**(Harsewinkel, Federal Republic of Germany)**  
*(established under German law as a Limited Partnership limited by shares)*

**€ 80,000,000 Subordinated Perpetual Securities**

Issue Price: €79.946.000 = 99,9325 %

The € 80,000,000 subordinated perpetual securities (the "**Securities**") have been issued by Class Kommanditgesellschaft auf Aktien mit beschränkter Haftung (the "**Issuer**" or the "**Company**") on October 8, 2004 (the "**Issue Date**") in denominations of € 50,000 each (the "**Issue**"). The Securities bear interest from and including the Issue Date to but excluding October 8, 2014, at a rate of 7.62% per annum on the nominal amount of the Securities, payable annually in arrears on October 8 of each year, commencing on October 8, 2005 (each a "**Fixed Remuneration Payment Date**"). Thereafter, unless previously redeemed, the Securities bear interest at a rate of 5.50% per annum above the Euro inter-bank offered rate for three-months' deposit in Euro (EURIBOR) on the nominal amount of the Securities, all as described in more detail herein. Payments of interest may be deferred by the Issuer as described in "THE SECURITIES - § 4 (3) (*Remuneration – Remuneration Deferral*)".

The Securities have no final maturity date and will not be redeemed except if the Issuer, at its sole discretion, calls and redeems the Securities (in whole but not in part) at their Redemption Amount effective October 8, 2014, or as of any Floating Payment Date thereafter. The Issuer may also call and redeem the Securities at their Early Redemption Amount if a Tax Event or an Accounting Event occurs at any time prior to October 8, 2014, all as described in more detail herein.

The obligations of the Issuer under the Securities constitute unsecured obligations of the Issuer which are subordinated in accordance with their terms and which rank *pari passu* among themselves. In the event of liquidation, dissolution, insolvency, composition or other proceedings for the avoidance of insolvency of the Issuer, claims against the Issuer under the security shall rank at least *pari passu* with all present and future unsecured liabilities and obligations of the Issuer which are subordinated pursuant to an agreement between the respective creditor and the Issuer. They rank in priority to the claims of any shareholders against the Issuer, to the extent that such claims, at the time of their creation, constitute equity-replacing loans or equivalent claims of a shareholder.

**Given the complexity of the terms and conditions, an investment in the Securities is suitable only for experienced investors who understand and are in a position to evaluate the risks inherent therein.**

***See "Risk Factors" for a discussion of certain factors that should be considered by prospective investors.***

The Securities are initially represented by a temporary global security (the "**Temporary Global Security**") without coupons. The Temporary Global Security and the Permanent Global Security shall each be signed manually by two authorized signatories of the Issuer and shall each be authenticated by or on behalf of the Principal Paying Agent. Definitive Securities and interest coupons shall not be issued. The Global Securities will be kept in custody by or on behalf of the clearing system until all obligations of the Issuer under the Securities have been satisfied.

The Issuer does not publish interim financial statements.

## **RISK FACTORS**

*Before making an investment decision with respect to the Securities, you should carefully consider the risks relating to the Securities described below, in addition to the other information in this Listing Prospectus. The following is a summary of certain risk factors and is not exhaustive. Prospective investors should consider all of the information provided in this Listing Prospectus or documents incorporated by reference into this Listing Prospectus and consult with their own professional advisors if they consider it necessary.*

### ***Payments of Remuneration on the Securities are in the Discretion of the Issuer***

The Issuer has the option to defer any payment of Remuneration on the Securities in its sole discretion. The payment of Remuneration only becomes compulsory for the Issuer if (i) a dividend, other distribution or other payment was resolved in respect of any class of shares of the Issuer at the last Annual General Meeting or any subsequent general meeting (*Hauptversammlung*) directly preceding the Payment Date for such Remuneration, (ii) the Issuer has declared or made any payment of interest, remuneration or distribution on a Parity Security or a Junior Security since the preceding Payment Date; (iii) the Issuer has declared a distribution to its unlimited partner (*Komplementär*) since the preceding Payment Date, (iv) the Issuer has repurchased Parity Securities or Junior Securities since the preceding Payment Date, or (v) an order is made for the winding-up, or dissolution or liquidation of the Issuer. If the payment of remuneration becomes compulsory in accordance with these provisions, all payments or remuneration previously deferred by the Issuer will also become due for payment.

### ***The Securities will participate in Annual Net Losses of the Issuer***

The Terms and Conditions provide that the Nominal Amount of the Securities is written down in case of an annual net loss (*Jahresfehlbetrag*) for a given financial year which would be recorded in the consolidated financial statements of the Issuer after prior allocation of such losses to the capital and earning reserves, the stated share capital and the capital contribution of the limited partners (*Kommanditisten*). If there has been a reduction of the Nominal Amount of the Securities at the time the Securities become due for repayment and such repayment is not based on a termination by the Issuer according to the Terms and Conditions the repayment amount of the Securities will be lower than the Nominal Amount of the Securities. Accordingly, annual net losses of the Issuer may result in the Securityholders incurring a loss on their investment upon redemption.

### ***The Securities have no scheduled Maturity***

The Securities have an indefinite term and will generally only be redeemed if the Issuer chooses to exercise its right of redemption in accordance with the Terms and Conditions. The Securityholders should be aware that the Terms and Conditions of the Securities do not contain any express termination rights for the Securityholders.

### ***No express Events of Default***

The Securityholders should be aware that the Terms and Conditions of the Securities do not contain any express events of default.

### ***Claims under the Securities are subordinated***

The obligations of the Issuer under the Securities constitute unsecured obligations of the Issuer which are subordinated to the full prior payment of all existing and future unsubordinated indebtedness of the Issuer. Furthermore, claims against the Issuer under the Securities are subordinated to the claims of any shareholders against the Issuer unless such claims, at the time of their creation, constitute equity-replacing loans or equivalent claims of a shareholder.

Consequently, in the event of the liquidation, dissolution, insolvency, composition or other proceedings for the avoidance of insolvency of the Issuer, no amounts will be payable in respect of the Securities until the claims of all creditors and shareholders of the Issuer which rank in priority to the claims of the Securityholders pursuant to the Terms and Conditions, shall have first been satisfied in full.

Unsubordinated liabilities of the Issuer may also arise from events that are not reflected on the balance sheet of the Issuer, including, without limitation, the issuance of guarantees or the incurrence of other contingent liabilities on an unsubordinated basis. Claims made under such guarantees or such other contingent liabilities will become unsubordinated liabilities of the Issuer that in a winding-up or insolvency proceeding of the Issuer will need to be paid in full before the obligation under the Securities may be satisfied.

### ***No Restrictions on the Incurrence of additional Debt by the Issuer***

There is no restriction on the amount of debt which the Issuer may issue and which would rank senior to or *pari passu* with the Securities. Such issuance of further debt may reduce the amount recoverable by the Securityholders upon winding-up or insolvency of the Issuer or may increase the likelihood that the Issuer may elect to defer payments of Remuneration under the Securities.

### ***There has been no prior Market for the Securities***

There is currently no secondary market for the Securities. There can be no assurance that an active market in the Securities will develop. There will be no market maker or any other person obliged to maintain or develop such market in the Securities and therefore no assurance can be made that as secondary market for the Securities will develop or, if it develops, that it will continue.

that the beneficial owner or owners of the Securities is not a U.S. person (other than certain financial institutions or certain persons holding Securities through such financial institutions). Payment of interest on Securities represented by a Temporary Global Security shall be made only after delivery of such certifications. A separate certification shall be required in respect of each such payment of interest. Any such certification received on or after the 40th day after the Issue Date shall be treated as a request to exchange the Temporary Global Security pursuant to this § 2(2)(b). Any Securities delivered in exchange for the Temporary Global Security shall be delivered only outside of the United States.

- (3) **Clearing System.** The Global Securities will be kept in custody by or on behalf of the Clearing System until all obligations of the Issuer under the Securities have been satisfied.

### § 3 STATUS OF THE SECURITIES

The obligations of the Issuer under the Securities constitute unsecured obligations of the Issuer which are subordinated pursuant to this § 3 and which rank *pari passu* among themselves. In the event of the liquidation, dissolution, insolvency, composition or other proceedings for the avoidance of insolvency of the Issuer, claims against the Issuer under the Securities shall rank at least *pari passu* with all present and future unsecured liabilities and obligations of the Issuer which are subordinated pursuant to an agreement between the respective creditor and the Issuer. They rank in priority to the claims of any shareholders against the Issuer, to the extent that such claims, at the time of their creation, constitute equity-replacing loans or equivalent claims of a shareholder. In the event of the

Bescheinigungen erfolgen, wonach der oder die wirtschaftlichen Eigentümer der Wertpapiere keine U.S.-Personen sind (ausgenommen bestimmte Finanzinstitute oder bestimmte Personen, die Wertpapiere über solche Finanzinstitute halten). Solange die Wertpapiere durch die Vorläufige Globalurkunde verbrieft sind, werden Zahlungen von Zinsen auf die Wertpapiere erst nach Vorlage solcher Bescheinigungen vorgenommen. Eine gesonderte Bescheinigung ist für jede solche Zahlung von Zinsen erforderlich. Jede Bescheinigung, die am oder nach dem 40. Tag nach dem Ausgabetag eingeht, wird als ein Ersuchen behandelt werden, die Vorläufige Globalurkunde gemäß diesem § 2(2)(b) auszutauschen. Wertpapiere, die im Austausch für die Vorläufige Globalurkunde geliefert werden, dürfen nur außerhalb der Vereinigten Staaten geliefert werden.

