (iii), the Mid-Swap Floating Leg Benchmark Rate or Reference Rate applicable to such Reset Period or Interest Period (as applicable) shall be equal to the Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable) shall be equal to the Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable) for a term equivalent to the Relevant Interest Period or Reset Period published on the Relevant Screen Page as at the last preceding Reset Date or Interest Determination Date (including a LIBOR Interest Determination Date or a EURIBOR Interest Determination Date) (as applicable) (though substituting, where a different First Margin, Subsequent Margin or Relevant Margin (as applicable) is to be applied to the relevant Reset Period or Interest Period from that which applied to the last preceding Reset Period or Interest Period, the First Margin, Subsequent Margin or Relevant Margin (as applicable) relating to the relevant Reset Period or Interest Period, in place of the margin relating to that last preceding Reset Period or Interest Period);
- (iv) if a Successor Rate or an Alternative Benchmark Rate and an Alternative Relevant Screen Page is determined in accordance with the preceding provisions, such Successor Rate or Alternative Benchmark Rate and Alternative Relevant Screen Page shall be the benchmark and the Relevant Screen Page in relation to the Notes for all future Reset Periods or Interest Periods (as applicable) (subject to the subsequent operation of this Condition 5(8));
- (v) If the Issuer, following consultation with the Independent Adviser and acting in good faith, determines that (A) an Adjustment Spread is required to be applied to the Successor Rate or Alternative Benchmark Rate and (B) the quantum of, or a formula or methodology for

determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or Alternative Benchmark Rate for each subsequent determination of a relevant Rate of Interest and Interest Amount(s) (or a component part thereof) by reference to such Successor Rate or Alternative Benchmark Rate;

- (vi) if a Successor Rate or Alternative Benchmark Rate and/or Adjustment Spread is determined in accordance with the above provisions, the Independent Adviser (with the Issuer's agreement) or the Issuer (as the case may be), may also specify changes to the Day Count Fraction, Business Day Convention, Business Days, Reset Determination Date, Interest Determination Date and/or the definition of Mid-Swap Floating Leg Benchmark Rate or Reference Rate applicable to the Notes, and the method for determining the fallback rate in relation to the Notes, in order to follow market practice in relation to the Successor Rate or Alternative Benchmark Rate and/or Adjustment Spread, which changes shall apply to the Notes for all future Reset Periods or Interest Periods (as applicable) (subject to the subsequent operation of this Condition 5(8)); and
- (vii) the Issuer shall promptly following the determination of any Successor Rate or Alternative Benchmark Rate and Alternative Relevant Screen Page and Adjustment Spread (if any) give notice thereof and of any changes pursuant to sub-paragraph (vi) above to the Calculation Agent, the Fiscal Agent and the Noteholders.

“Benchmark Event” means:

- (A) the relevant Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable) has ceased to be published on the Relevant Screen Page as a result of such benchmark ceasing to be calculated or administered; or
- (B) a public statement by the administrator of the relevant Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable) that it will cease publishing such Mid-Swap Floating Leg Benchmark Rate or Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of such Mid-Swap Floating Leg Benchmark Rate or Reference Rate); or
- (C) a public statement by the supervisor of the administrator of the relevant Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable) that such Mid-Swap Floating Leg Benchmark Rate or Reference Rate has been or will be permanently or indefinitely discontinued; or
- (D) a public statement by the supervisor of the administrator of the relevant Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable) that means that such Mid-Swap Floating Leg Benchmark Rate or Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences; or
- (E) it has or will become unlawful for the Calculation Agent or the Issuer to calculate any payments due to be made to any Noteholder using the relevant Mid-Swap Floating Leg Benchmark Rate or Reference Rate (as applicable) (including, without limitation, under the Benchmarks Regulation (EU) 2016/1011, if applicable);

Notwithstanding any other provision of this Condition 5(8), no Successor Rate or Alternative Benchmark Rate or Adjustment Spread (as applicable) will be adopted, and no other amendments to the terms of the Additional Tier 1 Conversion Notes will be made pursuant to this Condition 5(8), if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of Additional Tier 1 Conversion Notes as Tier 1 Capital of the Issuer and/or the Nordea Group.

6. Redemption and Purchase

(a) *No fixed redemption date*

The Additional Tier 1 Conversion Notes shall be perpetual and shall have no final maturity.

(b) *Early Redemption for Taxation Reasons—Withholding Tax*

If, in relation to any Series of Additional Tier 1 Conversion Notes and if specified as applicable in the Pricing Supplement, as a result of any change in the laws of any Taxing Jurisdiction or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the

interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date of such Additional Tier 1 Conversion Notes on the occasion of the next payment due in respect of such Additional Tier 1 Conversion Notes the Issuer would be required to pay additional amounts as provided in Condition 9 (*Taxation*) (a “**Withholding Tax Event**”), the Issuer may, at its option and subject to the Conditions to Redemption and Condition 6(g) (*Trigger Event Post Redemption Notice*), having given not less than 30 nor more than 60 days’ notice (ending, in the case of Additional Tier 1 Conversion Notes which bear interest at a floating rate, on a day upon which interest is payable) to the Holders in accordance with Condition 15 (*Notices*) redeem all (but not some only) the Additional Tier 1 Conversion Notes of the relevant Series at their principal amount or at the redemption amount referred to in Condition 6(g) (*Trigger Event Post Redemption Notice*)), together with accrued interest (if any) thereon (excluding any interest cancelled in accordance with Condition 5(7) (*Interest Cancellation in respect of Additional Tier 1 Conversion Notes*)).

(c) **Early Redemption as a result of a Tax Event**

Upon the occurrence of a Tax Event (if specified as applicable in the Pricing Supplement), but subject to the Conditions to Redemption and Condition 6(g) (*Trigger Event Post Redemption Notice*), the Issuer may having given not less than 30 days’ nor more than 60 days’ notice (ending, in the case of Additional Tier 1 Conversion Notes which bear interest at a floating rate, on a day upon which interest is payable) to the Holders of Additional Tier 1 Conversion Notes in accordance with Condition 15 (*Notices*) redeem all (but not some only) of the outstanding Additional Tier 1 Conversion Notes at any time at a redemption amount equal to their principal amount together with interest accrued to but excluding the date of redemption (excluding any interest cancelled in accordance with Condition 5(7) (*Interest Cancellation in respect of Additional Tier 1 Conversion Notes*)).

(e) **Optional Early Redemption (Call)**

If this Condition 6(e) is specified in the relevant Pricing Supplement as being applicable, then the Issuer may (subject to the Conditions to Redemption and Condition 6(g) (*Trigger Event Post Redemption Notice*)) upon the expiry of the appropriate notice and subject to such terms and conditions as may be specified in the relevant Pricing Supplement, redeem all (but not some only) the Additional Tier 1 Conversion Notes of the relevant Series at its principal amount, together with accrued interest (if any) thereon (excluding any interest cancelled in accordance with Condition 5(7) (*Interest Cancellation in respect of Additional Tier 1 Conversion Notes*)). If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Pricing Supplement, then the Optional Redemption Amount shall in no event be greater than the maximum or be less than the minimum so specified.

