(a) The Notes shall contain the terms set forth in, and shall be substantially in the forms of, Exhibit A-1 with respect to the 2025 Notes and Exhibit A-2 with respect to the 2030 Notes, each as attached hereto. The terms and provisions contained in the forms of Notes set forth in Exhibits A-1 and A-2 shall constitute, and are hereby expressly made, a part of the Indenture, as supplemented by this Supplemental Indenture.

Any of the Notes may have such letters, numbers or other marks of identification and such notations, legends, endorsements or changes as the Authorized Officers executing the same may approve (execution thereof to be conclusive evidence of such approval) and as are not inconsistent with the provisions of the Indenture, as supplemented by this Supplemental Indenture, or as may be required by the Depository or as may be required to comply with any applicable law or with any rule or regulation made pursuant thereto or with any rule or regulation

of any securities exchange or automated quotation system on which the Notes may be listed, or to conform to usage, or to indicate any special limitations or restrictions to which any particular Notes are subject.

(b) So long as the Notes are eligible for book-entry settlement with the Depositary, or unless otherwise required by law, or otherwise contemplated herein, each series of the Notes shall be represented by one or more Notes in global form registered in the name of the Depositary or the nominee of the Depositary.

The Notes shall be issued initially in the form of one or more permanent Global Securities in registered form, substantially in the forms set forth in Exhibits A-1 and A-2, as applicable (the “Global Notes”), each registered in the name of the Depositary or its nominee, deposited with the Trustee, as custodian for the Depositary, duly executed by the Company and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for the Depositary or its nominee, in accordance with the instructions given by the Holder thereof, as hereinafter provided.

The transfer and exchange of beneficial interests in any such Global Note shall be effected through the Depositary in accordance with the Indenture and its Applicable Procedures. Except as provided in the Indenture, beneficial owners of a Global Note shall not be entitled to have certificates registered in their names, will not receive or be entitled to receive physical delivery of certificates in definitive form and will not be considered Holders of such Global Note.

Any Global Note shall represent such of the Outstanding Notes as shall be specified therein and shall provide that it shall represent the aggregate amount of Outstanding Notes from time to time endorsed thereon and that the aggregate amount of Outstanding Notes represented thereby may from time to time be increased or reduced to reflect redemptions, transfers or exchanges permitted hereby. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the amount of outstanding Notes represented thereby shall be made by the Trustee in such manner and upon instructions given by the Holder of such Notes in accordance with the Indenture and this Supplemental Indenture. Payment of principal of and interest and premium, if any, on any Global Note shall be made to the Holder of such Note.

Section 2.06 Transfer Restrictions. The following provisions shall apply only to a Global Note:

(i) Each Global Note authenticated under this Supplemental Indenture shall be registered in the name of the Depositary or a nominee thereof and delivered to such Depositary or a nominee thereof or Trustee if the Trustee is acting as custodian for the Depositary or its nominee with respect to such Global Note, and each such Global Note shall constitute a single Note, for the applicable series, for all purposes of the Indenture and this Supplemental Indenture.

(ii) Notwithstanding any other provision in this Supplemental Indenture, no Global Note may be exchanged in whole or in part for Notes registered, and no transfer of a Global Note in whole or in part may be registered, in the name of any Person other

than the Depositary or a nominee thereof except as provided in Section 3.05 of the Indenture. Any Note issued in exchange for a Global Note or any portion thereof shall be a Global Note; *provided* that any such Note so issued that is registered in the name of a Person other than the Depositary or a nominee thereof shall not be a Global Note.

(iii) Securities issued in exchange for a Global Note or any portion thereof pursuant to clause (ii) above shall be issued pursuant to Section 3.05 of the Indenture.

(iv) At such time as all interests in a Global Note have been redeemed, repurchased, converted, canceled or exchanged for Notes (of an applicable series) in certificated form, such Global Note shall, upon receipt thereof, be canceled by the Trustee in accordance with standing procedures and instructions existing between the Depositary and the Trustee. At any time prior to such cancellation, if any interest in a Global Note is redeemed, repurchased, converted, canceled or exchanged for Notes (of an applicable series) in certificated form, the principal amount of such Global Note shall, in accordance with the standing procedures and instructions existing between the Depositary and the Trustee, be appropriately reduced, and an endorsement shall be made on such Global Note, by the Trustee or at the direction of the Trustee, to reflect such reduction.

