

FINAL TERMS

PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“EEA”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); or (ii) a customer within the meaning of Directive 2002/92/EC (as amended, the “**Insurance Mediation Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended, the “**Prospectus Directive**”). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II Product Governance / Professional investors and ECPs only target market - Solely for the purposes of each of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions of the Notes which, as supplemented, amended and/or replaced by the applicable Final Terms, will be endorsed on each Note issued under the Program. The terms and conditions applicable to any Note in global form will differ from those terms and conditions which would apply to the Notes in definitive form to the extent described in the Indenture.

UniCredit S.p.A. (the “**Issuer**”) has established a Medium-Term Note Program (the “**Program**”) for the issue of up to U.S.\$30,000,000,000 in aggregate principal amount of the following notes to be issued in one or more Series and to be offered and sold without registration under the Securities Act:

- notes of the Issuer to be offered and sold exclusively to investors reasonably believed to be QIBs, in transactions exempt from registration under the Securities Act (the “**Rule 144A Notes**”); and
- notes of the Issuer to be offered and sold to investors outside the United States in reliance on Regulation S of the Securities Act (the “**Reg S Notes**” and together with the Rule 144A Notes, the “**Notes**”).

Notes issued under the Program are issued in series (each a “**Series**”) of Notes. Each Series is the subject of final terms (the “**Final Terms**”) which supplement these terms and conditions (the “**Conditions**”). The terms and conditions applicable to any particular Series of Notes are these Conditions as modified and/or supplemented by the Final Terms applicable to such Series as any of the same may, from time to time, be modified in accordance with the Indenture (as defined below). In the event of any inconsistency between these Conditions and the applicable Final Terms, the applicable Final Terms shall prevail.

The Notes are subject to, and have the benefit of, an amended and restated Indenture dated as of November 26, 2018 (as modified, supplemented or restated, the “**Indenture**”) between the Issuer, and Citibank, N.A., London Branch, as trustee (the “**Trustee**”, which expression shall include all Persons for the time being the trustee or trustees appointed under the Indenture) issuing agent, Paying Agent, transfer agent and Note Registrar.

All subsequent references in these Conditions to “**Notes**” are to the Notes which are the subject of the applicable Final Terms and which may be Senior Notes, Non-Preferred Senior Notes, Subordinated Notes or Additional Tier 1 Notes. Copies of the applicable Final Terms are available for inspection and obtainable free of charge by the public during normal business hours at the Corporate Trust Office of the Trustee or the Note Registrar.

The Holders and Beneficial Owners of the Notes, by accepting delivery thereof, acknowledge and agree that Italian Substitute Tax will be withheld from any payment of interest and other income arising in respect of the Notes to any investor that is not, or ceases to be, eligible to receive interest free of Italian Substitute Tax in respect of the Notes (including, in the case of investors in the Rule 144A Notes, if the Tax Certification Procedures prove to be ineffective or incorrect) or in respect of any investor in the Rule 144A Notes or its DTC Participant who fails to comply with the Tax Certification Procedures. The Issuer will not pay any additional amounts in respect of any such withholding. Investors in the Regulation S Notes will not be required to comply with the Tax Certification Procedures, although Euroclear or Clearstream will require such investors to comply with certain procedures to be eligible to receive interest free of Italian Substitute Tax in respect of the Regulation S Notes.

Certain provisions of these Conditions are summaries of the Indenture and are subject to its detailed provisions. Holders are bound by, and are deemed to have notice of all the provisions of the Indenture applicable to them. Copies of the Indenture are available for inspection by Holders during normal business hours at the Corporate Trust Office of the Trustee.

Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination. Notes are not issuable in bearer form.

This Note may be a Fixed Rate Note, a Floating Rate Note, an Inflation Linked Interest Note, a Zero Coupon Note, a CMS Linked Interest Note (meaning those Notes indicated under Condition 6.2 (b) (iii) (*Interest on Floating Rate Notes and Inflation Linked Interest Notes – Rate of Interest – Floating Rate Notes*)) or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

This Note may also be a Senior Note, a Non-Preferred Senior Note, a Subordinated Note or an Additional Tier 1 Note, as indicated in the applicable Final Terms.

Each of the Rule 144A Notes and the Reg S Notes will be issued in the form of Global Notes in registered form without interest coupons, and the Global Notes in aggregate will represent the aggregate principal amount of the outstanding Notes.

Rule 144A Notes

Beneficial interests in the Rule 144A Notes may be held through DTC in the form of one or more Global Receipts in registered form, which represent interests in Rule 144A Global Notes. The Rule 144A Global Notes will be issued to, and registered in the name of the Note Depository. Beneficial interests in each Global Receipt will be reflected in an equivalent amount in the applicable Rule 144A Global Note.

Upon issuance of the Rule 144A Global Notes to the Note Depository by the Issuer, the Note Depository will be recorded as the Holder of the Rule 144A Global Notes. The Issuer shall instruct the Note Depository to maintain a securities account in the name of the Issuer for the deposit of the Rule 144A Global Notes by the Issuer on behalf of the Receipt Issuer for the benefit of the Holders and Beneficial Owners, in respect of which securities account the Receipt Issuer shall have exclusive authority and control at all times and in all instances. All of the book-entry interests in such Rule 144A Global Notes will be credited by the Note Depository to such securities account in Monte Titoli of the Issuer. The Receipt Issuer will issue and deliver one or more Global Receipts to DTC, which in turn, will hold the Global Receipts, which will be registered in the name of Cede & Co., as DTC’s nominee, for the benefit of DTC Participants.

The Receipt Issuer will record Cede & Co., as nominee of DTC, on its books as the initial registered Holder of the Global Receipts and will also record any subsequent registration and transfer of the book-entry interests in the Notes. The Receipt Issuer may not register the transfer of the Global Receipts except as a whole by DTC or its nominee to DTC or another nominee of DTC or a successor of DTC or a nominee of that successor.

Holding of beneficial interests in the book-entry interests on the books of DTC is limited to DTC Participants.

Upon the delivery of the Global Receipts, DTC will credit on its book-entry registration and transfer system the applicable DTC Participants’ accounts with the respective principal or face amounts held by the DTC Participants. Dealers, underwriters or agents participating in the distribution of the Notes and beneficial interests therein will designate the accounts to be credited. Ownership of beneficial interests in the Notes will be shown on, and the transfer of ownership interests will be effected only through, records maintained by DTC, with respect to interests of participants, and on the records of participants, with respect to interests of persons holding through participants.

Beneficial Owners must rely on the procedures of DTC and, if that person is not a participant, on the procedures of the participant through which the person owns its beneficial interest, to exercise any rights of a Beneficial Owner.

DTC will typically only accept payments in U.S. dollars. Rule 144A Notes and the related Global Receipts may be issued in a Specified Currency other than U.S. dollars (the “**Designated Currency**”) and, in such cases, payments of principal and interest thereon may be payable in the Designated Currency, as specified in the Final Terms. According to the procedures of DTC, Beneficial Owners holding interests in a Global Receipt cleared through DTC

denominated in a Designated Currency (“**DTC Holders**”) will receive payments in U.S. dollars, unless they elect to receive such payments in the Designated Currency. In the event that a DTC Holder shall not have made such election, payments to such DTC Holder will be converted to U.S. dollars by the Receipt Paying Agent. Pursuant to the Deposit Agreement, the Receipt Paying Agent shall convert Designated Currency amounts to U.S. dollars (or determine any exchange rate for such conversion) on the basis of the Receipt Paying Agent’s spot rate for the purchase of U.S. dollars with such aggregate amount of Designated Currency, for settlement on the applicable payment date, at a time and date immediately preceding such payment date, unless another time, date, exchange rate and/or source is specified in the Final Terms, in which case such time, date, exchange rate and/or source shall apply. If such spot rate is not available, the Receipt Paying Agent shall enter into a contract on behalf of the Issuer and will solicit bid quotations from three recognized foreign exchange dealers (which may include the Receipt Paying Agent) for the purchase of U.S. dollars with an amount of the relevant Designated Currency equal to the aggregate amount which DTC has notified the Receipt Paying Agent that Beneficial Owners wish to receive in U.S. dollars. In the event that no notification is received from DTC that a Beneficial Owner has elected to receive the payment in the relevant Designated Currency on or before the second Business Day prior to the applicable payment date, the Receipt Paying Agent shall enter into a contract for the purchase of U.S. dollars in respect of the full amount of the payment due in respect of the relevant Global Receipt. The settlement date for each purchase shall be the applicable payment date and the Receipt Paying Agent shall enter into a contract for the purchase of the relevant amount of U.S. dollars on the basis of the most favorable bid submitted. All costs of any such conversion into U.S. dollars will be borne by the relevant DTC Holders by deduction from any payments to be made to such DTC Holders. The Receipt Paying Agent shall notify the Issuer and the Registrar of such exchange rates and shall, on the relevant payment day: (a) pay all amounts converted into U.S. dollars as stated above to DTC or its nominee for distribution to the relevant Beneficial Owners; and (b) pay all amounts due in the relevant Designated Currency directly to the relevant Beneficial Owners in accordance with the payment instructions received from DTC or its nominee.