The appropriate notice referred to in this Condition 6(e) is a notice given by the Issuer to the Fiscal Agent and the Holders of the Additional Tier 1 Conversion Notes, which notice shall be signed by two duly authorised officers of the Issuer and shall specify:

- (i) the Series of Additional Tier 1 Conversion Notes subject to redemption;
- (ii) the due date for such redemption, which shall be not less than 30 days (or such lesser period as may be specified in the relevant Pricing Supplement) after the date on which such notice is validly given and which is, in the case of Additional Tier 1 Conversion Notes which bear interest at a floating rate, a date upon which interest is payable; and
- (iii) the amount at which such Additional Tier 1 Conversion Notes are to be redeemed, which shall be their principal amount together with, in the case of Additional Tier 1 Conversion Notes which

bear interest, accrued interest thereon (excluding any interest cancelled in accordance with Condition 5(7) (*Interest Cancellation in respect of Additional Tier 1 Conversion Notes*)).

(f) ***Conditions to Redemption***

The Issuer may redeem the Additional Tier 1 Conversion Notes in accordance with Condition 6(b) (*Early Redemption for Taxation Reasons – Withholding Tax*), 6(c) (*Early Redemption as a result of a Tax Event*), 6(d) (*Early Redemption as a result of a Capital Event*) or 6(e) (*Optional Early Redemption (Call)*) (and give notice thereof to the Holders) only if such redemption is in accordance with the Applicable Banking Regulations and it has been granted the permission of the Competent Authority (if such permission is then required under the Applicable Banking Regulations) and:

- (i) on or before such redemption of the Additional Tier 1 Conversion Notes, the Issuer replaces the Additional Tier 1 Conversion Notes with capital instruments of an equal or higher quality on terms that are sustainable for its income capacity; or
- (ii) the Issuer has demonstrated to the satisfaction of the Competent Authority that its Tier 1 Capital and Tier 2 Capital would, following such redemption, exceed the capital ratios required under CRD IV by a margin that the Competent Authority may consider necessary on the basis set out in CRD IV for it to determine the appropriate level of capital of an institution; and
- (iii) in the case of redemption before five years after the issue date of the Additional Tier 1 Conversion Notes if:
 - (a) the conditions listed in paragraphs (i) or (ii) above are met; and
 - (b) in the case of redemption due to the occurrence of a Capital Event, (i) the Competent Authority considers such change to be sufficiently certain and (ii) the Issuer demonstrates to the satisfaction of the Competent Authority that the Capital Event was not reasonably foreseeable at the time of the issuance of the Additional Tier 1 Conversion Notes; or
 - (c) in the case of redemption due to the occurrence of a Withholding Tax Event or Tax Event, the Issuer demonstrates to the satisfaction of the Competent Authority that such Withholding Tax Event or Tax Event is material and was not reasonably foreseeable at the time of issuance of the Additional Tier 1 Conversion Notes,

(the “**Conditions to Redemption**”).

(g) ***Trigger Event Post Redemption Notice***

If the Issuer has elected to redeem the Additional Tier 1 Conversion Notes but prior to the payment of the redemption amount with respect to such redemption, a Trigger Event occurs, the relevant redemption notice shall be automatically rescinded and shall be of no force and effect, no payment of the redemption amount will be due and payable and an Automatic Conversion shall occur in accordance with Condition 7 (*Loss Absorption Mechanism*).

(h) ***Purchase of the Additional Tier 1 Conversion Notes***

The Issuer and its subsidiaries (if any) may, if in accordance with the Applicable Banking Regulations, at any time purchase Additional Tier 1 Conversion Notes in the open market or otherwise and at any price and any such purchases shall be subject to the prior permission of the Competent Authority (if such permission is then required under the Applicable Banking Regulations).

(i) ***Cancellation of Redeemed and Purchased Additional Tier 1 Conversion Notes***

All Additional Tier 1 Conversion Notes redeemed or purchased in accordance with this Condition 6 will be cancelled and may not be reissued or resold. References in this Condition 6(i) to the purchase of the Additional Tier 1 Conversion Notes by the Issuer shall not include the purchase of Additional Tier 1 Conversion Notes in the ordinary course of business of dealing in securities or the purchase of Additional Tier 1 Conversion Notes otherwise than as beneficial owner.

7. Loss Absorption Mechanism

(a) *Automatic Conversion Upon Trigger Event*

- (i) Automatic Conversion: If a Trigger Event has occurred at any time, then an Automatic Conversion will be deemed to have occurred immediately at such time (the date on which such Trigger Event occurs being the “**Conversion Date**”), and the Additional Tier 1 Conversion Notes will be converted into newly issued Conversion Shares at the Conversion Price as provided in this Condition 7.
- (ii) Effect of Automatic Conversion: From and including the Conversion Date:
 - (A) the principal amount of the Additional Tier 1 Conversion Notes will be written down to zero and, accordingly, the principal amount of the Additional Tier 1 Conversion Notes shall equal zero at all times thereafter;
 - (B) any interest in respect of an Interest Period ending on any Interest Payment Date falling on or after the Conversion Date shall be automatically cancelled and shall not be due and payable;
 - (C) no Noteholder will have any rights against the Issuer with respect to the repayment of the principal amount of the Additional Tier 1 Conversion Notes or the payment of interest or any other amount on or in respect of such Additional Tier 1 Conversion Notes, which obligations and liabilities of the Issuer shall be irrevocably and automatically released; and
 - (D) subject to the last paragraph of Condition 7(d) (*Settlement Procedure*), the Issuer’s only obligations and liabilities under the Additional Tier 1 Conversion Notes shall be an obligation to deliver Conversion Shares to the Settlement Shares Depositary on behalf of the Noteholders on the Registration Date in accordance with this Condition 7.

An Automatic Conversion shall not constitute an event of default or a breach of the Issuer’s obligations or duties or a failure to perform by the Issuer in any manner whatsoever and shall not, of itself, entitle Noteholders to petition for the insolvency or dissolution of the Issuer or otherwise.

- (iii) No option to convert: The Additional Tier 1 Conversion Notes are not convertible into Conversion Shares at the option of the Noteholders or the Issuer at any time.

(b) *Automatic Conversion Procedure*

If an Automatic Conversion has occurred, the Issuer shall immediately inform the Competent Authority and shall deliver an Automatic Conversion Notice to the Noteholders in accordance with Condition 15 (*Notices*) and to the Fiscal Agent as soon as reasonably practicable and in any event not more than five (5) Business Days after the occurrence of the Trigger Event (or within such shorter period as the Competent Authority may require).

The Issuer shall further give notice to Noteholders in accordance with Condition 15 (*Notices*) and to the Fiscal Agent as soon as reasonably practicable following the giving of the Automatic Conversion Notice of the details of the arrangements for the settlement of the Automatic Conversion, including the Settlement Shares Offer and the appointment of the Settlement Shares Offer Agent, the expected Registration Date and any appointment of a Selling Agent (the “**Automatic Conversion Settlement Notice**”).

Notwithstanding Condition 15 (*Notices*), each of the Automatic Conversion Notice and the Automatic Conversion Settlement Notice shall be deemed to have been given on the date on which it is dispatched to the Noteholders. Failure to provide such notice will not have any impact on the effectiveness of, or otherwise invalidate, any such Automatic Conversion or give Noteholders any rights as a result of such failure.

Simultaneously with the delivery of the Automatic Conversion Notice to the Holders, or as soon as possible thereafter, the Issuer shall procure that a similar notice is, or has been, given in respect of any Loss Absorbing Instruments to be written down or converted concurrently, or substantially concurrently (in accordance with their terms).