- (3) **Clearingsystem.** Die Globalurkunden werden solange von einem oder im Namen eines Clearingsystems verwahrt, bis sämtliche Verbindlichkeiten der Emittentin aus den Wertpapieren erfüllt sind.
- (4) **Übertragbarkeit.** Den Wertpapiergläubigern stehen Miteigentumsanteile oder -rechte an den Globalurkunden zu, die nach Maßgabe des anwendbaren Rechts und der jeweils geltenden Regelwerke des Clearingsystems übertragen werden können.

### § 3 STATUS DER WERTPAPIERE

Die Wertpapiere begründen nicht besicherte und nach Maßgabe dieses § 3 nachrangige Verpflichtungen der Emittentin, die untereinander im Rang gleich stehen. Im Fall der Liquidation, der Auflösung oder der Insolvenz der Emittentin oder eines Vergleichs oder eines anderen der Abwendung der Insolvenz der Emittentin dienenden Verfahrens stehen Forderungen gegen die Emittentin aus diesen Wertpapieren mit allen bestehenden und zukünftigen nicht besicherten und aufgrund Vereinbarung zwischen Gläubiger und Emittentin nachrangigen Verbindlichkeiten und Verpflichtungen der Emittentin im Rang wenigstens gleich. Sie gehen den Forderungen der Anteilseigner gegen die Emittentin im Rang vor, soweit diese im Zeitpunkt ihrer Begründung eigenkapitalersetzende Darlehen oder

No Securityholder may set-off any claims arising under the Securities against any claims that the Issuer may have against it. The Issuer may not set-off any claims it may have against the Securityholders against any of its obligations under the Securities. No security is, or shall at any time be, provided by the Issuer or any other person to secure rights of the Securityholders under the Securities.

#### § 4 REMUNERATION

- (1) **Fixed Remuneration Period.** As consideration for making the Nominal Amount available to the Issuer, the Issuer shall be obliged to pay, from and including the Issue Date to but excluding 8 October 2014, remuneration as follows:
- (a) The Securities bear interest at the rate of 7.62 % per annum on the Nominal Amount and, subject to the payment deferral provisions contained in § 4(3), such remuneration shall be payable annually in arrears on 8 October of each year, commencing on 8 October 2005 (each a *Fixed Remuneration Payment Date*).
- (b) If remuneration is to be calculated for a fixed remuneration period of less than one year, it shall be calculated on the basis of the actual number of days elapsed, divided by the actual number of days (365 or 366) in the relevant annual interest period.
- (2) **Floating Remuneration Period.** As consideration for making the Nominal Amount available to the Issuer, the Issuer shall be obliged to pay, from and including 8 October 2014 to but excluding the day of redemption of the Securities, remuneration as

Im Fall der Liquidation, der Auflösung oder der Insolvenz der Emittentin oder eines Vergleichs oder eines anderen der Abwendung der Insolvenz der Emittentin dienenden Verfahrens erfolgen Zahlungen auf die Wertpapiere so lange nicht, wie die Ansprüche aller Gläubiger gegen die Emittentin, die gemäß den vorstehenden beiden Sätzen den Ansprüchen der Wertpapiergläubiger im Rang vorgehen, nicht zuerst vollständig erfüllt sind. Die Wertpapiergläubiger sind nicht berechtigt, Forderungen aus den Wertpapieren gegen mögliche Forderungen der Emittentin gegen sie aufzurechnen. Die Emittentin ist nicht berechtigt, Forderungen gegenüber Wertpapiergläubigern gegen Verpflichtungen aus den Wertpapieren aufzurechnen. Für die Rechte der Wertpapiergläubiger aus den Wertpapieren ist diesen keine Sicherheit durch die Emittentin oder durch Dritte gestellt; eine solche Sicherheit wird auch zu keinem Zeitpunkt gestellt werden.

#### § 4 VERGÜTUNG

- (1) **Fester Vergütungszeitraum.** Als Gegenleistung für die Überlassung des Nennbetrags ist die Emittentin vom Ausgabetag (einschließlich) bis zum 8. Oktober 2014 (ausschließlich) zur Zahlung folgender Vergütungen verpflichtet:
- (a) Die Wertpapiere werden mit jährlich 7,62 % auf den Nennbetrag verzinst und diese Vergütung wird, vorbehaltlich der Stundungsregelung in § 4(3), nachträglich jährlich am 8. Oktober eines jeden Jahres, erstmals am 8. Oktober 2005 fällig (jeweils ein *Festvergütungs-Zahlungstag*).
- (b) Vergütungen, die auf einen festen Vergütungszeitraum von weniger als einem Jahr zu berechnen sind, werden auf Basis der tatsächlich verstrichenen Tage, geteilt durch 365 bzw. 366 (tatsächliche Anzahl der Tage im betreffenden Zinsjahr), berechnet.
- (2) **Variabler Vergütungszeitraum.** Als Gegenleistung für die Überlassung des Nennbetrags ist die Emittentin vom 8. Oktober 2014 (einschließlich) bis zum Tag der Rückzahlung der Wertpapiere (ausschließlich) zur Zahlung folgender

follows:

- (a) Unless previously redeemed in accordance with the Terms and Conditions, the Securities shall bear interest at a rate determined by the Calculation Agent pursuant to § 4(2)(d) below, payable, subject to the payment deferral provisions contained in § 4(3), quarterly in arrears on each Floating Payment Date.
- (b) If any Floating Payment Date would otherwise fall on a day which is not a Business Day, payment of remuneration shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which case the Floating Payment Date shall be the immediately preceding Business Day.
- (c) The rate of interest for each Floating Remuneration Period (the **Rate of Remuneration**) will, except as provided below, be either:
  - (i) the offered quotation displayed (if the Screen Page ordinarily provides only one quotation); or
  - (ii) the arithmetic mean (rounded, if necessary, to the nearest one thousandth of a percentage point, with 0.0005 being rounded upwards) of the offered quotations displayed,

(expressed as a percentage rate per annum) for three-month deposits in euro (EURIBOR) for that Floating Remuneration Period which appears or appear, as the case may be, on the Screen Page as of 11:00 a.m. (Brussels time) on the Determination Date, plus the Margin, all as determined by the Calculation Agent.

If, in the case of (ii) above, five or more such offered quotations are available on the Screen Page, the highest rate (or, if there is more than one such highest rate, only one of such rates) and the lowest rate (or, if there is more than one such lowest

- (a) Vorbehaltlich einer vorzeitigen Rückzahlung gemäß diesen Bedingungen werden die Wertpapiere in Höhe des von der Berechnungsstelle gemäß § 4(2)(d) festgesetzten Vergütungssatzes verzinst, wobei diese Vergütung, vorbehaltlich der Stundungsregelung in § 4(3), vierteljährlich nachträglich an jedem Variablen Zahlungstag gezahlt werden.
- (b) Falls ein Variabler Zahlungstag auf einen Tag fallen würde, der kein Geschäftstag ist, wird die Zahlung der Vergütung auf den nächstfolgenden Geschäftstag verschoben, es sei denn, jener würde dadurch in den nächsten Kalendermonat fallen; in diesem Fall fällt der Variable Zahlungstag auf den unmittelbar vorausgehenden Geschäftstag.
- (c) Der Zinssatz für jeden Variablen Vergütungszeitraum (der **Vergütungssatz**) ist, sofern nachstehend nichts Abweichendes bestimmt wird, entweder:
  - (i) der angezeigte Angebotssatz (für den Fall, dass auf der Bildschirmseite üblicherweise nur ein Angebotssatz angezeigt wird); oder
  - (ii) das arithmetische Mittel der angezeigten Angebotssätze (falls erforderlich, auf das nächste eintausendstel Prozent auf- oder abgerundet, wobei 0,0005 aufgerundet wird),

(ausgedrückt als Prozentsatz per annum) für Dreimonats-Einlagen in Euro (EURIBOR) für den jeweiligen Variablen Vergütungszeitraum, der bzw. die auf der Bildschirmseite am Festlegungstag um 11:00 Uhr (Brüsseler Ortszeit) angezeigt wird bzw. werden, zuzüglich der Marge, wobei alle Festlegungen durch die Berechnungsstelle erfolgen.

Wenn im vorstehenden Fall (ii) auf der Bildschirmseite fünf oder mehr Angebotssätze angezeigt werden, werden der höchste (oder, falls mehr als ein solcher Höchstsatz angezeigt wird, nur einer dieser Sätze) und der niedrigste Ange-

rate, only one of such rates) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations and this rule shall apply throughout this § 4(2)(c) accordingly.

