Each investor contemplating purchasing Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Singapore SFA Product Classification: In connection with Section 309B of the Securities and Futures Act 2001 of Singapore (the “SFA”) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “CMP Regulations 2018”), unless otherwise specified before an offer of Notes, the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are ‘prescribed capital markets products’ (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

The Issuer and the Dealers do not represent that this document may be lawfully distributed, or that the Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealers which would permit a public offering of the Notes or distribution of this document in any jurisdiction where action for that purpose is required. Accordingly, the Notes may not be offered or sold, directly or indirectly, and neither this Information Memorandum nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will

MiFID II product governance / target market. The Final Terms in respect of any Notes may include a legend entitled “MiFID II / UK MiFIR Product Governance” which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the target market assessment; however, a distributor subject to Directive 2014/65/EU (as amended, “MiFID II”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegate Directive 2017/593 (the “MiFID Product Governance Rules”), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Issuer, the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

UK MiFIR product governance / target market – The Final Terms may include a legend entitled “MiFID II / UK MiFIR product governance” which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “UK distributor”) should take into consideration the target market assessment; however, a UK distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “UK MiFIR Product Governance Rules”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the UK MiFIR Product Governance Rules, any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules.

EU PRIIPs / UK PRIIPs – As the Notes are securities which are, in the manner set forth in the articles of association of KommuneKredit, unconditionally and irrevocably guaranteed by the members of KommuneKredit being *kommuner* (municipalities) and *regioner* (regions) of the EU Member State Denmark, Regulation (EU) 1286/2014 (as amended, the “EU PRIIPs Regulation”) and Regulation (EU) 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (the “UK PRIIPs Regulation”) will not apply to any Notes issued under the Programme. Accordingly, the Issuer will not prepare a key information document (within the meaning of the EU PRIIPs Regulation and/or the UK PRIIPs Regulation, as applicable) in respect of any Notes issued under the Programme.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended, and may include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States (see “Subscription and Sale” on page 103).

Notice to Canadian Investors - The Notes may be sold only to purchasers purchasing, or deemed to be purchasing, as principal that are accredited investors, as defined in National Instrument 45-106 Prospectus Exemptions or subsection 73.3(1) of the Securities Act (Ontario), and are permitted clients, as defined in National Instrument 31-103 Registration Requirements, Exemptions and Ongoing Registrant Obligations. Any resale of the Notes must be made in accordance with an exemption from, or in a transaction not subject to, the prospectus requirements of applicable securities laws.

Securities legislation in certain provinces or territories of Canada may provide a purchaser with remedies for rescission or damages if this Information Memorandum (including any supplement hereto and/or any Final Terms) contains a misrepresentation, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of

the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for particulars of these rights or consult with a legal advisor.

However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) will undertake stabilisation action. Any stabilising action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. save that any statement contained herein or in a document all or the relative portion of which is incorporated by reference herein shall be deemed to be modified or superseded for the purpose of this Information Memorandum to the extent that a statement contained in any such subsequent document all or the relative portion of which is or is deemed to be incorporated by reference herein modifies or supersedes such earlier statement.

The Issuer will provide, without charge, to each person to whom a copy of this Information Memorandum has been delivered, upon the oral or written request of any such person, a copy of any or all of the documents which, or portions of which, are incorporated herein by reference. Written or oral requests for such documents should be directed to the Issuer at its registered office set out at the end of this Information Memorandum. In addition, such documents will be available, free of charge, from the principal office in Luxembourg of Banque Internationale à Luxembourg S.A. in its capacity as listing agent or such other listing agent as may be appointed from time to time (the "Listing Agent") for the Listed Notes (as defined below).

The Issuer has given an undertaking in connection with the listing of the Notes on the Luxembourg Stock Exchange to the effect that after the submission of this Information Memorandum to the Luxembourg Stock Exchange and during the duration of the Programme it shall publish an amendment, supplement or a new Information Memorandum as may be required by the rules of the Luxembourg Stock Exchange in the event of any material adverse changes in the business, financial condition or otherwise, of the Issuer and its subsidiaries set out in this Information Memorandum and shall promptly supply to each Dealer and the Luxembourg Stock Exchange such number of copies of the amendment, supplement or new Information Memorandum (as the case may be) as such Dealer or the Luxembourg Stock Exchange may reasonably request.

DESCRIPTION OF THE PROGRAMME

The Issuer, subject to compliance with all relevant laws, regulations and directives, may, from time to time, issue Notes denominated in such currencies as may be agreed with the relevant Purchaser(s).

The issue price, form of notes, issue date, maturity date, nominal amount, interest rate (if any) applicable to a Note and any other relevant provisions of such Note will be agreed between the Issuer and the relevant Purchaser(s) at the time of agreement to issue and will be specified in the Final Terms (the "Final Terms"), as more fully described under "Form of the Notes" which, with respect to each Tranche (as defined on page 41) of Notes which is to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Official List of the Luxembourg Stock Exchange (the "Listed Notes"), will be delivered to the EU regulated market of the Luxembourg Stock Exchange on or before the date of issue of such Tranche.

Subject as set out herein, this Information Memorandum and any supplement hereto will only be valid for listing Notes if the aggregate of the principal amount of those Notes and all Notes outstanding as at the date of issue of those Notes does not exceed EUR30,000,000,000 (or its equivalent in the other currencies specified herein) outstanding at any one time, calculated by reference to the Exchange Rate prevailing at the Agreement Date (each as defined below) and otherwise on the basis specified in "Form of the Notes". For the purpose of calculating the euro equivalent of the nominal amount of Notes outstanding under the Programme from time to time, the euro equivalent of Notes denominated in another Specified Currency (as defined under "Form of the Notes") shall be determined as of the date of agreement to issue such Notes (the "Agreement Date") on the basis of the Exchange Rate on such date. As used herein, the "Exchange Rate" against the euro for any currency means the spot rate for the sale of the euro against the purchase of such currency in the London foreign exchange market as quoted by any leading bank selected by the Issuer on the Agreement Date.

The euro equivalent of Dual Currency Notes, Indexed Notes, Zero Coupon Notes or other Notes issued at a discount or a premium shall be calculated in the manner specified above by reference to the original nominal amount of any particular issue. The nominal amount of Partly Paid Notes will be taken into account regardless of the amount of the subscription price paid.

The Notes may not be a suitable investment for all investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Information Memorandum or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and

may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Indexed Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a “Relevant Factor”). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Indexed Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Indexed Notes and the suitability of such Notes in light of its particular circumstances.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Floating Rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

The value of and the amount payable under any Notes linked to a benchmark may be adversely affected by ongoing national and international regulatory reform in relation to benchmarks

Interest rates and other indices which are deemed to be “benchmarks” (each a “**Benchmark**” and together, the “**Benchmarks**”) have become the subject of regulatory scrutiny and recent national and international regulatory guidance and proposals for reform. Such Benchmarks include EURIBOR and other indices to which interest on Notes may be linked. Some of these reforms are already effective whilst others are still to be implemented. These reforms may cause the relevant benchmarks to perform differently than in the past, to disappear entirely, or have other consequences. Any such consequences could have a material adverse effect on the value of and the amounts payable under the Notes where such amounts are linked to a Benchmark.

International proposals for reform of Benchmarks include the Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds (the “**Benchmarks Regulation**”) which was published in the Official Journal on 29 June 2016, and the equivalent regulation in the United Kingdom, as incorporated into UK domestic law pursuant to the European Union (Withdrawal Act) 2018. In addition to the aforementioned regulations, there are numerous other proposals, initiatives and investigations which may impact Benchmarks.

Any changes to a Benchmark, whether as a result of the Benchmarks Regulation or other initiatives, could increase the costs and risks of administering or otherwise participating in the setting of a Benchmark and complying with any such regulations or requirements. Such factors may have the effect of discouraging market participants from continuing to administer or participate in certain Benchmarks, triggering changes in the rules or methodologies used in certain Benchmarks or leading to the disappearance of certain Benchmarks. Changes to the methodology or other terms of certain Benchmarks could also have the effect of reducing or increasing the volatility of such Benchmarks. Any of the above changes or any other consequential changes as a result of the Benchmarks Regulation or other national or international reform could have a material adverse effect on the value of and the amounts payable under Notes where such amounts are linked to a Benchmark.

The potential elimination of any Benchmark, or changes in the manner of administration of any Benchmark may not represent the same economic reality as Benchmarks that have been used before. It could also require an adjustment to the interest provisions of the Conditions, or result in other consequences, in respect of any Notes linked to such Benchmarks. Any such consequence could have a material adverse effect on the value of and the amount payable on any such Notes.

The market continues to develop in relation to risk free rates (including overnight rates) as reference rates

Where the applicable Final Terms for a Series of Floating Rate Notes identifies that the Rate of Interest for such Notes will be determined by reference to SONIA, SOFR, SARON or €STR, the Rate of Interest will be determined on the basis of the relevant reference rate (all as further described in the Conditions). All such rates are based on 'overnight rates'. Overnight rates differ from interbank offered rates in a number of material respects, including (without limitation) that such rates are backwards-looking, risk-free overnight rates, whereas EURIBOR is expressed on the basis of a forward-looking term and include a risk-element based on inter-bank lending. As such, investors should be aware that overnight rates may behave materially differently as interest reference rates for Notes issued under the Programme compared to interbank offered rates. The use of overnight rates as reference rates for eurobonds is subject to continued change and development, both in terms of the substance of the calculation and in the development and adoption of market infrastructure for the issuance and trading of bonds referencing such overnight rates.

Accordingly, prospective investors in any Notes referencing any overnight rates should be aware that the market continues to develop in relation to such rates in the capital markets and their adoption as an alternative to interbank offered rates such as EURIBOR. Market participants, industry groups and/or central bank-led working groups have explored compounded and weighted average rates and observation methodologies for such rates (including so-called 'shift', 'lag', and 'lock-out' methodologies) and such groups may also explore forward-looking 'term' reference rates derived from these overnight rates have also been, or are being, developed. The adoption of overnight rates may also see component inputs into swap rates or other composite rates transferring from EURIBOR or another reference rate to an overnight rate.

The market or a significant part thereof may adopt overnight rates in a way that differs significantly from those set out in the Conditions of the Notes issued under the Programme. In addition, the methodology for determining any overnight rate index by reference to which the Rate of Interest in respect of certain Notes may be calculated could change during the life of any Notes. Furthermore, the Issuer may in the future issue Notes referencing SONIA, SOFR, SARON or €STR that differ materially in terms of interest determination when compared with any previous SONIA-, SOFR, Saron- or €STR-referenced Notes issued by it under the Programme. The nascent development of overnight rates as interest reference rates for the eurobond markets and the market infrastructure for adopting such rates, could result in reduced liquidity or increased volatility or could otherwise adversely affect the market price of any such Notes issued under the Programme from time to time.

Furthermore, the Rate of Interest on Notes which reference overnight rates is only capable of being determined immediately prior to the relevant Interest Payment Date. It may be difficult for investors in Notes which reference overnight rates to estimate reliably the amount of interest which will be payable on such Notes, and some investors may be unable or unwilling to trade such Notes without changes to their IT systems, both of which factors could adversely impact the liquidity of such Notes.

In addition, the manner of adoption or application of overnight rates in the eurobond markets may differ materially when compared with the application and adoption of the same overnight rates for the same currencies in other markets, such as the derivatives and loan markets. Investors should carefully consider how any mismatch between the adoption of overnight rates across these markets may impact any hedging or other financial arrangements which they may put in place in connection with any acquisition, holding or disposal of Notes referencing overnight rates.

Investors should carefully consider these matters when making their investment decision with respect to any such Notes.

Benchmark discontinuation under the Conditions

The Terms and Conditions of the Notes provide for certain fallback arrangements in the event that a Benchmark Event or a Benchmark Transition Event (as applicable) occurs in respect of the Original Reference Rate for the relevant series of Notes, including (without limitation) if an inter-bank offered rate (such as EURIBOR) or other relevant reference rate (which could include, without limitation, any mid-swap rate), and/or any page on which such benchmark may be published (or any other successor service) becomes unavailable or a Benchmark Event or a Benchmark Transition Event (each as defined in the Terms and Conditions), as applicable, otherwise occurs.

