TERMS AND CONDITIONS OF THE BONDS

The £200,000,000 9½ per cent. Subordinated Bonds due 2021 (the "Bonds", which expression shall in these Terms and Conditions, unless the context otherwise requires, include any further bonds issued pursuant to Condition 14 and forming a single series therewith) of Woolwich Building Society (the "Issuer") are constituted by a fifth supplemental trust deed (the "Fifth Supplemental Trust Deed") dated 7th August, 1996 between the Issuer and The Law Debenture Trust Corporation p.l.c. (the "Trustee") as trustee for the holders of the Bonds (the "Bondholders") supplemental to a trust deed (the "Principal Trust Deed") dated 28th August, 1991 between the same parties, as supplemented. The Principal Trust Deed as supplemented and the Fifth Supplemental Trust Deed are hereinafter together referred to as the "Trust Deed". The issue of the Bonds was authorised and approved by resolutions of the Group Management Committee of the Board of Directors of the Issuer passed on 10th July, 1996 and 29th July, 1996. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed. Copies of the Trust Deed are available for inspection at the registered office of the Trustee, being at the date hereof at Princes House, 95 Gresham Street, London EC2V 7LY, England and at the specified office of each of the paying agents (the "Paying Agents") referred to below. The Bondholders and the holders (the "Couponholders") of the interest coupons appertaining to the Bonds (the "Coupons") are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed applicable to the Bonds and the Coupons.

1. Form, Denomination and Title

The Bonds are in bearer form, serially numbered, with Coupons attached on issue, in the denominations of £1,000, £10,000 and £100,000 each. Title to the Bonds and Coupons will pass by delivery. The Issuer, the Trustee and any Paying Agent may deem and treat the bearer of any Bond or Coupon as the absolute owner thereof (whether or not such Bond or Coupon shall be overdue and notwithstanding any notice to the contrary) for the purpose of making payment and for all other purposes. Bonds of one denomination may not be exchanged for Bonds of another denomination.

2. Status and Subordination

The Bonds and the Coupons are direct, subordinated and unsecured obligations of the Issuer. Following the commencement of a winding-up of the Issuer, the claims of the Bondholders and the Couponholders will be subordinated (in the manner provided in the Trust Deed) to the claims of all Senior Creditors.

For the purpose of this Condition 2, "Senior Creditors" means (i) all depositors, (ii) all other creditors of the Issuer (other than creditors (if any) whose claims are expressed to rank or rank *pari passu* with or junior to the claims of the Bondholders and Couponholders (whether only in the event of a winding-up of the Issuer or otherwise)), and (iii) in respect of a winding-up commenced while the Issuer remains a building society, all members holding shares in the Issuer (other than members holding Deferred Shares, as defined in the Trust Deed) as regards the principal of their shares and any interest due in respect of those shares.

The Bonds rank *pari passu* among themselves. The Bonds rank at least *pari passu* and rateably with all other subordinated obligations of the Issuer from time to time outstanding but will rank prior to the holders of any subordinated obligations whose claims rank or are expressed to rank junior to the claims of the Bondholders.

Subject to applicable law, no Bondholder or Couponholder may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer arising under or in connection with the Bonds or the Coupons and each Bondholder and Couponholder shall, by virtue of being the holder of any Bond or Coupon (as the case may be), be deemed to have waived all such rights of set-off, compensation or retention.

3. Interest

The Bonds bear interest from and including 7th August, 1996 at the rate of 9½ per cent. per annum, payable annually in arrear on 7th August (the "Interest Payment Date") in each year.

Each Bond will cease to bear interest from the due date for redemption unless, upon due presentation, payment of the principal is improperly withheld or refused or default is otherwise made in respect of such payment. In either such event, interest will continue to accrue as provided in the Trust Deed.

Whenever it is necessary to compute an amount of interest in respect of any Bond for a period of less than a full year, such interest shall be calculated on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the number of days elapsed.

4. Redemption and Purchase

- (a) Unless previously redeemed or purchased and cancelled as provided below, the Issuer will redeem the Bonds at their principal amount on 7th August, 2021.

