

BASE PROSPECTUS DATED 11 July 2008

ABN AMRO Bank N.V.

(incorporated in The Netherlands with its statutory seat in Amsterdam)

Limited Recourse Programme for the Issuance of Notes and Certificates

This Base Prospectus constitutes, when read together with the Registration Document (as defined below), a base prospectus for the purposes of Article 5.4 of Directive 2003/71/EC (the 'Prospectus Directive'). This Base Prospectus replaces and supersedes the Prospectus dated 26 March, 2007.

Under this Limited Recourse Programme for the Issuance of Notes and Certificates (the 'Programme') ABN AMRO Bank N.V. (the 'Issuer'), whether acting through its head office or through a specified branch outside The Netherlands, may from time to time issue notes and certificates (the 'Notes' and the 'Certificates', respectively and together the 'Securities'). The Securities may be denominated in any currency agreed between the Issuer and the relevant Dealer (as defined below). Investors should note that it is intended that subsequent to the date hereof, the Issuer may be substituted and replaced by The Royal Bank of Scotland plc ('RBS') as the Issuer in relation to one or more Series of Securities. Information on RBS can be found in the section "Summary of the Programme and Terms and Conditions of the Securities" and in the RBS Prospectus which is incorporated by reference herein. For a discussion of risk factors in respect of RBS and any such substitution of the Issuer, see "Risk Factors".

Subject as set out herein, the Securities will not be subject to any maximum maturity but (in the case of Notes only) will have a minimum maturity of one month.

Payments of principal and interest or any deliveries in respect of any Series (as defined below) of Securities may be restricted upon the occurrence of any Constraint Event (as defined below) described in the Final Terms relating to such Series of Securities (the 'applicable Final Terms'). Such event may relate to the imposition of currency or exchange controls in any specified country or to a nationalisation, hedging disruption, a credit rating down grade in relation to a specified obligation or any other circumstance as provided in the applicable Final Terms. The Conditions of any Series of Securities may provide that, in any such event, the Issuer shall be entitled to require the Calculation Agent to adjust the Securities or to early redeem the Securities or to postpone payments or deliveries in respect of the Securities so long as the Constraint Event continues provided that if the Constraint Event continues for a period of two years the Securities shall expire worthless and be cancelled. In such event, Securityholders shall have no further recourse against the Issuer in respect of the Securities. However, the term "limited recourse" should not be taken to imply that any trustee is appointed for Securityholders or any security granted in respect of the Securities. The Issuer may issue Credit Linked Securities under the Programme where payments or other obligations of the Issuer under the Securities are linked to the credit of a specified entity or entities. In the event of the occurrence of certain circumstances (which may include, amongst other things, Bankruptcy, Failure to Pay, Obligation Acceleration, Obligation Default, Repudiation/Moratorium or Restructuring) in relation to such specified entity(ies) the Issuer's obligations under the Securities may be replaced by an obligation to pay other amounts calculated by reference to the value of certain obligations relating to such specified entity(ies) or to deliver such obligations. Payments in respect of the Securities will as specified in the applicable Final Terms be made either subject to, or without, withholding or deduction for or on account of taxes levied (if any) in The Netherlands or any other relevant Tax Jurisdiction subject to certain exceptions, all as set out in the Terms and Conditions of the Securities set out herein. For a discussion of certain factors that should be considered by prospective investors, see "Risk Factors".

The Securities will be issued on a continuing basis to the Dealer specified on page 8 (the 'Initial Dealer') and any additional Dealer appointed under the Programme from time to time, which appointment may be for a specific issue or on an ongoing basis (each a 'Dealer' and together the 'Dealers'). The Dealer or Dealers with whom the Issuer agrees or proposes to agree on the issue of any Securities is or are referred to as the 'relevant Dealer' in respect of those Securities.

The Securities of each Tranche (as defined below) will initially be represented by either a Temporary Global Security, a Permanent Global Security, a Regulation S Global Security, a Restricted Global Security and/or Definitive Registered Securities (each as defined below) as indicated in the applicable Final Terms.

Application has been made to Euronext Amsterdam N.V. ('Euronext Amsterdam') for Securities issued under the Programme with a minimum denomination of €50,000 or its equivalent up to the expiry of 12 months from the date of this Base Prospectus to be admitted to trading on Euronext Amsterdam. References in this Programme to Securities being 'listed' (and all related references) shall mean that such Securities have been admitted to trading and have been listed on Euronext Amsterdam. Euronext Amsterdam is a regulated market for the purposes of Directive 2004/39/EC (the Markets in Financial Instruments Directive).

At the date of this Base Prospectus, the Issuer has requested that the Netherlands Authority for the Financial Markets (*Autoriteit Financiële Markten*) (the 'Competent Authority') send to (1) the *Commission de Surveillance du Secteur Financier* (the 'CSSF') in Luxembourg in its capacity as competent authority under the Luxembourg Act dated 10th July, 2005, (2) the Financial Services Authority in the United Kingdom as competent authority under the Financial Services and Markets Act 2000, and (3) the Irish Financial Services Regulatory Authority in Ireland as competent authority under the Prospectus Directive, in each case, (i) a copy of this Base Prospectus and (ii) a certificate of approval pursuant to Article 18 of the Prospectus Directive attesting that the Base Prospectus has been drawn up in accordance with national law implementing the Prospectus Directive.

The Issuer may agree with the relevant Dealer that Securities may be issued in a form not contemplated by the Terms and Conditions of the Securities set out herein, in which case a supplementary Base Prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Securities.

SUMMARY OF THE PROGRAMME AND TERMS AND CONDITIONS OF THE SECURITIES

Following the implementation of the relevant provisions of the Prospectus Directive in each Member State of the European Economic Area (an ‘EEA state’) no civil liability will attach to the Responsible Person in any such Member State in respect of this Summary, including any translation hereof, unless it is misleading, inaccurate or inconsistent when read together with the other parts of this Base Prospectus. Where a claim relating to information contained in this Base Prospectus is brought before a court in an EEA State, the plaintiff may, under the national legislation of the EEA State where the claim is brought, be required to bear the costs of translating the Base Prospectus before the legal proceedings are initiated. This summary does not purport to be complete and is taken from, and is qualified by, the remainder of this Base Prospectus and, in relation to the terms and conditions of any particular Tranche of Securities, the applicable Final Terms. Words and expressions defined in “Form of the Securities” and “Terms and Conditions of the Securities” below shall have the same meanings in this summary.

Issuer: ABN AMRO Bank N.V. whether acting through its head office or a specified branch outside The Netherlands.

History and Development: The Issuer is a subsidiary of ABN AMRO Holding N.V. (“Holding”). Holding’s is a public limited liability company incorporated under Dutch law on 30 May 1990 with registered offices in Amsterdam, The Netherlands. The main address is Gustav Mahlerlaan 10, 1082 PP Amsterdam, with a mailing address in The Netherlands at Post Office Box 283, 1000 EA Amsterdam.

On 17 October 2007 RFS Holdings B.V., a company whose shares are held by The Royal Bank of Scotland Group plc (“RBS”), Banco Santander S.A. (“Santander”), Fortis N.V. and Fortis SA/N.V. (“Fortis”) acquired 85.6% of ABN AMRO Holding N.V. Through subsequent purchases RFS Holdings B.V. increased its stake in ABN AMRO Holding N.V. and its consolidated subsidiaries (“ABN AMRO”) to 99.3% as at 31 December 2007. RFS Holdings B.V. is controlled by RBS, which is incorporated in the U.K. and registered at 36 St. Andrew Square, Edinburgh, Scotland. As from 17 October 2007 The Royal Bank of Scotland Group plc is the ultimate parent company of ABN AMRO Holding N.V.

Holding’s consolidated financial statements include condensed financial information with respect to ABN AMRO Bank N.V. (the “Bank”), which itself had total assets of €1,025 billion as of 31 December 2007.

Plans and proposals: Following the completion of the acquisition, RBS, Fortis and Santander (the “Consortium Banks”) have worked closely with the management of ABN AMRO to verify and expand the information received from, and assumptions made on the basis of, the limited due diligence access granted to them before announcement of the offers.

In December 2007, the Consortium Banks agreed and validated a base-line plan for achieving synergies and for separating and transferring the ABN AMRO businesses to the respective banks. The businesses to be acquired by each of the Consortium Banks and in which each have an interest through their share holdings in RFS Holdings B.V. equal to their funding requirements, are:

RBS: Business Unit North America, Business Unit Global Clients (excluding Latin America) and Dutch wholesale clients and wholesale clients in Latin America (excluding Brazil), Business Unit Asia (excluding interest in Saudi Hollandi Bank) and Business Unit Europe (excluding Antonveneta).

Fortis: Business Unit Netherlands (excluding former Dutch wholesale clients), Business Unit Private Clients (excluding Latin America) and Business Unit Asset Management. The European Commission has cleared the acquisition of certain businesses of ABN AMRO by Fortis, on the condition that certain specified businesses were divested. The businesses identified for disposal are the Hollandsche Bank Unie N.V., 13 advisory branches and two Corporate Client Departments as well as the sale of the Dutch factoring company IFN Finance B.V. Fortis can only acquire control over ABN AMRO's Business Unit Netherlands and Business Unit Private Clients after divesting these assets to a suitable purchaser.

Santander: Business Unit Latin America (excluding wholesale clients outside Brazil), Antonveneta, Asset Management Antonveneta and Private Clients business in Latin America. On 8 November 2007 Santander announced it had reached an agreement with Banco Monte dei Paschi di Siena with respect to the sale of Antonveneta.

Furthermore the Consortium Banks participate proportionally to their funding commitment in the shared assets which include: central functions including Head Office functions, the private equity portfolio, ABN AMRO Group's investment in Saudi Hollandi Bank, the central investment portfolio and debt issuances. During the reorganisation, the Consortium Banks will retain a shared economic interest in all central functions (including Head Office functions) that provide support to the ABN AMRO businesses. The non-core assets are expected to be disposed of over a period of time with a view to maximising their value.

This transition plan forms the basis for continued consultation with employee representative bodies and regulators. The plan for separating and transferring the ABN AMRO businesses to the Consortium Banks was submitted to the Dutch Central Bank and Central Works Council for review in mid December and was neutrally advised by the Central Works Council on 14 February 2008 and approved by the Dutch Central Bank on 10 March 2008. Now that the approvals have been received, the implementation of the plan can begin.

Different parts of ABN AMRO will separate and integrate at different times. The precise timing of the separation of the businesses will depend on a range of factors, including the complexity of the separation task. For more complex separation processes, where the businesses are closely interlinked with the ABN AMRO Group systems and platforms, (such as within the BU Netherlands), separation and integration is expected to take some time; in contrast other less complicated separations will move relatively quickly. In each case the pace of the separation process will aim to accommodate the need for clarity among employees while also maintaining the appropriate level of service to ABN AMRO's clients.

The Consortium Banks are in the process of agreeing on the ownership of the debt issued and/or guaranteed by ABN AMRO. Upon the finalisation of this agreement, the impact, if any, on the debt issuances will be communicated.

Our Business:

The following organisational structure was adopted in January 2006. This structure was used by the Consortium Banks to divide the activities amongst each other:

Holding's Group structure comprises:

- seven client BUs
- three global product BUs
- two cross-BU segments
- Group Functions
- Services

The seven client BUs consist of five regional BUs (The Netherlands, Europe North America, Latin America and Asia) and two global client BUs, Private Clients and Global Clients. BU Global Clients overlaps the regional BUs in the segment reporting adopted in 2007.

The three global product BUs (Global Markets, Transaction Banking and Asset Management) support the client BUs by developing and delivering products for all of ABN AMRO's clients globally.

The Commercial Client Segment encompasses all of ABN AMRO's commercial clients. The Commercial Client Segment coordinates activities across the Client and Product BUs, sharing best practice and the overall strategic framework supporting this essential component of the Bank's portfolio.

Group Functions delivers support across the Group in areas ranging from Risk to Finance and from Human Resources to Sustainability.

Services focuses on increasing its operational efficiency through Group-wide consolidation and standardisation.

As from 2008, ABN AMRO will be organised into three units each containing the businesses that will ultimately be transferred to the respective Consortium Banks. A fourth unit will include central functions including the Head Office functions and businesses which are regarded as non-strategic.

Substitution:

Subsequent to the recent developments described above and as part of a restructuring of the ABN AMRO group, in relation to any one or more Series of Securities issued on or after the date of this Base Prospectus. ABN AMRO Bank N.V. may, without the consent of Securityholders be substituted and replaced by The Royal Bank of Scotland plc ('RBS') as the Issuer and, in this case, RBS would assume liability as principal obligor under any such Series of Securities in place of ABN AMRO Bank N.V., as further described in Condition 16 (*Meetings of Securityholders, Modification and Waiver, Substitution*).

RBS:

The Royal Bank of Scotland plc

The Royal Bank of Scotland Group plc (RBSG, together with its subsidiaries, the Group) is the holding company of one of the world's largest banking and financial services groups, with a market capitalisation of £44.4 billion at the end of 2007. Headquartered in Edinburgh, the Group operates in the United Kingdom, the United States and internationally through its two principal subsidiaries, The Royal Bank of Scotland plc (RBS) and National

Westminster Bank Plc (NatWest). Both RBS and NatWest are major UK clearing banks whose origins go back over 275 years. The Group has a large and diversified customer base and provides a wide range of products and services to personal, commercial and large corporate and institutional customers.

The Group's operations are conducted principally through RBS and its subsidiaries (including NatWest) other than ABN AMRO businesses and the general insurance business (primarily Direct Line Group and Churchill Insurance).

The Group had total assets of £1,900.5 billion and owners' equity of £53.0 billion at 31 December 2007. RBS had total assets of £1,115.7 billion and shareholders' equity of £47.7 billion at 31 December 2007. The Group had a total capital ratio of 11.2 per cent. and Tier 1 capital ratio of 7.3 per cent. as at 31 December 2007 on a fully consolidated basis.

On 17 October 2007, RFS Holdings B.V. (RFS Holdings), a company jointly owned by RBSG, Fortis N.V., Fortis SA/NV and Banco Santander S.A.) (the "Consortium Banks") and controlled by RBSG, completed the acquisition of ABN AMRO Holding N.V. (ABN AMRO). RFS Holdings is in the process of implementing an orderly separation of the business units of ABN AMRO with RBS principally retaining ABN AMRO's global wholesale businesses and international retail businesses in Asia and the Middle East. Certain other assets will continue to be shared by the Consortium Banks.

case prior to the expiry of the Distribution Compliance Period, beneficial interests in a Regulation S Global Security of such Tranche may be held only through Clearstream, Luxembourg or Euroclear. After the expiry of the Distribution Compliance Period, beneficial interests in a Regulation S Global Security may be held through DTC directly by a participant in DTC or indirectly through a participant in DTC. Regulation S Global Securities will be exchangeable for Definitive Registered Securities only in the limited circumstances as more fully described herein.

Securities of any Registered Series sold to QIBs in reliance on Rule 144A or in a transaction otherwise exempt from registration under the Securities Act and subject to the transfer restrictions in “Notice to Purchasers and Holders of Restricted Securities and Transfer Restrictions” will, unless otherwise specified in the applicable Final Terms, be represented by a Restricted Global Security, which will be deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, DTC on its Issue Date.

Securities initially offered and sold in the United States to Institutional Accredited Investors pursuant to Section 4(2) of the Securities Act or in a transaction otherwise exempt from registration under the Securities Act and subject to the transfer restrictions described in “Notice to Purchasers and Holders of Restricted Securities and Transfer Restrictions”, will be issued only in definitive registered form and will not be represented by a global Security.

Persons holding beneficial interests in Registered Global Securities will be entitled or required, as the case may be, under the circumstances described in Condition 2 of the Terms and Conditions of the Securities, to receive physical delivery of Definitive Registered Securities.