Regulation S Notes

The Reg S Notes will be evidenced at issue by Reg S Global Notes deposited with, and registered in the name of a nominee for, a Common Depositary. Beneficial interests in a Reg S Global Note may be held only through the Depositary any time. By acquisition of a beneficial interest in a Reg S Global Note, the purchaser thereof will be deemed to represent, among other things, that it is not a U.S. person and that, if it determines to transfer such beneficial interest prior to the expiration of the 40-day distribution compliance period, it will transfer such interest only to a person whom the seller reasonably believes to be a non-U.S. person in an offshore transaction in accordance with Rule 903 or Rule 904 of Regulation S.

A beneficial interest in the Reg S Global Note may be transferred to a person who takes delivery in the form of an interest in the Rule 144A Global Note, and only upon receipt by the Note Registrar of a written certification (in the form provided in the Indenture) to the effect that the transferor reasonably believes that the transferee is a QIB and that such transaction is in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

Any beneficial interest in the Reg S Global Note that is transferred to a person who takes delivery in the form of an interest in the Rule 144A Global Note will, upon transfer, cease to be an interest in the Regulation S Global Note, and become an interest in the Rule 144A Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in the Reg S Global Note for as long as it remains such an interest. Except in the limited circumstances described below, owners of beneficial interests in Regulation S Global Notes will not be entitled to receive physical delivery of certificated Notes in definitive form.

6. INTEREST

The applicable Final Terms will indicate whether the Notes are Fixed Rate Notes, Floating Rate Notes, Inflation Linked Interest Notes or Zero Coupon Notes.

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (but excluding) the Maturity Date or the date of early redemption, if applicable. The Rate of Interest may be specified in the applicable Final Terms either (i) as the same Rate of Interest for all Interest Periods or (ii) as a different Rate of Interest in respect of one or more Interest Periods.

If the Notes are in definitive form, except as provided in the applicable Final Terms, or if the applicable Final Terms specify that a Fixed Coupon Amount or Broken Amount(s) shall apply in the case of Notes represented by a global Note the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount. Except in the case of (i) Notes in definitive form where an applicable Fixed Coupon Amount or a Broken Amount is specified in the applicable Final Terms or (ii) Notes represented by a global Note where the applicable Final Terms specify that a Fixed Coupon Amount or Broken Amount(s) shall apply, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In this Condition:

“Day Count Fraction” means, in respect of the calculation of an amount of interest, in accordance with this Condition 6.1:

- (a) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **“Accrual Period”**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (A) the number of days in such Determination Period and (B) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates that would normally occur in one calendar year;
- (b) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360;
- (c) if “Actual/Actual (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

- (d) if “Actual/Actual Canadian Compound Method” is specified in the applicable Final Terms, whenever it is necessary to compute any amount of accrued interest in respect of the Notes for a period of less than one full year, other than in respect of any Fixed Coupon Amount or Broken Amount, such interest will be calculated on the basis of the Actual number of days in the period and a year of 365 days; and
- (e) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365; and

“**Business Day**” means a day on which commercial banks and foreign exchange markets settle payments and are open for general business in London, Milan and New York (including dealing in foreign exchange and foreign currency deposits) and in any Additional Business Center specified in the applicable Final Terms.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified as:

- (A) in any case where Specified Periods are specified in accordance with Condition 6.2(a)(ii), the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis*;
- (B) or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (C) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (D) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (E) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

Solely in this Condition 6.2:

“**Business Day**” means a day which is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business in London, Milan and New York (including dealing in foreign exchange and foreign currency deposits) and in any Additional Business Center specified in the applicable Final Terms; and

- (ii) either (a) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial center of the country of the relevant Specified Currency (if other than any Additional Business Center and which if the Specified Currency is Australian dollars, or New Zealand dollars shall be Sydney and Auckland, respectively) or (b) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

(b) Rate of Interest – Floating Rate Notes

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms. It may be specified in the applicable Final Terms that the Rate of Interest is multiplied by a factor.

(i) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this Condition 6.2(b)(i), “**ISDA Rate**” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Paying Agent under an interest rate swap transaction if the Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date (the “**ISDA Definitions**”) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this Condition 6.2(b) (i), Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity and Reset Date have the meanings given to those terms in the ISDA Definitions. Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(ii) Screen Rate Determination for Floating Rate Notes (other than CMS Linked Interest Notes)

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the rate or offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates or offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either LIBOR or EURIBOR or the Canadian dollar offered rate (“**CAD-BA-CDOR**”), as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) or 10.00 a.m. (Toronto time, in the case of CAD-BA-CDOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Paying Agent. If five or more of such rates or offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such rates or offered quotations.

If the Relevant Screen Page is not available or if no rate or offered quotation appears or, in the case of fewer than three such rates or offered quotations appears, in each case as at the Specified Time, the Paying Agent in consultation with the Issuer shall request each of the Reference Banks to provide the Paying Agent with its bid rate or offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Paying Agent with bid rates or offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the bid rates or offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Paying Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Paying Agent with a bid rate or offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Paying Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of

the rates, as communicated to (and at the request of) the Paying Agent by the Reference Banks or any two or more of them (a) if the Reference Rate is CAD-BA-CDOR, for Canadian Dollar bankers acceptances for a period of the applicable Interest Period in an amount representative for a single transaction in the relevant market at the relevant time accepted by those banks as of 10:00 a.m. (Toronto time), or (b) at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Paying Agent with bid rates or offered rates, the bid rate or offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the bid rates or offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Paying Agent it is quoting (a) if the Reference Rate is CAD-BA-CDOR, for Canadian Dollar bankers acceptances in an amount representative for a single transaction in the relevant market at the relevant time accepted by those banks as of 10:00 a.m. (Toronto time), or (b) to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the inter-bank market of the Relevant Financial Centre (if any other Reference Rate is used) plus or minus (as appropriate) the Margin (if any), **provided that**, subject to Condition 6.2(j) (*Reference Rate Replacement*) (if Reference Rate Replacement is specified in the relevant Final Terms as being applicable), if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period). Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

Notwithstanding any other provision of this Condition 6.2(b): (i) no amendment to the terms of the Notes will be made pursuant to this Condition 6.2(b), if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as: (A) in the case of Senior Notes or Non-Preferred Senior Notes, satisfying the MREL or TLAC Requirements; (B) in the case of Subordinated Notes, Tier 2 Capital for regulatory capital purposes of the Issuer and/or the Group; and (C) in the case of Additional Tier 1 Notes, Additional Tier 1 Capital for regulatory capital purposes of the Issuer and/or the Group; and/or (ii) in the case of Senior Notes and Non-Preferred Senior Notes only, no Successor Reference Rate or Alternative Reference Rate (as applicable) will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 6.2(b), if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to result in the Competent Authority or, if applicable, the Relevant Resolution Authority treating an Interest Payment Date as the effective maturity of the Notes, rather than the relevant Maturity Date.

(iii) *Screen Rate Determination for Floating Rate Notes which are CMS Linked Interest Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be:

“**CMS Rate**” shall mean the applicable swap rate for swap transactions in the Reference Currency with a maturity of the Designated Maturity, expressed as a percentage, as published on Reuters Page ICESWAP2, Euribor basis, fixed at 11:00 AM CET on the relevant Determination Date, all as determined by the Calculation Agent. If the Relevant Screen Page is not available, the Calculation Agent shall in consultation with the Issuer request each of the Reference Banks to provide the Calculation Agent with its quotation for the Relevant Swap Rate at approximately the Specified Time on the Interest Determination Date in question. If at least three of the Reference Banks provide the Calculation Agent with such quotation, the CMS Rate for such Interest Period shall be the arithmetic mean of such quotations, eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest). If on any Interest Determination Date less than three or none of the Reference Banks provides the Calculation Agent with such quotations as provided in the preceding paragraph, the Issuer or one of its affiliates will determine a substitute or successor based rate after consulting any source it deems to be reasonable. Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero;

“**CMS Rate 1**” and “**CMS Rate 2**” shall mean the CMS Rate with a particular Designated Maturity as specified in the applicable Final Terms;

“**Cap**” means a percentage per annum as specified in the applicable Final Terms;

“**Relevant Swap Rate**” means:

- (i) where the Reference Currency is Euro, the mid-market annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for floating euro interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is equivalent to EUR-EURIBOR-Reuters (as defined in the ISDA Definitions) with a designated maturity determined by the Paying Agent by reference to standard market practice and/or the ISDA Definitions;
- (ii) where the Reference Currency is Sterling, the mid-market semi-annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the semi-annual fixed leg, calculated on an Actual/365 (Fixed) day count basis, of a fixed-for-floating Sterling interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/365 (Fixed) day count basis, is equivalent (A) if the Designated Maturity is greater than one year, to GBP-LIBOR-BBA (as defined in the ISDA Definitions) with a designated maturity of six months or (B) if the Designated Maturity is one year or less, to GBP-LIBOR-BBA with a designated maturity of three months;

(d) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of Condition 6.2(a) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If Change of Interest Basis is specified as applicable in the applicable Final Terms, the interest payable in respect of the Notes will be calculated in accordance with Condition 6.1 (*Interest on Fixed Rate Notes*) or Condition 6.2 (*Interest on Floating Rate Notes and Inflation Linked Interest Notes*), each applicable only for the relevant periods specified in the applicable Final Terms.