- (b) If the Issuer satisfies the Trustee immediately prior to giving the notice referred to below that on the occasion of the next payment due in respect of the Bonds or the Coupons the Issuer will be required to pay additional amounts as provided in Condition 6 or to account to any taxing authority in the United Kingdom for any amount (other than any tax withheld or deducted from interest payable on the Bonds or the Coupons) calculated by reference to any amount payable in respect of the Bonds or the Coupons, the Issuer may at its option, having given not less than 30 nor more than 60 days' notice to the Bondholders in accordance with Condition 11 (which notice shall be irrevocable) and having obtained prior Relevant Supervisory Consent, redeem all, but not some only, of the Bonds at any time at their principal amount together with interest accrued to but excluding the date of redemption. Upon the expiry of such notice the Issuer shall be bound to redeem the Bonds accordingly.

For the purposes of these Terms and Conditions, "Relevant Supervisory Consent" means the consent to the relevant payment, repayment or purchase, as the case may be, of the Building Societies Commission (whilst the Issuer is a building society) or the Bank of England (whilst the Issuer is an authorised institution for the purposes of the Banking Act 1987).

- (c) The Issuer or any of its Subsidiaries (as defined in the Trust Deed) may, having obtained prior Relevant Supervisory Consent, at any time purchase Bonds at any price and in any manner provided that all unmatured Coupons appertaining thereto are attached thereto or surrendered therewith. If purchases are made by tender, tenders must be available to all Bondholders alike.
- (d) All Bonds which are (i) redeemed or (ii) purchased by or on behalf of the Issuer or any of its Subsidiaries (except purchases made in the ordinary course of business of a dealer in securities) will be cancelled forthwith (together with all relative unmatured Coupons purchased therewith) and such Bonds may not be reissued or resold.

5. Payments

Payments in respect of principal and interest will be made in Sterling against surrender of Bonds or, as the case may be, Coupons at the specified office of any of the Paying Agents. Such payments will be made at the specified office of any Paying Agent by Sterling cheque drawn on, or by transfer to a Sterling account maintained by the payee with, a bank in London, subject in all cases to any fiscal or other laws and regulations applicable thereto, but without prejudice to the provisions of Condition 6.

The names of the initial Principal Paying Agent, the other initial Paying Agents and their initial specified offices are set out below.

The Issuer reserves the right, subject to the approval of the Trustee, at any time to vary or terminate the appointment of any Paying Agent and to appoint additional or other Paying Agents, provided that it will at all times maintain a Paying Agent having a specified office in a city approved by the Trustee in continental Europe and, so long as the Bonds are listed on London Stock Exchange Limited (the "London Stock Exchange"), a Paying Agent with a specified office in London. Notice of any such termination or appointment and of any changes in the specified offices of the Paying Agents will be given to the Bondholders in accordance with Condition 11.

Each Bond should be presented for payment together with all unmatured Coupons appertaining thereto. Upon the date on which any Bond becomes due and repayable, all unmatured Coupons appertaining thereto (whether or not attached) shall become void and no payment shall be made in respect thereof. If the due date for redemption of any Bond is not an Interest Payment Date, interest accrued from the immediately preceding Interest Payment Date or, as the case may be, 7th August, 1996 shall be payable only upon presentation of the relevant Bond.

If the date for payment of any amount of principal or interest in respect of any Bond or Coupon is not at any place of payment a business day, then the holder thereof shall not be entitled to payment at that place of payment of the amount due until the next following business day at that place of payment and shall not be entitled to any further interest or other payment in respect of any such delay. In this Condition 5, "business day" means any day (not being a Saturday or a Sunday) on which banks are open for business in the relevant place of payment and in London.

6. Taxation

All payments of principal and interest in respect of the Bonds and the Coupons by the Issuer will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the United Kingdom or any political sub-division thereof or by any authority therein or thereof having power to tax unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, the Issuer will pay such additional amounts as may be necessary in order that the net amounts received by the Bondholders and Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would have been receivable

in respect of the Bonds or, as the case may be, Coupons in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Bond or Coupon presented for payment:

- (a) by or on behalf of a holder who (i) is able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration of non-residence or other claim for exemption to the relevant tax authority; or (ii) is liable to such taxes, duties, assessments or governmental charges in respect of such Bond or Coupon by reason of his having some connection with the United Kingdom otherwise than merely by the holding of such Bond or Coupon; or
- (b) in the United Kingdom; or
- (c) more than 30 days after the relevant date except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on the thirtieth such day.

