The £400,000,000 6.125 per cent Undated Subordinated Notes (the "6.125% Notes") of Barclays Bank PLC (the "Bank") will bear interest from (and including) 19th April, 2002 to (but excluding) 19th April, 2027 at a rate of 6.125 per cent per annum, payable annually in arrear on each 19th April, starting with 19th April, 2003. From (and including) 19th April, 2027, the 6.125% Notes will bear interest payable annually in arrear on each 19th April thereafter at a rate of 2.07 per cent per annum above the gross redemption yield of a prescribed benchmark gilt, all as more particularly described in "Conditions of the 6.125% Notes — Interest".

The £400,000,000 6.375 per cent Undated Subordinated Notes (the "6.375% Notes" and, together with the 6.125% Notes where the context so requires, the "Notes") of the Bank will bear interest from (and including) 19th April, 2002 to (but excluding) 19th April, 2017 at a rate of 6.375 per cent per annum, payable annually in arrear on each 19th April, starting with 19th April, 2003. From (and including) 19th April, 2017, the 6.375% Notes will bear interest payable annually in arrear on each 19th April thereafter at a rate of 2.02 per cent per annum above the gross redemption yield of a prescribed benchmark gilt, all as more particularly described in "Conditions of the 6.375% Notes — Interest".

The Notes will have no final maturity date and will only be repayable as set forth under "Conditions of the 6.125% Notes — Repayment and Purchase; and — Default and Enforcement" and "Conditions of the 6.375% Notes — Repayment and Purchase; and — Default and Enforcement". In particular, the Bank may repay on 19th April, 2027 or on each Interest Payment Date falling at five-yearly intervals thereafter all, but not some only, of the 6.125% Notes. In addition, the Bank may repay on 19th April, 2017 or on each Interest Payment Date falling at five yearly intervals thereafter all, but not some only, of the 6.375% Notes. Under existing Financial Services Authority ("FSA") requirements, the Bank may not redeem or purchase any Notes unless the FSA has given its prior written consent.

The Notes will be unsecured obligations of the Bank and will be subordinated to the claims of Senior Creditors (as defined herein). No payment of principal or interest in respect of the Notes may be made unless the Bank is able to make such payment and remain solvent immediately thereafter. In addition, interest on the Notes need not be paid on any Interest Payment Date by the Bank if, in the six months immediately preceding such Interest Payment Date, no dividend has been declared or paid on any class of share capital of the Holding Company (as defined herein) or (if at the relevant time the Holding Company is a company other than the Bank itself) on any class of preference share capital of the Bank. See "Conditions of the 6.125% Notes — Interest" and "Conditions of the 6.375% Notes — Interest". In the event of the winding up in England of the Bank, the holders of the Notes will, for the purpose only of calculating the amounts payable in respect thereof, be treated as if they were the holders of preference shares in the capital of the Bank on the day immediately prior to the commencement of the winding up and thereafter. See "Conditions of the 6.125% Notes — Status and Subordination" and "Conditions of the 6.375% Notes — Status and Subordination".

Applications have been made to the FSA in its capacity as competent authority (the "United Kingdom Listing Authority") under the Financial Services and Markets Act 2000 (the "FSMA") for the Notes to be admitted to the official list of the United Kingdom Listing Authority (the "Official List"). Applications have also been made to London Stock Exchange plc (the "London Stock Exchange") for the Notes to be admitted to trading on the London Stock Exchange's market for listed securities. Admission to the Official List together with admission to trading on the London Stock Exchange's market for listed securities constitute official listing on a stock exchange. A copy of this document, which comprises the listing particulars required by section 74 of the FSMA, has been delivered to the Registrar of Companies in England and Wales for registration as required by section 83 of the FSMA.

CONDITIONS OF THE 6.125% NOTES

The following is the text of the Conditions of the 6.125% Notes substantially in the form in which they will appear on the definitive Notes:

The £400,000,000 6.125 per cent Undated Subordinated Notes (the “Notes”, which expression shall in these Conditions, unless the context otherwise requires, include any further notes issued pursuant to Condition 12 and forming a single series with the Notes) of Barclays Bank PLC (the “Bank”) are in bearer form with interest coupons and a talon for further interest coupons (together, where the context so permits, the “Coupons”) attached. The issue of the Notes was authorised by a resolution of a duly constituted Committee of the Board of Directors of the Bank passed on 16 April, 2002. The Notes are constituted by a Sixteenth Supplemental Trust Deed dated 19th April, 2002 made between the Bank and Phoenix Assurance Public Limited Company (the “Trustee”) as trustee for the holders of the Notes (the “Noteholders”) and expressed to be supplemental to (i) the principal Trust Deed dated 2nd July, 1985 made between the Bank and the Trustee constituting the U.S.\$600,000,000 Undated Floating Rate Primary Capital Notes of the Bank (the “Series 1 Notes”), (ii) the First Supplemental Trust Deed dated 14th February, 1986 made between the Bank and the Trustee constituting the U.S.\$750,000,000 Undated Floating Rate Primary Capital Notes Series 2 of the Bank and the Second Supplemental Trust Deed dated 4th September, 1989 made between the Bank and the Trustee constituting up to U.S.\$450,000,000 Undated Floating Rate Primary Capital Notes Series 2 of the Bank (together, the “Series 2 Notes”), (iii) the Third Supplemental Trust Deed dated 16th October, 1989 made between the Bank and the Trustee constituting the £200,000,000 Undated Floating Rate Primary Capital Notes Series 3 of the Bank (the “Series 3 Notes”), (iv) the Fourth Supplemental Trust Deed dated 28th September, 1990 made between the Bank and the Trustee modifying the provisions of the said First Supplemental Trust Deed and Second Supplemental Trust Deed, (v) the Fifth Supplemental Trust Deed dated 12th May, 1993 and the Sixth Supplemental Trust Deed dated 25th June, 1993 both made between the Bank and the Trustee and together constituting the £300,000,000 9.875 per cent Undated Subordinated Notes of the Bank (the “9.875 per cent Notes”), (vi) the Seventh Supplemental Trust Deed dated 11th October, 1993 made between the Bank and the Trustee constituting the £100,000,000 9 per cent Permanent Interest Bearing Capital Bonds of the Bank (the “Permanent Capital Bonds”), (vii) the Eighth Supplemental Trust Deed dated 20th October, 1993 made between the Bank and the Trustee constituting the £100,000,000 7.875 per cent Undated Subordinated Notes of the Bank (the “7.875 per cent Notes”), (viii) the Ninth Supplemental Trust Deed dated 7th July, 1997 made between the Bank and the Trustee constituting the FRF1,000,000,000 6.5 per cent Undated Subordinated Notes of the Bank (the “6.5 per cent Notes”), (ix) the Tenth Supplemental Trust Deed dated 27th February, 1998 made between the Bank and the Trustee constituting the ¥8,000,000,000 5.03 per cent Reverse Dual Currency Undated Subordinated Notes of the Bank (the “5.03 per cent Notes”), (x) the Eleventh Supplemental Trust Deed dated 29th May, 1998 made between the Bank and the Trustee constituting the ¥12,000,000,000 5 per cent Reverse Dual Currency Undated Subordinated Notes of the Bank (the “5 per cent Notes”), (xi) the Twelfth Supplemental Trust Deed dated 24th October, 2000 and the Fourteenth Supplemental Trust Deed dated 21st May, 2001 both made between the Bank and the Trustee and together constituting the £525,000,000 7.125 per cent Undated Subordinated Notes of the Bank (the “7.125 per cent Notes”) and (xii) the Thirteenth Supplemental Trust Deed dated 27th November, 2000 and the Fifteenth Supplemental Trust Deed dated 21st May, 2001 both made between the Bank and the Trustee and together constituting the £650,000,000 6.875 per cent Undated Subordinated Notes of the Bank (the “6.875 per cent Notes”). The said Supplemental Trust Deeds and principal Trust Deed are herein referred to collectively as the “Trust Deed”. The Bank of New York is the initial principal paying agent for the Notes (the “Principal Paying Agent”) and the initial agent bank (the “Agent Bank”). Copies of the Trust Deed, together with copies of the Agency Agreement dated 19th April, 2002 made between the Bank, the Trustee and the paying agents named therein, are available for inspection at the office for the time being of the Trustee (being at the date hereof c/o its attorney Capita Trust Company Limited, Guildhall House, 81/87 Gresham Street, London EC2V 7QE) and at the specified office(s) of the Principal Paying Agent and each of the other paying agents referred to in Condition 5 (all together, the “Paying Agents”). The statements set out in these Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed in relation to the Notes. The Noteholders and holders of the Coupons (the “Couponholders”) are entitled to the benefit of, and are deemed to have notice of, all the provisions of the Trust Deed in relation to the Notes, the Agency Agreement and the Notes, all of which are binding on them.

The obligations of the Bank in respect of the Notes and the Coupons are conditional upon the Bank being solvent at the time of payment by the Bank and immediately thereafter. Neither these Conditions nor the Trust Deed provide any remedy for non-payment of interest in respect of the Notes so long as in the six months immediately preceding the applicable Interest Payment Date no dividend has been paid or declared in respect of any class of share capital of the Holding Company (as defined in Condition 3) or (if at the relevant time the Holding Company is a company other than the Bank itself) the preference share capital of the Bank. In the event of a winding up of the Bank the right to recover interest (including Arrears of Interest (as defined in Condition 3)) may be limited by applicable insolvency laws.

1. Title and Denomination

Title to the Notes and the Coupons will pass by delivery. The Bank, the Trustee and any Paying Agent may treat the holder of any Note and the holder of any Coupon as the absolute owner thereof (whether or not such Note or Coupon shall be overdue and notwithstanding any notice of ownership or writing thereon or any notice of previous loss or theft or of trust or other interest therein) for the purpose of making payment and for all other purposes.

The Notes, which are serially numbered, are issued in the denominations of £1,000, £10,000 and £100,000 each. Notes of one denomination may not be exchanged for Notes of any other denomination.

2. Status and Subordination

- (a) The Notes and the Coupons constitute unsecured obligations of the Bank ranking *pari passu* without any preference among themselves. The Notes, the Series 1 Notes, the Series 2 Notes, the Series 3 Notes, the 9.875 per cent Notes, the Permanent Capital Bonds, the 7.875 per cent Notes, the 6.5 per cent Notes, the 5.03 per cent Notes, the 5 per cent Notes, the 7.125 per cent Notes, the 6.875 per cent Notes and the U.S.\$500,000,000 8 per cent Convertible Capital Notes, Series E, of the Bank, which are separate series of securities, rank *pari passu inter se* in point of subordination.

Subject to applicable law, no Noteholder or Couponholder may exercise or claim any right of set-off in respect of any amount owed to it by the Bank arising under or in connection with the Notes or the Coupons and each Noteholder and Couponholder shall, by virtue of being the holder of any Note or Coupon, as the case may be, be deemed to have waived all such rights of set-off.

