SELECTED RISK FACTORS

An investment in the Notes involves significant risks. You should read the risks summarized below in connection with the Notes. The risks described below are qualified by reference to, the risks described in more detail in the “Risk Factors” section beginning on page 15 of the prospectus supplement. We urge you to consult your investment, legal, tax, accounting and other advisers and to invest in the Notes only if your advisers have carefully considered the suitability of an investment in the Notes in light of your particular circumstances.

- **Issuer Credit Risk**—The Notes are our unsecured debt obligations, and are not, either directly or indirectly, an obligation of Barclays Bank PLC. Payment to be made on the Notes, including any principal protection provided at maturity, depends on our ability to satisfy our obligations. As a result, the actual and perceived creditworthiness of Barclays Bank PLC may affect the market value of the Notes. In the event of a default on our obligations, you may not receive the principal protection or any other amounts owed to you under the terms of the Notes.
- **Certain Built-In Costs Are Likely to Adversely Affect the Value of the Notes Prior to Maturity**—While the pricing supplement is based on the full principal amount of your Notes, the original issue price of the Notes includes the cost of hedging our obligations under the Notes through one or more of our affiliates. As a result, the price, if any, at which our affiliates of Barclays Bank PLC will be willing to purchase Notes from you in secondary market transactions will likely be less than the face value of your Notes, and any sale prior to the Maturity Date could result in a substantial loss to you.
- **Potential Conflicts**—We and our affiliates play a variety of roles in connection with the issuance of the Notes, including as agent, underwriter, and distributor of the Notes. In performing these duties, the economic interests of our affiliates of ours are potentially adverse to your interests.

In addition, Barclays Wealth, the wealth management division of Barclays Capital Inc., may arrange for the sale of the Notes. If we do so, Barclays Wealth will be acting as agent for Barclays Bank PLC and may receive compensation from Barclays Bank PLC for discounts and commissions. The role of Barclays Wealth as a provider of certain services to such customers and as a distributor of the Notes in connection with the distribution of the Notes to investors may create a potential conflict of interest, which may be adverse to you. Barclays Wealth is not acting as your agent or investment adviser, and is not representing you in any capacity with respect to an investment in the Notes. Barclays Wealth is acting solely as agent for Barclays Bank PLC. If you are considering whether to invest in the Notes, we strongly urge you to seek independent financial and investment advice to assess the merits of such investment.

- **Lack of Liquidity**—The Notes will not be listed on any securities exchange. Barclays Capital Inc. and other affiliates of Barclays Bank PLC may make a secondary market for the Notes but are not required to do so, and may discontinue any such secondary market at any time without notice. Barclays Capital Inc. may at any time hold unsold inventory, which may inhibit the development of a secondary market for the Notes. If there is a secondary market, it may not provide enough liquidity to allow you to trade or sell the Notes easily. Because there is no active secondary market for the Notes, the price at which you may be able to trade your Notes is likely to depend on the price at which Barclays Capital Inc. and other affiliates of Barclays Bank PLC are willing to buy the Notes. The Notes are not designed to be short-term investments, and you should be able and willing to hold your Notes to maturity.
- **Any Exercise of the Survivor’s Option May Be Limited in Amount and Any Repayments Made With Respect to the Notes May Be Made Immediately** — The Survivor’s Option is a provision of the Notes pursuant to which we agree to repay the Notes to the representative of the beneficial owner of the Notes, following the death of the beneficial owner of the Notes, provided that the request is made by the beneficial owner at least six months prior to the date of the request. Acceptance of an exercise of a Survivor’s Option and the eligibility and validity of any exercise of a Survivor’s Option will be at our sole discretion. We also have the discretionary

aggregate principal amount of Notes as to which exercises of the Survivor's Option will be accepted by us from all authorized deceased beneficial owners of Notes offered by this pricing supplement in any calendar year to an amount equal to 2% of Notes offered by this pricing supplement outstanding as of the end of the most recent calendar year. In addition, we