As used herein, the "relevant date" means the date on which such payment first becomes due, but, if the full amount of the money payable has not been received in London by the Principal Paying Agent or the Trustee on or prior to such due date, it means the date on which, the full amount of such money having been so received, notice to that effect shall have been duly published in accordance with Condition 11. Any reference in these Terms and Conditions to principal or interest shall be deemed also to refer to any additional amounts which may be payable pursuant to this Condition or any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

7. Prescription

Bonds and Coupons will become void unless presented for payment within periods of twelve years and six years, respectively, from the relevant date (as defined in Condition 6) in respect thereof.

8. Events of Default

The Trustee at its discretion may, and if so requested in writing by the holders of not less than 25 per cent. in principal amount of the Bonds then outstanding or if so directed by an Extraordinary Resolution (as defined in the Trust Deed) of the Bondholders shall (subject in each case to being indemnified to its satisfaction), give notice to the Issuer that the Bonds are, and they shall accordingly immediately become, due and repayable at their principal amount, together with accrued interest as provided in the Trust Deed, if any of the following events shall occur and shall be continuing:

- (a) default is made for a period of more than 14 days in the payment of any interest due in respect of the Bonds or any of them when and as the same ought to be paid; or
- (b)
 - (i) the winding-up of the Issuer is commenced (other than a winding-up which has been approved in writing by the Trustee or which has been sanctioned by an Extraordinary Resolution of the Bondholders); or
 - (ii) the dissolution of the Issuer is commenced otherwise than by virtue of Section 93(5), 94(10) or 97(9) or (10) of the Building Societies Act 1986 as amended or replaced from time to time (the "Act") or with the prior written approval of the Trustee or with the prior sanction of an Extraordinary Resolution of the Bondholders; or
 - (iii) the registration of the Issuer under the Act is cancelled otherwise than under Section 103(1)(a) of the Act or with the prior written approval of the Trustee or with the prior sanction of an Extraordinary Resolution of the Bondholders.

At any time after the Bonds have become due and repayable and have not been repaid, the Trustee may, at its discretion and without further notice, institute proceedings for the winding-up of the Issuer in England (but not elsewhere) and prove in such winding-up.

The Trustee may institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed or the Bonds (other than any obligation for the payment of any principal or interest in respect of the Bonds or Coupons) provided that the Issuer shall not by virtue of any such proceedings be obliged to pay (i) any sum or sums representing principal or interest in respect of the Bonds or Coupons sooner than the same would otherwise have been payable by it or (ii) any damages (save in respect of the Trustee's fees and expenses incurred by it in its capacity as trustee).

The restriction on the payment of damages would have the effect of limiting the remedies available to the Trustee in the event of a breach of certain covenants (other than payment covenants) by the Issuer.

9. Enforcement of Rights

The Trustee shall not be bound to institute any such proceedings as are contemplated or mentioned in Condition 8 unless (a) it shall have been so directed by an Extraordinary Resolution of the Bondholders or so requested in writing by Bondholders holding at least 25 per cent. in principal amount of the Bonds outstanding and (b) it shall have been indemnified to its satisfaction. No Bondholder or Couponholder shall be entitled to institute proceedings directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so, within a reasonable time and such failure is continuing, in which case the relevant Bondholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise.

10. Replacement of Bonds and Coupons

Should any Bond or Coupon be lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Principal Paying Agent for the time being upon payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Bonds or Coupons must be surrendered before replacements will be issued.

11. Notices

All notices to the Bondholders will be valid if published in the *Financial Times* or any other leading daily English language newspaper in London or, if this is not practicable, such other leading daily English language newspaper with general circulation in Europe as the Trustee may approve. Such notices shall be deemed to have been given on the date of such publication or, if published more than once, on the date of the first such publication. If publication is not practicable in any such newspaper as is mentioned above, notices will be valid if given in such other manner, and shall be deemed to have been given on such dates, as the Trustee shall determine. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the Bondholders in accordance with this Condition 11.