Section 2.07 Transfers and Exchanges. Each series of the Notes shall be transferred and exchanged by the Holders thereof and the Trustee in accordance with the terms and conditions set forth in Section 3.05 of the Indenture and, in the case of Notes of any series that constitute Restricted Securities, in accordance with Section 2.08 of this Supplemental Indenture.

Section 2.08 Restricted Securities. Except as permitted by this Section 2.08, each Restricted Security (including Restricted Securities represented in whole or in part by Global Notes) shall bear a legend specified in Section 3.01(1) hereof, in the case of a Rule 144A Security, or Section 3.01(2), in the case of a Regulation S Security.

If any Notes are issued upon the transfer, exchange or replacement of Notes of the same series and in the same form not bearing the applicable legend referred to above, the Notes so issued shall not bear such legend. If any Notes are issued upon the transfer, exchange or replacement of Notes of the same series and in the same form bearing such legend or if a request is made to remove such legend from any Notes, the Notes so issued shall bear such legend or such legend shall not be removed, as the case may be, unless and until there is delivered to the Company such satisfactory evidence as may be reasonably required by the Company to evidence that any such Notes are not then subject to any transfer restrictions under the Securities Act. Upon provision of such satisfactory evidence to the Company, the Trustee, upon receipt of the written order of the Company, signed by an Authorized Officer, shall authenticate and deliver Notes of the same series and in the same form of like tenor and terms that does not bear such legend.

Beneficial interests in any Restricted Security may be transferred to persons who take delivery thereof in the form of a beneficial interest in the same Restricted Security in accordance with the transfer restrictions set forth in the legend therein containing transfer restrictions under the Securities Act; *provided, however*, that prior to the expiration of the Distribution Compliance Period with respect to a Regulation S Security, transfers of beneficial interests in such

Regulation S Security may not be made to a U.S. Person (as defined in Rule 902(k) promulgated under the Securities Act) or for the account or benefit of a U.S. Person (other than an Initial Purchaser in the case of a Regulation S Security evidencing Initial Notes or an initial purchaser of such Security pursuant to a purchase agreement with the Company in the case of additional Notes), except in the circumstances provided for in the legend set forth in Section 3.01(2) hereof. Beneficial interests in any Global Note that does not bear a legend containing transfer restrictions under the Securities Act may be transferred to persons who take delivery thereof in the form of a beneficial interest in a Global Note that does not bear a legend containing transfer restrictions under the Securities Act. No written orders or instructions shall be required to be delivered to the Security Registrar to effect the transfers described in this paragraph.

Prior to the expiration of the Distribution Compliance Period with respect to a Regulation S Security, if an owner of a beneficial interest in a Rule 144A Security deposited with the Depository wishes at any time to exchange all or a portion of its beneficial interest in such Rule 144A Security for a beneficial interest in such Regulation S Security, or to transfer all or a portion of its beneficial interest in such Rule 144A Security, to a Person who wishes to take delivery thereof in the form of a beneficial interest in such Regulation S Security, such owner may, subject to the rules and procedures of the Depository and to the requirements set forth below, exchange, cause the exchange, transfer or cause the transfer of such beneficial interest for an equivalent beneficial interest in such Regulation S Security.

Upon receipt by the Trustee, as Security Registrar, of (1) written instructions given in accordance with the Depository's Applicable Procedures from an agent member or participant of the Depository directing the Trustee to credit or cause to be credited a beneficial interest in the Regulation S Security in an amount equal to the beneficial interest in the Rule 144A Security to be exchanged or transferred, (2) a written order given in accordance with the Depository's Applicable Procedures containing information regarding the Euroclear or Clearstream or other account to be credited with such increase and the name of such account and (3) a certificate substantially in the form of Exhibit B hereto given by the owner of such beneficial interest, the Trustee, as Security Registrar, shall instruct the Depository, its nominee, or the custodian for the Depository, as the case may be, to reduce or reflect on its records a reduction of the Rule 144A Security by the aggregate principal amount of the beneficial interest in such Rule 144A Security to be so exchanged or transferred and the Trustee, as Security Registrar, shall instruct the Depository, its nominee, or the custodian for the Depository, as the case may be, concurrently with such reduction, to increase or reflect on its records an increase of the principal amount of such Regulation S Security by the aggregate principal amount of the beneficial interest in such Rule 144A Security to be so exchanged or transferred, and to credit or cause to be credited to the account of the Person specified in such instructions (who shall be the agent member of Euroclear or Clearstream, or both, as the case may be) a beneficial interest in such Regulation S Security equal to the reduction in the principal amount of such Rule 144A Security.