PS-1

right to limit to \$250,000 the aggregate principal amount of Notes offered by this pricing supplement as to which exercise is accepted by us from the authorized representative of any deceased beneficial owner of the Notes offered by this pricing supplement in any calendar year. Accordingly, no assurance can be given that the valid exercise of a Survivor's Option, if any, for a desired amount of principal will be accepted in any calendar year. In addition, as a result of the foregoing limitations, in some cases exercises of a Survivor's Option may not be accepted in any calendar year that the Survivor's Option has been exercised, or in one or more years subsequent to the year that the Survivor's Option was exercised. Furthermore, Survivor's Option claims that were subject to the foregoing limitations in one or more preceding calendar years will not be accepted in a succeeding calendar year (subject to the satisfaction of the conditions specified below, including the submission of a Survivor's Option Reaffirmation Form (as defined below)) and in such succeeding calendar year will again be subject to the limitations described above. Additional Survivor's Option exercises made in any such succeeding calendar year are more likely to be limited by the limitations described above because the resubmission of the Survivor's Option exercises that were subject to the limitations in preceding years may not be accepted because the limitations described above being reached earlier in succeeding calendar years. These limitations and our discretion in applying them are described in more detail under the "Description of the Survivor's Option" below.

If a valid request to exercise the Survivor's Option is not fully accepted in any calendar year due to the application of any of the limitations described in the preceding paragraph and in "Description of the Survivor's Option" below, the Notes will be deemed to be tendered to the trustee for redemption if an authorized representative of the deceased beneficial owner and any Financial Institution (as defined below) through which the beneficial interest in the Notes is held by the deceased beneficial owner reaffirms the exercise of the Survivor's Option by submitting a completed Survivor's Option Reaffirmation Form (as defined below). If a completed Survivor's Option Reaffirmation Form is not submitted to the trustee following the delivery thereof by the trustee to the relevant Financial Institution through which the beneficial ownership in the Notes is held by the deceased beneficial owner, the election to exercise the Survivor's Option will be deemed to have been withdrawn. The requirements for the Survivor's Option Reaffirmation Forms are described in more detail under the heading "Description of the Survivor's Option" below.

In addition, even if the Notes accepted for repayment pursuant to the valid exercise of a Survivor's Option in a certain calendar year, repayment will not be made until the first of two Survivor's Option Payment Dates (November 15) that occurs 30 or more calendar days after the date of acceptance.

Whether you should exercise a Survivor's Option if you meet the eligibility requirements to do so is a decision you will need to make on your own. You should consult with your investment, legal, accounting, tax and other advisers, after considering all the facts and circumstances of your situation. One factor that you may wish to take into account is the prevailing secondary market prices for the notes, if any, at the time you exercise your Survivor's Option or the submission of a Survivor's Option Reaffirmation Form. In some circumstances, such secondary market prices may be greater than the price you would receive upon the exercise of your Survivor's Option. Accordingly, you should contact your investment adviser to review the prevailing secondary market prices of the Notes, if any, in order to determine whether to sell the notes to a market participant at the prevailing market prices, if any, or to exercise the Survivor's Option to receive repayment at a price equal to 100% of the principal amount of the notes.

For additional details regarding the Survivor's Option, see "Description of the Survivor's Option" in this pricing supplement.

Many Economic and Market Factors Will Impact the Value of the Notes—The value of the Notes will be affected by many economic and market factors that may either offset or magnify each other, including:

- o the time to maturity of the Notes;
- o interest and yield rates in the market generally;
- o a variety of economic, financial, political, regulatory or judicial events; and

<http://www.sec.gov/Archives/edgar/data/3120>

- o our creditworthiness, including actual or anticipated downgrades in our credit ratings.