Such fallback arrangements include the possibility that the rate of interest could be set by reference to a successor, alternative or a Benchmark Replacement (as defined in the Terms and Conditions) together with the application of an adjustment spread or Benchmark Replacement Adjustment (as defined in the Terms and Conditions) (which could be positive, negative or zero), and may include amendments to the Terms and Conditions of the Notes to ensure the proper operation of the new benchmark, all as determined by the Issuer (acting in good faith and in consultation with an Independent Adviser) or by the Independent Adviser itself and as more fully described at Conditions 3(b) and 3(g). It is possible that the adoption of a successor or alternative rate or Benchmark Replacement, including any adjustment spread or Benchmark Replacement Adjustment, may result in a rate of interest less favourable to holders than the Original Reference Rate.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification, waivers and substitution

The Conditions of the Notes contain provisions for calling meetings of the holders of Notes of a Series to consider matters affecting their interests generally. These provisions permit defined majorities to bind all the holders of Notes of a Series including the holders of Notes of a Series who did not attend and vote at the relevant meeting and the holders of Notes of this Series who voted in a manner contrary to the majority.

International Automatic Exchange of Information in Tax Matters

Switzerland has concluded a multilateral agreement with the EU on the international automatic exchange of information ("AEOI") in tax matters, which applies to all EU member states and some other jurisdictions. In addition, Switzerland has concluded the multilateral competent authority agreement on the automatic exchange of financial account information ("MCAA") and a number of bilateral AEOI agreements with other countries, most of them on the basis of the MCAA. Based on these agreements and the implementing laws of Switzerland, Switzerland collects and exchanges data in respect of financial assets, including Securities, as the case may be, held in, and income derived thereon and credited to, accounts or deposits with a paying agent in Switzerland for the benefit of individuals resident in an EU member state or in another treaty state. An up-to-date list of the AEOI agreements to which Switzerland is a party that are in effect, or signed but not yet in effect, can be found on the website of the State Secretariat for International Financial Matters ("SIF").

Investors should inform themselves of, and where appropriate take advice on, the impact of the foregoing matters on their investment.

The proposed financial transaction tax ("FTT")

On 14 February 2013, the European Commission published a proposal (the "Commission's Proposal") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "participating Member States"). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in financial instruments (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States and the scope of any such tax is uncertain. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Investors who are in any doubt as to their position should consult their professional advisers.

Reliance on procedures of VP for transfer, payment and communication with the Issuer

VP Notes issued under the Programme are issued as dematerialised securities as defined in Regulation (EU) 909/2014. Ownership of VP Notes will be recorded in the book-entry system and transferred through the CSDR licensed securities settlement system maintained by VP. Settlement of the VP Notes may take place on either the VP settlement platform, or on the TARGET2-Securities ("TS2") platform, if the required conditions for TS2 settlement as set out in VP's settlement rules are fulfilled. As VP Notes are dematerialised securities, investors must rely on the applicable procedures of VP for transfer, payment and communication from the Issuer.

Change of law

The Conditions of the Notes are based on Danish law, in effect as of the date of this Information Memorandum. No assurance can be given as to the impact of any possible judicial decision or change to Danish law or administrative practice after the date of this Information Memorandum.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Issuer's option to satisfy payments in euro or U.S. dollars

If so specified in the applicable Final Terms, if the Issuer is due to make a payment in the Specified Currency in respect of any Note or Coupon and the Specified Currency is not available on the foreign exchange markets due to the imposition of exchange controls, the Specified Currency's replacement or disuse or other circumstances beyond the Issuer's control, the Issuer will be entitled to satisfy its obligations in respect of such payment by making payment in either euro or U.S. dollars on the basis of the provisions set out in the applicable Final Terms or Condition 5 of the Notes. Holders should be aware that any decision by the Issuer to satisfy its payment obligation in respect of any such Notes or Coupons in euro or U.S. dollars in such circumstances will be made without any requirement for the

holders of the Notes and Coupons to grant their consent and may adversely affect the market value and the secondary market for the Notes. Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. Moreover, if the status of the rating agency rating the Notes changes, relevant regulated investors may no longer be able to use the rating for regulatory purposes in the EEA or the UK, as applicable, and the Notes may have a different regulatory treatment.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

FORM OF THE NOTES

The Notes of each Series will be in either bearer form, with or without interest coupons attached, or registered form, without interest coupons attached, or VP Notes which shall be issued in uncertificated and dematerialised book-entry form. Bearer Notes and Registered Notes will be issued outside the United States in reliance on Regulation S under the Securities Act ("Regulation S").

Form of Bearer Notes

Except with respect to any Swiss Franc Notes, each Tranche (which means all Notes of the same Series (as defined in "Terms and Conditions of the Notes" on page 40) with the same issue date) of Bearer Notes will initially be represented by a temporary global note (a "Temporary Global Note") or a permanent global note (a "Permanent Global Note") without Coupons, Receipts or Talons (each as defined in the "Terms and Conditions of the Notes") which will:

- (i) if the Temporary Global Note or Permanent Global Note (as applicable, and together "Bearer Global Notes") are intended to be issued in new global note ("NGN") form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the "Common Safekeeper") for Clearstream Banking S.A. ("Clearstream") and Euroclear Bank SA/NV ("Euroclear"); and
- (ii) if the Bearer Global Notes are not intended to be issued in NGN form, be delivered on the issue date to a common depositary for Euroclear and Clearstream (each as defined in "Terms and Conditions of the Notes" on page 40).

Where the Bearer Global Notes issued in respect of any Tranche are in NGN form, the applicable Final Terms will also indicate whether such Bearer Global Notes are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Bearer Global Notes are to be so held does not necessarily mean that the Bearer Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream or another entity approved by Euroclear and Clearstream.

Whilst any Bearer Note is represented by a Temporary Global Note, payment of principal and interest (if any) due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is not intended to be issued in NGN form) only to the extent that certification of non-U.S. beneficial ownership as required by U.S. Treasury regulations (in the form set out in the Temporary Global Note) has been received by Euroclear and/or Clearstream. On and after the date (the "Exchange Date") which is 40 days after the date on which the Temporary Global Note is issued, interests in the Temporary Global Note will be exchangeable (provided that if it is a Partly Paid Note (as described on page 66)) all instalments of the subscription monies due before the date of such exchange have been paid) upon request, for interests in a Permanent Global Note against certification of non-U.S. beneficial ownership as required by U. S. Treasury regulations in pursuance with the terms of the Temporary Global Note unless certification has already been given pursuant to the first sentence of this paragraph.

In relation to any issue of Notes which are a "Bearer Global Note exchangeable to Definitive Notes" in circumstances other than "in the limited circumstances specified in the Bearer Global Note", such Notes may only be issued in principal amounts of at least the Specified Denomination (or if more than one Specified Denomination, the lowest Specified Denomination).

On and after the Exchange Date the holder of a Temporary Global Note will not be entitled to receive any payment of interest or principal thereon. Pursuant to the Agency Agreement (as defined in "Terms and Conditions of the Notes" on page 40) the Principal Paying Agent (as defined in "Terms and Conditions of the Notes" on page 40) shall arrange that, where a further Tranche of Notes is issued, the Notes of such Tranche shall be assigned a Common Code and an ISIN which are different from the Common Code and ISIN assigned to Notes of any other Tranche of the same Series until at least

40 days after the completion of the distribution of the Notes of such Tranche as certified by the Principal Paying Agent to the relevant Purchaser(s).

Payments of principal and interest (if any) on a Permanent Global Note will be made through Euroclear and/or Clearstream (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for certification. Where the Notes represented by the Permanent Global Note have been issued in a single specified denomination, unless otherwise provided in the applicable Final Terms, a Permanent Global Note will be exchangeable (provided that if it is a Partly Paid Note all instalments of the subscription moneys due before the date of such exchange have been paid) in whole or (subject to the Notes which continue to be represented by the Permanent Global Note being regarded by Euroclear and Clearstream as fungible with the Definitive Notes issued in partial exchange for such Permanent Global Note) in part, on 60 days' written notice expiring at least 90 days after the Exchange Date from the Noteholder to the Principal Paying Agent, for security printed Definitive Notes with, where applicable, Coupons, Receipts and Talons attached. Temporary and Permanent Global Notes and Definitive Notes will be authenticated and delivered by the Principal Paying Agent on behalf of the Issuer. At the date hereof, neither Euroclear nor Clearstream regard Notes in permanent global form as fungible with Notes in definitive form. Accordingly under the current regulations of Euroclear and Clearstream a Permanent Global Note will not be exchangeable in part for Definitive Notes for so long as such Permanent Global Note is held for Euroclear and Clearstream.

The applicable Final Terms will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Bearer Notes with, where applicable, receipts, interest coupons and talons attached upon the occurrence of an Exchange Event. For these purposes, "Exchange Event" means Notes (a) if Euroclear or Clearstream or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) if the Issuer or any person acting on its behalf is obliged to pay additional amounts as provided in Condition 6 which would not be required were the Notes in definitive bearer form or, (c) where the Notes represented by such Bearer Global Note have been issued in a single specified denomination, if so specified in the Final Terms, at any time on the request of the bearer. The Issuer will promptly give notice to Noteholders in accordance with Condition 11 if an Exchange Event occurs.

All Bearer Notes (other than Temporary Global Notes) which have an original maturity of 365 days or more and all Coupons, Receipts and Talons relating to such Bearer Notes and will bear a legend to the following effect:

"Any United States person who holds this obligation will be subject to limitations under the United States income tax laws including the limitations provided in sections 165(j) and 1287(a) of the Internal Revenue Code of 1986, as amended".

The sections referred to provide that United States Noteholders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, Coupons, Receipts or Talons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of Bearer Notes, Coupons, Receipts or Talons.

Notes which are represented by a Bearer Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream as the case may be.

Swiss Franc Notes will be in bearer form and will be represented by a Permanent Global SIS Note, as more fully described on page 33 of this Information Memorandum.

Form of Registered Notes

The Registered Notes of each Tranche will initially be represented by a global note in registered form ("Registered Global Notes").

Registered Global Notes will be deposited with a common depositary or, if the Registered Global Notes are to be held under the new safe-keeping structure (the "NSS"), a common safekeeper, as the case

may be for Euroclear and Clearstream, and registered in the name of the nominee for the Common depositary of, Euroclear and Clearstream or in the name of a nominee of the common safekeeper, as specified in the applicable Final Terms. Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of Definitive Notes in fully registered form.

Where the Registered Global Notes issued in respect of any Tranche is intended to be held under the NSS, the applicable Final Terms will indicate whether or not such Registered Global Notes are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Registered Global Notes are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any time during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The common safekeeper for a Registered Global Note held under the NSS will either be Euroclear or Clearstream or another entity approved by Euroclear and Clearstream.

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 5) as the registered holder of the Registered Global Notes. None of the Issuer, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 5) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for Definitive Registered Notes without Receipts, Coupons or Talons attached only upon the occurrence of an Exchange Event. For these purposes, "Exchange Event" means (a) if Euroclear or Clearstream or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) if the Issuer or any person acting on its behalf is obliged to pay additional amounts as provided in Condition 6 which would not be required were the Notes in definitive registered form or, (c) where the Notes represented by such Registered Global Note have been issued in a single specified denomination, if so specified in the Final Terms, at any time on the request of the registered holder.

No beneficial owner of an interest in a Registered Global Note will be able to transfer such interest, except in accordance with the applicable procedures of Euroclear and Clearstream, in each case to the extent applicable.

Form of VP Notes

Each Tranche of VP Notes will be issued in uncertificated and dematerialised book-entry form. Legal title to the VP Notes will be evidenced by book entries in the records of VP. Issues of VP Notes are the subject of the VP Arrangements (as defined in "Terms and Conditions of the Notes" on page 40). On the issue of such VP Notes, the Issuer will send a copy of the relevant Final Terms to the Principal Paying Agent, with a copy to the VP Agent. On delivery of the relevant Final Terms by the VP Agent to VP, and notification to VP of the subscribers and their VP account, the VP Agent, acting on behalf of the Issuer, will instruct the VP system to credit each subscribing account holder with VP, with a nominal amount of VP Notes equal to the nominal amount thereof for which it has subscribed and paid. Where a nominee is so evidenced, it shall be treated by the Issuer and the VP Agent as the holder of the VP Note.

Settlement of sale and purchase transactions in respect of VP Notes may take place on the VP settlement platform or on the TS2 platform, if the required conditions for TS2 are met. Transfers of interests in the relevant VP Notes will take place in accordance with the rules and procedures for the

time being of VP. The TS2 platform provides harmonised and commoditised delivery-versus-payment settlement.

Clearing Systems

Any reference herein to Euroclear and/or Clearstream, SIS and/or VP shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms and approved by the Issuer and the Principal Paying Agent.