12. Meetings of Bondholders, Modification, Waiver, Transfer of Business and Substitution

The Trust Deed contains provisions for convening meetings of Bondholders to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Terms and Conditions or the provisions of the Trust Deed. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons holding or representing a clear majority in principal amount of the Bonds for the time being outstanding, or at any adjourned such meeting one or more persons being or representing Bondholders whatever the principal amount of the Bonds so held or represented, except that at any meeting, the business of which includes the modification of certain of these Terms and Conditions or of certain of the provisions of the Trust Deed, the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than three-quarters, or at any adjourned such meeting not less than one-quarter, of the principal amount of the Bonds for the time being outstanding.

An Extraordinary Resolution passed at any meeting of Bondholders will be binding on all Bondholders, whether or not they are present at the meeting, and on all Couponholders. The Trust Deed provides that the Trustee may agree, without the consent of the Bondholders or Couponholders, to any modification (subject to certain exceptions) of, or to the waiver or authorisation of any breach or proposed breach of, any of these Terms and Conditions or any of the provisions of the Trust Deed which is not, in the opinion of the Trustee, materially prejudicial to the interests of the Bondholders or to any modification which is of a formal, minor or technical nature or which is made to correct a manifest error. The Trust Deed further provides that the Trustee shall not exercise its powers of modification, waiver or authorisation in contravention of any express direction given by Extraordinary Resolution of the Bondholders.

If the Issuer shall amalgamate with one or more other building societies pursuant to Section 93 of the Act, or transfer all or (on terms which have previously been approved in writing by the Trustee or by an Extraordinary Resolution of the Bondholders) part (where the part includes its obligations as principal debtor under the Trust Deed, the Bonds and the Coupons) of its engagements (where such engagements include its liability as principal debtor and obligor under the Trust Deed, the Bonds and the Coupons) to another building society pursuant to Section 94 of the Act, or transfer its business to a company pursuant to Section 97 of the Act, the successor (the "Successor under the Act") in each case will, pursuant to such provisions, automatically be substituted in place of the Issuer as principal debtor under the Trust Deed, the Bonds and the Coupons without any prior approval thereof being required from any of the Bondholders, the Couponholders or the Trustee.

The Issuer has covenanted with the Trustee in the Trust Deed that:

- (a) it will not enter into any arrangement for the transfer of its engagements to another building society pursuant to Section 94 of the Act unless it transfers all its engagements to such society or such transfer has been approved by the Trustee or by an Extraordinary Resolution of the Bondholders; and

- (b) it will not transfer its business to a company in accordance with Section 97 of the Act unless either it has satisfied the Trustee that, upon such transfer becoming effective, the Successor under the Act will be or (as the case may be) remain an authorised institution for the purposes of the Banking Act 1987 or such transfer has been approved by an Extraordinary Resolution of the Bondholders.

Subject as provided in the Trust Deed, the Trustee may agree, without the consent of the Bondholders or the Couponholders, to the substitution at any time or times of any successor company (as defined in the Trust Deed), not being a Successor under the Act, or any Subsidiary or any subsidiary of any such successor company, as the principal debtor under the Trust Deed, the Bonds and the Coupons subject to (in the case of the substitution of any company which is a Subsidiary or a subsidiary of such successor company) the irrevocable and unconditional guarantee in respect of the Trust Deed, the Bonds and the Coupons by the Issuer or any successor company.

In connection with the exercise by it of any of its trusts, powers or discretions (including, without limitation, any modification, waiver, authorisation or substitution), the Trustee shall have regard to the interests of the Bondholders as a class and, in particular but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers or discretions for individual Bondholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Bondholder or Couponholder be entitled to claim, from the Issuer or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Bondholders or Couponholders except to the extent already provided for in Condition 6 and/or any undertaking given in addition to, or in substitution for, Condition 6 pursuant to the Trust Deed.

Any such modification, waiver, authorisation or substitution shall be binding on the Bondholders and the Couponholders and, unless the Trustee agrees otherwise, any such modification or substitution shall be notified to the Bondholders by the Issuer as soon as practicable thereafter in accordance with Condition 11.

13. Indemnification of, and Transactions by, the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility in certain circumstances, including provisions relieving it from instituting proceedings to enforce repayment unless indemnified to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer or any Subsidiary without accounting for any profit resulting therefrom.