DESCRIPTION OF SURVIVOR'S OPTION

Upon request by the authorized representative of the beneficial owner of the Notes, Barclays Bank PLC will repay those Notes upon the death of the beneficial owner of the Notes (the “**Survivor's Option**”), provided such Notes were acquired by the deceased beneficial owner within 12 months prior to the date of the request. Upon the valid exercise of the Survivor's Option and the proper tender of the Notes for repayment, subject to the limitations described below, will repay such Notes, in whole or in part, at a price equal to 100% of the principal amount of the owner's beneficial interest in the Notes plus accrued and unpaid interest to the date of repayment. For purposes of this section, the person who has the right, immediately prior to such person's death, to receive the proceeds from the disposition of such Notes, shall be deemed the beneficial owner for payment of the principal of the Notes.

To be valid, the Survivor's Option must be exercised by or on behalf of the person who has authority to act on behalf of the deceased beneficial owner of the Notes under the laws of the applicable jurisdiction (including, without limitation, the personal representative of or the executor of the estate of the beneficial owner or the surviving joint owner with the deceased beneficial owner) (for purposes of this section, the authorized representative of the beneficial owner shall be referred to as an “Authorized Representative”).

The death of a person holding a beneficial ownership interest in the Notes: (1) with any person in a joint tenancy with right of survivorship, or with a spouse in tenancy by the entirety, tenancy in common, as community property or in any other joint ownership arrangement, will be deemed the death of the beneficial owner of those Notes, and the entire principal amount of the Notes (subject to the limitations described below) held in the Notes shall be subject to repayment by Barclays Bank PLC upon request. However, the death of a person holding a beneficial ownership interest in the Notes, if the person other than his or her spouse will be deemed the death of a beneficial owner only with respect to such deceased person's percentage interest in the principal amount of the Notes will be subject to repayment.

If the ownership interest in the Notes is held by a nominee for a beneficial owner or by a custodian under a Uniform Gifts to Minors Act, or by a trustee of a trust, or by a guardian or committee for a beneficial owner, the death of the beneficial owner or the death of the nominee, custodian, trustee, guardian or committee for a beneficial owner for purposes of the Survivor's Option, if the beneficial ownership interest can be established to the satisfaction of the issuer, in these cases, the death of the nominee, custodian, trustee, guardian or committee will not be deemed the death of the beneficial owner for purposes of the Survivor's Option.

Notes beneficially owned by a trust will be regarded as beneficially owned by each beneficiary of the trust to the extent of that beneficiary's interest in the trust (however, a trust's beneficiaries collectively cannot be beneficial owners of more Notes than are owned by the trust); provided that the death of the beneficial owner of the Notes beneficially owned by the trust to the extent of that beneficiary's interest in the trust will be deemed the death of all such individuals who are tenants by the entirety or joint tenants in a tenancy which is the beneficiary of a trust will be deemed the death of the beneficiary of the trust only with respect to the deceased holder's beneficial ownership interest in the Notes, unless spouses are the beneficial owners of the Notes, in which case only the death of both spouses will be deemed the death of the beneficiary of the trust.

Barclays Bank PLC has the discretionary right to limit the aggregate principal amount of the Notes as to which exercises of the Survivor's Option may be made by it from all authorized representatives of deceased beneficial owners of Notes offered by this pricing supplement in any calendar year to 2.0% of the aggregate amount of the Notes offered by this pricing supplement, outstanding as of the end of the most recent calendar year (the “Limitation”).

<http://www.sec.gov/Archives/edgar/data/3120>

Barclays Bank PLC also has the discretionary right to limit to \$250,000 the aggregate principal amount of Notes offered pursuant to which exercises of the Survivor's Option will be accepted by Barclays Bank PLC from the Authorized Representative for any amount of such Notes in any calendar year ("Individual Put Limitation", and together with the "Aggregate Put Limitation", the "Put Limitation").

In addition, the exercise of the Survivor's Option (a) for a principal amount of less than \$1,000 or (b) if such exercise would result in less than \$1,000 outstanding, will not be permitted. If, however, the original principal amount of such Notes was less than \$1,000, the Authorized Representative may exercise the Survivor's Option, but only for the full principal amount of such Note.

