

PROHIBITION OF SALES TO EEA AND UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (**EEA**) or in the United Kingdom (**UK**). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, **MiFID II**); or (ii) a customer within the meaning of Directive (EU) 2016/97 (the **Insurance Distribution Directive**), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the **Prospectus Regulation**). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.

MIFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

ANNEX 2 – TERMS AND CONDITIONS OF THE ITALIAN LAW NOTES

Terms and Conditions for the Italian Law Notes

The following are the Terms and Conditions for the Notes governed by Italian law which will be attached to each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange, the competent authority or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Pricing Supplement in relation to any Tranche of Exempt Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to “Applicable Final Terms” for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

Any reference in the Terms and Conditions to “applicable Final Terms” or “Final Terms” shall be deemed to include a reference to “applicable Pricing Supplement” or “Pricing Supplement” where relevant in the case of Exempt Notes.

For the avoidance of doubt, in these “Terms and Conditions”, references to the “Notes” shall be to the Italian Law Notes (as defined below) and references to “Receipt” and “Talons” (both as defined below) shall be to the “Receipt” and “Talons” (both as defined below) connected to the Italian Law Notes (as defined below).

This Note is one of a Series (as defined below) of Notes governed by Italian law (**Italian Law Notes**) and issued by UniCredit S.p.A. (**UniCredit** or the **Issuer**) pursuant to the Agency Agreement for the Italian Law Notes (as defined below).

These terms and conditions for the Italian Law Notes (the **Terms and Conditions for the Italian Law Notes** or the **Conditions**) include summaries of, and are subject to, the detailed provisions of the Agency Agreement for the Italian Law Notes (as defined below), which includes the form of the Bearer Notes, Coupons, Receipts and Talons referred to below. References herein to the **Notes** shall be references to the Notes of this Series and shall mean:

- (a) in relation to any Notes represented by a global Note (a **Global Note**), units of each Specified Denomination in the Specified Currency;
- (b) any Global Note; and
- (c) any definitive Notes in bearer form (**Definitive Bearer Notes**) issued in exchange for a Global Note in bearer form.

The Notes, the Receipts (as defined below) and the Coupons (as defined below) have the benefit of a Second Amended and Restated Agency Agreement dated 5 June 2020 (such Second Amended and Restated Agency Agreement, as amended and/or supplemented and/or restated from time to time, the **Agency Agreement for the Italian Law Notes**) and made between UniCredit and Citibank, N.A., London Branch as issuing and principal paying agent (the **Principal Paying Agent**, which expression shall include any successor principal paying agent) and the other paying agents named therein (together with the Principal Paying Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents).

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms (or Pricing Supplement, in the case of Exempt Notes) attached to or endorsed on this Note which complete these Terms and Conditions for the Italian Law Notes and, in the case of a Note which is neither admitted to trading on a regulated market in the EEA nor offered in the EEA in circumstances where a prospectus is required to be published under the Prospectus Regulation (an **Exempt Note**), may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the Conditions, replace or modify the Conditions for the purposes of this Note. References to **the applicable Final Terms** are, unless otherwise stated, to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note or to the **applicable Pricing Supplement** (or the relevant provisions thereof) attached to or endorsed on this Note. The expression **Prospectus Regulation**

means Regulation (EU) 2017/1129. For the purposes of the Conditions, and unless stated otherwise, references to European Economic Area include the United Kingdom.

Interest bearing definitive Bearer Notes (unless otherwise indicated in the applicable Final Terms) have interest coupons (**Coupons**) and, in the case of Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (**Talons**) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Exempt Notes in definitive form which are repayable in instalments have receipts (**Receipts**) for the payment of the instalments of principal (other than the final instalment) attached on issue. Global Notes do not have Receipts, Coupons or Talons attached on issue.

Any reference to **Noteholders** or **holders** in relation to any Notes shall mean the holders of the Notes and shall, in relation to any Notes represented by a global Note, be construed as provided below. Any reference herein to **Receiptholders** shall mean the holders of the Receipts and any reference herein to **Couponholders** shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, **Tranche** means Notes which are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a single series and (b) have the same terms and conditions or terms and conditions which are the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue.

Copies of the Agency Agreement for the Italian Law Notes are available for inspection by Noteholders upon reasonable request during normal business hours at the principal office for the time being of the Principal Paying Agent being at Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB and the other Paying Agents (such Agents being together referred to as the **Agents**) and Banque Internationale à Luxembourg S.A. (the **Luxembourg Listing Agent**) as long as the Notes are admitted to trading on the Luxembourg Stock Exchange's regulated market and listed on the Official List of the Luxembourg Stock Exchange. If the Notes are to be admitted to trading on the regulated market of the Luxembourg Stock Exchange, the applicable Final Terms will be published on the website of the Luxembourg Stock Exchange (*www.bourse.lu*). If this Note is an Exempt Note, the applicable Pricing Supplement will only be obtainable by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the Issuer and the relevant Paying Agent as to its holding of such Notes and identity unless the regulations of the relevant stock exchange require otherwise. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement for the Italian Law Notes and the applicable Final Terms or applicable Pricing Supplement which are applicable to them.

Words and expressions defined in the Agency Agreement for the Italian Law Notes or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that in the event of inconsistency between the Agency Agreement for the Italian Law Notes and the applicable Final Terms, the applicable Final Terms will prevail.

6. INTEREST

The applicable Final Terms will indicate whether the Notes are Fixed Rate Notes, Reset Notes, Floating Rate Notes, Inflation Linked Interest Notes or Zero Coupon Notes or, in the case of Exempt Notes, whether a different interest basis applies.

6.1 Interest on Fixed Rate Notes

This Condition 6.1 applies to Fixed Rate Notes. The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 6.1 for full information on the manner in which interest is calculated on Fixed Rate Notes. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the

Interest Payment Date(s), any applicable Business Day Convention, the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (but excluding) the Maturity Date. The Rate of Interest may be specified in the applicable Final Terms either (i) as the same Rate of Interest for all Interest Periods or (ii) as a different Rate of Interest in respect of one or more Interest Periods.

In respect of Notes which are denominated in Renminbi, if the Business Day Convention is specified as the Modified Following Business Day Convention in the applicable Final Terms or Pricing Supplement, as the case may be, if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

If the Notes are in definitive form, except as provided in the applicable Final Terms, or if the applicable Final Terms specify that a Fixed Coupon Amount or Broken Amount(s) shall apply in the case of Notes represented by a Global Note, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of (i) Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms or (ii) Notes represented by a Global Note where the applicable Final Terms specify that a Fixed Coupon Amount or Broken Amount(s) shall apply, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest, in accordance with this Condition 6.1:

- (a) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (A) the number of days in such Determination Period and (B) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
-

-
- (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
- (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates that would normally occur in one calendar year;
- (b) if "30/360" is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360;
- (c) if "Actual/Actual (ISDA)" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (d) if "Actual/Actual Canadian Compound Method" is specified in the applicable Final Terms, whenever it is necessary to compute any amount of accrued interest in respect of the Notes for a period of less than one full year, other than in respect of any Fixed Coupon Amount or Broken Amount, such interest will be calculated on the basis of the Actual number of days in the period and a year of 365 days; and
- (e) if "Actual/365 (Fixed)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365.

In these Conditions:

(a) Interest Payment Dates

This Condition 6.3 applies to Floating Rate Notes and Inflation Linked Interest Notes only. The applicable Final Terms contains provisions applicable to the determination of floating rate interest and inflation linked rate interest and must be read in conjunction with this Condition 6.3 for full information on the manner in which interest is calculated on Floating Rate Notes, or, as appropriate, Inflation Linked Interest Notes. In particular, the applicable Final Terms will identify any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to the calculation of interest (applicable to Floating Rate Notes only), the party who will calculate the amount of interest due if it is not the Principal Paying Agent or, as the case may be, the Calculation Agent, the Margin, any maximum or minimum interest rates and the Day Count Fraction. Where, in the case of Floating Rate Notes, ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Reference Rate, Interest Determination Date(s) and Relevant Screen Page.