After the expiration of the Distribution Compliance Period with respect to a Regulation S Security, if an owner of a beneficial interest in a Rule 144A Security deposited with the Depository wishes at any time to exchange all or a portion of its beneficial interest in such Rule 144A Security for a beneficial interest in such Regulation S Security, or to transfer all or a portion of its beneficial interest in such Rule 144A Security to a Person who wishes to take delivery thereof in the form of a beneficial interest in such Regulation S Security, such owner

may, subject to the Applicable Procedures of the Depository and to the requirements set forth below, exchange, cause the exchange, transfer or cause the transfer of such beneficial interest for an equivalent beneficial interest in such Regulation S Security.

Upon receipt by the Trustee, as Security Registrar, of (1) written instructions given in accordance with the Depository's procedures from an agent member or participant of a depository directing the Trustee to credit or cause to be credited a beneficial interest in the Regulation S Security in an amount equal to the beneficial interest in the Rule 144A Security to be exchanged or transferred, (2) a written order given in accordance with the Depository's Applicable Procedures containing information regarding the Euroclear or Clearstream or other account to be credited with such increase and (3) a certificate substantially in the form of Exhibit C hereto given by the owner of such beneficial interest, the Trustee, as Security Registrar, shall instruct the Depository, its nominee, or the custodian for the Depository, as the case may be, to reduce or reflect on its records a reduction of the Rule 144A Security by the aggregate principal amount of the beneficial interest in such Rule 144A Security to be so exchanged or transferred and the Trustee, as Security Registrar, shall instruct the Depository, its nominee, or the custodian for the Depository, as the case may be, concurrently with such reduction, to increase or reflect on its records an increase of the principal amount of such Regulation S Security by the aggregate principal amount of the beneficial interest in such Rule 144A Security to be so exchanged or transferred, and to credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in such Regulation S Security equal to the reduction in the principal amount of such Rule 144A Security.

If an owner of a beneficial interest in a Regulation S Security deposited with the Depository wishes at any time to exchange its interest for a beneficial interest in a Rule 144A Security deposited with the Depository, or to transfer its beneficial interest in such Regulation S Security to a Person who wishes to take delivery thereof in the form of a beneficial interest in such Rule 144A Security, such owner may, subject to the rules and procedures of Euroclear or Clearstream or the Depository, as the case may be, and to the requirements set forth in the following sentence, exchange, cause the exchange, transfer or cause the transfer of such interest for an equivalent beneficial interest in such Rule 144A Security.

Upon receipt by the Trustee, as Security Registrar, at its Offices in The City of New York of (1) written instructions from Euroclear or Clearstream or the Depository, as the case may be, directing the Trustee, as Security Registrar, to credit or cause to be credited a beneficial interest in the Rule 144A Security in an amount equal to the beneficial interest in the Regulation S Security to be exchanged or transferred, such instructions to contain information regarding the agent member's account with the Depository to be credited with such increase, and (2) a certificate substantially in the form of Exhibit D hereto given by the owner of such beneficial interest, the Trustee, as Security Registrar, shall instruct the Depository, its nominee, or the custodian for the Depository, as the case may be, to reduce or reflect on its records a reduction of the Regulation S Security by the aggregate principal amount of the beneficial interest in such Regulation S Security to be so exchanged or transferred and the Trustee as Security Registrar, shall instruct the Depository, its nominee, or the custodian for the Depository, as the case may be, concurrently with such reduction, to increase or reflect on its records an increase of the principal amount of such Rule 144A Security by the aggregate principal amount of the beneficial interest in such Regulation S Security to be so exchanged or transferred, and to credit or cause to be

credited to the account of the Person specified in such instructions a beneficial interest in such Rule 144A Security equal to the reduction in the principal amount of such Regulation S Security.

