- (a) if the Accrual Period is equal to or shorter than the Determination Period during which it falls, the day-count fraction will be the number of days in the Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
- (b) if the Accrual Period is longer than one Determination Period, the day-count fraction will be the sum of:
 - (i) the number of days in such Accrual Period falling in the Determination Period in which it begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - (ii) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (a) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year

(a) *Optional Interest Deferral*

The Issuer may, at its sole discretion, elect to defer in whole, but not in part, any payment of interest accrued on the Securities in respect of any Interest Period (a “**Deferred Interest Payment**”) by giving notice (a “**Deferral Notice**”) of such election to the Securityholders in accordance with Condition 12 and to the Trustee and the Principal Paying Agent at least five, but not more than 30, Business Days prior to the relevant Interest Payment Date. If the Issuer makes such an election, the Issuer shall have no obligation to make such payment and any such non-payment of interest shall not constitute a default of the Issuer or any other breach of obligations under the Securities or for any other purpose.

Any Deferred Interest Payment will be deferred and shall constitute “**Arrears of Interest**”. Any Arrears of Interest will remain outstanding until paid in full by the Issuer, but Arrears of Interest shall not itself bear interest.

(b) *Optional Settlement of Arrears of Interest*

The Issuer may pay outstanding Arrears of Interest (in whole but not in part) at any time upon giving not less than 10 and not more than 15 Business Days’ notice to the Securityholders in accordance with Condition 12 (which notice shall be irrevocable and will oblige the Issuer to pay the relevant Arrears of Interest on the payment date specified in such notice) and to the Trustee and the Principal Paying Agent at least five, but not more than 30, Business Days prior to the relevant due date for payment.

(c) *Mandatory Settlement of Arrears of Interest*

All (but not some only) of any outstanding Arrears of Interest from time to time in respect of all Securities for the time being outstanding shall become due and payable in full and shall be paid by the Issuer on the first occurring Mandatory Settlement Date.

Notice of the occurrence of any Mandatory Settlement Date shall be given to the Securityholders in accordance with Condition 12 and to the Trustee and the Principal Paying Agent at least five, but not more than 30, Business Days prior to the relevant due date for payment.

(d) *Notification of Mandatory Settlement Date*

Upon the occurrence of a Mandatory Settlement Date, the Issuer shall promptly deliver to the Trustee a certificate signed by two duly authorised representatives of the Issuer confirming the occurrence thereof upon which the Trustee may rely absolutely without liability to any person for so doing.

4.3 Accrual of Interest

The Securities will cease to bear interest from (and including) the calendar day on which they are due for redemption. If the Issuer fails to redeem the Securities upon due presentation and surrender thereof when due, interest will continue to accrue as provided in the Trust Deed.

4.4 Benchmark discontinuation

(a) *Independent Adviser*

If a Benchmark Event occurs in relation to the EUR 5 year Swap Rate on any Reset Interest Determination Date, then the Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an

Alternative Rate (in accordance with Condition 4.4(b)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 4.4(d)).

An Independent Adviser appointed pursuant to this Condition 4.4 shall act in good faith and in a commercially reasonable manner as an expert and in consultation with the Issuer. In the absence of fraud and gross negligence, the Independent Adviser shall have no liability whatsoever to the Issuer, the Paying Agents or the Securityholders for any determination made by it pursuant to this Condition 4.4.

If: (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 4.4(a) prior to the relevant Reset Interest Determination Date, the EUR 5 year Swap Rate applicable to the next succeeding Reset Period shall be the last available EUR 5 year mid swap rate for euro swap transactions, expressed as an annual rate, on the EUR Reset Screen Page. For the avoidance of doubt, this Condition 4.4(a) shall apply to the relevant next succeeding Reset Period only and any subsequent Reset Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 4.4(a).

(b) Successor Rate or Alternative Rate

If the Independent Adviser determines that:

- (i) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the EUR 5 year Swap Rate to determine the Prevailing Interest Rate (or the relevant component part thereof) for all future payments of interest on the Securities (subject to the operation of this Condition 4.4); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the EUR 5 year Swap Rate to determine the Prevailing Interest Rate (or the relevant component part thereof) for all future payments of interest on the Securities (subject to the operation of this Condition 4.4).