Each Floating Rate Note and Inflation Linked Interest Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
-

-
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls in the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Conditions, **Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified as:

- (A) in any case where Specified Periods are specified in accordance with Condition 6.3(a)(ii) the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis*: or
- (B) or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or

RMB Settlement Centre(s) means the financial centre(s) specified as such in the applicable Final Terms or Pricing Supplement in accordance with applicable laws and regulations. If no RMB Settlement Centre is specified in the relevant Final Terms or Pricing Supplement, the RMB Settlement Centre shall be deemed to be Hong Kong.

(b) Rate of Interest – Floating Rate Notes

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms. It may be specified in the Final Terms that the Rate of Interest is multiplied by a factor.

(i) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus (as indicated in the applicable Final Terms) the Margin (if any), which can be positive or negative. For the purposes of this Condition 6.3(b)(i), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the **ISDA Definitions**) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this Condition 6.3(b)(i), Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity and Reset Date have the meanings given to those terms in the ISDA Definitions. Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(ii) *Screen Rate Determination for Floating Rate Notes (other than Floating Rate Notes which reference SOFR and CMS Linked Interest Notes)*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject to Condition 6.4 (*Reference Rate Replacement*) below, be either:

- (A) the rate or offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates or offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either the London interbank offered rate (**LIBOR**) or the Euro-zone interbank offered rate (**EURIBOR**) or the Canadian Dollar offered rate (**CAD-BA-CDOR**), as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) or 10:00 a.m. (Toronto time, in the case of CAD-BA-CDOR) on the Interest Determination Date in question plus (as indicated in the applicable Final Terms) the Margin (if any), which can be positive or negative, all as determined by the Principal Paying Agent. If five or more of such rates or offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such rates or offered quotations.

If the Relevant Screen Page is not available or if no rate or offered quotation appears or, in the case of fewer than three such rates or offered quotations appears, in each case as at the Specified Time, the Principal Paying Agent shall request each of the Reference Banks (as defined below) to provide the Principal Paying Agent with its bid rate or offered quotation (expressed as a percentage rate per annum)

for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Principal Paying Agent with bid rates or offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the bid rates or offered quotations plus (as appropriate) the Margin (if any), which can be positive or negative, all as determined by the Principal Paying Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Principal Paying Agent with a bid rate or offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Principal Paying Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Principal Paying Agent by the Reference Banks or any two or more of them (a) if the Reference Rate is CAD-BA-CDOR, for Canadian Dollar bankers acceptances for a period of the applicable Interest Period in an amount representative for a single transaction in the relevant market at the relevant time accepted by those banks as of 10:00 a.m. (Toronto time), or (b) at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus (as appropriate) the Margin (if any), which can be positive or negative or, if fewer than two of the Reference Banks provide the Principal Paying Agent with bid rates or offered rates, the bid rate or offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the bid rates or offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Principal Paying Agent it is quoting (a) if the Reference Rate is CAD-BA-CDOR, for Canadian Dollar bankers acceptances in an amount representative for a single transaction in the relevant market at the relevant time accepted by those banks as of 10:00 a.m. (Toronto time), or (b) to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus (as appropriate) the Margin (if any), which can be positive or negative, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period). Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(d) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of Condition 6.3(a) is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

(f) Determination of Rate of Interest and calculation of Interest Amounts

The Principal Paying Agent (in the case of Floating Rate Notes) and the Calculation Agent (in the case of Inflation Linked Notes) will at, or as soon as practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Principal Paying Agent (in the case of Floating Rate Notes) and the Calculation Agent (in the case of Inflation Linked Interest Notes) will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes or Inflation Linked Interest Notes, as appropriate, for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes or Inflation Linked Interest Notes, as appropriate, which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Floating Rate Notes or Inflation Linked Interest Notes, as appropriate, in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or a Inflation Linked Interest Notes, as appropriate, in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

Calculation Agent means the entity designated for such purpose as is specified in the applicable Final Terms.

Day Count Fraction means, in respect of the calculation of an amount of interest for any Interest Period:

- (A) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
 - (B) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
 - (C) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;

where:

- Y₁** is the year, expressed as a number, in which the first day of the Interest Period falls;
- Y₂** is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- M₁** is the calendar month, expressed as a number, in which the first day of the Interest Period falls;
- M₂** is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- D₁** is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and
- D₂** is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (F) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360x(Y_2 - Y_1) + [30x(M_2 - M_1)] + (D_2 - D_1)]}{360}$$

where:

- Y₁** is the year, expressed as a number, in which the first day of the Interest Period falls;
- Y₂** is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- M₁** is the calendar month, expressed as a number, in which the first day of the Interest Period falls;
- M₂** is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

- D₂** is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (G) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360x(Y_2 - Y_1) + [30x(M_2 - M_1)] + (D_2 - D_1)]}{360}$$

where:

- Y₁** is the year, expressed as a number, in which the first day of the Interest Period falls;

- M₂** is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- D₁** is the first calendar day, expressed as a number, of the Interest Period, unless (I) that day is the last day of February or (II) such number would be 31, in which case D₁ will be 30; and
- D₂** is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (I) that day is the last day of February but not the Maturity Date or (II) such number would be 31 and in which case D₂ will be 30.

(g) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Principal Paying Agent (in the case of Floating Rate Notes) or the Calculation Agent (in the case of Inflation Linked Interest Notes) by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms or Pricing Supplement if applicable) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms or Pricing Supplement if applicable), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Rate of Interest for such Interest Period shall be calculated as if Linear Interpolation were not applicable.

Designated Maturity means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(h) Notification of Rate of Interest and Interest Amounts

Subject to Condition 6.4 (*Reference Rate Replacement*), the Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Luxembourg Stock Exchange at the latest on the first London Business Day of each Interest Period, the Issuer and any stock exchange (or listing agent as the case may be) on which the relevant Floating Rate Notes or Inflation Linked Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 17 (*Notices*) as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange (or listing agent as the case may be) on which the relevant Floating Rate Notes or Inflation Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 17 (*Notices*). For the purposes of this Condition 6.3(h), the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

6.4 Reference Rate Replacement

This Condition 6.4 applies only to Floating Rate Notes and Reset Notes.

(1) *Notes not linked to SOFR*

If: (i) Reference Rate Replacement is specified in the relevant Final Terms as being applicable and Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined or, in the case of Reset Notes, Reset Reference Rate Replacement is specified in the relevant Final Terms as being applicable; and (ii) notwithstanding the other provisions of this Condition 6.4(j) with respect to Screen Rate Determination and the other provisions of Section 6.2(iii) for Reset Notes, the Issuer determines that a Benchmark Event has occurred in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions shall apply to the relevant Series of Notes (other than to Notes linked to SOFR):

