DISRUPTION PROVISIONS AND ADDITIONAL DEFINITIONS

19. Disruption Provisions:

- (a) In the event (i) the Scheduled Rate Fixing Date (as defined in Term 20) becomes subject to the Following Business Day Convention (as defined in Term 20) upon the occurrence of an Unscheduled Holiday or (ii) Rate Fixing Postponement applies, the relevant Scheduled Interest Payment Date, Scheduled Maturity Date or Early Redemption Payment Date, as applicable, shall be postponed by each day for which the relevant Scheduled Rate Fixing Date is so postponed.
- (b) In the event (i) the Scheduled Rate Fixing Date becomes subject to the Following Business Day Convention after the occurrence of an Unscheduled Holiday or (ii) Rate Fixing Postponement applies, and if the Rate Fixing Date has not occurred on or before the 14th calendar day after the Scheduled Rate Fixing Date (any such period being a “**Deferral Period**”) then:
 - (x) The next day after the Deferral Period that would have been a Business Day but for the Unscheduled Holiday, or the next day after the Deferral Period that is a Business Day in the event of a continuing Disruption Event, shall be deemed to be the Rate Fixing Date (the “**Postponed Rate Fixing Date**”); and
 - (y) the Calculation Agent shall be entitled to determine the NGN/USD Exchange Rate on such Postponed Rate Fixing Date, acting in good faith and in a commercially reasonable manner, having taken into account all available information that it deems relevant.

For the avoidance of doubt, no additional interest or other additional amounts shall be payable by IBRD in the event that the relevant Scheduled Interest Payment Date or Scheduled Maturity Date or Early Redemption Payment Date, as applicable, is postponed in accordance with this Term 19.

- (c) Notwithstanding anything herein to the contrary, in no event shall the total number of consecutive calendar days during which either (i) the Rating Fixing Date is postponed due to an Unscheduled Holiday or (ii) a Rate Fixing Postponement shall occur (or any combination of (i) and (ii)), exceed 14 consecutive days in the aggregate. Accordingly, (x) if, upon the lapse of any such 14 day period, an Unscheduled Holiday shall have occurred or be continuing on the day following such period, then such day shall be deemed to be a Rate Fixing Date and (y) if, upon the lapse of any such 14 day period, a Disruption Event shall have occurred or be continuing on the day following such period, then Rate Fixing Postponement shall not apply and in each case, the NGN/USD Exchange

Rate shall be determined in accordance with Term 19(b)(ii) above.

- (d) If an event or a circumstance which would otherwise constitute or give rise to an Inconvertibility Event also constitutes a Price Source Disruption, it will be treated as a Price Source Disruption and not an Inconvertibility Event.
- (e) The Calculation Agent shall in each case, as soon as reasonably practicable, give notice, in accordance with Condition 12, to the Paying Agent, IBRD and the Clearing Systems of:
 - (i) the occurrence of any Unscheduled Holiday or Disruption Event; and
 - (ii) the date on which an Unscheduled Holiday or a Disruption Event ceases to exist and the Postponed Rate Fixing Date (if any); and/or;
 - (iii) the fact that the NGN/USD Exchange Rate is to be determined by the Calculation Agent in accordance with this Term 19.

Copies of all quotes obtained by the Calculation Agent will be provided by the Calculation Agent to IBRD upon request. For the avoidance of doubt, the NGN/USD Exchange Rate may be such that the resulting USD amount is zero and in such event no USD or NGN amount will be payable. For the avoidance of doubt, the resulting amount cannot in any circumstances be less than zero, as applicable.
