Any

person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

For the purposes of this Term 28, “**manufacturer**” means the Dealer.

IBRD does not fall under the scope of application of MiFID II. Consequently, IBRD does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of MiFID II.

29. UK MiFIR product governance / Professional investors and ECPs target market:

Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“UK MiFIR”) product governance / Professional investors and ECPs only target market – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties (as defined in the United Kingdom Financial Conduct Authority (the “**FCA**”) Handbook Conduct of Business Sourcebook (“**COBS**”)), and professional clients (as defined in UK MiFIR); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, each distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

For the purposes of this Term 29, “**manufacturer**” means the Dealer.

IBRD does not fall under the scope of application of UK MiFIR. Consequently, IBRD does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of UK MiFIR.

be amended in the future such that the Notes are capable of meeting them the Notes may then be deposited with one of the ICSDs as common safekeeper and registered in the name of a nominee of one of the ICSDs acting as common safekeeper. Note that this does not necessarily mean that the Notes will then be recognized as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem at any time during their life. Such recognition will depend upon the ECB being satisfied that Eurosystem eligibility criteria have been met.

GENERAL INFORMATION

IBRD's most recent Information Statement was issued on 22 September 2021.

SPECIAL ACCOUNT

An amount equal to the net proceeds of the issue of the Notes will be credited to a special account that will support IBRD's lending for Eligible Projects. So long as the Notes are outstanding and the special account has a positive balance, periodically and at least at the end of every fiscal quarter, funds will be deducted from the special account and added to IBRD's lending pool in an amount equal to all disbursements from that pool made during such quarter in respect of Eligible Projects.

ELIGIBLE PROJECTS

"Eligible Projects" means all projects funded, in whole or in part, by IBRD that promote the transition to low-carbon and climate resilient growth in the recipient country, as determined by IBRD. Eligible Projects may include projects that target (a) mitigation of climate change including investments in low-carbon and clean technology programs, such as energy efficiency and renewable energy programs and projects ("Mitigation Projects"), or (b) adaptation to climate change, including investments in climate-resilient growth ("Adaptation Projects").

Examples of Mitigation Projects include, without limitation:

- Rehabilitation of power plants and transmission facilities to reduce greenhouse gas emissions
- Solar and wind installations
- Funding for new technologies that permit significant reductions in GHG emissions
- Greater efficiency in transportation, including fuel switching and mass transport
- Waste management (methane emission) and construction of energy-efficient buildings
- Carbon reduction through reforestation and avoided deforestation

Examples of Adaptation Projects include, without limitation:

- Protection against flooding (including reforestation and watershed management)
- Food security improvement and stress-resilient agricultural systems which slow down deforestation
- Sustainable forest management and avoided deforestation

The above examples of Mitigation Projects and Adaptation Projects are for illustrative purposes only and no assurance can be provided that disbursements for projects with these specific characteristics will be made by IBRD during the term of the Notes. Payment of principal and interest, if any, on the Notes will be made from IBRD's general funds and will not be directly linked to the performance of any Eligible Projects.

LISTING APPLICATION