(c) ***The Conversion Shares***

The number of Conversion Shares which are to be issued in respect of each Additional Tier 1 Conversion Note shall be determined by dividing the principal amount of such Additional Tier 1 Conversion Note by the Conversion Price rounded down, if necessary, to the nearest whole number of Conversion Shares. Fractions of Conversion Shares will not be issued following an Automatic Conversion and no cash payment will be made in lieu thereof.

The Conversion Shares resulting from an Automatic Conversion will be fully paid and non-assessable and will in all respects rank *pari passu* with all other Ordinary Shares in issue on the Registration Date, except in any such case for any right excluded by mandatory provisions of applicable law and except that the Conversion Shares so issued will not rank for the purposes of (or, as the case may be, the relevant Noteholder shall not be entitled to receive) any rights, the entitlement to which falls prior to the Registration Date. The Conversion Shares will carry a right to dividends, distributions and rights having a record date that occurs on or after the registration of the Conversion Shares (whether in the form of interim shares or regular shares) with the Central Securities Depository (the date such registration occurs being the “**Registration Date**”).

The Issuer shall use reasonable endeavours to ensure that its issued and outstanding Ordinary Shares and Conversion Shares, as the case may be, will be admitted to listing and trading on the Relevant Stock Exchange.

(d) ***Settlement Procedure***

Subject to the last paragraph of this Condition 7(d), the obligation of the Issuer to issue and deliver Conversion Shares to a Noteholder shall be satisfied by the delivery of the Conversion Shares in respect of the Additional Tier 1 Conversion Note(s) of such Noteholder to the Settlement Shares Depository on the Registration Date. Such delivery will be deemed to have occurred when the Conversion Shares are registered (whether as interim shares or regular shares) in the name of the Settlement Shares Depository by the Central Securities Depository. With effect on and from the Registration Date, a Noteholder shall have recourse only to the Settlement Shares Depository for the delivery of the number of Conversion Shares determined in respect of its Additional Tier 1 Conversion Note(s) in accordance with Condition 7(c) (*The Conversion Shares*) or any cash amounts to which such Noteholder may be entitled in accordance with Condition 7(e) (*Settlement Shares Offer*).

Delivery of the Conversion Shares by the Settlement Shares Depository to the Noteholders will be made solely by book-entry with the Central Securities Depository and no physical share certificate will be delivered to any Noteholder in respect of any Conversion Share. Such delivery to a Noteholder will be made in accordance with the following procedures:

- (i) as soon as reasonably practicable (and not later than one month following the occurrence of a Trigger Event), the Issuer shall request and procure the registration of the Conversion Shares with (i) the Finnish Trade Register, and (ii) the Central Securities Depository; and on the Registration Date, the Issuer shall deliver (in accordance with the first paragraph of this Condition 7(d)) to the Settlement Shares Depository such number of Conversion Shares as is required to satisfy in full its obligation to deliver Conversion Shares on the Registration Date;
- (ii) in order to obtain delivery of the relevant Conversion Shares from the Settlement Shares Depository upon any Automatic Conversion on or following the Offer Settlement Date, each Noteholder shall deliver a duly completed irrevocable Delivery Notice to the Paying and Conversion Agent at its specified office, together with its Additional Tier 1 Conversion Notes, by no later than the 5th Business Day (in the relevant place of delivery) immediately preceding the Offer Settlement Date (such date being the “**Notice Cut-off Date**”);
- (iii) subject to completion of the Settlement Shares Offer, the Paying and Conversion Agent shall give instructions to the Settlement Shares Depository for the relevant Conversion Shares not sold pursuant to the Settlement Shares Offer to be delivered by the Settlement Shares Depository to each Noteholder on the Offer Settlement Date or as soon as practicable thereafter in accordance with the instructions given in the relevant Delivery Notice, provided that such duly completed Delivery Notice and the relevant Additional Tier 1 Conversion Notes have been so delivered to the Paying and Conversion Agent not later than the Notice Cut-off Date;
- (iv) any determination as to whether any Delivery Notice has been properly completed and delivered together with the relevant Additional Tier 1 Conversion Note(s) as provided in these Conditions

shall be made by the Settlement Shares Depositary in its sole discretion and shall be conclusive and binding on the relevant Noteholder; and

- (v) in the case of any Noteholder which fails to deliver a valid Delivery Notice and the relevant Additional Tier 1 Conversion Note(s) prior to the Notice Cut-off Date (each, an “**Affected Noteholder**”), the relevant Conversion Shares shall, for a period of ten (10) Business Days from (and including) the Notice Cut-Off Date, continue to be held on trust (or other similar arrangement) by the Settlement Shares Depositary for such Noteholder until such Noteholder delivers a duly completed Delivery Notice and the relevant Additional Tier 1 Conversion Note(s) and subject to Condition 7(f)(i) (*Entitlement to Conversion Shares or Cash Proceeds*) below. Following such ten (10) Business Day period, and subject to completion of the Settlement Shares Offer, the Settlement Shares Depositary shall use its reasonable endeavours to appoint a selling agent (the “**Selling Agent**”) to sell the relevant Conversion Shares in the open market and it shall hold the cash proceeds (the “**Cash Proceeds**”) received from such sale (after deduction of any costs or expenses incurred by it in relation thereto) on trust (or other similar arrangement) on behalf of the Affected Noteholder until such Affected Noteholder delivers a duly completed Delivery Notice and the relevant Additional Tier 1 Conversion Note(s), subject to a ten (10) year prescription period and subject to Condition 7(f)(i) (*Entitlement to Conversion Shares or Cash Proceeds*) below.
- (vi) In the relevant Automatic Conversion Settlement Notice, the Issuer shall notify Noteholders whether it has appointed a Selling Agent for the sale of any such Conversion Shares. Subject to the deduction by or on behalf of each of the Selling Agent and the Settlement Shares Depositary of any amount payable in respect of its liability to taxation and the payment of any capital, stamp, issue, registration and/or transfer taxes and duties (if any) and any fees or costs incurred by or on behalf of the Selling Agent or the Settlement Shares Depositary in connection with the issue, allotment and sale thereof, the net proceeds of any such sale of Conversion Shares, converted into the Specified Currency at the Prevailing Exchange Rate on the date of sale of such Conversion Shares, if necessary, shall as soon as reasonably practicable be distributed rateably by the Settlement Shares Depositary to the relevant Noteholders in accordance with Condition 10 (*Payments*) or in such other manner and at such time as shall be notified to the relevant Noteholders in accordance with Condition 15 (*Notices*) and to the Fiscal Agent. Such payment shall for all purposes discharge the obligations of the Issuer, the Settlement Shares Depositary and the Selling Agent in respect of the Automatic Conversion of the relevant Additional Tier 1 Conversion Notes.

For so long as the Conversion Shares are held by the Settlement Shares Depositary on behalf of each Noteholder, the Settlement Shares Depositary, subject to applicable laws, shall also hold any Cash Dividends and any other dividends or rights distributed to all other Shareholders as a class in respect of such Conversion Shares on trust (or other similar arrangement) for such Noteholder. The Settlement Shares Depositary shall use its reasonable endeavours to sell any such rights in the open market before expiry and it shall hold the cash proceeds received from such sale (after deduction of any costs or expenses incurred by it in relation thereto) on trust (or other similar arrangement) on behalf of each Noteholder. Cash Dividend(s) (and other dividends or rights or proceeds therefrom) shall be paid to the relevant Noteholder in accordance with the instructions given in the relevant Delivery Notice.