If the Screen Page is not available or if, in the case of (i) above, no such quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case and at such time, the Calculation Agent shall request five Reference Banks selected by it to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for three-month deposits in euro for the relevant Floating Remuneration Period to leading banks in the interbank market of the participating Member States in the third stage of the Economic and Monetary Union, as contemplated by the Treaty on European Union. The relevant offered quotations shall be those offered at approximately 11:00 a.m. (Brussels time) on the Determination Date. As long as two or more of the selected Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Remuneration for such Floating Remuneration Period shall be the arithmetic mean of such offered quotations (rounded if necessary to the nearest one thousandth of a percentage point, with 0.0005 being rounded upwards), plus the Margin.

If the Rate of Remuneration cannot be determined in accordance with the foregoing provisions, the Rate of Remuneration shall be the offered quotation or the arithmetic mean of the offered quotations on the Screen Page, as described above, on the last day preceding the Determination Date on which such quotation or, as the case may be, quotations were offered, plus the Margin.

**Reference Banks** means those banks whose offered rates were used to determine such quotation when such quotation last appeared on the Screen

botssatz (oder, falls mehr als ein solcher niedrigstwert angezeigt wird, nur einer dieser Sätze) von der Berechnungsstelle für die Bestimmung des arithmetischen Mittels der Angebotssätze (das wie vorstehend beschrieben auf- oder abgerundet wird) außer Acht gelassen; diese Bestimmung gilt entsprechend für diesen gesamten § 4(2)(c).

Sollte die Bildschirmseite nicht zur Verfügung stehen, oder wird im vorstehenden Fall (i) kein Angebotssatz angezeigt, oder werden im vorstehenden Fall (ii) weniger als drei Angebotssätze angezeigt (in jedem dieser Fälle zu der genannten Zeit), wird die Berechnungsstelle von fünf von ihr ausgewählten Referenzbanken deren jeweilige Angebotssätze (jeweils als Prozentsatz per annum ausgedrückt) für Dreimonats-Einlagen in Euro für den betreffenden Variablen Vergütungszeitraum gegenüber führenden Banken im Interbanken-Markt in den Teilnehmerstaaten der dritten Stufe der Wirtschafts- und Währungsunion im Sinne des Vertrages über die Europäische Union anfordern. Maßgeblich sind die Sätze um ca. 11:00 Uhr (Brüsseler Ortszeit) am Festlegungstag. Sofern zwei oder mehr der ausgewählten Referenzbanken der Berechnungsstelle solche Angebotssätze nennen, ist der Vergütungssatz für den betreffenden Variablen Vergütungszeitraum das arithmetische Mittel dieser Angebotssätze (falls erforderlich, auf- oder abgerundet auf das nächste ein tausendstel Prozent, wobei 0,0005 aufgerundet wird), zuzüglich der Marge.

Für den Fall, dass der Vergütungssatz nicht gemäß den vorstehenden Bestimmungen ermittelt werden kann, ist der Vergütungssatz der Angebotssatz oder das arithmetische Mittel der Angebotssätze auf der Bildschirmseite, wie vorstehend beschrieben, an dem letzten Tag vor dem Festlegungstag, an dem ein solcher Angebotssatz bzw. solche Angebotssätze angezeigt wurde(n) zuzüglich der Marge.

**Referenzbanken** sind diejenigen Banken, deren Angebotssätze zur Ermittlung des angezeigten Angebotssatzes zu dem Zeitpunkt benutzt wurden, als solch ein Angebot letztmals auf der

Page.

- (d) The Calculation Agent shall, on or as soon as practicable after each Determination Date, determine the Rate of Remuneration and calculate the amount of remuneration (the **Remuneration Amount**) payable on the aggregate nominal amount of the Securities for the relevant Floating Remuneration Period. Each Remuneration Amount shall be calculated by multiplying the Rate of Remuneration with the Day Count Fraction and the aggregate nominal amount of the Securities and rounding the resulting figure to the nearest Eurocent, with 0.5 or more of a Eurocent being rounded upwards.

**Day Count Fraction** means, in respect of the calculation of an amount of remuneration on each Security for any Floating Remuneration Period or part thereof (the **Calculation Period**), the actual number of days in the Calculation Period divided by 360.

- (e) The Calculation Agent will cause the Rate of Remuneration, each Remuneration Amount for each Floating Remuneration Period, each Floating Remuneration Period and the relevant Floating Payment Date to be notified to the Issuer and, if required by the rules of any stock exchange on which the Securities are listed from time to time, to such stock exchange, and to the Securityholders in accordance with § 12 without undue delay, but, in any case, not later than on the fourth Business Day after their determination.
- (f) All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of these Terms and Conditions by the Calculation Agent shall (in the absence of wilful default or manifest error) be binding upon the Issuer and the Securityholders.
- (3) **Remuneration Deferral.** Remuneration which accrues during a period ending on (but excluding) an Optional Payment Date shall be payable on that Optional Payment Date only if

- (d) Die Berechnungsstelle wird zu oder baldmöglichst nach jedem Festlegungstag den Vergütungssatz bestimmen und den auf den Gesamtnennbetrag der Wertpapiere zahlbaren Vergütungsbetrag (der **Vergütungsbetrag**) für den entsprechenden Variablen Vergütungszeitraum berechnen. Der Vergütungsbetrag ergibt sich aus der Multiplikation des Vergütungssatzes mit dem Zinstagequotienten und dem Gesamtnennbetrag der Wertpapiere, wobei der daraus resultierende Betrag auf den nächsten Eurocent auf- oder abgerundet wird, und 0,5 oder mehr eines Eurocents aufgerundet werden.

**Zinstagequotient** bezeichnet im Hinblick auf die Berechnung des Vergütungsbetrages auf jedes Wertpapier für einen Variablen Vergütungszeitraum oder einen Teil davon (der **Vergütungsberechnungszeitraum**) die tatsächliche Anzahl von Tagen im Vergütungsberechnungszeitraum dividiert durch 360.

- (e) Die Berechnungsstelle wird veranlassen, dass der Vergütungssatz, der Vergütungsbetrag für den jeweiligen Variablen Vergütungszeitraum, jeder Variable Vergütungszeitraum und der betreffende Variable Zahlungstag der Emittentin und jeder Börse, an der die Wertpapiere zu diesem Zeitpunkt notiert sind und deren Regeln eine Mitteilung an die Börse verlangen, sowie den Wertpapiergläubigern gemäß § 12 unverzüglich, aber keinesfalls später als am vierten auf die Festlegung folgenden Geschäftstag mitgeteilt werden.
- (f) Sämtliche Bescheinigungen, Mitteilungen, Gutachten, Festsetzungen, Berechnungen, Quotierungen und Entscheidungen, die von der Berechnungsstelle für die Zwecke dieser Bedingungen gemacht, abgegeben, getroffen oder eingeholt werden, sind (sofern nicht vorsätzliches Fehlverhalten oder ein offensichtlicher Irrtum vorliegt) für die Emittentin und die Wertpapiergläubiger bindend.

- (3) **Stundung von Vergütung.** Vergütungen, die während eines Zeitraumes auflaufen, der an einem Fakultativen Zahlungstag (ausschließlich) endet, sind nur dann an diesem

If the Issuer decides to pay remuneration (in whole or in part) on an Optional Payment Date, it shall also be obliged to pay all Arrears of Remuneration on such Optional Payment Date. The Issuer shall not have any obligation to pay remuneration on any Optional Payment Date if it does not elect to do so and any such failure to pay remuneration shall not constitute a default of the Issuer. If the Issuer decides not to pay the full amount of remuneration on an Optional Payment Date, the Issuer shall notify the Securityholders in accordance with § 12 not less than 10 and not more than 15 Business Days prior to such Optional Payment Date. The Issuer may pay outstanding Arrears of Remuneration (in whole or in part) at any time on the giving of not less than 10 and not more than 15 Business Days' notice to the Securityholders in accordance with § 12 (which notice will be irrevocable and will oblige the Issuer to pay the relevant Arrears of Remuneration on the payment date specified in such notice).

The Issuer will be obliged to pay outstanding Arrears of Remuneration (in whole but not in part) on the earlier of:

- (ii) the date on which the Issuer declares or makes any payment of interest, remuneration or other distribution on a Junior Security or a Parity Security;

Falls sich die Emittentin dafür entscheidet, an einem Fakultativen Zahlungstag Vergütungszahlungen ganz oder teilweise zu leisten, ist sie verpflichtet, an diesem Fakultativen Zahlungstag auch sämtliche Vergütungsrückstände zu zahlen. Die Emittentin ist nicht verpflichtet, an einem Fakultativen Zahlungstag Vergütungen zu zahlen, wenn sie sich gegen eine solche Zahlung entschieden hat; eine Nichtzahlung aus diesem Grunde begründet keinen Verzug der Emittentin. Soweit sich die Emittentin entscheidet, an einem Fakultativen Zahlungstag nicht den gesamten Vergütungsbetrag zu zahlen, hat sie dies den Wertpapiergläubigern gemäß § 12 unter Einhaltung einer Frist von mindestens 10 und höchstens 15 Geschäftstagen vor diesem Fakultativen Zahlungstag bekannt zu machen. Die Emittentin kann ausstehende Vergütungsrückstände jederzeit ganz oder teilweise nach Benachrichtigung der Wertpapiergläubiger gemäß § 12 unter Einhaltung einer Frist von nicht weniger als 10 und nicht mehr als 15 Geschäftstagen zahlen (wobei eine solche Mitteilung unwiderruflich ist und die Emittentin verpflichtet ist, die jeweiligen Vergütungsrückstände an dem in dieser Mitteilung genannten Zahlungstag zu zahlen).