14. Further Issues

The Issuer is at liberty from time to time without the consent of the Bondholders or Couponholders to create and issue further bonds and/or notes either ranking *pari passu* in all respects (or in all respects save for the first payment of interest thereon) and so that the same shall be consolidated and form a single series with the outstanding bonds and/or notes of any series (including the Bonds but not including the £33,000,000 Subordinated Floating Rate Notes due 2001) constituted by the Principal Trust Deed or any Deed supplemental thereto or upon such terms as to ranking, interest, conversion, premium, redemption and otherwise as the Issuer may at the time of issue thereof determine. Any further bonds or notes forming a single series with the outstanding bonds or notes of any series (including the Bonds but not including the £33,000,000 Subordinated Floating Rate Notes due 2001) constituted by the Principal Trust Deed or any Deed supplemental thereto shall, and any other further bonds or notes may (with the consent of the Trustee) be constituted by a Deed supplemental to the Principal Trust Deed. The Principal Trust Deed contains provisions for convening a single meeting of the Bondholders and the holders of bonds or notes of other series in certain circumstances where the Trustee so decides.

15. Governing Law

The Trust Deed, the Bonds and the Coupons are governed by, and shall be construed in accordance with, English law.

USE OF PROCEEDS

The net proceeds of the issue of the Bonds, which are estimated to amount to £197,834,000 will be used by the Society for the general purposes of its business.

WOOLWICH BUILDING SOCIETY

Woolwich Building Society is a building society under the Building Societies Act 1986 (the "Act"). Its principal office is at Corporate Headquarters, Watling Street, Bexleyheath, Kent DA6 7RR. It is registered with the Registry of Friendly Societies (Register Number 683B) at 15 Great Marlborough Street, London W1V 2SX. It operates under the Act, certain statutory instruments and the Society's own Memorandum and Rules. The group accounts of the Society comprise the accounts of the Society and all its operating subsidiaries.

The Society, as a building society, is a mutual organisation and, unlike a company incorporated under the Companies Acts, does not have equity shareholders. A share in the Society is not the same as a share in a company and voting power is not weighted according to the number or value of shares held. Holders of investment shares may withdraw funds from their share accounts subject to the Rules of the Society and the terms upon which their shares are issued. Depositors with and lenders to the Society are not members and, accordingly, have no voting rights.

History

The Woolwich is the third largest building society in the United Kingdom with total assets of some £28 billion at the end of 1995.

The Society has a history dating back to 1847 when it was first established in the town of Woolwich, which was then a small industrial town situated seven miles downstream from London on the River Thames but is now a suburb of London. The principal office is now situated some six miles to the south-east at Bexleyheath, Kent although the Society maintains its links with the town of Woolwich.

In the 19th and early 20th centuries, which were periods of consolidation for the building society industry as a whole, the Woolwich began to expand. The decision in the 1920s to open branches outside the immediate Woolwich region was a key factor in its development. By 1947, 100 years after its formation, the Society ranked as the fourth largest building society in the United Kingdom with assets of £50 million.

The most rapid growth for the Society, however, has occurred since 1947. State funding of council houses limited the potential for growth in the 1940s and 1950s but in the 1960s and 1970s the factors which caused the rapid growth of building societies in general were felt particularly in the Society's main area of operation—London and the South East of England. Strong demand for mortgages led the Society to expand its savings base, enabling it to spread its high street branch network to cover the entire country. It was the first building society to computerise its branch network by means of counter-top terminals with on-line links to a central computer. The catch-phrase 'We're with the Woolwich' became well-known as a result of the Society's TV advertising in the 1970s.

At 31st December, 1995, the Society had 565,000 borrowers and over 3,500,000 investing members serviced by a network of 488 branches and 247 branch agencies throughout the United Kingdom. The branch environment has received much attention, with many branches now being open-plan, ensuring that customers receive more personal service. Advanced computer technology links each branch to head office so that the wide range of financial services available is delivered to the customer both speedily and efficiently.