If Change of Interest Basis is specified as applicable in the applicable Final Terms, and Issuer’s Switch Option is also specified as applicable in the applicable Final Terms, the Issuer may, on one or more occasions, as specified in the applicable Final Terms, at its option (any such option, a **“Switch Option”**), having given notice to the Noteholders in accordance with Condition 17 (*Notices*) on or prior to the relevant Switch Option Expiry Date specified in the applicable Final Terms, change the Interest Basis of the Notes from Fixed Rate to Floating Rate or Floating Rate to Fixed Rate or as otherwise specified in the applicable Final Terms with effect from (and including) the Switch Option Effective Date specified in the applicable Final Terms to (but excluding) the Maturity Date (or, where more than one Switch Option Effective Date is specified in the applicable Final Terms, up to and excluding the next following Switch Option Effective Date), provided that (A) the Switch Option may be exercised only in respect of all the outstanding Notes, (B) upon exercise of a Switch Option, the Interest Basis change will be effective from (and including) the relevant Switch Option Effective Date until the Maturity Date (or, where more than one Switch Option Effective Date is specified as applicable in the applicable Final Terms, up to and excluding

the next following Switch Option Effective Date to the extent the related Switch Option is exercised), and (C) where a Switch Option has not been exercised prior to the relevant Switch Option Expiry Date, the Issuer shall no longer be entitled to exercise such Switch Option and the Interest Basis shall not change.

Switch Option Expiry Date and Switch Option Effective Date shall mean any date specified as such in the applicable Final Terms provided that any date specified in the applicable Final Terms as a Switch Option Effective Date shall be deemed as such subject to the exercise of the relevant Switch Option having been notified by the Issuer pursuant to this Condition 6.2 and in accordance with Condition 17 (*Notices*) prior to the relevant Switch Option Expiry Date.

(f) Determination of Rate of Interest and Calculation of Interest Amounts

The Paying Agent (in the case of Floating Rate Notes (other than CMS Linked Interest Notes)) and the Calculation Agent (in the case of Inflation Linked Interest Notes and CMS Linked Interest Notes) will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. If applicable, the Calculation Agent will notify the Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Paying Agent (in the case of Floating Rate Notes (other than CMS Linked Interest Notes)) and the Calculation Agent (in the case of Inflation Linked Interest Notes and CMS Linked Interest Notes) will calculate the Interest Amount payable on the Floating Rate Notes (other than CMS Linked Interest Notes) or Inflation Linked Interest Notes and CMS Linked Interest Notes, as appropriate, for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes or Inflation Linked Interest Notes, as appropriate, which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (ii) in the case of Floating Rate Notes or Inflation Linked Interest Notes, as appropriate, in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Inflation Linked Interest Note, as appropriate, in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest for any Interest Period in accordance with Condition 6.2 (*Interest on Floating Rate Notes and Inflation Linked Interest Notes*):

- (A) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

- (D) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (E) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[(\text{Mod}) (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

- Y₁** is the year, expressed as a number, in which the first day of the Interest Period falls;
- Y₂** is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- M₁** is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

- M₂** is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

- D₂** is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (F) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[(\text{Mod}) (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

- Y₁** is the year, expressed as a number, in which the first day of the Interest Period falls;
- Y₂** is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- M₁** is the calendar month, expressed as a number, in which the first day of the Interest Period falls;
- M₂** is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- D₁** is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and
- D₂** is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (G) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[(\text{Mod}) (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

- Y₁** is the year, expressed as a number, in which the first day of the Interest Period falls;
- Y₂** is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- M₁** is the calendar month, expressed as a number, in which the first day of the Interest Period falls;
- M₂** is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- D₁** is the first calendar day, expressed as a number, of the Interest Period, unless (I) that day is the last day of February or (II) such number would be 31, in which case D₁ will be 30; and
- D₂** is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (I) that day is the last day of February but not the Maturity Date or (II) such number would be 31 and in which case D₂ will be 30.

(g) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Paying Agent (in the case of Floating Rate Notes (other than CMS Linked Interest Notes)) or the Calculation Agent (in the case of Inflation Linked Interest Notes or CMS Linked Interest Notes) by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Paying Agent (in the case of Floating Rate Notes (other than CMS Linked Interest Notes)) or the Calculation Agent (in the case of Inflation Linked Interest Notes or CMS Linked Interest Notes) shall determine such rate at such time and by reference to such sources as it determines appropriate.

(h) Notification of Rate of Interest and Interest Amounts

The Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee, the Paying Agent, Acupay through the Acupay System, the Note Depository and each stock exchange or listing agent (if any) on which the Notes are then listed at the latest on the first London Business Day of each Interest Period, and notice thereof shall be published in accordance with Condition 17 (*Notices*) as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may be amended subsequently (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to the Noteholders in accordance with Condition 17 (*Notices*).

(i) Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 6.2 by the Paying Agent or, if applicable, the Calculation Agent, shall (in the absence of bad faith or manifest error or proven error) be binding on the Issuer, the Trustee, the Paying Agent, the Calculation Agent (if applicable), and all Noteholders and Receipt Holders and (in the absence as aforesaid) no liability shall attach to any of the Issuer, the Trustee, the Noteholders, the Receipt Holders, the Paying Agent or, if applicable, the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(j) Reference Rate Replacement

If: (i) Reference Rate Replacement is specified in the relevant Final Terms as being applicable and Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined; and (ii) notwithstanding the other provisions of this Condition 6.2 with respect to Screen Rate Determination, the Paying Agent or, if applicable, the Calculation Agent (in consultation with the Issuer) determines that the Reference Rate has ceased to be published on the Relevant Screen Page as a result of the Reference Rate ceasing to be calculated or administered when any Rate of Interest (or component thereof) remains to be determined by reference to the Reference Rate, then the following provisions shall apply to the relevant Series of Notes:

- (i) the Issuer shall use reasonable endeavours: (A) to determine a Successor Reference Rate and an Adjustment Spread (if any); or (B) if the Issuer cannot determine a Successor Reference Rate and an Adjustment Spread (if any), appoint an Independent Adviser to determine an Alternative Reference Rate, and an Adjustment Spread (if any) (in any such case, acting in good faith and in a commercially reasonable manner) no later than five Business Days prior to the Interest Determination Date relating to the next Interest Period (the “**IA Determination Cut-off Date**”), for the purposes of determining the Rate of Interest applicable to the Notes for such next Interest Period and for all other future Interest Periods (subject to the subsequent operation of this Condition 6.2(j) during any other future Interest Period(s));
- (ii) if the Issuer is unable to determine a Successor Reference Rate and the Independent Adviser is unable to determine an Alternative Reference Rate (as applicable) prior to the relevant IA Determination Cut-off Date, the Issuer (acting in good faith and in a commercially reasonable manner) may determine an Alternative Reference Rate and, an Adjustment Spread (if any) no later than three Business Days prior to the Interest Determination Date relating to the next Interest Period (the “**Issuer Determination Cut-off Date**”), for the purposes of determining the Rate of Interest applicable to the Notes for such next Interest Period and for all other future Interest Periods (subject to the subsequent operation of this Condition 6.2(j) during any other future Interest Period(s)). Without prejudice to the definitions thereof, for the purposes of determining any Alternative Reference Rate and/or any Adjustment Spread, the Issuer will take into account any relevant and applicable market precedents as well as any published guidance from relevant associations involved in the establishment of market standards and/or protocols in the international debt capital markets;
- (iii) if a Successor Reference Rate or, failing which, an Alternative Reference Rate (as applicable) is determined by the relevant Independent Adviser or the Issuer (as applicable) in accordance with this Condition 6.2(j):
 - (A) such Successor Reference Rate or Alternative Reference Rate (as applicable) shall be the Reference Rate for all future Interest Periods (subject to the subsequent operation of, and adjustment as provided in, this Condition 6.2(j));
 - (B) if the relevant Independent Adviser or the Issuer (as applicable):
 - (I) determines that an Adjustment Spread is required to be applied to such Successor Reference Rate or Alternative Reference Rate (as applicable) and determines the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to such Successor Reference Rate or Alternative Reference Rate (as applicable) for all future Interest Periods (subject to the subsequent operation of, and adjustment as provided in, this Condition 6.2(j)); or

- (II) is unable to determine the quantum of, or a formula or methodology for determining, an Adjustment Spread, then such Successor Reference Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread for all future Interest Periods (subject to the subsequent operation of, and adjustment as provided in, this Condition 6.2(j)); and
- (C) the relevant Independent Adviser or the Issuer (as applicable) (acting in good faith and in a commercially reasonable manner) may in its discretion specify:
 - (I) changes to these Conditions in order to follow market practice in relation to such Successor Reference Rate or Alternative Reference Rate (as applicable), including, but not limited to (1) any Additional Business Center(s), Business Day, Business Day Convention, Day Count Fraction, Interest Determination Date, Reference Banks, Relevant Financial Centre and/or Relevant Screen Page applicable to the Notes and (2) the method for determining the fallback to the Rate of Interest in relation to the Notes if such Successor Reference Rate or Alternative Reference Rate (as applicable) is not available; and
 - (II) any other changes which the relevant Independent Adviser or the Issuer (as applicable) determines are reasonably necessary to ensure the proper operation and comparability to the Reference Rate of such Successor Reference Rate or Alternative Reference Rate (as applicable),

which changes shall apply to the Notes for all future Interest Periods (subject to the subsequent operation of this Condition 6.2(j)); and
- (iv) promptly following the determination of (i) any Successor Reference Rate or Alternative Reference Rate (as applicable) and (ii) if applicable, any Adjustment Spread, the Issuer shall give notice thereof and of any changes (and the effective date thereof) pursuant to Condition 6.2(j)(iii)(C) to the Trustee, the Paying Agent and, if applicable, the Calculation Agent and the Noteholders in accordance with Condition 17 (Notices).