- (b) The rights of the Noteholders and Couponholders are subordinated to the claims of Senior Creditors (as defined in paragraph (d) below) and, accordingly, payments of principal and interest are conditional upon the Bank being solvent at the time of payment by the Bank, and no principal or interest shall be payable in respect of the Notes except to the extent that the Bank could make such payment and still be solvent immediately thereafter. For the purposes of this paragraph (b) the Bank shall be solvent if (i) it is able to pay its debts as they fall due and (ii) its Assets (as defined in paragraph (d) below) exceed its Liabilities (as defined in paragraph (d) below) (other than, except in the circumstances provided in the Trust Deed, its Liabilities to persons who are not Senior Creditors). The Trust Deed contains provisions requiring a report as to the solvency of the Bank to be made by two Directors of the Bank or, in certain circumstances as provided in the Trust Deed, the Auditors (as defined in the Trust Deed) or, if the Bank is in winding up in England, its liquidator prior to any payment of principal or interest and also prior to the purchase of any Notes beneficially by or for the account of the Bank or any of its Subsidiaries (as defined in the Trust Deed). Any such report shall, in the absence of proven error, be treated and accepted by the Bank, the Trustee and the Noteholders and Couponholders as correct and sufficient evidence of such solvency.
- (c) If at any time the Bank is in winding up in England, there shall be payable in respect of the Notes (in lieu of any other payment but subject as provided in paragraph (b) above) such amounts (if any) as would have been payable in respect thereof as if, on the day immediately prior to the commencement (as defined in the Trust Deed) of the winding up and thereafter, the Noteholders were the holders of a class of preference shares in the capital of the Bank having a preferential right to a return of assets in the winding up over the holders of all other classes of shares for the time being in the capital of the Bank on the assumption that such preference shares were entitled (to the exclusion of any other rights or privileges) to receive on a return of capital in such winding up an amount equal to the principal amount of the Notes together with interest accrued to the date of repayment (as provided in the Trust Deed) and any Arrears of Interest (as defined in Condition 3(b)).

(d) As used in these Conditions:

“Senior Creditors” means creditors of the Bank (i) who are depositors and/or other unsubordinated creditors of the Bank or (ii) whose claims are, or are expressed to be, subordinated to the claims of depositors and other unsubordinated creditors of the Bank (whether only in the event of a winding up of the Bank or otherwise) but not further or otherwise or (iii) who are subordinated creditors of the Bank (whether as aforesaid or otherwise) other than those whose claims are expressed to rank *pari passu* with or junior to the claims of the Noteholders and Couponholders and any claims ranking *pari passu* with such last mentioned claims.

“Assets” means the total amount of the unconsolidated gross tangible assets of the Bank, and “Liabilities” means the total amount of the unconsolidated gross liabilities of the Bank, in each case as shown by the latest published audited balance sheet of the Bank, but adjusted, if the aggregate amount included in such balance sheet in respect of the Bank’s investment in all Subsidiaries and Associated Companies (as defined in the Trust Deed) of the Bank exceeds the aggregate of the net tangible assets of such Subsidiaries and Associated Companies attributable to the Bank (calculated on a consolidated basis where any of such Subsidiaries and Associated Companies itself has subsidiaries) as shown by their latest relevant audited balance sheets, by deducting from the total amount of such assets an amount equal to such excess and adjusted also for contingencies and subsequent events in such manner as the above-mentioned Directors, the Auditors or the liquidator (as the case may be) may determine.

N.B. If the Bank would not otherwise be solvent (having taken into account liabilities to both Senior Creditors and creditors other than Senior Creditors), the amount of principal and of sums which would otherwise be payable as interest in respect of the Notes will be available to meet the losses of the Bank.

3. Interest

(a) Initial Rate and Accrual of Interest

The Notes bear interest from (and including) 19th April, 2002 (the “Issue Date”) to (but excluding) 19th April, 2027 at the rate of 6.125 per cent per annum. Unless the Notes are redeemed on 19th April, 2027, from (and including) 19th April, 2027, the Notes will bear interest at the Reset Rate (as defined in paragraph (c) below). Interest on the Notes is payable, subject as provided in these Conditions, in arrear on each Interest Payment Date (as defined below), the first such payment to be made on 19th April, 2003. Interest in respect of each Note will accrue from day to day and will cease to accrue from the due date for repayment thereof unless, upon due presentation, payment of principal is improperly withheld or refused or is not made by reason of Condition 2(b). The amount of interest payable in respect of any period which is not an Interest Period (as defined below) shall be calculated on the basis of the number of days in the relevant period from (and including) the date from which interest begins to accrue to (but excluding) the date on which it falls due divided by the number of days in the Interest Period in which the relevant period falls.

(b) Interest Payment Dates, Interest Periods and Arrears of Interest

Interest in respect of the Notes is (subject to Condition 2(b)) payable on each Compulsory Interest Payment Date (as defined below) in respect of the Interest Period (as defined below) ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below), there may be paid (if the Bank so elects but subject to Condition 2(b)) the interest in respect of the Notes accrued in the Interest Period ending on the day immediately preceding such date, but the Bank shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Bank for any purpose. Any interest in respect of the Notes not paid on an Interest Payment Date, together with any other interest in respect thereof not paid on any other Interest Payment Date, shall, so long as the same remains unpaid, constitute “Arrears of Interest”. Arrears of Interest may, at the option of the Bank, be paid in whole or in part at any time upon the expiration of not less than 14 days’ notice to such effect given to the Trustee and to the Noteholders in accordance with Condition 13, but all Arrears of Interest in respect of all Notes for the time being outstanding (as defined in the Trust Deed) shall (subject to Condition 2(b)) become due in full on

whichever is the earliest of (i) the date upon which a dividend is next paid on any class of share capital of the Holding Company (as defined below) or (if at the relevant time the Holding Company is a company other than the Bank itself) on any class of preference share capital of the Bank, (ii) the date fixed for any repayment pursuant to Condition 4(a) or (b) or (iii) the commencement of a winding up in England of the Bank. If notice is given by the Bank of its intention to pay the whole or any part of Arrears of Interest, the Bank shall be obliged (subject to Condition 2(b)) to do so upon the expiration of such notice. Where Arrears of Interest are paid in part, each part payment shall be in respect of the full amount of the Arrears of Interest accrued due to the relative Interest Payment Date or consecutive Interest Payment Dates furthest from the date of payment. Arrears of Interest shall not themselves bear interest.

As used herein:

“Business Day” means a day on which banks and foreign exchange markets are open for business in London.

“Compulsory Interest Payment Date” means any Interest Payment Date if, in the six months immediately preceding such Interest Payment Date, any dividend has been declared or paid on any class of share capital of the Holding Company or (if at the relevant time the Holding Company is a company other than the Bank itself) on any class of preference share capital of the Bank.

“Holding Company” means Barclays PLC or otherwise the ultimate holding company for the time being of the Bank or, if at any relevant time there shall be no such holding company, then “Holding Company” shall mean the Bank itself.

“Interest Payment Date” means 19th April in each year commencing in 2003.

“Interest Period” means the period from (and including) one Interest Payment Date (or, in the case of the first Interest Period, the Issue Date) up to (but excluding) the next (or first) Interest Payment Date.

“Optional Interest Payment Date” means any Interest Payment Date other than a Compulsory Interest Payment Date.

N.B. In the event that the latest dividend declared or paid on any class of share capital of the Holding Company or (if at the relevant time the Holding Company is a company other than the Bank itself) on any class of preference share capital of the Bank is so declared or paid more than six months prior to an Interest Payment Date, such Interest Payment Date will not be a Compulsory Interest Payment Date.

(c) Interest Rate Reset

On each Interest Determination Date (as defined below), unless the Bank shall have given notice to redeem the Notes under Condition 4(a) or (b) on or prior to the Interest Payment Date next following such Interest Determination Date, the Agent Bank shall determine the annual rate of interest (the “Reset Rate”) in respect of the Notes for each of the next five Interest Periods at the rate per annum which is the aggregate of 2.07 per cent and the Gross Redemption Yield (as defined below), such aggregate being converted to an annualised yield and expressed as a percentage (rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards).

As used herein:

“Interest Determination Date” means the fifth London business day (being a day, other than a Saturday or Sunday, on which commercial banks are open for business in London) prior to (i) 19th April, 2027 and (ii) each fifth anniversary thereafter, provided that if on any such day it is not possible for any reason to determine the rate of interest in this paragraph (c), the Interest Determination Date shall be postponed to the next London business day on which it is possible to determine such rate.

“Gross Redemption Yield” means the gross redemption yield (as calculated on the basis set out by the United Kingdom Debt Management Office in the paper entitled “Formulae for Calculating Gilt Prices from Yields”, page 4, Section One: Price/Yield Formulae “Conventional Gilts; Double-dated and Undated Gilts with Assumed (or Actual) Redemption on a Quasi-Coupon Date” (published on 8th June, 1998) on a semi-annual compounding basis (converted on an annualised yield and rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards)) of the Benchmark Gilt, with the price of the Benchmark Gilt for this purpose being the arithmetic mean (rounded, if necessary, as aforesaid) of the bid and offered prices of the Benchmark Gilt quoted by the Reference Market Makers at or about 3.00 p.m. (London time) on the relevant Interest Determination Date on a dealing basis for settlement on the next following dealing day in London.

“Benchmark Gilt” means such United Kingdom government security having a final maturity date on or about the next Interest Determination Date as the Agent Bank, with the advice of the Reference Market Makers, may determine to be appropriate.

“Reference Market Makers” means three brokers and/or gilt-edged market makers selected by the Agent Bank (with the prior approval of the Trustee) or such other three persons operating in the gilt-edged market as are selected by the Agent Bank (with the prior approval of the Trustee).

(d) Notification of Rate of Interest

The Bank shall cause notice of each Reset Rate to be given to the Trustee, the Paying Agents, Clearstream Banking, société anonyme (“Clearstream, Luxembourg”), Euroclear Bank S.A./N.V. as operator of the Euroclear System (“Euroclear”), the Financial Services Authority as the competent authority for listing in the United Kingdom (the “United Kingdom Listing Authority”) and London Stock Exchange plc (the “London Stock Exchange”) as soon as practicable after their determination.

(e) Determination of Reset Rate by the Trustee

The Trustee shall, if the Agent Bank does not or is unable to at any material time for any reason determine the Reset Rate in accordance with paragraph (c) above, determine the Reset Rate at such rate as, in its absolute discretion (having such regard as it shall think fit to the procedure described in paragraph (c) above), it shall deem fair and reasonable in all the circumstances, and such determination shall be deemed to be a determination thereof by the Agent Bank.

(f) Agent Bank

The Bank may, with the prior written approval of the Trustee, from time to time replace the Agent Bank by another leading bank or investment bank in London. In the event of the appointed office of the Agent Bank being unable or unwilling to continue to act as the Agent Bank or (without prejudice to paragraph (e) above) failing duly to determine the Reset Rate in accordance with paragraph (c) above, the Bank shall forthwith appoint the London office of such other leading bank or investment bank as may be approved in writing by the Trustee to act as such in its place. The Agent Bank may not resign its duties or be removed without a successor having been appointed as aforesaid.

