<i>What are the key risk factors that are specific to the issuer</i>		
Most material key risk factors		
1a	Risks related to the sale and supply of our products	
I	Our results depend on salmon prices.	Mowi's results are substantially dependent on salmon prices, and salmon prices are subject to large short and long-term fluctuations due to variations in supply and demand caused by factors such as smolt transfer, biological factors, quality, shifts in consumption and license changes. Short- or long-term decreases in the price of farm-raised salmon may harm our profitability and ability to service our debt obligations.
III	Market demand for our products may decrease.	Increased competition, consolidation and overcapacity may lead to reductions in the price of competing products that could curtail demand for our products. This may reduce our operating cash flow, and thus the liquidity available to pay interest costs.
1b	Risks related to governmental regulation	
I	Tightening of governmental regulations may adversely affect our business.	There is a risk that local, regional and national governments or environmental agencies will introduce new, stricter regulations in the jurisdictions in which Mowi operates relating to the farming, processing, packaging, storage, distribution, advertising, labeling, quality and safety of food products. Any such tightening of regulations may restrict Mowi's ability to operate or grow the business as planned, or may introduce additional costs and reduce EBIT margin. This in turn may reduce Mowi's debt service capacity, and may also reduce the value of the Group's equity, risking a breach of the financial covenants relating to our long-term debt, and potentially making refinancing more challenging.
1c	Risks related to our fish farming operations	
I	Our fish stocks, operations and reputation can be adversely affected by various diseases and parasites, including sea lice.	Mowi's fish are affected by diseases caused by viruses, bacteria and parasites which may have an adverse effect on fish survival, health, growth and welfare and may result in reduced harvest weight and volume, downgrading of products, claims from customers and increased costs. In particular, authorities in all countries with an aquaculture industry have set limits for the acceptable number of sea lice per fish with which Mowi must comply. A failure to control sea lice levels at our farms may result in an increased number of treatments and lead to compromised fish welfare and higher mortality, higher operating costs and/or and the possibility of regulatory actions. The associated costs may reduce the liquidity available to service Mowi's bond obligations. Continued disease or lice problems may also attract negative media attention and public concerns, which may affect sales of Mowi products.
VI	Our operations are exposed to risks related to biological events or natural phenomena for which insurance coverage is expensive, limited and potentially inadequate.	Our business operations are subject to a number of adverse biological risks, including risks relating to sea lice, fish mortality, disease, predation and other biological risks. There will always be a risk that certain biological events or natural phenomena may occur for which no or only partial insurance coverage is payable, and for which some or all of the costs must be met by Mowi, reducing the liquidity available to service the Group's debt obligations.
1f	Risks related to our business	

	II We rely heavily on the services of key personnel.	We depend substantially on the leadership of a small number of executive officers and other key employees. There is a risk that key personnel may leave the employment of the Group. The loss of the services provided by these individuals could have a materially adverse effect on our business if replacement personnel of sufficiently high calibre cannot be found in a timely manner. In particular, we may find it difficult to attract the necessary employee resources in the remote areas in which we operate.
	VI We depend on a small number of contractors for key industry supplies, such as fish feed and well boats.	We depend on major industry suppliers of well boats and fish feed. We currently hire most of our well boats, and we purchase a significant share of our fish feed from third parties. There is a limited number of key suppliers of these items to our industry, and failure to maintain good business relationships with these suppliers may have a significantly adverse effect on us.
1g	Risks related to our financing arrangements	
	I If we are unable to access capital, we may be unable to grow or implement our strategy as designed.	Feed production, salmon farming and seafood processing are capital intensive industries. Our future development and growth may depend on access to external capital in the form of debt and/or equity capital. A lack of access to such capital, or material changes in the terms and conditions of our external financing could limit our future growth and strategy.
	IV Fluctuations in foreign exchange rates may adversely impact our operating results.	We are exposed to changes in foreign exchange rates as a part of our business operations. For example, farming operations incur costs in NOK and CAD while most salmon is sold for EUR or USD. Although we seek to hedge part of our exposure to currency risk, the remaining exposure may have a materially adverse effect on our business and financial figures.
	V We are subject to fluctuations in interest rates due to the prevalence of floating interest rates in our debt.	We are predominantly financed at floating interest rates, while we have entered into partial hedges against interest rate fluctuations in the main currencies related to our interest-bearing debt, the remaining exposure to the effects of interest rate increases may have a materially adverse effect on our business and financial figures.
	VI If our customers fail to fulfill their contractual obligations we may suffer losses.	We are exposed to the risk of losses if one or more contractual partners do not meet their obligations. We cannot guarantee that we will be able to recover losses from trade receivables from credit insurance companies or that our credit evaluations of trading partners will be effective.
1h	Risks related to tax and legal matters	
	I We are exposed to potentially adverse changes in the tax regimes of the jurisdictions in which we operate.	Significant changes in the tax regimes in the countries in which we operate may have a materially adverse effect on our financial figures. For example, A Norwegian Parliamentary committee in 2019 proposed a 40% resource tax on aquaculture in Norway which would if implemented have had a huge negative impact on our business.
4	Risks related to other legal matters	
	I Developments related to antitrust investigations could have a materially adverse effect.	We are subject to a variety of laws and regulations that govern our business, including those relating to competition (antitrust). If we are found to have violated the competition laws in a jurisdiction, we may be fined, which could have a materially adverse effect on our financial figures.

