SELECTED RISK FACTORS

An investment in the Notes involves significant risks. You should read the risks summarized below in connection with, and the risks described in more detail in the “Risk Factors” section beginning on page S-5 of the prospectus supplement. You should consult your investment, legal, tax, accounting and other advisers and to invest in the Notes only after you and your advisers have carefully considered the risks in the Notes in light of your particular circumstances.

- **Issuer Credit Risk**—The Notes are our unsecured debt obligations, and are not, either directly or indirectly, an obligation of Barclays Bank PLC. The ability to make on the Notes, including any principal protection provided at maturity, depends on our ability to satisfy our obligations and the creditworthiness of Barclays Bank PLC may affect the market value of the Notes and, in the event we were to default, we may not receive the principal protection or any other amounts owed to you under the terms of the Notes.
- **Certain Built-In Costs Are Likely to Adversely Affect the Value of the Notes Prior to Maturity**—Although you will not receive interest on the Notes if you hold the Notes to maturity, the Original Issue Price of the Notes includes the agent’s commission and the cost of the Notes through one or more of our affiliates. As a result, assuming no change in market conditions or any other relevant factors, Barclays Capital Inc. and other affiliates of Barclays Bank PLC will be willing to purchase Notes from you in secondary market transactions at the Original Issue Price, and any sale prior to the Maturity Date could result in a substantial loss to you.
- **Potential Conflicts**—We and our affiliates play a variety of roles in connection with the issuance of the Notes, including hedging and performing these duties, the economic interests of our affiliates of ours are potentially adverse to your interests as an investor. In addition, Barclays Wealth, the wealth management division of Barclays Capital Inc., may arrange for the sale of the Notes through Barclays Bank PLC. Barclays Wealth will be acting as agent for Barclays Bank PLC and may receive compensation from Barclays Bank PLC in the event of the sale of the Notes. The role of Barclays Wealth as a provider of certain services to such customers and as agent for Barclays Bank PLC in connection with the sale of the Notes to investors may create a potential conflict of interest, which may be adverse to such clients. Barclays Wealth is not acting as an investment adviser to investors and is not representing you in any capacity with respect to any purchase of Notes by you. Barclays Wealth is acting solely as agent for Barclays Bank PLC. When considering whether to invest in the Notes through Barclays Wealth, we strongly urge you to seek independent financial and legal advice in connection with such investment.
- **Lack of Liquidity**—The Notes will not be listed on any securities exchange. Barclays Capital Inc. and other affiliates of Barclays Bank PLC may create a secondary market for the Notes but are not required to do so, and may discontinue any such secondary market making at any time. If there is no active secondary market, it may not provide enough liquidity to allow you to trade or sell the Notes easily. Because other dealers are not making a market for the Notes, the price at which you may be able to trade your Notes is likely to depend on the price, if any, at which Barclays Bank PLC are willing to buy the Notes. The Notes are not designed to be short-term trading instruments. Accordingly, you may not be able to hold your Notes to maturity.
- **Many Economic and Market Factors Will Impact the Value of the Notes**—The value of the Notes will be affected by a number of factors, some of which may either offset or magnify each other, including:
 - the time to maturity of the Notes;
 - interest and yield rates in the market generally;
 - a variety of economic, financial, political, regulatory or judicial events; and
 - our creditworthiness, including actual or anticipated downgrades in our credit ratings.

Pricing Supplement 13Y BARC Step-up w/ Survivor Option Black

DESCRIPTION OF SURVIVOR'S OPTION

Upon request by the authorized representative of the beneficial owner of the Notes, Barclays Bank PLC will repay those Notes prior to the Maturity Date of the Notes (the “**Survivor’s Option**”), provided such Notes were acquired by the deceased beneficial owner at least six months prior to the death of the deceased beneficial owner. Upon the valid exercise of the Survivor’s Option and the proper tender of the Notes for repayment, Barclays Bank PLC will repay such Notes to 100% of the principal amount of the deceased beneficial owner’s beneficial interest in the Notes plus accrued and unpaid interest to the date of death. For purposes of this section, a beneficial owner of Notes is a person who has the right, immediately prior to such person’s death, to receive the proceeds from the sale of the Notes or the right to receive payment of the principal of the Notes.

To be valid, the Survivor’s Option must be exercised by or on behalf of the person who has authority to act on behalf of the deceased beneficial owner of the applicable jurisdiction (including, without limitation, the personal representative of or the executor of the estate of the deceased beneficial owner or a person acting in concert with the deceased beneficial owner).

The death of a person holding a beneficial ownership interest in the Notes: (1) with any person in a joint tenancy with right of survivorship; (2) by the entirety, tenancy in common, as community property or in any other joint ownership arrangement, will be deemed the death of a beneficial owner. The entire principal amount of the Notes held in this manner will be subject to repayment by Barclays Bank PLC upon request. However, the death of a person holding a beneficial ownership interest in Notes as tenant in common with a person other than his or her spouse will be deemed the death of a beneficial owner of the person’s interest in the Notes, and only the deceased beneficial owner’s percentage interest in the principal amount of the Notes will be subject to repayment.

