CREDIT AGRICOLE CORPORATE AND INVESTMENT BANK

Under this € 50,000,000,000 Structured Euro Medium Term Note Programme (the **Programme**), Crédit Agricole Corporate and Investment Bank, Crédit Agricole CIB Financial Products (Guernsey) Limited, Crédit Agricole CIB Finance (Guernsey) Limited and Crédit Agricole CIB Financial Solutions (each an **Issuer** and together the **Issuers**) may from time to time issue notes including, without limitation, credit linked notes, commodity linked notes, equity linked notes, fund-linked notes, index linked notes and other structured notes in accordance with and subject to all applicable laws and regulations (the **Notes**) denominated in any currency agreed between the Issuer and the relevant Dealer (as defined below). This Base Prospectus replaces the base prospectus dated 22 July 2011 relating to the Programme and any supplements thereto.

The Notes may be issued in bearer or registered form (respectively **Bearer Notes** and **Registered Notes**). The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed € 50,000,000,000 (or its equivalent in other currencies calculated as described herein), subject to increase as described herein. The payments of all amounts due in respect of Notes issued by Crédit Agricole CIB Financial Products (Guernsey) Limited (**Crédit Agricole CIB FP**), Crédit Agricole CIB Finance (Guernsey) Limited (**Crédit Agricole CIB FG**) and Crédit Agricole CIB Financial Solutions (**Crédit Agricole CIB FS**) will be unconditionally and irrevocably guaranteed by Crédit Agricole Corporate and Investment Bank (**Crédit Agricole CIB**) (in such capacity, the **Guarantor**).

The Notes may be issued on a continuing basis to one or more of the Dealers specified under "Summary of the Programme" and any additional dealer appointed under the Programme from time to time by any Issuer (each a **Dealer** and together the **Dealers**), which appointment may be for a specific issue or on an ongoing basis. References in this Base Prospectus to the **relevant Dealer** shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to purchase such Notes.

Application has been made to the *Commission de Surveillance du Secteur Financier* (the **CSSF**) in its capacity as competent authority under Directive 2003/71/EC and the Luxembourg Act dated 10 July 2005 on prospectuses for securities (*loi relative aux prospectus pour valeurs mobilières*) (the **Prospectus Act**) for approval of this Base Prospectus where it constitutes a base prospectus. The CSSF assumes no responsibility for the economic and financial soundness of the transactions contemplated by this Base Prospectus or the quality or solvency of the Issuer in accordance with Article 7(7) of the Prospectus Act. Application has also been made to the Luxembourg Stock Exchange for Notes issued under the Programme and during the period of 12 months from the date of this Base Prospectus to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Official List of the Luxembourg Stock Exchange. The Luxembourg Stock Exchange's regulated market is a regulated market for the purposes of Directive 2004/39/EC.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "Terms and Conditions of the Notes") of Notes will be set out in final terms (the **Final Terms**).

The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchange(s) or markets as may be agreed between the relevant Issuer and the relevant Dealer. Application may also be made to have certain Notes issued under the Programme accepted for trading in the Private Offerings, Resales and Trading through Automated Linkages System (PORTAL) of the Financial Industry Regulatory Authority. The Issuers may also issue unlisted Notes and/or Notes not admitted to trading on any market.

Consent under the Control of Borrowing (Bailiwick of Guernsey) Ordinances, 1959 to 1989 has been obtained in relation to the issue of the Notes by Crédit Agricole CIB FP and Crédit Agricole CIB FG. This Base Prospectus is exempt from the requirements of the Prospectus Rules, 2008 issued by the Guernsey Financial Services Commission. Neither the Guernsey Financial Services Commission nor the Policy Council of the States of Guernsey takes any responsibility for the financial soundness of the arrangement or for the correctness of any of the statements made or opinions expressed herein with regard to Crédit Agricole CIB FP or Crédit Agricole CIB FG.

The Notes and the Guarantee (as defined below) have not been and will not be registered under the U.S. Securities Act of 1933, as amended, (the **Securities Act**) and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons except to certain qualified institutional buyers in reliance on Rule 144A under the Securities Act, certain institutional accredited investors in reliance on Section 4(2) of the Securities Act and to certain persons in offshore transactions in reliance on Regulation S under the Securities Act. Prospective purchasers are hereby notified that sellers of the Notes and Guarantee may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A. See "Subscription and Sale".

Each of Crédit Agricole CIB FP, Crédit Agricole CIB FG and Crédit Agricole CIB FS have not registered, and will not register, as an "investment company" under the U.S. Investment Company Act of 1940, as amended (the **Investment Company Act**). Accordingly, the Notes issued by Crédit Agricole CIB FP, Crédit Agricole CIB FG or Crédit Agricole CIB FS may only be offered, sold, resold, delivered or transferred within the United States, or to, or for the account or benefit of, U.S. persons, in compliance with the provisions of Section 39c(7) of the Investment Company Act.

Any Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes intended to be admitted to trading on the Luxembourg Stock Exchange's regulated market) a Supplement to the Base Prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

Prospective investors should be aware of the particular risks involved in investing in Notes (for a discussion of these risks see "Risk Factors"). In particular, prospective investors should be aware that certain Notes may be redeemed at below par and should be prepared to sustain a partial or total loss of their initial investment in the Notes.

Any person (an **Investor**) intending to acquire or acquiring any securities from any person (an **Offeror**) should be aware that, in the context of an offer to the public, the Issuer may be responsible to the Investor for the Base Prospectus, but only if the Issuer has authorised that Offeror to make the offer to the Investor. Each Investor should therefore enquire whether the Offeror is so authorised by the Issuer. If the Offeror is not authorised by the Issuer, the Investor should check with the Offeror whether anyone is responsible for the Base Prospectus in the context of the offer to the public, and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the Base Prospectus and/or who is responsible for its contents it should take legal advice.

The rating of certain Series of Notes to be issued under the Programme may be specified in the applicable Final Terms. Whether or not each credit rating applied for in relation to relevant Series of Notes will be issued by a credit rating agency established in the European Union and registered under Regulation (EC) No. 1060/2009 (as amended) (the **CRA Regulation**) will be disclosed in the Final Terms.

No Dealer accepts any liability in relation to the information contained or incorporated by reference in this Base Prospectus or any other information provided by the Issuers or the Guarantor in connection with the Programme.

No person is or has been authorised by the Issuers or the Guarantor to give any information or to make any representation not contained in or not consistent with this Base Prospectus or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuers, the Guarantor or any Dealer.

Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuers and the Guarantor and of the terms of such Notes (see "*Special Considerations*" below).

Neither this Base Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of the Issuers, the Guarantor or any Dealer to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Base Prospectus nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained herein concerning the Issuers and the Guarantor is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of the Issuers and the Guarantor during the life of the Programme or to advise any investor in the Notes of any information coming to their attention.

This Base Prospectus has not been submitted to the clearance procedures of the *Autorité des marchés financiers*.

This Base Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Base Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuers, the Guarantor and the Dealers do not represent that this Base Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular unless specifically indicated to the contrary in the applicable Final Terms, no action has been taken by the Issuers, the Guarantor or any Dealer which is intended to permit a public offering of any Notes or distribution of this document in any jurisdiction where action for that purpose is required. This Base Prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the

Prospectus Directive (each, a **Relevant Member State**) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Base Prospectus as completed by final terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State, such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of such offer. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

This Base Prospectus is being submitted on a confidential basis in the United States to a limited number of QIBs and IAIs (each as defined under "*Form of the Notes*") for informational use solely in connection with the consideration of the purchase of the Notes being offered hereby. Its use for any other purpose in the United States is not authorised. It may not be copied or reproduced in whole or in part nor may it be distributed or any of its contents disclosed to anyone other than the prospective investors to whom it is originally submitted. For the avoidance of doubt, references herein of the Notes include the Guarantee, where applicable.

Registered Notes issued by Crédit Agricole CIB may be offered or sold within the United States only to QIBs or to IAIs in transactions exempt from registration under the Securities Act. Registered Notes issued by Crédit Agricole CIB FP, Crédit Agricole CIB FG and Crédit Agricole CIB FS may be offered or sold within the United States only to QIBs who are, in each case, also QPs (as defined under "*Form of the Notes*") in transactions exempt from registration under the Securities Act that will not cause the relevant issuer to

Each U.S. purchaser of Registered Notes is hereby notified that the offer and sale of any Registered Notes to it may be made in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A under the Securities Act (**Rule 144A**).

Each purchaser or holder of Notes represented by a Rule 144A Global Note, a Definitive Registered Note (as defined under "*Form of the Notes*" or any Notes issued in registered form in exchange or substitution for a Rule 144A Global Note (together **Legended Notes**) will be deemed, by its acceptance or purchase of any such Legended Notes, to have made certain representations and agreements intended to restrict the resale or other transfer of such Notes as set out in "*Subscription and Sale*". Unless otherwise stated, terms used in this paragraph have the meanings given to them in "*Form of the Notes*".

NOTICE TO NEW HAMPSHIRE RESIDENTS

NEITHER THE FACT THAT A REGISTRATION STATEMENT OR AN APPLICATION FOR A LICENSE HAS BEEN FILED UNDER CHAPTER 421-B OF THE NEW HAMPSHIRE REVISED STATUTES WITH THE STATE OF NEW HAMPSHIRE NOR THE FACT THAT A SECURITY IS EFFECTIVELY REGISTERED OR A PERSON IS LICENSED IN THE STATE OF NEW HAMPSHIRE CONSTITUTES A FINDING BY THE SECRETARY OF STATE OF NEW HAMPSHIRE THAT ANY DOCUMENT FILED UNDER CHAPTER 421-B IS TRUE, COMPLETE AND NOT MISLEADING. NEITHER ANY SUCH FACT NOR THE FACT THAT AN EXEMPTION OR EXCEPTION IS AVAILABLE FOR A SECURITY OR A TRANSACTION MEANS THAT THE SECRETARY OF STATE HAS PASSED IN ANY WAY UPON THE MERITS OR QUALIFICATIONS OF, OR RECOMMENDED OR GIVEN APPROVAL TO, ANY PERSON, SECURITY OR TRANSACTION. IT IS UNLAWFUL TO MAKE, OR CAUSE TO BE MADE, TO ANY PROSPECTIVE PURCHASER, CUSTOMER OR CLIENT ANY REPRESENTATION INCONSISTENT WITH THE PROVISIONS OF THIS PARAGRAPH.

AVAILABLE INFORMATION

To permit compliance with Rule 144A in connection with any resales or other transfers of Notes and any Guarantee thereof that are "restricted securities" within the meaning of the Securities Act, each Issuer has undertaken in a deed poll dated 18 June 2012 (the **Deed Poll**) to furnish, upon the request of a holder of such Notes or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, such Issuer is neither subject to and in compliance with Section 13 or 15(d) of the U.S. Securities Exchange Act of 1934, as amended (the **Exchange Act**) nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

A copy of the information so furnished will be available free of charge from the specified office of the Principal Paying Agent and, for Notes admitted to trading on the Luxembourg Stock Exchange's regulated market, from the specified office in Luxembourg of the Luxembourg Listing Agent (as defined below).

CIRCULAR 230 DISCLOSURE

TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE US INTERNAL REVENUE SERVICE, ANY TAX DISCUSSION HEREIN WAS NOT WRITTEN AND IS NOT INTENDED TO BE USED AND CANNOT BE USED BY ANY TAXPAYER FOR PURPOSES OF AVOIDING US FEDERAL INCOME TAX PENALTIES THAT MAY BE IMPOSED ON THE TAXPAYER. ANY SUCH TAX DISCUSSION WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE NOTES DESCRIBED HEREIN. EACH TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER'S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

SERVICE OF PROCESS AND ENFORCEMENT OF CIVIL LIABILITIES

Crédit Agricole CIB and Crédit Agricole CIB FS are corporations organised under the laws of France. Crédit Agricole CIB FP and Crédit Agricole CIB FG are corporations organised under the laws of Guernsey. All of the officers and directors named herein reside outside the United States and all or a substantial portion of the assets of the Issuers and the Guarantor and of such officers and directors are located outside the United States. As a result, it may not be possible for investors to effect service of process outside France or Guernsey, as the case may be, upon the Issuers, the Guarantor or such persons, or to enforce judgments against them obtained in courts outside France or Guernsey, as the case may be, predicated upon civil liabilities of the Issuers, the Guarantor or such directors and officers under laws other than the laws of France or Guernsey, as the case may be, including any judgment predicated upon United States federal securities laws.

In an original action brought in France predicated solely upon the US federal securities laws, French courts may not have the requisite jurisdiction to adjudicate such action. Actions for enforcement of judgments of US courts rendered against the French persons referred to in the preceding paragraph would require such French persons to waive their right under Article 15 of the French *Code Civil* to be sued in France only. Crédit Agricole CIB believes that no such French persons have waived such right with respect to actions predicated solely upon US federal securities laws.

STABILISATION

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

RISK FACTORS

Each of the Issuers and the Guarantor believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. Many of these factors are contingencies which may or may not occur and none of the Issuers nor the Guarantor is in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Each of the Issuers and the Guarantor believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the relevant Issuer or the Guarantor to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons (i) which may not be considered significant risks by the Issuers and the Guarantor based on information currently available to them or (ii) which they may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision.

Factors that may affect Crédit Agricole CIB's ability to fulfil its obligations under Notes issued under the Programme or to fulfil its obligations under the Guarantee

Such factors are set out at pages 100 to 126, pages 170 to 181 and page 198 of Crédit Agricole CIB's 2011 Shelf-Registration Document incorporated herein by reference (see "*Documents Incorporated by Reference*").

Factors that may affect Crédit Agricole CIB FG's, Crédit Agricole CIB FP's or Crédit Agricole CIB FS ability to fulfil its obligations under Notes issued under the Programme

Crédit Agricole CIB FG's, Crédit Agricole CIB FP's and Crédit Agricole CIB FS financial instruments, other than derivatives, comprise money market assets (loans to the parent company) and debt securities issued.

Crédit Agricole CIB FG, Crédit Agricole CIB FP and Crédit Agricole CIB FS also enter into derivatives transactions (principally swaps and options).

Risk management

Crédit Agricole CIB FG, Crédit Agricole CIB FP and Crédit Agricole CIB FS management regard the monitoring and controlling of risk as a fundamental part of the management process and accordingly involves its most senior staff in developing risk policy and in monitoring its application. The evaluation of the risks inherent in Crédit Agricole CIB FG, Crédit Agricole CIB FP and Crédit Agricole CIB FS activities and the development of policies and procedures to control them is carried out by the Boards of Directors or senior management.

Credit risk

Credit risk is the risk that a customer or counterparty will be unable or unwilling to meet a commitment that it has entered into with Crédit Agricole CIB FG, Crédit Agricole CIB FP or Crédit Agricole CIB FS (as the case may be). Crédit Agricole CIB FG, Crédit Agricole CIB FP and Crédit Agricole CIB FS manage their credit risk through transacting only with their parent company or other group companies.

Liquidity risk

Liquidity risk is the risk that Crédit Agricole CIB FG, Crédit Agricole CIB FP or Crédit Agricole CIB FS (as the case may be) will encounter difficulty in realising assets or otherwise raising funds to meet commitments. Crédit Agricole CIB FG, Crédit Agricole CIB FP and Crédit Agricole CIB FS perfectly hedge the issue of debt securities through the loans to their parent company which match in all respects the issued debt.

Interest rate risk

Exposure to interest rate risk is the risk that arises when there is an imbalance between rate and non-rate sensitive assets, liabilities and off balance sheet items. Crédit Agricole CIB FG, Crédit Agricole CIB FP and Crédit Agricole CIB FS policy is to maintain the interest rate at a nil level.

Foreign currency risk

Foreign currency risk is the risk that the value of a financial instrument will fluctuate because of changes in foreign exchange rates. Crédit Agricole CIB FG, Crédit Agricole CIB FP and Crédit Agricole CIB FS foreign exchange exposure arises from issuing debt in currencies other than Euro. Crédit Agricole CIB FG, Crédit Agricole CIB FP and Crédit Agricole CIB FS policy is to hedge against foreign exchange risks by engaging in exchange rate swaps with their parent company.

Consideration of the above risk factors should also allow for the fact that (i) Crédit Agricole CIB FG, Crédit Agricole CIB FP and Crédit Agricole CIB FS systematically hedge themselves with appropriate hedging instruments or contracts, all contracted with Crédit Agricole CIB acting as hedge counterparty, and (ii) Crédit Agricole CIB through the Guarantee, takes the commitment to substitute itself for Crédit Agricole CIB FG, Crédit Agricole CIB FP or Crédit Agricole CIB FS if, for any reason, one or both of these would be unable to fulfil its payment obligations under Notes issued under the Programme.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

The Notes may not be a suitable investment for all investors

The purchase of the Notes may involve substantial risks and is suitable only for sophisticated investors who have the knowledge and experience in financial and business matters necessary to enable them to evaluate the risks and the merits of an investment in the Notes. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;

- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the relevant Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Notes subject to optional redemption by the holder

Crédit Agricole CIB can issue Notes conferring on the holder the right to require early redemption at par on specified anniversary date(s) of the relevant issue date. A holder wishing to exercise such right is obliged to give such notice thereof to the Issuer as provided in the Final Terms. If such right is not exercised a step-up on the relevant interest rate will apply which will vary from issue to issue

Credit Linked Notes

Credit Linked Notes differ from ordinary debt securities in that the amount of principal and/or interest payable by the relevant Issuer is dependent on whether any Credit Event(s) have occurred and that payments upon redemption (whether at maturity or earlier) may be linked to the value of the Reference Obligation(s) including, if applicable, the value of any related underlying hedging arrangements (which may include interest rate or cross-currency swaps) and that this may be less than the full amount of investors' initial investment and result in investors not receiving repayment of all or any of their initial investment in Credit Linked Notes.

The likelihood of a Credit Event occurring with respect to a Reference Entity, will generally fluctuate with, among other things, the financial condition of the Reference Entity, the general economic conditions, the

condition of certain financial markets, political events, developments or trends in any particular industry and changes in prevailing interest or foreign exchange rates. The historical experience of obligors and assets comparable to a Reference Entity is not necessarily indicative of the risk of Credit Events occurring with respect to any Reference Entity.

Corporate actions of any Reference Entities (for example, merger or demerger) or the repayment or transfer of indebtedness of the Reference Entities may adversely affect the value of the Notes. Factual situations may arise in which the views of market participants and/or legal counsel may differ as to how the contractual terms of market standard credit default swaps, and corresponding provisions of the Notes, should be interpreted, or in which such contractual terms and such provisions may operate in a manner contrary to the expectations of market participants and/or adversely to the interests of holders of the Notes.

The Issuer will have discretion in determining when and whether to trigger redemption of the Notes on the basis of a Credit Event. It will exercise such discretion in the interests of itself and its affiliates, and not in the interests of investors. Information relating to Credit Events may be derived from private and public sources which may or may not be accessible to all Noteholders.

The Issuer will have discretion in selecting the Deliverable Obligations following the occurrence of a Credit Event, subject to, amongst other things, compliance with the applicable Deliverable Obligation Category and Deliverable Obligation Characteristics. In exercising such discretion, it will select for such purpose eligible obligations having the lowest possible market value, resulting in an increased loss for holders of the Notes.

In certain circumstances – for example where a potential Credit Event occurs and has not been cured as at the scheduled maturity of the Notes, the maturity of the Notes will be extended without compensation to the investors. The period of such deferral may be significant.

When buying First-to-Default Credit Linked Notes, the more diversified the portfolio of Reference Entities, the more likely that a Credit Event will occur to one of the Reference Entities, increasing the risk to the investor (i.e. the more Reference Entities there are, and the less they are correlated, the more the risk profile of the portfolio increases).

None of the Issuers, the Guarantor, the Arranger or any of their respective affiliates makes in respect of Credit Linked Notes any representation as to the credit quality of any Reference Entity. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to a Reference Entity, its respective affiliates or any guarantors, that is or may be material in the context of Credit Linked Notes. The issue of Credit Linked Notes will not create any obligation on the part of any such persons to disclose to the Noteholders or any other party such information (whether or not confidential).

Each of the Issuers, the Guarantor, the Arranger or their respective affiliates may deal with and engage generally in any kind of commercial or investment banking or other business with any Reference Entity, its respective affiliates or any guarantor or any other person or entity having obligations relating to any Reference Entity or its respective affiliates or any guarantor in the same manner as if any Credit Linked Notes issued under the Programme did not exist, regardless of whether any such action might have an adverse effect on a Reference Entity, any of its respective affiliates or any guarantor.

Additional Risk Factors for Credit Linked Notes

The Issuers may issue Notes where the amount of principal and/or interest payable are dependent upon whether certain default events (**Credit Events**) have occurred in respect of one or more Reference Entities and, if so, on the value of certain specified assets of such Reference Entity/Entities or where, if such events have occurred, on redemption the relevant Issuer's obligation is to deliver certain specified assets.

Prospective investors in any such Notes should be aware that depending on the terms of the Credit Linked Notes (CLNs) (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest or delivery of any specified assets may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment.

The market price of such Notes may be volatile and will be affected by, amongst other things, the time remaining to the redemption date and the creditworthiness of the Reference Entity which in turn may be affected by the economic, financial and political events in one or more jurisdictions.

Where the Notes provide for physical delivery, the relevant Issuer may determine that the specified assets to be delivered are either (a) assets which for any reason (including, without limitation, failure of the relevant clearance system or due to any law, regulation, court order or market conditions or the non-receipt of any requisite consents with respect to the delivery of assets which are loans) it is impossible or illegal to deliver on the specified settlement date or (b) assets which the relevant Issuer and/or any affiliate has not received under the terms of any transaction entered into by the relevant Issuer and/or such affiliate to hedge the relevant Issuer's obligations in respect of the Notes. Any such determination may delay settlement in respect of the Notes and/or cause the obligation to deliver such specified assets to be replaced by an obligation to pay a cash amount which, in either case, may affect the value of the Notes and, in the case of payment of a cash amount, will affect the timing of the valuation of such Notes and as a result, the amount of principal payable on redemption. Prospective Investors should review the Terms and Conditions of the Notes and the applicable Final Terms to ascertain whether and how such provisions should apply to the Notes.

The relevant Issuer's obligations in respect of CLNs are irrespective of the existence or amount of the relevant Issuer's and/or any affiliates' credit exposure to a Reference Entity, and the Issuer and/or any affiliate need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event.

Noteholders are exposed to credit risk on Reference Entities

The holders of CLNs will be exposed to the credit of one or more Reference Entities, which exposure shall be, unless otherwise stated in the applicable Final Terms, to the full extent of their investment in such Notes. Upon the occurrence of any specified Credit Event with respect to any Reference Entity, the Noteholders may suffer significant losses at a time when losses may be suffered by a direct investor in obligations of such Reference Entity. However, the holding of a Note is unlikely to lead to outcomes which exactly reflect the impact of investing in an obligation of a Reference Entity, and losses could be considerably greater than would be suffered by a direct investor in the obligations of a Reference Entity and/or could arise for reasons unrelated to such Reference Entity. Noteholders should also note that a Credit Event may occur even if the obligations of a Reference Entity are unenforceable or their performance is prohibited by any applicable law or exchange controls.

Where cash settlement or auction settlement applies, the occurrence of a Credit Event in relation to any Reference Entity from time to time may result in a redemption of the Notes in a reduced principal amount or at zero, and, (if applicable) in a reduction of the amount on which interest is calculated. Where physical settlement applies, the occurrence of a Credit Event may result in the redemption of the Notes based on the valuation (or by delivery) of certain direct or indirect obligations of the affected Reference Entity, which obligations are likely to have a market value which is substantially less than their par amount.

Investors in the Notes are accordingly exposed, as to both principal and (if applicable) interest, to the credit risk of the Reference Entity. The maximum loss to an investor in the Notes is 100 per cent. of their initial principal investment, together with (if applicable) any interest amounts.

A Credit Event may occur prior to the Trade Date

Holders of the Notes may suffer a loss of some or all of the principal amount of the Notes in respect of one or more Credit Events that may be determined to have occurred prior to the Trade Date or the Issue Date. Neither the Calculation Agent or the Issuer nor any of their respective affiliates has any responsibility to inform any Noteholder, or avoid or mitigate the effects of a Credit Event that has taken place prior to the Trade Date or the Issue Date.

Increased credit risk is associated with "Nth-to-default" credit-linked Notes

Where the Notes are Nth-to-Default CLNs, the Notes will be subject to redemption in full as described above upon the occurrence of a Credit Event in relation to the nth Reference Entity. The credit risk to Noteholders may therefore be increased as a result of the concentration of Reference Entities in a particular industry sector or geographic area or the exposure of the Reference Entities to similar financial or other risks.

Credit risk may be increased where Reference Entities are concentrated in a particular sector or region

Where the Notes are Nth-to-Default CLNs or Linear Basket CLNs, the credit risk to investors in the Notes may be increased, amongst other things, as a result of the concentration of Reference Entities in a particular industry sector or geographic area, or the exposure of the Reference Entities to similar financial or other risks as other Reference Entities.

Issuer and Calculation Agent will act in their own interests

The Issuer will exercise its rights under the terms of the Notes, including in particular the right to designate a Credit Event and the right to select obligations of the affected Reference Entity for valuation or delivery, in its own interests and those of its affiliates, and not in the interests of investors in the Notes. The exercise of such rights in such manner, for example by the selection of the eligible obligations of the Reference Entity having the lowest possible market value for valuation or delivery, as applicable, may result in an increased credit loss for holders of the Notes.

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent shall (in the absence of manifest error) be final and binding on the Noteholders. In performing its duties pursuant to the Notes and making any determinations expressed to be made by it, for example, as to substitute Reference Obligations or Successors, the Calculation Agent shall act in its sole and absolute discretion and is under no obligation to act in the interests of the Noteholders, nor will it be liable to account for any profit or other benefit which may accrue to it as a result of such determinations. The Calculation Agent is not bound to follow, or act in accordance with, any determination of the relevant Credit Derivatives Determinations Committee.

The Hedge Amount will be determined by the Calculation Agent and may result in significant losses for Noteholders

The Hedge Amount may comprise costs, expenses (including loss of funding), tax, and duties incurred by the Issuer in connection with the redemption of the Credit Linked Notes and/or the termination, settlement or re-establishment of any Hedge Transaction, and may be substantial. In particular, the Hedge Amount may reflect any increased cost of funding of the Issuer or its Affiliates – such costs may result in a material reduction in amounts payable to investors, in particular where the credit risk of the Issuer is correlated to the credit risk of the Reference Entity or Reference Entities.

Actions of Reference Entities may affect the value of the Notes

Actions of Reference Entities (for example, merger or demerger or the repayment or transfer of indebtedness) may adversely affect the value of the Notes. Holders of the Notes should be aware that the Reference Entities to which the value of the Notes is exposed, and the terms of such exposure, may change over the terms of the Notes.