<i>What are the key risks that are specific to the securities</i>	What are the key risks that are specific to the securities
Most material key risks	

	Risk factor	Description
I	The Group requires significant liquidity to meet debt obligations	The ability of the Issuer to make principal or interest payments when due in respect of the Bonds will depend on the Group's future financial performance and cash generation ability. Mowi is subject to a large number of risk factors all of which affect to a greater or lesser extent the Group's cash generation ability (detailed in section 1.1) and thus its debt service capacity. If the Issuer does not generate sufficient liquidity from operations and other capital resources to pay its financial indebtedness and to fund its other liquidity needs at the time the bonds mature, the Issuer may be required to incur new financial indebtedness in order to be able to repay the Bonds, however there is a risk that the Issuer may be unable to refinance its indebtedness either at all, or on acceptable terms, which may inhibit the Issuer's ability to pay all or part of the principal on the Bonds when due, if at all.
II	The Bonds will be subordinated to the Issuer's secured debt	The secured creditors of the Issuer will have priority over the assets securing their debt. There is therefore a risk that Mowi's senior secured lenders may enforce their security against the interests of the bondholders, and without consulting them. Any assets remaining after repayment of the Issuer's secured debt may not be sufficient to repay all amounts owing under the Bonds.
III	There can be no assurance of a liquid market for the Bonds and there is a risk of volatility in the price of the Bonds	The liquidity of the market for the Bonds depends largely on investor interest in the bond market at large and particularly in the Issuer and the aquaculture segment in which Mowi resides, among other factors. There are few bond issuers in the aquaculture segment, so there is limited data available to gauge investor interest, and there can be no assurance as to (i) the liquidity of the market for the Bonds, (ii) Bondholders' ability to sell the Bonds, or (iii) the price at which Bondholders would be able to sell the Bonds. Historically, the market for non-investment grade debt has been subject to disruptions that have caused substantial volatility in the prices of securities similar to the Bonds. In addition, if an active market does not develop or is not maintained, the price and liquidity of the Bonds may be adversely affected.

- (c) The Bondholders' Meeting may not adopt resolutions which will give certain Bondholders an unreasonable advantage at the expense of other Bondholders.
- (d) Subject to the power of the Bond Trustee to take certain action as set out in Clause 16.1 (*Power to represent the Bondholders*), if a resolution by, or an approval of, the Bondholders is required, such resolution may be passed at a Bondholders' Meeting. The Summons shall be sent to all Bondholders registered in the CSD at the time the Summons is sent from the CSD. If the Bonds are listed, the Issuer shall ensure that the Summons is published in accordance with the applicable regulations of the Exchange. The Summons shall also be published on the website of the Bond Trustee (alternatively by press release or other relevant information platform).
- (d) Any Summons for a Bondholders' Meeting must clearly state the agenda for the Bondholders' Meeting and the matters to be resolved. The Bond Trustee may include additional agenda items to those requested by the person calling for the Bondholders' Meeting in the Summons. If the Summons contains proposed amendments to these Bond Terms, a description of the proposed amendments must be set out in the Summons.
- (e) Items which have not been included in the Summons may not be put to a vote at the Bondholders' Meeting.
- (f) By written notice to the Issuer, the Bond Trustee may prohibit the Issuer from acquiring or dispose of Bonds during the period from the date of the Summons until the date of the Bondholders' Meeting, unless the acquisition of Bonds is made by the Issuer pursuant to Clause 10 (*Redemption and Repurchase of Bonds*).
- (g) A Bondholders' Meeting may be held on premises selected by the Bond Trustee, or if paragraph (b) above applies, by the person convening the Bondholders' Meeting (however to be held in the capital of the Relevant Jurisdiction). The Bondholders' Meeting will be opened and, unless otherwise decided by the Bondholders' Meeting, chaired by the Bond Trustee. If the Bond Trustee is not present, the Bondholders' Meeting will be opened by a Bondholder and be chaired by a representative elected by the Bondholders' Meeting (the Bond Trustee or such other representative, the "**Chairperson**").
- (h) Each Bondholder, the Bond Trustee and, if the Bonds are listed, representatives of the Exchange, or any person or persons acting under a power of attorney for a Bondholder, shall have the right to attend the Bondholders' Meeting (each a "**Representative**"). The Bondholders Meeting may resolve to exclude the Issuer's representatives and/or any person holding only Issuer's Bonds (or any representative of such person) from participating in the meeting at certain times, however, the Issuer's representative and any such other person shall have the right to be present during the voting.
- (j) Minutes of the Bondholders' Meeting must be recorded by, or by someone acting at the instruction of, the Chairperson. The minutes must state the number of Voting Bonds represented at the Bondholders' Meeting, the resolutions passed at the meeting, and the