(c) Adjustment Spread

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be).

(d) Benchmark Amendments

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4.4 and the Independent Adviser determines (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4.4(e), without any requirement for the consent or approval of Securityholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice.

In connection with any such variation in accordance with this Condition 4.4(d), the Issuer shall comply with the rules of any stock exchange on which the Securities are for the time being listed or admitted to trading.

Notwithstanding any other provision of this Condition 4.4, no Successor Rate or Alternative Rate will be adopted, nor will the applicable Adjustment Spread be applied, nor will any Benchmark Amendments be made, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to cause a Rating Methodology Event to occur.

At the request of the Issuer, but subject to receipt by the Trustee of a certificate signed by two duly authorised representatives of the Issuer pursuant to Condition 4.4(e), the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Securityholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, inter alia, by the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be obliged to agree to any Benchmark Amendments which, in the sole opinion of the Trustee, would have the effect of (i) exposing the Trustee to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction; or (ii) increasing the obligations, responsibilities or duties, or decreasing the protections, of the Trustee under the Trust Deed and/or the Conditions in any way.

(e) Notices etc

Any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4.4 will be notified promptly by the Issuer to the Trustee, the Principal Paying Agent and the Agent Bank and, in accordance with Condition 12 (*Notices*), the Securityholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two duly authorised representatives of the Issuer:

- (a) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) the applicable Adjustment Spread and (iv) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 4.4; and
- (b) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee's, the Agent Bank's or the Principal Paying Agent's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Securityholders.

(f) Survival of EUR 5 year Swap Rate

Without prejudice to the obligations of the Issuer under Condition 4.4(a), (b), (c) and (d), the EUR 5 year Swap Rate and the fallback provisions provided for in Condition 4.1(b) will continue to apply unless and until a Benchmark Event has occurred.

 - (i) a certificate signed by two duly authorised representatives of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem the Securities in accordance with this Condition 6.5 have been satisfied; and
 - (ii) a copy of the Rating Agency Confirmation relating to the applicable Rating Methodology Event unless the delivery of such Rating Agency Confirmation would constitute a breach of the terms on which such confirmation is delivered to the Issuer,

and the Trustee shall be entitled to accept and rely on the above certificate and, if applicable, copy of the Rating Agency Confirmation as sufficient evidence of the satisfaction of the conditions precedent set out above and the facts set out therein, in which event the same shall be conclusive and binding on the Securityholders and the Couponholders.

6.6 Early Redemption upon the occurrence of an Accounting Event

- (a) If an Accounting Event occurs, the Issuer may redeem all (but not some only) of the Securities at any time at the applicable Early Redemption Price upon giving not less than 30 and not more than 60 calendar days' notice of redemption to the Trustee and the Securityholders in accordance with Condition 12.

The Issuer may notify the redemption of the Securities as a result of the occurrence of an Accounting Event from (and including) the date on which the Change is officially adopted, which may fall before the date on which the Change will come into effect.

- (b) Prior to giving a notice to the Securityholders pursuant to this Condition 6.6, the Issuer will deliver to the Trustee in a form and with content reasonably satisfactory to the Trustee:
- (i) a certificate signed by two duly authorised representatives of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem the Securities in accordance with this Condition 6.6 have been satisfied; and
 - (ii) a copy of the opinion, letter or report of a recognised accountancy firm of international standing, appointed by the Issuer at its own expense, as set forth in the definition of “Accounting Event”,

and the Trustee shall be entitled to accept and rely on the above certificate and opinion, letter or report as sufficient evidence of the satisfaction of the conditions precedent set out above and the facts set out therein, in which event the same shall be conclusive and binding on the Securityholders and the Couponholders.

6.7 Purchases and Substantial Repurchase Event

The Issuer or any Subsidiary may at any time purchase Securities (provided that all unmatured Coupons appertaining to the Securities are purchased with the Securities) in any manner and at any price. Such Securities may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

If a Substantial Repurchase Event occurs, the Issuer may redeem all (but not some only) of the outstanding Securities at any time at the applicable Early Redemption Price, subject to the Issuer having given the Trustee and the Securityholders not less than 30 and not more than 60 calendar days’ notice in accordance with Condition 12.