Payments in the Notes may be deferred or suspended

In certain circumstances, for example where (i) a Credit Event has occurred and the related credit loss has not been determined as at the relevant date for payment, (ii) where a potential Credit Event exists as at the scheduled maturity of the Notes, or (iii) pending a resolution of a Credit Derivatives Determinations Committee, payment of the redemption amount of the Notes and/or interest on the Notes may be deferred for a material period in whole or part without compensation to the holders of the Notes and interest will cease to accrue on the earlier of (a) the period from (but excluding) the originally scheduled Maturity Date, and (b) following satisfaction of the Conditions to Settlement, either (x) the Interest Payment Date immediately preceding the Event Determination Date, or (y) as may be specified in the Final Terms. In no event shall interest accrue on any period commencing after the Scheduled Maturity Date.

Suspension of Obligations will suspend payment of principal and interest

If the Calculation Agent determines that, under the terms of the Notes, the obligations of the parties would be suspended pending a resolution of a CDDC all of the obligations of the Issuer under each CLN (including any obligation to deliver any notices, pay any interest, principal or settlement amount or to make any delivery) shall, be and remain suspended until ISDA publicly announces that the relevant CDDC has resolved the matter in question or not to determine such matters. The Calculation Agent will provide notice of such suspension as soon as reasonably practicable; however, any failure or delay by the Calculation Agent in providing such notice will not affect the validity or effect of such suspension. No interest shall accrue on any payments which are suspended in accordance with the above.

Use of Auction Settlement may adversely affect returns to Noteholders

Where the Notes are redeemed following the occurrence of a Credit Event by reference to an auction sponsored by ISDA, the Issuer or its affiliates may act as a participating bidder in any such auction and, in such capacity, may take certain actions which may influence the Auction Final Price including (without limitation) submitting bids, offers and physical settlement requests with respect to the obligations of the Reference Entity. If the Issuer or its affiliates participate in an Auction, then they will do so without regard to the interests of Noteholders, and such participation may have a material adverse effect on the outcome of the relevant Auction and/or on the CLNs. Noteholders will have no right to submit bids and/or offers in relation to any CLN for the purposes of any Auction.

The Auction Final Price determined pursuant to an auction may be less than the market value that would otherwise have been determined in respect of the specified Reference Entity or its obligations. In particular,

the Auction process may be affected by technical factors or operational errors which would not otherwise apply or may be the subject of actual or attempted manipulation. Auctions may be conducted by ISDA or by a relevant third party. Neither the Calculation Agent, the Issuer nor any of their respective affiliates has any responsibility for verifying that any auction price is reflective of current market values, for establishing any auction methodology or for verifying that any auction has been conducted in accordance with its rules. The Issuer will have no responsibility to dispute any determination of an Auction Final Price or to verify that any Auction has been conducted in accordance with its rules.

Following a Restructuring Credit Event in relation to which ISDA sponsors multiple concurrent auctions, but where there is no auction relating to credit derivative transactions with a maturity of the Notes, if the Calculation Agent exercises the right of the buyer of credit risk protection under the Notes to elect that the Auction Final Price is determined by reference to an alternative Auction, the Auction Final Price so determined may be lower than the amount which would have been determined based on quotations sought from third party dealers

Use of Cash Settlement may adversely affect returns to Noteholders

If the Notes are cash settled, then, following the occurrence of a Credit Event, the Calculation Agent will be required to seek quotations in respect of selected obligations of the affected Reference Entity. Quotations obtained will be "bid-side" - that is, they will be reduced to take account of a bid-offer spread charged by the relevant dealer. Such quotations may not be available, or the level of such quotations may be substantially reduced as a result of illiquidity in the relevant markets or as a result of factors other than the credit risk of the affected Reference Entity (for example, liquidity constraints affecting market dealers). Accordingly, any quotations so obtained may be significantly lower than the value of the relevant obligation which would be determined by reference to (for example) the present value of related cash flows. Quotations will be deemed to be zero in the event that no such quotations are available.

"Cheapest-to-Deliver" risk

Since the Issuer, as buyer of protection, has discretion to choose the portfolio of obligations to be valued or delivered following a Credit Event in respect of a Reference Entity where Cash or Physical Settlement apply, it is likely that the portfolio of obligations selected will be obligations of the Reference Entity with the lowest anticipated market value that are permitted to be selected pursuant to the Notes. This could result in a lower recovery value and hence greater losses for investors in the Notes.

The Issuer and Calculation Agent are not obliged to disclose Information on Reference Entities

The Issuer and the Calculation Agent are not obliged to disclose to holders of the Notes any information which they may have at the Issue Date or receive thereafter in relation to any Reference Entity.

Risks may be compounded

Various risks relating to the Notes may be correlated or compounded and such correlation and/or compounding may result in increased volatility in the value of the Notes and/or in increased losses for holders of the Notes.

The Issuer is not obliged to suffer any loss as a result of a Credit Event

Where the Notes are Single Reference Entity CLNs, Nth-to-Default CLNs or Linear Basket CLNs, credit losses will be calculated for the purposes of the Notes irrespective of whether the Issuer or its affiliates has suffered an actual loss in relation to the Reference Entity or any obligations thereof. The Issuer is not obliged to account for any recovery which it may subsequently make in relation to such Reference Entity or its obligations.

The Notes do not represent an interest in obligations of Reference Entities

The Notes do not constitute an acquisition by the holders of the Notes of any interest in any obligation of a Reference Entity, and the Noteholders will not have any voting or other rights in relation to such obligation. The Issuer does not grant any security interest over any such obligation.

The value of the Notes may be adversely affected by illiquidity or cessation of indices

In determining the value of the Notes, dealers may take into account the level of a related credit index in addition to or as an alternative to other sources of pricing data. If any relevant index ceases to be liquid, or ceases to be published in its entirety, then the value of the Notes may be adversely affected.

Historical performance may not predict future performance

Individual Reference Entities may not perform as indicated by the historical performance of similar entities and no assurance can be given with respect to the future performance of any Reference Entities. Historical default statistics may not capture events that would constitute Credit Events for the purposes of the Notes.

Limited provision of information about the Reference Entities

Investors should conduct their own investigation and analysis with respect to the creditworthiness of Reference Entities and the likelihood of the occurrence of a Succession Event or Credit Event.

Reference Entities may not be subject to regular reporting requirements under United Kingdom securities laws. The Reference Entities may report information in accordance with different disclosure and accounting standards. Consequently, the information available for such Reference Entities may be different from, and in some cases less than, the information available for entities that are subject to the reporting requirements under the United Kingdom securities laws. None of the Issuer or the Calculation Agent or any of their respective affiliates make any representation as to the accuracy or completeness of any information available with respect to the Reference Entities.

None of the Issuer or the Calculation Agent or any of their respective affiliates will have any obligation to keep investors informed as to any matters with respect to the Reference Entities or any of their obligations, including whether or not circumstances exist that give rise to the possibility of the occurrence of a Credit Event or a Succession Event with respect to the Reference Entities.

Cash settlement (whether by reference to an auction or a dealer poll) may be less advantageous than physical delivery of assets

Payments on the CLNs following the occurrence of an Event Determination Date may be in cash and will reflect the value of relevant obligations of the affected Reference Entity at a given date. Such payments may be less than the recovery which would ultimately be realised by a holder of debt obligations of the affected Reference Entity, whether by means of enforcement of rights following a default or receipt of distributions following an insolvency or otherwise.

Conflicts of Interest - CDDCs

The Issuer or any of its affiliates may act as a member of a CDDC. In such case, the interests of the Issuer or its affiliates may be opposed to the interests of Noteholders and they will be entitled to and will act without regard to the interests of Noteholders.

Rights associated with Credit Derivatives Determinations Committees

The institutions which are members of each Credit Derivatives Determinations Committee owe no duty to the Noteholders and have the ability to make determinations that may materially affect the Noteholders, such as the occurrence of a Credit Event or a Succession Event. A Credit Derivatives Determinations Committee may be able to make determinations without action or knowledge of the Noteholders.

Noteholders may have no role in the composition of any Credit Derivatives Determinations Committee. Separate criteria apply with respect to the selection of dealer and non-dealer institutions to serve on a Credit Derivatives Determinations Committee and the Noteholders may have no role in establishing such criteria. In addition, the composition of a Credit Derivatives Determinations Committee will change from time to time in accordance with the Rules, as the term of an institution may expire or an institution may be required to be replaced. The Noteholders may have no control over the process for selecting institutions to participate on a Credit Derivatives Determinations Committee and, to the extent provided for in the Notes, will be subject to the determinations made by such selected institutions in accordance with the Rules.

Noteholders may have no recourse against either the institutions serving on a Credit Derivatives Determinations Committee or the external reviewers. Institutions serving on a Credit Derivatives Determinations Committee and the external reviewers, among others, disclaim any duty of care or liability arising in connection with the performance of duties or the provision of advice under the Rules, except in the case of gross negligence, fraud or wilful misconduct. Furthermore, the institutions on the Credit Derivatives Determinations Committee do not owe any duty to the Noteholders and the Noteholders will be prevented from pursuing claims with respect to actions taken by such institutions under the Rules.

Noteholders should also be aware that institutions serving on a Credit Derivatives Determinations Committee have no duty to research or verify the veracity of information on which a specific determination is based. In addition, a Credit Derivatives Determinations Committee is not obligated to follow previous determinations and, therefore, could reach a conflicting determination on a similar set of facts. If the Issuer or the Calculation Agent or any of their respective affiliates serve as a member of a Credit Derivatives Determinations Committee at any time, then they will act without regard to the interests of the Noteholders.

Noteholders are responsible for obtaining information relating to deliberations of a Credit Derivatives Determinations Committee. Notices of questions referred to the Credit Derivatives Determinations Committee, meetings held to deliberate such questions and the results of binding votes will be published on the ISDA website and neither the Issuer, the Calculation Agent nor any of their respective affiliates shall be obliged to inform the Noteholders of such information (other than as expressly provided in respect of the Notes). Failure by the Noteholders to be aware of information relating to deliberations of a Credit Derivatives Determinations Committee will have no effect under the Notes and Noteholders are solely responsible for obtaining any such information.

Investors should read the Credit Derivatives Determinations Committees Rules set forth in Annex A to the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement to the 2003 ISDA Credit Derivatives Definitions (published on July 14, 2009) (<http://www.isda.org/credit/revisedcrules.html>), as they exist as of the date of this Prospectus, and reach their own views prior to making any investment decisions. Investors should however note that the Rules may be amended from time to time without the consent or input of the Noteholders and the powers of the Credit Derivatives Determinations Committee may be expanded or modified as a result.

"Restructuring Maturity Limitation and Fully Transferable Obligation" and "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation" – Issuer may elect settlement terms

In respect of a Reference Entity for which Restructuring is applicable and either "Restructuring Maturity Limitation and Fully Transferable Obligation" or "Modified Restructuring Maturity Limitation and

Conditionally Transferable Obligation" is specified as applicable (such Restructuring Credit Event, a "Mod/ModMod R Restructuring"), upon the occurrence of such Mod/ModMod R Restructuring Credit Event, and prior to 65 Business Days following the Final List Publication Date, the Issuer will determine whether the Transaction Auction Settlement Terms or any Parallel Auction Settlement are applicable to the Notes. In the event that one or more of the Transaction Auction Settlement Terms and Parallel Auction Settlement Terms is applicable to the Notes, the Issuer may elect such settlement terms as applicable by giving an Auction Settlement Amount Notice to the Calculation Agent. In making such determination and such selection, the Issuer will act in its own interests and those of its affiliates, and not in the interests of the investors.

The Auction Final Price or Weighted Average Final Price may be based on one or more obligations of the Reference Entity having a final maturity date different from that of the Restructured Bond or Loan or any specified Reference Obligation– which may affect the Auction Settlement Amount determined in respect of the Notes.

Non-delivery of Deliverable Obligations and Hedge Disruption Event – will not constitute an Event of Default

Where Physical Settlement is the applicable Settlement Method, if as a result of a Hedge Disruption Event, the Issuer and/or any of its affiliates have not received the Deliverable Obligations and/or cash under the terms of a Hedge Transaction, such event will not constitute an Event of Default for the purposes of the Notes. In such circumstances settlement of the Notes, may be substantially delayed and/or may be in cash (in whole or in part).

Calculation Agent may modify terms of the Notes

The Calculation Agent may, following its determination that there has been a change in the prevailing market standard terms or market trading conventions (including, but not limited to changes that affect any CDS hedging transaction), modify the terms of the Notes. If the Calculation Agent modifies the terms of the Notes, it will do so without regard to the interests of the holders of the Notes and any such modification may be prejudicial to the interests of the holder of the Notes.

Commodity Linked Notes

Commodity Linked Notes differ from ordinary debt securities in that the amount of principal and/or interest payable by the relevant Issuer upon redemption (whether at maturity or earlier) will be linked to the market value of the Commodity at such time and may be less than the full amount of investors' initial investment and result in investors not receiving repayment of all or any of their initial investment in Commodity Linked Notes.

Equity Linked Notes and GDR/ADR Linked Notes

Equity Linked Notes and GDR/ADR Linked Notes differ from ordinary debt securities in that the amount of principal and/or interest payable by the relevant Issuer upon redemption (whether at maturity or earlier) will be linked to the market value of the underlying security(ies) at such time and may be less than the full amount of investors' initial investment and result in investors not receiving repayment of all or any of their initial investment in Equity Linked Notes and/or GDR/ADR Linked Notes.

Index Linked Notes and Dual Currency Notes

The relevant Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a **Relevant Factor**). In addition, the relevant Issuer may issue Notes with principal or

interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in the light of its particular circumstances.

Index Linked Notes are not in any way sponsored, endorsed, sold or promoted by the sponsor of the relevant Index(ices) (the **Sponsor**) and the Sponsor(s) make(s) no warranty or representation whatsoever, express or implied, either as to the results to be obtained from the use of the Index(ices) and/or the figure at which the Index(ices) stands at any particular time on any particular day or otherwise. The Sponsor(s) shall not be liable (whether in negligence or otherwise) to any person for any error in the Index(ices) and the Sponsor(s) shall not be under any obligation to advise any person of an error therein.

Fund Linked Notes

Each Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon the price or changes in the price of units or shares in a fund or funds or, depending on the price or changes in the price of units or shares in such fund or funds, the relevant Issuer's obligation on redemption is to deliver a specified amount of Fund Shares. Accordingly an investment in Fund Linked Notes may bear similar market risks to a direct fund investment and potential investors should take advice accordingly.

Prospective investors in any such Notes should be aware that depending on the terms of the Fund Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest or delivery of any specified Fund Shares may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment. In addition, the movements in the price of units, shares or interests in the fund or funds may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant price of the units or shares in the fund or funds may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the price or prices of the units, shares or interests in the fund or funds, the greater the effect on yield.

If the amount of principal and/or interest payable are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the price of the units or shares of the fund or funds on principal or interest payable will be magnified.

The market price of such Notes may be volatile and may depend on the time remaining to the redemption date and the volatility of the price of units or shares in the fund or funds. The price of units or shares in a fund may be affected by the economic, financial and political events in one or more jurisdictions, including factors affecting the exchange(s) or quotation system(s) on which any units in the fund or funds may be traded. In addition, the price of units or shares in a fund may be affected by the performance of the fund service providers, and in particular the investment adviser.

Prospective investors should review carefully the prospectus, information memorandum and/or offering circular (if any) issued by any relevant fund before purchasing any Notes. None of the Issuer, the Guarantor (if applicable), any affiliate of the Issuer or Guarantor (if applicable) or the Calculation Agent make any representation as to the creditworthiness of any relevant fund or any such fund's administrative, custodian, investment manager or adviser.

Partly-paid Notes

The relevant Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the relevant Issuer has the right to effect such a conversion, this rate will affect the secondary market and the market value of the Notes since the relevant Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the relevant Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the relevant Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Structured Notes

An investment in Notes, the premium and/or the interest on or principal of which is determined by reference to one or more values of currencies, commodities, interest rates or other indices or formulae, either directly or inversely, may entail significant risks not associated with similar investments in a conventional debt security, including the risks that the resulting interest rate will be less than that payable on a conventional debt security at the same time and/or that an investor may lose the value of its entire investment or part of it, as the case may be. Neither the current nor the historical value of the relevant currencies, commodities, interest rates or other indices or formulae should be taken as an indication of future performance of such currencies, commodities, interest rates or other indices or formulae during the term of any Notes.

The prices at which Zero Coupon Notes, as well as other Notes issued at a substantial discount from their principal amount payable at maturity, trade in the secondary market tend to fluctuate more in relation to general changes in interest rates than do the prices for conventional interest-bearing securities of comparable maturities.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

French Insolvency Law

Under French insolvency law as amended in particular by law n°2010-1249 dated 22 October 2010, holders of debt securities are automatically grouped into a single assembly of holders (the **Assembly**) in order to defend their common interests if a preservation (*procédure de sauvegarde*), an accelerated financial preservation procedure (*procédure de sauvegarde financière accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (such as a euro medium term notes programme) and regardless of their governing law.

The Assembly deliberates on the proposed safeguard plan (*projet de plan de sauvegarde*), draft accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing-off receivables in the form of debt securities;

- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give rights to share capital.

Decisions of the Assembly will be taken by a two-thirds majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required to convene the Assembly.

For the avoidance of doubt, the provisions relating to the Meetings of the Noteholders described in the Terms and Conditions of the Notes set out in this Base Prospectus and the Agency Agreement will not be applicable to the extent they are not in compliance with mandatory insolvency law provisions that apply in these circumstances.

Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties (including potential taxes or other documentary charges or duties imposed in connection with a transfer of the Notes or a settlement thereof by way of physical delivery of certain securities) in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Notes. Potential investors cannot rely upon the tax summary contained in this Base Prospectus and/or in the Final Terms but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

Gross-up

The Notes will not have the benefit of a gross-up provision in respect of withholding tax unless specifically provided in the applicable Final Terms. Where a gross-up does not apply, investors will take the risk of any applicable withholding tax.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the **Savings Directive**), Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within their jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependant upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The rate of this withholding tax is currently 35 per cent.

The European Commission has proposed certain amendments to the Savings Directive which may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any

Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

U.S. Foreign Account Tax Compliance Withholding

The Issuer and other financial institutions through which payments on the Notes are made may be required to withhold U.S. tax at a rate of 30 per cent. on all, or a portion of, payments made after 31 December 2016 in respect of (i) any Notes treated as debt for U.S. federal tax purposes that are issued after 31 December 2012 or are materially modified from that date and (ii) any Notes treated as equity for U.S. federal tax purposes, whenever issued, pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (**FATCA**) or similar law implementing an intergovernmental approach to FATCA. This withholding tax may be triggered if (i) the Issuer is a foreign financial institution (**FFI**) (as defined in FATCA) that enters into and complies with an agreement with the U.S. Internal Revenue Service (**IRS**) to provide certain information on its account holders (making the Issuer a **Participating FFI**), (ii) the Issuer has a positive "passthru percentage" (as defined in FATCA), and (iii)(a) an investor does not provide information sufficient for the relevant Participating FFI to determine whether the investor is a U.S. person or should otherwise be treated as holding a "United States Account" of such Participating FFI, or (b) any FFI that is an investor, or through which payment on such Notes is made, is not a Participating FFI.

The application of FATCA to interest, principal or other amounts paid with respect to the Notes is not clear. If an amount in respect of U.S. withholding tax were to be deducted or withheld from interest, principal or other payments on the Notes, neither the Issuer nor any paying agent nor any other person would, pursuant to the conditions of the Notes, be required to pay additional amounts as a result of the deduction or withholding of such tax. As a result, investors may, if FATCA is implemented as currently proposed by the IRS, receive less interest or principal than expected. Holders of Notes should consult their own tax advisers on how these rules may apply to payments they receive under the Notes.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on proposed regulations and official guidance that is subject to change. The application of FATCA to Notes issued after 31 December 2012 (or whenever issued, in the case of Notes treated as equity for U.S. federal tax purposes) may be addressed in the relevant Final Terms or a Supplement to the Base Prospectus, as applicable.

Legislation Affecting Dividend Equivalent Payments

The United States Hiring Incentives to Restore Employment Act (the **Act**) treats a "dividend equivalent" payment as a dividend from sources within the United States. Under the Act, unless reduced by an applicable tax treaty with the United States, such payments generally would be subject to U.S. withholding tax. A "dividend equivalent" payment is (i) a substitute dividend payment made pursuant to a securities lending or a sale-repurchase transaction that (directly or indirectly) is contingent upon, or determined by reference to, the payment of a dividend from sources within the United States, (ii) a payment made pursuant to a "specified notional principal contract" that (directly or indirectly) is contingent upon, or determined by reference to, the payment of a dividend from sources within the United States, and (iii) any other payment determined by the IRS to be substantially similar to a payment described in the preceding clauses (i) and (ii). Beginning January 1, 2013, a dividend equivalent payment includes a payment made pursuant to any notional principal contract that falls into one of the seven categories specified by the IRS unless otherwise exempted by the IRS. Where the securities reference an interest in a fixed basket of securities or an index, such fixed basket or index will be treated as a single security. Where the securities reference an interest in a basket of securities or an index that may provide for the payment of dividends from sources within the United States, absent final guidance from the IRS, it is uncertain whether the IRS would determine that payments under the securities are substantially similar to a dividend. If the IRS determines that a payment is substantially similar to a dividend, it may be subject to U.S. withholding tax, unless reduced by an applicable tax treaty. If

withholding is so required, neither the Issuer nor any other person would be required to pay any additional amounts with respect to amounts so withheld.

Change of law

The conditions of the Notes are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Base Prospectus.

Notes where denominations involve integral multiples: Definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a Definitive Note in respect of such holding (should Definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If Definitive Notes are issued, holders should be aware that Definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks relating to Securities denominated in CNY

Where the Notes are denominated in CNY, prospective investors in the Notes should be aware that CNY is not freely convertible at present. The government of the People's Republic of China (the **PRC**) continues to regulate conversion between CNY and foreign currencies despite the significant reduction over the years by the PRC government of control over routine foreign exchange transactions under current accounts. As a result of the restrictions by the PRC government on cross-border CNY fund flows, the availability of CNY outside the PRC is limited.

As a part of its relaxation of control over foreign exchange transactions under current accounts, the PRC government introduced a pilot scheme in July 2009 whereby participating banks in the Hong Kong Special Administrative Region of the PRC are permitted to engage in the settlement of CNY trade transactions, which represents a current account activity. The pilot scheme was extended in July 2010 to cover 20 provinces and cities in the PRC and further extended in August 2011 to cover the whole nation.

The People's Bank of China (the **PBOC**) issued in October 2011 the Renminbi Foreign Direct Investment Settlement Rules (the **Renminbi Rules**) in order to expand cross-border use of CNY in trade and investment. Under the Renminbi Rules, in relation to CNY settled foreign direct investment, special approval from the PBOC, which was previously required, is no longer necessary.

There is no assurance that the PRC government will continue to gradually liberalise the control over cross-border CNY remittances in the future or that new PRC regulations will not be promulgated in the future which have the effect of restricting the remittance of CNY into or outside the PRC.

The current size of CNY-denominated financial assets outside the PRC is limited. Although it is expected that the offshore CNY market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. The limited availability of CNY outside the PRC may affect the liquidity of the Notes. To the extent the Issuer is required to source CNY in the offshore market to service the Notes, there is no assurance that the Issuer will be able to source such CNY on satisfactory terms, if at all.

There can be no assurance that access to CNY funds for the purposes of making payments under the Notes or generally will remain available or will not become restricted. The value of CNY against foreign currencies fluctuates and is affected by changes in the PRC's and international political and economic conditions and by many other factors. As a result, foreign exchange fluctuations between an investor's home currency and CNY may affect investors who intend to convert gains or losses from the sale or redemption of the Notes into their home currency.

Where the Notes are denominated in CNY, all payments to investors in respect of the Notes will be made solely by transfer to a CNY bank account maintained in the CNY Settlement Centre (for this purpose, excluding the PRC) in accordance with prevailing rules and procedures. The Issuer cannot be required to make payment by any other means (including in any other currency or by transfer to a bank account in the PRC unless otherwise specified in the applicable Final Terms).

The PRC government has gradually liberalised the regulation of interest rates in recent years. Further liberalisation may increase interest rate volatility. With respect to any Notes which carry a fixed interest rate, the value of such Notes will vary with the fluctuations in the CNY interest rates. If a Noteholder tries to sell such Notes before their maturity, he may receive an offer that is less than the amount he has invested.

The occurrence of a CNY Currency Event may lead to postponement of payments under the Notes, payment in an alternative currency or early redemption of the Notes.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Investors may not be able to sell Notes readily or at prices that will enable investors to realise their anticipated yield. No investor should purchase Notes unless the investor understands and is able to bear the risk that certain Notes will not be readily sellable, that the value of Notes will fluctuate over time and that such fluctuations will be significant.

Exchange rate risks and exchange controls

The relevant Issuer will pay principal and interest on the Notes and the Guarantor will make any payments under the Guarantee in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-

equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

In general, European regulated investors are restricted under Regulation (EC) No. 1060/2009 (as amended) (the **CRA Regulation**) from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). The list of registered and certified rating agencies published by ESMA on its website (www.esma.europa.eu) in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list. Certain information with respect to the credit rating agencies and ratings is set out in the 2011 Shelf-Registration Document incorporated by reference into this Base Prospectus and will be disclosed in the Final Terms.

Market Value of the Notes

The market value of the Notes will be affected by the creditworthiness of the Issuer and a number of additional factors, including the value of the reference assets or an index, including, but not limited to, the volatility of the reference assets or an index, or the dividend on the securities taken up in the index, market interest and yield rates and the time remaining to the maturity date.

The value of the Notes, the reference assets or the index depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes, the reference assets, the securities taken up in the index, or the index are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. The historical market prices of the reference assets or an index should not be taken as an indication of the reference assets' or an index's future performance during the term of any Note.

Legal investment considerations may restrict certain investments

Independent Review and Advice

In particular, each prospective purchaser of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes (i) is fully consistent with its (or if it is acquiring the Notes in a fiduciary capacity, the beneficiary's) financial needs, objectives and condition, (ii) complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it (whether acquiring the Notes as principal or in a fiduciary capacity) and (iii) is a fit, proper and suitable investment for it (or if it is acquiring the Notes in a fiduciary capacity, for the beneficiary), notwithstanding the clear and substantial risks inherent in investing in or holding the Notes. Potential investors should consult with their own tax, legal, accounting and/or financial advisors before considering investing in the Notes.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

No Reliance

A prospective purchaser may not rely on the Issuers, the Guarantor, the Arranger or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above. None of the Issuers, the Guarantor, the Arranger or any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective purchaser of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective purchaser with any law, regulation or regulatory policy applicable to it.

