The 2023 Floating Rate Notes will bear interest for each interest period at a rate determined by the Calculation Agent and payable as provided under the headings “Interest” and “Method of Payment” in the form of security set forth in Exhibit H hereto. Interest on the 2023 Floating Rate Notes will be payable quarterly in arrears on February 15, May 15, August 15 and November 15 of each year, beginning February 15, 2019, to the person in whose name such 2023 Floating Rate Note is registered at the close of business on February 1, May 1, August 1, or November 1 immediately preceding such interest payment date (whether or not a Business Day).

SECTION 2.08. Calculation Agent. So long as any of the Floating Rate Notes remain outstanding, there will at all times be a calculation agent (the “Calculation Agent”). The Trustee will initially act as the Calculation Agent. If the Trustee is unable or unwilling to continue to act as the Calculation Agent or if it fails to calculate properly the interest rate on either series of Floating Rate Notes for any interest period, the Company will appoint another leading commercial or investment bank to act as

Calculation Agent in its place. Absent manifest error, the determination of the interest rate for a series of Floating Rate Notes by the Calculation Agent shall be binding and conclusive on the Holders of the Floating Rate Notes of such series, the Trustee and the Company and the Calculation Agent shall have no liability or responsibility, except in the case of its gross negligence or willful misconduct, for any information used in determining or calculating any interest rate.

ARTICLE IV

Special Mandatory Redemption

SECTION 4.01. Special Mandatory Redemption. (a) If (i) the Separations and Distributions have not been consummated on or prior to May 1, 2020 or (ii) prior to May 1, 2020, the Company has delivered to the Trustee an Officer's Certificate indicating that it has abandoned any of the Separations or Distributions (the earlier to occur of the events described in clause (i) or (ii), the "Special Mandatory Redemption Event"), the Company shall redeem all of the Notes on the Special Mandatory Redemption Date at a Redemption Price (the "Special Mandatory Redemption Price") equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than ten Business Days following such Special Mandatory Redemption Event) cause a notice (a "Special Mandatory Redemption Notice") to be delivered electronically or mailed, with a copy to the Trustee, to each Holder at its registered address (such date of notification to the Holders, the "Special Mandatory Redemption Notice Date"). The Special Mandatory Redemption Notice will inform Holders that the Notes will be redeemed on the Redemption Date set forth in such notice, which will be no earlier than three Business Days and no later than 30 days from the Special Mandatory Redemption Notice Date (such date, the "Special Mandatory Redemption Date"), and that all of the Outstanding Notes will be redeemed at the Special Mandatory Redemption Price on the Special Mandatory Redemption Date automatically and without any further action by the Holders of the Notes.

(c) At or prior to 10:00 a.m., New York City time, on the Special Mandatory Redemption Date, the Company will deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for all of the Notes to be redeemed. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

(d) Upon the consummation of the Separations and Distributions, this Article IV shall cease to apply and shall have no continuing effect.

ARTICLE V

Change of Control

SECTION 5.01. Change of Control. (a) If a Change of Control Triggering Event occurs with respect to a series of Notes, unless the Company has exercised its option to redeem such series of Notes in accordance with Section 3.01 of this First Supplemental Indenture or has issued a Special Mandatory Redemption Notice in respect of such series of Notes in accordance with Section 4.01 of this First Supplemental Indenture, the Holders of the Notes will have the right to require the Company to repurchase all or any part (equal to \$2,000 and additional multiples of

\$1,000) of their Notes pursuant to an offer described below (the “Change of Control Offer”). In the Change of Control Offer, the Company will be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the date of purchase (the “Change of Control Payment”).

(b) Within 30 days following any Change of Control Triggering Event, the Company shall mail a notice to the Holders of the Notes and the Trustee describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the “Change of Control Payment Date”), pursuant to the procedures required herein and described in such notice.

(c) On the Change of Control Payment Date, the Company shall, to the extent lawful: (i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer; (ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and (iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

(d) The Paying Agent shall promptly pay to each Holder of Notes properly tendered the purchase price for the Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; provided that each new Note shall be in a principal amount of \$2,000 and additional multiples of \$1,000.

(e) The Company shall comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 5.01, the Company shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 5.01 by virtue of such conflicts.

(f) The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by it, and such third party purchases all Notes properly tendered and not withdrawn under its offer.

Covenants

SECTION 6.01. Limitation on Liens. (a) The Company shall not, nor shall the Company permit any Restricted Subsidiary to, issue, assume or guarantee any debt for money borrowed ("Debt") secured by a mortgage, security interest, pledge, lien or other encumbrance (mortgages, security interests, pledges, liens and other encumbrances being hereinafter called "Mortgages") on any Principal Property or on any shares of stock or indebtedness of any Restricted Subsidiary (whether such Principal Property, shares of stock or indebtedness are now owned or hereafter acquired) without in any such case effectively providing concurrently with the issuance, assumption or guaranty of any such Debt that the Notes (together with, if the Company shall so determine, any other indebtedness of or guaranty by the Company or such Restricted Subsidiary ranking equally with the Notes and then existing or thereafter created) shall be secured equally and ratably with such Debt; provided, however, that the foregoing restrictions shall not apply to Debt secured by:

(i) Mortgages on property, shares of stock or indebtedness of any Person existing at the time such Person becomes a Restricted Subsidiary;

(ii) Mortgages on property existing at the time of acquisition of such property by the Company or a Restricted Subsidiary, or Mortgages to secure the payment of all or any part of the purchase price of such property upon the acquisition of such property by the Company or a Restricted Subsidiary or to secure any Debt incurred by the Company or a Restricted Subsidiary prior to, at the time of, or within one year after the later of the acquisition, the completion of construction (including any improvements on an existing property) or the commencement of commercial operation of such property, which Debt is incurred for the purpose of financing all or any part of the purchase price thereof or construction or improvements thereon; provided, however, that in the case of any such acquisition, construction or improvement the Mortgage shall not apply to any property theretofore owned by the Company or a Restricted Subsidiary, other than, in the case of any such construction or improvement, any theretofore unimproved real property on which the property so constructed, or the improvement, is located;

(iii) Mortgages securing Debt owing by any Restricted Subsidiary to the Company or another Restricted Subsidiary;