6.8 Cancellations

All Securities which are redeemed or exchanged pursuant to Condition 7 (*Exchange or Variation upon a Withholding Tax Event, Tax Deductibility Event, Rating Methodology Event or Accounting Event and Preconditions to such Exchange or Variation*) will forthwith be cancelled, together with all unmatured Coupons attached to the Securities or surrendered with the Securities at the time of redemption. All Securities so cancelled and any Securities purchased and cancelled pursuant to Condition 6.7 above shall be forwarded to the Principal Paying Agent and accordingly may not be held, reissued or resold.

6.9 Notices Final

A notice of redemption given pursuant to any of Conditions 6.2, 6.3, 6.4, 6.5, 6.6 or 6.7 shall be irrevocable and upon the expiry of any such notice, the Issuer shall be bound to redeem the Securities in accordance with the terms of the relevant Condition.

The following does not form a part of the terms of the Securities:

The Issuer intends (without thereby assuming a legal obligation) that it will redeem or repurchase the Securities only to the extent that the part of the aggregate principal amount of the Securities to be redeemed or repurchased which was assigned “equity credit” (or such similar nomenclature used by S&P from time to time) at the time of the issuance of the Securities does not exceed such part of the net proceeds received by the Issuer or any Subsidiary of the Issuer prior to the date of such redemption or repurchase from the sale or issuance of securities by the Issuer or such Subsidiary to third party purchasers (other than group entities of the Issuer) which is assigned by S&P “equity credit” (or such similar nomenclature used by S&P from time to time) at the time of sale or issuance of such securities (but taking into account any changes in hybrid capital methodology or another relevant methodology or the interpretation thereof since the issuance of the Securities), unless:

- (i) *the rating (or such similar nomenclature then used by S&P) assigned by S&P to the Issuer is at least equal to the rating assigned to the Issuer on the date of the most recent hybrid security issuance (excluding any refinancing) which was assigned by S&P a “equity credit” similar to the Securities and the Issuer is of the view that such rating would not fall below this level as a result of such redemption or repurchase, or*
- (ii) *in the case of a repurchase, such repurchase is of less than (a) 10 per cent. of the aggregate principal amount of the Securities originally issued in any period of 12 consecutive months or (b) 25 per cent. of the aggregate principal amount of the Securities originally issued in any period of 10 consecutive years, or*
- (iii) *the Securities are redeemed pursuant to a Tax Deductibility Event or a Withholding Tax Event, or an Accounting Event or a Substantial Repurchase Event or a Rating Methodology Event which results from an amendment, clarification or change in the “equity credit” criteria by S&P; or*
- (iv) *the Securities are not assigned an “equity credit” by S&P (or such similar nomenclature then used by S&P) at the time of such redemption or repurchase, or*
- (v) *in the case of a repurchase, such repurchase relates to an aggregate principal amount of Securities which is less than or equal to the excess (if any) above the maximum aggregate principal amount of the Issuer’s hybrid capital to which S&P then assigns equity content under its prevailing methodology; or*
- (vi) *such redemption or repurchase occurs on or after the Reset Date falling on 10 March 2047.*

7 Exchange or Variation upon a Withholding Tax Event, Tax Deductibility Event, Rating Methodology Event or Accounting Event and Preconditions to such Exchange or Variation

7.1 If the Issuer determines that a Withholding Tax Event, Tax Deductibility Event, Rating Methodology Event or an Accounting Event has occurred and is continuing, and has provided the Trustee with the relevant certificate and opinion, or in the case of Condition 6.5 only, the Rating Agency Confirmation, pursuant to Condition 6.3, 6.4, 6.5 or 6.6 (as applicable), then the Issuer may, subject to Condition 7.2 below (without any requirement for the consent or approval of the Securityholders or Couponholders), subject to its having satisfied the Trustee immediately prior to the giving of any notice referred to herein that the provisions of this Condition 7 have been complied with and having given not less than 30 nor more than 60 Business Days' notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 12 (Notices), to the Securityholders (which notice shall be irrevocable), as an alternative to an early redemption of the Securities at any time:

- (i) exchange the Securities (the “**Exchanged Securities**”), or
- (ii) vary the terms of the Securities (the “**Varied Securities**”),

so that:

