

FINAL TERMS

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive 2002/92/EC (as amended, the "**Insurance Mediation Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II product governance / target market assessment – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five categories in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

- (ii) Estimate of total expenses related to admission to trading: EUR 5,700

2. Ratings

Ratings: The Notes to be issued are expected to be rated:

- Baa1 by Moody's Investors Services Ltd. ("**Moody's**"),
- A- by S&P Global Ratings Europe Limited ("**S&P**")
- A+ by Fitch France S.A.S. ("**Fitch**") and

Each of Moody's, S&P, Fitch and DBRS is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended).

3. Interests of Natural and Legal Persons Involved in the Issue

Save for the fees payable to the Managers so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer.

4. Reasons for the Offer

Reasons for the Offer: The net proceeds of the issue of the Notes will be allocated or reallocated from time to time to the financing and/or refinancing, in whole or in part, of Eligible Green Assets as defined below and further described in the BNP Paribas Green Bond Framework dated 18 November 2019 available on <https://invest.bnpparibas.com/en/green-bond-issues>, as may be amended from time to time by the Issuer (the "**BNP Paribas Green Bond Framework**").

Pending the allocation or reallocation, as the case may be, of the net proceeds of the Notes to Eligible Green Assets, the Issuer will invest the balance of the net proceeds, at its own discretion, in cash and/or cash equivalent and/or other liquid marketable instruments. The Issuer will use its best efforts to substitute any redeemed loans, any other form of financing that is no longer financed or refinanced by the net proceeds, and/or any such loans or any other form of financing which cease to be Eligible Green Assets, as soon as practicable

once an appropriate substitution option has been identified. The Issuer will monitor the use of the net proceeds of the Notes via its internal information systems.

For the avoidance of doubt, payment of principal and interest in respect of the Notes will be made from general funds of the Issuer and will not be directly or indirectly linked to the performance of Eligible Green Assets.

"Eligible Green Assets" means any existing, on-going and/or future loans or any other form of financing from Eligible Sectors selected by the Issuer, which meet the Eligibility Criteria, all in accordance with the BNP Paribas Green Bond Framework.

Eligible Sectors means the following sectors (all as more fully described in the BNP Paribas Green Bond Framework):

- Renewable Energies
- Energy Efficiency
- Mass and Public Transportation
- Water Management and Water Treatment
- Recycling

For the avoidance of doubt, the following sectors are excluded from the BNP Paribas Green Bond Framework: defence and security, palm oil, wood pulp, nuclear power generation, coal-fired power generation, unconventional oil and gas, mining and tobacco.

"Eligibility Criteria" means the criteria with which any loan or any other form of financing should comply, at any time, in order to be considered as an Eligible Green Asset (as such criteria may be amended, from time to time, by the Issuer, subject to external review by third parties, as the case may be, as per the BNP Paribas Green Bond Framework). As part of the application of the Eligibility Criteria, the Issuer will assess the potential environmental, social and governance risks of the relevant assets, in line with its framework for managing such risks, including specific risk assessment tools and the Equator Principles. The selection of the Eligible Green Assets in accordance with the Eligibility Criteria will then be verified by external third parties, as per the BNP Paribas Green Bond Framework.

As long as any Notes are outstanding, the Issuer is expected to provide a report, at least annually, on (i) the Eligible Green Assets financed or refinanced by the net proceeds and their relevant environmental impact indicators, (ii) the allocation of the net proceeds of the

Notes to Eligible Green Assets detailing the aggregate amount dedicated to each of the Eligible Sectors and (iii) the balance of unallocated cash and/or cash equivalent and/or other liquid marketable instruments still held by the Issuer, as further described in the BNP Paribas Green Bond Framework. The report will be published by the Issuer on <https://invest.bnpparibas.com/en/green-bond-issues>.

Pursuant to the BNP Paribas Green Bond Framework, a second party opinion has been obtained from an appropriate second party opinion provider and the Issuer has mandated an appropriate external independent auditor to provide an assurance report. The opinion and assurance report are available on <https://invest.bnpparibas.com/en/green-bond-issues>.

Note that this does not necessarily mean that the Notes will then be recognised as eligible collateral for Eurosystem monetary policy and intra day credit operations by the Eurosystem at any time during their life. Such recognition will depend upon the ECB being satisfied that Eurosystem eligibility criteria have been met. |

7. EU Benchmarks Regulation

EU Benchmarks Regulation: Article 29(2) statement on benchmarks:	Applicable: Amounts payable under the Notes will, from and including the Optional Redemption Date to but excluding the Maturity Date, be calculated by reference to 3 month EURIBOR, which is provided by the European money market institute (" EMMI ").
