In the case of each series of Notes, the amount shall be set forth in the written order of the Company for the authentication and delivery of the Notes pursuant to Section 3.02 of the Base Indenture. The Notes will be senior unsecured obligations of the Company and will rank on the same basis with all of the Company's other senior unsecured indebtedness from time to time outstanding.

(b) In addition, without the consent of the Holders of any series of the Notes, the Company may from time to time, without notice to or the consent of the Holders of any series of the Notes, create and issue Additional Notes of any series having the same terms as, and ranking equally and ratably with, the applicable series of Notes (except for the issue date, the public offering price and, if applicable, the payment of interest accruing prior to the issue date of such Additional Notes and the first payment of interest following the issue date of such Additional Notes); provided that if such Additional Notes are not fungible with the Notes of the applicable series offered hereby for U.S. federal securities laws or U.S. federal income tax purposes, such Additional Notes will have one or more separate CUSIP, ISIN and/or any other identifying number. Such Additional Notes may be consolidated and form a single series with, and will have the same terms as to ranking, redemption, waivers, amendments or otherwise, as the applicable series of Notes, and will vote together as one class on all matters with respect to such series of Notes.

Unless an earlier redemption has occurred, the principal amount of the 2028 Notes shall mature and be due and payable, together with any accrued interest thereon, on March 16, 2028, the principal amount of the 2029 Notes shall mature and be due and payable, together with any accrued interest thereon, on March 16, 2029, the principal amount of the 2029 Floating Rate Senior Notes shall mature and be due and payable, together with any accrued interest thereon, on March 16, 2029, the principal amount of the 2031 Notes shall mature and be due and payable, together with any accrued interest thereon, on March 16, 2031, the principal amount of the 2033 Notes shall mature and be due and payable, together with any accrued interest thereon, on March 16, 2033, the principal amount of the 2036 Notes shall mature and be due and payable, together with any accrued interest thereon, on March 16, 2036, the principal amount of the 2046 Notes shall mature and be due and payable, together with any accrued interest thereon, on March 16, 2046, the principal amount of the 2056 Notes shall mature and be due and payable, together with any accrued interest thereon, on March 16, 2056 and the principal amount of the 2066 Notes shall mature and be due and payable, together with any accrued interest thereon, on March 16, 2066. If the maturity date of any series of the Notes falls on a day that is not a Business Day, payment of principal, premium, if any, and interest for such Notes then due will be paid on the next Business Day. No interest on that payment will accrue from and after the maturity date.

Section 2.03 Form and Payment.

(a) The Notes of each series shall be issued as global notes in fully registered book-entry form without coupons in denominations of $2,000 and integral multiples of $1,000 in excess thereof.

(b) The Notes and the Trustee's certificates of authentication to be endorsed thereon are to be substantially in the form of Exhibit A, Exhibit B, Exhibit C, Exhibit D, Exhibit E, Exhibit F, Exhibit G, Exhibit H and Exhibit I which forms are hereby incorporated in and made a part of this First Supplemental Indenture.

(c) The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this First Supplemental Indenture, and the Company and the Trustee, by their execution and delivery of this First Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby.

(d) Principal, premium, if any, and/or interest, if any, on the global notes representing each series of the Notes shall be made to The Depository Trust Company (together with any successor thereto, the "Depositary").

(e) The global notes representing each series of the Notes shall be deposited with, or on behalf of, the Depositary and shall be registered in the name of the Depositary or a nominee of the Depositary. No global note may be transferred except as a whole by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or such nominee to a successor of the Depositary or a nominee of such successor.

(f) Additional provisions relating to the Initial Notes, Additional Notes, Exchange Notes and any other Notes issued under this First Supplemental Indenture are set forth in Appendix A, which is hereby incorporated in and made a part of this First Supplemental Indenture.

Section 2.04 Interest.

(a) Interest on the 2028 Notes shall accrue at the rate of 3.900% per annum, payable semi-annually in arrears on March 16 and September 16 of each year, beginning on September 16, 2026.

(b) Interest on the 2029 Notes shall accrue at the rate of 4.000% per annum, payable semi-annually in arrears on March 16 and September 16 of each year, beginning on September 16, 2026.