Restrictions on Transfer

Notwithstanding the lawfulness of any acquisition of the Notes, sales or transfers of Notes that would cause the Crédit Agricole CIB FP, Crédit Agricole CIB FG or Crédit Agricole CIB FS to be required to register as an "investment company" under the Investment Company Act will be prohibited and treated by the relevant Issuer or, as the case may be, the Registrar as void *ab initio* and will not be honoured by the relevant Issuer and the relevant Issuer will have the right at any time, at the expense and risk of the holder of the Notes held by or on behalf of a U.S. person who is not a qualified purchaser at the time it purchases such Notes, (i) to redeem such Notes, in whole or in part, to permit such Issuer to avoid registration under the Investment Company Act or (ii) to require such holder to sell such Notes to a QIB that is a QP in accordance with Rule 144A or to a non-U.S. person outside the United States in accordance with Regulation S. See "*Subscription and Sale*".

Disclaimers

Each type of structured Note will be issued subject to express disclaimers in respect of the risks involved in investing in such Notes. The text of such disclaimers will be set out in full in the applicable Final Terms.

GENERAL DESCRIPTION OF THE PROGRAMME

The programme is a € 50,000,000,000 Structured Euro Medium Term Note Programme under which any Issuer may from time to time issue Notes including, without limitation, Credit Linked Notes, Commodity Linked Notes, Equity Linked Notes, Fund Linked Notes, GDR/ADR Linked Notes and Index Linked Notes and other structured Notes in accordance with and subject to all applicable laws and regulations and denominated in any currency, subject as set out herein. The applicable terms of any Notes will be agreed between the relevant Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Final Terms attached to, or endorsed on, such Notes, as more fully described under "*Form of the Notes*" below.

FORM OF THE NOTES

Each Tranche of Notes will be in either bearer form, with or without interest coupons attached, or registered form, without interest coupons attached. Bearer Notes will be issued outside the United States in reliance on Regulation S under the Securities Act (**Regulation S**) and Registered Notes will be issued both outside the United States in reliance on the exemption from registration provided by Regulation S and within the United States in reliance on Rule 144A or Section 4(2) of the Securities Act.

Bearer Notes

Each Tranche of Notes will be in bearer form and will be initially issued in the form of a temporary global note (a **Temporary Bearer Global Note**) or, if so specified in the applicable Final Terms, a permanent global note (a **Permanent Global Note**) which, in either case, will:

- (i) if the Global Notes are intended to be issued in new global note (NGN) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**); and
- (ii) if the Global Notes are not intended to be issued in NGN Form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the **Common Depositary**) for, Euroclear and Clearstream, Luxembourg (in the case of Notes cleared through Euroclear and Clearstream, Luxembourg).

Whilst any Bearer Note is represented by a Temporary Bearer Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Bearer Global Note if the Temporary Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg).

On and after the date (the **Exchange Date**) which is 40 days after a Temporary Bearer Global Note is issued, interests in such Temporary Bearer Global Note will be exchangeable (free of charge) upon a request as described therein either for (i) interests in a Permanent Bearer Global Note of the same Series or (ii) if so provided in the applicable Final Terms, for definitive Bearer Notes (**Definitive Bearer Notes**) of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of Definitive Bearer Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given, provided that purchasers in the United States and certain U.S. persons will not be able to receive definitive Bearer Notes. The holder of a Temporary Bearer Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Bearer Global Note for an interest in a Permanent Bearer Global Note or for Definitive Bearer Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Bearer Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Bearer Global Note if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Bearer Global Note will be exchangeable (free of charge), in whole but not in part, for Definitive Bearer Notes with, where applicable, receipts, interest coupons and talons attached only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (i) an Event of Default (as defined in Condition 12) has occurred and is continuing, (ii) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg) have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (iii) the relevant Issuer has or will become subject to adverse tax consequences which are as a result of legislative changes in the domicile of the relevant Issuer and which would not be suffered were the Notes represented by Notes in definitive form. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 16 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) may give notice to the Principal Paying Agent (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg) requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the relevant Issuer may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

When appropriate, the following legend will appear on all Bearer Notes which have an original maturity of more than one year and on all receipts and interest coupons relating to such Bearer Notes:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Bearer Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Registered Notes

The Registered Notes of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a global note in registered form (a **Regulation S Global Note**). Beneficial interests in a Regulation S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in Condition 1.3 and may not be held otherwise than through Euroclear or Clearstream, Luxembourg and such Regulation S Global Note will bear a legend regarding such restrictions on transfer.

The Registered Notes of each Tranche issued by Crédit Agricole CIB may only be offered and sold in the United States or to, or for the account or benefit of, U.S. persons in private transactions to "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act (**QIBs**) or institutional "accredited investors" as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act (**IAIs**). The Registered Notes of each Tranche issued by Crédit Agricole CIB FP, Crédit Agricole CIB FG or Crédit Agricole CIB FS may only be offered and sold in the United States or to, or for the account or benefit of, U.S. persons in private transactions to QIBs or IAIs who, in each case, are also "qualified purchasers" as defined in Section 2(a)(51) of the Investment Company Act and the rules thereunder (**QPs**). The Registered Notes of each Tranche sold to QIBs or QIBs who are also QPs, as applicable, will be represented by a global

note in registered form (a **Rule 144A Global Note** and, together with a Regulation S Global Note, the **Registered Global Notes**).

The Registered Notes of each Tranche sold to IAIs will be represented by Registered Notes in definitive form, registered in the name of the holder thereof (**Definitive Registered Notes**) only. Unless otherwise set forth in the applicable Prospectus or Final Terms, Definitive Registered Notes will be issued only in minimum denominations of U.S.\$500,000 and integral multiples of U.S.\$1,000 in excess thereof (or the approximate equivalents in the applicable Specified Currency). Definitive Registered Notes will be subject to the restrictions on transfer set forth therein and will bear the restrictive legend described under "Subscription and Sale". Transfers of Definitive Registered Notes will be subject to receipt by the Registrar of a duly executed Investment Letter from the transferee. Transferees acquiring the Notes in a transaction exempt from Securities Act registration pursuant to Regulation S may take delivery of such Notes as an interest in a Regulation S Global Note (if available).

Registered Global Notes will either (i) be deposited with a custodian (the **Custodian**) for, and registered in the name of a nominee of, the Depository Trust Company (**DTC**) and in the case of a Regulation S Global Note, for the accounts of Euroclear and Clearstream, Luxembourg (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg) or (ii) be deposited with a common depository, or common safekeeper, as the case may be for Euroclear and Clearstream, Luxembourg, and registered in the name of a common nominee of, Euroclear and Clearstream, Luxembourg or in the name of a nominee of the common safekeeper, as specified in the applicable Final Terms. Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of Definitive Notes in fully registered form.

The Rule 144A Global Notes and the Definitive Registered Notes will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 6.4) as the registered holder of the Registered Global Notes. None of the Issuers, the Guarantor, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form, including, for the avoidance of doubt, Definitive Registered Notes, will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 6.4) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Registered Notes without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (a) an Event of Default (as defined in Condition 12) has occurred and is continuing, (b) in the case of Notes registered in the name of a nominee for DTC, either DTC has notified the relevant Issuer that it is unwilling or unable to continue to act as depository for the Notes and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act, (c) in the case of Notes registered in the name of a nominee for a common depository for Euroclear and Clearstream, Luxembourg (in the case of Notes cleared through Euroclear and/or Clearstream, Luxembourg), the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (d) the relevant Issuer has or will become subject to adverse tax consequences which would not be suffered were

In the event of the occurrence of an Exchange Event, DTC, Euroclear and/or Clearstream, Luxembourg may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (d) above, the relevant Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

Transfer of Interests

Interests in a Registered Global Note may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Note or in the form of a Definitive Registered Note (if available) and Definitive Registered Notes may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such Notes in the form of an interest in a Registered Global Note (if available). No beneficial owner of an interest in a Registered Global Note will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and Clearstream, Luxembourg, in each case to the extent applicable. **Registered Notes are also subject to the restrictions on transfer set forth therein and will bear a legend regarding such restrictions, see "Subscription and Sale".**

General

Pursuant to the Agency Agreement (as defined under "*Terms and Conditions of the Notes*"), the Principal Paying Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN and, where applicable, a CUSIP and CINS number which are different from the common code and ISIN, CUSIP and CINS assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error or proven error) shall be treated by the Issuers, the Guarantor and their agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or the registered holder of the relevant Registered Global Note shall be treated by the Issuers, the Guarantor and their agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

So long as DTC or its nominee is the registered owner or holder of a Registered Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Registered Global Note for all purposes under the Agency Agreement and such Notes except to the extent that in accordance with DTC's published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

Any reference herein to DTC and/or Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

A Note may be accelerated by the holder thereof in certain circumstances described in Condition 12. In such circumstances, where any Note is still represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then the Global Note will become void at 8.00 p.m. (Paris time) on such day. At the same time, holders of interests in such Global Note credited to their accounts with DTC and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, will become entitled to proceed directly against the relevant Issuer on the basis of statements of account provided by DTC and/or Euroclear and/or Clearstream, Luxembourg on and subject to the terms of a deed of covenant (the **Deed of Covenant**) dated 18 June 2012, executed by each of the Issuers. In addition, holders of interests in such Global Note credited to their accounts with DTC may require DTC to deliver Definitive Notes in registered form in exchange for their interest in such Global Note in accordance with DTC's standard operating procedures.

- (a) the Notes and the Receipts shall be deemed to be redenominated in euro in the denomination of euro 0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Paying Agents of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (c) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes held (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (c) if Definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 1,000, euro 10,000, euro 100,000 and (but only to the extent of any remaining amounts less than euro 1,000 or such smaller denominations as the Agent may approve) euro 0.01 and such other denominations as the Agent shall determine and notify to the Noteholders;
- (d) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the **Exchange Notice**) that replacement euro-

denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;

- (e) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque; in each case multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding;
- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for period ending other than on an Interest Payment Date, it will be calculated:
 - (i) in the case of the Notes represented by a Global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such Global Note; and
 - (ii) in the case of Definitive Notes, by applying the Rate of Interest to the Calculation Amount;
- (g) in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market conventions. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding; and
- (h) if the Notes are Floating Rate Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest.

5. INTEREST

5.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date to (but excluding) the Maturity Date at the rate(s) equal to the Rate(s) of Interest. Interest will accrue on a daily basis on each day during each Interest Accrual Period and will be payable in respect of the relevant Fixed Interest Period in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount, is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and each case multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

5.2 Interest on Floating Rate Notes

- (a) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date to (but excluding) the Maturity Date. Interest will accrue on a daily basis on each day during each Interest Accrual Period and such interest will be payable in respect of the relevant Interest Period in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(b) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(i) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (i), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the **ISDA Definitions**) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is either (1) if the applicable Floating Rate Option is based on the London inter-bank offered rate (**LIBOR**) or on the Euro-zone inter-bank offered rate (**EURIBOR**), the first day of that Interest Period or (2) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (i), **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(ii) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11:00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (A) above, no such offered quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(c) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specify a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specify a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) Determination of Rate of Interest and calculation of Interest Amounts

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes or Index Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(e) Notification of Rate of Interest and Interest Amounts

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 16 as soon as possible after their determination but in no event later than the first Luxembourg Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 16. For the purposes of this paragraph, the expression **Luxembourg Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in Luxembourg.

(f) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5.2, shall (in the absence of wilful default, bad faith or manifest error or proven error) be binding on the Issuer, the Guarantor, the Principal Paying Agent, the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor, the Noteholders, the Receiptholders or the Couponholders shall attach to the Principal Paying Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 Interest on Equity Linked Interest Notes, Fund Linked Interest Notes and Index Linked Interest Notes

(a) Interest Payment Dates

Each Equity Linked Interest Note, each Fund Linked Interest Note and each Index Linked Interest Note (each a **Linked Interest Note**) bears interest at the applicable Linked Interest Rate (as defined in paragraph (b) below) on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date to (but excluding) the Maturity Date. Interest will accrue on a daily basis on each day during each Interest Accrual Period and such interest will be payable in respect of the relevant Interest Period in arrear on the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms (each such date an **Interest Payment Date**).

(b) Linked Interest Rate

The Equity Linked Interest Rate, the Index Linked Interest Rate or the Fund Linked Interest Rate as applicable (each a **Linked Interest Rate**) payable from time to time in respect of the applicable Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(c) Minimum Linked Interest Rate and/or Maximum Linked Interest Rate and/or Rate Multiplier

If the applicable Final Terms specify a Minimum Linked Interest Rate for any Interest Period, then, in the event that the applicable Linked Interest Rate in respect of such Interest Period determined in accordance with the provisions of paragraph 5.2(b) above is less than such Minimum Linked Interest Rate, the applicable Linked Interest Rate for such Interest Period shall be such Minimum Linked Interest Rate.

If the applicable Final Terms specify a Maximum Linked Interest Rate for any Interest Period, then, in the event that the applicable Linked Interest Rate in respect of such Interest Period determined in accordance with the provisions of paragraph 5.2(b) above is greater than such Maximum Linked Interest Rate, the applicable Linked Interest Rate for such Interest Period shall be such Maximum Linked Interest Rate.

If the applicable Final Terms specify a Rate Multiplier for any Interest Period, then, the Rate of Interest in respect of any such Interest Period shall be multiplied by the relevant Rate Multiplier, subject always to the Minimum and/or Maximum Rate of Interest as described above.

If n/N or nb/Nb is specified as the Rate Multiplier in the applicable Final Terms, the following definitions shall apply, unless otherwise specified in the applicable Final Terms:

n means the number of calendar days in the relevant Observation Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the relevant Calculation Agent.

N means the total number of calendar days within the relevant Observation Period.

nb means the number of Business Days in the relevant Observation Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the relevant Calculation Agent.

(d) Determination of Linked Interest Rate and calculation of Interest Amounts

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes or Index Linked Notes for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

(e) Notification of Linked Interest Rate and Interest Amounts

The Calculation Agent shall notify the Principal Paying Agent of the Linked Interest Rate and Interest Amounts for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent will cause the Linked Interest Rate and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Linked Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 16 as soon as possible after the day on which the notice was given to the Principal Paying Agent but in no event later than the fourth Luxembourg Business Day thereafter. For the purposes of this paragraph, the expression **Luxembourg Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in Luxembourg.

(f) **Certificates to be final**

5.4 Interest on Dual Currency Interest Notes

The rate or amount of interest payable in respect of Dual Currency Notes which are interest bearing Notes shall be determined in the manner specified in the applicable Final Terms.

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

5.6 Interest on Credit Linked Notes and Commodity Linked Notes

In the case of Credit Linked Notes and Commodity Linked Notes which are interest bearing Notes, the rate and/or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

5.7 Accrual of interest

Except as otherwise provided in this Condition 5, each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Principal Paying Agent or the Registrar, as the case may be, and notice to that effect has been given to the Noteholders in accordance with Condition 16.

5.8 Definitions

In these Terms and Conditions:

Accrual Period means, for the purposes of the definition of Day Count Fraction, the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date.

Business Day means (unless otherwise specified in the applicable Final Terms) a day which is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro or CNY, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (the **TARGET2 System**) is open or (3) in relation to any sum payable in CNY, unless otherwise specified in the applicable Final Terms, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the CNY Settlement Centre(s).

Business Day Convention means that if any date referred to in these Terms and Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) the Floating Rate Convention, such date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (a) such date shall be brought forward to the immediately preceding Business Day and (b) after the foregoing paragraph (a) shall have applied, each subsequent date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment; or
- (2) the Following Business Day Convention, such date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

If "Interest Periods will be adjusted" is specified in the applicable Final Terms, (a) any Interest Payment Date otherwise falling on a day which is not a Business Day (as defined in paragraph above) will be postponed or brought forward (as applicable) in accordance with the specified Business Day Convention (as described above) and (b) the amount of interest payable on such Interest Payment Date will be adjusted accordingly.

If "Interest Periods will be unadjusted" is specified in the applicable Final Terms, any Interest Payment Date otherwise falling on a day which is not a Business Day will be postponed or brought forward (as applicable) in accordance with the applicable Business Day Convention and there will be no corresponding adjustment of the amount of interest payable on such Interest Payment Date.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 5:

- (i) if "Actual/Actual (ICMA)" is specified in the applicable Final Terms:
 - (A) in the case of Notes where the number of days in the Accrual Period is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - I. the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and

- (vii) if "30E/360" or "Eurobond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360x(Y_2 - Y_1)] + [30x(M_2 - M_1)] + (D_2 - D_1)}{360}$$

where

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity date or (ii) such number would be 31 and D₂ will be 30.

5.9 Interest calculations regarding Swedish Notes

Pursuant to the Swedish CSD Rules, interest on any Swedish Note for any period of time is calculated from (but excluding) the first day of the relevant period to (but including) the last day of the relevant period and the provisions in this Condition 5 shall be construed accordingly in respect of Swedish Notes.

6. PAYMENTS

6.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen

to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively and if the Specified Currency is CNY, shall be the CNY Settlement Centre(s)); and

- (b) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 10.

6.2 Presentation of Definitive Bearer Notes, Receipts and Coupons

Payments of principal in respect of Definitive Bearer Notes will (subject as provided below) be made in the manner provided in paragraph 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Definitive Bearer Notes, and payments of interest in respect of Definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Payments of instalments of principal (if any) in respect of Definitive Bearer Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Bearer Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Bearer Note to which it appertains. Receipts presented without the Definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Dual Currency Notes, Credit Linked Notes, Commodity Linked Notes, Equity Linked Notes, Fund Linked Notes, Index Linked Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 10) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 11) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Credit Linked Note, Commodity Linked Note, Equity Linked Note, Fund Linked Note, Index Linked Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any Definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding or Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Bearer Note.

6.3 Payments in respect of Bearer Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note in bearer form will (subject as provided below) be made in the manner specified above in relation to Definitive Bearer Notes or otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note either by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

6.4 Payments in respect of Registered Notes

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the **Register**) (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (ii) where in definitive form at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date (the **Record Date**). Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Notes held by a holder is less than € 250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, **Designated Account** means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian Dollars or New Zealand dollars, shall be Sydney and Auckland respectively and if the Specified Currency is CNY, shall be the CNY Settlement Centre(s)) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the

Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg are open for business) before the relevant due date, and (ii) where in definitive form at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the **Record Date**) at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

Notwithstanding anything to the contrary in this paragraph, payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note denominated in CNY (whether or not in global form) will be made solely by transfer to the Designated Account of the holder (or the first named of joint holders) of the Registered Note appearing in the Register (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear, Clearstream, Luxembourg and/or any other relevant Clearing System are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the Record Date.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Note in respect of Notes denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the Guarantor, or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

6.5 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of DTC, Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to DTC, Euroclear or Clearstream, Luxembourg, as the case may be,

for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Guarantor, adverse tax consequences to the Issuer or the Guarantor.

In the case of Notes issued by Crédit Agricole CIB, the Issuer and each of its branches are a single legal entity and the obligation to make any payment under the Notes is an obligation of Crédit Agricole CIB as a whole. However, if the Final Terms specify a branch office of Crédit Agricole CIB as the branch of account for any payment under the Notes, then it may not be required to make any payment under the Notes at its head office or any of its other branches for so long as and to the extent that the specified branch of account is prevented from making any payment under the Notes due to (a) an act of war, insurrection or civil strife; or (b) an action by the government or any instrumentality of or in the jurisdiction of the specified branch of account (whether de jure or de facto).

Notwithstanding the foregoing, payments in respect of Notes denominated and payable in CNY will be made solely by transfer to a CNY bank account maintained in the CNY Settlement Centre(s) in accordance with prevailing rules and regulations.

6.6 Payment Business Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Business Day, the holder thereof shall instead be entitled to payment: (i) on the next following Payment Business Day in the relevant place, if "Following Payment Business Day" is specified in the applicable Final Terms; or (ii) on the next following Payment Business Day in the relevant place, unless the date for payment would thereby fall into the next calendar month, in which event such date for payment shall be brought forward to the immediately preceding Payment Business Day in the relevant place, if "Modified Following Payment Business Day" is specified in the applicable Final Terms or (iii) on the immediately preceding Payment Business Day in the relevant place, if "Preceding Payment Business Day" is specified in the applicable Final Terms; provided that if neither "Following Payment Business Day" nor "Modified Following Payment Business Day" nor "Preceding Payment Business Day" is specified in the applicable Final Terms, "Following Payment Business Day" shall be deemed to apply. In the event that any adjustment is made to the date for payment in accordance with this Condition 6.6 the relevant amount due in respect of any Note, Receipt or Coupon shall not be affected by any such adjustment. For these purposes, unless otherwise specified in the applicable Final Terms, **Payment Business Day** means any day which is:

- (a) subject to the provisions of the Agency Agreement, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) in respect of Definitive Notes, the relevant place of presentation; or
 - (ii) in respect of Registered Notes, the place of registration; and
 - (iii) each Additional Financial Centre specified in the applicable Final Terms; and
- (b) either (A) in relation to any sum payable in a Specified Currency other than euro and CNY, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation and any Additional Financial Centre and which if the Specified Currency is Australian dollars, shall be Sydney and, if the Specified Currency is Canadian dollars, shall be Montreal) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open or (C) in relation to any sum payable in CNY, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the CNY Settlement Centre(s).

- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;

6.8 Payments in respect of Swedish Notes

Payments of principal, interest and/or any other amounts due in respect of Swedish Notes shall be made to the Noteholders recorded as such on the fifth business day (as defined by the then applicable

Such day shall be the "**Record Date**" in respect of the relevant Finnish Notes. The payments will be effected through the facilities of the Finnish CSD in accordance with the Finnish CSD Rules.

7. REDEMPTION AND PURCHASE

7.1 Redemption at maturity

Unless either (i) previously redeemed or purchased and cancelled as specified below or (ii) the applicable Final Terms provide that the Notes shall have no specified Maturity Date, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

7.2 Redemption for tax reasons

Where Condition 10.2 is specified in the applicable Final Terms as applying to the Notes, such Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving (unless otherwise specified in the applicable Final Terms) not less than 30 nor more than 60 days' notice to the Principal Paying Agent or the Registrar, as the case may be, and, in accordance with Condition 16, the Noteholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the Notes, the Issuer or (where Crédit Agricole CIB FP, Crédit Agricole CIB FG or Crédit Agricole CIB FS is the Issuer) the Guarantor (if it were required to make a payment under the Guarantee) has or will become obliged to pay additional amounts as provided or referred to in Condition 10 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 10), or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (b) such obligation cannot be avoided by the Issuer or (where Crédit Agricole CIB FP, Crédit Agricole CIB FG or Crédit Agricole CIB FS is the Issuer) the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or (where Crédit Agricole CIB FP, Crédit Agricole CIB FG or Crédit Agricole CIB FS is the Issuer) the Guarantor would be obliged to pay such additional amounts.

Notes redeemed pursuant to this Condition 7.2 will be redeemed at their Early Redemption Amount referred to in Condition 7.7 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

7.3 Special Tax Redemption

Where Condition 10.2 is specified in the applicable Final Terms as applying to the Notes, if the Issuer or the Guarantor would, on the occasion of the next payment of principal or interest in respect of the Notes, be prevented by French law and (in the case of Notes issued by Crédit Agricole CIB FP or Crédit Agricole CIB FG) Guernsey law from making payment to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 10, then the Issuer shall forthwith give notice of such fact to the Principal Paying Agent or the Registrar, as the case may be, and the Issuer shall, upon giving not more than seven days' prior notice to the Noteholders, forthwith redeem all, but not some only, of the Notes at their Early Redemption Amount, together, if appropriate, with accrued interest, on the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice to Noteholders shall be the later of:

- (a) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes; and
- (b) fourteen days after giving notice to the Principal Paying Agent or the Registrar, as the case may be, as aforesaid.

7.4 Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given not less than five Business Days' notice and, if applicable, not more than such number of days' notice as may be specified in the applicable Final Terms to the Noteholders (with a copy of such notice to the Principal Paying Agent or, in the case of a redemption of Registered Notes, the Registrar) in accordance with Condition 16 (which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Call Optional Redemption Date and at the Call Optional Nominal Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Call Optional Redemption Date.

Any such redemption must be of a nominal amount not less than the Minimum Call Nominal Amount or not more than a Higher Call Nominal Amount, in each case as may be specified in the applicable Final Terms.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by Definitive Notes, and in accordance with the rules of DTC and/or Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by Definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 16 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note

will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph 7.4 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 16 at least five days prior to the Selection Date.

In the case of Swedish Notes and the Finnish Notes, the notice to the Noteholders shall also specify the Notes or amounts of the Redeemed Notes and the Record Date before the due date for the redemption and the procedures for partial redemptions laid down in the Swedish CSD Rules and the Finnish CSD Rules, respectively, will be observed.

7.5 Redemption at the option of the Noteholders (Investor Put)

It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 16 not less than five Business Days' notice and, if applicable, not more than such number of days' notice as may be specified in the applicable Final Terms, the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not, in the case of a Bearer Note in definitive form, in part) such Note on the Put Optional Redemption Date and at the Put Optional Nominal Amount together, if appropriate, with interest accrued to (but excluding) the Put Optional Redemption Date. Registered Notes may be redeemed under this Condition 7.5 in any multiple of their lowest Specified Denomination.

If this Note is in definitive form and held outside Euroclear and Clearstream, to exercise the right to require redemption of this Note, the holder of this Note must deliver at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a **Put Notice**) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 1.3(c), accompanied by this Note or evidence satisfactory to the Paying Agent concerned or the Registrar (in the case of Registered Notes) that this Note will, following delivery of the Put Notice, be held to its order or under its control.

If this Note is represented by a Global Note or is in definitive form and held through DTC, Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note, the holder of this Note must, within the notice period, give notice to the Principal Paying Agent or, as the case may be, the Registrar (in the case of Registered Notes) of such exercise in accordance with the standard procedures of DTC, Euroclear or Clearstream, Luxembourg (which may include notice being given on his instruction by DTC, Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be for them to the Principal Paying Agent or, as the case may be, the Registrar (in the case of Registered Notes) by electronic means) in a form acceptable to DTC, Euroclear or Clearstream, Luxembourg from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of DTC, Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to

withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 12.

Any Put Notice in respect of Swedish Notes will not take effect against the Issuer until the date on which the relevant Swedish Notes have been transferred to the account designated by the Swedish Issuing Agent and blocked for further transfer by said Agent.

Any Put Notice in respect of Norwegian Notes will not take effect against the Issuer before the date on which the relevant Norwegian Notes have been blocked for further transfer or, if requested by the Norwegian Issuing Agent, transferred to an account designated by the Norwegian Issuing Agent.

