The delivery of this Prospectus at any time does not imply that any information contained herein or therein is correct at any time subsequent to the date hereof.

In connection with the issue and sale of the Bonds, no person is authorised to give any information or to make any representation not contained (or incorporated by reference in) in this Prospectus, and neither the Issuer nor any of the Managers (as defined in "Subscription and Sale" below) accepts responsibility for any information or representation so given that is not contained (or incorporated by reference in) in this Prospectus. This Prospectus does not constitute an offer of Bonds, and neither may be used for the purposes of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised, or to any person to whom it is unlawful to make such offer or solicitation and no action is being taken to permit an offering of the Bonds or the distribution of this Prospectus in any jurisdiction where any such action is required except as specified herein.

A further description of certain restrictions on offers and sales of the Bonds in the United States, and in certain other jurisdictions, is set forth below under "Subscription and Sale".

In this Prospectus, references to "**euro**", "**EURO**", "**Euro**" and "**€**" refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty establishing the European Community, as amended by the Treaty on European Union and as amended by the Treaty of Amsterdam.

However, there is no assurance that the Stabilising Manager will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the Bonds is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the Bonds and 60 days after the date of the allotment of the Bonds. Such stabilisation shall be made in accordance with applicable laws and regulations.

RISK FACTORS RELATING TO THE BONDS

The following are certain risk factors of the offering of the Bonds of which prospective investors should be aware. Prior to making an investment decision, prospective investors should consider carefully all of the information set out in this Prospectus, including in particular the following risk factors detailed below. Further risk factors relating to the Issuer and its activities are contained in the 2005 Reference Document. Prospective investors should make their own independent evaluations of all investment considerations. Terms defined in "Terms and Conditions of the Bonds" below shall have the same meaning where used below.

No Prior Market for the Bonds; Resale Restrictions

There is no existing market for the Bonds, and there can be no assurance that any market will develop and/or be maintained for the Bonds, or that holders of the Bonds will be able to sell their Bonds in the secondary market in which case the market or trading price and liquidity of the Bonds may be adversely affected.

Fixed Rate Interest

Subsequent changes in interest rates may adversely affect the value of the Bonds.

The Bonds may be redeemed prior to maturity

In the event that the Issuer would be obliged to pay additional amounts in respect of any Bonds due to any withholding as provided in Condition 5(b) of the Terms and Conditions of the Bonds, the Issuer may and, in certain circumstances, shall redeem all of the Bonds then outstanding in accordance with such Condition. As a consequence, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than the redeemed Bonds.

Credit ratings may not reflect all risks

The ratings assigned by the credit rating agencies to the Bonds may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Bonds. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Exercise of Put Option in respect of certain Bonds may affect the liquidity of the Bonds in respect of which such Put Option is not exercised

Depending on the number of Bonds in respect of which the Put Option provided in Condition 7 is exercised, any trading market in respect of those Bonds in respect of which such Put Option is not exercised may become illiquid.

TERMS AND CONDITIONS OF THE BONDS

The issue outside the Republic of France of the €600,000,000 4.75 per cent. Bonds due 2016 (the "**Bonds**") of Bouygues (the "**Issuer**") has been authorised pursuant to a decision of the chairman of the Board of Directors and CEO (*Président-Directeur général*) of the Issuer dated 16 May 2006 acting pursuant to a resolution of the Board of Directors (*Conseil d'administration*) of the Issuer dated 28 February 2006. The Bonds are issued with the benefit of a fiscal agency agreement dated 23 May 2006, ("**Fiscal Agency Agreement**") between the Issuer, Fortis Banque Luxembourg S.A. as fiscal agent and principal paying agent (the "**Fiscal Agent**", which expression shall, where the context so admits, include any successor for the time being as Fiscal Agent) and the other paying agents named therein (together, the "**Paying Agents**", which expression shall, where the context so admits, include the Fiscal Agent and any successors for the time being of the Paying Agents or any additional paying agents appointed thereunder from time to time). Reference below to the "**Agents**" shall be to the Fiscal Agent and/or the Paying Agents, as the case may be. Copies of the Fiscal Agency Agreement are available for inspection at the specified offices of the Paying Agents. References below to "**Conditions**" are, unless the context otherwise requires, to the numbered paragraphs below.

1. Form, Denomination and Title

The Bonds are issued in bearer form in the denomination of € 50,000 each. Title to the Bonds will be evidenced in accordance with Article L.211-4 of the *Code monétaire et financier* by book-entries (*dématérialisation*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the *Code monétaire et financier*) will be issued in respect of the Bonds.

The Bonds will, upon issue, be inscribed in the books of Euroclear France which shall credit the accounts of the Account Holders. For the purpose of these Conditions, "**Account Holders**" shall mean any authorised financial intermediary institution entitled to hold accounts, directly or indirectly, on behalf of its customers with Euroclear France, and includes Euroclear Bank S.A./N.V., as operator of the Euroclear System ("**Euroclear**") and the depositary bank for Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**").

Title to the Bonds shall be evidenced by entries in the books of Account Holders and will pass upon, and transfer of Bonds may only be effected through, registration of the transfer in such books.

2. Status of the Bonds

The Bonds constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer.

3. Negative Pledge

So long as any of the Bonds remains outstanding (as defined in the Fiscal Agency Agreement), the Issuer undertakes that it will not create or permit to subsist or to become effective any mortgage, lien, charge, pledge or other form of security interest (*sûreté réelle*) upon the whole or any part of its undertaking and any of its assets or revenues, present or future, to secure any Relevant Debt (as defined below) of the Issuer or a guarantee (including by way of joint liability) in respect of any Relevant Debt of others unless, at the same time or prior thereto, the Issuer's obligations under the Bonds are equally and rateably secured thereby or by such security interest as may be approved by the general assembly of the Masse (as defined below).