(c) (i) Interest on the 2029 Floating Rate Notes shall accrue at a variable rate. The interest rate for the 2029 Floating Rate Notes for a particular Interest Period will be a per annum rate equal to Compounded SOFR as determined on the applicable Interest Determination Date as determined by the Calculation Agent, plus 0.630%. The interest rate on the 2029 Floating Rate Notes will be reset on the first day of each Interest Period other than the initial Interest Period. Interest on the 2029 Floating Rate Notes will be payable quarterly in arrears on March 16, June 16, September 16 and December 16 of each year, beginning on June 16, 2026.

(ii) Notwithstanding clause (i) in this Section 2.04(ii), if the Company or its designee determine on or prior to the relevant Interest Determination Date that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the then-current Benchmark, then (x) the Company shall promptly provide written notice of such determination to the Calculation Agent and (y) the provisions set forth below under Section 2.04(c)(iii) (the "Benchmark Transition Provisions") will thereafter apply to all determinations, calculations and quotations made or obtained for the purposes of calculating the rate and amount of interest payable on the 2029 Floating Rate Notes during a relevant Interest

Period. In accordance with the Benchmark Transition Provisions, after a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, the amount of interest that will be payable for each Interest Period on the 2029 Floating Rate Notes will be a rate per annum equal to the sum of the Benchmark Replacement and the margin of 0.630% for the 2029 Floating Rate Notes, as determined by the Company or its designee provided, however, that the minimum interest rate on the 2029 Floating Rate Notes shall not be less than 0.000%.

However, if the Company or its designee determine that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the then-current Benchmark, but for any reason the Benchmark Replacement has not been determined as of the relevant Interest Determination Date, the interest rate for the applicable Interest Period will be equal to the interest rate on the last Interest Determination Date for the 2029 Floating Rate Notes, as determined by the Company or its designee.

All percentages resulting from any calculation of any interest rate for the 2029 Floating Rate Notes will be rounded, if necessary, to the nearest one-hundred thousandth of a percentage point, with five one-millionths of a percentage point being rounded upwards (e.g., 8.986865% (or 0.08986865) being rounded to 8.98687% (or 0.0898687)) and all dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one-half cent being rounded upwards).

The interest rate on the 2029 Floating Rate Notes will in no event be higher than the maximum rate permitted by New York law as the same may be modified by United States laws of general application. The Calculation Agent will, upon the request of any holder of the 2029 Floating Rate Notes, provide the interest rate then in effect with respect to the 2029 Floating Rate Notes and, if it has been determined, the interest rate to be in effect for the next Interest Period.

The Calculation Agent shall calculate the interest rate in accordance with this clause (ii) and shall notify the Trustee or paying agent of such interest rate. All calculations of the Calculation Agent, in the absence of manifest error, shall be conclusive for all purposes and binding on the Company and holders of the 2029 Floating Rate Notes and neither the Trustee nor any paying agent shall have the duty to verify determinations of interest rates made by the Calculation Agent.

(iii) If the Company or its designee determine that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the 2029 Floating Rate Notes in respect of such determination on such date and all determinations on all subsequent dates.

In connection with the implementation of a Benchmark Replacement, the Company or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

Any determination, decision, election or calculation that may be made by the Company or its designee pursuant to the Benchmark Transition Provisions, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error, may be made in the Company's or its designee's sole discretion and notwithstanding anything to the contrary in any documentation relating to the 2029 Floating Rate Notes, shall become effective without consent from the holders of the 2029 Floating Rate Notes or any other party.

(d) Interest on the 2031 Notes shall accrue at the rate of 4.300% per annum, payable semi-annually in arrears on March 16 and September 16 of each year, beginning on September 16, 2026.

(e) Interest on the 2033 Notes shall accrue at the rate of 4.600% per annum, payable semi-annually in arrears on March 16 and September 16 of each year, beginning on September 16, 2026.

(f) Interest on the 2036 Notes shall accrue at the rate of 4.950% per annum, payable semi-annually in arrears on March 16 and September 16 of each year, beginning on September 16, 2026.

(g) Interest on the 2046 Notes shall accrue at the rate of 5.622% per annum, payable semi-annually in arrears on March 16 and September 16 of each year, beginning on September 16, 2026.

(h) Interest on the 2056 Notes shall accrue at the rate of 5.732% per annum, payable semi-annually in arrears on March 16 and September 16 of each year, beginning on September 16, 2026.