- (i) the Issuer shall use reasonable endeavours:(A) to determine a Successor Reference Rate and an Adjustment Spread (if any); or (B) if the Issuer cannot determine a Successor Reference Rate and an Adjustment Spread (if any), appoint an Independent Adviser to determine an Alternative Reference Rate, and an Adjustment Spread (if any) (in any such case, acting in good faith and in a commercially reasonable manner) no later than five Business Days prior to the Interest Determination Date or Reset Determination Date, as the case may be, relating to the next Interest Period or Reset Period, as applicable (the **IA Determination Cut-off Date**), for the purposes of determining the Rate of Interest applicable to the Notes for such next Interest Period or Reset Period, as applicable, and for all other future Interest Periods or Reset Periods (subject to the subsequent operation of this Condition 6.4 during any other future Interest Period(s));
 - (ii) if the Issuer is unable to determine a Successor Reference Rate and the Independent Adviser is unable to determine an Alternative Reference Rate (as applicable) prior to the relevant IA Determination Cut-off Date, the Issuer (acting in good faith and in a commercially reasonable manner) may determine an Alternative Reference Rate and an Adjustment Spread (if any) no later than three Business Days prior to the Interest Determination Date or Reset Determination Date, as the case may be, relating to the next Interest Period or Reset Period, as applicable (the **Issuer Determination Cut-off Date**), for the purposes of determining the Rate of Interest applicable to the Notes for such next Interest Period or Reset Period, as applicable, and for all other future Interest Periods or Reset Periods, as applicable (subject to the subsequent operation of this Condition 6.4 during any other future Interest Period(s) or Reset Period(s), as applicable). Without prejudice to the definitions thereof, for the purposes of determining any Alternative Reference Rate and/or any Adjustment Spread, the Issuer will take into account any relevant and applicable market precedents as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets;
 - (iii) if a Successor Reference Rate or, failing which, an Alternative Reference Rate (as applicable) is determined by the relevant Independent Adviser or the Issuer (as applicable) in accordance with this Condition 6.4:
 - (A) such Successor Reference Rate or Alternative Reference Rate (as applicable) shall replace the Original Reference Rate for all future Interest Periods or Reset Periods, as applicable (subject to the subsequent operation of, and adjustment as provided in, this Condition 6.4);
 - (B) if the relevant Independent Adviser or the Issuer (as applicable):
-

-
- (I) determines that an Adjustment Spread is required to be applied to such Successor Reference Rate or Alternative Reference Rate (as applicable) and determines the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to such Successor Reference Rate or Alternative Reference Rate (as applicable) for all future Interest Periods or Reset Periods, as applicable (subject to the subsequent operation of, and adjustment as provided in, this Condition 6.4); or
 - (II) is unable to determine the quantum of, or a formula or methodology for determining, an Adjustment Spread, then such Successor Reference Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread for all future Interest Periods or Reset Periods, as applicable (subject to the subsequent operation of, and adjustment as provided in, this Condition 6.4); and
- (C) the relevant Independent Adviser or the Issuer (as applicable) (acting in good faith and in a commercially reasonable manner) may in its discretion specify:
- (I) changes to these Conditions in order to follow market practice in relation to such Successor Reference Rate or Alternative Reference Rate (as applicable), including, but not limited to (1) any Additional Business Center(s), Business Day, Business Day Convention, Day Count Fraction, Interest Determination Date or Reset Determination Date as the case may be. Reference Banks, Relevant Financial Centre and/or Relevant Screen Page applicable to the Notes and (2) the method for determining the fallback to the Rate of Interest in relation to the Notes if such Successor Reference Rate or Alternative Reference Rate (as applicable) is not available; and
 - (II) any other changes which the relevant Independent Adviser or the Issuer (as applicable) determines are reasonably necessary to ensure the proper operation and comparability to the Original Reference Rate of such Successor Reference Rate or Alternative Reference Rate (as applicable),

which changes shall apply to the Notes for all future Interest Periods or Reset Periods, as applicable (subject to the subsequent operation of this Condition 6.4); and

- (iv) promptly following the determination of (i) any Successor Reference Rate or Alternative Reference Rate (as applicable) and (ii) if applicable, any Adjustment Spread, the Issuer shall give notice thereof and of any changes (and the effective date thereof) pursuant to Condition 6.4(iii)(C) to the Calculation Agent or the Principal Paying Agent, as applicable, and the Noteholders in accordance with Condition 17 (*Notices*)).

No consent of the Noteholders shall be required in connection with effecting the relevant Successor Reference Rate or Alternative Reference Rate (as applicable) as described in this Condition 6.4 or such other relevant changes pursuant to Condition 6.4(iii)(C), including for the execution of any documents or the taking of other steps by the Issuer.

For the avoidance of doubt, if a Successor Reference Rate or an Alternative Reference Rate is not determined pursuant to the operation of this Condition 6.4 prior to the relevant Issuer Determination Cut-off Date, then the Rate of Interest for the next Interest Period or Reset Period, as applicable, shall be determined by reference to the fallback provisions of Condition 6.2(iii) or Condition 6.3(b), as applicable.

(2) *Notes linked to SOFR*

In the case of Notes linked to SOFR:

- (A) if (i) Reference Rate Replacement is specified in the relevant Final Terms as being applicable and Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined or, in the case of Reset Notes, Reset Reference Rate
-

Replacement is specified in the relevant Final Terms as being applicable; and (ii) notwithstanding the other provisions of this Condition 6.4 with respect to Screen Rate Determination and the other provisions of Section 6.2(iii) for Reset Notes, the Issuer determines that a Benchmark Event and the relevant SOFR Index Cessation Date have both occurred, when a Rate of Interest (or the relevant component part thereof) remains to be determined by reference to such Original Reference Rate, the Original Reference Rate shall be the rate that was recommended as the replacement for the SOFR by the Federal Reserve Board and/or the Federal Reserve Bank of New York or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York for the purpose of recommending a replacement for the SOFR (which rate may be produced by the Federal Reserve Bank of New York or other designated administrator, and which rate may include any adjustments or spreads); or

- (B) if no such rate has been recommended within one Business Day (as defined in paragraph (A) of Condition 6.3(b)(iii)) of the SOFR Index Cessation Date, the Original Reference Rate shall be the ISDA Fallback Rate (which rate may include any adjustments or spreads that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Original Reference Rate); or
- (C) if the replacement rate cannot be determined in accordance with (A) and (B) above, then the Original Reference Rate shall be the alternate rate of interest that has been selected and notified to the Calculation Agent or the Principal Paying Agent, as applicable, by the Issuer as the replacement for the then-current rate for the applicable Corresponding Tenor that gives due consideration to any industry-accepted rate of interest as a replacement for the then-current Original Reference Rate for U.S. dollar denominated notes at such time (which rate may include any adjustments or spreads),

and in each case "r" shall be interpreted accordingly.

Promptly following the determination of (i) the Original Reference Date, (ii) the ISDA Fallback Rate or (iii) the rate of interest selected by the Issuer pursuant to 6.4(2)(C) above, the Issuer shall give notice thereof and of any changes (and the effective date thereof) to the Calculation Agent or the Principal Paying Agent, as applicable, and the Noteholders in accordance with Condition 17 (*Notices*).

In connection with the implementation of a replacement pursuant to this Condition 6.4(2), the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time. No consent of the Noteholders shall be required in connection with effecting any relevant changes pursuant to Condition 6.4(2), including for the execution of any changes to these Conditions and the Agency Agreement for the Italian Law Notes.

For the purposes of this Condition 6.4(2):

Benchmark Replacement Conforming Changes means, with respect to any replacement rate, any technical, administrative or operational changes (including changes to the timing and frequency of determining rates and making payments of interest, rounding of amounts or tenors, and other administrative matters) that the Issuer or its designee decides may be appropriate to reflect the adoption of such replacement rate in a manner substantially consistent with market practice (or, if the Issuer or its designee decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer or its designee determine that no market practice for use of the replacement rate exists, in such other manner as the Issuer or its designee determines is reasonably necessary).