For the purposes of these Conditions, "**Relevant Debt**" means any present or future indebtedness for borrowed money in the form of, or represented by, debt securities (*titres de créance* within the meaning of Article L.211-1,1,2 of the French *Code monétaire et financier*, including *titres* giving right to receive (through conversion,

exchange, subscription or otherwise) equity securities or equivalent debt instruments issued under any law other than French law) which are for the time being, or capable of being, quoted, listed, or ordinarily dealt in on any stock exchange, over-the-counter market or other securities market.

4. Interest

Each Bond bears interest from, and including, 24 May 2006 (the "**Interest Commencement Date**") to, but excluding, 24 May 2016 at the annual rate of 4.75 per cent, payable annually in arrear on 24 May in each year (each an "**Interest Payment Date**"), commencing on 24 May 2007.

Each Bond will cease to bear interest from the due date for redemption unless payment of principal is improperly withheld or refused. In such event it shall continue to bear interest at the rate of 4.75 per cent. per annum until whichever is the earlier of (i) the day on which all sums due in respect of such Bond up to that day are received by or on behalf of the relevant Bondholder, and (ii) the day after the Fiscal Agent has notified the Bondholders of receipt of all sums due in respect of all the Bonds up to that day (except to the extent that there is failure in the subsequent payment to the relevant Bondholder under these Conditions).

Interest will be calculated on an Actual/Actual (ICMA) basis. Where interest is to be calculated in respect of a period which is equal to or shorter than an Interest Period (as defined below), it shall be calculated on the basis of the number of days elapsed in the relevant period, from and including the date from which interest begins to accrue to but excluding the date on which it falls due, divided by the number of days in the Interest Period in which the relevant period falls (including the first such day but excluding the last).

For the purpose of this Condition 4, "**Interest Period**" means the period beginning on, and including, the Interest Commencement Date and ending on, but excluding, the first Interest Payment Date and each successive period beginning on, and including, an Interest Payment Date and ending on, but excluding, the next succeeding Interest Payment Date.

5. Redemption and Purchase

The Bonds may not be redeemed otherwise than in accordance with this Condition 5 and with Condition 7.

(a) Final Redemption

Unless previously redeemed or purchased and cancelled as provided below or in Condition 7, the Bonds will be redeemed in full at par by the Issuer on 24 May 2016.

(b) Redemption for Taxation Reasons

- (A) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after 24 May 2006, the Issuer would, on the occasion of the next payment of principal or interest due in respect of the Bonds, not be able to make such payment without having to pay additional amounts as specified under Condition 8 below, the Issuer may at any time, subject to having given not more than 45 nor less than 30 days' notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 11, redeem all, but not some only, of the Bonds at their principal amount together with any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.
- (B) If the Issuer would on the occasion of the next payment in respect of the Bonds be prevented by French law from making payment to the Bondholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8 below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and shall forthwith redeem all, but not

some only, of the Bonds then outstanding at their principal amount plus any accrued interest thereon upon giving not less than seven nor more than 30 days' prior notice to the Bondholders (which notice shall be irrevocable) in accordance with Condition 11, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes or, if such date is past, as soon as practicable thereafter.

(c) Purchases

The Issuer may at any time purchase Bonds in the open market or otherwise at any price.

(d) Cancellation

All Bonds which are redeemed or purchased by or on behalf of the Issuer pursuant to paragraph (b) (A) or (B) or (c) of this Condition will forthwith be cancelled and accordingly may not be reissued or resold.

6. Payments

(a) Method of Payment

Payments of principal and interest in respect of the Bonds will be made in Euro by credit or transfer to a Euro-denominated account (or any other account to which Euro may be credited or transferred) specified by the payee in a city in which banks have access to the TARGET System. "**TARGET System**" means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System.

Such payments shall be made for the benefit of the Bondholders to the Account Holders (including Euroclear or the depositary bank for Clearstream, Luxembourg).

Payments of principal and interest on the Bonds will be subject in all cases to any fiscal or other laws and regulations applicable thereto, but without prejudice to the provisions of Condition 8.

(b) Payments on Business Days

If any due date for payment of principal or interest or any other amount in respect of any Bond is not a Business Day, then the holder thereof shall not be entitled to payment of the amount due until the next following day which is a Business Day and the holder shall not be entitled to any interest or other sums in respect of such postponed payment.

In this Condition "**Business Day**" means a day on which (i) Euroclear France, Euroclear and Clearstream, Luxembourg are open for business, (i)/(ii) commercial banks and foreign exchange markets are open for general business in Paris and Luxembourg and (ii)/(iii) on which the TARGET System is operating.

(c) Fiscal Agent and Paying Agents

The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent or any Paying Agent and/or appoint another Fiscal Agent and additional or other Paying Agents or approve any change in the office through which the Fiscal Agent or any Paying Agent acts, provided that it will at all times maintain (i) a Fiscal Agent having a specified office in a European city and (ii) so long as the Bonds are listed on the Regulated Market of the Luxembourg Stock Exchange, a Paying Agent having a specified office in Luxembourg.

7. Change of Control

If at any time while any Bond remains outstanding there occurs a Change of Control and within the Change of Control Period a Rating Downgrade occurs as a result of that Change of Control or as a result of a Potential Change of Control (a “**Put Event**”), the holder of each Bond will have the option (the “**Put Option**”) (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the Bonds under Condition 5(b)) to require the Issuer to redeem or, at the Issuer’s option, to procure the purchase of that Bond on the Optional Redemption Date (as defined below) at its principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date.