Die Emittentin ist verpflichtet, ausstehende Vergütungsrückstände (vollständig, jedoch nicht teilweise) an dem zuerst eintretenden der folgenden Tage zu zahlen:

- (i) dem Tag, an dem die Jahreshauptversammlung oder eine andere Hauptversammlung der Emittentin für eine Aktiengattung der Emittentin eine Dividende, bzw. eine andere Ausschüttung oder Zahlung beschließt;

- (iv) the date on which the Issuer repurchases or otherwise acquires, or causes another Group Entity to repurchase or otherwise acquire, any Parity Security or Junior Security against consideration therefore;
- (v) the date on which an order is made for the winding-up, or dissolution or liquidation of the Issuer (other than for the purposes of or pursuant to an amalgamation, reorganisation or restructuring while solvent, where the continuing entity assumes substantially all of the assets and obligations of the Issuer); and
- (vi) the date on which the Securities are due for redemption in accordance with § 5.

Arrears of Remuneration shall not bear interest.

Remuneration which accrues during a period ending on (but excluding) a Compulsory Payment Date shall be payable on that Compulsory Payment Date.

**Compulsory Payment Date** means any Payment Date in respect of which any one of the following criteria is met:

- (i) a dividend, other distribution or other payment was resolved on in respect of any class of shares of the Issuer at the last Annual General Meeting or any subsequent general meeting (*Hauptversammlung*) directly preceding such Payment Date;

- (v) dem Tag, an dem eine Verfügung zur Auflösung, Abwicklung oder Liquidation der Emittentin ergeht (sofern dies nicht für die Zwecke oder als Folge eines Zusammenschlusses, einer Umstrukturierung oder Sanierung geschieht, bei dem bzw. der die Emittentin noch zahlungsfähig ist und bei dem bzw. der die fortführende Gesellschaft im Wesentlichen alle Vermögenswerte und Verpflichtungen der Emittentin übernimmt); sowie
- (vi) dem Tag, an dem die Wertpapiere gemäß § 5 zur Rückzahlung fällig werden.

Vergütungsrückstände werden nicht verzinst.

Vergütungen, die während eines Zeitraumes auflaufen, der an einem Obligatorischen Zahlungstag (ausschließlich) endet, sind an diesem Obligatorischen Zahlungstag zahlbar.

**Obligatorischer Zahlungstag** bezeichnet jeden Zahlungstag, an dem wenigstens eines der nachfolgend aufgeführten Kriterien erfüllt ist:

- (i) auf der letzten Jahreshauptversammlung oder einer danach abgehaltenen Hauptversammlung, die diesem Zahlungstag unmittelbar vorausging, wurde für eine Aktiengattung der Emittentin eine Dividende, bzw. eine andere Ausschüttung oder Zahlung beschlossen;
- (ii) die Emittentin hat seit dem letzten Zahlungstag Zinsen, Vergütungen oder eine andere Zahlung auf ein Nachrangiges Wertpapier oder ein

*Optional Payment Date* means any Payment Date which is not a Compulsory Payment Date.

- (4) **Cessation of Remuneration Payments.** The Securities shall cease to bear interest from the beginning of the day on which they become due for redemption. If the Issuer shall fail to redeem the Securities when due, the obligation to pay remuneration shall continue to accrue at the then applicable rate on the outstanding nominal amount of the Securities beyond the due date until (and excluding) the day of actual redemption of the Securities.

## § 5

### REDEMPTION AND PURCHASE

- (1) **No Scheduled Maturity.** The Securities have no final maturity date and shall not be redeemed except in accordance with the provisions set out in this § 5 or in the event of the Issuer's liquidation or insolvency.
- (2) **Issuer Call Right and Early Redemption due to Tax Event or Accounting Event.** If prior to 8 October 2014 either a Tax Event or an Accounting Event occurs, the Issuer may, at its sole discretion, call and redeem the Securities (in whole but not in part) at their Early Redemption Amount at any time on the giving of not less than 30 and not more than 60 days' irrevocable notice to the Securityholders in accordance with § 12.

In the case of a Gross-up Event:

Gleichrangiges Wertpapier beschlossen oder geleistet;

- (iii) die Emittentin hat seit dem letzten Zahlungstag eine Komplementär-Ausschüttung beschlossen oder geleistet;
- (iv) die Emittentin hat seit dem letzten Zahlungstag Gleichrangige Wertpapiere oder Nachrangige Wertpapiere gegen Gewährung einer Gegenleistung zurückgekauft oder sonst wie erworben oder eine Konzerngesellschaft veranlasst, dies zu tun.

*Fakultativer Zahlungstag* bezeichnet jeden Zahlungstag, der kein Obligatorischer Zahlungstag ist.

- (4) **Ende des Zinslaufs.** Der Zinslauf der Wertpapiere endet mit Beginn des Tages, an dem sie zur Rückzahlung fällig werden. Sollte die Emittentin die Wertpapiere bei Fälligkeit nicht einlösen, endet die Verpflichtung zur Zahlung von Vergütungen auf den ausstehenden Nennbetrag der Wertpapiere zu dem dann maßgeblichen Vergütungssatz nicht am Fälligkeitstag, sondern erst mit dem Tag der tatsächlichen Rückzahlung der Wertpapiere (ausschließlich).

## § 5

### RÜCKZAHLUNG UND RÜCKKAUF

- (1) **Keine Endfälligkeit.** Die Wertpapiere haben keinen Endfälligkeitstag und werden nicht zurückgezahlt, außer nach Maßgabe dieses § 5 oder im Fall der Liquidation oder Insolvenz der Emittentin.
- (2) **Kündigungsrecht der Emittentin und vorzeitige Rückzahlung bei Steuerereignis oder Rechnungslegungsereignis.** Bei Eintritt eines Steuerereignisses oder eines Rechnungslegungs-Ereignisses vor dem 8. Oktober 2014 ist die Emittentin nach ihrem alleinigen Ermessen berechtigt, die Wertpapiere jederzeit (insgesamt, jedoch nicht teilweise) durch eine unwiderrufliche Benachrichtigung der Wertpapiergläubiger gemäß § 12 unter Einhaltung einer Frist von nicht weniger als 30 und nicht mehr als 60 Tagen zu kündigen und zum Vorzeitigen Rückzahlungsbetrag zurückzuzahlen.

Dabei gilt für den Fall eines Gross-up-Ereignisses, dass:

- (a) no such notice of redemption may be given earlier than 90 days prior to the earliest date on which the Issuer would be for the first time obliged to pay the Additional Amounts in question on payments due in respect of the Securities; and
- (b) prior to the giving of any such notice of redemption, the Issuer will deliver or procure that there is delivered to the Principal Paying Agent:
  - (i) a certificate signed by any two duly authorized representatives of the Issuer stating that the Issuer is entitled to effect such redemption and setting out a statement of facts showing that the conditions precedent to the exercise of the right of the Issuer to redeem have been satisfied; and
  - (ii) an opinion of an independent legal adviser of recognised standing to the effect that the Issuer has or will become obliged to pay the Additional Amounts in question as a result of a Gross-up Event.

The **Early Redemption Amount** is equal to the initial Nominal Amount of the Securities referred to in § 2 (1), plus the Marketlevel Compensation Amount, accrued remuneration until the date of redemption (exclusive) and all outstanding Arrears of Remuneration.

The **Marketlevel Compensation Amount** will be calculated by the Calculation Agent, and will equal the sum of the Present Values of the Interest Compensations.

The **Interest Compensation** will be calculated by the Calculation Agent by calculating the interest on the Nominal Amount of the Securities from (and including) the redemption date to (and excluding) 8 October 2014 using the Interest Compensation Rate.

The **Present Values** will be calculated by the Calculation Agent by discounting the Interest Compensations to 8 October 2014 on an annual basis, assuming a 365-day year or a 366-day year, as the case may be, and the actual number

- (b) die Emittentin der Hauptzahlstelle vor Abgabe einer solchen Kündigungsmitteilung folgende Dokumente übermittelt bzw. deren Übermittlung veranlasst:
  - (i) eine von zwei ordnungsgemäß bevollmächtigten Vertretern der Emittentin unterzeichnete Bescheinigung, die bestätigt, dass die Emittentin berechtigt ist, die maßgebliche Rückzahlung vorzunehmen, und aus der die Tatsachen hervorgehen, auf deren Grundlage die Voraussetzungen für das Rückzahlungsrecht der Emittentin eingetreten sind; sowie
  - (ii) ein Gutachten eines angesehenen unabhängigen Rechtsberaters, aus dem hervorgeht, dass die Emittentin verpflichtet ist oder verpflichtet sein wird, die betreffenden Zusätzlichen Beträge als Folge eines Gross-up-Ereignisses zu zahlen.