(e) ***Settlement Shares Offer***

Prior to the date of the Automatic Conversion Notice, the Issuer shall appoint a placement agent (the “**Settlement Shares Offer Agent**”) acting on behalf, and for the account, of the Noteholders to conduct an offering of the Conversion Shares (the “**Settlement Shares Offer**”), which Settlement Shares Offer Agent may be the Issuer or a third party. The Settlement Shares Offer shall be made on a *pro rata* basis to all shareholders of the Issuer on the applicable record date who are eligible to participate in the Settlement Shares Offer, subject to applicable laws and regulations. In the relevant Automatic Conversion Settlement Notice, the Issuer shall notify Noteholders of the appointment of the Settlement Shares Offer Agent to conduct the Settlement Shares Offer. The Settlement Shares Depositary shall deliver the relevant Conversion Shares to or to the order of the Settlement Shares Offer Agent for this purpose prior to the end of the Offer Settlement Period (as defined below). The Conversion Shares shall be offered to such shareholders pursuant to the Settlement Shares Offer at a price per Conversion Share equal to the Conversion Price plus the amount necessary to provide for the payment by subscribing shareholders of the Settlement Shares Offer Expenses (as defined below) in order that the cash proceeds received from the Settlement Shares Offer will result in the payment to Noteholders in respect of each Conversion Share to which they would otherwise have been entitled of an amount not less than the

Conversion Price. The Settlement Shares Offer shall be completed in a period of no more than 40 Business Days from (and including) the Business Day immediate following the Conversion Date to (and including) the date of completion of the Settlement Shares Offer (such period, the "**Offer Settlement Period**"). Neither the Issuer nor the Settlement Shares Depositary shall incur any liability whatsoever to the Noteholders in respect of the appointment of the Settlement Shares Offer Agent or its conduct.

In the event of the Settlement Shares Offer being fully subscribed by or before the end of the Offer Settlement Period, Noteholders shall, pursuant to the agreement appointing the Settlement Shares Offer Agent, be entitled to receive from the Settlement Shares Offer Agent on the 5th Business Day from (and including) the Business Day immediately following the end of the Offer Settlement Period (the "**Offer Settlement Date**"), in respect of each Conversion Share to which they were otherwise entitled, the cash proceeds realised from such sale of such Conversion Share in the Settlement Shares Offer (being an amount not less than the Conversion Price after the deduction by or on behalf of the Settlement Shares Offer Agent and the Settlement Shares Depositary of any amount payable in respect of its liability to taxation and the payment of any capital, stamp, issue, registration and/or transfer taxes and duties (if any) and any fees or costs incurred by or on behalf of the Issuer, the Settlement Shares Offer Agent or the Settlement Shares Depositary in connection with the issue, allotment and sale thereof (the "**Settlement Shares Offer Expenses**")). In the event that the Settlement Shares Offer is only partially subscribed, Noteholders shall in aggregate be entitled to receive from the Settlement Shares Offer Agent, pursuant to the agreement appointing the Settlement Shares Offer Agent, on a *pro rata* basis (a) the cash proceeds realised from the sale of the relevant Conversion Shares in such Settlement Shares Offer (after the deduction of the Settlement Shares Offer Expenses), which shall be an amount not less than the Conversion Price multiplied by the aggregate number of Conversion Shares sold on the Offer Settlement Date, together with (b) the number of Conversion Shares not subscribed pursuant to the Settlement Shares Offer on the dates described in Condition 7(d)(*Settlement Procedure*) from the Settlement Shares Depositary. In the case that no Conversion Shares are subscribed in the Settlement Shares Offer, Noteholders shall be entitled to receive the relevant Conversion Shares on the dates described in Condition 7(d) (*Settlement Procedure*) from the Settlement Shares Depositary. The Issuer shall give notice of the Offer Settlement Date and the Notice Cut-off Date to Noteholders in accordance with Condition 15 (*Notices*) promptly following the commencement of the Settlement Shares Offer, which Notice Cut-off Date shall be not less than 10 Business Days following the date of such notice. Any Conversion Shares not subscribed pursuant to the Settlement Shares Offer shall be re-delivered to the Settlement Shares Depositary for further delivery to Noteholders, as contemplated by this Condition 7(e).

(f) ***Entitlement to Conversion Shares or Cash Proceeds***

- (i) Any Affected Noteholder delivering a Delivery Notice after the Notice Cut-off Date will have to provide evidence of its entitlement to the relevant Conversion Shares or Cash Proceeds (as the case may be) satisfactory to the Settlement Shares Depositary in its sole and absolute discretion in order to receive delivery of such Conversion Shares or Cash Proceeds (as the case may be).
- (ii) Neither the Settlement Shares Depositary nor the Issuer shall have any liability to any Noteholder for any loss resulting from such Noteholder not receiving any Conversion Shares (or Cash Proceeds) or from any delay in the receipt thereof, in each case as a result of such Noteholder failing to duly submit a Delivery Notice and the relevant Additional Tier 1 Conversion Notes, if applicable, on a timely basis or at all.
- (iii) Neither the Issuer nor the Settlement Shares Depositary shall have any liability in respect of the sale of any Conversion Shares or rights, whether for the timing of any such sale or the price at or manner in which any such Conversion Shares or rights are sold or the inability to sell any such Conversion Shares or rights.

(g) ***Taxes***

Neither the Issuer, nor any of its subsidiaries nor the Settlement Shares Offer Agent, Selling Agent or Settlement Shares Depositary shall be liable for any stamp duty, stamp duty reserve tax, or any other capital, issue, transfer, registration, financial transaction or documentary tax that may arise or be paid as a consequence of the delivery of Conversion Shares, which tax shall be borne solely by the Noteholder.

(h) ***Adjustment of Floor Price***

Upon the happening of any of the events described below, the Floor Price shall be adjusted as follows, subject always to the proviso set out in the definition of Floor Price:

- (i) If and whenever there shall be a consolidation, reclassification or subdivision in relation to the Ordinary Shares which alters the number of Ordinary Shares in issue, the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to such consolidation, reclassification or subdivision by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Ordinary Shares in issue immediately before such consolidation, reclassification or subdivision, as the case may be; and

B is the aggregate number of Ordinary Shares in issue immediately after, and as a result of, such consolidation, reclassification or subdivision, as the case may be.

Such adjustment shall become effective on the date the consolidation, reclassification or subdivision, as the case may be, takes effect.

- (ii) If and whenever the Issuer shall issue any Ordinary Shares to Shareholders as a class credited as fully paid by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve), the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to such issue by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Ordinary Shares in issue immediately before such issue; and

B is the aggregate number of Ordinary Shares in issue immediately after such issue.

Such adjustment shall become effective on the date of issue of such Ordinary Shares.