A “**Change of Control**” shall be deemed to have occurred at each time that any person or persons acting in concert (other than a Permitted Holding Company (as defined below) acting alone or in concert) come(s) to own or acquire(s) such number of the shares in the capital of the Issuer carrying more than 50 per cent. of the voting rights normally exercisable at a general meeting of the Issuer. “Permitted Holding Company” means each and any company or other legal entity whose share capital (or equivalent) and associated voting rights are controlled by Martin Bouygues and/or Olivier Bouygues and/or any of their respective heirs, successors and/or beneficiaries through which any or all such persons at any time hold directly or indirectly shares in the capital of the Issuer.

“**Change of Control Period**” means :

(i) the period commencing on the date of the first public announcement of the result (*avis de résultat*) by the *Autorité des marchés financiers* (the “**AMF**”) of the relevant Change of Control and ending on the date which is 90 days thereafter (inclusive) provided that (a) a Rating Downgrade occurs during that period and (b) such Rating Downgrade results from a Change of Control; or

(ii) the period commencing 180 days prior to the date of the first public announcement of the result (*avis de résultat*) by the AMF of the relevant Change of Control and ending on the date of such announcement (inclusive) provided that (a) a Rating Downgrade occurs during that period and (b) such Rating Downgrade results from a Potential Change of Control.

“**Rating Agency**” means any of the following: Standard & Poor’s Rating Services, a division of The McGraw-Hill Companies, Inc., any other rating agency of equivalent international standing requested from time to time by the Issuer to grant a rating to the Bonds and, in each case, their respective successors or affiliates.

A “**Rating Downgrade**” shall be deemed to have occurred in respect of a Change of Control or in respect of a Potential Change of Control if within the Change of Control Period the rating previously assigned to the Bonds by any Rating Agency is (x) withdrawn or (y) changed from an investment grade rating (BBB-, or its respective equivalents for the time being, or better) to a non-investment grade rating (BB+, or their respective equivalents for the time being, or worse) or (z) if the rating previously assigned to the Bonds by any Rating Agency was below an investment grade rating (as described above), lowered by at least one full rating notch (for example, from BB+ to BB or their respective equivalents), provided that (i) a Rating Downgrade otherwise arising by virtue of a particular change in rating shall be deemed not to have occurred in respect of a particular Change of Control or Potential Change of Control, as the case may be, if the Rating Agency making the change in rating does not publicly

announce or publicly confirm that the reduction was the result of the Change of Control or, the Potential Change of Control, as the case may be, and (ii) any Rating Downgrade has to be confirmed in a letter, or other form of written communication, sent to the Issuer and publicly disclosed.

“Potential Change of Control” means any public announcement or statement by the Issuer, any actual or potential bidder relating to any potential Change of Control of the Issuer.

Promptly upon the Issuer becoming aware that a Put Event has occurred, the Issuer shall give notice (a **“Put Event Notice”**) to the Bondholders in accordance with Condition 11 specifying the nature of the Put Event and the circumstances giving rise to it and the procedure for exercising the Put Option contained in this Condition 7.

To exercise the Put Option to require redemption or, as the case may be, purchase of a Bond under this Condition 7, the holder of that Bond must transfer or cause to be transferred by its Account Holder its Bonds to be so redeemed or purchased to the account of the Fiscal Agent specified in the Put Option Notice for the account of the Issuer within the period (the **“Put Period”**) of 45 days after the Put Event Notice is given together with a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a **“Put Option Notice”**) and in which the holder may specify a bank account to which payment is to be made under this Condition 7.

The Issuer shall redeem or, at the option of the Issuer procure the purchase of, the Bonds in respect of which the Put Option has been validly exercised as provided above, and subject to the transfer of such Bonds the account of the Fiscal Agent for the account of the Issuer as described above on the date which is the fifth Business Day following the end of the Put Period (the **“Optional Redemption Date”**). Payment in respect of any Bond so transferred will be made in Euro to the holder to the specified Euro-denominated bank account in the Put Option Notice on the Optional Redemption Date via the relevant Account Holders.

8. Taxation

(a) Tax Exemption

Bonds issued in euros by French legal entities are deemed to be issued outside France under the provisions of Article 131 *quater* of the French *Code Général des Impôts* (BOI 5 I-11-98, *Instruction* dated 30 September 1998). Consequently, interest and other revenues with respect to the Bonds paid to non-French resident Bondholders are exempt from the withholding tax provided for in Article 125 A III of the French *Code Général des Impôts*.

(b) Additional Amounts

If French law should require that payments of principal or interest in respect of any Bond be subject to deduction or withholding in respect of any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed or levied by or on behalf of the French Republic or any authority therein or thereof having power to tax, the Issuer shall, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the holder of each Bond, after such deduction or withholding, will receive the full amount then due and payable thereon in the absence of such withholding, except that no such additional amounts shall be payable with respect to any Bond:

- (i) to, or to on behalf of, a holder (or beneficial owner (*ayant droit*)) who is subject to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of his having some connection with the French Republic other than the mere holding of such Bonds; or
- (ii) to, or on behalf of, a holder (or beneficial owner (*ayant droit*)) who could avoid such deduction or withholding by making a declaration of non-residence or similar claim for exemption but fails to do so; or

- (iii) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to the European Council Directive 2003/48/EC of 3 June 2003 or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings or any law implementing or complying with, or introduced in order to conform to, such Directive.