(i) Interest on the 2066 Notes shall accrue at the rate of 5.852% per annum, payable semi-annually in arrears on March 16 and September 16 of each year, beginning on September 16, 2026.

(j) Each such interest payment date for each series of Notes is referred to as an "Interest Payment Date".

(i) Interest on the 2028 Notes shall be payable to the Holders in whose names the Notes of such series are registered at the close of business on March 2 and September 2, as the case may be (in each case, whether or not a Business Day), immediately preceding the related Interest Payment Date.

(ii) Interest on the 2029 Notes shall be payable to the Holders in whose names the Notes of such series are registered at the close of business on March 2 and September 2, as the case may be (in each case, whether or not a Business Day), immediately preceding the related Interest Payment Date.

(iii) Interest on the 2029 Floating Rate Notes shall be payable to the Holders in whose names the Notes of such series are registered at the close of business on March 2, June 2, September 2 and December 2, as the case may be (in each case, whether or not a Business Day), immediately preceding the related Interest Payment Date.

(iv) Interest on the 2031 Notes shall be payable to the Holders in whose names the Notes of such series are registered at the close of business on March 2 and September 2, as the case may be (in each case, whether or not a Business Day), immediately preceding the related Interest Payment Date.

(v) Interest on the 2033 Notes shall be payable to the Holders in whose names the Notes of such series are registered at the close of business on March 2 and September 2, as the case may be (in each case, whether or not a Business Day), immediately preceding the related Interest Payment Date.

(vi) Interest on the 2036 Notes shall be payable to the Holders in whose names the Notes of such series are registered at the close of business on March 2 and September 2, as the case may be (in each case, whether or not a Business Day), immediately preceding the related Interest Payment Date.

(vii) Interest on the 2046 Notes shall be payable to the Holders in whose names the Notes of such series are registered at the close of business on March 2 and September 2, as the case may be (in each case, whether or not a Business Day), immediately preceding the related Interest Payment Date.

(viii) Interest on the 2056 Notes shall be payable to the Holders in whose names the Notes of such series are registered at the close of business on March 2 and September 2, as the case may be (in each case, whether or not a Business Day), immediately preceding the related Interest Payment Date.

(ix) Interest on the 2066 Notes shall be payable to the Holders in whose names the Notes of such series are registered at the close of business on March 2 and September 2, as the case may be (in each case, whether or not a Business Day), immediately preceding the related Interest Payment Date.

(k) Interest on each series of all the Notes will accrue from and including March 16, 2026, to, but excluding, the first Interest Payment Date and then from and including the immediately preceding Interest Payment Date to which interest has been paid or duly provided for to, but excluding, the next Interest Payment Date, redemption date or maturity date, as the case may be. Interest on the 2029 Floating Rate Notes will be calculated on the basis of the actual number of days in each quarterly Interest Period and a 360-day year. The Fixed Rate Notes will be computed on the basis of a 360-day year of twelve 30-day months. If any Interest Payment Date or other payment date for any series of the Notes is not a Business Day, then payment of principal, premium, if any, and interest shall be made on the next succeeding Business Day with the same force and effect as if made on the date such payment was due, and no interest on such payment shall accrue on that payment for the period from and after that Interest Payment Date or other payment date, as the case may be, to the date of that payment on the next succeeding Business Day.

Upon receipt of such notice, the notice of redemption will be rescinded or delayed, and the redemption of the notes will be rescinded or delayed as provided in such notice. Upon receipt, the Trustee will provide such notice to each Holder in the same manner in which the notice of redemption was given.

(h) The Trustee shall have no responsibility for any calculation or determination in respect of the redemption price of any Note, or any component thereof, and shall be entitled to receive, and fully-protected in relying upon, an Officer's Certificate from the Company that states such redemption price.

The Rule 144A Global Note, the Regulation S Global Note and any Unrestricted Global Note are each referred to herein as a "Global Note" and are collectively referred to herein as "Global Notes." Each Global Note shall represent such of the outstanding Notes as shall be specified in the "Schedule of Exchanges of Interests in the Global Note" attached thereto and each shall provide that it shall represent the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Custodian, in accordance with instructions given by the Holder thereof as required by Sections 3.07 and Section 3.11 of the Base Indenture and Section 2.2(c) of this Appendix A.

