such election in respect of any payment of principal or interest, the aggregate amount designated for all such Noteholders in respect of such payment will be converted by Deutsche Bank AG, London Branch as exchange agent (the **Exchange Agent**), into U.S. dollars and paid by wire transfer of same-day funds to, or to the order of, the registered holder for payment through DTC's settlement system to the relevant DTC participants. All costs of such conversion will be borne by Noteholders receiving U.S. dollars by way of deduction from such payments.

Any such conversion will be based on the foreign exchange conversion rate (the **Exchange Rate**) of the Exchange Agent, at or prior to 11:00 A.M., New York City time, two New York Business Days preceding the relevant payment date, for the purchase by the Principal Paying Agent of U.S. dollars for settlement on such payment date. Neither the Issuer nor the Exchange Agent shall have any responsibility to Noteholders for any losses arising from such conversion, or for whether the Exchange Agent's conversion rate is representative of other market rates for the exchange of Canadian into U.S. dollars at the relevant time.

A Noteholder may elect to receive payment of principal and interest with respect to the Notes in CAD by causing DTC, through the relevant DTC participant, to notify the U.S. Paying Agent by the time specified below of (i) such Noteholder's election to receive all or a portion of such payment in CAD and (ii) wire transfer instructions to a CAD account. Such election in respect of any payment will be made by the Noteholder at the time and in the manner required by the DTC procedures applicable from time to time and will, in accordance with such procedures, be irrevocable. Any payments under this paragraph in CAD will be made by wire transfer of same-day funds to CAD accounts designated by DTC.

If complete instructions are received by the DTC participant and forwarded by the DTC participant to DTC and by DTC to the U.S. Paying Agent on or prior to such dates, the Noteholder will receive payment in CAD outside of DTC; otherwise only U.S. dollar payments will be made by the Exchange Agent.

The Record Date of the Notes shall be the twentieth calendar day before the relevant due date.

Notwithstanding clause 2.6(a) of the Terms and Conditions of the Notes in the Base Prospectus, holders of beneficial interests in the Regulation S Global Note may hold their interests through CDS Clearing and Depository Services Inc. as a participant in DTC.