(g) Notifications, etc. to be Final

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 3, whether by the Agent Bank or the Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Bank, the Agent Bank, the Trustee, the Paying Agents and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Noteholders or Couponholders shall attach to the Agent Bank or the Trustee in connection with the exercise or non-exercise by them of their powers, duties and discretions.

4. Repayment and Purchase

The Notes are undated and, accordingly, have no final maturity date and may not be repaid except in accordance with the provisions of this Condition 4 or Condition 7.

(a) Repayment for Taxation Reasons

If the Bank satisfies the Trustee immediately prior to the giving of the notice referred to below that on the next Interest Payment Date:

- (i) the Bank would be compelled by law for reasons outside its control to pay any additional amounts in accordance with Condition 6, or
- (ii) any payment of interest in respect of the Notes would be treated as a “distribution” within the meaning of the Tax Acts (as defined in section 831 of the Income and Corporation Taxes Act 1988),

the Bank may at its option, at any time, having given not less than 45 nor more than 60 days’ notice to the Trustee and to the Noteholders in accordance with Condition 13, repay all, but not some only, of the Notes at their principal amount. Upon the expiration of such notice, the Bank shall (subject to Condition 2(b)) be bound to repay all the Notes at their principal amount together with accrued interest and all Arrears of Interest.

It shall be sufficient to establish the circumstances required to be established under this Condition 4(a) if the Bank shall deliver to the Trustee a certificate of a major firm of independent legal advisers or accountants to the effect either that such a circumstance does exist or that, upon a change in or amendment to the laws (including any regulations thereunder) or in the interpretation or administration thereof, of the United Kingdom (including any authority or political subdivision therein or thereof having power to tax) which at the date of such certificate is proposed to be made and in the opinion of such firm is reasonably expected to become effective on or prior to the date when the relevant payment in respect of such Notes would otherwise be made, becoming so effective, such circumstances would exist.

(b) Optional Repayment

The Bank may, having given not less than 45 nor more than 60 days’ notice to the Trustee and to the Noteholders in accordance with Condition 13, repay on 19th April, 2027 or on each Interest Payment Date falling at five-yearly intervals thereafter all, but not some only, of the Notes at their principal amount. Upon the expiration of such notice, the Bank shall (subject to Condition 2(b)) be bound to repay all the Notes at their principal amount together with accrued interest and all Arrears of Interest.

No optional repayment of the Notes will be made by the Bank without the prior consent of the Financial Services Authority.

(c) Optional Purchase

Subject to Condition 2(b), the Bank or any of its Subsidiaries may at any time purchase beneficially or procure others to purchase beneficially for its account Notes in the open market or otherwise at any price. Any purchase by tender shall be made available to all Noteholders alike. Each such purchase of Notes shall include all unmatured Coupons and talons appertaining thereto.

The requirements of this paragraph (c) and of paragraph (d) below as to the purchase of Notes shall not apply in regard to the purchase of Notes in the ordinary course of a business of dealing in securities.

No optional purchase of the Notes will be made by the Bank without the prior consent of the Financial Services Authority.

(d) Cancellation and Resale

All Notes (i) repaid or (ii) purchased beneficially by or for the account of the Bank will be cancelled together with all unmatured Coupons and talons attached thereto or surrendered therewith and accordingly will not be available for reissue or resale.

5. Payments and Exchange of Talons

- (a) The names of the initial Paying Agents (which have been appointed by the Bank under the Agency Agreement) and their specified offices are set out below.

- (b) Payments of principal and interest in respect of the Notes will (subject to Condition 2(b)) only be made against presentation and surrender of Notes or, as the case may be, Coupons at any specified office of any of the initial Paying Agents or of any such additional and/or other Paying Agent(s) outside the United States (subject as provided below) as the Bank may appoint from time to time with the prior written approval of the Trustee, in each case subject to the laws and regulations applicable in the place of payment, but without prejudice to the provisions of Condition 6. Payments in respect of Arrears of Interest will be made against presentation and surrender (or, in the case of a partial payment, endorsement) of the appropriate Coupon at any specified office of any of the Paying Agents. Payments in respect of the Notes and Coupons will be made in the currency in which the payment is due either (i) by cheque or (ii) at the option of the payee, by transfer to a pounds sterling account maintained by the payee with a bank in London.

Payments of amounts due in respect of principal or interest (including Arrears of Interest) on Notes and exchanges of talons for Coupon sheets will not be made at the specified office of any Paying Agent in the United States (as defined in the United States Internal Revenue Code and Regulations thereunder), to an address in the United States (as so defined) or by transfer to an account maintained by the payee in the United States. Without prejudice to the generality of the foregoing, the Bank reserves the right to require a Noteholder or Couponholder to provide a Paying Agent with such certification or information as may be required to enable the Bank to comply with the requirements of the United States federal income tax laws.

- (c) Upon the due date for repayment of any Note, unmatured Coupons and talons appertaining to such Note (whether or not attached) shall become void and no payment shall be made in respect of such Coupons and no exchange shall be made in respect of such talons. If the date for repayment of a Note is not an Interest Payment Date, the interest accrued from the preceding Interest Payment Date (or the Issue Date, as the case may be) shall be payable only against presentation of such Note.
- (d) In the event of a winding up in England of the Bank, all unmatured Coupons and talons shall become void and any payment of interest in respect of the Notes to which such Coupons appertain shall be made only against presentation of such Notes. In addition, in the event of such a winding up, each Note which is presented for payment must be presented together with all Coupons appertaining thereto (whether or not attached) in respect of Arrears of Interest, failing which the amount of Arrears of Interest due on any such missing Coupon will not be payable. Any such amount will only be payable in the manner mentioned above against presentation and surrender of any such missing Coupon within a period of 12 years from the Relevant Date (as defined in Condition 6).

For the purpose of these Conditions, “unmatured Coupon” means a Coupon in respect of which the applicable Interest Payment Date falls after the date fixed for the repayment of the Note to which such Coupon appertains or, as the case may be, the date on which a winding up in England of the Bank commences (or is deemed to commence) and “unmatured talon” means a talon in respect of which the Interest Payment Date on and after which it may be exchanged falls on or after the date fixed for repayment of the Note to which such talon appertains or, as the case may be, the date on which a winding up in England of the Bank commences (or is deemed to commence).

- (e) If the due date for payment in respect of any Note or Coupon is not, at the place of payment, a working day then the holder thereof shall not be entitled to payment at the place of payment of the amount due until the following working day in such place, nor to any interest or other payment in respect of such delay. In this paragraph, a “working day” in relation to any place means a day (other than a Saturday or a Sunday) on which banks are open generally for business in such place and, in the case of payment by transfer as referred to in paragraph (b) above, in London.
- (f) The Bank may, with the prior written approval of the Trustee, vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office of any Paying Agent, provided that, so long as the Notes are admitted to the official list of the United Kingdom Listing Authority (the “Official List”) and admitted to trading on the London Stock

Exchange's market for listed securities, the Bank will maintain a Paying Agent with a specified office in London and, so long as any of the Notes remains outstanding and if the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 are implemented, the Bank will maintain a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to any European Union directive on the taxation of savings or any law implementing or complying with, or introduced in order to conform to, such directive. In the event of any such variation, termination, appointment or change in specified office, notice thereof will be given by the Bank to the Noteholders in accordance with Condition 13.

- (g) On and after the Interest Payment Date specified in the final Coupon comprised in any Coupon sheet, the talon comprised in such Coupon sheet may be surrendered at the specified office of any of the Paying Agents outside the United States in exchange for a further Coupon sheet in respect of the 20 Interest Payment Dates immediately following such Interest Payment Date (including a further talon), subject to the provisions of Condition 8, provided that the Bank may, by notice to the Noteholders in accordance with Condition 13, at any time or from time to time require any such exchange to be effected at the specified office(s) of one or certain only of the Paying Agents so specified in such notice.

6. Taxation

All payments of principal and interest (including Arrears of Interest) will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or charges of whatever nature imposed or levied by, or on behalf of, the United Kingdom or any authority in the United Kingdom having power to tax, unless the Bank is compelled by law to withhold or deduct such taxes, duties, assessments or charges. In any such case, the Bank will pay such additional amounts as will result in the receipt by the Noteholders and/or the Couponholders concerned of the sum which would in the absence of such withholding or deduction be payable on the Notes and/or the Coupons, provided that no such additional amount shall be payable in respect of any Note or Coupon presented for payment:

- (a) by or on behalf of a holder who is liable to such taxes, duties, assessments or charges in respect of such principal or interest by reason of his having some connection with the United Kingdom other than the mere holding of the Note or the Coupon (as the case may be); or
- (b) by or on behalf of a holder if a Paying Agent with a specified office outside the United Kingdom has been appointed at which payments in respect of the Notes or, as the case may be, Coupons can be made without any such withholding or deduction of United Kingdom tax; or
- (c) more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amount on presenting the same for payment at the close of such 30 day period (and for this purpose, the "Relevant Date" in relation to such payment means:
 - (i) the date on which such payment first becomes due; or
 - (ii) (if the full amount of the moneys payable on such due date has not been received by the Principal Paying Agent or the Trustee on or prior to such due date) such later date on which notice is given to the Noteholders in accordance with Condition 13 that such moneys have been so received); or
- (d) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to, such directive.

References herein to principal and/or interest shall be deemed also to refer to any additional amounts which may be payable under this Condition 6 or under the Trust Deed.

7. Default and Enforcement

- (a) If the Bank shall not make payment in respect of the Notes (in the case of any payment of principal) for a period of seven days or more after the due date for the same or (in the case of any payment of interest) for a period of 14 days or more after a Compulsory Interest Payment Date or any other date upon which the payment of interest is compulsory, the Trustee may institute proceedings in England (but not elsewhere) for the winding up of the Bank, provided that it shall not have the right to institute such proceedings if and so long as the Bank withholds or refuses any such payment (i) in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction, in each case applicable to such payment, or (ii) (subject as provided in the Trust Deed), in case of doubt as to the validity or applicability of any such law, regulation or order, in accordance with advice given as to such validity or applicability at any time during the said period of seven or 14 days, as the case may be, by independent legal advisers acceptable to the Trustee. For the purposes of this paragraph (a), a payment shall be deemed to be due or compulsory even if the condition set out in Condition 2(b) is not satisfied.
- (b) The Trustee may at its discretion and without further notice institute such proceedings against the Bank as it may think fit to enforce any obligation, condition or provision binding on the Bank under the Trust Deed, the Notes or the Coupons (other than any obligation for the payment of any principal or interest in respect of the Notes or Coupons) provided that the Bank shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.
- (c) The Trustee shall not be bound to take the action referred to in paragraph (a) or (b) above to enforce the obligations of the Bank in respect of the Trust Deed, the Notes or the Coupons unless (i) it shall have been so requested by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders or in writing by the holders of at least 25 per cent in principal amount of the Notes then outstanding and (ii) it shall have been indemnified to its satisfaction.
- (d) No Noteholder or Couponholder shall be entitled to institute any of the proceedings referred to in paragraph (a) or (b) above or to prove in the winding up of the Bank, except that if the Trustee, having become bound to proceed against the Bank as aforesaid, fails to do so, or, being able to prove in such winding up, fails to do so, in each case within a reasonable period, and in each such case such failure shall be continuing, then any such holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise), himself institute such proceedings and/or prove in the winding up of the Bank to the same extent and in the same jurisdiction (but not further or otherwise) that the Trustee would have been entitled so to do in respect of his Notes and/or Coupons. No remedy against the Bank, other than the institution of the proceedings referred to in paragraph (a) or (b) above or proving in the winding up of the Bank, shall be available to the Trustee or the Noteholders or Couponholders whether for the recovery of amounts owing in respect of the Notes or the Coupons or under the Trust Deed or in respect of any breach by the Bank of any of its obligations under the Trust Deed, the Notes or the Coupons.