Upon the occurrence of an Exchange Offer in accordance with a Registration Rights Agreement, the Company shall issue and, upon receipt of a written order of the Company, signed by an Authorized Officer, the Trustee shall authenticate, one or more Global Notes of the applicable series not bearing a legend containing transfer restrictions under the Securities Act in an aggregate principal amount equal to the principal amount of the beneficial interests in the Global Notes of such series that are Restricted Securities tendered for acceptance in accordance with the Exchange Offer and accepted for exchange in the Exchange Offer pursuant to the terms of such Registration Rights Agreement. Concurrently with the issuance of such Global Notes, the Security Registrar shall cause the aggregate principal amount of the applicable Restricted Security (including Restricted Securities represented in whole or in part by Global Notes) to be reduced accordingly.

After the transfer of any Notes of a series bearing a legend containing transfer restrictions under the Securities Act during the effectiveness of, and pursuant to, a shelf registration statement with respect to such Notes, all requirements pertaining to such legend shall cease to apply (but, for the avoidance of doubt, the requirements that any such Notes be issued in global form shall continue to apply).

REVERSE OF NOTE
BAXTER INTERNATIONAL INC.
3.750% Senior Notes due 2025

This Note is one of a duly authorized issue of Securities of the Company of the series hereinafter specified, all issued or to be issued under and pursuant to an Indenture, dated as of March 26, 2020, as supplemented by the First Supplemental Indenture, dated as of March 26, 2020 (both together herein called the “Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (herein called the “Trustee” which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Securities. This Note is one of a series of Securities of the Company designated as the 3.750% Senior Notes due 2025 (the “Notes”), initially limited in aggregate principal amount of \$750,000,000, subject to the issuance of additional Notes as provided in the Indenture. Terms used but not defined herein shall have the respective meanings set forth in the Indenture.

If any interest payment date, maturity date or redemption date of this Note falls on a day that is not a Business Day, payment will be made on the next succeeding Business Day, and no interest will accrue for the period from and after the interest payment date, maturity date or redemption date, as the case may be, to the next succeeding Business Day. As used in this Note, the term “Business Day” means each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in the City of New York are authorized or obligated by or pursuant to law, regulation or executive order to close.

The Indenture contains provisions for the defeasance at any time of the entire indebtedness of the Notes or certain covenants set forth in the Indenture applicable to the Notes upon compliance by the Company of certain conditions set forth therein, which provisions apply to this Note.

This Note is redeemable in whole at any time or in part, from time to time, at the option of the Company, prior to the date that is one month prior to its maturity date (the “Par Call Date”), at a make whole redemption price equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to the date of redemption, and

(ii) the sum of the present values of the principal amount of the Notes to be redeemed and the scheduled payments of interest thereon (exclusive of interest accrued to the date of redemption) from the redemption date to the Par Call Date, discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 50 basis points, plus accrued and unpaid interest thereon to the date of redemption.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price

for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed calculated as if the maturity date of the Notes were the Par Call Date (the “Remaining Life”) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life of the Notes.

“Comparable Treasury Price” means, with respect to any redemption date, (1) the average of four Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Independent Investment Banker” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealers” means (1) Citigroup Global Markets Inc., Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC and their respective successors; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (“Primary Treasury Dealer”), the Company shall substitute another nationally recognized investment banking firm that is a Primary Treasury Dealer, and (2) at the option of the Company, additional Primary Treasury Dealers selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m. New York City time on the third Business Day preceding such redemption date.

On or after the date that is one month prior to its maturity date, this Note is redeemable in whole at any time or in part, from time to time, at the option of the Company, at a redemption price equal to 100% of its principal amount, plus accrued and unpaid interest thereon to the date of redemption.

Any redemption made at the option of the Company (an “Optional Redemption”) shall be made upon not less than 10 nor more than 60 days prior notice before the redemption date to the Holders. If the Notes are only partially redeemed by the Company pursuant to an Optional Redemption, the Notes to be redeemed shall be selected by such method as the Trustee shall deem fair and appropriate and in accordance with the Indenture, provided, however, that in the case of Notes in global form such selection shall be made in accordance with the procedures of the applicable Depositary. In the event of redemption of this Note in part only, a new Note or Notes of this series for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof. Unless the Company defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption.