Der **Vorzeitige Rückzahlungsbetrag** entspricht dem in § 2(1) genannten ursprünglichen Nennbetrag der Wertpapiere zuzüglich des Marktzinsausgleichsbetrags sowie bis zum Rückzahlungstag (ausschließlich) aufgelaufener Vergütungen und aller ausstehenden Vergütungsrückstände.

Der **Marktzinsausgleichsbetrag** wird von der Berechnungsstelle berechnet und entspricht der Summe der Abgezinsten Werte der Marktausgleichszinsen.

Die **Marktausgleichszinsen** werden von der Berechnungsstelle berechnet, indem der Nennbetrag der Wertpapiere mit dem Marktausgleichszinssatz vom Rückzahlungstag (einschließlich) bis zum 8. Oktober 2014 (ausschließlich) verzinst wird.

Die **Abgezinsten Werte** der Marktausgleichszinsen werden von der Berechnungsstelle berechnet, indem die bis zum 8. Oktober 2014 laufenden Marktausgleichszinsen auf jährlicher Basis,

of days elapsed in such year and using the Final Reference Rate.

The *Interest Compensation Rate* will be the higher of (i) the difference amount between the Initial Reference Rate and the Final Reference Rate per annum and (ii) 0 %.

The *Initial Reference Rate* equals 4.12 % per annum.

The *Final Reference Rate* will be the Euro-Swap-Rate which appears on Bloomberg Page IYC 1:153 (or the respective successor page, the *Bloomberg Page*) as of 12:00 a.m. (London time) on the Reference Rate Determination Date for a period closest to the period between the redemption date and 8 October 2014.

If the Bloomberg Page is not available the Calculation Agent shall request five reference banks selected by it to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the relevant Euro-Swap-Rate. The relevant offered quotations shall be those offered at approximately 12:00 a.m. (London time) on the Reference Rate Determination Date. As long as two or more of the selected reference banks provide the Calculation Agent with such offered quotations, the Final Reference Rate shall be the arithmetic mean of such offered quotations (rounded if necessary to the nearest one thousandth of a percentage point, with 0.0005 being rounded upwards).

If the Final Reference Rate cannot be determined in accordance with the foregoing provisions, the Final Reference Rate shall be the offered quotation or the arithmetic mean of the offered quotations on the Bloomberg Page, as described above, on the last day preceding the Reference Rate Determination Date on which such quotation or, as the case may be, quotations were offered,

Der *Marktausgleichszinssatz* entspricht dem Differenzbetrag zwischen dem Anfangsreferenzzinssatz und dem Endreferenzzinssatz per annum, mindestens jedoch 0%.

Der *Anfangsreferenzzinssatz* beträgt 4,12 % per annum.

Der *Endreferenzzinssatz* ist der auf Bloomberg Seite IYC 1:153 (oder einer entsprechenden Nachfolgersseite, die *Bloomberg-Seite*) am Marktzensfeststellungstag um 12.00 Uhr (Londoner Ortszeit) angezeigte Euro-Swapsatz für den Zeitraum, der dem Zeitraum zwischen dem Rückzahlungstag und dem 8. Sollte die Bloomberg-Seite nicht zur Verfügung stehen, wird die Berechnungsstelle von fünf von ihr ausgewählten Referenzbanken deren jeweilige Angebotssätze (jeweils als Prozentsatz per annum ausgedrückt) für die entsprechenden Euro-Swapsatz anfordern. Maßgeblich sind die Sätze um ca. 12:00 Uhr (Londoner Ortszeit) am Marktzensfeststellungstag. Sofern zwei oder mehr der ausgewählten Referenzbanken der Berechnungsstelle solche Angebotssätze nennen, ist der Endreferenzzinssatz das arithmetische Mittel dieser Angebotssätze (falls erforderlich, auf- oder abgerundet auf das nächste ein tausendstel Prozent, wobei 0,0005 aufgerundet wird).

Für den Fall, dass der Endreferenzzinssatz nicht gemäß den vorstehenden Bestimmungen ermittelt werden kann, ist der Endreferenzzinssatz der Angebotssatz oder das arithmetische Mittel der Angebotssätze auf der Bloomberg-Seite, wie vorstehend beschrieben, an dem letzten Tag vor dem Marktzensfeststellungstag, an dem ein solcher Angebotssatz bzw. solche Angebotssätze angezeigt wurde(n).

*Marktzensfeststellungstag* ist der zehnte Geschäftstag vor dem Rückzahlungstag.

Such notice of redemption shall oblige the Issuer to redeem the Securities on 8 October 2014 or the Floating Payment Date specified in that notice at the initial Nominal Amount set forth in § 2(1), plus accrued remuneration to that date, including all outstanding Arrears of Remuneration.

- (4) **Redemption Amount.** Any redemption of the Securities other than in accordance with § 5(2) shall be made at the initial Nominal Amount of the Securities as set forth in § 2(1), plus any remuneration accrued until the redemption date (exclusive) and upon payment of all outstanding Arrears of Remuneration to the date of redemption.
- (5) **Purchase.** The Issuer or any Group Entity may at any time purchase Securities in the open market or otherwise and at any price. Such acquired Securities may be cancelled, held or resold.

#### § 6 LOSS ABSORPTION

- (1) **Sharing in Losses:** The Securities shall share in an annual net loss for a given financial year which would be recorded in the consolidated financial statements of the Issuer after prior allocation of such losses to the capital and earning reserves, the stated share capital and the capital contribution of limited partners (*Komplementäre*). For the purposes of this §6(1), Remuneration accrued hereunder shall be deducted from the Issuer's annual result recorded in the Issuer's consolidated financial statements, irrespective of the actual treatment of Remunerations under respective GAAP. In relation to Parity Securities, losses shall be allocated on a *pari passu* basis. The sharing in losses shall be effected by write-down of the Nominal Amount. Irrespective of such write-down, Remunerations shall be calculated on the basis of the initial Nominal Amount referred to

Eine solche Kündigungsmitteilung verpflichtet die Emittentin, die Wertpapiere am 8. Oktober 2014 oder an dem in dieser Kündigungsmitteilung angegebenen Variablen Zahlungstag zu dem in § 2(1) genannten ursprüngliche Nennbetrag nebst Vergütungen, die bis zu diesem Tag aufgelaufen sind, einschließlich sämtlicher ausstehender Vergütungsrückstände zurückzuzahlen.

- (4) **Rückzahlungsbetrag.** Rückzahlungen der Wertpapiere erfolgen, mit Ausnahme von Rückzahlungen gemäß § 5(2), zu dem in § 2(1) genannten ursprünglichen Nennbetrag der Wertpapiere zuzüglich sämtlicher bis zum Rückzahlungstag (ausschließlich) aufgelaufener Vergütungen und sämtlicher ausstehender Vergütungsrückstände.
- (5) **Rückkauf.** Die Emittentin oder Konzerngesellschaften können jederzeit Wertpapiere auf dem freien Markt oder anderweitig sowie zu jedem beliebigen Preis kaufen. Derartig erworbene Wertpapiere können eingezogen, gehalten oder wieder veräußert werden.

#### § 6 VERLUSTTEILNAHME

- (1) **Verlustteilnahme.** Die Wertpapiere nehmen an einem Jahresfehlbetrag für ein Geschäftsjahr teil, der in dem Konzernabschluss der Gesellschaft nach vorheriger Verrechnung mit Kapital- und Gewinnrücklagen der Gesellschaft, dem Grundkapital und mit Einlagen von Komplementären ausgewiesen würde. Dabei werden für die Zwecke dieses § 6(1) die Vergütungen der Wertpapiere zu Lasten des in einem Konzernabschluss ausgewiesenen Jahresergebnisses berücksichtigt; dies gilt unabhängig von der Erfassung der Vergütungen nach den jeweiligen Regelungen der Anwendbaren Rechnungslegungsvorschriften. Im Verhältnis zu Gleichrangigen Wertpapieren erfolgt die Verlustbeteiligung der Wertpapiere gleichrangig. Eine Verlustteilnahme führt zu einer entsprechenden Reduzierung des

**(2) Limitation of Sharing in Losses to Initial Nominal Amount.** The aggregate share of the Securities in losses shall be limited to the initial Nominal Amount (§ 2(1)).