Any Put Notice in respect of the Finnish Notes will not take effect against the Issuer until the date on which the relevant Finnish Notes have been transferred to the account designated by the Finnish Issuing Agent and blocked for further transfer by said Agent.

7.6 Regulatory Redemption or Compulsory Resales

Each of Crédit Agricole CIB FP, Crédit Agricole CIB FG and Crédit Agricole CIB FS shall have the right at any time, at the expense and risk of the holder of any Notes held by or on behalf of a U.S. person who is not a QP at the time it purchases such Notes, (i) to redeem such Notes, in whole or in part, to permit the Issuer to avoid registration under the Investment Company Act or (ii) to require such holder to sell such Notes to a QIB (or an IAI, where transfers to IAIs are permitted pursuant to the Prospectus or Final Terms applying to such Notes) who is also a QP in accordance with Rule 144A or to a non-U.S. person outside the United States in accordance with Regulation S. The determination of which Notes shall be redeemed pursuant to (i) above or sold pursuant to (ii) above in any particular case shall be made at the sole and absolute discretion of the Issuer. Any such redemption shall be made at the Early Redemption Amount as defined below. The Registrar is not required to register any purported transfers of Notes which would, in the opinion of the Issuer or the Registrar, cause the Issuer to be in violation of the Securities Act or the Investment Company Act.

7.7 Early Redemption Amounts

Where the Notes are to be redeemed prior to the Maturity Date, pursuant to paragraphs 7.2 or 7.3 above, or Condition 12 or 21 or any other circumstances as may be specified in the applicable Final Terms, each Note will be redeemed, unless otherwise specified in the applicable Final Terms, at the Early Redemption Amount.

The Early Redemption Amount shall be such amount as shall be determined to be the fair market value of the Note as at (or about) the date of early redemption, taking into account, without limitation (i) the cost to the Issuer of unwinding any related underlying hedging arrangements entered into in respect of such Note (such as, but not limited to, any market bid/offer spread and any ancillary cost in relation to such unwinding), whether such hedge is held directly by the Issuer or the Guarantor or indirectly through an affiliate, and/or (ii) any replacement liquidity costs and/or (iii) any other appropriate costs, all as determined by the Calculation Agent in its sole and absolute discretion.

In determining the fair market value of the Note, the Calculation Agent shall take into consideration all information which it deems relevant (including, without limitation, market conditions, and, in the case of early redemption pursuant Condition 21, the impracticality, illegality or impossibility giving rise to the early redemption).

In the case of early redemption pursuant to Condition 12, the Calculation Agent shall not take into account the financial condition of the Issuer and the Guarantor and for such purposes the fair market

value shall be determined on the presumption that each of the Issuer and the Guarantor is able to perform fully its obligations in respect of the Notes as at the date of redemption.

The Early Redemption Amount determined as specified above shall be deemed to include any amounts in respect of accrued interest, if any, unless otherwise specified in the applicable Final Terms.

Payment of such Early Redemption Amount will be made in such manner as shall be notified to the Noteholders in accordance with Condition 16.

7.8 Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph 7.7 above.

7.9 Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 7 and the applicable Final Terms.

7.10 Purchases

The Issuer, the Guarantor and any of their Subsidiaries may at any time purchase Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Notes purchased by or on behalf of the Issuer may, at the option of the relevant Issuer, be so surrendered and cancelled or may be held or resold, in accordance with applicable law.

In the case of Notes issued by Crédit Agricole CIB and Crédit Agricole CIB FS, all Notes purchased by the Issuer may be purchased and held in accordance with Article L. 213-1-A of the French *Code monétaire et financier* for the purpose of enhancing the liquidity of the Notes. Such Issuers may not hold Notes for a period of more than one year from the date of purchase in accordance with Article D. 213-1-A of the French *Code monétaire et financier*.

Subsidiary means, in relation to any person or entity at any time, any other person or entity (whether or not now existing) as defined in article L.233-1 of the French *Code de commerce* or any other person or entity controlled directly or indirectly by Crédit Agricole CIB within the meaning of article L.233-3 of the French *Code de commerce*.

As at the date of this Base Prospectus, article L.233-1 of the French *Code de commerce* states:

"Where a company owns more than half of the share capital of another company, the latter company is considered, for the purposes of this chapter, to be a subsidiary of the former."

As at the date of this Base Prospectus, article L.233-3 of the French *Code de commerce* states:

"I. A company is considered, for the purposes of sections 2 and 4 of this chapter, to be controlling another company if:

- (i) it holds, directly or indirectly, a part of its share capital giving it a majority of the voting rights in such company's shareholders' meetings;

- (ii) by virtue of a shareholders' or associates' agreement, which agreement is not against the interests of the company, it alone holds the majority of the voting rights in the company; or
 - (iii) by virtue of the voting rights it holds, it controls, de facto, the decisions made in the shareholders' meetings of the company.
- II. Control is presumed to be exercised by a company if such company holds, directly or indirectly, over 40 per cent. of the voting rights and if no other shareholder or associate holds, directly or indirectly, more voting rights than such company.
- III. For the purposes of the same sections of this chapter, two or more persons acting in concert are considered as jointly controlling another when they control, de facto, the decisions made in the shareholders' meeting."

7.11 Cancellation

All Notes which are redeemed by the Issuer will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph 7.10 above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

7.12 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph 7.1, 7.2, 7.3, 7.4, 7.5 or 7.6 above or upon its becoming due and repayable as provided in Condition 12 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph 7.7 above as though the references therein to the date fixed for the redemption was replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Principal Paying Agent or the Registrar and notice to that effect has been given to the Noteholders in accordance with Condition 16.

9. PHYSICAL SETTLEMENT

9.1 Procedure by Noteholders

If any Equity Linked Note or GDR/ADR Linked Note falls to be redeemed and Physical Settlement is specified to apply in the applicable Final Terms, any delivery shall be in accordance with any applicable securities laws.

In order to receive the Equity Linked Physical Settlement Amount (in the case of Equity Linked Notes) (the **Physical Settlement Amount**), the relevant Noteholder shall, at least ten Business Days (as defined in Condition 5.8), or such other period as may be specified in the applicable Final Terms, prior to the Equity Linked Redemption Date (as specified in the applicable Final Terms), deliver to any Paying Agent or Registrar, as the case may be, the Global Note or the Definitive Note (which expression shall, for the purposes of this Condition 9, include Receipt(s) and, if applicable, all unmatured Coupons, in accordance with the provisions of Condition 5.8) together with:

- (a) for so long as the Notes are represented by a Global Note, a notice to DTC and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, with a copy to any Paying Agent or the Registrar, as the case may be, and the Issuer, via the EUCLID System (a EUCLID Notice) or by such other appropriate means which shall be specified in the applicable Final Terms; or
- (b) if the Note is in definitive form, a completed Asset Transfer Notice substantially in the form set out in the Agency Agreement (the **Asset Transfer Notice**) (a copy of which may be obtained from the specified office of any of the Paying Agents) with a copy to the Issuer.

A Euclid Notice, Asset Transfer Notice or other form of notice specified in the applicable Final Terms or, as the case may be, are referred to herein as a **Notice**.

- (c) The Euclid Notice referred to above must:

- (i) specify the name and address of the relevant Noteholder and the person from whom the Delivery Agent may obtain details for the delivery of the Physical Settlement Amount;
 - (ii) specify the number of Notes which are the subject of such notice and the number of the Noteholder's account at DTC, Euroclear or Clearstream, Luxembourg, as the case may be, to be debited with such Notes;
 - (iii) irrevocably instruct and authorise DTC, Euroclear or Clearstream, Luxembourg, as the case may be, to debit the relevant Noteholder's account with such Notes on the Equity Linked Redemption Date;
 - (iv) provide the Noteholder's Certification that it is not a U.S. person, or a person acting on behalf of a U.S. person, or a person within the United States (as such terms are defined in Regulation S under the Securities Act); and
 - (v) authorise the production of such notice in any applicable administrative or legal proceedings.
- (d) The Asset Transfer Notice referred to above must:
- (i) specify the name and address of the person from whom the Delivery Agent may obtain details for delivery of the Physical Settlement Amount;
 - (ii) authorise the production of such notice in any applicable administrative or legal proceedings; and
 - (iii) provide the Noteholder's Certification that it is not a U.S. person, or a person acting on behalf of a U.S. person, or a person within the United States (as such terms are defined in Regulation S under the Securities Act).
- (e) No Notice may be withdrawn after receipt thereof by DTC, Euroclear or Clearstream, Luxembourg or the Issuer, as the case may be.
- (f) After delivery of such Notice, the relevant Noteholder may not transfer the Notes which are the subject of such Notice and no transfers of the Notes specified therein represented by a Global Note will be effected by DTC and/or Euroclear and/or Clearstream, Luxembourg.
- (g) Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether a notice has been properly completed and delivered as provided in this Condition 9.1 shall be made by DTC, Euroclear or Clearstream, Luxembourg or the Issuer, as the case may be, after consultation with the Delivery Agent and shall be conclusive and binding on the Issuer and the relevant Noteholder.

9.2 Procedure by the Issuer and others

Upon receipt of a duly completed Notice and (in the case of Notes in definitive form) the Definitive Note to which such Notice relates, the relevant Paying Agent or the Registrar, as the case may be, DTC, Euroclear or Clearstream, Luxembourg, as the case may be, shall verify that the person specified therein as the accountholder is the holder of the Notes referred to therein according to its books.

Subject as provided herein, in relation to each Note, the Physical Settlement Amount will be delivered at the risk of the relevant Noteholder in such commercially reasonable manner as the

Delivery Agent shall, in its sole discretion, determine to be appropriate for such delivery on the due date for redemption for the Notes, provided that the relevant Note in definitive form and the Notice are delivered not later than the close of business in Luxembourg on the day (the **Notice Cut-Off Date**) which is five Business Days before the due date for redemption of the Notes.

9.3 Delay or Failure to Deliver Notice

If the relevant Note in definitive form and the Notice are delivered to the Issuer later than close of business on the Notice Cut-Off Date, then the Physical Settlement Amount will be delivered (but without prejudice to the provisions of the applicable Final Terms) as soon as practicable after the due date for redemption of the Notes, at the risk of such Noteholder.

For the avoidance of doubt, such Noteholder shall not be entitled to any payment or other assets, whether of interest or otherwise, in the event of the delivery of the Physical Settlement Amount falling after the due date for redemption of the Notes pursuant to the provisions of this Condition 9 or otherwise due to circumstances beyond the control of the Issuer.

If the relevant Noteholder fails to deliver a Notice in the manner set out in these Conditions or delivers a Notice on any day falling after the day that is 180 calendar days after the Notice Cut-Off Date or, in the case of Notes in definitive form, fails to deliver the Definitive Note related thereto or fails to pay the expenses referred to in Condition 9.4, the Issuer shall be discharged from its obligation in respect of such Note and shall have no further obligation or liability whatsoever in respect thereof.

9.4 Costs and Expenses

All expenses including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax and/or other taxes or duties (together **Delivery Expenses**) arising from the delivery and/or transfer of the Physical Settlement Amount shall be for the account of the relevant Noteholder and no delivery and/or transfer of the Physical Settlement Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Delivery Agent by the relevant Noteholder.

9.5 Fractional Entitlement

If the Physical Settlement Amount comprises less than a whole number of securities at the relevant time, then (i) the Issuer shall not deliver and the relevant Noteholder shall not be entitled to receive in respect of its Notes that fraction of a security (the **Fractional Entitlement**) and (ii) the Issuer shall pay to the relevant Noteholder a cash amount (to be paid at the same time as the securities comprising the Physical Settlement Amount), as determined by the Calculation Agent, as specified in the applicable Final Terms, and such cash amount shall be deemed a part of the Physical Settlement Amount for the purposes of these Terms and Conditions.

9.6 Delivery at risk of Noteholder

Delivery of the Physical Settlement Amount by the Issuer to the Noteholder shall be at the risk of the Noteholder and no additional payment or delivery will be due to a Noteholder where the Physical Settlement Amount is delivered after its due date in circumstances beyond the control of either the Issuer or the Delivery Agent.

9.7 No further liability of Issuer

After delivery of the Physical Settlement Amount by the Issuer to a Noteholder pursuant to this Condition, but prior to the time when the Noteholder (or his designee) becomes registered as a

holder of the relevant underlying security (the **Intervening Period**), neither the Issuer nor its agent or nominee shall (i) be under any obligation to deliver to such Noteholder or any subsequent beneficial owner of such relevant underlying security any letter, certificate, notice, circular, dividend or any other document or payment whatsoever received by the Issuer or its agent or nominee in its capacity as the registered holder of such relevant underlying security, (ii) exercise any or all rights (including voting rights) attaching to such relevant underlying security during the Intervening Period without the prior written consent of the relevant Noteholder, provided that neither the Issuer nor its agent or nominee shall be under any obligation to exercise any such rights during the Intervening Period, or (iii) be under any liability to such Noteholder or any subsequent beneficial owner of such relevant underlying security in respect of any loss or damage which such Noteholder or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of the Issuer or its agent or nominee being registered during such Intervening Period as legal owner of such relevant underlying security.

9.8 Settlement Disruption (Equity Linked Notes)

If, in relation to an Equity Linked Redemption Note, Physical Settlement is specified in the applicable Final Terms and in the opinion of the Calculation Agent, transfer of the Shares constituting the Equity Linked Physical Settlement Amount cannot be effected on the Equity Linked Redemption Date due to a Settlement Disruption Event having occurred on such date, then such Equity Linked Redemption Date shall be postponed to the first Clearing System Business Day on which there is no Settlement Disruption Event; provided, however, that in no event shall any Equity Linked Redemption Date be later than the tenth Clearing System Business Day after the date which would have been the Equity Linked Redemption Date had no Settlement Disruption Event occurred. If in respect of such tenth Clearing System Business Day (i) the delivery of the Shares constituting the Equity Linked Physical Settlement Amount is still not practicable by reason of a Settlement Disruption Event and (ii) the Calculation Agent determines that the Shares cannot be reasonably and promptly delivered by any other means, then, in lieu of Physical Settlement as provided in this Condition 9, the Issuer shall be entitled to pay to or to the order of the relevant Noteholder(s) the Settlement Disruption Amount and payment of such sum shall constitute full and final satisfaction of the Issuer's obligations under the relevant Notes and the Issuer shall be under no obligation to pay any further amount in respect of such Notes.

9.9 Illegality (Equity Linked Notes)

If, in relation to an Equity Linked Redemption Note, Physical Settlement is specified in the applicable Final Terms and in the opinion of the Calculation Agent, transfer of the Shares constituting the Equity Linked Physical Settlement Amount cannot be effected on the Equity Linked Redemption Date due to any illegality (including, without limitation due to any law, rule, regulation, judgment, order, directive or decree) and the Calculation Agent determines that the Shares cannot be reasonably and promptly delivered by any other means, then, in lieu of Physical Settlement as provided in this Condition 9, the Issuer shall be entitled to pay to or to the order of the relevant Noteholder(s) the Illegality Cash Settlement Amount and payment of such sum shall constitute full and final satisfaction of the Issuer's obligations under the relevant Notes and the Issuer shall be under no obligation to pay any further amount in respect of such Notes.

9.10 Definitions

For the purposes of this Condition 9:

Clearing System Business Day means any day on which the relevant Clearing System or other specified account for the receipt of the Equity Linked Physical Settlement Amount is (or, but for the occurrence of the Settlement Disruption Event, would have been) open for the acceptance and execution of settlement instructions;

Clearing System means DTC, Euroclear, Clearstream, Luxembourg or any other clearing system or account specified by the Noteholder for the delivery of securities constituting the Equity Linked Physical Settlement Amount. If no such Clearing System or account is so specified, the Clearing System will be the principal domestic clearing system customarily used for settling trades in the relevant securities on the Equity Linked Redemption Date;

Equity Linked Physical Settlement Amount means, if Physical Settlement is specified in the applicable Final Terms to apply to an Equity Linked Redemption Note, the number of Share(s) to be delivered per Specified Denomination, as specified in the applicable Final Terms;

Equity Linked Redemption Date means, if Physical Settlement is specified in the applicable Final Terms to apply to an Equity Linked Redemption Note and subject to paragraph 9.8 above, the date on which the Noteholders receive the Equity Linked Physical Settlement Amount as specified in the applicable Final Terms;

Settlement Disruption Amount and **Illegality Cash Settlement Amount** mean either (a) if in the opinion of the Calculation Agent such amount can be determined, an amount determined by reference to the closing price(s) of the relevant Share(s) (or other securities) constituting the Equity Linked Physical Settlement Amount on the original Equity Linked Redemption Date or (b) an amount equal to the fair market value of such Notes as at the original Equity Linked Redemption Date; and

Settlement Disruption Event means an event beyond the control of the Issuer or the Delivery Agent as a result of which the relevant Clearing System cannot clear the transfer of Shares or other securities constituting the Equity Linked Physical Settlement Amount.

10. TAXATION

- 10.1 All payments of principal and interest in respect of the Notes, Receipts and Coupons or under the Guarantee will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law.
- 10.2 In such event and only if so specified in the applicable Final Terms, the Issuer or, as the case may be, the Guarantor will, to the fullest extent permitted by French law and (in the case of Notes issued by Crédit Agricole CIB FP or Crédit Agricole CIB FG) Guernsey law, pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:
- (a) presented for payment in France or (in the case of Notes issued by Crédit Agricole CIB FP or Crédit Agricole CIB FG) Guernsey; or
 - (b) the holder which is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such Note, Receipt or Coupon; or
 - (c) presented for payment by, or on behalf of, a holder who would be able to avoid such withholding or deduction by making a declaration or any other statement, including but not limited to, a declaration of residence or non-residence, but fails to do so; or

- (d) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 6.6); or
- (e) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any law (whether within or outside the European Union) implementing or complying with, or introduced in order to conform to, such Directive; or
- (f) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (g) in relation to any payment or deduction of any interest, principal or other proceeds of any Note, Receipt or Coupon on account of *imposta sostitutiva* pursuant to Italian Legislative Decree No. 239 of 1 April 1996 and any related implementing regulations (as the same may be amended or supplemented from time to time) or on account of any withholding tax pursuant to Law Decree No. 512 of 30 September 1983, converted by Law No. 649 of 25 November 1983.

As used herein:

- (i) **Tax Jurisdiction** means the Republic of France or any political subdivision or any authority thereof or therein having power to tax (in the case of payments by Crédit Agricole CIB and Crédit Agricole CIB FS) or Guernsey or any political subdivision or any authority thereof or therein having power to tax (in the case of payments by Crédit Agricole CIB FP and Crédit Agricole CIB FG); and
- (ii) the **Relevant Date** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Principal Paying Agent or the Registrar, as the case may be, on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 16.

For the avoidance of doubt, in the event that the gross-up is specified as not applicable in the applicable Final Terms, the relevant Issuer or, as the case may be, the Guarantor will make payments of principal and interest to the holders of the Notes, Receipts and Coupons net of withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of any jurisdiction.

11. PRESCRIPTION

The Notes (whether in bearer or registered form), Receipts and Coupons will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 6.2) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6.2 or any Talon which would be void pursuant to Condition 6.2.

12. EVENTS OF DEFAULT

If any one or more of the following events (each an **Event of Default**) shall occur:

- (a) if default is made in the payment of any principal or interest due on the Notes or any of them on the due date and such default, in the case of any payment of interest, continues for a period of 15 days or more after written notice thereof is received by the Issuer from the Principal Paying Agent (and the Principal Paying Agent shall be bound to give such notice forthwith upon the request of any Noteholder) unless the Issuer or the Guarantor shall have remedied such default before the expiry of such period and save that late delivery of any Physical Settlement Amount in the circumstances described in Condition 7 or Annex 6 (as the case may be) and in Condition 9 respectively shall not constitute an Event of Default hereunder; or
- (b) if the Issuer or the Guarantor fails to perform or observe any of its other obligations under the Terms and Conditions of the Notes or the Guarantee and (except where such failure is incapable of remedy when no notice will be required) and if such default is capable of being remedied by the Issuer or Guarantor, such default has not been so remedied within 60 days after written notice is received by the Issuer or the Guarantor (as the case may be) from the Principal Paying Agent (and the Principal Paying Agent shall be bound to give such notice forthwith upon the request of any Noteholder) specifying such default and requiring the same to be remedied; or
- (c) if any other Bond Indebtedness of the Issuer becomes prematurely due and repayable prior to its specified maturity as a result of an event of default in relation thereto in accordance with the terms of such Bond Indebtedness or the Issuer fails to make any payment in respect thereof on the due date for such payments as extended by any applicable grace period or the security for any such other payment becomes enforceable, provided that the provisions of this paragraph (c) shall not apply where the aggregate amount which is payable or repayable as aforesaid is equal to or less than U.S.\$10,000,000 (or its equivalent in other currencies) where Bond Indebtedness shall mean money borrowed (and premium and interest in respect thereof) which is in the form of, or represented by, bonds, notes or debentures, which are for the time being, or are capable of being, quoted or listed on any exchange; or
- (d) if Crédit Agricole CIB or Crédit Agricole CIB FS ceases to pay its debts generally as and when they fall due or a judgment is issued for the judicial liquidation (liquidation judiciaire) of Crédit Agricole CIB or for the transfer of the whole of its business (cession totale de l'entreprise), or Crédit Agricole CIB is subject to similar bankruptcy or insolvency proceedings, or Crédit Agricole CIB makes any proposals for a conveyance, assignment or other arrangement concerning the whole or a substantial part of its assets for the benefit of its creditors, or a resolution is passed by Crédit Agricole CIB for its winding-up or dissolution, other than in connection with the consolidation or amalgamation of Crédit Agricole CIB with, or its merger with or into, or the transfer of all or substantially all its assets to another entity and the creditworthiness of the resulting, surviving or transferee entity is not materially weaker than that of Crédit Agricole CIB immediately prior to such action; or
- (e) in the case of Notes issued by Crédit Agricole CIB FP or Crédit Agricole CIB FG, if a liquidator, provisional liquidator, administrator, receiver and manager or inspector under the corporate law of the Issuer or any of its material assets, undertaking or property is appointed or any encumbrancer takes possession of all or a substantial part of the assets or property of the Issuer, or the Issuer is declared "en désastre" in Guernsey or the Issuer takes any step to obtain protection or is granted protection from its creditors under any applicable legislation or the Issuer stops payment generally or ceases or threatens to cease to carry on its business,

except in connection with a merger or other reorganisation in which all of the Issuer's assets are transferred to, and all of the Issuer's debts and liabilities (including the Notes) are assumed by another entity which continues the Issuer's activities; or

- (f) the Guarantee ceases to be, or is claimed by the Guarantor not to be, in full force and effect,

then any holder of a Note may, by written notice to the Issuer at the specified office of the Principal Paying Agent, effective upon the date of receipt thereof by the Principal Paying Agent (or, in the case of Swedish Notes or Finnish Notes, on such later date on which the relevant Notes have been transferred to the account designated by the Swedish Issuing Agent or the Finnish Issuing Agent and blocked for further transfer by said Agent), declare any Notes held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Early Redemption Amount (as described in Condition 7.7), together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

13. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent (in the case of Bearer Notes, Receipts and Coupons) or the Registrar (in the case of Registered Notes) upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

14. AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below.

- (c) Except for the publication of the Base Prospectus dated 18 June 2012 (the **Base Prospectus**), the Noteholder has not relied, and will not at any time rely, on the Issuer or any other member of the Crédit Agricole CIB group of companies (the **Group**) in connection with its determination as to the legality or the associated merits or risks of its purchase of the Notes or as to the other matters referred to in paragraph (b) above, or to provide it with any information relating to, or to keep under review on its behalf, the business, financial condition, prospects, creditworthiness, status or affairs of the Issuer.

In addition, in the case of Index Linked Notes:

- (a) The amounts payable in respect of principal and/or interest (as the case may be) are determined by a formula linked to the value of an Index. Movements in the Index may therefore adversely affect the amount of principal and/or interest to be repaid to the Noteholder and may also adversely affect the market value of the Notes prior to maturity.

The amount of principal to be repaid on the Maturity Date may be less than the stated principal amount of the Notes or may even be zero.

- (d) The Noteholder acknowledges that the Notes are not and do not represent or convey any interest in the Reference Obligation nor a direct or indirect obligation of the Reference Entity owing to the Noteholder and that the Issuer is not an agent of the Noteholder for any purpose.
- (e) The Issuer and each company in the Group may accept deposits from, make loans or otherwise extend credit to, and generally engage in any kind of commercial or investment banking or other business with, the Reference Entity, or its affiliates or any other person or entity having obligations relating to the Reference Entity or the Reference Obligation and may act with respect to such business freely and without accountability to the Noteholder in the same manner as if the Notes did not exist, regardless of whether any such action might have an adverse effect on the Reference Obligations, the Reference Entity or such Noteholder.
- (f) The Issuer and each company in the Group may, whether by virtue of the types of relationships described above or otherwise, at the date hereof or at any time hereafter be in possession of information in relation to the Reference Obligations or the Reference Entity which is or may be material in the context of the Notes and which is or may not be known to the general public or the Noteholder. The Notes do not create any obligation on the part of the Issuer nor any company in the Group to disclose to the Noteholder any such relationship or information (whether or not confidential) and neither the Issuer nor any other company in the Group shall be liable to the Noteholder by reason of such non-disclosure.
- (g) The Noteholder acknowledges that terms of the Notes are binding upon it, irrespective of the existence or amount of the Issuer's, the Noteholder's or any person's credit exposure to the Reference Entity, and the Issuer need not suffer any loss or provide evidence of any loss as a result of the occurrence of a Credit Event.

In addition, in the case of Commodity Linked Notes:

- (a) The amounts payable in respect of principal and/or interest (as the case may be) are determined by a formula linked to the value of a commodity. Movements in the value of the commodity may therefore adversely affect the amount of principal and/or interest to be repaid to the Noteholder and may also adversely affect the market value of the Notes prior to maturity. The amount of principal to be repaid on the Maturity Date may be less than the stated principal amount of the Notes or may even be zero.