If a Change of Control Triggering Event (as defined below) occurs, unless the Company has exercised its option to redeem the Notes (as described above), the Company shall be required to make an offer (the “Change of Control Offer”) to each holder of the Notes to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder’s Notes on the terms set forth below. In the Change of Control Offer, the Company shall be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to the date of repurchase (the “Change of Control Payment”). Within 30 days following any Change of Control Triggering Event or, at the option of the Company, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, a notice shall be mailed (or, with respect to Notes in global form, to the extent permitted or required by applicable Depository procedures, sent electronically) to holders of the Notes with a copy to the Trustee describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed or sent (the “Change of Control Payment Date”). The notice shall, if mailed or sent prior to the date of consummation of the Change of Control, state that the offer to purchase is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

On the Change of Control Payment Date, the Company shall, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

The Company shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and the third party repurchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company shall not repurchase any Notes if there has occurred and is continuing on the Change of Control Payment Date an Event of Default, other than a default in the payment of the Change of Control Payment upon a Change of Control Triggering Event.

The Company shall comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Company shall comply with those securities laws and

regulations and shall not be deemed to have breached its obligations under the Change of Control Offer provisions of the Notes by virtue of any such conflict.

For purposes of the Change of Control Offer provisions of the Notes, the following definitions shall apply:

“Change of Control” means the occurrence of any of the following: (1) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” (as that term is used in Section 13(d)(3) of the Exchange Act), other than the Company or one of its subsidiaries, becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the Company’s Voting Stock or other Voting Stock into which the Company’s Voting Stock is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; (2) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the Company’s assets and the assets of its subsidiaries, taken as a whole, to one or more “persons” (as that term is defined in the Indenture), other than the Company or one of its subsidiaries or (3) the adoption of a plan relating to the Company’s liquidation or dissolution. Notwithstanding the foregoing, a transaction shall not be deemed to be a Change of Control if (1) the Company becomes a direct or indirect wholly-owned subsidiary of a holding company and (2)(A) the direct or indirect holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of the Company’s Voting Stock immediately prior to that transaction or (B) immediately following that transaction no “person” (as that term is used in Section 13(d)(3) of the Exchange Act) (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Rating Event.

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, and the equivalent investment grade credit rating from any replacement Rating Agency or Rating Agencies.

“Moody’s” means Moody’s Investors Service, Inc.

“Rating Agencies” means (1) each of Moody’s and S&P, and (2) if either Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) of the Exchange Act selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Moody’s or S&P, or both of them, as the case may be.

“Rating Event” means the rating on the Notes is lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any day within the 60-day period (which 60-day period will be extended so long as the rating of the Notes is under publicly announced consideration for a possible downgrade by any of the

Rating Agencies but no longer than 180 days) after the earlier of (1) the occurrence of a Change of Control and (2) public notice of the Company's intention to effect a Change of Control; provided, however, that a Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Rating Event for purposes of the definition of Change of Control Triggering Event) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm to the Company in writing at the Company's request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control has occurred at the time of the Rating Event).

“S&P” means S&P Global Ratings, a division of S&P Global.

“Voting Stock” means, with respect to any specified “person” (as that term is used in Section 13(d)(3) of the Exchange Act), as of any date, the capital stock of such person that is at the time entitled to vote generally in the election of the board of directors of such person.

The Company's obligation to make a Change of Control Offer as set forth herein shall be subject to the covenant defeasance provisions of Section 13.02(c) of the Indenture.

If an Event of Default, with respect to the Notes shall have occurred and be continuing, the principal of this Note may be declared due and payable in the manner and with the effect set forth in the Indenture.

[Payment of Additional Interest shall be the sole and exclusive remedy for a Holder of the Notes in the event of a Registration Default (as defined in the Initial Notes Registration Rights Agreement) referred to in Section 6(a) of the Initial Notes Registration Rights Agreement and failure to pay such Additional Interest when due and payable will constitute a default (as defined in Section 7.02 of the Indenture) and such failure will constitute an Event of Default if such failure to pay continues for a period of 30 days (subject to the terms of Article VI of the Indenture). No other default under the Registration Rights Agreement shall constitute a default or Event of Default under the Notes or the Indenture.]³

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the Holders of not less than a majority in aggregate principal amount of the Notes at the time Outstanding of each series to be affected to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Notes subject to the limitations set forth in the Indenture. It is also provided in the Indenture that, with respect to certain defaults or Events of Default regarding the Securities of any series, the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of such series may on behalf of the Holders of all the Securities of such series waive any such past