Limited Recourse:

Payments of principal and interest and other obligations of the Issuer in respect of any Series of Securities may be restricted upon the occurrence of any Constraint Event specified in the applicable Final Terms. Constraint Events may relate to the imposition of currency or foreign exchange controls in any specified country, a nationalisation, a hedging disruption, a credit rating downgrade in relation to a specified obligation or any other circumstance as provided in the applicable Final Terms. **The term “limited recourse” should not be taken to imply that any trustee is appointed for Securityholders or any security granted in respect of the Securities.**

The Terms and Conditions of the Securities provide that if the Calculation Agent determines that a Constraint Event has occurred or exists at any relevant time, the Issuer in its sole and absolute discretion may:

- (i) require the Calculation Agent to determine the appropriate adjustment, if any, to be made to any one or more of the Terms and Conditions to account for such Constraint Event; or
- (ii) if specified in the applicable Final Terms, redeem all, but not some only, of the Securities; or
- (iii) otherwise designate the Securities as Suspended Securities. In this case the Issuer shall have no obligation to make any payment or perform any other obligation in respect of the Securities while the Securities are Suspended Securities and any such payment or other performance shall be postponed for so long as the Constraint Event

continues to exist provided that if the relevant Constraint Event continues to exist for a period of two years, the Suspended Securities shall expire worthless and shall be cancelled by the Issuer in which case all obligations of the Issuer to the Securityholders in respect of the Securities shall be discharged and the Securityholders shall have no further recourse to the Issuer in respect of the Securities.

Any payment or delivery by the Issuer or any cancellation of the Securities as described above will constitute full and final settlement of the obligations of the Issuer with respect to the Securities, and Securityholders shall have no claim in respect of any amounts or deliveries which would, but for the operation of the terms above, have been payable in respect of the Securities.

Credit Linked Securities: Securities with respect to which payment of principal and/or interest is linked to the credit of a specified entity or entities will be issued on such terms as may be agreed between the Issuer and the relevant Dealer (as indicated in the applicable Final Terms).

If Conditions to Settlement are satisfied during the Notice Delivery Period, the Issuer will redeem the Securities at the Credit Event Redemption Amount, if Cash Settlement is specified in the applicable Final Terms, or by delivery of the Asset Amount, if Physical Delivery is specified in the applicable Final Terms, all subject to and as more fully set out in the Terms and Conditions of the Securities.

Fixed Rate Notes: Fixed interest will be payable on the date or dates specified in the applicable Final Terms and on redemption and will be calculated on the basis of the Day Count Fraction specified in the applicable Final Terms.

Floating Rate Notes: Floating Rate Notes will bear interest either at a rate determined on the same basis as the floating rate under a notional interest-rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2006 ISDA Definitions (as published by the International Swaps and Derivatives Association, Inc., and as amended and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series) or on the basis of a reference rate appearing on the agreed screen page of a commercial quotation service or on such other basis as may be agreed between the Issuer and the relevant Dealer (as indicated in the applicable Final Terms).

The Margin (if any) relating to such floating rate will be specified in the applicable Final Terms.

Index Linked Notes: Payments of principal in respect of Index Linked Redemption Notes or of interest in respect of Index Linked Interest Notes will be calculated by reference to such index and/or formula or to changes in the prices of securities or commodities or to such other factors as the Issuer and the relevant Dealer may agree.

Other provisions in relation to Floating Rate Notes and Index Linked Interest Notes: Floating Rate Notes and Index Linked Interest Notes may also have a maximum interest rate, a minimum interest rate or both.

Interest on Floating Rate Notes and Index Linked Interest Notes in respect of each Interest Period, as selected prior to issue by the Issuer and the relevant Dealer, will be payable on the Interest Payment Dates specified in, or determined pursuant to, the applicable Final Terms and will be calculated on the Day Count Fraction indicated in the applicable Final Terms.

Dual Currency Notes:	Payments (whether in respect of principal or interest and whether at maturity or otherwise) in respect of Dual Currency Notes will be made in such currencies, and based on such rates of exchange, as may be specified in the applicable Final Terms.
Zero Coupon Notes:	Zero Coupon Notes will be offered and sold at a discount to their nominal amount and will not bear interest.
Redemption:	<p>The applicable Final Terms will indicate either that the Securities cannot be redeemed prior to their stated maturity (other than in specified instalments (see below), if applicable, or for taxation reasons, following an illegality or following a Constraint Event or, in certain circumstances, in connection with Credit Linked Securities or following an Event of Default or otherwise in accordance with the Terms and Conditions) or that such Securities will be redeemable at the option of the Issuer and/or the Securityholders upon giving not less than 15 nor more than 30 days' irrevocable notice (or such other notice period (if any) as is indicated in the applicable Final Terms and provided that in the case of a redemption by the Issuer, such notice period shall be at least five Business Days, and in the case of a redemption by a Securityholder, such notice period shall be at least 15 Business Days) to the Securityholders or the Issuer, as the case may be, on a date or dates specified prior to such stated maturity and at a price or prices and on such terms as are indicated in the applicable Final Terms.</p> <p>The applicable Final Terms may provide that Notes may be repayable in two or more instalments of such amounts and on such dates as indicated in it.</p>
Denomination of Securities:	<p>Securities will be issued in such denominations as may be specified in the applicable Final Terms, save that the minimum denomination of each Security sold to Institutional Accredited Investors will be U.S.\$500,000 (or the equivalent in the relevant Specified Currency as determined by the Principal Paying Agent on the Issue Date (as defined below)). In addition, Securities may have such other minimum denomination as may be required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency.</p> <p>The minimum denomination of each Security admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive will be €50,000 (or, if the Securities are denominated in a currency other than euro, the equivalent amount in such currency).</p>
Taxation:	Payments in respect of the Securities will as specified in the applicable Final Terms be made either subject to, or without, withholding or deduction for or on account of taxes levied (if any) in The Netherlands or any relevant Tax Jurisdiction subject to certain exceptions as provided in Condition 9 of the Terms and Conditions of the Securities. If the applicable Final Terms relating to a Series of Securities provides that payments are to be made subject to withholding or deduction for or on account of taxes levied in The Netherlands or any relevant Tax Jurisdiction (if any), it will also specify that Condition 6(b) of the Terms and Conditions of the Securities will not apply to the Securities.
Negative Pledge:	None.

Cross Default:	None.
Status of the Securities:	The Securities will constitute unsecured and unsubordinated obligations of the Issuer and will rank <i>pari passu</i> without any preference among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.
Rating:	The rating of certain Series of Securities to be issued under the Programme may be specified in the applicable Final Terms.
Listing:	Application may be made to Euronext Amsterdam for the Securities to be issued under the Programme to be listed on Euronext Amsterdam. The Securities may also be listed on such other or further stock exchange or stock exchanges as may be agreed between the Issuer and the relevant Dealer in relation to each issue. Unlisted Securities may also be issued. The applicable Final Terms will state whether or not the Securities are to be listed and, if so, on which stock exchange or stock exchanges.
Governing Law:	The Securities will be governed by, and construed in accordance with, English law.
Selling Restrictions:	There are selling restrictions in relation to the European Economic Area and the United States, and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Securities. See “Subscription and Sale” below.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Securities issued under the Programme. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Securities issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Securities issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts or perform other obligations on or in connection with any Securities may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it or which it may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision.

Before making an investment decision with respect to any Securities, prospective investors should consult their own stockbroker, bank manager, lawyer, accountant or other financial, legal and tax advisers and carefully review the risks entailed by an investment in the Securities and consider such an investment decision in the light of the prospective investor's personal circumstances.

Words and expressions defined in the sections headed "Form of the Securities" and "Terms and Conditions of the Securities" below shall have the same meaning in this section.

Factors that may affect the Issuer's ability to fulfil its obligations under Securities issued under the Programme

Each potential investor in the Securities should refer to the Risk Factors section of the Registration Document for a description of those factors which may affect the Issuer's ability to fulfil its obligations under Securities issued under the Programme.

If a substitution (a "Substitution") of the Issuer takes place in respect of one or more Series of Securities (whereby The Royal Bank of Scotland plc ('RBS') replaces ABN AMRO Bank N.V. as Issuer pursuant to Condition 16 (Meetings of Securityholders, Modification and Waiver, Substitution)), there are factors which may affect RBS's ability to fulfil its obligations under the relevant Securities issued under the Programme. For an indication of such factors, potential investors in the Securities should refer to the Risk Factors section of the RBS Prospectus under "Risk Factors relating to the Issuer".

Certain Credit Linked Securities involve the determination of certain values by reference to one or more Notional Credit Default Swaps in relation to the relevant Reference Entity(ies) and a notional currency and/or interest swap agreement. In addition, for such Credit Linked Securities the effect of the credit event may be either positive or negative depending on whether the relevant Reference Entity is a "long" entity or a "short" entity. Investors should note that the determination of values by reference to the above notional swap agreements may have a significant effect on the return in respect of the relevant Credit Linked Securities. An investor should ensure they have reviewed fully and understand the procedures and methodology for determination of the relevant values.

In addition certain Credit Linked Securities may include "Trigger Event" provisions which allow early redemption of the Securities if a Trigger Event occurs. This may happen where values of certain Notional Credit Default Swap(s) and/or the cost of obtaining credit protection, in each case in relation to the relevant Reference Entity(ies) fulfil certain conditions. In addition, certain Credit Linked Securities may include a reference to Notional Credit Default Swap(s) in relation to which Leverage applies. If this is the case then the effect of a deterioration or an improvement in the creditworthiness of the relevant Reference Obligation or the occurrence of a credit event may be significantly greater than would otherwise be the case and this may have a

correspondingly significant effect on relevant amounts payable under the Securities. Investors should ensure they have fully reviewed and understood the provisions for these types of Credit Linked Securities.

Factors relating to a Substitution

As a result of a Substitution, if any, a Securityholder will be subject to different risks in relation to RBS as the new Issuer assuming obligations of ABN AMRO Bank N.V. under the Securities. Such risks may include the credit risks of RBS, certain modifications being made to the terms and conditions of the relevant Securities (for example, a change of Tax Jurisdiction in respect of the Securities on the basis that RBS is incorporated in the United Kingdom) and other risks specific to RBS. Securityholders will no longer have any claim or recourse against ABN AMRO Bank N.V. as primary obligor following a Substitution. Investors should note that should the Issuer elect to exercise its substitution right in accordance with Condition 16 (*Meetings of Securityholders, Modification and Waiver, Substitution*), no consent of Securityholders will be required. However, no assurance (express or implied) is given that any Substitution will occur in respect of any Series of Securities (or it may occur for some Series but not others). Any Substitution is subject to the consent of RBS and if no Substitution occurs Securityholders will have no rights against RBS.

Factors which are material for the purpose of assessing the market risks associated with Securities issued under the Programme

The Securities may not be a suitable investment for all investors

Each potential investor in the Securities must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Securities, the merits and risks of investing in the Securities and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Securities and the impact the Securities will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Securities, including Securities with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (d) understand thoroughly the terms of the Securities and be familiar with the behaviour of any relevant indices and financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Securities are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Securities which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Securities will perform under changing conditions, the resulting effects on the value of the Securities and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Securities

A wide range of Securities may be issued under the Programme. A number of these Securities may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Securities subject to optional redemption by the Issuer

An optional redemption feature of Securities is likely to limit their market value. During any period when the Issuer may elect to redeem Securities, the market value of those Securities generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Securities when its cost of borrowing is lower than the interest rate or rate of return on the Securities. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate or rate of return on the Securities being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes, Dual Currency Notes and other structured Securities

The Issuer may issue Securities including Index Linked Notes and Dual Currency Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a '**Relevant Factor**'). In addition, the Issuer may issue Securities with principal or interest payable in one or more currencies which may be different from the currency in which the Securities are denominated. Prospective investors should be aware that:

- (a) the market price of such Securities may be very volatile;
- (b) they may receive no interest;
- (c) payment of principal or interest may occur at a different time or in a different currency than expected;
- (d) they may lose all or a substantial portion of their principal;
- (e) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (f) if a Relevant Factor is applied to Securities in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (g) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in light of its particular circumstances.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable Rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other

conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Constraint Events

Payments of principal and interest or other obligations of the Issuer in respect of any Series of Securities may be restricted upon the occurrence of any Constraint Event described in the applicable Final Terms. A Constraint Event may relate to the imposition of currency or exchange controls in any specified country or to a nationalisation, a hedging disruption, a credit rating downgrade in relation to a specified obligation or any other circumstance as provided in the applicable Final Terms. Following a Constraint Event, the Issuer shall be entitled to require the Calculation Agent to adjust the Securities or to early redeem the Securities or to postpone payments or deliveries in respect of the Securities so long as the Constraint Event continues provided that if the Constraint Event continues for a period of two years the Securities shall expire worthless and shall be cancelled.

Credit Linked Securities

In the event of the occurrence of certain circumstances (which may include, amongst other things, Bankruptcy, Failure to Pay, Obligation Acceleration, Obligation Default, Repudiation/Moratorium or Restructuring) in relation to a Reference Entity or Reference Entities, in each case, as specified in the applicable Final Terms the Issuer's obligation to pay principal or perform other obligations under the Securities may be replaced by an obligation to pay other amounts calculated by reference to the value of the Reference Item(s) and/or to deliver the Reference Item(s). In addition interest bearing Credit Linked Notes may cease to bear interest on or prior to the date of occurrence of such circumstances. The Issuer may issue Credit Linked Securities linked to the performance of two or more Reference Entities where the Issuer's obligation to pay principal or perform other obligations under the Securities may be replaced by an obligation to pay other amounts calculated by reference to the value of the Reference Item(s) and/or deliver the Reference Item(s), in each case, in relation to the first Reference Entity in respect of which a Credit Event has occurred ('First to Default Credit Linked Securities'). The Issuer may issue Credit Linked Securities linked to the performance of a portfolio of Reference Entities where the amount of principal and interest (if any) payable by the Issuer pursuant to such Credit Linked Securities is dependent on whether a Credit Event in respect of one or more Reference Entities has occurred ('Portfolio Credit Linked Securities').

The Issuer's obligations in respect of Credit-Linked Securities are irrespective of the existence or amount of the Issuer's and/or any Affiliates' credit exposure to a Reference Entity and the Issuer and/or any Affiliate need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event.

Conflicts of Interest

Where the Issuer acts as Calculation Agent or the Calculation Agent is an affiliate of the Issuer, potential conflicts of interest may exist between the Calculation Agent and an investor, including with respect to certain determinations and judgements that the Calculation Agent may make pursuant to the Securities that may influence the amount receivable or specified assets deliverable on redemption of the Securities.

The Issuer and any Dealer may at the date hereof or at any time hereafter, be in possession of information in relation to a Relevant Factor that is or may be material in the context of the Securities and may or may not be publicly available to investors. There is no obligation on the Issuer or any Dealer to disclose to investors any such information.

In addition, in relation to any Credit Linked Securities, the Issuer and each ABN AMRO Group company may deal in and accept deposits from, make loans or otherwise extend credit to, and generally engage in any kind of commercial or investment banking activities or other business, including any derivatives business (howsoever defined), with any of the Reference Entities or any of their subsidiaries or affiliates or any other person or entity having obligations relating to any of the Reference Entities and may act with respect to such activities or business without being accountable to any investor in the Securities in the same manner as if the Securities did not exist, regardless of whether any such action might have an adverse effect (including, without limitation, any action which might constitute or give rise to any breach, event of default, credit event or termination event) on any of the Reference Entities or any investor in the Securities.

Risks related to Securities generally

Set out below is a brief description of certain risks relating to the Securities generally:

Modification, waivers and substitution

The Conditions of the Securities contain provisions for calling meetings of Securityholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Securityholders including Securityholders who did not attend and vote at the relevant meeting and Securityholders who voted in a manner contrary to the majority.

The conditions of the Securities also provide that the Agent may, without the consent of Securityholders, agree to (a) any modification (not being a modification requiring the approval of a meeting of Securityholders) of any of the provisions of Securities which is not materially prejudicial to the interests of the Securityholders or (b) any modification of the Securities which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of law.

EU Savings Tax Directive

If, following implementation of the Directive on the taxation of savings income (see “Taxation – EU Savings Tax Directive” below), a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Security as a result of the imposition of such withholding tax. The Issuer is required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Directive.

Tax consequences of holding the Notes

Potential investors should consider the tax consequences of investing in the Securities and consult their tax adviser about their own tax situation. See also “Taxation”.