(iv) Mortgages on property of a Person existing at the time that Person is merged into or consolidated with the Company or a Restricted Subsidiary or at the time of a sale, lease or other disposition of the properties of a Person as an entirety or substantially as an entirety to the Company or a Restricted Subsidiary;

(v) Mortgages on property of the Company or a Restricted Subsidiary in favor of the United States of America or any State thereof, or any department, agency or instrumentality or political subdivision of the United States of America or any State thereof, or in favor of any other country, or any political subdivision thereof, to secure partial, progress, advance or other payments pursuant to any contract or statute or to secure any indebtedness incurred for the purpose of financing all or any part of the purchase price or the cost of construction of the property subject to such Mortgages (including without limitation Mortgages incurred in connection with pollution control, industrial revenue or similar financings);

(vi) Mortgages existing on the date of the Base Indenture; or

(vii) any extension, renewal or replacement (or successive extensions, renewals or replacements), in whole or in part, of any Mortgage referred to in the foregoing clauses (i) to (vi); provided, however, that the principal amount of Debt secured thereby shall not exceed the principal amount of Debt so secured at the time of such extension, renewal or replacement, and that such extension, renewal or replacement shall be limited to all or a part of the property which secured the Mortgage so extended, renewed or replaced (plus improvements on such property).

(b) Notwithstanding Section 6.01(a) above, the Company and one or more of its Restricted Subsidiaries may, without securing the Notes, issue, assume, or guarantee Debt secured by Mortgages which would otherwise be subject to the restrictions set forth in Section 6.01(a) above; provided that the aggregate amount of Debt incurred under this Section 6.01(b) that would then be outstanding after giving pro forma effect to any such incurrence (including the pro forma application of the proceeds of such Debt incurred), together with the aggregate amount of the then outstanding Attributable Debt incurred under Section 6.02(a) of this First Supplemental Indenture, does not exceed 10% of the Consolidated Net Tangible Assets of the Company and its consolidated Subsidiaries.

SECTION 6.02. Sale and Leaseback Transactions. The Company shall not, nor shall it permit any Restricted Subsidiary to, enter into any arrangement with any person providing for the leasing by the Company or any Restricted Subsidiary of any Principal Property of the Company or any Restricted Subsidiary (whether such Principal Property is now owned or hereafter acquired) (except for temporary leases for a term of not more than three years and except for leases between the Company and a Restricted Subsidiary or between Restricted Subsidiaries), which property has been or is to be sold or transferred by the Company or such Restricted Subsidiary to such person, unless (a) the Company or such Restricted Subsidiary would be entitled, pursuant to Section 6.01 of this First Supplemental Indenture, to issue, assume or guarantee Debt secured by a Mortgage upon the property involved at least equal in amount to the Attributable Debt for that transaction without equally and ratably securing the Notes or (b) the Company shall apply an amount in cash equal to the Attributable Debt for that transaction to the retirement (other than any mandatory retirement or by way of payment at maturity), within 90 days of the effective date of any such arrangement, of Debt of the Company or any Restricted Subsidiary (other than Debt owed by the Company or any Restricted Subsidiary and other than Debt of the Company which is subordinated to the Notes), which by its terms matures at or is extendible or renewable at the option of the obligor to a date more than twelve months after the date of creation of such Debt.

It is understood that transactions entered into pursuant to Section 168(f)(8) of the Internal Revenue Code of 1954, as amended, are not Debt secured by a Mortgage within the meaning of Section 6.01 or sale and leaseback transactions prohibited by the first paragraph of this Section 6.02.

SECTION 6.03. Merger, Consolidation or Sale of Assets. Section 6.04 of the Base Indenture shall be applicable to each series of Notes; provided, that, solely with respect to each series of Notes, Section 6.04(a) of the Base Indenture shall be amended to include the following proviso at the end of such provision:

“provided, that this Section 6.04 shall not apply to transactions effected in connection with the Business Realignment, the Internal Reorganization, the Separations or the Distributions”

ARTICLE VII

Events of Default

SECTION 7.01. Events of Default. Section 7.01 of the Base Indenture shall be applicable to each series of Notes. In addition, the following shall be an “Event of Default” with respect to each series of Notes:

the failure of the Company to deliver a Special Mandatory Redemption Notice with respect to such series of Notes in accordance with Section 4.01 of this First Supplemental Indenture.

ARTICLE VIII

Amendment, Supplement and Waiver

SECTION 8.01. Without the Consent of Holders. This Section 8.01 supersedes and replaces Section 14.01 of the Base Indenture with respect to each series of Notes, and references to “Section 14.01” of the Base Indenture shall instead refer to this “Section 8.01” of this First Supplemental Indenture. The terms of any series of Notes or the terms of the Indenture with respect to such series of Notes may be amended, supplemented or otherwise modified by the Company and the Trustee, at any time and from time to time, without the consent of any Holder of Outstanding Notes of such series for any of the following purposes:

- (a) to add to the covenants and agreements of the Company and to add Events of Default, in each case for the protection or benefit of the Holders of such series of Notes, or to surrender any right or power conferred upon the Company;
- (b) to add to or change any of the provisions of the Indenture to provide, change or eliminate any restrictions on the payment of principal of or premium, if any, on such series of Notes; provided that any such action shall not adversely affect the interests of the Holders of the Notes of such series in any material respect;

- (c) to evidence the succession of another entity to the Company, or successive successions, and the assumption by such successor of the covenants and obligations of the Company contained in the Notes of such series and in the Indenture in accordance with Section 6.03 of this First Supplemental Indenture;
- (d) to evidence and provide for the acceptance of appointment by a successor Trustee with respect to such series of Notes and to add to or change any of the provisions of the Indenture as shall be necessary for or facilitate the administration of the trusts under the Indenture by more than one Trustee;
- (e) to secure such series of Notes;
- (f) to cure any ambiguity or inconsistency or to correct or supplement any provision in the Indenture or to conform the terms that are applicable to such series of Notes to the description of the terms of such Notes in the “Description of Notes” section of the Company’s prospectus supplement dated November 14, 2018;
- (g) to add to or change or eliminate any provision of the Indenture as shall be necessary or desirable in accordance with the Trust Indenture Act;
- (h) to add guarantors or co-obligors with respect to such series of Notes or to release guarantors from their guarantees of such series of Notes, in accordance with the terms of such series of Notes;
- (i) to make any change in such series of Notes that does not adversely affect in any material respect the rights of the Holders of such series of Notes;
- (j) to provide for uncertificated securities in addition to certificated securities; or
- (k) to supplement any of the provisions of the Indenture to the extent as shall be necessary to permit or facilitate the defeasance or discharge of such series of Notes; provided that any such action shall not adversely affect the interests of the Holders of such series of Notes in any material respect.