In addition, in the case of Equity Linked Notes:

- (a) The amounts payable in respect of principal and/or interest (as the case may be) are determined by a formula linked to the value of an underlying security. Movements in the value of the underlying security may therefore adversely affect the amount of principal and/or interest to be repaid to the Noteholder and may also adversely affect the market value of the Notes prior to maturity. The amount of principal to be repaid on the Maturity Date may be less than the stated principal amount of the Notes or may even be zero.
- (b) The Noteholder has such knowledge and experience in financial and business matters and expertise in assessing credit risk that it is capable of evaluating merits, risks and suitability of investing in the Notes and that it is relying exclusively on its own sources of information and credit analysis with respect to the Notes and the Shares or the relevant Shares and the country in which the Company or each relevant Company is incorporated or formed and/or all other relevant persons or entities existing in that country and the Notes.
- (c) The Noteholder has itself been, and will at all times continue to be, solely responsible for making its own independent appraisal of and investigation into the business, financial condition, prospects, creditworthiness, status and affairs of the Issuer and the Company or each relevant Company.
- (d) In issuing the Notes, the Issuer is not making, and has not made, any representations whatsoever as to the Company or each relevant Company or any information contained in any document filed by the Company or each relevant Company with any exchange or with any governmental entity regulating the purchase and sale of securities.
- (e) The Noteholder acknowledges that the Notes are not and do not represent or convey any interest in, a direct or indirect obligation of the Company or each relevant Company and that the Issuer is not an agent of the Noteholder for any purpose.
- (f) The Noteholder acknowledges that the delivery of any Equity Linked Physical Settlement Amount is subject to all applicable laws, regulations and practices in force at the time of delivery of the Shares or each relevant Share. The Noteholder further acknowledges that the delivery of any Shares or each relevant Share to the Noteholder is lawful under the laws of the jurisdiction in which the Company or each relevant Company is incorporated or formed and any other applicable laws and regulations.
- (g) The Issuer and each Group company may accept deposits from, make loans or otherwise extend credit to, and generally engage in any kind of commercial or investment banking business with the Company or each relevant Company or its affiliates or any other person or

entity having obligations relating to the Company or each relevant Company and may act with respect to such business without accountability to the Noteholder in the same manner as if the Notes did not exist, regardless of whether any such action might have an adverse effect on the Noteholder.

- (h) The Issuer and any Group company may have existing or future business relationships with the Noteholder (including, but not limited to, lending, depositary, risk management, advisory and banking relationships), and will pursue actions and take steps that it deems or they deem necessary or appropriate to protect its or their interests arising therefrom without regard to the consequences for the Noteholder.
- (i) The Issuer and each Group company may, whether by virtue of the types of relationships described above or otherwise, at the date hereof or at any time hereafter, be in possession of information in relation to the Company or each relevant Company which is or may be material in the context of the Notes and which is or may not be known to the general public or the subscriber or purchaser of the Notes. The issuance of the Notes does not create any obligation on the part of the Issuer or any Group company to disclose to the Noteholder of the Notes any such relationship or information (whether or not confidential) and neither the Issuer nor any other Group company shall be liable to any Noteholder by reason of such non-disclosure.
- (j) The Noteholder acknowledges and agrees to abide by the transfer restrictions on transfers of the Notes set forth in the section entitled "Subscription and Sale" of the Base Prospectus. The Noteholder further acknowledges that it will fully bear any financial or other liability arising from any breaches of such restrictions.
- (k) Where the Noteholder is purchasing the Notes for the account of its clients:
 - (i) the above representations will be deemed to be also made by each of its clients.
 - (ii) the Noteholder further represents that:
 - (A) it has all the necessary licences to act on behalf of clients and is a duly authorised representative of each client and complies with all applicable laws, rules, regulations, directives, or measures in respect of its dealings with its clients in connection with the Notes;
 - (B) it is solely responsible for ascertaining and has ascertained all such information about the clients which is required to meet applicable "know your client" and anti-money laundering laws and rules, and for ascertaining the suitability of the clients for the transactions effected on their behalf by the Noteholder;

- (f) The Noteholder acknowledges and agrees to abide by the transfer restrictions on transfers of the Notes set forth in the section entitled "Subscription and Sale" of the Base Prospectus. Early Closure means the closure on any Exchange Business Day of relevant Exchange(s) or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or Related Exchange(s) at least one hour prior to the earlier of (i) the actual closing time for the regular trading session on such Exchange(s) or Related Exchange(s) on such Exchange Business Day and (ii) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

Exchange Disruption means, any event (other than an Early Closure) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (i) to effect transactions in, or obtain market values for, the Shares on the relevant Exchange or (ii) to effect transactions in, or obtain market values for, futures or options contracts relating to the relevant Share on any relevant Related Exchange.

Market Disruption Event means, in relation to Notes relating to a single Share or a basket of Shares, the occurrence or existence of (i) a Trading Disruption, (ii) an Exchange Disruption, which in either case the Calculation Agent in its sole and absolute discretion, determines is material, at any time during the one hour period that ends at the relevant Valuation Time, or (iii) an Early Closure.

Trading Disruption means, any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise (a) relating to the Share or (b) in futures or options contracts relating to such Share on any relevant Related Exchange.

(b) Consequences of the occurrence of Disrupted Days

If a Relevant Date is a Disrupted Day, then:

- (i) in the case of Equity linked Notes relating to a single Share, the Relevant Date shall be the first immediately succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the number of consecutive Scheduled Trading Days equal to the Specified Maximum Days of Disruption immediately following the Scheduled Relevant Date is a Disrupted Day. In that case, (i) the last such consecutive Scheduled Trading Day shall be deemed to be the Relevant Date, notwithstanding the fact that such day is a Disrupted Day,

and (ii) the Calculation Agent shall determine its good faith estimate of the value of the Share, as of the Valuation Time on that last such consecutive Scheduled Trading Day; or

- (ii) in the case of Equity linked Notes relating to a basket of Shares, the Relevant Date for each Share not affected by the occurrence of a Disrupted Day shall be the Scheduled Relevant Date, and the Valuation Date for each Share affected (each an **Affected Item**) by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Item unless each of the number of consecutive Scheduled Trading Days equal to the Specified Maximum Days of Disruption immediately following the Scheduled Relevant Date is a Disrupted Day relating to the Affected Item. In that case, (i) the last such consecutive Scheduled Trading Day shall be deemed to be the Relevant Date for the Affected Item, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine its good faith estimate of the value of the Affected Item as of the Valuation Time on that last such consecutive Scheduled Trading Day.

The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with General Condition 16 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been, as the case may be, an Averaging Date, an Observation Date, a Knock-in Determination Day, a Knock-in Period Beginning Date, a Knock-in Period Ending Date, a Knock-out Determination Day, a Knock-out Period Beginning Date, a Knock-out Period Ending Date, an Automatic Early Redemption Valuation Date or a Valuation Date.

2.2 Adjustment and Redemption Events

A. Potential Adjustment Events

- (a) Definitions

- (b) a distribution, issue or dividend (whether ordinary or extraordinary) to existing holders of the relevant Shares of (i) such Shares or (ii) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Basket Company or Share Company, as the case may be, equally or proportionately with such payments to holders of such Shares or (iii) share capital or other securities of another issuer acquired or owned (directly or indirectly) by the Basket Company or Share Company, as the case may be, as a result of a spin-off or other similar transaction or (iv) any other type of securities, rights or certificates or other assets, in any case for payment (in cash or in other consideration) at less than the prevailing market price as determined by the Calculation Agent;
- (c) a call by a Basket Company or Share Company, as the case may be, in respect of relevant Shares that are not fully paid;
- (d) a repurchase by the Basket Company or any of its subsidiaries or Share Company or any of its subsidiaries, as the case may be, of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise;

- (e) in respect of a Basket Company or Share Company, as the case may be, an event that results in any shareholder rights being distributed or becoming separated from shares of common stock or other shares of the capital stock of such Basket Company or Share Company, as the case may be, pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, certificates, debt instruments or stock rights at a price below their market value as determined by the Calculation Agent, provided that any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or
- (f) any other event having, in the opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

(b) Consequences of the occurrence of a Potential Adjustment Event

Following the declaration by the Basket Company or Share Company, as the case may be, of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will (i) make the corresponding adjustment, if any, to any relevant term(s) of the Notes, as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share) and (ii) determine the effective date of that adjustment. The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange.

Upon the making of any such adjustment by the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with General Condition 16, stating the adjustment to any relevant term(s) of the Notes and giving brief details of the Potential Adjustment Event.

B. EXTRAORDINARY EVENTS

(a) Definitions

Extraordinary Event means any of Merger Event, Tender Offer, De-Listing, Nationalisation and Insolvency.

De-Listing means, in respect of any relevant Shares, that the Exchange announces that pursuant to the rules of such Exchange, such Shares cease (or will cease) to be listed, traded or publicly quoted on the Exchange for any reason (other than a Merger Event or Tender Offer) and are not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in another member state of the European Union).

Insolvency means that by reason of the voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of or any analogous proceeding affecting the Basket Company or Share Company, as the case may be, (i) all the Shares of that Basket Company or Share Company, as the case may be, are required to be transferred to a trustee, liquidator or other similar official or (ii) holders of the Shares of that Basket Company or Share Company, as the case may be, become legally prohibited from transferring them.

(the **Percentage Range**) of the outstanding voting shares of the Basket Company or Share Company, as the case may be, as determined by the Calculation Agent, based upon the making of filings with governmental or self-regulatory agencies or such other information as the Calculation Agent deems relevant.

Tender Offer Date means, in respect of a Tender Offer, the date on which the voting shares in the amount of the Percentage Range are actually purchased or otherwise obtained, as determined by the Calculation Agent.

(b) Consequences of the occurrence of an Extraordinary Event

If an Extraordinary Event occurs in relation to a Share, the Issuer in its sole and absolute discretion may take, if applicable, any of the actions described in (i), (ii), (iii), (iv) (v) or (vi) below:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any relevant term(s) of the Notes to account for the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Notes. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency made by any options exchange to options on the Shares traded on that options exchange; or

- (ii) by giving notice to Noteholders in accordance with General Condition 16, redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of a Note taking into account the relevant Extraordinary Event(s), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion.
- (iii) require the Calculation Agent to calculate the fair market value of each Note taking into account the relevant Extraordinary Event(s) less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the **Calculated Amount**) as soon as practicable following the occurrence of the Extraordinary Event (the **Calculated Amount Determination Date**) and on the Maturity Date the Issuer shall redeem each Note at an amount calculated by the Calculation Agent equal to (x) the Calculated Amount plus interest accrued from and including the Calculated Amount Determination Date to but excluding the Maturity Date at a rate determined by the Calculation Agent in its sole and absolute discretion or (y) if greater, its nominal amount;
- (iv) require the Calculation Agent to calculate the fair market value of each optional component of the Note (being specified that such fair market values may be positive or negative) (the **Options Values**) as soon as practicable following the occurrence of an Extraordinary Event (the **Determination Date**), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion and on the Maturity Date, the Issuer shall redeem each Note at an amount calculated by the Calculation Agent equal to the sum of (x) the Specified Denomination and (y) the Capitalised Options Values. For the purposes of this paragraph, the **Capitalized Options Values** mean the Options Values capitalised to the EONIA Rate between the Determination Date and the third Business Day before the Maturity Date, as calculated by the Calculation Agent.
- (v) in the case of Equity linked Notes relating to a basket of Shares, redeem the Notes in part by giving notice to Noteholders in accordance with General Condition 16. If the Notes are so redeemed in part, the portion of each Note representing the Share(s) affected by the Extraordinary Event (the **Affected Share(s)**) shall be redeemed (the **Redeemed Amount**) and the Issuer will (i) pay to each Noteholder in respect of each Note held by him an amount equal to the fair market value of the Redeemed Amount, taking into account the Extraordinary Event, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any related underlying hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; and (ii) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any relevant term(s) of the Notes to account for such redemption in part. For the avoidance of doubt the remaining part of each Note after such cancellation and adjustment shall remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 16; or
- (vi) in the case of Equity linked Notes relating to a basket of Shares, on or after the relevant Merger Date, Tender Offer Date, or the date of the Nationalisation, Insolvency or De-Listing (as the case may be), require the Calculation Agent to adjust the basket of Shares by including a share selected by it in accordance with the criteria for share selection set out below (the **Substitute Shares**) in place of the Affected Share(s) and the Substitute Shares will be deemed to be Shares and the relevant issuer of such shares, a Share Company or a Basket Company for the purposes of the Notes, and the Calculation Agent will make such adjustment, if any, to any relevant term(s) of the Notes as the Calculation Agent in its sole and absolute discretion determines appropriate.

- (vii) Such substitution and the relevant adjustment to the basket of Shares will be deemed to be effective as of the date selected by the Calculation Agent (the **Substitution Date**) in its sole and absolute discretion and specified in the notice referred to in sub paragraph (c) below which may, but need not, be the Merger Date or Tender Offer Date or the date of the Nationalisation, Insolvency or De-Listing, as applicable.

The weighting of each Substitute Share will be equal to the Weighting of the relevant Affected Share.

In order to be selected as a Substitute Share, the relevant share must be a share which, in the sole and absolute discretion of the Calculation Agent:

- (a) is not already comprised in the basket of Shares;
- (b) the issuer of which belongs to a similar economic sector as the Share Company or Basket Company in respect of the Affected Share; and
- (c) the issuer of which is of comparable market capitalisation, international standing and exposure as the Share Company or Basket Company in respect of the Affected Share.

Upon the occurrence of an Extraordinary Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with General Condition 16 stating the occurrence of the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto, including, in the case of a Share Substitution, the identity of the Substitute Shares and the Substitution Date. In the event of any inconsistency between the General Conditions and the Index Linked Conditions, the Index Linked Conditions set out below shall prevail. In the event of any inconsistency between (i) the General Conditions and/or the Index Linked Conditions and (ii) the Final Terms, the Final Terms shall prevail.*

- (a) if **Postponement** is specified as applying in the applicable Final Terms, then the provisions "Consequences of the occurrence of Disrupted Days" below will apply for the purposes of determining the relevant level, price or amount on that Averaging Date, irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or

 - (ii) where the Notes are Index Linked Notes relating to a basket of Indices, the Averaging Date for each Index not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (the **Scheduled Averaging Date**) and the Averaging Date for each Index affected by the occurrence of a Disrupted Day (the **Affected Item**) shall be the first succeeding Valid Date (as defined below) in relation to such Index. If the first succeeding Valid Date in relation to such Index has not occurred for a number of consecutive Scheduled Trading days equal to the Specified Maximum Days of Disruption immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would

have been the final Averaging Date, then (A) that last such consecutive Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether such Scheduled Trading Day is already an Averaging Date) in respect of such Index, and (B) the Calculation Agent shall determine its good faith estimate of the relevant level of the Affected Item for that Averaging Date as of the Valuation Time on that last such consecutive Scheduled Trading Day.

Clearance System means the principal domestic clearance system customarily used for settling trades in the relevant securities.

2. EVENTS RELATING TO INDEX LINKED NOTES

2.1 Market Disruption Event, Disrupted Days and Consequences

(a) Definitions

Disrupted Day means:

- (i) in the case of a Composite Index, any Scheduled Trading Day on which: (A) the Index Sponsor fails to publish the level of the Index; (B) the Related Exchange fails to open for trading during its regular trading session; or (C) a Market Disruption Event has occurred; and
- (ii) in the case of any Index which is not a Composite Index, any Scheduled Trading Day on which the Exchange or the Related Exchange fails to open for trading during their regular trading session or a Market Disruption Event has occurred.

Early Closure means:

- (i) in the case of a Composite Index, the closure on any Exchange Business Day of the Exchange in respect of any Component Security or the Related Exchange prior to its Scheduled Closing Time unless such earlier closing is announced by such Exchange or Related Exchange (as the case may be) at least one hour prior to the earlier of: (A) the actual closing time for the regular trading session on such Exchange or Related Exchange (as the case may be) on such Exchange Business Day; and (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the relevant Valuation Time on such Exchange Business Day; and
- (ii) in the case of any Index which is not a Composite Index, the closure on any Exchange Business Day with respect to such Index of any relevant Exchange(s) relating to securities that comprise 20 per cent. or more of the level of such Index or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or Related Exchange(s) at least one hour prior to the earlier of (i) the actual closing time for the regular trading session on such Exchange(s) or Related Exchange(s) on such Exchange Business Day and (ii) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

Exchange Disruption means:

- (i) in the case of any Composite Index, any event (other than an Early Closure) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general to effect transactions in, or obtain market values for, (A) any Component Security on the Exchange in respect of such Component Security; or (B) in futures or options contracts relating to such Index on the Related Exchange; and
- (ii) in the case of any Index which is not a Composite Index, any event (other than an Early Closure) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (A) to effect transactions in, or obtain market values for on any relevant Exchange(s) in securities that comprise 20 per cent. or more of the level of the

relevant Index, or (B) to effect transactions in, or obtain market values for, futures or options contracts relating to the relevant Index on any relevant Related Exchange.

Market Disruption Event means, in relation to Notes relating to a single Index or basket of Indices:

- (i) in respect of a Composite Index:
 - (A) the occurrence or existence, in respect of any Component Security, of:
 - I. a Trading Disruption in respect of such Component Security, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded;
 - II. an Exchange Disruption in respect of such Component Security, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded; or
 - III. an Early Closure in respect of such Component Security; and
 - IV. the aggregate of all Component Securities in respect of which a Trading Disruption, an Exchange Disruption or an Early Closure occurs or exists comprises 20 per cent. or more of the level of such Index; or
 - (B) the occurrence or existence, in respect of futures or options contracts relating to such Index, of: (1) a Trading Disruption; (2) an Exchange Disruption, which in either case the Calculation Agent determines is material, at any time during the one hour period that ends at the Valuation Time in respect of the Related Exchange; or (3) an Early Closure, in each case in respect of such futures or options contracts.

For the purposes of determining whether a Market Disruption Event exists in respect of a Component Security at any time, if a Market Disruption Event occurs in respect of such Component Security at that time, then the relevant percentage contribution of that Component Security to the level of such Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that Component Security to (y) the overall level of such Index, in each case using the official opening weightings as published by the Sponsor as part of the market "opening data"; and

- (ii) in the case of Indices other than Composite Indices, the occurrence or existence of (A) a Trading Disruption, (B) an Exchange Disruption, which in either case the Calculation Agent determines is material, at any time during the one hour period that (x) for the purposes of the occurrence of a Knock-in Event, a Knock-out Event or an Automatic Early Redemption Event begins or ends at the time when the level of such Index triggers respectively the Knock-in Level or the Knock-out Level or (y) in all other circumstances ends at the relevant Valuation Time, or (C) an Early Closure. For the purposes of determining whether a Market Disruption Event exists at any time, if a Market Disruption Event occurs in respect of a security included in such Index at any time, then the relevant percentage contribution of that security to the level of such Index shall be based on a comparison of (x) the portion of the level of such Index attributable to that security and (y) the overall level of the Index, in each case immediately before the occurrence of such Market Disruption Event. The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 16 of the General Conditions of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been a Relevant Date.

Trading Disruption means:

- (i) in the case of a Composite Index, any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise: (A) relating to any Component Security on the Exchange in respect of such Component Security; or (B) in futures or options contracts relating to the Index on the Related Exchange; and
- (ii) in the case of an Index which is not a Composite Index, any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise (A) relating to securities that comprise 20 per cent. or more of the level of such Index on any relevant Exchange(s) or (B) in futures or options contracts relating to such Index on any relevant Related Exchange.

(b) Consequences of the occurrence of Disrupted Days

If a Relevant Date is a Disrupted Day, then:

- (i) in the case of Index linked Notes relating to a single Index, the Relevant Date shall be the first immediately succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the number of consecutive Scheduled Trading Days equal to the Specified Maximum Days of Disruption immediately following the Scheduled Relevant Date is a Disrupted Day. In that case, (A) the last such consecutive Scheduled Trading Day shall be deemed to be the Relevant Date, notwithstanding the fact that such day is a Disrupted Day, and (B) the Calculation Agent shall determine its good faith estimate of the level of the Index, as of the Valuation Time on that last such consecutive Scheduled Trading Day; or
- (ii) in the case of Index linked Notes relating to a basket of Indices, the Relevant Date for each Index not affected by the occurrence of a Disrupted Day shall be the Scheduled Relevant Date, and the Relevant Date for each Index affected (each an **Affected Item**) by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Item unless each of the number of consecutive Scheduled Trading Days equal to the Specified Maximum Days of Disruption immediately following the Scheduled Relevant Date is a Disrupted Day relating to the Affected Item. In that case, (A) the last such consecutive Scheduled Trading Day shall be deemed to be the Relevant Date for the Affected Item, notwithstanding the fact that such day is a Disrupted Day, and (B) the Calculation Agent shall determine its good faith estimate of the value of the Affected Item as of the Valuation Time on that last such consecutive Scheduled Trading Day.

The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with General Condition 16 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been, a Relevant Date.

2.2 Index Adjustments

(a) Successor Index / Sponsor

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent (the **Successor Sponsor**), or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a

substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the **Successor Index**) will be deemed to be the Index.

(b) Modification and Cessation of Calculation of an Index

If (i) on or prior to a Relevant Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an **Index Modification**), or permanently cancels a relevant Index and no Successor Index exists (an **Index Cancellation**), or (ii) on a Relevant Date, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an **Index Disruption** and, together with an Index Modification and an Index Cancellation, each an **Index Adjustment Event**), then

- (i) the Calculation Agent shall determine to substitute the Index with a Substitution Index. A **Substitution Index** means in relation to the Index affected by an Index Adjustment Event and at the discretion of the Calculation Agent, an index which principal terms are equivalent to those of the affected Index. Principal terms of an index include its strategy, its currency, the periodicity of its calculation and of the publication of its level, the type of its underlying assets, its geographic and economic zone or its rules; or
- (ii) the Calculation Agent shall calculate in a reasonable term after the occurrence of an Index Adjustment Event, the fair market value of each optional component of the Note (being specified that such fair market values may be positive or negative) (the **Options Values**), as soon as practicable following the occurrence of an Index Adjustment Event (the **Determination Date**), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion and, on the Maturity Date, the Issuer shall redeem each Note for an amount calculated by the Calculation Agent equal to the sum of (x) the Specified Denomination and (y) the Capitalised Options Values.

For the purposes of this paragraph, the **Capitalised Options Values** mean the Options Values capitalised at the EONIA Rate between the Determination Date and the third Business Day before the Maturity Date, as calculated by the Calculation Agent; or

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Notes and, if so, shall calculate the relevant level of the Index, using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Relevant Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities that comprised that Index immediately prior to that Index Adjustment Event; or
- (ii) by giving notice to Noteholders in accordance with General Condition 16, the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of a Note taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 16; or
- (iii) the Issuer may require the Calculation Agent to calculate the fair market value of each Note taking into account the Index Adjustment Event less the cost to the Issuer and/or its

Affiliates of unwinding any underlying related hedging arrangements (the **Calculated Amount**) as soon as practicable following the occurrence of the Adjustment Event (the **Calculated Amount Determination date**) and on the Maturity Date redeem each Note at an amount calculated by the Calculation Agent equal to (x) the Calculated Amount plus interest accrued from and including the Calculated Amount Determination Date to but excluding the Maturity Date at a rate determined by the Calculation Agent in its sole and absolute discretion; at such time or (y) if greater, at its nominal amount.

The Calculation Agent shall, as soon as practicable, notify the relevant Agent of any determination made by it pursuant to paragraph (b) above and the action proposed to be taken in relation thereto and such Agent shall make available for inspection by Noteholders copies of any such determinations.

2.3 Correction of the level of the Index

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment under the Notes calculated by reference to the level of an Index, if the level of the Index published on a given day and used or to be used by the Calculation Agent to make any determination under the Notes, is subsequently corrected and the correction published by the relevant Index Sponsor, the level to be used shall be the level of the Index as so corrected. Corrections published after the day which is three Exchange Business Days prior to a due date for payment under the Notes calculated by reference to the level of the Index will be disregarded by the Calculation Agent for the purposes of determining the relevant amount to be paid.

2.4 Additional Disruption Event

of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer, the Guarantor, (if applicable) and/or any of their respective Affiliates shall not be deemed an Increased Cost of Hedging.

- (ii) redeem the Notes by giving notice to Noteholders in accordance with General Condition 16. If the Notes are so redeemed the Issuer will pay an amount to each Noteholder in respect of each Note held by him which amount shall be the fair market value of a Note taking into account the Additional Disruption Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 16; or
- (iii) require the Calculation Agent shall to calculate the fair market value of each Note taking into account the Additional Disruption Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the **Calculated Additional Disruption Amount**) as soon as practicable following the occurrence of the Additional Disruption Event (the **Calculated Additional Disruption Amount Determination Date**) and on the Maturity Date redeem each Note at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Maturity Date at a rate determined by the Calculation Agent in its sole and absolute discretion or (y) if greater, at its nominal amount.
- (iv) require the Calculation Agent to calculate the fair market value of each optional component of the Note (being precised that such fair market values may be positive or negative) (the **Options Values**) as soon as practicable following the occurrence of an Additional Disruption Event (the **Determination Date**), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion and, on the Maturity Date, the Issuer shall redeem each Note for an amount calculated by the Calculation Agent equal to the sum of (x) the Specified Denomination and (y) the Capitalised Options Values.

For the purposes of this paragraph, the Capitalised Options Values mean the Options Values capitalized to the EONIA Rate between the Determination Date and the third Business Day before the Maturity Date, as calculated by the Calculation Agent.

- (n) any other events as specified in the relevant Final Terms.

4. Consequences of a Termination / Disruption Event

- (a) In case there is an embedded option in the Note (Disruption Event) and unless otherwise specified in the applicable Final Terms:

if, at any time prior to the Maturity Date, the Determining Party determines in its sole discretion that a Disruption Event has occurred, then the Hedging Party will unwind the Fund hedging arrangements entered into in respect of the Notes and consequently post on the date of such unwinding (hereafter the **Unwinding Date**) a redemption order for all the Fund Shares held as a hedge (the **Hedging Fund Shares**).

The Final Redemption Amount payable by the Issuer on the Maturity Date will be an amount calculated by the Calculation Agent and equal to:

- (i) the Specified Denomination (for capital guaranteed Notes only) or such other amount as specified in the applicable Final Terms (for non-capital guaranteed Notes), plus
- (ii) the Capitalised Option Value.

Where:

Capitalised Option Value means an amount in the Specified Currency determined in two steps:

- (i) The Determining Party will determine in its sole discretion the market value of the option (the **Final Option Value**), based on the Net Asset Value on which the redemption order posted on the Hedging Fund Shares has been executed, such

determination being made on the date of publication of the relevant Net Asset Value,

- (ii) The Final Option Value will be capitalised at the Specified Currency over-night rate (which appears on the Reuters Page as specified in the relevant Final Terms) from the date on which the Hedging Party has received the full proceeds for all the Hedging Fund Shares to the Maturity Date.

It is specified that, if on the Maturity Date, the Hedging Party has not received the full proceeds for all or part of the Hedging Fund Shares, the Issuer will only reimburse per Note an amount equal to the Specified Denomination (for capital guaranteed Notes only) or such other amount as specified in the applicable Final Terms (for non-capital guaranteed Notes) on such Maturity Date and pay the Option Proceeds on the earlier of (i) the fifth Business Day following the date on which the Hedging Party has received the full proceeds in respect of the Hedging Fund Shares and (ii) the date falling six months after the Maturity Date.