Corresponding Tenor means a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the then-current Original Reference Rate;

ISDA Definitions means the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. or any successor thereto, as amended or supplemented from time to time, or any successor definitional booklet for interest rate derivatives published from time to time;

(3) *Disapplication of Reference Rate Replacement*

Notwithstanding any other provision of this Condition 6.4: (i) no Successor Reference Rate or Alternative Reference Rate (as applicable) or any other relevant rate substituting the Original Reference Rate will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 6.4, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as: (A) in the case of Senior Notes or Non-Preferred Senior Notes, satisfying the MREL or TLAC Requirements; (B) in the case of Subordinated Notes, Tier 2 Capital for regulatory capital purposes of the Issuer and/or the Group; and (C) in the case of Additional Tier 1 Notes, Additional Tier 1 Capital for regulatory capital purposes of the Issuer and/or the Group; and/or (ii) in the case of Senior Notes and Non-Preferred Senior Notes only, no Successor Reference Rate or Alternative Reference Rate (as applicable) or any other relevant rate substituting the Original Reference Rate will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 6.4, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to result in the Competent Authority or, if applicable, the Relevant Resolution Authority treating an Interest Payment Date as the effective maturity of the Notes, rather than the relevant Maturity Date.

For the purposes of this Condition 6.4:

Adjustment Spread means a spread (which may be positive or negative) or formula or methodology for calculating a spread, in each case to be applied to a Successor Reference Rate or an Alternative Reference Rate (as applicable) in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to the Noteholders as a result of the replacement of the Original Reference Rate with such Successor Reference Rate or Alternative Reference Rate (as applicable) and is the spread, formula or methodology which: (i) in the case of a Successor Reference Rate, is formally recommended in relation to the replacement of the Original Reference Rate with such Successor Reference Rate by any Relevant Nominating Body; or (ii) in the case of a Successor Reference Rate for which no such recommendation has been made or in the case of an Alternative Reference Rate, the relevant Independent Adviser or the Issuer (as applicable) determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the Original Reference Rate, where such rate has been replaced by such Successor Reference Rate or Alternative Reference Rate (as applicable); or (iii) if no such customary market usage is recognised or acknowledged, the relevant Independent Adviser or the Issuer (as applicable) in its discretion determines (acting in good faith and in a commercially reasonable manner) to be appropriate.

Alternative Reference Rate means the rate that the relevant Independent Adviser or the Issuer (as applicable) determines has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest in respect of notes denominated in the Specified Currency and of a comparable duration to the relevant Interest Periods or Reset Periods, as applicable, or, if such Independent Adviser or the Issuer (as applicable) determines that there is no such rate, such other rate as such Independent Adviser or the Issuer (as applicable) determines in its discretion is most comparable to the Original Reference Rate.

Benchmark Event means, in respect of a Reference Rate or a Reset Reference Rate:

- (a) the Original Reference Rate ceasing to be published for a period of at least 5 Business Days or ceasing to exist or being subject to a material change; or
 - (b) a public statement by the administrator of the Original Reference Rate that it will, by a specified date on or prior to the next Interest Determination Date or Reset Determination Date, as the case may be, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate); or
-

-
- (c) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will, by a specified date on or prior to the next Interest Determination Date or Reset Determination Date, as the case may be, be permanently or indefinitely discontinued; or
 - (d) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate is no longer representative of its relevant underlying market; or
 - (e) a public statement by the supervisor of the administrator of the Original Reference Rate, an insolvency official with jurisdiction over the administrator of the Original Reference Rate, a resolution authority with jurisdiction over the administrator of the Original Reference Rate or a court or an entity with similar insolvency or resolution authority over the administrator of the Original Reference Rate, which states that the administrator of the Original Reference Rate has ceased or will, within a specified period of time, cease to provide the Original Reference Rate permanently or indefinitely, provided that, where applicable, such period of time has lapsed, and provided further that, at the time of cessation, there is no successor administrator that will continue to provide the Original Reference Rate; or
 - (f) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences either generally, or in respect of the Notes, in each case by a specific date on or prior to the next Interest Determination Date or Reset Determination Date, as the case may be; or
 - (g) it has become unlawful (including, without limitation, under the EU Benchmark Regulation (Regulation (EU) 2016/1011), as amended from time to time, if applicable) for any Paying Agent, Calculation Agent, the Issuer or other party to calculate any payments due to be made to any Noteholder using the Original Reference Rate.

Independent Adviser means an independent financial institution of international repute or other independent financial adviser experienced in the international debt capital markets, in each case appointed by the Issuer at its own expense.

Successor Reference Rate means the rate: (i) that the Issuer determines is a successor to or replacement of the Original Reference Rate and (ii) that is formally recommended by any Relevant Nominating Body.

6.5 Inflation Linked Interest Note Provisions

Unless previously redeemed or purchased and cancelled in accordance with this Condition 6.5 or as specified in the applicable Final Terms and subject to this Condition 6.5, each Inflation Linked Interest Note will bear interest in the manner specified in the applicable Final Terms and the Conditions.

The following provisions apply to Inflation Linked Interest Notes:

- (b) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority),

the Calculation Agent determines in its discretion that (i) it has become illegal to hold, acquire or dispose of any relevant hedging arrangements in respect of the Inflation Index, or (ii) any Hedging Party will incur a materially increased cost in performing its obligations in relation to the Notes (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on the tax position of the Issuer, any of its Affiliates or any other Hedging Party);

Determination Date means each date specified as such in the applicable Final Terms;

End Date means each date specified as such in the applicable Final Terms;

Fallback Bond means, in respect of an Inflation Index, a bond selected by the Calculation Agent and issued by the government of the country to whose level of inflation the relevant Inflation Index relates and which pays a coupon or redemption amount which is calculated by reference to such Inflation Index, with a maturity date which falls on (a) the End Date specified in the applicable Final Terms, (b) the next longest maturity after the End Date if there is no such bond maturing on the End Date, or (c) the next shortest maturity before the End Date if no bond defined in (a) or (b) above is selected by the Calculation Agent. If the relevant Inflation Index relates to the level of inflation across the European Monetary Union, the Calculation Agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Italy, Germany or Spain and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union. In each case, the Calculation Agent will select the Fallback Bond from those inflation-linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Fallback Bond redeems, the Calculation Agent will select a new Fallback Bond on the same basis, but notwithstanding the immediately prior sentence, selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged);

Hedging Disruption means that any Hedging Party is unable, after using commercially reasonable efforts, to (a) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the relevant price risk of the Issuer issuing and performing its obligations with respect to the Notes, or (b) freely realise, recover, remit, receive, repatriate or transfer the proceeds of any such transaction(s) or asset(s), as determined by the Calculation Agent;

Inflation Index means each inflation index specified in the applicable Final Terms and related expressions shall be construed accordingly;

If the Related Bond specified in the applicable Final Terms is "Fallback Bond", then, for any Related Bond determination, the Calculation Agent shall use the Fallback Bond. If no bond is specified in the applicable Final Terms as the Related Bond and "Fallback Bond: Not Applicable" is specified in the applicable Final Terms, there will be no Related Bond. If a bond is specified as the Related Bond in the applicable Final Terms and that bond redeems or matures before the End Date (i) unless "Fallback Bond: Not Applicable" is specified in the applicable Final Terms, the Calculation Agent shall use the Fallback Bond for any Related Bond determination and (ii) if "Fallback Bond: Not Applicable" is specified in the applicable Final Terms, there will be no Related Bond; and

Relevant Level has the meaning set out in the definition of "Delayed Index Level Event" above;

Inflation Index Delay And Disruption Provisions

(a) Delay in Publication

If the Calculation Agent determines that a Delayed Index Level Event in respect of an Inflation Index has occurred with respect to any Determination Date, then the Relevant Level for such Inflation Index with respect to the relevant Reference Month subject to such Delayed Index Level Event (the **Substitute Index Level**) shall be determined by the Calculation Agent as follows:

- (i) if "Related Bond" is specified as applicable for such Inflation Index in the relevant Final Terms, the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond;
- (ii) if (I) "Related Bond" is not specified as applicable for such Inflation Index in the relevant Final Terms, or (II) the Calculation Agent is not able to determine a Substitute Index Level under paragraph (i) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:

Substitute Index Level = Base Level x (Latest Level/Reference Level); or

(iii) otherwise in accordance with any formula specified in the relevant Final Terms,
in each case as of such Determination Date,

where:

Base Level means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined.