SECTION 8.02. With the Consent of Holders.

(a) This Section 8.02 supersedes and replaces Section 14.02 of the Base Indenture with respect to each series of Notes, and references to “Section 14.02” of the Base Indenture shall instead refer to this “Section 8.02” of this First Supplemental Indenture. The terms of any series of Notes or the terms of the Indenture with respect to such series of Notes may be amended, supplemented or otherwise modified by the Company and the Trustee, at any time and from time to time, with the consent of Holders of a majority in aggregate principal amount of the Outstanding Notes of such series (evidenced as provided in Article VIII of the Base Indenture) for the purpose of adding

any provisions to or changing in any manner or eliminating any provisions of the Indenture or of modifying in any manner the rights of the Holders of the Notes of such series; provided that no such amendment, supplement or modification shall, without the consent of the Holder of each Outstanding Note of such series:

(i) extend the Stated Maturity of the principal of, or any installment of interest on, the Notes of such series, or reduce the principal amount or Redemption Price thereof or the interest thereon or any premium payable thereon, or extend the Stated Maturity of, or change the place of payment where, or the Currency in which the principal of and premium, if any, or interest on the Notes of such series is denominated or payable, change the ranking of such Notes or impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity thereof (or in the case of redemption, on or after the Redemption Date);

(ii) modify any of the provisions of this Section 8.02, Section 6.06 of the Base Indenture or Section 7.06 of the Base Indenture, except to increase any such percentage or to provide that certain other provisions of the Indenture cannot be amended, modified or waived without the consent of the Holder of each Outstanding Note affected thereby; provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to “the Trustee” and concomitant changes in this Section 8.02 and Section 6.06 of the Base Indenture, or the deletion of this proviso, in accordance with the requirements of Section 11.06 of the Base Indenture and Section 8.01(d) of this First Supplemental Indenture.

(iii) amend, waive or otherwise modify the provisions of Article IV with respect to the Notes of such series; or

(iv) modify, without the written consent of the Trustee, the rights, duties or immunities of the Trustee.

(b) Any amendment, supplement or waiver that changes or eliminates any provision of the Indenture which has expressly been included solely for the benefit of one or more particular series of Notes or which modifies the rights of the Holders of the Notes of such series with respect to such covenant or other provision, shall be deemed to not affect the rights under the Indenture of the Holders of the Notes of any other series.

(c) It shall not be necessary for the consent of the Holders of any series of Notes under this Section 8.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent shall approve the substance thereof.

(d) The Company may set a record date for purposes of determining the identity of the Holders of each series of Notes entitled to give a written consent or waive compliance by the Company as authorized or permitted by this Section 8.02. Such record date shall not be more than 30 days prior to the first solicitation of such consent or waiver or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation pursuant to Section 312 of the Trust Indenture Act.

(e) Promptly after the execution by the Company and the Trustee of any amendment, supplement or modification pursuant to the provisions of this Section 8.02, the Company shall mail a notice, setting forth in general terms the substance of such amendment, supplement or modification, to the Holders of the Notes at their addresses as the same shall then appear in the Register of the Company. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or modification.

ARTICLE IX

Satisfaction and Discharge; Defeasance

SECTION 9.01. Satisfaction and Discharge of Indenture. Section 12.02 of the Base Indenture shall be applicable to each series of Notes; provided, that, solely with respect to each series of Notes, the last paragraph of Section of 12.02 of the Base Indenture shall be superseded and replaced by the following:

“Notwithstanding the satisfaction and discharge of the Indenture with respect to the Notes of any series, the obligations of the Company to the Trustee under Section 11.01 of the Base Indenture, the provisions of Sections 3.04, 3.05, 3.06, 3.07, 3.10, 6.02 and 6.03 of the Base Indenture, Article XII of the Base Indenture (as amended by Article IX of this First Supplemental Indenture), and, if the Notes of such series are to be redeemed prior to their Stated Maturity, the provisions of Article IV of the Base Indenture, the provisions of Article III of the First Supplemental Indenture, and, if money shall have been deposited with the Trustee pursuant Section 12.02(a) of the Base Indenture, the obligations of the Trustee under Section 12.07 of the Base Indenture and Section 6.03(e) of the Base Indenture shall survive such satisfaction and discharge.”

SECTION 9.02. Defeasance and Covenant Defeasance upon Deposit of Moneys or U.S. Government Obligations. Section 12.03 of the Base Indenture shall be applicable to each series of Notes. If the Company exercises its “covenant defeasance” option in accordance with Section 12.03 of the Base Indenture, in addition to any covenants specified therein, the Company shall cease to be under any obligation to comply with the covenants set forth in Section 6.01, Section 6.02 and Section 6.03 of this First Supplemental Indenture. Solely with respect to each series of Notes, the definition of “Discharged” set forth in Section 12.03 of the Base Indenture shall be superseded and replaced by the following:

“‘Discharged’ means, with respect to the Notes of any series, that the Company shall be deemed to have paid and discharged the entire indebtedness represented by, and obligations under, the Notes of such series and to have satisfied all the obligations under the Indenture relating

to the Notes of such series (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following, all of which shall survive such Discharge and remain in full force and effect with respect to the Notes of such series: (A) the rights of the Holders of the Notes of such series to receive, from the trust fund described in clause (a) above, payment of the principal of and premium, if any, and interest on such Notes when such payments are due, (B) Sections 3.04, 3.05, 3.06, 3.07, 3.10, 6.02 and 6.03 of the Base Indenture, (C) if the Notes of such series are to be redeemed prior to their Stated Maturity, the provisions of Article III of this First Supplemental Indenture, (D) the provisions of Article XII of the Base Indenture (as amended by Article IX of this First Supplemental Indenture) and (E) the rights, powers, trusts, duties and immunities of the Trustee hereunder.”