(c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depositary.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 3.03 of the Base Indenture and pursuant to a Company Order signed by one Officer of the Company, authenticate and deliver one or more Global Notes that (i) shall be registered in the name of the Depositary for such Global Note or Global Notes or the nominee of such Depositary and (ii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary's instructions or held by the Custodian.

Members of, or participants in, the Depositary ("Agent Members") shall have no rights under the Indenture with respect to any Global Note held on their behalf by the Depositary or by the Trustee as Custodian or under such Global Note, and the Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding this Section 2.1(c), nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices of such Depositary governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) Definitive Notes. Except as provided in Section 2.2 or Section 2.3 of this Appendix A, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Definitive Notes.

Section 2.2 Transfer and Exchange.

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Notes, such Transfer Restricted Notes are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to Section 2.2(b) of this Appendix A or otherwise in accordance with the Restricted Notes Legend, and are accompanied by a certification from the transferor in the form provided on the reverse side of the Form of Note attached as an exhibit to the First Supplemental Indenture for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

(b) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, together with:

(i) a certification from the transferor in the form provided on the reverse side of the Form of Note attached as an exhibit to the First Supplemental Indenture for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto; and

(ii) written instructions directing the Security Registrar to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depositary account to be credited with such increase,

the Paying Agent shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depositary and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If the applicable Global Note is not then outstanding, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officer's Certificate, a new applicable Global Note in the appropriate principal amount.

A transferor of a beneficial interest in a Global Note shall deliver to the Security Registrar a written order given in accordance with the Depositary's procedures containing information regarding the participant account of the Depositary to be credited with a beneficial interest in such Global Note, or another Global Note, and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Security Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Security Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.3 of this Appendix A), a Global Note may not be transferred except as a whole and not in part if the transfer is by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(ii) During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures, the Restricted Notes Legend on such Regulation S Global Note and any applicable securities laws of any state of the United States of America. Such written certifications or letter shall no longer be required after the expiration of the Distribution Compliance Period. Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of the Indenture.

(iii) Upon the expiration of the Distribution Compliance Period, beneficial interests in the Regulation S Global Note may be exchanged for beneficial interests in an Unrestricted Global Note upon certification in the form provided on the reverse side of the Form of Note attached as an exhibit to the First Supplemental Indenture for an exchange from a Regulation S Global Note to an Unrestricted Global Note.

(v) If no Unrestricted Global Note is outstanding at the time of a transfer contemplated by the preceding clauses (iii) and (iv), the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officer's Certificate, a new Unrestricted Global Note in the appropriate principal amount.

Notwithstanding the foregoing, if the Stated Maturity of the principal of this Note, or any Interest Payment Date, falls on a date that is not a Business Day, the principal or interest, as the case may be, payable on such date will be payable on the next succeeding Business Day with the same force and effect as if paid on such date. The amount of interest payable on any Interest Payment Date shall be computed on the basis of a 360-day year of twelve 30-day months. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on March 2 or September 2 (each being referred to herein as a "Regular Record Date"), as the case may be, next preceding such Interest Payment Date. As used herein, "Business Day" means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in New York, New York, United States.

The Company shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment. All references to any amount of interest or any other amount payable on or with respect to the Notes shall be deemed to include payment of any interest payable as a consequence of the occurrence and continuation of a "Registration Default," if applicable, as defined in the Registration Rights Agreement, dated as of March 16, 2026, among the Company, the Guarantor and the representatives of the initial purchasers with respect to the Initial Notes party thereto.

2. Paying Agent.

Sections 77aaa-77bbbb) (the "TIA") as in effect on the date on which the Indenture is qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of $2,000 and integral multiples of $1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Company may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Company need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the sending of a notice of redemption, nor need the Company register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes to, among other things, cure any ambiguity, defect or inconsistency.

6. Optional Redemption; Special Mandatory Redemption.

The Notes are subject to optional redemption and special mandatory redemption as further described in the Indenture. There is no sinking fund or mandatory redemption applicable to the Notes.

7. Defaults and Remedies.

If an Event of Default with respect to the Note shall occur and be continuing, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal of all the Notes due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected thereby (voting as a class). The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series to be affected at the time Outstanding, on behalf of the Holders of all Securities of each such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

8. Authentication.

This Note shall not be valid until the Trustee signs the certificate of authentication on this Note by manual or PDF or other electronically imaged (such as DocuSign or Adobe Sign) signature.

