28. MiFID II product governance / Retail investors, professional investors and ECPs target market:

Directive 2014/65/EU (as amended, “MiFID II”) product governance / Retail investors, professional investors and ECPs target market – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

For the purposes of this Term 28, “manufacturer” means the Dealer.

IBRD does not fall under the scope of application of MiFID II. Consequently, IBRD does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of MiFID II.

No. Whilst the designation is specified as “no” at the date of these Final Terms, should the Eurosystem eligibility criteria be amended in the future such that the Notes are capable of meeting them the Notes may then be deposited with one of the ICSDs as common safekeeper and registered in the name of a nominee of one of the ICSDs acting as common safekeeper. Note that this does not necessarily mean that the Notes will then be recognized as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem at any time during their life. Such recognition will depend upon the ECB being satisfied that Eurosystem eligibility criteria have been met.

GENERAL INFORMATION

IBRD's most recent Information Statement was issued on 22 September 2021.

SPECIAL ACCOUNT

An amount equal to the net proceeds of the issue of the Notes will be credited to a special account that will support IBRD's lending for Eligible Projects. So long as the Notes are outstanding and the special account has a positive balance, periodically and at least at the end of every fiscal quarter, funds will be deducted from the special account and added to IBRD's lending pool in an amount equal to all disbursements from that pool made during such quarter in respect of Eligible Projects.

The above examples of Mitigation Projects and Adaptation Projects are for illustrative purposes only and no assurance can be provided that disbursements for projects with these specific characteristics will be made by IBRD during the term of the Notes. Payment of principal and interest, if any, on the Notes will be made from IBRD's general funds and will not be directly linked to the performance of any Eligible Projects.