Base Prospectus to be read together with applicable Final Terms

The terms and conditions of the Securities included in this Base Prospectus apply to the different types of Securities which may be issued under the Programme. The full terms and conditions applicable to each Tranche of Securities should be reviewed by reading the Terms and Conditions as set out in full in this Base Prospectus in the section headed “Terms and Conditions of the Securities”, which constitute the basis of all Securities to be offered under the Programme, together with the relevant Final Terms which apply and/or disapply, supplement and/or amend the Terms and Conditions in the manner required to reflect the particular terms and conditions applicable to the relevant Series of Securities (or Tranche thereof).

Change of law and jurisdiction

The conditions of the Securities are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Base Prospectus.

Notes where denominations involve integral multiples: definitive Notes:

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Securities may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Securities easily or at prices that will provide them with a yield or return comparable to similar investments that have a developed secondary market. This is particularly the case for Securities that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Securities generally would have a more limited secondary market and more price volatility than conventional securities. Illiquidity may have a severely adverse effect on the market value of Securities.

Exchange rate risks and exchange controls

The Issuer will pay principal and any interest on the Securities in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the 'Investor's Currency') other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (a) the Investor's Currency-equivalent yield or return on the Securities, (b) the Investor's Currency-equivalent value of the principal payable on the Securities and (c) the Investor's Currency-equivalent market value of the Securities.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Securities. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Securities. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (a) Securities are legal investments for it, (b) Securities can be used as collateral for various types of borrowing and (c) other restrictions apply to its purchase or pledge of any Securities. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Securities under any applicable risk-based capital or similar rules.

With respect to all offers or sales by a Dealer of an unsold allotment or subscription and in any case prior to expiry of the Distribution Compliance Period applicable to each Tranche of Securities, beneficial interests in a Regulation S Global Security may not be offered or sold to, or held for the account or benefit of, a U.S. person (save as otherwise provided in Condition 2 of the Terms and Conditions of the Securities) and may not be held otherwise than through Euroclear or Clearstream, Luxembourg. Regulation S Global Securities will be exchangeable for Definitive Registered Securities only in the limited circumstances as more fully described herein. Terms used in this paragraph shall have meanings given to them by Regulation S.

Registered Securities of each Tranche may only be offered and sold in the United States or to U.S. persons in private transactions (i) to QIBs or (ii) to Institutional Accredited Investors who agree to purchase the Securities for their own account and not with a view to the distribution thereof.

The Registered Securities of each Tranche sold to QIBs will be represented by a Restricted Global Security, which will be deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, DTC. Persons holding beneficial interests in Registered Global Securities will be entitled or required, as the case may be, under the circumstances described in Condition 2 of the Terms and Conditions of the Securities, to receive physical delivery of Definitive Registered Securities.

The Registered Securities of each Tranche sold to Institutional Accredited Investors will be in definitive form, registered in the name of the holder thereof. Such Definitive Registered Securities issued to Institutional Accredited Investors and any Restricted Global Securities will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Payments of principal in respect of the Registered Securities will, in the absence of any provision to the contrary, be made to the persons shown on the register at the close of business on the business day immediately prior to the relevant payment or delivery date. Payments of interest on Registered Securities will be made on the relevant payment date to the person in whose name such Securities are registered on the Record Date (as defined in Condition 5 of the Terms and Conditions of the Securities) immediately preceding such payment date. None of the Issuer, the Principal Paying Agent, any other Paying Agent, the Exchange Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Each Tranche of Bearer Securities will be initially represented by a Temporary Global Security or a Permanent Global Security (as specified in the applicable Final Terms) without receipts, interest coupons or talons, which will:

- (a) in the case that a Global Security is intended to be issued in new global note (“NGN”) form, as stated in the Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safe-keeper for Euroclear and Clearstream, Luxembourg; or
- (b) in the case that a Global Security is not intended to be issued in NGN form, be delivered on or prior to the original issue date of the Tranche to a common depository for Euroclear and Clearstream, Luxembourg.

Whilst any Bearer Security is represented by a Temporary Global Security, payments of principal and interest (if any) due prior to the expiry of 40 days after its issue will be made (against presentation of the Temporary Global Security if the Temporary Global Security is not intended to be issued in NGN form) only to the extent that

certification (in a form to be provided) to the effect that the beneficial owners of interests in such Security are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg, as applicable, and each of Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

On the expiry of such 40-day period (the 'Exchange Date'), interests in such Temporary Global Security will be exchangeable (free of charge) upon a request as described therein either for interests in a Permanent Global Security without receipts, interest coupons or talons or for definitive Bearer Securities with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Bearer Securities, to such notice period as is specified in the applicable Final Terms) in each case against certification of beneficial ownership as described in the second sentence of the immediately preceding paragraph unless such certification has already been given, provided that purchasers in the United States and certain U.S. persons will not be able to receive definitive Bearer Securities. The holder of a Temporary Global Security will not be entitled to collect any payment of interest or principal due on or after the Exchange Date unless upon due certification, exchange of the Temporary Global Security for or interest in a Permanent Global Security or a definitive Bearer Security, as the case may be, is improperly withheld or refused. Each exchange of an interest in a Temporary Global Security for an interest in a Permanent Global Security or definitive Bearer Securities, as the case may be, and each exchange (if any) of an interest in a Permanent Global Security for definitive Bearer Securities, shall be made outside the United States.

Payments of principal and interest (if any) on a Permanent Global Security will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Global Security if the Permanent Global Security is not intended to be issued in NGN form) without any requirement for certification. Unless otherwise specified in the applicable Final Terms, a Permanent Global Security will be exchanged (free of charge), in whole but not in part for definitive Bearer Securities with, where applicable, receipts, interest coupons and talons attached only upon the occurrence of an Exchange Event as described therein.

'Exchange Event' means (i) an Event of Default (as defined in Condition 11) has occurred and is continuing or (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention to permanently cease business or have in fact done so and no alternative clearing system is available or (iii) the Issuer has or will become subject to adverse tax consequences as provided for or referred to in Condition 9 which would not be required were the Securities represented by the Permanent Global Security in definitive form. The Issuer will promptly give notice to Securityholders in accordance with the Conditions if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Security) may give notice to the Principal Paying Agent requesting exchange and in the event of the occurrence of an Exchange Event as described in (ii) above, the Issuer may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur not later than 60 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

Pursuant to the Agency Agreement (as defined in the Conditions) the Principal Paying Agent shall arrange that, where a further Tranche of Securities is issued, the Securities of such Tranche shall be assigned (where applicable) a CUSIP number, a common code and ISIN which are different from the CUSIP number, CINS number, common code and ISIN assigned to Securities of any other Tranche of the same Series until the end of the Distribution Compliance Period. At the end of the Distribution Compliance Period, the CUSIP number, common code and ISIN, as the case may be, thereafter applicable to the Securities of the relevant Series will be notified by the Principal Paying Agent to the relevant Dealer.

All Securities will be issued pursuant to the Agency Agreement.

For so long as any of the Securities is represented by a global Bearer Security deposited with a common depositary or a common safekeeper for Euroclear and Clearstream, Luxembourg each person who is for the time

being shown in the records of Euroclear or of Clearstream, Luxembourg as entitled to a particular nominal amount of Securities (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of Securities standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be deemed to be the holder of such nominal amount of such Securities for all purposes other than with respect to the payment of principal or interest on the Securities, for which purpose such common depository shall be deemed to be the holder of such nominal amount of such Securities in accordance with and subject to the terms of the relevant global Security and the Agency Agreement (and the expression ‘Securityholder’ and related expressions shall be construed accordingly).

So long as DTC or its nominee is the registered owner or holder of a Registered Global Security, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Securities represented by such Registered Global Security for all purposes under the Agency Agreement and such Securities except to the extent that in accordance with DTC’s published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

No beneficial owner of an interest in a Registered Global Security will be able to exchange or transfer that interest, except in accordance with the applicable procedures of DTC, Euroclear and Clearstream, Luxembourg, in each case, to the extent applicable.

The following legend will appear on all global Bearer Securities, definitive Bearer Securities, receipts, interest coupons and talons:

Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code.

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Securities, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of Bearer Securities, receipts or interest coupons.

Any reference in this section “Form of the Securities” to Euroclear and/or Clearstream, Luxembourg and/or DTC shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system approved by the Issuer and the Principal Paying Agent.

A Security may be accelerated by the holder thereof in certain circumstances described in Condition 11. In such circumstances where any Security is still represented by a global Security and a holder of such Security so represented and credited to his securities account with Euroclear or Clearstream, Luxembourg or DTC gives notice that it wishes to accelerate such Security, unless within a period of 15 days from the giving of such notice payment has been made in full of the amount due in accordance with the terms of such global Security, such global Security will become void. At the same time, holders of interests in such global Security credited to their accounts with Euroclear or Clearstream, Luxembourg or DTC will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear and/or Clearstream, Luxembourg and/or DTC, on and subject to the terms of a deed of covenant (the ‘Deed of Covenant’) executed by the Issuer dated 11th January, 2006. In addition, holders of interests in such global Security credited to their accounts with DTC may require DTC to deliver Definitive Securities in registered form in exchange for their interest in such global Security in accordance with DTC’s standard operating procedures.

This document constitutes the Final Terms of the Securities described herein for the purposes of Article 5.4 of the Prospectus Directive (Directive 2003/71/EC) (the ‘Prospectus Directive’) and must be read in conjunction with the Base Prospectus dated [current date] which constitutes a base prospectus for the purposes of the Prospectus Directive, save in respect of the Conditions scheduled hereto. *[If applicable and the Securities are Credit Linked Notes include the following]***[The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Securities. These factors should**

be read in conjunction with, and are supplemental to, the section entitled “Risk Factors” on pages 13 to 18 of the Base Prospectus.]

[The Securities are first to default Credit Linked Securities in relation to [insert number] Reference Entities [where certain determinations in relation to the Reference Entities are made by reference to Notional Credit Default Swaps in relation to each Reference Entity.] *[If the Securities include a Notional Embedded Swap insert the following:]* [Such Credit Linked Securities will involve certain determinations being made by reference to a [currency][and][interest] rate swap referred to as the Notional Embedded Swap.] The Reference Entit[ies][y] [is a[n] describe] [is name of Reference Entity] [comprise] [describe] [insert number] [“Long Reference Entit[y][ies]”] [and [insert number] [“Short Reference Entit[y][ies]”]]. Where Conditions to Settlement are satisfied in respect of [the][any] Reference Entity and the Securities become redeemable pursuant to Condition 8, a Final Price is determined for [the][that affected] Reference Entity in accordance with Condition 8 and the Credit Event Redemption Amount will take account of such Final Price [as well as certain unwind amount(s) determined by the Calculation Agent in respect of [each of] the other Reference Entit[ies][y]. To the extent there is any [deterioration in the creditworthiness of [the][any] Long Reference Entity this is likely to have an adverse effect on the Credit Event Redemption Amount [and to the extent there is any] [deterioration in creditworthiness of a Short Reference Entity this is likely to have a positive effect on the Credit Event Redemption Amount].]

[If Trigger Events apply insert the following:

During the term of the Securities the Issuer will have the option to redeem the Securities early if a Trigger Event occurs. A Trigger Event includes *[insert details]* [events determined by reference to the unwind amounts determined for [one or more of] the Notional Credit Default Swap[s] and the cost of credit protection which is determined in relation to the Reference Entit[y][ies],] in each case on the relevant date on which a Trigger Event is determined to occur. [In addition a Trigger Event may take into account *[insert details]* [differences between the cost of credit protection for the Reference Entities] [and] [a foreign exchange cost determined in relation to the Specified Currency of the Securities and the currency in which determinations are made in relation to the Securities. Following any Trigger Event and exercise by the Issuer of its call option in relation to the Securities, each Security will be redeemed at an amount which takes into account *[insert details]* [the Notional Credit Default Swap[s],] [the Notional Embedded Swap and] certain expenses and costs of the Issuer and/or any of its Affiliates.]

[If Leverage applies insert the following, if applicable]

[The Notional Credit Default Swap[s] refer[s] to a Floating Rate Payer Calculation Amount which represents a credit protection amount greater than the Aggregate Nominal Amount of the Securities. This leverage may mean [that a Trigger Event occurs where this would not otherwise be the case] [and/or] [that investors in the Securities make a greater loss or fail to make as great a gain in relation to their investment than would otherwise be the case.]

TERMS AND CONDITIONS OF THE SECURITIES

The following are the Terms and Conditions of the Securities to be issued by the Issuer which will be incorporated by reference into each global Security and which will be endorsed on (or, if permitted by the relevant stock exchange or other relevant authority (if any) and agreed between the Issuer and the relevant Dealer, incorporated by reference into) each definitive Security. The applicable Final Terms in relation to any Tranche of Securities may specify other terms and conditions which shall to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Tranche of Securities. The applicable Final Terms will be endorsed on, incorporated by reference into, or attached to, each Temporary Global Security, Permanent Global Security, Regulation S Global Security, Restricted Global Security and definitive Security. Reference should be made to “Form of the Securities” above for a description of the content of Final Terms which includes the definition of certain terms used in the following Terms and Conditions.

(the ‘Issuer’ which term shall include any substitute Issuer pursuant to Condition 16 (Meetings of Securityholders, Modification and Waiver, Substitution) below) pursuant to the Agency Agreement (as defined below). References herein to the “Securities” shall be references to the Securities of this Series (as defined below) and shall mean (i) in relation to any Securities represented by a global Security, units of each Specified Denomination in the Specified Currency, (ii) definitive Securities issued in exchange (or part exchange) for a global Security and (iii) any global Security. The Securities, the Receipts (as defined below) and the Coupons (as defined below) also have the benefit of an amended and restated Agency Agreement dated 11 July 2008 (as amended and/or restated from time to time, the ‘Agency Agreement’) and made between the Issuer, Citibank, N.A., as issuing and principal paying agent (in such capacity the ‘Principal Paying Agent’, which expression shall include any successor such agent) and as exchange agent (the ‘Exchange Agent’, which expression shall include any successor exchange agent), Citigroup Global Markets Deutschland AG & Co. KGaA as registrar (the ‘Registrar’, which expression shall include any successor registrar), the other paying agents named therein (together with the Principal Paying Agent, the ‘Paying Agents’, which expression shall include any additional or successor paying agents) and the transfer agents named therein (the ‘Transfer Agents’, which expression shall include any additional or successor transfer agents). Securities are either Notes (‘Notes’) or Certificates (‘Certificates’) as specified in the applicable Final Terms. Interest-bearing definitive Bearer Notes (unless otherwise indicated in the applicable Final Terms) have interest coupons (‘Coupons’) and, if indicated in the applicable Final Terms, talons for further Coupons (‘Talons’) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Bearer Notes repayable in instalments have receipts (‘Receipts’) for the payment of the instalments of principal (other than the final instalment) attached on issue.

Any reference herein to “Securityholders” shall mean the holders of the Securities and shall, in relation to any Securities represented by a global Security, be construed as provided below. Any reference herein to “Receiptholders” shall mean the holders of the Receipts and any reference herein to “Couponholders” shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons. References herein to the “applicable Final Terms” are to the Final Terms for this Security.

As used herein, ‘Tranche’ means Securities which are identical in all respects (including as to listing and admission to trading) and ‘Series’ means a Tranche of Securities together with any further Tranche or Tranches

of Securities which are (i) expressed to be consolidated and form a single series and (ii) are identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates (if applicable) and Issue Prices.

The Securityholders, the Receiptholders and the Couponholders are entitled to the benefit of the Deed of Covenant (the 'Deed of Covenant') executed by the Issuer and dated 11th January, 2006. The original of the Deed of Covenant is held by a common depository on behalf of Euroclear (as defined below) and Clearstream, Luxembourg (as defined below).

Copies of the Agency Agreement, the applicable Final Terms and the Deed of Covenant are available at the specified offices of each of the Paying Agents, the Registrar and the Transfer Agents save that Final Terms relating to a Security which is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive, will only be available for inspection by a Securityholder upon such Securityholder producing evidence as to identity satisfactory to the relevant Paying Agent, Registrar or Transfer Agent, as the case may be. The Securityholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed of Covenant and the applicable Final Terms which are binding on them.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

1. Form, Denomination and Title

The Securities are in bearer form ('Bearer Securities') or in registered form ('Registered Securities') as specified in the applicable Final Terms and, in the case of definitive Securities, will be serially numbered, in the Specified Currency and in the Specified Denomination(s).