8. Prescription

Each Note and Coupon shall become void unless presented for payment within 12 years after the Relevant Date (as defined in Condition 6) in relation to payment thereof.

There shall not be included in any Coupon sheet issued on exchange of a talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 8 or Condition 5(c) or (d) or any talon which would be void pursuant to Condition 5(c) or (d).

9. Modification of Conditions, Waiver and Substitution

- (a) The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Conditions or the provisions of the Trust Deed, except that the provisions relating to subordination are not so capable of modification. The quorum at any such meeting for passing an Extraordinary Resolution for modifying certain provisions (including, *inter alia*, those concerning the amount, currency and due dates of

payment of principal and interest in respect of the Notes, the rate of interest applicable thereto and the method of determining the Reset Rate) will be one or more persons holding or representing not less than two-thirds, or at any adjourned meeting not less than one-third, in principal amount of the Notes for the time being outstanding. In other cases, the quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented by them. Any resolution duly passed at any such meeting shall be binding on all the Noteholders, whether present or not, and on all the Couponholders. The Trust Deed also provides for a resolution in writing signed by or on behalf of all the Noteholders to be as effective as if it were an Extraordinary Resolution duly passed at a meeting of the Noteholders.

- (b) The Trustee may agree, without the consent of the Noteholders or the Couponholders, to any modification of (subject to certain exceptions), or to any waiver or authorisation of any breach or proposed breach of any provision of, these Conditions or the Trust Deed which, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders or to any modification which is of a formal or technical nature or which is made to correct a manifest error.
- (c) The Trustee may also agree, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require, but without the consent of the Noteholders or the Couponholders, to the substitution of a Subsidiary of the Bank in place of the Bank as principal debtor under the Trust Deed, the Notes and the Coupons, subject to the Notes and Coupons being, to the satisfaction of the Trustee, guaranteed by the Bank on a subordinated basis equivalent to that mentioned in Condition 2, and so that the claims of the Noteholders and the Couponholders may, in the case of the substitution of a banking Subsidiary of the Bank in place of the Bank, be subordinated to the rights of all or any other creditors of that Subsidiary. For this purpose, the Trustee may agree, without the consent of the Noteholders or the Couponholders, to a change in the law governing the Trust Deed and/or the Notes and/or the Coupons, provided that such change would not, in the opinion of the Trustee, be materially prejudicial to the interests of the Noteholders.

In connection with any proposed substitution as aforesaid, the Trustee shall not have regard to the consequences of such substitution for individual Noteholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory.

- (d) Any such modification, waiver, authorisation or substitution shall be binding on the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, any such modification or substitution shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 13.

10. Replacement of Notes, Coupons and Talons

If a Note, Coupon or talon is mutilated, defaced, destroyed, stolen or lost it may, and shall, in the case of mutilation or defacement, upon the surrender of the mutilated or defaced Note, Coupon or talon, be replaced at the specified office of the Principal Paying Agent on payment of such costs as may be incurred in connection therewith and, in the case of destruction, theft or loss, on such terms as to evidence and indemnity as the Bank may reasonably require.

11. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Bank, the Holding Company or any other Subsidiary thereof without accounting for any profit resulting therefrom.

12. Further Issues

The Bank is at liberty from time to time, without the consent of the Noteholders or the Couponholders, to create and issue further notes or bonds either ranking *pari passu* in all respects (or in all respects save for the first payment of interest thereon) and so that the same shall be consolidated and form a single series with

the Notes or upon such terms as to interest, conversion, repayment and otherwise as the Bank may at the time of the issue thereof determine. Any further notes or bonds forming a single series with the outstanding notes or bonds of any series (including the Notes) constituted by the Trust Deed or any Deed supplemental thereto shall, and any other further notes or bonds may (with the consent of the Trustee), be constituted by a Deed supplemental to the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes or bonds of other series in certain circumstances where the Trustee so decides.

13. Notices

All notices to the Noteholders will be valid if published in a leading national daily newspaper circulating in the United Kingdom (which is expected to be the *Financial Times*) and, if at any time such publication is not possible, in such other English language newspaper or newspapers circulating or published in Europe as the Bank, with the approval of the Trustee and the United Kingdom Listing Authority, shall determine. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once, on the date of the first such publication.

14. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes by virtue of the Contracts (Rights of Third Parties) Act 1999.

15. Governing Law

Subject as mentioned in Condition 9, the Trust Deed, the Notes and the Coupons are governed by and will be construed in accordance with the law of England and the English courts have jurisdiction in connection with the Trust Deed, the Notes and the Coupons.

CONDITIONS OF THE 6.375% NOTES

The following is the text of the Conditions of the 6.375% Notes substantially in the form in which they will appear on the definitive Notes:

The £400,000,000 6.375 per cent Undated Subordinated Notes (the “Notes”, which expression shall in these Conditions, unless the context otherwise requires, include any further notes issued pursuant to Condition 12 and forming a single series with the Notes) of Barclays Bank PLC (the “Bank”) are in bearer form with interest coupons and a talon for further interest coupons (together, where the context so permits, the “Coupons”) attached. The issue of the Notes was authorised by a resolution of a duly constituted Committee of the Board of Directors of the Bank passed on 16 April, 2002. The Notes are constituted by a Seventeenth Supplemental Trust Deed dated 19th April, 2002 made between the Bank and Phoenix Assurance Public Limited Company (the “Trustee”) as trustee for the holders of the Notes (the “Noteholders”) and expressed to be supplemental to (i) the principal Trust Deed dated 2nd July, 1985 made between the Bank and the Trustee constituting the U.S.\$600,000,000 Undated Floating Rate Primary Capital Notes of the Bank (the “Series 1 Notes”), (ii) the First Supplemental Trust Deed dated 14th February, 1986 made between the Bank and the Trustee constituting the U.S.\$750,000,000 Undated Floating Rate Primary Capital Notes Series 2 of the Bank and the Second Supplemental Trust Deed dated 4th September, 1989 made between the Bank and the Trustee constituting up to U.S.\$450,000,000 Undated Floating Rate Primary Capital Notes Series 2 of the Bank (together, the “Series 2 Notes”), (iii) the Third Supplemental Trust Deed dated 16th October, 1989 made between the Bank and the Trustee constituting the £200,000,000 Undated Floating Rate Primary Capital Notes Series 3 of the Bank (the “Series 3 Notes”), (iv) the Fourth Supplemental Trust Deed dated 28th September, 1990 made between the Bank and the Trustee modifying the provisions of the said First Supplemental Trust Deed and Second Supplemental Trust Deed, (v) the Fifth Supplemental Trust Deed dated 12th May, 1993 and the Sixth Supplemental Trust Deed dated 25th June, 1993 both made between the Bank and the Trustee and together constituting the £300,000,000 9.875 per cent Undated Subordinated Notes of the Bank (the “9.875 per cent Notes”), (vi) the Seventh Supplemental Trust Deed dated 11th October, 1993 made between the Bank and the Trustee constituting the £100,000,000 9 per cent Permanent Interest Bearing Capital Bonds of the Bank (the “Permanent Capital Bonds”), (vii) the Eighth Supplemental Trust Deed dated 20th October, 1993 made between the Bank and the Trustee constituting the £100,000,000 7.875 per cent Undated Subordinated Notes of the Bank (the “7.875 per cent Notes”), (viii) the Ninth Supplemental Trust Deed dated 7th July, 1997 made between the Bank and the Trustee constituting the FRF1,000,000,000 6.5 per cent Undated Subordinated Notes of the Bank (the “6.5 per cent Notes”), (ix) the Tenth Supplemental Trust Deed dated 27th February, 1998 made between the Bank and the Trustee constituting the ¥8,000,000,000 5.03 per cent Reverse Dual Currency Undated Subordinated Notes of the Bank (the “5.03 per cent Notes”), (x) the Eleventh Supplemental Trust Deed dated 29th May, 1998 made between the Bank and the Trustee constituting the ¥12,000,000,000 5 per cent Reverse Dual Currency Undated Subordinated Notes of the Bank (the “5 per cent Notes”), (xi) the Twelfth Supplemental Trust Deed dated 24th October, 2000 and the Fourteenth Supplemental Trust Deed dated 21st May, 2001 both made between the Bank and the Trustee and together constituting the £525,000,000 7.125 per cent Undated Subordinated Notes of the Bank (the “7.125 per cent Notes”) and (xii) the Thirteenth Supplemental Trust Deed dated 27th November, 2000 and the Fifteenth Supplemental Trust Deed dated 21st May, 2001 both made between the Bank and the Trustee and together constituting the £650,000,000 6.875 per cent Undated Subordinated Notes of the Bank (the “6.875 per cent Notes”) and (xiii) the Sixteenth Supplemental Trust Deed dated 19th April, 2002 made between the Bank and the Trustee constituting the £400,000,000 6.125 per cent Undated Subordinated Notes of the Bank (the “6.125 per cent Notes”). The said Supplemental Trust Deeds and principal Trust Deed are herein referred to collectively as the “Trust Deed”. The Bank of New York is the initial principal paying agent for the Notes (the “Principal Paying Agent”) and the initial agent bank (the “Agent Bank”). Copies of the Trust Deed, together with copies of the Agency Agreement dated 19th April, 2002 made between the Bank, the Trustee and the paying agents named therein, are available for inspection at the office for the time being of the Trustee (being at the date hereof c/o its attorney Capita Trust Company Limited, Guildhall House, 81/87 Gresham Street, London EC2V 7QE) and at the specified office(s) of the Principal Paying Agent and each of the other paying agents referred to in Condition 5 (all together, the “Paying Agents”). The statements set out in these Conditions include summaries of, and are subject to, the

detailed provisions of the Trust Deed in relation to the Notes. The Noteholders and holders of the Coupons (the “Couponholders”) are entitled to the benefit of, and are deemed to have notice of, all the provisions of the Trust Deed in relation to the Notes, the Agency Agreement and the Notes, all of which are binding on them.

The obligations of the Bank in respect of the Notes and the Coupons are conditional upon the Bank being solvent at the time of payment by the Bank and immediately thereafter. Neither these Conditions nor the Trust Deed provide any remedy for non-payment of interest in respect of the Notes so long as in the six months immediately preceding the applicable Interest Payment Date no dividend has been paid or declared in respect of any class of share capital of the Holding Company (as defined in Condition 3) or (if at the relevant time the Holding Company is a company other than the Bank itself) the preference share capital of the Bank. In the event of a winding up of the Bank the right to recover interest (including Arrears of Interest (as defined in Condition 3)) may be limited by applicable insolvency laws.

