## APPENDIX 1

*For the purposes of this issue the Conditions shall be deemed amended by the deletion of Condition 7.4 (Redemption at the option of the Noteholders (Investor Put)) and the substitution thereof of the following:*

If at any time while any Note remains outstanding there occurs a Put Event, the holder of each Note will have the option (the **Put Option**) (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the Notes under Condition 7.2) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of that Note on the Optional Redemption Date (as defined below) at its principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date.

A **Put Event** shall be deemed to occur if:

(i) any Person or Persons acting in concert come(s) to own or acquire(s) more than 50 per cent. of the issued share capital of the Issuer, or more than 50 per cent. of the voting rights normally exercisable at a general meeting of the Issuer (each a **Change of Control**); and

(ii) during the Change of Control Period (as defined below), the Notes carry from any of Standard & Poor's Rating Services, a division of The McGraw-Hill Companies, Inc., or Moody's Investors Service Inc., or any of their respective successors (each a **Rating Agency**) either:

(A) an investment grade credit rating (*BBB-/Baa3, or equivalent, or better*), and such rating from any Rating Agency is within the Change of Control Period either downgraded to a non-investment grade credit rating (*BB+/Ba1, or equivalent, or worse*) or withdrawn and is not within the Change of Control Period subsequently (in the case of a downgrade) upgraded to an investment grade credit rating by such Rating Agency or (in the case of a withdrawal) replaced by, or reinstated to, an investment grade credit rating from any other Rating Agency, or such Rating Agency, as the case may be; or

(B) a non-investment grade credit rating (*BB+/Ba1, or equivalent, or worse*), and such rating from any Rating Agency is within the Change of Control Period downgraded by one or more notches (*for illustration, Ba1 to Ba2 being one notch*) or withdrawn and is not within the Change of Control Period subsequently (in the case of a downgrade) upgraded to its earlier credit rating or better by such Rating Agency, or (in the case of a withdrawal) replaced by, or reinstated to, a credit rating equal to or better than such earlier credit rating from any other Rating Agency, or such Rating Agency, as the case may be; or

(C) no credit rating, and no Rating Agency assigns within the Change of Control Period an investment grade credit rating to the Notes; and

(iii) in making the relevant decision(s) referred to above, the relevant Rating Agency announces publicly or confirms in writing to the Issuer that such decisions(s) resulted, in whole or in part, from the occurrence of the Change of Control or the public notice of an arrangement that could result in a Change of Control.

**Change of Control Period** means the period from the date of the public notice of an arrangement that could result in a Change of Control until the end of a 180-day period following public notice of the occurrence of a Change of Control (or such longer period as the rating of the Notes is under publicly announced consideration for rating review).

Promptly upon the Issuer becoming aware that a Put Event has occurred, the Issuer shall give notice (a **Put Event Notice**) to the Noteholders in accordance with Condition 14 specifying the nature of the Put Event and the circumstances giving rise to it and the procedure for exercising the option contained in this Condition 7.4.

To exercise the option to require redemption or, as the case may be, purchase of a Note under this Condition 7.4 the holder of that Note must, if the Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver such Note, on any Payment Day (as defined in Condition 6) in the city of the specified office of the relevant Paying Agent falling within the period (the **Put Period**) of 45 days after a Put Event Notice is given, at the specified office of any Paying Agent, accompanied by a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a **Put Option Notice**) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition 7.4. The Note should be delivered together with all Coupons appertaining thereto maturing after the date (the **Optional Redemption Date**) which is the seventh day after the last day of the Put Period, failing which an amount will be deducted from the payment to be made by the Issuer on redemption or, as the case may be, purchase of the Notes corresponding to the aggregate amount payable in respect of such missing Coupons.

If the Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption or, as the case may be, purchase of a Note under this Condition 7.4 the holder of the Note must, within the Put Period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if the Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

The Paying Agent to which such Note and Put Option Notice are delivered will issue to the holder concerned a non-transferable receipt (a **Put Option Receipt**) in respect of the Note so delivered or, in the case of a Global Note or Note in definitive form held through Euroclear or Clearstream, Luxembourg, notice so received. The Issuer shall redeem or at the option of the Issuer purchase (or procure the purchase of) the Notes in respect of which Put Option Receipts have been issued on the Optional Redemption Date, unless previously redeemed and purchased. Payment in respect of any Note so delivered will be made, if the holder duly specified a bank account in the Put Option Notice to which payment is to be made, on the Optional Redemption Date by transfer to that bank account and in every other case on or after the Optional Redemption Date, in each case against presentation and surrender or (as the case may be) endorsement of such Put Option Receipt at the specified office of any Paying Agent in accordance with the provisions of this Condition 7.4.