ARTICLE X

Nothing in this First Supplemental Indenture expressed and nothing that may be implied from any of the provisions hereof is intended, or shall be construed, to confer upon, or to give to, any Person or corporation other than the parties hereto and their successors and the Holders of the Notes any benefit or any right, remedy or claim under or by reason of this First Supplemental Indenture or any covenant, condition, stipulation, promise or agreement hereof, and all covenants, conditions, stipulations, promises and agreements in this First Supplemental Indenture contained shall be for the sole and exclusive benefit of the parties hereto and their successors and of the Holders of the Notes.

TRUSTEE’S CERTIFICATE OF AUTHENTICATION

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

Date of authentication:

U.S. Bank National Association,
as Trustee

Authorized Signatory

Indenture. This Security is one of a duly authorized issue of securities of the Company (herein called the “*Securities*”), issued and to be issued in one or more series under an Indenture, dated as of November 28, 2018 (the “*Base Indenture*”), as supplemented by the First Supplemental Indenture dated November 28, 2018 (as so supplemented, herein called the “*Indenture*”), between the Company and U.S. Bank National Association, as Trustee (herein called the “*Trustee*”, which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities of this series and of the terms upon which the Securities of this series are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$1,500,000,000.

Optional Redemption. The Securities of this series are subject to redemption at the Company’s option, at any time and from time to time, in whole or in part, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the Securities of this series to be redeemed or (ii) as determined by the Company, the sum of the present values of the remaining scheduled payments of principal and interest hereon from the Redemption Date to the maturity date (exclusive of any accrued interest) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points, plus, in each case, any interest accrued but not paid to, but excluding, the Redemption Date.

For purposes of determining the optional redemption price, the following definitions are applicable:

“*Treasury Rate*” means, with respect to any Redemption Date for the Securities of this series, (1) the yield, which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity, for the maturity corresponding to the Comparable Treasury Issue (or if no maturity is within three months before or after the maturity date, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounded to the nearest month) or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate will be calculated on the third Business Day preceding the Redemption Date.

“*Comparable Treasury Issue*” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Securities of this series to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Securities of this series.

“*Comparable Treasury Price*” means, with respect to any Redemption Date for the Securities of this series, (i) the average of four Reference Treasury Dealer Quotations for that Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“*Independent Investment Banker*” means one of the Reference Treasury Dealers appointed by the Company.

“*Reference Treasury Dealer*” means each of Credit Suisse Securities (USA) LLC, Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC or their respective affiliates, and one other primary U.S. Government securities dealer in New York City appointed by the Company (each, a “*Primary Treasury Dealer*”); *provided*, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“*Reference Treasury Dealer Quotations*” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by that Reference Treasury Dealer at 5:00 p.m. (New York City time) on the third Business Day preceding that Redemption Date.

Notice of any optional redemption will be mailed at least 10 days but not more than 60 days before the Redemption Date (unless a shorter period shall be satisfactory to the Trustee) to each registered Holder of the Securities of this series to be redeemed. Unless the Company defaults in payment of the redemption price, on and after the Redemption Date, interest will cease to accrue on the Securities of this series or portions of the Securities of this series called for redemption, unless subject to a condition precedent that has not been satisfied. If fewer than all of the Securities of this series are to be redeemed, the Trustee will select the particular Securities or portions thereof for redemption from the Outstanding Securities of this series not previously called by such method as the Trustee deems fair and appropriate. If such redemption is subject to a condition precedent that has not been satisfied, the Company shall provide written notice to the Trustee prior to the close of business at least two Business Days prior to the Redemption Date (unless a shorter period shall be satisfactory to the Trustee). Upon receipt of such notice, the notice of redemption shall be rescinded and the redemption of the Securities shall not occur.

Except as set forth herein, the Securities will not be redeemable by the Company prior to maturity and will not be entitled to the benefit of any sinking fund.

Special Mandatory Redemption. If a Special Mandatory Redemption Event occurs, the Company shall redeem all of the Securities of this series in accordance with the provisions of Article IV of the First Supplemental Indenture.

Defaults and Remedies. If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

No Recourse. Prior to the Separations and Distributions, Holders of the Securities of this series will have no recourse (whether legal, equitable or otherwise, including without limitation, any right of attachment, judgment or levy or any recourse to the proceeds from any sale or other disposition thereof) against the assets of Historical Dow, Historical DuPont and/or their respective subsidiaries, except to the extent of any specialty products assets that will be part of DuPont after the Separations and Distributions, and subsequent to the Separations and Distributions, Holders of the Securities of this series will have no recourse (whether legal, equitable or otherwise, including without limitation, any right of attachment, judgment or levy or any recourse to the proceeds from any sale or other disposition thereof) against Dow, Corteva and/or their respective subsidiaries (including their assets or equity and that of their subsidiaries). Additionally, Holders of the Securities of this series will have no recourse (whether legal, equitable or otherwise, including without limitation, any right of attachment, judgment or levy or any recourse to the proceeds from any sale or other disposition thereof) against the direct or indirect equity interest that the Company holds or will hold in Historical Dow, Historical DuPont, Dow, Corteva and/or their respective subsidiaries. For the avoidance of doubt, Holders of the Securities of this series will only have recourse against the assets of the Company (and prior to the Separations and Distributions, only recourse against the specialty products assets held by Historical Dow and Historical DuPont and/or their respective subsidiaries that will be part of DuPont after the Separations and Distributions).

Change of Control. If a Change of Control Triggering Event occurs with respect to the Securities of this series, unless the Company has exercised its option to redeem the Securities of this series in accordance with the provisions set forth in this Security under the heading "Optional Redemption" or has issued a Special Mandatory Redemption Notice in respect of the Securities of this series in accordance with Section 4.01 of the First Supplemental Indenture, Holders of the Securities of this series will have the right to require the Company to repurchase all or any part (equal to \$2,000 and additional multiples of \$1,000) of their Securities as set forth in Article V of the First Supplemental Indenture.

Amendment, Modification and Waiver. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

Restrictive Covenants. The restrictive covenants for this Security are as specified in the Indenture. The Indenture does not limit unsecured debt of the Company or any of its Subsidiaries. Section 5.01 (Change of Control) of the First Supplemental Indenture and Section 6.04 (Merger, Consolidation and Sale of Assets) of the Base Indenture (as amended by Section 6.03 of the First Supplemental Indenture) shall not apply to transactions effected in connection with the Business Realignment, the Internal Reorganization, the Separations or the Distributions.

