

FINAL TERMS OF THE NOTES

Final Terms dated 4 April 2018

Mizuho Financial Group, Inc.

Issue of €500,000,000 1.598 per cent. Senior Notes due 2028 (the “Notes”)

under the U.S.\$30,000,000,000

Debt Issuance Programme

This document constitutes the Final Terms relating to the issue of Notes described herein. Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth in the Base Prospectus dated 31 August 2017 as supplemented by the supplemental Base Prospectus dated 3 April 2018 (the “Base Prospectus”). These Final Terms contain the final terms of the Notes and are supplemental to and must be read in conjunction with the Base Prospectus.

In connection with this issue, Mizuho International plc (the “Stabilising Manager”) or any person acting for the Stabilising Manager may over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail for a limited period. However, there may be no obligation on the Stabilising Manager or any agent of the Stabilising Manager to do this. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited time.

Save as disclosed herein or in the Base Prospectus, there has been no significant change in the financial or trading position of the Issuer, or the Issuer and its consolidated subsidiaries taken as a whole, since 31 March 2017 and there has been no material adverse change in the financial position or prospects of the Issuer, or the Issuer and its consolidated subsidiaries taken as a whole, since 31 March 2017.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“EEA”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (“MiFID II”); (ii) a customer within the meaning of Directive 2002/92/EC, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) any person who is not a qualified investor as defined in Directive 2003/71/EC (as amended). Consequently, no key information document required by Regulation (EU) No 1286/2014 (the “PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.