(REVERSE OF NOTE)

HONEYWELL AEROSPACE INC.
Floating Rate Senior Notes due 2029

1. Interest.

Honeywell Aerospace Inc. (the "Company") promises to pay interest on the principal sum of this Note quarterly in arrears on March 16, June 16, September 16 and December 16 of each year, commencing June 16, 2026 (each such date on which the Company is required to pay interest being referred to herein as an "Interest Payment Date"). The interest rate for this Note for a particular Interest Period (as defined below) will be a per annum rate equal to Compounded SOFR (as defined below) as determined on the applicable Interest Determination Date (as defined below) by the calculation agent appointed by the Company, which initially will be the Trustee (the "Calculation Agent"), plus 0.630%. The interest rate on this Note for each Interest Period shall be reset on the first day of each Interest Period other than the initial Interest Period. An interest period is the period commencing on an Interest Payment Date (or, in the case of the initial Interest Period, commencing on March 16, 2026) and ending on the day preceding the next Interest Payment Date (each an "Interest Period"). The initial Interest Period is March 16, 2026 through June 15, 2026. The interest determination date for an Interest Period will be the second U.S. Government Securities Business Day preceding the first day of such Interest Period (the "Interest Determination Date"). Interest on this Note will be calculated on the basis of the actual number of days in each quarterly interest period and a 360-day year.

Subject to the Benchmark Transition Provisions set forth under Section 2.04(c)(iii) of the Indenture (as defined herein) (the "Benchmark Transition Provisions"), "Compounded SOFR" will be determined by the Calculation Agent in accordance with the following formula (and the resulting percentage will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point):

$$\left(\frac{SOFR\ Index_{End}}{SOFR\ Index_{Start}} - 1\right) x \frac{360}{d_c}$$

where:

"SOFR IndexStart" = For periods other than the initial Interest Period, the SOFR Index value on the preceding Interest Determination Date, and, for the initial Interest Period, the SOFR Index value on March 12, 2026; and

"SOFR IndexEnd" = The SOFR Index value on the Interest Determination Date relating to the applicable Interest Payment Date (or in the final Interest Period, relating to the applicable maturity date); and

"dc" is the number of calendar days in the relevant Observation Period.

For purposes of determining Compounded SOFR:

"Interest Determination Date" means the date two U.S. Government Securities Business Days before each Interest Payment Date (or in the final Interest Period, before the applicable maturity date).

"Observation Period" means, in respect of each Interest Period, the period from, and including, the date two U.S. Government Securities Business Days preceding the first date in such Interest Period to, but excluding, the date two U.S. Government Securities Business Days preceding the Interest Payment Date for such Interest Period (or in the final Interest Period, preceding the applicable maturity date).

"SOFR Index" means, with respect to any U.S. Government Securities Business Day:

(1) the SOFR Index value as published by the SOFR Administrator as such index appears on the SOFR Administrator's Website at 3:00 p.m. (New York City time) on such U.S. Government Securities Business Day (the "SOFR Index Determination Time"); provided that:

(2) if a SOFR Index value does not so appear as specified in (1) above at the SOFR Index Determination Time, then: (i) if a Benchmark Transition Event and its related Benchmark Replacement Date have not occurred with respect to SOFR, then Compounded SOFR shall be the rate determined pursuant to the "SOFR Index Unavailable Provisions" described below; or (ii) if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to SOFR, then Compounded SOFR shall be the rate determined pursuant to the "Effect of a Benchmark Transition Event" provisions described below.

"SOFR" means the daily secured overnight financing rate as provided by the SOFR Administrator on the SOFR Administrator's Website.

"SOFR Administrator" means the Federal Reserve Bank of New York (or a successor administrator of SOFR).

"SOFR Administrator's Website" means the website of the Federal Reserve Bank of New York, currently at http://www.newyorkfed.org, or any successor source.

"U.S. Government Securities Business Day" means any day except for a Saturday, a Sunday or a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities.