³ This paragraph is to be included in any Note that is entitled to receive Additional Interest, if any, under a Registration Rights Agreement. If a Note is entitled to receive Additional Interest, if any under a Registration Rights Agreement other than the Initial Notes Registration Rights Agreement, this paragraph should be appropriately revised to refer to the applicable Registration Rights Agreement.

default or Event of Default and its consequences. The preceding sentence shall not, however, apply to a default in the payment of the principal of or premium, if any, or interest on the Notes. Any such consent or waiver by the Holder of this Note (unless revoked as provided in the Indenture) shall be conclusive and binding upon such Holder and upon all future Holders and owners of this Note and any Notes which may be issued in exchange or substitution herefor, irrespective of whether or not any notation thereof is made upon this Note or such other Notes.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligations of the Company, which are absolute and unconditional, to pay the principal of, and any premium and interest on, this Note in the manner and at the respective times herein provided.

The Notes are issuable in registered form without coupons in denominations of \$2,000 and any multiple of \$1,000 in excess thereof. In the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, Notes may be exchanged for a like aggregate principal amount of Notes of other authorized denominations at the office or agency of the Trustee in the City of New York.

There is no sinking fund for the retirement of the Notes.

Upon due presentment for registration of transfer of this Note at the office or agency of the Trustee in the City of New York, a new Note or Notes of authorized denominations for an equal aggregate principal amount will be issued to the transferee in exchange therefor, subject to the limitations provided in the Indenture, without charge except for any tax or other governmental charge imposed in connection therewith.

Prior to due presentment for registration of transfer, the Company, the Trustee and any agent of the Company, or the Trustee may treat the registered Holder hereof as the owner of this Note (whether or not this Note shall be overdue), for the purpose of receiving payment of the principal hereof and premium, if any, and subject to the provisions on the face hereof, interest hereon, and for all other purposes, and neither the Company, nor the Trustee nor any agent of the Company, or the Trustee shall be affected by any notice to the contrary.

No recourse under or upon any obligation, covenant or agreement contained in the Indenture or any indenture supplemental thereto or in any Note, or because of any indebtedness evidenced thereby, shall be had against any incorporator or against any past, present or future stockholder, employee, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability and any and all such claims being expressly waived and released as a condition of, and as a consideration for, the execution of the supplement to the Indenture and issue hereof of the Notes.

This Note is the senior unsecured and unsubordinated obligation of the Company and will rank on parity with all other unsecured and unsubordinated indebtedness of the Company, including any other Securities issued under the Indenture.

REVERSE OF NOTE
BAXTER INTERNATIONAL INC.
3.950% Senior Notes due 2030

This Note is one of a duly authorized issue of Securities of the Company of the series hereinafter specified, all issued or to be issued under and pursuant to an Indenture, dated as of March 26, 2020, as supplemented by the First Supplemental Indenture, dated as of March 26, 2020 (both together herein called the “Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (herein called the “Trustee” which term includes any successor Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Securities. This Note is one of a series of Securities of the Company designated as the 3.950% Senior Notes due 2030 (the “Notes”), initially limited in aggregate principal amount of \$500,000,000, subject to the issuance of additional Notes as provided in the Indenture. Terms used but not defined herein shall have the respective meanings set forth in the Indenture.

If any interest payment date, maturity date or redemption date of this Note falls on a day that is not a Business Day, payment will be made on the next succeeding Business Day, and no interest will accrue for the period from and after the interest payment date, maturity date or redemption date, as the case may be, to the next succeeding Business Day. As used in this Note, the term “Business Day” means each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in the City of New York are authorized or obligated by or pursuant to law, regulation or executive order to close.

The Indenture contains provisions for the defeasance at any time of the entire indebtedness of the Notes or certain covenants set forth in the Indenture applicable to the Notes upon compliance by the Company of certain conditions set forth therein, which provisions apply to this Note.

This Note is redeemable in whole at any time or in part, from time to time, at the option of the Company, prior to the date that is three months prior to its maturity date (the “Par Call Date”), at a make whole redemption price equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to the date of redemption, and

(ii) the sum of the present values of the principal amount of the Notes to be redeemed and the scheduled payments of interest thereon (exclusive of interest accrued to the date of redemption) from the redemption date to the Par Call Date, discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 50 basis points, plus accrued and unpaid interest thereon to the date of redemption.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price

for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed calculated as if the maturity date of the Notes were the Par Call Date (the “Remaining Life”) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life of the Notes.