PS-3

The application of the Put Limitations is at the sole and absolute discretion of Barclays Bank PLC. We may establish internal policies and procedures for the application of the Put Limitations and may change any such policies and procedures from time to time, all in our sole discretion. We reserve the right in our sole discretion to waive the Put Limitations with respect to some beneficial owners without extending that waiver to other similarly situated beneficial owners.

Except as described below, any Notes (or portion thereof) tendered pursuant to a valid exercise of the Survivor's Option may not be accepted for repayment (or portions thereof) pursuant to valid exercises of the Survivor's Option will be accepted in the order in which such Notes are received. Any Notes (or portion thereof) the acceptance of which would contravene any of the Put Limitations. Any Notes (or portion thereof) tendered pursuant to exercise of the Survivor's Option will be repaid on the first Survivor's Option Payment Date that occurs 30 or more days after the date of acceptance. A "Survivor's Option Payment Date" means May 15 and November 15 of each calendar year. For example, if the Notes are tendered pursuant to a valid exercise of the Survivor's Option is May 10, 2013, we would repay, subject to the Put Limitations, such Notes on the first Survivor's Option Payment Date occurring on November 15, 2013, because the May 15, 2013 Survivor's Option Payment Date occurs 30 or more days from the date of acceptance. If the Notes (or any portion thereof) tendered for repayment pursuant to a valid exercise of the Survivor's Option and the Survivor's Option Reaffirmation Form (as described below) is not accepted, the trustee will deliver a notice by first-class mail to the address set forth in the Survivor's Option Documentation, that states the reason such Notes (or portion thereof) has not been accepted for repayment. Procedures for obtaining payment on valid exercise of the Survivor's Option that are not accepted as a result of the Put Limitations are described in the Survivor's Option Documentation.

If a Note tendered through a valid exercise of the Survivor's Option (including through a Survivor's Option Reaffirmation Form (as described below)) is not accepted for repayment by Barclays Bank PLC, the trustee, upon receipt of a valid written instruction from Barclays Bank PLC or its agent, will deliver a notice by first-class mail to the address set forth in the Survivor's Option Documentation, that states the reason that Note has not been accepted for repayment.

To obtain repayment of the Notes pursuant to exercise of the Survivor's Option), an Authorized Representative and the broker or dealer having a beneficial interest in the Notes is held by the deceased beneficial owner (the "Financial Institution") must complete the Survivor's Option Notice ("Notice"), which is attached hereto as Appendix A, and the Authorized Representative must provide to the Financial Institution the "Survivor's Option Documentation"):

- a completed Form of Notice, using the form attached hereto as Appendix A, including the certifications that:
 - (a) the deceased was the beneficial owner of the Notes at the time of death and his or her interest in the note was acquired at least six months prior to the date of the request;
 - (b) the death of such beneficial owner has occurred and the date of such death;
 - (c) the Authorized Representative has authority to act on behalf of the deceased beneficial owner and has requested repayment;
 - (d) the Financial Institution currently holds such Notes as a direct participant or indirectly through a participant in DTC.
- if the beneficial ownership interest in the Notes is held (a) with any person in a joint tenancy with right of survivorship, or (b) with the owner's spouse in tenancy by the entirety, tenancy in common, as community property or in any other joint ownership arrangement, common with a person other than his or her spouse, evidence satisfactory to Barclays Bank PLC of such relationship;
- if the beneficial ownership interest in the Notes is held by a nominee or trustee of, custodian for or other person in a fiduciary capacity for the beneficial owner, a certificate satisfactory to Barclays Bank PLC from such nominee, trustee, custodian or similar person.

current beneficial ownership in such Notes;

- tax certifications and such other instruments or documents that the Barclays Bank PLC may reasonably require in beneficial ownership of the Notes and the claimant's entitlement to payment; and
- any additional information Barclays Bank PLC may reasonably require to evidence satisfaction of any conditions to Option or to document beneficial ownership or authority to make the election and to cause the repayment of the Notes.