If this Security is a Note it may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, a Dual Currency Interest Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

If this Security is a Note it may be an Index Linked Redemption Note, an Instalment Note, a Dual Currency Redemption Note, a Partly Paid Note or a combination of any of the foregoing, depending upon the Redemption/Payment Basis shown in the applicable Final Terms.

Each Tranche of Bearer Securities will be initially represented by either a temporary global Security or a permanent global Security (as so specified in the applicable Final Terms) without Receipts, Coupons or Talons (each, a 'Temporary Global Security' or a 'Permanent Global Security' as applicable) which will:

- (a) in the case that the relevant global Security is intended to be issued in new global note ('NGN') form, as stated in the Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safe keeper for Euroclear Bank S.A./N.V. ('Euroclear') and Clearstream Banking, société anonyme ("Clearstream, Luxembourg"); or
- (b) in the case that the relevant global Security is not intended to be issued in NGN form, be delivered on or prior to the original issue date of the Tranche to a common depository for Euroclear and Clearstream, Luxembourg.

On or after the fortieth day after the date of its issue, beneficial interests in a Temporary Global Security will be exchangeable upon a request as described therein either for interests in a Permanent Global Security or for definitive Bearer Securities (as indicated in the applicable Final Terms and subject, in the case of definitive Bearer Securities, to such notice period as is specified in the applicable Final Terms), in each case against certification to the effect that the beneficial owner of interests in such Temporary Global Security is not a U.S. person or a person who has purchased for resale to any U.S. person, as required by U.S. Treasury regulations. Unless otherwise specified in the applicable Final Terms, a Permanent Global Security will be exchangeable

(free of charge), in whole but not in part for definitive Bearer Securities with, where applicable in the case of Notes, Receipts, Coupons and Talons attached only upon the occurrence of an Exchange Event as described therein.

Bearer Notes in definitive form are issued with Coupons and (if applicable) Receipts and Talons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Conditions are not applicable.

Unless otherwise provided with respect to a particular series of Registered Securities, Registered Securities of each Tranche sold outside the United States to persons that are not U.S. persons ('U.S. Persons') (as defined in Regulation S ('Regulation S') under the United States Securities Act of 1933, as amended (the 'Securities Act')) will, unless, otherwise specified in the applicable Final Terms, be represented by a permanent global Registered Security, without Receipts, Coupons or Talons, (each, a 'Regulation S Global Security'), deposited with Citibank, N.A. as custodian for, and registered in the name of Cede & Co. as nominee of, The Depository Trust Company ('DTC') for the accounts of Euroclear and Clearstream, Luxembourg. Securities in definitive registered form ('Definitive Registered Securities') issued in exchange for Regulation S Global Securities or otherwise sold or transferred in reliance on Regulation S under the Securities Act, together with the Regulation S Global Securities, are referred to herein as 'Regulation S Securities'. With respect to all offers or sales of an unsold allotment or subscription and in any case prior to expiry of the period that ends 40 days after the later of the relevant Issue Date and completion of the distribution of each Tranche of Securities, as certified by the relevant Dealer, in the case of a non-syndicated issue, or by the lead manager, in the case of a syndicated issue (the 'Distribution Compliance Period'), beneficial interests in a Regulation S Global Security may not be offered or sold to, or for the account or benefit of, a U.S. person (save as otherwise provided in Condition 2) and may be held only through Euroclear or Clearstream, Luxembourg. After the expiry of such Distribution Compliance Period, beneficial interests in a Regulation S Security may be held through DTC directly by a participant in DTC or indirectly through a participant in DTC.

Registered Securities of each Tranche sold to qualified institutional buyers within the meaning of Rule 144A ('Rule 144A') under the Securities Act ('QIBs') in reliance on Rule 144A or in a transaction otherwise exempt from registration under the Securities Act will, unless otherwise specified in the applicable Final Terms, be represented by a restricted permanent global Registered Security, without Receipts, Coupons or Talons (each, a 'Restricted Global Security' and, together with any Regulation S Global Security, the 'Registered Global Securities') deposited with a custodian for, and registered in the name of Cede & Co. as the nominee of, DTC. Securities in definitive form issued in exchange for Restricted Global Securities or otherwise sold or transferred in accordance with the requirements of Rule 144A under the Securities Act, together with the Restricted Global Securities, are referred to herein as 'Restricted Securities'.

Registered Securities of each Tranche sold within the United States to institutions that are accredited investors (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act) ('Institutional Accredited Investors') pursuant to Section 4(2) of the Securities Act or in a transaction otherwise exempt from registration under the Securities Act who agree to purchase the Securities for their own account and not with a view to the distribution thereof will be issued as Definitive Registered Securities only, registered in the name of the holder thereof and will not be represented by a global Security.

Definitive Registered Securities issued to Institutional Accredited Investors and Restricted Global Securities shall bear a legend specifying certain restrictions on transfer (each, a 'Legend'), such Securities being referred to herein as 'Legended Securities'. Upon the transfer, exchange or replacement of Legended Securities, or upon specific request for removal of a Legend, the Principal Paying Agent shall (save as provided in Condition 2) deliver only Legended Securities or refuse to remove such Legend, as the case may be, unless there is delivered to the Issuer such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of U.S. counsel, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act, the United States Investment Company Act of 1940, as amended, Regulation S or Rule 144A.

Subject as otherwise provided in Condition 2, Definitive Registered Securities may be exchanged or transferred in whole or in part in the Specified Denominations for one or more Definitive Registered Securities of like aggregate nominal amount.

Each Definitive Registered Security will be numbered serially with an identifying number which will be recorded in the register (the 'Register') which the Issuer shall procure to be kept by the Registrar.

Subject as set out below, title to Bearer Securities, Receipts and Coupons will pass by delivery. Title to Registered Securities will pass upon registration of transfers in the books of the Registrar. The Issuer, the Principal Paying Agent, any other Paying Agent, the Registrar and any Transfer Agent may deem and treat the bearer of any Bearer Security, Receipt or Coupon and any person in whose name a Registered Security is registered as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Security, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Bearer Securities is represented by a global Bearer Security held by a common depository on behalf of Euroclear and/or Clearstream, Luxembourg, each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg, as the holder of a particular nominal amount of such Securities (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Securities standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, any Paying Agent, the Registrar, the Exchange Agent and any Transfer Agent as the holder of such nominal amount of such Securities for all purposes other than with respect to the payment of any amounts on the Securities, for which purpose the bearer of the relevant global Security shall be treated by the Issuer, any Paying Agent, the Registrar, the Exchange Agent and any Transfer Agent as the holder of such Securities in accordance with and subject to the terms of the relevant global Security (and the expressions 'Securityholder' and 'holder of Securities' and related expressions shall be construed accordingly).

For so long as DTC or its nominee is the registered owner or holder of a Registered Global Security, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Securities represented by such Registered Global Security for all purposes under the Agency Agreement and the Securities except to the extent that in accordance with DTC's published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

Securities which are represented by a global Security will be transferable only in accordance with the rules and procedures for the time being of Euroclear, Clearstream, Luxembourg and DTC, as the case may be. References to Euroclear, Clearstream, Luxembourg and/or DTC shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system approved by the Issuer and the Principal Paying Agent and specified in the applicable Final Terms.

2. Exchange and Transfers of Registered Securities

(a) Exchange of interests in Registered Global Securities for Definitive Registered Securities

Unless otherwise specified in the applicable Final Terms, interests in any Registered Global Security will be exchangeable for Definitive Registered Securities, if (i) Euroclear and/or Clearstream, Luxembourg or DTC, as the case may be, notifies the Issuer that it is unwilling or unable to continue as depository for such Registered Global Security, (ii) if applicable, DTC ceases to be a 'Clearing Agency' registered under the United States Securities Exchange Act of 1934 (the 'Exchange Act') or both Euroclear and Clearstream, Luxembourg are closed for business for a continuous period of 15 days (other than by reason of holiday, statutory or otherwise) or announce an intention permanently to cease business, or do in fact do so, and a successor depository or alternative clearing system satisfactory to the Issuer is not available, or (iii) an Event of Default (as defined in Condition 11) has occurred and is continuing with respect to such Securities. Upon the occurrence of any of the events described in the preceding sentence, the Issuer will cause the appropriate Definitive Registered Securities

to be delivered, provided that, notwithstanding the above, no Definitive Registered Securities will be issued until expiry of the applicable Distribution Compliance Period.

(b) Transfers of Registered Global Securities

Transfers of any Registered Global Security shall be limited to transfers of such Registered Global Security, in whole but not in part, to a nominee of DTC or to a successor of DTC or such successor's nominee.

(c) Transfers of interests in Regulation S Securities

Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of a beneficial interest in, a Regulation S Security to a transferee in the United States or who is a U.S. Person will only be made:

- (i) upon receipt by the relevant Transfer Agent of a written certification in the form set out in the Agency Agreement, amended as appropriate (a 'Transfer Certificate'), copies of which are available from the specified office of any Transfer Agent, from the transferor of the Security or beneficial interest therein to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; or
- (ii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable federal securities laws of the United States or any applicable securities laws of any State of the United States

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

In the case of (i) above, such transferee may take delivery through a Legended Security in global or definitive form and, in the case of (ii) above, such transferee may take delivery only through a Legended Security in definitive form. After expiry of the applicable Distribution Compliance Period (a) beneficial interests in Regulation S Securities may be held through DTC directly by a participant in DTC or indirectly through a participant in DTC and (b) such certification requirements will no longer apply to such transfers.

(d) Transfers of interests in Legended Securities

Transfers of Legended Securities or beneficial interests therein may be made:

- (i) to a transferee who takes delivery of such interest through a Regulation S Security, upon receipt by the relevant Transfer Agent of a duly completed Transfer Certificate from the transferor to the effect that such transfer is being made in accordance with Regulation S and that, if such transfer is being made prior to expiry of the applicable Distribution Compliance Period, the interests in the Securities being transferred will be held immediately thereafter through Euroclear and/or Clearstream, Luxembourg; or
- (ii) to a transferee who takes delivery of such interest through a Legended Security:
 - (A) where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification; or
 - (B) where the transferee is an Institutional Accredited Investor, subject to delivery to the relevant Transfer Agent of a Transfer Certificate from the transferor to the effect that such transfer is being made to an Institutional Accredited Investor, together with a duly executed investment letter from the relevant transferee substantially in the form set out in the Agency Agreement (an 'IAI Investment Letter'); or

provided, however, that transfers of interests in Legended Securities from QIBs to Institutional Accredited Investors shall not be permitted or

- (iii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable federal securities laws of the United States or any applicable securities laws of any State of the United States (such evidence may also be required in connection with transactions described in (ii)(B) above),

and in each case, in accordance with any applicable laws of any State of the United States or any other jurisdiction.

Securities transferred by Institutional Accredited Investors to QIBs pursuant to Rule 144A or outside the United States pursuant to Regulation S will be eligible to be held by such QIBs or non-U.S. investors through DTC and the Registrar will arrange for any Securities which are the subject of such a transfer to be represented by the appropriate Registered Global Security, where applicable.

(e) Exchanges and transfers of Registered Securities generally

Registered Securities may not be exchanged for Bearer Securities and vice versa.

Transfers of beneficial interests in Registered Global Securities will be effected by DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Security will be transferable and exchangeable for Securities in definitive form or for a beneficial interest in another Registered Global Security only in accordance with the rules and operating procedures for the time being of DTC, Euroclear or Clearstream, Luxembourg, as the case may be (the 'Applicable Procedures').

Upon the terms and subject to the conditions set forth in the Agency Agreement, a Definitive Registered Security may be transferred in whole or in part (in the Specified Denominations) by the holder or holders surrendering the Definitive Registered Security for registration of the transfer of the Definitive Registered Security (or the relevant part of the Definitive Registered Security) at the specified office of any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing and upon the Registrar or, as the case may be, the relevant Transfer Agent, after due and careful enquiry, being satisfied with the documents of title and the identity of the person making the request and subject to such reasonable regulations as the Issuer and the Registrar or, as the case may be, the relevant Transfer Agent may prescribe, including any restrictions imposed by the Issuer on transfers of Definitive Registered Securities originally sold to a U.S. Person. Subject as provided above, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations) authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by mail to such address as the transferee may request, a new Definitive Registered Security of a like aggregate nominal amount to the Definitive Registered Security (or the relevant part of the Definitive Registered Security) transferred. In the case of the transfer of part only of a Definitive Registered Security, a new Definitive Registered Security in respect of the balance of the Definitive Registered Security not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.

Exchanges or transfers by a holder of a Definitive Registered Security for an interest in, or to a person who takes delivery of such Security through, a Registered Global Security will be made no later than 30 days after the receipt by the relevant Transfer Agent of the Definitive Registered Security to be so exchanged or transferred and, if applicable, upon receipt by the relevant Transfer Agent of a written certification from the transferor.

(f) Registration of transfer upon partial redemption

In the event of a partial redemption of Securities under Condition 6(c), the Issuer shall not be required to register the transfer of any Registered Security, or part of a Registered Security, called for partial redemption.

(g) *Closed Periods*

No Securityholder may require the transfer of a Registered Security to be registered during the period of 15 days ending on the due date for any payment of principal or interest on that Security.

(h) *Costs of exchange or registration*

Registration of exchanges or transfers will be effected without charge by or on behalf of the Issuer, the Registrar or the relevant Transfer Agent, but upon payment (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may reasonably require) in respect of any tax or other governmental charges which may be imposed in relation to it.

3. **Status of the Securities**

The Securities constitute unsecured and unsubordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer, save for those preferred by mandatory provisions of law.

4. **Interest and Interim Amounts**

Sections (a) – (e) of this Condition apply only to Notes and Section (f) applies only to Certificates.

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year and up to and including the Maturity Date. For so long as any of the Fixed Rate Notes is represented by a Global Note, interest will be calculated on the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the full amount paid up). In respect of each definitive Fixed Rate Note, interest will be calculated on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up).

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Except in the case of Notes in definitive form, where a Fixed Coupon Amount or a Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, unless such period is an annual period, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

‘Day Count Fraction’ means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if 'Actual/Actual (ICMA)' is specified in the applicable Final Terms:
 - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the 'Accrual Period') is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates that would occur in one calendar year; or
 - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if '30/360' is specified in the applicable Final Terms, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In these Conditions:

'Fixed Interest Period' means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date;

'Determination Period' means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

'sub-unit' means with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest on Floating Rate Notes and Index Linked Interest Notes

(i) Interest Payment Dates

Each Floating Rate Note and Index Linked Interest Note bears interest from (and including) the Interest Commencement Date at the rate equal to the Rate of Interest payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an 'Interest Payment Date') in each year specified in the applicable Final Terms; or
- (B) if no express Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an 'Interest Payment Date') which falls on the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date). For so long as any of the Floating Rate Notes or Index Linked Interest Notes is represented by a Global Note, interest will be calculated on the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the full amount paid up). In respect of each definitive Floating

Rate Note or Index Linked Interest Note, interest will be calculated on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up).

If any Interest Payment Date (or other date) is specified in the applicable Final Terms to be subject to adjustment in accordance with a business day convention and (x) there is no numerically corresponding day in the calendar month on which an Interest Payment Day should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the business day convention specified is:

- (1) in any case where Interest Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (or other date) (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply mutatis mutandis or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date (or other date) occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day.

As used herein, 'Business Day' means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and each Additional Business Centre specified in the applicable Final Terms; and
- (B) either (1) in relation to any amount payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London or any Additional Business Centre and which if the Specified Currency is Australian dollars shall be Sydney) or (2) in relation to any amount payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (the 'TARGET System') is open (a 'TARGET Day').

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms on the following basis:

(A) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), 'ISDA Rate' for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of

an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. ("ISDA") and as amended and updated as at the Issue Date of the first Tranche of the Notes (the 'ISDA Definitions') and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is the period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate ('LIBOR') or on the Euro-zone inter-bank offered rate ('EURIBOR') for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), 'Floating Rate', 'Calculation Agent', 'Floating Rate Option', 'Designated Maturity' and 'Reset Date' have the meanings given to those terms in the ISDA Definitions.