Latest Level means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined.

Reference Level means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall give notice to Noteholders, in accordance with Condition 17 (*Notices*) of any Substitute Index Level calculated pursuant to this Condition 6.5.

If the Relevant Level (as defined above) is published or announced at any time on or after the relevant Cut-off Date, such Relevant Level will not be used in any calculations. The Substitute Index Level so determined pursuant to this Condition 6.5 will be the definitive level for that Reference Month.

(b) Cessation of Publication

If the Calculation Agent determines that the level for the Inflation Index has not been published or announced for two (2) consecutive months, the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index or the Inflation Index Sponsor otherwise cancels the Inflation Index, then the Calculation Agent shall determine a successor inflation index (the **Successor Inflation Index**) (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Interest Notes by using the following methodology:

- (i) if at any time (other than after an early redemption or cancellation event has been designated by the Calculation Agent pursuant to Condition 6.5(b)(v)), a successor inflation index has been designated by the calculation agent (or equivalent) pursuant to the terms and conditions of the Related Bond, such successor inflation index shall be designated a "Successor Inflation Index" notwithstanding that any other Successor Inflation Index may previously have been determined under Condition 6.5(b)(ii), 6.5(b)(iii) or 6.5(b)(iv);
 - (ii) if a Successor Inflation Index has not been determined pursuant to Condition 6.5(b)(i), and a notice has been given or an announcement has been made by the Inflation Index Sponsor, specifying that the Inflation Index will be superseded by a replacement Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Interest Notes from the date that such replacement Inflation Index comes into effect;
 - (iii) if a Successor Inflation Index has not been determined pursuant to Condition 6.5(b)(i) or 6.5(b)(ii), the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If four or five responses are received and, of those four or five responses, three or more leading independent
-

dealers state the same index, this index will be deemed the "Successor Inflation Index". If three responses are received and two or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If fewer than three responses are received or no Successor Inflation Index is determined pursuant to this Condition 6.5(b)(iii), the Calculation Agent will proceed to Condition 6.5(b)(iv);

- (iv) if no replacement index or Successor Inflation Index has been determined under Condition 6.5(b)(i), 6.5(b)(ii) or 6.5(b)(iii) by the next occurring Cut-Off Date, the Calculation Agent, subject as provided below, will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed a "Successor Inflation Index"; or
- (v) if the Calculation Agent determines that there is no appropriate alternative index in relation to Inflation Linked Interest Notes, on giving notice to Noteholders in accordance with Condition 17 (*Notices*), the Issuer shall redeem or cancel, as applicable all but not some only of the Inflation Linked Interest Notes, each Inflation Linked Interest Note being redeemed or cancelled, as applicable by payment of the relevant Early Redemption Amount or, in the case of Additional Tier 1 Notes, at their Prevailing Principal Amount. Payments will be made in such manner as shall be notified to the Noteholders in accordance with Condition 17 (*Notices*).

(c) Rebasing of the Inflation Index

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the **Rebased Index**) will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall make adjustments as are made by the calculation agent (or equivalent) pursuant to the terms and conditions of the Related Bond, if "Related Bond" is specified as applicable in the applicable Final Terms, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, or, if "Related Bond" is not specified as applicable in the applicable Final Terms, the Calculation Agent shall make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased.

(d) Material Modification Prior to Last Occurring Cut-Off

If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make any such adjustments, if "Related Bond" is specified as applicable in the applicable Final Terms, consistent with adjustments made to the Related Bond, or, if "Related Bond" is not specified as applicable in the applicable Final Terms, only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation Index.

(e) Manifest Error in Publication

With the exception of any corrections published after the day which is three (3) Business Days prior to the relevant Maturity Date, if, within thirty (30) calendar days of publication, the Calculation Agent determines that the Inflation Index Sponsor has corrected the level of the Inflation Index to remedy a manifest error in its original publication, the Calculation Agent may, in its discretion, make such adjustments to the terms of the Inflation Linked Interest Notes as it determines appropriate to account for the correction and will notify the Noteholders of any such adjustments in accordance with Condition 17 (*Notices*).

(f) Consequences of an Additional Disruption Event

If the Calculation Agent determines that an Additional Disruption Event has occurred, the Issuer may at its option:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any terms of the Conditions and/or the
-

applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or

- (ii) redeem or cancel, as applicable, all but not some of the Inflation Linked Interest Notes on the date notified by the Calculation Agent to Noteholders in accordance with Condition 17 (*Notices*) by payment of the relevant Early Redemption Amount or, in the case of Additional Tier 1 Notes, at their Prevailing Principal Amount, as at the date of redemption or cancellation, as applicable, taking into account the relevant Additional Disruption Event.

(g) Inflation Index Disclaimer

- (i) The Notes are not sponsored, endorsed, sold or promoted by the Inflation Index or the Inflation Index Sponsor and the Inflation Index Sponsor does not make any representation whatsoever, whether express or implied, either as to the results to be obtained from the use of the Inflation Index and/or the levels at which the Inflation Index stands at any particular time on any particular date or otherwise. Neither the Inflation Index nor the Inflation Index Sponsor shall be liable (whether in negligence or otherwise) to any person for any error in the Inflation Index and the Inflation Index Sponsor is under no obligation to advise any person of any error therein. The Inflation Index Sponsor is not making any representation whatsoever, whether express or implied, as to the advisability of purchasing or assuming any risk in connection with the Notes. The Issuer shall not have liability to the Noteholders for any act or failure to act by the Inflation Index Sponsor in connection with the calculation, adjustment or maintenance of the Inflation Index. Except as disclosed prior to the Issue Date specified in the applicable Final Terms, neither the Issuer nor its Affiliates has any affiliation with or control over the Inflation Index or the Inflation Index Sponsor or any control over the computation, composition or dissemination of the Inflation Index. Although the Calculation Agent will obtain information concerning the Inflation Index from publicly available sources it believes reliable, it will not independently verify this information. Accordingly, no representation, warranty or undertaking (express or implied) is made and no responsibility is accepted by the Issuer, its Affiliates or the Calculation Agent as to the accuracy, completeness and timeliness of information concerning the Inflation Index.

6.6 Exempt Notes

In the case of Exempt Notes which are also Floating Rate Notes where the applicable Pricing Supplement identifies that Screen Rate Determination applies to the calculation of interest, if the Reference Rate from time to time is specified in the applicable Pricing Supplement as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Exempt Notes will be determined as provided in the applicable Pricing Supplement.

The rate or amount of interest payable in respect of Exempt Notes which are not also Fixed Rate Notes or Floating Rate Notes shall be determined in the manner specified in the applicable Pricing Supplement, provided that where such Notes are Index Linked Interest Notes the provisions of Condition 6.3 shall, save to the extent amended in the applicable Pricing Supplement, apply as if the references therein to Floating Rate Notes and to the Principal Paying Agent were references to Index Linked Interest Notes and the Calculation Agent, respectively, and provided further that the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

Dual Currency Note

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable in respect of Dual Currency Interest Notes shall be determined in the manner specified in the applicable Pricing Supplement.

7. INTEREST AND INTEREST CANCELLATION IN RESPECT OF ADDITIONAL TIER 1 NOTES

This Condition 7 applies only to Additional Tier 1 Notes. The application of Condition 6 to Additional Tier 1 Notes is subject to this Condition 7.

7.1 Cancellation of Interest Amounts

The Issuer may at any time elect at its full discretion to cancel (in whole or in part) for an unlimited period and on a non-cumulative basis the Interest Amounts otherwise scheduled to be paid on an Interest Payment Date.