- (iii) If and whenever the Issuer shall issue Ordinary Shares to all or substantially all Shareholders as a class by way of rights, or the Issuer or any of its subsidiaries or (at the direction or request or pursuant to arrangements with the Issuer or any of its subsidiaries) any other company, person or entity shall issue or grant to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase Ordinary Shares, or any Securities which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, any Ordinary Shares (or shall grant any such rights in respect of existing Securities so issued), in each case at a price per Ordinary Share which is less than 95 per cent of the Current Market Price per Ordinary Share on the relevant Effective Date, the Floor Price shall be adjusted by multiplying the Floor Price in force immediately prior to the relevant Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A is the number of Ordinary Shares in issue on the relevant Effective Date;

B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares issued by way of rights, or for the Securities issued by way of rights, or for the options or warrants or other rights issued by way of rights and for the total number of Ordinary Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Ordinary Share on the relevant Effective Date; and

C is the number of Ordinary Shares to be issued or, as the case may be, the maximum number of Ordinary Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase in respect thereof at the initial conversion, exchange, subscription or purchase price or rate,

provided that if, on the relevant Effective Date, such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this Condition 7(g)(iii), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the relevant Effective Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the relevant Effective Date.

Such adjustment shall become effective on the relevant Effective Date.

Notwithstanding the foregoing provisions:

- (A) where the events or circumstances giving rise to any adjustment pursuant to this Condition 7(g) have already resulted or will result in an adjustment to the Floor Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Floor Price or where more than one event which gives rise to an adjustment to the Floor Price occurs within such a short period of time that, in the opinion of the Issuer, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made to the operation of the adjustment provisions as may be determined in good faith by an Independent Adviser to be in its opinion appropriate to give the intended result;
- (B) such modification shall be made to the operation of these Conditions as may be determined in good faith by an Independent Adviser to be in its opinion appropriate (i) to ensure that an adjustment to the Floor Price or the economic effect thereof shall not be taken into account more than once, and (ii) to reflect a redenomination of the issued Ordinary Shares for the time being into a new currency; and
- (C) for the avoidance of doubt, the issue of Ordinary Shares upon an Automatic Conversion or upon any conversion or exchange in respect of any other Securities or the exercise of any other options, warrants or other rights shall not result in an adjustment to the Floor Price.

(i) ***Determination of Consideration Receivable***

For the purpose of any calculation of the consideration receivable or price pursuant to Condition 7(g)(iii) (*Adjustment of Floor Price*), the following provisions shall apply:

- (i) the aggregate consideration receivable or price for Ordinary Shares issued for cash shall be the amount of such cash;
- (ii) (x) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any such Securities and (y) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Issuer to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the relevant Effective Date, plus in the case of each of (x) and (y) above, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights of subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (z) the consideration receivable or price per Ordinary Share upon the conversion or exchange of,

or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (x) or (y) above (as the case may be) divided by the number of Ordinary Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate;

- (iii) if the consideration or price determined pursuant to (i) or (ii) above (or any component thereof) shall be expressed in a currency other than the Relevant Currency, it shall be translated into the Relevant Currency at the Prevailing Exchange Rate on the relevant Effective Date (in the case of (i) above) or the relevant date of first public announcement (in the case of (ii) above);
- (iv) in determining the consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Ordinary Shares or Securities or options, warrants or rights, or otherwise in connection therewith; and
- (v) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable, regardless of whether all or part thereof is received, receivable, paid or payable by or to the Issuer or another entity.

(j) ***Decision of an Independent Adviser***

If any doubt shall arise as to whether an adjustment shall be made to the Floor Price or as to the appropriate adjustment to the Floor Price, the Issuer may at its discretion appoint an Independent Adviser and, following consultation between the Issuer and such Independent Adviser, a written opinion of such Independent Adviser in respect thereof shall be conclusive and binding on the Issuer and the Noteholders, save in the case of manifest error.

(k) ***Share Option Schemes, Dividend Reinvestment Plans***

No adjustment will be made to the Floor Price where Ordinary Shares or other Securities (including rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or granted to, or for the benefit of, employees or former employees (including directors holding or formerly holding executive office or the personal service company of any such person) or their spouses or relatives, in each case, of the Issuer or any of its subsidiaries or any associated company or to a trustee or trustees to be held for the benefit of any such person, in any such case pursuant to any share or option scheme.

(l) ***Rounding Down and Notice of Adjustment to the Floor Price***

On any adjustment, if the resultant Floor Price has more decimal places than the initial Floor Price, it shall be rounded to the same number of decimal places as the initial Floor Price. No adjustment shall be made to the Floor Price where such adjustment (rounded down if applicable) would be less than one per cent of the Floor Price then in effect. Any adjustment not required to be made, and/or any amount by which the Floor Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time and/or, as the case may be, that the relevant rounding down had not been made.

Notice of any adjustments to the Floor Price shall be given by the Issuer to Noteholders promptly after the determination thereof in accordance with Condition 15 (Notices) and to the Paying and Conversion Agent.

The Floor Price shall not in any event be reduced to below the quota value of an Ordinary Share for the time being. The Issuer undertakes that it shall not take any action, and shall procure that no action is taken, that would otherwise result in an adjustment to the Floor Price to below the quota value of the Ordinary Shares immediately prior to Automatic Conversion translated into the Specified Currency at the then Prevailing Exchange Rate.

(m) ***Appointment of Third Parties***

Where the provisions of this Condition 7 (*Loss Absorption Mechanism*) require or provide for a determination by an Independent Adviser or a role to be performed by a Settlement Shares Depositary, and/or a Settlement Shares Offer Agent and/or Selling Agent, the Issuer shall use all reasonable endeavours promptly to appoint such person for such purpose.

If the Issuer has been unable to appoint the Selling Agent, or if any Conversion Shares are not sold by the Selling Agent in accordance with Condition 7(d), such Conversion Shares shall continue to be held by the Settlement Shares Depository until the relevant Noteholder delivers a duly completed Delivery Notice and the relevant Additional Tier 1 Conversion Notes. Any costs incurred by the Settlement Shares Depository or any parent, subsidiary or affiliate of the Settlement Shares Depository in connection with the holding by the Settlement Shares Depository of any Conversion Shares and any amount received in respect thereof shall be deducted by the Settlement Shares Depository from such amount prior to the delivery of such Conversion Shares and payment of such amount to the relevant Noteholder.

If the Issuer has been unable to appoint a Settlement Shares Depository, it shall make such other arrangements for the issuance and/or delivery of the Conversion Shares to the Noteholders as it shall consider reasonable in the circumstances, which may include issuing the Conversion Shares to the Noteholders directly, which issuance shall irrevocably and automatically release all of the Issuer's obligations under the Additional Tier 1 Conversion Notes as if the Conversion Shares had been issued to the Settlement Shares Depository. In such circumstances, the Issuer will specify details about the relevant arrangements in the Automatic Conversion Notice.

(n) ***Rights and Obligations of Noteholders in Certain Situations***

Should the Issuer resolve on (i) any issue of new shares, stock options and other special rights entitling to shares in the Issuer, (ii) payment of dividends to shareholders or distribution of assets from the fund for invested unrestricted equity, the share premium reserve or legal reserve or reduction of share capital to the shareholders in the form of cash, securities or other property or (iii) the repurchase or redemption of any ordinary shares of the Issuer under the Finnish Companies Act, the Noteholders shall only be entitled to an appropriate adjustment of the Conversion Price and/or the number of securities into which the Notes are convertible if, and to the extent, so provided by this Condition 7 and save for redemption upon liquidation, and shall not otherwise have any right of conversion or compensation and no measures will need to be taken in relation to the Notes. If the Issuer acquires stock options or special rights to acquire shares, no measures will need to be taken in relation to the Notes.