No consent of the Holders shall be required in connection with effecting the relevant Successor Reference Rate or Alternative Reference Rate (as applicable) as described in this Condition 6.2(j) or such other relevant changes pursuant to Condition 6.2(j)(iii)(C), including for the execution of any documents or the taking of other steps by the Issuer or any of the parties to the Indenture.

For the avoidance of doubt, if a Successor Reference Rate or an Alternative Reference Rate is not determined pursuant to the operation of this Condition 6.2(j) prior to the relevant Issuer Determination Cut-off Date, then the Rate of Interest for the next Interest Period shall be determined by reference to the fallback provisions of Condition 6.2(b).

Notwithstanding any other provision of this Condition 6.2(j): (i) no Successor Reference Rate or Alternative Reference Rate (as applicable) will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 6.2(j), if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as: (A) in the case of Senior Notes or Non-Preferred Senior Notes, satisfying the MREL or TLAC Requirements; (B) in the case of Subordinated Notes, Tier 2 Capital for regulatory capital purposes of the Issuer and/or the Group; and (C) in the case of Additional Tier 1 Notes, Additional Tier 1 Capital for regulatory capital purposes of the Issuer and/or the Group; and/or (ii) in the case of Senior Notes and Non-Preferred Senior Notes only, no Successor Reference Rate or Alternative Reference Rate (as applicable) will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 6.2(j), if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to result in the Competent Authority or, if applicable, the Relevant Resolution Authority treating an Interest Payment Date as the effective maturity of the Notes, rather than the relevant Maturity Date.

6.3 Inflation Linked Interest Note Provisions

Unless previously redeemed or purchased and cancelled in accordance with this Condition 6.3 or as specified in the applicable Final Terms and subject to this Condition 6.3, each Inflation Linked Interest Note will bear interest in the manner specified in the applicable Final Terms and these Conditions.

Inflation Index Delay and Disruption Provisions

(a) Delay in Publication

If the Calculation Agent determines that a Delayed Index Level Event in respect of an Inflation Index has occurred with respect to any Determination Date, then the Relevant Level for such Inflation Index with respect to the relevant Reference Month subject to such Delayed Index Level Event (the “**Substitute Index Level**”) shall be determined by the Calculation Agent as follows:

- (i) if “Related Bond” is specified as applicable for such Inflation Index in the applicable Final Terms, the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond;

- (ii) if (I) “Related Bond” is not specified as applicable for such Inflation Index in the applicable Final Terms, or (II) the Calculation Agent is not able to determine a Substitute Index Level under (i) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:
 - (iii) $\text{Substitute Index Level} = \text{Base Level} \times (\text{Latest Level}/\text{Reference Level})$; or
 - (iv) otherwise in accordance with any formula specified in the applicable Final Terms,
- in each case as of such Determination Date.

The Issuer shall give notice to Noteholders, in accordance with Condition 17 (*Notices*) of any Substitute Index Level calculated pursuant to Condition 6.3 (*Inflation Linked Interest Note Provisions*).

If the Relevant Level is published or announced at any time on or after the relevant Cut-off Date, such Relevant Level will not be used in any calculations. The Substitute Index Level so determined pursuant to this Condition 6.3 (*Inflation Linked Interest Note Provisions*) will be the definitive level for that Reference Month.

(b) Cessation of Publication

If the Calculation Agent determines that the level for the Inflation Index has not been published or announced for two (2) consecutive months, the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index or the Inflation Index Sponsor otherwise cancels the Inflation Index, then the Calculation Agent shall determine a successor inflation index (the “**Successor Inflation Index**”) (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Interest Notes by using the following methodology:

- (i) if at any time (other than after an early redemption or cancellation event has been designated by the Calculation Agent pursuant to Condition 6.3(b)(v) below), a successor inflation index has been designated by the calculation agent (or equivalent) pursuant to the terms and conditions of the Related Bond, such successor inflation index shall be designated a Successor Inflation Index notwithstanding that any other Successor Inflation Index may previously have been determined under Conditions 6.3(b)(ii), 6.3(b)(iii) or 6.3(b)(iv) below;
- (ii) if a Successor Inflation Index has not been determined pursuant to Condition 4(b)(i) above, and a notice has been given or an announcement has been made by the Inflation Index Sponsor, specifying that the Inflation Index will be superseded by a replacement Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Interest Notes from the date that such replacement Inflation Index comes into effect;
- (iii) if a Successor Inflation Index has not been determined pursuant to Conditions 6.3(b)(i) or 6.3(b)(ii) above, the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If four or five responses are received and, of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed to be the Successor Inflation Index. If three responses are received and two or more leading independent dealers state the same index, this index will be deemed to be the Successor Inflation Index. If fewer than three responses are received or no Successor Inflation Index is determined pursuant to this Condition 6.3(b)(iii), the Calculation Agent will proceed to Condition 6.3(b)(iv) below;
- (iv) if no replacement index or Successor Inflation Index has been determined under Conditions 6.3(b)(i), 6.3(b)(ii) or 6.3(b)(iii) above by the next occurring Cut-Off Date, the Calculation Agent, subject as provided below, will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed to be a Successor Inflation Index; or
- (v) if the Calculation Agent determines that there is no appropriate alternative index in relation to Inflation Linked Interest Notes, on giving notice to Noteholders in accordance with Condition 17 (*Notices*), the Issuer shall redeem or cancel, as applicable all but not some only of the Inflation Linked Interest Notes, each Inflation Linked Interest Note being redeemed or cancelled, as applicable by payment of the relevant Early Redemption Amount or, in the case of Additional Tier 1 Notes, at their Prevailing Principal Amount. Payments will be made in such manner as shall be notified to the Noteholders in accordance with Condition 17 (*Notices*).

(c) Rebasing of the Inflation Index

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the “**Rebased Index**”) will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall

make such adjustments as are made by the calculation agent (or equivalent) pursuant to the terms and conditions of the Related Bond, if “Related Bond” is specified as applicable in the applicable Final Terms, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, or, if “Related Bond” is not specified as applicable in the applicable Final Terms, the Calculation Agent shall make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased.

(d) Material Modification Prior to Last Occurring Cut-Off

If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make any such adjustments, if “Related Bond” is specified as applicable in the applicable Final Terms, consistent with adjustments made to the Related Bond, or, if “Related Bond” is not specified as applicable in the applicable Final Terms, only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation Index.

(e) Manifest Error in Publication

With the exception of any corrections published after the day which is three (3) Business Days prior to the relevant Maturity Date, if, within thirty (30) calendar days of publication, the Calculation Agent determines that the Inflation Index Sponsor has corrected the level of the Inflation Index to remedy a manifest error in its original publication, the Calculation Agent may, in its discretion, make such adjustments to the terms of the Inflation Linked Interest Notes as it determines appropriate to account for the correction and will notify the Noteholders of any such adjustments in accordance with Condition 17 (*Notices*).

(f) Consequences of an Additional Disruption Event

If the Calculation Agent determines that an Additional Disruption Event has occurred, the Issuer may at its option:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of these Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
- (ii) redeem or cancel, as applicable, all but not some of the Inflation Linked Interest Notes on the date notified by the Calculation Agent to Noteholders in accordance with Condition 17 (*Notices*) by payment of the relevant Early Redemption Amount or, in the case of Additional Tier 1 Notes, at their Prevailing Principal Amount, as at the date of redemption or cancellation, as applicable, taking into account the relevant Additional Disruption Event.