Notes may be accelerated by the holder thereof in certain circumstances described in “Terms and Conditions of the Notes – Events of Default”. In such circumstances, where such Notes are still represented by a global Note and a holder with an interest in such Note credited to its securities account with Euroclear or Clearstream gives notice to the Principal Paying Agent that it wishes to accelerate such Notes, then unless within a period of 15 days from the giving of such notice payment has been made in full in accordance with the terms of the global Note, the global Note will become void. At the same time, holders of interests in such Notes credited to their accounts with Euroclear or Clearstream will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear and Clearstream, under the terms of a declaration of direct rights as the same may be amended and restated from time to time (the “Declaration of Direct Rights”) dated 11 April 2023 executed by the Issuer.

As used herein, "**Tranche**" means Notes which are identical in all respects (including as to listing and admission to trading) and "**Series**" means a Tranche of Notes together with any further Tranche or Tranches of Notes which (a) are expressed to be consolidated and form a single series and (b) have the same terms and conditions or terms and conditions which are the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue.

The Final Terms in relation to this Note are attached hereto or endorsed hereon and supplements these Terms and Conditions and may specify other Terms and Conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace these Terms and Conditions for the purposes of this Note. References herein to the "**applicable Final Terms**" are to the Final Terms attached hereto or endorsed hereon.

Words and expressions defined in the Agency Agreement, the VP Arrangements, or defined or set out in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated. Copies of the Agency Agreement (which contains the form of Final Terms) and the Final Terms for the Notes of this Series are available from the specified office of each of the Paying Agents set out in the Agency Agreement. Copies of the VP Arrangements and the Final Terms for VP Notes are available from the specified office of the VP Agent.

The holders of Notes, other than VP Notes, are entitled to the benefit of a declaration of direct rights as the same may be amended and restated from time to time (the "**Declaration of Direct Rights**") dated 11 April 2023 made by the Issuer. The original of the Declaration of Direct Rights is held by a common depositary on behalf of Euroclear or Clearstream (each as defined below). Copies of the Declaration of Direct Rights may be obtained upon request during normal business hours from the specified offices of each of the Paying Agents.

1A Form, Denomination and Title

The Notes of this Series are in bearer form ("**Bearer Notes**") or registered form ("**Registered Notes**") or in uncertificated and dematerialised book-entry form settled through the Danish central securities depository operated by VP Securities A/S. ("**VP**", and such notes, "**VP Notes**" and together with the Bearer Notes and Registered Notes, "**Notes**"), in each case in the currency (the "**Specified Currency**") and the denominations (the "**Specified Denomination(s)**") specified in the applicable Final Terms and definitive Notes of this Series will be serially numbered. This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note or any appropriate combination thereof depending upon the Interest Basis specified in the applicable Final Terms. It is also a Dual Currency Note and/or a Partly Paid Note or an Indexed Note (where payment in respect of principal is linked to an Index and/or Formula) depending in each case on the Redemption/Payment Basis shown in the applicable Final Terms and the appropriate provisions of these Terms and Conditions will apply accordingly. If it is a definitive Bearer Note, it is issued with interest coupons for the payment of interest ("**Coupons**") attached and, if applicable, talons for further Coupons ("**Talons**") attached, unless it is a Zero Coupon Note, in which case references to the interest (other than in relation to interest due after the Maturity Date) and Coupons in these Terms and Conditions are not applicable. If it is a definitive Bearer Note redeemable in instalments it is issued with receipts ("**Receipts**") for the payment of instalments of principal prior to the stated maturity attached. Wherever Dual Currency Notes, Partly Paid Notes or Indexed Notes are issued to bear interest on a fixed or floating rate basis or on a non interest-bearing basis, the provisions in these Terms and Conditions relating to Fixed Rate Notes, Floating Rate Notes and Zero Coupon

Notes respectively shall, where the context so admits, apply to such Dual Currency Notes, Partly Paid Notes or Indexed Notes. Any reference in these Terms and Conditions to Coupon(s), Couponholder(s) or coupon(s) shall, unless the context otherwise requires, be deemed to include a reference to Talon(s), Talonholder(s) or talon(s).

Subject as set out below, title to the Bearer Notes, the Coupons and Receipts will pass by delivery and title to the Registered Notes will pass upon registration of transfers in accordance with the provisions of the Agency Agreement. The holder of each Coupon or Receipt, whether or not such Coupon or Receipt is attached to a Bearer Note, in its capacity as such, shall be subject to and bound by all the provisions contained in the relevant Note. The Issuer and any Agent may, to the fullest extent permitted by applicable law, deem and treat the bearer of any Bearer Note, Coupon or Receipt and the registered holder of any Registered Note as the absolute owner thereof (whether or not such Note, Coupon or Receipt shall be overdue and notwithstanding any notation of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out below. Neither Bearer Notes nor Registered Notes will be exchangeable for VP Notes (or vice versa). Bearer Notes will not be exchangeable for Registered Notes (and vice versa).

The holder of a VP Note will be the person evidenced as such by a book entry in the book-entry system and register maintained by VP. Ownership of VP Notes will be transferred by registration in the register between the direct or nominee accountholders at VP, in accordance with the rules and procedures of VP from time to time. Where a nominee is so evidenced, it shall be treated by the Issuer as the holder of the relevant VP Note. For so long as any Note is a VP Note, each person who is for the time being shown in the book-entry system and register maintained by VP, as the holder of a Note shall be treated by the Issuer, the VP Agent and any Agent as the holder of such Note for all purposes; and, in respect of any VP Notes, the expressions **"Noteholder"**, **"holder of Notes"** and related expressions shall be construed accordingly. VP Notes will not be exchangeable for Bearer Notes or Registered Notes. VP Notes will be issued in uncertificated and dematerialised book-entry form and no global or definitive Notes will be issued in respect thereof and the Conditions shall be construed accordingly. Any reference in these Conditions to Coupons, Receipts and/or Talons shall not apply to VP Notes.

For so long as any of the Notes of this Series are represented by a Global Note held on behalf of Euroclear Bank SA/NV ("**Euroclear**") and/or Clearstream Banking S.A. ("**Clearstream**"), each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear or of Clearstream (as applicable) as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Agents as a holder of such nominal amount of such Notes for all purposes other than for the payment of principal (including premium (if any)) and interest on such Notes, the right to which shall be vested, as against the Issuer and any of the Agents, solely in the bearer of the relevant Bearer Global Note or the registered holder of the relevant Registered Global Note in accordance with and subject to its terms (and the expressions **"Noteholder"**, **"holder of Notes"** and related expressions shall be construed accordingly). Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear and/or Clearstream, as the case may be.

Any reference herein to Euroclear and/or Clearstream shall, whenever the context so permits, except in relation to Notes issued in NGN form or which are held under the NSS, be deemed to include a reference to any additional clearance system approved by the Issuer, the Agents and, where the Notes are admitted to trading on the Luxembourg Stock Exchange's regulated market and listed on the Official List of the Luxembourg Stock Exchange, the Luxembourg Stock Exchange.

Interests in a Permanent Global Note or Registered Global Note will be exchanged (subject to the period allowed for delivery as set out in (i) below), in whole but not in part only and at the request of the holder of such Global Note, for definitive Notes (a) if Euroclear or Clearstream

or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) if the Issuer or any person acting on its behalf is obliged to pay additional amounts as provided in Condition 6 which would not be required were the Notes in definitive bearer form or, (c) where the Notes represented by such Global Note have been issued in a single specified denomination, if so specified in the Final Terms, at any time on the request of the bearer (each an “**Exchange Event**”).

In the event of the occurrence of an Exchange Event, the Issuer shall promptly give notice to the Noteholders in accordance with Condition 11.

Whenever a Permanent Global Note or Registered Global Note is to be exchanged for definitive Notes the Issuer shall procure the prompt delivery of such definitive Notes, duly authenticated and where and to the extent applicable, with Receipts, Coupons and Talons attached, in an aggregate principal amount equal to the principal amount of such Permanent Global Note or Registered Global Note to the bearer or registered holder (as applicable) of such Global Note against its surrender at the specified office of, in respect of a permanent Global Note, the Principal Paying Agent or, in respect of a Registered Global Note, the Registrar within 30 days of the holder requesting such exchange.

Furthermore, if,

- (a) definitive Notes have not been delivered in accordance with the foregoing by 5.00 p.m. (London time) on the thirtieth day after the holder has requested exchange, or
- (b) the Permanent Global Note or Registered Global Note (or any part thereof) has become due and payable in accordance with the Conditions or the date for final redemption of such Global Note has occurred and, in either case, payment in full of the principal and interest due together with all accrued interest thereon has not been made to the holder in accordance with the Conditions on the due date for payment,

then such Global Note (including the obligation to deliver definitive Notes) will become void at 5.00 p.m. (London time) on such thirtieth day (in the case of (i) above) or at 5.00 p.m. (London time) on such due date (in the case of (ii) above) and the bearer or registered holder (as applicable) of the Permanent Global Note or Registered Global Note will have no further rights thereunder (but without prejudice to the rights which such holder or others may have under the Declaration of Direct Rights). Under the Declaration of Direct Rights, persons shown in the records of Euroclear and/or Clearstream (or, except in relation to Notes in NGN Form or which are held under the NSS, any other relevant clearing system) as being entitled to interests in the Notes will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the permanent global Note became void, they had been the bearer or registered holders (as applicable) of definitive Notes in an aggregate principal amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream or, except in relation to Notes in NGN form or which are held under the NSS, other relevant clearing system (as the case may be).

1B Transfers of Registered Notes

(a) *Transfers of interests in Registered Global Notes*

Transfers of beneficial interests in Registered Global Notes will be effected by Euroclear or Clearstream, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of transferors and transferees of such interests. A beneficial interest in a Registered Global Note will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Notes in definitive form or for a beneficial interest in another Registered Global Note of the same Series, in each case only in the Specified Denomination(s) set out in the applicable Final Terms (and provided that the aggregate nominal amount of any balance of such beneficial interest of the transferor not so transferred is an amount of at least the minimum Specified Denomination) and only in accordance with the rules and operating procedures for the time being of Euroclear or

Clearstream, as the case may be, and in accordance with the terms and conditions specified in the Agency Agreement.

(b) ***Transfers of Registered Notes in definitive form***

Subject as provided in Condition 1B(c) below, upon the terms and subject to the conditions set forth in the Agency Agreement, a Registered Note in definitive form may be transferred in whole or in part (in the Specified Denomination(s) set out in the applicable Final Terms). In order to effect any such transfer (a) the holder or holders must (i) surrender the Registered Note for registration of the transfer of the Registered Note (or the relevant part of the Registered Note) at the specified office of any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing and (ii) complete and deposit such other certifications as may be required by the relevant Transfer Agent and (b) the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer and the Registrar may from time to time prescribe (the initial such regulations being set out in Schedule 7 to the Agency Agreement). Subject as provided above, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail, to such address as the transferee may request, a new Registered Note in definitive form of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note in definitive form, a new Registered Note in definitive form in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.

(c) ***Registration of transfer upon partial redemption***

In the event of a partial redemption of Notes under Condition 4, the Issuer shall not be required to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

(d) ***Costs of registration***

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

2. Status and Negative pledge

- (a) The Notes and Coupons constitute direct, unconditional and general obligations of the Issuer and shall rank *pari passu* without any preference among themselves and at least equally with all other unsecured indebtedness, including guarantees and other obligations of a similar nature of the Issuer (save to the extent that laws affecting creditors' rights generally in a bankruptcy or winding-up may give preference to any of such other unsecured obligations).
- (b) So long as any Note or Coupon remains outstanding (as defined in the Agency Agreement), the Issuer will not create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest ("Security") upon the whole or any part of its undertaking, assets or revenues present or future to secure any Relevant Debt, or any guarantee of or indemnity in respect of any Relevant Debt, and the Issuer will procure that no other person gives any guarantee of, or indemnity

in respect of, any of its Relevant Debt unless, at the same time or prior thereto, the Issuer's obligations under the Notes and the Coupons (i) are secured equally and rateably therewith or benefit from a guarantee or indemnity in substantially identical terms thereto, as the case may be, or (ii) have the benefit of such other security, guarantee, indemnity or other arrangement as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders. This Condition shall not prevent the Issuer creating or having outstanding any Security (i) on property purchased by the Issuer as security for all or any part of the purchase price thereof, (ii) incurred in the ordinary course of financial business or (iii) imposed by law and/or by requirements from governmental authorities, the Central Bank of Denmark or any other public authority provided that the borrowings (if any) secured by such Security are not Relevant Debt.

(c) For the purposes of this Condition:

"Relevant Debt" means any present or future indebtedness in the form of, or represented by, bonds, notes, debentures, loan stock or other securities which are for the time being, or are capable of being, quoted, listed or ordinarily dealt in on any stock exchange, over-the-counter or other securities market.