If a SOFR IndexStart or SOFR IndexEnd is not published on the associated Interest Determination Date and a Benchmark Transition Event and its related Benchmark Replacement Date have not occurred with respect to SOFR, "Compounded SOFR" means, for the applicable Interest Period for which such index is not available, the rate of return on a daily compounded interest investment calculated in accordance with the formula for SOFR averages, and definitions required for such formula, published on the SOFR Administrator's Website, initially located at https://www.newyorkfed.org/markets/treasury-repo-reference-rates-information. For the purposes of this provision, references in the SOFR averages compounding formula and related definitions to "calculation period" shall be replaced with "Observation Period" and the words "that is, 30-, 90-, or 180-calendar days" shall be removed. If SOFR does not so appear for any day "i" in the Observation Period, SOFRi for such day "i" shall be SOFR published in respect of the first preceding U.S. Government Securities Business Day for which SOFR was published on the SOFR Administrator's Website.

The Company shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment. All references to any amount of interest or any other amount payable on or with respect to the Notes shall be deemed to include payment of any interest payable as a consequence of the occurrence and continuation of a "Registration Default," if applicable, as defined in the Registration Rights Agreement, dated as of March 16, 2026, among the Company, the Guarantor and the representatives of the initial purchasers with respect to the Initial Notes party thereto.

If the Company (or its designee) determines on or prior to the relevant Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to determining Compounded SOFR, then the Benchmark Transition Provisions will thereafter apply to all determinations of the rate of interest payable on the 2029 Floating Rate Notes.

2. Paying Agent.

Initially, Deutsche Bank Trust Company Americas will act as paying agent. The Company may change any paying agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the Floating Rate Senior Notes due 2029 (the "Notes") issued under the Indenture, dated as of March 16, 2026 (as amended, modified or supplemented from time to time in accordance therewith, the "Base Indenture" and, as supplemented by the First Supplemental Indenture, dated as of March 16, 2026, the "Indenture"), by and between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"). This Note is a "Security" and the Notes are "Securities" under the Indenture.

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. Sections 77aaa-77bbbb) (the "TIA") as in effect on the date on which the Indenture is qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of $2,000 and integral multiples of $1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Company may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Company need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the sending of a notice of redemption, nor need the Company register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes to, among other things, cure any ambiguity, defect or inconsistency.

6. Defaults and Remedies.

If an Event of Default with respect to the Note shall occur and be continuing, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal of all the Notes due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected thereby (voting as a class). The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series to be affected at the time Outstanding, on behalf of the Holders of all Securities of each such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

7. Authentication.

This Note shall not be valid until the Trustee signs the certificate of authentication on this Note by manual or PDF or other electronically imaged (such as DocuSign or Adobe Sign) signature.

8. Abbreviations and Defined Terms.

Customary abbreviations may be used in the name of a Holder of a Note or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

9. CUSIP Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes as a convenience to the Holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

Notwithstanding the foregoing, if the Stated Maturity of the principal of this Note, or any Interest Payment Date, falls on a date that is not a Business Day, the principal or interest, as the case may be, payable on such date will be payable on the next succeeding Business Day with the same force and effect as if paid on such date. The amount of interest payable on any Interest Payment Date shall be computed on the basis of a 360-day year of twelve 30-day months. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on March 2 or September 2 (each being referred to herein as a "Regular Record Date"), as the case may be, next preceding such Interest Payment Date. The Company shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment. All references to any amount of interest or any other amount payable on or with respect to the Notes shall be deemed to include payment of any interest payable as a consequence of the occurrence and continuation of a "Registration Default," if applicable, as defined in the Registration Rights Agreement, dated as of March 16, 2026, among the Company, the Guarantor and the representatives of the initial purchasers with respect to the Initial Notes party thereto.

HONEYWELL AEROSPACE INC.
4.600% Senior Notes due 2033

1. Interest.

Honeywell Aerospace Inc. (the "Company") promises to pay interest on the principal sum of this Note semiannually in arrears on March 16 and September 16 of each year, commencing September 16, 2026 (each such date on which the Company is required to pay interest being referred to herein as an "Interest Payment Date"), at the rate of 4.600% per annum from March 16, 2026, or from the most recent date in respect of which interest has been paid or duly provided for, until payment of said principal sum has been made or duly provided for. Notwithstanding the foregoing, if the Stated Maturity of the principal of this Note, or any Interest Payment Date, falls on a date that is not a Business Day, the principal or interest, as the case may be, payable on such date will be payable on the next succeeding Business Day with the same force and effect as if paid on such date. The amount of interest payable on any Interest Payment Date shall be computed on the basis of a 360-day year of twelve 30-day months. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on March 2 or September 2 (each being referred to herein as a "Regular Record Date"), as the case may be, next preceding such Interest Payment Date. As used herein, "Business Day" means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in New York, New York, United States.