Denominations, Transfer and Exchange. The Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registerable in the Security Register, upon surrender of this Security for registration of transfer at the Registrar accompanied by a written request for transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Persons Deemed Owners. Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Miscellaneous. The Indenture and this Security shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law rules of said State.

All terms used in this Security and not defined herein shall have the meanings assigned to them in the Indenture.

Indenture. This Security is one of a duly authorized issue of securities of the Company (herein called the “*Securities*”), issued and to be issued in one or more series under an Indenture, dated as of November 28, 2018 (the “*Base Indenture*”), as supplemented by the First Supplemental Indenture dated November 28, 2018 (as so supplemented, herein called the “*Indenture*”), between the Company and U.S. Bank National Association, as Trustee (herein called the “*Trustee*”, which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities of this series and of the terms upon which the Securities of this series are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$1,850,000,000.

Optional Redemption. Prior to the Par Call Date, the Securities of this series are subject to redemption at the Company’s option, at any time and from time to time, in whole or in part, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the Securities of this series to be redeemed or (ii) as determined by the Company, the sum of the present values of the remaining scheduled payments of principal and interest hereon from the Redemption Date to the Par Call Date (exclusive of any accrued interest) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points, plus, in each case, any interest accrued but not paid to, but excluding, the Redemption Date.

On or after the Par Call Date, the Company may, at its option, redeem the Securities of this series, at any time or from time to time, either in whole or in part, at a redemption price equal to 100% of the principal amount of the Securities of this series to be redeemed, plus, in each case, any interest accrued but not paid, but excluding, the Redemption Date.

For purposes of determining the optional redemption price, the following definitions are applicable:

“*Treasury Rate*” means, with respect to any Redemption Date for the Securities of this series, (1) the yield, which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity, for the maturity corresponding to the Comparable Treasury Issue (or if no maturity is within three months before or after the Par Call Date, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounded to the nearest month) or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate will be calculated on the third Business Day preceding the Redemption Date.

“*Comparable Treasury Issue*” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Securities of this series to be redeemed (assuming the Securities matured on the Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Securities of this series (assuming the Securities of this series matured on the Par Call Date).

“*Comparable Treasury Price*” means, with respect to any Redemption Date for the Securities of this series, (i) the average of four Reference Treasury Dealer Quotations for that Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“*Independent Investment Banker*” means one of the Reference Treasury Dealers appointed by the Company.

“*Par Call Date*” means September 15, 2025.

“*Reference Treasury Dealer*” means each of Credit Suisse Securities (USA) LLC, Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC or their respective affiliates, and one other primary U.S. Government securities dealer in New York City appointed by the Company (each, a “*Primary Treasury Dealer*”); *provided*, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“*Reference Treasury Dealer Quotations*” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by that Reference Treasury Dealer at 5:00 p.m. (New York City time) on the third Business Day preceding that Redemption Date.

Notice of any optional redemption will be mailed at least 10 days but not more than 60 days before the Redemption Date (unless a shorter period shall be satisfactory to the Trustee) to each registered Holder of the Securities of this series to be redeemed. Unless the Company defaults in payment of the redemption price, on and after the Redemption Date, interest will cease to accrue on the Securities of this series or portions of the Securities of this series called for redemption, unless subject to a condition precedent that has not been satisfied. If fewer than all of the Securities of this series are to be redeemed, the Trustee will select the particular Securities or portions thereof for redemption from the Outstanding Securities of this series not previously called by such method as the Trustee deems fair and appropriate. If such redemption is subject to a condition precedent that has not been satisfied, the Company shall provide written notice to the Trustee prior to the close of business at least two Business Days prior to the Redemption Date (unless a shorter period shall be satisfactory to the Trustee). Upon receipt of such notice, the notice of redemption shall be rescinded and the redemption of the Securities shall not occur.

Except as set forth herein, the Securities will not be redeemable by the Company prior to maturity and will not be entitled to the benefit of any sinking fund.

Special Mandatory Redemption. If a Special Mandatory Redemption Event occurs, the Company shall redeem all of the Securities of this series in accordance with the provisions of Article IV of the First Supplemental Indenture.

Defaults and Remedies. If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

No Recourse. Prior to the Separations and Distributions, Holders of the Securities of this series will have no recourse (whether legal, equitable or otherwise, including without limitation, any right of attachment, judgment or levy or any recourse to the proceeds from any sale or other disposition thereof) against the assets of Historical Dow, Historical DuPont and/or their respective subsidiaries, except to the extent of any specialty products assets that will be part of DuPont after the Separations and Distributions, and subsequent to the Separations and Distributions, Holders of the Securities of this series will have no recourse (whether legal, equitable or otherwise, including without limitation, any right of attachment, judgment or levy or any recourse to the proceeds from any sale or other disposition thereof) against Dow, Corteva and/or their respective subsidiaries (including their assets or equity and that of their subsidiaries). Additionally, Holders of the Securities of this series will have no recourse (whether legal, equitable or otherwise, including without limitation, any right of attachment, judgment or levy or any recourse to the proceeds from any sale or other disposition thereof) against the direct or indirect equity interest that the Company holds or will hold in Historical Dow, Historical DuPont, Dow, Corteva and/or their respective subsidiaries. For the avoidance of doubt, Holders of the Securities of this series will only have recourse against the assets of the Company (and prior to the Separations and Distributions, only recourse against the specialty products assets held by Historical Dow and Historical DuPont and/or their respective subsidiaries that will be part of DuPont after the Separations and Distributions).

Change of Control. If a Change of Control Triggering Event occurs with respect to the Securities of this series, unless the Company has exercised its option to redeem the Securities of this series in accordance with the provisions set forth in this Security under the heading “Optional Redemption” or has issued a Special Mandatory Redemption Notice in respect of the Securities of this series in accordance with Section 4.01 of the First Supplemental Indenture, Holders of the Securities of this series will have the right to require the Company to repurchase all or any part (equal to \$2,000 and additional multiples of \$1,000) of their Securities as set forth in Article V of the First Supplemental Indenture.

Amendment, Modification and Waiver. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a

majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

Restrictive Covenants. The restrictive covenants for this Security are as specified in the Indenture. The Indenture does not limit unsecured debt of the Company or any of its Subsidiaries. Section 5.01 (Change of Control) of the First Supplemental Indenture and Section 6.04 (Merger, Consolidation and Sale of Assets) of the Base Indenture (as amended by Section 6.03 of the First Supplemental Indenture) shall not apply to transactions effected in connection with the Business Realignment, the Internal Reorganization, the Separations or the Distributions.