Any references in these Conditions to principal and interest in respect of the Bonds shall be deemed also to refer to any additional amounts which may be payable under the provisions of this Condition 8(b).

9. Events of Default

If any of the following events (each, an "**Event of Default**") occurs:

- (a) any amount of principal of, or interest on, any Bond is not paid on the due date thereof and such default is not remedied within a period of 15 days from such due date; or
- (b) any other obligation of the Issuer under the Bonds is not complied with or performed within the period of 30 days after receipt by the Fiscal Agent and the Issuer of written notice of such default given by the Representative (as defined in Condition 10 below); or
- (c) in the event of default by the Issuer in the payment of the principal, interest or premium in respect of any Relevant Debt (as defined in Condition 3) or in respect of any guarantee by the Issuer of Relevant Debt of others, when and as the same shall become due and payable, if such default shall continue for more than the grace period, if any, applicable thereto, or in the event that any Relevant Debt of the Issuer shall have become repayable before the due date thereof as a result of acceleration of maturity caused by the occurrence of any event of default thereunder and shall not have been repaid or in the event that any such guarantee shall have been called and is not paid, it being understood for the purpose of this paragraph that, to the extent the Issuer contests in good faith that such Relevant Debt is due or that such guarantee is callable, no such event shall be deemed to have occurred until a competent court renders a final judgement that such Relevant Debt is due or that such guarantee is callable, provided that the aggregate amount of the Relevant Debt or guarantees in respect of which one or more of the events mentioned in this Condition 9 (c) have occurred equals or exceeds € 15,000,000 or its equivalent in other currencies; or
- (d) if the Issuer makes any proposal for a general moratorium in relation to its debt or applies for the appointment of a conciliator (*conciliateur*) or enters into an amicable settlement (*procédure de règlement amiable*) with its creditors or a judgement is issued for the judicial liquidation (*liquidation judiciaire*) or for a judicial transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or, to the extent permitted by applicable law, if the Issuer is subject to any other insolvency or bankruptcy proceedings or the Issuer makes any judicial conveyance, assignment or other judicial arrangement for the benefit of its creditors or enters into a composition (*accord amiable*) with its creditors, provided that an event of default shall also occur under this paragraph (d) with respect to one or more Principal Subsidiaries (as defined below) if after excluding the value of the securities of one or more Principal Subsidiaries subject to proceedings of the type described in this paragraph (d) the total shareholders' equity appearing in the latest audited financial statements (*comptes individuels*) of the Issuer would become less than 66 per cent. of the total shareholders' equity appearing in such audited financial statements before such exclusion.

For the purposes of this paragraph (d):

- (i) "**Principal Subsidiary**" means at any time relevant a Subsidiary of the Issuer:
 - (a) whose total fixed assets or operating income (or, where the Subsidiary in question prepares consolidated accounts, whose total consolidated fixed assets or consolidated operating income, as the case may be), attributable to the Issuer represent not less than 15 per cent. of

the total consolidated fixed assets or the consolidated operating income, as the case may be, of the Issuer, all as calculated by reference to the then latest audited accounts (or consolidated accounts, as the case may be) of such Subsidiary and the then latest audited consolidated accounts of the Issuer and its consolidated Subsidiaries; or

- (b) to which is transferred all or substantially all the assets and undertakings of a Subsidiary which immediately prior to such transfer is a Principal Subsidiary;
- (ii) "**Subsidiary**" means in relation to any person or entity at any time, a "filiale" as defined in Article L.233-1 of the French *Code de commerce* (the "**Code**") or any other person or entity controlled directly or indirectly by such person or entity within the meaning of Article L.233-3 of the Code; or
- (e) the Issuer ceases to carry on all or a material part of its business, except for the purposes of and followed by a merger or a reorganisation (*cession, scission or apport partiel d'actifs*) pursuant to which the surviving company assumes all of the obligations of the Issuer with respect to the Bonds. For the purpose of this paragraph (e), a part of the Issuer's business will be deemed material if the operating income (or, where the business in question is operated by one or more Subsidiaries which prepare consolidated financial statements, the total operating consolidated income) attributable to such business represents 50 per cent. or more of the total consolidated operating income of the Issuer, all as calculated by reference to the then latest audited financial statements (or consolidated financial statements, as the case may be) relating to the business in question and the then latest audited consolidated financial statements of the Issuer;

then each Bondholder acting through the Representative (as defined in Condition 10) may upon written notice to the Fiscal Agent given on behalf of the Bondholders before all defaults shall have been cured, cause the Bonds to become immediately due and payable, whereupon they shall become immediately due and payable at their principal amount together with any accrued interest thereon without further formality.

10. Representation of the Bondholders

(a) The Masse

The Bondholders will be grouped automatically for the defence of their common interests in a single *masse* (hereinafter referred to as the "**Masse**").

In accordance with Article L.228-90 of the Code (as defined in Condition 9), the *Masse* will be governed by the provisions of the Code (with the exception of the provisions of Articles L.228-48, L.228-59, L.228-65 and L.228-71 thereof), and by the decree no. 67-236 of 23 March 1967, as amended (with the exception of the provisions of Articles 218, 222, 224, 226 and 233 thereof) subject to the following provisions.

(b) Legal personality

The *Masse* will be a separate legal entity, by virtue of Article L.228-46 of the Code, acting in part through a representative (the "**Representative**") and in part through a general assembly of the Bondholders (the "**General Assembly**").

The *Masse* alone, to the exclusion of all individual Bondholders, shall exercise the common rights, actions and benefits which now or in the future may accrue with respect to the Bonds.