**(3) Replenishment after Reduction.** After a sharing in losses pursuant to § 6(1), the Nominal Amount shall be replenished in each following fiscal year of the Issuer by write-up of the Nominal Amount up to its initial amount (§ 2(1)), but only if and to the extent such replenishment would not cause or increase an annual net loss to be recorded in the consolidated financial statements of the Issuer for the given fiscal year. For the purposes of this §6(3), Remuneration accrued hereunder shall be deducted from the annual result recorded in the Issuer's consolidated financial statements, irrespective of the actual treatment of Remunerations under respective GAAP. The replenishment of the Nominal Amount shall rank in priority to payments by the Issuer on Junior Securities, Profit Participation Payments to unlimited partners, allocations to profit reserves of unlimited partners and allocations to the Issuer's reserves. The Securities shall be replenished *pari passu* with the replenishment of Parity Securities in proportion to the book value of the Parity Securities and the Securities.

Nennbetrags. Unbeschadet einer solchen Reduzierung erfolgt die Berechnung von Vergütungen stets auf Grundlage des in § 2(1) genannten ursprünglichen Nennbetrags. Eine Reduzierung des Nennbetrags aufgrund dieses § 6(1) lässt die vorbehaltlich der Stundungsregelung in § 4 (3) bestehende Verpflichtung der Emittentin zur Zahlung von Vergütungen unberührt.

**(2) Begrenzung der Verlustbeteiligung auf ursprünglichen Nennbetrag.** Die Gesamtverlustbeteiligung der Wertpapiere ist auf ihren ursprünglichen Nennbetrag (§ 2(1)) beschränkt.

**(3) Wiederauffüllung des Nennbetrags nach Verlustbeteiligung.** Nach einer Verlustbeteiligung gemäß § 6(1) wird der Nennbetrag in jedem nachfolgenden Geschäftsjahr der Emittentin durch Heraufschreibung des Nennbetrags aufgefüllt bis der ursprüngliche Nennbetrag (§ 2(1)) wieder erreicht ist, soweit hierdurch im Konzernabschluss der Emittentin für das maßgebliche Geschäftsjahr kein Jahresfehlbetrag entsteht oder erhöht würde. Dabei werden für die Zwecke dieses § 6(3) die Vergütungen der Wertpapiere zu Lasten des in einem Konzernabschluss ausgewiesenen Jahresergebnisses berücksichtigt; dies gilt unabhängig von der Erfassung der Vergütungen nach den jeweiligen Regelungen der Anwendbaren Rechnungslegungsvorschriften. Die Wiederauffüllung geht Zahlungen der Emittentin auf Nachrangige Wertpapiere, Komplementär-Ausschüttungen, der Erhöhung des Einlagekontos der Komplementäre und der Bildung von Rücklagen im Rang vor. Im Verhältnis zu Gleichrangigen Wertpapieren erfolgt die Wiederauffüllung gleichrangig im Verhältnis der Buchwerte der Gleichrangigen Wertpapiere und der Wertpapiere.

**§ 7**  
**PAYMENTS**

- (1) **Payment of Principal and Remuneration.** The Issuer undertakes to pay, as and when due, principal and remuneration as well as all other amounts payable on the Securities in euro. Payment of principal and remuneration on the Securities shall be made to the Principal Paying Agent for on-payment to the Clearing System or to its order for credit to the respective account holders upon presentation and (in the case of the payment in respect of principal) surrender of the Global Security. Payments to the Clearing System or to its order shall, to the extent of amounts so paid and provided the Securities are still held on behalf of the Clearing System, constitute the discharge of the Issuer from its corresponding obligations under the Securities.
- (2) **Due Date not a Business Day.** Except as otherwise provided in § 4(2)(b), if the due date for any payment of principal and/or remuneration is not a Business Day, payment shall be effected only on the next Business Day; a Securityholder shall have no right to claim payment of any additional remuneration, interests or other indemnity in respect of such delay in payment.

**§ 8**

In such event and subject to the provisions of this paragraph (1) and the following paragraph (2), the Issuer will pay such additional amounts (*Additional Amounts*) as will result in receipt by the Securityholders of the same amounts as they would have received if no such withholding or deduction had been required, except that no additional amounts will be payable in respect of any Security:

**§ 7**  
**ZAHLUNGEN**

- (1) **Zahlung von Kapital und Vergütungen.** Die Emittentin verpflichtet sich, Kapital und Vergütungen auf die Wertpapiere sowie alle sonstigen auf die Wertpapiere zahlbaren Beträge bei Fälligkeit in Euro zu zahlen. Die Zahlung von Kapital und Vergütungen erfolgt an die Hauptzahlstelle zur Weiterleitung an das Clearingsystem oder an dessen Order zur Gutschrift für die jeweiligen Kontoinhaber gegen Vorlage und (sofern es sich um die Kapitalrückzahlung handelt) Einreichung der Globalurkunde. Die Zahlung an das Clearingsystem oder an dessen Order, vorausgesetzt, die Wertpapiere werden noch durch das Clearingsystem gehalten, befreit die Emittentin in Höhe der geleisteten Zahlung von ihren entsprechenden Verpflichtungen aus den Wertpapieren.
- (2) **Fälligkeitstag kein Geschäftstag.** Falls ein Fälligkeitstag für die Zahlung von Kapital und/oder Vergütungen kein Geschäftstag ist, erfolgt die Zahlung, außer im Fall des § 4(2)(b), erst am nächstfolgenden Geschäftstag; Wertpapiergläubiger sind nicht berechtigt, Vergütungen, Zinsen oder eine andere Entschädigung wegen eines solchen Zahlungsaufschubs zu verlangen.

**§ 8**  
**BESTEUERUNG**

- (1) Sämtliche Zahlungen von Kapital und Vergütungen in Bezug auf die Wertpapiere werden ohne Einbehalt oder Abzug von Steuern, Abgaben, Festsetzungen oder behördlicher Gebühren jedweder Art geleistet, die von der Bundesrepublik Deutschland oder einer ihrer Gebietskörperschaften oder Behörden mit der Befugnis zur Erhebung von Steuern auferlegt, erhoben, eingezogen, einbehalten oder festgesetzt werden, es sei denn, ein solcher Einbehalt oder Abzug ist gesetzlich vorgeschrieben. In einem solchen Falle wird die Emittentin, vorbehaltlich der Bestimmungen dieses Absatzes (1) und des nachfolgenden Absatzes (2) solche zusätzlichen Beträge (die *Zusätzlichen Beträge*) zahlen, so dass die Wertpapiergläubiger die Beträge erhalten, die sie ohne Einbehalt oder Abzug erhalten hätten. Diese zusätzlichen Beträge sind jedoch nicht in Bezug auf Wertpapiere zahlbar,

German withholding tax in the form of advanced interest income tax (*Zinsabschlagsteuer*), inclusive of the solidarity surcharge (*Solidaritätszuschlag*) levied thereon, does not constitute tax for which the Issuer is obliged to pay Additional Amounts.

Notwithstanding the provisions in § 8(2), if a Securityholder demands the payment of Additional Amounts following a decision of the Issuer not to pay such Additional Amounts in light of (a) to (e) above, the Issuer shall be entitled to require, prior to the payment of Additional Amounts, a written statement from the Securityholder demanding the payment of Additional Amounts, stating the circumstances which entitle such Securityholder to receive Additional Amounts, including (if this is useful and reasonable to evidence the entitlement to Additional Amounts) further explanatory documentation.

- (2) If a legal obligation of the Issuer to make a withholding or deduction is introduced as a result of which a Securityholder is entitled to receive Additional Amounts pursuant to this § 8, Additional Amounts shall not become due and payable prior to the time at which the respective Securityholder has provided the Issuer with evidence that such Securityholder is not entitled to a refund of or tax credit in relation to, such withholdings or deductions. In such case, the Additional Amounts shall not exceed the amount for which a refund or a tax credit is not available. If the Issuer has not notified, in accordance with § 12, its intention not to pay Additional Amounts pursuant to this § 8(2) at least 15 Business Days prior to the date on which such payment would otherwise become payable, the Issuer shall be obliged to pay such Additional Amounts in full on the respective due date.

Unbeschadet der Bestimmungen des § 8(2) ist die Emittentin dann, wenn ein Wertpapiergläubiger die Zahlung Zusätzlicher Beträge geltend macht, nachdem die Emittentin im Hinblick auf die vorstehenden Buchstaben (a) bis (e) keine Zusätzlichen Beträge gezahlt hat, berechtigt, vor Zahlung Zusätzlicher Beträge von demjenigen Wertpapiergläubiger, der die Zahlung geltend macht, eine schriftliche Darstellung der Umstände und, sofern dies für einen entsprechenden Nachweis sinnvoll und angemessen ist, erläuternde Dokumentationsunterlagen zu verlangen, die ihn zur Geltendmachung der Zusätzlichen Beträge berechtigen.