(g) Inflation Index Disclaimer

The Notes are not sponsored, endorsed, sold or promoted by the Inflation Index or the Inflation Index Sponsor and the Inflation Index Sponsor does not make any representation whatsoever, whether express or implied, either as to the results to be obtained from the use of the Inflation Index and/or the levels at which the Inflation Index stands at any particular time on any particular date or otherwise. Neither the Inflation Index nor the Inflation Index Sponsor shall be liable (whether in negligence or otherwise) to any Person for any error in the Inflation Index and the Inflation Index Sponsor is under no obligation to advise any Person of any error therein. The Inflation Index Sponsor is not making any representation whatsoever, whether express or implied, as to the advisability of purchasing or assuming any risk in connection with the Notes. The Issuer shall have no liability to the Noteholders for any act or failure to act by the Inflation Index Sponsor in connection with the calculation, adjustment or maintenance of the Inflation Index. Except as disclosed prior to the Issue Date, neither the Issuer nor its affiliates has any affiliation with or control over the Inflation Index or the Inflation Index Sponsor or any control over the computation, composition or dissemination of the Inflation Index. Although the Calculation Agent will obtain information concerning the Inflation Index from publicly available sources it believes reliable, it will not independently verify this information. Accordingly, no representation, warranty or undertaking (express or implied) is made and no responsibility is accepted by the Issuer, its Affiliates or the Calculation Agent as to the accuracy, completeness and timeliness of information concerning the Inflation Index.

7. INTEREST AND INTEREST CANCELLATION IN RESPECT OF ADDITIONAL TIER 1 NOTES

This Condition 7 applies only to Additional Tier 1 Notes. The application of Condition 6 (Interest) to Additional Tier 1 Notes is subject to this Condition 7.

7.1 Cancellation of Interest Amounts

The Issuer may elect at its full discretion to cancel (in whole or in part) the Interest Amounts otherwise scheduled to be paid on an Interest Payment Date.

Without prejudice to (i) such full discretion of the Issuer to cancel the Interest Amounts and (ii) prohibition to make payments on the Additional Tier 1 Notes pursuant to any provisions of Italian law implementing Article 141(2) of the CRD IV Directive, before the Maximum Distributable Amount is calculated, payment of Interest Amounts on any Interest Payment Date must be cancelled (in whole or, as the case may be, in part) if and to the extent that such Interest Amounts:

- (a) when aggregated together with distributions on all other Own Funds instruments of the Issuer (excluding Tier 2 Capital instruments) paid or scheduled for payment in the then current financial year exceed the amount of Distributable Items, excluding any payments already accounted for in determining the Distributable Items; and/or
- (b) when aggregated together with other distributions of the Issuer or the UniCredit Group, as applicable, of the kind referred to in Article 141(2) of the CRD IV Directive (or, if different, any provisions of Italian law implementing Article 141(2) of the CRD IV Directive), would, if paid, cause the Maximum Distributable Amount (if any) then applicable to the Issuer and/or the UniCredit Group to be exceeded; and/or
- (c) are required to be cancelled (in whole or in part) by an order to the Issuer from the Competent Authority.

If a Contingency Event occurs, as set out in Condition 8.1 (*Loss absorption*), any accrued and unpaid interest on the Notes to (but excluding) the Write-Down Effective Date shall be cancelled.

Notice of any cancellation of payment of a scheduled Interest Amount must be given to the Noteholders in accordance with Condition 17 (*Notices*), the Trustee and the Paying Agent as soon as possible, but not more than 60 calendar days prior to the relevant Interest Payment Date. Any failure by the Issuer to give such notice shall not affect the validity of the cancellation and shall not constitute a default for any purpose.

For the avoidance of doubt (i) the cancellation of any Interest Amounts in accordance with this Condition 7.1 or Condition 8.1 (*Loss absorption*) shall not constitute a default for any purpose on the part of the Issuer and (ii) interest on the Notes is not cumulative and any Interest Amounts that the Issuer elects not to pay or is prohibited from paying will not accumulate or compound and all rights and claims in respect of such amounts shall be fully and irrevocably forfeited and no payments shall be made nor shall any Noteholder be entitled to any payment or indemnity in respect thereof.

7.2 No Restriction Following Cancellation of Interest Amounts

In the event that the Issuer exercises its discretion not to pay interest or is prohibited from paying interest on any Interest Payment Date, it will not give rise to any contractual restriction on the Issuer making distributions or any other payments to the holders of any securities ranking *pari passu* with, or junior to, the Additional Tier 1 Notes.

7.3 Calculation of Interest Amount

The amount of interest payable in respect of an Additional Tier 1 Note for any period shall be calculated by the Paying Agent (in the case of Floating Rate Notes (other than CMS Linked Interest Notes)) or the Calculation Agent (in the case of Inflation Linked Interest Notes or CMS Linked Interest Notes) by:

- (a) applying the applicable Rate of Interest to the Prevailing Principal Amount of such Note;
- (b) multiplying the product thereof by the Day Count Fraction; and
- (c) rounding the resulting figure to the nearest cent (half a cent being rounded upwards).

7.4 Calculation of Interest Amount in Case of Write-Down

Subject to Condition 7.1 (*Cancellation of Interest Amounts*), in the event that a Write-Down occurs during an Interest Period, any accrued and unpaid interest shall be cancelled and the Interest Amount payable on the Interest Payment Date immediately following such Interest Period shall be calculated in accordance with Condition 7.3 (*Calculation of Interest Amount*), provided that the Day Count Fraction shall be determined as if the Interest Period started on, and included, the Write-Down Effective Date.

7.5 Calculation of Interest Amount in Case of Write-Up

Subject to Condition 7.1 (*Cancellation of Interest Amounts*), in the event that a Write-Up occurs during an Interest Period, the Interest Amount payable on the Interest Payment Date immediately following such Interest Period shall be calculated as the sum (rounding the resulting figure to the nearest cent, with half a cent being rounded upwards) of the following:

- (a) the product of the applicable Rate of Interest, the Prevailing Principal Amount before such Write-Up, and the Day Count Fraction (determined as if the Interest Period ended on, but excluded, the date of such Write-Up); and

- (b) the product of the applicable Rate of Interest, the Prevailing Principal Amount after such Write-Up, and the Day Count Fraction (determined as if the Interest Period started on, and included, the date of such Write-Up).

8. LOSS ABSORPTION AND REINSTATEMENT OF PRINCIPAL AMOUNT IN RESPECT OF ADDITIONAL TIER 1 NOTES

This Condition 8 applies only to Additional Tier 1 Notes.

8.1 Loss Absorption

If, at any time, the Common Equity Tier 1 Capital Ratio of the Issuer falls below 5.125% (an “**Issuer Contingency Event**”) or the Common Equity Tier 1 Capital Ratio of the UniCredit Group falls below 5.125% (a “**Group Contingency Event**”) or, in each case, the then minimum trigger event ratio for loss absorption applicable to Additional Tier 1 Capital instruments specified in the Relevant Regulations (excluding any guidelines or policies of non-mandatory application) applicable to the Issuer and/or the UniCredit Group (each, a “**Contingency Event**”), the Issuer shall:

- (a) immediately notify the Competent Authority of the occurrence of the relevant Contingency Event;
- (b) as soon as reasonably practicable deliver a Loss Absorption Event Notice to Noteholders (in accordance with Condition 17 (*Notices*)), the Trustee and the Paying Agent (provided that failure or delay in delivering a Loss Absorption Event Notice shall not constitute a default for any purpose or in any way impact on the effectiveness of, or otherwise invalidate, any Write-Down);
- (c) cancel any accrued and unpaid interest up to (but excluding) the Write-Down Effective Date; and
- (d) without delay, and in any event within one month (or such shorter period as the Competent Authority may require) from the determination that the relevant Contingency Event has occurred, reduce the then Prevailing Principal Amount of each Note by the Write-Down Amount (such reduction being referred to as a “**Write-Down**” and “**Written Down**” being construed accordingly), pro rata with the other Additional Tier 1 Notes.

Whether a Contingency Event has occurred at any time shall be determined by the Issuer and the Competent Authority.

Any Write-Down of a Note will be effected, save as may otherwise be required by the Competent Authority and subject as otherwise provided in these Conditions, pro rata with the Write-Down of the other Notes and with the concurrent (or substantially concurrent) write-down (or write-off) or conversion into Ordinary Shares, as the case may be, of any Equal Loss Absorbing Instruments (based on the prevailing amount of the relevant Equal Loss Absorbing Instrument). To the extent possible, the write-down (or write-off) or conversion into Ordinary Shares of any Prior Loss Absorbing Instruments will be taken into account in the calculation of the Write Down Amount, and of the amount of write-down (or write-off) or conversion into Ordinary Shares of any Equal Loss Absorbing Instruments, required to cure the relevant Contingency Event.

A Write-Down may occur on more than one occasion and the Notes may be Written Down on more than one occasion.