“Comparable Treasury Price” means, with respect to any redemption date, (1) the average of four Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Independent Investment Banker” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealers” means (1) Citigroup Global Markets Inc., Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC and their respective successors; provided, however, that if any of the foregoing shall cease to be a primary U.S. Government securities dealer (“Primary Treasury Dealer”), the Company shall substitute another nationally recognized investment banking firm that is a Primary Treasury Dealer, and (2) at the option of the Company, additional Primary Treasury Dealers selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m. New York City time on the third Business Day preceding such redemption date.

On or after the date that is one month prior to its maturity date, this Note is redeemable in whole at any time or in part, from time to time, at the option of the Company, at a redemption price equal to 100% of its principal amount, plus accrued and unpaid interest thereon to the date of redemption.

Any redemption made at the option of the Company (an “Optional Redemption”) shall be made upon not less than 10 nor more than 60 days prior notice before the redemption date to the Holders. If the Notes are only partially redeemed by the Company pursuant to an Optional Redemption, the Notes to be redeemed shall be selected by such method as the Trustee shall deem fair and appropriate and in accordance with the Indenture, provided, however, that in the case of Notes in global form such selection shall be made in accordance with the procedures of the applicable Depositary. In the event of redemption of this Note in part only, a new Note or Notes of this series for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof. Unless the Company defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption.

If a Change of Control Triggering Event (as defined below) occurs, unless the Company has exercised its option to redeem the Notes (as described above), the Company shall be required to make an offer (the “Change of Control Offer”) to each holder of the Notes to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder’s Notes on the terms set forth below. In the Change of Control Offer, the Company shall be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to the date of repurchase (the “Change of Control Payment”). Within 30 days following any Change of Control Triggering Event or, at the option of the Company, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, a notice shall be mailed (or, with respect to Notes in global form, to the extent permitted or required by applicable Depository procedures, sent electronically) to holders of the Notes with a copy to the Trustee describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed or sent (the “Change of Control Payment Date”). The notice shall, if mailed or sent prior to the date of consummation of the Change of Control, state that the offer to purchase is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

On the Change of Control Payment Date, the Company shall, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

The Company shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and the third party repurchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company shall not repurchase any Notes if there has occurred and is continuing on the Change of Control Payment Date an Event of Default, other than a default in the payment of the Change of Control Payment upon a Change of Control Triggering Event.

The Company shall comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Company shall comply with those securities laws and

regulations and shall not be deemed to have breached its obligations under the Change of Control Offer provisions of the Notes by virtue of any such conflict.

For purposes of the Change of Control Offer provisions of the Notes, the following definitions shall apply:

“Change of Control” means the occurrence of any of the following: (1) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” (as that term is used in Section 13(d)(3) of the Exchange Act), other than the Company or one of its subsidiaries, becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the Company’s Voting Stock or other Voting Stock into which the Company’s Voting Stock is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; (2) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the Company’s assets and the assets of its subsidiaries, taken as a whole, to one or more “persons” (as that term is defined in the Indenture), other than the Company or one of its subsidiaries or (3) the adoption of a plan relating to the Company’s liquidation or dissolution. Notwithstanding the foregoing, a transaction shall not be deemed to be a Change of Control if (1) the Company becomes a direct or indirect wholly-owned subsidiary of a holding company and (2)(A) the direct or indirect holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of the Company’s Voting Stock immediately prior to that transaction or (B) immediately following that transaction no “person” (as that term is used in Section 13(d)(3) of the Exchange Act) (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Rating Event.

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, and the equivalent investment grade credit rating from any replacement Rating Agency or Rating Agencies.

“Moody’s” means Moody’s Investors Service, Inc.

“Rating Agencies” means (1) each of Moody’s and S&P, and (2) if either Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) of the Exchange Act selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Moody’s or S&P, or both of them, as the case may be.