PS-4

In turn, the Financial Institution will provide to the trustee, and the trustee will forward to Barclays Bank PLC, the Survivor's Option Reaffirmation Form, which is attached hereto as Appendix B (the "Reaffirmation Form"), relating to the relevant Notes, which shall include the identification number assigned by the trustee to each Survivor's Option that relates to the relevant Notes and the request to exercise the Survivor's Option, or such other code used by the trustee to track such requests. We intend to deliver to the trustee such Survivor's Option Reaffirmation Form by January 15 of each succeeding calendar year in which the Survivor's Option has been paid (each such year shall be referred to in this section as a "Succeeding Year"). The trustee will forward the Option Reaffirmation Form to the relevant Financial Institution on or before February 5 of each Succeeding Year.

All tendered Notes that are not accepted in any calendar year due to the application of the Put Limitations will be considered to have been tendered in that calendar year only if an Authorized Representative and the relevant Financial Institution reaffirm the intent to exercise the Survivor's Option by marking the appropriate box in the Survivor's Option Reaffirmation Form and returning a completed copy thereof along with a copy of the previously submitted Survivor's Option Documentation to the trustee within 10 business days following the delivery by the trustee of the Survivor's Option Reaffirmation Form. The Financial Institution will provide to the trustee, and the trustee will forward to Barclays Bank PLC, the Survivor's Option Reaffirmation Form, which shall include the identification number assigned by the trustee to each Survivor's Option that relates to the relevant Notes and the request to exercise the Survivor's Option, or such other code used by the trustee to track such requests. Upon acceptance by Barclays Bank PLC, the trustee will be responsible for disbursing any payments to DTC, pursuant to the exercise of the Survivor's Option, to be forwarded by DTC to the appropriate Financial Institution for disbursement to the Authorized Representative.

If the Financial Institution (on behalf of the Authorized Representative) marks the box in the Survivor's Option Reaffirmation Form indicating an election to exercise the Survivor's Option, the request to exercise the Survivor's Option will be withdrawn. In addition, if a completed Reaffirmation Form is not returned to the trustee within 10 business days following its delivery by the trustee, the request to exercise the Survivor's Option will be deemed to have been withdrawn.

In the event that a request to exercise a Survivor's Option is withdrawn or deemed to have been withdrawn, a request to exercise the Survivor's Option will be reinstated only by completion of a new Form of Notice and resubmission of the other Survivor's Option Documentation that is required to exercise a Survivor's Option pursuant to the paragraphs above. Any such subsequent resubmission will again be subject to the Put Limitations and the Survivor's Option as well as Put Limitations.

The amount that will be eligible for repayment pursuant to a valid submission of a Survivor's Option Reaffirmation Form will be the amount specified in the initial request to exercise the Survivor's Option less any portion of that amount actually repaid. No amount of such difference may be submitted for repayment pursuant to a Survivor's Option Reaffirmation Form. Amounts accepted for repayment pursuant to a Survivor's Option Reaffirmation Form will be repaid, subject to the Put Limitations, on the Survivor's Option Payment Date that is set forth in the Reaffirmation Form after the date of the acceptance by us of the request for repayment set forth in the Survivor's Option Reaffirmation Form.

For the avoidance of doubt, a Survivor's Option Reaffirmation Form will be accepted only if it is executed by a person who would be considered an Authorized Representative as of the date of the Survivor's Option Reaffirmation Form and by the relevant Financial Institution. All repayments pursuant to a Survivor's Option Reaffirmation Form will be subject to the Put Limitations.