Denominations, Transfer and Exchange. The Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registerable in the Security Register, upon surrender of this Security for registration of transfer at the Registrar accompanied by a written request for transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Persons Deemed Owners. Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Miscellaneous. The Indenture and this Security shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law rules of said State.

All terms used in this Security and not defined herein shall have the meanings assigned to them in the Indenture.

Notice of any optional redemption will be mailed at least 10 days but not more than 60 days before the Redemption Date (unless a shorter period shall be satisfactory to the Trustee) to each registered Holder of the Securities of this series to be redeemed. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registerable in the Security Register, upon surrender of this Security for registration of transfer at the Registrar accompanied by a written request for transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

Indenture. This Security is one of a duly authorized issue of securities of the Company (herein called the “*Securities*”), issued and to be issued in one or more series under an Indenture, dated as of November 28, 2018 (the “*Base Indenture*”), as supplemented by the First Supplemental Indenture dated November 28, 2018 (as so supplemented, herein called the “*Indenture*”), between the Company and U.S. Bank National Association, as Trustee (herein called the “*Trustee*”, which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities of this series and of the terms upon which the Securities of this series are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$1,650,000,000.

Optional Redemption. Prior to the Par Call Date, the Securities of this series are subject to redemption at the Company’s option, at any time and from time to time, in whole or in part, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the Securities of this series to be redeemed or (ii) as determined by the Company, the sum of the present values of the remaining scheduled payments of principal and interest hereon from the Redemption Date to the Par Call Date (exclusive of any accrued interest) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points, plus, in each case, any interest accrued but not paid to, but excluding, the Redemption Date.

On or after the Par Call Date, the Company may, at its option, redeem the Securities of this series, at any time or from time to time, either in whole or in part, at a redemption price equal to 100% of the principal amount of the Securities of this series to be redeemed, plus, in each case, any interest accrued but not paid, but excluding, the Redemption Date.

For purposes of determining the optional redemption price, the following definitions are applicable:

“*Treasury Rate*” means, with respect to any Redemption Date for the Securities of this series, (1) the yield, which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity, for the maturity corresponding to the Comparable Treasury Issue (or if no maturity is within three months before or after the Par Call Date, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounded to the nearest month) or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate will be calculated on the third Business Day preceding the Redemption Date.

“*Comparable Treasury Issue*” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Securities of this series to be redeemed (assuming the Securities matured on the Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Securities of this series (assuming the Securities of this series matured on the Par Call Date).

“*Comparable Treasury Price*” means, with respect to any Redemption Date for the Securities of this series, (i) the average of four Reference Treasury Dealer Quotations for that Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (ii) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“*Independent Investment Banker*” means one of the Reference Treasury Dealers appointed by the Company.

“*Par Call Date*” means May 15, 2038.

“*Reference Treasury Dealer*” means each of Credit Suisse Securities (USA) LLC, Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC or their respective affiliates, and one other primary U.S. Government securities dealer in New York City appointed by the Company (each, a “*Primary Treasury Dealer*”); *provided*, however, that if any of the foregoing shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“*Reference Treasury Dealer Quotations*” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by that Reference Treasury Dealer at 5:00 p.m. (New York City time) on the third Business Day preceding that Redemption Date.

Notice of any optional redemption will be mailed at least 10 days but not more than 60 days before the Redemption Date (unless a shorter period shall be satisfactory to the Trustee) to each registered Holder of the Securities of this series to be redeemed. Unless the Company defaults in payment of the redemption price, on and after the Redemption Date, interest will cease to accrue on the Securities of this series or portions of the Securities of this series called for redemption, unless subject to a condition precedent that has not been satisfied. If fewer than all of the Securities of this series are to be redeemed, the Trustee will select the particular Securities or portions thereof for redemption from the Outstanding Securities of this series not previously called by such method as the Trustee deems fair and appropriate. If such redemption is subject to a condition precedent that has not been satisfied, the Company shall provide written notice to the Trustee prior to the close of business at least two Business Days prior to the Redemption Date (unless a shorter period shall be satisfactory to the Trustee). Upon receipt of such notice, the notice of redemption shall be rescinded and the redemption of the Securities shall not occur.

Except as set forth herein, the Securities will not be redeemable by the Company prior to maturity and will not be entitled to the benefit of any sinking fund.

Special Mandatory Redemption. If a Special Mandatory Redemption Event occurs, the Company shall redeem all of the Securities of this series in accordance with the provisions of Article IV of the First Supplemental Indenture.

Defaults and Remedies. If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

No Recourse. Prior to the Separations and Distributions, Holders of the Securities of this series will have no recourse (whether legal, equitable or otherwise, including without limitation, any right of attachment, judgment or levy or any recourse to the proceeds from any sale or other disposition thereof) against the assets of Historical Dow, Historical DuPont and/or their respective subsidiaries, except to the extent of any specialty products assets that will be part of DuPont after the Separations and Distributions, and subsequent to the Separations and Distributions, Holders of the Securities of this series will have no recourse (whether legal, equitable or otherwise, including without limitation, any right of attachment, judgment or levy or any recourse to the proceeds from any sale or other disposition thereof) against Dow, Corteva and/or their respective subsidiaries (including their assets or equity and that of their subsidiaries). Additionally, Holders of the Securities of this series will have no recourse (whether legal, equitable or otherwise, including without limitation, any right of attachment, judgment or levy or any recourse to the proceeds from any sale or other disposition thereof) against the direct or indirect equity interest that the Company holds or will hold in Historical Dow, Historical DuPont, Dow, Corteva and/or their respective subsidiaries. For the avoidance of doubt, Holders of the Securities of this series will only have recourse against the assets of the Company (and prior to the Separations and Distributions, only recourse against the specialty products assets held by Historical Dow and Historical DuPont and/or their respective subsidiaries that will be part of DuPont after the Separations and Distributions).

Change of Control. If a Change of Control Triggering Event occurs with respect to the Securities of this series, unless the Company has exercised its option to redeem the Securities of this series in accordance with the provisions set forth in this Security under the heading “Optional Redemption” or has issued a Special Mandatory Redemption Notice in respect of the Securities of this series in accordance with Section 4.01 of the First Supplemental Indenture, Holders of the Securities of this series will have the right to require the Company to repurchase all or any part (equal to \$2,000 and additional multiples of \$1,000) of their Securities as set forth in Article V of the First Supplemental Indenture.