Without prejudice to (i) such full discretion of the Issuer to cancel the Interest Amounts and (ii) the prohibition to make payments on the Additional Tier 1 Notes pursuant to any provisions of Italian law implementing Article 141(2) of the CRD IV Directive and, if relevant, in any other similar payment restriction provision(s) under the then applicable Relevant Regulations, before the Maximum Distributable Amount is calculated, payment of Interest Amounts on any Interest Payment Date must be cancelled (in whole or, as the case may be, in part) if and to the extent that such Interest Amounts:

- (a) when aggregated together with distributions on all other Own Funds instruments of the Issuer (excluding Tier 2 Capital instruments) paid or scheduled for payment in the then current financial year and any potential write-ups exceed the amount of Distributable Items, excluding any payments already accounted for in determining the Distributable Items; and/or
- (b) when aggregated together with other distributions of the Issuer or the UniCredit Group, as applicable, of the kind referred to in Article 141(2) of the CRD IV Directive and, if relevant, in any other similar payment restriction provision(s) under the then applicable Relevant Regulations (or, if different, any provisions of Italian law implementing Article 141(2) of the CRD IV Directive or, if relevant, such other provision(s)) and the amount of any write-up (if applicable), would, if paid, cause the Maximum Distributable Amount (if any) then applicable to the Issuer and/or the UniCredit Group to be exceeded; and/or
- (c) are required to be cancelled (in whole or in part) by an order to the Issuer from the Competent Authority.

As set out in Condition 8.1, if a Contingency Event occurs, accrued and unpaid interest to (but excluding) the Write-Down Effective Date shall be cancelled.

Notice of any cancellation of payment of a scheduled Interest Amount must be given to the Noteholders (in accordance with Condition 17 (*Notices*)) and the Principal Paying Agent as soon as possible, but not more than 60 calendar days, prior to the relevant Interest Payment Date. Such notice shall specify the amount of the relevant cancellation. Any failure by the Issuer to give such notice shall not affect the validity of the cancellation and shall not constitute a default for any purpose. In the absence of any notice of cancellation being given, the fact of non-payment (in whole or in part) of the relevant Interest Amount on the relevant Interest Payment Date shall be evidence of the Issuer having elected or being required to cancel such distributions payment in whole or in part, as applicable.

For the avoidance of doubt (i) the cancellation of any Interest Amounts in accordance with this Condition 7.1 or Condition 8.1 shall not constitute a default for any purpose on the part of the Issuer and (ii) interest on the Additional Tier 1 Notes is not cumulative and any Interest Amounts that the Issuer elects not to pay or is prohibited from paying will not accumulate or compound and all rights and claims in respect of

such amounts shall be fully and irrevocably forfeited and no payments shall be made nor shall any Noteholder be entitled to any payment or indemnity in respect thereof.

As used in these Conditions **Distributable Items** means, subject as otherwise defined in the Relevant Regulations from time to time:

- (a) an amount equal to the Issuer's profits at the end of the financial year immediately preceding the financial year in which the relevant Interest Payment Date falls plus any profits brought forward and reserves available for that purpose before distributions to holders of Own Funds instruments (which, for the avoidance of doubt, excludes any such distributions paid or made on Tier 2 instruments or any such distributions which have already been provided for, by way of deduction, in calculating the amount of Distributable Items); less
- (b) an amount equal to any losses brought forward, profits which are non-distributable pursuant to applicable Italian law or the by-laws of the Issuer from time to time and sums placed to non-distributable reserves in accordance with applicable Italian law or the by-laws of the Issuer from time to time,

those profits, losses and reserves being determined on the basis of the Issuer's non-consolidated accounts.

7.2 No restriction following cancellation of Interest Amounts

In the event that the Issuer exercises its discretion not to pay interest or is prohibited from paying interest on any Interest Payment Date, it will not give rise to any contractual restriction on the Issuer making distributions or any other payments to the holders of any securities ranking *pari passu* with, or junior to, the Additional Tier 1 Notes (or, for the avoidance of doubt, Tier 2 instruments).

7.3 Calculation of Interest Amount

Subject to Condition 7.1 and Condition 9, the amount of interest payable in respect of an Additional Tier 1 Note for any period shall be calculated by the Principal Paying Agent (in the case of Floating Rate Notes (other than CMS Linked Interest Notes)) or the Calculation Agent (in the case of Inflation Linked Interest Notes or CMS Linked Interest Notes) by:

- (a) applying the applicable Rate of Interest to the Prevailing Principal Amount of such Additional Tier 1 Note;
- (b) multiplying the product thereof by the Day Count Fraction; and
- (c) rounding the resulting figure to the nearest cent (half a cent. being rounded upwards).

7.4 Calculation of Interest Amount in case of Write-Down

Subject to Condition 7.1, in the event that a Write-Down occurs during an Interest Period, any accrued and unpaid interest shall be cancelled pursuant to Condition 8.1(c) and the Interest Amount payable on the Interest Payment Date immediately following such Interest Period shall be calculated in accordance with Condition 6.3(f), provided that the Day Count Fraction shall be determined as if the Interest Period started on, and included, the Write-Down Effective Date.

7.5 Calculation of Interest Amount in case of Write-Up

Subject to Condition 7.1, in the event that a Write-Up occurs during an Interest Period, the Interest Amount payable on the Interest Payment Date immediately following such Interest Period shall be calculated as the sum (rounding the resulting figure to the nearest cent, with half a cent being rounded upwards) of the following:

-
- (a) the product of the applicable Rate of Interest, the Prevailing Principal Amount before such Write-Up, and the Day Count Fraction (determined as if the Interest Period ended on, but excluded, the date of such Write-Up); and
- (b) the product of the applicable Rate of Interest, the Prevailing Principal Amount after such Write-Up, and the Day Count Fraction (determined as if the Interest Period started on, and included, the date of such Write-Up).

As used in these Conditions:

Maximum Distributable Amount means any applicable maximum distributable amount relating to the Issuer and/or the UniCredit Group, as the case may be, required to be calculated in accordance with the CRD IV Directive and/or any other Relevant Regulation(s) (or any provision of Italian law transposing or implementing the CRD IV Directive and/or, if relevant, any other Relevant Regulation(s));

Maximum Write-Up Amount has the meaning given to it in Condition 8.3;

Own Funds has the meaning given to such term (or any equivalent or successor term) in the Relevant Regulations;

Prevailing Principal Amount in respect of an Additional Tier 1 Note on any date, means the Initial Principal Amount of such Additional Tier 1 Note as reduced from time to time (on one or more occasions) pursuant to a Write-Down and/or reinstated from time to time (on one or more occasions) pursuant to a Write-Up in each case on or prior to such date;

Tier 1 Capital has the meaning given to such term (or any other equivalent or successor term) in the Relevant Regulations;

Tier 2 Capital has the meaning given to such term (or any other equivalent or successor term) in the Relevant Regulations;

Write-Down has the meaning given to such term in Condition 8.1;

Write-Down Amount has the meaning given to such term in Condition 8.1;

Write-Down Effective Date has the meaning given to such term in Condition 8.1;

Write-Up has the meaning given to such term in Conditions 8.3;

Write-Up Notice has the meaning given to such term in Conditions 8.3; and

Written-Down Additional Tier 1 Instrument means an instrument (other than the Additional Tier 1 Notes) issued directly or indirectly by the Issuer or, as applicable, any member of the UniCredit Group, and qualifying as Additional Tier 1 Capital of the Issuer or, as applicable, the UniCredit Group that, as at the time immediately prior to the relevant Write-Up, has a prevailing principal amount lower than the principal amount that it was issued with due to a write-down.

8. LOSS ABSORPTION AND REINSTATEMENT OF PRINCIPAL AMOUNT

This Condition 8 applies only to Additional Tier 1 Notes. The application of Condition 6 to Additional Tier 1 Notes is subject to this Condition 8.