Should the Issuer be placed into liquidation or resolve on any merger or demerger the Noteholders shall have no right of conversion or compensation (save as provided in this Condition 7 (*Loss Absorption Mechanism*) and save for redemption upon liquidation) and no measures will need to be taken in relation to the Notes. In any merger or demerger where the Issuer is dissolved, any acquiring company shall, however, maintain the Automatic Conversion mechanism contained in this Condition 7 (*Loss Absorption Mechanism*) by means of corresponding rights to conversion as specified in the relevant merger or demerger plan. Notwithstanding Chapter 16, Section 13 of the Finnish Companies Act with respect to a merger and Chapter 17, Section 13 of the Finnish Companies Act with respect to a demerger, the Noteholders shall not be entitled to demand the redemption of the Notes in relation to a merger or a demerger.

Should a shareholder under the Finnish Companies Act have the right to acquire the shares from the other shareholders of the Issuer by means of Compulsory Acquisition Proceedings, the Noteholders shall upon request by such shareholder have a corresponding obligation to transfer all of their Notes to such shareholder. If an agreement on the purchase price cannot be reached between the parties, the purchase price shall be determined through arbitration in accordance with the procedure contained in Chapter 18 of the Finnish Companies Act.

8. Events of Default

- (a) If:
- (i) the Issuer shall default for a period of 7 days in the payment of principal that has become due and payable in accordance with any redemption of the Additional Tier 1 Conversion Notes; or
 - (ii) an order is made or an effective resolution is passed for the winding up or liquidation of the Issuer (except for the purpose of a merger, reconstruction or amalgamation under which the continuing entity effectively assumes the entire obligations of the Issuer under the Additional Tier 1 Conversion Notes) or the Issuer is otherwise declared bankrupt or put into liquidation, in each case, by a court or agency or supervisory authority in the Relevant Jurisdiction or elsewhere

having jurisdiction in respect of the same, the Holder of any Additional Tier 1 Conversion Note may:

- (x) (in the case of (i) above) institute proceedings for the Issuer to be declared bankrupt or its winding-up or liquidation, in each case, in the Relevant Jurisdiction and not elsewhere, and prove or claim in the bankruptcy or liquidation of the Issuer; and/or
- (y) (in the case of (ii) above) prove or claim in the winding up or liquidation or as the case may be, bankruptcy or liquidation of the Issuer, whether in the Relevant Jurisdiction or elsewhere and instituted by the Issuer itself or by a third party,

but (in either case) the Holder of such Additional Tier 1 Conversion Note may claim payment in respect of the Additional Tier 1 Conversion Note only in the winding up or liquidation or as the case may be, bankruptcy or liquidation of the Issuer.

- (b) In any of the events or circumstances described in Condition 8(a)(ii) above, the Holder of any Additional Tier 1 Conversion Note may, by notice to the Issuer, declare such Additional Tier 1 Conversion Note to be due and payable, and such Additional Tier 1 Conversion Note shall accordingly become due and payable at its principal amount together with accrued (and uncanceled) interest to the date of payment, but subject to such Holder only being able to claim payment in respect of the Additional Tier 1 Conversion Note in the winding up or liquidation or as the case may be, bankruptcy or liquidation of the Issuer and provided that any such event occurs before the date on which a Trigger Event occurs.
- (c) The Holder of any Additional Tier 1 Conversion Note may at its discretion institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition, undertaking or provision binding on the Issuer under the Additional Tier 1 Conversion Notes (other than, without prejudice to Conditions 8(a) or 8(b) above, any obligation for the payment of any principal or interest in respect of the Additional Tier 1 Conversion Notes) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it, except with the prior approval of the Competent Authority (if such approval is then required under the Applicable Banking Regulations).
- (d) No remedy against the Issuer, other than as provided in Conditions 8(a), 8(b) and 8(c) above shall be available to the Holders of Additional Tier 1 Conversion Notes, whether for the recovery of amounts owing in respect of the Additional Tier 1 Conversion Notes or in respect of any breach by the Issuer of any of its obligations or undertakings with respect to the Additional Tier 1 Conversion Notes.

9. Taxation

- (a) All amounts payable in cash or in kind (whether in respect of principal, redemption amount, interest or otherwise) in respect of the Additional Tier 1 Conversion Notes will be made free and clear of and without withholding or deduction for, or on account of, any present or future taxes or duties of whatever nature imposed or levied by or on behalf of the Taxing Jurisdiction, unless the withholding or deduction of such taxes or duties is required by law. In the event that a payment of interest is subject to withholding or deduction of such taxes or duties is required by law, the Issuer will pay such additional amounts as may be necessary in order that the net amounts receivable by the Holders after such withholding or deduction shall equal the respective amounts which would have been receivable in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to payment in respect of any Additional Tier 1 Conversion Note presented for payment (where presentation is required):
 - (i) in the Taxing Jurisdiction;
 - (ii) more than 30 days after the Relevant Date, except to the extent that the relevant Holder would have been entitled to such additional amounts on presenting the same for payment on the expiry of such period of 30 days; or
 - (iii) by or on behalf of, a Holder who would not be liable or subject to the withholding or deduction by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority,

and except that no such additional amounts shall be payable in respect of payment in respect of any Additional Tier 1 Conversion Note the Holder or a beneficial owner of which is liable to such taxes or duties by reason of his having some connection with the Taxing Jurisdiction, as the case may be, other than the mere holding of such Additional Tier 1 Conversion Note.

Nor will additional amounts be paid with respect to any payment of principal or interest on an Additional Tier 1 Conversion Note to any Holder that is a fiduciary or partnership or other than the sole beneficial owner of any such payment to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such partnership or the beneficial owner would not have been entitled to the additional amounts had such beneficiary, settlor, member or beneficial owner been the Holder of such Additional Tier 1 Conversion Note. The obligation to pay taxes, duties, assessments and governmental charges shall not apply to (a) any estate, inheritance, gift, sales, transfer, personal property or any similar tax, assessment or other governmental charge or (b) any tax, assessment or other governmental charge which is payable otherwise than by deduction or withholding from payments in cash or in kind of principal, redemption amount, interest, reconversion or otherwise.

- (b) For the purposes of these Conditions, the “**Relevant Date**” means the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Fiscal Agent on or prior to such due date, it means the first date on which the full amount of such moneys has been so received and notice to that effect shall have been duly given to the Holders of the Additional Tier 1 Conversion Notes of the relevant Series in accordance with Condition 15 (*Notices*).
- (c) Any reference in these Conditions to interest in respect of the Additional Tier 1 Conversion Notes shall be deemed also to refer to any additional amounts which may be payable under this Condition 9 or any undertaking given in addition thereto or in substitution therefor. For the avoidance of doubt, no additional amounts shall be payable by the Issuer in respect of payments of principal under the Additional Tier 1 Conversion Notes. The mandatory restrictions on interest payments under Condition 5(7)(b) shall apply to any additional amounts *mutatis mutandis*.

Mutilated or defaced Additional Tier 1 Conversion Notes must be surrendered before replacements will be delivered.

14. Meetings of Holders

The Agency Agreement contains provisions, which are binding on the Issuer and the Holders of Additional Tier 1 Conversion Notes, for convening meetings of the Holders of Additional Tier 1 Conversion Notes of any Series to consider matters affecting their interests, including the modification or waiver of the Conditions applicable to any Series of Additional Tier 1 Conversion Notes. Any modification or waiver of the Conditions which affects Additional Tier 1 Conversion Notes will be effected in accordance with Applicable Banking Regulations.