1. Title and Denomination

Title to the Notes and the Coupons will pass by delivery. The Bank, the Trustee and any Paying Agent may treat the holder of any Note and the holder of any Coupon as the absolute owner thereof (whether or not such Note or Coupon shall be overdue and notwithstanding any notice of ownership or writing thereon or any notice of previous loss or theft or of trust or other interest therein) for the purpose of making payment and for all other purposes.

The Notes, which are serially numbered, are issued in the denominations of £1,000, £10,000 and £100,000 each. Notes of one denomination may not be exchanged for Notes of any other denomination.

2. Status and Subordination

- (a) The Notes and the Coupons constitute unsecured obligations of the Bank ranking *pari passu* without any preference among themselves. The Notes, the Series 1 Notes, the Series 2 Notes, the Series 3 Notes, the 9.875 per cent Notes, the Permanent Capital Bonds, the 7.875 per cent Notes, the 6.5 per cent Notes, the 5.03 per cent Notes, the 5 per cent Notes, the 7.125 per cent Notes, the 6.875 per cent Notes, the 6.125 per cent Notes and the U.S.\$500,000,000 8 per cent Convertible Capital Notes, Series E, of the Bank, which are separate series of securities, rank *pari passu inter se* in point of subordination.

Subject to applicable law, no Noteholder or Couponholder may exercise or claim any right of set-off in respect of any amount owed to it by the Bank arising under or in connection with the Notes or the Coupons and each Noteholder and Couponholder shall, by virtue of being the holder of any Note or Coupon, as the case may be, be deemed to have waived all such rights of set-off.

- (b) The rights of the Noteholders and Couponholders are subordinated to the claims of Senior Creditors (as defined in paragraph (d) below) and, accordingly, payments of principal and interest are conditional upon the Bank being solvent at the time of payment by the Bank, and no principal or interest shall be payable in respect of the Notes except to the extent that the Bank could make such payment and still be solvent immediately thereafter. For the purposes of this paragraph (b) the Bank shall be solvent if (i) it is able to pay its debts as they fall due and (ii) its Assets (as defined in paragraph (d) below) exceed its Liabilities (as defined in paragraph (d) below) (other than, except in the circumstances provided in the Trust Deed, its Liabilities to persons who are not Senior Creditors). The Trust Deed contains provisions requiring a report as to the solvency of the Bank to be made by two Directors of the Bank or, in certain circumstances as provided in the Trust Deed, the Auditors (as defined in the Trust Deed) or, if the Bank is in winding up in England, its liquidator prior to any payment of principal or interest and also prior to the purchase of any Notes beneficially by or for the account of the Bank or any of its Subsidiaries (as defined in the Trust Deed). Any such report shall, in the absence of proven error, be treated and accepted by the Bank, the Trustee and the Noteholders and Couponholders as correct and sufficient evidence of such solvency.

(c) If at any time the Bank is in winding up in England, there shall be payable in respect of the Notes (in lieu of any other payment but subject as provided in paragraph (b) above) such amounts (if any) as would have been payable in respect thereof as if, on the day immediately prior to the commencement (as defined in the Trust Deed) of the winding up and thereafter, the Noteholders were the holders of a class of preference shares in the capital of the Bank having a preferential right to a return of assets in the winding up over the holders of all other classes of shares for the time being in the capital of the Bank on the assumption that such preference shares were entitled (to the exclusion of any other rights or privileges) to receive on a return of capital in such winding up an amount equal to the principal amount of the Notes together with interest accrued to the date of repayment (as provided in the Trust Deed) and any Arrears of Interest (as defined in Condition 3(b)).

(d) As used in these Conditions:

“Senior Creditors” means creditors of the Bank (i) who are depositors and/or other unsubordinated creditors of the Bank or (ii) whose claims are, or are expressed to be, subordinated to the claims of depositors and other unsubordinated creditors of the Bank (whether only in the event of a winding up of the Bank or otherwise) but not further or otherwise or (iii) who are subordinated creditors of the Bank (whether as aforesaid or otherwise) other than those whose claims are expressed to rank *pari passu* with or junior to the claims of the Noteholders and Couponholders and any claims ranking *pari passu* with such last mentioned claims.

“Assets” means the total amount of the unconsolidated gross tangible assets of the Bank, and “Liabilities” means the total amount of the unconsolidated gross liabilities of the Bank, in each case as shown by the latest published audited balance sheet of the Bank, but adjusted, if the aggregate amount included in such balance sheet in respect of the Bank’s investment in all Subsidiaries and Associated Companies (as defined in the Trust Deed) of the Bank exceeds the aggregate of the net tangible assets of such Subsidiaries and Associated Companies attributable to the Bank (calculated on a consolidated basis where any of such Subsidiaries and Associated Companies itself has subsidiaries) as shown by their latest relevant audited balance sheets, by deducting from the total amount of such assets an amount equal to such excess and adjusted also for contingencies and subsequent events in such manner as the above-mentioned Directors, the Auditors or the liquidator (as the case may be) may determine.

N.B. If the Bank would not otherwise be solvent (having taken into account liabilities to both Senior Creditors and creditors other than Senior Creditors), the amount of principal and of sums which would otherwise be payable as interest in respect of the Notes will be available to meet the losses of the Bank.

3. Interest

(a) Initial Rate and Accrual of Interest

The Notes bear interest from (and including) 19th April, 2002 (the “Issue Date”) to (but excluding) 19th April, 2017 at the rate of 6.375 per cent per annum. Unless the Notes are redeemed on 19th April, 2017, from (and including) 19th April, 2017, the Notes will bear interest at the Reset Rate (as defined in paragraph (c) below). Interest on the Notes is payable, subject as provided in these Conditions, in arrear on each Interest Payment Date (as defined below), the first such payment to be made on 19th April, 2003. Interest in respect of each Note will accrue from day to day and will cease to accrue from the due date for repayment thereof unless, upon due presentation, payment of principal is improperly withheld or refused or is not made by reason of Condition 2(b). The amount of interest payable in respect of any period which is not an Interest Period (as defined below) shall be calculated on the basis of the number of days in the relevant period from (and including) the date from which interest begins to accrue to (but excluding) the date on which it falls due divided by the number of days in the Interest Period in which the relevant period falls.

(b) Interest Payment Dates, Interest Periods and Arrears of Interest

Interest in respect of the Notes is (subject to Condition 2(b)) payable on each Compulsory Interest Payment Date (as defined below) in respect of the Interest Period (as defined below) ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below), there may be paid (if the

Bank so elects but subject to Condition 2(b)) the interest in respect of the Notes accrued in the Interest Period ending on the day immediately preceding such date, but the Bank shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Bank for any purpose. Any interest in respect of the Notes not paid on an Interest Payment Date, together with any other interest in respect thereof not paid on any other Interest Payment Date, shall, so long as the same remains unpaid, constitute "Arrears of Interest". Arrears of Interest may, at the option of the Bank, be paid in whole or in part at any time upon the expiration of not less than 14 days' notice to such effect given to the Trustee and to the Noteholders in accordance with Condition 13, but all Arrears of Interest in respect of all Notes for the time being outstanding (as defined in the Trust Deed) shall (subject to Condition 2(b)) become due in full on whichever is the earliest of (i) the date upon which a dividend is next paid on any class of share capital of the Holding Company (as defined below) or (if at the relevant time the Holding Company is a company other than the Bank itself) on any class of preference share capital of the Bank, (ii) the date fixed for any repayment pursuant to Condition 4(a) or (b) or (iii) the commencement of a winding up in England of the Bank. If notice is given by the Bank of its intention to pay the whole or any part of Arrears of Interest, the Bank shall be obliged (subject to Condition 2(b)) to do so upon the expiration of such notice. Where Arrears of Interest are paid in part, each part payment shall be in respect of the full amount of the Arrears of Interest accrued due to the relative Interest Payment Date or consecutive Interest Payment Dates furthest from the date of payment. Arrears of Interest shall not themselves bear interest.

As used herein:

"Business Day" means a day on which banks and foreign exchange markets are open for business in London.

"Compulsory Interest Payment Date" means any Interest Payment Date if, in the six months immediately preceding such Interest Payment Date, any dividend has been declared or paid on any class of share capital of the Holding Company or (if at the relevant time the Holding Company is a company other than the Bank itself) on any class of preference share capital of the Bank.

"Holding Company" means Barclays PLC or otherwise the ultimate holding company for the time being of the Bank or, if at any relevant time there shall be no such holding company, then "Holding Company" shall mean the Bank itself.

"Interest Payment Date" means 19th April in each year commencing in 2003.

"Interest Period" means the period from (and including) one Interest Payment Date (or, in the case of the first Interest Period, the Issue Date) up to (but excluding) the next (or first) Interest Payment Date.

"Optional Interest Payment Date" means any Interest Payment Date other than a Compulsory Interest Payment Date.

N.B. In the event that the latest dividend declared or paid on any class of share capital of the Holding Company or (if at the relevant time the Holding Company is a company other than the Bank itself) on any class of preference share capital of the Bank is so declared or paid more than six months prior to an Interest Payment Date, such Interest Payment Date will not be a Compulsory Interest Payment Date.

(c) Interest Rate Reset

On each Interest Determination Date (as defined below), unless the Bank shall have given notice to redeem the Notes under Condition 4(a) or (b) on or prior to the Interest Payment Date next following such Interest Determination Date, the Agent Bank shall determine the annual rate of interest (the "Reset Rate") in respect of the Notes for each of the next five Interest Periods at the rate per annum which is the aggregate of 2.02 per cent and the Gross Redemption Yield (as defined below), such aggregate being converted to an annualised yield and expressed as a percentage (rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards).

As used herein:

“Interest Determination Date” means the fifth London business day (being a day, other than a Saturday or Sunday, on which commercial banks are open for business in London) prior to (i) 19th April, 2017 and (ii) each fifth anniversary thereafter, provided that if on any such day it is not possible for any reason to determine the rate of interest in this paragraph (c), the Interest Determination Date shall be postponed to the next London business day on which it is possible to determine such rate.

“Gross Redemption Yield” means the gross redemption yield (as calculated on the basis set out by the United Kingdom Debt Management Office in the paper entitled “Formulae for Calculating Gilt Prices from Yields”, page 4, Section One: Price/Yield Formulae “Conventional Gilts; Double-dated and Undated Gilts with Assumed (or Actual) Redemption on a Quasi-Coupon Date” (published on 8th June, 1998) on a semi-annual compounding basis (converted on an annualised yield and rounded, if necessary, to the fourth decimal place, with 0.00005 being rounded upwards)) of the Benchmark Gilt, with the price of the Benchmark Gilt for this purpose being the arithmetic mean (rounded, if necessary, as aforesaid) of the bid and offered prices of the Benchmark Gilt quoted by the Reference Market Makers at or about 3.00 p.m. (London time) on the relevant Interest Determination Date on a dealing basis for settlement on the next following dealing day in London.

“Benchmark Gilt” means such United Kingdom government security having a final maturity date on or about the next Interest Determination Date as the Agent Bank, with the advice of the Reference Market Makers, may determine to be appropriate.