3. Interest

(a) ***Interest on Fixed Rate Notes***

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, **"Fixed Interest Period"** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Notes which are (i) represented by a Global Note, (ii) Registered Notes in definitive form, or (iii) VP Notes, the aggregate outstanding nominal amount of such Fixed Rate Notes (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Fixed Rate Notes which are Bearer Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note which is a Bearer Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(b) **Interest on Floating Rate Notes**

(i) Interest Payment Dates

Each Floating Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from and including the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an “Interest Payment Date”) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an “Interest Payment Date”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or first) Interest Payment Date).

(ii) Interest Payments

Interest will be paid subject to and in accordance with the provisions of Condition 5. Interest will cease to accrue on each Floating Rate Note (or, in the case of the redemption of part of a Note, only of such Note) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused in which event interest will continue to accrue (as well after as before any judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the holder of such Note and (ii) the day on which the Principal Paying Agent, Registrar or the VP Agent, as applicable, has notified the holder thereof (either in accordance with Condition 11 or individually) of receipt of all sums due in respect thereof up to that date.

(iii) Rate of Interest

The rate of interest (the “**Rate of Interest**”) payable from time to time in respect of this Note if it is a Floating Rate Note will be determined in the manner specified in the applicable Final Terms.

(A) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub- paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent (as defined in these Conditions) under an interest rate swap transaction if the Calculation Agent (as defined in these Conditions) were acting as Calculation Agent (as defined in the ISDA Definitions, as defined below) for that swap transaction under the terms of an agreement incorporating the applicable ISDA Definitions and under which:

- (i) the Floating Rate Option is as specified in the applicable Final Terms;
- (ii) the Designated Maturity is a period specified in the applicable Final Terms; and
- (iii) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), (i) “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings

given to those terms in the ISDA Definitions, (ii) the definition of “**Banking Day**” in the ISDA Definitions shall be amended to insert after the words “are open for” in the second line the word “general” and (iii) “**Euro-zone**” means the region comprised of Member States of the European Union that adopt the single currency in accordance with the Treaty.

(B) Screen Rate Determination for Floating Rate Notes– Term Rate

Where both Screen Rate Determination and Term Rate are specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (i) the offered quotation; or
- (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of Condition 3(b)(iii)(B)(i), no offered quotation appears or, in the case of Condition 3(b)(iii)(B)(ii), fewer than three offered quotations appear, in each case as at the Specified Time (as defined below), the Issuer shall request each of the Reference Banks to provide the Issuer with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the Rate of Interest for the Interest Accrual Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Accrual Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Calculation Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Calculation Agent it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be

determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin relating to the relevant Interest Accrual Period in place of the Margin relating to that last preceding Interest Accrual Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

For the purposes of this sub-paragraph (B), (i) **“Reference Banks”** means, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Calculation Agent or as specified in the applicable Final Terms and (ii) **“Specified Time”** has the meaning given in the applicable Final Terms, and unless otherwise specified in such Final Terms, means 11.00 a.m. Brussels time, in the case of a determination of EURIBOR).

(C) Screen Rate Determination – Overnight Rate – Compounded Daily SONIA – Non-Index Determination

This Condition 3(b)(iii)(C) applies where: (1) Screen Rate Determination and Overnight Rate are specified hereon to be Applicable; (2) Compounded Daily SONIA is specified hereon as the Reference Rate; and (3) Index Determination is specified hereon to be Not Applicable.

(i) Subject to Condition 3(g), the Rate of Interest for an Interest Accrual Period will, subject as provided below, be Compounded Daily SONIA with respect to such Interest Accrual Period plus or minus the applicable Margin (if any), all as determined by the Calculation Agent.

“Compounded Daily SONIA” means, with respect to an Interest Accrual Period, the rate of return of a daily compound interest investment (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) as calculated by the Calculation Agent as at the relevant Interest Determination Date in accordance with the following formula (rounded to the nearest one hundred-thousandth of a percentage point (with 0.000005 of a percentage point being rounded up)):

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_i \times n_i}{D} \right) - 1 \right] \times \frac{D}{d}$$

where:

“d” is the number of calendar days in:

- (i) where “Lag” is specified hereon as the Observation Method, the relevant Interest Accrual Period; or
- (ii) where “Observation Shift” is specified hereon as the Observation Method, the relevant Observation Period;

“D” is the number specified hereon (or, if no such number is specified hereon, 365);

“d_o” means:

- (i) where “Lag” is specified hereon as the Observation Method, the number of London Banking Days in the relevant Interest Accrual Period; or
- (ii) where “Observation Shift” is specified hereon as the Observation Method, the number of London Banking Days in the relevant Observation Period;

“*l*” is a series of whole numbers from one to “*d*”, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in:

- (i) where “Lag” is specified hereon as the Observation Method in, the relevant Interest Accrual Period; or
- (ii) where “Observation Shift” is specified hereon as the Observation Method, the relevant Observation Period;

“**London Banking Day**” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“*n_i*” for any London Banking Day “*i*”, means the number of calendar days from (and including) such London Banking Day “*i*” up to (but excluding) the following London Banking Day;

“**Observation Period**” means the period from (and including) the date falling “*p*” London Banking Days prior to the first day of the relevant Interest Accrual Period to (but excluding) the date falling “*p*” London Banking Days prior to (A) (in the case of an Interest Period) the Interest Payment Date for such Interest Period or (B) (in the case of any other Interest Accrual Period) the date on which the relevant payment of interest falls due;

“*p*” means:

- (i) where “Lag” is specified hereon as the Observation Method, the number of London Banking Days specified hereon as the “Lag Period” (or, if no such number is so specified, five London Banking Days); or
- (ii) where “Observation Shift” is specified hereon as the Observation Method, the number of London Banking Days specified hereon as the “Observation Shift Period” (or, if no such number is specified, five London Banking Days);

the “**SONIA reference rate**” in respect of any London Banking Day (“**LBD_x**”), a reference rate equal to the daily Sterling Overnight Index Average (“**SONIA**”) rate for such LBD_x as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors) on the London Banking Day immediately following such LBD_x; and;

“**SONIA_i**” means the SONIA reference rate for:

- (i) where “Lag” is specified hereon as the Observation Method, the London Banking Day falling “*p*” London Banking Days prior to the relevant London Banking Day “*i*”; or
- (ii) where “Observation Shift” is specified hereon as the Observation Method, the relevant London Banking Day “*i*”.
- (ii) Subject to Condition 3(g), if, where any Rate of Interest is to be calculated pursuant to Condition 3(b)(iii)(C)(i) above, in respect of any London Banking Day on which an applicable SONIA reference rate is required to be determined, such SONIA reference rate is not made available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, then the SONIA reference rate in respect of such London Banking Day shall be the rate determined by the Calculation Agent as:
- (1) the sum of (i) the Bank of England’s Bank Rate (the “**Bank Rate**”) prevailing at 5.00 p.m. (London time) (or, if earlier, close of business) on such London Banking Day; and (ii) the mean of the spread of the SONIA reference rate to

the Bank Rate over the previous five London Banking Days in respect of which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads); or

- (2) if the Bank Rate under 3(b)(iii)(C)(ii)(1) above is not available at the relevant time, either (i) the SONIA reference rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding London Banking Day in respect of which the SONIA reference rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) or (ii) if this is more recent, the latest rate determined under (1) above,

and, in each case, references to “SONIA reference rate” in this Condition 3(b)(iii)(C)(i) above shall be construed accordingly.

- (iii) In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions of this Condition 3(b)(iii)(C) and without prejudice to the provisions of Condition 3(g), the Rate of Interest shall be:
 - (1) that determined as at the last preceding Interest Determination Date on which the Rate of Interest was so determined (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or
 - (2) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to the Notes for the first scheduled Interest Period had the Notes been in issue for a period equal in duration to the first scheduled Interest Period but ending on (and excluding) the Interest Commencement Date (applying the Margin and, if applicable, Maximum Rate of Interest or Minimum Rate of Interest, applicable to the first scheduled Interest Period),

in each case as determined by the Calculation Agent.

- (D) Screen Rate Determination – Overnight Rate - Compounded Daily SONIA – Index Determination
 - (i) This Condition 3(b)(iii)(D) applies where: (1) Screen Rate Determination and Overnight Rate are specified hereon to be Applicable; (2) Compounded Daily SONIA is specified hereon as the Reference Rate; and (3) Index Determination is specified hereon to be Applicable.

and "r" shall be interpreted accordingly.

- (3) Notwithstanding the above, if the SNB Policy Rate for any Swiss Business Day with respect to which SARON is to be determined pursuant to paragraph 3(b)(iii)(H)(iii)(2)(b) above has not been published on such Swiss Business Day, then in respect of such Swiss Business Day (the "**Affected Business Day**") and each Swiss Business Day thereafter, SARON will be replaced by the Replacement Rate, if any, determined in accordance with paragraph 3(b)(iii)(H)(iii)(4) below for the purpose of determining the Rate of Interest.
- (4) If the Calculation Agent (A) is required to use a Recommended Replacement Rate or the SNB Policy Rate pursuant to paragraphs 3(b)(iii)(H)(iii)(2)(a) or 3(b)(iii)(H)(iii)(2)(b) above for purposes of determining SARON for any Swiss Business Day, and (B) determines that any changes to the definitions of Business Day Convention, Day Count Fraction, Interest Determination Date, Interest Payment Date, Interest Accrual Period, Observation Period, SARON, SARON Administrator, SIX Group's Website or SARON Specified Time are necessary in order to use such Recommended Replacement Rate (and any Recommended Adjustment Spread) or the SNB Policy Rate (and any SNB Adjustment Spread), as the case may be, for such purposes, such definitions will be amended as contemplated in Condition 10 to reflect such changes, and the Issuer shall give notice as soon as practicable to the Calculation Agent and, in accordance with Condition 11, the Noteholders, specifying the Recommended Replacement Rate and any Recommended Adjustment Spread or, as the case may be, indicating that the SNB Policy Rate will be used and specifying any SNB Adjustment Spread, as applicable, and the amendments implemented pursuant to Condition 11.
- (5) The Recommended Replacement Rate and any Recommended Adjustment Spread, or as the case may be the SNB Policy Rate and any SNB Adjustment Spread and any other changes pursuant to this Condition 3(b)(iii)(H)(iii) specified in such certificate will (in the absence of manifest error) be binding on the Issuer, the Paying Agents, the Calculation Agent, the Noteholders and the Couponholders. Subject as provided in the Agency Agreement, the Principal Paying Agent shall, at the direction and expense of the Issuer and without any requirement for the consent or approval of the Noteholders or the Couponholders, be obliged to concur with the Issuer in using its reasonable endeavours to effect such consequential amendments to the Agency Agreement and these Terms and Conditions as may be required in order to give effect to this Condition 3(b)(iii)(H)(iii).
- (6) Unless the Issuer has elected to redeem the Notes in accordance with Condition 4, the Issuer will appoint a "**Replacement Rate Agent**" on or prior to the first relevant Swiss Business Day (a) with respect to which SARON is to be determined pursuant to paragraph 3(b)(iii)(H)(iii)(2)(b) above and (b) for which the SNB Policy Rate has not been published thereon. The Issuer may appoint an affiliate of the Issuer or any other person as Replacement Rate Agent, so long as such affiliate or other person is a leading financial institution that is experienced in the calculations or determinations to be made by the Replacement Rate Agent. The Issuer will notify the Noteholders of any such appointment in accordance with Condition 11.
- (7) If the conditions set out in the last paragraph of paragraph 3(b)(iii)(H)(iii)(2) above have been satisfied, then the Replacement Rate Agent will determine whether to use an alternative rate to SARON for the Affected Business Day and for all subsequent Swiss Business Days in the Observation Period in which the Affected Business Day falls (the "**Affected SARON Observation Period**") and all Observation Periods thereafter. If the Replacement Rate Agent determines to use an alternative rate pursuant to the immediately preceding sentence, it shall select such rate that it has determined is most