In the above paragraph, **Option Proceeds** means an amount determined by the Determining Party taking into account, in particular but not only, the amount of proceeds actually received in respect of the Hedging Fund Shares, if any, and the costs, if any, incurred by the Hedging Party in relation to the late payment of such proceeds.

- (b) In case there is no embedded option in the Note (Termination Event), relevant provisions shall be specified in the applicable Final Terms.

5. Exchange Traded Funds

2. Potential Adjustment Event

The following additional event shall be added to Equity linked Condition 2.2A:

1. General

1.1 Credit Terms

The Final Terms shall specify:

- (a) the type of Credit Linked Notes, being Single Reference Entity CLNs, Nth-to-Default CLNs, Linear Basket CLNs or such other type as may be specified in the Final Terms;
- (b) the Settlement Method (if not Auction Settlement) and, where Auction Settlement applies, the applicable Fallback Settlement Method;
- (c) the Reference Entity or Reference Entities;
- (d) the Reference Obligation(s) (if any) in respect of each Reference Entity;
- (e) the Trade Date and the Scheduled Maturity Date;
- (f) the Transaction Type applicable to each Reference Entity; and
- (g) the Floating Rate Payer Calculation Amount in respect of each Reference Entity.

1.2 Physical Settlement Matrix

Where a Transaction Type is specified in the Final Terms in respect of any Reference Entity, then the relevant Transaction Type provisions of the Physical Settlement Matrix shall apply with respect to such Reference Entity, as though such Physical Settlement Matrix were set out in full in the Final Terms.

1.3 Additional Provisions

If, in accordance with the specified Transaction Type or otherwise, any Additional Provisions are applicable, these Credit Linked Conditions shall take effect subject to the provisions thereof.

1.4 Linear Basket CLNs

If the Credit Linked Notes are Linear Basket CLNs, then the provisions of these Credit Linked Conditions relating to redemption of Credit Linked Notes following satisfaction of Conditions to Settlement, extension of maturity of Credit Linked Notes on delivery of an Extension Notice, cessation or suspension of accrual of interest or accrual and payment of interest following the Scheduled Maturity Date shall apply separately with respect to each Reference Entity and a principal amount of each Credit Linked Note corresponding to the Floating Rate Payer Calculation Amount divided by the number of Credit Linked Notes then in issue. The remaining provisions of these Credit Linked Conditions shall be construed accordingly.

2. Redemption

2.1 Redemption absent satisfaction of Conditions to Settlement

The Issuer will redeem each Credit Linked Note on the related Maturity Date (as such date may be extended in accordance with the definition thereof) by payment of an amount equal to the outstanding principal amount of such Credit Linked Note (or, in the case of Linear Basket CLNs, the relevant portion thereof as determined in accordance with Credit Linked Condition 1.4) (together with interest, if any, payable thereon) unless:

- (a) the Credit Linked Notes have been previously redeemed or purchased and cancelled in full (including pursuant to Credit Linked Conditions 2.2 or 2.3); or
- (b) the Conditions to Settlement have been satisfied, in which event the Issuer shall redeem the Credit Linked Notes in accordance with Credit Linked Condition 2.2.

2.2 Redemption following satisfaction of Conditions to Settlement

Upon satisfaction of the Conditions to Settlement in relation to any Reference Entity, each Credit Linked Note (or, in the case of Linear Basket CLNs, the relevant portion thereof as determined in accordance with Credit Linked Condition 1.4) will be subject to redemption:

- (a) if the applicable Settlement Method is Auction Settlement, by payment of its pro rata share of the Auction Settlement Amount on the Auction Settlement Date, unless a Fallback Settlement Event occurs, in which event the Issuer shall perform its respective payment and/or delivery obligations in accordance with the applicable Fallback Settlement Method. If the Conditions to Settlement with respect to a new Credit Event are satisfied following the occurrence of a Fallback Settlement Event with respect to a first Credit Event and no Fallback Settlement Event occurs with respect to such new Credit Event, the Issuer shall, if it so elects on or prior to a related Valuation Date or Delivery Date, redeem the Credit Linked Notes in accordance with this Credit Linked Condition 2.2(a) by Auction Settlement;
- (b) if the applicable Settlement Method is Physical Settlement, in accordance with Credit Linked Condition 4; and
- (c) if the applicable Settlement Method is Cash Settlement, by payment of its pro rata share of the Cash Settlement Amount on the Cash Settlement Date.

Where the Notes are Nth-to-Default CLNs, the Conditions to Settlement shall not be satisfied with respect to the Notes until the Conditions to Settlement are satisfied with respect to the Nth Reference Entity. Where the Notes are Nth-to-Default CLNs and the Conditions to Settlement are satisfied with respect to more than one Reference Entity on the same day, the Calculation Agent shall determine in its sole discretion the order in which such Conditions to Settlement were satisfied.

2.3 Redemption following a Merger Event

If this Credit Linked Condition 2.3 is specified as applicable in the applicable Final Terms, in the event that in the determination of the Calculation Agent a Merger Event has occurred, the Issuer may give notice to the Noteholders in accordance with General Condition 16 and redeem all but not some only of the Credit Linked Notes at the Early Redemption Amount on the Merger Event Redemption Date.

2.4 Suspension of Obligations

If a Credit Event Resolution Request Date occurs or if a notice is delivered to ISDA as contemplated in the definition of "Credit Event Resolution Request Date" in relation to any Reference Entity, then (unless the Issuer otherwise elects by notice to the Calculation Agent and the Noteholders) from the date delivery of such notice is effective (and notwithstanding that the relevant Credit Derivatives Determination Committee has yet to determine whether Publicly Available Information is available or that a Credit Event has occurred), any obligation of the Issuer to redeem any Credit Linked Note (including pursuant to Credit Linked Condition 2.2) or pay any amount of interest which would otherwise be due thereon shall, insofar as it relates to the relevant Reference Entity, be and remain suspended until such time as ISDA subsequently publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved with respect to such Reference Entity:

- (a) the matters described in sub-paragraphs (a) and (b) of the definition of "Credit Event Resolution Request Date"; or
- (b) not to determine such matters.

During such suspension period, the Issuer shall not be obliged to, nor entitled to, take any action in connection with the settlement of the Credit Linked Notes, in each case insofar as they relate to the relevant Reference Entity. Once ISDA has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved, the matters set out in paragraphs (a) and (b) above, such suspension shall terminate and any obligations so suspended shall resume on the basis of such Resolution on the CLN Business Day following such public announcement by ISDA, with the Issuer having the benefit of the full day notwithstanding when the suspension began. Any amount of interest so suspended shall, subject always to Credit Linked Condition 3.1, become due on the date determined by the Calculation Agent, in its sole discretion but not later than fifteen Business Days following such public announcement by ISDA.

Where payment of interest or principal is suspended in accordance with this Credit Linked Condition 2.4, no interest shall accrue on such interest or principal.

2.5 Redemption following an Additional Disruption Event

If the Calculation Agent determines that an Additional Disruption Event has occurred, the Issuer may redeem the Notes by giving notice to Noteholders in accordance with General Condition 16. If the Notes are so redeemed, the Issuer will pay an amount to each Noteholder in respect of each Note as shall be determined to be the fair market value of such Credit Linked Note as at or about the date of early redemption, taking into account, without limitation, (i) the Additional Disruption Event, less the cost to the Issuer and/or its affiliates of unwinding (including, but not limited to, the cost of or loss of funding and any applicable taxes) any related underlying hedging arrangements entered into in respect of such Credit Linked Notes, whether such hedge is held directly by the Issuer or the Guarantor or indirectly through an affiliate, and/or (ii) any replacement liquidity costs, and/or (iii) any other appropriate costs, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with General Condition 16.

In determining the fair market value of the Credit Linked Notes, the Calculation Agent shall take into consideration all information which it deems relevant (including, without limitation, market conditions).

2.6 Miscellaneous provisions relating to Redemption

If the Credit Linked Notes are partially redeemed, the relevant Credit Linked Notes or, if the Credit Linked Notes are represented by a Global Note, such Global Note, shall be endorsed to reflect such partial redemption. Upon such partial redemption, the outstanding principal amount of each Note shall be reduced for all purposes (including accrual of interest thereon) accordingly.

Redemption of any Credit Linked Note in accordance with Credit Linked Condition 2, together with payment of interest, if any, due thereon shall discharge all or the relevant portion of the obligations of the Issuer in relation thereto.

Any amount payable under Credit Linked Condition 2.2 shall be rounded downwards to the nearest sub-unit of the relevant currency.

3. Interest

3.1 Cessation of Interest Accrual

Upon the satisfaction of the Conditions to Settlement in respect of any Credit Linked Notes, interest on such Credit Linked Notes (or, in the case of Linear Basket CLNs, the relevant portion thereof, as determined in accordance with Credit Linked Condition 1.4) shall cease to accrue with effect from and including either: the Interest Payment Date immediately preceding the related Event Determination Date (or, in the case of the first Interest Period, the Interest Commencement Date), or as may be specified in the Final Terms.

3.2 Interest following Scheduled Maturity

Notwithstanding Credit Linked Condition 3.1, each Credit Linked Note shall cease to accrue interest from (but excluding) the Scheduled Maturity Date.

3.3 Interest Payment Dates

If the Credit Linked Notes are redeemed pursuant to the General Conditions or these Credit Linked Conditions, the Scheduled Maturity Date, the Maturity Date (if not the Scheduled Maturity Date), the Auction Settlement Date, the Cash Settlement Date or the last Delivery Date, as the case may be, shall be an Interest Payment Date in respect of each Credit Linked Note (or, in the case of Linear Basket CLNs, the relevant portion thereof as determined in accordance with Credit Linked Condition 1.4) and the Issuer shall pay any interest that has accrued in respect of each Credit Linked Note (or, as applicable, the relevant portion thereof as determined in accordance with Credit Linked Condition 1.4) on such Interest Payment Date.

4. Physical Settlement

4.1 Delivery and payment

If Physical Settlement applies to any Credit Linked Note, then, upon the satisfaction of the related Conditions to Settlement, the Issuer, or any third party appointed at its discretion, shall, on or prior to the related Physical Settlement Date and subject to Credit Linked Condition 4.2, 4.3 and 4.6, redeem such Credit Linked Note (or, in the case of Linear Basket CLNs, the relevant portion thereof, as determined in accordance with Credit Linked Condition 1.4), respectively, by:

- (a) delivering a pro rata share of the Deliverable Obligations specified in the related Notice of Physical Settlement; and

- (b) paying such Note's pro rata portion of the related Physical Settlement Adjustment Rounding Amount.

4.2 Partial Cash Settlement Due to Impossibility, Impracticability or Illegality

If, due to an event beyond the control of the Issuer, it is in the opinion of the Calculation Agent, impossible, impractical, (including, without limitation, due to the Issuer receiving insufficient or incorrect account or transfer information) or illegal for the Issuer to Deliver or, due to an event beyond the control of the Issuer or any Noteholder, it is in the opinion of the Calculation Agent impossible, impractical or illegal for the Issuer or the relevant Noteholder to accept Delivery of any of the Deliverable Obligations specified in a Notice of Physical Settlement on the related Physical Settlement Date, then on such date the Issuer shall Deliver any of the Deliverable Obligations specified in the Notice of Physical Settlement for which it is possible, practicable and legal to take Delivery. If any Undeliverable Obligations have not been delivered on or prior to the Latest Permissible Physical Settlement Date, then Partial Cash Settlement shall apply with respect to such Undeliverable Obligations and, accordingly, the Issuer shall pay the relevant Noteholders an amount equal to the Partial Cash Settlement Amount to be apportioned pro rata amongst the relevant Noteholders on the Partial Cash Settlement Date.

4.3 Non-Delivery of Deliverable Obligations

If the Issuer does not Deliver any Deliverable Obligation specified in a Notice of Physical Settlement other than as a result of an event or circumstance contemplated in Credit Linked Condition 4.2 above (including following the occurrence of a Hedge Disruption Event), such failure shall not constitute an Event of Default for the purpose of the Notes and the Issuer may continue to attempt to Deliver the Deliverable Obligations that are Bonds or Loans until the Extended Physical Settlement Date.

If, as at the relevant Extended Physical Settlement Date, any such Deliverable Obligations have not been Delivered, then Partial Cash Settlement shall apply with respect to such Deliverable Obligations and the Issuer shall pay to the Noteholders an amount equal to the Partial Cash Settlement Amount to be apportioned pro rata amongst the Noteholders on the Partial Cash Settlement Date.

4.4 Aggregation and Rounding

Where a Noteholder holds Credit Linked Notes in an aggregate nominal amount greater than the Specified Denomination, the Outstanding Principal Balance of the Deliverable Obligations to be Delivered in respect of the Credit Linked Notes shall be aggregated for the purposes of this Credit Linked Condition 4. If the nominal amount of the Deliverable Obligations to be Delivered in respect of each Credit Linked Note to be redeemed pursuant to this Credit Linked Condition 4.4 on any occasion is not equal to an authorised denomination (or integral multiple thereof) of such Deliverable Obligations then the nominal amount of Deliverable Obligations to be Delivered will be rounded down to the nearest authorised denomination or multiple thereof, or, if none, to zero. In such circumstances, the Deliverable Obligations that were not capable of being Delivered shall, if and to the extent practicable, be sold by the Issuer or such other agent as may be appointed by the Issuer for such purpose and, if they are so sold, the Issuer shall make payment in respect of each Credit Linked Note in an amount equal to its pro rata share of the related net sale proceeds as soon as reasonably practicable following receipt thereof.

4.5 Delivery and Fees

The Delivery of any of the Deliverable Obligations pursuant to the provisions of this Credit Linked Condition 4 shall be made in such commercially reasonable manner as the Issuer shall, in its sole

discretion, determine to be appropriate for such Delivery. Subject as set out in the definition of "Deliver":

- (a) any recordation, processing or similar fee reasonably incurred by the Issuer and/or any of its affiliates and payable to the agent under a Loan in connection with an assignment (where Deliverable Obligations include Assignable Loans or Consent Required Loans) shall be payable by the relevant Noteholders, and if any Stamp Tax is payable in connection with the Delivery of any Deliverable Obligations, payment thereof shall be made by the relevant Noteholders; and
- (b) any other expenses arising from the Delivery and/or transfer of the Deliverable Obligations shall be for the account of the Noteholders, determined in accordance with then current market conventions.

Delivery and/or transfer of the Deliverable Obligations shall be delayed until all expenses relating to such Delivery or transfer payable by the Noteholders have been paid to the satisfaction of the Issuer.

4.6 Asset Transfer Notice

A Noteholder will not be entitled to any of the amounts or assets specified as being due to it in this Credit Linked Condition 4.54.6 upon the satisfaction of the Conditions to Settlement unless it has presented or surrendered (as is appropriate) the relevant Credit Linked Note and delivered an Asset Transfer Notice in accordance with General Condition 9. For so long as the Credit Linked Notes are held in any clearing system, any communication from such clearing system on behalf of the Noteholder containing the information required in an Asset Transfer Notice will be treated as an Asset Transfer Notice. For as long as Bearer Notes are represented by a Global Note, surrender of Credit Linked Notes for such purpose will be effected by presentation of the Global Note and its endorsement to note the principal amount of Credit Linked Notes to which the relevant Asset Transfer Notice relates.

5. Provisions relating to Obligation Category and Characteristics and Deliverable Obligation Category and Characteristics

5.1 Obligation Characteristics

If the Obligation Characteristic "Listed" is specified in the applicable Final Terms or is applicable in respect of the applicable Transaction Type, the Final Terms shall be construed as though Listed had been specified as an Obligation Characteristic only with respect to Bonds and shall only be relevant if Bonds are covered by the selected Obligation Category.

5.2 Qualifying Guarantee

If an Obligation or a Deliverable Obligation is a Qualifying Guarantee, the following will apply:

- (a) For purposes of the application of the Obligation Category or the Deliverable Obligation Category, the Qualifying Guarantee shall be deemed to be described by the same category or categories as those that describe the Underlying Obligation.
- (b) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, both the Qualifying Guarantee and the Underlying Obligation must satisfy on the relevant date each of the applicable Obligation Characteristics or the Deliverable Obligation Characteristics, if any, specified in the applicable Final Terms or applicable in respect of the relevant Transaction Type from the following list: Specified Currency, Not Sovereign Lender, Not Domestic Currency and Not Domestic Law. For these

purposes, unless otherwise specified in the applicable Final Terms, (i) the lawful currency of any of Canada, Japan, Switzerland, the United Kingdom or the United States of America or the euro shall not be a Domestic Currency and (ii) the laws of England and the laws of the State of New York shall not be a Domestic Law.

- (c) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, only the Qualifying Guarantee must satisfy on the relevant date the Obligation Characteristic or the Deliverable Obligation Characteristic of Not Subordinated, if specified in the applicable Final Terms or if applicable in respect of the relevant Transaction Type.
- (d) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, only the Underlying Obligation must satisfy on the relevant date each of the applicable Obligation Characteristics or the Deliverable Obligation Characteristics, if any, specified in the applicable Final Terms or applicable in respect of the relevant Transaction Type from the following list: Listed, Not Contingent, Not Domestic Issuance, Assignable Loan, Consent Required Loan, Direct Loan Participation, Transferable, Maximum Maturity, Accelerated or Matured and Not Bearer.
- (e) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics to an Underlying Obligation, references to the Reference Entity shall be deemed to refer to the Underlying Obligor.
- (f) The terms "Outstanding Principal Balance" and "Due and Payable Amount" (as they are used in the Terms and Conditions, including without limitation, the definitions of "Cash Settlement Amount" and "Quotation Amount"), when used in connection with Qualifying Guarantees are to be interpreted to be the then "Outstanding Principal Balance" or "Due and Payable Amount", as applicable, of the Underlying Obligation which is supported by a Qualifying Guarantee.
- (g) The provisions of this Credit Linked Condition 5 will apply in respect of the definitions of "Obligation" and "Deliverable Obligation" as the context admits.

6. Succession Event

6.1 Single Reference Entity

Where the Notes are Single Reference Entity CLNs and a Succession Event has occurred and more than one Successor has been identified, each Credit Linked Note will be deemed for all purposes to have been divided into the same number of new Credit Linked Notes as there are Successors, with the following terms:

- (a) each Successor will be a Reference Entity for the purposes of one of the deemed new Credit Linked Notes;
- (b) in respect of each deemed new Credit Linked Note, the Floating Rate Payer Calculation Amount will be the Floating Rate Payer Calculation Amount applicable to the original Reference Entity divided by the number of Successors; and
- (c) all other terms and conditions of the original Credit Linked Notes will be replicated in each deemed new Credit Linked Note except to the extent that modification is required, as determined by the Calculation Agent in its sole discretion, to preserve the economic effects of the original Credit Linked Notes in the deemed new Credit Linked Notes (considered in the aggregate).

6.2 Nth-to-Default CLNs

Where the Notes are Nth-to-Default CLNs:

- (a) where a Succession Event has occurred in respect of a Reference Entity (other than a Reference Entity in respect of which a Credit Event has occurred) and more than one Successor has been identified, each Credit Linked Note will be deemed for all purposes to have been divided into a number of new Credit Linked Notes equal to the number of Successors. Each such new Credit Linked Note shall include a Successor and each and every one of the Reference Entities unaffected by such Succession Event and the provisions of Credit Linked Condition 6.1(a) to (c) (inclusive) shall apply thereto;
- (b) if "Substitution" is specified as not being applicable in the Final Terms, where any Reference Entity (the **Surviving Reference Entity**) (other than a Reference Entity that is subject to the Succession Event) would be a Successor to any other Reference Entity (the **Legacy Reference Entity**) pursuant to a Succession Event, such Surviving Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity; and
- (c) if "Substitution" is specified as being applicable in the Final Terms, where the Surviving Reference Entity (other than a Reference Entity that is subject to the Succession Event) would be a Successor to a Legacy Reference Entity pursuant to a Succession Event:
 - (i) such Surviving Reference Entity shall be deemed not to be a Successor to the Legacy Reference Entity; and
 - (ii) the Replacement Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity.

6.3 Linear Basket CLNs

Where the Credit Linked Notes are Linear Basket CLNs, and one or more Successors have been identified in respect of a Reference Entity that has been the subject of a related Succession Event (the **Affected Entity**):

- (a) the Affected Entity will no longer be a Reference Entity (unless it is a Successor as described in (b) below);
- (b) each Successor will be deemed a Reference Entity (in addition to each Reference Entity which is not an Affected Entity);
- (c) the Floating Rate Payer Calculation Amount for each such Successor will equal the Floating Rate Payer Calculation Amount of the Affected Entity divided by the number of Successors; and
- (d) the Calculation Agent may, at its discretion, make any modifications to the terms of the Notes which may be required to preserve the economic effects of the Notes prior to the Succession Event (considered in the aggregate).

6.4 Substitute Reference Obligations

Where:

- (a) a Reference Obligation is specified in the applicable Final Terms;

- (b) one or more Successors to the Reference Entity have been identified; and
- (c) any one or more such Successors have not assumed the Reference Obligation,

a Substitute Reference Obligation will be determined in accordance with the definition of "Substitute Reference Obligation".

7. Provisions relating to LPN Reference Entities

The following provisions shall apply if the relevant Final Terms provide that "LPN Reference Entity" is applicable:

- (d) with respect to any LPN Reference Obligation that specifies an Underlying Loan or an Underlying Financial Instrument, the outstanding principal balance shall be determined by reference to the Underlying Loan or Underlying Finance Instrument (as applicable) relating to such LPN Reference Obligation; and
- (e) the "Not Subordinated" Obligation Characteristic and Deliverable Obligation Characteristic shall be construed as if no Reference Obligation was specified in respect of the Reference Entity.

8. Restructuring Credit Event

8.1 Multiple Credit Event Notices

Upon the occurrence of a Restructuring Credit Event with respect to a Reference Entity for which Restructuring is an applicable Credit Event and either "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the Final Terms or is applicable in respect of the relevant Transaction Type:

- (a) the Calculation Agent may deliver multiple Credit Event Notices with respect to such Restructuring Credit Event, each such notice setting forth the amount of the relevant Floating Rate Payer Calculation Amount to which such Restructuring Credit Event applies (the **Exercise Amount**) provided that if the Credit Event Notice does not specify an Exercise Amount, the then outstanding Floating Rate Payer Calculation Amount (and not a portion thereof) will be deemed to have been specified as the Exercise Amount;
- (b) the provisions of these Credit Linked Conditions shall be deemed to apply to an aggregate outstanding principal amount equal to the Exercise Amount only and all the provisions shall be construed accordingly; and

- (c) the Exercise Amount in connection with a Credit Event Notice describing a Restructuring must be an amount that is at least 1,000,000 units of the Specified Currency (or, if Japanese Yen, 100,000,000 units) in which the Floating Rate Payer Calculation Amount is denominated or any integral multiple thereof or the entire relevant Floating Rate Payer Calculation Amount.

In the case of an Nth-to-Default CLN, once the Conditions to Settlement have been satisfied in respect of the Nth Reference Entity where the Credit Event is a Restructuring Credit Event, no further Credit Event Notices may be delivered in respect of any other Reference Entity (save to the extent that the Credit Linked Notes are deemed to have been divided into new Credit Linked Notes pursuant to Credit Linked Condition 6).

If any Credit Linked Note is subject to partial redemption in accordance with this Credit Linked Condition 8, the relevant Credit Linked Note or, if the Credit Linked Notes are represented by a Global Note, such Global Note shall be endorsed to reflect such partial redemption.

This Credit Linked Condition 8 shall not be applicable in respect of a Reference Entity for which Restructuring is an applicable Credit Event and neither "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" nor "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the Final Terms or is applicable in respect of the relevant Transaction Type.

In respect of any Reference Entity for which Restructuring is an applicable Credit Event, if "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" is specified in the Final Terms or is applicable in respect of the Transaction Type, and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation or, as applicable, Valuation Obligation, may be specified in a Notice of Physical Settlement, any NOPS Amendment Notice or, as applicable, selected by the Issuer to form part of the related Valuation Obligations Portfolio only if it:

- (a) is a Conditionally Transferable Obligation; and
- (b) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date.

In the event that the requisite consent in relation to a Deliverable Obligation which is a Conditionally Transferable Obligation is refused (whether or not a reason is given for such refusal and, where a

reason is given for such refusal, regardless of that reason) or is not received by the Physical Settlement Date, the Issuer shall, as soon as reasonably practicable, notify the relevant Noteholders of such refusal (or deemed refusal) and:

- (x) each such Noteholder may designate a third party (which may or may not be an Affiliate of such Noteholder) to take Delivery of the Deliverable Obligation on its behalf; and

Credit Linked Condition 4.4 shall not apply to this sub-paragraph.

8.4 Multiple Holder Obligations

Notwithstanding anything to the contrary in the definition of "Restructuring" and related provisions, the occurrence of, agreement to, or announcement of, any of the events described in sub-paragraphs (a)(i) to (v) (inclusive) thereof shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation, provided that any obligation that is a Bond shall be deemed to satisfy the requirements of sub-paragraph (b) of the definition of "Multiple Holder Obligation".

In performing its duties pursuant to the Credit Linked Notes, the Calculation Agent shall act in its sole and absolute discretion and, unless otherwise expressly stated, is not bound to follow or act in accordance with any determination of the relevant Credit Derivatives Determination Committee. Whenever the Calculation Agent is required to make any determination it may, *inter alia*, decide issues of construction and legal interpretation. If the Calculation Agent chooses to rely on the determinations of the relevant Credit Derivatives Determinations Committee it may do so without liability. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Credit Linked Notes including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent, the Issuer or the Guarantor (if applicable) shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

9.2 Change in Standard Terms and Market Conventions

The Calculation Agent, acting reasonably, may amend these Credit Linked Conditions from time to time to the extent that it determines necessary in order to ensure consistency with prevailing market standards or market trading conventions (as established pursuant to the agreement of the leading dealers in the credit derivatives market or any relevant committee established by ISDA, a market-wide protocol, any applicable law or regulation or the rules of any applicable exchange or clearing system) that would be or are applicable to any Notional Credit Derivative Transaction or Hedge Transaction from time to time. The Calculation Agent may not, without the consent of the Issuer amend pursuant to this Credit Linked Condition 9.2 any of the terms and conditions of the Credit

Linked Notes other than to the extent necessary to give effect to the relevant change(s). The Calculation Agent shall notify the Issuer and the Noteholders as soon as reasonably practicable upon making any such amendment.

9.3 Delivery of Notices

As soon as reasonably practicable after receiving a Credit Event Notice or Notice of Publicly Available Information from the Calculation Agent, the Issuer shall inform, or shall procure that the Calculation Agent informs the Noteholders in accordance with General Condition 16. Resolutions of the Credit Derivatives Determinations Committee are, as of the date hereof, available on ISDA's website (www.isda.org/credit).