“Reference Market Makers” means three brokers and/or gilt-edged market makers selected by the Agent Bank (with the prior approval of the Trustee) or such other three persons operating in the gilt-edged market as are selected by the Agent Bank (with the prior approval of the Trustee).

(d) Notification of Rate of Interest

The Bank shall cause notice of each Reset Rate to be given to the Trustee, the Paying Agents, Clearstream Banking, société anonyme (“Clearstream, Luxembourg”), Euroclear Bank S.A./N.V. as operator of the Euroclear System (“Euroclear”), the Financial Services Authority as the competent authority for listing in the United Kingdom (the “United Kingdom Listing Authority”) and London Stock Exchange plc (the “London Stock Exchange”) as soon as practicable after their determination.

(e) Determination of Reset Rate by the Trustee

The Trustee shall, if the Agent Bank does not or is unable to at any material time for any reason determine the Reset Rate in accordance with paragraph (c) above, determine the Reset Rate at such rate as, in its absolute discretion (having such regard as it shall think fit to the procedure described in paragraph (c) above), it shall deem fair and reasonable in all the circumstances, and such determination shall be deemed to be a determination thereof by the Agent Bank.

(f) Agent Bank

The Bank may, with the prior written approval of the Trustee, from time to time replace the Agent Bank by another leading bank or investment bank in London. In the event of the appointed office of the Agent Bank being unable or unwilling to continue to act as the Agent Bank or (without prejudice to paragraph (e) above) failing duly to determine the Reset Rate in accordance with paragraph (c) above, the Bank shall forthwith appoint the London office of such other leading bank or investment bank as may be approved in writing by the Trustee to act as such in its place. The Agent Bank may not resign its duties or be removed without a successor having been appointed as aforesaid.

(g) Notifications, etc. to be Final

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 3, whether by the Agent Bank or the Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Bank, the Agent Bank, the Trustee, the Paying Agents and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Noteholders or Couponholders shall attach to the Agent Bank or the Trustee in connection with the exercise or non-exercise by them of their powers, duties and discretions.

4. Repayment and Purchase

The Notes are undated and, accordingly, have no final maturity date and may not be repaid except in accordance with the provisions of this Condition 4 or Condition 7.

(a) Repayment for Taxation Reasons

If the Bank satisfies the Trustee immediately prior to the giving of the notice referred to below that on the next Interest Payment Date:

- (i) the Bank would be compelled by law for reasons outside its control to pay any additional amounts in accordance with Condition 6, or
- (ii) any payment of interest in respect of the Notes would be treated as a “distribution” within the meaning of the Tax Acts (as defined in section 831 of the Income and Corporation Taxes Act 1988),

the Bank may at its option, at any time, having given not less than 45 nor more than 60 days’ notice to the Trustee and to the Noteholders in accordance with Condition 13, repay all, but not some only, of the Notes at their principal amount. Upon the expiration of such notice, the Bank shall (subject to Condition 2(b)) be bound to repay all the Notes at their principal amount together with accrued interest and all Arrears of Interest.

It shall be sufficient to establish the circumstances required to be established under this Condition 4(a) if the Bank shall deliver to the Trustee a certificate of a major firm of independent legal advisers or accountants to the effect either that such a circumstance does exist or that, upon a change in or amendment to the laws (including any regulations thereunder) or in the interpretation or administration thereof, of the United Kingdom (including any authority or political subdivision therein or thereof having power to tax) which at the date of such certificate is proposed to be made and in the opinion of such firm is reasonably expected to become effective on or prior to the date when the relevant payment in respect of such Notes would otherwise be made, becoming so effective, such circumstances would exist.

(b) Optional Repayment

The Bank may, having given not less than 45 nor more than 60 days’ notice to the Trustee and to the Noteholders in accordance with Condition 13, repay on 19th April, 2017 or on each Interest Payment Date falling at five-yearly intervals thereafter all, but not some only, of the Notes at their principal amount. Upon the expiration of such notice, the Bank shall (subject to Condition 2(b)) be bound to repay all the Notes at their principal amount together with accrued interest and all Arrears of Interest.

No optional repayment of the Notes will be made by the Bank without the prior consent of the Financial Services Authority.

(c) Optional Purchase

Subject to Condition 2(b), the Bank or any of its Subsidiaries may at any time purchase beneficially or procure others to purchase beneficially for its account Notes in the open market or otherwise at any price. Any purchase by tender shall be made available to all Noteholders alike. Each such purchase of Notes shall include all unmatured Coupons and talons appertaining thereto.

The requirements of this paragraph (c) and of paragraph (d) below as to the purchase of Notes shall not apply in regard to the purchase of Notes in the ordinary course of a business of dealing in securities.

No optional purchase of the Notes will be made by the Bank without the prior consent of the Financial Services Authority.

(d) Cancellation and Resale

All Notes (i) repaid or (ii) purchased beneficially by or for the account of the Bank will be cancelled together with all unmatured Coupons and talons attached thereto or surrendered therewith and accordingly will not be available for reissue or resale.

5. Payments and Exchange of Talons

- (a) The names of the initial Paying Agents (which have been appointed by the Bank under the Agency Agreement) and their specified offices are set out below.
- (b) Payments of principal and interest in respect of the Notes will (subject to Condition 2(b)) only be made against presentation and surrender of Notes or, as the case may be, Coupons at any specified office of any of the initial Paying Agents or of any such additional and/or other Paying Agent(s) outside the United States (subject as provided below) as the Bank may appoint from time to time with the prior written approval of the Trustee, in each case subject to the laws and regulations applicable in the place of payment, but without prejudice to the provisions of Condition 6. Payments in respect of Arrears of Interest will be made against presentation and surrender (or, in the case of a partial payment, endorsement) of the appropriate Coupon at any specified office of any of the Paying Agents. Payments in respect of the Notes and Coupons will be made in the currency in which the payment is due either (i) by cheque or (ii) at the option of the payee, by transfer to a pounds sterling account maintained by the payee with a bank in London.

Payments of amounts due in respect of principal or interest (including Arrears of Interest) on Notes and exchanges of talons for Coupon sheets will not be made at the specified office of any Paying Agent in the United States (as defined in the United States Internal Revenue Code and Regulations thereunder), to an address in the United States (as so defined) or by transfer to an account maintained by the payee in the United States. Without prejudice to the generality of the foregoing, the Bank reserves the right to require a Noteholder or Couponholder to provide a Paying Agent with such certification or information as may be required to enable the Bank to comply with the requirements of the United States federal income tax laws.

- (c) Upon the due date for repayment of any Note, unmatured Coupons and talons appertaining to such Note (whether or not attached) shall become void and no payment shall be made in respect of such Coupons and no exchange shall be made in respect of such talons. If the date for repayment of a Note is not an Interest Payment Date, the interest accrued from the preceding Interest Payment Date (or the Issue Date, as the case may be) shall be payable only against presentation of such Note.
- (d) In the event of a winding up in England of the Bank, all unmatured Coupons and talons shall become void and any payment of interest in respect of the Notes to which such Coupons appertain shall be made only against presentation of such Notes. In addition, in the event of such a winding up, each Note which is presented for payment must be presented together with all Coupons appertaining thereto (whether or not attached) in respect of Arrears of Interest, failing which the amount of Arrears of Interest due on any such missing Coupon will not be payable. Any such amount will only be payable in the manner mentioned above against presentation and surrender of any such missing Coupon within a period of 12 years from the Relevant Date (as defined in Condition 6).

For the purpose of these Conditions, “unmatured Coupon” means a Coupon in respect of which the applicable Interest Payment Date falls after the date fixed for the repayment of the Note to which such Coupon appertains or, as the case may be, the date on which a winding up in England of the Bank commences (or is deemed to commence) and “unmatured talon” means a talon in respect of which the Interest Payment Date on and after which it may be exchanged falls on or after the date fixed for repayment of the Note to which such talon appertains or, as the case may be, the date on which a winding up in England of the Bank commences (or is deemed to commence).

- (e) If the due date for payment in respect of any Note or Coupon is not, at the place of payment, a working day then the holder thereof shall not be entitled to payment at the place of payment of the amount due until the following working day in such place, nor to any interest or other payment in respect of such delay. In this paragraph, a “working day” in relation to any place means a day (other than a Saturday or a Sunday) on which banks are open generally for business in such place and, in the case of payment by transfer as referred to in paragraph (b) above, in London.

- (f) The Bank may, with the prior written approval of the Trustee, vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office of any Paying Agent, provided that, so long as the Notes are admitted to the official list of the United Kingdom Listing Authority (the "Official List") and admitted to trading on the London Stock Exchange's market for listed securities, the Bank will maintain a Paying Agent with a specified office in London and, so long as any of the Notes remains outstanding and if the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 are implemented, the Bank will maintain a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to any European Union directive on the taxation of savings or any law implementing or complying with, or introduced in order to conform to, such directive. In the event of any such variation, termination, appointment or change in specified office, notice thereof will be given by the Bank to the Noteholders in accordance with Condition 13.
- (g) On and after the Interest Payment Date specified in the final Coupon comprised in any Coupon sheet, the talon comprised in such Coupon sheet may be surrendered at the specified office of any of the Paying Agents outside the United States in exchange for a further Coupon sheet in respect of the 20 Interest Payment Dates immediately following such Interest Payment Date (including a further talon), subject to the provisions of Condition 8, provided that the Bank may, by notice to the Noteholders in accordance with Condition 13, at any time or from time to time require any such exchange to be effected at the specified office(s) of one or certain only of the Paying Agents so specified in such notice.

6. Taxation

All payments of principal and interest (including Arrears of Interest) will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or charges of whatever nature imposed or levied by, or on behalf of, the United Kingdom or any authority in the United Kingdom having power to tax, unless the Bank is compelled by law to withhold or deduct such taxes, duties, assessments or charges. In any such case, the Bank will pay such additional amounts as will result in the receipt by the Noteholders and/or the Couponholders concerned of the sum which would in the absence of such withholding or deduction be payable on the Notes and/or the Coupons, provided that no such additional amount shall be payable in respect of any Note or Coupon presented for payment:

- (a) by or on behalf of a holder who is liable to such taxes, duties, assessments or charges in respect of such principal or interest by reason of his having some connection with the United Kingdom other than the mere holding of the Note or the Coupon (as the case may be); or
- (b) by or on behalf of a holder if a Paying Agent with a specified office outside the United Kingdom has been appointed at which payments in respect of the Notes or, as the case may be, Coupons can be made without any such withholding or deduction of United Kingdom tax; or
- (c) more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amount on presenting the same for payment at the close of such 30 day period (and for this purpose, the "Relevant Date" in relation to such payment means:
 - (i) the date on which such payment first becomes due; or
 - (ii) (if the full amount of the moneys payable on such due date has not been received by the Principal Paying Agent or the Trustee on or prior to such due date) such later date on which notice is given to the Noteholders in accordance with Condition 13 that such moneys have been so received); or
- (d) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to, such directive.

References herein to principal and/or interest shall be deemed also to refer to any additional amounts which may be payable under this Condition 6 or under the Trust Deed.