comparable to SARON (the "**Existing Rate**"), provided that if it determines that there is an appropriate industry-accepted successor rate to the Existing Rate, it shall use such industry-accepted successor rate. If the Replacement Rate Agent has determined an alternative rate in accordance with the foregoing (such rate, the "**Replacement Rate**"), for the purposes of determining the Rate of Interest, (a) the Replacement Rate Agent shall determine (A) the method for obtaining the Replacement Rate (including any alternative method for determining the Replacement Rate if such alternative rate is unavailable on the relevant Interest Determination Date), which method shall be consistent with industry-accepted practices for the Replacement Rate, and (B) any adjustment factor as may be necessary to make the Replacement Rate comparable to the Existing Rate consistent with industry-accepted practices for the Replacement Rate, (b) for the Affected Business Day and all subsequent Swiss Business Days in the Affected SARON Observation Period and all Observation Periods thereafter, references to SARON in these Conditions shall be deemed to be references to the Replacement Rate, including any alternative method for determining such rate and any adjustment factor as described above, (c) if the Replacement Rate Agent determines that changes to the definitions of Business Day Convention, Day Count Fraction, Interest Determination Date, Interest Payment Date, Interest Accrual Period, Observation Period, SARON, SARON Administrator, SIX Group's Website or SARON Specified Time are necessary in order to implement the Replacement Rate as SARON, such definitions will be deemed amended to reflect such changes, and the Issuer shall give notice as soon as practicable to the Calculation Agent and, in accordance with Condition 11, the Noteholders, specifying the Replacement Rate and the amendments implemented pursuant to Condition 10. Any determination to be made by the Replacement Rate Agent pursuant to this Condition 3(b)(iii)(H)(iii), including any determination with respect to a rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be made in the sole discretion of the Replacement Rate Agent acting in good faith. The Issuer shall deliver to the Principal Paying Agent a certificate signed by two authorised signatories of the Issuer confirming (i) the Replacement Rate, (ii) any adjustment factor determined by the Replacement Rate Agent and (iii) the changes to any of the definitions specified above in this Condition 3(b)(iii)(H)(iii). The Principal Paying Agent shall be entitled to rely on such certificate (without enquiry or liability to any person) as sufficient evidence thereof. The Replacement Rate and any other changes pursuant to this Condition 3(b)(iii)(H)(iii) specified in such certificate will (in the absence of manifest error and without prejudice to the Principal Paying Agent's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Paying Agents, the Calculation Agent, the Noteholders and the Couponholders. Subject as provided in the Agency Agreement, the Principal Paying Agent shall, at the direction and expense of the Issuer and without any requirement for the consent or approval of the Noteholders or the Couponholders, be obliged to concur with the Issuer in using its reasonable endeavours to effect such consequential amendments to the Agency Agreement and these Terms and Conditions as may be required in order to give effect to this Condition 3(b)(iii)(H)(iii) and the Principal Paying Agent shall not be liable to any party for any consequences thereof (provided, however, that the Principal Paying Agent shall not be obliged to agree to any such consequential amendments if the same would, in the sole opinion of the Principal Paying Agent, impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce, or amend its rights and/or the protective provisions afforded to it in any document to which it is a party).

- (8) As used in this Condition:

"Recommended Adjustment Spread" means, with respect to any Recommended Replacement Rate, the spread (which may be positive, negative or zero), or formula or methodology for calculating such a spread:

- (X) that the Recommending Body has recommended be applied to such Recommended Replacement Rate in the case of fixed income securities with respect to which such Recommended Replacement Rate has replaced SARON as the reference rate for purposes of determining the applicable rate of interest thereon; or
- (Y) if the Recommending Body has not recommended such a spread, formula or methodology as described in paragraph (X) above, to be applied to such Recommended Replacement Rate in order to reduce or eliminate, to the extent reasonably practicable under the circumstances, any economic prejudice or benefit (as applicable) to Noteholders as a result of the replacement of SARON with such Recommended Replacement Rate for purposes of determining SARON, which spread will be determined by the Issuer, following consultation with the Independent Adviser, and be consistent with industry-accepted practices for fixed income securities with respect to which such Recommended Replacement Rate has replaced SARON as the reference rate for purposes of determining the applicable rate of interest thereon;

"Recommended Replacement Rate" means the rate that has been recommended as the replacement for SARON by the Recommending Body;

"Recommending Body" means any working group or committee in Switzerland organised in the same or a similar manner as the National Working Group on Swiss Franc Reference Rates that was founded in 2013 for purposes of, among other things, considering proposals to reform reference interest rates in Switzerland;

"SARON Index Cessation Effective Date" means the earliest of:

- (i) in the case of the occurrence of a SARON Index Cessation Event described in paragraph (i) of the definition thereof, the date on which the SARON Administrator ceases to provide SARON;
- (ii) in the case of the occurrence of a SARON Index Cessation Event described in paragraph (ii)(x) of the definition thereof, the latest of:
 - (A) the date of such statement or publication;
 - (B) the date, if any, specified in such statement or publication as the date on which SARON will no longer be representative; and
 - (C) if a SARON Index Cessation Event described in paragraph (ii)(x) of the definition thereof has occurred on or prior to either or both dates specified in paragraphs (A) and (B) of this paragraph (ii), the date as of which SARON may no longer be used; and
- (iii) in the case of the occurrence of a SARON Index Cessation Event described in paragraph (ii)(y) of the definition thereof, the date as of which SARON may no longer be used;

"SARON Index Cessation Event" means the occurrence of one or more of the following events:

- (i) a public statement or publication of information by or on behalf of the SARON Administrator, or by any competent authority, announcing or confirming that the SARON Administrator has ceased or will cease to provide SARON

permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide SARON; or

- (ii) a public statement or publication of information by the SARON Administrator or any competent authority announcing that (x) SARON is no longer representative or will as of a certain date no longer be representative, or (y) SARON may no longer be used after a certain date, which statement, in the case of sub-clause (y), is applicable to (but not necessarily limited to) fixed income securities and derivatives; and

"SNB Adjustment Spread" means, with respect to the SNB Policy Rate, the spread (which may be positive, negative or zero) to be applied to the SNB Policy Rate in order to reduce or eliminate, to the extent reasonably practicable under the circumstances, any economic prejudice or benefit (as applicable) to Noteholders as a result of the replacement of SARON with the SNB Policy Rate for purposes of determining SARON, which spread will be determined by the Issuer, following consultation with the Independent Adviser, taking into account the historical median between SARON and the SNB Policy Rate during the two year period ending on the date on which the SARON Index Cessation Event occurred (or, if more than one SARON Index Cessation Event has occurred, the date on which the first of such events occurred).

- (l) Screen Rate Determination – Overnight Rate – Compounded Daily SARON – Index Determination

This Condition 3(b)(iii)(l) applies where: (1) Screen Rate Determination and Overnight Rate are specified hereon to be Applicable; (2) Compounded Daily SARON is specified hereon as the Reference Rate; and (3) Index Determination is specified hereon to be Applicable.

The Rate of Interest for an Interest Accrual Period will, subject as provided below, be the Compounded SARON with respect to such Interest Accrual Period plus or minus the applicable Margin (if any), all as determined by the Calculation Agent.

"Compounded SARON" means, with respect to an Interest Accrual Period, the rate determined by the Calculation Agent in accordance with the following formula:

$$\left(\frac{\text{SARON Compounded Index}_{\text{End}}}{\text{SARON Compounded Index}_{\text{Start}}} - 1 \right) \times \frac{D}{d}$$

and the resulting percentage will be rounded, if necessary, to the sixth decimal place, plus or minus (as indicated in the applicable Final Terms) the Margin and will be calculated by the Calculation Agent on the relevant Interest Determination Date where:

"SARON Compounded Index" shall mean in relation to any Swiss Business Day, the value of the index known as the SARON Index administered by the SARON Administrator as published on the SIX Group's Website at 6:00 p.m. (Zurich time) on such Swiss Business Day;

"Swiss Business Day" has the meaning given in Condition 3(b)(iii)(H) above);

"d" is the number of calendar days from (and including) the day on which the SARON Compounded Index_{Start} is determined to (but excluding) the day on which the SARON Compounded Index_{End} is determined;

"Relevant Number" is the number of Swiss Business Days included in the Observation Shift Period specified in the applicable Final Terms (or, if no such number is specified, two);

"SARON Compounded Index_{Start}" means, in relation to any Interest Period, the SARON Compounded Index value on the day falling the Relevant Number of Swiss Business Days prior to the first day of such Interest Period; and

“SARON Compounded Index_{End}” means, in relation to any Interest Period, the SARON Compounded Index value on the day falling the Relevant Number of Swiss Business Days prior to the Interest Payment Date for such Interest Period, or such other date on which the relevant payment of interest falls due (but which by its definition or the operation of the relevant provisions is excluded from such Interest Period).

If, with respect to any Interest Period, the relevant rate is not published for the SARON Compounded Index either on the relevant SARON Compounded Index_{Start} date or on the SARON Compounded Index_{End} date, then the Calculation Agent shall calculate the rate of interest for that Interest Period as if “Index Determination” was specified as “Not Applicable” in the applicable Final Terms.

(J) Linear Interpolation

Where Linear Interpolation is specified hereon as applicable in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified hereon as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified hereon as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Issuer (or an Independent Adviser) shall determine such rate at such time and by reference to such sources as it determines appropriate.

“Applicable Maturity” means: (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate, and (b) in relation to ISDA Determination, the Designated Maturity.

(K) Floating Rate Notes linked to Reference Rates other than EURIBOR, SOFR, SONIA, €STR or SARON

If the Reference Rate from time to time in respect of Floating Rate Notes is specified hereon as being other than EURIBOR, SOFR, SONIA, €STR or SARON, the Rate of Interest in respect of such Notes will be determined as provided in the relevant Final Terms.

(iv) Determination of Rate of Interest and Calculation of Interest Amount

The Calculation Agent will, as soon as practicable after the customary time on each Interest Determination Date (being, if the Rate of Interest is being determined in accordance with Condition 3(b)(iii), the day or date as set out in the appropriate floating rate option set out in the ISDA Definitions upon which it is customary, in accordance with the terms of the appropriate floating rate option which is being used to determine the Rate of Interest, to determine the Rate of Interest), determine the Rate of Interest and calculate the amount of interest payable in respect of each Specified Denomination (each, an **“Interest Amount”**) for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to a Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest cent (or its approximate equivalent in the relevant other Specified Currency), half a cent (or its approximate equivalent in the relevant other Specified Currency) being rounded upwards. The determination of the Rate of Interest and calculation of each Interest Amount by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties. Reference in this sub-paragraph to the **“customary time”** is to the time of day when, in accordance with the terms of the appropriate floating rate option, it is customary to determine the basis for the calculation of the Rate of Interest as set out in the appropriate floating

rate option. If the Rate of Interest is being determined in accordance with Condition 3(b)(iii)(A), the Interest Determination Date shall be set out in the applicable Final Terms.

(v) **Notification of Rate of Interest and Interest Amount**

The Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date after such determination to be notified to the Issuer and (in the case of Floating Rate Notes which are to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Official List of the Luxembourg Stock Exchange), the EU regulated market of the Luxembourg Stock Exchange or (if applicable) any other stock exchange on which the relevant Floating Rate Notes are for the time being listed and, in case of the VP Notes, VP and the VP Agent in any event not later than the first business day (being a day on which commercial banks and foreign exchange markets settle payments in the city where the Calculation Agent is located) after such determination, and to be published in accordance with the provisions of Condition 11 as soon as possible but in any event not later than the second business day (being a day on which commercial banks and foreign exchange markets settle payments in the city where the Calculation Agent is located) after their determination. Each Rate of Interest, Interest Amount and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without publication as aforesaid in the event of an extension or shortening of the Interest Period or Interest Accrual Period (as the case may be). Any such amendment will be promptly notified to each stock exchange on which this Note, if it is a Floating Rate Note, is for the time being listed.

If the applicable Final Terms specify a Minimum Rate of Interest, then the Rate of Interest shall in no event be less than such minimum, and if there is so shown a Maximum Rate of Interest then the Rate of Interest shall in no event exceed such maximum.

(c) **Zero Coupon Notes**

Where a Zero Coupon Note becomes due and payable prior to the Maturity Date and is not paid when due, the amount due and payable shall be the Amortised Face Amount of such Note as determined in accordance with Condition 4(f)(iii). As from the Maturity Date, any overdue principal of such Note shall bear interest at a rate per annum equal to the Amortisation Yield (as defined in the applicable Final Terms). Such interest shall continue to accrue (as well after as before any judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the holder of such Note and (ii) the day on which the Principal Paying Agent has notified the holder thereof (either in accordance with Condition 11 or individually) of receipt of all sums due in respect thereof up to that date. Such interest will be calculated on the basis of a 360 day year consisting of 12 months of 30 days each and in the case of an incomplete month the actual number of days elapsed. This Condition 3(c) shall not apply to VP Notes and the provisions relating to such Notes will be set out in the applicable Final Terms.

(d) **Indexed Notes**

In the case of Indexed Notes where the rate of interest (whether on any Interest Payment Date, Fixed Interest Date, early redemption, maturity or otherwise) falls to be determined by reference to the Index and/or the Formula, the rate of interest shall be determined in accordance with the Index and/or the Formula in the manner specified in the applicable Final Terms and payment shall otherwise be made in accordance with Condition 5.