When this sub-paragraph (A) applies, in respect of each relevant Interest Period the Principal Paying Agent will be deemed to have discharged its obligations under Condition 4(b)(iv) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this sub-paragraph (A).

(B) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations, (expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest pursuant to this sub-paragraph (B) in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(iii) Minimum and/or Maximum Rate of Interest

If the applicable Final Terms specifies a minimum Rate of Interest for any Interest Period, then the Rate of Interest for such Interest Period shall in no event be less than such minimum Rate of Interest and/ or if it specifies a maximum Rate of Interest for any Interest Period, then the Rate of Interest for such Interest Period shall in no event be greater than such maximum Rate of Interest.

(iv) Determination of Rate of Interest and Calculation of Interest Amount

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, or, in each case, such other agent as is specified in the applicable Final Terms will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the amount of interest payable in respect of each Specified Denomination (each an 'Interest Amount') for the relevant Interest Period.

In the case of Index Linked Interest Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent and the Calculation Agent, as the case may be, will calculate the amount of interest (the 'Interest Amount') payable on the Floating Rate Notes or Index Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

'Day Count Fraction' means, in respect of the calculation of an amount of interest in accordance with this Condition 4(b):

- (i) if 'Actual/Actual (ISDA)' or 'Actual/Actual' is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if 'Actual/365 (Fixed)' is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if 'Actual/365 (Sterling)' is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if 'Actual/360' is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if '30/360', '360/360' or 'Bond Basis' is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{\lfloor 360 \times (Y_2 - Y_1) \rfloor + \lfloor 30 \times (M_2 - M_1) \rfloor + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period unless such number is 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if '30E/360' or 'Eurobond Basis' is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{\lfloor 360 \times (Y_2 - Y_1) \rfloor + \lfloor 30 \times (M_2 - M_1) \rfloor + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (vii) If 30E/360 (ISDA) is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{\lfloor 360 \times (Y_2 - Y_1) \rfloor + \lfloor 30 \times (M_2 - M_1) \rfloor + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.]

(v) Notification of Rate of Interest and Interest Amount

The Principal Paying Agent or such other agent as is specified in the applicable Final Terms will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 15 as soon as possible after their determination and where practicable on or prior to the first London Business Day of the relevant Interest Period but in no event later than the fourth London Business Day after their determination. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 15. For the purposes of this paragraph, the expression 'London Business Day' means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(vi) Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this paragraph (b) by the Principal Paying Agent, the Calculation Agent or such other agent as is specified in the applicable Final Terms shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Principal Paying Agent, the Calculation Agent, such other agent, if applicable, the other Paying Agents, the Registrar and all Noteholders, Receiptholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Principal Paying Agent, the Calculation Agent or that other agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Interest on Dual Currency Interest Notes*

The rate or amount of interest payable in respect of Dual Currency Interest Notes shall be determined in the manner specified in the applicable Final Terms.

(d) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(e) *Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (1) the date on which all amounts due in respect of such Note have been paid; and
- (2) five days after the date on which the full amount of the moneys payable has been received by the Principal Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 15 or individually;

Provided That if Condition 8(b) or Condition 8(c) applies in respect of the Notes and

- (A) 'Accrual of Interest upon Credit Event' is specified as not applying in the applicable Final Terms, each Note shall cease to bear interest from the Interest Payment Date immediately preceding the Credit Event Determination Date, or if the Credit Event Determination Date coincides with an Interest Payment Date such Interest Payment Date or, if the Credit Event

Determination Date falls prior to the first Interest Payment Date, no interest shall accrue on the Notes; or

- (B) 'Accrual of Interest upon Credit Event' is specified as applying in the applicable Final Terms, each Note shall cease to bear interest from the Credit Event Determination Date and the final payment of interest shall be payable on the Credit Event Redemption Date or Settlement Date, as applicable and no further interest shall be payable in respect of such delay; and

Provided Further That if

- (A) Condition 8(d) or Condition 8(e) applies in respect of the Notes and a Repudiation/Moratorium has not occurred on or prior to the Repudiation/Moratorium Evaluation Date or a Failure to Pay has not occurred on or prior to the Grace Period Extension Date, as the case may be; and/or
- (B) Condition 8(f) applies in respect of the Notes and the Scheduled Maturity/Settlement Date, the Grace Period Extension Date or the Repudiation/Moratorium Evaluation Date, as the case may be, is postponed as provided therein,

then interest will accrue as provided in Condition 8(d), Condition 8(e) or Condition 8(f), as the case may be.

(f) *Interim Amount*

(i) *Interim Amount on Certificates*

If so specified in the applicable Final Terms, an Interim Amount shall be payable in respect of each Certificate on each Interim Amount Payment Date. The Interim Amount(s) shall equal to such amount(s) or be calculated in such manner as is specified in the applicable Final Terms.

(ii) *Interim Amount Payment Date*

Interim Amount Payment Date(s) means the date(s) specified in the applicable Final Terms as Interim Amount Payment Date(s).

(iii) *Other Terms*

The payment of Interim Amounts in respect of each Certificate shall be subject to any other terms specified in the applicable Final Terms.

5. Payments and Physical Settlement

(a) *Method of Payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by transfer to an account in the relevant Specified Currency (which in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars, shall be Sydney); and
- (ii) payments in euro will be made by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 9.

(b) *Presentation of Securities, Receipts and Coupons*

Payments of principal in respect of definitive Bearer Securities will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment

only of any sum due, endorsement) of definitive Bearer Securities, and payments of interest in respect of definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment only of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent (in the case of any payments to be made in U.S. dollars, outside the United States).

Notwithstanding the foregoing, U.S. dollar payments of principal and, if applicable, interest in respect of any Bearer Securities will be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and, if applicable, interest on the Bearer Securities in the manner provided above when due;
- (ii) payment of the full amount of such interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and, if applicable, interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer only, adverse tax consequences to the Issuer.

In respect of Bearer Notes in definitive form, payments of instalments of principal (if any), other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment only of any sum due, endorsement) of the relevant Receipt. Payment of the final instalment will be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment only of any sum due, endorsement) of the relevant Bearer Note. Each Receipt must be presented for payment of the relevant instalment together with the definitive Bearer Note to which it appertains. Receipts presented without the definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Dual Currency Notes, Index Linked Notes and Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 9) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 10) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Receipts and Talons (if any) appertaining thereto will become void and no payments in respect of any such Receipts and no further Coupons in respect of any such Talons will be made or issued, as the case may be.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Interest Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Receipts, Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. Where any such Note is presented for redemption without all unmatured Receipts, Coupons or Talons relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require. A 'Long Maturity Note' is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the

Fixed Interest Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender (or, in the case of part payment only of any sum due, endorsement) of the relevant definitive Bearer Note.

Payments of principal and interest (if any) in respect of Bearer Securities represented by any global Security will (subject as provided below) be made in the manner specified above in relation to definitive Securities and otherwise in the manner specified in the relevant global Security against presentation or surrender, as the case may be, of such global Security at the specified office of any Paying Agent. A record of each payment made against presentation or surrender of such global Security, distinguishing between any payment of principal and any payment of interest, if applicable, will be made on such global Security by such Paying Agent and such record shall be prima facie evidence that the payment in question has been made.

Payments of principal (other than instalments of principal (if any) prior to the final instalment) in respect of Registered Securities (whether in definitive or global form) will be made in the manner specified in paragraph (a) to the persons in whose name such Securities are registered at the close of business on the business day (being for this purpose a day on which banks are open for business in the city where the Registrar is located) immediately prior to the relevant payment date against presentation and surrender (or, in the case of part payment only of any sum due, endorsement) of such Registered Securities at the specified office of any Paying Agent.

Payments of interest due on a Registered Note (whether in definitive or global form) and payments of instalments of principal (if any) due on a Registered Note (other than the final instalment) will be made in the manner specified in paragraph (a) to the person in whose name such Registered Note is registered at the close of business on the fifteenth day (whether or not such fifteenth day is a business day (being for this purpose a day on which banks are open for business in the city where the Registrar is located) (the 'Record Date')) prior to such due date. In the case of payments by cheque, cheques will be mailed to the holder (or the first named of joint holders) at such holder's registered address on the business day (as described above) immediately preceding the due date.

If payment in respect of any Registered Securities is required to be made by transfer as referred to in paragraph (a) above, application for such payment must be made by the holder to the Principal Paying Agent not later than the relevant Record Date.

All amounts payable to DTC or its nominee, Cede & Co., as registered holder of a Registered Global Security in respect of Securities denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the Principal Paying Agent to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for payment in such Specified Currency or conversion into U.S. dollars in accordance with the provisions of the Agency Agreement.

The holder of a global Security shall be the only person entitled to receive payments in respect of Securities represented by such global Security and the Issuer will be discharged by payment to, or to the order of, the holder of such global Security in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or DTC as the beneficial holder of a particular nominal amount of Securities represented by such global Security must look solely to Euroclear, Clearstream, Luxembourg or DTC, as the case may be, for his share of each payment so made by the Issuer to, or to the order of the holder of such global Security. No person other than the holder of such global Security shall have any claim against the Issuer in respect of any payments due on such global Security.

(c) Payment Day

If the date for payment of any amount in respect of any Security, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and

shall not be entitled to further interest or other payment in respect of such delay. For these purposes (unless otherwise specified in the applicable Final Terms), 'Payment Day' means any day which is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the relevant place of presentation, London and each Additional Financial Centre specified in the applicable Final Terms;
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre and which if the Specified Currency is Australian dollars shall be Sydney) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open; and
- (iii) in the case of any payment in respect of a Registered Global Security denominated in a Specified Currency other than U.S. dollars and registered in the name of DTC or its nominee and in respect of which an account holder of DTC (with an interest in such Registered Global Security) has elected to receive any part of such payment in U.S. dollars, a day on which commercial banks are not authorised or required by law or regulation to be closed in New York City.

(d) Interpretation of Principal and Interest

Any reference in these Conditions to principal in respect of the Securities shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Final Settlement Amount of the Certificates;
- (iv) the Early Redemption Amount of the Securities;
- (v) the Optional Redemption Amount(s) (if any) of the Securities;
- (vi) in relation to Instalment Notes, the Instalment Amounts;
- (vii) in relation to Zero Coupon Notes, the Amortised Face Amount; and
- (viii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Securities.

Any reference in these Conditions to interest in respect of the Securities shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 9.

(e) Physical Delivery

- (i) If any Security other than a Restricted Security is to be redeemed by delivery of an Asset Amount(s), in order to obtain delivery of such Asset Amount(s):
 - (A) if such Security is represented by a Global Security, the relevant Securityholder must deliver to Euroclear or Clearstream, Luxembourg (as applicable), with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice; and
 - (B) if such Security is in definitive form, the relevant Securityholder must deliver this Security to any Paying Agent with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, together with a duly completed Asset Transfer Notice.

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Paying Agent.

An Asset Transfer Notice may only be delivered (i) if such Security is represented by a Global Security, in such manner as is acceptable to Euroclear or Clearstream, Luxembourg, as the case may be, or (ii) if such Security is in definitive form, in writing or by authenticated SWIFT message.

If this Security is in definitive form, this Security must be delivered together with the duly completed Asset Transfer Notice.

An Asset Transfer Notice must:

- (1) specify the name and address of the relevant Securityholder, the person from whom the Issuer may obtain details for the delivery of the Asset Amount and any details required for delivery of the Asset Amount set out in the applicable Final Terms;
- (2) in the case of Securities represented by a Global Security, specify the nominal amount of Securities which are the subject of such notice and the number of the Securityholder's account at Euroclear or Clearstream, Luxembourg, as the case may be, to be debited with such Securities and irrevocably instruct and authorise Euroclear or Clearstream, Luxembourg, as the case may be, to debit the relevant Securityholder's account with such Securities on or before the Settlement Date;
- (3) include an undertaking to pay all Delivery Expenses and, in the case of Securities represented by a Global Security, an authority to debit a specified account of the Securityholder at Euroclear or Clearstream, Luxembourg, as the case may be, in respect thereof and to pay such Delivery Expenses;
- (4) specify an account to which any amounts payable pursuant to Condition 8(h) (in the case of Credit Linked Securities) or any other cash amounts specified in the Conditions or applicable Final Terms as being payable are to be paid; and
- (5) authorise the production of such notice in any applicable administrative or legal proceedings.

No Asset Transfer Notice may be withdrawn after receipt thereof by Euroclear or Clearstream, Luxembourg or a Paying Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the relevant Securityholder may not transfer the Securities which are the subject of such notice.

In the case of Securities represented by a Global Security, upon receipt of such notice, Euroclear or Clearstream, Luxembourg, as the case may be, shall verify that the person specified therein as the Securityholder is the holder of the specified nominal amount of Securities according to its books.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made, in the case of Securities represented by a Global Note, by Euroclear or Clearstream, Luxembourg, as the case may be, after consultation with the Issuer and shall be conclusive and binding on the Issuer and the relevant Securityholder and, in the case of Securities in definitive form, by the relevant Paying Agent after consultation with the Issuer and shall be conclusive and binding on the Issuer and the relevant Securityholder.

Delivery of the Asset Amount(s) in respect of each Security shall be made at the risk of the relevant Securityholder in such commercially reasonable manner as the Calculation Agent shall in its sole and absolute discretion determine and notify to the person designated by the Securityholder in the relevant Asset Transfer Notice or in such manner as is specified in the applicable Final Terms.

If a Securityholder fails to give an Asset Transfer Notice as provided herein on or prior to the Cut-Off Date specified in the applicable Final Terms, the Issuer will, subject as provided above, deliver the assets constituting the Asset Amount(s) in respect of the relevant Securities as soon as practicable after

the receipt of the duly completed Asset Transfer Notice, (in which case such date of delivery shall be the Settlement Date) at the risk of the Securityholder Provided That if, in respect of a Security, a Securityholder fails to give an Asset Transfer Notice prior to the day falling 180 calendar days after the Cut-Off Date, the Issuer shall instead redeem such Security by payment of the fair market value of the Security less a *pro rata* share of all costs, expenses (including loss of funding), tax and duties incurred by the Issuer and/or any of its Affiliates in connection with the redemption of such Securities and the related termination, settlement or re-establishment of any hedge or related trading position, all as determined by the Calculation Agent in its sole and absolute discretion by reference to such factor(s) as it may deem appropriate.

Any such payments shall be made in the manner notified by the Issuer in accordance with Condition 15. Following any such payment the obligations of the Issuer in respect of such Securities shall be discharged and the Issuer shall have no liability in respect thereof.

- (ii) If any Restricted Security is to be redeemed by delivery of the Asset Amount, the relevant provisions relating to such delivery shall be set out in the applicable Final Terms.
- (iii) All Delivery Expenses arising from the delivery of the Asset Amount in respect of any Securities shall be for the account of the relevant Securityholder and no delivery of any Asset Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by the relevant Securityholder.

After delivery of an Asset Amount in respect of a Security and for the Intervening Period, none of the Issuer, the Calculation Agent or any other person shall at any time (i) be under any obligation to deliver or procure delivery to any Securityholder or any subsequent transferee any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of the securities or obligations included in such Asset Amount, (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such securities or obligations included in such Asset Amount or (iii) be under any liability to a Securityholder or any subsequent transferee in respect of any loss or damage which such Securityholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations included in such Asset Amount.

For the purposes of the Securities (i) the Issuer shall be under no obligation to register or procure the registration of any Securityholder or any other person as the registered owner of any relevant assets comprised in an Asset Amount (including in any share register) and (ii) any interest, dividend or other distribution in respect of any Asset Amount will be payable to the party that would receive such interest, dividend or other distribution according to market practice for a sale of the relevant asset executed on the Settlement Date and to be delivered in the same manner as the Asset Amount. Any such interest, dividend or other distribution to be paid to a Securityholder shall be paid to the account specified in the relevant Asset Transfer Notice.

- (iv) This Condition 5(e)(iv) shall apply only in relation to Securities which are not Credit Linked Securities. In relation to Credit Linked Securities the separate provisions of Condition 8(g) and (b) apply.

