MiFID II product governance / Professional investors and ECPs only target market – solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, MiFID II); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

UK MiFIR product governance / Professional investors and ECPs only target market – solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (**COBS**), and professional clients, as defined in Regulation (EU) No. 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (**UK MiFIR**); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

2. RATINGS

- | | |
|----------|---|
| Ratings: | The Notes to be issued are expected to be rated:

Standard & Poor's Global Ratings Europe Limited (S&P): BBB+

Moody's Investor Service Limited (Moody's): Baa1

Fitch Ratings Limited (Fitch): A- |
|----------|---|

According to S&P's ratings definitions available at https://www.standardandpoors.com/en_US/web/guest/article/-/view/sourceId/504352, a rating by S&P of "BBB" indicates adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor's capacity to meet its financial commitments on the obligation. The addition of a plus (+) or minus (-) sign to a rating is to show relative standing within the relevant rating category.

According to Moody's ratings definitions available at https://www.moodys.com/sites/products/productattachments/ap075378_1_1408_ki.pdf, a rating by Moody's of "Baa" indicates moderate credit risk. Such obligations are considered medium-grade and as such may possess speculative characteristics. Moody's appends numerical modifiers 1, 2, and 3 to each generic rating classification from "Aa" through "Caa". The modifier "1" indicates that the obligation ranks in the higher end of its generic rating category.

According to Fitch's ratings definitions available at <https://www.fitchratings.com/research/fund-asset-managers/rating-definitions-11-06-2020>, a rating by Fitch of "A" indicates expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The modifiers "+" or "-" may be appended to a rating to denote relative status within major rating categories.

S&P is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended, the **CRA Regulation**). As such, S&P is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with the CRA Regulation (<http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>).

Each of Moody's and Fitch is not established in the European Union and has not applied for registration under the CRA Regulation. The ratings issued by Moody's and Fitch are expected to be endorsed by Moody's Deutschland GmbH and Fitch Ratings Ireland Limited respectively in accordance with the CRA Regulation. Each of Moody's Deutschland GmbH and Fitch Ratings Ireland Limited is established in the European Union and registered under the CRA Regulation. As such each of Moody's Deutschland GmbH and Fitch Ratings Ireland Limited is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with the CRA Regulation (<http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>).