- (2) Wird eine rechtliche Verpflichtung der Emittentin zur Vornahme eines Einbehalts oder Abzugs eingeführt, aufgrund dessen ein Wertpapiergläubiger nach Maßgabe dieses § 8 zum Bezug Zusätzlicher Beträge berechtigt ist, so ist die Verpflichtung der Emittentin zur Zahlung Zusätzlicher Beträge erst fällig, nachdem der jeweilige Wertpapiergläubiger gegenüber der Emittentin den Nachweis erbracht hat, dass er zu einer Erstattung oder Anrechnung derartiger Einbehalte oder Abzüge nicht berechtigt ist. In diesem Fall beschränken sich die zu zahlenden Zusätzlichen Beträge auf den Betrag, für den eine Erstattung oder Anrechnung nicht erfolgt. Sollte die Emittentin ihre Absicht, gemäß diesem § 8(2) keine Zusätzlichen Beträge zu zahlen, nicht wenigstens 15 Geschäftstage vor dem Tag, an dem eine solche Zahlung ansonsten zahlbar würde, gemäß § 12 bekannt machen, ist sie zur vollständigen Zahlung der Zusätzlichen Beträge an dem maßgeblichen Fälligkeitstag verpflichtet.

The legal form of a partnership limited by shares combines elements of a stock corporation (*Aktiengesellschaft*) and a limited partnership (*Kommanditgesellschaft*). A partnership limited by shares is a legal entity (*juristische Person*) whose share capital is held by its shareholders. Unlike the general partner, the shareholders are not personally liable for the Issuer's obligations.

The corporate bodies of a partnership limited by shares are generally the general partner, the supervisory board and the shareholders' meeting. In addition to these statutory corporate bodies, the Issuer has established a shareholders' committee. The general Partner of the Issuer is Helmut Claas GmbH.

## BUSINESS OF THE ISSUER

### OVERVIEW

Claas together with its consolidated subsidiaries (the "**Claas-Group**") is one of the leading manufacturers of agricultural equipment worldwide. The Claas-Group manufactures its products at eight domestic and eight foreign production sites and distributes in 140 countries around the world.

The Company's business is divided into three segments:

- **Agricultural engineering:** In this segment the Claas-Group is offering a broad range of agricultural machinery products. It accounts for about 90% of the total group sales in the business year ended September 30, 2004.
- **Production engineering:** Claas Fertigungstechnik GmbH is a supplier of engineered facilities for the automotive and aviation industries.
- **Industrial engineering:** Claas Industrietechnik GmbH is supplying drive technology and hydraulics within its small industrial engineering segment.

### PRODUCT RANGE

#### The Agricultural Engineering Business Segment

The core products of the Claas-Group in the Agricultural Engineering Business Segment are combine harvesters, tractors and foragers, but the group also offers other products such as balers and green harvest machinery. The Claas-Group is also engaged in the Western European market for used agricultural machinery.

### *Combine Harvesters*

Combine harvesters cut, thrash, separate, clean, and store a large number of cereals and other crops. Combine harvesters produced by the Claas-Group include the LEXION (220-580 HP), MEDION (185-245 HP), MEGA (220-260 HP) and DOMINATOR (120-125 HP) product groups. Combine harvesters for the European and Overseas Market are produced in Harsewinkel, Germany. Combine harvesters for the North American market are produced in Omaha, Nebraska under the brand name CAT (Caterpillar) and are distributed through the Caterpillar distribution network. In India the Claas-Group produces the Crop Tiger combine harvesters. The design of the machine is adapted to the special requirements of farming operations in Africa and Asia. Though small in size, it achieves a high throughput capacity in rice and other grain.

### *Tractors*

With its acquisition of Renault Agriculture in 2003, the Claas-Group added tractors to its product range. Currently tractors with performance classes ranging from 50 to 335 horsepower are being produced and distributed. In addition to smaller tractors for vineyards and orchards, the standard CELTIS tractor has been developed for mixed and grassland farming. Special tractors for the grape and fruit harvest are marketed under the brand name NECTIS. The ARES represents the premium class of tractors, while the ATLES is customized for agricultural contractors and large farms requiring tractors with power exceeding 200 hp. The tractor range is completed by the multi-functional system vehicle XERION.

### *Self-Propelled Forage Harvesters*

Forage harvesters pick up a swath of grass or cut crop, chop it into small pieces and blow it on transport wagons towed alongside. The protein-rich chopped material is stored and used as feed for animals (dairy and meat production). The Claas-Group produces five models of the JAGUAR range (321-605 HP), including the SPEEDSTAR and the PROFISTAR models. The Claas-Group also produces a wide range of pickups and maize headers as attachments.

### *Balers*

Balers pick up swathes of straw or grass, press the material, bind and discharge the bales back on the field. The Claas-Group produces the QUADRANT big square balers, the ROLLANT round balers with a fixed pressing chamber and the VARIANT round balers with a variable pressing chamber.

### *Green Harvest Machinery*

Green harvest machinery refers to grass handling. The Claas-Group produces 26 different models of the CORTO and the DISCO mowers with working widths between 1.65 meters and 8.50 meters, 6 models of VOLTO tedders (4.5 meters to 10 meters) and 11 models of LINER swathers (3.5 meters – 12.5 meters). Self-loading wagons with a volume of up to 34 cubic meters are also within the product range.

Furthermore, the self-propelled mower COUGAR, with a working width of up to 14 meters is another highly-efficient large-scale mower produced by the Claas-Group.

### **The Production Engineering Business Segment**

As a division of the Claas-Group, Claas-Fertigungstechnik GmbH originally manufactured facilities and equipment for the production of agricultural machinery. After the division was spun off into an independent company, the existing systems engineering expertise was used in order to develop and build up adjacent business segment.

Today, Claas-Fertigungstechnik GmbH is a high-tech supplier of complex production systems for the automobile and aviation industries. Its original business basis has been strengthened by the acquisition of Brötje Automation GmbH from the British Baxi Group which was completed in January 2004. Brötje Automation GmbH produces assembly cells for aircraft fuselages and wing parts and provides its special riveting technique to the international aircraft industry and its suppliers.

### **The Industrial Engineering Business Segment**

Claas Industrietechnik GmbH is a system supplier for drive technology and hydraulics and does not only support components to its affiliated companies of the Claas-Group, but also to its competitors. Components are also supplied to companies which manufacture municipal vehicles, buses, construction machinery or other kinds of machines. Its product range includes power shift gears for extreme all-terrain vehicles, hydraulic valves gear-boxes for small airplanes and track beds for high-speed trains. Claas Industrietechnik GmbH has its own research and development capacity.

### **PRODUCTION SITES**

The Claas-Group manufactures its products at the following eight German and eight foreign production sites:

- Harsewinkel (Germany)
- Bad Saulgau (Germany)
- Beelen (Germany)
- Paderborn (Germany)
- Bielefeld (Germany)
- Rostock (Germany)
- Nördlingen (Germany)
- Wiefelstede (Germany)
- Metz (France)
- Le Mans (France)
- Beauvais (France)
- Coventry (United Kingdom)
- Omaha (USA)
- Krasnodar (Russia)
- Faridabad (India)
- Törökszentmiklos (Hungary)

## **REAL ESTATE**

The Company owns properties with a total area of approx. 3,000,000 square metres. The properties are located in Germany, France, United Kingdom, USA, Russia, India, Hungary, Italy and Spain.

## **INTELLECTUAL PROPERTY**

The Company currently holds patents, patent applications, registered designs and trademarks relating to its products. Patents were issued in Germany, Europe, the USA and other countries. More patent applications are still pending.

There is no dependence on particular patents or licenses of third parties which are essential for the business activity or the profitability of the Company.

## **LITIGATION**

There are no litigation proceedings against or affecting the Issuer or any of its subsidiaries or any of their respective assets, nor is the Issuer aware of any pending or threatened proceedings, which (in either case) are or might be material in the context of the issue of the Securities.

## **INVESTMENTS**

Total capital expenditure in the fiscal year ended September 30, 2004, at € 45.3 million, was below the record levels of the previous fiscal year. The above average volume in the fiscal year ended September 30, 2003 was determined primarily by the acquisitions of Renault Agriculture and Brötje Automation GmbH. Investments in property, plant and equipment as well as intangible assets excluding goodwill in the fiscal year 2004 were returning to the level of recent years at € 43.5 million. Investments exceeded depreciation and amortization, as in the previous years.

The largest single investment was the acquisition of the remaining 49% of shares in Brötje Automation GmbH with the amount of € 11.7 million. The complete acquisition of Brötje Automation GmbH, an established producer of assembly technology for the aviation industry, increases the diversification of the Production Engineering business segment of the Claas-Group.

The main focus of capital expenditure for property, plant and equipment was on measures for the modernization and structural optimization of production sites and processes.

The regional focus of investment was on Western Europe with over 90% of total volume with increased investment activity in Eastern Europe at the same time.

## **RECENT DEVELOPMENTS AND OUTLOOK**

We expect markets in 2005 to develop along the moderate lines predicted end of business year 2004. Growth in agricultural equipment markets in Germany and France

is still relatively subdued, UK being considerably lower while Central Europe is growing strongly. Also Eastern Europe is showing first signs of a higher order intake. In parallel, US and Overseas Markets are signaling improvements over comparable previous year figures.