In addition, modifications or waivers may be approved without a meeting in accordance with the procedures set out in the Agency Agreement.

Modifications of and amendments to the Conditions of a Series of Additional Tier 1 Conversion Notes, the Agency Agreement or the Deed of Covenant may be effected by the Issuer and the Fiscal Agent, and future compliance with any Additional Tier 1 Conversion Notes or the Agency Agreement, or any past default with respect to any Additional Tier 1 Conversion Notes or the Agency Agreement, by the Issuer may be waived, (a) in the case of such modification, amendment or waiver to be considered at a quorate meeting, by way of Extraordinary Resolution or (b) in the case of a consent without a meeting, with the consent of persons holding or representing not less than two-thirds in principal amount of the Series of Additional Tier 1 Conversion Notes (excluding any Additional Tier 1 Conversion Notes of the Series held by the Issuer or its affiliates) then outstanding, each in accordance with the procedures set forth in the Agency Agreement, provided that no such modification, amendment or waiver may, without (y) in the case of such modification, amendment or waiver to be considered at a quorate meeting, an Extraordinary Resolution or (z) in the case of a consent without a meeting, the consent of persons holding or representing not less than three-quarters in principal amount of the Series of Additional Tier 1 Conversion Notes (excluding any Additional Tier 1 Conversion Notes of the Series held by the Issuer or its affiliates) then outstanding, each in accordance with the procedures set forth in the Agency Agreement, (i) change in the stated maturity of any Additional Tier 1 Conversion Note (if any), or the date for any payment on any Additional Tier 1 Conversion Note, (ii) reduce the principal amount of any Additional Tier 1 Conversion Note or reduce the interest payable thereon, (iii) change any obligations of the Issuer to pay additional amounts, (iv) change the place for or currency in which any Additional Tier 1 Conversion Note or interest thereon is payable, (v) impair the right to institute suit for the enforcement of the holder of any Additional Tier 1 Conversion

The Fiscal Agent may agree, without the consent of the Noteholders, to any modification of any of the terms of a Series of Additional Tier 1 Conversion Notes or of any of the provisions of the Agency Agreement which does not, in the sole opinion of the Issuer, materially adversely affect the interests of the Noteholders or to any modification which is of a formal, minor or technical nature or to correct a manifest error.

Any modification shall be binding on the Noteholders and, unless the Fiscal Agent agrees otherwise, any modification shall be notified by the Issuer to the Noteholders as soon as practicable thereafter in accordance with the Agency Agreement.

For the purposes of this Condition 14, “**Extraordinary Resolution**” means a resolution passed at a meeting duly convened and held in accordance with these Conditions and the Agency Agreement by a majority of not less than two-thirds of the votes cast.

15. Notices

(a) *To Holders of Bearer Notes*

Notices to Holders of Bearer Notes will, save where another means of effective communication has been specified in the relevant Pricing Supplement, be deemed to be validly given if published in a leading daily newspaper having general circulation in the United Kingdom (which is expected to be the Financial Times) or, in the case of a Temporary Global Note or Permanent Global Note if delivered to Euroclear and Clearstream, Luxembourg for communication by them to the persons shown in their respective records as having interests therein provided that, in the case of Additional Tier 1 Conversion Notes admitted to listing and/or trading on any stock exchange, the requirements of such stock exchange or listing authority have been complied with. Any notice so given will be deemed to have been validly given on the date of such publication (or, if published more than once, on the date of first such publication) or, as the case may be, on the fourth Business Day after the date of such delivery.

(b) *To Holders of Registered Notes*

Notices to Holders of Registered Notes will be deemed to be validly given if sent by first class mail to them (or, in the case of joint Holders, to the first-named in the Note Register) at their respective addresses as recorded in the Note Register, and will be deemed to have been validly given on the fourth Business Day after the date of such mailing.

Notwithstanding the foregoing, so long as any Registered Notes are evidenced by (i) a Global Registered Note which is held by or on behalf of DTC for the benefit of participants in DTC, all notices with respect to such Additional Tier 1 Conversion Notes shall be sent only to DTC which will communicate such notices to its participants in accordance with its standard and customary procedures in effect at that time, or (ii) a Global Registered Note which is held by or on behalf of Euroclear and/or Clearstream, Luxembourg, all notices with respect to such Registered Notes shall be delivered to Euroclear and Clearstream, Luxembourg for communication by them to the persons shown in their respective records as having interests therein, provided that, if the Additional Tier 1 Conversion Notes of a Series are listed on a stock exchange then all notices shall also be made in accordance with the standard and customary procedures then in effect at such stock exchange. Any such notice shall be deemed to have been given to the holders of the relevant Additional Tier 1 Conversion Notes on the seventh day after the day on which the said notice was given to DTC, Euroclear or Clearstream, Luxembourg (as the case may be) or as otherwise provided by the applicable rules of a stock exchange.

(c) *To the Issuer*

Notices to the Issuer will be deemed to be validly given if delivered to the Issuer’s Swedish branch at Smålandsgatan 17, SE-105 71, Stockholm, Sweden and clearly marked on their exterior “Urgent—Attention: Group Treasury” (or at such other address and for such other attention as may have been notified to the Holders of the Additional Tier 1 Conversion Notes in accordance with this Condition 15)

and will be deemed to have been validly given at the opening of business on the next day on which the Issuer's principal office is open for business.

16. Provision of Information

For so long as any Registered Notes of a Series remain outstanding and are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer shall, during any period in which it is neither subject to Section 13 or 15(d) under the Exchange Act nor exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, furnish to any Noteholder of, or beneficial owner of an interest in, such Registered Notes in connection with any resale thereof and to any prospective purchaser designated by such Noteholder or beneficial owner in each case upon request, such information as is required to be provided pursuant to Rule 144A(d)(4) under the Securities Act in order to permit compliance with Rule 144A in connection with the resale of such restricted securities.

17. Further Issues

The Issuer may from time to time without the consent of the Holders of any Additional Tier 1 Conversion Notes of any Series create and issue further Additional Tier 1 Conversion Notes and other debt securities having terms and conditions the same as those of the Additional Tier 1 Conversion Notes of such Series or the same except for the amount of the first payment of interest (if any), which may be consolidated and form a single Series with the outstanding Additional Tier 1 Conversion Notes of such Series.

18. Substitution and Variation

If at any time a Withholding Tax Event, a Tax Event or a Capital Event occurs, or to ensure the effectiveness or enforceability of Condition 20 (*Acknowledgement of Bail-in and Loss Absorption Powers*), then the Issuer may, subject to the Applicable Banking Regulations (without any requirement for the consent or approval of the Holders of the Additional Tier 1 Conversion Notes) and having given not less than 30 nor more than 60 days' notice to the Fiscal Agent (in accordance with the Agency Agreement) and the Holders of the Additional Tier 1 Conversion Notes (which notice shall be irrevocable), at any time either (a) substitute all (but not some only) of such Additional Tier 1 Conversion Notes for new Additional Tier 1 Conversion Notes, which are Qualifying Securities, or (b) vary the terms of such Additional Tier 1 Conversion Notes so that they remain or, as appropriate, become, Qualifying Securities provided that, in each case, (i) such variation or substitution does not itself give rise to any right of the Issuer to redeem the varied or substituted securities and (ii) such variation or substitution would not itself directly lead to a downgrade in any of the credit ratings of the Additional Tier 1 Conversion Notes as assigned by any Rating Agency immediately prior to such variation or substitution (unless any such downgrade is solely attributable to the effectiveness and enforceability of Condition 20 (*Acknowledgement of Bail-in and Loss Absorption Powers*)) and (iii) such variation or substitution is not materially less favourable to holders (unless any such prejudice is solely attributable to the effectiveness and enforceability of Condition 5(7) (*Interest Cancellation in respect of Additional Tier 1 Conversion Notes*) or Condition 20 (*Acknowledgement of Bail-in and Loss Absorption Powers*)). For the avoidance of doubt, any such substitution or variation shall not be deemed to be a modification or amendment for the purposes of Condition 14 (*Meetings of Holders*).