(c) Representatives

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- (i) the Issuer and its Chief Executive Officers (*Directeurs Généraux*), the members of its board of directors, its statutory auditors, its employees as well as their ascendants, descendants and spouses;
- (ii) companies possessing at least 10 per cent. of the share capital of the Issuer or of which the Issuer possesses at least 10 per cent. of the share capital;
- (iii) companies guaranteeing all or part of the obligations of the Issuer;
- (iv) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing a business in whatever capacity.

The initial Representative will be:

Franck Hergault
10 avenue Emile
95160 Montmorency
France

The alternative representative of the *Masse* (the "**Alternative Representative**") will be:

Anne-Marie de Corcelles
38 rue Poussin
75016 Paris
France

In the event the Representative is unable to perform his duties, he will be replaced by the Alternative Representative.

The Alternative Representative replaces the Representative when the Representative is no longer able to fulfil his duties upon his receipt of notice by registered mail from the Representative, the Issuer or any other interested party of the inability of the Representative to fulfil his duties. In the event of such replacement, the Alternative Representative shall have the same powers as the replaced Representative.

In the event the Alternative Representative is unable to perform his duties, a replacement will be elected by a General Assembly.

The Issuer shall pay to each Representative an amount of € 300 per year, payable on 24 May of each year during the issue, and for the first time on 24 May 2007. The Alternative Representative will not be remunerated until, and if, he effectively replaces the Representative.

All interested parties will at all times have the right to obtain the name and the address of the Representative at the head office of the Issuer and at the offices of any of the Paying Agents.

(d) Powers of the Representative

The Representative shall, in the absence of any decision to the contrary of the General Assembly, have the power to take all acts of management to defend the common interests of the Bondholders.

All legal proceedings against the Bondholders or initiated by them in order to be justifiable, must be brought against the Representative or by him, and any legal proceedings which shall not be brought in accordance with this provision shall not be legally valid.

The Representative may not interfere in the management of the affairs of the Issuer.

(e) General Assemblies

General Assemblies may be held at any time, by convening either by the board of directors of the Issuer or by the Representative, the person convening the General Assembly being also responsible for the determination of its agenda. One or more Bondholders, holding together at least one-thirtieth of outstanding Bonds may address to the Issuer and the Representative a demand for convening the General Assembly; if such General Assembly has not been convened within two months from such demand, such Bondholders may commission one of themselves to petition the competent court in Paris to appoint an agent (*mandataire*) who will call the meeting. One or more Bondholders may also under the same conditions, require the addition to the agenda of a General Assembly of proposed resolutions.

Notice of the date, hour, place, agenda and quorum requirements of any General Assembly will be published as provided under Condition 11 not less than 15 days on first call, and not less than 6 days on second call, prior to the date of the General Assembly.

Each Bondholder has the right to participate in General Assemblies in person or by proxy. Each € 50,000 principal amount of Bonds carries the right to one vote.

(f) Powers of General Assemblies

A General Assembly is empowered to deliberate on the fixing of the remuneration of the Representative and on his dismissal and replacement, and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Bonds, including authorising the Representative to act as law as plaintiff or defendant.

A General Assembly may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, any proposal relating to the issue of securities carrying a right of preference compared to the right of the Bondholders, any proposal relating to the total or partial renunciation to the guarantees granted to Bondholders, the extension of the due date for payment of the interest and the alteration of the terms of repayment or the interest rate, any proposal relating to the alteration of the object or form of the Issuer, or any proposal relating to a merger or a split-off of the Issuer (in the cases specified in Articles L.236-13 and L.236-18 of the Code). However, it is expressly specified that a General Assembly may not increase amounts payable by the Bondholders, nor establish any unequal treatment between the Bondholders, nor decide to convert the Bonds into shares.

General Assemblies may deliberate validly at the first convening only if Bondholders present or represented hold at least one quarter of the principal amount of the Bonds then outstanding. At the second convening, no quorum shall be required. Decisions at General Assemblies shall be taken by a simple majority of votes cast by the Bondholders attending such meeting or represented thereat.

(g) Notice of decisions

Decisions of the General Assemblies must be published in accordance with the provisions set out in Condition 11 not more than 90 days from the date thereof.

(h) Information to the Bondholders

Each Bondholder or representative thereof will have the right, during the 15 day period preceding the holding of each General Assembly, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented thereat, which will be available for inspection at the offices of the Issuer and of the Paying Agents and at any other place specified in the notice of General Assembly during normal business hours.

(i) Expenses

The Issuer will pay all reasonable expenses incurred in the operation of the *Masse*, including expenses relating to the calling and holding of General Assemblies and the expenses which arise by virtue of the remuneration of the Representative, and more generally all administrative expenses resolved upon by a General Assembly, it being expressly stipulated that no expenses may be imputed against interest payable on the Bonds.

(j) Single Masse

In the event of the consolidation of the Bonds with further issues of Bonds giving identical rights to Bondholders and if the terms and conditions of such Bonds so permit, the Bondholders of all such issues shall be grouped together in a single masse.

11. Notices

Any notice to the Bondholders shall be valid if delivered to Euroclear France, Euroclear and Clearstream, Luxembourg, provided that as long as the Bonds are listed on the Regulated Market of the Luxembourg Stock Exchange and the rules of that exchange so require, such notice shall also be published in a leading daily newspaper having general circulation in Luxembourg (which is expected to be the *d'Wort* or the *Tageblatt*) and on the Luxembourg Stock Exchange website (*www.bourse.lu*). Any such notice shall be deemed to have been given on the date of delivery to Euroclear France, Euroclear and Clearstream, Luxembourg or, where relevant and if later, such publication or, if published more than once or on different dates, on the first date on which such publication is made.