If the ownership interest in the Notes is held by a nominee for a beneficial owner or by a custodian under a Uniform Gifts to Minors Act or a trustee of a trust that is wholly revocable by the beneficial owner, or by a guardian or committee for a beneficial owner, the death of the beneficial owner will constitute death of the beneficial owner for purposes of the Survivor’s Option, if the beneficial ownership interest can be established to the satisfaction of Barclays Bank PLC. In these cases, the death of the nominee, custodian, trustee, guardian or committee will not be deemed the death of the beneficial owner of the Notes for purposes of the Survivor’s Option.

Barclays Bank PLC has the discretionary right to limit the aggregate principal amount of the Notes as to which exercises of the Survivor’s Option may be made by the authorized representatives of deceased beneficial owners in any calendar year, to an amount equal to 2.0% of the aggregate amount of the Notes outstanding as of the most recent calendar year.

Barclays Bank PLC also has the discretionary right to limit to \$250,000 the aggregate principal amount of Notes as to which exercises of the Survivor’s Option may be made by the authorized representatives of deceased beneficial owners of such notes in any calendar year. In addition, Barclays Bank PLC may permit the exercise of the Survivor’s Option (a) for a principal amount less than \$1,000, or (b) if such exercise will result in a beneficial owner having a principal amount of less than \$1,000 outstanding.

An otherwise valid election to exercise the Survivor’s Option may not be withdrawn. Elections to exercise the Survivor’s Option will be accepted by Barclays Bank PLC, except for any election the acceptance of which would contravene any of the limitations described above. Notes tendered through the exercise of the Survivor’s Option will be repaid on the first Interest Payment Date that occurs 60 or more calendar days after the date of tender to Barclays Bank PLC. Each tendered Note that is not accepted in any calendar year due to the application of any of the limitations described above will be deemed to be tendered in the following calendar year in the order in which all such Notes were originally tendered. If a Note tendered through the exercise of the Survivor’s Option is not accepted by Barclays Bank PLC, the trustee, upon receipt of a valid written instruction from Barclays Bank PLC or its agent, will deliver the Note to the holder that states the reason that Note has not been accepted for repayment.

Because the Notes will be issued in book-entry form (except in very limited circumstances), DTC or its nominee will be treated as the holder of record of the Notes that receives notices from Barclays Bank PLC (or the trustee) and, on behalf of the deceased beneficial owner’s authorized representative, will exercise the Survivor’s Option for such Notes. To obtain repayment of the Notes pursuant to exercise of the Survivor’s Option, the deceased beneficial owner must deliver a valid written instruction to Barclays Bank PLC.

In turn, the broker or other entity will deliver each of these items, through the appropriate direct participant in DTC and the facilities of DTC, in the form of notice (the "Form of Notice"), to the trustee and to Barclays Bank PLC and will certify to Barclays Bank PLC that the broker or other entity is the authorized representative of the deceased beneficial owner. The broker or other entity will be responsible for disbursing payments received from the trustee, through the facilities of DTC, to the beneficial owner.

During any time in which the Notes are not represented by a global note and are issued in definitive form:

- all references in this section to participants and DTC, including the DTC's governing rules, regulations and procedures, will be deemed to include the applicable provisions of the DTC's governing rules, regulations and procedures, in addition to the applicable provisions of the DTC's governing rules, regulations and procedures, in addition to the applicable provisions of the DTC's governing rules, regulations and procedures;
- all determinations that the DTC participants are required to make as described in this section will be made by Barclays Bank PLC, in determining whether the applicable decedent is in fact the beneficial owner of the interest in the Notes to be redeemed or is in fact the beneficial owner of the interest in the Notes to be redeemed; and
- all redemption requests, to be effective, must:
 - be delivered by the representative to Barclays Bank PLC and to the trustee;
 - be made by completing the Form of Notice in accordance with the related instructions; and
 - be accompanied by, if applicable, a properly executed assignment or endorsement, in addition to all documents required to accompany a redemption request. If the record holder of the Note is a nominee of the deceased beneficial owner, a nominee attesting to the deceased's ownership of a beneficial interest in the Note must also be delivered.

Barclays Bank PLC retains the right to limit the aggregate principal amount of Notes as to which exercises of the Survivor's Option will be made by representatives of deceased beneficial owners and from the authorized representative for any individual deceased beneficial owner in any or all cases. Other questions regarding the eligibility or validity of any exercise of the Survivor's Option generally will be determined by Barclays Bank PLC and binding on all parties.

The Form of Notice may be obtained from Barclays Bank PLC, 745 Seventh Avenue, New York, NY 10019, Attention: US-Syndicate, MTN-Syndicate, or by email at us-syndicate@barclays.com.