In respect of the exercise of any Survivor's Option, separate Forms of Notice and Survivor's Option Reaffirmation Forms, as the

- all determinations that the DTC participants are required to make as described in this section will be made by Barclays Bank PLC, subject to the limitation, determining whether the applicable decedent is in fact the beneficial owner of the interest in the Notes to be redeemed, and whether the representative is duly authorized to request redemption on behalf of the applicable beneficial owner; and
- all redemption requests, to be effective, must:
 - be delivered by the representative to Barclays Bank PLC and to the trustee;
 - be made by completing the Form of Notice (including all exhibits thereto) or a Survivor's Option Reaffirmation Form, in accordance with the related instructions; and
 - be accompanied by, if applicable, a properly executed assignment or endorsement, in addition to all documents required to accompany a redemption request. If the record holder of the Note is a nominee of the deceased beneficial owner, a nominee attesting to the deceased's ownership of a beneficial interest in the Note must also be delivered.

Barclays Bank PLC retains the right to further limit the aggregate principal amount of Notes as to which exercises of the Survivor's Option are made by all authorized representatives of deceased beneficial owners and from the authorized representative for any individual deceased beneficial owner in any calendar year as described above. All other questions regarding the eligibility or validity of any exercise of the Survivor's Option shall be determined by Barclays Bank PLC, which determination will be final and binding on all parties.

Whether you should exercise a Survivor's Option if you meet the eligibility requirements to do so is a decision you will need to make with your investment, legal, accounting, tax and other advisers, after considering all the facts and circumstances of your situation. Another factor you may want to take into account is the prevailing secondary market prices for the notes, if any, at the time you are considering the exercise of your Survivor's Option. The submission of a Survivor's Option Reaffirmation Form. In some circumstances, such secondary market prices, if any, may be greater than the price you will receive upon the exercise of your Survivor's Option. Accordingly, you should contact your advisers to determine the prevailing secondary market prices for the notes, if any, in order to determine whether to sell the notes to a market participant at such secondary market prices, if any, or whether to exercise your option to receive repayment at a price equal to 100% of the principal amount plus accrued and unpaid interest.

Forms for the exercise of the Survivor's Option are attached hereto and may be obtained from The Bank of New York Mellon, 60 Wall Street, Canary Wharf, London E 14 5AL, England.

For purposes of determining whether the Bank will deem Notes beneficially owned by an individual at the time of death, the following

- The death of a person holding a beneficial ownership interest in the Notes: (1) with any person in a joint tenancy with right of survivorship in tenancy by the entirety, tenancy in common, as community property or in any other joint ownership arrangement, will be deemed the death of the holder of the Notes, and the entire principal amount of the Notes held in this manner will be subject to repayment by Barclays Bank PLC upon request; (2) holding a beneficial ownership interest in Notes as tenant in common with a person other than his or her spouse will be deemed the death of the holder of the Notes with respect to such deceased person's interest in the Notes, and only the deceased beneficial owner's percentage interest in the principal amount of the Notes will be subject to repayment.
 - Notes beneficially owned by a trust will be regarded as beneficially owned by each beneficiary of the trust to the extent of that beneficiary's interest in the Notes (however, a trust's beneficiaries collectively cannot be beneficial owners of more Notes than are owned by the trust). The death of the holder of the Notes, or the death of the beneficial owner of the Notes beneficially owned by the trust to the extent of that beneficiary's interest in the trust; however, the death of an individual who is a tenant by the entirety or joint tenants in a tenancy which is the beneficiary of a trust will be deemed the death of the beneficiary of the trust, and the death of an individual who was a tenant in common in a tenancy which is the beneficiary of a trust will be deemed the death of the beneficiary of the trust. The death of the deceased holder's beneficial interest in the Note, unless a husband and wife are the tenants in common, in which case only the death of the surviving spouse will be deemed the death of the beneficiary of the trust.
 - The death of a person who, during his or her lifetime, was entitled to substantially all of the beneficial interest in a Note will be deemed the death of the owner of that Note, regardless of the registration of ownership, if such beneficial interest can be established to the satisfaction of the servicer. Beneficial interest will exist in many cases of street name or nominee ownership, ownership by a trustee, ownership under the Uniform Gifts to Minors Act, joint property or other joint ownership arrangements between spouses.