8.1 Loss absorption

If, at any time, the Common Equity Tier 1 Capital Ratio of the Issuer falls below 5.125% (an **Issuer Contingency Event**) or the Common Equity Tier 1 Capital Ratio of the UniCredit Group falls below 5.125% (a **Group Contingency Event**) or, in each case, the then minimum trigger event ratio for loss absorption applicable to Additional Tier 1 Capital instruments specified in the Relevant Regulations (excluding any guidelines or policies of non-mandatory application) applicable to the Issuer and/or the UniCredit Group (each, a **Contingency Event**), the Issuer shall:

- (a) immediately notify the Competent Authority of the occurrence of the relevant Contingency Event;
- (b) as soon as reasonably practicable deliver a Loss Absorption Event Notice to Noteholders (in accordance with Condition 17 (*Notices*)), the Principal Paying Agent and the Paying Agents (provided that failure or delay in delivering a Loss Absorption Event Notice shall not constitute a default for any purpose or in any way impact on the effectiveness of, or otherwise invalidate, any Write-Down);
- (c) cancel any accrued and unpaid interest up to (but excluding) the Write-Down Effective Date; and
- (d) without delay, and in any event within one month (or such shorter period as the Competent Authority may require) from the determination that the relevant Contingency Event has occurred, reduce the then Prevailing Principal Amount of each Additional Tier 1 Note by the Write-Down Amount (such reduction being referred to as a **Write-Down** and **Written Down** being construed accordingly).

Whether a Contingency Event has occurred at any time shall be determined by the Issuer and the Competent Authority.

For the avoidance of doubt, even if the cancellation of interest pursuant to Condition 8.1(c) would cure the relevant Contingency Event, the relevant Write-Down shall occur in any event and any increase in the CET1 Ratio as a result of such cancellation shall be disregarded for the purpose of calculating the relevant Write-Down Amount in respect of such Contingency Event.

Any Write-Down of an Additional Tier 1 Note will be effected, save as may otherwise be required by the Competent Authority and subject as otherwise provided in these Conditions, *pro rata* with the Write-Down of the other Additional Tier 1 Notes and with the concurrent (or substantially concurrent) write-down (or write-off) or conversion into Ordinary Shares, as the case may be, of any Equal Loss Absorbing Instruments (based on the prevailing amount of the relevant Equal Loss Absorbing Instrument). To the extent possible, the write-down (or write-off) or conversion into Ordinary Shares of any Prior Loss Absorbing Instruments will be taken into account in the calculation of the Write Down Amount, and of the amount of write-down (or write-off) or conversion into Ordinary Shares of any Equal Loss Absorbing Instruments, required to cure the relevant Contingency Event.

A Write-Down may occur on more than one occasion and the Additional Tier 1 Notes may be Written Down on more than one occasion.

Loss Absorption Event Notice means a notice which specifies that a Contingency Event has occurred, the Write-Down Amount (as a percentage of the Initial Principal Amount resulting in a *pro rata* decrease

in the Prevailing Principal Amount of each Additional Tier 1 Note), including the method of calculation of the Write-Down Amount, and the date on which the Write-Down will take effect (the **Write-Down Effective Date**). Any Loss Absorption Event Notice delivered to the Principal Paying Agent must be accompanied by a certificate signed by the Authorised Signatories stating that the Contingency Event has occurred and setting out the method of calculation of the relevant Write-Down Amount. The Principal Paying Agent is not responsible, nor shall it incur any liability, for monitoring or ascertaining as to whether any certifications required by this provision are provided, nor shall it be required to review, check or analyse any certifications produced nor shall it be responsible for the contents of any such certifications or incur any liability in the event the content of such certifications are inaccurate or incorrect.

Write-Down Amount means the amount by which the then Prevailing Principal Amount of each outstanding Additional Tier 1 Note is to be Written Down with effect as of the Write-Down Effective Date on a *pro rata* basis pursuant to a Write-Down, being:

- (i) the amount that (together with (a) the concurrent Write-Down of the other Additional Tier 1 Notes and (b) the concurrent or substantially concurrent write-down (or write-off) or conversion to the extent possible of any Loss Absorbing Instruments) would be sufficient to cure the Contingency Event; or
- (ii) if that Write-Down (together with (a) the concurrent Write-Down of the other Additional Tier 1 Notes and (b) the concurrent or substantially concurrent write-down (or write-off) or conversion of any Loss Absorbing Instruments) would be insufficient to cure the Contingency Event, or the Contingency Event is not capable of being cured, the amount necessary to reduce the Prevailing Principal Amount to one cent.

In respect of any Write-Down, to the extent the write-down (or write-off) or conversion into Ordinary Shares of any Loss Absorbing Instrument is not, or within one month (or such shorter period as the Competent Authority may require) from the determination that the relevant Contingency Event has occurred will not be, effective for any reason (i) the ineffectiveness of any such write-down (or write-off) or conversion into Ordinary Shares shall not prejudice the requirement to effect the Write-Down of the Additional Tier 1 Notes pursuant to this Condition 8.1; and (ii) such write-down (or write-off) or conversion into Ordinary Shares shall not be taken into account in calculating the Write Down Amount in respect of such Write-Down. For the avoidance of doubt, the write-down (or write-off) or conversion into Ordinary Shares of any Loss Absorbing Instrument will only be taken into account in the calculation of the Write-Down Amount to the extent (and in the amount, if any) that such Loss Absorbing Instrument can actually be written-down (or written-off) or converted into Ordinary Shares in the relevant circumstances within one month (or such shorter period as the Competent Authority may require) from the determination that the relevant Contingency Event has occurred.

If, in connection with a Write-Down or the calculation of a Write-Down Amount, there are outstanding any Loss Absorbing Instruments the terms of which provide that they shall be written-down (or written-off) or converted into Ordinary Shares in full and not in part only (**Full Loss Absorbing Instruments**) then:

- (A) the requirement that a Write-Down of the Additional Tier 1 Notes shall be effected *pro rata* with the write-down (or write-off) or conversion into Ordinary Shares, as the case may be, of any such Loss Absorbing Instruments shall not be construed as requiring the Additional Tier 1 Notes to be Written-Down in full (or in full save for the one cent floor) simply by virtue of the fact that such Full Loss Absorbing Instruments will be written-down (or written-off) or converted in full; and
 - (B) for the purposes of calculating the Write-Down Amount, the Full Loss Absorbing Instruments will be treated (for the purposes only of determining the write-down (or write-off) of principal or conversion into Ordinary Shares, as the case may be, among the Additional Tier 1 Notes and such other Loss Absorbing Instruments on a *pro rata* basis) as if their terms permitted partial
-

write-down (or write-off) or conversion into Ordinary Shares, such that the write-down (or write-off) or conversion into Ordinary Shares of such Full Loss Absorbing Instruments shall be deemed to occur in two concurrent stages: (a) first, the principal amount of such Full Loss Absorbing Instruments shall be written-down (or written-off) or converted into Ordinary Shares *pro rata* with the Additional Tier 1 Notes and all other Loss Absorbing Instruments (in each case subject to and as provided in the preceding paragraph) to the extent necessary to cure the relevant Contingency Event; and (b) secondly, the balance (if any) of the principal amount of such Full Loss Absorbing Instruments remaining following (a) shall be written-down (or written-off) or converted into Ordinary Shares, as the case may be, with the effect of increasing the Issuer's and/or the UniCredit Group's, as the case may be, CET1 Ratio above the minimum required level under (a) above.

8.2 Consequences of loss absorption

Following the giving of a Loss Absorption Event Notice which specifies a Write-Down of the Additional Tier 1 Notes, the Issuer shall procure that:

- (a) a similar notice is, or has been, given in respect of each Loss Absorbing Instrument (in accordance with, and to the extent required by, its terms); and
- (b) the prevailing principal amount of each Loss Absorbing Instrument outstanding (other than the Additional Tier 1 Notes) (if any) is written down (or written-off) or converted, as appropriate, in accordance with its terms prior to or, as appropriate, as soon as reasonably practicable following the giving of such Loss Absorption Event Notice.