For the purpose of this Condition 18, a variation or substitution shall be "**materially less favourable to holders**" if such varied or substituted securities do not:

- (a) include a ranking at least equal to that of the Additional Tier 1 Conversion Notes;
- (b) have the same interest rate and the same Interest Payment Dates as those from time to time applying to the Additional Tier 1 Conversion Notes;
- (c) have equivalent redemption rights as the Additional Tier 1 Conversion Notes;
- (d) have the same currency of payment, maturity, denomination and original aggregate outstanding nominal amount as the Additional Tier 1 Conversion Notes (as applicable) prior to such variation or substitution;
- (d) preserve any existing rights under the Additional Tier 1 Conversion Notes to any accrued interest which has not been paid in respect of the period from (and including) the Interest Payment Date last preceding the date of substitution or variation; or
- (e) have a listing on a recognised stock exchange if the Additional Tier 1 Conversion Notes (as applicable) were listed immediately prior to such variation or substitution.

"**Qualifying Securities**" means securities issued directly or indirectly by the Issuer that contain terms which at such time result in such securities being eligible to qualify towards the Issuer's and/or the Nordea Group's Tier 1

Capital for the purposes of, and in accordance with, the relevant Applicable Banking Regulations, to at least the same extent as the Additional Tier 1 Conversion Notes prior to the relevant Withholding Tax Event, Tax Event, or Capital Event.

19. Law and Jurisdiction

- (a) The Additional Tier 1 Conversion Notes, the Deed of Covenant and the Agency Agreement and all non-contractual obligations arising out of or in connection with any of them are governed by English law, except that the provisions of Condition 4 (*Status*), Condition 7(n) (*Rights and Obligations of Noteholders in Certain Situations*), the conversion (if any) of the Additional Tier 1 Conversion Notes into Conversion Shares, any Compulsory Acquisition Proceedings and all non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, the laws of the Relevant Jurisdiction.
- (b) The Issuer irrevocably agrees for the benefit of the Holders of the Additional Tier 1 Conversion Notes that the Courts of England shall have jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with the Additional Tier 1 Conversion Notes (including a dispute relating to any non-contractual obligation arising out of or in connection with the Additional Tier 1 Conversion Notes), except for any Compulsory Acquisition Proceedings which shall be determined in accordance with Chapter 18 of the Finnish Companies Act, (respectively, “**Proceedings**” and “**Disputes**”) and, for such purposes, irrevocably submits to the jurisdiction of such courts. The Issuer irrevocably waives any objection which it might now or hereafter have to the Courts of England being nominated as the forum to hear and determine any Proceedings and to settle any Disputes and agrees not to claim that any such court is not a convenient or appropriate forum. The submission to the jurisdiction of the Courts of England shall not (and shall not be construed so as to) limit the right of the Holders of the Additional Tier 1 Conversion Notes or of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by applicable law.
- (c) The Issuer agrees that the process by which any Proceedings in England are begun may be served on it by being delivered to the Issuer at its registered address in London from time to time, being presently at Nordea Bank Abp, London Branch, 6th Floor, 5 Aldermanbury Square, London EC2V 7AZ, United Kingdom or, if different, its registered office for the time being or at any address of the Issuer in Great Britain at which process may be served on it in accordance with the Companies Act 2006. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the Issuer, the Issuer shall forthwith appoint a further person in England to accept service of process on its behalf and, failing such appointment within 15 days, any Holder shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the Fiscal Agent. Nothing contained herein shall affect the right to serve process in any other manner permitted by law.

20. Acknowledgement of Bail-in and Loss Absorption Powers

Notwithstanding and to the exclusion of any other term of the Additional Tier 1 Conversion Notes or any other agreements, arrangements or understanding between the Issuer and any Holder (which, for the purposes of this Condition 20, includes each holder of a beneficial interest in the Additional Tier 1 Conversion Notes), by its acquisition of the Additional Tier 1 Conversion Notes, each Noteholder acknowledges and accepts that any liability arising under the Additional Tier 1 Conversion Notes may be subject to the exercise of Bail-in and Loss Absorption Powers by the Relevant Resolution Authority and acknowledges, accepts, consents to and agrees to be bound by:

- (a) the effect of the exercise of any Bail-in and Loss Absorption Powers by the Relevant Resolution Authority, which exercise (without limitation) may include and result in any of the following, or a combination thereof:
 - (i) the reduction of all, or a portion, of the Relevant Amounts in respect of the Additional Tier 1 Conversion Notes on a permanent basis;
 - (ii) the conversion of all, or a portion, of the Relevant Amounts in respect of the Additional Tier 1 Conversion Notes into shares, other securities or other obligations of the Issuer or another person, and the issue to or conferral on the Noteholder of such shares, securities or obligations, including by means of an amendment, modification or variation of the terms of the Additional Tier 1 Conversion Notes;

- (iii) the cancellation of the Additional Tier 1 Conversion Notes or the Relevant Amounts in respect of the Additional Tier 1 Conversion Notes; and
 - (iv) the amendment or alteration of the perpetual nature of the Additional Tier 1 Conversion Notes or amendment of the amount of interest payable on the Additional Tier 1 Conversion Notes, or the date on which interest becomes payable, including by suspending payment for a temporary period; and
- (b) the variation of the terms of the Additional Tier 1 Conversion Notes, as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of any Bail-in and Loss Absorption Powers by the Relevant Resolution Authority.

“Bail-in and Loss Absorption Powers” means any loss absorption, write-down, conversion, transfer, modification, suspension or similar or resolution related power existing from time to time under, and exercised in compliance with, any laws, regulations, rules or requirements in effect in the Relevant Jurisdiction, relating to (i) the transposition of the BRRD (as amended or replaced from time to time) or the application of the SRM Regulation (as amended or replaced from time to time) and (ii) the instruments, rules and standards created under the BRRD or the SRM Regulation, pursuant to which any obligation of the Issuer (or any affiliate of the Issuer) can be reduced, cancelled, modified, or converted into shares, other securities or other obligations of the Issuer or any other person (or suspended for a temporary period).

“Relevant Amounts” means the outstanding principal amount of the Additional Tier 1 Conversion Notes, together with any accrued but unpaid interest and additional amounts due on the Additional Tier 1 Conversion Notes. References to such amounts will include amounts that have become due and payable, but which have not been paid, prior to the exercise of any Bail-in and Loss Absorption Powers by the Relevant Resolution Authority.

“Relevant Resolution Authority” means the resolution authority with the ability to exercise any Bail-in and Loss Absorption Powers in relation to the Issuer and/or the Nordea Group.
