PART A — CONTRACTUAL TERMS

Terms used herein shall be deemed to be defined as such for the purposes of the terms and conditions (the “**Conditions**”) set forth in the Base Prospectus dated 7 May 2014 and the Supplemental Prospectuses dated 21 August 2014 and 5 November 2014 (together, the “**Base Prospectus**”). This document constitutes the Final Terms of the Notes described herein and must be read in conjunction with the Base Prospectus. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Base Prospectus. The Base Prospectus is available for viewing at, and copies may be obtained from, Rabobank Nederland at Croeselaan 18, 3521 CB Utrecht, the Netherlands and the principal office of the Paying Agent in Luxembourg, Amsterdam and Paris and www.bourse.lu.

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor’s overall investment portfolio.

PART B – OTHER INFORMATION

1 Listing

- | | |
|---|---|
| (i) Listing: | None |
| (ii) Admission to trading: | No application for admission to trading has been made |
| (iii) Estimate of total expenses related to admission to trading: | Not Applicable |

2 Ratings

Rating: The Notes to be issued are expected to be rated:

Fitch: AA-

Moody's: Aa2

Standard & Poor's: A+

As defined by Fitch, an AA rating means that the Notes are judged to be of a very high credit quality and denotes expectations of very low default risk. It indicates very strong capacity for payment of financial commitments and is not significantly vulnerable to foreseeable events. The modifier "-" is appended to denote relative status within the rating category.

As defined by Moody's, obligations rated Aa2 are judged to be of high quality and are subject to very low credit risk. The modifier 2 indicates that the obligation ranks in the mid-range of its generic rating category.

As defined by Standard & Poor's, Notes rated 'A' are somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than notes in higher-rated categories. However, the Issuer's capacity to meet its financial commitment on the Notes is still strong. The 'A' rating is modified by the addition of a plus (+) sign to show relative standing within the 'A' rating category.

Each of Fitch, Moody's and Standard & Poor's is established in the EU and

registered under Regulation (EC) No 1060/2009 (the "CRA Regulation").

3 Interests of natural and legal persons involved in the issue

Save for any fees payable to the Dealer, so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer. The Dealer and its affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform other services for, the Issuer and its affiliates in the ordinary course of business.

4 Yield (Fixed Rate Notes only) Not Applicable

5 Operational information

- | | |
|---|--|
| (i) Intended to be held in a manner which would allow Eurosystem eligibility: | No. Whilst the designation is specified as "no" at the date of these Final Terms, should the Eurosystem eligibility criteria be amended in the future such that the Notes are capable of meeting them the Notes may then be deposited with one of the ICSDs as common safekeeper. Note that this does not necessarily mean that the Notes will then be recognised as eligible collateral for Eurosystem monetary policy and intra day credit operations by the Eurosystem at any time during their life. Such recognition will depend upon the ECB being satisfied that Eurosystem eligibility criteria have been met. |
| (ii) ISIN: | XS1144353338 |