7. Default and Enforcement

- (a) If the Bank shall not make payment in respect of the Notes (in the case of any payment of principal) for a period of seven days or more after the due date for the same or (in the case of any payment of interest) for a period of 14 days or more after a Compulsory Interest Payment Date or any other date upon which the payment of interest is compulsory, the Trustee may institute proceedings in England (but not elsewhere) for the winding up of the Bank, provided that it shall not have the right to institute such proceedings if and so long as the Bank withholds or refuses any such payment (i) in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction, in each case applicable to such payment, or (ii) (subject as provided in the Trust Deed), in case of doubt as to the validity or applicability of any such law, regulation or order, in accordance with advice given as to such validity or applicability at any time during the said period of seven or 14 days, as the case may be, by independent legal advisers acceptable to the Trustee. For the purposes of this paragraph (a), a payment shall be deemed to be due or compulsory even if the condition set out in Condition 2(b) is not satisfied.
- (b) The Trustee may at its discretion and without further notice institute such proceedings against the Bank as it may think fit to enforce any obligation, condition or provision binding on the Bank under the Trust Deed, the Notes or the Coupons (other than any obligation for the payment of any principal or interest in respect of the Notes or Coupons) provided that the Bank shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.
- (c) The Trustee shall not be bound to take the action referred to in paragraph (a) or (b) above to enforce the obligations of the Bank in respect of the Trust Deed, the Notes or the Coupons unless (i) it shall have been so requested by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders or in writing by the holders of at least 25 per cent in principal amount of the Notes then outstanding and (ii) it shall have been indemnified to its satisfaction.
- (d) No Noteholder or Couponholder shall be entitled to institute any of the proceedings referred to in paragraph (a) or (b) above or to prove in the winding up of the Bank, except that if the Trustee, having become bound to proceed against the Bank as aforesaid, fails to do so, or, being able to prove in such winding up, fails to do so, in each case within a reasonable period, and in each such case such failure shall be continuing, then any such holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise), himself institute such proceedings and/or prove in the winding up of the Bank to the same extent and in the same jurisdiction (but not further or otherwise) that the Trustee would have been entitled so to do in respect of his Notes and/or Coupons. No remedy against the Bank, other than the institution of the proceedings referred to in paragraph (a) or (b) above or proving in the winding up of the Bank, shall be available to the Trustee or the Noteholders or Couponholders whether for the recovery of amounts owing in respect of the Notes or the Coupons or under the Trust Deed or in respect of any breach by the Bank of any of its obligations under the Trust Deed, the Notes or the Coupons.

8. Prescription

Each Note and Coupon shall become void unless presented for payment within 12 years after the Relevant Date (as defined in Condition 6) in relation to payment thereof.

There shall not be included in any Coupon sheet issued on exchange of a talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 8 or Condition 5(c) or (d) or any talon which would be void pursuant to Condition 5(c) or (d).

9. Modification of Conditions, Waiver and Substitution

- (a) The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Conditions or the provisions of the Trust Deed, except that the provisions relating to subordination are not so capable

of modification. The quorum at any such meeting for passing an Extraordinary Resolution for modifying certain provisions (including, inter alia, those concerning the amount, currency and due dates of payment of principal and interest in respect of the Notes, the rate of interest applicable thereto and the method of determining the Reset Rate) will be one or more persons holding or representing not less than two-thirds, or at any adjourned meeting not less than one-third, in principal amount of the Notes for the time being outstanding. In other cases, the quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented by them. Any resolution duly passed at any such meeting shall be binding on all the Noteholders, whether present or not, and on all the Couponholders. The Trust Deed also provides for a resolution in writing signed by or on behalf of all the Noteholders to be as effective as if it were an Extraordinary Resolution duly passed at a meeting of the Noteholders.

- (b) The Trustee may agree, without the consent of the Noteholders or the Couponholders, to any modification of (subject to certain exceptions), or to any waiver or authorisation of any breach or proposed breach of any provision of, these Conditions or the Trust Deed which, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders or to any modification which is of a formal or technical nature or which is made to correct a manifest error.
- (c) The Trustee may also agree, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require, but without the consent of the Noteholders or the Couponholders, to the substitution of a Subsidiary of the Bank in place of the Bank as principal debtor under the Trust Deed, the Notes and the Coupons, subject to the Notes and Coupons being, to the satisfaction of the Trustee, guaranteed by the Bank on a subordinated basis equivalent to that mentioned in Condition 2, and so that the claims of the Noteholders and the Couponholders may, in the case of the substitution of a banking Subsidiary of the Bank in place of the Bank, be subordinated to the rights of all or any other creditors of that Subsidiary. For this purpose, the Trustee may agree, without the consent of the Noteholders or the Couponholders, to a change in the law governing the Trust Deed and/or the Notes and/or the Coupons, provided that such change would not, in the opinion of the Trustee, be materially prejudicial to the interests of the Noteholders.

In connection with any proposed substitution as aforesaid, the Trustee shall not have regard to the consequences of such substitution for individual Noteholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory.

- (d) Any such modification, waiver, authorisation or substitution shall be binding on the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, any such modification or substitution shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 13.

10. Replacement of Notes, Coupons and Talons

If a Note, Coupon or talon is mutilated, defaced, destroyed, stolen or lost it may, and shall, in the case of mutilation or defacement, upon the surrender of the mutilated or defaced Note, Coupon or talon, be replaced at the specified office of the Principal Paying Agent on payment of such costs as may be incurred in connection therewith and, in the case of destruction, theft or loss, on such terms as to evidence and indemnity as the Bank may reasonably require.

11. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Bank, the Holding Company or any other Subsidiary thereof without accounting for any profit resulting therefrom.

12. Further Issues

The Bank is at liberty from time to time, without the consent of the Noteholders or the Couponholders, to create and issue further notes or bonds either ranking *pari passu* in all respects (or in all respects save for the first payment of interest thereon) and so that the same shall be consolidated and form a single series with the Notes or upon such terms as to interest, conversion, repayment and otherwise as the Bank may at the time of the issue thereof determine. Any further notes or bonds forming a single series with the outstanding notes or bonds of any series (including the Notes) constituted by the Trust Deed or any Deed supplemental thereto shall, and any other further notes or bonds may (with the consent of the Trustee), be constituted by a Deed supplemental to the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes or bonds of other series in certain circumstances where the Trustee so decides.

13. Notices

All notices to the Noteholders will be valid if published in a leading national daily newspaper circulating in the United Kingdom (which is expected to be the *Financial Times*) and, if at any time such publication is not possible, in such other English language newspaper or newspapers circulating or published in Europe as the Bank, with the approval of the Trustee and the United Kingdom Listing Authority, shall determine. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once, on the date of the first such publication.

14. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes by virtue of the Contracts (Rights of Third Parties) Act 1999.

15. Governing Law

Subject as mentioned in Condition 9, the Trust Deed, the Notes and the Coupons are governed by and will be construed in accordance with the law of England and the English courts have jurisdiction in connection with the Trust Deed, the Notes and the Coupons.

USE OF PROCEEDS

The net proceeds of the issue of the 6.125% Notes are estimated to amount to £392,123,500 and the net proceeds of the issue of the 6.375% Notes are estimated to amount to £395,987,500 and will be used for the development and expansion of the business of the Bank and its subsidiaries (the “Group”) and further to strengthen the capital base of the Bank.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

The 6.125% Notes and the 6.375% Notes will each be represented initially by a Temporary Global Note in bearer form without Coupons or talons which will be deposited outside the United States with a common depositary for Clearstream, Luxembourg and Euroclear on or about 19th April, 2002. Each Temporary Global Note will be exchangeable for interests in a Permanent Global Note in bearer form without Coupons or talons on or after a date which is expected to be 29th May, 2002 (the “Exchange Date”) upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations and as described in each Temporary Global Note. Upon deposit of a Global Note with a common depositary for Clearstream, Luxembourg and Euroclear, Clearstream, Luxembourg and Euroclear will credit each subscriber with a principal amount of Notes equal to the principal amount thereof for which it has subscribed and paid.

Each of the persons shown in the records of Clearstream, Luxembourg or Euroclear as the holder of a Note represented by a Global Note must look solely to Clearstream, Luxembourg or Euroclear (as the case may be) for his share of each payment made by the Bank to the bearer of such Global Note, subject to and in accordance with the respective rules and procedures of Clearstream, Luxembourg or Euroclear (as the case may be).

The Global Notes will contain provisions applicable to the Notes represented thereby, some of which may modify the effect of the Conditions of the 6.125% Notes and the Conditions of the 6.375% Notes. Certain of these are summarised in this section.

For so long as any of the Notes are represented by a Global Note, each person who is for the time being shown in the records of Clearstream, Luxembourg and/or Euroclear as the holder of a particular principal amount of such Notes (in which regard any certificate or other document issued by Clearstream, Luxembourg and/or Euroclear as to the principal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Bank, the Trustee and the Paying Agents as the holder of such principal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such principal amount of such Notes, the right to which shall be vested, as against the Bank, the Trustee and the Paying Agents, solely in the bearer of the Global Note (in accordance with and subject to its terms and the Trust Deed) and the expressions “Noteholder”, “holder of Notes” and related expressions shall be construed accordingly. Interests in Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Clearstream, Luxembourg and/or Euroclear, as the case may be.

Principal and interest (if any) payable with respect to a Temporary Global Note or a Permanent Global Note will be paid to Clearstream, Luxembourg and/or Euroclear with respect to that portion of such Global Note which is held for its account (subject, in the case of a Temporary Global Note, to the certifications referred to therein). Each of Clearstream, Luxembourg and/or Euroclear will in such circumstances credit the principal or, as the case may be, interest in respect of such Global Note to the persons credited in its records with interests in such Global Note.

If any date on which a payment is due on the Notes occurs prior to the Exchange Date, the relevant payment will be made on the relevant Temporary Global Note only to the extent that certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations (in substantially the form referred to in the relevant Temporary Global Note or in such other form as is customarily issued in such circumstances by the relevant clearing system or depositary) has been received by Clearstream, Luxembourg or Euroclear. Payment of amounts due in respect of a Permanent Global Note will be made through Clearstream, Luxembourg or Euroclear without any requirement for certification.

The holder of a Temporary Global Note shall not (unless, upon due presentation of such Temporary Global Note for exchange (in whole or in part) for interests in the relevant Permanent Global Note, such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment in respect of the Notes represented by such Temporary Global Note which falls due on or after the Exchange Date.

Interests in a Permanent Global Note will be exchangeable by the Bank (free of charge) in whole (but not in part only) for definitive bearer Notes (a) if Clearstream, Luxembourg or Euroclear is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so and no alternative clearing system satisfactory to the Trustee is available; or (b) if the Trustee is satisfied that, on the occasion of the next payment due in respect of the Notes, the Bank or any of the Paying Agents would be required to make any deduction or withholding from any payment in respect of such Notes which would not be required were such Notes in definitive form. Thereupon (in the case of (a) above) the holder of the relevant Permanent Global Note (acting on the instructions of (a) holder(s) of an interest in the relevant Permanent Global Note) may give notice to the Bank, and (in the case of (b) above) the Bank may give notice to the Trustee and the Noteholders, of its intention to exchange the relevant Permanent Global Note for definitive Notes on or after the Permanent Global Exchange Date (as defined below).