12. Prescription

Claims against the Issuer for the payment of principal and interest in respect of the Bonds shall be prescribed 10 years (in the case of principal) and 5 years (in the case of interest) from the due date for payment thereof.

13. Further Issues and Consolidation

The Issuer may from time to time without the consent of the Bondholders issue further bonds to be assimilated (*assimilables*) with the Bonds as regards their financial service, provided that such bonds and the Bonds shall carry rights identical in all respects (or in all respects except for the first payment of interest thereon) and that the terms of such further bonds shall provide for such assimilation. In the event of such assimilation, the Bondholders and the holders of any assimilated (*assimilables*) bonds will for the defense of their common interest be grouped in a single *Masse* having legal personality.

The Issuer may from time to time, without the consent of the Bondholders, on giving not less than 30 days' prior notice to the Bondholders, consolidate the Bonds with one or more issues of other bonds ("**Other Bonds**") issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such Other Bonds have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Bonds.

The relevant fiscal agency agreement(s) will be amended accordingly and notice of such consolidation will be given to the Bondholders in accordance with Condition 11.

14. Governing Law and Jurisdiction

The Bonds and the Fiscal Agency Agreement shall be governed by and construed in accordance with French law.

Any suit, action, or proceeding against the Issuer in connection with the Bonds may be brought in any competent court located in the jurisdiction of the Paris *Cour d'Appel*.

USE OF PROCEEDS

The net proceeds of the issue of Bonds amount to €596,712,000 and will be used for the Issuer's general corporate purposes.

RECENT DEVELOPMENTS

Set out below are two press releases published by the Issuer:

27 April 2006

OPERATIONAL AND COMMERCIAL COOPERATION FRAMEWORK AGREEMENT ACQUISITION BY BOUYGUES OF FRENCH STATE'S 21% STAKE IN ALSTOM

ALSTOM and Bouygues on 26 April 2006 concluded a major cooperation agreement which has been approved by both groups' boards of directors.

A partnership to face the challenges on global transport and power markets

The growing complexity of major infrastructure construction projects is leading some clients to seek turnkey contracts covering financing, design, construction, risk management and operation. In this context, ALSTOM and Bouygues face common challenges: the need to identify client requirements and provide support at an early stage of the project, to ensure tight control over commercial costs, to respond to the pressure of meeting deadlines and providing performance guarantees, and to handle increasingly complex contract management.

In light of the major development of transport infrastructure and power generation markets, ALSTOM and Bouygues today wish to forge a partnership aimed at seizing new opportunities by combining their strengths.

Commercial cooperation between ALSTOM and Bouygues will range from sharing analysis of specific markets to designing integrated services on a case by case basis.

From the operational standpoint, the two groups will share their experience and practices in contract negotiation and in the management of projects and associated risks, and will jointly provide financing solutions.

However, the cooperation agreement will not contain any exclusivity clause. ALSTOM and Bouygues will continue to work with the partners that are best suited to each project in the interest of their clients.

Acquisition by Bouygues of the French state's 21%-stake in ALSTOM

In addition to this partnership, Bouygues will purchase the 21% stake owned by the French state in ALSTOM, subject to approval by the European Commission in accordance with competition law and to the closing of the disposal of ALSTOM's Marine activity, due to take place in the coming weeks. Once these conditions have been met, Bouygues will become a shareholder of ALSTOM for the long term, strengthening its development. In this respect, Bouygues has undertaken to keep ALSTOM shares thus acquired from the French state for at least three years.

As Bouygues does not plan to cross the threshold of one third of ALSTOM's capital or voting rights, it will not make a tender offer for the remaining shares.

Shares will be acquired at a price of €68.21 per share, representing an investment of €2 billion for Bouygues. The Group has the necessary available cash to make this investment. Long-term financing will be provided without capital increase.

When consulted, Standard & Poor's maintained its rating for Bouygues (A- with stable outlook).

The stake in ALSTOM will be consolidated by the equity method. The transaction will have a relative effect as early as 2006.

Plan to create a joint company operating in the hydro power market

ALSTOM and Bouygues are exploring the possibility of creating a joint venture in the hydro power market. ALSTOM may contribute its entire hydro power division to the new company in which Bouygues would take a 50% stake.

The deal would enable both groups to join forces and take part in the strong development of this global market and would also allow ALSTOM to meet its commitment to the European Commission.

This cooperation agreement with ALSTOM should enable Bouygues to expand into new high-growth business lines in which it will make the most of its entrepreneurial skills and its capacity to manage complex projects in the interest of clients.

9 May 2006

2006 FIRST QUARTER SALES €5.2 BILLION: UP 10%

The Bouygues group's consolidated sales for the first quarter of 2006 amounted to €5.2 billion, 10% higher than the same period last year.

CONTRIBUTION OF BUSINESSES TO SALES (€ million - IFRS)	1 st quarter 2005	1 st quarter 2006	Change %

Bouygues Immobilier	333	330	-1%

Total	4,737	5,228	+10%
France	3,633	4,002	+10%
International	1,104	1,226	+11%

NB: In accordance with IFRS, the first quarters of 2005 and 2006 exclude held for sale activities: the sale of TPS at end 2005, subject to conditions precedent, and of Bouygues Telecom Caraïbe on 28 April 2006 represented €111 million in the first quarter of 2005 (TPS: €88 million, Bouygues Telecom Caraïbe: €23 million).

