These Final Terms, under which the bonds described herein (the **Bonds**) are issued, are supplemental to, and should be read in conjunction with, the offering circular (the **Offering Circular**) dated 22nd September, 2010 issued in relation to the debt issuance programme of European Investment Bank (**EIB**). Terms defined in the Offering Circular have the same meaning in these Final Terms. The Bonds will be issued on the terms of these Final Terms read together with the Offering Circular.

EIB accepts responsibility for the information contained in these Final Terms which, when read together with the Offering Circular, contain all information that is material in the context of the issue of the Bonds.

These Final Terms do not constitute an offer of, or an invitation by or on behalf of anyone to subscribe or purchase any of, the Bonds.

In accordance with such Condition, if RUB is not available to EIB in the circumstances described therein, payment may instead be made in euro or U.S. dollars at the spot exchange rate (as further described in such Condition) or, if such spot exchange rate is not available, at an exchange rate determined by the Calculation Agent in its absolute discretion. The exchange rate so determined may be such that investors may suffer a partial or total loss of principal or interest.