- (A) in the case of a Tax Deductibility Event, the Issuer is entitled to claim a deduction or a higher deduction (as the case may be) in respect of interest paid when computing its tax liabilities for Italian corporation income tax purposes as compared with the entitlement (in the case of the Issuer) after the occurrence of the relevant Tax Deductibility Event,
- (B) in the case of a Withholding Tax Event, in making any payments in respect of the Exchanged Securities or Varied Securities the Issuer is only required to pay lesser or no Additional Amounts in respect of the Exchanged Securities or Varied Securities,
- (C) in the case of an Accounting Event, the aggregate nominal amount of the Exchanged Securities or Varied Securities (as the case may be) will be recorded as a “financial liability” in accordance

with accounting practices or principles applicable to the Issuer at the time of the next Financial Statements of the Issuer, or

- (D) in the case of a Rating Methodology Event, the aggregate nominal amount of the Exchanged Securities or Varied Securities (as the case may be) is assigned “equity credit” by the relevant Rating Agency that is equal to or greater than that which was assigned to the Securities on the Issue Date (or if “equity credit” is not assigned to the Securities by the relevant Rating Agency on the Issue Date, at the date on which “equity credit” is assigned by such Rating Agency for the first time),

and the Trustee shall, subject to the following provisions of this Condition 7, and subject to the receipt by it of the certificate by two duly authorised representatives of the Issuer referred to in Condition 7.2 below, agree to such exchange or variation.

Upon expiry of such notice, the Issuer shall either vary the terms of or, as the case may be, exchange the Securities in accordance with this Condition 7 and cancel such Exchanged Securities.

The Trustee shall (at the expense of the Issuer) enter into a supplemental trust deed and/or supplemental agency agreement with the Issuer (including indemnities satisfactory to the Trustee) solely in order to effect the exchange of the Securities, or the variation of the terms of the Securities, provided that the Trustee shall not be obliged to enter into such supplemental trust deed and/or supplemental agency agreement if the terms of the Exchanged Securities or the Varied Securities would impose, in the Trustee’s opinion, more onerous obligations upon it or expose it to liabilities or reduce its protections. If the Trustee does not enter into such supplemental trust deed and/or supplemental agency agreement (and the Trustee shall have no liability or responsibility to any person if it does not do so), the Issuer may redeem the Securities as provided in Condition 6 (Redemption and Purchase).

7.2 Any such exchange or variation shall be subject to the following conditions:

- (i) for as long as the Securities are listed on any stock exchange, the Issuer complying with the rules of the relevant stock exchange (or any other relevant authority) on which the Securities are for the time being admitted to trading, and (for so long as the rules of such exchange require) the publication of any appropriate supplement, listing particulars or offering circular in connection therewith, and the Exchanged Securities or Varied Securities continue to be admitted to trading on the same stock exchange as the Securities were admitted to trading immediately prior to the relevant exchange or variation;
- (ii) the Issuer paying any outstanding Arrears of Interest in full prior to such exchange or variation or providing for the accrual of an amount equal to the Arrears of Interest under the terms of the Exchanged Securities or the Varied Securities (as applicable);
- (iii) the Exchanged Securities or Varied Securities shall: (A) rank at least *pari passu* with the ranking of the Securities prior to the exchange or variation, and (B) benefit from the same interest rates and the same Interest Payment Dates, the same First Reset Date and early redemption rights (provided that the relevant exchange or variation may not itself trigger any early redemption right), a maturity date which shall not be longer than the maturity date of the Issuer as provided from time to time under the relevant by-laws, the same rights to accrued interest or Arrears of Interest and any other amounts payable under the Securities which, in each case, has accrued to the Securityholders and has not been paid, the same rights to principal and interest, and, if publicly rated by a Rating Agency which has provided a solicited rating at the invitation or with the consent of the Issuer, immediately prior to such exchange or variation, at least the same credit rating immediately after such exchange or variation by each such Rating Agency, as compared with the relevant solicited rating(s) immediately prior to such exchange or variation (as determined by the Issuer using reasonable measures available

to it including discussions with the Rating Agencies to the extent practicable) (C) not contain terms providing for the mandatory deferral or cancellation of interest and (D) not contain terms providing for loss absorption through principal write-down or conversion to shares;