(e) **Partly Paid Notes**

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes) interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(f) ***Equity-Linked Interest Notes and Commodity-Linked Interest Notes***

In the case of Equity-Linked Interest Notes and Commodity-Linked Interest Notes, interest will accrue on the basis specified in the applicable Final Terms.

(g) ***Benchmark discontinuation***

This Condition 3(g) applies in respect of each issue of Floating Rate Notes unless “Benchmark Discontinuation” is specified in the applicable Final Terms to be ‘Not Applicable’.

If the applicable Final Terms specifies “Benchmark Replacement” to be ‘Applicable’, the provisions of Condition 3(g)0 apply, together with the other provisions of this Condition 3(g) (other than Condition 3(g)(ii)).

If the applicable Final Terms specifies “Benchmark Transition” to be ‘Applicable’, the provisions of Condition 3(g)(ii) apply, together with the other provisions of this Condition 3(g) (other than Condition 3(g)0.

Notwithstanding the provisions above in Condition 3(b), if a Benchmark Event occurs in relation to an Original Reference Rate when any required Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions of this Condition 3(g) shall apply.

(A) Independent Adviser

The Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Issuer determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 3(g)(i)(B)) and, in either case, an Adjustment Spread if any (in accordance with Condition 3(g)(i)(C)) and any Benchmark Amendments (in accordance with Condition 3(g)(i)(D)).

An Independent Adviser appointed pursuant to this Condition 3(g) shall act in good faith as an expert and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, any Agent, any Calculation Agent, the Noteholders or the Couponholders for any determination made by it or for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 3(g).

(B) Successor Rate or Alternative Rate

If the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines that:

- (i) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 3(g)(i)(C)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 3(g)); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 3(g)(i)(C)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 3(g)).

(C) Adjustment Spread

If the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be).

(D) Benchmark Amendments

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 3(g) and the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (i) that amendments to these Conditions and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 3(g)(iii), without any requirement for the consent or approval of Noteholders, vary these Conditions and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.

In connection with any such variation in accordance with this Condition 3(g)(i)(D), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(E) Definitions

As used in this Condition 3(g):

“**Adjustment Spread**” means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
- (ii) the Issuer determines, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); (or if the Issuer determines that no such industry standard is recognised or acknowledged);
- (iii) the Issuer, in its discretion, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines to be appropriate.

“**Alternative Rate**” means an alternative to the Reference Rate which the Issuer determines in accordance with Condition 3(g)(i)(B) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for the same interest period and in the same Specified Currency as the Notes.

“Benchmark Amendments” has the meaning given to it in Condition 3(g)(i)(D).

“Benchmark Event” means:

- (i) the Original Reference Rate ceasing to be published for a period of at least five Business Days or ceasing to exist; or
- (ii) a public statement by the administrator of the Original Reference Rate that it will, by a specified date within the following six months, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate); or
- (iii) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been or will, by a specified date within the following six months, be permanently or indefinitely discontinued; or
- (iv) a public statement by the supervisor of the administrator of the Original Reference Rate that means the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case within the following six months; or
- (v) it has become unlawful for any Paying Agent, the Calculation Agent or the Issuer to calculate any payments due to be made to any Noteholder using the Original Reference Rate.

“Independent Adviser” means an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by the Issuer at its own expense under Condition 3(g)(i);

“Original Reference Rate” means the originally-specified Reference Rate used to determine the Rate of Interest (or any component part thereof) on the Notes;

“Relevant Nominating Body” means, in respect of a Reference Rate:

- (i) the central bank for the currency to which the Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the Reference Rate; or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the Reference Rate relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the Reference Rate, (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof;

“Successor Rate” means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

- (ii) **Benchmark Transition**

If a Benchmark Transition Event and its related Benchmark Replacement Date have occurred in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions shall apply.

(A) ***Independent Adviser***

- (i) The Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Benchmark Replacement which will replace such Original Reference Rate for all purposes relating to the Notes in respect of all determinations on such date and for all determinations on all subsequent dates (subject to any subsequent application of this Condition 3(g)(ii) with respect to such Benchmark

Replacement) and any Benchmark Replacement Conforming Changes. In making such determination, the Independent Adviser appointed pursuant to this Condition 3(g)(ii) shall act in good faith as an expert. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Principal Paying Agent, the Paying Agents, the Noteholders or the Couponholders for any determination made by it pursuant to this Condition 3(g)(ii).

- (ii) Any Benchmark Replacement so determined shall have effect for any subsequent determination of any Rate of Interest (subject to any further application of this Condition 3(g)(ii) with respect to such Benchmark Replacement), subject, if any associated Benchmark Replacement Conforming Changes are required in connection therewith, to such Benchmark Replacement Conforming Changes becoming effective in accordance with the following provisions.
 - (iii) If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to determine a Benchmark Replacement or, failing which, a Benchmark Replacement and any Benchmark Replacement Conforming Changes in accordance with this Condition 3(g)(ii) prior to the date which is 10 business days prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Accrual Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Accrual Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest. Where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period shall be substituted in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Accrual Period only and any subsequent Interest Accrual Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 3(g)(ii)(A).
- (B) ***Benchmark Replacement Conforming Changes***
- (i) If the Independent Adviser determines (i) that amendments to these Conditions and/or the Agency Agreement are necessary to ensure the proper operation of such Benchmark Replacement (such amendments, the “**Benchmark Replacement Conforming Changes**”) and (ii) the terms of the Benchmark Replacement Conforming Changes, then the Issuer shall, subject to giving notice thereof in accordance with Condition 3(g)(iii), without any requirement for the consent or approval of Noteholders, vary these Conditions and/or the Agency Agreement to give effect to such Benchmark Replacement Conforming Changes with effect from the date specified in such notice.
 - (ii) Notwithstanding any other provision of this Condition 3(g)(ii), neither the Calculation Agent nor any Paying Agent is obliged to concur with the Issuer or the Independent Adviser in respect of any changes or amendments as contemplated under this Condition 3(g)(ii) which, in the sole opinion of the Calculation Agent or the relevant Paying Agent, as the case may be, would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Calculation Agent or the relevant Paying Agent (as applicable) in the Agency Agreement and/or these Conditions.

- (iii) In connection with any such variation in accordance with this Condition 3(g)(ii), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

“Benchmark Replacement” means the first alternative set forth in the order below that can be determined by the Independent Adviser as of the Benchmark Replacement Date:

- (i) the sum of: (a) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the Original Reference Rate for the applicable Corresponding Tenor and (b) the Benchmark Replacement Adjustment;
- (ii) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment; or
- (iii) the sum of: (a) the alternate rate of interest that has been selected by the Issuer as the replacement for the Original Reference Rate for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current benchmark for U.S. dollar-denominated floating rate notes at such time and (b) the Benchmark Replacement Adjustment;

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

Payments of principal and interest (if any) in respect of Notes represented by any Global Note in bearer form will (subject as provided below) be made in the manner specified above in relation to definitive Bearer Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made on such Global Note, distinguishing

between any payment of principal and any payment of interest, will be made either on such Global Note by the Paying Agent to which it was presented for the purpose of making such payment or in the records of Euroclear and Clearstream, as applicable, and such record shall be prima facie evidence that the payment in question has been made.

(d) ***Payments in respect of Registered Notes***

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the “**Register**”) (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. For these purposes, “**Designated Account**” means the account (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and “**Designated Bank**” means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by transfer on the due date to the Designated Account of the holder (or the first named of joint holders) of the Registered Note appearing in the Register (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the “**Record Date**”). Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

No commissions or expenses shall be charged to the holders by the Registrar in respect of any payments of principal or interest in respect of Registered Notes.

None of the Issuer or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) ***Payments in respect of VP Notes***

Payments of principal and interest in respect of VP Notes shall be made to the holders shown in the relevant securities accounts of VP (the “**VP Securities Account**”) in accordance with and subject to the rules and regulations from time to time governing VP by transfer to a cash account denominated in the currency in which the payment is due and maintained by the payee with a bank in the principal financial centre of such Specified Currency, and which has been linked to the VP Securities Account in accordance with the rules and regulations of VP. Payments in respect of the VP Notes will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 6

and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof or any law implementing an intergovernmental approach thereto. No commissions or expenses shall be charged to the holders in respect of such payments.

(f) ***General Provisions applicable to payments***

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or of Clearstream as the holder of a particular nominal amount of Notes must look solely to Euroclear and/or Clearstream, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of the relevant Global Note. No person other than the holder of the relevant Global Note shall have any claim against the Issuer in respect of any payments due on that Global Note.

Notwithstanding the foregoing, payments due to be made in U. S. dollars in respect of Bearer Notes will be made at the specified office of any Paying Agent in the United States: (i) if (1) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount due on the Notes in the manner provided above when due, (2) payment of the full amount due at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (3) such payment is then permitted under United States law, and (ii) at the option of the relevant holder if such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

Payments in respect of the Notes will be subject in all cases to any (i) fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 6 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof or any law implementing an intergovernmental approach thereto.

If so specified in item 37 of the applicable Final Terms, if the Issuer is due to make a payment in the Specified Currency in respect of any Note or Coupon and the Specified Currency is not available on the foreign exchange markets due to the imposition of exchange controls, the Specified Currency's replacement or disuse or other circumstances beyond the Issuer's control, the Issuer will be entitled to satisfy its obligations in respect of such payment by making payment in either euro or U.S. dollars as specified in the applicable Final Terms. The payment in euro or U.S. Dollars will be made either (i) in accordance with the provisions set out in the applicable Final Terms or (ii) on the basis of the spot exchange rate (the "**FX Rate**") at which the Specified Currency is offered in exchange for euro or, as the case may be, U.S. dollars in the London foreign exchange market of any other financial centre which is then open for business) at noon, London time, two Business Days prior to the date on which payment is due or, if the FX Rate is not available on that date, on the basis of a substitute exchange rate determined by the Issuer or by its designated Calculation Agent acting in its absolute discretion from such source(s) and at such time as it may select. For the avoidance of doubt, the FX Rate or substitute exchange rate as aforesaid may be such that the resulting euro or U.S. dollar amount is zero and in such event no amount of euro, U.S. dollars or the Specified Currency will be payable. Any payment made in euro or U.S. dollars or non-payment in accordance with this Condition 5 will not constitute an Event of Default under Condition 7.

(g) ***Payment Day***

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, “**Payment Day**” means any day which is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in (1) in case of the Notes in definitive form only, the relevant place of presentation and (2) each Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the T2 System is open.

(h) ***Exchange of Talons***

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of any of the Paying Agents in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to, and including, the final date for the payment of interest due in respect of the Bearer Note to which it appertains) a further Talon, subject to the provisions of Condition 8. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the interest payment date on which the final Coupon comprised in the relative Coupon sheet matures.

(i) ***Agents***

The names of the initial Agents are set out above and their initial specified offices in respect of this Series of Notes are set out in the Agency Agreement. The Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint additional or other Agents and/or to approve any change in the specified office of any Agent, provided that it will, so long as any of the Notes of this Series is outstanding, maintain (i) a Principal Paying Agent, a Registrar (in the case of Registered Notes) and a Transfer Agent (in the case of Registered Notes), and (ii) if and so long as any Notes of this Series are admitted to trading on the Luxembourg Stock Exchange's regulated market and listed on the Official List of the Luxembourg Stock Exchange, a Paying Agent having a specified office in such place (if any) as may be required by the rules and regulations of such stock exchange, and (iii) in case of the VP Notes, (a) a VP Agent and (b) one or more Calculation Agent(s) where the Terms and Conditions of the VP Notes so require. Any such variation, termination or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 days' prior notice thereof shall have been given to the Noteholders of this Series in accordance with Condition 11 and provided further that neither the resignation nor removal of the Principal Paying Agent or Registrar shall take effect, except in the case of insolvency as aforesaid, until a new Principal Paying Agent or Registrar (as applicable) has been appointed. In addition, if payments are due to be made in U. S. dollars in respect of the Notes the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in (i)(2) and (i)(3) of the fourth paragraph of Condition 5(f) (being the paragraph starting “Notwithstanding the foregoing, payments due...”).

