GENERAL INFORMATION

IBRD's most recent Information Statement was issued on 4 October 2011.

CONFLICT OF INTEREST

JPMorgan Chase Bank, N.A., the parent company of J.P. Morgan Securities plc. will be calculation agent under the Notes and will also be IBRD's counterparty in a related swap transaction entered into by IBRD in order to hedge its obligations under the Notes. The existence of such multiple roles and responsibilities for JPMorgan Chase Bank, N.A. creates possible conflicts of interest. For example, the amounts payable by JPMorgan Chase Bank, N.A. to IBRD under the related swap transaction are expected, as of the Issue Date, to be calculated on the same basis as the amounts payable by IBRD under the Notes. As a result, the determinations made by JPMorgan Chase Bank, N.A. in its discretion as Calculation Agent for the Notes may affect the amounts payable by JPMorgan Chase Bank, N.A. under the related swap transaction, and, in making such determinations, JPMorgan Chase Bank, N.A. may have economic interests adverse to those of the Noteholders. The Noteholder understands that although IBRD will enter into the related swap transaction with JPMorgan Chase Bank, N.A. as swap counterparty in order to hedge its obligations under the Notes, IBRD's rights and obligations under the related swap transaction will be independent of its rights and obligations under the Notes, and Noteholders will have no interest in the related swap transaction or any payment to which IBRD may be entitled thereunder.
