The outlook for the global economy over the near to medium term remains challenging. Many forecasts predict at best only stagnant or modest levels of gross domestic product ("GDP") growth in the European Monetary Union ("EMU") where a relatively robust German economy has been offset by the weakness of other Eurozone economies attributable to factors such as high unemployment, declines in consumer spending and the adoption of austerity measures in response to increased sovereign debt risk. In particular in Greece, Italy, Ireland, Portugal and Spain ("GIIPS"), France and Cyprus economic and GDP growth have been weak.</p> <p>BNG Bank's business is impacted generally by the business and economic environment in which it operates, which itself is impacted by factors such as changes in interest rates, securities prices, credit and liquidity spreads, exchange rates, consumer spending, business investment, real estate valuations, government spending, inflation, the volatility and strength of the capital markets and also by terrorism.</p> <p>The introduction of, and changes to, taxes, levies or fees applicable to the Issuer's operations (such as imposition of a financial transaction tax) could have an adverse effect on its business and/or results of operations.</p> <p>BNG Bank cannot predict what impact new rules and regulations will have on its business until such rules and regulations are fully adopted and implemented. Any new or changed regulations may adversely affect BNG Bank's business and/or results of operations.</p>
<b>B.5</b>	<p><b>Description of the Issuer's group and the Issuer's position within the group:</b></p> <p>The outstanding shares in the share capital of BNG Bank are held by the Dutch State (50%), with the remainder held by more than 95% of Dutch municipalities, 11 of the 12 Dutch provinces, and one water board.</p> <p>BNG Bank has a number of wholly owned subsidiaries that provide services ancillary to the principal activity of BNG Bank of lending to the public sector. These subsidiaries are:</p> <ul style="list-style-type: none"> <li>• BNG Vermogensbeheer B.V. (previously BNG Capital Management B.V.)</li> <li>• BNG Gebiedsontwikkeling B.V.</li> <li>• Hypotheekfonds voor Overheidspersoneel B.V.</li> </ul>

<b>B.9</b>	<b>Profit forecast or estimate:</b>	Not applicable. BNG Bank has not made any public profit forecasts or profit estimates.																																																																																																						
<b>B.10</b>	<b>Qualifications in the Auditors' report:</b>	Not applicable. The audit reports with respect to BNG Bank's audited financial statements as of and for the financial years ended 31 December 2012, 31 December 2011 and 31 December 2010 incorporated by reference in the Base Prospectus are unqualified.