Amendment, Modification and Waiver. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a

majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

Restrictive Covenants. The restrictive covenants for this Security are as specified in the Indenture. The Indenture does not limit unsecured debt of the Company or any of its Subsidiaries. Section 5.01 (Change of Control) of the First Supplemental Indenture and Section 6.04 (Merger, Consolidation and Sale of Assets) of the Base Indenture (as amended by Section 6.03 of the First Supplemental Indenture) shall not apply to transactions effected in connection with the Business Realignment, the Internal Reorganization, the Separations or the Distributions.

Denominations, Transfer and Exchange. The Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registerable in the Security Register, upon surrender of this Security for registration of transfer at the Registrar accompanied by a written request for transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Persons Deemed Owners. Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Miscellaneous. The Indenture and this Security shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law rules of said State.

All terms used in this Security and not defined herein shall have the meanings assigned to them in the Indenture.

As revised by the
Schedule of Increases
or Decreases in Global
Security attached hereto

Interest. DowDuPont Inc., a Delaware corporation (herein called the “*Company*”, which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to CEDE & CO. or registered assigns, the principal sum of _____ million dollars (\$ _____), as revised by the Schedule of Increases or Decreases in Global Security attached hereto, on November 15, 2020.

The interest rate on the Securities of this series for a particular interest period will be a per annum rate equal to three-month LIBOR, as determined on the relevant interest determination date, plus 0.71%. The interest determination date for an interest period will be the second London Business Day preceding the first day of such interest period. Promptly upon determination, the Calculation Agent will inform the Trustee and the Company of the interest rate for the for the next interest period. Absent manifest error, the determination of the interest rate for the Securities of this series by the Calculation Agent shall be binding and conclusive on the Holders of the Securities of this series, the Trustee and the Company and the Calculation Agent shall have no liability or responsibility, except in the case of its gross negligence or willful misconduct, for any information used in determining or calculating any interest rate.

Interest on the Securities of this series will be payable quarterly in arrears on February 15, May 15, August 15 and November 15 of each year, beginning February 15, 2019. Interest on the Securities of this series will accrue from and including November 28, 2018, to but excluding the first interest payment date and then from and including the immediately preceding interest payment date to which interest has been paid or duly provided for to but excluding the next interest payment date or maturity date, as the case may be. Each of these periods is an “interest period.” The amount of accrued interest that the Company will pay for any interest period can be calculated by multiplying the face amount of the Securities of this series then outstanding by an accrued interest factor. This accrued interest factor is computed by adding the interest factor calculated for each day from November 28, 2018, or from the last date the Company paid interest to the holders of the Securities of this series, to the date for which accrued interest is being calculated. The interest factor for each day is computed by dividing the interest rate applicable to that day by 360. If an interest payment date for the Securities of this series falls on a day that is not a Business Day, the interest payment date shall be postponed to the next succeeding Business Day unless such next succeeding Business Day would be in the following month, in which case, the interest payment date shall be the immediately preceding Business Day (in each case, resulting in a corresponding adjustment to the number of days in the applicable interest period).

With respect to the Securities of this series, on any interest determination date, LIBOR will be equal to the offered rate for deposits in U.S. dollars having an index maturity of three months, in amounts of at least \$1,000,000, as such rate appears on Bloomberg L.P.’s page “BBAM” at approximately 11:00 a.m., London time, on such interest determination date and as provided to the Calculation Agent by the Company. If no offered rate appears on Bloomberg L.P.’s page “BBAM” on an interest determination date at approximately 11:00 a.m., London time, then the Company will select four major banks in the London interbank market and shall request each of their principal London offices to provide a quotation of the rate at which three-month deposits in U.S. dollars in amounts of at least \$1,000,000 are offered by it to prime banks in the London interbank market, on that date and at that time, that is representative of single transactions at that time. If at least two quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the Company will select three major banks in New York City and shall request each of them to provide a quotation of the rate offered by them at approximately 11:00 a.m., New York City time, on the interest determination date for loans in U.S. dollars to leading European banks having an index maturity of three months for the applicable interest period in an amount of at least \$1,000,000 that is representative of single transactions at that time. If three quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the rate of LIBOR for the next interest period will be set

equal to the rate of LIBOR for the then current interest period. Notwithstanding the foregoing, if the Company determines that LIBOR has been permanently discontinued, the Calculation Agent will use, in consultation with the Company, as a substitute for LIBOR and for each future interest determination date, the alternative reference rate selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) that is consistent with accepted market practice (the “*Alternative Rate*”). As part of such substitution, the Calculation Agent will, after consultation with the Company, make such adjustments (“*Adjustments*”) to the Alternative Rate or the spread thereon, as well as the business day convention, interest determination dates and related provisions and definitions, in each case that are consistent with accepted market practice for the use of such Alternative Rate for debt obligations such as the Securities of this series. If the Calculation Agent determines (following consultation with the Company) that there is no clear market consensus as to whether any rate has replaced LIBOR in customary market usage, the Calculation Agent shall have the right to resign as Calculation Agent and the Company will appoint, in its sole discretion, a successor Calculation Agent to determine the Alternative Rate and make any Adjustments thereon, and whose determinations will be binding on the Company, the Trustee and the Holders of the Securities of this series. If, however, the Company determines that LIBOR has been discontinued, but for any reason an Alternative Rate has not been determined, LIBOR (for purposes of calculating the relevant interest rate) will be equal to such rate on the interest determination date when LIBOR was last available on Bloomberg L.P.’s page “BBAM” and last used to determine the relevant interest rate for the Securities.

Upon request from any Holder of the Securities of this series, the Calculation Agent will provide the interest rate in effect for the current interest period and, if it has been determined, the interest rate to be in effect for the next interest period.

All percentages resulting from any calculation of the interest rate on the Securities of this series will be rounded to the nearest one millionth of a percentage point with five ten millionths of a percentage point rounded upwards (e.g., 9.8765445% (or .098765445) would be rounded to 9.876545% (or .09876545)), and all dollar amounts used in or resulting from such calculation on the Securities of this series will be rounded to the nearest cent (with one-half cent being rounded upwards).