On or after the Permanent Global Exchange Date the holder of a Permanent Global Note shall surrender such Permanent Global Note to or to the order of the Principal Paying Agent. In exchange for a Permanent Global Note the Bank will deliver, or procure the delivery of, an equal aggregate principal amount of definitive relevant Notes (having attached to them all Coupons in respect of interest which has not already been paid on the relevant Permanent Global Note), security printed in accordance with any applicable legal and stock exchange requirements and in or substantially in the form set out in either the Sixteenth Supplemental Trust Deed or the Seventeenth Supplemental Trust Deed, as the case may be. On exchange of a Permanent Global Note, the Bank will procure that it is cancelled and, if the holder so requests, returned to the holder together with any relevant definitive Notes.

“Permanent Global Exchange Date” means a day specified in the notice requiring exchange falling not less than 60 days after that on which such notice is given and on which banks are open for business in the city in which the specified office of the Principal Paying Agent is located and in the city in which the relevant clearing system is located.

The cost of printing definitive Notes will be borne by the Bank.

So long as the 6.125% Notes are represented in their entirety by one or more Global Notes and such Global Note(s) is/are held on behalf of Clearstream, Luxembourg and/or Euroclear, notices to the 6.125% Noteholders may be given by delivery of the relevant notice to Clearstream, Luxembourg and/or Euroclear, as appropriate, for communication by it/them to the 6.125% Noteholders in substitution for publication as required by the Conditions of the 6.125% Notes, subject to any applicable regulatory and stock exchange requirements. So long as the 6.375% Notes are represented in their entirety by one or more Global Notes and such Global Notes(s) is/are held on behalf of Clearstream, Luxembourg and/or Euroclear, notices to the 6.375% Noteholders may be given by delivery of the relevant notice to Clearstream, Luxembourg and/or Euroclear, as appropriate, for communication by it/them to the 6.375% Noteholders in substitution for publication as required by the Conditions of the 6.375% Notes, subject to any applicable regulatory and stock exchange requirements. Any such notice shall be deemed to have been given to the relevant Noteholders on the seventh day after that on which the notice is given to Clearstream, Luxembourg and/or Euroclear.

THE BANK AND THE GROUP

Business

The Bank and its subsidiary undertakings (taken together, the “Group”) is an international financial services group engaged primarily in banking, investment banking and asset management. In terms of assets employed, it is one of the largest financial services groups in the United Kingdom. The Group also operates in many other countries around the world and is a leading provider of co-ordinated global services to multinational corporations and financial institutions in the world’s main financial centres. At 31st December, 2001, the total consolidated assets of the Group were £356,649 million, based on the audited balance sheet at that date. The whole of the issued ordinary share capital of the Bank is owned by Barclays PLC which is the ultimate holding company of the Group.

The profit before taxation of the Group in respect of the year ended 31st December, 2001 was £3,606 million after charging net provisions for bad and doubtful debts of £1,149 million. In 2000, the Group made a profit before taxation of £3,496 million after charging net provisions for bad and doubtful debts of £817 million.

Recent Developments

The United Kingdom Competition Commission has conducted an enquiry into the supply of banking services by clearing banks to small and medium sized enterprises (“SMEs”) and made its report to the United Kingdom Government in October 2001.

The Government published the Commission’s report on 14th March, 2002 and accepted its conclusions and recommendations, which include measures relating to various aspects of services supplied to SMEs, including price. Undertakings to implement these recommendations will now be sought by the United Kingdom Director General of Fair Trading.

UITF abstract 33, ‘Obligations in capital instruments’, was issued on 14 February, 2002 by the Accounting Standards Board. The Group is considering the implications of this abstract on the presentation of its financial statements. The abstract seeks to clarify the circumstances in which financial instruments are classified as debt or as shareholders’ funds in the accounts of the issuer.

- (o) The Bank has swapped the proceeds of these Notes for sterling under swaps the durations of which will match the respective terms of the Notes. The payment obligations of the Bank under these swaps are subordinated so that the claims against the Bank in respect of the swaps rank *pari passu* with claims against the Bank in respect of its dated loan capital. The sterling values of these Notes in the figures set out above take into account these subordinated swaps.

- (w) The Bank has swapped U.S.\$200 million of the proceeds of these Notes for sterling under a swap the duration of which matches the term of the Notes. The payment obligations of the Bank under this swap are subordinated so that the claims against the Bank in respect of this swap rank *pari passu* with claims against the Bank in respect of its dated loan capital. The sterling value of these Notes in the figures set out above takes into account this subordinated swap.
- (x) These Notes were redeemed on 19th March, 2002.

On 1st March, 2002, the Bank issued €50 million Subordinated Floating Rate Notes 2022. On 13th March, 2002, the Bank issued £44 million Callable Subordinated Floating Rate Notes 2012. UNITED KINGDOM TAXATION

The following is a summary of the current United Kingdom taxation treatment of the Notes. It is not exhaustive. It relates only to the position of persons who are the absolute beneficial owners of the Notes and may not apply to certain classes of Noteholders, such as dealers in securities. Noteholders who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom should consult their professional advisers.

Withholding Tax

1. All payments of interest on the Notes made on or after 1st April, 2001 can be paid gross provided that, at the time of the payment, the Notes are listed on a recognised stock exchange, as defined in Section 841 of the Income and Corporation Taxes Act 1988 (“ICTA”) (the London Stock Exchange is so recognised). The United Kingdom Inland Revenue may obtain information about the identity of the payee or person entitled to the interest on the Notes from persons in the United Kingdom paying such interest to or receiving such interest on behalf of another person and, in certain circumstances, to exchange taxpayer information with the tax authorities of other jurisdictions.
2. The interest on the Notes will have a United Kingdom source and, accordingly, subject as set out below, may be chargeable to United Kingdom income tax by direct assessment even if paid without withholding or deduction. The profit realised on any disposal (which includes redemption) of any Note issued at an issue price of less than the amount payable on redemption is similarly chargeable but does not attract United Kingdom withholding. However, neither such profit nor interest received without deduction or withholding is chargeable to United Kingdom tax in the hands of a Noteholder who is not resident for tax purposes in the United Kingdom unless the Noteholder carries on a trade, profession or vocation in the United Kingdom through a branch or agency in the United Kingdom in connection with which the interest or profit is received or to which the Notes are attributable. There are certain exceptions for income received by specified categories of agent (such as some brokers and investment managers).
3. If interest on the Notes were to be paid under deduction of United Kingdom income tax (which would be the case (subject to any applicable exemptions or reliefs which might be obtained pursuant to an applicable double taxation treaty) if the Notes were to cease to be listed on a recognised stock exchange), Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in an applicable double taxation treaty.
4. The provisions relating to additional payments referred to in Condition 6 of “Conditions of the 6.125% Notes” and “Conditions of the 6.375% Notes” would not apply if the Inland Revenue sought to assess the person entitled to the relevant interest or (where applicable) profit on any Note directly to United Kingdom income tax. However, exemption from or reduction of such United Kingdom tax liability might be available under an applicable double taxation treaty.

Holders within the Charge to United Kingdom Corporation Tax

5. For corporate Noteholders within the charge to United Kingdom corporation tax, Notes will normally constitute “qualifying corporate bonds” within section 117 of the Taxation of Chargeable Gains Act 1992. Such corporate Noteholders will normally recognise any gain or loss for corporation tax purposes under the “loan relationship” rules in the Finance Act 1996. Under these rules, all interest, profits, gains and losses, measured and recognised in accordance with an authorised accruals or mark to market basis of accounting method, are taxed or relieved as income.

Holders not within the Charge to United Kingdom Corporation Tax

6. The Notes are “qualifying corporate bonds”. Accordingly a disposal or redemption of Notes by a Noteholder who is not within the charge to United Kingdom corporation tax and who is a United Kingdom taxpayer will not give rise to a chargeable gain or an allowable loss for United Kingdom capital gains tax purposes.
7. A transfer of Notes by a non-corporate Noteholder who is resident or ordinarily resident in the United Kingdom or who carries on a trade in the United Kingdom through a branch or agency to which the Notes are attributable may give rise to a charge to United Kingdom income tax in respect of an amount

representing interest on the Notes which has accrued since the preceding Interest Payment Date under the provisions of the “accrued income scheme” (the “Scheme”). The Notes will be variable rate securities within the meaning of section 717 of ICTA. Accordingly, on a transfer of a Note, an amount of interest which is just and reasonable will be treated as accrued income under the Scheme. However, the transferee will not be entitled to any relief for that amount under the Scheme.

Proposed EU Directive on the Taxation of Savings Income

On 18th July, 2001, the European Commission published a new proposal for a directive regarding the taxation of savings income. This new proposal reflects the ECOFIN Agreement of 26th-27th November, 2000 and replaces the previous proposal regarding this matter adopted in 1998. Subject to a number of important conditions being met, it is proposed that each member state will be required to provide details of payments of interest and other similar income paid by a person within its jurisdiction to an individual resident in another member state to the tax authorities of that state. This is subject to the right of Austria, Belgium and Luxembourg to opt instead for a withholding system for a transitional period of 7 years in relation to such payments. On 13th December, 2001, ECOFIN agreed to a provisional text of the directive for negotiation purposes with third countries. If the directive were to be adopted in this form it would take effect from 1st January, 2004. The proposal is, however, not yet final and may be subject to revision. The negotiations referred to above are for the purposes of obtaining assurances with regard to the application of the same measures in dependent and associated territories of member states and to the adoption of equivalent measures by certain third countries. ECOFIN has stated that it will decide, on the basis of a report on the outcome of the negotiations for such assurances, on a final text of the directive no later than 31st December, 2002, and will do so by unanimity.

SUBSCRIPTION AND SALE

Under a Subscription Agreement entered into with the Bank on 17th April, 2002 Barclays Bank PLC, BNP Paribas, Goldman Sachs International, J.P. Morgan Securities Ltd., Merrill Lynch International and Morgan Stanley & Co. International Limited (each a “Manager” and together the “Managers”) have agreed to subscribe for the Notes at the issue price of 98.659 per cent of their principal amount for the 6.125% Notes and the issue price of 99.625 per cent of their principal amount for the 6.375% Notes. The Bank has agreed to pay to the Managers a combined management and underwriting commission of 0.625 per cent of such principal amounts and to reimburse the Managers for certain of their expenses. The Subscription Agreement is subject to termination in certain circumstances prior to payment to the Bank.

United States of America

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a U.S. person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Manager has agreed that, except as permitted by the Subscription Agreement, it will not offer, sell or deliver Notes (i) as part of their distribution at any time, or (ii) otherwise until 40 days after the later of the commencement of the offering and the Closing Date (as defined in the Subscription Agreement), within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Notes during the restricted period a confirmation or other notice setting forth the restrictions on offers and sales of Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by a dealer that is not participating in the offering may violate the registration requirements of the Securities Act.