Accreted Amount means, with respect to an Accreting Obligation, an amount equal to:

- (a) the sum of:

- in each case calculated as of the earlier of:
- (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal; and
 - (B) the Delivery Date or applicable Valuation Date, as the case may be.

Such Accreted Amount shall include any accrued and unpaid periodic cash interest payments (as determined by the Calculation Agent) only if "Include Accrued Interest" is specified as being applicable in the relevant Final Terms. Such yield shall be determined on a semi-annual bond equivalent basis using the original issue price of such obligation and the amount payable at the scheduled maturity of such obligation, and shall be determined as of the earlier of (x) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (y) the Delivery Date or applicable Valuation Date, as the case may be. - (B) each Issuer has executed a Deed of Covenant dated the Programme Date (the **Deed of Covenant**) relating to Global Notes issued by that Issuer pursuant to the Programme Agreement;
- (C) the Issuers and the Guarantor have entered into an Agency Agreement (the **Agency Agreement**, which expression includes the same as it may be amended, supplemented or restated from time to time) dated the Programme Date with the agents named therein;
- (D) in respect of Notes issued on or after the Programme Date, this Guarantee replaces the deed of guarantee (the **Previous Guarantee**) dated 22 July 2011 executed by the Guarantor (this does not affect any Notes issued under the Programme prior to the Programme Date); and
- (E) terms defined in the Terms and Conditions of the Notes as provided in the Base Prospectus relating to the Programme (the **Conditions**) shall have the same meaning when used in this Guarantee.

NOW THIS DEED WITNESSES as follows:

- (1) **Guarantee:** The Guarantor irrevocably and unconditionally guarantees by way of deed poll to each Holder that, if for any reason, an Issuer does not pay any sum payable by it to such Holder in respect of any Note or Coupon or under the Deed of Covenant or, in the event that any Physical Settlement Amounts (as defined in Condition 9 of the Conditions) fail to be delivered under the Conditions, fail to pay and deliver such Physical Delivery Amounts in accordance with the Conditions, as the case may be, (including any premium or any other amounts of whatever nature or additional amounts which may become payable under any of the foregoing) as and when the same shall become due under any of the foregoing, the Guarantor will within 14 Business Days after receipt of written notice pay to such Holder the amount payable by the relevant Issuer to such Holder, or deliver any Physical Delivery Amounts to be paid and delivered in accordance with the Conditions by the relevant Issuer to such Holder. This Guarantee shall apply to all Notes issued on or after the

Programme Date and all references herein to Notes shall be construed accordingly. Notes issued prior to the Programme Date shall continue to have the benefit of the Previous Guarantee or, if applicable, any deed of guarantee preceding the Previous Deed of Guarantee.

- (2) **Guarantor as Principal Debtor:** Without affecting the relevant Issuer's obligations, the Guarantor will be liable under this Guarantee as if it were the sole principal debtor and not merely a surety. Accordingly, it will not be discharged, nor will its liability be affected, by anything which would not discharge it or affect its liability if it were the sole principal debtor (including (a) any time, indulgence, waiver or consent at any time given to the relevant Issuer or any other person, (b) any amendment to any Note, any Coupon or the Deed of Covenant or to any security or other guarantee or indemnity, (c) the making or absence of any demand on the relevant Issuer or any other person for payment, (d) the enforcement or absence of enforcement of any Note, any Coupon, the Deed of Covenant or of any security or other guarantee or indemnity, (e) the release of any such security, guarantee or indemnity, (f) the dissolution, amalgamation, reconstruction or reorganisation of the relevant Issuer or any other person or (g) the illegality, invalidity or unenforceability of or any defect in any provision of any Note, any Coupon or the Deed of Covenant or any of the relevant Issuer's obligations under any of them).
- (3) **Guarantor's Obligations Continuing:** The Guarantor's obligations under this Guarantee are and will remain in full force and effect by way of continuing security until no sum remains payable under any Note, any Coupon or the Deed of Covenant. Furthermore, these obligations of the Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of a Holder, whether from the Guarantor or otherwise. The Guarantor irrevocably waives all notices and demands whatsoever.
- (4) **Repayment to the Issuer:** If any payment received by a Holder is, on the subsequent liquidation or insolvency of the relevant Issuer, avoided under any laws relating to liquidation or insolvency, such payment will not be considered as having discharged or diminished the liability of the Guarantor and this Guarantee will continue to apply as if such payment had at all times remained owing by the relevant Issuer.
- (5) **Indemnity:** As a separate and alternative stipulation, the Guarantor unconditionally and irrevocably agrees that any sum expressed to be payable by the relevant Issuer under any Note, any Coupon or the Deed of Covenant but which is for any reason (whether or not now known or becoming known to the relevant Issuer, the Guarantor or any Holder) not recoverable from the Guarantor on the basis of a guarantee will nevertheless be recoverable from it as if it were the sole principal debtor and will be paid by it to the Holder within 14 Business Days after receipt of written notice. This indemnity constitutes a separate and independent obligation from the other obligations in this Guarantee, gives rise to a separate and independent cause of action and will apply irrespective of any indulgence granted by any Holder.
- (6) **Status of Guarantee:** The Guarantee will constitute an unconditional and unsecured obligation of the Guarantor and ranks (save for statutorily preferred exceptions) *pari passu* with any other existing or future unsecured and unsubordinated obligations of the Guarantor.
- (7) **Incorporation of Conditions:** So long as any of the Notes remains outstanding (as defined in the Agency Agreement) the Guarantor will comply with the provisions applicable to it in the Conditions of the Notes as though the same were set out in full herein.
- (8) **Power to execute:** The Guarantor hereby warrants, represents and covenants with each Holder that it has all corporate power, and has taken all necessary corporate or other steps, to enable it to execute, deliver and perform this Guarantee, and that this Guarantee constitutes a legal, valid and binding obligation of the Guarantor in accordance with its terms.

- (9) **Deposit of Guarantee:** This Guarantee shall take effect as a Deed Poll for the benefit of the Holders from time to time and for the time being. This Guarantee shall be deposited with and held by CACEIS Bank Luxembourg, for the benefit of the Holders until all the obligations of the Guarantor have been discharged in full.
- (10) **Production of Guarantee:** The Guarantor hereby acknowledges the right of every Holder to the production of, and the right of every Holder to obtain (upon payment of a reasonable charge) a copy of, this Guarantee, and further acknowledges and covenants that the obligations binding upon it contained herein are owed to, and shall be for the account of, each and every Holder, and that each Holder shall be entitled severally to enforce the said obligations against the Guarantor.
- (11) **Subrogation:** Until all amounts which may be payable under the Notes, the Coupons and/or the Deed of Covenant have been irrevocably paid in full, the Guarantor shall not by virtue of this Guarantee be subrogated to any rights of any Holder or claim in competition with the Holders against the relevant Issuer.
- (12) **Contracts (Rights of Third Parties) Act 1999:** No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Guarantee, but this does not affect any right or remedy of any person which exists or is available apart from that Act.
- (13) **Governing Law and Jurisdiction:** This Guarantee and any non-contractual obligations arising out of or in connection with the Guarantee is governed by and shall be construed in accordance with English law. The Guarantor and each Holder hereby agree that the English courts are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Guarantee and that accordingly any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with this Guarantee shall be brought in such courts.

The Guarantor hereby appoints Crédit Agricole Corporate and Investment Bank, London branch, at its registered office for the time being in England (being presently at Broadwalk House, 5 Appold Street, London EC2A 2DA) as its agent for service of process in England in respect of any Proceedings and undertakes that in the event of it ceasing so to act it will appoint another person as its agent for that purpose.

IN WITNESS whereof this Guarantee has been executed as a deed on behalf of the Guarantor.

RECENT DEVELOPMENTS

Capitalisation of Crédit Agricole Corporate and Investment Bank (CACIB)

Except as set forth in this Base Prospectus including, for the avoidance of doubt, the Documents Incorporated by Reference, there has been no material change in the capitalisation of CACIB since 31 December 2011.

The share capital at 31 December 2011 as set out on page 97 the 2011 Shelf-Registration Document of CACIB reflects the consolidated capitalisation of CACIB before payment of the dividend proposed by the Board of the Directors on 21 February 2012 to CACIB's Annual General Shareholders' Meeting held on 9 May 2012. Shareholders are offered the option of receiving the dividend in cash or in newly issued shares.

Further to the resolution adopted by the Shareholders General Meeting of 9 May 2012, the shareholders may opt from 9 May 2012 until 21 June 2012 inclusive for the payment in shares of the dividends payable to them.

The stock dividend payment will result on 21 June 2012 in the issuance of a maximum of 17,751,981 new shares with a nominal value of € 27 each (representing a maximum increase of 7.07 per cent. of the share capital). This would result in a maximum capital increase of € 479,303,487, and a € 168,111,260.07 share premium, increasing CACIB's capital to € 7,254,575,271 (from € 6,775,271,784).

The new shares will carry dividend rights as of 1st January 2012 and will have the same rights as the existing shares of the CACIB.

The cash dividend for shareholders not opting for payment in shares will be also paid on 21 June 2012.

The payment of the dividend by CACIB will result in a payment of € 647,414,859.36 in the aggregate.

Between 31 December 2011 and 30 April 2012, the net principal amount of the CACIB's (parent company only, which reports in accordance with French GAAP) "debt securities in issue", for which the maturity date is more than one year, did not increase by more than € 400 million, and "subordinated debt securities", for which the maturity date is more than one year, did not decrease by more than € 300 million.

Updated financial data

An update of the financial data concerning CACIB was published with the first quarter 2012 financial results of Crédit Agricole Group in the document entitled "Update of the registration document - A02 ; Financial review at 31 March 2012" and available on Crédit Agricole SA's website at the following address:

Other events

On 29 March 2012, CACIB and CITIC Securities (CITICS) jointly announce an alternative transaction perimeter, and new negotiations on CLSA (Crédit Lyonnais Securities Asia)

The three main aspects of the announcement consisted in the following:

- The parties, with the full backing of CLSA management, are entering into new negotiations to allow CACIB to sell the remaining 80.1 per cent. of CLSA along with the upcoming acquisition of the 19.9 per cent. stake in CLSA by CITICS;

- Cheuvreux is no longer within the perimeter of the transaction and its new strategic orientations, currently under review will be announced at a later stage; and
- CLSA will maintain its management independence and continue to operate as an un-conflicted provider of global brokerage services.

On 29 March 2012 CA CIB and CITICS announced that, in view of new developments in economic conditions and the recent discussions between the parties, a consensus has been reached to modify the transaction announced in July 2011 and consider an alternative transaction structure, whereby the Parties enter into additional exclusive negotiations allowing CACIB to sell the remaining 80.1 per cent. of CLSA along with the acquisition of the 19.9 per cent. of CLSA shares on terms to be negotiated and agreed upon between the parties within a short timeframe.

CLSA will retain its independent management structure and continue to operate under a management agreement that allows for operational independence.

Both parties agree that CA CIB will maintain its financial, business and operational support to CLSA during the transition phase in order to ensure a smooth transition and avoid any disruption for CLSA clients and staff; in addition, CACIB aims at maintaining close relationships and cooperation with CLSA. Assuming the change in control, change to client counter-party risk will take place over time and will proceed in an orderly fashion.

Any new transaction will be subject to corporate and regulatory approvals.

The withdrawal of CA Cheuvreux from the scope of the transaction resulted in a € 40 million write-back of provisions in operating expenses in the first quarter of 2012.

BOOK-ENTRY CLEARANCE SYSTEMS

*The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear or Clearstream, Luxembourg (together, the **Clearing Systems**) currently in effect. The information in this section concerning the Clearing Systems has been obtained from sources that the Issuers and the Guarantor believe to be reliable, but none of the Issuers, the Guarantor nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuers, the Guarantor nor any other party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Notes held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.*

Book-entry Systems

DTC

DTC has advised the Issuer that it is a limited purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to Section 17A of the Exchange Act. DTC holds securities that its participants (**Participants**) deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc. Access to the DTC System is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (**Indirect Participants**).

Under the rules, regulations and procedures creating and affecting DTC and its operations (the **Rules**), DTC makes book-entry transfers of Registered Notes among Direct Participants on whose behalf it acts with respect to Notes accepted into DTC's book-entry settlement system (**DTC Notes**) as described below and receives and transmits distributions of principal and interest on DTC Notes. The Rules are on file with the Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Notes (**Owners**) have accounts with respect to the DTC Notes similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Owners. Accordingly, although Owners who hold DTC Notes through Direct Participants or Indirect Participants will not possess Registered Notes, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interest in respect of the DTC Notes.

Purchases of DTC Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Notes on DTC's records. The ownership interest of each actual purchaser of each DTC Note (**Beneficial Owner**) is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Notes are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not

receive certificates representing their ownership interests in DTC Notes, except in the event that use of the book-entry system for the DTC Notes is discontinued.

To facilitate subsequent transfers, all DTC Notes deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of DTC Notes with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Notes are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the DTC Notes within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to DTC Notes. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the DTC Notes will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the due date for payment in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the due date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

Under certain circumstances, including if there is an Event of Default under the Notes, DTC will exchange the DTC Notes for definitive Registered Notes, which it will distribute to its Participants in accordance with their proportionate entitlements and which, if representing interests in a Rule 144A Global Note, will be legended as set forth under "*Subscription and Sale*".

Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Owner desiring to pledge DTC Notes to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Notes, will be required to withdraw its Registered Notes from DTC as described below.

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each holds securities for its customers and facilitates the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream,

Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream, Luxembourg customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Book-entry Ownership of and Payments in respect of DTC Notes

The Issuer may apply to DTC in order to have any Tranche of Notes represented by a Registered Global Note accepted in its book-entry settlement system. Upon the issue of any such Registered Global Note, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Registered Global Note to the accounts of persons who have accounts with DTC. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in such a Registered Global Note will be limited to Direct Participants or Indirect Participants, including, in the case of any Regulation S Global Note, the respective depositaries of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in a Registered Global Note accepted by DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Registered Global Note accepted by DTC will be made to the order of DTC or its nominee as the registered holder of such Note. In the case of any payment in a currency other than U.S. dollars, payment will be made to the Exchange Agent on behalf of DTC or its nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Registered Global Note in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

The Issuer expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. The Issuer also expects that payments by Participants to beneficial owners of Notes will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Participant and not the responsibility of DTC, the Principal Paying Agent, the Registrar or the Issuer. Payment of principal, premium, if any, and interest, if any, on Notes to DTC is the responsibility of the Issuer.

Transfers of Notes Represented by Registered Global Notes

Transfers of any interests in Notes represented by a Registered Global Note within DTC, Euroclear and Clearstream, Luxembourg will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Notes represented by a Registered Global Note to such persons may depend upon the ability to exchange such Notes for Notes in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Notes represented by a Registered Global Note accepted by DTC to pledge such Notes to persons or entities that do not participate in the DTC system or otherwise to take action in respect of such Notes may depend upon the ability to exchange such Notes for Notes in definitive form. The ability of any holder of Notes represented by a Registered Global Note accepted by DTC to resell, pledge or otherwise transfer such Notes may be impaired if the proposed transferee of such Notes is not eligible to hold such Notes through a direct or indirect participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Notes described under "*Subscription and Sale*", cross-market transfers between DTC, on the one hand, and directly or indirectly through Clearstream, Luxembourg or Euroclear accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Registrar, the Fiscal Principal Paying Agent and any custodian (**Custodian**) with whom the relevant Registered Global Notes have been deposited.

On or after the Issue Date for any Series, transfers of Notes of such Series between accountholders in Clearstream, Luxembourg and Euroclear and transfers of Notes of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg and Euroclear, on the other, transfers of interests in the relevant Registered Global Notes will be effected through the Registrar, the Principal Paying Fiscal Agent and the Custodian receiving instructions (and, where appropriate, certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Clearstream, Luxembourg and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Notes among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuers, the Guarantor, the Agents or any Dealer will be responsible for any performance by DTC, Clearstream, Luxembourg, Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Notes represented by Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TAXATION

All prospective Noteholders should seek independent advice as to their tax position.

EU SAVINGS DIRECTIVE

Under EC Council Directive 2003/48/EC on the taxation of savings income (the **Savings Directive**), Member States are required, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within their jurisdiction to an individual resident in that other Member State or certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

The rate of such withholding tax equals 35 per cent. as from 1 July 2011 and until the end of the transitional period. The ending of such transitional period is dependent upon the conclusion of certain agreements relating to information exchange between the European Union and certain jurisdictions (including, inter alia, Switzerland, Liechtenstein, San Marino, Monaco, Andorra, and the United States of America).

The European Commission has proposed certain amendments to the Savings Directive, which may if implemented amend or broaden the scope of the requirements described above.

TAXATION IN FRANCE

The description below should only be considered as a brief summary of certain French tax consequences stemming from the holding of Notes. Potential investors should not rely upon such summary, and should ask for their own tax adviser's advice on their individual taxation.

Withholding tax

Notes issued by Crédit Agricole CIB and Crédit Agricole CIB FS which are not consolidated (assimilables for the purpose of French law) and form a single series with Notes issued before 1 March 2010

Following the introduction of the French *loi de finances rectificative pour 2009* n°3 (n° 2009-1674 dated 30 December 2009) (the **Law**), payments of interest and other revenues made by Crédit Agricole CIB or Crédit Agricole CIB FS, in each case as Issuer, with respect to Notes issued from 1 March 2010 (other than Notes (as described below) which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued prior to 1 March 2010 with the benefit of article 131 *quater* of the French *Code général des impôts*) will not be subject to the withholding tax set out under article 125 A III of the French *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of article 238-0 A of the French *Code général des impôts* (a **Non-Cooperative State**). If such payments under the Notes are made in a Non-Cooperative State, a 50 per cent. withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of article 125 A III of the French *Code général des impôts*.

Furthermore, according to article 238 A of the French *Code général des impôts*, interest and other revenues on such Notes are not deductible from the relevant Issuer's taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to article 109 of the French *Code général des impôts*, in which case such

non-deductible interest and other revenues may be subject to the withholding tax set out under article 119 *bis* of the French *Code général des impôts*, at a rate of 30 per cent. or 55 per cent. subject to the more favourable provisions of an applicable double tax treaty.

Notwithstanding the foregoing, the Law provides that neither the 50 per cent. withholding tax set out under article 125 A III of the French *Code général des impôts* nor the non-deductibility provided under article 238 A of the French *Code général des impôts* will apply in respect of an issue of Notes if the relevant Issuer can prove that the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the **Exception**). Pursuant to the ruling (*rescrit*) n° 2010/11 (FP and FE) of the French tax authorities dated 22 February 2010, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

- (i) offered by means of a public offer within the meaning of article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

All Notes issued by Crédit Agricole CIB or Crédit Agricole CIB FS will be admitted upon issuance to the clearing operations of a Relevant Clearing System.

Notes issued by Crédit Agricole CIB or Crédit Agricole CIB FS which are consolidated (assimilables for the purpose of French law) and form a single series with Notes issued before 1 March 2010

Payments of interest and other revenues made by Crédit Agricole CIB or Crédit Agricole CIB FS, in each case as Issuer, with respect to Notes which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued before 1 March 2010 with the benefit of article 131 *quater* of the French *Code général des impôts* will be exempt from the withholding tax set out under article 125 A III of the French *Code général des impôts*.

Notes issued before 1 March 2010 and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of rulings (*rescrits*) n°2007/59 (FP) and n°2009/23 (FP) of the French tax authorities dated 8 January 2008 and 7 April 2009, respectively, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of article 131 *quater* of the French *Code général des impôts*, in accordance with Circular 5 I-11-98 of the French tax authorities dated 30 September 1998 and the aforementioned rulings (*rescrits*) n°2007/59 (FP) and n°2009/23 (FP).

In addition, interest and other revenues paid by Crédit Agricole CIB or Crédit Agricole CIB FS as Issuer on Notes which are to be consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued before 1 March 2010 will not be non-deductible in application of article 238 A of the French *Code général des impôts* and will not be subject to the withholding tax set out in article 119 *bis* of the French

Code général des impôts solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Savings Directive

The Savings Directive was implemented into French law under Article 242 *ter* of the French *Code général des impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Please refer to the section "*EU Savings Directive*" above for more details.

Transfer tax

The following may be relevant in connection with Notes which may be settled by way of physical delivery of certain defined securities issued by certain listed French entities.

Until 31 July 2012, the disposal for consideration of French shares is, in principle, subject to a transfer tax (provided in the case of shares listed on a recognised stock exchange that the transfer is evidenced by a deed or agreement) with application of the following declining rates: 3 per cent. for the fraction of the price up to 200,000 Euros, 0.5 per cent. for the fraction of the price comprised between 200,000 Euros and 500,000,000 Euros and 0.25 per cent. for the fraction of the price exceeding 500,000,000 Euros (the **Transfer Tax**).

As from 1 August 2012, pursuant to the French *loi de finances rectificative pour 2012* dated 14 March 2012, the following changes are applicable:

The modification of the rates in respect of the Transfer Tax with the consequence that the disposal of French securities would, in principle, be subject to a 0.1 per cent. transfer tax (the **New Transfer Tax**), provided in the case of shares listed on a recognised stock exchange that the transfer is evidenced by a written deed or agreement.

The introduction of a financial transaction tax in France (the **French Financial Transaction Tax**) to be imposed on certain acquisitions over French listed shares (or certain assimilated securities) where the relevant issuer's stock market capitalisation exceeds 1 billion Euros. The French Financial Transaction Tax rate is 0.1 per cent. of the acquisition price of the transaction.

If the French Financial Transaction Tax applies to a transaction, an exemption in respect of the New Transfer Tax would be applicable.

TAXATION IN GUERNSEY

The Savings Directive was implemented into Guernsey Law by the Foreign Tax (Retention Arrangements)(Guernsey and Alderney) Law, 2004 and the Foreign Tax (Retention Arrangements) (Guernsey and Alderney) Ordinance, 2005. This imposes on paying agents based in Guernsey an obligation to either report to the Guernsey tax authorities information regarding interest payments made to a resident in a Member State, or to retain tax from any interest payments and remit the tax withheld to the Guernsey tax authorities for payment onto the Member State in which the beneficial owner is resident.

At its meeting on 24 November 2010 the Guernsey States of Deliberation passed a resolution to move to full exchange of information and abolish retention tax with effect from 1 July 2011. On the basis that there is no paying agent in Guernsey for the purposes of the EU Savings Tax Directive, there will be no requirement to implement measures in accordance with the Directive.

Until 31 December 2007, Crédit Agricole CIB FP and Crédit Agricole CIB FG were granted tax exempt status in Guernsey pursuant to the Income Tax (Exempt Bodies) (Guernsey) Ordinance 1989. On June 2006 the States of Guernsey resolved to reduce the general rate of income tax paid by Guernsey companies to 0 per cent.. Accordingly "The Income Tax (Zero 10) (Guernsey) Law, 2007 was approved by the States of Guernsey in September 2007 and the general rate of income tax to be paid by Guernsey companies was reduced to 0 per cent. with effect from the tax year 2008 and subsequent years. The legislation also abolished the exempt company status with effect from the 1 January 2008 and introduced a 10 per cent. company intermediate rate which applies to certain activities carried on by banks licensed under the Banking Supervision (Bailiwick of Guernsey) Law, 1994 and regulated by the Guernsey Financial Services Commission. The 10 per cent. company intermediate rate also applies in relation to the profits arising from the provision of credit facilities by any business in the ordinary course of its business. The activities of Crédit Agricole CIB FP and Crédit Agricole CIB FG will not be subject to the company intermediate rate.

Provided a Noteholder does not carry on business in Guernsey and is not resident in Guernsey for Guernsey tax purposes, he will not suffer any charge to Guernsey income tax on any interest payments received from Crédit Agricole CIB FP and Crédit Agricole CIB FG, nor will such a holder be required to file or make any return to the Income Tax Authority in Guernsey.

Capital Gains Tax, Wealth Tax, Capital Transfer Tax and Estate or Inheritance Tax do not exist under current Guernsey law and as such no liability to tax will arise on the issue, transfer, realisation or redemption of Notes issued by Crédit Agricole CIB FP and Crédit Agricole CIB FG, nor is any stamp duty or similar tax payable in Guernsey on the issue or transfer of such Notes.

A Noteholder who is resident for tax purposes in Guernsey or who carries on a trade in Guernsey through a branch or agency (to which the Notes are attributable) may be subject to Guernsey income tax on the interest paid in respect of the Notes, and should seek independent tax advice, if necessary, on the liability to tax on, and necessity to disclose, the relevant amounts.

TAXATION IN ITALY

The statements herein regarding taxation are based on the laws in force in the Republic of Italy as at the date of this Base Prospectus and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective purchasers of the Notes are advised to consult their own tax advisers concerning the overall tax consequences of their ownership of the Notes.

Tax Treatment of the Notes

Legislative Decree No. 239 of 1 April 1996, as a subsequently amended, (the **Decree No. 239**) provides for the applicable regime with respect to the tax treatment of interest, premium and other income (including the difference between the redemption amount and the issue price) from Notes falling within the category of bonds (*obbligazioni*) or debentures similar to bonds (*titoli similari alle obbligazioni*) issued, *inter alia*, by non-Italian resident issuers.

Italian Resident Noteholder

Where the Notes have an original maturity of at least 18 months and an Italian resident Noteholder is (i) an individual not engaged in an entrepreneurial activity to which the Notes are connected (unless he has opted for the application of the *risparmio gestito regime* – see "*Capital Gains Tax*" below), (ii) a non-commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, interest, premium and other income relating to the Notes, accrued during the

relevant holding period, are subject to a withholding tax, referred to as "*imposta sostitutiva*", levied at the rate of 12.50 per cent. In the event that the Noteholders described under (i) and (iii) above are engaged in an entrepreneurial activity to which the Notes are connected, the *imposta sostitutiva* applies as a provisional tax.

Where an Italian resident Noteholder is a company or similar commercial entity or a permanent establishment in Italy of a foreign company to which the Notes are effectively connected and the Notes are deposited with an authorised intermediary, interest, premium and other income from the Notes will not be subject to *imposta sostitutiva*, but must be included in the relevant Noteholder's income tax return and are therefore subject to general Italian corporate taxation (and, in certain circumstances, depending on the "status" of the Noteholder, also to IRAP - the regional tax on productive activities).

Under the current regime provided by Law Decree No. 351 of 25 September 2001 converted into law with amendments by Law No. 410 of 23 November 2001, as amended by Law Decree No. 269 of 30 September 2003 converted into Law No. 326 of 24 November 2003, as clarified by the Ministry of Economic Affairs and Finance through Circular No. 47/E of 8 August 2003, payments of Interest, premiums or other proceeds in respect of the Notes made to Italian resident real estate investment funds established pursuant to Article 37 of Legislative Decree No. 58 of 24 February 1998, as amended and supplemented, or pursuant Article 14-*bis* of Law No. 86 of 25 January 1994 are subject neither to *imposta sostitutiva* nor to any other income tax in the hands of a real estate investment fund.

