Terms used herein shall be deemed to be defined as such for the purposes of the Terms and Conditions ("**Terms and Conditions**") set forth in page 61 to page 95 of the base prospectus dated 19 June 2014, as supplemented by the supplemental prospectus dated 25 August 2014 (the "**Base Prospectus**") issued in relation to the Euro 90,000,000,000 debt issuance programme of N.V. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. <b>A.2</b>	<b>Consent to use of the Base Prospectus:</b>	Not Applicable. No public offer of the Notes will be made.
<b>Section B – The Issuer</b>		
<b>B.1</b>	<b>The legal and commercial name of the Issuer:</b>	The legal name of the Issuer is N.V. Bank Nederlandse Gemeenten. The commercial name of the Issuer is BNG Bank.
<b>B.2</b>	<b>The domicile and legal form of the Issuer, the legislation under which the Issuer operates and its country of incorporation:</b>	BNG Bank is a public company with limited liability ( <i>naamloze vennootschap</i> ) incorporated under the laws of the Netherlands, having its statutory seat at The Hague, the Netherlands. BNG Bank is registered in the trade register of the Netherlands Chamber of Commerce under no. 27008387.
<b>B.4b</b>	<b>A description of any known</b>	BNG Bank's business and results of operations are affected by local and global economic conditions,

	<p><b>trends affecting the Issuer and the industries in which it operates:</b></p>	<p>perceptions of those conditions and future economic prospects. More than five years after the beginning of the global economic and financial crisis, the world economy is showing signs of recovery in 2014, but downward revisions to growth forecasts in some economies highlight continued fragilities and downside risks. Risks to growth and stability stem mainly from continued imbalances – among and within countries – and from uncertainty about how economies will respond as the extraordinary monetary policy measures, including the quantitative easing programs, implemented during the global financial and economic crisis are unwound. Although the prospects for the Dutch economy in 2014 are moderately favorable, the economy in the Netherlands remains weak.</p> <p>BNG Bank's business is impacted generally by the business and economic environment in which it operates, which itself is impacted by factors such as changes in interest rates, securities prices, credit and liquidity spreads, exchange rates, consumer spending, business investment, real estate valuations, government spending, inflation, the volatility and strength of the capital markets and other de-stabilising forces such as geopolitical tensions or acts of terrorism.</p> <p>The introduction of, and changes to, taxes, levies or fees applicable to BNG Bank's operations (such as the imposition of a financial transactions tax and bank levy) could have an adverse effect on its business and/or results of operations.</p> <p>Although it is difficult for BNG Bank to predict what impact all of the recent regulatory changes, developments and heightened levels of scrutiny will have on BNG Bank, the enactment of legislation and regulations in the Netherlands, changes in other regulatory requirements and the transitioning to direct supervision by the ECB, have resulted in increased capital and liquidity requirements and/or increased operating costs and have impacted, and are expected to continue to impact, BNG Bank's business.</p>
<b>B.5</b>	<p><b>Description of the Issuer's group and the Issuer's position within the group:</b></p>	<p>The outstanding shares in the share capital of BNG Bank are held by the Dutch State (50%), with the remainder held by more than 95% of Dutch municipalities, 11 of the 12 Dutch provinces, and one water board.</p> <p>BNG Bank has a number of wholly owned subsidiaries that provide services ancillary to the principal activity of BNG Bank of lending to the public sector. These subsidiaries are:</p> <ul style="list-style-type: none"> <li>• BNG Vermogensbeheer B.V. (previously BNG Capital Management B.V.)</li> <li>• BNG Gebiedsontwikkeling B.V.</li> </ul>

B.9	Profit forecast or estimate:	Not applicable. BNG Bank has not made any public profit forecasts or profit estimates.																																																																																																												
B.10	Qualifications in the Auditors' report:	Not applicable. The audit reports with respect to BNG Bank's audited financial statements as of and for the financial years ended 31 December 2013, 31 December 2012 and 31 December 2011 incorporated by reference in the Base Prospectus are unqualified.