Bouygues Construction sales were boosted by France's buoyant construction market and the development of the company's electrical contracting and maintenance subsidiary Etdé.

Bouygues Immobilier sales were down slightly due to the completion of several office projects, which had lifted 2005 first quarter sales considerably.

Colas sales rose by 19% as each of its markets continued to thrive. Like for like and at constant exchange

rates, sales were up 15% in France and on international markets.

The trend in first quarter sales in the construction businesses is not representative of the outlook for the year as a whole.

Commercial activity in these businesses remained strong in the first three months of 2006.

TF1 sales grew by 5%. The core channel's net advertising revenues were flat in a slow market. Sales from other activities climbed by 14%, driven mainly by the group's home shopping unit Téléshopping and its theme channels.

Bouygues Telecom posted sales of €1,072 million, up 2% on a comparable basis, while net sales from network were stable at €994 million. They would have risen by 7.5% and 6.1% respectively excluding the reduction in incoming rates (a 24% cut was imposed on call termination rates by the French telecoms regulator, Arcep, on 1 January 2006).

Fuelled by the success of its new unlimited plans Neo and Exprima, launched on 1 March 2006, Bouygues Telecom added 174,000 new customers in the first quarter of 2006. At 31 March 2006, Bouygues Telecom had 8,145,000 customers in metropolitan France, 69% of whom had contracts.

TAXATION

The statements herein regarding taxation are based on the laws in force in France and/or, as the case may be, the Grand Duchy of Luxembourg as of the date of this Prospectus and are subject to any changes in law. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Bonds. Each prospective holder or beneficial owner of Bonds should consult its tax advisor as to the French or, as the case may be, the Luxembourg tax consequences of any investment in or ownership and disposition of the Bonds.

EU Directive on the Taxation of Savings Income

On 3 June 2003, the European Council of Economic and Finance Ministers adopted the Directive 2003/48/EC regarding the taxation of savings income (the "**Directive**"). Pursuant to the Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, *inter alia*, details of payments of interest within the meaning of the Directive (interest, products, premiums or other debt income) made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State (the "**Disclosure of Information Method**").

For these purposes, the term "paying agent" is widely defined and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Directive, for the immediate benefit of individuals.

However, throughout a transitional period, certain Member States (the Grand-Duchy of Luxembourg, Belgium and Austria), instead of using the Disclosure of Information Method used by other Member States, withhold an amount on interests payments. The rate of such withholding tax equals 15% during the first three years, 20% during the subsequent three years and 35% until the end of the transitional period. Such transitional period will end at the end of the first full fiscal year following the later of (i) the date of entry into force of an agreement between the European Community, following a unanimous decision of the European Council, and the last of several jurisdictions (Switzerland, Liechtenstein, San Marino, Monaco and Andorra), providing for the exchange of information upon request as defined in the OECD Model Agreement on Exchange of Information on Tax Matters released on 18 April 2002 (the "**OECD Model Agreement**") with respect to interest payments within the meaning of the Directive, in addition to the simultaneous application by those same jurisdictions of a withholding tax on such payments at the rates defined for the corresponding periods and (ii) the date on which the European Council unanimously agrees that the United States of America is committed to exchange of information upon request as defined in the OECD Model Agreement with respect to interest payments within the meaning of the Directive.

A number of non-EU countries and dependent or associated territories have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005.

The Directive was implemented into French law under article 242 *ter* of the French *Code Général des Impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

The Directive and several agreements concluded between Luxembourg and certain dependent territories of the European Union were implemented in Luxembourg by the Laws of 21 June 2005 (the "**Laws**").

French Taxation

The Bonds issued in euros by a French legal entity are deemed to be issued outside the Republic of France for the purposes of Article 131 *quater* of the French *Code Général des Impôts*. Consequently, interest and

other revenues with respect to the Bonds paid to non-French residents benefit from the exemption of withholding tax provided for in Article 125 A III of the French *Code général des impôts*. Accordingly, such payments do not give the right to any tax credit from any French source.

Luxembourg Withholding Taxation

Under Luxembourg tax law currently in effect and with the possible exception of interest paid to individual Bondholders, there is no Luxembourg withholding tax on payments of interest (including accrued but unpaid interest). There is also no Luxembourg withholding tax, with the possible exception of payments made to individual Bondholders, upon repayment of principal in case of reimbursement, redemption, repurchase or exchange of the Bonds.

Luxembourg non-resident individuals

Under the Laws, a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income (including reimbursement premium received at maturity) paid by it to (or under certain circumstances, to the benefit of) an individual resident in another Member State unless the beneficiary of the interest payments elects for an exchange of information. The same regime applies to payments to individuals resident in certain EU dependent territories.

The withholding tax rate is initially 15 per cent., increasing steadily to 20 per cent. and to 35 per cent. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain third countries.

Luxembourg resident individuals

A 10% withholding tax has been introduced, as from 1 January 2006 on interest payments made by Luxembourg paying agents (defined in the same way as in the Directive) to Luxembourg individual residents. Only interest accrued after 1 July 2005 falls within the scope of this withholding tax. This withholding tax represents the final tax liability for the individual resident taxpayers.

All prospective Bondholders should seek independent advice as to their tax positions.