6. Taxation

All payments of principal and/or interest by the Issuer in respect of the Notes, Receipts and Coupons of this Series shall be made without withholding or deduction (a) for or on account of any present or future tax, duty or charge of whatever nature imposed or levied by or on behalf of The Kingdom of Denmark, or any political subdivision or any authority thereof or therein having power to tax; (b) imposed by the United States of America on a "dividend equivalent" as defined in Section 871(m) of the U.S. Internal Revenue Code of 1986 (the "**Code**"); or (c) imposed pursuant to 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code and any regulation or agreements thereunder or, official interpretations thereof, or law implementing an intergovernmental approach thereto or otherwise imposed pursuant to the Foreign Account Tax Compliance Act ("**FATCA**"), in each case unless the withholding or deduction is required by law (including pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to FATCA). In the event that the Issuer or any person acting on its behalf is required by law to make such withholding or deduction, the Issuer shall pay such additional amounts as will result (after such withholding or deduction) in the receipt by the holders of the Notes, Receipts or Coupons of this Series of the sums which would have been receivable (in the absence of such withholding or deduction) from it in respect of their Notes, Receipts and Coupons; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon of this Series:

- (a) presented for payment in The Kingdom of Denmark; and/or
- (b) presented for payment by or on behalf of a person liable to such tax, duty or charge in respect of such Note, Receipt or Coupon by reason of his having some connection with The Kingdom of Denmark other than the mere holding or ownership of such Note, Receipt or Coupon; and/or
- (c) presented for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts if it had presented such Note on expiry of such 30 days; and/or
- (d) where such withholding or deduction is required pursuant to an agreement described in section 1471(b) of the Code, or is otherwise imposed pursuant to sections 1471 through 1474 of the Code and any regulations, agreements or undertakings thereunder or official interpretations thereof or other law implementing an intergovernmental approach thereto; and/or
- (e) where such withholding or deduction is payable with respect to any Indexed Notes and Equity-Linked Redemption Notes, and is imposed on or with respect to the "dividend equivalent" payment, as defined in Section 871(m) of the Code, pursuant to Sections 871 or 881 of the Code; and/or

The "**Relevant Date**" in respect of any payment means the date on which such payment first becomes due or (if the full amount of the moneys payable has not been received by the Principal Paying Agent, Registrar or the VP Agent, as applicable, on or prior to such due date) the date on which notice is given to the Noteholders that such moneys have been so received.

Any reference in these Terms and Conditions to principal or interest or both in respect of the Notes shall be deemed to include (i) a reference to any additional amounts which may be payable under this Condition, (ii) in relation to Zero Coupon Notes, the Amortised Face Amount, (iii) in relation to Indexed Notes, Equity-Linked Interest Notes and Commodity-Linked

Interest Notes the Redemption or Early Redemption Amount, (iv) in relation to Dual Currency Notes, the principal or interest in the relevant Specified Currency, (v) in relation to Notes redeemable in instalments, the Instalment Amount and (vi) any premium and any other amounts which may be payable under the Notes.

The Agency Agreement contains provisions for the indemnification of the Agents (other than the VP Agent, where such provisions are addressed pursuant to the VP Arrangements) and for relief from responsibility in certain circumstances, and entitles any of them to enter into business transactions with the Issuer and any of their Subsidiaries or associated companies without being liable to account to the Noteholders, Receiptholders or the Couponholders for any resulting profit.

13. Further Issues

The Issuer may from time to time without the consent of the relevant Noteholders, Receiptholders or Couponholders create and issue further Notes, having terms and conditions the same as the Notes of any Series, or the same except for the amount of the first payment of interest, which may be consolidated and form a single series with the outstanding Notes of any Series.

14. Governing Law and Jurisdiction

The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the exclusive benefit of each of the Noteholders, Receiptholders and Couponholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction or to take steps anywhere relating to the conservation of assets or the enforcement or execution of a judgment in connection with Proceedings in The Kingdom of Denmark.

USE OF PROCEEDS

The net proceeds from the sale of the Notes will be used for the general financing purposes of the Issuer. If, in respect of any particular issue, there is a particular identified use of proceeds, this will be stated in the applicable Final Terms.

KOMMUNEKREDIT

Introduction

The establishment of KommuneKredit was authorised under Danish Parliamentary Act No. 35 of 19 March 1898 succeeded as of 1 January 2007 by Act No. 383 of 3 May 2006, as amended (the “Act”).

The main purpose of KommuneKredit is to provide loans and financial leasing in Denmark to Danish local governments and to Danish inter-municipal enterprises, as well as to certain other Danish enterprises, where such enterprises fulfil public tasks, and where the loan is fully guaranteed by one or more local governments. KommuneKredit borrows funds in its own name and then on-lends the funds either as loans or financial leasing.

Members and liability structure

The members of KommuneKredit are limited to the municipalities (“kommuner”) and regions (“regioner”) of Denmark which have loans outstanding owed to KommuneKredit or which have outstanding guarantees concerning loans owed to KommuneKredit. Denmark has three tiers of government, municipalities being the third tier and regions being the second tier. Regions are comprised of a number of municipalities and in geographic terms the regions and municipalities encompass the whole country. As of 1 January 2023, all municipalities and regions in Denmark representing 100 % of the Danish population, were members of KommuneKredit.

Pursuant to the Act, KommuneKredit is organised as an association whose members, the local governments which have loans, leases or guarantees outstanding to it, have joint and several liability for all of its obligations including borrowings. Members are not permitted to withdraw from KommuneKredit while any loan made to, or guaranteed by them, remains outstanding.

In the event that KommuneKredit fails to meet any of its obligations, the creditors can claim payment of those obligations immediately (without initiating legal proceedings) from each and every member of KommuneKredit pursuant to their statutory joint and several liability. Thus, the statutory joint and several liability entails that each member of KommuneKredit is liable for the entire amount owed by KommuneKredit.

This liability structure has existed since 1898 and safeguards all creditors of KommuneKredit. KommuneKredit has never defaulted in the payment of its debts and there has never been any claim made against KommuneKredit's members pursuant to their joint and several liability for KommuneKredit's obligations. Furthermore, KommuneKredit has never suffered a loss on any of its loans.

It follows from the above that the Notes are securities which in the manner set forth in the Act and the articles of association of KommuneKredit are unconditionally and irrevocably guaranteed by the members of KommuneKredit, being municipalities and regions of the EU Member State Denmark and therefore, pursuant to Article 1(2)(d) of the Prospectus Regulation, are not subject to the EU Prospectus Regulation.

Danish Local Government Structure

Denmark is divided into 98 municipalities and 5 regions with each region covering several municipalities.

The primary duties of the local governments are set out in statutory provisions. The most important duties include the provision of social security, schools, hospitals, healthcare, medical services, day care for children, housing for the elderly and infrastructure projects. The planning of the supply of, and in many cases the actual supply of, water, district heating, sewage and waste-water management refuse disposal and incineration is also a local government responsibility. Local governments also provide public facilities such as parks, playgrounds, sports facilities, and cultural centres.

Some services such as capital investments in district heating, waste incineration plants and water supply are often provided by inter-municipal enterprises and other enterprises which fulfil public tasks on a non-profit basis.

The cost of providing local government services, including capital investments, must generally be met out of current revenues from local taxes, user fees for certain services provided and grants from central government. Municipalities are empowered to levy taxes and have an obligation to levy sufficient taxes to balance their annual budgets, taking into account other income such as fees for services and grants from central government. Furthermore, an equalisation system has been established which enables local governments with a lower income base to provide adequate services. Regions are financed through grants from central government.

However, capital investments fulfilling local public tasks, may – on certain conditions – be funded by loans, including loans guaranteed by local governments. This borrowing and provision of guarantees is subject to strict rules set out in the Ministry for Economic Affairs and the Interior's Executive Orders No. 1580 of 17 December 2013 and No. 1581 of 17 December 2013 which include requirements as to certain terms of the borrowings such as maximum maturities and how to calculate the ceiling for each local government's total loan funding in each financial year.

Local governments deliver audited accounts to the central government. The overall level of local government expenditure for both capital and current purposes is set pursuant to guidelines agreed with the central government.

Lending

KommuneKredit provides financing pursuant to the Act and article 2 of its articles of association to Danish local governments and to inter-municipal enterprises, and other enterprises when such enterprises fulfil public tasks and when the loan is fully guaranteed by a local government. At 31 December 2022 the total loan portfolio amounted to DKK 174.97 billion of which lease receivables constitute DKK 9.32 billion.

The maturity of the loans from KommuneKredit to its borrowers depends on the activity, that is financed, cf. the above-mentioned Executive Orders, with a maximum maturity of up to 40 years. Loans are either repaid by instalments or in full at maturity (in which case the maximum maturity is 10 years). Interest is payable on the basis of fixed or floating rates, at the option of the borrower. KommuneKredit's business is non-profit. KommuneKredit only charges a margin over its cost of funds towards covering its administrative expenses and to maintain an adequate capital base and is not allowed to pay out dividends to its members.

Pursuant to the Act and article 2 of the articles of association, KommuneKredit also provides financial leasing services to the same types of borrowers.

The leasing contracts primarily finance operating equipment, e.g. computer equipment, motor vehicles, technical equipment and hospital equipment.

The following table sets out certain information regarding KommuneKredit's activities during the five years ended 31 December 2022.

The annual reports for the years 2018, 2019, 2020, 2021 and 2022 have been prepared in accordance with IFRS (International Financial Reporting Standards) as adopted by the European Union.

KommuneKredit is the largest single lender to local governments in Denmark. KommuneKredit's level of lending depends on the capital expenditure needs of its eligible borrowers which may vary considerably from year to year.

Funding

One of KommuneKredit's sources of funding in Denmark consists of bonds issued in the Danish capital markets and listed on Nasdaq Copenhagen A/S. A range of such issues will normally be available of which further tranches can be issued in order to raise funding which matches the requirements of KommuneKredit's borrowers. The various series of bonds cover a range of maturities and interest rates.

KommuneKredit also raises funds outside Denmark and has developed and strengthened its position in the international capital markets by a large number of EMTN issues and private placements.

KommuneKredit has established an EMTN Programme, an Australian Debt Issuance Programme and an ECP Programme. The local governments are only permitted to be ultimately exposed to Danish Kroner and Euro. If funding is denominated in a currency that KommuneKredit cannot directly on-lend, KommuneKredit will enter into currency derivatives to provide the borrower with funds in Danish Kroner. KommuneKredit has strict guidelines as to which derivative counterparties are deemed to be acceptable.

KommuneKredit is permitted by its supervisory authority, the Ministry of Industry, Business and Financial Affairs, to raise funding without immediate relending (mismatch). The mismatch limit is set to 25 per cent. of total lending at book value for the latest quarter. This mismatch limit will no longer be in force, once the proposed new act on KommuneKredit, as described below, comes into force, which is expected to happen as of 1 July 2023.

Pursuant to the Act, the supervision of KommuneKredit lies with the Ministry of Industry, Business and Financial Affairs. In accordance with the Proposed New Act (as defined in the section below) the future supervision of KommuneKredit will be carried out by the Danish Financial Supervisory Authority.

An auditor is appointed by the Ministry and is responsible for making sure that KommuneKredit operates within relevant legal and regulatory constraints applicable to KommuneKredit, in particular, that lending happens in accordance with the relevant rules applicable to municipalities and regions. With effect from 1 January 2023, Per Hansen, Commissioner with the Agency for Education and Quality under the Danish Ministry of Children and Education, has been KommuneKredit's appointed auditor.

The Board of Directors appoints one or two auditors who shall be state authorised public accountants. At their meeting on 26 August 2016, the Board of Directors of KommuneKredit, decided to appoint Deloitte Statsautoriseret Revisionspartnerselskab, represented by State Authorised Public Accountant Anders Oldau Gjelstrup and State Authorised Public Accountant Jens Ringbæk, as auditors to KommuneKredit from and including the financial year 2017.

New act on KommuneKredit – expected to come into force on 1 July 2023

On 8 February 2023 the Minister for Industry, Business and Financial Affairs proposed a new act on KommuneKredit (the “**Proposed New Act**”) as proposal no. L 42 to the Danish Parliament. Once passed by the Danish Parliament, the Proposed New Act will replace the Act, which is expected to occur on 1 July 2023.

The purpose of the Proposed New Act is to update the regulatory framework for KommuneKredit and establish the legal basis for the future supervision of KommuneKredit by the Danish Financial Supervisory Authority.

This implies that KommuneKredit will be subject to some of the requirements that apply to other credit institutions, albeit adjusted to fit KommuneKredit's simple business model and the limited risks that KommuneKredit assumes.

There will be no changes to KommuneKredit's liability structure or other rights and obligations, including with respect to existing loan and financial leasing agreements, which will continue unchanged under the Proposed New Act, nor any changes to the capital requirements that KommuneKredit currently has to meet.

The requirements for liquidity that apply to other credit institutions, the so-called LCR and NSFR requirements, stemming from EU regulation, will also apply to KommuneKredit, thereby subjecting KommuneKredit to more detailed rules, the purpose of which it is to manage and limit both short- and long-term liquidity risks.