- (iv) the terms of the exchange or variation, in the sole opinion of the Issuer (acting reasonably) not being prejudicial to the interests of the Securityholders, including compliance with (iii) above, as certified to the Trustee by two duly authorised representatives of the Issuer, having consulted in good faith with an independent financial institution of international repute or an independent financial adviser experienced in the international capital markets, and any such certificate shall be final and binding on all parties;
- (v) the preconditions to exchange or variation set out in the Trust Deed having been satisfied, including the issue of legal opinions addressed to the Trustee (in form and substance satisfactory to the Trustee) (copies of which shall be made available to the Securityholders by appointment at the specified offices of the Trustee during usual office hours or at the Trustee's option may be provided by email to such holder requesting copies of such documents, subject to the Trustee (as applicable) being supplied by the Issuer with copies of such documents) from one or more international law firms of good reputation selected by the Issuer and confirming (x) that the Issuer has capacity to assume all rights, duties and obligations under the Exchanged Securities or Varied Securities (as the case may be) and has obtained all necessary corporate or governmental authorisation to assume all such rights and obligations and (y) the legality, validity and enforceability of the Exchanged Securities or Varied Securities;
- (vi) the delivery to the Trustee of a certificate signed by two duly authorised representatives of the Issuer certifying each of the points set out in paragraphs (i) to (v) above.

The Trustee may rely absolutely upon and shall be entitled to accept such certificates and any such opinions, as are referred to in this Condition 7, without any liability to any person for so doing and without any further inquiry as sufficient evidence of the satisfaction of the criteria set out in such paragraphs, in which event it shall be conclusive and binding on the Securityholders and the Couponholders.

8 Taxation

8.1 Payment without Withholding

All payments of principal and interest in respect of the Securities and Coupons by the Issuer will be made without withholding or deduction for or on account of any Taxes imposed or levied by or on behalf of any Tax Jurisdiction, unless such withholding or deduction of the Taxes is required by law. In such event, the Issuer will pay such additional amounts (the “**Additional Amounts**”) as may be necessary in order that the net amounts received by the Securityholders and Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Securities or, as the case may be, Coupons in the absence of such withholding or deduction; except that no Additional Amounts shall be payable:

- (a) in respect of any Security or Coupon presented for payment
 - (i) in any Tax Jurisdiction; or
 - (ii) by or on behalf of a holder who is liable for such Taxes in respect of such Security or Coupon by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such Security or Coupon; or

- (iii) by or on behalf of a holder who would be able to avoid such withholding or deduction by making a declaration or any other statement including, but not limited to, a declaration of residence or non-residence, but fails to do so; or
- (iv) more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to an Additional Amount on presenting the same for payment on such thirtieth day assuming that day to have been a Presentation Date (as defined in Condition 5); or
- (b) in relation to any payment or deduction on account of *imposta sostitutiva* pursuant to Decree No. 239 as amended and/or supplemented or, for the avoidance of doubt, Italian Legislative Decree No. 461 of 21 November 1997 as amended and supplemented and in all circumstances in which the procedures set forth in Decree No. 239 in order to benefit from a tax exemption have not been met or complied with; or
- (c) in the event of payment by the Issuer to a non-Italian resident holder, to the extent that the holder is resident in a country which does not allow for a satisfactory exchange of information with the Italian authorities.

Notwithstanding anything to the contrary contained herein, the Issuer (and any other person making payments on behalf of the Issuer) shall be entitled to withhold and deduct any amounts required to be deducted or withheld pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), or otherwise imposed pursuant to (i) Sections 1471 through 1474 of the Code, or (ii) any regulations thereunder or official interpretations thereof, or (iii) an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof, or (iv) any law implementing such an intergovernmental agreement (any such withholding or deduction, a “**FATCA Withholding**”), and no person shall be required to pay any additional amounts in respect of FATCA Withholding.

8.2 Additional Amounts

Any reference in these Conditions to any amounts in respect of the Securities shall be deemed also to refer to any Additional Amounts which may be payable under this Condition or under any undertakings given in addition to, or in substitution for, this Condition pursuant to the Trust Deed.