The Company shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment. All references to any amount of interest or any other amount payable on or with respect to the Notes shall be deemed to include payment of any interest payable as a consequence of the occurrence and continuation of a "Registration Default," if applicable, as defined in the Registration Rights Agreement, dated as of March 16, 2026, among the Company, the Guarantor and the representatives of the initial purchasers with respect to the Initial Notes party thereto.

2. Paying Agent.

Initially, Deutsche Bank Trust Company Americas will act as paying agent. The Company may change any paying agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the 4.600% Senior Notes due 2033 (the "Notes") issued under the Indenture, dated as of March 16, 2026 (as amended, modified or supplemented from time to time in accordance therewith, the "Base Indenture" and, as supplemented by the First Supplemental Indenture, dated as of March 16, 2026, the "Indenture"), by and between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"). This Note is a "Security" and the Notes are "Securities" under the Indenture.

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. Sections 77aaa-77bbbb) (the "TIA") as in effect on the date on which the Indenture is qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of $2,000 and integral multiples of $1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Company may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Company need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the sending of a notice of redemption, nor need the Company register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes to, among other things, cure any ambiguity, defect or inconsistency.

6. Optional Redemption; Special Mandatory Redemption.

The Notes are subject to optional redemption and special mandatory redemption as further described in the Indenture. There is no sinking fund or mandatory redemption applicable to the Notes.

7. Defaults and Remedies.

If an Event of Default with respect to the Note shall occur and be continuing, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal of all the Notes due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected thereby (voting as a class). The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series to be affected at the time Outstanding, on behalf of the Holders of all Securities of each such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

8. Authentication.

This Note shall not be valid until the Trustee signs the certificate of authentication on this Note by manual or PDF or other electronically imaged (such as DocuSign or Adobe Sign) signature.

HONEYWELL AEROSPACE INC.
5.622% Senior Notes due 2046

1. Interest.

Honeywell Aerospace Inc. (the "Company") promises to pay interest on the principal sum of this Note semiannually in arrears on March 16 and September 16 of each year, commencing September 16, 2026 (each such date on which the Company is required to pay interest being referred to herein as an "Interest Payment Date"), at the rate of 5.622% per annum from March 16, 2026, or from the most recent date in respect of which interest has been paid or duly provided for, until payment of said principal sum has been made or duly provided for. Notwithstanding the foregoing, if the Stated Maturity of the principal of this Note, or any Interest Payment Date, falls on a date that is not a Business Day, the principal or interest, as the case may be, payable on such date will be payable on the next succeeding Business Day with the same force and effect as if paid on such date. The amount of interest payable on any Interest Payment Date shall be computed on the basis of a 360-day year of twelve 30-day months. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on March 2 or September 2 (each being referred to herein as a "Regular Record Date"), as the case may be, next preceding such Interest Payment Date. As used herein, "Business Day" means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in New York, New York, United States.

The Company shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment. All references to any amount of interest or any other amount payable on or with respect to the Notes shall be deemed to include payment of any interest payable as a consequence of the occurrence and continuation of a "Registration Default," if applicable, as defined in the Registration Rights Agreement, dated as of March 16, 2026, among the Company, the Guarantor and the representatives of the initial purchasers with respect to the Initial Notes party thereto.

2. Paying Agent.

Initially, Deutsche Bank Trust Company Americas will act as paying agent. The Company may change any paying agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the 5.622% Senior Notes due 2046 (the "Notes") issued under the Indenture, dated as of March 16, 2026 (as amended, modified or supplemented from time to time in accordance therewith, the "Base Indenture" and, as supplemented by the First Supplemental Indenture, dated as of March 16, 2026, the "Indenture"), by and between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"). This Note is a "Security" and the Notes are "Securities" under the Indenture.

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. Sections 77aaa-77bbbb) (the "TIA") as in effect on the date on which the Indenture is qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of $2,000 and integral multiples of $1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Company may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Company need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the sending of a notice of redemption, nor need the Company register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes to, among other things, cure any ambiguity, defect or inconsistency.