In respect of any Write-Down, to the extent the write-down (or write-off) or the conversion into Ordinary Shares of any Loss Absorbing Instrument is not, or within one month (or such shorter period as the Competent Authority may require) from the determination that the relevant Contingency Event has occurred will not be, effective for any reason (i) the ineffectiveness of any such write-down (or write-off) or conversion into Ordinary Shares shall not prejudice the requirement to effect the Write-Down of the Notes pursuant to this Condition 8.1 and (ii) (ii) such write-down (or write-off) or conversion into Ordinary Shares shall not be taken into account in calculating the Write Down Amount in respect of such Write-Down. For the avoidance of doubt, the write-down (or write-off) or conversion into Ordinary Shares of any Loss Absorbing Instrument will only be taken into account in the calculation of the Write-Down Amount to the extent (and in the amount, if any) that such Loss Absorbing Instrument can actually be written-down (or written-off) or converted into Ordinary Shares in the relevant circumstances within one month (or such shorter period as the Competent Authority may require) from the determination that the relevant Contingency Event has occurred.

If, in connection with a Write-Down or the calculation of a Write-Down Amount, there are outstanding any Loss Absorbing Instruments the terms of which provide that they shall be written-down (or written-off) or converted into Ordinary Shares in full and not in part only (“**Full Loss Absorbing Instruments**”) then:

- (A) the requirement that a Write-Down of the Additional Tier 1 Notes shall be effected pro rata with the write-down (or write-off) or conversion into Ordinary Shares, as the case may be, of any such Loss Absorbing Instruments shall not be construed as requiring the Notes to be Written-Down in full (or in full save for the one cent floor) simply by virtue of the fact that such Full Loss Absorbing Instruments will be written-down (or written-off) or converted in full; and

- (B) for the purposes of calculating the Write-Down Amount, the Full Loss Absorbing Instruments will be treated (for the purposes only of determining the write-down (or write-off) of principal or conversion into Ordinary Shares, as the case may be, among the Notes and such other Loss Absorbing Instruments on a pro rata basis) as if their terms permitted partial write-down (or write-off) or conversion into Ordinary Shares, such that the write-down (or write-off) or conversion into Ordinary Shares of such Full Loss Absorbing Instruments shall be deemed to occur in two concurrent stages: (a) first, the principal amount of such Full Loss Absorbing Instruments shall be written-down (or written-off) or converted into Ordinary Shares pro rata with the Additional Tier 1 Notes and all other Loss Absorbing Instruments (in each case subject to and as provided in the preceding paragraph) to the extent necessary to cure the relevant Contingency Event; and (b) secondly, the balance (if any) of the principal amount of such Full Loss Absorbing Instruments remaining following (a) shall be written-down (or written-off) or converted into Ordinary Shares, as the case may be, with the effect of increasing the Issuer's and/or the UniCredit Group's, as the case may be, CET1 Ratio above the minimum required level under (a) above.

8.2 Consequences of Loss Absorption

Following the giving of a Loss Absorption Event Notice which specifies a Write-Down of the Additional Tier 1 Notes, the Issuer shall procure that:

- (a) a similar notice is, or has been, given in respect of each Loss Absorbing Instrument (in each case, in accordance with, and to the extent required by, its terms); and
- (b) the prevailing principal amount of each Loss Absorbing Instrument outstanding (other than the Additional Tier 1 Notes) (if any) is written down (or written-off) or converted, as appropriate, on a pro rata basis in accordance with its terms prior to or, as appropriate, as soon as reasonably practicable following the giving of such Loss Absorption Event Notice.

8.3 Reinstatement of Principal Amount

If both a positive Net Income and a positive Consolidated Net Income are recorded at any time while the Prevailing Principal Amount of the Additional Tier 1 Notes is less than their Initial Principal Amount, the Issuer may, at its full discretion and subject to the Maximum Distributable Amount (if any) (when the amount of the Write-Up is aggregated together with other distributions of the Issuer or the UniCredit Group, as applicable, of the kind referred to in Article 141(2) of the CRD IV Directive (or, if different, any provision of Italian law implementing Article 141(2) of the CRD IV Directive, as amended or replaced)) not being exceeded thereby, increase the Prevailing Principal Amount of each Additional Tier 1 Note (a “**Write-Up**”) up to a maximum of the Initial Principal Amount, on a pro rata basis with the other Additional Tier 1 Notes and with any Written-Down Additional Tier 1 Instruments that have terms permitting a principal write-up to occur on a basis similar to that set out in this Condition 8.3 in the circumstances existing on the date of the relevant Write-Up (based on their Initial Principal Amounts), provided that the sum of:

- (a) the aggregate amount of the relevant Write-Ups on all the Additional Tier 1 Notes;
- (b) the aggregate amount of any interest payments on the Additional Tier 1 Notes that were paid on the basis of a Prevailing Principal Amount lower than the Initial Principal Amount at any time after the end of the previous financial year;
- (c) the aggregate amount of the increase in principal amount of each such Written-Down Additional Tier 1 Instrument at the time of the relevant Write-Up; and
- (d) the aggregate amount of any interest payments on each such Written-Down Additional Tier 1 Instrument that were calculated or paid on the basis of a prevailing principal amount that is lower than the principal amount it was issued with at any time after the end of the previous financial year,

does not exceed the Maximum Write-Up Amount.

The “**Maximum Write-Up Amount**” means:

- (a) if the Relevant Net Income for the relevant Write-Up is equal to the Consolidated Net Income, the Consolidated Net Income multiplied by the sum of the aggregate Initial Principal Amount of the Additional Tier 1 Notes and the aggregate initial principal amount of all Written-Down Additional Tier 1 Instruments of the UniCredit Group, and divided by the total Tier 1 Capital of the UniCredit Group as at the date of the relevant Write-Up; or
- (b) if the Relevant Net Income for the relevant Write-Up is equal to the Net Income, the Net Income multiplied by the sum of the aggregate Initial Principal Amount of the Additional Tier 1 Notes and the aggregate initial principal amount of all Written-Down Additional Tier Instruments of the Issuer, and divided by the total Tier 1 Capital of the Issuer as at the date of the relevant Write-Up.

The Issuer will not reinstate the principal amount of any Written-Down Additional Tier 1 Instruments of the Issuer that have terms permitting a principal write-up to occur on a similar basis to that set out in this Condition 8.3 unless it does so on a *pro rata* basis with a Write-Up on the Notes.

A Write-Up may be made on one or more occasions in accordance with this Condition 8.3 until the Prevailing Principal Amount of the Notes has been reinstated to the Initial Principal Amount.

Any decision by the Issuer to effect or not to effect any Write-Up pursuant to this Condition 8.3 on any occasion shall not preclude it from effecting or not effecting any Write-Up on any other occasion pursuant to this Condition 8.3.

If the Issuer decides to Write-Up the Notes pursuant to this Condition 8.3, it shall deliver a notice to the Noteholders in accordance with Condition 17 (*Notices*) and to the Trustee and the Paying Agent (a “**Write-Up Notice**”) at least ten Business Days prior to the date on which the relevant Write-Up becomes effective, specifying the amount of any Write-Up (as a percentage of the Initial Principal Amount of a Note resulting in a pro rata increase in the Prevailing Principal Amount of each Note) and the date on which such Write-Up shall take effect shall be given.

9. PAYMENTS

9.1 Payment of Principal

Payments of principal shall be made by check or wire transfer drawn in the currency in which the payment is due on or, upon application by a Holder to the specified office of the Paying Agent not later than the 15th day before the due date for any such payment, by transfer to an account denominated in such currency maintained by the payee with a bank in New York, New York.

9.2 Payment of Interest

Payments of interest shall be made, subject to the Tax Certification Procedures, by check or wire transfer drawn in the currency in which the payment is due on or, upon application by a Holder to the specified office of the Paying Agent not later than the 15th day before the due date for any such payment, by transfer to an account denominated in such currency (or, if that currency is euro, any other account to which euro may be credited or transferred) maintained by the payee with a bank which is a member of the U.S. Federal Reserve System in the United States of America and, in the case of interest payable on redemption) upon surrender (or, in the case of part payment only, endorsement) of the relevant Note.

Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid subject to the Tax Certification Procedures, to the Person in whose name that Note is registered at the close of business on the Regular Record Date for such interest.

Subject to the foregoing provisions of this Condition 9.2, each Note delivered upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

The Issuer has been advised by DTC that DTC will, in accordance with its customary accounting and payment procedures, credit interest payments received by DTC on any Interest Payment Date based on DTC Participant holdings of the beneficial interests in the Notes (i) on the close of business on the New York business day immediately preceding such Interest Payment Date, with respect to Rule 144A Notes and the related Global Receipts issued in U.S. Dollars, and (ii) on the close of business on the New York business day that is 15 days prior to such Interest Payment Date, with respect to Rule 144A Notes and the related Global Receipts issued in a Designated Currency. DTC will typically only accept payments in U.S. dollars. Rule 144A Notes and the related Global Receipts may be issued in a Designated Currency and, in such cases, payments of interest thereon may be payable in the Designated Currency, as specified in the Final Terms. According to the procedures of DTC, DTC Holders will receive payments in U.S. dollars, unless they elect to receive such payments in the Designated Currency. In the event that a DTC Holder shall not have made such election, payments to such DTC Holder will be converted to U.S. dollars by the Receipt Paying Agent pursuant to the terms and procedures specified in the Deposit Agreement.