Group Sales as a consequence are expected to be moderately higher than previous year. Our current order book has even materially increased in key products over previous year. However, the proportion of annual sales realized this time into the business year is – even though having met existing plans- relatively low. Therefore several risks might still impair on our plans for business year 2005 i.e.:

- Continuing Steel Price increases
- Continuing USD weakness
- Sudden protracted spells of dry weather in major markets or comparable effects entailing negative harvesting impacts

Such risks are partially mitigated in advance by ongoing efficiency programs, the integration process of the Renault Agriculture organization and our FX hedging strategy. Claas is therefore aiming to continue the positive income trend in 2004 into 2005 and is expecting income improvements by a double digit growth rate over previous year.

## **RATING**

The Securities have not been rated by any rating agency. There can be no assurance, however, that the Securities will not be rated in the future. Should such future rating be lower than expected by market participants at the time, this may have a material adverse effect on the market price of the Securities.

## TAXATION

The information contained in this section "Taxation" is not intended as tax advice and does not purport to describe all of the tax considerations that may be relevant to a prospective purchaser of the Securities. It should be read in conjunction with the section entitled "Risk Factors". Potential purchasers of the Securities are urged to satisfy themselves as to the overall tax consequences of acquiring, holding, redeeming and/or disposing of the Securities and should consult their own professional advisers. The summary below is based on the laws of Germany currently in force and as applied on the date of this prospectus, which are subject to change, possibly with retroactive effect. As the Securities should qualify as financial innovations ("Finanzinnovationen"), the information regarding the taxation of capital gains is of particular importance.

### Taxation of Securityholders in Germany

#### *A) Income Tax / Trade Tax*

##### **I. Taxation of interest**

###### 1. Securityholder resident in Germany

Interest derived by a Securityholder resident in Germany is subject to personal or corporate income tax (plus solidarity tax thereon currently at a rate of 5.5 %). Such interest is also subject to trade tax if the Securities form part of the property of a German business. Where the Securities are kept in a custodial account maintained with a German financial institution or financial services institution (including a German branch of a non-German financial institution or financial services institution, but excluding a non-German branch of a German financial institution or financial services institution, the "**Institution**") such Institution is generally required to withhold tax at a rate of 30 % (plus solidarity tax thereon at a rate of 5.5 %) of the gross amount of interest paid to a Securityholder resident in Germany. Such withholding tax is basically credited against the Securityholder's final liability for personal or corporate income tax.

###### 2. Securityholder non-resident in Germany

Interest derived by a non-resident Securityholder is subject to German personal or corporate income tax (plus solidarity tax thereon at a rate of 5.5 %) if the Securities form part of the business property of a permanent establishment in Germany (in which case such interest is also subject to trade tax) or a fixed base maintained in Germany by the Securityholder or are held by a German permanent representative of the Securityholder. Tax treaties concluded by Germany generally permit Germany to tax the interest income in this situation. Where the non-resident Securityholder keeps

the Securities in a custodial account maintained with a German Institution such Institution is generally required to withhold tax at a rate of 30 % (plus solidarity tax thereon at a rate of 5.5 %) of the gross amount of interest paid, provided the interest constitutes income from German sources (for instance, because the Securities form part of the business property of a permanent establishment which the Securityholder maintains in Germany). Such withholding tax is basically credited against the Securityholder's final liability for personal or corporate income tax.

## II. Taxation of capital gains

### 1. Securityholder resident in Germany

#### 1.1 Securityholder resident in Germany not holding the Securities as business assets

Gains from the alienation of Securities including gains derived by the initial holder or any subsequent holder of the Securities upon redemption of the Securities ("**Capital gains**") that are derived by an individual who is a Securityholder resident in Germany not holding the Securities as business assets are subject to personal income tax, regardless of the period between acquisition and alienation of the Securities, as the Securities should qualify as financial innovations ("**Finanzinnovationen**"). Capital gains are subject to personal income tax so far as they correspond to the calculative yield to maturity during the respective holding period. If no yield to maturity can be determined upon issuance of the Securities or the Securityholder does not give proof thereof, the difference between the proceeds from the disposition, assignment or redemption and the acquisition costs is subject to personal income tax in the year of the disposition, assignment or redemption of the Securities. The taxation of the interest ("**Zinsen**") and accrued interest ("**Stückzinsen**") remains unaffected; accordingly any previously received interest, which is subject to income taxation, is deducted in calculating the capital gain but only in the case that the yield to maturity can be determined upon issuance of the Securities. Where the yield to maturity of the Securities cannot be determined upon issuance of the Securities, the difference between the proceeds from the disposition, assignment or redemption and the acquisition costs should be subject to personal income tax in the year of the disposition, assignment or redemption of the Securities. Where the Securities are kept in a custodial account maintained with a German Institution such Institution is generally required to withhold tax at a rate of 30 % (plus solidarity tax thereon at a rate of 5.5 %) of an amount equal to 30 % of the proceeds from the alienation or redemption of the Securities, or, where such Institution has since acquiring or selling the Securities held such Securities in custody, of the excess of the sale or redemption proceeds over the purchase price for the Securities.

#### 1.2 Securityholder resident in Germany holding the Securities as business assets

Capital Gains, as defined under Sec. 1.1, derived by an individual Securityholder resident in Germany holding Securities as a business asset are subject to personal income tax (plus solidarity tax thereon at a rate of 5.5 %) and trade tax. Capital gains derived by a corporate Securityholder resident in Germany are subject to corporate income tax (plus solidarity tax thereon at a rate of 5.5 %) and trade tax.

Where the Securities are kept in a custodial account maintained with a German Institution such Institution is generally required to withhold tax at a rate of 30 % (plus solidarity tax thereon at a rate of 5.5 %) of an amount equal to 30 % of the proceeds from the alienation or redemption of the Securities, or, where such Institution has since acquiring or selling the Securities held such Securities in custody, of the excess of the sale or redemption proceeds over the purchase price for the Securities.

## 2. Securityholder non-resident in Germany

Capital gains derived by a non-resident Securityholder are subject to personal or corporate income tax (plus solidarity tax thereon at a rate of 5.5 %) if the Securities form part of the business property of a permanent establishment (in which case such gains are also subject to trade tax) or a fixed base maintained in Germany by the Securityholder or are held by a German permanent representative of the Securityholder.

Where the Securities are kept in a custodial account maintained with a German Institution such Institution is generally required to withhold tax at a rate of 30 % (plus solidarity tax thereon at a rate of 5.5 %) of an amount equal to 30 % of the proceeds from the alienation or redemption of the Securities, or, where such Institution has since acquiring or selling the Securities held such Securities in custody, of the excess of the sale or redemption proceeds over the purchase price for the Securities.

Tax treaties concluded by Germany generally do not permit Germany to tax the capital gains derived by a Securityholder resident in the other treaty country, unless the Securities form part of the business property of a permanent establishment or a fixed base maintained in Germany by the Securityholder. Where Germany is allowed to tax the capital gains, any tax withheld by the Institution will basically give rise to a refundable credit against the Securityholder's assessed liability for personal or corporate tax.

### ***B) EU Savings Tax Directive***

On June 3, 2003 the Council of the European Union ("**Ecofin**") approved a directive regarding the taxation of interest income. Accordingly, each EU Member State must require paying agents (within the meaning of the directive) established within its territory to provide to the competent authority of this state details of the payment of interest made to any individual resident in another EU Member State as the beneficial owner of the interest. The competent authority of the EU Member State of the paying agent (within the meaning of the directive) is then required to communicate this information to the competent authority of the EU Member State of which the beneficial owner of the interest is a resident.

For a transitional period, Austria, Belgium and Luxembourg may opt instead to withhold tax from interest payments within the meaning of the directive at a rate of 15 % presumably starting July 1, 2005, of 20 % presumably as from July 1, 2008 and 35 % presumably as from July 1, 2011. If the application of the provisions of the directive is delayed these dates will be postponed accordingly.

The Member States shall apply the respective provisions presumably as from July 1, 2005 provided that (i) Switzerland, Liechtenstein, San Marino, Monaco and Andorra apply from the same date measures equivalent to those contained in the directive, in accordance with agreements entered into by them with the European Community and (ii) also all the relevant dependent or associated territories (the Channel Islands, the Isle of Man and the dependent or associated territories in the Caribbean) apply from that same date an automatic exchange of information or, during the transitional period described above, apply a withholding tax in the described manner.

By legislative regulations dated January 26, 2004 the Federal Government enacted the provisions for implementing the directive into German law. The entry into force of the legislative regulations depends, however, on a determination by the Council of the European Union that the conditions for the application of the directive have been fulfilled. In view of the conditions mentioned before, it is presently not yet possible to predict when the directive will ultimately be applicable.

### ***C) Gift or Inheritance Tax***

The gratuitous transfer of a Security by a Securityholder as a gift or by reason of the death of the Securityholder is subject to German gift or inheritance tax if the Securityholder or the recipient is resident or deemed to be resident in Germany under German law at the time of the transfer. If neither the Securityholder nor the recipient is resident, or deemed to be resident, in Germany at the time of the transfer no German gift or inheritance tax is levied unless the Securities form part of the business property of a permanent establishment or fixed base maintained in Germany by the Securityholder. Tax treaties concluded by Germany generally permit Germany to tax the transfer in this situation.