In relation to each Security which is to be redeemed by delivery of the Asset Amount, the Asset Amount will be delivered at the risk of the relevant Securityholder, in the manner provided above on (i) the Maturity Date, in the case of Notes, or (ii) the Final Settlement Date, in the case of Certificates (such date, subject to adjustment in accordance with this Condition the 'Settlement Date'), provided that the Asset Transfer Notice is duly delivered to Euroclear, Clearstream, Luxembourg or a Paying Agent with a copy to the Issuer, as provided above, not later than the close of business in each place of receipt on the Cut-Off Date specified in the applicable Final Terms or, in the case of Restricted Securities, the relevant provisions of the applicable Final Terms are observed.

Prior to the delivery of the Asset Amount in accordance with this Condition, if a Settlement Disruption Event is subsisting in respect of any Securities, then the Settlement Date in respect of each such Security shall be postponed until the date on which no Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Securityholder, in accordance with Condition 15. Such Securityholder shall not be entitled to any payment, whether of interest or otherwise, on such Security as a result of any delay in the delivery of the Asset Amount pursuant to this paragraph. Where delivery of the Asset Amount has been postponed as provided in this paragraph the Issuer shall not be in breach of these Conditions and no liability in respect thereof shall attach to the Issuer.

For so long as delivery of the Asset Amount in respect of any Security is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole and absolute discretion to satisfy its obligations in respect of the relevant Security by payment to the relevant Securityholder of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election (the 'Election Notice') is given to the Securityholders in accordance with Condition 15. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Securityholders in accordance with Condition 15.

Where the Asset Amount is, in the determination of the Issuer, an amount other than an amount of assets capable of being delivered, the Securityholders will receive an Asset Amount comprising of the nearest number (rounded down) of relevant assets capable of being delivered by the Issuer (taking into account that a Securityholder's entire holding may be aggregated at the Issuer's discretion for the purpose of delivering the Asset Amounts), and an amount in the Specified Currency which shall be the value of the amount of the relevant assets so rounded down, as calculated by the Calculation Agent in its sole and absolute discretion from such source(s) as it may select (converted if necessary into the Specified Currency by reference to such exchange rate as the Calculation Agent deems appropriate). Payment will be made in such manner as shall be notified to the Securityholders in accordance with Condition 15.

6. Redemption or Settlement and Purchase

(a) At Maturity or Settlement

Unless previously redeemed or purchased and cancelled as specified below and subject to Condition 6(g) Condition 7 and Condition 8 in relation to each Security which is not a Credit Linked Security:

- (i) each Note (including each Index Linked Redemption Note and Dual Currency Redemption Note) will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date; or, as the case may be,
- (ii) each Certificate will be redeemed by the Issuer at its Final Settlement Amount specified in, or determined in the manner specified in, the applicable Final Terms in the Specified Currency on the Final Settlement Date.

(b) Redemption for Tax Reasons

Unless so specified in the applicable Final Terms, Securities may be redeemed at the option of the Issuer in whole, but not in part, at any time (in the case of Securities other than Floating Rate Notes or Index Linked Interest Notes or Dual Currency Interest Notes) or on any Interest Payment Date (in the case of Floating Rate Notes or Index Linked Interest Notes or Dual Currency Interest Notes), on giving not less than 30 nor more than 60 days’ notice to the Securityholders in accordance with Condition 15 (which notice shall be irrevocable) if, on the occasion of the next payment due under the Securities, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 9 as a result of any change in, or amendment to, the laws or regulations of The Netherlands or any other jurisdiction (the ‘Relevant Tax Jurisdiction’) specified in the applicable Final Terms or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Securities.

Securities redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in paragraph (f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) Redemption for Illegality

In the event that the Calculation Agent determines in good faith that the performance of the Issuer’s obligations under the Securities or that any arrangements made to hedge the Issuer’s obligations under the Securities has or will become unlawful, illegal or otherwise prohibited in whole or in part as a result of compliance with any applicable present or future law, rule, regulation, judgment, order or directive of any governmental, administrative, legislative or judicial authority or power, or in the interpretation thereof, the Issuer having given not less than 10 nor more than 30 days’ notice to Securityholders in accordance with Condition 15 (which notice shall be irrevocable), shall, on expiry of such notice redeem all, but not some only, of the Securities, each Security being redeemed at the Early Redemption Amount.

(d) Redemption at the Option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Final Terms, subject as provided in Condition 7, the Issuer may, having given:

- (i) not less than the minimum number of days specified in the applicable Final Terms nor more than 30 days’ notice to the Securityholders in accordance with Condition 15 and provided that such notice period shall in no event be less than five Business Days; and

- (ii) not less than the minimum number of days specified in the applicable Final Terms before the giving of the notice referred to in (i), notice to the Principal Paying Agent,

(both of which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Securities then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount or not more than the Maximum Redemption Amount, both as indicated in the applicable Final Terms. In the case of a partial redemption of Securities, the Securities to be redeemed ('Redeemed Securities') will be selected individually by lot, in the case of Redeemed Securities represented by definitive Securities, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount at their discretion) and/or, as the case may be, DTC, in the case of Redeemed Securities represented by a global Security, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the 'Selection Date'). In the case of Redeemed Securities represented by definitive Securities, a list of the serial numbers of such Redeemed Securities will be published in accordance with Condition 15 not less than five days prior to the date fixed for redemption. No exchange of the relevant global Security will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph (d) and notice to that effect shall be given by the Issuer to the Securityholders in accordance with Condition 15 at least five days prior to the Selection Date.

(e) Redemption of Securities at the Option of the Securityholders (Investor Put)

If Investor Put is specified in the applicable Final Terms subject as provided in Condition 7, upon the holder of any Security giving to the Issuer in accordance with Condition 15 not less than the minimum number of days specified in the applicable Final Terms nor more than 30 days' notice or such other period of notice as is specified in the applicable Final Terms (which notice shall be irrevocable) and provided that such period of notice shall in no event be less than 15 Business Days, the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Security on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. Registered Securities may be redeemed under this Condition 6(e) in any multiple of their lowest Specified Denomination. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable final Terms.

To exercise the right to require redemption of this Security its holder must deliver such Security at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly signed and completed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a 'Put Notice') and in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition and, in the case of Registered Securities, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Securities so surrendered is to be redeemed, an address to which a new Registered Security in respect of the balance of such Registered Securities is to be sent subject to and in accordance with the provisions of Condition 2 accompanied by, if this Security is in definitive form, this Security or evidence satisfactory to the Paying Agent concerned that this Security will, following delivery of the Put Notice, be held to its order or under control.

Any Put Notice given by a holder of any Security pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Security forthwith due and payable pursuant to Condition 11.

(f) Early Redemption Amounts

For the purpose of paragraphs (b) and (c) above and Conditions 7, 8 and 11, the Securities will be redeemed at its Early Redemption Amount calculated as follows, unless otherwise specified in the applicable Final Terms:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Zero Coupon Notes, at an amount (the ‘Amortised Face Amount’) equal to the sum of:
 - (A) the Reference Price; and
 - (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable; or
- (iii) in the case of Certificates with a Final Settlement Amount equal to the Issue Price at the Final Settlement Amount thereof; or
- (iv) in any other case, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the Final Terms, at their nominal amount.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each or on such other calculation basis as may be specified in the applicable Final Terms.

(g) Stop Loss Termination

In relation to any Security for which Stop Loss Termination is specified as applying in the applicable Final Terms such Security will be terminated if at any time on any day from and including the Issue Date to but excluding the Final Settlement Date (in the case of Certificates) or Maturity Date (in the case of Notes), each as specified in the applicable Final Terms, in the determination of the Calculation Agent a Stop Loss Event has occurred, as such event is described in the applicable Final Terms. In such circumstances the Issuer shall give notice to Securityholders in accordance with Condition 15 that a Stop Loss Event has occurred and the effective date of such notice is referred to as the “Stop Loss Event Notice Date”.

The relevant Securities will be terminated in accordance with this Condition 6(g) notwithstanding any exercise by the Issuer of the Issuer Call pursuant to Condition 6(d) and/or any prior delivery of a Put Notice by a Securityholder pursuant to Condition 6(e), Provided That the relevant due date for redemption has not occurred on or prior to the Stop Loss Event Notice Date.

The Final Settlement Date or Maturity Date in respect of each Security to which this Condition 6(g) applies shall occur on the fifth Business Day immediately following the determination by the Calculation Agent of the Stop Loss Settlement Price as provided in the applicable Final Terms. Each Certificate shall be redeemed at the Stop Loss Settlement Amount (if any) in respect of each Security, all as determined by the Calculation Agent as provided in the applicable Final Terms.

(h) Instalments

Instalment Notes will be repaid in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (f) above.

(i) Partly Paid Notes

If the Securities are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Final Terms.

(j) Purchases

The Issuer or any of its subsidiaries may at any time purchase Securities (provided that, in the case of definitive Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Securities may be held, re-issued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(k) Cancellation

All Securities which are redeemed will forthwith be cancelled (together with all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption). All Securities so cancelled and the Securities purchased and cancelled pursuant to paragraph (j) above (together with all unmatured Receipts and Coupons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be re-issued or resold.

(l) Late Payment on Zero Coupon Notes

This paragraph applies only to Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (d) or (e) above or upon its becoming due and repayable as provided in Condition 11 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (e)(ii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable has been received by the Principal Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 15.

7. Limited Recourse

(a) Action following a Constraint Event

If Constraint Event provisions are specified as applying in the applicable Final Terms and the Calculation Agent determines that a Constraint Event has occurred or exists at any time on or prior to the Maturity Date, in the case of Notes, or the Final Settlement Date, in the case of Certificates, or any other day on which any payment or delivery is due in respect of the Securities, the Issuer in its sole and absolute discretion may, subject as provided below, take the action specified in any of (i), (ii) or (iii) below:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the Final Redemption Amount and/or the Final Settlement Amount and/or any other amount falling due and/or any other terms of these Conditions and/ or the applicable Final Terms to account for such Constraint Event, and determine the effective date of that adjustment; or
- (ii) where Constraint Event Early Redemption is specified as applying in the applicable Final Terms, give notice to Securityholders in accordance with Condition 15 and redeem all, but not some only, of the Securities, at the Early Redemption Amount; or
- (iii) where Constraint Event Early Redemption is not specified as applying in the applicable Final Terms, give notice to the Securityholders (in accordance with Condition 15) and designate the Securities as 'Suspended Securities' giving notice of the effective date thereof (the 'Suspension Date'). The Issuer shall have no obligation to make any payment or perform any other obligation in respect of the Securities while the Securities are Suspended Securities and, subject as provided below, any such payment or other performance shall be postponed to no later than the tenth Business Day following the

Cessation Date (as defined below). No additional interest or any other payment or compensation shall be due to Securityholders as a result of any such delay. The Securities shall remain Suspended Securities until the relevant Constraint Event ceases to exist and the Issuer notifies the cessation of such Constraint Event to Securityholders in accordance with Condition 15 (the effective date of such notification the 'Cessation Date') provided that if in the determination of the Calculation Agent the relevant Constraint Event continues to exist on the second anniversary of the Suspension Date (the 'Suspension Cut-Off Date'), the Suspended Securities shall expire worthless and shall be cancelled by the Issuer in which case all obligations of the Issuer to the Securityholders in respect of the Securities shall be discharged and the Securityholders shall have no further recourse to the Issuer in respect of the Securities.

Without prejudice to the foregoing, following any Cessation Date the Issuer may require the Calculation Agent to determine in its sole and absolute discretion, any adjustment to one or more of the Final Redemption Amount and/or Final Settlement Amount and/or any other amount falling due and/or any other terms of these Conditions and/or the applicable Final Terms necessary or appropriate in order to determine any such amounts or other obligations due or to be performed in respect of the Securities, taking into account, without limitation, the occurrence of the relevant Constraint Event and the effect of any delay pursuant to this Condition.

If delivery of any assets is made later than the originally scheduled due date for delivery as a result of the occurrence of a Constraint Event, until delivery is made to the Securityholders, none of the Issuer, the Calculation Agent or any other person shall at any time (i) be under any obligation to deliver or procure delivery to the Securityholders or any subsequent transferee any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in respect of such assets, (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such assets or (iii) be under any liability to the Securityholders or any subsequent transferee in respect of any loss or damage which the Securityholders or subsequent transferees may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner of such assets until the date of delivery.

(b) Definition of Constraint Event

Subject as provided below, for the purposes of this Condition, 'Constraint Event' means any of:

- (i) if 'General Inconvertibility' is specified as applying in the applicable Final Terms, the occurrence of any event that generally makes it impossible or not reasonably practicable to convert the Local Currency into the Specified Currency in any Relevant Jurisdiction through customary legal channels;
- (ii) if 'Specific Inconvertibility' is specified as applying in the applicable Final Terms, the occurrence of any event that makes it impossible or not reasonably practicable for any Reference Entity and/or any Hedging Party to convert the Local Currency into the Specified Currency in any Relevant Jurisdiction, other than where such impossibility or impracticality is due solely to the failure by such Reference Entity and/or Hedging Party to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible or not reasonably practicable for such Reference Entity and/or Hedging Party, due to an event beyond its control, to comply with such law, rule or regulation);
- (iii) if 'General Non-Transferability' is specified as applying in the applicable Final Terms, the occurrence of any event that generally makes it impossible or not reasonably practicable to deliver (a) the Specified Currency from accounts inside any Relevant Jurisdiction to accounts outside such Relevant Jurisdiction or (b) the Local Currency between accounts inside the Relevant Jurisdiction or to a party that is a non-resident of such Relevant Jurisdiction;
- (iv) if 'Specific Non-Transferability' is specified as applying in the applicable Final Terms, the occurrence of any event that makes it impossible or not reasonably practicable for any Reference Entity and/or any Hedging Party to deliver (a) the Local Currency from accounts inside any Relevant Jurisdiction to accounts outside such Relevant Jurisdiction or (b) the Local Currency between accounts inside any Relevant Jurisdiction or to a party that is a non-resident of such Relevant Jurisdiction, other than where

such impossibility or impracticality is due solely to the failure by such Reference Entity and/or Hedging Party to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible or not reasonably practicable for such Reference Entity and/or Hedging Party, due to an event beyond its control, to comply with such law, rule or regulation);

- (v) if 'Nationalisation' is specified as applying in the applicable Final Terms, any expropriation, confiscation, requisition, nationalisation or other action is taken by a Governmental Authority which deprives any Reference Entity and/or Hedging Party of all or substantially all of its assets in any Relevant Jurisdiction;
- (vi) if 'Hedging Disruption' is specified as applying in the applicable Final Terms, the Issuer determines that any arrangements entered into by any Hedging Party in order to hedge the Issuer's obligations in respect of the Securities in whole or in part cannot reasonably be established, maintained or re-established; or
- (vii) if 'Downgrade' is specified as applying in the applicable Final Terms, the Credit Rating in respect of any Downgrade Obligation is lower than the relevant Specified Rating or any Downgrade Obligation is no longer rated by the relevant Rating Agency. If a Downgrade Obligation no longer exists, the Calculation Agent may, in its sole and absolute determination, identify a substitute Downgrade Obligation that ranks equal in priority of payment with the Downgrade Obligation and is issued or guaranteed (as to both principal and interest or other similar payments if applicable) by the same entity as the issuer of the Downgrade Obligation immediately prior to such substitution. The Calculation Agent may make such adjustments to the Conditions and/or the applicable Final Terms to take account of any such substitution, including an adjustment in relation to the relevant Specified Rating and Rating Agency. If the Securities are Credit Linked Securities and the Downgrade Obligation is a Reference Obligation for the purposes of Condition 8, the Calculation Agent may, without limitation, select the relevant successor Reference Obligation determined pursuant to Condition 8 as the successor Downgrade Obligation. The Issuer shall give notice to Securityholders in accordance with Condition 15 of any such substitution and the effective date thereof.

For the avoidance of doubt a Credit Event Determination Date shall occur upon satisfaction of the Conditions to Settlement during the Notice Delivery Period notwithstanding that the Notice of Physical Settlement may be given later, and in some cases significantly later, than the Credit Event Determination Date.

If “Restructuring Maturity Limitation and Fully Transferable Obligation” is specified as applying in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation may be included in the Asset Amount only if it (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the Restructuring Maturity Limitation Date.