9 Prescription

The Securities and Coupons (which for this purpose shall not include Talons) will become void unless presented for payment within periods of 10 years (in the case of principal) and 5 years (in the case of interest) from the Relevant Date in respect of the Securities or, as the case may be, the Coupons, subject to the provisions of Condition 5. There shall not be included in any Coupon sheet issued upon exchange of a Talon any Coupon which would be void upon issue under this Condition or Condition 5.

10 Enforcement on the Liquidation Event Date and No Events of Default

10.1 No Events of Default

There are no events of default in relation to the Securities.

On the Liquidation Event Date, the Securities will become due and payable at an amount equal to their principal amount, together with any outstanding interest accrued up to (but excluding) the Liquidation Event Date and any outstanding Arrears of Interest.

On or following the Liquidation Event Date, no payments will be made in relation to the Junior Securities of the Issuer before all amounts due, but unpaid, on the Securities have been paid by the Issuer.

10.2 Enforcement on the Liquidation Event Date

On or following the Liquidation Event Date, the Trustee at its sole discretion and subject to Condition 10.3 may (subject to its being indemnified and/or secured and/or prefunded to its satisfaction), institute steps in order to obtain a judgment against the Issuer for any amounts due in respect of the Securities, including the institution of Insolvency Proceedings against the Issuer or the filing of a proof of claim and participation in any Insolvency Proceedings or proceedings for the liquidation, dissolution or winding-up of the Issuer (in which Insolvency Proceedings, liquidation, dissolution or winding-up the Securities shall immediately be due and payable at their principal amount together with any accrued but unpaid interest up to (but excluding) the date on which the Securities become so due and payable and any outstanding Arrears of Interest).

10.3 Enforcement by the Trustee

- (a) Subject to sub-paragraph (b) below, the Trustee may at its discretion and without further notice, take such steps, actions or proceedings against the Issuer as it may think fit to enforce the provisions of the Trust Deed, the Securities and the Coupons, but in no event shall the Issuer, by virtue of the initiation of any such steps, actions or proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.
- (b) The Trustee shall not be bound to take any action referred to in Conditions 10.2 or 10.3(a) above or any other action or steps under or pursuant to the Trust Deed, the Securities or the Coupons unless (a) it has been so directed by an extraordinary resolution of the Securityholders or so requested in writing by the holders of at least one-quarter in principal amount of the Securities then outstanding and (b) it has been indemnified and/or secured and/or prefunded to its satisfaction.

10.4 Enforcement by the Securityholders

No Securityholder or Couponholder shall be entitled to proceed directly against the Issuer or to institute any Insolvency Proceedings against the Issuer or to file a proof of claim and participate in any Insolvency Proceedings or institute proceedings for the liquidation, dissolution or winding-up of the Issuer unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing, in which case the Securityholder or Couponholder shall have only such rights against the Issuer as those which the Trustee would have been entitled to exercise pursuant to this Condition 10.

10.5 Limitation on remedies

No remedy against the Issuer, other than as referred to in this Condition 10, shall be available to the Trustee, the Securityholders and the Couponholders, whether for the recovery of amounts due in respect of the Securities or under the Trust Deed or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Securities, the Coupons and the Trust Deed.

11 Replacement of Securities and Coupons

Should any Security or Coupon be lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Principal Paying Agent upon payment by the claimant of such costs and expenses as may be incurred in connection with the replacement and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Securities or Coupons must be surrendered before replacements will be issued.

12 Notices

All notices regarding the Securities will be deemed to be validly given (a) if published in a leading English language daily newspaper of general circulation in London and Ireland (it is expected that such publication will be made in the *Financial Times* in London and the *Irish Times* in Ireland) and (b) if and for so long as the Securities are admitted to trading on, and listed on the Euronext Dublin, on the Euronext Dublin's website, www.ise.ie. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange (or any other relevant authority) on which the Securities are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication. If publication as provided above is not practicable, notice will be given in such other manner, and shall be deemed to have been given on such date, as the Trustee may approve. Couponholders will be deemed for all purposes to have notice of the contents of any notices given to the Securityholders in accordance with this paragraph.

13 Meetings of Securityholders, Modification, Waiver, Authorisation, Determination and Substitution of the Issuer

13.1 Meetings of Securityholders

The Trust Deed contains provisions consistent with the laws, legislation, rules and regulations of the Republic of Italy (including without limitation Legislative Decree No. 58 of 24 February 1998, as amended) for convening meetings of the Securityholders to consider any matter affecting their interests, including any modifications of the Conditions or of any provisions of the Trust Deed.