- (b) Issuer's Bonds shall not carry any voting rights. The Chairperson shall determine any question concerning whether any Bonds will be considered Issuer's Bonds.
- (c) For the purposes of this Clause 15 (*Bondholders' decisions*), a Bondholder that has a Bond registered in the name of a nominee will, in accordance with Clause 3.3 (*Bondholders' rights*), be deemed to be the owner of the Bond rather than the nominee. No vote may be cast by any nominee if the Bondholder has presented relevant evidence to the Bond Trustee pursuant to Clause 3.3 (*Bondholders' rights*) stating that it is the owner of the Bonds voted for. If the Bondholder has voted directly for any of its nominee registered Bonds, the Bondholder's votes shall take precedence over votes submitted by the nominee for the same Bonds.
- (d) Any of the Issuer, the Bond Trustee and any Bondholder has the right to demand a vote by ballot. In case of parity of votes, the Chairperson will have the deciding vote.

15.4 Repeated Bondholders' Meeting

- (a) Even if the necessary quorum set out in paragraph (e) of Clause 15.1 (*Authority of the Bondholders' Meeting*) is not achieved, the Bondholders' Meeting shall be held and voting completed for the purpose of recording the voting results in the minutes of the Bondholders' Meeting. The Bond Trustee or the person who convened the initial Bondholders' Meeting may, within ten (10) Business Days of that Bondholders' Meeting, convene a repeated meeting with the same agenda as the first meeting.
- (b) The provisions and procedures regarding Bondholders' Meetings as set out in Clause 15.1 (*Authority of the Bondholders' Meeting*), Clause 15.2 (*Procedure for arranging a Bondholders' Meeting*) and Clause 15.3 (*Voting rules*) shall apply *mutatis mutandis* to a repeated Bondholders' Meeting, with the exception that the quorum requirements set out in paragraph (d) of Clause 15.1 (*Authority of the Bondholders' Meeting*) shall not apply

to a repeated Bondholders' Meeting. A Summons for a repeated Bondholders' Meeting shall also contain the voting results obtained in the initial Bondholders' Meeting.

- (c) A repeated Bondholders' Meeting may only be convened once for each original Bondholders' Meeting. A repeated Bondholders' Meeting may be convened pursuant to the procedures of a Written Resolution in accordance with Clause 15.5 (*Written Resolutions*), even if the initial meeting was held pursuant to the procedures of a Bondholders' Meeting in accordance with Clause 15.2 (*Procedure for arranging a Bondholders' Meeting*) and vice versa.

15.5 Written Resolutions

- (a) Subject to these Bond Terms, anything which may be resolved by the Bondholders in a Bondholders' Meeting pursuant to Clause 15.1 (*Authority of the Bondholders' Meeting*) may also be resolved by way of a Written Resolution. A Written Resolution passed with the relevant majority is as valid as if it had been passed by the Bondholders in a Bondholders' Meeting, and any reference in any Finance Document to a Bondholders' Meeting shall be construed accordingly.
- (b) The person requesting a Bondholders' Meeting may instead request that the relevant matters are to be resolved by Written Resolution only, unless the Bond Trustee decides otherwise.
- (c) The Summons for the Written Resolution shall be sent to the Bondholders registered in the CSD at the time the Summons is sent from the CSD and published at the Bond Trustee's web site, or other relevant electronic platform or via press release.

- (f) Only Bondholders of Voting Bonds registered with the CSD on the Relevant Record Date, or the beneficial owner thereof having presented relevant evidence to the Bond Trustee pursuant to Clause 3.3 (*Bondholders' rights*), will be counted in the Written Resolution.
- (g) A Written Resolution is passed when the requisite majority set out in paragraph (e) or paragraph (f) of Clause 15.1 (*Authority of Bondholders' Meeting*) has been obtained, based on a quorum of the total number of Voting Bonds, even if the Voting Period has not yet expired. A Written Resolution will also be resolved if the sufficient numbers of negative votes are received prior to the expiry of the Voting Period.
- (h) The effective date of a Written Resolution passed prior to the expiry of the Voting Period is the date when the resolution is approved by the last Bondholder that results in the necessary voting majority being obtained.
- (i) If no resolution is passed prior to the expiry of the Voting Period, the number of votes shall be calculated at the close of business on the last day of the Voting Period, and a decision will be made based on the quorum and majority requirements set out in paragraphs (e) to (g) of Clause 15.1 (*Authority of Bondholders' Meeting*).