If “Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable” is specified as applying in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation may be included in the Asset Amount only if it (i) is a Conditionally Transferable Obligation and (ii) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date.

- (iii) The Calculation Agent shall determine, based on the then current market practice in the market of the relevant Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, whether such Quotations shall include or exclude accrued but unpaid interest. All Quotations shall be obtained in accordance with this specification or determination.

If an Accreting Obligation is expressed to accrete pursuant to a straight-line method or if such Obligation’s yield to maturity is not specified in, nor implied from, the terms of such Obligation, then, for the purposes of (a)(ii) above, the Accreted Amount shall be calculated using a rate equal to the yield to maturity of such Obligation. Such yield shall be determined on a semi-annual bond equivalent basis using the original issue price of such obligation and the amount payable at the scheduled maturity of such obligation, and shall be determined as of the earlier of (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (B) the Delivery Date or applicable Valuation Date, as the case may be. The Accreted Amount shall exclude, in the case of an Exchangeable Obligation, any amount that may be payable under the terms of such obligation in respect of the value of the Equity Securities for which such obligation is exchangeable.

‘Accreting Obligation’ means any obligation (including, without limitation, a Convertible Obligation or an Exchangeable Obligation), the terms of which expressly provide for an amount payable upon acceleration equal to the original issue price (whether or not equal to the face amount thereof) plus an additional amount or amounts (on account of original issue discount or other accruals of interest or principal not payable on a periodic basis) that will or may accrete, whether or not (a) payment of such additional amounts is subject to a contingency or determined by reference to a formula or index, or (b) periodic cash interest is also payable.

‘Additional Interest Amount’ means an amount in the Specified Currency equal to the product of:

- (i) the Calculation Amount;
- (ii) the Average Overnight Rate in respect of the Additional Amount Period; and
- (iii) the number of days in the Additional Amount Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (i) the last day of the Additional Amount Period is the 31st day of a month but the first day of the Additional Amount Period

is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month or (ii) the last day of the Additional Amount Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)).

‘Specified Number’ means the number of Public Source(s) specified in the applicable Final Terms, or if no number is specified in the applicable Final Terms, two.

‘Substitute Reference Obligation’ means one or more obligations of a Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee) that will replace one or more Reference Obligations in respect of such Reference Entity, identified by the Calculation Agent in accordance with the following procedures:

- (a) In the event that:
 - (i) a Reference Obligation in respect of such Reference Entity is redeemed in whole; or
 - (ii) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation in respect of such Reference Entity have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortisation or prepayments), (B) any Reference Obligation in respect of such Reference Entity is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms, or (C) for any other reason, other than due to the existence or occurrence of a Credit Event, any Reference Obligation in respect of a Reference Entity is no longer an obligation of such Reference Entity,

the Calculation Agent shall identify one or more Obligations to replace such Reference Obligation in respect of a Reference Entity.

- (b) Any Substitute Reference Obligation or Substitute Reference Obligations shall be an Obligation that (1) ranks *pari passu* (or, if no such Obligation exists, then, at the option of the Issuer an Obligation that ranks senior) in priority of payment with such Reference Obligation (with the ranking in priority of payment of such Reference Obligation being determined as of the later of (A) the Trade Date and (B) the date on which such Reference Obligation was issued or incurred and not reflecting any change to such ranking in priority of payment after such later date), (2) preserves the economic equivalent, as closely as practicable as determined by the Calculation Agent of the delivery and payment obligations of the Issuer and (3) is an obligation of a Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee). The Substitute Reference Obligation or Substitute Reference Obligations identified by the Calculation Agent shall, without further action, replace such Reference Obligation or Reference Obligations.
- (c) If more than one specific Reference Obligation is identified as a Reference Obligation in respect of a Reference Entity in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to one or more but not all such Reference Obligations, and the Calculation Agent determines that no Substitute Reference Obligation is available for one or more of such Reference Obligations, each such Reference Obligation for which no Substitute Reference Obligation is available shall cease to be a Reference Obligation.
- (d) If more than one specific Reference Obligation is identified as a Reference Obligation in respect of a Reference Entity in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to all such Reference Obligations, and the Calculation Agent determines that at least one Substitute Reference Obligation is available for any such Reference Obligation, then each such Reference Obligation shall be replaced by a Substitute Reference Obligation and each Reference Obligation for which no Substitute Reference Obligation is available will cease to be a Reference Obligation.

then the Calculation Agent shall continue to attempt to identify a Substitute Reference Obligation until the later of (A) the Scheduled Maturity/Settlement Date, (B) the Grace Period Extension Date (if any) and (C) the Repudiation/Moratorium Evaluation Date (if any). If (i) either Cash Settlement is specified in the applicable Final Terms and the Credit Event Redemption Amount is determined by reference to a Reference Obligation or Physical Delivery is specified in the applicable Final Terms and the Reference Obligation is the only Deliverable Obligation and (ii) on or prior to the later of (A) the Scheduled Maturity/ Settlement Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date, a Substitute Reference Obligation has not been identified, the obligations of the Issuer under the Securities shall cease as of the later of (A) the Scheduled Maturity/ Settlement Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date.

- (f) For the purposes of identification of a Reference Obligation, any change in the Reference Obligation's CUSIP or ISIN number or other similar identifier will not, in and of itself, convert such Reference Obligation into a different Obligation.

'Successor' means:

- (a) in relation to a Reference Entity that is not a Sovereign, the entity or entities, if any, determined as set forth below:
 - (i) if one entity directly or indirectly succeeds to 75 per cent. or more of the Relevant Obligations of the Reference Entity by way of a Succession Event, that entity will be the sole Successor;
 - (ii) if only one entity directly or indirectly succeeds to more than 25 per cent. (but less than 75 per cent.) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than 25 per cent. of the Relevant Obligations will be the sole Successor;
 - (iii) if more than one entity each directly or indirectly succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than 25 per cent. of the Relevant Obligations will each be a Successor and these Conditions and/or the applicable Final Terms will be adjusted as provided below;
 - (iv) if one or more entities each directly or indirectly succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor and these Conditions and/or the applicable Final Terms will be adjusted as provided below;

- (v) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity will not be changed in any way as a result of the Succession Event; and
 - (vi) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor; and
- (b) in relation to a Sovereign Reference Entity, any direct or indirect successor(s) to that Reference Entity irrespective of whether such successor(s) assumes any of the obligations of such Reference Entity.

In the case of (a) above, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than 14 calendar days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable. In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information.

Where pursuant to paragraph (a)(iii) or (a)(iv) above, more than one Successor has been identified, the Calculation Agent shall adjust such of these Conditions and/or the applicable Final Terms as it in its sole and absolute discretion acting in a commercially reasonable manner shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of these Conditions and/or the applicable Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Securities under the provisions of the 2003 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as practicable to Securityholders in accordance with Condition 15, stating the adjustment to these Conditions and/or the applicable Final Terms and giving brief details of the relevant Succession Event.

The determinations required pursuant to paragraph (a) of this definition of “Successor” shall be made, in the case of an exchange offer, on the basis of the Outstanding Principal Balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the Outstanding Principal Balance of Bonds for which Relevant Obligations have been exchanged.

Where:

- (A) a Reference Obligation is specified in the applicable Final Terms; and
- (B) one or more Successors to the Reference Entity have been identified; and

If Condition 8(k) is specified as applicable in the applicable Final Terms, then, notwithstanding anything to the contrary in these Conditions, upon the occurrence of a Restructuring Credit Event during the Notice Delivery Period:

- (a) the Calculation Agent may deliver a Credit Event Notice in respect of an amount (the ‘Partial Redemption Amount’) that is less than the principal amount outstanding of each Security immediately prior to the delivery of such Credit Event Notice. In such circumstances the provisions of Condition 8 shall be deemed to apply to the Partial Redemption Amount only and each such Security shall be redeemed in part (such redeemed part being equal to the Partial Redemption Amount).

(m) *Provisions taken from the ISDA supplement titled "Additional Provisions - Monoline Insurer as Reference Entity (May 2003)"*

If Condition 8(m) is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) **Obligation and Deliverable Obligation.** Paragraph (a) of the definition of "Obligation" in Condition 8(j) and paragraph (a) of the definition of "Deliverable Obligation" in Condition 8(j) are hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee".
- (b) **Interpretation of Provisions.** In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in Condition 8(j) will apply, with references to the Qualifying Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:
 - (i) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in this Condition 8 in respect of such an Insured Instrument shall be construed accordingly;
 - (ii) references in the definitions of Assignable Loan and Consent Required Loan to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
 - (iii) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
 - (iv) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
 - (v) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "Outstanding Principal Balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.
- (c) **Not Contingent.** An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this Condition 8(m) is applicable, no inference should be made as to the

interpretation of the “Not Contingent” Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.

- (d) Deliver. For the purposes of the definition of “Deliver” in Condition 8(j), “Deliver” with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and “Delivery” and “Delivered” will be construed accordingly.
- (e) Provisions for Determining a Successor. The paragraph commencing “For the purposes of this definition of “Successor” ...” in the definition of “Successor” in Condition 8(j) is hereby amended by adding “or insurer” after “or guarantor”.
- (f) Substitute Reference Obligation. The first paragraph of the definition of “Substitute Reference Obligation” and paragraph (b) thereof in Condition 8(j) is hereby amended by adding “or Qualifying Policy” after “or as provider of a Qualifying Affiliate Guarantee”. For purposes of sub-paragraph (a)(ii)(B) the definition of “Substitute Reference Obligation” references to “the Qualifying Guarantee” and the “Underlying Obligation” shall be deemed to include “the Qualifying Policy” and “the Insured Instrument”, respectively.
- (g) Other Provisions. For purposes of paragraph (a)(ii) of the definition of “Deliverable Obligation” and the definitions of “Credit Event” and “Deliver” in Condition 8(j) references to “the Underlying Obligation” and “the Underlying Obligor” shall be deemed to include “Insured Instruments” and the “Insured Obligor”, respectively.
- (h) Additional Definitions.

‘Qualifying Policy’ means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments of an instrument that constitutes Borrowed Money (modified as set forth in this Condition 8(m)) (the ‘Insured Instrument’) for which another party (including a special purpose entity or trust) is the obligor (the ‘Insured Obligor’). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments). The benefit of a Qualifying Policy must be capable of being delivered together with the Delivery of the Insured Instrument.

‘Instrument Payments’ means (A) in the case of any Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate distribution of the Certificate Balance on or prior to a specified date and (B) in the case of any other Insured Instrument, the scheduled payments of principal and interest, in the case of both (A) and (B) (1) determined without regard to limited recourse or reduction provisions of the type described in Condition 8(m)(c) above and (2) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

‘Certificate Balance’ means, in the case of an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, the unit principal balance, certificate balance or similar measure of unreimbursed principal investment.

- (n) *Provisions taken from the ISDA supplement titled “Additional Provisions – Monoline Insurer as Reference Entity (May 2005)”*

If Condition 8(n) is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) **Obligation and Deliverable Obligation.** Paragraph (a) of the definition of “Obligation” in Condition 8(j) and paragraph (a) of the definition of “Deliverable Obligation” in Condition 8(j) are hereby amended by adding “or Qualifying Policy” after “or as provider of a Qualifying Affiliate Guarantee”.
- (b) **Interpretation of Provisions.** In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of “Deliverable Obligation” in Condition 8(j) will apply, with references to the Qualifying Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:
 - (i) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms “obligation” and “obligor” as used in this Condition 8 in respect of such an Insured Instrument shall be construed accordingly;
 - (ii) references in the definitions of Assignable Loan and Consent Required Loan to “the guarantor” and “guaranteeing” shall be deemed to include “the insurer” and “insuring”, respectively;
 - (iii) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
 - (iv) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
 - (v) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term “Outstanding Principal Balance” shall mean the outstanding Certificate Balance and “maturity”, as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

For the avoidance of doubt, if Condition 8(o) is specified as applying in the applicable Final Terms the amendments to paragraph (B) of the definition of “Deliverable Obligation” in Condition 8(j) provided in Condition 8(o) shall not be construed to apply to Qualifying Policies and Insured Instruments.

- (c) **Not Contingent.** An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this Condition 8(n) is applicable, no inference should be made as to the interpretation of the “Not Contingent” Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.
- (d) **Deliver.** For the purposes of the definition of “Deliver” in Condition 8(j), “Deliver” with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian

representing an interest in such an Insured Instrument and the related Qualifying Policy), and “Delivery” and “Delivered” will be construed accordingly.

- (e) Provisions for Determining a Successor. The paragraph commencing “For the purposes of this definition of “Successor” ...” in the definition of “Successor” in Condition 8(j) is hereby amended by adding “or insurer” after “or guarantor”.
- (f) Substitute Reference Obligation. The first paragraph of the definition of “Substitute Reference Obligation” and paragraph (b) thereof in Condition 8(j) are hereby amended by adding “or Qualifying Policy” after “or as provider of a Qualifying Affiliate Guarantee”. For purposes of sub-paragraph (a)(ii)(B) the definition of “Substitute Reference Obligation” references to “the Qualifying Guarantee” and the “Underlying Obligation” shall be deemed to include “the Qualifying Policy” and “the Insured Instrument”, respectively.
- (g) Restructuring.
 - (i) With respect to an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest or a Qualifying Policy with respect thereto, paragraphs (i) to (v) inclusive of the definition of “Restructuring” in Condition 8(j) are hereby amended to read as follows:
 - (i) a reduction in the rate or amount or the Instrument Payments in clause (A)(x) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (ii) a reduction in the amount of the Instrument Payments described in clause (A)(y) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (iii) a postponement or other deferral of a date or dates for either (A) the payment or accrual of the Instrument Payments described in clause (A)(x) of the definition thereof or (B) the payment of the Instrument Payments described in clause (A)(y) of the definition thereof, in each case that are guaranteed or insured by the Qualifying Policy;

Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. Neither the Issuer nor any agent party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Securities held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Book-entry Systems

DTC

DTC has advised the Issuer that it is a limited purpose trust company organised under the New York Banking Law, a 'banking organisation' within the meaning of the New York Banking Law, a 'clearing corporation' within the meaning of the New York Uniform Commercial Code and a 'clearing agency' registered pursuant to Section 17A of the Exchange Act. DTC holds securities that its participants ('Participants') deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc. Access to the DTC System is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ('Indirect Participants').

Under the rules, regulations and procedures creating and affecting DTC and its operations (the 'Rules'), DTC makes book-entry transfers of Registered Securities among Direct Participants on whose behalf it acts with respect to Securities accepted into DTC's book-entry settlement system ('DTC Securities') as described below and receives and transmits distributions of principal and interest on DTC Securities. The Rules are on file with the Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Securities ('Owners') have accounts with respect to the DTC Securities similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Owners. Accordingly, although Owners who hold DTC Securities through Direct Participants or Indirect Participants will not possess Registered Securities, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interest with respect to the DTC Securities.

Purchases of DTC Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Securities on DTC's records. The ownership interest of each actual purchaser of each DTC Securities ('Beneficial Owner') is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Securities, except in the event that use of the book-entry system for the DTC Securities is discontinued.

To facilitate subsequent transfers, all DTC Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of DTC Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Securities; DTC's records reflect only the identity of the Direct

Participants to whose accounts such DTC Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the DTC Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to DTC Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments, if applicable, on the DTC Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the due date for payment in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the due date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in 'street name', and will be the responsibility of such Participant and not of DTC or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest, if applicable, to DTC is the responsibility of the Issuer, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

Under certain circumstances, including if there is an Event of Default under the Securities, DTC will exchange the DTC Securities for definitive Registered Securities, which it will distribute to its Participants in accordance with their proportionate entitlements and which, if representing interests in a Restricted Global Security, will be legended as set forth under 'Notice to Purchasers and Holders of Restricted Securities and Transfer Restrictions' below.

Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Owner desiring to pledge DTC Securities to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Securities, will be required to withdraw its Registered Securities from DTC as described below.