8.3 Reinstatement of principal amount

If both a positive Net Income and a positive Consolidated Net Income are recorded at any time while the Prevailing Principal Amount of the Additional Tier 1 Notes is less than their Initial Principal Amount, the Issuer may, at its full discretion and subject to the Maximum Distributable Amount (if any) (when the amount of the Write-Up is aggregated together with other distributions of the Issuer or the UniCredit Group, as applicable, of the kind referred to in Article 141(2) of the CRD IV Directive and, if relevant, in any other similar payment restriction provision(s) under the Relevant Regulations (or, if different, any provision of Italian law implementing Article 141(2) of the CRD IV Directive or, if relevant, such other provision(s))) not being exceeded thereby, increase the Prevailing Principal Amount of each Additional Tier 1 Note (a **Write-Up**) up to a maximum of the Initial Principal Amount, on a *pro rata* basis with the other Additional Tier 1 Notes and with any Written-Down Additional Tier 1 Instruments that have terms permitting a principal write-up to occur on a basis similar to that set out in this Condition 8.3 in the circumstances existing on the date of the relevant Write-Up (based on their Initial Principal Amounts), provided that the sum of:

- (i) the aggregate amount of the relevant Write-Up on all the Additional Tier 1 Notes (aggregated with the aggregate amounts of any other Write-Ups out of the same Relevant Net Income);
 - (ii) the aggregate amount of any interest payments on the Additional Tier 1 Notes that were paid on the basis of a Prevailing Principal Amount lower than the Initial Principal Amount at any time after the end of the previous financial year,
 - (iii) the aggregate amount of the increase in principal amount of each such Written-Down Additional Tier 1 Instrument at the time of the relevant Write-Up; and
 - (iv) the aggregate amount of any interest payments on each such Written-Down Additional Tier 1 Instrument that were calculated or paid on the basis of a prevailing principal amount that is
-

lower than the principal amount it was issued with at any time after the end of the previous financial year,

does not exceed the Maximum Write-Up Amount.

The **Maximum Write-Up Amount** means:

- (a) if the Relevant Net Income for the relevant Write-Up is equal to the Consolidated Net Income, the Consolidated Net Income multiplied by the sum of the aggregate Initial Principal Amount of the Additional Tier 1 Notes and the aggregate initial principal amount of all Written-Down Additional Tier 1 Instruments of the UniCredit Group, and divided by the total Tier 1 Capital of the UniCredit Group as at the date of the relevant Write-Up; or
- (b) if the Relevant Net Income for the relevant Write-Up is equal to the Net Income, the Net Income multiplied by the sum of the aggregate Initial Principal Amount of the Additional Tier 1 Notes and the aggregate initial principal amount of all Written-Down Additional Tier 1 Instruments of the Issuer, and divided by the total Tier 1 Capital of the Issuer as at the date of the relevant Write-Up.

The Issuer will not reinstate the principal amount of any Written-Down Additional Tier 1 Instruments of the Issuer that have terms permitting a principal write-up to occur on a similar basis to that set out in this Condition 8.3 unless it does so on a *pro rata* basis with a Write-Up on the Additional Tier 1 Notes.

A Write-Up may be made on one or more occasions in accordance with this Condition 8.3 until the Prevailing Principal Amount of the Additional Tier 1 Notes has been reinstated to the Initial Principal Amount. No Write-Up shall be operated (i) whilst a Contingency Event has occurred and is continuing, or (ii) where any such Write-Up (together with the write-up of all other Written-Down Additional Tier 1 Instruments) would cause a Contingency Event to occur.

Any decision by the Issuer to effect or not to effect any Write-Up pursuant to this Condition 8.3 on any occasion shall not preclude it from effecting or not effecting any Write-Up on any other occasion pursuant to this Condition 8.3.

If the Issuer decides to Write-Up the Additional Tier 1 Notes pursuant to this Condition 8.3, it shall deliver a notice (a **Write-Up Notice**) specifying the amount of any Write-Up (as a percentage of the Initial Principal Amount of an Additional Tier 1 Note resulting in a *pro rata* increase in the Prevailing Principal Amount of each Additional Tier 1 Note) and the date on which such Write-Up shall take effect shall be given to Noteholders in accordance with Condition 17 (*Notices*) and to the Principal Paying Agent. Such Write-Up Notice shall be given at least ten Business Days prior to the date on which the relevant Write-Up becomes effective.

9.2 Payments Subject to Fiscal and Other Laws

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 11, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

9.3 Presentation of definitive Bearer Notes, Receipts and Coupons

Payments of principal in respect of definitive Bearer Notes will (subject as provided below) be made in the manner provided in Condition 9.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Bearer Notes, and payments of interest in respect of definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. The rights and powers of the Noteholders may only be exercised in accordance with the relevant provisions for meeting of Noteholders attached to the Agency Agreement for the Italian Law Notes (the **Provisions for Meeting of Noteholders**) which are deemed to form part of these Conditions. Nothing contained in this Condition shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

20.3 Waiver of trial by jury

Without prejudice to Condition 20.2, each party waives any right it may have to a jury trial of any claim or cause of action in connection with the Agency Agreement for the Italian Law Notes, the Notes, the Receipts and the Coupons. These Conditions may be filed as a written consent to a bench trial.

20.4 Non-exclusivity

The submission to the jurisdiction of the courts of Milan shall not (and shall not be construed so as to) limit the right of any Noteholder, Receiptholder or Couponholder to take Proceedings in any other court of competent jurisdiction, nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

21. CONTRACTUAL RECOGNITION OF STATUTORY BAIL-IN POWERS

By the acquisition of the Notes, each Noteholder acknowledges and agrees to be bound by the exercise of any Bail-in Power by the Relevant Resolution Authority that may result in the write-down or cancellation of all or a portion of the principal amount of, or distributions on, the Notes and/or the conversion of all or a portion of the principal amount of, or distributions on, the Notes into ordinary shares or other obligations of the Issuer or another person, including by means of a variation to the terms of the Notes to give effect to the exercise by the Relevant Resolution Authority of such Bail-in Power. Each Noteholder further agrees that the rights of the Noteholders are subject to, and will be varied if necessary so as to give effect to, the exercise of any Bail-in Power by the Relevant Resolution Authority.

For the avoidance of doubt, the potential write-down or cancellation of all or a portion of the principal amount of, or distributions on, the Additional Tier 1 Notes or the conversion of the Additional Tier 1 Notes into Ordinary Shares or other obligations in connection with the exercise of any Bail-in Power by the Competent Authority is separate and distinct from a Write-Down following a Contingency Event although these events may occur consecutively.

Upon the Issuer being informed or notified by the Relevant Resolution Authority of the actual exercise of the date from which the Bail-in Power is effective with respect to the Notes, the Issuer shall notify the Noteholders without delay. Any delay or failure by the Issuer to give notice shall not affect the validity and enforceability of the Bail-in Power nor the effects on the Notes described in this Condition 21.

The exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Notes shall not constitute an Event of Default and the terms and conditions of the Notes shall continue to apply in relation to the residual principal amount of, or outstanding amount payable with respect to, the Notes subject to any modification of the amount of distributions payable to reflect the reduction of the principal amount, and any further modification of the terms that the Relevant Resolution Authority may decide in accordance with applicable laws and regulations relating to the resolution of credit institutions, investment firms and/or Group Entities incorporated in the relevant Member State.

Each Noteholder also acknowledges and agrees that this provision is exhaustive on the matters described herein to the exclusion of any other agreements, arrangements or understandings relating to the application of any Bail-in Power to the Notes.