According to the laws, legislation, rules and regulations of the Republic of Italy, such meetings will be validly held as a single call meeting or, if the Issuer's by-laws provide for multiple calls, as a multiple call meeting, if (i) in the case of a single call meeting, there are one or more persons present, being or representing Securityholders holding at least one-fifth of the aggregate nominal amount of the Securities, for the time being outstanding, or such a higher quorum as may be provided for in the Issuer's by-laws, or (ii) in the case of a multiple call meeting, (a) there are one or more persons present being or representing Securityholders holding not less than one-half of the aggregate nominal amount of the Securities, for the time being outstanding; (b) in case of an adjourned meeting, there are one or more persons present being or representing Securityholders holding more than one-third of the aggregate nominal amount of the Securities for the time being outstanding; and (c) in the case of any further adjourned meeting, there are one or more persons present being or representing Securityholders holding at least one-fifth of the aggregate nominal amount of the Securities for the time being outstanding, provided that the Issuer's by-laws may in each case (to the extent permitted under the applicable laws and regulations of the Republic of Italy) provide for a higher quorum.

The majority to pass a resolution at any meeting (including, where applicable, an adjourned meeting) will be at least two-thirds of the aggregate nominal amount of the outstanding Securities represented at the meeting; provided however that (A) certain proposals, as set out in Article 2415 of the Italian Civil Code (including, for the avoidance of doubt, (a) any modification of the method of calculating the amount payable or modification of the date fixed for redemption or any date for payment of interest or, where applicable, of the method of calculating the date of payment in respect of any principal or interest

in respect of the Securities or change of the subordination provisions of the Trust Deed and (b) any alteration of the currency in which payments under the Securities are to be made or the denomination of the Securities) may only be sanctioned by a resolution passed at a meeting of the Securityholders by the higher of (i) one or more persons holding or representing not less than one half of the aggregate nominal amount of the outstanding Securities, and (ii) one or more persons holding or representing not less than two thirds of the Securities represented at the meeting and (B) the Issuer's by-laws may in each case (to the extent permitted under applicable Italian law) provide for higher majorities.

Resolutions passed at any meeting of the Securityholders shall be binding on all Securityholders, whether or not they are present at the meeting, and on all Couponholders. In accordance with the Italian Civil Code, a *rappresentante comune*, being a joint representative of Securityholders, may be appointed in accordance with Article 2417 of the Italian Civil Code in order to represent the Securityholders' interest hereunder and to give execution to the resolutions of the meeting of the Securityholders.

13.2 Substitution of the Issuer

- (a) The Trustee may, without the consent of the Securityholders or the Couponholders, agree with the Issuer to the substitution in place of the Issuer (or of any previous substitute under this Condition 13.2) as the principal debtor under the Securities, Coupons and the Trust Deed of another company, being any entity that will succeed to, or to which the Issuer (or those of any previous substitute under this Condition 13.2) will transfer, all or substantially all of its assets and business (or any previous substitute under this Condition 13.2) by operation of law, contract or otherwise, subject to (i) the Trustee being satisfied that such substitution does not result in the substituted issuer having an entitlement, as at the date on which such substitution becomes effective, to redeem the Securities pursuant to Conditions 6.3, 6.4, 6.5 or 6.6, and (ii) certain other conditions set out in the Trust Deed being satisfied.
- (b) The Issuer has covenanted in the Trust Deed that, for so long as the Securities remain outstanding, it will not consolidate or merge with another company or firm or sell or lease all or substantially all of its assets to another company unless (i) if the Issuer merges out of existence or sells or leases all or substantially all of its assets, the other company assumes all the then-existing obligations of the Issuer (including, without limitation, all obligations under the Securities and the Trust Deed), either by law or contractual arrangements and (ii) certain other conditions set out in the Trust Deed are complied with.
- (c) As long as the Securities are admitted to trading on the regulated market of Euronext Dublin and/or listed on the official list of Euronext Dublin, in the case of such a substitution, the Issuer will give notice of any substitution pursuant to Condition 13.2(a) above to Euronext Dublin and, as soon as reasonably practicable but in any event not later than 30 calendar days after the execution of such documents required by, and the compliance with such other requirements of, the Trust Deed in connection with the substitution, notice of such substitution will be given to the Securityholders by the Issuer in a form previously approved by the Trustee in accordance with Condition 12, in which event the substitution shall be conclusive and binding on the Securityholders and the Couponholders.