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each hold securities for their customers and facilitate the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream, Luxembourg customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Book-entry Ownership of and Payments in respect of DTC Securities

The Issuer will apply to DTC in order to have each Tranche of Securities represented by Registered Global Securities accepted in its book-entry settlement system. Upon the issue of any Registered Global Securities, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Registered Global Securities to the accounts of persons who have accounts with DTC. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in a Registered Global Security will be limited to Direct Participants or Indirect Participants, including the respective depositaries of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in a Registered Global Security will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Registered Global Note or a Registered Global Certificate registered in the name of DTC's nominee will be made to the order of such nominee as the registered holder of such Security. In the case of any payment in a currency other than U.S. dollars, payment will be made to the Exchange Agent on behalf of DTC's nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Registered Global Securities in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

The Issuer expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. The Issuer also expects that payments by Participants to beneficial owners of Securities will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Participant and not the responsibility of DTC, the Principal Paying Agent, the Registrar or the Issuer. Payments of principal, premium, if any, and interest, if any, on Securities to DTC is the responsibility of the Issuer.

Transfers of Securities Represented by Registered Global Securities

Transfers of any interests in Securities represented by a Registered Global Security within DTC, Euroclear and Clearstream, Luxembourg will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Securities represented by a Registered Global Security to such persons may depend upon the ability to exchange such Securities for Securities in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Securities represented by a Registered Global Security to pledge such Securities to persons or entities that do not participate in the DTC system or to otherwise take action in respect of such Securities may depend upon the ability to exchange such Securities for Securities in definitive form. The ability of any holder of Securities represented by a Registered Global Security to resell, pledge or otherwise transfer such Securities may be impaired if the proposed transferee of such Securities is not eligible to hold such Securities through a direct or indirect participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Security described under 'Notice to Purchasers and Holders of Restricted Securities and Transfer Restrictions', cross-market transfers between DTC, on the one hand, and directly or indirectly through Clearstream, Luxembourg or Euroclear acountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Registrar, the Fiscal Agent and any custodian ('Custodian') with whom the relevant Registered Global Securities have been deposited.

On or after the Issue Date for any Series, transfers of Securities of such Series between acountholders in Clearstream, Luxembourg and Euroclear and transfers of Securities of such Series between participants in DTC

will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg and Euroclear, on the other, transfers of interests in the relevant Registered Global Securities will be effected through the Registrar, the Fiscal Agent and the Custodian receiving instructions (and where appropriate certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Clearstream, Luxembourg and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Securities among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuer, the Agents or any Dealer will be responsible for any performance by DTC, Clearstream, Luxembourg or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Securities represented by Registered Global Securities or for maintaining, supervising or reviewing any records relating to such beneficial interests.

NETHERLANDS TAXATION

General

The following summary describes the principal Netherlands tax consequences of the acquisition, holding, redemption and disposal of the Securities, but does not purport to be a comprehensive description of all Netherlands tax considerations in relation thereto. This summary is intended as general information only and each prospective investor should consult a professional tax adviser with respect to the tax consequences of an investment in the Securities.

This summary is based on the tax legislation, published case law, treaties, regulations and published policy, in force as of the date of this Base Prospectus, though it does not take into account any developments or amendments thereof after that date whether or not such developments or amendments have retroactive effect.

This summary only addresses the Netherlands tax consequences for holders of Securities that are resident or deemed to be resident of the Netherlands for Netherlands tax purposes. This summary does not address the Netherlands tax consequences for:

- (i) holders of Securities holding a substantial interest (aanmerkelijk belang) in the Issuer. Generally speaking, a Securityholder holds a substantial interest in the Issuer, if such Securityholder, alone or, where such holder is an individual, together with his or her partner (statutory defined term) or certain other related persons, directly or indirectly, holds (i) an interest of 5 per cent or more of the total issued capital of the Issuer or of 5 per cent or more of the issued capital of a certain class of shares of the Issuer, (ii) rights to acquire, directly or indirectly, such interest or (iii) certain profit sharing rights in the Issuer;*
- (ii) pension funds or other entities that are exempt from Netherlands corporate income tax; and*
- (iii) investment institutions (fiscale beleggingsinstellingen) and exempt investment institutions (vrijgestelde beleggingsinstelling).*

Withholding tax

All payments made by the Issuer under the Securities may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein provided that the Securities do not in fact function as equity of the Issuer within the meaning of article 10, paragraph 1, under d of the Netherlands corporate income tax act 1969 (Wet op de vennootschapsbelasting 1969).

Corporate and individual income tax

If a Securityholder is resident or deemed to be resident of the Netherlands for Netherlands tax purposes and is fully subject to Netherlands corporate income tax or is only subject to Netherlands corporate income tax in respect of its enterprise to which the Securities are attributable, income derived from the Securities and gains realised upon the redemption or disposal of the Securities are generally taxable in the Netherlands (up to a maximum rate of 25.5%).

If an individual Securityholder is resident or deemed to be resident of the Netherlands for Netherlands tax purposes (including the individual holder who has opted to be taxed as a resident of the Netherlands), income derived from the Securities and gains realised upon the redemption or disposal of the Securities are taxable at the progressive rates of the Netherlands income tax act 2001 (up to a maximum rate of 52%), if:

- (i) the Securityholder has an enterprise or an interest in an enterprise, to which enterprise the Securities are attributable; or*
- (ii) such income or gains qualify as income from miscellaneous activities (resultaat uit overige werkzaamheden), which include the performance of activities with respect to the Securities that exceed regular, active portfolio management (normaal, actief vermogensbeheer).*

If neither condition (i) nor condition (ii) applies to the Securityholder taxable income with regard to the Securities must be determined on the basis of a deemed return on income from savings and investments (*sparen en beleggen*), rather than on the basis of income actually received or gains actually realised. At present, this deemed return on income from savings and investments has been fixed at a rate of 4% of the average of the individual's yield basis (*rendementsgrondslag*) at the beginning of the calendar year and the individual's yield basis at the end of the calendar year, insofar as the average exceeds a certain threshold. The average of the individual's yield basis is determined as the fair market value of certain qualifying assets held by the Securityholder less the fair market value of certain qualifying liabilities on 1 January and 31 December, divided by two. The fair market value of the Securities will be included as an asset in the individual's yield basis. The deemed return on income from savings and investments of 4% will be taxed at a rate of 30 per cent.

Gift and Inheritance taxes

Generally gift and inheritance taxes will be due in the Netherlands in respect of the acquisition of the Securities by way of a gift by, or on the death of, a holder that is a resident or deemed to be a resident of the Netherlands for the purposes of Netherlands gift and inheritance tax at the time of the gift or his or her death.

A holder of the Netherlands nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands gift and inheritance tax, if he or she has been resident in the Netherlands during the ten years preceding the gift or his or her death. A holder of any other nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands gift and inheritance tax if he or she has been resident in the Netherlands at any time during the twelve months preceding the time of the gift. The same twelve-month rule may apply to entities that have transferred their seat of residence out of the Netherlands.

Value added tax

In general, no value added tax will arise in respect of payments in consideration for the issue of the Securities or in respect of the cash payment made under the Securities, or in respect of a transfer of Securities.

Other taxes and duties

No registration tax, customs duty, transfer tax, stamp duty or any other similar documentary tax or duty, will be payable in the Netherlands by a Securityholder in respect of or in connection with the subscription, issue, placement, allotment, delivery or transfer of the Securities.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required, from the 1st July, 2005, to provide to the tax authorities of another Member State details of payment of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries).

Also with effect from 1st July, 2005, a number of non-EU countries including Switzerland, and certain dependent or associated territories of certain Member States have agreed to adopt similar measures (either provision of information or transitional withholding) (a withholding system in the case of Switzerland) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in a Member State. In addition, the Member States have entered into reciprocal provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident in one of those territories.

UNITED STATES TAXATION

The Final Terms, where applicable, will discuss the United States federal income tax consequences relevant to such type or types of Securities as is appropriate. Prospective purchasers of the Securities should carefully examine the applicable Final Terms and should consult their own tax advisors regarding the United States federal income tax consequences to them of holding and disposing of those Securities.

UNITED KINGDOM TAXATION IN THE EVENT OF A SUBSTITUTION

The following applies only in the event that there has been a Substitution in respect of any Series of Securities and will apply only to persons who are the beneficial owners of the relevant Securities. It is a summary of the new Issuer's understanding of current law and practice in the United Kingdom relating to certain aspects of United Kingdom taxation. Some aspects do not apply to certain classes of person (such as dealers and persons connected with the new Issuer) to whom special rules may apply. The United Kingdom tax treatment of prospective Securityholders will depend on their individual circumstances and may be subject to change in the future. Prospective Securityholders who may be subject to tax in a jurisdiction other than the United Kingdom or who may be unsure as to their tax position should seek their own professional advice.

A. Interest on the Securities

1. *Payment of Interest on the Securities*

Provided that following the Substitution the new Issuer continues to be a bank within the meaning of section 991 of the Income Tax Act 2007 (the "Act"), and the interest on the Securities is paid in the ordinary course of the new Issuer's business within the meaning of section 878 of the Act, will be entitled to make payments of interest without withholding or deduction for or on account of United Kingdom income tax.

Payments of interest on the Securities may be made without deduction of or withholding on account of United Kingdom income tax provided that following the Substitution the Securities continue to be listed on a "recognised stock exchange" within the meaning of section 1005 of the Act. Euronext Amsterdam is a recognised stock exchange. The Securities will satisfy this requirement if they are officially listed in the Netherlands in accordance with provisions corresponding to those generally applicable in EEA states and are admitted to trading by Euronext Amsterdam. Provided, therefore, that the Securities remain so listed, interest on the Securities will be payable without withholding or deduction on account of United Kingdom tax whether or not the new Issuer carries on a banking business in the United Kingdom and whether or not the interest is paid in the ordinary course of its business.

Interest on the Securities may also be paid without withholding or deduction on account of United Kingdom tax where interest on the Securities is paid by a company and, at the time the payment is made, the new Issuer reasonably believes (and any person by or through whom interest on the Securities is paid reasonably believes) that the Securityholder is within the charge to United Kingdom corporation tax as regards the payment of interest; provided that HM Revenue & Customs ("HMRC") has not given a direction (in circumstances where it has reasonable grounds to believe that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.

Interest on the Securities may also be paid without withholding or deduction on account of United Kingdom tax where the maturity of the Securities is less than 365 days.

In other cases, an amount must generally be withheld from payments of interest on the Securities following the Substitution on account of United Kingdom income tax at the savings rate (currently 20%) (or, if the Finance Bill 2008 is enacted in its current form, from 6 April 2008, the basic rate, which would also be 20%). However, where an applicable double tax treaty provides for a lower rate of withholding tax (or for no tax to be withheld) in relation to a Securityholder, HMRC can issue a notice to the new Issuer to pay interest to the

Securityholder without deduction of tax (or for interest to be paid with tax deducted at the rate provided for in the relevant double tax treaty).

Securityholders may wish to note that, in certain circumstances, following the Substitution HMRC will have power to obtain information (including the name and address of the beneficial owner of the interest) from any person in the United Kingdom who either pays or credits interest to or receives interest for the benefit of a Securityholder. HMRC also will have power, in certain circumstances, to obtain information from any person in the United Kingdom who pays amounts payable on the redemption of Securities which are deeply discounted securities for the purposes of the Income Tax (Trading and Other Income) Act 2005 to or receives such amounts for the benefit of another person, although HMRC published practice indicates that HMRC will not exercise the power referred to above to require this information in respect of amounts payable on the redemption of deeply discounted securities where such amounts are paid on or before 5 April 2009. Such information may include the name and address of the beneficial owner of the amount payable on redemption. Any information obtained may, in certain circumstances, be exchanged by HMRC with the tax authorities of the jurisdiction in which the Securityholder is resident for tax purposes.

2. *EU Savings Directive*

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

B. Substitution

Securityholders who are within the charge to United Kingdom taxation should note that, depending on their individual circumstances, Substitution could be treated as a disposal of the relevant Securities for UK taxation purposes. In general, Securityholders which are within the charge to United Kingdom corporation tax will be subject to tax in relation to any Substitution broadly in accordance with their statutory accounting treatment. Securityholders who may be unsure as to their tax position on a Substitution should seek their own professional advice.

SUBSCRIPTION AND SALE

The Initial Dealer has, in an amended and restated programme agreement dated 11 July 2008 (as further supplemented and/or amended and/or restated from time to time, the 'Programme Agreement'), agreed with the Issuer a basis upon which it may from time to time agree to purchase Securities. Any such agreement will extend to those matters stated under "Form of the Securities" and "Terms and Conditions of the Securities" above. In the Programme Agreement, the Issuer has agreed to reimburse the Initial Dealer for certain expenses in connection with the establishment and any future update of the Programme and the issue of Securities under the Programme.

The restrictions set out below, save in so far as they relate to the United Kingdom and The Netherlands relate to certain of the restrictions which apply to the sale and distribution of Securities only in the relevant jurisdiction. Additional or different restrictions may apply to the sale and distribution of Securities in the relevant jurisdiction and the Initial Dealer and each further Dealer appointed under the Programme has agreed to comply with all such restrictions.

United States

The Securities have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S or pursuant to an exemption from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S.

Securities in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meaning given to them by the United States Internal Revenue Code of 1986 and regulations thereunder.

The Initial Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Programme Agreement, it has not offered or sold, and will not offer or sell, Securities of any Tranche (a) as part of their distribution at any time and (b) otherwise until 40 days after the later of the date of issue of the relevant Tranche of Securities and the completion of the distribution of such Tranche as certified to the Principal Paying Agent or the Issuer by the relevant Dealer, within the United States or to, or for the account or benefit of, U.S. persons, and that it will have sent to each Dealer to which it sells Securities of such Tranche during the Distribution Compliance Period (other than pursuant to Rule 144A) a confirmation or other notice setting forth the restrictions on offers and sales of such Securities within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering of any Tranche of Securities, an offer or sale of Securities of such Tranche within the United States by a Dealer (whether or not participating in the offering of such Securities) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an applicable exemption from registration under the Securities Act.

Notwithstanding the foregoing, Dealers nominated by the Issuer may arrange for the offer and sale of Registered Securities in the United States to QIBs pursuant to Rule 144A or otherwise in transactions exempt from registration under the Securities Act. Each purchaser of such Securities is hereby notified that the offer and sale of such Securities may be made in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A. In addition, pursuant to the terms of the Programme Agreement, Definitive Registered Securities may be offered and sold in the United States to Institutional Accredited Investors pursuant to Section 4(2) of the Securities Act or in a transaction otherwise exempt from registration under the Securities Act. See "Notice to Purchasers and Holders of Restricted Securities and Transfer Restrictions" above.

In addition, certain Series of Securities in respect of which any payment is determined by reference to an index or formula, or to changes in prices of securities or commodities, or certain other Securities will be subject to such additional U.S. selling restrictions as the Issuer and the relevant Dealer may agree, as indicated in the

applicable Final Terms. The Initial Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will offer, sell and deliver such Securities only in compliance with such additional U.S. selling restrictions.

The relevant Dealer may engage in over-allotment, stabilising transactions, syndicate covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Over-allotment involves sales in excess of the aggregate nominal amount of a Tranche of Securities, which creates a short position for the relevant Dealer. Stabilising transactions permit bids to purchase Securities so long as the stabilising bids do not exceed a specified maximum. Covering transactions involve purchases of Securities in the open market after the distribution has been completed in order to cover short positions. Penalty bids permit the relevant Dealer to reclaim a selling concession when a Security originally sold by such Dealer is purchased in a covering transaction to cover a short position. Such stabilising transactions, covering transactions and penalty bids may cause the price of Securities to be higher than it would otherwise be in the absence of such transactions.

Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a 'Relevant Member State'), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Member State (the 'Relevant Implementation Date') it has not made and will not make an offer of Securities which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Securities to the public in that Relevant Member State:

- (a) if the final terms in relation to the Securities specify that an offer of those Securities may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Securities which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms as applicable;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year, (2) a total balance sheet of more than €43,000,000; and (3) an annual turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;
- (d) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (e) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Securities referred to in (b) to (e) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an **offer of Securities to the public** in relation to any Securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe the Securities as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression **Prospectus Directive** means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

No such mediation is required, however, in respect of (i) the initial issue of such Securities to the first holders thereof, (ii) the transfer and acceptance by individuals who do not act in the conduct of a profession or business and (iii) the issue and trading of such Securities if they are physically issued outside The Netherlands and are not immediately thereafter distributed in The Netherlands.