SUBSCRIPTION AND SALE

Pursuant to a subscription agreement dated 23 May 2006 (the "**Subscription Agreement**"), ABN AMRO Bank N.V., Deutsche Bank AG, London Branch, Natexis Banques Populaires, Société Générale, BNP Paribas, Calyon, Citigroup Global Markets Limited, Crédit Industriel et Commercial, HSBC France, IXIS Corporate & Investment Bank, The Royal Bank of Scotland plc and Union de Garantie et de Placement (the "**Managers**") have jointly and severally agreed with the Issuer, subject to the satisfaction of certain conditions contained therein, to subscribe and pay for the Bonds at an issue price of 99.657 per cent. of the aggregate principal amount of the Bonds less a combined, selling management and underwriting commission of 0.205 per cent. of their principal amount. The Subscription Agreement entitles the Managers to terminate it in certain circumstances prior to payment being made to the Issuer.

General

No action has been or will be taken by the Managers that would permit a public offering of the Bonds or possession or distribution of any offering material in relation to the Bonds in any jurisdiction where action for that purpose is required. No offers, sales or deliveries of the Bonds, or distribution of any offering material relating to the Bonds, may be made in or from any jurisdiction except in circumstances which will result in compliance with any applicable laws and regulations and will not impose any obligations on the Issuer.

Each Manager has represented and agreed that, in making any offers or sales of Bonds or distributing any offering materials relating thereto in any country or jurisdiction, it has complied and will comply with all applicable laws in such country or jurisdiction.

United States

The Bonds have not been and will not be registered under the Securities Act, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S.

Each Manager has agreed that, except as permitted by the Subscription Agreement, it will not offer or sell the Bonds (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering and the Closing Date, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Bonds during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Bonds within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S.

The Bonds are being offered and sold outside of the United States to non-U.S. persons in reliance on Regulation S.

In addition, until 40 days after the commencement of the offering of the Bonds, an offer or sale of the Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

Republic of France

Each of the Managers and the Issuer has acknowledged that the Bonds are being issued outside the Republic of France and, accordingly each of the Managers and the Issuer has represented and agreed that, in connection with their initial distribution, (i) it has not offered or sold or caused to be offered or sold and will not offer or sell or cause to be offered or sold, directly or indirectly, any Bonds to the public (*appel public à l'épargne*) in the Republic of France and (ii) offers and sales of Bonds in the Republic of France will be made to qualified investors (*investisseurs qualifiés*), to the exclusion of any individual, all as defined in, and in accordance with, Articles L.411-1, L.411-2 and D.411-1 of the French *Code monétaire et financier*.

This Prospectus has not been admitted to the clearance procedures of the *Autorité des marchés financiers*.

In addition, each of the Managers and the Issuer has represented and agreed that, it has not distributed or caused to be distributed and will not distribute or cause to be distributed in the Republic of France, this Prospectus or any other offering material relating to the Bonds other than to those investors (if any) to whom offers and sales of the Bonds in the Republic of France may be made as described above.

United Kingdom

Each of the Managers has represented and agreed that:

- (a) it has only communicated or caused to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000 (the "**FSMA**")) received by it in connection with the issue or sale of the Bonds in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Bonds in, from or otherwise involving the United Kingdom.

Republic of Italy

The offering of the Bonds has not been registered with the *Commissione Nazionale per la Societa' e la Borsa* (the "**CONSOB**") (the Italian securities and exchange commission) pursuant to the Italian securities legislation and, accordingly the Bonds cannot be offered, sold or distributed nor any copies of the Prospectus or any other document relating to the Bonds can be distributed in the Republic of Italy ("**Italy**") in a solicitation to the public at large (*sollecitazione all'investimento*) within the meaning of Article 1, paragraph 1, letter (t) of Legislative Decree no. 58 of 24 February 1998, unless an exemption applies. Accordingly, the Bonds in Italy:

- (i) shall only be offered or sold to professional investors (*operatori qualificati*), as defined in Article 31, second paragraph of CONSOB Regulation No 11522 of 1 July 1998, as amended (the "**Regulation No 11522**"), and effected in compliance with the terms and procedures provided therein; or
- (ii) shall only be offered or sold in circumstances which are exempted from the rules of solicitation of investments pursuant to Article 100 of Legislative Decree No 58 of 24 February 1998, as amended (the "**Financial Services Act**") and Article 33, first paragraph, of CONSOB Regulation No 11971 of 14 May 1999, as amended; and
- (iii) cannot be offered, sold and/or delivered in any case, either in the primary or in the secondary market, to individuals in Italy.

In any event, the offer or sale of the Bonds in Italy shall be effected in accordance with all relevant Italian securities, tax and exchange control and other applicable laws and regulations.

Moreover and subject to the foregoing, the Bonds may not be offered, sold or delivered and neither the Prospectus nor any other material relating to the Bonds may be distributed or made available in Italy unless such offer, sale or delivery of Bonds or distribution or availability of copies of the Prospectus or any other material relating to the Bonds in the Italy is:

- (a) made by investment firms, banks or financial intermediaries permitted to conduct such activities in Italy in accordance with the Financial Services Act, Legislative Decree No 385 of 1 September, 1993, as amended (the "**Italian Banking Act**"), the Regulation No 11522 and any other applicable laws and regulations; and
- (b) in compliance with Article 129 of the Italian Banking Act and the implementing instructions of the Bank of Italy, pursuant to which the issue or placement of securities (e.g., Bonds) in Italy is subject to prior and subsequent notification to the Bank of Italy, unless an exemption, depending inter alia on the amount of the issue and the characteristics of the securities, applies, and
- (c) in compliance with any other applicable requirement or limitation which may be imposed from time to time by CONSOB or the Bank of Italy.

Insofar as the requirements above are based on laws which are superseded at any time pursuant to the implementation of the Prospectus Directive in Italy, such requirements shall be replaced by the applicable requirements under the implementing measures of the Prospectus Directive in Italy.