13.3 Waiver, authorisation, determination and exercise by the Trustee of discretions etc.

The Trustee may agree, without the consent of the Securityholders or Couponholders, to any modification (except as mentioned in the Trust Deed) of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of the Securities or the Trust Deed where, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Securityholders so to do or may agree, without any such consent as aforesaid, to any modification which is, in the opinion of the Trustee, of a formal, minor or technical nature or to correct an error which is manifest). Any such modification, waiver, authorisation or determination shall be binding on the Securityholders and the Couponholders and, unless the Trustee otherwise agrees, any such modification shall be notified to the Securityholders in accordance with Condition 12 as soon as practicable thereafter.

13.4 Trustee to have Regard to Interests of Securityholders as a Class

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Securityholders as a class (but shall not have regard to any interests arising from circumstances particular to individual Securityholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Securityholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political subdivision thereof and the Trustee shall not be entitled to require, nor shall any Securityholder or Couponholder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Securityholders or Couponholders except to the extent already provided for in Condition 8 and/or any undertaking or covenant given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

14 Indemnification of the Trustee and its Contracting with the Issuer

14.1 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured and/or prefunded to its satisfaction.

14.2 Trustee Contracting with the Issuer

The Trust Deed also contains provisions pursuant to which the Trustee is entitled, *inter alia*, (a) to enter into business transactions with the Issuer and/or any Subsidiary and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or any Subsidiary, (b) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Securityholders or Couponholders, and (c) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

15 Further Issues

The Issuer is at liberty from time to time without the consent of the Securityholders or Couponholders to create and issue further securities or bonds (whether in bearer or registered form) either (a) ranking *pari passu* in all respects (or in all respects save for the first payment of interest thereon) and so that the same shall be consolidated and form a single series with the outstanding securities or bonds of any series (including the Securities) constituted by the Trust Deed or any supplemental deed or (b) upon such terms as to ranking, interest, conversion, redemption and otherwise as the Issuer may determine at the time of the issue. Any further securities or bonds which are to form a single series with the outstanding securities or bonds of any series (including the Securities) constituted by the Trust Deed or any supplemental deed shall, and any other further securities or bonds may (with the consent of the Trustee), be constituted by a deed supplemental to the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Securityholders and the holders of securities or bonds of other series in certain circumstances where the Trustee so decides.

16 Governing Law and Submission to Jurisdiction

16.1 Governing Law

The Trust Deed, the Securities and the Coupons and any non-contractual obligations arising out of or in connection with the Trust Deed, the Securities and the Coupons are governed by, and shall be construed in accordance with, English law, except for Conditions 3.1 and 3.2, which shall each be governed by

Italian law. Condition 13.1 and the provisions of the Trust Deed concerning the meeting of Securityholders and the appointment of the *rappresentante comune* in respect of the Securities are subject to compliance with Italian law.

16.2 Jurisdiction of English Courts

The Issuer has, in the Trust Deed, irrevocably agreed for the benefit of the Trustee, the Securityholders and the Couponholders that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Securities or the Coupons (including any disputes relating to any non- contractual obligations which may arise out of or in connection with the Trust Deed, the Securities or the Coupons) and accordingly has submitted to the exclusive jurisdiction of the English courts.

The Issuer has, in the Trust Deed, waived any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum.

16.3 Appointment of Process Agent

The Issuer has, in the Trust Deed, irrevocably and unconditionally appointed Law Debenture Corporate Services Limited at its registered office at Fifth Floor, 100 Wood Street, London EC2V 7EX, United Kingdom as its agent for service of process and undertakes that, in the event of Law Debenture Corporate Services Limited ceasing so to act or ceasing to be registered in England, it will appoint another person approved by the Trustee as its agent for service of process in England in respect of any proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

17 Rights of Third Parties

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any of these Conditions or any other term of this Security, but this does not affect any right or remedy of any person which exists or is available apart from that Act.