The interest rate on the Securities of this series will in no event be higher than the maximum rate permitted by New York law as the same may be modified by United States law of general application.

“*London Business Day*” means any day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

Method of Payment. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in such Indenture, be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Record Date for such interest, which shall be February 1, May 1, August 1 or November 1, as the case may be, next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for will forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or

more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice thereof having been given to Holders of Securities of this series not less than 10 days prior to such Special Record Date, all as more fully provided in said Indenture. Payment of the principal of (and premium, if any) and any such interest on this Security will be made at the Corporate Trust Office in U.S. Dollars.

Reference is hereby made to the further provisions of this Security set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Authentication. Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof by manual signature, this Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed under its corporate seal.

Interest. DowDuPont Inc., a Delaware corporation (herein called the “*Company*”, which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to CEDE & CO. or registered assigns, the principal sum of _____ million dollars (\$ _____), as revised by the Schedule of Increases or Decreases in Global Security attached hereto, on November 15, 2023.

The interest rate on the Securities of this series for a particular interest period will be a per annum rate equal to three-month LIBOR, as determined on the relevant interest determination date, plus 1.11%. The interest determination date for an interest period will be the second London Business Day preceding the first day of such interest period. Promptly upon determination, the Calculation Agent will inform the Trustee and the Company of the interest rate for the for the next interest period. Absent manifest error, the determination of the interest rate for the Securities of this series by the Calculation Agent shall be binding and conclusive on the Holders of the Securities of this series, the Trustee and the Company and the Calculation Agent shall have no liability or responsibility, except in the case of its gross negligence or willful misconduct, for any information used in determining or calculating any interest rate.

Interest on the Securities of this series will be payable quarterly in arrears on February 15, May 15, August 15 and November 15 of each year, beginning February 15, 2019. Interest on the Securities of this series will accrue from and including November 28, 2018, to but excluding the first interest payment date and then from and including the immediately preceding interest payment date to which interest has been paid or duly provided for to but excluding the next interest payment date or maturity date, as the case may be. Each of these periods is an “interest period.” The amount of accrued interest that the Company will pay for any interest period can be calculated by multiplying the face amount of the Securities of this series then outstanding by an accrued interest factor. This accrued interest factor is computed by adding the interest factor calculated for each day from November 28, 2018, or from the last date the Company paid interest to the holders of the Securities of this series, to the date for which accrued interest is being calculated. The interest factor for each day is computed by dividing the interest rate applicable to that day by 360. If an interest payment date for the Securities of this series falls on a day that is not a Business Day, the interest payment date shall be postponed to the next succeeding Business Day unless such next succeeding Business Day would be in the following month, in which case, the interest payment date shall be the immediately preceding Business Day (in each case, resulting in a corresponding adjustment to the number of days in the applicable interest period).

With respect to the Securities of this series, on any interest determination date, LIBOR will be equal to the offered rate for deposits in U.S. dollars having an index maturity of three months, in amounts of at least \$1,000,000, as such rate appears on Bloomberg L.P.’s page “BBAM” at approximately 11:00 a.m., London time, on such interest determination date and as provided to the Calculation Agent by the Company. If no offered rate appears on Bloomberg L.P.’s page “BBAM” on an interest determination date at approximately 11:00 a.m., London time, then the Company will select four major banks in the London interbank market and shall request each of their principal London offices to provide a quotation of the rate at which three-month deposits in U.S. dollars in amounts of at least \$1,000,000 are offered by it to prime banks in the London interbank market, on that date and at that time, that is representative of single transactions at that time. If at least two quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the Company will select three major banks in New York City and shall request each of them to provide a quotation of the rate offered by them at approximately 11:00 a.m., New York City time, on the interest determination date for loans in U.S. dollars to leading European banks having an index maturity of three months for the applicable interest period in an amount of at least \$1,000,000 that is representative of single transactions at that time. If three quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the rate of LIBOR for the next interest period will be set

equal to the rate of LIBOR for the then current interest period. Notwithstanding the foregoing, if the Company determines that LIBOR has been permanently discontinued, the Calculation Agent will use, in consultation with the Company, as a substitute for LIBOR and for each future interest determination date, the alternative reference rate selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) that is consistent with accepted market practice (the “*Alternative Rate*”). As part of such substitution, the Calculation Agent will, after consultation with the Company, make such adjustments (“*Adjustments*”) to the Alternative Rate or the spread thereon, as well as the business day convention, interest determination dates and related provisions and definitions, in each case that are consistent with accepted market practice for the use of such Alternative Rate for debt obligations such as the Securities of this series. If the Calculation Agent determines (following consultation with the Company) that there is no clear market consensus as to whether any rate has replaced LIBOR in customary market usage, the Calculation Agent shall have the right to resign as Calculation Agent and the Company will appoint, in its sole discretion, a successor Calculation Agent to determine the Alternative Rate and make any Adjustments thereon, and whose determinations will be binding on the Company, the Trustee and the Holders of the Securities of this series. If, however, the Company determines that LIBOR has been discontinued, but for any reason an Alternative Rate has not been determined, LIBOR (for purposes of calculating the relevant interest rate) will be equal to such rate on the interest determination date when LIBOR was last available on Bloomberg L.P.’s page “BBAM” and last used to determine the relevant interest rate for the Securities.

Upon request from any Holder of the Securities of this series, the Calculation Agent will provide the interest rate in effect for the current interest period and, if it has been determined, the interest rate to be in effect for the next interest period.

All percentages resulting from any calculation of the interest rate on the Securities of this series will be rounded to the nearest one millionth of a percentage point with five ten millionths of a percentage point rounded upwards (e.g., 9.8765445% (or .098765445) would be rounded to 9.876545% (or .09876545)), and all dollar amounts used in or resulting from such calculation on the Securities of this series will be rounded to the nearest cent (with one-half cent being rounded upwards).

The interest rate on the Securities of this series will in no event be higher than the maximum rate permitted by New York law as the same may be modified by United States law of general application.

“*London Business Day*” means any day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

Method of Payment. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in such Indenture, be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Record Date for such interest, which shall be February 1, May 1, August 1 or November 1, as the case may be, next preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for will forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or

more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice thereof having been given to Holders of Securities of this series not less than 10 days prior to such Special Record Date, all as more fully provided in said Indenture.