In the 1980s the Woolwich expanded its operations into the wholesale money markets. The treasury activities of the core business and subsidiary companies are controlled centrally. The wholesale funding policy is to obtain funds from diversified sources with no undue dependence on any instrument, facility or market. Eurobonds have been issued in Sterling, U.S. Dollars, ECU, Swiss francs and Deutsche Marks, the Woolwich being the first building society to issue in the latter two currencies. A U.S. Dollar commercial paper programme introduced in 1990 is now an important source of funds. This programme has a maximum principal amount of U.S.\$1.25 billion and is operated by three dealers: Lehman Commercial Paper, Inc., Merrill Lynch Money Markets Incorporated and Goldman Sachs Money Markets L.P. In 1992, the Society established a U.S.\$1.5 billion Note Programme for the issue of Euro Medium Term Notes, Deposit Notes and Subordinated Notes, which was arranged by Merrill Lynch International. On 22nd April, 1996, the size of this Note Programme was increased to U.S.\$2.0 billion.

Since 1987, when building societies received wider statutory powers to provide certain additional financial services, the Woolwich has made a number of strategic moves into new areas of operation through the development of subsidiaries. An estate agency network of 191 branches has been built up by Woolwich Property Services Limited which makes a significant contribution to the Society's total lending through mortgage introductions and to the business performance of Woolwich Life Assurance Company Limited. In 1993, the surveying operations of both Woolwich Property Services Limited and the Society were merged into a separate subsidiary, Woolwich Surveying Services Limited, trading as Ekins, which has demonstrated consistent profitable growth and has strengthened its external client base.

In 1990 and 1991, the Society established three subsidiary companies each of which provides financial products that complement the existing range. Woolwich Life Assurance Company Limited (a member of PIA) is 90 per cent. owned by the Woolwich with the remaining 10 per cent. held by the Sun Alliance Group. Woolwich Unit Trust Managers Limited (a member of PIA and IMRO) sells its own unit trust products throughout the Society's branch network. The Woolwich acts as an appointed representative of these two subsidiaries for the purposes of advising on and selling life assurance and investment products of these companies. Customers seeking a wider range of products are served by Woolwich Independent Financial Advisory Services Limited which is an independent financial adviser regulated by the PIA for Financial Services Act 1986 investment business.

The Woolwich has been at the forefront of the movement by building societies into continental Europe. In 1990, Woolwich SpA was established as a subsidiary in Milan, with agreements in place with a number of Italian distribution networks to originate clients as prospective borrowers. In October 1995, after receiving authorisation from the Bank of Italy, it became Banca Woolwich SpA. In July 1991, another subsidiary, Banque Woolwich, incorporated as a bank under French law, purchased the mortgage lending network of Banque Immobilière de Crédit, a subsidiary of Midland Bank S.A. Banque Woolwich has its Head Office in the centre of Paris and 19 branch offices located throughout France. Woolwich Guernsey Limited, the Society's off-shore company, has customers in over 60 countries.

In December 1993, the Society became the first UK building society to launch a captive insurance company. Winguard Insurance Company, a wholly-owned subsidiary based in Guernsey, satisfies part of the Society's requirements for mortgage indemnity insurance.

Recent Developments

On 11th January, 1996 the Society announced its intention to seek the approval of its members to convert to a public limited company listed on the London Stock Exchange. Economic, demographic and technological developments are all creating increasing change, pressures and opportunities in the personal financial services industry. The result has been greater competition and diversification, as well as considerable regrouping among businesses operating within the industry. The Society perceives that in future organisations will either have to be providers of a full range of personal financial services or smaller niche players. The Society wishes to remain a significant player at the forefront of industry developments and to pursue vigorously every opportunity to provide customers with services and products that meet their needs and are among the very best in terms of value, cost and range. As a result of expanding its products and services beyond the traditional building society business of mortgages and savings, an increasing number of customers are purchasing products and services which do not confer membership rights. Since the Society wishes to develop these activities further, it has concluded that mutuality is no longer appropriate. After detailed consideration of strategic options, the Society has decided that conversion and flotation are in its best interests and those of its members, its other customers and employees.

The greater freedom permitted by the legislative regime governing UK banks will give the Society wider operational flexibility to grow and broaden its business with a wider range of products and services, as well as greater freedom in accessing the wholesale money markets and in the acquisition and funding of its assets. As a listed company, the Society will have the ability to raise additional capital more easily than it can do currently. The Society believes that this offers more scope for profitable growth through the expansion of the existing businesses, some of which may be by acquisition. This in turn would enable the Society to broaden geographical and product coverage and generate economies of scale.