If the investor is resident in Italy and is an open-ended or closed-ended investment fund (the **Fund**) or a SICAV, and the Notes are held by an authorized intermediary, interest, premium and other income accrued during the holding period on the Notes will not be subject to *imposta sostitutiva*, but must be included in the management results of the Fund accrued at the end of each tax period, subject to an ad-hoc substitute tax applicable at a 20 per cent rate.

Where an Italian resident Noteholder is a pension fund (subject to the regime provided for by article 17 of the Legislative Decree No. 252 of 5 December 2005) and the Notes are deposited with an authorised intermediary, interest, premium and other income relating to the Notes and accrued during the holding period will not be subject to *imposta sostitutiva*, but must be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to a 11.00 per cent. substitute tax.

Pursuant to Decree No. 239, *imposta sostitutiva* is applied by banks, SIMs, fiduciary companies, SGRs, stockbrokers and other entities identified by a decree of the Ministry of Economy and Finance (each an **Intermediary**).

An Intermediary must (i) be resident in Italy or be a permanent establishment in Italy of a non-Italian resident financial intermediary and (ii) intervene, in any way, in the collection of interest or in the transfer of the Notes. For the purpose of the application of the *imposta sostitutiva*, a transfer of Notes includes any assignment or other act, either with or without consideration, which results in a change of the ownership of the relevant Notes or in a change of the Intermediary with which the Notes are deposited.

Where the Notes are not deposited with an Intermediary, the *imposta sostitutiva* is applied and withheld by any entity paying interest to a Noteholder.

If the Notes are issued for an original maturity of less than 18 months, the *imposta sostitutiva* applies at the rate of 27 per cent.. The 27 per cent. *imposta sostitutiva* is also applied to any payment of interest or premium relating to the Bonds made to (i) Italian pension funds, (ii) Italian Funds and (iii) Italian SICAVs.

Non-Italian Resident Noteholders

No Italian *imposta sostitutiva* is applied on payments to a non-Italian resident Noteholder of interest or premium relating to the Notes provided that (i) the Notes are traded on regulated markets or (ii) the Notes are

held in Italy and the non-Italian resident Noteholder declares itself to be a non-Italian resident according to Italian tax regulations.

Early Redemption

Without prejudice to the above provisions, in the event that Notes having an original maturity of at least 18 months are redeemed prior to 18 months from their issue date or, under certain conditions, if repurchased by the Issuer within this period (Resolution No. 11 of 31 January 2011 of the Italian Revenue Agency (*Agenzia delle Entrate*)), Italian resident Noteholders will be required to pay, by way of a withholding to be applied by the Italian intermediary responsible for payment of interest or the redemption of the Notes, an amount equal to 20 per cent. of the interest and other amounts accrued.

Atypical securities

Interest payments relating to Notes that are not deemed to fall within the category of bonds (*obbligazioni*) or debentures similar to bonds (*titoli similari alle obbligazioni*) may be subject to a withholding tax, levied at the rate of 27 per cent. For this purpose, debentures similar to bonds are securities that incorporate an unconditional obligation to pay, at redemption, an amount not lower than their nominal value.

The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Noteholder and to an Italian resident Noteholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

Capital gains tax

Any gain obtained from the sale or redemption of the Notes would be treated as part of taxable income (and, in certain circumstances, depending on the "status" of the Noteholder, also as part of the net value of production for IRAP purposes) if realised by an Italian company or a similar commercial entity (including the Italian permanent establishment of foreign entities to which the Notes are connected) or Italian resident individuals engaged in an entrepreneurial activity to which the Notes are connected.

Where an Italian resident Noteholder is an individual not holding the Notes in connection with an entrepreneurial activity and certain other persons, any capital gain realised by such Noteholder from the sale or redemption of the Notes would be subject to an *imposta sostitutiva*, levied at the current rate of 12.5 per cent. Noteholders may set off losses with gains.

In respect of the application of the *imposta sostitutiva*, taxpayers may opt for one of the three regimes described below.

Under the tax declaration regime (*regime della dichiarazione*), which is the default regime for Italian resident individuals not engaged in entrepreneurial activity to which the Notes are connected, the *imposta sostitutiva* on capital gains will be chargeable, on a cumulative basis, on all capital gains, net of any incurred capital loss, realised by the Italian resident individual Noteholders holding Notes not in connection with an entrepreneurial activity pursuant to all sale or redemption of the Notes carried out during any given tax year. Italian resident individuals holding Notes not in connection with an entrepreneurial activity must indicate the overall capital gains realised in any tax year, net of any relevant incurred capital loss, in the annual tax return and pay *imposta sostitutiva* on such gains together with any balance of income tax due for such year. Capital losses in excess of capital gains may be carried forward against capital gains realised in any of the four succeeding tax years.

As an alternative to the tax declaration regime, Italian resident individual Noteholders holding the Notes not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Notes (the *risparmio amministrato* regime). Such separate

taxation of capital gains is allowed subject to (i) the Notes being deposited with Italian banks, SIMs or certain authorised financial intermediaries; and (ii) an express election for the *risparmio amministrato* regime being made punctually in writing by the relevant Noteholder. The depository is responsible for accounting *imposta sostitutiva* in respect of capital gains realised on each sale or redemption of the Notes (as well as in respect of capital gains realised upon the revocation of its mandate), net of any incurred capital loss, and is required to pay the relevant amount to the Italian tax authorities on behalf of the taxpayer, deducting a corresponding amount from the proceeds to be credited to the Noteholder or using funds provided by the Noteholder for this purpose. Under the *risparmio amministrato* regime, where a sale or redemption of the Notes results in a capital loss, such loss may be deducted from capital gains subsequently realised, within the same securities management, in the same tax year or in the following tax years up to the fourth. Under the *risparmio amministrato* regime, Noteholder is not required to declare the capital gains in its annual tax return.

Any capital gains realised by Italian resident individuals holding the Notes not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Notes, to an authorised intermediary and who have opted for the so-called "*risparmio gestito*" regime will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary. Under the *risparmio gestito* regime, any depreciation of the managed assets accrued at year end may be carried forward against the increase in value of the managed assets accrued in any of the four succeeding tax years. Under the *risparmio gestito* regime, the Noteholder is not required to declare the capital gains realised in its annual tax return.

Any capital gains realised by a Noteholder which is an Italian open-ended or a closed-ended investment fund or a SICAV will be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to the 12.5 per cent substitute tax.

Any capital gains realised by a Noteholder which is an Italian pension fund (subject to the regime provided for by article 17 of the Legislative Decree No. 252 of 5 December 2005) will be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to the 11 per cent. substitute tax.

Capital gains realised by non-Italian resident Noteholders from the sale or redemption of Notes are not subject to Italian taxation provided that the Notes (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside Italy.

Inheritance and gift taxes

Pursuant to Law Decree No. 262 of 3 October 2006 (**Decree No. 262**), converted into Law No. 286 of 24 November 2006, as subsequently amended, the transfers of any valuable asset (including shares, bonds or other securities) as a result of death or donation are taxed as follows:

- (i) transfers in favour of spouses and direct descendants or direct ancestors are subject to an inheritance and gift tax applied at a rate of 4 per cent. on the value of the inheritance or the gift exceeding € 1,000,000;
- (ii) transfers in favour of relatives to the fourth degree or relatives-in-law to the third degree are subject to an inheritance and gift tax at a rate of 6 per cent. on the entire value of the inheritance or the gift. Transfers in favour of brothers/sisters are subject to the 6 per cent. inheritance and gift tax on the value of the inheritance or the gift exceeding € 100,000; and
- (iii) any other transfer is, in principle, subject to an inheritance and gift tax applied at a rate of 8 per cent. on the entire value of the inheritance or the gift.

Transfer Tax

Article 37 of Law Decree No 248 of 31 December 2007, converted into Law No. 31 of 28 February 2008, published on the Italian Official Gazette No. 51 of 29 February 2008, has abolished the Italian transfer tax, provided for by Royal Decree No. 3278 of 30 December 1923, as amended and supplemented by the Legislative Decree No. 435 of 21 November 1997.

Following the repeal of the Italian transfer tax, as from 31 December 2007 contracts relating to the transfer of securities are subject to the registration tax as follows: (i) public deeds and notarized deeds are subject to fixed registration tax at rate of € 168; (ii) private deeds are subject to registration tax only in case of use or voluntary registration.

Implementation in Italy of the Savings Directive

Italy has implemented the Savings Directive through Legislative Decree No. 84 of 18 April 2005 (**Decree No. 84**). Under Decree No. 84, subject to a number of important conditions being met, in the case of interest paid to individuals which qualify as beneficial owners of the interest payment and are resident for tax purposes in another Member State, Italian qualified paying agents shall not apply the withholding tax and shall report to the Italian Tax Authorities details of the relevant payments and personal information on the individual beneficial owner. Such information is transmitted by the Italian Tax Authorities to the competent foreign tax authorities of the State of residence of the beneficial owner.

TAXATION IN FINLAND

The following is a summary of certain Finnish tax consequences for holders of certain categories of the Notes who are residents of Finland for tax purposes. The summary is based on tax laws and taxation practice, as in effect and applied as at the date of this Base Prospectus, with respect to Notes linked to a certain index or the value of an underlying security generally, and is intended to provide general information only. The tax treatment of certain categories of the Notes is not in all respects established and is, therefore, to some extent uncertain. Tax laws, taxation practices and their interpretation are constantly under change, which changes may sometimes have a retroactive effect and may change the conclusions set out in the summary.

The summary covers only the tax consequences of the subscription, purchase, ownership and disposition of the Notes by individuals who are taxed in accordance with the Finnish Income Tax Act and by Finnish limited liability companies taxed in accordance with the Finnish Business Income Tax Act. The summary does not cover situations where individuals hold the Notes in context of business activities. The summary does neither cover situations where the Notes are held as investment assets or current assets (i.e. allocable to the inventory or otherwise held for trading purposes) by a limited liability company or where there are unrealized changes in the values of the Notes that are held for trading purposes. This summary addresses neither Finnish gift nor inheritance tax consequences nor Finnish CFC-legislation.

The tax treatment of each holder of the Notes partly depends on the holder's specific situation. This means that special tax consequences, which are not described below, may arise for certain categories of holders of the Notes as a consequence of, for example, the effect and applicability of foreign income tax rules or provisions contained in an applicable double taxation treaty.

Each prospective investor should consult a tax adviser as to the tax consequences relating to its particular circumstances resulting from subscription, purchase, ownership and disposition of the Notes.

Individuals

Disposal and/or redemption of the Notes

All capital income of individuals – including capital gains – is currently taxed at a flat rate of 28 per cent. Capital losses are deductible from capital gains arising in the same year and the three following years, but not from other capital income.

A gain arising from the disposal of the Notes (other than the redemption thereof) constitutes capital gain for individuals. Upon the disposal of interest-bearing Notes, an amount corresponding to the interest for the time preceding the last interest payment date to the time of disposal of such Notes must normally first be deducted from the sales price, which amount is deemed to constitute capital income (but is not treated as capital gain).

A gain arising from the redemption of the Notes constitutes capital income, but is likely not to be treated as capital gain. Accordingly, as capital losses are not deductible from other capital income than capital gains, it is unlikely that capital losses from other investments would be deductible from any gain realised at the redemption of the Notes.

A loss from the disposal of the Notes is deductible from capital gains from other investments arising during the year of disposal and the three subsequent years and a loss from redemption of the Notes is likely to be deductible from capital gains from other investments arising during the year of redemption and the three subsequent years.

Any capital gain or loss is calculated by deducting the original acquisition cost and sales related expenses from the sales price. Alternatively, individuals may, in lieu of applying the actual acquisition costs, choose to apply a so-called presumptive acquisition cost, which is equal to 20 per cent of the sales price or 40 per cent of the sales price if the Notes have been held for at least ten years. If the presumptive acquisition cost is used instead of the actual acquisition cost, any sales expenses are deemed to be included therein and may, therefore, not be deducted in addition to the presumptive acquisition cost.

Interest or compensation comparable to interest paid on Notes

Any interest or compensation comparable to interest paid on the Notes during their respective loan period constitutes capital income of the individual.

Advance tax withholding

Any interest or compensation comparable to interest on the Notes, including any deemed interest upon the disposal of the Notes, and any gain on the redemption of the Notes is subject to an advance tax withholding by the Finnish paying agent at the rate of 28 per cent. Such advance tax withholding will be used for the payment of the individual's final taxes.

Exceptions to capital gains and losses

Capital gains arising from disposal of assets, such as the Notes, are generally exempted from tax provided that the sales prices of all assets sold by the individual during the calendar year do not, in the aggregate, exceed € 1,000. Correspondingly, capital losses are generally not tax deductible if the acquisition cost of all assets disposed during the calendar year does not, in the aggregate, exceed € 1,000.

Corporate entities

Disposal and/or redemption of the Notes

Any income received from the disposal and/or redemption of the Notes (including capital return) constitutes, as a general rule, part of the limited liability company's taxable business income. A limited liability company is subject to a corporate income tax, currently at the rate of 26 per cent for its world wide taxable income.

The acquisition cost of the Notes (including the purchase price and costs) and any sales related expenses are generally deductible for tax purposes upon disposal or redemption. Accordingly, any loss due to disposal or redemption of the Notes is deductible from the taxable business income.

Interest or compensation comparable to interest paid on the Notes

Any interest or compensation comparable to interest paid on the Notes during their respective loan period constitutes part of the limited liability company's taxable business income.

Withholding tax

Payment of redemption gain (if any) or interest on the Notes to a limited liability company will not be subject to any Finnish withholding tax.

Wealth taxation

No wealth taxation is applicable in Finland.

Transfer Tax

Transfers of the Notes are not subject to transfer tax or stamp duty in Finland.

TAXATION IN LUXEMBOURG

The following summary is of a general nature and is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Withholding Tax

Non-resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005, as amended (the **Laws**), there is no withholding tax on payments of principal, premium or interest made to non-resident holders of Notes, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident holders of Notes.

Under the Laws implementing the EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the **Savings Directive**) and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of EU Member States (the **Territories**), payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Laws, which is a resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories will be subject to a withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal

authorities of his/her/its country of residence or establishment, or, in the case of an individual beneficial owner, has provided a tax certificate issued by the fiscal authorities of his/her country of residence in the required format to the relevant paying agent. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Laws would at present be subject to withholding tax of 35 per cent.

Resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005 (the **Law**), there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of Notes, nor on accrued but unpaid interest in respect of Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Notes held by Luxembourg resident holders of Notes.

Under the Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Law will be subject to a withholding tax of 10 per cent.

TAXATION IN NORWAY

The following is a summary of certain Norwegian tax consequences for holders of the Norwegian Notes who are resident in Norway for tax purposes. The summary is based on legislation as at the date of this document and is intended to provide general information only. The tax treatment of each Noteholder partly depends on the holder's specific situation. Each investor should consult a tax adviser as to the tax consequences relating to their particular circumstances resulting from holding Norwegian Notes.

Any changes to applicable tax laws may have a retrospective effect.

Taxation of return on the Notes prior to disposal

Any kind of return received on the Notes prior to the disposal is taxable as "ordinary income" subject to the flat rate of 28 per cent.. Return on the Notes is taxed on accruals basis (i.e. regardless of when the return is actually paid).

Taxation upon disposal or redemption of the Notes

Settlement at the end of the term as well as prior disposal is treated as realisation of the Notes and will trigger a capital gain or loss. Capital gains will be taxable as "ordinary income", subject to the flat rate of 28 per cent.. Losses will be deductible in the Noteholder's "ordinary income", taxed at the same tax rate.

Any capital gain or loss is computed as the difference between the amount received by the Noteholder on realisation and the cost price of the Notes. The cost price is equal to the price for which the Noteholder acquired the Notes. Costs incurred in connection with the acquisition and realisation of the Notes may be deducted from the Noteholder's taxable income in the year of the realisation.

Norwegian withholding tax

Payments on the Notes will not be subject to Norwegian withholding tax.

Net wealth taxation

The value of the Notes at the end of each income year will be included in the computation of the Noteholder's taxable net wealth for municipal and state net wealth tax purposes. Listed Notes are valued at their quoted value on 1 January in the assessment year, while non-listed Notes are valued at their estimated market value on 1 January in the assessment year. The marginal tax rate is currently 1.1 per cent.

Limited companies and similar entities are not subject to net wealth taxation.

Transfer taxes etc. – VAT

There is currently no Norwegian transfer taxes, stamp duty or similar taxes connected to purchase, disposal or settlement of the Notes. Further, there is no VAT on transfer of the Notes.

TAXATION IN SWEDEN

The following summary of certain tax issues that may arise as a result of holding notes is based on current Swedish tax legislation and is intended only as general information for holders of notes, who are resident or domiciled in Sweden for tax purposes. This description does not deal comprehensively with all tax consequences that may occur for holders of notes, nor does it cover the specific rules where notes are held by a partnership or are held as current assets in a business operation. Special tax consequences that are not described below may also apply for certain categories of taxpayers, including investment companies, mutual funds and persons who are not resident or domiciled in Sweden. It is recommended that prospective applicants for notes consult their own tax advisers for information with respect to the special tax consequences that may arise as a result of holding notes, including the applicability and effect of foreign income tax rules, provisions contained in double taxation treaties and other rules which may be applicable.

Taxation of individuals resident in Sweden

Capital gains and losses

Individuals and estates of deceased Swedish individuals, who sell their notes are subject to capital gains taxation. The current tax rate is 30 per cent. of the gain. The capital gain or loss is equal to the difference between the sales proceeds after deduction of sales costs and the acquisition cost of the notes. The acquisition cost is calculated according to the so-called average method. This means that the costs of acquiring all notes of the same type and class are added together and calculated collectively, with respect to changes to the holding. Alternatively, the so-called standard rule under which the acquisition cost is deemed to be the equivalent of 20 per cent. of the net sales price may be applied on the disposal of listed notes taxed in the same manner as shares. A note should be regarded as listed for Swedish tax purposes if it is listed on the official list of the Luxembourg Stock Exchange or any other foreign market that is considered as a stock exchange under Swedish tax law.

As a main rule, 70 per cent. of a capital loss is deductible against any other taxable income derived from capital. Capital losses on listed notes that are taxed in the same manner as shares are, however, fully deductible against taxable capital gains on such assets or capital gains on listed as well as non-listed shares in Swedish limited liability companies and foreign legal entities. Any excess amount is deductible by 70 per cent. according to the main rule.

Moreover, capital losses on listed notes qualifying as Swedish receivables are currently fully deductible in the capital income category².

² Following a decision from the Swedish Supreme Administrative Court (based on an ECJ case), also capital losses on foreign listed receivables are fully deductible. This applies retroactively.

If a deficit arises in the income from capital category, a reduction of the tax on income from employment and from business, as well as the tax on real estate, is allowed. The tax reduction allowed amounts to 30 per cent. of any deficit not exceeding SEK 100,000 and 21 per cent. of any deficit in excess of SEK 100,000. Deficits may not be carried forward to a subsequent fiscal year.

Interest

Interest is subject to tax at a rate of 30 per cent. The tax liability arises when the interest is actually paid, in accordance with the so-called cash method.

Classification of various notes and return on such notes for tax purposes

(i) Zero-coupon bonds

No formal interest accrues on zero-coupon bonds.

The profit from a redemption of a zero-coupon bond is regarded as interest, subject to tax at the time of redemption. However, the appreciation in value is regarded as interest compensation, should the zero-coupon bond be disposed of prior to maturity. If there is a loss on the instrument, this is deductible as a capital loss in accordance with the principles referred to above.

(ii) Currency linked notes

Currency linked notes (i.e. notes with a return deriving from currency) constitute receivables and are taxed as such under the capital income category. An appreciation or depreciation in value is recognized at disposal or redemption as a capital gain or loss in accordance with the principles referred to above.

(iii) Commodity linked notes

Commodity linked notes (i.e. notes with a return deriving from commodity) constitute receivables and are taxed as such under the capital income category. An appreciation or depreciation in value is recognized at disposal or redemption as a capital gain or loss in accordance with the principles referred to above.

(iv) Equity-linked notes

Equity-linked notes (i.e. notes with a return deriving from equity) constitute notes that are taxed in the same manner as shares.

Any fixed, guaranteed return is taxed as interest and does not form part of any capital gain. Floating payments based on the development of e.g. an index are taxed as capital income.

Upon disposal prior to maturity an annual guaranteed return shall be regarded as interest compensation. Any remaining amount shall be treated according to the capital income category. The acquisition cost for the instrument is calculated to equal the difference between the price paid for the note and any interest compensation amount.

At redemption, a yearly guaranteed return is regarded as interest, whereas any remaining part of a yearly floating return shall be treated as income from other assets. The remainder is taxed as a capital gain or loss.

(v) Combination notes

Notes with a return deriving from a combination of equity and other assets (**Combination notes**), shall according to the Supreme Administrative Court be taxed in the same manner as shares if more than 50 per cent. of the return on the note derives from equity. If more than 50 per cent. of the return on the note derives from other assets than equity the note will be treated as a receivable for tax purposes.

Withholding of tax

There is no Swedish withholding tax (*källskatt*) applicable on payments made by the Issuer in respect of the Notes. Sweden operates a system of preliminary tax (*preliminärskatt*) to secure payment of taxes. In the context of the Securities a preliminary tax of 30 per cent. will be deducted from all payments of interest in respect of the Notes made to any individuals or estates that are resident in Sweden for tax purposes provided the paying entity is subject to reporting obligations. Depending on the relevant holder's overall tax liability for the relevant fiscal year the preliminary tax may contribute towards, equal or exceed the holder's overall tax liability with any balance subsequently to be paid by or to the relevant holder, as applicable.

Stamp duty

There is no stamp duty on the issuing, transfer or redemption of securities in Sweden.

Taxation of Swedish legal entities

Limited liability companies and other legal entities, except for estates of deceased Swedish individuals, are taxed on all income (including income from the sale of notes) as income from business activities at a flat rate of 26.3 per cent. Regarding the calculation of a capital gain or loss and the acquisition cost, see "Taxation of individuals resident in Sweden" above. However, interest income is taxed on an accruals basis.

Capital losses on notes taxed in the same manner as shares incurred by a corporate holder may only be offset against taxable capital gains on shares or such notes. Such capital losses may also, under certain circumstances, be deductible against capital gains on shares and notes taxed in the same manner as shares within the same group of companies, provided the requirements for group contributions (tax consolidation) are met.

Capital losses on notes taxed in the same manner as shares which are not deducted against capital gains within a certain year, may be carried forward and offset against taxable capital gains on shares and notes taxed in the same manner as shares in the future.

As mentioned above, there is no stamp duty on the issuing, transfer or redemption of securities in Sweden.

SUBSCRIPTION AND SALE

The Dealers have, in an amended and restated programme agreement dated 18 June 2012 (the **Programme Agreement**), agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under "*Form of the Notes*" and "*Terms and Conditions of the Notes*". In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and any future update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith. For the avoidance of doubt, references to the Notes include both the Notes and the Guarantee, where applicable.

Selling Restrictions

The following selling restrictions may be modified by the relevant Issuer and the relevant Dealers following a change in the relevant law, regulation or directive and in certain other circumstances as may be agreed between the relevant Issuer and the relevant Dealers. Any such modification will be set out in the Final Terms and (if applicable) the subscription agreement in respect of the Tranche to which it is related or in a supplement to this Base Prospectus. For the avoidance of doubt, references to the Notes herein include both the Notes and the Guarantee.

1. United States

The Notes and any Guarantee have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In addition, each of Crédit Agricole CIB FP, Crédit Agricole CIB FG and Crédit Agricole CIB FS has not been and will not be registered as an investment company under the Investment Company Act by virtue of Section 3(c)(7) of the Investment Company Act which, in general, excludes from the definition of an investment company any issuer whose outstanding securities are owned exclusively by persons who are "qualified purchasers" (as defined in Section 2(a)(51) of the Investment Company Act and the rules and regulations thereunder) and which has not made and does not propose to make a public offering of its securities. Accordingly, any transfer of Notes issued by Crédit Agricole CIB FP, Crédit Agricole CIB FG and Crédit Agricole CIB FS will also need to comply with the provisions of Section 3(c)(7) of the Investment Company Act.

The Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 as amended and regulations thereunder.

In connection with any Notes which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S (**Regulation S Notes**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Dealers may arrange for the resale of Notes to QIBs pursuant to Rule 144A or to IAIs pursuant to Section 4(2) of the Securities Act and, in the case of Notes issued by Crédit Agricole CIB FP, Crédit Agricole CIB

FG and Crédit Agricole CIB FS, to persons who are also QPs as defined for the purposes of Section 3(c)(7) of the Investment Company Act, and each such purchaser of Notes is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Notes which may be purchased by a QIB pursuant to Rule 144A is U.S.\$100,000 and the minimum aggregate principal amount which may be purchased by an IAI is U.S.\$500,000 (or, in each case, the approximate equivalent thereof in any other currency). To the extent that each Issuer is not subject to or does not comply with the reporting requirements of Section 13 or 15(d) of the Exchange Act or the information furnishing requirements of Rule 12g3-2(b) thereunder, such Issuer has agreed to furnish to holders of Notes and to prospective purchasers designated by such holders, upon request, such information as may be required by Rule 144A(d)(4).

Each issuance of physically settled Notes, Partly Paid Notes, Credit Linked Notes, Commodity Linked Notes, Equity Linked Notes, Index Linked Notes or Dual Currency Notes shall be subject to such additional U.S. selling and transfer restrictions as the Issuer and the relevant Dealer may agree as a term of the issuance and purchase of such Notes, which additional selling restrictions shall be set out in the applicable Final Terms.

2. *European Economic Area*

Public Offer Selling Restrictions under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**), each Dealer represents and agrees, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of Notes which are subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State and the Issuer has consented in writing to its use for the purpose of that Non-exempt offer:

- (a) if the Final Terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the Final Terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 100 or, if the relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of Notes to the public" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression **Prospectus Directive** means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in the Relevant Member State and the expression **2010 PD Amending Directive** means Directive 2010/73/EU.

- (b) otherwise in compliance with the CMA.

For the purposes of this provision, the expression "an offer of the Notes issued by an Issuer to the public" means the communication to the public in any form and by any means of sufficient information on the terms of the offer and the Notes issued by an Issuer to be offered so as to enable an investor to decide to purchase or subscribe the Notes issued by an Issuer.

No permit for the issue of the Notes has been obtained (including the obtaining of the approval of the terms and conditions of the Notes) from the Czech National Bank under the Act of the Czech Republic No. 190/2004 Coll., on Bonds (the **Bonds Act**).