9.3 Payments on Business Days

Where payment is to be made by transfer to an account, payment instructions (for value the due date, or, if the due date is not a Business Day, for value the next succeeding Business Day) will be initiated and, where payment is to be made by check, the check will be mailed (i) (in the case of payments of principal and interest payable on redemption) on the later of the due date for payment and the day on which the relevant Note is surrendered (or, in the case of part payment only, endorsed) at the Corporate Trust Office of the Paying Agent and (ii) (in the case of payments of interest payable other than on redemption) on the due date for payment. A Holder shall not be entitled to any interest or other payment in respect of any delay in payment resulting from (A) the due date for a payment not being a Business Day or (B) a check mailed in accordance with Condition 9.1 (*Payment of Principal*) or Condition 9.2 (*Payment of Interest*) arriving after the due date for payment or being lost in the mail.

9.4 Payment of Principal Amount or Prevailing Principal Amounts due After Exercise of Resolution Power

No payment of any principal amount of the Notes or of any other Prevailing Principal Amounts due under or in respect of the Notes will be made after the exercise of any Resolution Power by the Relevant Resolution Authority unless, at the time that such payment is scheduled to become due, such payment would be permitted to be made by the Issuer after the exercise of such Resolution Power.

10. REDEMPTION AND PURCHASE

10.1 Redemption at Maturity

This Condition 10.1 applies only to Senior Notes, Non-Preferred Senior Notes and Subordinated Notes.

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer on the Maturity Date specified in the applicable Final Terms at *par* in the relevant Specified Currency.

10.2 No Fixed Redemption

This Condition 10.2 applies only to Additional Tier 1 Notes.

The Additional Tier 1 Notes are perpetual and have no fixed redemption date.

Unless previously redeemed or purchased and cancelled as provided below, the Additional Tier 1 Notes will mature on the date on which voluntary or involuntary winding up, dissolution, liquidation or bankruptcy (including, *inter alia*, *Liquidazione Coatta Amministrativa*) proceedings are instituted in respect of the Issuer, in accordance with (a) a resolution of the shareholders' meeting of the Issuer, (b) any provision of the by-laws of the Issuer (as of the date hereof, the maturity of the Issuer is set in its by-laws at 31 December 2100), or (c) any applicable legal provision, or any decision of any jurisdictional or administrative authority. Upon maturity, the Additional Tier 1 Notes will become due and payable at an amount equal to their Prevailing Principal Amount, together with any accrued and unpaid interest on the Notes and any additional amounts due pursuant to Condition 11 (*Taxation*).

10.3 Redemption for Tax Reasons

Subject to Condition 10.7 (*Early Redemption Amounts*), the Notes may be redeemed at the option of the Issuer (subject, in the case of Senior Notes and Non-Preferred Senior Notes issued in accordance with MREL or TLAC Requirements, to the provisions of Condition 10.14 (*Conditions to Redemption and Purchase of Senior Notes and Non-Preferred Senior Notes Issued in Accordance With MREL or TLAC Requirements*), and in the case of Subordinated Notes and Additional Tier 1 Notes, to the provisions of Condition 10.13 (*Conditions to Early Redemption and Purchase of Subordinated Notes and Additional Tier 1 Notes*)) in whole, but not in part, at any time (if the Note is not a Floating Rate Note, an Index Linked Interest Note or a Dual Currency Interest Note) or on any Interest Payment Date (if this Note is a Floating Rate Note, an Index Linked Interest Note or a Dual Currency Interest Note), on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Noteholders in accordance with Condition 17 (*Notices*), to the Paying Agent and to the Trustee, if a Tax Event has occurred, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which (i) the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due or (ii) the part of the interest payable by the Issuer under the Notes that is tax-deductible by the Issuer for Italian tax purposes is reduced.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver or procure that there is delivered to the Trustee to make available to the Noteholders at its Corporate Trust Office, a certificate signed by two authorised signatories of the Issuer stating that the said circumstances prevail and describing the facts leading thereto, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Noteholders and the Receipt holders.

Upon the expiry of any such notice as is referred to in this Condition 10.3, the Issuer shall be bound to redeem the Notes in accordance with this Condition 10.3. Notes redeemed pursuant to this Condition 10.3 will be redeemed at their Early Redemption Amount referred to in Condition 10.7 (*Early Redemption Amounts*) below or, in the case of Additional Tier 1 Notes, at their Prevailing Principal Amount, together (if applicable) with accrued and unpaid interest on the Notes to (but excluding) the date of redemption.

10.4 Redemption for Regulatory Reasons (Regulatory Call)

This Condition 10.4 applies only to Subordinated Notes and Additional Tier 1 Notes.

If Regulatory Call is specified in the applicable Final Terms as applicable, the Notes may be redeemed at the option of the Issuer (subject to the provisions of Condition 10.13 (*Conditions to Early Redemption and Purchase of Subordinated Notes and Additional Tier 1 Notes*)), in whole, but not in part, at any time (if the Note is not a Floating Rate Note or an Index Linked Interest Note or on any Interest Payment Date (if the Note is a Floating Rate Note, an Index Linked Interest Note or a Dual Currency Interest Note), on giving not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Condition 17 (*Notices*), the Paying Agent and the Trustee, if (a) a Regulatory Event occurs in respect of Subordinated Notes or (b) there is a change in the regulatory classification of the Additional Tier 1 Notes that would be likely to result in their exclusion, in whole or in part, from Additional Tier 1 Capital of the UniCredit Group or the Issuer and, in respect of any redemption of the relevant Subordinated Notes or Additional Tier 1 Notes proposed to be made prior to the fifth anniversary of the applicable Issue Date, both of the following conditions are met: (i) the Competent Authority considers such a change to be reasonably certain, and (ii) the Issuer demonstrates to the satisfaction of the Competent Authority that the change in the regulatory classification of the Subordinated Notes or the Additional Tier 1 Notes was not reasonably foreseeable by the Issuer as at the date of the issue of the Subordinated Notes or Additional Tier 1 Notes.

Prior to the publication of any notice of redemption pursuant to this Condition 10.4, the Issuer shall deliver or procure that there is delivered to the Trustee a certificate signed by two authorised signatories of the Issuer stating that the said circumstances exist and describe the facts leading thereto. The Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Noteholders and the Receipt Holders.

Upon the expiry of any such notice as is referred to in this Condition 10.4, the Issuer shall be bound to redeem the Notes in accordance with this Condition 10.4. Notes redeemed pursuant to this Condition 10.4 will be redeemed at their Early Redemption Amount referred to in Condition 10.7 (*Early Redemption Amounts*) below or, in the case of Additional Tier 1 Notes, at their Prevailing Principal Amount, together (if applicable) with any accrued and unpaid interest on the Notes to (but excluding) the date of redemption.

10.5 Redemption at the Option of the Issuer (Issuer Call)

This Condition 10.5 applies to Notes which are subject to redemption at the option of the Issuer (other than for taxation reasons or for regulatory reasons), such option being referred to as an Issuer Call. The applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount, any minimum or maximum amount of Notes which can be redeemed and the applicable notice periods.

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may (subject, in the case of Senior Notes and Non-Preferred Senior Notes issued in accordance with MREL or TLAC Requirements, to the provisions of Condition 10.14 (*Conditions to Redemption and Purchase of Senior Notes and Non-Preferred Senior Notes Issued in Accordance With MREL or TLAC Requirements*), and in the case of Subordinated Notes and Additional Tier 1 Notes, to the provisions of Condition 10.13 (*Conditions to Early Redemption and Purchase of Subordinated Notes and Additional Tier 1 Notes*)), having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Noteholders in accordance with Condition 17 (*Notices*) (which notice shall specify the date fixed for redemption), the Paying Agent and the Trustee redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms or, in the case of Additional Tier 1 Notes, at their Prevailing Principal Amount together, if appropriate, with any accrued and unpaid interest to (but excluding) the relevant Optional Redemption Date. In the case of Senior Notes, Non-Preferred Senior Notes and Subordinated Notes, any such redemption must be in a principal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

The Optional Redemption Amount will either be the specified percentage of the principal amount of the Notes stated in the applicable Final Terms or, if a Make-whole Amount is specified in the applicable Final Terms, will be an amount calculated by the Issuer (or an agent appointed by the Issuer at the time) equal to the higher of:

- (a) 100% of the principal amount of the Notes to be redeemed; or
- (b) the sum of the present values of the principal amount of the Notes to be redeemed and the Remaining Term Interest on such Notes (exclusive of accrued and unpaid interest to (but excluding) the Optional Redemption Date) discounted to the Optional Redemption Date on an annual basis (based on the actual number of days elapsed divided by 365 or (in the case of a leap year) 366) at the Reference Bond Rate (as defined below), together with the specified Redemption Margin,

in each case together with any accrued and unpaid interest on the Notes to (but excluding) the Optional Redemption Date.