Conversion and flotation are subject to a number of conditions, including the separate approvals of those investing and borrowing members eligible to vote, confirmation by the Building Societies Commission and authorisation of the successor company of the Society as a bank by the Bank of England.

The conversion timetable will depend on a range of factors including the completion of the legal and regulatory processes, as well as prevailing market conditions. It is expected that the process will be completed around the middle of 1997.

On conversion to a public listed company, in accordance with the Act all property, rights and liabilities of the Society (including those in relation to the Bonds) shall vest in such public listed company.

UNITED KINGDOM TAXATION

The following is a summary of the Issuer's understanding of current and proposed law and practice in the United Kingdom relating to the taxation of the Bonds. It relates only to the position of persons who are the absolute beneficial owners of their Bonds and Coupons and may not apply to certain classes of taxpayer (such as dealers). Prospective Bondholders who may be subject to tax in a jurisdiction other than the United Kingdom should seek their own professional advice.

Interest on the Bonds

1. The Bonds will constitute "quoted Eurobonds" within the meaning of section 124 of the Income and Corporation Taxes Act 1988 (the "Taxes Act") as long as they continue to be listed on a "recognised stock exchange" within the meaning of section 841 of the Taxes Act. The London Stock Exchange is currently so recognised. Accordingly, payments of interest on the Bonds may be made without withholding on account of United Kingdom income tax:

- (a) where payment is made by or through an overseas paying agent; or
- (b) where payment is made by or through a person who is in the United Kingdom but either:—
 - (i) the beneficial owner of the Bonds and the related Coupons is not resident in the United Kingdom; or
 - (ii) the Bonds are held in a "recognised clearing system",

and, except, in the case of (ii) above, where the payment is made direct to the "recognised clearing system", a declaration to that effect in a form required by law has been given, on the occasion of each payment, to the person by or through whom the payment is made or the Inland Revenue has issued a notice to that effect to the person by whom or through whom the payment is made.

In all other cases an amount must be withheld on account of income tax at the lower rate, currently 20 per cent., subject to any direction to the contrary by the Inland Revenue under an applicable double taxation treaty.

2. Where a United Kingdom collecting agent, either:

- (a) acts as custodian of the Bonds and receives interest on the Bonds or directs that interest on the Bonds be paid to another person or consents to such payment; or
- (b) collects or secures payment of or receives interest on the Bonds for a Bondholder or a Couponholder (except by means of clearing a cheque or arranging for the clearing of a cheque),

the collecting agent will be required to withhold on account of United Kingdom income tax at the lower rate unless:

- (i) the relevant Bonds are held in a "recognised clearing system" and the collecting agent either:
 - (A) pays or accounts for the interest directly or indirectly to the "recognised clearing system" and, except where the payment is made direct to the "recognised clearing system", the collecting agent has obtained a declaration in a form required by law made by the "recognised clearing system" or its depository, or
 - (B) is acting as depository for the "recognised clearing system"; or
- (ii) the person beneficially entitled to the interest is either not resident in the United Kingdom and beneficially owns the relevant Bonds or is specified by regulations; or
- (iii) the interest arises to trustees not resident in the United Kingdom of certain discretionary or accumulation trusts (where, *inter alia*, none of the beneficiaries of the trust is resident in the United Kingdom); or
- (iv) the person beneficially entitled to the interest is eligible for certain reliefs from tax in respect of the interest; or
- (v) the interest falls to be treated as the income of, or of the government of, a sovereign power or of an international organisation.

In the case of each of the above exceptions, further administrative conditions imposed by regulations (including a requirement that a declaration in the form required by law has been given to the collecting agent) will generally have to be satisfied for the relevant exception to be available.

3. Interest on the Bonds constitutes United Kingdom source income for tax purposes and, as such, may be subject to income tax by direct assessment even where paid without withholding.

However, interest with a United Kingdom source received without deduction or withholding on account of United Kingdom tax is not chargeable to United Kingdom tax in the hands of a Bondholder who is not resident for tax purposes in the United Kingdom unless that Bondholder carries on a trade, profession or vocation in the United Kingdom through a United Kingdom branch or agency in connection with which the interest is received or to which the Bonds are attributable. There are exemptions for interest received by certain categories of agent (such as some brokers and investment managers).