6. Optional Redemption.

The Notes are subject to optional redemption as further described in the Indenture. There is no sinking fund or mandatory redemption applicable to the Notes.

7. Defaults and Remedies.

If an Event of Default with respect to the Note shall occur and be continuing, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal of all the Notes due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected thereby (voting as a class). The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series to be affected at the time Outstanding, on behalf of the Holders of all Securities of each such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

8. Authentication.

This Note shall not be valid until the Trustee signs the certificate of authentication on this Note by manual or PDF or other electronically imaged (such as DocuSign or Adobe Sign) signature.

9. Abbreviations and Defined Terms.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes as a convenience to the Holders of the Notes. No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

HONEYWELL AEROSPACE INC.
5.852% Senior Notes due 2066

1. Interest.

Honeywell Aerospace Inc. (the "Company") promises to pay interest on the principal sum of this Note semiannually in arrears on March 16 and September 16 of each year, commencing September 16, 2026 (each such date on which the Company is required to pay interest being referred to herein as an "Interest Payment Date"), at the rate of 5.852% per annum from March 16, 2026, or from the most recent date in respect of which interest has been paid or duly provided for, until payment of said principal sum has been made or duly provided for. Notwithstanding the foregoing, if the Stated Maturity of the principal of this Note, or any Interest Payment Date, falls on a date that is not a Business Day, the principal or interest, as the case may be, payable on such date will be payable on the next succeeding Business Day with the same force and effect as if paid on such date. The amount of interest payable on any Interest Payment Date shall be computed on the basis of a 360-day year of twelve 30-day months. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on March 2 or September 2 (each being referred to herein as a "Regular Record Date"), as the case may be, next preceding such Interest Payment Date. As used herein, "Business Day" means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in New York, New York, United States.

The Company shall pay interest on overdue principal from time to time on demand at the rate borne by the Notes and at the same rate on overdue installments of interest (without regard to any applicable grace periods) to the extent lawful from the dates such amounts are due until such amounts are paid or made available for payment. All references to any amount of interest or any other amount payable on or with respect to the Notes shall be deemed to include payment of any interest payable as a consequence of the occurrence and continuation of a "Registration Default," if applicable, as defined in the Registration Rights Agreement, dated as of March 16, 2026, among the Company, the Guarantor and the representatives of the initial purchasers with respect to the Initial Notes party thereto.

2. Paying Agent.

Initially, Deutsche Bank Trust Company Americas will act as paying agent. The Company may change any paying agent without notice to the Holders.

3. Indenture; Defined Terms.

This Note is one of the 5.852% Senior Notes due 2066 (the "Notes") issued under the Indenture, dated as of March 16, 2026 (as amended, modified or supplemented from time to time in accordance therewith, the "Base Indenture" and, as supplemented by the First Supplemental Indenture, dated as of March 16, 2026, the "Indenture"), by and between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"). This Note is a "Security" and the Notes are "Securities" under the Indenture.

For purposes of this Note, unless otherwise defined herein, capitalized terms herein are used as defined in the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. Sections 77aaa-77bbbb) (the "TIA") as in effect on the date on which the Indenture is qualified under the TIA. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and holders of Notes are referred to the Indenture and the TIA for a statement of them. To the extent the terms of the Indenture and this Note are inconsistent, the terms of the Indenture shall govern.

4. Denominations; Transfer; Exchange.

The Notes are in registered form, without coupons, in denominations of $2,000 and integral multiples of $1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Company may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Company need not issue, authenticate, register the transfer of or exchange any Notes or portions thereof for a period of fifteen (15) days before the sending of a notice of redemption, nor need the Company register the transfer or exchange of any Note selected for redemption in whole or in part.

5. Amendment; Modification; Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes to, among other things, cure any ambiguity, defect or inconsistency.

6. Optional Redemption.

The Notes are subject to optional redemption as further described in the Indenture. There is no sinking fund or mandatory redemption applicable to the Notes.

7. Defaults and Remedies.

If an Event of Default with respect to the Note shall occur and be continuing, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare the principal of all the Notes due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected thereby (voting as a class). The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series to be affected at the time Outstanding, on behalf of the Holders of all Securities of each such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

8. Authentication.
