Kraft Heinz Announces Upsize of Previously Announced Cash Tender Offer for \$1.2 Billion to an Aggregate Purchase Price of \$2.2 Billion and Additional Notes to be Purchased

PITTSBURGH & CHICAGO – May 4, 2020 – The Kraft Heinz Company (“**Kraft Heinz**”) (Nasdaq: KHC) announced today that, in addition to the previously announced purchase of its outstanding Floating Rate Senior Notes due February 2021 (the “**February 2021 Notes**”), 3.500% Senior Notes due June 2022 (the “**June 2022 Notes**”), 3.500% Senior Notes due July 2022 (the “**July 2022 Notes**”), Floating Rate Senior Notes due August 2022 (the “**August 2022 Notes**”), and 4.000% Senior Notes due June 2023 (the “**June 2023 Notes**,” and together with the February 2021 Notes, the June 2022 Notes, the July 2022 Notes, and the August 2022 Notes, the “**Original Notes**”), it intends to purchase its outstanding 3.950% Senior Notes due July 2025 (the “**July 2025 Notes**”) and 3.000% Senior Notes due June 2026 (the “**June 2026 Notes**,” and together with the July 2025 Notes and the Original Notes, the “**Notes**,” and each, a “**Series**” of Notes). Additionally, Kraft Heinz announced that it is increasing the maximum combined aggregate price (the “**Maximum Tender Amount**”) to be purchased by the Issuer pursuant to its previously announced offer to purchase for cash (the “**Tender Offer**”) to \$2.2 billion, excluding accrued and unpaid interest, from the previously announced Maximum Tender Amount of \$1.2 billion. Kraft Heinz also announced that it is amending the condition that the Issuer complete a private offering (the “**Offering**”) of debt securities on terms and subject to conditions reasonably satisfactory to Kraft Heinz, as well as other customary conditions, to provide that the minimum net proceeds from such Offering be at least \$2,500,000,000 (the “**Financing Condition**”).

Subject to the Maximum Tender Amount, the amount of a Series of Notes that is purchased in the Tender Offer, including the July 2025 Notes and the June 2026 Notes, will be based on the Acceptance Priority Levels set forth below.

The Tender Offer is being made on the terms and subject to the conditions set forth in the offer to purchase dated May 4, 2020, as amended by a supplement dated May 4, 2020 (together, the “**Offer to Purchase**”). The Issuer’s obligations to accept for purchase and to pay for any of the Notes in the Tender offer is subject to the satisfaction or waiver of certain conditions, including the Financing Condition. Capitalized terms used herein but not otherwise defined shall have the meaning ascribed thereto in the Offer to Purchase.

The Issuer today issued a notice of conditional redemption providing for the redemption in full of the Issuer’s \$300 million outstanding aggregate principal amount of 3.375% Senior Notes due June 2021 on or about June 3, 2020 (the “**2021 Notes Concurrent Redemption**”). In addition to the 2021 Notes Concurrent Redemption, the Issuer also intends to issue a notice of conditional redemption providing for the redemption in full of the Issuer’s \$976 million outstanding aggregate principal amount of 4.875% Second Lien Senior Secured Notes due 2025 on or about June 4, 2020 (together with the 2021 Notes Concurrent Redemption, the “**Concurrent Redemptions**”).

Subject to applicable law, the Issuer has reserved the absolute right, in its sole discretion, to at any time (i) waive any and all conditions to the Tender Offer, (ii) extend, terminate or withdraw the Tender Offer, (iii) increase or waive the Maximum Tender Amount, with or without extending the Withdrawal Deadline or (iv) otherwise amend the Tender Offer in any respect.

The Tender Offer will expire at 11:59 p.m., New York City time, on June 1, 2020, unless extended or earlier terminated as described in the Offer to Purchase (such time and date, as they may be extended, the “**Expiration Time**”). Holders of the Notes (“**Holders**”) may withdraw their validly tendered Notes at any time prior to 5:00 p.m., New York City time, on May 15, 2020, unless extended. Holders are urged to read the Offer to Purchase carefully before making any decision with respect to the Tender Offer.