4. Holders of the Bonds should note that the provisions relating to additional amounts set out in Condition 6 of the Bonds above would not apply if the Inland Revenue sought to assess the person entitled to the relevant interest directly to United Kingdom tax on that interest. However, exemption from or reduction of such United Kingdom tax liability might be available under an applicable double taxation treaty.

5. U.K. Corporation Tax Payers

Bondholders within the charge to United Kingdom corporation tax will be charged to tax generally on all returns and fluctuations in value arising from the Bonds broadly in accordance with their statutory accounting treatment. Such Bondholders will generally be charged to tax in each accounting period by reference to interest and to any profit (or relieved for any loss) calculated in accordance with such Bondholders' authorised accounting methods in that period.

6. Other Bondholders

Accrued Income Scheme

6.1. On a disposal of Bonds by a Bondholder who is not within the charge to United Kingdom corporation tax, any interest which has accrued since the last Interest Payment Date may be chargeable to tax as income if that Bondholder is resident or ordinarily resident in the United Kingdom or carries on a trade in the United Kingdom through a branch or agency to which the Bonds are attributable.

Taxation of Chargeable Gains

6.2 The Bonds will constitute "qualifying corporate bonds" within the meaning of section 117 of the Taxation of Chargeable Gains Act 1992. Accordingly, a disposal by a Bondholder will not give rise to a chargeable gain or an allowable loss for the purposes of the UK taxation of chargeable gains.

7. Taxation of Discount

Based on the Issuer's understanding of the Inland Revenue's practice in this area, it is considered that the Bonds will not be treated as constituting "relevant discounted securities" for the purposes of the Finance Act 1996.

8. Stamp Duty and SDRT

No United Kingdom stamp duty or stamp duty reserve tax will be payable on the issue of the Bonds or on a transfer of the Bonds by delivery.

In view of the current uncertainties surrounding the way in which the Finance Act 1996 will be applied, Bondholders are advised to seek independent advice in relation to their tax position.

PURCHASE AND SALE

UBS Limited and Barclays de Zoete Wedd Limited (together the "Managers") have, pursuant to a purchase agreement (the "Purchase Agreement") dated 31st July, 1996, agreed with the Society, subject to the satisfaction of certain conditions, to purchase the Bonds at the issue price of 99.542 per cent. of the principal amount of the Bonds less a selling commission of 0.375 per cent. of the principal amount thereof and a management and underwriting commission of 0.25 per cent. of such principal amount. The Purchase Agreement entitles the Managers to be released and discharged from their obligations thereunder in certain circumstances prior to payment to the Society.

The issue of the Bonds has been fully underwritten by the Managers on a joint and several basis and no separate sub-underwriting group has been formed.

SELLING RESTRICTIONS

United States

The Bonds have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Bonds are in bearer form, are subject to U.S. tax law requirements and may not be offered or sold within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Manager has agreed that, except as permitted by the Purchase Agreement, it will not offer or sell the Bonds, (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering and the Closing Date (as defined in the Purchase Agreement), within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Bonds during the restricted period a confirmation or other notice setting forth the restrictions on offers and sales of the Bonds within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Bonds within the United States by a dealer that is not participating in the offering may violate the registration requirements of the Securities Act.

United Kingdom

Each Manager has represented and agreed that (i) it has not offered or sold and will not offer or sell any Bonds to persons in the United Kingdom prior to admission of the Bonds to listing in accordance with Part IV of the Financial Services Act 1986 (the "FSA") except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995 or the FSA, (ii) it has complied and will comply with all applicable provisions of the FSA with respect to anything done by it in relation to the Bonds in, from or otherwise involving the United Kingdom and (iii) it has only issued or passed on, and will only issue or pass on, in the United Kingdom any document received by it in connection with the issue of the Bonds, other than any document which consists of or any part of listing particulars, supplementary listing particulars or any other document required or permitted to be published by listing rules under Part IV of the FSA, to a person who is of a kind described in Article 11(3) of the Financial Services Act 1986 (Investment Advertisements) (Exemptions) Order 1996 or is a person to whom the document may otherwise lawfully be issued or passed on.

It is anticipated that such listing will be granted on 2nd August, 1996 subject to the issue of the Temporary Global Bond. Prior to official listing, however, dealings will be permitted by the London Stock Exchange in accordance with its rules.