More detailed rules on internal governance than those that currently apply to KommuneKredit under the Act, will be introduced. The new rules are based on provisions of the Danish Financial Business Act (Consolidated Act No. 406 of 29 March 2022, as amended or replaced from time to time), which implement relevant EU regulation governing financial institutions. KommuneKredit already has in place relevant policies on the identification, measurement, reporting and limitation of the market and counterparty risks that KommuneKredit may assume. When the Proposed New Act comes into force, the requirements for these policies to be in place will be formalised.

In terms of accounting, it is proposed – like it is today - that KommuneKredit must continue to prepare annual and interim reports under the same rules as those that apply to credit institutions, although adjusted to fit KommuneKredit's special business model. KommuneKredit must prepare its annual report in accordance with the international accounting standards adopted by the European Commission, IFRS. In practice, this means that KommuneKredit can continue to prepare its annual financial statements in accordance with IFRS.

Due to the status of KommuneKredit as a special credit institution which only lends out to Danish local governments, inter-municipal enterprises, and other enterprises where the loan is fully guaranteed by a local government, the Danish Financial Supervisory Authority shall, pursuant to the Proposed New Act, not carry out the supervision with respect to the regulatory framework for KommuneKredit's lending activity, which is based on the regulation of municipal and regional lending and regulation of municipal and regional tasks. Instead, the current model (with an auditor appointed by the responsible minister) is proposed to be continued.

In addition to updating the regulatory framework for KommuneKredit, it is proposed that KommuneKredit's area of lending is expanded so that KommuneKredit in the future can provide loans to Greenlandic and Faroese municipalities and certain Greenlandic and Faroese municipal entities with a full guarantee from the Danish state.

The above reflects the Proposed New Act as it stands based on the version presented to the Danish Parliament on 8 February 2023. Though no material amendments are expected the Proposed New Act, it will not be final until passed by the Danish Parliament, which is expected to occur on 18 April 2023. The new act is expected to take effect as of 1 July 2023.

TAXATION

Persons considering the purchase, ownership or disposition of the Notes should consult their own tax advisors concerning the tax consequences in light of their particular situations. No representations with respect to the tax consequences of any particular holder are made hereby.

Danish Taxation

The following is a summary description of the taxation in Denmark of the Notes according to the Danish tax laws in force as at the date of this Information Memorandum and is subject to any changes in law and the interpretation and application thereof which changes could be made with retroactive effect. The following summary does not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to acquire, hold or dispose of the Notes, and does not purport to deal with the tax consequences applicable to all categories of investors, some of which may be subject to special rules. The tax considerations for Danish resident investors of requiring, holding or disposing the Notes depend on the investor's tax status and the specific terms applicable to every single emission. Potential investors are in all circumstances strongly recommended to contact their own tax advisors to clarify the individual consequences of the investment, holding and disposal of the Notes. No representations with respect to the tax consequences of any particular holder are made hereby. In relation to the below it is assumed that the Notes issued qualify as ordinary debt instruments for Danish tax purposes. The Notes may not constitute debt instruments for Danish tax purposes if the Final Terms of the Notes contain terms which are unusual for debt instruments, for example that the Notes are issued with no fixed maturity date (i.e. perpetual Notes). Generally, Danish tax law adheres to the civil law qualification and as the Notes from a civil law perspective constitute debt instruments, they should, generally, be recognized accordingly for tax purposes, but the determination will depend on the Final Terms of the Notes. If the Notes were not to constitute debt instruments for Danish tax purposes, then the tax treatment of the Notes, including whether payments under the Notes would be subject to Danish withholding tax, would depend on how the Notes were qualified for Danish tax purposes. This qualification would depend on the Final Terms of the Notes.

Non-Danish tax residents

Under existing Danish tax laws all payments of the Notes will be made without deduction of Danish withholding tax except in certain cases on payments between affiliated parties as referred to in sections 2 (1) (d) and 2 (1) (h) of the Danish Corporation Tax Act (Consolidated Act. no. 1241 of 22 August 2022, as amended) and section 65 D of the Danish Withholding Tax Act (Consolidated Act. no. 824 of 28 April 2021, as amended). According to Danish withholding tax rules, subject as set out in the paragraph below, there should be no Danish tax implications for holders of the Notes that are not affiliated with the Issuer pursuant to Chapter 4 of the Danish Tax Control Act (Consolidated Act. no. 283 of 2 March 2022, as amended). Under Danish law, affiliated parties would include, but not be limited to, cases where one party directly or indirectly controls the other party by way of ownership of a majority of the share capital or voting rights or by way of agreement or where the two parties are subject to common control.

Pursuant to section 3 of the Danish Tax Assessments Act (Consolidated Act no. 42 of 13 January 2023, as amended) , an arrangement or series of arrangements (i) not entered into for commercial reasons reflecting the underlying economic reality and (ii) which are implemented for the primary purpose of obtaining, or one of the primary purposes of which is to obtain, a tax benefit which is against the purpose and intent of the Danish tax laws should be ignored for purposes of calculating the Danish tax liability. The general anti-abuse rule in section 3 of the Danish Tax Assessments Act was enacted on 1 January 2019, and it is presently unclear how the rule could be applied. If a holder of Notes is considered to have taken part in an arrangement that is covered by Section 3 of the Danish Tax

Assessments Act this could result in the application of withholding tax to payments made to such holder under the Notes.

Danish tax residents

Danish tax resident investors (including investors with a permanent establishment in Denmark which the Notes are attributable to) will generally be taxable on interest. Both capital gains and losses, if any, will with few exceptions be taxable or respectively deductible. One exception to this concerns private individual investors. Such investors are subject to Danish taxation on gains and losses on bonds denominated in all currencies with the exception of an annual de minimis threshold of DKK 2,000.

In Canada, the Notes may be sold only to purchasers located or resident in the provinces of Canada purchasing, or deemed to be purchasing, as principal that are "accredited investors", as defined in National Instrument 45-106 *Prospectus Exemptions* ("NI 45-106") or subsection 73.3(1) of the *Securities Act* (Ontario), and are "permitted clients", as defined in National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing Registrant Obligations*. Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has only offered, sold or otherwise transferred and will only offer, sell or otherwise transfer the Notes to such purchasers in Canada. Upon request, the purchaser agrees to provide the Issuer and the Dealers with all information about the purchaser necessary to permit the Issuer and/or the Dealers to properly complete and file Form 45-106F1 under NI 45-106 with the securities regulatory authorities in Canada. Any resale of the Notes must be made in accordance with an exemption from, or in a transaction not subject to, the prospectus requirements of applicable securities laws.

Securities legislation in certain provinces or territories of Canada may provide a purchaser with remedies for rescission or damages if this Information Memorandum (including any amendment thereto) contains a misrepresentation, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for particulars of these rights or consult with a legal advisor.

Switzerland

Neither this Information Memorandum nor any other material prepared in connection with Notes (i) constitutes a prospectus compliant with the requirements of the Swiss Federal Financial Services Act ("**FinSA**") and the Swiss Federal Financial Services Ordinance ("**FinSO**") and/or (ii) has been or will be filed with or approved by a Swiss Review Body (*Prüfstelle*) pursuant to the FinSA.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme and each other purchaser will be required to represent and agree, that it will comply with any laws, regulations or guidelines applicable in Switzerland (as amended from time to time) in relation to the marketing, offer, sale, delivery or transfer of the Notes, or the distribution of any marketing or offering material in respect of the Notes, in or from Switzerland.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme and each other purchaser will be required to represent and agree, that it has not made and will not make an offer of Notes in Switzerland except:

- (a) in the period beginning and ending on the dates specified in the FinSA Prospectus (as defined below) or its final terms, following the date of publication of a prospectus in relation to such Notes which (i) has been approved by a competent review body under the FinSA or, where appropriate, (ii) approved by a recognized foreign authority and filed with a competent review body under the FinSA for automatic acceptance in accordance with article 54(2) of the FinSA (each a "**FinSA Prospectus**"), provided that in each case (i) the Issuer has consented in writing to its use for the purpose of that Offer and (ii) any such prospectus has subsequently been completed by the final terms contemplating such Offer, in accordance with the FinSA;
- (b) at any time to any investor which is a professional client as defined in the FinSA;
- (c) at any time to fewer than 500 investors, subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer;

- (d) where the Notes being offered have a minimum denomination of CHF100,000 (or its equivalent in another currency); or
- (e) at any time in any other circumstances falling within the scope of article 36(1) or article 37 of the FinSA,

provided that no such offer of Notes referred to in (b) to (e) above shall require the Issuer or any Dealer to publish a prospectus pursuant to article 35 of the FinSA or supplement a prospectus pursuant to article 56 of the FinSA.

The Notes must not be offered to clients in Switzerland which qualify as private clients within the meaning of article 4 of the FinSA where such offer would trigger the duty to prepare a key information document (*Basisinformationsblatt*) within the meaning of article 58 et seq. FinSA.

The Notes do not constitute participations in a collective investment scheme within the meaning of the Swiss Collective Investment Schemes Act (the "**CISA**"). Therefore, the Notes are not subject to the approval of, or supervision by, FINMA, and investors in the Notes will not benefit from protection under the CISA or supervision by FINMA.

This authorisation is specified in KommuneKredit's "Policy on division of responsibility between KommuneKredit's Board of Directors and Management Board", approved by the Board of Directors on 31 August 2018 and most recently confirmed by the Board of Directors on 10 June 2022. 8. International Automatic Exchange of Information in Tax Matters

Switzerland has concluded a multilateral agreement with the EU on the international automatic exchange of information ("AEOI") in tax matters, which applies to all EU member states and some other jurisdictions. In addition, Switzerland has concluded the multilateral competent authority agreement on the automatic exchange of financial account information ("MCAA") and a number of bilateral AEOI agreements with other countries, most of them on the basis of the MCAA. Based on these agreements and the implementing laws of Switzerland, Switzerland collects and exchanges data in respect of financial assets, including Securities, as the case may be, held in, and income derived thereon and credited to, accounts or deposits with a paying agent in Switzerland for the benefit of individuals resident in an EU member state or in another treaty state. An up-to-date list of the AEOI agreements to which Switzerland is a party that are in effect, or signed but not yet in effect, can be found on the website of the State Secretariat for International Financial Matters ("SIF").

9. Swiss Facilitation of the Implementation of the U.S. Foreign Account Tax Compliance Act

Switzerland has concluded an intergovernmental agreement with the U.S. to facilitate the implementation of the Foreign Account Tax Compliance Act ("FATCA"). The agreement ensures that the accounts held by U.S. persons with Swiss financial institutions are disclosed to the U.S. tax authorities either with the consent of the account holder or by means of group requests within the scope of administrative assistance. Information will not be transferred automatically in the absence of consent, and instead will be exchanged only within the scope of administrative assistance on the basis of the double taxation agreement between the U.S. and Switzerland. On 8 October 2014, the Swiss Federal Council approved a mandate for negotiations with the U.S. on changing the current direct-notification-based regime to a regime where the relevant information is sent to the Swiss Federal Tax Administration, which in turn provides the information to the U.S. tax authorities.

9. Copies of the Information Memorandum

Copies of this Information Memorandum, the "Documents Incorporated by Reference" on page 6 and the Final Terms shall be available in a printed form to the public free of charge at the registered office of the Issuer and at the principal office of the Paying Agent in Luxembourg, and in an electronic form on the Issuer's website at www.kommunekredit.dk and the Luxembourg Stock Exchange's website.

10. Responsibility

The Issuer accepts responsibility for all information contained in this Programme and has taken all reasonable care to ensure that the facts stated herein are true and accurate in all material respects and that there are no other material facts the omission of which would make misleading any statement herein whether of fact or opinion.

11. Interests of the Dealers

Certain of the Dealers and their affiliates have engaged, and may in the future engage, in the ordinary course of their business activities, in lending, advisory, corporate finance services, investment banking and/or commercial banking transactions with, and may perform the services for, the Issuer and its affiliates in the ordinary course of business and/or for companies involved directly or indirectly in the sector in which the Issuer and/or its affiliates operate, and for which such Dealers have received or

may receive customary fees, commissions, reimbursement of expenses and indemnification. Certain of the Dealers may also have positions, deals or make markets in the Notes issued under the Programme, related derivatives and reference obligations, including (but not limited to) entering into hedging strategies on behalf of the Issuer and its affiliates, investor clients, or as principal in order to manage their exposure, their general market risk, or other trading activities. They have received, or may in the future receive, customary fees and commissions for these transactions.

In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. The Dealers and/or their affiliates may receive allocations of the Notes (subject to customary closing conditions), which could affect future trading of the Notes. Certain of the Dealers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments

12. Legal Entity Identifier