Certain information regarding the Notes and the Tender Offer is set forth in the table below.

- (1) Per \$1,000 principal amount of Notes validly tendered and accepted for purchase in the Tender Offer (exclusive of any accrued interest, which will be paid in addition to the Tender Offer Consideration or the Total Consideration, as applicable, to, but not including, the applicable Settlement Date).
- (2) Per \$1,000 principal amount of Notes validly tendered and accepted for purchase.
- (3) Total Consideration includes the Early Tender Premium.

Holders who validly tender and do not validly withdraw their Notes at or prior to 5:00 p.m., New York City time, on May 15, 2020, unless extended with respect to any Series of Notes (such date and time, as the same may be extended, the “**Early Tender Time**”) or earlier terminated by the Issuer, will be eligible to receive the applicable Total Consideration, which includes the applicable Early Tender Premium as set forth in the table above. The applicable Total Consideration for each \$1,000 principal amount of Notes validly tendered and accepted for

purchase will be determined as set forth in the table above. Holders of Notes who validly tender and do not validly withdraw their Notes after the Early Tender Time and at or prior to the Expiration Time will be eligible to receive only the applicable Tender Offer Consideration, which is equal to the applicable Total Consideration minus the applicable Early Tender Premium.

For Notes tendered at or prior to the Early Tender Time and not subsequently validly withdrawn and accepted for purchase, the Issuer has the option for settlement to occur on the Early Settlement Date, which is expected to be May 19, 2020, the second business day following the Early Tender Time. Settlement for Notes tendered after the Early Tender Time, but at or prior to the Expiration Time, is expected to occur on June 3, 2020, the second business day following the Expiration Time, unless extended.

In addition to the Total Consideration or the Tender Offer Consideration, as applicable, all Notes accepted for purchase pursuant to the Tender Offer, will, on the Early Settlement Date or the Final Settlement Date, as applicable, also receive accrued and unpaid interest in respect of such Notes from the last interest payment date to, but not including, the applicable settlement date.

Subject to the Maximum Tender Amount, the application of the Acceptance Priority Levels and the other terms and conditions described in the Offer to Purchase, the Issuer intends to accept for purchase all Notes validly tendered and not validly withdrawn at or prior to the Early Tender Time. However, if the Tender Offer is fully subscribed as of the Early Tender Time, Holders who validly tender their Notes after the Early Tender Time will not have any of their Notes accepted for purchase. Notes validly tendered at or prior to the Early Tender Time will be accepted for purchase in priority to the other Notes tendered after the Early Tender Time even if such Notes tendered after the Early Tender Time have a higher Acceptance Priority Level than the Notes tendered at or prior to the Early Tender Time. As a result, each Holder who validly tenders Notes pursuant to the Tender Offer may have a portion of its Notes returned to it, and the amount of Notes returned will depend on the level of participation of Holders in the Tender Offer. The Tender Offer may be subject to proration if the aggregate principal amount of Notes that is validly tendered is greater than the Maximum Tender Amount.

Morgan, BofA Securities, Citigroup, Credit Suisse, Deutsche Bank Securities, and Wells Fargo Securities to act as dealer managers (collectively, the “**Dealer Managers**”) in connection with the Tender Offer and has appointed Global Bondholder Services Corporation to serve as the tender agent and information agent for the Tender Offer. Neither the Issuer, Kraft Heinz, their boards of directors or boards of managers, as applicable, the Dealer Managers, Global Bondholders Services Corporation nor the trustees for the Notes, or any of their respective affiliates, is making any recommendation as to whether Holders should tender any Notes in response to the Tender Offer. Holders must make their own decision as to whether to tender any of their Notes and, if so, the principal amounts of Notes to tender.