All notifications, opinions, determinations, certifications, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 10.5 by the Issuer (or an agent appointed by the Issuer at the time), shall (in the absence of negligence, wilful default or fraud) be binding on the Issuer, the Calculation Agent, the Trustee, the Paying Agent and the Noteholders.

where:

19. MEETINGS OF NOTEHOLDERS, MODIFICATION, WAIVER AND SUBSTITUTION

- (a) The Issuer and the Trustee may amend or supplement the Indenture, these Conditions or the Notes of one or more Series without the consent of any Holder of the outstanding Notes of a particular Series for the purposes set forth in Clause 9.1 of the Indenture and including evidencing the succession of another Person to the Issuer and such Person’s assumption of the Issuer’s obligations under the Indenture; adding to the Issuer’s covenants or Events of Default; establishing forms or terms of the Notes of a particular Series; curing ambiguities, defects or inconsistencies and other purposes which are not materially prejudicial to the interests of the Holders of the outstanding Notes of a particular Series; or making any modification which is of a formal, minor or technical nature or is made to correct a manifest error.

- (b) The Trustee shall agree with the Issuer (or any successor) at any time without the consent of the Holders of the outstanding Notes of a particular Series to any changes modifying the Tax Certification Procedures set forth in Exhibit 7 of the Indenture or waivers undertaken pursuant to the TCA Agreement.
- (c) The Trustee may, without the consent of any Holder of the outstanding Notes of a particular Series, and without prejudice to its rights in respect of any subsequent breach, condition, event or act from time to time and at any time, but only if and in so far as in its opinion the interests of the holders of the outstanding Notes of a particular Series shall not be materially prejudiced thereby, authorize or waive, on such terms and conditions (if any) as shall seem expedient to it, any breach or proposed breach of any of the covenants or provisions contained in the Indenture, the Conditions or the Notes or determine that any Event of Default or Potential Event of Default shall not be treated as such for the purposes of the Indenture, the Conditions and the Notes; provided that the Trustee shall not exercise any powers conferred upon it by this Condition 18(d) in contravention of any express request in writing made by the holders of not less than 25% in aggregate principal amount of the Notes then outstanding of a Series (but so that no such request shall affect any authorization, waiver or determination previously given or made) or so as to authorize or waive any such breach or proposed breach relating to any of the matters set forth in Condition 19(e) below.
- (d) The Issuer and the Trustee may enter into a supplemental indenture with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Notes of each Series affected by such supplemental indenture (including consents obtained in connection with a tender offer or exchange offer for the Notes of such Series), for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the Holders of each such Series.

The Holders of at least a majority in principal amount of the outstanding Notes of each Series by notice to the Trustee (including consents obtained in connection with a tender offer or exchange offer for the Notes of such Series) may waive compliance by the Issuer with any provision of this Indenture or the Notes with respect to such Series.

- (e) Without the consent of at least two-thirds of the aggregate principal amount of outstanding Notes of each Series affected, an amendment or waiver may not (with respect to any Notes of such Series held by a non-consenting Holder):
 - (i) (a) change the date fixed for payment of principal or interest in respect of the Notes of such Series, (b) except for Additional Tier 1 Notes, reduce the amount of principal or interest payable on any date in respect of the Notes of such Series, or (c) alter the method of calculating the amount of any payment in respect of the Notes of such Series on redemption or maturity or the date for any such payment;

 - (v) modify such provisions with respect to modification and waiver.
- (f) If at any time one of the events set out in Condition 10.3 (*Redemption for Tax Reasons*) or Condition 10.4 (*Redemption for Regulatory Reasons (Regulatory Call)*) occurs or to align to best practices from time to time published by the European Banking Authority, then the Issuer may, subject to giving any notice required to be given to, and receiving any consent required from, the Competent Authority (without any requirement for the consent or approval of the Holders of the Additional Tier 1 Notes of that Series) and having given not less than 30 nor more than 60 days' notice to the Trustee and the Holders of the Additional Tier 1 Notes of that Series (which notice shall be revocable, including in the event that a Contingency Event subsequently occurs, in which case the relevant notice shall be automatically rescinded and shall have no force or effect and a Write-Down shall be effected in accordance with Condition 8 (*Loss Absorption and Reinstatement of Principal Amount in respect of Additional Tier 1 Notes*)), at any time either substitute all (but not some only) of such Additional Tier 1 Notes, or vary the terms of such Additional Tier 1 Notes so that they remain or, as appropriate, become, Qualifying Additional Tier 1 Notes provided that such variation or substitution does not itself give rise to any right of the Issuer to redeem the varied or substituted securities that would otherwise provide the Issuer with a right of redemption pursuant to the provisions of the Additional Tier 1 Notes.
- (g) In addition, (i) in the case of Senior Notes or Non-Preferred Senior Notes, if at any time a MREL or TLAC Disqualification Event occurs, or (ii) in the case of Subordinated Notes, if at any time a Regulatory Event occurs, then the Issuer may, subject to giving any notice required to be given to, and receiving any consent required from, the Competent Authority and/or as appropriate the Relevant Resolution Authority (without any requirement for the consent or approval of the Holders of the Senior Notes or of the Non-Preferred

20. INDEMNIFICATION OF THE TRUSTEE

The Indenture contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings to enforce repayment unless indemnified and/or secured to its satisfaction and to be paid to its costs and expenses in priority to the claims of the Noteholders.

The Indenture also contains provisions pursuant to which the Trustee is entitled, *inter alia*, (a) to enter into business transactions with the Issuer and/or any of the Issuer's Subsidiaries and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or any of the Issuer's Subsidiaries, (b) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Noteholders or Receipt Holders, and (c) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

21. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Receipt Holders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and the date from which interest starts to accrue and so that the same shall be consolidated and form a single Series with the outstanding Notes.

The Issuer may from time to time, with the prior written consent of the Trustee, create and issue other series of Notes having the benefit of the Indenture. The Indenture contains provisions for and governs the convening of a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.

22. GOVERNING LAW, SUBMISSION TO JURISDICTION AND RESOLUTION POWER

The laws of the State of New York will govern and be used to construe these Conditions, the Indenture and the Notes (save that the provisions applicable to the Senior Notes, Non-Preferred Senior Notes, Subordinated Notes and the Additional Tier 1 Notes described in Conditions 3.1 (*Status of the Senior Notes*), 3.2 (*Status of the Non-Preferred Senior Notes*), 4 (*Status of the Subordinated Notes*) and 5 (*Status of the Additional Tier 1 Notes*) above and the relevant Clauses of the Indenture shall be governed by the laws of the Republic of Italy).

The Issuer has irrevocably consented and agreed, for the benefit of the Noteholders from time to time, that any legal action, suit or proceeding against it with respect to its obligations or liabilities arising out of or in connection with the Indenture or the Notes may be brought in any state or federal court located in the Borough of Manhattan, City of New York, State of New York, for which the Issuer has appointed UniCredit Bank AG, New York Branch, 150 East 42nd Street, New York, NY 10017, USA, as its authorized agent upon which process may be served, and, until amounts due and to become due in respect of the Notes have been paid, have irrevocably consented and submitted to the non-exclusive jurisdiction of each such court in personam, generally and unconditionally with respect to any action, suit or proceeding for itself and in respect of its properties, assets and revenues.

23. CONTRACTUAL RECOGNITION OF STATUTORY BAIL-IN POWERS

By the acquisition of the Notes, each Noteholder acknowledges and agrees to be bound by the exercise of any Bail-in Power by the Relevant Resolution Authority that may result in the write-down or cancellation of all or a portion of the principal amount of, or distributions on, the Notes and/or the conversion of all or a portion of the principal amount of, or distributions on, the Notes into Ordinary shares or other obligations of the Issuer or another person, including by means of a variation to the terms of the Notes to give effect to the exercise by the Relevant Resolution Authority of such Bail-in Power. Each Noteholder further agrees that the rights of the Noteholders are subject to, and will be varied if necessary so as to give effect to, the exercise of any Bail-in Power by the Relevant Resolution Authority.

For the avoidance of doubt, the potential write-down or cancellation of all or a portion of the principal amount of, or distributions on, the Notes or the conversion of the Notes into Ordinary Shares or other obligations in connection with the exercise of any Bail-in Power by the Relevant Resolution Authority is separate and distinct from a Write-Down following a Contingency Event although these events may occur consecutively.

Upon the Issuer being informed or notified by the Relevant Resolution Authority of the actual exercise of the date from which the Bail-in Power is effective with respect to the Notes, the Issuer shall notify the holders without delay. Any delay or failure by the Issuer to give notice shall not affect the validity and enforceability of the Bail-in Power nor the effects on the Notes described in this clause.

The exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Notes shall not constitute an Event of Default and the terms and conditions of the Notes shall continue to apply in relation to the residual principal amount of, or outstanding amount payable with respect to, the Notes subject to any modification of the amount of distributions payable to reflect the reduction of the principal amount, and any further modification of the terms that the Relevant Resolution Authority may decide in accordance with applicable laws and regulations relating to the resolution of credit institutions, investment firms and/or Group Entities incorporated in the relevant Member State.

Each Noteholder also acknowledges and agrees that this provision is exhaustive on the matters described herein to the exclusion of any other agreements, arrangements or understandings relating to the application of any Bail-in Power to the Notes.