“Rating Event” means the rating on the Notes is lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any day within the 60-day period (which 60-day period will be extended so long as the rating of the Notes is under publicly announced consideration for a possible downgrade by any of the

Rating Agencies but no longer than 180 days) after the earlier of (1) the occurrence of a Change of Control and (2) public notice of the Company's intention to effect a Change of Control; provided, however, that a Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Rating Event for purposes of the definition of Change of Control Triggering Event) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm to the Company in writing at the Company's request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control has occurred at the time of the Rating Event).

“S&P” means S&P Global Ratings, a division of S&P Global.

“Voting Stock” means, with respect to any specified “person” (as that term is used in Section 13(d)(3) of the Exchange Act), as of any date, the capital stock of such person that is at the time entitled to vote generally in the election of the board of directors of such person.

The Company's obligation to make a Change of Control Offer as set forth herein shall be subject to the covenant defeasance provisions of Section 13.02(c) of the Indenture.

If an Event of Default, with respect to the Notes shall have occurred and be continuing, the principal of this Note may be declared due and payable in the manner and with the effect set forth in the Indenture.

[Payment of Additional Interest shall be the sole and exclusive remedy for a Holder of the Notes in the event of a Registration Default (as defined in the Initial Notes Registration Rights Agreement) referred to in Section 6(a) of the Initial Notes Registration Rights Agreement and failure to pay such Additional Interest when due and payable will constitute a default (as defined in Section 7.02 of the Indenture) and such failure will constitute an Event of Default if such failure to pay continues for a period of 30 days (subject to the terms of Article VI of the Indenture). No other default under the Registration Rights Agreement shall constitute a default or Event of Default under the Notes or the Indenture.]⁶

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the Holders of not less than a majority in aggregate principal amount of the Notes at the time Outstanding of each series to be affected to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Notes subject to the limitations set forth in the Indenture. It is also provided in the Indenture that, with respect to certain defaults or Events of Default regarding the Securities of any series, the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of such series may on behalf of the Holders of all the Securities of such series waive any such past

⁶ This paragraph is to be included in any Note that is entitled to receive Additional Interest, if any, under a Registration Rights Agreement. If a Note is entitled to receive Additional Interest, if any under a Registration Rights Agreement other than the Initial Notes Registration Rights Agreement, this paragraph should be appropriately revised to refer to the applicable Registration Rights Agreement.

default or Event of Default and its consequences. The preceding sentence shall not, however, apply to a default in the payment of the principal of or premium, if any, or interest on the Notes. Any such consent or waiver by the Holder of this Note (unless revoked as provided in the Indenture) shall be conclusive and binding upon such Holder and upon all future Holders and owners of this Note and any Notes which may be issued in exchange or substitution herefor, irrespective of whether or not any notation thereof is made upon this Note or such other Notes.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligations of the Company, which are absolute and unconditional, to pay the principal of, and any premium and interest on, this Note in the manner and at the respective times herein provided.

The Notes are issuable in registered form without coupons in denominations of \$2,000 and any multiple of \$1,000 in excess thereof. In the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, Notes may be exchanged for a like aggregate principal amount of Notes of other authorized denominations at the office or agency of the Trustee in the City of New York.

There is no sinking fund for the retirement of the Notes.

Upon due presentment for registration of transfer of this Note at the office or agency of the Trustee in the City of New York, a new Note or Notes of authorized denominations for an equal aggregate principal amount will be issued to the transferee in exchange therefor, subject to the limitations provided in the Indenture, without charge except for any tax or other governmental charge imposed in connection therewith.

Prior to due presentment for registration of transfer, the Company, the Trustee and any agent of the Company, or the Trustee may treat the registered Holder hereof as the owner of this Note (whether or not this Note shall be overdue), for the purpose of receiving payment of the principal hereof and premium, if any, and subject to the provisions on the face hereof, interest hereon, and for all other purposes, and neither the Company, nor the Trustee nor any agent of the Company, or the Trustee shall be affected by any notice to the contrary.

No recourse under or upon any obligation, covenant or agreement contained in the Indenture or any indenture supplemental thereto or in any Note, or because of any indebtedness evidenced thereby, shall be had against any incorporator or against any past, present or future stockholder, employee, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability and any and all such claims being expressly waived and released as a condition of, and as a consideration for, the execution of the supplement to the Indenture and issue hereof of the Notes.

This Note is the senior unsecured and unsubordinated obligation of the Company and will rank on parity with all other unsecured and unsubordinated indebtedness of the Company, including any other Securities issued under the Indenture.
